Defendant GMAC Mortgage, LLC ("Defendant"), a debtor and debtor in possession in the above-captioned chapter 11 case (collectively with all affiliated non-defendant debtors and debtors in possession), hereby submits this Progress Report.[1]

As reported in Defendant's June 3, 2013 Progress Report and July 5, 2013 Progress Report, Plaintiff, Defendant and Silverman Acampora LLP, as special counsel to the Official Committee of Unsecured Creditors for borrower matters held the Initial Conference in this Adversary Proceeding on May 15, 2013. During that conference the parties discussed the possibility of settlement. The parties held a second conference on May 21, 2013 to engage in further discussions. The parties jointly agreed to adjourn the Pre-Trial Status Conference in order to allow Plaintiff to pursue her discussions with Ocwen Loan Servicing LLC regarding a potential loan modification or sale of the note. Plaintiff has had 3 months to engage in those discussions and has not apprised Defendant of the status. Defendant will appear before the Court at the Pre-Trial conference scheduled for August 28, 2012.
