Petition Date: May 21, 2024

Reporting Period: August 1 – 31, 2024

IN THE UNITED STATES BANKRUPTCY COURT FOR THE SOUTHERN DISTRICT OF TEXAS HOUSTON DIVISION

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORTS

BACKGROUND

On May 21, 2024, (the "**Petition Date**"), the above-captioned debtors and debtors in possession (collectively, the "**Debtors**"), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") in the United States Bankruptcy Court for the Southern District of Texas Houston Division (the "**Bankruptcy Court**"). The Debtors' chapter 11 cases are being jointly administered for procedural purposes only pursuant to Federal Rule of Bankruptcy Procedure 1015(b) and Bankruptcy Local Rule for the Southern District of Texas 1015-1 under the caption Zachry Holdings, Inc., *et al.*¹, Case No. 24-90377 (MI) (Bankr. S.D. Tex.), pursuant to an order entered by the Bankruptcy Court on May 21, 2024 [Docket No. 21].

The following notes, statements and limitations should be referred to, and referenced in connection with, any review of the Debtors' monthly operating reports (the "MOR").

1. **Basis of Presentation.** The Debtors are filing their MOR solely for purposes of complying with the monthly operating requirements applicable in the Debtors' chapter 11 cases. The MOR is in a format acceptable to the U.S. Trustee for the Southern District of Texas Houston Division (the "U.S. Trustee"). The MOR should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

In preparing the MOR, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MOR.

This MOR has not been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and does not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance

_

¹ The last four digits of Zachry Holdings, Inc.'s tax identification number are 6814. A complete list of each of the Debtors in these chapter 11 cases and the last four digits of their federal tax identification numbers may be obtained on the website of the Debtors' proposed claims and noticing agent at www.kccllc.net/zhi. The location of the Debtors' service address in these chapter 11 cases is: P.O. Box 240130, San Antonio, Texas 78224.

that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR. As of August 2024, the Supporting Schedules include consolidating and elimination entries between the 21 Debtor entities and present a consolidated financial statement of the 21 Debtors for informational purposes only.

The information furnished in this report includes primarily normal recurring adjustments but does not include all the adjustments that would typically be made for the quarterly and annual consolidated financial statements to be in accordance with U.S. GAAP. Certain adjusting entries (including, but not limited to, income tax expense, fair value adjustments, and payroll accruals for few days before month-end) are only prepared on a quarterly basis, and therefore any such adjustments included herein are based on information as of June 30, 2024, the Debtors' second quarter-end. However, there are certain quarter-end adjustments that will be made in the ordinary course of business and are based on information not yet available as of the date of this report. As such, those adjustments are not reflected in this MOR. Additional detail is provided in paragraph 8 below.

Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their annual consolidated financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

In future periods, any changes to prior period balances will be reflected in the current month's MOR.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

These unaudited financial statements are prepared to support the information required in the Monthly Operating Report, should not be used for any other purpose, and exclude any gain/loss related to the Golden Pass LNG project (the "Project") during the referenced time periods. Based upon the prior assurances the Company received from the Project and its owners, the amounts included in the liabilities subject to compromise set forth herein reflect the Project as cost neutral (and excludes profit and G&A, plus allocated reserves). On August 12, 2024, the Bankruptcy Court approved the settlement between the Debtors and Golden Pass LNG Terminal LLC ("Golden Pass") on a final basis [Docket No. 744]. August financials reflect a \$121MM reduction of pre-petition trade payables related to GPX vendors, which were paid by Golden Pass.

2. **Reporting Period.** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring

after the close of the reporting period.

- 3. Consolidated Entity Accounts Payable and Disbursements Systems. Cash is received and disbursed by the Debtors as described in the Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue Operating Their Cash Management System and Maintain Existing Bank Accounts, (B) Continue to Perform Intercompany Transactions, (C) Maintain Existing Business Forms and Books and Records, and (D) Continue Utilizing Corporate Credit Card Programs, and (II) Granting Related Relief [Docket No. 13] (the "Cash Management Motion") to the extent approved in the order granting the relief requested in the Cash Management Motion on a final basis [Docket No. 284].
- 4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.
- 5. Payment of Pre-Petition Claims Pursuant to First Day Orders. The Bankruptcy Court has entered orders authorizing, but not directing, the Debtors to pay, among other things, certain pre-petition (a) employee wages, salaries other compensation, and reimbursable expenses and benefits [Docket No. 56]; (b) obligations related to the use of the Debtors' cash management system [Docket Nos. 60 (interim relief) and 284 (final relief)]; (c) taxes and related obligations [Docket No. 48]; (d) insurance and surety bond obligations [Docket No. 58]; and (e) obligations of critical vendors, lien claimants, foreign claimants, and 503(b)(9) claimants [Docket No. 57 (interim relief) and 285 (final relief)] ((a)-(e) collectively, the "First Day Orders"). To the extent any payments were made on account of such claims or obligations following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR unless otherwise noted.
- 6. Liabilities Subject to Compromise. The amounts currently classified as liabilities subject to compromise reflect the accounting impact of ASC 852, Reorganizations, effective from the Petition Date. Following adoption of this accounting standard, certain prepetition liabilities have been reclassified and collated as a liability subject to compromise. The amounts currently classified as subject to compromise do not reflect the claimant value but reflects the best estimate as at the reporting date. The amounts currently classified as liabilities subject to compromise may be subject to future adjustments depending on Bankruptcy Court actions, payments pursuant to Bankruptcy Court orders, further developments with respect to, among other things, the reconciliation and adjudication of claims, determinations of the secured status of certain claims, the value of any collateral

securing such claims, rejection of executory contracts, or other events.

7. **Insiders.** For purposes of this MOR, the Debtors defined "insiders" as provided in 11 U.S.C. section 101(31) of the Bankruptcy Code during the relevant time period. The Debtors do not concede or take any position with respect to (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws or with respect to any theories of liability or any other purpose. Further, the inclusion of a party as an "insider" solely for purposes of this MOR is not an acknowledgement, admission, or concession that such party is an "insider" under applicable bankruptcy law.

The Debtors also included intercompany transfers to non-debtor entities and payments made on behalf of non-debtor entities during the Reporting Period in the definition of "insiders" for purposes of this MOR.

8. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.

9. Specific MOR Disclosures.

- a. <u>Full-Time Employees</u>: The full-time employee count as of the Petition Date and August 31, 2024 exclude employees on leave of absence totaling 110 and 68 employees, respectively.
- b. Notes to Part 1: Cash Receipts and Disbursements: This section is prepared on a cash basis. Ending bank cash varies from book cash due checks outstanding as of August 31, 2024.
- c. Notes to Part 2: Asset and Liability Status: This section is prepared on an accrual basis. The amounts identified in Part 2 of the MOR are derived from the Debtors' unaudited and estimated Balance Sheets as of August 31, 2024. Please refer to the notes above for information about presentation and limitations related to this MOR. The proportionate method of accounting is used for investments in all engineering, procurement, and construction (EPC) joint ventures.
