Plaintiff/Creditor Adv. Case No. 13-01350(MG)

v.

RESIDENTIAL CAPITAL, LLC, et al.,

Debtors

GMAC/ RESIDENTIAL CAPITAL, LLC, et al.,
Debtor/Defendant

ANSWER TO DEFENDANT'S MOTION TO DISMISS

Preliminary Statement

As regards, defendants claim of Res Judicata, please be advised as follows:

1. The cause to which defendant refers are State Court proceedings, the present action before the court is a bankruptcy proceeding governed **by Federal law solely**.

A) If Plaintiff had tried to bar the Federal bankruptcy courts actions by state court proceedings, Plaintiff is sure the Court and all adverse parties would have expected the matter to have been summarily dismissed, yet Defendant wants **THIS** Court to be Governed by the Gwinnett County Superior Court.

B) Defendant's attempted use of the term, Res Judicata appears to Plaintiff to be **misused**. Defendant is trying to tell His Honor that the order of the Gwinnett Superior Court controls the actions in this court!

2. This is a bankruptcy proceeding governed solely by bankruptcy laws to which Georgia Law (Superior/State Courts) should have no bearing.

3. Due to the egregious, non-relevant actions by this defendant, request is made for the court to give this Pro-Se Plaintiff all due equity, and base its decisions on the merits and give plaintiff justice, although, Plaintiff may not have presented things in their usual manner. **Defendant's State law claims are preempted by federal law.** Plaintiff appeared Pro-Se, "Erickson v. Pardus, 551 U.S. 89, 94, 127 S. Ct. 2197, 167 L.Ed. 2d 1081 (007) Plaintiff's complaint should be liberally construed and "held to less stringent standards than formal pleadings drafted by Attorneys. The reason plaintiff's original filing was denied in State Court, was because Plaintiff could not pay the $5500.00 into the Court registry, ordered by the judge in order for the State Court to Stay the eviction Proceedings.

4. Plaintiff did not disregard the State Court order, Defendant's actions and naming this Plaintiff caused Plaintiff, by necessity to have to respond as herein stated.
Plaintiff's home was wrongfully sold at foreclosure. On that same day at 8:30 a.m. Plaintiff did file her petition for relief under chapter 13 of the Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Georgia(the "Georgia Bankruptcy Court"). Admittedly, Plaintiff should not be as knowledgeable of the rules and regulations of the bankruptcy court as Defendant, However, it appears to Plaintiff that the **Defendant's attempt to have an order of the State Court be binding on any decision by this Court is ludicrous.**

5. At the time of foreclosure it was unknown by Defendant who held and owned the

actual "wet ink", original Promissory Note, therefore all proceedings should have been held in abeyance until the true owner was ascertained. No one having ascertainable authority.

6. Georgia law authorizes the Secured Creditor, the holder of the obligation, to exercise a power of sale. See O.C.G.A. 44-14-162 et seq. The Georgia Supreme Court has clearly indicated that the right to foreclose lies with the party that holds the indebtedness, **solely**:

A) **Weems v. Coker, 70 Ga.746, 749 (1881), cited by Truitt v. Moister, 11 B.R. 15 (Banker. N.D.Ga.1981); see also Bowen, 438 S.E.2d at 122; Boaz, 580 S.E.2d at 578; Cummings v. Anderson, 173 B.R. 959, 963 (Bankr. N.D. Ga. 1994) (foreclosure was null and void where the entity foreclosing did not have an actual assignment of the note and security deed), affd, 112 F.3d1172 (11th Cir. 1997); Weston v. Towson, No.5:04-CV-416, 2006 U.S.Dist. LEXIS 54327, 2006 WL2246206, at *6(M.D. Ga Aug. 4, 2006)("[T]he holder of the note continues to retain remedies under the security deed so long [*16] as the debt evidenced by the note has not been satisfied.**

B) The security instrument **or** assignment **thereof vesting the Secured Creditor with title of the security instrument shall be filed prior to the time of sale in the office of the clerk of the Superior Court of the county in which the real property is located." O.C.G.A. 44-14-162(b). "Notice of the initiation of proceedings to exercise a power of sale in a mortgage, security deed, or other lien contract shall be given to the debtor by the Secured Creditor no later than 30 days before the date of the proposed foreclosure. O.C.G.A. 44-14-162.2(a)., Pursuant to the law of the State of Georgia.**

C) A Promissory Note and a Security Deed are two separate, but interrelated,

instruments. See Frank S. Alexander, Georgia Real Estate Finance and Foreclosure Law, 3:7 (2010-11 ed.). The Security Deed arises from the indebtedness memorialized in the Promissory Note, and "the Deed's power of sale depend[s] on default under the note." Boaz v. Latson, 260 Ga. App. 752, 580 S.E.2d 572, 578 (Ga.Ct.App.2003), 278 Ga. 113, 598 S.E.2d 485, 487 (Ga. 2004).

D) GMAC did not state it was not acting as agent for the actual holder of the note; it asserted it was acting on its own behalf, but were without any authority to do so.

E) Plaintiff obtained a residential mortgage loan from USAA federal Savings Bank, the transaction was memorialized by two documents: a promissory note and a Deed to Secure debt(or a Security Deed). Please **See Note and Deed to Secure Debt Exhibit 1**. The original Promisee of the Promissory Note was **USAA** Federal Savings Bank, The original Grantee of the Security Deed was **MERS** "as nominee" for USAA Federal Savings and its Successors and Assigns. USAA never Assigned the Note. Letter from USAA Federal Savings dated March 28, 2011 after the foreclosure sale stating there are no **Assignments**, also stating GMAC is servicing the account on behalf of USAA Federal Savings Bank, **Please see Exhibit 2.(How can that be if USAA Federal Savings Bank states the loan was sold before any Foreclosure, this letter is after the foreclosure).** MERS executed a purported assignment of the Security Deed to GMAC. GMAC is not now and has never been the holder of the note. In this case, the assignment of the Security Deed is not indicative of who holds the note Plaintiff feel an assignment of the Security Deed is not indicative of who holds the note, and the promissory note shows no endorsement to GMAC. **Please See Title Search, Exhibit 3.**

f) **The separation of the Note and Security Deed create a substantial question** of

what entity has the right to foreclose when the borrower defaults on the loan. In this case, Although, USAA Federal Savings denies having any interest in the note and states there are **no Assignments**, USAA Federal Savings continued collecting payments from Plaintiff.

7. In the Note and Deed to Secure Debt, both dated August 30, 2006, the Promisee of the Note is USAA Federal Savings Bank, and Grantee of Deed to Secure Debt is a different party(MERS, Should be the Same). **Please see Note and Deed to Secure Debt Exhibit 1.**

8. Why did USAA have Plaintiff promise to pay one party and give **Security for the payment of that Note to a different party(un-related)** on the same day. **Please see Note and Deed to Secure Debt Exhibit 1.**

There is no assignment of record from USAA to GMAC, therefore GMAC had no authority to proceed with foreclosure.

9. There is no Transfer or Assignment recorded in the Gwinnett Records from USAA. **Please See Title Search Exhibit 3.**

10. **USAA Federal Savings Bank First Defense in Answer to Plaintiff's Adversary Proceeding filed in the Northern District of Georgia US Bankruptcy Court states: USAA FSB sold the mortgage in question before any foreclosure action took place. USAA Federal Savings bank states it has no interest whatsoever in any foreclosure action maintained against the Debtor. Consequently, USAA FSB should be dismissed from this action and should not be listed as a creditor. Please See Plaintiff's Previous Adversary Proceeding filed previous in the Northern District of Georgia, Bankruptcy Court/ Defendant Answer to Plaintiff's Adversary Proceeding.**

Exhibit 4.

11. Wherein the automatic stay AUTOMATICALLY went into effect, and would remain in effect unless, and until the court lifted the Stay, Immediately thereafter, Plaintiff, as admitted by Defendant, notified Defendant via telephone, and fax of her filing of her Petition before 10:00 a.m. on Foreclosure day. There lift of Stay Motion was not granted until September 21, 2010. This Defendant certainly appears to be **Trifling** with the Court. First, Defendant, by action, is saying they don't have to honor the Automatic Stay granted Plaintiff upon her filing of her petition by proceeding with the sale of her residence at 10:00a.m., and then secondly the Defendant is acknowledging the validity of the Automatic Stay by the filing of their Motion for Lifting of the Stay, and subsequently it's not being granted until September 21, 2010!

Therefore, Plaintiff's residence was wrongfully sold via foreclosure!

12. Defendant's now objecting to Plaintiff bringing to the Court's attention to Plaintiff September 7, 2010 Chapter 13 filing, from a layman's point of view appears needless, since Defendant did know of Plaintiff's filing by Plaintiff's telephonic, and fax notice on September 7, 2010. Your Honor, Why would I have to notify them again?

13. Plaintiff is certainly not trying to take advantage of anyone, but is requesting that the Court allow leniency in its consideration of all issues in this matter. Plaintiff has exerted her best efforts to obtain counsel but due to her financial condition, and reluctance of counsel to get involved at this stage of the proceedings, she has been unable to obtain counsel, and has had to proceed Pro Se. If justice is the goal of all concerned parties it would appear allowing the truth to come out would not be contrary to anyone.

14. On November 4, 2010, USAA Federal Savings bank sent a letter to Plaintiff stating they were the servicer, and offering assistance after the foreclosure, yet no agency authority shown,(again, if USAA FSB sold the property and there are no assignments why are they offering assistance?)**Please See letter Exhibit 5.**

15. MERS operated in bad faith by not making sure the assignment was properly executed, it was signed by Jeffrey Stephen(who earned the name robo-signer). Stephan having admitted via deposition, to invalid execution of assignments submitted in real property records. **See Deposition and Plaintiff Assignment Exhibit 6.**

16. Plaintiff requested that GMAC, MERS, and USAA Federal Savings Bank and their attorneys provide evidence of the true legal holder of the note, which to date has not been done according to the Real Property Records of Gwinnett County. **Please see Title Search attached thereto and incorporated herein Exhibit 3 and Qualified written request letters Exhibit 7.**

17. GMAC was not a party of interest at the time of foreclosure.

18. Neither GMAC nor MERS(Mortgage Electronic Registration) had standing of record to foreclose on the subject property at 2360 Hickory Station Circle, Snellville, GA 30078, at the time of their initiating foreclosure action on September 7, 2010. **Please See Attached Title Search Exhibit 3.**

19. **Only a Secured Creditor has a right to conduct a non-judicial foreclosure.**

20. Judge Glenn allowed Plaintiff proof of claim on said property to be filed after the Bar Date.

21. Gwinnett County Real Property records do not give GMAC standing for the position they took in this matter, because of the break in the Chain of Title. **Please see Exhibit 3.**

22. Only the legal **Holder may initiate a foreclosing proceeding and who is entitled to the payment;** GMAC was not the lender, Servicer, nor Holder of Note, nor entitled to the payments, even if GMAC was collecting payments it cannot show USAA Federal Savings is still the Holder of the Secured Instrument, according to Gwinnett County Records per Title search.

23. MERS had no authority to assign Plaintiff's home to GMAC, because there is a break in the Chain of Title. Even if GMAC was collecting payments it cannot show USAA Federal Savings Bank was and is still **Holder of the Secured Instrument.**

Only the Servicing agent may have standing if acting as an agent for the Holder assuming that the agent can both show agency status and the principle is the holder, e.g.re Vargas 396 B.R.(Banker, C.D.Cal.2008)at 520. If the owner is unknown MERS cannot show that it is an authorized agent of the owner. The Servicing agent must show that the last entity to communicate instructions to the debtor is still holder of the note HSBC Bank, N.A. v Valetin, 21 N.y.Mis.3d1123(A), 2008 WL4764816(Table)(N.Y. Sup.),Nov.3,2008. USAA Federal Savings states they sold the mortgage in question before any foreclosure.

24. Georgia law forbids foreclosure of the mortgage unless the creditor (possesses the properly-negotiated original Promissory Note). If this can't be done the foreclosure is void. GMAC cannot produce the promissory note, therefore should not have proceeded with foreclosure.

25. GMAC, MERS, or any others involved in Plaintiff eviction and foreclosure name produced ownership of the **Secured Instrument.**

26. GMAC has not provided any evidence it owns or has the right to enforce the

promissory note secured by the property, GMAC had no standing to foreclose on Plaintiff's property, GMAC did not, does not hold the Secured Instrument even though GMAC continued with the September 7, 2010 foreclosure that led to the eviction of Plaintiff, without taking additional steps from the September 21, 2010 Stay Lift.

27. Plaintiff was in the process of a loan modification with USAA Federal Savings bank when Plaintiff's home was foreclosed on, contrary to the promises of lender, GMAC should not have been proceeding with the foreclosure. **Please See Modification letters Exhibit 8.**

28. On September 16, 2010 USAA Federal Savings sent Plaintiff a letter stating they were the lender and placed insurance on the property also state: **LOAN PAID IN FULL(Plaintiff question again, why is USAA Federal Savings Bank still in the mix, after stating they sold the loan, if the loan is paid in full, who paid it, and what if any interest, does USAA FSB). Please See letter Exhibit 9**

29. Letter from the Attorney General stating Plaintiff was eligible for a check in the amount of 840.00, because of GMAC/Ally servicing practices, due to the fact I lost my home due to foreclosure**. Please see Exhibit 10**

30. Defendant states Debtor defaulted under the terms of the Note by failing to make the required payment there under. Who can verify Plaintiff was in default, if USAA Federal Saving Bank states they had nothing to do with foreclosure(although they continued accepting payments from Plaintiff), GMAC never collected a payment, the note Holder is the one who needs to foreclose and prove Plaintiff was in default, USAA Federal Saving received **ALL payments**, if USAA states they have no interest, **WHERE DID THE**

PAYMENTS GO? WHY DID USAA FEDERAL SAVINGS BANK COLLECT PAYMENTS FROM PLAINTIFF? PLAINTIFF Feels, THE PAYMENTS SHOULD HAVE BEEN COLLECTED BY THE OWNER OF THE SECURED INSTRUMENT OR A CONTRACTUAL AGREEMENT GIVING A SERVICER THE AUTHORITY TO COLLECT PAYMENTS FOR THE NOTE HOLDER(WASN'T DONE), IT APPEARS USAA FEDERAL SAVINGS BANK COLLECTED PAYMENTS THEY Were NOT ENTITLED TO, ACCORDING TO THEIR STATEMENT.

31. Notice of Default for demand of payment was sent by GMAC-Servicer, according to Plaintiff, MERS had no pecuniary interest in the transaction, and was acting solely as "nominee" for the lender(USAA Federal Savings), the security deed to MERS is void. **If USAA Federal Savings Bank, states they sold the note, Your Honor who did USAA Federal Savings sell the note to? Please See Title Search Exhibit 3.**

32. Plaintiff and Housing Counselor was communicating with USAA Federal Savings/GMAC. According to the Housing Counseling Plaintiff was eligible for a loan modification, Annie Williams, counselor, contacted USAA Federal and GMAC, to let them know Plaintiff was eligible for a loan modification, this went on back and forth until and after Plaintiff's home was foreclosed on, without granting Plaintiff a loan modification under the HAMP program. **Please see information from housing counselor Exhibit 11.**

33. Plaintiff was not aware of being in default to GMAC, there is nothing of record showing Plaintiff owed GMAC money, the note doesn't show it, no assignments, no contracts or anything, which give GMAC the right to foreclose.

34. Defendant feels they can list Plaintiff as their creditor in their Bankruptcy filing and bar Plaintiff from responding to their action against Plaintiff in a Higher Court. Plaintiff did not bring Defendant into this Court, Defendant brought Plaintiff, and now seeks to benefit by their own negligent and wrongful actions.

Creditor means a person to whom money is owed by a debtor, someone to whom an obligation exists. GMAC admits owing Plaintiff money, by listing Plaintiff as a Creditor in their Bankruptcy Petition, **yet Defendants are trying to bar Plaintiff from responding to their actions in a higher Court.**

36. Plaintiff feels Jeffrey Stephan's signature on her assignment is different than many across the country, and Plaintiff believes that there are not 300 different Jeffrey Stephan signatures. **Please see various signatures of Jeffrey Stephan on Assignments Exhibit 12.**

37. NOTICE OF FORECLOSURE SALE LISTS, **GMAC MORTGAGE, LLC as SERVICER and LIST GMAC MORTGAGE CORPORATION, LLC AS CREDITOR. The Title Search does not support neither. Please See Foreclosure Notice Exhibit 13**

38. Letter dated September 22, 2010 after foreclosure, McCurdy & Candler the foreclosing attorney offers loss mitigation alternatives. Why are they offering anything if they are right? Please See Exhibit 14

39. The Mortgage assignment, signed by Jeffrey Stephan, does not have a seal affixed, as required. Please See Exhibit 15.

40. In error, Defendant has USAA as the Promisee of the Note and MERS as the Grantee of the Deed To Secure Debt of record, different unrelated parties, in the same transaction!

41. USAA is shown to be the Promisee of the Note. MERS is shown to be the Grantee of the Deed To Secure Debt. There is no assignment to cure this break in the chain of title. Therefore Foreclosure is improper.

42. Plaintiff feels a Trial is needed to sort out who is the Owner of the note, Plaintiff feels records and letters show it is unknown who the owner is, rather than GMAC admit they are not the owner, they are trying to bar the Plaintiff from exposing the truth, again, why did GMAC list Plaintiff in their Bankruptcy?, if GMAC did not wrongfully foreclose on Plaintiff property.

44. On July 7, 2011, the U.S. District Court for the Northern District of Georgia, held that a non-judicial fore-closure may be wrongful where the foreclosing party does not hold both the security deed and the note at the time of the foreclosure.

45. The way Plaintiff's property was taken without ownership, will continue unless and until this sale is voided and Plaintiff is restored to her property. Your Honor I can take your home the way GMAC took mine, if this process is deemed legal.

46. GMAC was not in accordance with the Doctrine of Privity, it states:

> ***Doctrine of Privity states: An Assignment must be in writing in order for the contractual right to be enforceable by the assignee, Further the writing must identify the assignor and assignee. [Cit} Scott v. Cushman & Wakefield of Ga. Inc App.264.265 9547 SE 2d 794) (2001); OCGA 9-2-10.*** (wasn't done is this case).

47. Carpenter v. Longan, 83 U.S.271, 274, 21 L.ED. 313(1872) states: The note and mortgage are inseparable; the former as essential, the later as an incident. An Assignment of the Note carries the Mortgage with it, while an Assignment of the latter alone is a Nullity, (Is what happen in this case, the owner of the note cannot be determined).

NOTE

August 30, 2006 [Date] | Norcross [City] | GEORGIA [State]

2360 Hickory Station Circle, Snellville, GA 30078 [Property Address]

1. BORROWER'S PROMISE TO PAY

In return for a loan that I have received, I promise to pay U.S. $ 271,330.00 (this amount is called "Principal"), plus interest, to the order of the Lender. The Lender is USAA Federal Savings Bank

I will make all payments under this Note in the form of cash, check or money order.

I understand that the Lender may transfer this Note. The Lender or anyone who takes this Note by transfer and who is entitled to receive payments under this Note is called the "Note Holder."

2. INTEREST

Interest will be charged on unpaid principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 6.750 %.

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 6(B) of this Note.

3. PAYMENTS

(A) Time and Place of Payments

I will pay principal and interest by making a payment every month.

I will make my monthly payment on the 1st day of each month beginning on October 01, 2006 . I will make these payments every month until I have paid all of the principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on September 01, 2036 , I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at Attn: Payment Processing, P.O. Box 205, Waterloo, IA 50704-0205 or at a different place if required by the Note Holder.

(B) Amount of Monthly Payments

My monthly payment will be in the amount of U.S. $ 1,759.84 .

4. BORROWER'S RIGHT TO PREPAY.

I have the right to make payments of Principal at any time before they are due. A payment of Principal only is known as a "Prepayment." When I make a Prepayment, I will tell the Note Holder in writing that I am doing so. I may not designate a payment as a Prepayment if I have not made all the monthly payments due under the Note.

I may make a full Prepayment or partial Prepayments without paying a Prepayment charge. The Note Holder will use my Prepayments to reduce the amount of Principal that I owe under this Note. However, the Note Holder may apply my Prepayment to the accrued and unpaid interest on the Prepayment amount, before applying my Prepayment to reduce the Principal amount of the Note. If I make a partial Prepayment, there will be no changes in the due date or in the amount of my monthly payment unless the Note Holder agrees in writing to those changes.

5. LOAN CHARGES

If a law, which applies to this loan and which sets maximum loan charges, is finally interpreted so that the interest or other loan charges collected or to be collected in connection with this loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from me which exceeded permitted limits will be refunded to me. The Note Holder may choose to make this refund by reducing the Principal I owe under this Note or by making a direct payment to me. If a refund reduces Principal, the reduction will be treated as a partial Prepayment.

6. BORROWER'S FAILURE TO PAY AS REQUIRED

(A) Late Charge for Overdue Payments

If the Note Holder has not received the full amount of any monthly payment by the end of 15 calendar days after the date it is due, I will pay a late charge to the Note Holder. The amount of the charge will be 5.000% of my overdue payment of principal and interest. I will pay this late charge promptly but only once on each late payment.

(B) Default

If I do not pay the full amount of each monthly payment on the date it is due, I will be in default.

(C) Notice of Default

If I am in default, the Note Holder may send me a written notice telling me that if I do not pay the overdue amount by a certain date, the Note Holder may require me to pay immediately the full amount of Principal which has not been paid and all the interest that I owe on that amount. That date must be at least 30 days after the date on which the notice is mailed to me or delivered by other means.

(D) No Waiver By Note Holder

Even if, at a time when I am in default, the Note Holder does not require me to pay immediately in full as described above, the Note Holder will still have the right to do so if I am in default at a later time.

(E) Payment of Note Holder's Costs and Expenses

If the Note Holder has required me to pay immediately in full as described above, the Note Holder will have the right to be paid back by me for all of its costs and expenses in enforcing this Note to the extent not prohibited by applicable law. Those expenses include, for example, reasonable attorneys' fees.

7. GIVING OF NOTICES

Unless applicable law requires a different method, any notice that must be given to me under this Note will be given by delivering it or by mailing it by first class mail to me at the Property Address above or at a different address if I give the Note Holder a notice of my different address.

Any notice that must be given to the Note Holder under this Note will be given by delivering it or by mailing it by first class mail to the Note Holder at the address stated in Section 3(A) above or at a different address if I am given a notice of that different address.

8. OBLIGATIONS OF PERSONS UNDER THIS NOTE

If more than one person signs this Note, each person is fully and personally obligated to keep all of the promises made in this Note, including the promise to pay the full amount owed. Any person who is a guarantor, surety or endorser of this Note is also obligated to do these things. Any person who takes over these obligations, including the obligations of a guarantor, surety or endorser of this Note, is also obligated to keep all of the promises made in this Note. The Note Holder may enforce its rights under this Note against each person individually or against all of us together. This means that any one of us may be required to pay all of the amounts owed under this Note.

9. WAIVERS

I and any other person who has obligations under this Note waive the rights of Presentment and Notice of Dishonor. "Presentment" means the right to require the Note Holder to demand payment of amounts due. "Notice of Dishonor" means the right to require the Note Holder to give notice to other persons that amounts due have not been paid.

10. APPLICABLE LAW

Lender is a federally chartered savings bank governed, in part, by the Home Owner's Loan Act of 1933 and the rules and regulations promulgated pursuant thereto (the "Act"). To the extent permitted by the Act, this Note will be governed by applicable federal law and by the interest rate and usury provisions of the state of Texas.

11. UNIFORM SECURED NOTE

This Note is a uniform instrument with limited variations in some jurisdictions. In addition to the protections given to the Note Holder under this Note, a Mortgage, Deed of Trust, or Security Deed (the "Security Instrument"), dated the same date as this Note, protects the Note Holder from possible losses which might result if I do not keep the promises which I make in this Note. That Security Instrument describes how and under what conditions I may be required to make immediate payment in full of all amounts I owe under this Note. Some of those conditions are described as follows:

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges. Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. Application of Payments or Proceeds. Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be

Redacted

608146282

in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. **Charges; Liens.** Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the

lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. Property Insurance. Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with

the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. Occupancy. Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. Preservation, Maintenance and Protection of the Property; Inspections. Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. Borrower's Loan Application. Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. Protection of Lender's Interest in the Property and Rights Under this Security Instrument. If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property (as set forth below). Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying

Redacted

reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, making repairs, replacing doors and windows, draining water from pipes, and eliminating building or other code violations or dangerous conditions. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. **Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security

requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. Hazardous Substances. As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to bring a court action to assert the non-existence of a default or any other defense of Borrower to acceleration and sale. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may invoke the power of sale granted by Borrower and any other remedies permitted by Applicable Law. Borrower appoints Lender the agent and attorney-in-fact for Borrower to exercise the power of sale. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

If Lender invokes the power of sale, Lender shall give a copy of a notice of sale by public advertisement for the time and in the manner prescribed by Applicable Law. Lender, without further demand on Borrower, shall sell the Property at public auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in any order Lender determines. Lender or its designee may purchase the Property at any sale.

Lender shall convey to the purchaser indefeasible title to the Property, and Borrower hereby appoints Lender Borrower's agent and attorney-in-fact to make such conveyance. The recitals in the Lender's deed shall be prima facie evidence of the truth of the statements made therein. Borrower covenants and agrees that Lender shall apply the proceeds of the sale in the following order: (a) to all expenses of the sale, including, but not limited to, reasonable attorneys' fees; (b) to all sums secured by this Security Instrument; and (c) any excess to the person or persons legally entitled to it. The power and agency granted are coupled with an interest, are irrevocable by death or otherwise and are cumulative to the remedies for collection of debt as provided by Applicable Law.

If the Property is sold pursuant to this Section 22, Borrower, or any person holding possession of the Property through Borrower, shall immediately surrender possession of the Property to the purchaser at the sale. If possession is not surrendered, Borrower or such person shall be a tenant holding over and may be dispossessed in accordance with Applicable Law.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall cancel this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Waiver of Homestead. Borrower waives all rights of homestead exemption in the Property.

25. Assumption Not a Novation. Lender's acceptance of an assumption of the obligations of this Security Instrument and the Note, and any release of Borrower in connection therewith, shall not constitute a novation.

26. Security Deed. This conveyance is to be construed under the existing laws of the State of Georgia as a deed passing title, and not as a mortgage, and is intended to secure the payment of all sums secured hereby.

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to insure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. CLOSING ATTORNEY'S AFFIDAVIT

Before the undersigned attesting officer personally appeared the undersigned closing attorney, who having been first duly sworn according to law, states under oath as follows:

In closing the above loan, but prior to the execution of the Deed to Secure Debt and "Waiver of the Borrower's Rights" by the Borrower(s), I reviewed with and explained to the Borrower(s) the terms and provisions of the Deed to Secure Debt and particularly the provisions, thereof authorizing the Lender to sell the secured property by a nonjudicial foreclosure under the power of sale, together with the "Waiver of Borrower's Rights" and informed the Borrower(s) of Borrower's rights under the Constitution of the State of Georgia and the Constitution of the United States to notice and a judicial hearing prior to such foreclosure in the absence of a knowing, intentional and willing contractual waiver by Borrower(s) of Borrower's rights. After said review with and explanation to Borrower(s), Borrower(s) executed the Deed to Secure Debt and "Waiver of Borrower's Rights."

Based on said review with and explanation to the Borrower(s), it is my opinion that Borrower(s) knowingly, intentionally and willingly executed the waiver of Borrower's constitutional rights to notice and judicial hearing prior to any such nonjudicial foreclosure.

DEBTOR'S/PLAINTIFF'S ADVERSARY PROCEEDING

A. Motion

COMES NOW ALFREDIA PRUITT, Plaintiff in the above-captioned matter, and respectfully files this adversary proceeding against Defendants **FEDERAL NATIONAL MORTGAGE ASSOCIATION, MERS, GMAC, FANNIE MAE,** and **USAA FEDERAL SAVINGS BANK** as follows:

B.JURISDICTION AND VENUE

1. Plaintiff, Alfredia Pruitt, is an individual who resides in Gwinnett County, Georgia.

2. Defendant, Federal National Mortgage Association is a Georgia corporation, may be served with process at, c/o3525 Piedmont Road NE building 6 ste. 300, Atlanta, GA 30305.

3. Defendant GMAC a corporation doing business in Georgia and may be served with process at 3 Ravinia Drive Atlanta, GA 30346,

5. Defendant USAA Federal Savings Bank a corporation doing business in Georgia and may be served with process at Terminus 200 Building, 3333 Piedmont Rd, Ste 2050, Atlanta, GA 30305.

6. Jurisdiction is proper in this Court.

7. Venue is proper in this Court.

C.FACTUAL ALLEGATIONS

8. Plaintiff owned property located at 2360 Hickory Station Circle, Snellville, Georgia 30078.

9. The Plaintiff became indebted to USAA Federal Savings Bank. Plaintiff failed to pay the debt and started negotiating the payment with USAA Federal Savings Bank.

10. Defendant GMAC, Federal National Mortgage Association purchased Plaintiff's property at a sale in which GMAC was not the beneficiary or holder of the note. Federal National Mortgage Association filed a dispossessory proceeding complaint for eviction of Plaintiff from her property.

11. On December 1, 2010 the lower court ruled in favor of the Defendants to evict the plaintiff from her property.

12. Subsequently, the Plaintiff filed a lawsuit and appeal against the Defendants for unlawful foreclosure on December 6, 2010.

D. Cause of Action (UNLAWFUL FORECLOSURE/PREDATORY LENDING)

13. Plaintiff's cause of action against FEDERAL NATIONAL MORTGAGE ASSOCIATION, GMAC, FANNIE MAE, USAA FEDERAL SERVICING BANK is because the Defendants illegally assisted GMAC, Federal National Mortgage Association with the unlawful foreclosure of the plaintiff's property.

14. Plaintiff requested information from Defendants to prove that the person signing all affidavits for foreclosure had personal knowledge of the information contained in the affidavit.

15. In addition, Plaintiff requested that the Defendants provide evidence that they are the true legal holder of the loan/note, to validate the debt, and to prove that they are a valid and legitimate creditor.

16. Defendants have yet to prove any of these allegations or produce any documents requested.

17. Plaintiff filed suit against the Defendants seeking to set aside the sale of her property by GMAC and stop the eviction.

E. ADVERSARY PROCEEDING

18. Plaintiff is seeking an emergency adversary proceeding order to prevent the defendants from lifting the automatic stay and evicting the Plaintiff from the property which is the subject of the land and title lawsuit during the automatic stay.

19. Defendant is not the owner of the mortgage and note. Denied

20. The trustee is not properly authorized to post the sale notice and they did so illegally and with intention to deceive the borrower and the court causing the borrower and the court to reasonably rely upon upon the statements of facts and procedures used by the lender. Denied

21. Allowing the sale/ eviction and lifting the automatic stay will result in Plaintiff being possible a victim of predatory lending and unlawful foreclosure. Denied

22. It is probable that the Plaintiff will prevail in this lawsuit.

23. Also, the Plaintiff's claim against the Defendants is filed to preserve the status quo of the parties until the issue of title is resolved.

24. In the event this Court does not grant the Plaintiff's Adversary proceeding, she will suffer irreparable harm because the real estate which is the subject of this lawsuit is unique in character and cannot be replaced with money damages only. Applicant has no other adequate remedy at law.

25. In addition, allowing the Sale and eviction to be completed, would not only expose Plaintiff to potentially ruinous financial liability, but would also be a direct violation of The Due Process Clause, and numerous Constitutional guarantees concerning property.

F. Request for Adversary Proceeding

26. Plaintiff asks the court to set her adversary proceeding for a hearing, and after hearing the complaint, issue a continued automatic stay order against Defendants and stop the eviction until or after the lawsuit has been resolved.

G. Prayer

27. For these reasons, Plaintiff asks the court to grant the adversary proceeding order to prevent lifting the automatic stay and to stop the eviction and enforcement of her rights.

Respectfully submitted,

Alfredia Pruitt

Note: Your honor the Deed of Trust was Signed by Jeffrey Stephan who has earned the name Robo-signer, who is not an employee of MERS. Stephan has admitted under oath, he signed foreclosure documents without verifying the information.

MERS has no standing to assign my note to GMAC it has no interest in my property.

There is evidence of bifurcation. The note has been separated from The Deed. There is no Secured Instrume it has been lost or destroyed.

Dear Alfredia Pruitt:

This is in response to your recent letter received in our offices on November 3, 2010 in which you requested your mortgage Note and the identity of the owner of your loan.

USAA Federal Savings Bank disputes the claims made in your letter relating to our foreclosure process. We are committed to preserving the integrity of the foreclosure process and have taken all steps necessary to ensure that all applicable foreclosure requirements are being met.

The requirements for enforcement of a mortgage loan agreement depend on state law and possession of an original note is not necessarily a requirement. Nevertheless, we are providing you a copy of the original Note as a courtesy (see enclosed). Failure to provide you with the original Note does not relinquish your responsibility for repayment of the debt or our rights to collect payment.

The current owner of your loan is Fannie Mae, 3900 Wisconsin Avenue NW, Washington, DC 20016-2892 and phone number 1-800-732-6643. USAA Federal Savings Bank is currently servicing your account, however, and all inquiries should be directed to our office.

Please be aware failure to remit payments can have serious consequences including damage to your credit and possible foreclosure. We understand that no one enters into a loan agreement expecting to have difficulty making payments. Life changes and unexpected hardships can suddenly, and without warning, impact even those who are generally always prepared. We are committed to working with you to identify solutions and find innovative ways to address your particular situation. If you need assistance with your payments, please complete the financial analysis forms available on our website at https://usaa.mortgagebanksite.com, to determine your eligibility for assistance.

THE COURT REPORTER: Do you swear or affirm that the testimony you are about to give will be the truth, the whole truth and nothing but the truth?

THE WITNESS: I do.

Thereupon,

(JEFFREY STEPHAN)

having been first duly sworn or affirmed, was examined and testified as follows:

DIRECT EXAMINATION

BY MR. IMMEL:

Q. All right. We are here on GMAC Mortgage, LLC versus [redacted]. This is the deposition of Jeffrey Stephan. I'm sure your attorney has gone over things with you a little bit. But if you could just keep one thing in mind, to answer, not to simply nod your head or anything like that. We need for your answers to be clear for the court reporter that way.

A. Yes.

Q. Could you please state your name for the

record.

A. My name is Jeffrey Stephan.

Q. Okay. And who do you work for?

A. GMAC, LLC.

Q. And is there a difference between GMAC, LLC and GMAC Mortgage, LLC?

A. GMAC, LLC -- I'm trying to think of the word to use -- the most recent name.

Q. Okay.

A. It's GMCA Mortgage Corporation.

Q. Okay.

A. I'm not sure how you would word that.

Q. Okay. So are they -- does GMAC, LLC -- now has that basically taken over these other entities --

A. Yes.

Q. -- that formerly existed?

A. Yes.

Q. So these entities no longer currently exist?

A. Right.

Q. Okay. And how long then have you been employed by GMAC, LLC?

A. Five years.

Q. Okay. And prior to that, it was GMAC Mortgage and GMAC Corporation?

A. That was as the whole five years.

Q. Oh, okay.
A. Yes.
Q. As the whole five years. And what is your title?
A. I'm a team leader in the foreclosure department.
Q. Okay. And what are your responsibilities?
A. I am the team lead of the document execution unit.
Q. Okay.
A. And also the service transfer unit.
Q. And so what type of documents do you ordinarily execute?
A. I execute on a daily basis assignments of mortgage, affidavits of any type that might be needed, deeds. Any type of the document that would need a signature of an officer of GMAC.
Q. Okay. And who do you report to?
A. I report to Margie Kwiatanowski.
Q. Could you spell that?
A. Yes. It's K-W-I-A-T-A-N-O-W-S-K-I.
Q. Okay. And approximately how many employees does GMAC Mortgage, LLC have?
A. I couldn't guess. I don't know.
Q. Sure. Okay. And as part of your

onsor & Associates
Reporting and Transcription Inc

responsibilities, you execute assignments as a vice president of MERS?

A. Yes, that's correct.

Q. And in executing affidavits as a vice president, do you receive any compensation from MERS?

A. No.

Q. Have you had any training from MERS?

A. No.

Q. Okay. How many documents would you say you sign on an average week as far as executing affidavits and things of that nature?

A. It's very tough to estimate that to be honest with you.

Q. In a given month, would that be easier to say --

A. I would say --

Q. -- one hundred, 500?

A. -- in a month, my team brings to me approximately, I'd say a round number of 10,000. That's just an estimate, of course.

Q. Okay. And so, 10,000 your team brings to you. How many people do you oversee?

A. A team of 13 people.

Q. Okay. Now, would these people be given the duties of actually preparing the documents that you

ultimately sign and execute?

A. They would review the document that is given to them through our computer systems.

Q. Okay.

A. So they don't actually prepare it per se. They review it for the accuracy of what type of entity I'm signing as.

Q. Okay. How many different entities do you sign as?

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. Can you name what entities you sign --

A. I sign presently as MERS.

Q. Okay.

A. And under MERS as vice president or an assistant secretary. Also, I sign for GMAC Mortgage. And to be honest with you, it's too many entities for me to actually quote under GMAC. But it is as a limited signing officer.

Q. Okay. And earlier you stated that right now it's GMAC, LLC.

A. Uh-huh.

Q. You do still currently sign documents as GMAC Mortgage, LLC?

A. Yes, I do.

Q. Okay. And also as a corporation --

A. Yes.

Q. -- and some of the others that we've seen your signature on?

A. Yes, I do.

Q. Okay. Where then does the information that goes into the system that your team reviews --

A. Yes.

Q. -- where does that information come from?

A. The process that we use is -- and this is to my knowledge -- a file is referred to a foreclosure attorney stating exactly what entity would be needed through the referral unit. And at that point, the attorney receives the file to proceed with the foreclosure. That foreclosure name is generated upon GMAC supplying it on the referral. I'm not 100 percent sure of what that process is.

Q. Okay.

A. The documentation, as you stated, that you're asking about, is given to us after the attorney has been instructed on what name to foreclose in.

Q. And who instructs the attorney as to what name to foreclose it in?

A. It comes to our referral unit. Which is another process to my knowledge.

Q. Okay. Approximately, if 10,000 are signed in a given month, you know, on an average, how long would you say you spend executing each one and actually signing?

A. It's tough to say.

Q. Okay. Would it be accurate to say that when these documents have been presented to you by your team --

A. Uh-huh.

Q. -- you take the face value that they are -- they have been checked by your team?

A. That would be a correct statement, yes.

Q. So these documents wouldn't be actually executed on your own personal knowledge?

A. Right.

Q. It would be based on knowledge that came through --

A. Right.

Q. -- the chain --

A. I'm sorry.

MS. ARROYAVE: Can I interrupt just for a second? I just want to make sure that he finishes his question before you answer.

THE WITNESS: Sure. Sorry.

BY MR. IMMEL:

Q. Yes, yes, that's true, too.

So the information that your team obtains isn't based on their personal knowledge either, it's located within the computer networks?

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. The information on the documents that you execute is stored within your data base?

A. No, somewhere else.

Q. No. Okay. The information then is that -- your team, they get that from a computer network that you have, correct?

A. No.

Q. Where does your team get that information?

A. That information is first given to the attorney to foreclose under which name as needed. If we are stating some type of assignment, for example, the attorney, to my knowledge, and I'm not 100 percent sure of their process because I don't work for the attorney, they would do a title check to verify what name the lien is presently in.

Q. Okay.

A. At that point is when it would initial if an assignment would be needed or not.

Q. So at the direction of the attorney, your team creates these documents and then you execute them?

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. So your team executes documents at the request of attorneys?

MS. ARROYAVE: Objecting: Form. You can still answer it if you understand the question.

BY MR. IMMEL:

Q. Do you understand what I'm asking?

A. Yes, I understand what you're asking. My team does not create any documents.

Q. These documents are then sent from the attorney?

A. Yes.

Q. Okay. And you're -- so then the team that you oversee --

A. Uh-huh.

Q. -- simply reviews them for accuracy?

A. That's correct.

Q. Okay. And how do they verify the information is accurate?

A. They do not go into the system and verify the information as accurate. We are relying on our attorney network to ensure that they are asking for the correct

information.

Q. So the attorney creates these documents and you are relying that the attorney is correct?

A. Yes.

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. Okay. And then they are required to be notarized. Are they notarized in your office?

A. Yes.

Q. Is the notary present with you or is it down the hall?

A. The notary is in the same department.

Q. Same department. Okay. Are they physically present when you (sic) notarize this -- or when they notarize and then you execute it?

A. No, they are not physically present. But I will -- I do deliver them to the notary.

Q. All right.

A. And I wait for them to notarize it to hand them back to my team.

Q. Okay. All right. What department then? You said your department?

A. Right.

Q. And as part of their job responsibilities, would notarizing be their sole responsibility, or do

they have other responsibilities?

A. They have other responsibilities.

Q. Are any of the members of your team, people that also notarize documents that you execute?

A. Yes.

Q. Yes. Okay. Is there a job requirement that certain employees become notaries?

A. I don't know.

Q. Okay. And what type of -- what level of a type of employee would it typically be that is a notary?

A. I don't know that either.

Q. All right. Does the company pay for the process of becoming a notary or the renewal fees?

A. Yes.

Q. Okay. If a notary feels that they are being asked to notarize something that's done improperly, is there a process which they can, you know, raise that to anybody's attention?

A. I honestly don't know.

Q. You are not sure. Do you notarize any assignments of mortgage or other documents yourself?

A. No.

Q. Are you a notary?

A. No.

Q. How are witnesses ordinarily chosen?

MS. ARROYAVE: Object: Form.

Chosen for what?

BY MR. IMMEL:

Q. The witnesses to, say, the assignments of the mortgage, and the witnesses of things that you execute.

A. They are just chosen randomly.

Q. Chosen randomly. Okay. Approximately how many days a week do you spend executing assignments, affidavits, and the various documents that you execute?

A. Five.

Q. Five. Okay. Are there any specific days where it's one day these types of documents, this type of documents, or can it be just a mix?

A. It's a mix.

Q. Okay. Approximately how many documents would you say are presented to you by your team at a given time? Is it one at a time, or ten at a time?

A. It is done in bulk.

Q. Done in bulk.

A. I could not quote you the exact number.

Q. Okay. Going back to the signing officer as Mortgage Electronic Registration Systems, you said that you are -- you sign as both vice president and as an assistant secretary?

A. That is correct.

Q. Is there any basis for one -- you sign as one versus the other?

A. The majority of the time I sign as a vice president. Most times we do not need an assistant secretary, unless they are asking for a second signature on any type of an affidavit or assignment.

Q. Okay. And, again, you are not paid by MERS. Do you hold any other responsibilities with MERS that would be consistent with having the title of a vice president?

A. No.

Q. No. Okay. So you don't attend any board meetings for MERS?

A. No.

Q. You don't report to the secretary of MERS or any other people at MERS?

A. No.

Q. How did you become a MERS representative? Did you request to be a vice president of MERS?

A. I received the responsibility as being the team lead for document executing. It was assigned to me by our legal area.

Q. Okay. All right. So your responsibilities as a vice president of MERS to execute the assignments is really your job perspective, or an aspect of your job at

GMAC Mortgage, LLC or GMAC, LLC?

A. That is correct.

Q. Okay. And you've never been to any MERS offices or their headquarters?

A. No.

Q. Are you aware of why you were given the title of vice president versus assistant secretary or...

A. No, I'm not aware of that.

Q. Okay. All right. I have here the assignment of mortgage which you executed in this case.

A. Okay.

MR. IMMEL: I'll enter that as Exhibit A.

(Defendant's Exhibit Letter A was marked for identification.)

MR. IMMEL: I have a copy for you, as well.

THE WITNESS: Thank you.

BY MR. IMMEL:

Q. In the top left-hand corner it says, Record and return to offices of Marshall C. Watson.

Based on your earlier statements, it's accurate to say that attorneys at Marshall C. Watson created the information on this document?

MS. ARROYAVE: Objection: Form.

THE WITNESS: That would be correct.

BY MR. IMMEL:

Q. Okay. And who -- so an attorney chose the date of the 4th day of March, 2009.

Can you tell me the date actually. Whether that's the 3rd or the 5th of March.

A. To me it seems to be the 5th.

Q. Okay.

A. Actually, excuse me, let me change that. It would have to be the 3rd, because the notary did it on the 4th.

Q. Okay. And that is your signature on this document?

A. That is correct.

Q. Okay. Is it commonplace then for the notary to notarize a document the day after you've apparently executed it?

MS. ARROYAVE: Objection: Form.

THE WITNESS: I would say, yes, it would be common.

BY MR. IMMEL:

Q. Okay. So typically when you hand these off to the notary, and then they kind of catch up?

A. Uh-huh. Yes.

Q. Okay. The witnesses, Heather Reinhart, do you know her personally?

A. Yes, she is one of my employees.
Q. Is she on your team?
A. Yes.
Q. Is it possible that she would have been one of the people who reviewed this for accuracy?
A. That is possible.
Q. And the other person appears to be Tyra Wilks --
A. Wilson.
Q. Tyra Wilson. Okay. Is she also a member of your team?
A. Yes.
Q. And you know her personally, as well?
A. Yes.
Q. The notary, Susan Turner, is she a member of your team?
A. No, she is not.
Q. Do you know her personally?
A. Yes.
Q. It says here that you personally appeared before her on the 4th day of March. Is it possible that you executed then on the 3rd, and handed it to her and then you weren't personally in front of her at the time she notarized this?
A. I don't know. I can't recollect.

Q. All right. And how did you determine on this to execute it to GMAC Mortgage, LLC?

MS. ARROYAVE: Objection: Form.

THE WITNESS: I'm not sure if I understand the question.

BY MR. IMMEL:

Q. Okay. Did you have any say in the creation of who MERS would assign this to?

A. No.

Q. No. Your attorney, the Law Office of Marshall C. Watson, determined that?

A. No.

Q. No.

A. That is, as I stated earlier, when the foreclosure referral goes out, the referral unit determines what entity they should be foreclosing on.

Q. Okay. And the foreclosure referral unit that you speak of, is that part of your department?

A. Yes.

Q. Okay. So would they have records that they are able to refer to to determine who the new mortgagee should be according to these assignments?

A. Yes.

Q. And who -- do you have a name of any person that keeps those documents?

A. The team lead for that would be Brenda.
Q. Brenda?
A. Her last name is Staehle, S-T-A-E-H-L-E.
Q. Okay.
A. I think that's the way it's spelled.
Q. Can you tell me -- you really don't have any knowledge or information as to who should be the mortgagee? According to this document, you take it for face value; is that correct?
MS. ARROYAVE: Objection: Form.
THE WITNESS: Can you explain that further?
BY MR. IMMEL:
Q. You take it for face value that GMAC Mortgage, LLC is expected to be the mortgagee?
MS. ARROYAVE: Objection: Form.
BY MR. IMMEL:
Q. Who would have information who -- who MERS should assign this to? Would it be you or Brenda Staehle?
A. Brenda Staehle would be the individual or her team to refer the files, and they determine what name should be foreclosing in.
Q. Okay. So everything from that point on is based on the presumption that her team has ascertained those things to be correct?

onsor & Associates
Reporting and Transcription Inc

A. That is correct.

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. All right. Okay. So on March 5th, 2009, you're not aware --

A. I believe it's the 3rd.

Q. March 3rd. I'm sorry. March 3rd, 2009, you're not aware of any physical transfer of the mortgage?

A. Can you rephrase that? I'm not following.

Q. Are you aware of any reason why the assignment of mortgage had to be executed on March 5th, 2009 -- or the 3rd, 2009? I'm sorry.

A. We have a process that's set up with our attorney network. And Marshall Watson is in that attorney network. The file is referred to them with a certain name to proceed with the foreclosure in. They will pull title. And whatever they see title is in, in order to proceed in the proper name, they need to get an assignment. In this instance it's MERS to GMAC.

Q. Okay. Are the assignments supposed to be completed prior to the filing of the foreclosure lawsuit?

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. Are you aware if it's a company policy at least?

A. I don't know.

Q. Okay. So as this assignment of mortgage, on the face of it, transfers from Mortgage Electronic Registration Systems as nominee for Mortgage Investors Corporation to GMAC Mortgage, LLC on March 3rd, 2009, would it be accurate to say that prior to that, this assignment, Mortgage Electronic Registration Systems was the mortgagee?

A. No.

Q. No. Okay. Why would that not be accurate to say?

A. Mortgage Electronic Registration, to my knowledge, is an origination entity to allow the passing of assignments through performing loans to make it more easier, I guess you would say, to transfer amongst different companies. MERS does not own loans.

Q. They wouldn't own the loan. But they would own the mortgage; is that correct?

MS. ARROYAVE: Objection: Form.

THE WITNESS: It's not correct, no.

BY MR. IMMEL:

Q. No. So they are the named mortgagee, so that

when the note is passed from entity to entity it doesn't have to be rerecorded?

A. That is to my knowledge, yes.

Q. All right. On this it also says that MERS is assigning the mortgage together with the note. I don't know if you see that line there. It's right there (indicating).

As you just stated, MERS has no interest in the note ever; is that correct?

A. I honestly don't know.

Q. Oh, okay. As far as you're aware --

A. Yes.

Q. -- MERS doesn't --

A. As far as I'm aware. (Witness nods head.)

Q. Okay. Are you aware of whether that's common language to exist in the assignments that you execute?

A. I honestly don't know.

Q. You're not sure. Okay. All right.

MR. IMMEL: And I have a copy of the first page of the mortgage here. Which I'll enter as ExhibitB.

(Defendant's Exhibit Letter B was marked for identification.)

BY MR. IMMEL:

Q. If you will notice it says that the mortgagee

according to the mortgage is Mortgage Electronic Registration Systems.

I believe it's right down there (indicating).

A. I disagree with that interpretation.

MS. ARROYAVE: Was there a question?

MR. IMMEL: Yes.

MS. ARROYAVE: What was the question?

BY MR. IMMEL:

Q. According to the mortgage, it says that MERS is the mortgagee?

A. My interpretation, it says right in the same paragraph, it says they are a nominee for the lender or the lender successors.

Q. Right. Okay. They are the mortgagee as nominee --

A. Uh-huh.

Q. -- for the lenders?

A. Yes.

Q. Okay. But they are a different entity from the lender and lender successors and things?

A. Yes.

Q. Okay. What does nominee in that regards mean?

A. I don't know.

Q. Okay. We can move on from there.

I have here -- which I'll enter as Exhibit

C -- some discovery that we received from MERS.

(Defendant's Exhibit Letter C was marked for identification.)

BY MR. IMMEL:

Q. And if you will turn to the second page. It is the document entitled, Min Summary.

And have you ever seen these records before?

A. No, I have not.

Q. So in executing the assignments of mortgage on behalf of MERS, do you consult any of MERS' records?

A. No.

Q. And you are not able to tell me what any of these entries would then mean? This is the first time you have seen this type of information?

A. In this format, yes.

Q. Okay. Have you seen this type of information in other formats?

A. Some of it. I understand what they mean as far as the acronyms in there.

Q. Okay. Based on your understanding, the investor says -- the investor is identified as Government National Mortgage Association - Ginnie Mae. What does the word "investor" mean in MERS' acronym? Are you aware?

A. I'm not sure how I can explain it. GMAC would

be the holder and the owner of the mortgage. GMAC would be the investor who is in the organization that contributed the fund. That's really the only way I can explain the relationship of an investor and servicer.

Q. Okay.

A. But that's only to my knowledge. I mean, I don't work in that fashion.

Q. Okay. So the servicer is supposed to take on the day-to-day activities of administering the mortgage of loan and collecting payments and so forth?

A. That would be correct.

Q. And they do that on behalf of the investor who loaned the monies?

A. Yes.

Q. Okay. And any monies that are received from the servicers, would they really be for the investor then to pay him back the loan?

A. I don't know.

Q. Okay. And as custodian, also, that would mean that they are in possession of the mortgage file, essentially, the note and any other applicable documents?

A. That's correct.

Q. Okay. All right. Where it has the pool number and it is blacked out. Do you know what the pool

number refers to?

A. No, I don't.

Q. No. Okay. And what about the investor loan number?

A. Yes, I understand what that is.

Q. And what would that relate to?

A. Every investor would have their own loan number. The same as GMAC would have their own loan number to classify the different files.

Q. Okay. And are you aware of how a mortgage that has been securitized, a mortgage note that's been securitized, would be reflected on something like this, on this summary?

A. I am not familiar.

Q. You are not familiar. Okay. Are you aware of anyone at GMAC Mortgage, LLC that has access to these MERS documents and records?

A. No, I'm not.

Q. You are not aware. Okay. Are you aware of anybody at GMAC that would have a responsibility to update the MERS documentation?

A. No.

Q. Okay. So the various individuals at GMAC that execute assignments on behalf of MERS have no responsibility to update the MERS' system that they had

actually done those assignments or anything like that?

A. That would be correct.

Q. Okay. Are you aware then of how the MERS' system is updated?

A. No.

Q. Okay. As a vice president, do you owe a fiduciary duty to the original lender to ensure that the mortgage is assigned to the proper entity?

MS. ARROYAVE: Objection: Form.

THE WITNESS: I actually don't understand your question.

BY MR. IMMEL:

Q. Do you own any duty to the -- when you assign these mortgages, you execute them as -- for MERS as nominee for a particular entity, correct?

A. That would be correct.

Q. Do you owe any responsibility then to that particular entity that MERS is nominee for to ensure that the mortgage is transferred to the new correct entity?

A. I don't know.

Q. Okay. All right.

MR. IMMEL: I have the corporate resolution here. Which I'll enter it as Exhibit D.

(Defendant's Exhibit Letter D was marked for identification.)

BY MR. IMMEL:

Q. Have you seen this document before?

A. Yes, I have.

Q. When was the first time you saw it?

A. I'm sorry, I can't say. I don't recollect.

Q. You're not sure. Is it fair to say it was quite a while ago?

A. Yes.

Q. Did you have any role in creating it or negotiating it?

A. No, I did not.

Q. No. Okay. The first paragraph says that you are authorized to assign a lien of any mortgage loan registered on the MERS register to the member.

Who would be the member according to this? Would that be GMAC Mortgage, LLC?

A. I don't know.

Q. Okay. Assign the lien, in paragraph 2, of any mortgage loan naming MERS as the mortgagee when the member is also the current promissory note-holder, or if the mortgage loan is registered on the MERS system, is shown to be registered to the member.

When you are assigning liens, you already

stated that you don't consult with any of the MERS records to determine whether or not it's registered to who -- whoever?

MS. ARROYAVE: Objection: Form. Asked and answered. Mischaracterization of prior testimony.

BY MR. IMMEL:

Q. Okay. You don't consult MERS system when assigned these liens?

A. Yes.

MS. ARROYAVE: Asked and answered.

BY MR. IMMEL:

Q. All right. Okay. But is it fair to say that you don't ascertain whether the member is the current promissory note-holder when you assign the lien?

A. That would be correct.

Q. And you also don't know if the mortgage loan is registered on the MERS system?

A. We are relying on our attorney network when they check the title --

Q. Okay.

A. -- to verify what title it is presently in. If it is MERS, we would sign for MERS.

Q. Okay.

MR. IMMEL: Exhibit E.

(Defendant's Exhibit Letter E was marked for identification.)

BY MR. IMMEL:

Q. Here is the GMAC Mortgage, LLC certificate of assistant secretary. Here you go.

And you are considered a limited signing officer giving you basically the same responsibility as a junior officer?

MS. ARROYAVE: Objection: Form.

THE WITNESS: I don't know if that's a correct statement.

BY MR. IMMEL:

Q. Okay. Are you familiar with this document?

A. I have a copy of this document. Which to my recollection means that next to my name it gives me the authority to sign for GMAC and its entities as a limited signing officer.

Q. Okay. In this case, you also filed an affidavit of lost original document?

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. Okay. And you executed this document. Is this your signature? Here is a copy of it.

MR. IMMEL: I'll enter this as Exhibit F, I believe.

(Defendant's Exhibit Letter F was marked for identification.)

THE WITNESS: Yes, that is my signature.

BY MR. IMMEL:

Q. Okay. And you signed this affidavit claiming that at the time plaintiff was not presently in custody or control of plaintiff or any of plaintiff's agents, and that would be the note that was not in your -- their custody or control?

A. Yes. Once again, we have a process in place where if our attorney needs an original document, they open up a request in our system. At that time, we have another unit -- which is not located in Pennsylvania where I am located -- contact custodians, contact their own records, go to different investors. They do not do an affidavit of this fashion unless they've exhausted all efforts.

Q. Okay. Would it be fair to say that you're not involved in any of those efforts?

A. That is fair to say.

Q. Okay. Why then do they ask you to execute the affidavit of lost document -- lost original document?

A. They asked me to execute this for the foreclosure department. Because after conversations between the attorney and this other department, they

determine that it is not available. I am the foreclosure team lead that handles document execution.

Q. Okay. So would it be accurate to say that the department that actually searches for the lost note would have a better understanding of why it's lost and where the search occurred?

A. That is a fair statement.

Q. Okay. It says that the copy of said note attached to the complaint is a true and correct and substantial copy of the lost or destroyed note.

Do you review any documents before executing the affidavits of lost original documents?

A. No, I do not. I review this. Let me change this. Excuse me. I do review this. However, I do not review any documents. I rely, once again, on my attorney network who is requesting the document, and communications between the departments to determine if it's -- if a lost affidavit is needed.

Q. Okay. So the portion that sets claims in paragraph 1: Affiant has custody and personal knowledge of the account pertaining the original mortgage loan instruments. Affiant has actual and personal knowledge of the facts stated herein and is authorized to make this affidavit. Would that be accurate?

A. Yes, that is accurate.

Q. You being the affiant have custody and personal knowledge of the account pertaining to the original mortgage loan instruments?

MS. ARROYAVE: Object to the form. Go ahead.

THE WITNESS: I do not have the specific knowledge to this one account. But I understand what the other department does in general to try to locate these documents.

BY MR. IMMEL:

Q. Okay. All right. And so in this particular case, the -- there was no note attached to the complaint. You would have no way of ascertaining that because you don't actually review?

A. That, once again, is determined by our attorneys' office.

Q. Okay. I'm going to just -- I have a substantial copy of the complaint. And just to show that there is no note attached to it, that was the original filing of the complaint.

You have never reviewed that, nor do you review any other note to determine whether it is, in fact, a true, correct and substantial copy of the lost or destroyed note?

MS. ARROYAVE: Objection: Form.

THE WITNESS: Can you rephrase that for me? I

don't completely follow what you are saying.

BY MR. IMMEL:

Q. When you execute the affidavit of lost original document, and make the claim that you've seen a copy of the note that is attached and that's a substantial copy, you really have no basis for making that claim.

THE WITNESS: I'm still not following.

MS. ARROYAVE: Objection: Form.

BY MR. IMMEL:

Q. When the complaint in this case was filed, there was no note attached to the complaint, correct?

A. From what you have just handed to me, there is no note.

Q. Okay. Based on what I've provided you.

A. Yes.

Q. Do you normally review notes to make sure that they are a true copy of the lost note?

MS. ARROYAVE: Objection: Form.

THE WITNESS: That is -- no, I do not. It is not in my position.

BY MR. IMMEL:

Q. It's not in your position.

MR. IMMEL: All right. I guess I can enter this a Exhibit G.

(Defendant's Exhibit Letter G was marked for identification.)

BY MR. IMMEL:

Q. And going back, just for a second, to the lost note affidavit. That is your signature?

A. Yes, that's correct.

Q. And your understanding is that the attorney representing -- from your network drafts this?

A. That is correct.

Q. Okay.

MR. IMMEL: This is going to be Exhibit H.

(Defendant's Exhibit Letter H was marked for identification.)

BY MR. IMMEL:

Q. This is a copy of the note filed after the complaint in this case. I don't have the notice of filing page.

Have you ever seen this document before?

A. I have seen these documents. I have not seen this document.

Q. Okay. And this wouldn't have been the document that you reviewed in executing the lost note affidavit?

A. No. We do not -- once again, we do not review the note. Our attorney determines that the note is not

available through our processes.

Q. Okay.

MR. IMMEL: This would be Exhibit I.

(Defendant's Exhibit Letter I was marked for identification.)

BY MR. IMMEL:

Q. This is the newly found note. Here. And as you can see, if you could compare the two notes, one has a couple of additional endorsements. Whereas, the previous one did not. Is that correct?

A. That is what I observe here, yes.

Q. Okay. In the review of the two notes and the endorsements that are on them, have you seen this type of situation before where one note that's been filed in the case is partially endorsed and the other is a more complete record of endorsements?

A. No, I have not.

Q. In following along the endorsements, can you determine who was the last owner of the note prior to your companies?

A. I'm sorry. Can you rephrase that for me?

Q. Can you determine who GMAC Mortgage, LLC has acquired the mortgage note from?

A. The first endorsement I see here has a date. It says, Mortgage Investor Corporation. It's signed on

February 27th, I believe, that's 2002.

Q. All right. And they were the original lender. And then, as you can see, there is another endorsement there to, I believe, GMAC Mortgage Corporation. And there is also one GMAC Bank. Correct?

A. That is correct according to the observation that I see on this document.

Q. So would you need an assignment from -- why do you assign the MERS -- as a vice president of MERS, why do you assign the MERS -- I'm sorry. Let me start over there.

Why do you execute the assignment of mortgage on behalf of MERS as nominee for the original lender and not the last lender?

MS. ARROYAVE: Objection: Form.

THE WITNESS: Because as you stated, it's an assignment of mortgage. It's not an assignment of note.

BY MR. IMMEL:

Q. Right.

A. That's the only way I can answer that. The mortgage itself, which we've both reviewed, states that it's MERS as a nominee for Mortgage Investor Corporation.

Q. Okay. So would you agree then that as the

note was transferred through these endorsements to new note-holders and owners that MERS remained the mortgagee?

MS. ARROYAVE: Objection: Form.

THE WITNESS: I wouldn't have that knowledge.

BY MR. IMMEL:

Q. Okay. It's your understanding that MERS does not assign the mortgage every time the note is transferred; is that correct?

MS. ARROYAVE: Objection: Form.

THE WITNESS: I wouldn't have that knowledge either.

BY MR. IMMEL:

Q. Okay. All right. Do you know who would have that knowledge?

A. No, I do not.

Q. Okay. All right.

MR. IMMEL: And we have here defendant's request for production regarding the Jeffrey Stephan documents. That will be Exhibit J.

(Defendant's Exhibit Letter J was marked for identification.)

BY MR. IMMEL:

Q. Have you seen that document before?

A. I have not seen this document until recently

when I found out that I was coming here.

Q. Okay. And also we have the response to the request for production regarding the Jeffrey Stephan document.

MR. IMMEL: That will be marked as Exhibit K.

(Defendant's Exhibit Letter K was marked for identification.)

BY MR. IMMEL:

Q. I'm going to direct you to paragraph 5 where there has been an objection based on our request for all MERS system documents, records, computer data, or other MERS information reviewed by Jeffrey Stephan prior to executing the assignment of mortgage filed in this case to determine the proper SNE.

It's been objected to as vague and ambiguous and improperly presumes that plaintiff has custody or control over any MERS system documents.

As a MERS vice president, you don't have access to any MERS system documents?

A. No, I do not.

Q. Okay.

A. I do not work for MERS.

Q. Okay. And so you don't actually review any documents prior to executing the assignment of mortgage?

MS. ARROYAVE: Asked and answered.

BY MR. IMMEL:

Q. Okay. And are there any -- do you receive any letters, e-mails, or other correspondence from other departments that have given you any instruction on any of the documents which you execute?

A. No.

Q. No. And in paragraphs -- request No. 7, as far as the search for the lost note, you didn't actually partake in that search. So you are not aware of any of the locations searched, other than by other people?

A. That's correct.

Q. Do you know who those people would be that searched for the note?

A. There is a team that's in our Minnesota office. I am not familiar with who would actually search for the said document.

Q. What is the name of that team? Do you know the name of that team?

A. I don't have a formal name for them. I call them document control. But that's my own name for them.

Q. Okay. All right. You said that the attorneys representing you prior in this case only ask you to execute the lost note affidavit after a substantial effort has occurred?

MS. ARROYAVE: Objection. That goes into the

attorney-client privilege.

BY MR. IMMEL:

Q. As far as you understand, a substantial search for the lost note has already occurred by various people within your team, other teams within GMAC at the request of the attorneys?

A. Within GMAC the lost note affidavit or lost instrument affidavit would not be executed until everything has been exhausted.

Q. Okay. Is it common for a lost note affidavit to be executed and then later the note to be found?

A. I don't know.

Q. You're not sure. Okay. Earlier you were mentioning that now you work for GMAC, LLC; is that correct?

A. That is correct.

Q. And you still execute documents as GMAC Mortgage, LLC limited signing officers, as well?

A. That's the same thing you just stated.

Q. Right. One they dropped the name -- the mortgage from the name, and one they haven't; is that correct?

A. No.

Q. No.

A. One they dropped corporation and changed it to

LLC.

Q. Oh, okay.

A. They became a limited liability company. That's what LLC stands for.

Q. Okay. You said that there was an -- initially there was a referral from the referral department to the attorneys?

A. That would be correct.

Q. Do you ever review any of those documents in your duties as executing these other documents?

A. No.

Q. So I'm going to turn to the -- this is the note of authenticity ownership interrogatories limited answers. Here you are.

MR. IMMEL: That will be Exhibit L.

(Defendant's Exhibit Letter L was marked for identification.)

BY MR. IMMEL:

Q. Do you know, I think, it is Juan A. Aquirre?

A. I do not know him. But I am familiar with his name.

Q. Okay. Are you familiar with his duties? He's a senior litigation analyst.

A. Yes.

Q. Do you know if he's a senior litigation

analyst for GMAC Mortgage, LLC, or are there other entities that he works for?

A. I honestly do not know.

Q. Okay. Would he be part of the document team in Minnesota that may find a note?

A. No.

Q. No. Okay. Would he be somebody, do you know, if in his duties he's somebody that searches for lost documents?

A. No.

Q. Okay.

MS. ARROYAVE: Is that, no, you don't know?

THE WITNESS: No. He does not do that.

BY MR. IMMEL:

Q. He doesn't do that. Do you know what his duties are?

A. As it states here, he is a senior litigation analyst. I'm not sure of what his exact responsibilities would be.

Q. Okay. But searching for lost documents wouldn't be one of his responsibilities, more than likely?

A. No, it would not be.

Q. Okay. And here are plaintiff's amended answers. Okay.

MR. IMMEL: I'll mark it as Exhibit M.

(Defendant's Exhibit Letter M was marked for identification.)

BY MR. IMMEL:

Q. It asks to identify all persons and/or entities who are the current beneficial owners of, or who have a beneficial or equitable interest in the promissory note. And Federal National Mortgage Association has been identified, Fannie Mae.

Are you aware -- and then if you look at No. 3, it says, Please identify all person and/or entities who are current legal owners of, or who have legal interest in the promissory note.

A. I don't have the same affidavit you have.

Q. Okay. Defendant's note. Do you have the mortgage loan?

A. That's the mortgage loan.

Q. Okay.

MS. ARROYAVE: What has been introduced? Has this set of interrogatory been --

MR. IMMEL: Yes.

MS. ARROYAVE: But not the other?

MR. IMMEL: No. This was also entered, correct?

THE COURT REPORTER: I think it was the last

one.

BY MR. IMMEL:

Q. So if you look at paragraphs 2 and 3, can you explain to me why Fannie Mae would have the beneficial or equitable interest in the promissory note, based on your understanding?

MS. ARROYAVE: Objection. It calls for a legal conclusion.

THE WITNESS: No, I can't.

BY MR. IMMEL:

Q. And earlier when we discussed the MERS documentation where Ginnie Mae was identified as the investor, would it be fair to say that the beneficial or equitable interest would actually lie with the person who made the loan?

MS. ARROYAVE: Objection. It calls for a legal conclusion.

THE WITNESS: I don't have that knowledge.

BY MR. IMMEL:

Q. Okay. And based on the MERS documentation that I presented to you earlier, where the investor was identified as Ginnie Mae. In paragraph 5 here, they are identifying Fannie Mae as the investor.

Do you have any understanding of -- as to why those two things would --

A. No, I don't.

Q. -- there would be a discrepancy there? Okay. All right.

And going back to the mortgage loan ownership and the interrogatories one more time. Can you explain why one entity would have the beneficial interest and another entity would have a legal interest --

MS. ARROYAVE: Objection. It calls for a legal conclusion.

BY MR. IMMEL:

Q. -- based on your company's protocols?

A. I don't have that knowledge.

Q. Okay. GMAC Mortgage owns some loans and services other; is that correct?

A. To my knowledge that would be a correct statement.

Q. Okay. Do they -- and then in other instances, they both own loan and service the loan?

A. That would be a fair statement.

Q. Okay. Is it possible that GMAC Mortgage is the servicer for this loan and another entity -- whether it be Fannie Mae, Ginnie Mae, or any other entity -- perhaps is the owner and GMAC is just the servicer?

A. That's possible. But I'm not familiar enough to say yes or no.

Q. Okay. All right. I'm just going to go over the notice of taking the deposition duces tecum.

(Defendant's Exhibit Letter N was marked for identification.)

BY MR. IMMEL:

Q. All right. This is -- and just for the record, Exhibit A, if you would turn to that. This is a list of the documents that we requested that you bring. A request for production. And you provided some of them earlier.

I just wanted to go over it and see if you brought any of these documents today, or if you were just relying on what was produced in the request for production. Okay?

The deponent's most recent curriculum vitae?

A. I didn't feel I needed to bring that. That's personal.

Q. Okay. You actually provided the corporate resolution for MERS and for GMAC. You presented the list of certifying officers. And the MERS system documents records, you already stated that you don't have any access.

Your team brings you the documents. And you don't receive any direct communication from the attorneys that draft them?

A. The only type of communication I would receive from an attorney is if a document is late in being returned.

Q. Okay. All right. And it would be fair to say that your primary responsibility is to create and execute these documents, not to actually do any of the underlying duties of ascertaining specific knowledge or information about them, correct?

MS. ARROYAVE: Objection: Form. Asked and answered.

THE WITNESS: And the answer to that would be, no.

MR. IMMEL: All right. I think that's most of it. Just let me have on second to review, but I think that's most of it. All right. I think that should do it for today.

Thank you very much for traveling here.

MS. ARROYAVE: I have a few questions.

MR. IMMEL: Yeah. I'm sorry about that.

MS. ARROYAVE: You can't have all of the fun. Can I look at the exhibits?

CROSS (JEFFREY STEPHAN)

BY MS. ARROYAVE:

Q. I'm going to show you what has been previously marked as Defendant's Exhibit C to your deposition.

Do you have any knowledge of how this document is created?

A. No.

Q. Do you have any knowledge as to whether the information in this document is accurate?

A. No.

Q. Do you know how this is prepared?

A. No.

Q. Okay. Let me show you what has been previously marked as Defendant's Exhibit A to your deposition. It is the assignment of mortgage.

The information that is used to prepare this mortgage is kept in GMAC Mortgages' business records; is that correct?

A. Yes.

Q. And these business records from where this information came from were created by persons in GMAC Mortgage, employees of GMAC Mortgage, right?

A. Yes.

Q. And the information was entered into the computer system by these GMAC Mortgage employees at the time that they became aware of the information?

A. Yes.

Q. And they had a business duty to enter the information into the computer system; is that correct?

A. Yes.

Q. And this information, these business records are kept within the course and scope of GMAC's regularly conducted business activities; is that correct?

A. I'm going to say yes.

Q. Okay. I'm going to show you what has been previously marked as Defendant's Exhibit F to your deposition. And it's the affidavit of lost original document.

Is the information you used to prepare this lost original document kept in GMAC Mortgages' business records?

A. I don't understand the question.

Q. Okay. The information in the lost original document, is that -- GMAC Mortgage is the owner and holder of the note, correct?

A. Yes.

Q. Is that information kept within the course and scope of GMAC's business records?

A. Yes.

Q. And the information in GMAC's business records are entered by persons with knowledge of the information that GMAC is the owner of the note?

MR. IMMEL: Objection: Leading.

THE WITNESS: Can you rephrase it? I'm not

sure if I follow what you are saying.

BY MS. ARROYAVE:

Q. The business records that GMAC has regarding whether it is the original -- whether it is the owner of the note, was entered by persons that have personal knowledge of whether GMAC is the owner of the note; is that correct?

A. I honestly don't know. I do not work in those departments.

Q. Okay.

MS. ARROYAVE: I have nothing further.

REDIRECT (JEFFREY STEPHAN)

BY MR. IMMEL:

Q. I would just ask: The assignment of the mortgage and the information on it, this is not created by anyone at -- this specific document isn't actually created by a member or a worker for GMAC Mortgage, it is actually created by the attorney?

A. Yes.

Q. Okay. So the attorney would have to be relying on business records of GMAC Mortgage in forming this?

A. That would be correct.

Q. Okay. And as to the lost note, this too is created by the attorney, correct?

A. That is correct.

Q. Okay.

MR. IMMEL: All right. That does it.

MS. ARROYAVE: That's it.

MR. IMMEL: All right. Thank you.

MS. ARROYAVE: We will read.

QUALIFIED WRITTEN REQUEST

This letter is a "qualified written request" in compliance with and under the Real Estate Settlement Procedures Act, 12 U.S.C. Section 2605(e) and Regulation X at 24 C.F.R. 3500, and The Gramm Leach Blikey Act.

Redacted

REF: Alleged Account #

To Whom It May Concern:

I am writing to you to complain about the accounting and servicing of this mortgage and my need for understanding and clarification of various sale, transfer, funding source, legal and beneficial ownership, charges, credits, debits, transaction, reversals actions payments, analyses and records related to the servicing of this account from its origination to the present date.

To date, the documents and information I have, that you have sent, and the conversations with your serviced representatives, have been unproductive and have not answered many questions.

Needless to say, I am most concerned. I am worried that potential fraudulent and deceptive practices by unscrupulous mortgage brokers; sales and transfers of mortgage servicing rights; deceptive and fraudulent servicing practices to enhance balance sheets; deceptive, abusive and accounting tricks and practices may have also negatively affected any credit rating, mortgage account and/or the debt of payments that I am currently, or may be legally obligated to.

I hereby demand absolute 1st hand evidence from you of the original un-certificated or

certificated security regarding account numbe Redacted event you do not supply me with the very security it will be a positive confirmation on your part that you never really created and owned one. I also hereby demand that a chain of transfer from you to wherever the security is now be promptly sent to me as well. Absent the actual evidence of the security I have no choice but to dispute the validity of your lawful ownership, funding, entitlement right, and the current debt you allege I owe. By debt I am referring to the principal balance you claim I owe; the calculated escrow payment any fees claimed to be owed by you or any trust or entity you may service or sub service for.

To independently validate this debt, I need to conduct a complete exam, audit, review and accounting of this mortgage account from its inception through the present date. Upon receipt of this letter, please refrain from reporting any negative credit information (if any) to any credit reporting agency until you respond to each of the requests.

I also request that you kindly conduct your own investigation and audit of this account since it inception to validate the debt you currently claim I owe. I would like you to validate this debt so that it is accurate to the penny!

Please respond to all requirements of 12 USC 2605 as follows:

(B) Qualified written request

For purposes of this subsection, a qualified written request shall be a written correspondence, other than a notice on a payment coupon or other payment medium supplied by the servicer, that-

(I) includes, or other wise enables a servicer to identify, the name and account of the borrower, and

(ii) includes a statement of the reasons for the belief of the borrower, to the extent applicable, that the account is in error or provides sufficient detail to the servicer regarding other information sought by the borrower.

(2) Action with respect to inquiry

Not later than 60 days (excluding legal public holidays, Saturdays, and Sundays) after the receipt from any borrower of any qualified written request under paragraph (1) and, if applicable, before taking any action with respect to the inquiry of the borrower, the servicer shall include the name and telephone number of a representative of the servicer who can provide assistance to the borrower);

B. after conducting an investigation, provide the borrower with a written explanation or clarification that includes
(i) to the extent applicable, a statement of the reasons for which the servicer believes the

Dear Borrower:

You may be eligible to receive a payment of at least $840.00 as a part of the National Mortgage Settlement. My office, our state mortgage regulator, and the federal government have reached a historic settlement with the country's five largest mortgage servicers. **This payment amount is based on 100% of all eligible borrowers submitting claim forms, and therefore the payment you receive will very likely be higher.**

Records show you had a loan serviced by Ally/GMAC and that you may be included in the Settlement because you lost your primary residence to foreclosure between January 1, 2008 and December 31, 2011.

If you choose to participate, the amount you receive will very likely be more than $840.00, depending upon the total number of people who decide to participate, but it will not be less. You also keep your rights to pursue a lawsuit against your mortgage servicer. You may get a payment from this Settlement even if you participate in another foreclosure claims process. However, any payment you receive from this Settlement may reduce payments you may be eligible to receive in any other foreclosure claims process or legal proceeding.

You must file your claim online or mail it using the enclosed prepaid envelope by **January 18, 2013** to get your payment.

Your claim form has been customized for your loan and cannot be used by anyone else. If you choose to file online, you will need your customized claimant ID number (located in the upper right corner) to file a claim.

Please read the enclosed commonly asked questions for more information about the Settlement. If you have further questions:

Re: National Mortgage Settlement

Dear Borrower:

Thank you for filing a claim to receive a payment from the National Mortgage Settlement fund. Your payment is one result of the agreement reached between our office, other state and federal law enforcement officials, and the country's five largest mortgage servicers. Your payment amount is based on the terms of the Settlement and the total number of eligible borrowers who filed claim forms.

Please cash or deposit your payment check as soon as possible. If the check is not cashed within ninety (90) days from the date on the check, it will become null and void and your right to receive the payment will be lost.

If you have any questions regarding your settlement check, please visit the Settlement website at www.nationalmortgagesettlement.com or call the office of the Settlement Administrator toll free 1-866-430-8358 (hearing impaired call 1-866-494-8281), Monday through Friday 7:00 a.m. – 7:00 p.m. Central Time.

AFFIDAVIT OF LOST ASSIGNMENT OF MORTGAGE

STATE OF PA

COUNTY OF Montgomery

BEFORE ME, the undersigned authority, this date personally appeared Jeffrey Stephan Limited Signing Officer, who, being first duly sworn, deposes and says:

1. Affiant is an employee of GMAC MORTGAGE, LLC and is personally familiar with the facts contained herein.

2. The original books and records maintained in the office of the above-named mortgage servicer are in Affiant's custody and control.

3. Affiant made a complete and thorough investigation as to the whereabouts of an original unrecorded assignment of mortgage from NEW CENTURY MORTGAGE CORPORATION ("Assignor") to DEUTSCHE BANK NATIONAL TRUST ("Assignee"), assigning any and all interest of Assignor to the Assignee in that mortgage made by THOMAS C. BEEZLEY, III on 5/24/2004 and recorded in Official Records Book 4358, Page 2883, of the Public Records of LEE, County, Florida; however, such assignment appears to be lost or otherwise missing. Affiant's investigation has included a search of active files, archives, known storage and records facilities.

4. Affiant's investigation has revealed that the original unrecorded assignment of mortgage is lost or missing through no fault of the Assignee, although it appears Assignee was in possession of the instrument at the time it was lost or became missing.
