Docket #0867 Date Filed: 06/03/2022

- Office of the Clerk.
United States Bankruptcy Court for the District of Delaware, 824 North Market Street, 3rd Floor Wilmington, DE. 19801
- Debtor: Achaogen Case # 19-10844-BLS Doc 855
- Equity Interest Claims
- Claims # 347; Philip B. Barlow $69,327.92

- If equity interest claim is NOT granted then the court has NOT done its job, the BOD's could have kept this company on the OTC market and avoided bankruptcy. If bankruptcy goes forward the little guy (myself) gets cooked once again and BOD's walk away with a substancial share of money to open business again, essentially crook's with NO shareholder value ever intended!

* My Fidelity ACCT with Achaogen # 00444904 shows Achaogen with a total loss of $69,703.92 my documentation and proof of claim to equity interest settled in full!

Philip B. Barlow
150 N. 300 W.
