FIRST INTERIM APPLICATION OF DIOSZEGHY HENRY DEENIHAN IJEI, LLC FOR ALLOWANCE OF COMPENSATION FOR SERVICES RENDERED AND FOR REIMBURSEMENT OF EXPENSES AS ORDINARY COURSE PROFESSIONAL TO THE DEBTORS FOR THE PERIOD FROM FEBRUARY 1, 2025 THROUGH DECEMBER 31, 2025

Dioszeghy Henry Deenihan Ijei, LLC ("Rasmussen"), an ordinary course professional providing post-petition legal services in connection with defense of asbestos personal injury claims for the above-captioned debtors and debtors in possession (the "Debtors") makes its first interim application for allowance of compensation of $115,569.50 and reimbursement of $49,685.31 in expenses (the "Application") for the period from February 1, 2025 through December 31, 2025 (the "Compensation Period") in accordance with the OCP Order and the *Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 171], as amended on January 23, 2026 [Dkt. 3008] (the "Interim Compensation Order").[2] In support of this Application, Rasmussen respectfully represents as follows:

[1] The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

[2] The amendment to the Interim Compensation Order expressly excludes ordinary course professionals from the scope of the amendment. Accordingly, the amended provisions do not apply to Rasmussen. See [Dkt. 3008] n.3.

Overview

1. Rasmussen professionals and staff expended a total of 554.00 hours during the Compensation Period.

2. During the Compensation Period, Rasmussen did not receive any payments or promises of payment from any source other than the Debtors for services rendered or to be rendered to the Debtors in any capacity whatsoever in connection with the matters covered by this Application. No agreement or understanding exists between Rasmussen or any third person for the sharing of compensation, except as allowed by section 504(b) of title 11 of the United States Code (the "Bankruptcy Code") and Rule 2016 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") with respect to the sharing of compensation between and among the members of Rasmussen.

3. Pursuant to the Interim Compensation Order, included with this Application are: (a) a schedule identifying all Rasmussen professionals and staff who have performed services in the above-captioned reorganization cases (the "Chapter 11 Cases") during the Compensation Period, the capacities in which each individual is employed by Rasmussen, the hourly billing rate charged by Rasmussen for the services performed by each such individual, the aggregate number of hours expended in these cases during the Compensation Period for each professional and staff, the total fees billed therefor; (b) a summary of services by billing category for services rendered by Rasmussen during the Compensation Period; and (c) a schedule summarizing, by category, the actual and necessary disbursements that Rasmussen incurred during the Compensation Period in connection with the performance of professional services for the Debtors and for which it seeks reimbursement.

4. Attached hereto collectively as part of Exhibit A are Rasmussen's itemized monthly time records for professionals and staff performing services for the Debtors during the Compensation Period and, to the extent applicable, Rasmussen's itemized records detailing expenses incurred on behalf of the Debtors during the Compensation Period.

5. This Application complies with sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Interim Compensation Order, the OCP Order, the *Guidelines for Compensation and Expense Reimbursement of Professionals* issued by this Court (the "Compensation Guidelines"), and the Rules of Practice and Procedure of the United States Bankruptcy Court for the Western District of North Carolina (the "Local Rules").

Background

6. On June 18, 2020 (the "Petition Date"), the Debtors commenced their Chapter 11 Cases by filing voluntary petitions for relief under chapter 11 of the Bankruptcy Code. These Chapter 11 Cases have been consolidated for procedural purposes only and are being administered jointly.

7. On June 18, 2020, the Debtors filed the (i) *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion") and (ii) *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the OCP Order granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the Interim Compensation Order granting the relief requested in the Interim Compensation Motion. The Bankruptcy Court further amended the Interim Compensation Order on January 23, 2026.

8. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional (as defined in the OCP Motion) seeks compensation in excess of the aggregate OCP Fee Limit (as defined in the OCP Motion as total fees greater than $500,000 during the pendency of these Chapter 11 Cases), then such Ordinary Course Professional shall file a fee application with the Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Compensation Guidelines, and any and all applicable orders of the Court.

9. Rasmussen is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3, 2020 [Dkt. 204] (the "OCP Declaration"). On or about February 7, 2025, Rasmussen's aggregate fees in the Chapter 11 Cases crossed and exceeded the $500,000 aggregate OCP Fee Limit established in the OCP Order, and as a result, Rasmussen is required to now file interim applications for amounts in excess of such aggregate OCP Fee Limit.

Jurisdiction

10. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue for this matter is proper in this district pursuant to 28 U.S.C. § 1409.

Summary of Services

11. The professional services performed by Rasmussen were necessary and appropriate to the administration of the Debtors' Chapter 11 Cases, as described in detail below and in Exhibit A. These services were in the best interests of the Debtors and other parties in interest. The compensation requested is commensurate with the complexity and nature of the issues and tasks involved.

12. All of the services for which compensation is requested hereunder were rendered at the request of and solely on behalf of the Debtors, and not on behalf of any other entity.

Also on July 15, 2020, the Bankruptcy Court entered the *Order Establishing Procedures for Interim*

1 The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

2 Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

Compensation and Reimbursement of Expenses of Retained Professionals [Dkt. 171] (the "Interim Compensation Order").

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

4. Rasmussen Dickey Dioszeghy Henry Ijei, LLC ("Rasmussen") is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3,

2020 [Dkt. 204]. Rasmussen provides post-petition legal services in connection with defending against asbestos personal injury claimants in various state courts, as well as services related to the estimation authorized by the Bankruptcy Court pursuant to the *Order Authorizing Estimation of Asbestos Claims* [Dkt. 1127]. On or around February 7, 2025, Rasmussen exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.[3]

5. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Rasmussen's Monthly Statement for **March 2025** is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees and expenses sought by Rasmussen for the month of **March 2025**. For services provided in **March 2025** Rasmussen has incurred fees totaling **$11,016.50**. During the month of **March 2025**, Rasmussen has incurred **$2,875.00** in reimbursable expenses.

6. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **February 2, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$9,914.85**) and 100% of the expenses (**$2,875.00**) for **March 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

---

[3] Rasmussen received inadvertent payments that exceeded the OCP Fee Limit on account of certain of its invoices in these cases. As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

Dated: January 20, 2026

Respectfully submitted,

Kurt Rasmussen

On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the *Order Establishing Procedures for Interim*

1 The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

2 Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

Compensation and Reimbursement of Expenses of Retained Professionals [Dkt. 171] (the "Interim Compensation Order").

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

4. Rasmussen Dickey Dioszeghy Henry Ijei, LLC ("Rasmussen") is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3,

2020 [Dkt. 204]. Rasmussen provides post-petition legal services in connection with defending against asbestos personal injury claimants in various state courts, as well as services related to the estimation authorized by the Bankruptcy Court pursuant to the *Order Authorizing Estimation of Asbestos Claims* [Dkt. 1127]. On or around February 7, 2025, Rasmussen exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.[3]

5. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Rasmussen's Monthly Statement for **April 2025** is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees and expenses sought by Rasmussen for the month of **April 2025**. For services provided in **April 2025** Rasmussen has incurred fees totaling **$17,437.00**. During the month of **April 2025**, Rasmussen has incurred **$6,559.34** in reimbursable expenses.

6. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **February 20, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$15,693.30**) and 100% of the expenses (**$6,559.34**) for **April 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

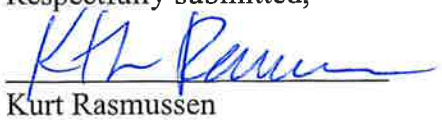

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

---

[3] Rasmussen received inadvertent payments that exceeded the OCP Fee Limit on account of certain of its invoices in these cases. As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

Dated: February 5, 2026

Respectfully submitted,

Kurt Rasmussen

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **March 23, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$8,070.3**) and 100% of the expenses (**$8,875.00**) for **May 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

---

[3] Rasmussen received inadvertent payments that exceeded the OCP Fee Limit on account of certain of its invoices in these cases. As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

NOTICE OF ORDINARY COURSE PROFESSIONAL FEES OF RASMUSSEN DICKEY DIOSZEGHY HENRY IJEI, LLC IN EXCESS OF MONTHLY OCP FEE LIMIT

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 18, 2020, Aldrich Pump LLC and Murray Boiler LLC, as debtors and debtors in possession (together, the "Debtors") filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion")[2] and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the *Order Establishing Procedures for Interim*

1 The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

2 Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

Compensation and Reimbursement of Expenses of Retained Professionals [Dkt. 171] (the "Interim Compensation Order").

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

4. Rasmussen Dickey Dioszeghy Henry Ijei, LLC ("Rasmussen") is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3,

2020 [Dkt. 204]. Rasmussen provides post-petition legal services in connection with defending against asbestos personal injury claimants in various state courts, as well as services related to the estimation authorized by the Bankruptcy Court pursuant to the *Order Authorizing Estimation of Asbestos Claims* [Dkt. 1127]. On or around February 7, 2025, Rasmussen exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.[3]

5. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Rasmussen's Monthly Statement for **June 2025** is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees and expenses sought by Rasmussen for the month of **June 2025**. For services provided in **June 2025** Rasmussen has incurred fees totaling **$13,740.00**. During the month of **June 2025**, Rasmussen has incurred **$8,875.00** in reimbursable expenses.

6. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **April 13, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$12,366**) and 100% of the expenses (**$8,875.00**) for **June 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

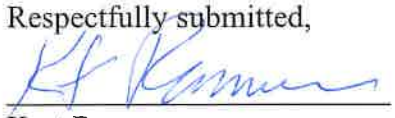

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

ALDRICH PUMP LLC, *et al.*,[1]	Case No. 20-30608 (LMJ)
Debtors.	(Jointly Administered)

NOTICE OF ORDINARY COURSE PROFESSIONAL FEES OF RASMUSSEN DICKEY DIOSZEGHY HENRY IJEI, LLC IN EXCESS OF MONTHLY OCP FEE LIMIT

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 18, 2020, Aldrich Pump LLC and Murray Boiler LLC, as debtors and debtors in possession (together, the "Debtors") filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion")[2] and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the *Order Establishing Procedures for Interim*

1 The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

2 Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

Compensation and Reimbursement of Expenses of Retained Professionals [Dkt. 171] (the "Interim Compensation Order").

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

4. Rasmussen Dickey Dioszeghy Henry Ijei, LLC ("Rasmussen") is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3,

2020 [Dkt. 204]. Rasmussen provides post-petition legal services in connection with defending against asbestos personal injury claimants in various state courts, as well as services related to the estimation authorized by the Bankruptcy Court pursuant to the *Order Authorizing Estimation of Asbestos Claims* [Dkt. 1127]. On or around February 7, 2025, Rasmussen exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.[3]

5. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Rasmussen's Monthly Statement for **July 2025** is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees and expenses sought by Rasmussen for the month of **July 2025**. For services provided in **July 2025** Rasmussen has incurred fees totaling **$9,643.50**. During the month of **July 2025**, Rasmussen has incurred **$8,250.00** in reimbursable expenses.

6. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **April 30, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$8,679.15**) and 100% of the expenses (**$8,250.00**) for **July 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

---

[3] Rasmussen received inadvertent payments that exceeded the OCP Fee Limit on account of certain of its invoices in these cases. As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

Dated: April 16, 2026

Respectfully submitted,

Kurt Rasmussen

Debtors.	(Jointly Administered)

NOTICE OF ORDINARY COURSE PROFESSIONAL FEES OF RASMUSSEN DICKEY DIOSZEGHY HENRY IJEI, LLC IN EXCESS OF MONTHLY OCP FEE LIMIT

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 18, 2020, Aldrich Pump LLC and Murray Boiler LLC, as debtors and debtors in possession (together, the "Debtors") filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion")[2] and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the *Order Establishing Procedures for Interim*

1 The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

2 Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

Compensation and Reimbursement of Expenses of Retained Professionals [Dkt. 171] (the "Interim Compensation Order").

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

4. Rasmussen Dickey Dioszeghy Henry Ijei, LLC ("Rasmussen") is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3,

2020 [Dkt. 204]. Rasmussen provides post-petition legal services in connection with defending against asbestos personal injury claimants in various state courts, as well as services related to the estimation authorized by the Bankruptcy Court pursuant to the *Order Authorizing Estimation of Asbestos Claims* [Dkt. 1127]. On or around February 7, 2025, Rasmussen exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.[3]

5. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Rasmussen's Monthly Statement for **August 2025** is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees and expenses sought by Rasmussen for the month of **August 2025**. For services provided in **August 2025**, Rasmussen has incurred fees totaling **$10,126.00**. During the month of **August 2025**, Rasmussen has incurred **$5,505.75** in reimbursable expenses.

6. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **May 19, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$9,113.40**) and 100% of the expenses (**$5,505.75**) for **August 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

---

[3] Rasmussen received inadvertent payments that exceeded the OCP Fee Limit on account of certain of its invoices in these cases. As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

Dated: May 5, 2026

Respectfully submitted,

Kurt Rasmussen

Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

4. Rasmussen Dickey Dioszeghy Henry Ijei, LLC ("Rasmussen") is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3,

2020 [Dkt. 204]. Rasmussen provides post-petition legal services in connection with defending against asbestos personal injury claimants in various state courts, as well as services related to the estimation authorized by the Bankruptcy Court pursuant to the *Order Authorizing Estimation of Asbestos Claims* [Dkt. 1127]. On or around February 7, 2025, Rasmussen exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.[3]

5. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Rasmussen's Monthly Statement for **September 2025** is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees and expenses sought by Rasmussen for the month of **September 2025**. For services provided in **September 2025** Rasmussen has incurred fees totaling **$11,314.00**. During the month of **September 2025**, Rasmussen has incurred **$1,000.00** in reimbursable expenses.

6. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **July 10, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$10,182.60**) and 100% of the expenses (**$1,000.00**) for **September 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

---

[3] Rasmussen received inadvertent payments that exceeded the OCP Fee Limit on account of certain of its invoices in these cases. As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

NOTICE OF ORDINARY COURSE PROFESSIONAL FEES OF RASMUSSEN DICKEY DIOSZEGHY HENRY IJEI, LLC IN EXCESS OF MONTHLY OCP FEE LIMIT

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 18, 2020, Aldrich Pump LLC and Murray Boiler LLC, as debtors and debtors in possession (together, the "Debtors") filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion")[2] and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the *Order Establishing Procedures for Interim*

[1] The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

[2] Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

Compensation and Reimbursement of Expenses of Retained Professionals [Dkt. 171] (the "Interim Compensation Order").

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

NOTICE OF ORDINARY COURSE PROFESSIONAL FEES OF RASMUSSEN DICKEY DIOSZEGHY HENRY IJEI, LLC IN EXCESS OF MONTHLY OCP FEE LIMIT

PLEASE TAKE NOTICE OF THE FOLLOWING:

1. On June 18, 2020, Aldrich Pump LLC and Murray Boiler LLC, as debtors and debtors in possession (together, the "Debtors") filed (i) the *Motion of the Debtors for an Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 17] (the "OCP Motion")[2] and (ii) the *Motion of the Debtors for an Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Retained Professionals* [Dkt. 18] (the "Interim Compensation Motion"), each with the United States Bankruptcy Court for the Western District of North Carolina (the "Bankruptcy Court"). On July 15, 2020, the Bankruptcy Court entered the *Order Authorizing the Retention and Compensation of Professionals Utilized by the Debtors in the Ordinary Course of Business* [Dkt. 170] (the "OCP Order") granting the relief requested in the OCP Motion. Also on July 15, 2020, the Bankruptcy Court entered the *Order Establishing Procedures for Interim*

1 The Debtors are the following entities (the last four digits of their respective taxpayer identification numbers follow in parentheses): Aldrich Pump LLC (2290) and Murray Boiler LLC (0679). The Debtors' address is 800-E Beaty Street, Davidson, North Carolina 28036.

2 Capitalized terms not otherwise defined herein shall have the meanings given to them in the OCP Motion.

Compensation and Reimbursement of Expenses of Retained Professionals [Dkt. 171] (the "Interim Compensation Order").

2. Pursuant to paragraph 3(l) of the OCP Order, to the extent that an Ordinary Course Professional seeks compensation in excess of the aggregate OCP Fee Limit (*i.e.*, greater than $500,000 during the pendency of these chapter 11 cases), then such Ordinary Course Professional shall file a fee application with the Bankruptcy Court for any such excess amount in accordance with the Bankruptcy Code, the Bankruptcy Rules, the Rules of Practice and Procedure of the Bankruptcy Court, and the *Guidelines for Compensation and Expense Reimbursement of Professionals* promulgated by the Bankruptcy Court, and any and all applicable orders of the Bankruptcy Court.

3. Pursuant to paragraph 2 of the Interim Compensation Order, the party seeking compensation under such order shall serve a "Monthly Statement" on the Notice Parties setting forth the full amount of fees sought in such month. If any Notice Party has an objection to the fees sought in a particular Monthly Statement, such party shall, no later than the 14th day following the service of such Monthly Statement, serve upon the Debtors, the relevant party seeking compensation, and the other Notice Parties a written objection setting forth the nature of the objection (a "Fee Objection"). Under this procedure, the Fee Objection is served on the Notice Parties, but is not filed with the Bankruptcy Court. If no timely Fee Objection is served, the Debtors shall promptly pay an amount (the "Authorized Payment") equal to the lesser of (i) 90% of the fees and 100% of the expenses requested in the Monthly Statement (the "Maximum Payment") and (ii) the aggregate amount of fees and expenses not subject to an unresolved objection pursuant to paragraph 2(g) of the Interim Compensation Order.

4. Rasmussen Dickey Dioszeghy Henry Ijei, LLC ("Rasmussen") is an Ordinary Course Professional that filed its *Declaration of Ordinary Course Professional* on August 3,

2020 [Dkt. 204]. Rasmussen provides post-petition legal services in connection with defending against asbestos personal injury claimants in various state courts, as well as services related to the estimation authorized by the Bankruptcy Court pursuant to the *Order Authorizing Estimation of Asbestos Claims* [Dkt. 1127]. On or around February 7, 2025, Rasmussen exceeded the OCP Fee Limit in fees in connection with the services provided to the Debtors in these chapter 11 cases.[3]

5. In accordance with the procedures established by both the OCP Order and the Interim Compensation Order, Rasmussen's Monthly Statement for **November 2025 and December 2025** is attached hereto as Exhibit 1. This Monthly Statement details the full amount of fees sought by Rasmussen for the months of **November 2025 and December 2025**. For services provided in **November 2025 and December 2025** Rasmussen has incurred fees totaling **$978.00**. During the months of **November 2025 and December 2025**, Rasmussen incurred no expenses.

6. If no Fee Objections are received by the Debtors, Rasmussen, and the other Notice Parties prior to **August 14, 2026**, the Monthly Statement shall be deemed approved and Rasmussen may be paid the Authorized Payment under the Interim Compensation Order, which if no objection is served, would be 90% of the fees (**$880.20**) for **November 2025 and December 2025**. Rasmussen will file Interim Fee Applications with the Bankruptcy Court in accordance with the terms of the Interim Compensation Order.

---

[3] Rasmussen received inadvertent payments that exceeded the OCP Fee Limit on account of certain of its invoices in these cases. As noted in the Debtors' *Quarterly Report of Ordinary Course Professionals for the Period from July 1, 2025, through September 30, 2025* [Dkt. 2903], now that the OCP Fee Limit has been exceeded, Rasmussen is serving these and all future invoices in accordance with the Interim Compensation Order.

7. If a timely Fee Objection is received, any disputed portion of Rasmussen's fees shall be paid upon resolution by the parties or determination by the Bankruptcy Court as described in both the OCP Order and the Interim Compensation Order.

Respectfully submitted,
