)
)
Debtors.) (Jointly Administered)
_____)

**SCHEDULES OF ASSETS AND LIABILITIES FOR
WELDED CONSTRUCTION, L.P. (CASE NO. 18-12378)**

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Welded Construction, L.P. (5008) and Welded Construction Michigan, LLC (9830). The mailing address for each of the Debtors is 26933 Eckel Road, Perrysburg, OH 43551.

181237818121700000000007

These notes (the “Global Notes”) regarding the Debtors’ Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) comprise an integral part of the Schedules and Statements and should be referred to and considered in connection with any review of them.

1. The debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “Debtors”) have prepared these unaudited Schedules and Statements pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure. Except where otherwise noted, the information provided herein is the book value of assets and liabilities as of 11:06 a.m. (ET) on Monday, October 22, 2018 (the “Petition Date”) and, unless otherwise noted, may or may not be reflective of market value, and may have been subsequently modified or corrected. While the Debtors have made every reasonable effort to ensure that the Debtors’ Schedules and Statements are accurate and complete, based upon information that was available to them at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtors’ books and records may result in changes to financial data and other information contained in the Schedules and Statements. Moreover, the Schedules and Statements contain unaudited information which is subject to further review and potential adjustment.
2. In reviewing and signing the Schedules and Statements, Frank Pometti, the Chief Restructuring Officer of the debtors in the above-captioned cases (the “CRO”) has necessarily relied upon the efforts, statements, and representations of other personnel and professionals of the Debtors. The CRO has not (and could not have) personally verified the accuracy of each such statement and representation, including but not limited to statements and representations concerning amounts owed to creditors and their addresses.
3. The Debtors reserve the right to amend the Schedules and Statements as they determine may be necessary or appropriate in their sole and absolute discretion, including, but not limited to, the right to assert offsets or defenses to (which rights are expressly preserved), or to dispute, any claim or other item reflected on the Schedules or Statements as to amount, liability or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” These Global Notes will apply to all such amendments. Furthermore, nothing contained in the Schedules or Statements shall constitute a waiver of the Debtors’ rights with respect to these chapter 11 cases, and specifically with respect to any issues involving any causes of action, including those arising under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws to recover assets or avoid transfers, or an admission relating to the same.
4. Any failure to designate a claim listed on the Debtors’ Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent” or “unliquidated.” Additionally, the dollar amounts of claims listed may be exclusive of additional contingent and/or unliquidated amounts. Further, the claims of creditors are listed as the amounts entered on the Debtors’ books and records and may not reflect credits or allowances due from such creditors to the Debtors. The Debtors reserve all of their rights with respect to any such credits and allowances.

5. Some of the Debtors' assets and liabilities are unknown and/or unliquidated as of 11:06 a.m. (ET) on Monday, October 22, 2018. In such cases, the amounts are listed as "unknown" or words of similar import. Accordingly, the Schedules may not accurately reflect the aggregate amount of the Debtors' current assets and liabilities.
6. At times, the preparation of the Schedules and Statements required the Debtors to make assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities and the reported amounts of expenses during the reporting period. Actual results could differ. Pursuant to Fed. R. Bankr. P. 1009 and Del. Bankr. L.R. 1009-2, the Debtors may amend their Schedules as they deem necessary and appropriate to reflect material changes, if any, that arise during the pendency of their chapter 11 cases. In addition, the Debtors reserve the right to dispute or to assert offsets or defenses to any claim listed on the Schedules.
7. Given the differences between the information requested in the Schedules and Statements and the financial information utilized under generally accepted accounting principles in the United States ("GAAP"), the aggregate asset values and claim amounts set forth in the Schedules and Statements do not necessarily reflect the amounts that would be set forth in a balance sheet prepared in accordance with GAAP.
8. For the purposes of the Summary of the Schedules and Schedule D, the Debtors reserve their rights to assert certain agreements styled as personal property leases are in fact disguised financings, notwithstanding the fact that such agreements are not listed on Schedule D. Aside from these potential borrowings, the Debtors did not have any borrowings under prepetition secured loan facilities as of the Petition Date, and as such, have not listed amounts due on any prepetition secured loan facilities.
9. For the purposes of Schedule A/B, questions 6, 7 and 8, the Debtors have excluded retainers provided to professionals. A schedule of retainers paid to professionals in connection with the chapter 11 cases was included with the Debtors' Initial Monthly Operating Report filed on November 6, 2018 [Docket No. 166]. Additionally, as to questions 6, 7 and 8, the Debtors reserve their rights to categorize a "deposit" as a "prepayment" or a "prepayment" as a deposit. The payroll prepayment presented in response to question 8 represents a prepayment of funds to the Debtors' payroll provider, Paylocity, made before the Petition Date but applied to employee wages that were accrued after the Petition Date.
10. For the purposes of Schedule A/B, question 11, the Debtors' accounts receivable are listed on a gross basis without deducting any allowances for doubtful accounts. The "current value" of the Debtors' accounts receivable will be less on account of litigation risk for disputed amounts, and for these reasons is currently unknown. Additionally, the Debtors' response to question 11 of Schedule A/B excludes \$7,715,313 of prepetition accounts receivable that has been collected by the Debtors since the Petition Date.
11. For the purposes of Schedule A/B, question 19, in the ordinary course of business, the Debtors did not maintain a real-time tracking of the volume of purchased materials that had yet to be transformed from raw materials into a customer's project, and thus still constituted raw materials as of the Petition Date.

12. For the purposes of Schedule A/B, question 22, the Debtors did not maintain a real-time tracking of supplies that remained unused at all moments in time in the ordinary course of business, and thus still constituted supplies as of the Petition Date. The Debtors have listed the general categories of supplies maintained in response to question 22
13. For the purposes of Schedule A/B, question 25, the Debtors are still reconciling what goods, if any, were delivered to the Debtors in the 20 days before the Petition Date. As a result, the liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. The Debtors reserve all of their rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code.
14. For the purposes of Schedule A/B, question 50, the Debtors have listed all of their owned or leased heavy equipment and vehicles in response to this question, notwithstanding the fact some equipment might instead be listed in response to Schedule A/B, question 47. Additionally, the Debtors excluded certain equipment listed on the Debtors' fixed asset ledger that the Debtors believe was no longer in the Debtors' possession as of the Petition Date based on subsequent diligence of the Debtors and their professionals. Finally, where a value is stated for equipment, such value is the net book value set forth on the fixed asset ledger. Where the fixed asset ledger does not contain a value for such equipment, such value is stated as "n/a."
15. For the purposes of Schedule A/B, question 72, due to its disregarded nature for tax purposes, any tax refunds or net operating losses of Debtor Welded Construction Michigan, LLC would be reflected as tax refunds or net operating losses of Debtor Welded Construction, L.P. Additionally, the Debtors have not listed any net operating losses in response to question 72, as the Debtors have not yet determined the amount of prior losses that may constitute net operating losses under applicable tax law.
16. For the purposes of Schedule A/B, question 73, the Debtors have listed only insurance policies with unexpired coverage terms as of the Petition Date. To the extent that one or more Debtors might have rights to coverage under a policy with an expired coverage term, all such rights are expressly preserved notwithstanding the fact such policies have not been listed in response thereto.
17. For the purposes of Schedule A/B, question 74, the Debtors, despite their efforts, may not have listed all of their causes of action against third parties as assets in the Schedules and Statements. The Debtors reserve all of their rights with respect to any causes of action they may have, whether or not listed as assets in the Schedules and Statements, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such causes of action. The causes of action and claims against Energy Transfer Partners Inc. ("ETP") and The Williams Companies are inclusive of amounts also presented in the Debtors' accounts receivable on Schedule A/B, question 11.
18. The Debtors have not determined with finality whether, and to what extent, any of the creditors identified on Part 1 of Schedule E/F are actually entitled to priority under section

507 of the Bankruptcy Code. The Debtors reserve the right to assert that claims identified on Part 1 of Schedule E/F are not claims that are entitled to priority.

19. To the extent claims have been satisfied pursuant to orders of the Bankruptcy Court, such claims have not been listed on the Debtors' Schedule E/F.
20. With respect to Schedule E/F, the description "vendor" includes, *inter alia*, utilities, equipment providers and subcontractors. In certain instances, such as credits that arise under rental agreements for returns occurring during a pre-paid rental period, the amounts presented on Schedule E/F are presented net of credits owed to the Debtors. Finally, the Debtors have excluded any potential warranty claims of customers from Schedule E/F, as the Debtors are not aware of any actual such claims.
21. For the purposes of Schedule G, the Debtors have omitted professional engagement letters. The Debtors also believe they have only scheduled executory contracts to which a Debtor is a party or may be contractually and/or directly liable to perform. Similarly, for the purposes of the other Schedules and the Statements, no claims have been scheduled for a Debtor that may have benefited directly or indirectly from a contractual relationship to which the Debtor was not a named party.
22. The Debtors hereby reserve all of their rights to dispute the validity, status (including whether any document listed is an executory contract or unexpired lease), or enforceability of any contract, agreement, or lease set forth on Schedule G that may have expired or may have been modified, amended, and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, change orders, purchase orders, and other documents, instruments, and agreements that may not be listed on Schedule G, including renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. To the extent certain of the leases and contracts listed on Schedule G may contain certain amendments, restatements, waivers, estoppel certificates, letters, change orders, purchase orders, and other documents, instruments, and agreements, including renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights, such rights, powers, duties and obligations may not be set forth on Schedule G. Certain of these executory agreements may not have been memorialized in writing and/or could be subject to dispute. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as easements, right of way, subordination, non-disturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G. The Debtors reserve all of their rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim. Certain of the contracts, agreements, and leases listed on Schedule G may have been entered into by more than one of the Debtors. In the ordinary course of business, the Debtors may have entered into agreements, written or oral, for the provision of certain goods or services on a month-to-month or at-will basis. Such contracts may not be included on Schedule G; the Debtors have generally excluded agreements with subcontractors. However, each Debtor reserves the right to assert that such agreements constitute executory contracts.

23. To the extent any leases or contracts have been rejected pursuant to a motion under section 365(d) of the Bankruptcy Code, such leases and contracts have been excluded from the Schedules and Statements, including Schedule A/B question 50 and Schedule G, where the Bankruptcy Court has entered an order approving such rejection, but listed where the Bankruptcy Court has not yet entered an order approving such rejection.
24. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. The Debtors reserve all rights to challenge whether any of the listed contracts, leases, agreements, or other documents constitute an executory contract or unexpired lease, including if any are unexpired non-residential real property leases. Additionally, the Debtors reserve all rights to assert that certain items characterized as personal property leases on their face and listed as such on Schedule G are in fact disguised secured financings. Any and all of the Debtors' rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G are hereby reserved and preserved.
25. For the purposes of Schedule H, the Debtors have not listed each past and current insurer of a Debtor in response to Schedule H. The exclusion of an insurer on Schedule H does not mean such insurer is not necessarily a co-debtor in fact and the Debtors reserve their rights to assert any claims against insurers. Likewise, the Debtors have not listed co-defendants in any litigation pending against the Debtors, but reserve all rights with respect thereto. By contrast, the Debtors have listed the sureties that have provided a performance bond on their projects on Schedule H.
26. With respect to question 1 of the Statements and Schedule A/B, question 11, Debtor Welded Construction Michigan, LLC is a disregarded entity for tax and other purposes, so its books and records are maintained on a consolidated basis with Debtor Welded Construction, L.P. Notwithstanding this, the Debtors have listed the payments from customer Consumers Energy Company as the revenue and accounts receivable, respectively, for Debtor Welded Construction Michigan, LLC, which is the applicable Debtor contracted with Consumers Energy Company. Due to the disregarded nature of Debtor Welded Construction Michigan, LLC, such funds have been and will be consolidated with the funds of Debtor Welded Construction, L.P. Additionally, the fiscal year is the calendar year for both Debtors.
27. With respect to question 3 of the Statements, payments are listed by invoice, not by check or wire; one check or wire may cover multiple invoices. Additionally, ordinary course payments to employees are omitted from the responses to this question. Lastly, to the extent any credits were issued to the Debtors, these credits have been omitted from the responses to this question.
28. With respect to questions 4, 28, 29 and 30 of the Statements, the listing of any person or entity is not intended to be nor shall it be construed as a legal characterization of such party as an insider, and does not act as an admission of any fact, claim, right or defense, and all such right, claims and defenses are hereby reserved. The Debtors utilized the definition of "insider" in 11 U.S.C. 101(31)(B) for purposes of the Schedules and Statements, but have treated every Debtor employee with a title of "Vice President" and above as an officer for purposes of the Schedules and Statements, even though certain of such individuals may not

be an “officer” under applicable caselaw. Finally, those payments listed in response to question 4 are omitted from the responses to questions 3 and 30.

29. With respect to question 4 of the Statements, the Debtors believe the figures represented as transfers from Debtor Welded Construction Michigan, LLC to Debtor Welded Construction, L.P., were not “transfers” under the Bankruptcy Code, but are listed herein given the disregarded nature of Debtor Welded Construction Michigan, LLC for tax and other purposes and the fact that revenue received from Welded Construction Michigan, LLC contracts was listed as revenue of Welded Construction Michigan, LLC in response to question 1 of the Statements. Separately, the secondee payments listed in response to question 4 include not only payment for labor of secondees provided by Bechtel, but also *de minimis* charges related to computer equipment used by such secondee. Also separately, numbers stated as “Employer Paid Taxes/Benefits” in response to question 4 represent FICA taxes and employee benefits as set forth in the Debtors’ employee wages motion.
30. With respect to question 6 of the Statements, in the ordinary course of business certain of the Debtors’ creditors, such as utilities and professionals, may setoff all or part of unpaid invoices against items such as security deposits or retainers previously provided to such creditors by the Debtors. These creditors are not listed in response to question 6 as the Debtors do not maintain a comprehensive listing of all such setoffs as setoffs in their accounting system. For this same reason, bank fees deducted from bank accounts of the Debtors are not listed in response to question 6.
31. With respect to question 10 of the Statements, in the ordinary course of the Debtors’ business, the Debtors owned equipment susceptible to normal wear and tear and damage, which is not listed in response to question 10.
32. With respect to question 11 of the Statements, the Statement of Debtor Welded Construction L.P. lists the full aggregate amount of payments received by the firms listed therein during the year before the Petition Date, although such payments inure for the benefit of both Debtors. Additionally, payments listed in response to question 11 of the Statements are omitted from the response to question 3 of the Statements.
33. With respect to question 14 of the Statements, previous addresses include temporary facilities at the Debtors’ project sites.
34. With respect to question 17 of the Statements, prior to December 1, 2015, the Debtors’ employee benefit plans were administered by a former partner, and as such the Debtors do not have ready access to the information requested in question 17. The Debtors were not a plan administrator for any of the plans listed in response to question 17. Additionally, in responding to question 17, in the interest of full disclosure the Debtors have included union pension plans for which the Debtors have made contributions through their employment of union labor, notwithstanding the fact the unions are more appropriately considered the entities making the plans available as an employee benefit. These pension plans are also listed in response to question 32.

35. With respect to question 20 of the Statements, property kept in storage units or warehouses at the Debtors' project sites are included in the response to this question.
36. With respect to question 21 of the Statements, tools used by on-premises mechanics at the Debtors' project sites that are owned by the mechanics are omitted from the response to this question.
37. With respect to question 23 of the Statements, the Debtors have excluded from the response to question 23 any notifications relating to sediment or erosion control, which the Debtors believe to be outside the scope of the question.
38. With respect to question 24 of the Statements, in the ordinary course of their operations, the Debtors would report any known releases of hazardous material to governmental units through the contractor (customer) on a project, including certain of the items listed in response to question 23 of the Statements.
39. With respect to questions 26(a) through 26(c) of the Statements, the Debtors have identified the applicable Chief Financial Officers (each a "CFO") and Controllers in connection with the audit, compilation, review, and/or maintenance of the Debtors' books and records, but other finance and accounting personnel of the Debtors reporting to the applicable CFO or Controller who may have assisted in the foregoing have been omitted from the responses to these questions.
40. With respect to question 26(d) of the Statements, although the Debtors from time to time may have furnished financial statements to other parties, it is not the practice of the Debtors to maintain exhaustive records of such transmittal. Consequently, the Debtors cannot provide an exhaustive list of all entities that have received one or more financial statements from the Debtors in response to question 26(d).
41. The Debtors and their employees, agents, attorneys, and other professionals do not guarantee or warrant the accuracy, completeness, or currentness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While every effort has been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their employees, agents, attorneys, and other professionals expressly do not undertake any obligation to notify any third party should the information be or need to be updated, modified, revised or re-categorized. In no event shall the Debtors or their employees, agents, attorneys, or other professionals be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or their employees, agents, attorneys, and other professionals are advised of the possibility of such damages.

Official Form 206A/B

Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

Part 1: Cash and cash equivalents

1. Does the debtor have any cash or cash equivalents?

- No. Go to Part 2.
