Exhibit B

Rejected Executory Contract and Unexpired Lease List

This Exhibit B contains the Rejected Executory Contract and Unexpired Lease List.

Article V.A. of the Plan provides as follows:

On the Effective Date, except as otherwise provided herein, all Executory Contracts or Unexpired Leases not otherwise assumed or rejected will be deemed assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than: (a) those that are identified on the Rejected Executory Contracts and Unexpired Leases Schedule; (b) those that have been previously rejected by a Final Order; (c) those that have been previously assumed by a Final Order; (d) those that are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Confirmation Date; or (e) those that are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date; *provided* that notwithstanding anything to the contrary herein, no Executory Contract or Unexpired Lease shall be assumed or rejected without the written consent of the Required Consenting Creditors and the Requisite Backstop Parties.

Article V.B. of the Plan provides as follows:

Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court within thirty (30) days after the date of service of the order approving such rejection. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time will be disallowed upon an order of the Bankruptcy Court, forever barred from assertion, and shall not be enforceable against, as applicable, the Debtors, the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules, if any, or a Proof of Claim to the contrary. Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B.6 or Article III.B.7 of the Plan, as applicable.

The inclusion of any document on the Rejected Executory Contract and Unexpired Lease List does not constitute an admission that any such document constitutes and Executory Contract and the Debtors' rights to argue that such document does not constitute and Executory Contract are hereby reserved. Irrespective of whether or not any such document constitutes an Executory Contract, to the extent any such document constitutes a wages, compensation, or benefit program, the inclusion of any such document on the Rejected Executory Contract and Unexpired Lease List shall

constitute notice that the Reorganized Debtors are not assuming such program consistent with Section IV.S.1 of the Plan and any claim arising thereunder (as a result of rejection or otherwise) shall be a General Unsecured Claim treated in accordance with Article III of the Plan.

Exhibit C

Schedule of Retained Causes of Action

This Exhibit C contains the Schedule of Retained Causes of Action.

Article IV.P of the Plan provides as follows:

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII of the Plan, each Reorganized Debtor, as applicable, shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action of the Debtors, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, which shall be deemed released and waived by the Debtors and the Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. **No Entity (other than the Released Parties) may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action of the Debtors against it. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan. Unless otherwise agreed upon in writing by the parties to the applicable Cause of Action, all objections to the Schedule of Retained Causes of Action must be Filed with the Bankruptcy Court on or before thirty (30) days after the Effective Date. Any such objection that is not timely filed shall be disallowed and forever barred, estopped, and enjoined from assertion against any Reorganized Debtor, without the need for any objection or responsive pleading by the Reorganized Debtors or any other party in interest or any further notice to or action, order, or approval of the Bankruptcy Court.** The Reorganized Debtors may settle any such objection without any further notice to or action, order, or approval of the Bankruptcy Court. If there is any dispute regarding the inclusion of any Cause of Action on the Schedule of Retained Causes of Action that remains unresolved by the Debtors or Reorganized Debtors, as applicable, and the objection party for thirty (30) days, such objection shall be resolved by the Bankruptcy Court. Unless any Causes of Action of the Debtors against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The Reorganized Debtors reserve and shall retain such Causes of Action of the Debtors notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors, except as otherwise expressly provided in the Plan. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

Notwithstanding, and without limiting the generality of Article IV.P of the Plan, the following Exhibit C includes specific types of Causes of Actions expressly preserved by the Debtors and the Reorganized Debtors, subject to the terms of the Plan and the information provided in this Exhibit C, including the following types of claims:

I. Claims Related to Insurance Policies

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all insurance contracts and insurance policies to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or policy is specifically identified in the Plan, this Plan Supplement, or any amendments thereto, including, without limitation, Causes of Action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters.

II. Claims Related to Tax Refunds

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all tax obligations to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, including, without limitation, against or related to all Entities that owe or that may in the future owe money related to tax refunds to the Debtors or the Reorganized Debtors, regardless of whether such Entity is specifically identified herein.

III. Claims, Defenses, Cross-Claims, and Counter-Claims Related to Litigation and Possible Litigation

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action against or related to all Entities that are party to or that may in the future become party to litigation, arbitration, or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal or judicial or non-judicial, regardless of whether such Entity is specifically identified in the Plan, this Plan Supplement, or any amendments thereto.

IV. Claims Related to Accounts Receivable and Accounts Payable

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action against or related to all Entities that owe or that may in the future owe money to the Debtors or Reorganized Debtors, regardless of whether such Entity is expressly identified in the Plan, this Plan Supplement, or any amendments thereto. Furthermore, the Debtors expressly reserve all Causes of Action against or related to all Entities who assert or may assert that the Debtors or Reorganized Debtors, as applicable, owe money to them. The claims and Causes of Action reserved include Causes of Action against vendors, suppliers of goods and services, or any other parties: (a) for overpayments, back charges, duplicate payments, improper holdbacks, deductions owing or improper deductions taken, deposits, warranties, guarantees, indemnities, recoupment, or setoff; (b) for wrongful or improper termination, suspension of services or supply of goods, or failure to meet other contractual or regulatory obligations; (c) for failure to fully perform or to condition performance on additional requirements under contracts with any one or more of the Debtors before the assumption or rejection, if applicable, of such contracts; (d) for payments, deposits, holdbacks, reserves or other amounts owed by any creditor, utility, supplier, vendor, insurer, surety, factor, lender, bondholder, lessor or other party; (e) for any liens, including mechanics', artisans', materialmen's, possessory or statutory liens held by any one or more of the Debtors; (f) arising out of environmental or contaminant exposure matters against landlords, lessors, environmental consultants, environmental agencies or suppliers of environmental services or goods; (g) for counter-claims and defenses related to any contractual obligations; (h) for any turnover actions arising under section 542 or 543 of the Bankruptcy Code; and (i) for unfair competition, interference with contract or potential business advantage, breach of contract, infringement of intellectual property or any business tort claims.

V. Claims Related to Deposits, Adequate Assurance Postings, and Other Collateral Postings

Unless otherwise released by the Plan, the Debtors and the Reorganized Debtors expressly reserve all Causes of Action based in whole or in part upon any and all postings of a security deposit, adequate assurance payment, or any other type of deposit or collateral, regardless of whether such posting of security deposit, adequate assurance payment, or other type of deposit or collateral is specifically identified herein.
