IN THE UNITED STATES BANKRUPTCY COURT
FOR THE DISTRICT OF DELAWARE

In re	Chapter 11
Achaogen, Inc. Debtor.[1]	Case No. 19-10844 (BLS)

GLOBAL NOTES, METHODOLOGY AND SPECIFIC DISCLOSURES REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

The Schedules of Assets and Liabilities (the "Schedules" or "SOAL") and Statement of Financial Affairs (the "Statement" or "SOFA") filed by Achaogen, Inc. as debtor in possession in the above-captioned chapter 11 case ("Achaogen" or the "Debtor") with the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court") were prepared by the Debtor's management pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and are unaudited.

While the Debtor has made every reasonable effort to ensure that its Schedules and Statement are accurate and complete, based upon information that was available to it at the time of preparation, inadvertent errors or omissions may exist and the subsequent receipt of information and/or further review and analysis of the Debtor's books and records may result in changes to financial data and other information contained in the Schedules and Statement.

The Schedules and Statement have been signed by Nicholas K Campbell, the Debtor's Chief Restructuring Officer and an authorized signatory for the Debtor. In reviewing and signing the Schedules and Statement, Mr. Campbell relied upon the efforts, statements, and representations of various personnel employed by the Debtor and its advisors. Mr. Campbell has not (and could not have) personally verified the accuracy of each statement and representation contained in the Schedules and Statement, including statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Global Notes and Overview of Methodology

1. Reservation of Rights. The Debtor and its advisors who assisted in the preparation of the Schedules and Statement do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the errors or omissions, negligent or otherwise, in preparing, collecting, reporting, or communicating the information contained herein. The Debtor

[1] The last four digits of the Debtor's federal tax identification number are 3693. The Debtor's mailing address for purposes of this Chapter 11 Case is 1 Tower Place, Suite 400, South San Francisco, CA 94080.

and its advisors do not undertake any obligation to notify any third party should the information provided herein be or need to be updated, modified, revised, or re-categorized. In no event shall the Debtor or its advisors be liable to any third party for any direct, indirect, incidental, consequential, or other damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtor or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtor or its advisors are advised of the possibility of such damages. The Debtor reserves all rights to amend and/or supplement the Schedules and Statement from time to time as is necessary and appropriate.

The failure to designate a claim in the Schedules and Statement as "contingent", "unliquidated", or "disputed" does not constitute an admission by the Debtor that such claim or amount is not "contingent", "unliquidated", or "disputed". The Debtor reserves its rights to dispute, or to assert offsets or defenses to, any claim reflected on its Schedules or Statement on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent", "unliquidated", or "disputed". Moreover, the Debtor reserves all of its rights to amend its Schedules and Statement as necessary and appropriate, including, but not limited to, with respect to claim description and designation.

The Debtor has made commercially reasonable efforts to correctly characterize, classify, and categorize claims, assets, executory contracts, among other items reported in the Schedules and Statement. However, due to the complexity and size of the Debtor's business, the Debtor may have improperly characterized, classified, categorized, or designated certain items. The Debtor thus reserves all of its rights to recharacterize, reclassify, recategorize, or re-designate items reported in the Schedules and Statement at a later time as necessary or appropriate as additional information becomes available.

The Schedules, Statement and these Global Notes should not be relied upon by any person for information relating to current or future financial conditions, events or performance of the Debtor. Due to numerous unliquidated, contingent and/or disputed claims, summary statistics in the Schedules, Statement and Global Notes are likely not an accurate representation of the Debtors' liabilities on a GAAP basis, as further described below.

2. Basis of Presentation. The Schedules and Statement are unaudited and do not purport to be financial statements prepared in accordance with generally accepted accounting principles in the United States of America ("U.S. GAAP"), nor were they reconciled with the Debtor's financial statements. These Schedules and Statement represent the Debtor's good faith attempt to comply with the requirements of the Bankruptcy Code and Bankruptcy Rules using commercially reasonable efforts and resources available and are subject to further review and potential adjustment.

3. Confidentiality. Due to concerns of confidentiality or concerns for the privacy of an individual, the Debtor has deemed it appropriate and necessary to avoid listing certain names, addresses and amounts in the Schedules and Statement. Accordingly, there are instances within the Schedules and Statement where names, addresses or amounts have been redacted.

4. Global Notes Control. These Global Notes are in addition to the specific notes set forth in the Schedules and Statement of the Debtor. The fact that the Debtor has prepared Global Notes with respect to a particular Schedule or Statement and not as to others does not reflect and should not be interpreted as a decision by the Debtor to exclude the applicability of such Global Notes to any or all of the Debtor's remaining Schedules or Statement, as appropriate. Disclosure of information in one Schedule, one Statement, or an exhibit or attachment to a Schedule or Statement, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedule, Statement, exhibit, or attachment.

These Global Notes are an integral part of all of the Debtor's Schedules and Statement. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statement. In the event that the Schedules and Statement differ from the Global Notes, the Global Notes shall control.

5. Dates. Unless otherwise noted, all asset and liability balances reported in the Schedules are as of April 15, 2019 (the "Petition Date").

6. Valuation. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtor to obtain current market valuations of all of its assets. Accordingly, unless otherwise indicated, the Schedules and Statement reflect net book values as of the Petition Date. Cash is reported as of the Petition Date on a bank basis. Amounts ultimately realized may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtor reserves all of its rights to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as "undetermined" and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statement.

7. Quantification of Claims. Amounts that were not readily quantifiable by the Debtor were reported as "undetermined" which is not intended to reflect the magnitude of the claim.

8. Claims Paid Pursuant to Court Orders. The Bankruptcy Court authorized the Debtor to pay certain prepetition claims, including but not limited to, insurance payments, certain taxes, employee related claims, including rebates, and critical vendor claims ("Court Orders"). Consequently, certain prepetition fixed, liquidated and undisputed unsecured claims have been paid following the Petition Date. As such, claims against the Debtor for prepetition amounts may have been paid, or have been approved to be paid, as of the time the Schedules and Statement and may not have been included in the Schedules and Statement.

9. Liabilities. The Debtor has sought to allocate liabilities between the pre-petition and post-petition periods based on the information and research conducted in connection with the preparation of the Schedules and Statement. As additional information becomes available and further research is conducted, the allocation of liabilities between the pre-petition and post-petition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement, or otherwise modify the Schedules and Statement as is necessary or appropriate.

10. Exclusions. The Debtor has excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statement, including employee benefit accruals and deferred gains. The Debtor has also excluded potential rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected, to the extent such damage claims may exist. In addition, certain immaterial assets and liabilities may have been excluded.

11. Causes of Action. The Debtor, despite its efforts, may not have listed all of its causes of action against third parties as assets in the Schedules and Statement. The Debtor reserves all of its rights with respect to any causes of action they may have, and neither these Global Notes nor the Schedules and Statement shall be deemed a waiver of any such causes of action.

12. Insiders. For purposes of the Schedules and Statement, the Debtor defined "insiders" as: (a) members of the board of directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares of the Debtor (whether directly or indirectly); and (d) non-Debtor affiliates (being the Debtor's 100% owned subsidiary Achaogen UK Ltd ("UK"), and Achaogen Ireland Limited ("Ireland") which is indirectly held by the Debtor). Persons listed as "insiders" have been included for informational purposes only and by including them in the Schedules, shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code. Moreover, the Debtor does not take any position with respect to: (a) any insider's influence over the control of the Debtor; (b) the management responsibilities or functions of any such insider; (c) the decision making or corporate authority of any such insider; or (d) whether the Debtor or any such insider could successfully argue that he or she is not an "insider" under applicable law or with respect to any theories of liability or for any other purpose.

13. Intercompany Receivables. The Debtor does not have any intercompany trade receivables, intercompany notes receivable and intercompany receivables to be listed in these Schedules and Statements.

14. Leases. The underlying lease agreement(s) are listed on Schedule G and any current amount due under such leases that were outstanding as of the Petition Date are listed on Schedule F. Nothing in the Schedules and Statement is or shall be construed as an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect to such issues.

15. Litigation. The Debtor is subject to lawsuits and claims that arise out of its operations in the normal course of business. Prior to the petition date, the Debtor may or may not have been a party to various legal proceedings, (if so, described in detail in the most recent publicly filed financial statements) which are stayed during the course of the Chapter 11 bankruptcy proceedings. The Debtor has not accrued any amounts for such legal proceedings in the Statement and Schedules.

16. Estimates. To prepare and file the Schedules and Statement in accordance with the deadlines established in this Chapter 11 case, the Debtor was required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported

revenue and expenses. The Debtor reserves all rights to amend the reported amounts of assets, liabilities, revenue and expenses to reflect changes in those estimates and assumptions.

17. Setoffs. The Debtor periodically incurs certain setoffs from customers and suppliers in the ordinary course of business. Setoffs in the ordinary course can result from various items including, but not limited to, pricing discrepancies, returns, refunds and other disputes between the Debtors and their customers and/or suppliers, as well as chargebacks, incentives and other obligations in connection with the Debtor's customer programs. These setoffs are consistent with the ordinary course of business in the Debtor's industry and have been approved by the Bankruptcy Court pursuant to the DEBTOR'S MOTION FOR INTERIM AND FINAL ORDERS PURSUANT TO 11 U.S.C. §§ 105(a), 363, 1107, AND 1108 AND FED. R. BANKR. P. 6003 AND 6004 AUTHORIZING DEBTOR TO (I) HONOR CERTAIN PREPETITION OBLIGATIONS TO CUSTOMERS AND TO CONTINUE CUSTOMER PROGRAMS AND (II) PAY MEDICAID, MEDICARE AND OTHER OBLIGATIONS (Docket No. 7). Therefore, although such setoffs and other similar rights may have been accounted for by the Debtor in the recording of net revenue in accordance with U.S. GAAP, these ordinary course setoffs are not independently accounted for, and as such, are excluded from the Schedules and Statement.

18. Totals. All totals that are included in the Schedules and Statement represent totals of all the known amounts included therein.

19. Employee Addresses. In accordance with ORDER AUTHORIZING DEBTOR TO FILE UNDER SEAL PORTIONS OF ITS CREDITOR MATRIX CONTAINING CERTAIN INDIVIDUAL CREDITOR INFORMATION (Docket No. 206), the addresses of current employees, including those of officers, have been listed as the address of the Debtor, and the addresses of former employees have not been provided.

Specific Disclosures with Respect to the Debtor's Statement of Financial Affairs

Part 1, Question 1. The Debtor's revenue from business represents net revenue from U.S. operations only. Year to date net revenue for the period ended April 15, 2019 is both preliminary and subject to material revision. The Debtor's product sales consist of U.S. sales of ZEMDRI. Upon recognition of gross revenue from product sales of ZEMDRI in the U.S., the Debtor records certain sales reserves and allowances as a reduction to gross revenue (these reserves and allowances are commonly referred to as "gross-to-net" deductions). These reserves and allowances include rebates, chargebacks, cash discounts, and wholesaler distribution fees.

Part 1, Question 2. Non-business revenue includes interest income only.

Part 2, Question 3. Attachment 3 includes any disbursement or other transfer made by the Debtor including certain expenditures paid by the Debtor except for those made to bankruptcy professionals, employees in the ordinary course (disbursements to employees for Paid Time Off ("PTO") on termination and severance are included) and insiders (except to the extent that such employee or insider disbursements were made to Automatic Data Processing, Inc. ("ADP") on account of payroll obligations). Transfers to bankruptcy professionals are included on Attachment 11. Transfers to insiders are included on Attachment 4.

The amounts listed in Attachment 3 reflect the Debtor's disbursements based on check detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Attachment 3. Amounts paid by check are included in Attachment 3 based on the date of issuance. Additionally, certain creditors received payments in their capacity as a third party intermediary for the Debtor; these payments are included as payments to the creditor. ADP is the Debtor's payroll administrator and Attachment 3 reflects disbursements made to ADP on account of the Debtor's payroll obligations, which ADP ultimately disburses to the Debtor's employees or to government or other employment-related parties with respect to deductions made against the employees' gross wages. The disbursements to employees for PTO and/or severance on termination are net of any tax withholding, 401(k) deductions, employee contributions to health insurance and garnishments.

Part 2, Questions 3 and 4. As described more fully in the DEBTOR'S MOTION FOR ENTRY OF INTERIM AND FINAL ORDERS (A) AUTHORIZING THE DEBTOR TO (I) CONTINUE ITS CASH MANAGEMENT SYSTEM, (II) HONOR CERTAIN RELATED PREPETITION OBLIGATIONS, AND (III) MAINTAIN EXISTING BUSINESS FORMS, (B) AUTHORIZING AND DIRECTING THE DEBTOR'S BANK TO HONOR ALL RELATED PAYMENT REQUESTS, (C) SCHEDULING A FINAL HEARING, AND (D) GRANTING RELATED RELIEF (Docket No. 5), the Debtor maintains a centralized cash management system in which the Debtor's receipts from the AR account are transferred into the operating account, which are swept daily into a sweep account which holds excess cash and investments in U.S. Short-term Treasury and government securities. Funds are transferred from the sweep account to the checking account as necessary for disbursements to fund payroll and operations. The cash activity related to the cash management system has been excluded from Attachment 3 and Attachment 4 due to the significant volume and nature of the transactions.

Part 2, Question 4. The amounts listed in Attachment 4 reflect the Debtor's disbursements based on check detail; thus, to the extent a disbursement was made to pay for multiple invoices, only one entry has been listed on Attachment 4. Amounts paid by check are included in Attachment 4 based on the date of issuance. The disbursements to directors and officers are net of any tax withholding, 401(k) deductions, employee contributions to health insurance and garnishments.

Part 2, Question 6. The Debtor does not believe that any involuntary setoffs have occurred within the ninety days preceding the Petition Date but reserve the right to update question six should any involuntary setoffs become known.

Part 3, Question 7. The Debtor does not believe there are any legal disputes or administrative proceedings that are formally recognized by an administrative, juridical, or other adjudicative forum, including audits by federal or state agencies at this time.

Part 4, Question 9. In addition to the charitable contributions listed in Attachment 9, the Debtor may make de minimis gifts or gifts in kind from time to time.

Part 5, Question 10. The Debtor occasionally incurs losses for a variety of reasons, including theft and property damage. The Debtor, however, may not have records of all such losses to the extent such losses do not have a material impact on the Debtor's business or is not reported for insurance purposes.

Part 6, Question 11. Several of the professionals listed on Attachment 11 were providing services to the Debtor beyond debt consolidation or restructuring, relief under the Bankruptcy Code or preparation of a petition in bankruptcy, as such the fees listed may include amounts not associated with the bankruptcy process.

Part 6, Question 13. Certain assets were sold by the Debtor to the listed parties in the ordinary course of business where those assets were no longer needed.

Part 13, Question 25. The Debtor wholly owns two non-debtor subsidiaries, Achaogen UK and Achaogen Ireland.

Part 13, Question 26a. The bookkeepers listed in Attachment 26a span multiple levels within the organization.

Part 13, Question 26d. The Debtor is a registrant with the Securities and Exchange Commission ("SEC") and as such files periodic reports on Form 8-K, Form 10-Q, and Form 10-K. Additionally, financial information for the Debtor can be found on Achaogen's website at www.achaogen.com. Due to the fact the SEC filings and Achaogen's website are of public record, the Debtor does not maintain records for those parties that have requested or obtained copies of any of the reports from the SEC or the Debtor.

The Debtor has provided financial statements in the ordinary course of its business to numerous financial institutions, creditors, and other parties within two years immediately before the Petition Date. Additionally, the Debtor has also provided financial statements to numerous parties who were conducting due diligence during the course of the Debtor's pre-petition sale and financing processes. Considering the number of such recipients and the possibility that in some cases such information may have been shared with parties without the Debtor's knowledge or consent, the Debtor has not disclosed any parties that may have received such financial statements for the purposes of SOFA 26d.

Part 13, Question 27. The amounts listed is related to the value of certain inventories, which the Debtor performed physical inventory counts in December 2018 and therefore does not correspond to the total value of inventory for financial reporting purposes. In addition, the value of such inventory includes only capitalized costs incurred after the FDA approval of the drug product ZEMDRI. The Debtor has provided information and estimates related to the value of such inventory where possible.

Part 13, Question 28. The % of interest listed for each of the directors, officers and controlling shareholders (with a % interest of 5% or greater) in Attachment 28 is estimated as of the Petition Date. The % of interest listed for Directors & Officers is as of 4/12/19. The % of

interest listed for each of the directors, officers and controlling shareholders listed in Attachment 28 are the interests held by them individually and do not represent beneficial ownership.

Specific Disclosures with Respect to the Debtor's Schedules of Assets and Liabilities

Schedule A/B, Part 1, Question 3. Amounts listed in Attachment 3 reflect the general ledger account balances in the respective accounts as of the Petition Date.

Schedule A/B, Part 3, Question 11. The accounts receivable information listed on Schedule A/B, Part 3, Question 11 represents net receivables from the Debtor's customers which are calculated net of any amounts that, as of the Petition Date, may be owed to such customers in the form of chargebacks, returns or other adjustments pursuant to the Debtor's customer program policies and day-to-day operating policies.

The Debtor has disclosed the net book value with respect to net accounts receivable listed on Schedule A/B, Part 3, Question 11, which represents the amount of the net accounts receivable reduced by any "doubtful accounts". For purposes of Schedule A/B, Part 3, Question 11, "doubtful accounts" are those accounts that the Debtor has identified as unlikely to be paid given the amount of time such accounts have been outstanding. Accounts receivable are presented without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages or collateral held by the Debtor, unless otherwise stated.

Schedule A/B, Part 5, Questions 19-22. Inventories are stated at the lower of cost (using a first-in, first-out, or FIFO, basis) or net realizable value.

Schedule A/B, Part 7, Questions 39-42. The value of the office furniture and fixtures and the office equipment included on Attachments 39 and 41 are reflected at the net book value as of the Petition Date.

Schedule A/B, Part 8, Question 50. The value of the laboratory equipment included in Attachment 50 is reflected at the net book value as of the Petition Date.

Schedule A/B, Part 10, Questions 60-65. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated or assigned; have expired by their terms; or otherwise have been transferred pursuant to a sale, acquisition or other transaction. Conversely, inclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have not been abandoned, terminated or assigned; have not expired by their terms; or otherwise have not been transferred pursuant to a sale, acquisition or other transaction. Finally, the Debtor has numerous pieces of unregistered intellectual property which have not been included in Attachments 60-64.

Schedule A/B, Part 11, Questions 73. A determination as to the surrender or refund value of each of the insurance policies has not been made and therefore the balance is listed as undetermined. Additional information regarding the insurance policies listed in Attachment 73 is available in the DEBTOR'S MOTION FOR ENTRY OF INTERIM AND FINAL ORDERS (I)

AUTHORIZING DEBTOR TO (A) CONTINUE PREPETITION INSURANCE PROGRAM; (B) PAY ANY PREPETITION PREMIUMS AND RELATED OBLIGATIONS; AND (C) RENEW OR ENTER INTO NEW INSURANCE ARRANGEMENTS AND/OR PREMIUM FINANCING AGREEMENTS IN THE ORDINARY COURSE OF BUSINESS; AND (II) GRANTING RELATED RELIEF (Docket No. 12).

Schedule A/B, Part 11, Question 75. In the ordinary course of their businesses, the Debtor has or may have accrued, or may subsequently accrue, certain claims, rights to counter-claims, setoffs, refunds or other account adjustments with its customers, suppliers, or other parties due to past or current relationships that the Debtor may assert but not reflect in other Schedules or the Statement. The Debtor, does not know of any such claims at this point in time. Where other such claims are unknown to the Debtor and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11, Question 75.

Schedule D. The Debtors reserves the right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtor may have scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent and priority of any liens. Except as specifically stated herein, real property lessors, utility companies and other parties which may hold security deposits have not been listed on Schedule D. Certain of the Debtor's agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financing agreements. No attempt has been made to identify such agreements for purposes of Schedule D.

Schedule E/F. The Debtor has used its reasonable best efforts to report all general unsecured claims against the Debtor on Schedule E/ F based upon the Debtor's existing books and records as of the Petition Date.

Certain of the claims of state and local taxing authorities set forth in Schedule E/F, ultimately may be deemed to be secured claims pursuant to state or local laws.

Certain of the claims owing to various taxing authorities to which the Debtor may be liable may be subject to ongoing audits. The Debtor reserves its right to dispute or challenge whether claims owing to various taxing authorities are entitled to priority, and the listing of any claim on Schedule E/F does not constitute an admission that such claim is entitled to priority treatment pursuant to section 507 of the Bankruptcy Code.

The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights with regard to such credits, allowances, and other adjustments, including the right to assert claims objections and/or setoffs with respect to the same.

Pursuant to the FINAL ORDER AUTHORIZING THE DEBTOR TO (A) PAY PREPETITION WAGES, SALARIES, AND OTHER COMPENSATION AND (B) PAY PREPETITION PAYROLL TAXES AND BENEFITS AND CONTINUE BENEFIT PROGRAMS IN THE ORDINARY COURSE, (II) DIRECTING BANKS TO HONOR CHECKS FOR PAYMENT OF PREPETITION EMPLOYEE PAYMENT AND PROGRAM OBLIGATIONS, AND (III) GRANTING RELATED RELIEF (Docket No. 164), the Bankruptcy Court granted the Debtor authority to pay or honor certain prepetition obligations for employee wages, salaries, and other compensation, reimbursable employee expenses, employee benefits and independent contractor obligations. Priority claims related to accrued PTO owed to employees have been listed on Schedule E. Unsecured claims related to accrued PTO owed to former employees who have been paid out (or will be paid out) their priority PTO on termination have also been listed on Schedule E as "Undetermined."

Pursuant to the FINAL ORDER AUTHORIZING DEBTOR TO (I) HONOR CERTAIN PREPETITION OBLIGATIONS TO CUSTOMERS AND TO CONTINUE CUSTOMER PROGRAMS AND (II) PAY MEDICAID, MEDICARE AND OTHER OBLIGATIONS (Docket No. 144), the Bankruptcy Court granted the Debtor authority to pay or honor certain prepetition obligations for customers, customer programs and Medicaid, Medicare and certain other obligations. The Debtor has not listed on Schedule E/F any obligations related to customers, customer programs, Medicaid and other obligations that they have paid or for which they have been granted authority to pay and intend to pay pursuant to the Court Order.

Schedule E/F does not include certain deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are, however, reflected on the Debtor's books and records as required in accordance with GAAP. Such accruals are general estimates of liabilities and do not represent specific claims as of the Petition Date. The Debtor has made every effort to include as contingent, unliquidated, or disputed the claim of any vendor not included on the Debtor's open accounts payable that is associated with an account that has an amount not invoiced.

The claims listed in Schedule E/F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Making a determination in relation to the date upon which each claim in Schedule E/F was incurred or arose would be unduly burdensome and cost prohibitive and therefore the Debtors do not list a date for each claim listed on Schedule E/F.

Schedule F reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Schedule G. While commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the "Agreements"), inadvertent errors, omissions or over-inclusion may have occurred. The Debtor may have entered into various other types of Agreements in the ordinary course of its business, such as indemnity agreements, supplemental agreements, amendments/letter agreements, nondisclosure agreements and confidentiality agreements, which may not be set forth on

Schedule G. The Debtor reserves all of its rights with respect to such agreements. Omission of an Agreement from Schedule G does not constitute an admission that such omitted Agreement is not an executory contract or unexpired lease, and Schedule G may be amended at any time to add any omitted Agreement. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease, was in effect on the Petition Date, or is valid or enforceable.

Certain of the Agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, restatement, waivers, letters and other documents that may not be listed separately on Schedule G or that may be listed as a single entry. The Debtor expressly reserves its rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable or separate contracts.

The Agreements listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatement, waivers, estoppel certificates, letters, memoranda, and other documents, instruments and agreements that may not be listed on Schedule G. Further, unless otherwise specified on Schedule G, each Agreement listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatement or other agreements, instruments or other documents that in any manner affect such Agreement, without respect to whether such agreement, instrument or other document is listed separately on Schedule G.

In some cases, the same counterparty appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the Debtors and such counterparty. In some cases, the same supplier or provider may have multiple Agreements listed in Schedule G. These Agreements represent distinct agreements between the Debtor and such supplier or provider, and will be listed as multiple contracts under the same counterparty.

Any and all of the Debtor's rights, claims and causes of action with respect to the Agreements listed on Schedule G are hereby reserved and preserved and, as such, the Debtor hereby reserves all of its rights to, among other things, (i) dispute the validity, status or enforceability of any Agreements set forth on Schedule G, (ii) dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim, including, but not limited to, the Agreements listed on Schedule G, and (iii) amend or supplement such Schedule as necessary.

Certain of the Agreements may not have been memorialized and could be subject to dispute. Further, Agreements that are oral in nature have not been included on Schedule G.

In the ordinary course of business, the Debtor has entered into numerous agreements, both written and oral, regarding the provision of certain services on a month-to-month basis, as well as purchase orders. The Debtor does not believe that such agreements constitute executory contracts and therefore, such agreements are not listed individually on Schedule G. Nevertheless, the Debtor reserves the right to assert that such agreements constitute executory contracts.

Certain of the Agreements listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights. Such rights, powers, duties and obligations are not set forth on Schedule G. In addition, the Debtor may have entered into various other types of agreements in the ordinary course of its business, such as easements, right of way, subordination, nondisturbance and attornment agreements, supplemental agreements, amendments/letter agreements, title agreements and confidentiality agreements. Such documents may not be set forth on Schedule G.

In addition, certain of the Agreements listed on Schedule G may be in the nature of conditional sales agreements or secured financings. The Debtor reserves all of its rights to dispute or challenge the characterization of the structure of any transaction, or any document or instrument (including, without limitation, any intercompany agreement) related to a creditor's claims. Finally certain of the executory agreements may not have been memorialized and could be subject to dispute.

Listing an Agreement on this schedule does not constitute an admission that such contract or agreement is an executory contract or unexpired lease. Any and all of the Debtor’s rights, claims, and causes of action with respect to the Agreements listed on this schedule are hereby reserved and preserved. Official Form 206A/B

Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
