RE: **In re: Residential Capital, LLC, et al; Debtors-- Chapter 11**
Case No.: **12-12020**
Claimant: **A. William Reid**

Dear Sir/Madame:

I represent A William Reid who is a current mortgage holder with GMAC Mortgage, #[redacted]9878, for his house located at 153 Pinewood Road, Virginia Beach, Virginia, 23451. We are currently in discussions with representatives of the title insurance company and GMAC's representatives regarding our legal claims and a dispute over title issues, the mortgage balance and taxes. As of the current date no resolution has been accomplished. Although a global resolution is possible, my client still has outstanding claims against GMAC and any of its assigns, affiliates or subsidies. This correspondence is intended to put the debtors on notice that my client wishes to preserve all of his legal rights afforded him under the law. My client's causes of action include, but are not limited to: a) fraud; b) misrepresentation; c) defamation; d) breach of contract and e) interference with business opportunities. My client suffered compensatory damages for damage to his credit, incurred unnecessary penalty and interest costs, loss of income and other damages. He has additional claims for punitive damages and total damage will likely exceed over 5 million dollars ($5,000,000.00). Again this letter is served to preserve all of my client's legal claims while GMAC is proceeding in bankruptcy.

Thank you for your attention to this matter. Should you need any additional information, please do not hesitate to contact me.

Very truly yours,

T. Wayne Williams, Esquire
