ATTACHMENT A TO PROOF OF CLAIM

Ankura Consulting Group, LLC (“Claimant”) asserts its claim against Welded Construction, L.P. (“Debtor”) for \$457,901.04 based on unpaid consulting fees for the Mountaineer Xpress Pipeline project.¹ A summary of the invoices for all fees due is attached hereto as Appendix 1. Claimant is not attaching the engagement letter dated June 6, 2018 (the “Agreement”) entered into with Debtor related to such fees or the invoices because the Agreement and the invoices contain confidential and proprietary information, and a subject to disclosure restrictions. Further, Debtor is a party to the Agreement and thus has a copy of the Agreement in its possession. However, a copy of the Agreement is available to Debtor upon request. Claimant believes that the Debtor has copies of the Agreement, invoices and other documents relating to the Claim. However, Claimant will make such documents available to the Debtor upon the Debtor’s reasonable request.

Claimant asserts that the work product prepared by it in connection with the Agreement is the property of Claimant, and that Debtor has no right to use of that work product in any manner without payment in full under the Agreement.

The assertion of the Claim by Claimant herein is not a concession or admission as to the correct characterization or treatment of the Claim, nor a waiver of any rights of Claimant. The execution and filing of this proof of claim does not constitute: (a) waiver or release of any rights against any other entity or person liable for all or part of the Claim; (b) waiver or release of any right of setoff or recoupment that Claimant may hold against Debtor; (c) consent to the jurisdiction of the District Court with respect to any proceeding commenced against or otherwise involving Claimant; (d) consent to the treatment of any non-core claim against it as a core claim; (e) waiver of the right to move to withdraw the reference with respect to the subject matter of the Claim or otherwise, including without limitation any objection or other proceedings commenced with respect thereto, or any other proceedings commenced against or otherwise involving Claimant; (f) election of remedies that waives or otherwise affects any other remedies; (g) consent to the final determination or adjudication of any claim or right pursuant to 28 U.S.C. § 157(c); or (h) a waiver of the right to seek dismissal or conversion to chapter 7 of Debtor’s bankruptcy case.

Claimant (a) expressly reserves and does not waive any right, remedy, claim, action, defense, setoff or recoupment of Claimant or to which Claimant is or may be entitled, including without limitation any right to any security held by or for it or any right to claim an interest in specific assets or any other rights or causes of action that it has or may have against Debtor, and expressly reserves all such rights; (b) reserves the right to file additional proofs of claim and to amend or supplement this proof of claim in any respect, including without limitation by (i) specifying the dollar amount of any part of the Claim that is not stated in specific amounts herein or (ii) specifying interest, fees, costs or charges arising prior or subsequent to the date of confirmation of any plan of reorganization; and (c) reserves the right to assert that all or any part of the Claim described herein are administrative expenses entitled to a first priority under Section 507(a)(2) of the Bankruptcy Code, including, but not limited to, costs and expenses (including attorneys’ fees and disbursements) incurred by Claimant that remain unpaid.

¹ Effective as of August 24, 2018, Claimant acquired certain business segments of Navigant Consulting, Inc. (“Navigant” and such acquisition of the Navigant business segments, the “Acquisition”). Navigant is the original counterparty to the Agreement with the Debtor and performed the initial portion of the unpaid consulting services for the Debtor pursuant to the Agreement. The unpaid consulting fees for such services is \$122,490.00 (the “Initial Receivable”). As part of the Acquisition, Claimant acquired the Agreement and the Initial Receivable. Claimant performed the remainder of the unpaid consulting services pursuant to the Agreement.
