**DEBTORS MOTION FOR ENTRY OF AN
 ORDER (I) PROHIBITING UTILITY PROVIDERS
 FROM ALTERING, REFUSING, OR DISCONTINUING
 UTILITY SERVICES, (II) DETERMINING ADEQUATE ASSURANCE
 OF PAYMENT FOR FUTURE UTILITY SERVICES, AND (III) ESTABLISHING
 PROCEDURES FOR DETERMINING ADEQUATE ASSURANCE OF PAYMENT**

Windstream Holdings, Inc. and its debtor affiliates as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the “Debtors”) respectfully state the following in support of this motion (this “Motion”):

¹ The last four digits of Debtor Windstream Holdings, Inc.’s tax identification number are 7717. Due to the large number of debtor entities in these chapter 11 cases, for which the Debtors have requested joint administration, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors’ proposed claims and noticing agent at <http://www.kccllc.net/windstream>. The location of the Debtors’ service address for purposes of these chapter 11 cases is: 4001 North Rodney Parham Road, Little Rock, Arkansas 72212.

Relief Requested

1. The Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Order”): (a) prohibiting utility providers from altering, refusing, or discontinuing services; (b) determining adequate assurance of payment for future utility services; and (c) establishing procedures for determining adequate assurance of payment for future utility services.

Jurisdiction and Venue

2. The United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated February 1, 2012. The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Bankruptcy Court in connection with this Motion to the extent that it is later determined that the Bankruptcy Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105(a) and 366 of title 11 of the United States Code (the “Bankruptcy Code”), Bankruptcy Rules 6004, and rule 9013-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”).

Background

5. The Debtors are a leading provider of advanced network communications and technology solutions for businesses across the United States. The Debtors also offer broadband, entertainment and security solutions to consumers and small businesses primarily in rural areas in

18 states. Additionally, the Debtors supply core transport solutions on a local and long-haul fiber network spanning approximately 150,000 miles. As of the date hereof, the Debtors had approximately 11,600 employees.

6. As set forth in greater detail in the *Declaration of Tony Thomas, Chief Executive Officer and President of Windstream Holdings, Inc., (I) in Support of Debtors' Chapter 11 Petitions and First Day Motions and (II) Pursuant to Local Bankruptcy Rule 1007-2* (the "First Day Declaration"), on February 15, 2019, the United States District Court for the Southern District of New York entered a *Memorandum Decision and Order* against Debtor Windstream Services, LLC after trial in the matter styled *U.S. Bank National Association v. Windstream Services, Inc. v. Aurelius Capital Master, Ltd.*, Case No. 17-cv-7857 (JMF), that recognized an event of default under the Debtors' prepetition unsecured bond indentures, which in turn resulted in a cross-default under the Debtors' secured term loan and revolver credit facilities. As of the date hereof, the Debtors are obligated for approximately \$5.6 billion in funded debt obligations. To avoid any precipitous action against the Debtors' assets that would have harmed the Debtors' businesses and to gain access to much-needed liquidity in the form of debtor-in-possession financing, the Debtors commenced these chapter 11 cases.

7. On February 25, 2019 (the "Petition Date"), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their business and manage their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. As of the date hereof, the Office of the United States Trustee for the Southern District of New York (the "U.S. Trustee") has not appointed an official committee of unsecured creditors in these chapter 11 cases. Additional information regarding the Debtors'

business, their capital structure, and the circumstances leading to these chapter 11 filings is contained in the First Day Declaration.

The Utility Services

I. Overview of Utilities Services and Utilities Providers.

8. In connection with the operation of their business, the Debtors obtain water, sewer service, telecommunications, electricity, waste disposal, natural gas, and other similar services (collectively, the “Utility Services”) from a number of utility providers or their brokers (collectively, the “Utility Providers”). A nonexclusive list of the Utility Providers and their affiliates that provided Utility Services to the Debtors as of the Petition Date (the “Utility Providers List”) is attached hereto as **Exhibit B**.² The relief requested herein is requested with respect to all Utility Providers providing Utility Services to the Debtors, irrespective of whether such Utility Providers are identified on the Utility Providers List.

9. The Debtors’ businesses require the Utility Services to operate. Should any Utility Provider refuse or discontinue service, even for a brief period, the Debtors’ business operations would be severely disrupted. Such disruption would jeopardize the Debtors’ ability to administer their chapter 11 cases and adversely affect customer goodwill and employee relations, which, in turn, would negatively affect the Debtors’ revenues. Accordingly, it is essential that the Utility Services continue uninterrupted during the chapter 11 cases.

10. On average, as of the Petition Date, the Debtors paid approximately \$5,000,000.00 each month on account of the Utility Services, based on a historical average of the Debtors’ recent utility payments (the “Average Monthly Utility Expenses”). Accordingly, the Debtors estimate

² Although **Exhibit B** is intended to be comprehensive, the Debtors may have inadvertently omitted one or more Utility Providers. By this Motion, the Debtors request relief applicable to all Utility Providers, regardless of whether such Utility Provider is specifically identified on **Exhibit B**.

that their cost for Utility Services during the next 30 days (not including any deposits to be paid) will total approximately \$5,000,000.00. As of the Petition Date, the Debtors estimate that they have posted approximately \$113,400.00 in the form of deposits, surety bonds, letters of credits, and other prepayments on behalf of certain Utility Providers.

II. The Proposed Adequate Assurance and Adequate Assurance Procedures.

11. The Debtors intend to pay postpetition obligations to the Utility Providers in a timely manner and in the ordinary course of business. The Debtors' cash on hand, cash generated in the ordinary course of business, and the proceeds of the Debtors' proposed debtor-in-possession financing facility will provide sufficient liquidity to pay all obligations related to the Utility Services in the ordinary course of business.

12. To provide additional assurance of payment, the Debtors propose to deposit cash in an amount equal to \$2,500,000.00 into a segregated account (the "Adequate Assurance Deposit") that will be created and funded after the Petition Date. The amount of the Adequate Assurance Deposit is equal to approximately one half of the Average Monthly Utility Expenses (the "Adequate Assurance Amount"). The Adequate Assurance Deposit will be held in the segregated account at a bank selected by the Debtors for the benefit of the Utility Providers (the "Adequate Assurance Account"), and, for the duration of these chapter 11 cases, may be applied to any postpetition defaults in payment to the Utility Providers. The Adequate Assurance Deposit will be held by the Debtors; no liens will encumber the Adequate Assurance Deposit or the Adequate Assurance Account. The Debtors submit that the Adequate Assurance Deposit, in conjunction with the Debtors ability to pay for future utility services in accordance with their prepetition practices (collectively, the "Proposed Adequate Assurance"), constitutes sufficient adequate assurance to the Utility Providers in full satisfaction of section 366 of the Bankruptcy Code.

13. The Debtors respectfully request that the Bankruptcy Court approve the following procedures (the “Adequate Assurance Procedures”) to address any request by an entity that believes it is a Utility Provider and asserts that it is entitled to adequate assurance of future payment (each, an “Adequate Assurance Request”).

- a. The Debtors will serve a copy of this Motion and the order granting the relief requested herein to each Utility Provider within five business days after entry of the order by the Bankruptcy Court.
- b. Subject to paragraphs (e)–(h) herein, if requested by a Utility Provider, the Debtors will set aside in the Adequate Assurance Account the Adequate Assurance Amount as soon as practicable after entry of the Order.
- c. If an amount relating to Utility Services provided postpetition by a Utility Provider is unpaid, and remains unpaid beyond any applicable grace period, such Utility Provider may request a disbursement from the Adequate Assurance Account by giving notice to: (i) Windstream Holdings, Inc., 4001 North Rodney Parham Road, Little Rock, Arkansas 72212, Attn.: Kristi M. Moody; and (ii) proposed counsel to the Debtors, Kirkland & Ellis LLP, 601 Lexington Avenue, New York, New York 10022, Attn.: Stephen E. Hessler, P.C., and Kirkland & Ellis LLP, 300 North LaSalle Street, Chicago, Illinois 60654, Attn.: Ross M. Kwasteniet, P.C., Brad Weiland, and John R. Luze.
- d. Proposed counsel to the Debtors shall promptly cause any notice received pursuant to paragraph 2(c) of this Order to be served on the following: (i) counsel to any statutory committee appointed in these cases; (ii) the Office of The United States Trustee, U.S. Federal Office Building, 201 Varick Street, Suite 1006, New York, New York 10014, Attn.: Paul K. Schwartzberg and Serene Nakano; and (iii) to the extent not listed herein, those parties requesting notice pursuant to Bankruptcy Rule 2002 (collectively, the “Notice Parties”). The Debtors shall honor such request by the applicable Utility Provider within ten business days after the date the request is received by the Debtors, subject to the ability of the Debtors and any such requesting Utility Provider to resolve any dispute regarding such request without further order of the Bankruptcy Court. To the extent a Utility Provider receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.
- e. The portion of the Adequate Assurance Account attributable to each Utility Provider (including any additional amount deposited upon request of any applicable Utility Provider) will be returned to the Debtors on the earlier of (i) reconciliation and payment by the Debtors of the Utility Provider’s final

invoice in accordance with applicable nonbankruptcy law following the Debtors' termination of Utility Services from such Utility Provider and (ii) the effective date of any chapter 11 plan confirmed in these chapter 11 cases (less any amounts owed on account of unpaid, postpetition Utility Services).

- f. Any Utility Provider desiring additional assurances of payment in the form of deposits, prepayments, or otherwise must serve a request for additional assurance (an "Additional Assurance Request") on the Notice Parties.
- g. Any Additional Assurance Request must: (i) be made in writing; (ii) identify the location for which Utility Services are provided; (iii) include information regarding any security deposits paid by the Debtors; (iv) provide evidence that the Debtors have a direct obligation to the Utility Provider; and (v) explain why the Utility Provider believes the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- h. An Additional Assurance Request may be made at any time. If a Utility Provider fails to file and serve an Additional Assurance Request, the Utility Provider shall be (i) deemed to have received "satisfactory" adequate assurance of payment in compliance with section 366 of the Bankruptcy Code and (ii) forbidden from discontinuing, altering, or refusing Utility Services to, or discriminating against, the Debtors on account of any unpaid prepetition charges, or requiring additional assurance of payment other than the Proposed Adequate Assurance.
- i. Upon the Debtor's receipt of an Adequate Assurance Request, the Debtors shall have 30 days from the receipt of the Adequate Assurance Request (the "Resolution Period") to negotiate with the Utility Provider to resolve the Utility Provider's Adequate Assurance Request.
- j. Without further order of the Bankruptcy Court, the Debtors may enter into agreements granting additional adequate assurance to a Utility Provider serving as an Additional Assurance Request if the Debtors determine that the Additional Assurance Request is reasonable.
- k. If the Debtors determines, in their sole discretion, that the Additional Assurance Request is not reasonable and the Debtors are unable to reach an alternative resolution with the Utility Provider, the Debtors, during or immediately after the Resolution Period, may request a hearing (a "Determination Hearing") before the Bankruptcy Court to determine the adequacy of assurance of payment with respect to that Utility Provider pursuant to section 366(c)(3) of the Bankruptcy Code.
- l. Pending resolution of such dispute at a Determination Hearing, the relevant Utility Provider will be prohibited from altering, refusing, or discontinuing

service to the Debtors on account of: (i) unpaid charges for prepetition services; (ii) a pending Adequate Assurance Request; or (iii) any objections filed in response to the Proposed Adequate Assurance.

14. The Adequate Assurance Procedures set forth a streamlined process for Utility Providers to address potential concerns with respect to the Proposed Adequate Assurance, while allowing the Debtors to administer these chapter 11 cases uninterrupted. More specifically, the Adequate Assurance Procedures permit a Utility Provider to object to the Proposed Adequate Assurance by serving an Adequate Assurance Request upon certain notice parties. The Debtors, in their discretion, may then resolve any Adequate Assurance Request by mutual agreement with the Utility Provider and without further order of the Bankruptcy Court. If the Adequate Assurance Request cannot be resolved by mutual agreement, the Debtors may seek Bankruptcy Court resolution of the Adequate Assurance Request.

15. The Debtors also request that the Utility Providers, including subsequently added Utility Providers, be forbidden from altering, refusing, or discontinuing service or requiring additional assurance of payment other than the Proposed Adequate Assurance, pending entry of a final order approving the relief requested herein.

III. Subsequently Identified Utility Providers.

16. To the extent the Debtors identify new Utility Providers, the Debtors will serve such Utility Provider a copy of the Bankruptcy Court's order regarding Utility Services, including the Adequate Assurance Procedures. The Debtors request that the terms of that order and the Adequate Assurance Procedures apply to any subsequently identified Utility Provider.

Basis for Relief

17. Section 366 of the Bankruptcy Code protects a debtor against the immediate termination or alteration of utility services after the Petition Date. *See* 11 U.S.C. § 366. Section 366(c) requires the debtor to provide "adequate assurance" of payment for postpetition

services in a form “satisfactory” to the utility provider within thirty days of the Petition Date, or the utility provider may alter, refuse, or discontinue service. 11 U.S.C. § 366(c)(2). Section 366(c)(1) enumerates what constitutes “assurance of payment.” 11 U.S.C. § 366(c)(1). Although assurance of payment must be “adequate,” it need not constitute an absolute guarantee of the debtors’ ability to pay. *See, e.g., In re Great Atl. & Pac. Tea Co.*, Case No. 11-CV-1338, 2011 WL 5546954, at *5 (Bankr. S.D.N.Y. Nov. 14, 2011) (finding that “[c]ourts will approve an amount that is adequate enough to insure against unreasonable risk of nonpayment, but are not required to give the equivalent of a guaranty of payment in full”).

18. When considering whether a given assurance of payment is “adequate,” the Bankruptcy Court should examine the totality of the facts and circumstances of each case to make an informed decision as to whether the utility provider will be subject to an unreasonable risk of nonpayment. *See In re Adelpia Bus. Solutions, Inc.*, 280 B.R. 63, 82–83 (Bankr. S.D.N.Y. 2002); *see also, Mass. Elec. Co. v. Keydata Corp. (In re Keydata Corp.)*, 12 B.R. 156, 158 (B.A.P. 1st Cir. 1981) (citing *In re Cunha*, 1 B.R. 330 (Bankr. E.D. Va. 1979)). Courts have recognized that, in determining the requisite level of adequate assurance, “a bankruptcy court must focus upon the need of the utility for assurance, and. . . require that the debtor supply no more than that, since the debtor almost perforce has a conflicting need to conserve scarce financial resources.” *VA Elec. & Power Co. v. Caldor, Inc.-NY*, 117 F.3d 646, 650 (2d Cir. 1997) (internal quotations and citations omitted); *see also Great Atl. & Pac.*, 2011 WL 5546954, at *5–6 (holding that no additional adequate assurance deposit was necessary where such deposit would impose an unreasonable burden on reorganizing debtors). Accordingly, demands by a utility provider for a guarantee of payment should be refused when the Debtors’ specific circumstances already afford adequate assurance of payment.

19. Here, the Utility Providers are adequately assured against any risk of nonpayment for future services. The Adequate Assurance Account, the Adequate Assurance Amount, and the Debtors ongoing ability to meet obligations as they come due in the ordinary course provides assurance of the Debtors payment of their future utility obligations. Moreover, termination of the Utility Services could result in the Debtors inability to operate their business to the detriment of all stakeholders. *In re Monroe Well Serv., Inc.*, 83 B.R. 317, 321–22 (Bankr. E.D. Pa. 1988) (noting that without utility service, the debtors “would have to cease operations” and that section 366 of the Bankruptcy Code “was intended to limit the leverage held by utility companies, not increase it”).

20. Courts are permitted to fashion reasonable procedures, such as the Adequate Assurance Procedures proposed herein, to implement the protections afforded under section 366 of the Bankruptcy Code. *See, e.g., In re Circuit City Stores Inc.*, Case No. 08-35653, 2009 WL 484553, at *5 (Bankr. E.D. Va. Jan. 14, 2009) (“The plain language of § 366 of the Bankruptcy Code allows the court to adopt the Procedures set forth in the Utility Order.”). Such procedures are important because, without them, the Debtors “could be forced to address numerous requests by utility companies in an unorganized manner at a critical period in their efforts to reorganize.” *Id.* Here, notwithstanding a determination that the Proposed Adequate Assurance constitutes sufficient adequate assurance, any rights the Utility Providers believe they have under sections 366(b) and 366(c)(2) of the Bankruptcy Code are wholly preserved under the Adequate Assurance Procedures. The Utility Providers may choose, in accordance with the Adequate Assurance Procedures, to request modification of the Proposed Adequate Assurance. Simply put, the Adequate Assurance Procedures prevent a disorganized process of Utility Providers making

last-minute demands for adequate assurance that could potentially force the Debtors to pay under the threat of losing critical Utility Services.

21. Further, the Bankruptcy Court possesses the power, under section 105(a) of the Bankruptcy Code, to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a). The Adequate Assurance Procedures and the Proposed Adequate Assurance are necessary and appropriate to carry out the provisions of the Bankruptcy Code, particularly section 366 of the Bankruptcy Code, because the Debtors would simply not be able to reorganize or continue operating in chapter 11 if the Utility Providers refused to provide the Utility Services to the Debtors.

22. Courts in this district have approved similar procedures in other complex chapter 11 cases. *See, e.g., In re Aegean Marine*, Case No. 18-13375 (MEW) (Bankr. S.D.N.Y. Dec. 6, 2019) (approving payment of a deposit into a segregated interest bearing account as adequate assurance to utility providers); *In re Cenveo, Inc.*, Case No. 18-22178 (RDD) (Bankr. S.D.N.Y. Mar. 8, 2018) (approving payment equal to two weeks of utility service into segregated interest bearing account as adequate assurance to utility providers); *In re 21st Century Oncology Holdings, Inc.*, Case No. 17-22770 (RDD) (Bankr. S.D.N.Y. June 20, 2017) (same); *In re Avaya Inc.*, Case No. 17-10089 (SMB) (Bankr. S.D.N.Y. Feb. 10, 2017) (same); *In re Breitburn Energy Partners LP*, Case No. 16-11390 (SMB) (Bankr. S.D.N.Y. June 16, 2016) (same).³ Accordingly, the Bankruptcy Court should exercise its powers under sections 366 and 105(a) of the Bankruptcy Code and grant the requested relief.

³ Because of the voluminous nature of the orders cited herein, such orders have not been attached to this Motion. Copies of these orders are available upon request of the Debtors’ proposed counsel.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

23. To successfully implement the foregoing, the Debtors request that the Bankruptcy Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

Reservation of Rights

24. Nothing contained in this Motion or any actions taken pursuant to any order granting the relief requested by this Motion is intended or should be construed as (a) an admission as to the validity of any particular claim against a debtor entity, (b) a waiver of the Debtors' rights to dispute any particular claim on any grounds, (c) a promise or requirement to pay any particular claim, (d) an implication or admission that any particular claim is of a type specified or defined in this Motion or any order granting the relief requested by this Motion, (e) a request or authorization to assume any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code, (f) a waiver or limitation of the Debtors' rights under the Bankruptcy Code or any other applicable law, or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to this Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens. If the Bankruptcy Court grants the relief sought herein, any payment made pursuant to the Bankruptcy Court's order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

Motion Practice

25. This Motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of their application to this Motion. Accordingly, the Debtors submit that this Motion satisfies Local Rule 9013-1(a).

Notice

26. The Debtors will provide notice of this Motion to the following parties and/or their respective counsel, as applicable: (a) the Office of the United States Trustee for the Southern District of New York; (b) the holders of the 50 largest unsecured claims against the Debtors (on a consolidated basis); (c) the agent under the proposed postpetition debtor in possession financing facility; (d) the administrative agents and indenture trustees under the Debtors' prepetition credit agreement and note indentures; (e) Milbank LLP, counsel to an *ad hoc* group of second lien noteholders; (f) Paul, Weiss, Rifkind, Wharton & Garrison LLP, counsel to an *ad hoc* group of first lien term lenders; (g) Shearman & Sterling LLP, counsel to the Midwest noteholders; (h) the Pension Benefit Guaranty Corporation; (i) the United States Attorney's Office for the Southern District of New York; (j) the Internal Revenue Service; (k) the United States Securities and Exchange Commission; (l) the Environmental Protection Agency and all similar state environmental agencies; (m) the attorneys general in the states where the Debtors conducts their business operations; (n) the Utility Providers; and (o) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

27. No prior request for the relief sought in this Motion has been made to this or any other court.

[Remainder of page intentionally left blank.]

WHEREFORE, the Debtors respectfully requests that the Bankruptcy Court enter the Order granting the relief requested herein and such other relief as the Bankruptcy Court deems appropriate under the circumstances.

To the extent a Utility Provider receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount disbursed.
- e. The portion of the Adequate Assurance Account attributable to each Utility Provider (including any additional amount deposited upon request of any applicable Utility Provider) will be returned to the Debtors on the earlier of (i) reconciliation and payment by the Debtors of the Utility Provider's final invoice in accordance with applicable nonbankruptcy law following the Debtors' termination of Utility Services from such Utility Provider and (ii) the effective date of any chapter 11 plan confirmed in these chapter 11 cases (less any amounts owed on account of unpaid, postpetition Utility Services).
- f. Any Utility Provider desiring additional assurances of payment in the form of deposits, prepayments, or otherwise must serve a request for additional assurance (an "Additional Assurance Request") on the Notice Parties.
- g. Any Additional Assurance Request must: (i) be made in writing; (ii) identify the location for which Utility Services are provided; (iii) include information regarding any security deposits paid by the Debtors; (iv) provide evidence that the Debtors have a direct obligation to the Utility Provider; and (v) explain why the Utility Provider believes the

Proposed Adequate Assurance is not sufficient adequate assurance of future payment.

- h. An Additional Assurance Request may be made at any time. If a Utility Provider fails to file and serve an Additional Assurance Request, the Utility Provider shall be (i) deemed to have received “satisfactory” adequate assurance of payment in compliance with section 366 of the Bankruptcy Code and (ii) forbidden from discontinuing, altering, or refusing Utility Services to, or discriminating against, the Debtors on account of any unpaid prepetition charges, or requiring additional assurance of payment other than the Proposed Adequate Assurance.
- i. Upon the Debtors’ receipt of an Adequate Assurance Request, the Debtors shall have 30 days from the receipt of the Adequate Assurance Request (the “Resolution Period”) to negotiate with the Utility Provider to resolve the Utility Provider’s Adequate Assurance Request.
- j. Without further order of the Bankruptcy Court, the Debtors may enter into agreements granting additional adequate assurance to a Utility Provider serving as an Additional Assurance Request if the Debtors determine that the Additional Assurance Request is reasonable.
- k. If the Debtors determines, in their sole discretion, that the Additional Assurance Request is not reasonable and the Debtors are unable to reach an alternative resolution with the Utility Provider, the Debtors, during or immediately after the Resolution Period, may request a hearing (a “Determination Hearing”) before the Bankruptcy Court to determine the adequacy of assurance of payment with respect to that Utility Provider pursuant to section 366(c)(3) of the Bankruptcy Code.
- l. Pending resolution of such dispute at a Determination Hearing, the relevant Utility Provider will be prohibited from altering, refusing, or discontinuing service to the Debtors on account of: (i) unpaid charges for prepetition services; (ii) a pending Adequate Assurance Request; or (iii) any objections filed in response to the Proposed Adequate Assurance.

5. The Debtors will cause a copy of this Order, including the Adequate Assurance Procedures, to be served on any subsequently identified Utility Provider and any such Utility Provider shall be bound by the Adequate Assurance Procedure.

6. A Utility Provider shall be deemed to have received adequate assurance of payment satisfactory to such Utility Provider in compliance with section 366 of the Bankruptcy Code unless and until, subject to the limitations of this Order, (a) the Debtors agree to (i) an Additional

Assurance Request or (ii) an alternative adequate assurance payment with the Utility Provider during the Resolution Period; or (b) this Court enters an order at any Determination Hearing requiring that additional adequate assurance of payment be provided.

7. Notwithstanding the relief granted in this Order and any actions taken pursuant to such relief, nothing in this Order shall be deemed: (a) an admission as to the validity of any prepetition claim against a Debtor entity; (b) a waiver of the Debtors' rights to dispute any prepetition claim on any grounds; (c) a promise or requirement to pay any prepetition claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Order or the Motion; (e) a request or authorization to assume any prepetition agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) a waiver or limitation of the Debtors' rights or the rights of any other Person under the Bankruptcy Code or any other applicable law; or (g) a concession by the Debtors that any liens (contractual, common law, statutory, or otherwise) satisfied pursuant to the Motion are valid, and the Debtors expressly reserve their rights to contest the extent, validity, or perfection or seek avoidance of all such liens.

8. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

9. In accordance with this Order and any other order of this Court, each of the financial institutions at which the Debtors maintains their accounts relating to prepetition or postpetition obligations that the Debtors are authorized to pay pursuant to this Order is directed to honor checks presented for payment and all fund transfer requests made by the Debtors related to such obligations to the extent that sufficient funds are on deposit in such accounts.

10. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

11. The time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

12. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

13. This Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
