1. *The Motion.* The Motion is granted as set forth herein. The DIP Facility is authorized and approved, and the grant of adequate protection for the consensual use of Prepetition Collateral, including Cash Collateral, is authorized, subject to the terms and conditions set forth in this Order. 5. *Debtors’ Stipulations.* Except as modified by this Order and subject to the Creditors’ Committee’s right to assert Claims and Defenses (as defined below) by the Challenge Deadline (as defined herein) as set forth in paragraph 21 below, all admissions, stipulations and agreements of the Debtors set forth in paragraph 5 of the Amended Final Cash Collateral Order are incorporated herein by reference as if fully set forth herein. Such admissions, stipulations and agreements remain binding on the Debtors and their respective representatives, successors and assigns, including any chapter 7 trustee, on each of the Debtors’ estates, all creditors thereof and each of their respective representatives, successors and assigns, including, but not limited to, any trustee or other representative appointed by the Court, whether such trustee or representative is appointed in cases under chapter 11 or chapter 7 of the Bankruptcy Code.

6. *Effect on Amended Final Cash Collateral Order.* The Amended Final Cash Collateral Order is amended and superseded by this Order solely to the extent set forth herein; provided, however, that the Adequate Protection Obligations, Superpriority Claims, Adequate Protection Liens, waivers, releases and other rights and protections granted to the Prepetition

Secured Parties in the Amended Final Cash Collateral Order remain in full force and effect, except as modified herein.

7. *Findings Regarding the DIP Loans and the Use of Prepetition Secured Parties' Collateral, Including the Cash Collateral.*

(a) Good cause has been shown for the entry of this Order.

(b) The Debtors require postpetition financing and continued use of the Prepetition Secured Parties' Collateral, including the Cash Collateral, in order to, among other things, fund their operations and pay for the costs and expenses related to the administration of the Chapter 11 Cases until the closing of the sale(s) pursuant to the Sale Motion. Absent granting the relief set forth in this Order, the Debtors' estates and their business will be irreparably harmed.

(c) The Debtors are unable to obtain financing on more favorable terms and conditions from sources other than the DIP Lenders pursuant to, and for the purposes set forth in, the DIP Financing Documents and are unable to obtain unsecured credit allowable under Bankruptcy Code section 503(b)(1) as an administrative expense. The Debtors also are unable to obtain secured credit allowable under Bankruptcy Code sections 364(c)(1), 364(c)(2), and 364(c)(3) without granting priming liens under Bankruptcy Code section 364(d)(1) and a DIP Superpriority Claim (as defined herein) on the terms and conditions set forth in this Order and the DIP Financing Documents.

(d) The terms upon which the Debtors will be permitted to continue to use Cash Collateral pursuant to this Order and the terms of the DIP Loans are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration.

(e) The Steering Committee, the Administrative Agent, the Credit Agreement Collateral Agent, the First Lien Trustee, the Second Lien Trustee, the 1L Notes Collateral Agent, and the 2L Notes Collateral Agent, as applicable, have consented to (or, as applicable, have been directed to, or it has been asserted that they are deemed to have consented to pursuant to the Amended and Restated Intercreditor Agreement, dated as of March 27, 2014 (as amended, supplemented or otherwise modified from time to time, the “Intercreditor Agreement”), conditioned upon the entry of this Order, the Debtors’ entry into the DIP Facility, including the granting of priming liens and claims in connection therewith, and the continued use of Cash Collateral, on the terms and conditions set forth in this Order.

(f) (i) The DIP Financing Documents and the use of the Prepetition Secured Parties’ Collateral, including the continued use of Cash Collateral, have been the subject of extensive negotiations conducted in good faith and at arm’s length among the Debtors, the DIP Agent, the DIP Lenders, the Credit Agreement Collateral Agent (on behalf of the First Lien Lenders), the Administrative Agent, and the Backstop Parties, and (ii) the DIP Obligations, and this Order shall be deemed to have been extended by the DIP Agent and the DIP Lenders in “good faith” as such term is used in Bankruptcy Code sections 363(m) and 364(e), and in express reliance upon the protections set forth therein, and shall be entitled to the full protections of Bankruptcy Code sections 363(m) and 364(e) in the event that this Order or any provision hereof is vacated, reversed or modified on appeal or otherwise.

8. *Authorization of the DIP Financing Loans and the DIP Financing Documents.*

(a) The DIP Financing Documents are hereby approved. The Debtors are authorized and empowered to enter into, and perform under, the DIP Financing Documents and, in the case of Borrower, to borrow, subject to the terms and conditions of this Order and the DIP

Financing Documents, the DIP Loans in an aggregate principal amount not to exceed \$50 million solely for the purposes specified in the DIP Term Sheet filed with the Motion, and any other purposes specified in the DIP Credit Agreement to be filed with the Court. Upon the Closing (as defined in the Asset Purchase Agreement) of the transactions under the Asset Purchase Agreement, the DIP Obligations shall be indefeasibly and immediately paid in full in cash from the cash consideration provided by the Buyer under the Asset Purchase Agreement.

(b) In furtherance of the foregoing and without further approval of this Court, each Debtor is authorized and directed to perform all acts (and to the extent such acts have already occurred, such acts are hereby ratified) and to execute and deliver all instruments and documents that the DIP Agent determines to be reasonably required or necessary for the Debtors' performance of their obligations under the DIP Financing Documents, including without limitation:

- (i) the execution, delivery and performance of the DIP Financing Documents;
- (ii) the non-refundable payment to the DIP Agent and the DIP Lenders, as the case may be, of the fees set forth in the DIP Financing Documents, including, but not limited to, the Upfront Fee, Drawdown Fee and Put Option Premium and the fees set forth in the Agent Fee Letter and the other fees, costs and expenses as may be due from time to time as provided in this Order and the DIP Financing Documents, including, but not limited to, reasonable attorneys' fees and expenses and the fees and expenses of financial advisors, consultants and other professionals as provided in the DIP Financing Documents;
- (iii) the granting of all liens and claims with respect to, and the making any payments in respect of, Adequate Protection Obligations (as defined herein) to the extent provided for in this Order; and
- (iv) the performance of all other acts required under or in connection with this Order and/or the DIP Financing Documents.

(c) The DIP Financing Documents constitute legal, valid, binding and non-avoidable obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with the terms of this Order and the DIP Financing Documents. The failure to specifically include any particular provision of the DIP Financing Documents in this Order shall not diminish or impair the efficacy of such provision, it being the intent of the Court that the DIP Financing Documents be authorized and approved in their entirety.

(d) No obligation, payment, transfer or grant of security or superpriority claim by the Debtors under the DIP Financing Documents, this Order or the Amended Final Cash Collateral Order, to the extent not amended by this Order, shall be subject to contest, attack, objection, recoupment, defense, setoff, counterclaim, avoidance, recharacterization, reclassification, reduction, disallowance, recovery, disgorgement, attachment, “claim” (as defined in the Bankruptcy Code), impairment, or subordination (whether equitable, contractual, or otherwise) or other challenge of any kind pursuant to the Bankruptcy Code or applicable nonbankruptcy law.

9. *Budget Compliance and Reporting.* Attached as **Exhibit B** hereto and incorporated by reference herein is the 11-week budget, for the period starting on the week ending January 23, 2016, setting forth the projected financial operations of the Debtors, which budget has been approved by the Backstop Parties (the “Approved Budget”). As soon as available but in any event within five (5) business days after the end of each Budget Testing Period (with the first variance report due on February 19, 2016), the Debtors shall deliver to the DIP Agent and the Backstop Parties who have signed a non-disclosure agreement, with copies to the Steering Committee Advisors, the advisors to the Administrative Agent, the advisors to the Creditors’ Committee and counsel to the Second Lien Trustee, a variance report showing

comparisons of actual amounts for each line item against the budgeted amounts for such line item in the Approved Budget for the preceding two-week period and on a cumulative basis from the immediately preceding Budget Testing Period accompanied by a narrative explanation; provided that, for purposes of the first Budget Testing Period, such variance report shall compare cumulative actuals and budgeted amounts from the first week of the Approved Budget through the week ending February 13, 2016; provided further that the variance report may be shared on a confidential basis with those DIP Lenders who have signed a non-disclosure agreement, and those Prepetition Secured Parties that have signed a non-disclosure agreement or are otherwise subject to confidentiality restrictions pursuant to the Prepetition Debt Documents. The Debtors shall not allow the: (a) aggregate amount of the actual net cash flow of the Debtors of the type set forth in the line item “Cumulative Net Cash Flow” on the Approved Budget for any Budget Testing Period to be lower than the budgeted amount set forth on the line item “Cumulative Net Cash Flow” on the Approved Budget for such Budget Testing Period by more than \$10,000,000; and (b) aggregate amount of the actual disbursements of the Debtors of the type set forth in the line item “Cumulative Disbursements” on the Approved Budget for any Budget Testing Period to be greater than the budgeted amount set forth on the line item “Cumulative Disbursements” on the Approved Budget for such Budget Testing Period by more than the greater of (x) \$5,000,000 and (y) 5.0% of such budgeted amount. For purposes of the Cumulative Net Cash Flow and Cumulative Disbursements variance tests set forth above, (i) “Budget Testing Period” shall mean the two-week period beginning with the week in which the Effective Date (as defined in the DIP Credit Agreement) occurs, and each cumulative period beginning with the week in which the Effective Date occurs and ending every two weeks after the first two week period and (ii) “Cumulative Net Cash Flow” and “Cumulative Disbursements” shall not include (w) the fees

and expenses of the Backstop Parties' Advisors (as defined herein) and the Steering Committee Advisors and the Consultants (each as defined herein), and fees and expenses of the professionals retained by the DIP Agent, the Administrative Agent, the First Lien Trustee and the Debtors, (x) the Cash Collateral used with respect to the Approved Collateralized Obligations, (y) any key employee retention payments pursuant to the *Memorandum Opinion and Order (A) Granting the Debtors' Motion Approving the Debtors' Key Employee Retention Plan and (B) Granting Related Relief* [Docket No. 1490] (the "KERP Order") and any other key employee retention payments approved by the Required Lenders and the Court, and (z) any other amounts excluded from "Cumulative Net Cash Flow" or "Cumulative Disbursements" in the Amended Final Cash Collateral Order. The Debtors shall not allow the cumulative amount of the actual capital expenditures, as calculated on a GAAP basis, for any Capital Expenditure Testing Period to exceed the budgeted amount set forth in the Capital Expenditure Budget for such Capital Expenditure Testing Period, also calculated on a GAAP basis, by \$1.5 million. For purposes of the capital expenditure variance test, (i) "Capital Expenditure Testing Period" shall mean each cumulative period beginning January 1, 2016 and ending at the end of each calendar month thereafter and (ii) "Capital Expenditure Budget" shall mean the budget projecting capital expenditures of the Debtors attached hereto as Exhibit C for period starting from January 1, 2016 through March 31, 2016 on a monthly basis, which "Capital Expenditure Budget" shall be in form and substance acceptable by the Backstop Parties in their sole discretion.

10. Except as otherwise agreed to by the Backstop Parties, or as expressly permitted herein or in the DIP Credit Agreement, the Debtors' use of the DIP Loans and Cash Collateral shall be only permitted pursuant to the terms of, and in accordance with, the Approved Budget subject to permitted variances. The Backstop Parties, the DIP Agent, the Steering Committee,

the Administrative Agent and the First Lien Trustee, as applicable, shall have no obligation with respect to the Debtors' use of the DIP Loans and Cash Collateral, and shall not be obligated to ensure or monitor the Debtors' compliance with the Approved Budget or to pay (directly or indirectly from the DIP Loans or Cash Collateral) any expenses incurred or authorized to be incurred pursuant to the Approved Budget. The consent of the Backstop Parties, the Steering Committee, the DIP Agent, the Administrative Agent and the First Lien Trustee, as applicable, to the use of DIP Loans or Cash Collateral pursuant to this Order and the DIP Financing Documents shall not be construed as consent to the use of any DIP Loans or Cash Collateral after the occurrence of an Event of Default, regardless of whether the aggregate funds shown on the Approved Budget have been expended.

11. *DIP Claims and Liens.* As security for the DIP Obligations, the DIP Agent, for the benefit of the DIP Lenders, is hereby granted the following claims, liens, and security interests ((a) and (b) below, collectively, the "DIP Claims and Liens"):

(a) *DIP Superpriority Claim.* Pursuant to Bankruptcy Code section 364(c)(1), an allowed joint and several superpriority administrative expense claim against each of the Debtors on account of the DIP Obligations (collectively, the "DIP Superpriority Claim"), with priority over any and all administrative expenses and claims asserted against the Debtors or their estates, at any time existing or arising, of any kind or nature whatsoever, including, but not limited to, the Prepetition Secured Parties' Superpriority Claims (as defined herein) and the administrative expenses of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 327, 328, 330, 331, 361, 362, 363, 364, 365, 503, 506, 507(a), 507(b), 546, 552, 726, 1113 and 1114, and any other provision of the Bankruptcy Code, whether or not such

expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, subject and subordinate only to the Carve-Out.

Collateral, and all cash and non-cash proceeds, rents, products, substitutions, accessions, and profits of any of the collateral described above, documents, vehicles, intellectual property, securities, partnership or membership interests in limited liability companies and capital stock, including, but not limited to, the products, proceeds and supporting obligations thereof, whether in existence on the Petition Date or thereafter created, acquired, or arising and wherever located (all such property, the “DIP Collateral”), which liens and security interests shall be senior to any and all other liens and security interests, including the Adequate Protection Liens (as defined herein) and the liens granted to the Prepetition Secured Parties under the Prepetition Debt Documents, other than the (i) Carve-Out, (ii) Permitted Priority Liens, if any, and (iii) Approved Liens. The DIP Liens shall not be (i) subject or subordinate to, or *pari passu* with, (x) any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Bankruptcy Code section 551 or (y) any lien or security interest arising on or after the Petition Date but subject to the Carve-Out or (ii) other than as set forth herein, subordinated to or made *pari passu* with any other lien, claim or security interest under Bankruptcy Code sections 363 or 364 or otherwise.

(c) For purposes of this Order and the Amended Final Cash Collateral Order, prior to the Closing, the “Carve-Out” shall mean the sum of: (A) all fees required to be paid to the Clerk of the Court and the Bankruptcy Administrator (without regard to the Carve-Out Trigger Notice (as defined herein)); (B) reasonable fees and expenses up to \$25,000 in the aggregate incurred by a trustee appointed under Bankruptcy Code section 726(b) (without regard to the Carve-Out Trigger Notice); (C) subject to the Committee Monthly Cap (as defined herein) with respect to Professional Fees incurred by Professional Persons (as defined herein) retained by the Creditors’ Committee, the Retiree Committee or any other statutory committee appointed

On the day on which a Carve-Out Trigger Notice is given to the Debtors, such Carve-Out Trigger Notice also shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an aggregate amount equal to the accrued and unpaid Pre-Trigger Date Fees plus the Post-Carve Out Trigger Notice Cap, and the Debtors shall deposit and hold any such amounts in a segregated account at a financial institution selected by the Debtors for such purpose and solely for the benefit of the Professional Persons entitled thereto. The reserved funds shall be released

from time to time from the segregated account to pay when due any Pre-Trigger Date Fees and any fees and expenses incurred after Post-Carve Out Trigger Notice that are included in the Post-Carve Out Trigger Notice Cap under clause (D) above. Such account and amounts therein shall be free and clear of all liens, claims and interests of any party other than the Professional Persons entitled thereto. Notwithstanding the foregoing, (X) the Carve-Out shall not include, apply to or be available for any fees or expenses incurred by any party in connection with (1) the investigation, preparation, initiation or prosecution of any claims, causes of action, proceeding, adversary proceeding or other litigation against any of the Prepetition Secured Parties (in such capacity), any of the DIP Financing Lenders or the DIP Agent, including challenging the amount, validity, perfection, priority or enforceability of or asserting any defense, counterclaim or offset to, the obligations, liens and security interests granted under the Prepetition Debt Documents, in favor of the Prepetition Secured Parties, the Amended Final Cash Collateral Order, the DIP Financing Documents, in favor of the DIP Financing Lenders or the DIP Agent, or under this Order, including, but not limited to, for lender liability or pursuant to Bankruptcy Code section 105, 510, 544, 547, 548, 549, 550 or 552, applicable nonbankruptcy law or otherwise; (2) attempts to modify any of the rights granted to the Prepetition Secured Parties, the DIP Lenders or the DIP Agent hereunder or under the Amended Final Cash Collateral Order; (3) attempts to prevent, hinder or otherwise delay any of the Prepetition Secured Parties', the DIP Lenders' or the DIP Agent's enforcement or realization upon any Collateral in accordance with the Prepetition Debt Documents, the DIP Financing Documents or this Order; or (4) paying any amount on account of any claims arising before the Petition Date unless such payments are approved by an order of this Court, in the Approved Budget or otherwise consented to by the Backstop Parties in their sole discretion, and (Y) so long as the Carve-Out Trigger Notice shall

not have been delivered, the Carve-Out shall not be reduced by the payment of Professional Fees allowed at any time by this Court. Any claim incurred in connection with any of the activities described above shall not be allowed, treated or payable as an administrative expense claim for purposes of Bankruptcy Code section 1129(a)(9)(A). For purposes of the foregoing, “Carve-Out Trigger Notice” shall mean a written notice delivered by the DIP Agent or the Backstop Parties to the Debtors, Debtors’ counsel, the Administrative Agent, the First Lien Trustee, the Bankruptcy Administrator, counsel to the Creditors’ Committee and counsel to the Retiree Committee, upon the occurrence and during the continuance of an Event of Default, stating that the Post-Carve Out Trigger Notice Cap has been invoked. For the avoidance of doubt and notwithstanding anything to the contrary herein, in the Prepetition Debt Documents or the DIP Financing Documents, the Carve-Out shall be senior to (i) all liens and claims arising out of the Prepetition Debt Documents, including the Prepetition Liens, (ii) the Adequate Protection Liens, (iii) the First Lien Superpriority Claim, (iv) the Second Lien Superpriority Claim, (v) all liens and claims arising out of the DIP Financing Documents and granted to the DIP Agent and the DIP Lenders under this Order, including the DIP Claims and Liens, and (vi) any and all other forms of adequate protection, liens or claims securing or relating to the Prepetition Obligations or the DIP Obligations. From and after the Closing, however, the “Carve-Out” shall mean zero dollars (\$0) and shall be deemed deleted from this Order and the Amended Final Cash Collateral Order in any and all places and for any and all purposes there shall be no “Carve-Out” or similar concept in these Chapter 11 Cases or any successor case, including any chapter 7 case.

12. *Events of Default.* Unless expressly waived in accordance with the consents required in the DIP Financing Documents, each of the following shall constitute an event of default (each, an “Event of Default” and collectively, the “Events of Default”):

(a) the Debtors' failure to: (i) use the DIP Loans and DIP Collateral, including but not limited to Cash Collateral, in a manner consistent with the Approved Budget and otherwise comply in any respect with any provision of this Order and the DIP Financing Documents; or (ii) comply with any other covenant or agreement specified in this Order, in each case where such failure shall have continued unremedied for five (5) business days following receipt of written notice by the Debtors from the DIP Agent or the Backstop Parties of such failure;

(b) (i) filing of an application, motion or other pleading by any Debtor seeking to amend, stay, supplement, vacate, extend or modify in any manner the DIP Lenders', the DIP Agent's or the Prepetition Secured Parties' rights or benefits granted under this Order; or (ii) entry of an order reversing, amending, supplementing, extending, staying, vacating, or otherwise modifying in any manner this Order, in each case, without the prior written consent of the Backstop Parties and the DIP Agent, each in their/its sole discretion;

(c) the date any provision of this Order for any reason ceases to be valid and binding or any Debtor so asserts in any pleading filed in any court;

(d) the date (i) any Chapter 11 Case is dismissed or converted to a case under chapter 7 of the Bankruptcy Code or any Debtor files a motion or other pleading seeking the dismissal or conversion of any Chapter 11 Case pursuant to Bankruptcy Code section 1112 or otherwise; or (ii) a trustee, responsible officer, or an examiner (other than a fee examiner) pursuant to Bankruptcy Code section 1104 is appointed or elected, as applicable, in any Chapter 11 Case, any Debtor applies for, consents to, or acquiesces in, any such appointment, or the Court enters an order providing for such appointment, in each case without the prior written consent of the Backstop Parties in their sole discretion;

(e) the Court enters an order or orders granting relief from the automatic stay to the holder or holders of any security interest to proceed against, including foreclosure (or the granting of a deed in lieu of foreclosure or the like) on any of the Debtor's assets (other than in respect of insurance proceeds or with respect to assets having a fair market value of less than \$1,000,000);

(f) any Debtor files a motion or application for the approval of any superpriority claim, lien or security interest in the Chapter 11 Cases (other than such claim, lien or security interest granted or permitted pursuant to this Order and the Approved Liens), which is *pari passu* with, or senior to, the DIP Liens, DIP Superpriority Claim, Prepetition Liens, Adequate Protection Liens, First Lien Superpriority Claim, or the Second Lien Superpriority Claim, without the prior consent of the DIP Agent, Backstop Parties, the Steering Committee, or the Administrative Agent, as applicable, each in its/their sole discretion;

(g) other than with respect to the Carve-Out, the Approved Liens and the claims, liens and security interests granted herein to the DIP Lenders and the DIP Agent, any Debtor creates or incurs, or the Court enters an order granting, any claim, lien or security interest that is *pari passu* with, or senior to, any of the DIP Liens, DIP Superpriority Claim, Prepetition Liens, Adequate Protection Liens, First Lien Superiority Claim or Second Lien Superpriority Claim granted under this Order;

(h) except as contemplated by the Sale Motion, unless otherwise agreed to in writing by the Backstop Parties in their sole discretion, the consummation of a sale or disposition of any material assets of the Debtors other than in the ordinary course of business;

(i) commencement of any action, including the filing of any pleading, by any Debtor, or direct or indirect non-debtor affiliate or subsidiary of a Debtor, against any of the DIP

Lenders, DIP Agent, or Prepetition Secured Parties with respect to any of the DIP Obligations, DIP Liens, DIP Superpriority Claim, First Lien Adequate Protection Obligations, First Lien Adequate Protection Liens, Prepetition Obligations or Prepetition Liens, as applicable;

(j) except as contemplated by the Sale Motion, the Court enters an order approving the sale of all or substantially all of the DIP Collateral that does not provide for the payment in respect thereof to be remitted to the DIP Agent, unless and until the DIP Facility shall have been indefeasibly paid in full in cash, and then to the Administrative Agent consistent with the priorities set forth in this Order and the Prepetition Debt Documents;

(k) the Debtors' breach of, or failure to perform, any of their agreements, covenants, representations or warranties contained in the Asset Purchase Agreement (unless cured or waived to the extent permitted under and in accordance with the Asset Purchase Agreement) or the Sale Order, without the prior written consent of the Backstop Parties in their sole discretion;

(l) the occurrence of any termination event under the Asset Purchase Agreement, without the prior written consent of the Backstop Parties in their sole discretion;

(m) entry of an order reversing, amending, staying, vacating, terminating or otherwise modifying in any manner the Sale Order, without the prior written consent of the Backstop Parties in their sole discretion; and

(n) any "Event of Default" in the DIP Credit Agreement, unless cured or waived to the extent permitted under the DIP Credit Agreement.

13. *Remedies Upon an Event of Default (DIP Financing Lenders and DIP Agent).*

The Debtors shall promptly provide notice to counsel to each of the Backstop Parties and the DIP Agent (with a copy to counsel to each of the Creditors' Committee, Retiree Committee,

Administrative Agent, First Lien Trustee, Second Lien Trustee and Bankruptcy Administrator) of the occurrence of any Event of Default, at which time the DIP Obligations, as applicable, shall become due and payable and the Debtors' ability to use Cash Collateral shall terminate. Upon the occurrence of an Event of Default, to the extent not cured or waived as permitted under the DIP Credit Agreement or this Order, as applicable, and following the giving of not less than five (5) business days' written notice (such notice, the "DIP Enforcement Notice" and such date, the "Termination Date") to counsel to the Debtors, counsel to the Creditors' Committee, counsel to the Retiree Committee, and the Bankruptcy Administrator (the "DIP Financing Notice Period"), the DIP Lenders and the DIP Agent (acting at the direction of the Required Lenders) may exercise any remedies available to them under this Order, the DIP Financing Documents and applicable non-bankruptcy law, including, but not limited to, foreclosing upon the DIP Collateral or otherwise enforcing the DIP Obligations and the DIP Claims and Liens on any or all of the DIP Collateral and/or taking any other actions or exercising any other default-related rights and remedies under the DIP Financing Documents, this Order or applicable law to effect the repayment and satisfaction of the DIP Obligations. The only permissible basis for the Debtors, Creditors' Committee, Bankruptcy Administrator or any other party to contest, challenge or object to the DIP Enforcement Notice shall be solely with respect to the validity of the Event(s) of Default giving rise to such DIP Enforcement Notice (*i.e.*, whether such Event(s) of Default validly occurred or have not been cured or waived in accordance with this Order or the DIP Credit Agreement). The automatic stay pursuant to Bankruptcy Code section 362 shall be automatically terminated on the Termination Date, without further notice or order of the Bankruptcy Court, unless the DIP Agent (at the direction of the Required Lenders) elects otherwise in a written notice to the Debtors, and the DIP Agent (at the direction of the Required

Lenders) shall be permitted to exercise all rights and remedies, including with respect to the DIP Collateral, set forth in the Order, the DIP Financing Documents, and as otherwise available at law without further order or application or motion to the Court, and without restriction or restraint by any stay under Bankruptcy Code sections 362 or 105 or otherwise.

14. *Backstop Parties' Fees and Expenses.* The Debtors shall promptly pay in cash upon presentment, but in no event later than 10 days of presentment, of an applicable invoice to the Debtors (with a copy of such invoice to be presented contemporaneously to both the Bankruptcy Administrator and counsel for each of the Creditors' Committee and Retiree Committee), all reasonable, actual, and documented (in customary detail, redacted for privilege and work product) fees, costs and expenses of Akin Gump Strauss Hauer & Feld LLP ("Akin Gump"), as lead counsel, Burr Forman LLP ("Burr Forman"), as Alabama counsel, and Lazard Frères & Co. LLC ("Lazard" and together with Akin Gump and Burr Forman, the "Backstop Parties' Advisors"), as financial advisor, to the Backstop Parties. In addition, the Debtors shall promptly reimburse each Backstop Party in cash for all reasonable and documented out-of-pocket costs and expenses (without limiting the Debtors' obligations pursuant to the previous sentence, which out-of-pocket costs and expenses should not include any advisor or professional fees for such individual Backstop Party) incurred by such party in connection with the Chapter 11 Cases.

15. *Entitlement to Adequate Protection.* The Prepetition Secured Parties are entitled to adequate protection of their respective interests in the Prepetition Collateral (including, but not limited to, the Cash Collateral) on which the Prepetition Secured Parties hold perfected security interests as of the Petition Date in an amount equal to the aggregate postpetition diminution in value of the Prepetition Collateral, including any Cash Collateral, from and after the Petition

Date (such diminution in value, the “Diminution in Value”), including, but not limited to, to the extent such diminution results from the sale, lease or use by the Debtors of the Prepetition Collateral, including any Cash Collateral, the subordination of the Prepetition Liens to the Carve-Out and the DIP Claims and Liens, the Debtors’ incurrence of the DIP Loans, or the imposition of the automatic stay pursuant to Bankruptcy Code section 362 (such adequate protection, as set forth in paragraph 16 below, the “Adequate Protection Obligations”). Nothing contained herein shall be deemed a finding by the Court or an acknowledgement by the Prepetition Secured Parties or the Steering Committee, respectively, that the adequate protection granted herein does in fact adequately protect the Prepetition Secured Parties against the Diminution in Value.

16. *Adequate Protection Granted to Prepetition Secured Parties.*

(a) First Lien Superpriority Claim and Adequate Protection Liens. The First Lien Secured Parties are hereby granted the following claims, liens and security interests:

- (i) ***First Lien Superpriority Claim.*** The Adequate Protection Obligations due to the First Lien Secured Parties (the “First Lien Adequate Protection Obligations”) shall constitute allowed joint and several superpriority claims against each of the Debtors as provided in Bankruptcy Code section 507(b) (collectively, the “First Lien Superpriority Claim”), with priority over any and all administrative expenses and all other claims asserted against the Debtors or their estates, at any time existing or arising, of any kind or nature whatsoever, including, but not limited to, the administrative expenses and other claims of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 327, 328, 330, 331, 365, 503, 506, 507(a), 507(b), 546, 552, 726, 1113 and 1114, and any other provision of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, subject and subordinate in all respects to the Carve-Out and the DIP Superpriority Claim. Except to the extent expressly set forth in this Order, the First Lien Secured Parties shall not receive or retain any payments, property or other amounts in respect to the First Lien Superpriority Claim unless and until all DIP Obligations shall have been indefeasibly paid in full in cash.

- (ii) ***First Lien Adequate Protection Liens.*** As security for the First Lien Adequate Protection Obligations, effective as of the Petition Date and perfected without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or the possession or control by the First Lien Secured Parties, the First Lien Secured Parties are hereby granted valid, binding, continuing, enforceable, fully-perfected, non-avoidable additional and replacement liens on, and security interests in, the DIP Collateral (the “First Lien Adequate Protection Liens”), subject and subordinate only to the (w) Carve-Out, (x) DIP Liens, (y) Permitted Priority Liens (if any) and (z) Approved Liens. The First Lien Adequate Protection Liens shall not be subject or subordinate to, or *pari passu* with, any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Bankruptcy Code section 551 but shall be subject to the DIP Liens.

(b) Second Lien Secured Parties Superpriority Claim and Adequate Protection

Liens. The Second Lien Trustee and the Second Lien Noteholders (collectively, the “Second Lien Secured Parties”) are hereby granted the following claims, liens and security interests:

- (i) ***Second Lien Superpriority Claims.*** The Adequate Protection Obligations due to the Second Lien Secured Parties (the “Second Lien Adequate Protection Obligations”) shall constitute joint and several superpriority claims against the Debtors as provided in Bankruptcy Code section 507(b) (the “Second Lien Superpriority Claim” and together with the First Lien Superpriority Claim, the “Prepetition Secured Parties’ Superpriority Claims”), with priority over any and all administrative expenses and claims asserted against the Debtors or their estates, at any time existing or arising, of any kind or nature whatsoever, including, but not limited to, the administrative expenses of the kinds specified in or ordered pursuant to Bankruptcy Code sections 105, 326, 327, 328, 330, 331, 365, 503, 506, 507(a), 507(b), 546, 552, 726, 1113 and 1114, and any other provision of the Bankruptcy Code, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, subject and subordinate in all respects only to the (v) Carve-Out, (w) DIP Superpriority Claim, (x) First Lien Superpriority Claim, (y) Permitted Priority Liens (if any) and (z) Approved Liens. Except to the extent expressly set forth in this Order, the Second Lien Secured Parties shall not receive or retain any payments, property or other amounts in respect to the Second Lien Superpriority Claim unless and until all DIP Obligations and the First Lien Obligations

shall have been indefeasibly paid in full in cash in accordance with the priorities set forth herein.

- (iii) ***Second Lien Adequate Protection Liens.*** As security for the Second Lien Adequate Protection Obligations, effective as of the Petition Date and perfected without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or the possession or control by the Second Lien Secured Parties, security interests in, and liens on, the DIP Collateral are hereby granted to the Second Lien Secured Parties, subject and subordinate only to the (u) Carve-Out, (v) DIP Liens, (w) First Lien Adequate Protection Liens, (x) liens and security interests securing the First Lien Obligations, (y) the Permitted Priority Liens (if any) and (z) Approved Liens, and subject further to the Intercreditor Agreement (all such liens and security interests, the “Second Lien Adequate Protection Liens,” and collectively with the First Lien Adequate Protection Liens, the “Adequate Protection Liens”). The Second Lien Adequate Protection Liens shall not be subject or subordinate to, or *pari passu* with, any lien or security interest that is avoided and preserved for the benefit of the Debtors and their estates under Bankruptcy Code section 551 but shall be subject to the DIP Liens, First Lien Adequate Protection Liens and Prepetition First Priority Liens.

(c) Additional Adequate Protection Granted to Prepetition Secured Parties.

- (i) ***Adequate Protection Payments:*** The adequate protection payments specified in paragraph 11(a) of the Amended Final Cash Collateral Order that have accrued but remain unpaid as of the date hereof shall be deferred and shall not be paid unless and until the DIP Obligations have been indefeasibly paid in full in cash. No additional adequate protection payments shall accrue under paragraph 11(a) of the Amended Final Cash Collateral Order from and after the date hereof. For the avoidance of doubt, nothing contained herein shall preclude or impact the Administrative Agent's (on behalf of the First Lien Lenders) and the First Lien Trustee's (on behalf of the First Lien Noteholders) ability or right to credit bid the First Lien Adequate Protection Obligations for the Acquired Assets (as defined in the Asset Purchase Agreement) pursuant to the Asset Purchase Agreement, the Amended Final Cash Collateral Order, the Sale Order and the *Order Granting Steering Committee's Motion to Determine the Value of the First Lien Secured Parties' Adequate Protection Claims as a Result of the Diminution in Value of the First Lien Secured Parties' Collateral* [Docket No. 1450]; provided that the DIP Obligations are indefeasibly paid in full in cash at Closing.
- (ii) ***Agent/Indenture Trustee Fees and Expenses:*** The Debtors shall promptly pay, in cash, (x) all Letter of Credit Fees and Facing Fees (each as defined in the Credit Agreement), and any annual administrative agent fees and other fees set forth in Section 4.01(b) through (e) of the Credit Agreement on the respective dates for the payment of all such fees as provided in the Credit Agreement, at the applicable non-default rate provided for in the First Lien Credit Documents with respect to such fees and (y) upon presentment, but in no event later than 10 days of presentment, of an applicable invoice to the Debtors (with a copy of such invoice to be presented contemporaneously to the Bankruptcy Administrator, counsel to the Backstop Parties, and counsel for each of the Creditors' Committee and Retiree Committee), all reasonable, actual, and documented (in customary detail, redacted for privilege and work product) fees, costs and expenses incurred by each of the Administrative Agent and the First Lien Trustee, including, but not limited to, the fees, costs and expenses of one lead counsel, one local counsel (if necessary) and, if needed, one Canadian counsel for each of the Administrative Agent and the First Lien Trustee, in each case in accordance with the applicable engagement letters (if any) and the Prepetition Debt Documents and without further order of, or application to, the Court or notice to any party other than as provided in this paragraph 16(c)(ii).

- (iii) ***Budget Compliance/Additional Reporting.*** With respect to the Prepetition Secured Parties, the Debtors shall comply with the budget and reporting requirements set forth in this Order and the DIP Financing Documents; provided that, such compliance and rights set forth in this paragraph 16(c)(iii) shall only extend to the Prepetition Secured Parties to the extent that the Debtors have indefeasibly paid and satisfied in full in cash the DIP Obligations but continue to use Cash Collateral.
- (iv) ***Steering Committee Fees and Expenses.*** The Debtors shall promptly pay in cash upon presentment, but in no event later than 10 days of presentment, of an applicable invoice to the Debtors (with a copy of such invoice to be presented contemporaneously to both the Bankruptcy Administrator and counsel for both the Creditors' Committee and Retiree Committee), all reasonable, actual, and documented (in customary detail, redacted for privilege and work product) fees, costs and expenses of (i) Akin Gump, as lead counsel, Burr Forman, as Alabama counsel, Cassels Brock & Blackwell LLP, as Canadian counsel, Jackson Kelly LLP, as West Virginia counsel, Lazard, as financial advisor (including the Restructuring Fee as defined in Lazard's engagement letter), Stephen Douglas Williams Consulting LLC, as consultant, Golder Associates Inc., as mining engineer, Duff & Phelps LLC, as consultant, NRI Management Group LLC, as consultant, AME Consulting Limited, as consultant, JD Consulting LLC, as consultant, and Henry Consulting, LLC, as consultant, to the Steering Committee (collectively, the "Steering Committee Advisors") and (ii) any other consultants or advisors retained by the Steering Committee (and not by individual Steering Committee members) (the parties described in this paragraph 16(c)(iv), collectively, the "Consultants"); provided that the Steering Committee shall provide notice to the Debtors prior to retaining any such Consultants, in each case, in accordance with engagement letters (if any) of such consultant or advisor, and in each case, without further order of, or application to, the Court or notice to any party other than as provided in this paragraph 16(c)(iv); provided that no success fees shall be payable to any Steering Committee Advisor (except for the Restructuring Fee payable to Lazard) or Consultant. In addition, the Debtors shall promptly reimburse each Steering Committee member in cash for all reasonable and documented out-of-pocket costs and expenses (without limiting the Debtors' obligations pursuant to the previous sentence, which out-of-pocket costs and expenses should not include any advisor or professional fees for such individual Steering Committee member) incurred by such member in connection with these cases.

- (v) ***Access to Records/Financial Reporting.*** In addition to, and without limiting, whatever rights of access the Prepetition Secured Parties have under the Prepetition Debt Documents, upon reasonable notice, at reasonable times and subject to appropriate confidentiality protections, the Debtors shall permit representatives and agents of the Backstop Parties, the Creditors' Committee, the Retiree Committee, and the Administrative Agent (i) to have access to and inspect the Debtors' properties, subject to reasonable safety precautions, (ii) to examine the Debtors' books and records, and (iii) to discuss the Debtors' affairs, finances and condition with the Debtors' officers and financial advisors. In addition, the Debtors shall provide to the Backstop Parties' Advisors, and the advisors to each of the Administrative Agent, the Creditors' Committee, the Retiree Committee, and the UMWA, on a monthly basis, reports setting forth (i) substantive mine-by-mine details of the Debtors' operating performance, including its non-debtor subsidiaries and (ii) a detailed comparison, including commentary, of the month's actual operating performance against the projections, substantially in form and substance consistent with the Company's historical monthly reporting to the Board of Directors, as modified to include summary mine-level operating and financial data.
- (vi) ***Right to Seek Additional Adequate Protection.*** This Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the rights of the Prepetition Secured Parties to request additional forms of adequate protection at any time, subject to the consent of the Backstop Parties in their sole discretion, or any party-in-interest's right to object thereto. Any such request must be consistent with the Intercreditor Agreement.

17. ***Liens and/or Security Interests of ACE American Insurance Company.*** For the avoidance of doubt, (i) to the extent ACE American Insurance Company and/or any of its affiliates (collectively, and together with each of their successors "Chubb") had valid and perfected liens and/or security interests on any of the DIP Collateral as of the Petition Date, which liens and/or security interests were senior to the liens and/or security interests of each of the Prepetition Secured Parties, such liens and/or security interests shall be senior to any liens and/or security interests granted pursuant to this Order, (ii) the DIP Agent, DIP Lenders and Prepetition Secured Parties do not have liens and/or security interests on any letter(s) of credit

for which Chubb is the beneficiary or any proceeds thereof and (iii) this Order does not grant the Debtors any right to use any property (or the proceeds thereof) held by Chubb as collateral to secure obligations under insurance policies and related agreements.

18. *Release.* Each of the Debtors and the Debtors' estates, on its own behalf and on behalf of its past, present and future predecessors, successors, heirs, subsidiaries, and assigns (collectively, the "Releasers") shall, to the maximum extent permitted by applicable law, unconditionally, irrevocably, fully and forever release, remise, acquit, relinquish, irrevocably waive and discharge each of the DIP Lenders, the DIP Agent, the Backstop Parties, the Steering Committee, the Prepetition Secured Parties and each of their respective former, current, or future officers, employees, directors, agents, representatives, owners, members, partners, financial advisors, legal advisors, shareholders, managers, consultants, accountants, attorneys, affiliates, and predecessors in interest (collectively, the "Releasees"), of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys' fees, costs, expenses, or judgments of every type, whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened including, but not limited to, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description that existed as of the Effective Date relating to any of the Prepetition Debt Documents, the DIP Financing Documents, or the transactions contemplated under such documents, or the Chapter 11 Cases, as applicable, including, but not limited to, (i) any so-called "lender liability," equitable subordination, equitable disallowance or recharacterization claims or defenses, (ii) any and all claims and causes of action arising under the Bankruptcy Code, and (iii) any and all claims and

causes of action regarding the validity, priority, perfection or nonavoidability of the liens or claims of the DIP Lenders, the DIP Agent and the Prepetition Secured Parties; provided, however, that solely with respect to the Prepetition Secured Parties, the foregoing releases are subject to the rights of the Creditors' Committee in paragraph 21 below.

19. *Perfection of DIP Liens and Adequate Protection Liens.*

(a) The DIP Agent, the Administrative Agent, the Credit Agreement Collateral Agent, the First Lien Trustee, the 1L Notes Collateral Agent, the Second Lien Trustee and the 2L Notes Collateral Agent, are each hereby authorized, but not required, to file or record financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction in order to validate and perfect the liens and security interests granted to it hereunder. Whether or not the DIP Agent, the Administrative Agent, the Credit Agreement Collateral Agent, the First Lien Trustee, the 1L Notes Collateral Agent, the Second Lien Trustee or the 2L Notes Collateral Agent, each in its respective sole discretion, chooses to file such financing statements, intellectual property filings, mortgages, notices of lien or similar instruments, such liens and security interests shall be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute, subordination, contest, attack, objection, recoupment, defense, setoff, counterclaim, avoidance, recharacterization, reclassification, reduction, disallowance, recovery, disgorgement, attachment, "claim" (as defined in the Bankruptcy Code), impairment, subordination (whether equitable, contractual or otherwise) or other challenge of any kind pursuant to the Bankruptcy Code or applicable nonbankruptcy law as of the Petition Date. If the DIP Agent, the Administrative Agent, the Credit Agreement Collateral Agent, the First Lien Trustee, the 1L Notes Collateral Agent, the Second Lien Trustee or the 2L Notes Collateral Agent, as applicable, determines to file any

financing statements, notices of liens or similar instruments, the Debtors will cooperate and assist in any such filings as reasonably requested by the DIP Agent, the Administrative Agent, the Credit Agreement Collateral Agent, the First Lien Trustee, the 1L Notes Collateral Agent, the Second Lien Trustee or the 2L Notes Collateral Agent, as applicable, and the automatic stay shall be modified to allow such filings.

(b) The DIP Agent, the Administrative Agent, the Credit Agreement Collateral Agent, the First Lien Trustee, the 1L Notes Collateral Agent, the Second Lien Trustee or the 2L Notes Collateral Agent, may, each in its respective discretion, cause a certified copy of this Order to be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of this Order for filing and recording.

(c) The Debtors shall execute and deliver to the DIP Agent, the Administrative Agent, the Credit Agreement Collateral Agent, the First Lien Trustee, the 1L Notes Collateral Agent, the Second Lien Trustee or the 2L Notes Collateral Agent all such agreements, financing statements, instruments and other documents as each such party may reasonably request to evidence, confirm, validate or perfect the DIP Liens and the Adequate Protection Liens, as applicable.

(d) Notwithstanding anything to the contrary in the Motion or this Order, for purposes of this Order, in no event shall the DIP Collateral or Prepetition Collateral include or the DIP Liens or the Adequate Protection Liens granted under this Order attach to, any lease, license, permit, contract, or agreement (including any operating and joint venture agreements) or other property right, to which any Debtor is a party, or any of such relevant Debtor's rights or interests thereunder, if and for so long as the grant of such security interest would constitute or

result in: (i) the abandonment, invalidation, unenforceability, or other impairment of any right, title, or interest of any Debtor therein, or (ii) a breach or termination pursuant to the terms of, or a default under, any such lease, license, contract, agreement, or other property right pursuant to any provision thereof, unless, in the case of each of clauses (i) and (ii), the applicable provision is rendered ineffective by applicable non-bankruptcy law or the Bankruptcy Code (such leases, licenses, contracts or agreements, or other property rights are collectively referred to as the “Specified Contracts”); provided that the foregoing shall not preclude any counterparty to a Specified Contract from an opportunity to be heard in this Court on notice with respect to whether applicable non-bankruptcy law or the Bankruptcy Code renders such provision ineffective. Notwithstanding the foregoing, the DIP Liens and the Adequate Protection Liens shall in all events attach to all proceeds, products, offspring, or profits from all sales, transfers, dispositions, or monetizations of any and all Specified Contracts.

20. *Preservation of Rights Granted Under this Order.*

(a) Notwithstanding any order dismissing any of these Chapter 11 Cases under Bankruptcy Code section 1112 or otherwise entered at any time, (i) the DIP Claims and Liens, the Prepetition Secured Parties’ Superpriority Claims, the Adequate Protection Liens, the other administrative claims granted pursuant to this Order, and the Carve-Out shall continue in full force and effect and shall maintain their priorities as provided in this Order until all DIP Obligations, Adequate Protection Obligations and the Carve Out shall have been indefeasibly paid and satisfied in full in cash, as applicable (and such DIP Claims and Liens, Prepetition Secured Parties’ Superpriority Claims, other administrative claims granted pursuant to this Order, Carve Out and Adequate Protection Liens shall, notwithstanding such dismissal, remain binding on all parties in interest), and (ii) this Court shall retain jurisdiction, notwithstanding

such dismissal, for the purposes of enforcing the claims, liens and security interests referred to in clause (i) above.

(b) If any or all of the provisions of this Order are hereafter reversed, modified, vacated or stayed, such reversal, stay, modification or vacatur shall not affect: (i) the validity, priority or enforceability of any DIP Claims and Liens, DIP Obligations, Prepetition Secured Parties' Superpriority Claims and Adequate Protection Obligations incurred prior to the date of the entry of an order granting such reversal, stay, modification or vacatur (the "Reversal Order"); or (ii) the validity, priority or enforceability of the DIP Liens and the Adequate Protection Liens. Notwithstanding any such reversal, stay, modification or vacatur, any borrowings under the DIP Facility, use of the Prepetition Collateral (including the Cash Collateral) or DIP Collateral, or the DIP Obligations or the Adequate Protection Obligations incurred by the Debtors hereunder prior to the date of the entry of the Reversal Order shall be governed in all respects by the original provisions of this Order, and (x) the DIP Lenders, the DIP Agent, and the First Lien Secured Parties shall be entitled to all of the rights, remedies, privileges and benefits granted in Bankruptcy Code sections 363(m) and 364(e) with respect to all uses of the Prepetition Collateral and DIP Collateral, all DIP Obligations and First Lien Adequate Protection Obligations for periods prior to the date of the entry of the Reversal Order and (y) subject to the Intercreditor Agreement, the Second Lien Trustee and the Second Lien Noteholders shall be entitled to all of the rights, remedies, privileges and benefits granted in Bankruptcy Code section 363(m) with respect to all uses of the Prepetition Collateral (including the Cash Collateral) (other than Collateral constituting setoff rights of the First Lien Secured Parties) and all Second Lien Adequate Protection Obligations for periods prior to the date of the entry of the Reversal Order.

(c) Except as expressly provided in this Order or in the DIP Financing Documents, the DIP Claims and Liens, the Adequate Protection Liens and Prepetition Secured Parties' Superpriority Claims and all other rights, claims, security interests and remedies of the DIP Lenders and the Prepetition Secured Parties granted by the provisions of this Order and the DIP Financing Documents shall survive, and shall not be modified, impaired or discharged by the entry of an order (i) converting any of these Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, dismissing any of these Chapter 11 Cases or by any other act or omission or (ii) confirming a plan of reorganization in any of the Chapter 11 Cases, and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Debtors have waived any discharge as to any remaining DIP Claims and Liens, Adequate Protection Liens or the Prepetition Secured Parties' Superpriority Claims. The terms and provisions of this Order shall continue in these Chapter 11 Cases, in any successor cases, including any chapter 7 cases, if these Chapter 11 Cases cease to be jointly administered, or in any successor or superseding chapter 7 cases under the Bankruptcy Code, and the DIP Claims and Liens, Adequate Protection Liens, the administrative claims granted pursuant to this Order, and all other rights, claims, security interests and remedies of the DIP Lenders, DIP Agent and Prepetition Secured Parties granted by the provisions of this Order shall continue in full force and effect as provided herein.

21. *Effect of Stipulations on Third Parties.* The stipulations, releases and admissions contained in this Order, including in paragraph 5 hereof, shall be binding upon the Debtors and any successor thereto in all circumstances other than as expressly set forth below. The stipulations, releases and admissions contained in this Order, including in paragraph 5 hereof, shall be binding upon all other parties in interest, including the Creditors' Committee or any chapter 7 or chapter 11 trustee appointed or elected for any of the Debtors (a "Trustee"), unless

solely with respect to the Prepetition Secured Parties (a) the Creditors' Committee has duly filed an adversary proceeding challenging in whole or part the validity, enforceability, priority or extent of the Prepetition Obligations or the liens on the Prepetition Collateral securing the Prepetition Obligations held by or on behalf of the Prepetition Secured Parties or otherwise asserting or prosecuting any Avoidance Actions, recharacterization, subordination, "lender liability", or any other claims, counterclaims or causes of action, objections, contests or defenses (collectively, the "Claims and Defenses") against the Prepetition Secured Parties in connection with any matter related to the Prepetition Obligations, or the Prepetition Collateral or the Prepetition Liens by no later than fourteen days (14) from the date the Creditors' Committee receives written notice of the termination of the Asset Purchase Agreement (the "Challenge Deadline") or as otherwise provided in the Global Settlement (as defined below); provided, however, pursuant to that certain Settlement Term Sheet (as approved in the *Order Approving Global Settlement Among the Debtors, Official Committee of Unsecured Creditors, Steering Committee and Stalking Horse Purchaser Pursuant to Fed. R. Bank. P. 9019* [Docket No. 1456], the "Global Settlement"), the Creditors' Committee has agreed to waive its right to, and shall not, assert any Claims and Defenses, Challenges (as defined herein) or any other claims against the Prepetition Secured Parties upon the Closing of the transactions contemplated under the Asset Purchase Agreement (the "Condition to Effectiveness of Global Settlement"), and (b) an order is entered by a court of competent jurisdiction and becomes final and non-appealable in favor of the Creditors' Committee sustaining any such Challenge or claim in any such duly filed adversary proceeding. If the Condition to Effectiveness of Global Settlement does not occur, and the Creditors' Committee fails to timely file such an adversary proceeding by the Challenge Deadline or (b) the Condition to Effectiveness of Global Settlement occurs: (x) the Prepetition

Obligations shall constitute allowed claims, not subject to counterclaim, setoff, subordination, recharacterization, defense, avoidance, contest, attack, objection, recoupment, reclassification, reduction, disallowance, recovery, disgorgement, attachment, “claim” (as defined in the Bankruptcy Code), impairment, subordination (whether equitable, contractual or otherwise) or other challenge of any kind pursuant to the Bankruptcy Code or applicable nonbankruptcy law, for all purposes in these Chapter 11 Cases and any subsequent chapter 7 cases; and (y) the Prepetition Obligations, the Administrative Agent’s, the First Lien Trustee’s and the Second Lien Trustee’s respective Prepetition Liens on the Prepetition Collateral and the respective Prepetition Secured Parties in such capacity shall not be subject to any other or further challenge or claim and any party in interest shall be forever enjoined and barred from seeking to exercise the rights of the Debtors’ estates or taking any such action, including any successor thereto (including any estate representative or a Trustee, whether such Trustee is appointed or elected prior to or following the expiration of the Challenge Period). If the Condition to Effectiveness of Global Settlement does not occur and the Creditors’ Committee does file such an adversary proceeding by the Challenge Deadline, the stipulations and admissions contained in this Order, including in paragraph 5 hereof, shall nonetheless remain binding and preclusive (as provided in the second sentence of this paragraph) on the Creditors’ Committee and any other Person (as defined in the Credit Agreement), including any Trustee, except as to any such findings and admissions that were expressly and successfully challenged in such adversary proceeding. Nothing in this Order vests or confers on any Person, including the Creditors’ Committee or Trustee, standing or authority to pursue any cause of action belonging to the Debtors or their estates; provided, however, that the Creditors’ Committee shall be automatically vested with standing to initiate a Challenge prior to the expiration of the Challenge Period without any need to first seek a Court

order granting such standing. For the avoidance of doubt, the Challenge Period (as defined in the Amended Final Cash Collateral Order) has expired with respect to all other parties in interest, other than the Creditors' Committee, and no such party in interest has commenced a Challenge or filed an adversary proceeding prior to the expiration of such period.

22. *506(c) Waiver.* Except to the extent of the Carve-Out, no costs or expenses of administration of the Chapter 11 Cases or any successor cases, including any chapter 7 cases, that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from (i) the DIP Agent or any DIP Lender, any of the DIP Obligations, any Prepetition Secured Party, or any of the Prepetition Obligations, (ii) any of the DIP Lenders', DIP Agent's or the Prepetition Secured Parties' respective claims, or (iii) the DIP Collateral or Prepetition Collateral, as applicable, pursuant to Bankruptcy Code sections 105(a) or 506(c), or otherwise, without the prior written consent of the affected DIP Agent, Administrative Agent, Steering Committee, First Lien Trustee or Second Lien Trustee and the Backstop Parties, as applicable, each in its/their sole discretion, and no such consent shall be implied from any other action, inaction, or acquiescence by any of the DIP Lenders, the DIP Agent, the Prepetition Secured Parties, the Steering Committee, the Backstop Parties, as applicable, or their respective representatives.

23. *Section 552(b).* Each of the DIP Lenders, the DIP Agent, and the Prepetition Secured Parties shall be entitled to all of the rights and benefits of Bankruptcy Code section 552(b). The "equities of the case" exception under Bankruptcy Code section 552(b) shall not apply to the DIP Lenders, the DIP Agent and Prepetition Secured Parties with respect to (i) proceeds, products or profits of any of the Prepetition Collateral, including Cash Collateral, or

DIP Collateral, as applicable or (ii) the extension of the Adequate Protection Liens to cover proceeds of the Prepetition Collateral.

24. *Credit Bidding.* (a) The DIP Agent (acting at the direction of the Required Lenders) shall have the unqualified right to credit bid up to the full amount of any remaining DIP Obligations in the sale of any of the Debtors' assets, including (i) pursuant to Bankruptcy Code section 363, (ii) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (iii) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725, and (b) subject to the indefeasible payment in full in cash of the DIP Obligations, the Administrative Agent (on behalf of the First Lien Lenders), the First Lien Trustee (on behalf of the First Lien Noteholders) and the Second Lien Trustee (on behalf of the Second Lien Noteholders) (but only if any such credit bid provides, to the extent set forth in the Intercreditor Agreement, for the payment in full and in cash of all Prepetition Obligations owed to the First Lien Secured Parties and any amounts due and owing to the First Lien Secured Parties under this Order, and provides for the cash collateralization of any letters of credit in accordance with the First Lien Credit Documents and this Order), as applicable, shall have the right to credit bid (X) up to the full amount of the remaining Prepetition Obligations under the First Lien Credit Documents, First Lien Indenture Documents and the Second Lien Indenture Documents, respectively and (Y) the Prepetition Secured Parties' Superpriority Claims, and any unpaid amounts due and owing under paragraph 16 hereof, as applicable, in the sale of any of the Debtors' assets, including, but not limited to, (i) pursuant to Bankruptcy Code section 363, (ii) a plan of reorganization or a plan of liquidation under Bankruptcy Code section 1129, or (iii) a sale or disposition by a chapter 7 trustee for any Debtor under Bankruptcy Code section 725.

25. *No Marshaling.* None of the DIP Collateral, the Prepetition Collateral, the DIP Lenders, the DIP Agent or the Prepetition Secured Parties shall be subject to the equitable doctrine of “marshaling” or any other similar doctrine.

26. *Information and Other Covenants.* The Debtors shall comply with the reporting requirements set forth in the DIP Credit Agreement and the Prepetition Debt Documents, including the reporting requirements set forth in Section 9.01 (except for clauses (d) and (e)) of the Credit Agreement, as applicable, together with such additional information as the DIP Agent, the Administrative Agent or the First Lien Trustee may reasonably request from time to time. The Debtors shall maintain their cash management arrangements in a manner consistent in all material respects with that described in *The Debtors’ Motion for an Order (A) (I) Approving Continued Use of the Debtors’ Existing Cash Management System; (II) Authorizing Use of Existing Bank Accounts and Checks; (III) Waiving the Requirements of 11 U.S.C. 345(b); (IV) Granting Administrative Expense Status to Certain Postpetition Intercompany Claims; and (V) Authorizing the Continuation of Certain Intercompany Transactions; and (B) Granting Related Relief* (the “Cash Management Motion”) [Docket No. 38], and any orders approving the Cash Management Motion.

27. *Restrictions on Transfer of DIP Collateral or Prepetition Collateral to Non-Debtor Affiliates.* Other than as permitted under section 10.05(l) of the DIP Credit Agreement, the Debtors shall not transfer or use any DIP Collateral or Prepetition Collateral, including Cash Collateral, to or for the benefit of any direct or indirect foreign or non-debtor affiliate or subsidiary of the Debtors.

28. *Indemnification and Expenses.* Each of the Debtors, jointly and severally, shall indemnify and hold harmless the DIP Agent, the Backstop Parties, the DIP Lenders, the First

Lien Secured Parties, their respective affiliates, successors and assigns and the officers, directors, employees, agents, advisors, controlling persons and members of each of the foregoing (each, an “Indemnified Person”) from and against all costs, expenses (including reasonable and documented fees, disbursements and other charges of outside counsel but subject to the limitations set forth below) and liabilities of such Indemnified Person arising out of or relating to any investigation, claim or any litigation or other proceeding (regardless of whether such Indemnified Person is a party thereto and regardless of whether such matter is initiated by a third party or by the Borrower or any of its affiliates) that relates to the DIP Financing Documents or this Order or the transactions contemplated thereby and hereby or the exercise of any of their rights provided in the DIP Financing Documents or this Order; provided that, no Indemnified Person will be indemnified for any cost, expense or liability to the extent determined in the final, non-appealable judgment of a court of competent jurisdiction to have resulted solely from its gross negligence or willful misconduct. No Indemnified Person shall have any liability (whether direct or indirect, in contract, tort or otherwise) to the Debtors or any of their subsidiaries or any shareholders or creditors of the foregoing for or in connection with the transactions contemplated hereby, except to the extent such liability is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted solely from such Indemnified Person’s gross negligence, willful misconduct or material breach of its obligations under the DIP Financing Documents or this Order. In no event, however, shall any Indemnified Person be liable on any theory of liability for any special, indirect, consequential or punitive damages. In addition, whether accrued on, prior to, or after the Effective Date, and whether or not the Closing occurs, but subject to the limitations in Section 14.01 of the DIP Credit Agreement, (a) all out-of-pocket expenses (including, but not limited to, reasonable and documented fees, disbursements and

other charges of outside counsel and financial advisors) of the DIP Agent and the Backstop Parties (but excluding the fees and expenses of any outside counsel or financial advisor retained by any individual Backstop Party), in connection with the Chapter 11 Cases or any other insolvency or bankruptcy proceedings of the Debtors, the DIP Facility and the transactions contemplated thereby and hereby shall be paid by the Debtors from time to time (b) all out-of-pocket expenses (including, but not limited to, fees, disbursements and other charges of outside counsel and financial advisors) of the DIP Agent and the DIP Lenders for enforcement costs and documentary taxes associated with the DIP Facility and the transactions contemplated thereby and hereby shall be paid by the Debtors, and (c) all fees of the DIP Agent charged in connection with any “seasoning” of the DIP Facility shall be paid by the Debtors. Notwithstanding the foregoing, in no event shall (i) the DIP Agent and (ii) the DIP Lenders, in each case, be entitled to the reimbursement of costs and expenses of more than one primary counsel, one local Alabama counsel and other special counsel and advisors, as needed. Nothing herein is meant to limit the scope of any indemnity provided for the benefit of the DIP Agent, the Backstop Parties or the DIP Lenders in the DIP Financing Documents, which indemnity is hereby approved and authorized. For the avoidance of doubt, this paragraph 28 does not limit or otherwise affect any indemnification rights or obligations in respect of the Prepetition Secured Parties under the Prepetition Debt Documents.

29. *Limitation on Use of the DIP Loans, the DIP Collateral, and the Prepetition Collateral (including the Cash Collateral).* The Debtors shall use the DIP Loans, the DIP Collateral, and the Prepetition Collateral (including the Cash Collateral), solely as provided in this Order, the Approved Budget and the DIP Financing Documents. Notwithstanding anything herein or in any other order of this Court to the contrary, the Debtors shall not be authorized to

use the DIP Loans, the DIP Collateral, or the Prepetition Collateral, including the Cash Collateral, to pay fees or expenses (x) in excess of \$175,000 per month for each of the Creditors' Committee and the Retiree Committee (the "Committee Monthly Cap") on account of all Professional Persons retained by each such committee in the aggregate; provided that any unused amounts may be carried forward to a subsequent month, (y) in excess of \$100,000 (the "Investigation Budget"), which Investigation Budget replaces and does not supplement or replenish the Investigation Budget provided under the Amended Final Cash Collateral Order, for the Creditors' Committee to investigate (but not prepare, initiate or prosecute) Claims and Defenses against the Prepetition Secured Parties before the Challenge Deadline, or (z) to initiate or prosecute proceedings or actions (the "Challenge") on account of any Claims and Defenses against the Prepetition Secured Parties. For the avoidance of doubt and notwithstanding any other provision of this Order, other than the Investigation Budget (which may be used solely for the purposes authorized in this paragraph 29), no DIP Loans, DIP Collateral, Prepetition Collateral, including Cash Collateral, or any portion of the Carve-Out may be used directly or indirectly by any Debtor, any official committee appointed in the case, including the Creditors' Committee and Retiree Committee, or any trustee appointed in the Chapter 11 Cases or any successor case, including any chapter 7 case, or any other person, party or entity to (i) investigate, object, contest, or raise any defense to the validity, perfection, priority, extent, or enforceability of the DIP Obligations, the Prepetition Obligations or the liens, claims or rights granted under the Amended Final Cash Collateral Order, this Order, the DIP Financing Documents or the Prepetition Debt Documents, or take any action purporting to do any of the foregoing; (ii) investigate, assert or prosecute any Claims and Defenses against the DIP Agent, the DIP Lenders, the Prepetition Secured Parties or their respective predecessors-in-interest,

agents, affiliates, representatives, attorneys, or advisors or take any action purporting to do the foregoing in respect of the DIP Obligations, Prepetition Obligations, DIP Claims and Liens, Prepetition Liens, and/or the Adequate Protection Obligations, Adequate Protection Liens and Superpriority Claims granted to the Prepetition Secured Parties under this Order or the Amended Final Cash Collateral Order, as applicable; (iii) prevent, hinder, or otherwise delay the DIP Agent's, the DIP Lenders' or the Prepetition Secured Parties', as applicable, enforcement, or realization on the DIP Obligations, DIP Collateral, Prepetition Obligations, Prepetition Collateral, and the liens, claims and rights granted to such parties under the Amended Final Cash Collateral Order and this Order, in accordance with the DIP Financing Documents, the Prepetition Debt Documents, the Amended Final Cash Collateral Order or this Order, as applicable; (iv) seek to modify any of the rights granted to the DIP Agent, the DIP Lenders, or Prepetition Secured Parties hereunder (other than with the consents contemplated hereunder) or under the Amended Final Cash Collateral Order, the DIP Financing Documents or the Prepetition Debt Documents, as applicable; (v) apply to the Court for authority to approve superpriority claims or grant liens (other than the Approved Liens) or security interests in the DIP Collateral or any portion thereof that are senior to, or *pari passu* with, the DIP Liens, DIP Claims, Adequate Protection Liens, Prepetition Secured Parties' Superpriority Claims or Prepetition Liens, unless all DIP Obligations, Prepetition Obligations, Adequate Protection Obligations, and claims granted to the DIP Agent, DIP Lenders or Prepetition Secured Parties under the Amended Final Cash Collateral Order and this Order, as applicable, have been refinanced or paid in full in cash (including the cash collateralization of any letters of credit) or otherwise agreed to in writing by the Required Lenders, DIP Agent or the Steering Committee and the Administrative Agent, as applicable, each in its sole discretion; or (vi) seek to pay any

amount on account of any claims arising prior to the Petition Date unless such payments are agreed to in writing by the Required Lenders in their sole discretion or are otherwise included in the Approved Budget.

30. *Employee Incentive/Retention Plans.* Other than the key employee retention plan approved by the KERP Order, the Debtors will not seek approval of any employee incentive or retention plans (or any similar sort of retention or incentive program) without the prior written consent of the Backstop Parties, which consent shall be in their sole discretion.

31. *Executory Contracts and Unexpired Leases.* The Debtors will confer with the Steering Committee, the Backstop Parties, and its/their advisors to determine which executory contracts and unexpired leases should be assumed or rejected by the Debtors. The Debtors will provide the Steering Committee, the Backstop Parties, and its/their advisors with all necessary information in order to analyze such a decision. Other than as contemplated by the Sale Motion, the Debtors shall not make any decision with regard to the assumption or rejection of executory contracts and unexpired leases without first obtaining the consent of the Steering Committee and the Backstop Parties and which consent shall each be in its/their respective sole discretion.

32. *Restrictions on Disposition of Material Assets Outside the Ordinary Course of Business.* Except as contemplated by the Sale Motion or expressly permitted under the “first day” pleadings, the Debtors shall not use, sell or lease any material assets outside the ordinary course of business, or seek authority of this Court to the extent required by Bankruptcy Code section 363, without obtaining the prior written consent of the Backstop Parties, which consent shall be in their sole discretion, at least five (5) business days prior to the date on which the Debtors seek the Court’s authority for such use, sale or lease. Subject to paragraph 11(c) hereof and the rights of any holder of a Permitted Priority Lien thereon, in the event of any such sale,

lease, transfer, license, or other disposition of property of the Debtors (other than a disposition of all or substantially all of the Debtors' assets) that constitutes DIP Collateral outside the ordinary course of business (to the extent permitted by the DIP Financing Documents and this Order), the Debtors are authorized and shall promptly pay, without further notice or order of this Court, the DIP Agent, for the benefit of the DIP Lenders, 100% of the net cash proceeds resulting therefrom no later than the second business day following receipt of such proceeds. In the event of any casualty, condemnation, or similar event with respect to property that constitutes DIP Collateral, the Debtors are authorized and shall promptly pay to the DIP Agent, for the benefit of the DIP Lenders, any insurance proceeds, condemnation award, or similar payment (excluding any amounts on account of any D&O policies) in excess of \$2,000,000 no later than the second business day following receipt of payment by the Debtors, unless the DIP Agent and the Backstop Parties consent, each in its/their sole discretion, in writing, to the funds being reinvested by the Debtors.

33. *Prepetition Intercreditor Agreements.* Nothing in this Order shall amend or otherwise modify the terms and enforceability of the Intercreditor Agreement, which shall remain in full force and effect. The rights of the Prepetition Secured Parties shall at all times remain subject to the Intercreditor Agreement and any other applicable intercreditor agreements.

34. *Binding Effect; Successors and Assigns.* The provisions of this Order, the DIP Credit Agreement and the other DIP Financing Documents shall be binding upon all parties in interest in the Chapter 11 Cases and any successor cases, including any chapter 7 cases, including the Prepetition Secured Parties, the Backstop Parties, the Steering Committee, the Creditors' Committee, the Retiree Committee, the Debtors and their respective successors and assigns (including any Trustee hereinafter appointed or elected for the estates of any of the

Debtors, an examiner appointed pursuant to Bankruptcy Code section 1104, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) as provided herein.

35. *Limitation of Liability.* In determining to make any loan under the DIP Financing Documents, permitting use of the Cash Collateral, or exercising any rights or remedies as and when permitted pursuant to this Order, the DIP Financing Documents or the Prepetition Debt Documents, the DIP Agent, the DIP Lenders, and the Prepetition Secured Parties shall not be deemed to be in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors or their businesses (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 29 U.S.C. §§ 9601 et seq. as amended, or any similar federal or state statute), nor shall they owe any fiduciary duty to any of the Debtors, their creditors or estates, or constitute or be deemed to constitute a joint venture or partnership with any of the Debtors. Furthermore, nothing in this Order, the DIP Financing Documents or the Prepetition Debt Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agent, the DIP Lenders or the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors and their respective affiliates (as defined in Bankruptcy Code section 101(2)).

36. *No Modification of Order.* Until and unless the DIP Obligations, DIP Superpriority Claim, Prepetition Secured Parties’ Superpriority Claims, and Prepetition Obligations have been indefeasibly paid in full in cash (such payment being without prejudice to any terms or provisions contained in the DIP Facility which survive such discharge by their terms), and all commitments to extend credit under the DIP Facility have been terminated, the

Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (a) except as permitted under the DIP Financing Documents, and with the prior written consent of the Backstop Parties (i) any modification, stay, vacatur, or amendment to this Order; (ii) a priority claim for any administrative expense or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, but not limited to any administrative expense of the kind specified in Bankruptcy Code sections 503(b), 507(a), or 507(b)) in any of the Chapter 11 Cases or successor cases, including any chapter 7 cases, equal or superior to the DIP Superpriority Claim, the DIP Obligations, Prepetition Secured Parties' Superpriority Claims, or the Prepetition Obligations, other than the Carve-Out, or (iii) any other order allowing use of the DIP Collateral or Prepetition Collateral; and (b) except as permitted under the DIP Financing Documents, any lien on any of the DIP Collateral or Prepetition Collateral with priority equal or superior to the DIP Liens, Adequate Protection Liens or Prepetition Liens, respectively. Each Debtor irrevocably waives any right to seek any amendment, modification or extension of this Order without the prior written consent of the DIP Agent, the Backstop Parties and the Steering Committee, as applicable, each in its/their sole discretion, and no such consent shall be implied by any action, inaction or acquiescence of the applicable DIP Agent, DIP Lenders, the Backstop Parties or the Steering Committee.

37. *Priorities Among Prepetition Secured Parties.* Notwithstanding anything to the contrary herein or in any other order of this Court, in determining the relative priorities among, and rights of, the Prepetition Secured Parties (including, but not limited to, the relative priorities and rights of the Prepetition Secured Parties with respect to the adequate protection granted hereunder), such relative priorities and rights shall continue to be governed by the Prepetition Debt Documents and the Intercreditor Agreement.

38. *Rights of Administrative Agent and First Lien Trustee.* Nothing in this Order shall be construed to limit or affect the (i) Administrative Agent's right to request instructions from the Required Lenders (as defined in the Credit Agreement) in accordance with Section 12.04 of the Credit Agreement and (ii) First Lien Trustee's right to request directions from holders of a majority in aggregate principal amount of the then outstanding First Lien Notes (the "Majority First Lien Noteholders") in accordance with Sections 6.05, 7.01, and 10.02 of the First Lien Indenture. It being understood that since the Steering Committee constitutes the Required Lenders and the Majority First Lien Noteholders and can therefore direct the Administrative Agent in taking actions in connection with the Credit Agreement and the First Lien Trustee in taking actions in connection with the First Lien Indenture, in any instance in this Order where the Administrative Agent or the First Lien Trustee is indicated as having given its consent, as the Steering Committee has also given its consent in such case, the Administrative Agent and the First Lien Trustee shall be deemed to have given its consent at the direction of the Required Lenders and Majority First Lien Noteholders, as applicable.

39. *No Waiver.* This Order shall not be construed in any way as a waiver or relinquishment of any rights that the DIP Agent, the DIP Lenders or the Prepetition Secured Parties may have to bring or be heard on any matter brought before this Court. Notwithstanding anything herein to the contrary, the entry of this Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the rights, claims and defenses of the issuers of surety bonds on which the Debtors are principals or indemnitors under applicable bankruptcy and non-bankruptcy law, including any such issuer's rights, claims and defenses under any existing indemnity agreements, surety bonds or related agreements or any letters of credit related thereto, all of which are expressly reserved.

40. *Automatic Stay Modified.* The automatic stay shall be modified or lifted to the extent necessary to allow the DIP Agent, the Backstop Parties or the Prepetition Secured Parties, as applicable, to provide any notices to the Debtors or take any other action as contemplated by and in accordance with this Order.

41. *Rights Preserved.* Notwithstanding anything herein to the contrary, the entry of this Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly the DIP Agent's, the DIP Lenders', the Prepetition Secured Parties', the Steering Committee's or the Backstop Parties' respective right to seek any other or supplemental relief in respect of the Debtors. Nothing in this Order shall relieve the Debtors of any obligations under federal, state or local police or regulatory laws or under 28 U.S.C. § 959(b).

42. *Federal Securities Laws.* Nothing in this Order shall relieve or excuse the Debtors, the DIP Lenders, the DIP Agent, or any other party from complying with any and all applicable federal securities laws (including relevant rules and regulations promulgated thereunder) with respect to the matters set forth herein, and nothing in this Order shall impair the Securities and Exchange Commission's police or regulatory powers with respect thereto.

43. *Effectiveness.* This Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect immediately upon entry hereof, and there shall be no stay of execution of effectiveness of this Order. Any finding of fact shall constitute a finding of fact even if it appears as a conclusion of law, and any conclusion of law shall constitute a conclusion of law even if it appears as a finding of fact.

44. *Controlling Effects of Order.* To the extent of any conflict between or among (a) the Motion, any other order of this Court, the DIP Credit Agreement or any other agreements, on the one hand, and (b) the terms and provisions of this Order, on the other hand, unless such term

or provision herein is phrased in terms of “as defined in” or “as more fully described in” or “as provided in” or words to that effect with respect to the DIP Financing Documents or the Prepetition Debt Documents, as applicable, the terms and provisions of this Order shall govern.

45. *Jurisdiction.* This Court shall retain jurisdiction to enforce the terms of this Order and to adjudicate any and all matters arising from or related to the interpretation, implementation or enforcement of this Order.

No later than [3:00 P.M.] (New York City time) on each Funding Date, each Lender with a Commitment will make available its *pro rata* portion (determined in accordance with Section 2.07) of the Initial Escrowed DIP Loans or the Second Escrowed DIP Loans, as applicable. All such amounts will be made available in Dollars, and in immediately available funds at the Payment Office or directly to the Escrow Account. Unless the Administrative Agent shall have been notified in writing by any Lender prior to the applicable Funding Date that such Lender does not intend to make available to the Administrative Agent such Lender's portion of the Loans to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such Funding Date and the Administrative Agent may at the direction of the Required Lenders (but shall not be obligated to), in reliance upon such assumption, fund the Escrow Account a corresponding amount. If such corresponding amount is not in fact made available to the

Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent. The Administrative Agent also shall be entitled to recover on demand from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower until the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if recovered from such Lender, the overnight Federal Funds Rate for the first three days and at the interest rate otherwise applicable to such Loans for each day thereafter and (ii) if recovered from the Borrower, the rate of interest applicable to the respective Loan, as determined pursuant to Section 2.08. Nothing in this Section 2.04 shall be deemed to relieve any Lender from its obligation to make Loans hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any failure by such Lender to make Loans hereunder.

2.05 Notes.

(a) Borrower's obligation to pay the principal of, and interest on, the Loans made by each Lender shall be evidenced in the Register maintained by the Administrative Agent pursuant to Section 14.04(c) and shall, if requested by such Lender, also be evidenced by a promissory note duly executed and delivered by the Borrower substantially in the form of Exhibit B, with blanks appropriately completed in conformity herewith (each, a "Note" and, collectively, the "Notes").

(b) Each Lender will note on its internal records the amount of each Loan made by it and each payment in respect thereof and, to the extent applicable, prior to any transfer of any of its Notes will endorse on the reverse side thereof the outstanding principal amount of Loans evidenced thereby. Failure to make any such notation or any error in such notation shall not affect the Borrower's obligations in respect of such Loans.

(c) Notwithstanding anything to the contrary contained above in this Section 2.05 or elsewhere in this Agreement, Notes shall only be delivered to Lenders which at any time specifically request the delivery of such Notes. No failure of any Lender to request or obtain a Note evidencing its Loans to the Borrower shall affect or in any manner impair the obligations of the Borrower to pay the Loans (and all related Obligations) incurred by such Borrower which would otherwise be evidenced thereby in accordance with the requirements of this Agreement, and shall not in any way affect the security or guaranties therefor provided pursuant to the various Credit Documents. Any Lender which does not have a Note evidencing its outstanding Loans shall in no event be required to make the notations otherwise described in preceding clause (b). At any time when any Lender requests the delivery of a Note to evidence any of its Loans, the respective Borrower shall promptly execute and deliver to the respective Lender the requested Note in the appropriate amount or amounts to evidence such Loans.

2.06 [Reserved].

2.07 Pro rata Fundings. All funding of Loans under this Agreement shall be incurred from the Lenders *pro rata* on the basis of their Commitments. It is understood that no Lender shall be responsible for any default by any other Lender of its obligation to make Loans hereunder and that each Lender shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), Loans shall bear interest on the outstanding principal amount thereof (including any Fees or other amounts due and unpaid hereunder) at a rate per annum equal to 12% per annum payable in cash on the Maturity Date.

(b) Upon the occurrence and during the continuance of an Event of Default, the principal amount of all Loans outstanding and, to the extent permitted by applicable law, any interest payments on the Loans or any Fees or other amounts due and unpaid under any Credit Document, shall thereafter bear interest at the Default Rate. Payment or acceptance of the increased rates of interest provided for in this Section 2.08 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of any Agent or any Lender. Any accrued and unpaid interest pursuant to this clause (b) shall be payable upon demand in cash.

(c) Accrued and unpaid interest shall be payable in cash in respect of each Loan on (x) the date of any repayment or prepayment thereof (on the amount prepaid or repaid), and (y) the Maturity Date (whether by acceleration or otherwise) and thereafter, on demand.

2.09 [Reserved].

2.10 Increased Costs

(a) If any Lender determines that after the Effective Date the introduction of or any change in any applicable law or governmental rule, regulation, order, guideline, directive or request (whether or not having the force of law) concerning capital adequacy, or any change in interpretation or administration thereof by the NAIC or any Governmental Authority, central bank or comparable agency, will have the effect of increasing the amount of capital required or expected to be maintained by such Lender or any corporation controlling such Lender based on the existence of such Lender's Commitments hereunder or its obligations hereunder, then the Borrower agrees to pay to such Lender, upon its written demand therefor, such additional amounts as shall be required to compensate such Lender or such other corporation for the increased cost to such Lender or such other corporation or the reduction in the rate of return to such Lender or such other corporation as a result of such increase of capital. In determining such additional amounts, each Lender will act reasonably and in good faith and will use averaging and attribution methods which are reasonable, provided that such Lender's determination of compensation owing under this Section 2.10(a) shall, absent manifest error, be final and conclusive and binding on all the parties hereto. Each Lender, upon determining that any additional amounts will be payable pursuant to this Section 2.10(a), will give prompt written notice thereof to the Borrower, which notice shall show in reasonable detail the basis for calculation of such additional amounts.

(b) Notwithstanding anything in this Agreement to the contrary, the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines, requirements and directives thereunder, issued in connection therewith or in implementation thereof, shall be deemed to be a change after the Effective Date in a requirement of law or government rule, regulation or order, regardless of the date enacted, adopted, issued or implemented (including for purposes of this Section 2.10).

(c) Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.10 shall not constitute a waiver of such Lender's right to demand such compensation; provided that Borrower shall not be required to compensate a Lender pursuant to this Section 2.10 for any increased costs or reductions incurred more than 180-days prior to the date that such Lender notifies the Borrower of the circumstances giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that if the circumstances giving rise to such increased costs or reductions are retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

2.11 [Reserved].

2.12 [Reserved].

SECTION 3 [Reserved].

SECTION 4 Fees.

4.01 Fees. The Borrower agrees to pay the fees set forth below. All such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(a) Put Option Premium. The Borrower shall pay a put option premium (the "Put Option Premium") to each Commitment Party equal to 7.5% of such Commitment Party's Commitments as set forth in the Commitment Letter as of the date of such Commitment Letter. The Put Option Premium shall be fully earned as of the date of the Final DIP Order and shall be paid in cash on the Effective Date from the proceeds of the Loans.

(b) Upfront Fee. The Borrower shall pay a fee (the "Upfront Fee") to each Lender on the Effective Date equal to 7.5% of the Commitments of such Lender as of the Effective Date. The Upfront Fee shall be fully earned as of the Effective Date and shall be paid in cash on the Effective Date from the proceeds of the Loans.

(c) Drawdown Fee. On each Withdrawal Date, the Borrower shall pay to each Lender, ratably based on each Lender's respective principal amount of Loans provided with respect to the proceeds withdrawn on such Withdrawal Date, a fee (the "Drawdown Fee") equal to 2.5% of the amount of the Loans provided by such Lender with respect to the proceeds withdrawn on such Withdrawal Date. The Drawdown Fee shall be paid in cash on the date of each such Withdrawal (it being understood that such Drawdown Fee shall be payable in respect of the gross principal amount of the Loans corresponding to the amount actually withdrawn by the Borrower from the Escrow Account, rather than the net proceeds of the Loans actually received by the Borrower pursuant to the applicable Withdrawal). The Lenders, Commitment

Parties and the Credit Parties hereto agree to treat, for federal income tax purposes, (a) the Upfront Fee and the Drawdown Fee as interest and (b) the Put Option Premium as a remuneration to the Commitment Parties for their agreeing to enter into the put option. The Lenders, Commitment Parties and the Credit Parties shall not take any position or action inconsistent with such treatment and/or characterization.

(d) The Borrower shall pay all fees set forth in the Agent Fee Letter (the “Agency Fees”, and together with the Drawdown Fee, the Put Option Premium and the Upfront Fee, collectively, the “Fees”) at the times when such payments are due and payable.

SECTION 5 Prepayments; Payments; Taxes.

5.02 Mandatory Prepayments.

(b) On each date on or after the Effective Date upon which the Borrower or any of its Subsidiaries receives any cash proceeds from a capital contribution to, or the issuance of any Equity Interests of, the Borrower or any of its Subsidiaries, an amount equal to 100% of the Net Cash Proceeds of the respective capital contribution or issuance of Equity Interests shall be applied on such date as a mandatory prepayment in accordance with the requirements of Section 5.02(e).

(c) Subject to the Final DIP Order, on each date on or after the Effective Date upon which the Borrower or any of its Domestic Subsidiaries receives any cash proceeds from any Asset Sale, an amount equal to 100% of the Net Sale Proceeds such Asset Sale shall be

(e) Each amount required to be applied pursuant to Sections 5.01 and Sections 5.02(a), (b), (c) and (d) shall first be applied to reduce any interest then accrued and unpaid on the principal so prepaid. To the extent that the Net Cash Proceeds or the Net Sale Proceeds required to prepay the Loans pursuant to clauses (a) through (d) above exceed the amount of Loans outstanding, the unused Commitments will be reduced by an amount equal to such excess. Each prepayment or repayment of the principal of the Loans and reduction of Commitments shall be applied on a pro rata basis to the outstanding Loans or Commitments, as applicable. For the avoidance of doubt, Loans that are optionally or mandatorily prepaid or repaid may not be re-borrowed.

5.04 Method and Place of Payment. 5.05 Net Payments.

(a) All payments made by the Borrower hereunder will be made without setoff, counterclaim or other defense, unless so provided under this Agreement or any other Credit Document. Except as provided in Section 5.05(b), 13.04(a) and (b) or as required by applicable law or regulation or the administration or interpretation thereof, all payments made by the Borrower hereunder will be made free and clear of, and without deduction or withholding for, any present or future taxes, levies, imposts, duties, fees, assessments or other charges of

whatever nature now or hereafter imposed by any jurisdiction or by any political subdivision or taxing authority thereof or therein with respect to such payments (but excluding (i) any tax (x) imposed on or measured by the net income, net profits or capital of the recipient pursuant to the laws of the jurisdiction in which it is organized or the jurisdiction in which its principal office or, in the case of a Lender, applicable lending office is located or any subdivision thereof or therein, or (y) imposed by reason of the recipient being a resident, domiciliary or national of, being engaged in business in or maintaining a permanent establishment or other physical presence in, or otherwise having some connection with the jurisdiction imposing the tax unless such connection results solely from such recipient's executing, enforcing, delivering, becoming a party to, or performing its obligations or receiving a payment under or enforcing this Agreement or any other Credit Document, and (ii) any withholding tax that would not have been imposed but for a failure by such recipient (or any financial institution through which any payment is made to such recipient) to comply with the applicable requirements of FATCA or is attributable to such recipient's failure to comply with Section 5.05(b), any withholding tax resulting from any law in effect (including FATCA) on the date such recipient becomes a party to this Agreement or designates a new lending office, except to the extent such recipient (or its assignor, if any) was entitled, at the time of designation of a new lending office (or assignment), to receive additional amounts with respect to such withholding tax pursuant to Section 5.05(a) hereto, and all interest or penalties with respect to such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges (all such non-excluded taxes, levies, imposts, duties, fees, assessments or other charges being referred to collectively as "Taxes")). If any Taxes are so levied or imposed in connection with any payment made by a Borrower hereunder, the respective Borrower agrees to pay the full amount of such Taxes to the appropriate taxing authority, and shall pay to the relevant person such additional amounts as may be necessary so that such payment, after withholding or deduction for or on account of such Taxes, will not be less than the amount such person would have received absent such withholding or deduction. The respective Borrower will furnish to the Administrative Agent within 45 days after the date the payment of any Taxes is due pursuant to applicable law certified copies of tax receipts issued by the applicable taxing authority evidencing such payment by such Borrower, or such other evidence satisfactory to the Administrative Agent. The Borrower agrees to indemnify and hold harmless each Lender, and reimburse such Lender upon its written request, such request stating the amount of Taxes so paid in connection with any payment made by a Borrower hereunder and describing, in reasonable detail, the basis for such indemnification claim, for the amount of any Taxes so levied or imposed in connection with any payment made by a Borrower hereunder and paid by such Lender (including penalties and interest). Such indemnity shall survive indefinitely following the termination of this Agreement or the settlement of the Notes, as applicable. Such payment shall be made within 30 days after the date the Lender makes a written demand therefor.

(b) Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) (each, a "Foreign Lender") for U.S. Federal income tax purposes agrees to deliver to the Borrower and the Administrative Agent on or prior to the Effective Date (i) two accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN or Form W-8BEN-E, as applicable (with respect to a complete exemption under an income tax treaty) (or successor forms) certifying to such Lender's entitlement as of such date to a complete exemption from United States withholding tax with respect to payments to be made under any Credit Document, (ii) if the Lender is not a "bank"

within the meaning of Section 881(c)(3)(A) of the Code and is not delivering forms pursuant to clause (i) above, (x) a certificate substantially in the form of Exhibit C (any such certificate, a “Tax Compliance Certificate”) and (y) two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E, as applicable (with respect to the portfolio interest exemption) (or successor form) certifying to such Lender’s entitlement as of such date to a complete exemption from United States withholding tax with respect to payments of interest to be made under any Credit Document, or (iii) in the case of a Foreign Lender that is not the beneficial owner of payments made under any Credit Document (including a partnership or a participating Lender) (1) two accurate and complete original signed copies of Internal Revenue Service Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (i) and (ii) above, and any other relevant forms pursuant to FATCA, as applicable, that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership and one or more of its partners are claiming the exemption for portfolio interest under Section 881(c) of the Code, such Lender may provide a Tax Compliance Certificate on behalf of such partners. In addition, if a payment made to a Lender under any Credit Document would be subject to U.S. Federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) to determine that such Lender has or has not complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. If a Lender is not a Foreign Lender, such Lender shall deliver to the Borrower and the Administrative Agent two accurate and complete original signed copies of Internal Revenue Service Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax. Furthermore, any recipient that is entitled to an exemption from, or reduction of, any applicable non-United States withholding tax with respect to any payments under any Credit Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, such non-United States withholding. In addition, each Lender agrees that from time to time after the Effective Date, when a lapse in time or change in circumstances renders the previous certification obsolete or inaccurate in any material respect, such Lender will deliver to the Borrower and the Administrative Agent two new accurate and complete original signed copies of Internal Revenue Service Form W-8ECI, Form W-8BEN, Form W-8BEN-E, Form W-8IMY and/or Form W-9, as applicable, and a Tax Compliance Certificate and such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement, or such Lender shall immediately notify the Borrower and the Administrative Agent of its inability to deliver any such Form or Certificate, in which case such Lender shall not be required to deliver any such Form or Certificate pursuant to this Section 5.05(b). Notwithstanding anything to the contrary contained in Section 5.05(a), but subject to Section 14.04(a) and (b) and the immediately succeeding sentence, the Borrower shall be entitled, to the extent it is required to do so by law or the

administration or official interpretation thereof, to deduct or withhold taxes imposed by any relevant taxing authority from interest, Fees or other amounts payable under any Credit Document to the extent that such Lender has not provided to the Borrower the relevant documentation and certification to establish a complete exemption from such deduction or withholding.

(c) If the Administrative Agent, any Lender or any other recipient of a payment under any Credit Document determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of the relevant recipient, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that such Borrower, upon the request of the relevant recipient, agrees to repay the amount paid over to such Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the recipient in the event the recipient is required to repay such refund to such Governmental Authority. This subsection shall not be construed to require any such recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

(ii) declare the principal of and any accrued interest in respect of all Loans and all Obligations owing hereunder and thereunder to be, whereupon the same shall

become, forthwith due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by each Credit Party;

(iii) after providing five (5) Business Days' notice in accordance with the Final DIP Order, enforce the guaranty and all of the Liens and security interests created pursuant to the Credit Documents and the Final DIP Order, and all remedies under applicable law (including, but not limited to, the Bankruptcy Code and the UCC), subject only to satisfaction of any notice requirement set forth in the Final DIP Order; and/or

(iv) after providing five (5) Business Days' notice in accordance with the Final DIP Order, set-off any amounts held as Cash Collateral (including in any deposit accounts or securities accounts subject to a Deposit Account Control Agreement or a Securities Account Control Agreement).

11.13 Application of Proceeds. Subject to the Final DIP Order, including the payment of the Carve-Out, after the exercise of remedies by the Agent (at the direction of the Required Lenders) or any Lender pursuant to Section 11, any amounts received on account of the Obligations shall be applied by the Administrative Agent in the following order:

(a) First, to the payment in full in cash of all costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Collateral Agent, the Administrative Agent or their respective agents, trustees and counsels, and all expenses, liabilities and advances made or incurred by the Collateral Agent or the Administrative Agent, as applicable in connection therewith and all other amounts for which the Collateral Agent or the Administrative Agent, as applicable, is entitled to indemnification and/or reimbursement, in each case, pursuant to the provisions of any Credit Document;

(b) Second, to payment in full in cash of all expenses, liabilities and advances made or incurred by the Secured Creditors (including, without limitation, the reasonable fees and disbursements of outside counsel, special counsel, financial advisor and other advisors or consultants retained by each of the Administrative Agent, the Collateral Agent and the Commitment Parties as set forth in Section 14.01) and all other amounts for which the Secured Creditors are entitled to indemnification and/or reimbursement, in each case, pursuant to the provisions of any Credit Document;

(c) Third, without duplication of amounts applied pursuant to clause (a) and (b) above, to the indefeasible payment in full in cash, *pro rata*, of interest and other amounts constituting Obligations (other than principal), any fees and premiums (if any), in each case, equally and ratably in accordance with the respective amounts thereof then due and owing;

(d) Fourth, to the indefeasible payment in full in cash of principal amount of the Obligations, in each case, equally and ratably in accordance with the respective amounts thereof then due and owing; and

(e) Last, the balance, if any, after all of the Obligations have been indefeasibly paid in full, to the Borrower or as otherwise required by Law.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (e) of this Section 11.13, the Credit Parties shall remain liable, jointly and severally, for any deficiency.

SECTION 12 The Administrative Agent.

12.01 Appointment. The Lenders hereby irrevocably designate and appoint Citibank, N.A., as Administrative Agent (for purposes of this Section 12 and Section 14.01, the term “Administrative Agent” also shall include Citibank, N.A., in its capacity as Collateral Agent pursuant to the Security Documents) to act as specified herein and in the other Credit Documents. Each Lender hereby irrevocably authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement, the other Credit Documents and any other instruments and agreements referred to herein or therein and to exercise such powers and to perform such duties hereunder and thereunder as are specifically delegated to or required of the Administrative Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto. The Administrative Agent may perform any of its respective duties hereunder by or through its officers, directors, agents, employees or affiliates.

12.02 Nature of Duties. The Administrative Agent shall not have any duties or responsibilities except those expressly set forth in this Agreement and in the other Credit Documents. The Lenders hereby acknowledge that the Administrative Agent shall not be under any duty to take any discretionary or optional action permitted to be taken by it pursuant to or in connection with this Agreement or any other Credit Document unless it shall be instructed in writing to do so by the Required Lenders. Neither the Administrative Agent nor any of its Related Parties shall be liable for any action taken or omitted by it or them hereunder or under any other Credit Document or in connection herewith or therewith, unless caused by its or their gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). The duties of the Administrative Agent shall be mechanical and administrative in nature; the Administrative Agent shall not have by reason of this Agreement or any other Credit Document a fiduciary relationship in respect of any Lender; and nothing in this Agreement or in any other Credit Document, expressed or implied, is intended to or shall be so construed as to impose upon the Administrative Agent any obligations in respect of this Agreement or any other Credit Document except as expressly set forth herein or therein.

12.03 Lack of Reliance on the Administrative Agent. Independently and without reliance upon the Administrative Agent, each Lender, to the extent it deems appropriate, has made and shall continue to make (i) its own independent investigation of the financial condition and affairs of the Borrower and its Subsidiaries in connection with the making and the continuance of the Loans and the taking or not taking of any action in connection herewith and (ii) its own appraisal of the creditworthiness of the Borrower and its Subsidiaries and, except as expressly provided in this Agreement, the Administrative Agent shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. The Administrative Agent shall not be responsible to any Lender for any recitals, statements, information, representations or warranties herein or in any document, certificate or other writing delivered in connection herewith or for the execution, effectiveness, genuineness, validity, enforceability, perfection, collectability, priority or

sufficiency of this Agreement or any other Credit Document or the financial condition of the Borrower or any of its Subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Credit Document, or the financial condition of the Borrower or any of its Subsidiaries or the existence or possible existence of any Default or Event of Default.

12.04 Certain Rights of the Administrative Agent. If the Administrative Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Credit Document, the Administrative Agent shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and the Administrative Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting hereunder or under any other Credit Document in accordance with the instructions of the Required Lenders.

12.05 Reliance. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or telecopier message, cablegram, radiogram, order or other document or telephone message signed, sent or made by any Person that the Administrative Agent believed to be the proper Person, and, with respect to all legal matters pertaining to this Agreement and any other Credit Document and its duties hereunder and thereunder, upon advice of counsel selected by the Administrative Agent.

12.06 Indemnification. To the extent the Agent or any affiliate thereof or any of their respective Related Parties (collectively, the “Agent Indemnified Persons”) is not reimbursed and indemnified by the Borrower, the Lenders will reimburse and indemnify such Agent Indemnified Persons in proportion to their respective percentage of the aggregate outstanding amount of the Loans and Commitments held by all Lenders and their Affiliates on such date (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by any Agent Indemnified Person in performing its duties hereunder or under any other Credit Document or in any way relating to or arising out of this Agreement or any other Credit Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent Indemnified Person’s gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

12.07 Resignation by the Administrative Agent.

(a) The Administrative Agent may resign from the performance of all its respective functions and duties hereunder and/or under the other Credit Documents at any time by giving 15 Business Days’ prior written notice to the Lenders and, unless a Default or an Event of Default under Section 11.05 then exists, the Borrower. Such resignation shall take effect upon

the appointment of a successor Administrative Agent pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation by the Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent hereunder or thereunder who shall be a commercial bank or trust company reasonably acceptable to the Borrower, which acceptance shall not be unreasonably withheld, delayed or conditioned (provided that the Borrower's approval shall not be required if an Event of Default then exists).

(c) If a successor Administrative Agent shall not have been so appointed within such 15 Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld, delayed or conditioned, provided that the Borrower's consent shall not be required if an Event of Default then exists), shall then appoint a successor Administrative Agent who shall serve as Administrative Agent hereunder or thereunder until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) above by the 20th Business Day after the date such notice of resignation was given by the Administrative Agent, the Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of the Administrative Agent hereunder and/or under any other Credit Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above.

(e) Upon a resignation of the Administrative Agent pursuant to this Section 12.07, the Administrative Agent shall remain indemnified to the extent provided in this Agreement and the other Credit Documents and the provisions of Section 12.06 and Section 14.01 (and the analogous provisions of the other Credit Documents) shall continue in effect for the benefit of the Administrative Agent for all of its actions and inactions while serving as the Administrative Agent. Upon its acceptance of any appointment as a successor Administrative Agent hereunder, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents.

12.08 Collateral Matters.

(a) Each Lender authorizes and directs the Collateral Agent to enter into the Security Documents for the benefit of the Lenders and the other Secured Creditors. In addition, each Lender, for the benefit of all parties to this Agreement, authorizes and directs the Collateral Agent to enter into any amendments to the Security Documents that may be deemed by the Required Lenders to be necessary in connection therewith for the benefit of the Lenders and the Secured Creditors. Each Lender hereby agrees that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all

of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Security Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents.

(b) The Lenders hereby authorize the Collateral Agent, at its option and in its discretion (at the direction of the Required Lenders), to release any Lien granted to or held by the Collateral Agent upon any Collateral (i) upon termination of the Commitments and payment and satisfaction in full of all of the Obligations (other than indemnification obligations for which no claim has been asserted) at any time arising under or in respect of this Agreement or the Credit Documents or the transactions contemplated hereby or thereby, (ii) constituting property being sold or otherwise disposed of (to Persons other than the Borrower and its Subsidiaries) upon the sale or other disposition thereof in compliance with Section 10.02, (iii) if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 14.11) or (iv) as otherwise may be expressly provided in the relevant Security Documents or the Sale Order. Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 12.08; provided that any Lender that does not respond to such request within fifteen (15) days of it being made by the Collateral Agent shall have deemed to have confirmed the Collateral Agent's authority to release the Collateral.

(c) Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Agents and each Secured Creditor hereby agree that in the event of a foreclosure by the Collateral Agent or on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent (at the direction of the Required Lenders) or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Collateral Agent, as agent for, and representative of, the Secured Creditors (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled (at the direction of the Required Lender), for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

12.09 Delivery of Information. The Administrative Agent shall not be required to deliver to any Lender originals or copies of any documents, instruments, notices, communications or other information received by the Administrative Agent from any Credit Party, any Subsidiary, the Required Lenders, any Lender or any other Person under or in connection with this Agreement or any other Credit Document except (i) as specifically provided in this Agreement or any other Credit Document and (ii) as specifically and reasonably requested from time to time in writing by any Lender with respect to a specific document, instrument, notice or other written communication received by and in the possession of the Administrative Agent at the time of receipt of such request and then only in accordance with such specific request.

SECTION 13 Guaranty.

13.01 Guaranty.

(a) Each of the Guarantors hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Administrative Agent, for the ratable benefit of the Secured Creditors, and to the Secured Creditors the prompt and complete payment and performance when due and payable (whether at the stated maturity, by acceleration or otherwise) of all Obligations of the Borrowers and each other Credit Party.

(b) Each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Agreement) hereby confirms that it is its intention that the guaranty made by the Guarantors not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act or any similar Federal or state law. To effectuate the foregoing intention, each Guarantor and each Secured Creditor (by its acceptance of the benefits of this Agreement) hereby irrevocably agrees that the Obligations guaranteed by such Guarantor shall be limited to such amount as will, after giving effect to such maximum amount and all other (contingent or otherwise) liabilities of such Guarantor that are relevant under such laws, not constitute a fraudulent transfer or conveyance for purposes of such laws.

(c) Each Guarantor agrees that the Obligations guaranteed by it hereunder may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing the guaranty contained in this Section 13 or affecting the rights and remedies of the Administrative Agent or any other Secured Creditor hereunder.

(d) No payment made by the Borrower, any of the Guarantors or any other Person or received or collected by the Administrative Agent or any other Secured Creditor from the Borrower, any of the Guarantors or any other Person by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of or payment of any of the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder which shall, notwithstanding any such payment (other than any payment made by such Guarantor in respect of the Obligations or any payment received or collected from such Guarantor in respect of any of the Obligations), remain liable for the Obligations guaranteed by it hereunder up to the maximum liability of such Guarantor hereunder until the earlier to occur of (i) the Maturity Date or (ii) the release of such Guarantor from this Agreement in accordance with the express provisions of Section 14.11 hereof.

13.02 Amendments, etc. with respect to the Obligations. To the maximum extent permitted by law, each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Obligations made by the Administrative Agent or any other Secured Creditor may be rescinded by the Administrative Agent or such other Secured Creditor and any of the Obligations continued, and the Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guaranty therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, subordinated, waived, surrendered or released by the Administrative Agent or any other Secured Creditor, and this Agreement and the

other Credit Documents and any other documents executed and delivered in connection therewith may be amended, waived, modified, supplemented or terminated, in whole or in part, in accordance with their respective terms, as the Administrative agent (at the direction of the Required Lenders) may deem advisable from time to time, and any collateral security, guaranty or right of offset at any time held by the Administrative agent or any other Secured Creditor for the payment of any of the Obligations may be sold, exchanged, waived, surrendered or released. Neither the Administrative agent nor any other Secured Creditor shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for any of the Obligations or for the guaranty contained in this Section 13 or any property subject thereto, except to the extent required by applicable law.

13.03 Guaranty Absolute and Unconditional. Each Guarantor waives, to the maximum extent permitted by applicable law, any and all notice of the creation, renewal, extension or accrual of any of the Obligations and notice of or proof of reliance by the Administrative agent or any other Secured Creditor upon the guaranty contained in this Section 13 or acceptance of the guaranty contained in this Section 13; each of the Obligations, and any obligation contained therein, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guaranty contained in this Section 13; and all dealings between the Borrowers and any of the other Credit Parties, on the one hand, and the Administrative agent and the other Secured Creditors, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guaranty contained in this Section 13. Except as expressly required under the Final DIP Order, each Guarantor waives, to the maximum extent permitted by applicable law, diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon any of the Borrower or any of the other Credit Parties with respect to any of the Obligations. Each Guarantor understands and agrees, to the extent permitted by law, that the guaranty contained in this Section 13 shall be construed as a continuing, absolute and unconditional guaranty of payment and not of collection. Each Guarantor hereby waives, to the maximum extent permitted by applicable law, any and all defenses that it may have arising out of or in connection with any and all of the following: (a) the validity or enforceability of this Agreement or any other Credit Document, any of the Obligations or any other collateral security therefor or guaranty or right of offset with respect thereto at any time or from time to time held by the Administrative agent or any other Secured Creditor, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by any Borrower against the Administrative agent or any other Secured Creditor, (c) any change in the time, place, manner or place of payment or any amendment, waiver or increase in any of the Obligations in accordance with the terms of the documentation evidencing the same, (d) any exchange, taking, or release of Collateral, (e) any change in the structure or existence of any of the Borrower or any of the other Credit Parties (except as provided in, or permitted by, this Agreement), (f) any application of Collateral to any of the Obligations, (g) any law, regulation or order of any jurisdiction, or any other event, affecting any term of any Obligation or the rights of the Administrative agent or any other Secured Creditor with respect thereto, including, without limitation: (i) the application of any such law, regulation, decree or order, including any prior approval, which would prevent the exchange of any currency (other than Dollars) for Dollars or the remittance of funds outside of such jurisdiction or the unavailability of Dollars in any legal exchange market in such jurisdiction in accordance with normal commercial practice, (ii) a declaration of banking moratorium or any suspension of payments by banks in such jurisdiction

or the imposition by such jurisdiction or any Governmental Authority thereof of any moratorium on, the required rescheduling or restructuring of, or required approval of payments on, any indebtedness in such jurisdiction, (iii) any expropriation, confiscation, nationalization or requisition by such country or any Governmental Authority that directly or indirectly deprives the Borrower or any other Credit Party of any assets or their use, or of the ability to operate its business or a material part thereof, or (iv) any war (whether or not declared), insurrection, revolution, hostile act, civil strife or similar events occurring in such jurisdiction which has the same effect as the events described in clause (i), (ii) or (iii) above (in each of the cases contemplated in clauses (i) through (iv) above, to the extent occurring or existing on or at any time after the date of this Agreement), or (h) any other circumstance whatsoever (other than payment in full in cash of the Obligations (other than inchoate indemnity obligations) guaranteed by it hereunder) (with or without notice to or knowledge of the Borrower or any other Credit Party) that constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower or any other Credit Party for its Obligations, or of such Guarantor under the guaranty contained in this Section 13, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Administrative Agent or any other Secured Creditor may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guaranty for the Obligations guaranteed by such Guarantor hereunder or any right of offset with respect thereto, and any failure by the Administrative Agent or any other Secured Creditor to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guaranty or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guaranty or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Administrative Agent or any other Secured Creditor against any Guarantor. For the purposes hereof “demand” shall include the commencement and continuance of any legal proceedings.

13.04 Reinstatement. The Guaranty of any Guarantor contained in this Section 13 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations guaranteed by such Guarantor hereunder is rescinded or must otherwise be restored or returned by the Administrative Agent or any other Secured Creditor upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any other Credit Party, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any other Credit Party or any substantial part of its property, or otherwise, all as though such payments had not been made.

13.05 Payments. Each Guarantor hereby agrees that payments hereunder will be paid to the Administrative Agent, for the benefit of the Secured Creditors, without set-off, counterclaim or other defense and on the same basis as payments are made by the Borrowers under Sections 5.03 and 5.04 of this Agreement.

13.06 Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower’s and each other Credit Party’s and their Subsidiaries’ financial condition and assets and of all other circumstances bearing upon the risk of nonpayment of the

Obligations and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder and agrees that none of the Administrative Agent or the other Secured Creditors will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

13.07 Indemnity and Subrogation. In addition to all rights of indemnity and subrogation as the Guarantors may have under applicable law (subject to Section 13.09), the Borrower agrees that (a) in the event a payment of any Obligation shall be made by any Guarantor under this Agreement, the Borrower shall indemnify such Guarantor for the full amount of such payment and such Guarantor shall be subrogated to the rights of the Person to whom such payment shall have been made to the extent of such payment and (b) in the event any assets of any Guarantor shall be sold pursuant to this Agreement or any other Credit Document to satisfy in whole or in part any Obligation owed to any Secured Creditor, the Borrower shall indemnify such Guarantor in an amount equal to the fair value of the assets so sold.

13.08 Contribution and Subrogation. Each Guarantor agrees (subject to Section 13.09) that, to the extent that a Guarantor shall have paid more than its proportionate share (based, to the maximum extent permitted by law, on the respective Adjusted Net Worth of the Guarantors on the date the respective payment is made) of any payment made hereunder, such Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder that has not paid its proportionate share of such payment. Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 13.09. Notwithstanding anything to the contrary contained above, any Guarantor that is released from this Agreement (and its guarantees contained herein) in accordance with the express provisions of Section 14.11 shall thereafter have no contribution obligations, or rights, pursuant to this Section 13.08, and at the time of any such release, the contribution rights and obligations of the remaining Guarantors shall be recalculated on the respective date of release (as otherwise provided herein) based on the payments made hereunder by the remaining Guarantors. The provisions of this Section 13.08 shall in no respect limit the obligations and liabilities of any Guarantor to the Administrative Agent and the other Secured Creditors, and each Guarantor shall remain liable to the Administrative Agent and the other Secured Creditors for the full amount guaranteed by such Guarantor hereunder.

13.09 Subordination. Notwithstanding any provision in this Agreement to the contrary, all rights of the Guarantors under Sections 13.07 and 13.08 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise shall be fully subordinated to the indefeasible payment in full in cash of the Obligations, and no Credit Party shall be entitled to be subrogated to any of the rights of the Administrative Agent or any other Secured Creditor against the Borrower or any other Credit Party or any collateral security or guaranty or right of offset held by the Administrative Agent or any other Secured Creditor for the payment of any of the Obligations, nor shall any Credit Party seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Credit Party in respect of payments made by such Credit Party hereunder (or paid with proceeds of collateral of such Credit Party hereunder), until all amounts owing to the Administrative Agent and the other Secured Creditors on account of the Obligations are paid in full in cash and the Total Commitment has been terminated. If any amount shall be paid to any Credit Party on account of such contribution or subrogation rights at any time when all of the Obligations shall not have been paid in full in cash or any of the

Commitments shall remain in effect, such amount shall be held by such Credit Party in trust for the Administrative Agent and the other Secured Creditors, segregated from other funds of such Credit Party, and shall, forthwith upon receipt by such Credit Party, be turned over to the Administrative Agent in the exact form received by such Credit Party (duly indorsed by such Credit Party to the Administrative Agent, if required), to be held as collateral security for all of the Obligations (whether matured or unmatured) of, or guaranteed by, such Credit Party and/or then or at any time thereafter may be applied against any Obligations, whether matured or unmatured, in such order as the Administrative Agent may determine.

SECTION 14 Miscellaneous.

14.01 Payment of Expenses; Indemnifications etc.

(a) The Borrower hereby agrees, whether or not the transactions herein contemplated are consummated, to pay (i) all reasonable out-of-pocket costs and expenses of the Administrative Agent, the Collateral Agent and the Commitment Parties (including, without limitation, the reasonable fees and disbursements of outside counsel, special counsel, financial advisor and other advisors or consultants retained by each of the Administrative Agent, the Collateral Agent and the Commitment Parties) (but excluding the fees and expenses of any outside counsel or financial advisor retained by any individual Commitment Party) incurred on, prior to or after the Effective Date, in connection with (x) the Chapter 11 Cases or any other insolvency or bankruptcy proceedings of the Debtors, the preparation, execution, delivery and administration of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein and (y) the enforcement of this Agreement and the other Credit Documents and the documents and instruments referred to herein and therein or in connection with any refinancing or restructuring of the credit arrangements or any “work-out”, and (ii) any fees of the Administrative Agent charged in connection with any “seasoning” of the Facility. Notwithstanding the foregoing, in no event shall (i) the Administrative Agent and (ii) the Lenders, in each case, be entitled to the reimbursement of costs and expenses of more than one primary counsel, one local Alabama counsel and other special counsel and advisors, as needed.

(b) The Borrower shall pay and hold the Administrative Agent, the Collateral Agent, the Commitment Parties and each of the Lenders harmless from and against any and all present and future stamp, excise and other similar documentary taxes with respect to the foregoing matters and save the Administrative Agent, the Collateral Agent and each of the Lenders harmless from and against any and all liabilities with respect to or resulting from any delay or omission (other than to the extent attributable to the Administrative Agent, the Collateral Agent or such Lender, as applicable, as a result of the gross negligence or willful misconduct of such Person (as determined by a court of competent jurisdiction in a final and non-appealable decision)) to pay such taxes.

(c) The Borrower shall indemnify the Administrative Agent, the Collateral Agent, each Commitment Party, each Lender, each Prepetition First Lien Secured Party and each of their respective Related Parties (each, an “Indemnified Person”) from, and hold each of them harmless against, any and all liabilities, obligations (including removal or remedial actions), losses, damages (including, without limitation, consequential damages), penalties, claims,

actions, judgments, suits, costs, expenses and disbursements (including documented fees, disbursements and other charges of one primary counsel and one local counsel for each relevant jurisdiction to such Indemnified Persons (unless there is an actual or perceived conflict of interest or the availability of different claims or defenses in which case each such Person may retain its own counsel)) incurred by, imposed on or assessed against any of them as a result of, or arising out of, or in any way related to, or by reason of, (a) any investigation, litigation or other proceeding (whether or not such Indemnified Person is a party thereto and whether or not such investigation, litigation or other proceeding is brought by or on behalf of any Credit Party) related to the entering into and/or performance of this Agreement, any other Credit Document, the Final DIP Order or the proceeds of any Loans hereunder or the consummation of the Transaction or any other transactions contemplated herein or in any other Credit Document or the exercise of any of their rights or remedies provided herein or in the other Credit Documents, or (b) the actual or alleged presence of Hazardous Materials in the air, surface water or groundwater or on the surface or subsurface of any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, the generation, storage, transportation, handling or disposal of Hazardous Materials by the Borrower or any of its Subsidiaries at any location, whether or not owned, leased or operated by the Borrower or any of its Subsidiaries, the non-compliance by the Borrower or any of its Subsidiaries with any Environmental Law (including applicable permits thereunder), or any Environmental Claim asserted against the Borrower, any of its Subsidiaries or any Real Property at any time owned, leased or operated by the Borrower or any of its Subsidiaries, provided that no Credit Party shall have any obligation hereunder to any Indemnified Person with respect to indemnified liabilities to the extent it has been determined by a final non-appealable judgment of a court of competent jurisdiction to have resulted solely from the gross negligence or willful misconduct of, or material breach of the obligations under this Agreement by, such Indemnified Person. To the extent that the undertaking to indemnify, pay or hold harmless the Administrative Agent, the Collateral Agent, any Lender or any other Indemnified Person set forth in the preceding sentence may be unenforceable because it is violative of any law or public policy, the Borrower shall make the maximum contribution to the payment and satisfaction of each of the indemnified liabilities which is permissible under applicable law.

(d) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnified Person, on any theory of liability, for special, indirect, consequential, punitive or incidental damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof.

(e) No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent the liability of such Indemnified Person results solely from such Indemnified Person's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(f) All amounts due under this Section 14.01 shall be payable to the Administrative Agent for its own benefit or for the benefit of the Lenders or the other Indemnified Persons, as applicable, not later than five (5) Business Days after demand therefor.

14.02 Right of Setoff. In addition to any rights now or hereafter granted under applicable law or otherwise, and not by way of limitation of any such rights, upon the occurrence and during the continuance of an Event of Default, but subject to any notice provisions in the Final DIP Order, each Agent (at the direction of the Required Lenders) and each Lender is hereby authorized at any time or from time to time, without presentment, demand, protest or other notice of any kind to any Credit Party or to any other Person, but subject to any notice provisions in the Final DIP Order, any such notice being hereby expressly waived, to set off and to appropriate and apply any and all deposits (general or special, time or demand, provision or final) and any other Indebtedness at any time held or owing by such Agent or such Lender (including, without limitation, by branches and agencies of such Agent or such Lender wherever located) to or for the credit or the account of the Borrower or any of its Subsidiaries against and on account of the Obligations and liabilities of the Credit Parties to such Agent or such Lender under this Agreement or under any of the other Credit Documents, including, without limitation, all interests in Obligations purchased by such Lender pursuant to Section 14.04(b), and all other claims of any nature or description arising out of or connected with this Agreement or any other Credit Document, irrespective of whether or not such Agent or such Lender shall have made any demand hereunder and although said Obligations, liabilities or claims, or any of them, shall be contingent or unmatured. The rights of each Lender and their respective Affiliates under this Section 14.02 are in addition to other rights and remedies (including other rights of set-off) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application.

14.03 Notices.

(a) Except as otherwise expressly provided herein, all notices and other communications provided for hereunder shall be in writing (including telecopier or other electronic cable communication) and mailed, telecopied or electronic transmission or delivered: if to any Credit Party, at the address specified opposite its signature below or in the other relevant Credit Documents; if to any Lender, at its address specified on Schedule 1.01(b); if to any Agent, at the Notice Office with a copy to Weil, Gotshal & Manges LLP, 767 Fifth Avenue, New York, NY 10153 (Attn: [●]); Fax: +1 (212) 310-8007; Email: [●]); and if to the Commitment Parties, to Akin Gump Strauss Hauer & Feld LLP, One Bryant Park, New York, NY 10036 (Attn: Ira Dizengoff and Kristine Manoukian) and 1333 New Hampshire Avenue, N.W., Washington, DC 20036 (Attn: James Savin) or, as to any Credit Party or any Agent, at such other address as shall be designated by such party in a written notice to the other parties hereto and, as to each Lender, at such other address as shall be designated by such Lender in a written notice to the Borrower and the Administrative Agent. All such notices and communications shall, when mailed, telecopied, e-mailed or sent by overnight courier, be effective when deposited in the mails, delivered to the overnight courier or sent by telecopier or electronic transmission, except that notices and communications to any Agent and the Borrower shall not be effective until received by any Agent or the Borrower, as the case may be.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including by posting such notices or communications on the Platform) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent, the Collateral Agent and the applicable Lender. Each of the Administrative Agent and the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

14.04 Benefit of Agreement; Assignments; Participations.

(a) Successors and Assigns Generally. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the respective successors and assigns of the parties hereto; provided, however, that the Borrower may not assign or otherwise transfer any of its rights, obligations or interest hereunder without the prior written consent of the Administrative Agent (acting at the direction of the Required Lenders) and the Lenders and, provided further, that, although any Lender may, without consent or notice, grant participations to Eligible Transferees in its rights hereunder, such Lender shall remain a “Lender” for all purposes hereunder (and may not transfer or assign all or any portion of its Commitments hereunder except as provided in Sections 2.13 and 13.04) and the participant shall not constitute a “Lender” hereunder and, provided further, that no Lender shall transfer or grant any participation under which the participant shall have rights to approve any amendment to or waiver of this Agreement or any other Credit Document except to the extent such amendment or waiver would (i) extend the final scheduled maturity of any Loan in which such participant is participating, or reduce the rate or extend the time of payment of interest or Fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof (it being understood that any amendment or modification to the financial definitions in this Agreement or to Section 14.07(a) shall not constitute a reduction in the rate of interest or Fees payable hereunder), or increase the amount of the participant’s participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or a mandatory prepayment of the Loans shall not constitute a change in the terms of such participation, and that an increase in any Commitment (or the available portion thereof) or Loan shall be permitted without the consent of any participant if the participant’s participation is not increased as a result thereof), (ii) consent to the assignment or transfer by any Borrower of any of their respective rights and obligations under this Agreement or (iii) release all or substantially all of (x) the Collateral under all the Security Documents (except as expressly provided in the Credit Documents or the Sale Motion) or (y) the Guaranty under this Agreement supporting the Loans in which such participant is participating. In the case of any such participation, the participant shall not have any rights under this Agreement or any of the other Credit Documents (the participant’s rights against such Lender in respect of such participation to be those set forth in the agreement executed by such Lender in favor of the participant relating thereto) and all amounts payable by the Borrower hereunder shall be determined as if such Lender had not sold such participation. To the extent that a participation would at the time of participation directly cause increased costs under Section 5.05 from those being charged by the respective Lender prior to such participation, then the Borrower shall not be obliged to pay such increased costs.

(b) Notwithstanding the foregoing, any Lender (or any Lender together with one or more other Lenders) may (x) assign all or a portion of its Commitments and related outstanding Obligations hereunder to any existing Lender or Affiliate of a Lender or Approved Fund, provided, that no such assignment may be made to any such Person that is, or would at such time constitute, a Defaulting Lender or any of its Subsidiaries or (y) assign all, or if less than all, a portion equal to at least \$100,000 in the aggregate for the assigning Lender or assigning Lenders, of such Commitments and related outstanding Obligations hereunder to one or more Eligible Transferees, each of which assignees shall become a party to this Agreement as a Lender by execution of an Assignment and Assumption Agreement (it being understood that assignments may be done on a non-pro-rata basis between Loans and unfunded Commitments), provided that (i) at such time, Schedule 1.01(a) shall be deemed modified to reflect the Commitments and/or outstanding Loans, as the case may be, of such new Lender and of the existing Lenders, (ii) upon the surrender of the relevant Notes (if any) by the assigning Lender, new Notes will be issued, at the Borrower's sole expense, to such new Lender and to the assigning Lender upon the request of such new Lender or assigning Lender, such new Notes to be in conformity with the requirements of Section 2.05 (with appropriate modifications) to the extent needed to reflect the revised Commitments and/or outstanding Loans, as the case may be, (iii) the consent of the Administrative Agent shall be required in connection with any such assignment pursuant to clause (y) above (such consent not to be unreasonably withheld, delayed or conditioned); and (iv) the Administrative Agent shall receive at the time of each such assignment, from the assigning or assignee Lender, the payment of a non-refundable assignment fee of \$3,500 (provided that only one such fee shall be payable in the case of one or more concurrent assignments by or to investment funds managed or advised by the same investment advisor or an affiliated investment advisor). To the extent of any assignment pursuant to this Section 14.04(b), the assigning Lender shall be relieved of its obligations hereunder with respect to its assigned Commitments and outstanding Loans. At the time of each assignment pursuant to this Section 14.04(b) to a Person which is not already a Lender hereunder, the respective assignee Lender shall, to the extent legally entitled to do so, provide to the Borrower the appropriate Internal Revenue Service Forms (and, if applicable, a Tax Compliance Certificate) and such other documentation described in Section 5.05(b). To the extent that an assignment of all or any portion of a Lender's Commitments and related outstanding Obligations pursuant to this Section 14.04(b) would, at the time of such assignment, result in increased costs under Section 5.05 from those being charged by the respective assigning Lender prior to such assignment, then the Borrower shall not be obligated to pay such increased costs (although the Borrower, in accordance with and pursuant to the other provisions of this Agreement, shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective assignment). Notwithstanding anything to the contrary herein, no assignment shall be made by any Lender to the Borrower or any of the Borrower's Affiliates or Subsidiaries, or to a natural person.

(c) Register. The Borrower hereby designates the Administrative Agent to serve as its agent, solely for purposes of this Section 14.04, to maintain a register (the "Register") on which it will record the Loans made by each of the Lenders and each repayment in respect of the principal amount of the Loans of each Lender. Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower's obligations in respect of such Loans, except under Section 5.05(a). With respect to any Lender, the transfer of the rights to the principal of, and interest on, any Loan shall not be effective until such transfer is

recorded on the Register maintained by the Administrative Agent with respect to ownership of such Loans and prior to such recordation all amounts owing to the transferor with respect to such Loans shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Loans shall be recorded by the Administrative Agent on the Register upon and only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 14.04(b). The Administrative Agent shall allow the Borrower or any Lender to inspect the Register at any time upon reasonable prior notice to the extent such inspection is reasonably determined by the Borrower or any Lender to be necessary to establish the relevant Loans or other obligations are in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations. Without duplication with Section 14.01, the Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 14.04(c).

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and related interest amounts) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent manifest error, and each Person whose name is recorded in the Participant Register shall be treated as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of any Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any Loans or its other obligations under any Credit Document) to any Person except to the extent that such disclosure is necessary to establish that such Loan is in registered form under Section 5f.103-1(c) of the U.S. Treasury Regulations.

(d) Nothing in this Agreement shall prevent or prohibit any Lender from pledging its Loans hereunder to a Federal Reserve Bank or any central bank in support of borrowings made by such Lender from such Federal Reserve Bank or central bank, any Lender which is a fund may pledge all or any portion of its Loans to its trustee or to a collateral agent providing credit or credit support to such Lender in support of its obligations to such trustee, such collateral agent or a holder of such obligations, as the case may be. No pledge pursuant to this clause (d) shall release the transferor Lender from any of its obligations hereunder.

(e) Any Lender which assigns all of its Commitments and/or Loans hereunder in accordance with Section 14.04(b) shall cease to constitute a "Lender" hereunder, except with respect to indemnification provisions under this Agreement (including, without limitation, Sections 5.05, 12.06, 14.01 and 14.06), which shall survive as to such assigning Lender.

14.05 No Waiver; Remedies Cumulative. No failure or delay on the part of the Administrative Agent, the Collateral Agent or any Lender in exercising any right, power or privilege hereunder or under any other Credit Document and no course of dealing between the Borrower or any other Credit Party and the Administrative Agent, the Collateral Agent or any Lender shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or under any other Credit Document preclude any other or further

exercise thereof or the exercise of any other right, power or privilege hereunder or thereunder. The rights, powers and remedies herein or in any other Credit Document expressly provided are cumulative and not exclusive of any rights, powers or remedies which the Administrative Agent, the Collateral Agent or any Lender would otherwise have. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the Administrative Agent, the Collateral Agent or any Lender to any other or further action in any circumstances without notice or demand.

14.06 Payments Pro Rata.

(a) Except as otherwise provided in this Agreement, the Administrative Agent agrees that promptly after its receipt of each payment from or on behalf of the Borrower in respect of any Obligations hereunder, the Administrative Agent shall distribute such payment to the Lenders entitled thereto (other than any Lender that has consented in writing to waive its *pro rata* share of any such payment) *pro rata* based upon their respective shares, if any, of the Obligations with respect to which such payment was received.

(b) Each of the Lenders agrees that, if it should receive any amount hereunder (whether by voluntary payment, by realization upon security, by the exercise of the right of setoff or banker's lien, by counterclaim or cross action, by the enforcement of any right under the Credit Documents, or otherwise), which is applicable to the payment of the principal of, or interest on, the Loans, of a sum which with respect to the related sum or sums received by other Lenders is in a greater proportion than the total of such Obligation then owed and due to such Lender bears to the total of such Obligation then owed and due to all of the Lenders immediately prior to such receipt, then such Lender receiving such excess payment shall purchase for cash without recourse or warranty from the other Lenders an interest in the Obligations of the respective Credit Party to such Lenders in such amount as shall result in a proportional participation by all the Lenders in such amount; provided that (i) if all or any portion of such excess amount is thereafter recovered from such Lenders, such purchase shall be rescinded and the purchase price restored to the extent of such recovery, but without interest and (ii) the provisions of this paragraph (b) shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations pursuant to Section 14.04.

(c) Notwithstanding anything to the contrary contained herein, the provisions of the preceding Sections 13.06(a) and (b) shall be subject to the express provisions of this Agreement which require, or permit, differing payments to be made to Non-Defaulting Lenders as opposed to Defaulting Lenders.

14.07 Calculations; Computations.

(a) The financial statements to be furnished to the Lenders pursuant hereto shall be made and prepared in accordance with GAAP, consistently applied throughout the periods involved (except as set forth in the notes thereto or as otherwise disclosed in writing by the Borrower to the Lenders); provided that, (i) notwithstanding anything to the contrary

contained herein, all such financial statements shall be prepared, and all financial covenants contained herein or in any other Credit Document shall be calculated, in each case, without giving effect to any election under FASB ASC 825 (or any similar accounting principle) permitting a Person to value its financial liabilities at the fair value thereof and (ii) to the extent expressly provided herein, certain calculations shall be made on a pro forma basis.

(b) All computations of interest and other Fees hereunder shall be made on the basis of a year of 360 days for the actual number of days.

14.08 GOVERNING LAW; SUBMISSION TO JURISDICTION; VENUE; WAIVER OF JURY TRIAL.

(a) THIS AGREEMENT AND THE OTHER CREDIT DOCUMENTS AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THEREUNDER SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH AND BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK, EXCEPT AS GOVERNED BY THE BANKRUPTCY CODE.

(b) THE BORROWER IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST ANY AGENT, ANY LENDER OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE BANKRUPTCY COURT. THE BORROWER HEREBY IRREVOCABLY ACCEPTS FOR ITSELF AND IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE EXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT. THE BORROWER HEREBY FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT THE BANKRUPTCY COURT LACK PERSONAL JURISDICTION OVER THE BORROWER, AND AGREES NOT TO PLEAD OR CLAIM, IN ANY LEGAL ACTION PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE BANKRUPTCY COURT, THAT SUCH COURTS LACK PERSONAL JURISDICTION OVER THE BORROWER. NOTHING IN THIS AGREEMENT OR IN ANY OTHER CREDIT DOCUMENT SHALL AFFECT ANY RIGHT THAT ANY AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT, INCLUDING WITH RESPECT TO THE COLLATERAL, AGAINST ANY CREDIT PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) THE BORROWER FURTHER IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF THE BANKRUPTCY COURT IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF IN THE MANNER PROVIDED FOR NOTICES IN SECTION 14.03. THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER

CREDIT DOCUMENT THAT SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF ANY AGENT OR ANY LENDER TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST THE BORROWER IN ANY OTHER JURISDICTION.

(d) THE BORROWER HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF THE BANKRUPTCY COURT OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT BROUGHT IN THE BANKRUPTCY COURT REFERRED TO IN CLAUSE (A) ABOVE AND HEREBY FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

(e) EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT, THE OTHER CREDIT DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND OTHER CREDIT DOCUMENTS BY, AMONG OTHER THINGS, THE WAIVERS AND CERTIFICATIONS IN THIS SECTION.

14.09 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts (including by facsimile or other electronic transmission), each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument. A set of counterparts executed by all the parties hereto shall be lodged with the Borrower and the Administrative Agent.

14.10 Headings Descriptive. The headings of the several sections and subsections of this Agreement are inserted for convenience only and shall not in any way affect the meaning or construction of any provision of this Agreement.

14.11 Amendment or Waiver; etc.

(a) Neither this Agreement nor any other Credit Document nor any terms hereof or thereof may be changed, waived, discharged or terminated unless such change, waiver, discharge or termination is in writing signed by the respective Credit Parties party hereto or thereto and the Required Lenders (although additional parties may be added to (and annexes may be modified to reflect such additions), provided that no such change, waiver, discharge or

termination shall, without the consent of each Lender (other than, except with respect to following clause (i), a Defaulting Lender):

(i) (x) extend the final scheduled maturity of any Loan, or (y) postpone the scheduled maturity of any Loan or extend any time for any payment (excluding mandatory prepayments) of any interest, Fees or other amounts due to the Lenders (or any of them) under this Agreement or under any other Credit Document without the written consent of each Lender entitled to such payment;

(ii) waive, reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or any Fees or other amounts payable hereunder or under any other Credit Document without the written consent of each Lender entitled to such amount, provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest at the Default Rate;

(iii) release all or substantially all of (x) the Collateral (except as expressly provided or permitted in the Credit Documents or the Sale Motion) or (y) the guarantees under this Agreement;

(iv) amend, modify or waive any provision of this Section 14.11 or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder without the written consent of each Lender adversely affected thereby;

(v) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement;

(vi) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section to 11) without the written consent of such Lender;

(vii) change Section 11.13 or Section 14.06 in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender or in any manner that materially and adversely affects the Lenders without the written consent of each Lender adversely affected thereby;

(viii) subordinate any of the Obligations or any Lien created by this Agreement or any other Credit Document (except as permitted in this Agreement and the Credit Documents) without the consent of each Lender; or

(ix) modify, waive, release or subordinate the superpriority claim status of the Obligations (except as permitted in this Agreement and the Credit Documents) without the consent of each Lender.

(b) Notwithstanding anything to the contrary contained in this Section 14.11, (x) Security Documents (including any Additional Security Documents) and related documents

executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Agent and may be amended, supplemented and waived with the consent of the Agent and the Borrower without the need to obtain the consent of any other Person if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities, omissions, mistakes or defects or (iii) to cause such Security Document or other document to be consistent with this Agreement and the other Credit Documents, (y) if following the Effective Date, the Administrative Agent and any Credit Party shall have jointly identified an ambiguity, inconsistency, obvious error or any error or omission of a technical or immaterial nature, in each case, in any provision of the Credit Documents (other than the Security Documents), then the Administrative Agent and the Credit Parties shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to any Credit Documents if the same is not objected to in writing by the Required Lenders within five (5) Business Days following receipt of notice thereof and (z) no credit bidding with respect to the Obligations hereunder shall be permitted without the consent of each affected Lender.

14.12 Survival.

(a) All indemnities set forth herein including, without limitation, in Sections 5.05, 12.06 and 14.01 shall survive the execution, delivery and termination of this Agreement and the making and repayment of the Obligations. The Indemnified Persons shall be intended third party beneficiaries of all indemnities set forth herein.

(b) To the extent any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its rights of set-off, and such payment or the proceeds of such set-off or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such set-off had not occurred.

(c) All representations and warranties made hereunder and in any other Credit Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Loan, and shall continue to in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

14.13 Domicile of Loans. Each Lender may transfer and carry its Loans at, to or for the account of any office, Subsidiary or Affiliate of such Lender. Notwithstanding anything to the contrary contained herein, to the extent that a transfer of Loans pursuant to this Section 14.13 would, at the time of such transfer, result in increased costs under Section 5.05 from those being charged by the respective Lender prior to such transfer, then the Borrower shall not be obligated

to pay such increased costs (although the Borrower shall be obligated to pay any other increased costs of the type described above resulting from changes after the date of the respective transfer).

14.14 [Reserved].

14.15 Confidentiality.

(a) Subject to the provisions of clause (b) of this Section 14.15, each Lender agrees that it will use its reasonable efforts not to disclose without the prior consent of the Borrower (other than to its employees, auditors, advisors or counsel or to another Lender if such Lender or such Lender's holding or parent company in its sole discretion determines that any such party should have access to such information, provided such Persons shall be subject to the provisions of this Section 14.15 to the same extent as such Lender) any information with respect to the Borrower or any of its Subsidiaries which is now or in the future furnished pursuant to this Agreement or any other Credit Document, provided that any Lender may disclose any such information (i) as has become generally available to the public other than by virtue of a breach of this Section 14.15(a) by the respective Lender, (ii) as may be required or appropriate in any report, statement or testimony submitted to any municipal, state or Federal regulatory body or self-regulatory body having or claiming to have jurisdiction over such Lender or to the Federal Reserve Board or the Federal Deposit Insurance Corporation or similar organizations (whether in the United States or elsewhere) or their successors or in connection with pledges or assignments in favor of any Federal Reserve Bank or central bank permitted under Section 14.04(d), (iii) as may be required or appropriate in respect to any summons or subpoena or in connection with any litigation, (iv) in order to comply with any law, order, regulation or ruling applicable to such Lender, (v) to the Administrative Agent or the Collateral Agent, (vi) to any direct or indirect contractual counterparty in any swap, hedge or similar agreement (or to any such contractual counterparty's professional advisor), so long as such contractual counterparty (or such professional advisor) agrees to be bound by the provisions of this Section 14.15 and (vii) to any prospective or actual transferee or participant in connection with any contemplated transfer or participation of any Loan or interest therein by such Lender, provided that such prospective transferee agrees to be bound by the confidentiality provisions contained in this Section 14.15.

(b) The Borrower hereby acknowledges and agrees that each Lender may share with any of its Affiliates, and such Affiliates may share with such Lender, any information related to the Borrower or any of its Subsidiaries (including, without limitation, any non-public customer information regarding the creditworthiness of the Borrower and its Subsidiaries), provided such Persons shall be subject to the provisions of this Section 14.15 to the same extent as such Lender.

14.16 Patriot Act. Each Lender subject to the USA PATRIOT Improvement and Reauthorization Act, Pub. L. 109-177 (signed into law March 9, 2009) (as amended from time to time, the "Act") and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies each Credit Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Credit Party in accordance with the Act. The Borrower shall, promptly following a reasonable request by the Administrative Agent or any Lender, provide all documentation and other information that the

Administrative or such Lender reasonably requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Act.

14.17 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Credit Document, the interest paid or agreed to be paid under the Credit Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

14.18 Waiver of Immunities. If any Credit Party has or hereafter may acquire any immunity (sovereign or otherwise) from any legal action, suit or proceeding, from jurisdiction of any court or from set-off or any legal process (whether service or notice, attachment prior to judgment attachment in aid of execution of judgment, execution of judgment or otherwise) with respect to itself or any of its property, such Credit Party hereby (to the fullest extent permitted by applicable law) irrevocably waives and agrees not to plead or claim such immunity in respect of its obligation under this Agreement and each other Credit Documents. Each Credit Party agrees that the foregoing waivers shall be effective to the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States of America, as amended from time to time, and are intended to be irrevocable and not subject to withdrawal for purposes of such Act.

14.19 No Advisory or No Fiduciary Duty. Each Agent, the Lenders and their Affiliates (collectively, solely for purposes of this Section 14.19, the “Lender Parties”) may have economic interests that conflict with those of the Borrower, its stockholders and/or its Affiliates. The Borrower agrees that nothing in this Agreement or other Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender Party, on the one hand, and the Borrower, its stockholders or its Affiliates, on the other. The Borrower acknowledges and agrees, and acknowledges its Affiliates’ understanding, that (i) the transactions contemplated by this Agreement and the other Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Borrower, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender Parties have assumed an advisory or fiduciary responsibility in favor of the Borrower, its stockholders or its Affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Parties have advised, are currently advising or will advise the Borrower, its stockholders or its Affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in this Agreement and other Credit Documents and (y) each Lender Party is acting solely as principal and not as the agent or fiduciary of the Borrower, its management, stockholders, creditors or any other Person. The Borrower acknowledges and

agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lender Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with such transaction or the process leading thereto.

14.20 Required Lender Instructions. Notwithstanding anything herein to the contrary, for purposes of any notice, instruction or direction required or requested from the Required Lenders in this Agreement (including, but not limited to, the letter of direction set forth in Section 7.09), any written notice, instruction or direction (including, without limitation, any notice, instruction or direction delivered by email) from Akin Gump Strauss Hauer & Feld LLP, as counsel to the Commitment Parties, shall be deemed a notice, instruction or direction delivered by the Required Lenders, as applicable.

14.21 Final DIP Order. In the event of any conflict between, or inconsistencies among, the Final DIP Order, on the one hand, and this Agreement or any other Credit Document, on the other hand, the Final DIP Order shall control to the extent of such conflict or inconsistency.
