III. SUMMARY OF SERVICES RENDERED BY RCD

12. Attached hereto as Exhibits A-1 through A-4 are detailed descriptions of the services performed and expenses incurred by Applicant from June 1, 2026 through September 30, 2026. In summary, Applicant expended 369.7 hours in rendering necessary legal services involving this Chapter 11 proceeding for the period June 1, 2026 through September 30, 2026. The fees total $190,991.50 for the period June 1, 2026 through September 30, 2026 (consisting of $23,117.00 for the month of June, 2026; $44,782.00 for the month of July, 2026; $99,546.50 for the month of August, 2026 and $23,546.00 for the month of September, 2026). Applicant further incurred costs in regard to this proceeding in the amount of $4,857.45 for the period from June 1, 2026 through September 30, 2026 (consisting of $0.00 for the month of June, 2026, $2,635.78 for the month of July, 2026; $2,090.80 for the month of August, 2026 and $130.87 for the month of September, 2026). On Exhibit B, RCD has categorized its time by the project categories recommended by the Guidelines for Compensation and Expense Reimbursement of Professionals (the "Compensation Guidelines") referenced in Rule 2016-1 of the Rules of Practice and Procedure of the United States Bankruptcy Court for the Western District of North Carolina (the "Local Rules"). On Exhibit C, RCD has itemized the costs and expenses incurred on behalf of the Debtors that were billed during the Interim Period.

13. RCD believes that its billing rates for the Interim Period for these cases, which reflect RCD's customary billing rates for the year 2026, should be deemed "reasonable billing rates" for purposes of this Court's determination of the "reasonableness" of the fees for services rendered.

14. Attached hereto as Exhibit D is a summary of this Applicant's prior fee applications.

15. A summary of the professionals/paraprofessionals that have rendered services to the Debtors, which includes each professional's or paraprofessional's title, hourly rate, total number of hours billed and the fees billed, is attached hereto as Exhibit E.

16. Attached as Exhibit F is a background summary of each professional included in this Application.

17. Attached hereto as Exhibits A-1 through A-4 are RCD's detailed invoices for the Interim Period which show on a daily basis the professionals recording time for these cases, how much time was charged for each professional and a description of the services rendered. Whenever in the attached time records, more than one RCD professional is involved or the RCD professionals show interaction with other professionals for the Debtors, each of the RCD professionals are performing distinct tasks for the Debtors and/or work to effectively and efficiently represent the Debtors. Services are provided for each month of the Interim Period and are divided by category of the task performed. To the extent that charges for services rendered or expenses incurred relate to the Interim Period but were not processed prior to the preparation of, or otherwise included in, this Application, RCD reserves the right to request additional compensation for such services and reimbursement of such expenses in future applications.

18. RCD believes that the services it provided to the Debtors during this Interim Period were necessary to the administration of and beneficial to the Debtors' estates. RCD further believes that the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the task addressed.

RCD assisted in the preparation and filing of two joint status reports related to the stayed appeal of denial of a motion to lift the automatic stay filed by certain claimants and assisted co-counsel in analyzing options related to developments relevant to such appeal. RCD assisted the Debtors and co-counsel in a number of matters related to preparation for the Phase 1 Estimation Trial, including assisting co-counsel

in drafting motions *in limine* regarding certain evidence to be presented at the Phase 1 Estimation Trial and drafting a response to the ACC's motion *in limine* with respect to certain of the Debtors' evidence, and drafting motions to seal such motions *in limine* and responses. RCD assisted in reviewing and drafting the Debtors' pre-trial brief filed in advance of the Phase 1 Estimation Trial. RCD attended the Phase 1 Estimation Trial and assisted co-counsel in preparations for each trial day. Finally, RCD assisted co-counsel in analyzing and drafting post-trial submissions addressing certain evidentiary disputes raised during the Phase 1 Estimation Trial.

RCD believes that all of these services have helped to ensure the efficient administration of these cases and compliance with the requirements of the Bankruptcy Code.

V. DESCRIPTION OF DISBURSEMENTS AND EXPENSES INCURRED DURING THE INTERIM PERIOD

30. It is RCD's policy with respect to expenses to charge its clients in all areas of practice for expenses incurred in connection with each client's case.
