11.3. Description of debentures

Emergência Participações S.A.

On September 15, 2022, the Management of the direct subsidiary Emergência Participações S.A. at the Company's Extraordinary General Meeting, deliberated and approved the 2nd issue of simple debentures, not convertible into shares, unsecured, with additional personal guarantee, in a single series, worth R$ 250,000. The funds raised were used to replenish the Company's cash and general corporate uses.

The debentures have final maturity in September 2028, payment of the principal will be made in 4 consecutive annual installments, the first in September 2025 and interest will be paid semi-annually, with the first payment in June 2023.

Considering the financial cost of the contracts (16.65% p.a. of implicit interest), on March 20, 2024, the direct subsidiary Emergência Participações S.A. made the advance payment of 36 installments due from the 1st issue of simple debentures, not convertible into shares in the amount of R$233,738. Of the total amount paid, R$7,067 refers to the contractual fine for the financial advance and is recorded in the financial result, according to explanatory note nº 21.

11.4. Contractual restrictions and covenants

The Company has certain obligations, including compliance with financial indices (covenants). They are basically linked to the Net Debt / EBITDA* compliance ratio, which must be measured every six months by the Company.

In addition, the Company must notify in advance of incorporation, merger, spin-off or corporate reorganization, liquidation, extinction or dissolution, capital reduction, distribution of dividends above the mandatory minimum or any transfer of assets of the Company and its subsidiaries, as well as an entry with a request for judicial recovery.

As of December 31, 2024, there were no events that could lead to breach of contract.

(*) EBITDA: or EBITDA, refers to earnings before financial results, income tax and social contribution and depreciation and amortization, considering the accumulated pro forma result, with the results under the control of the pro forma Company.

15. Provision for contingencies and judicial deposits

DX-003

15.1. Breakdown

As of December 31, 2024 and December 31, 2023, the subsidiaries had the following liabilities, related to contingencies:

Provision Probable contingencies:	December 31, 2024	December 31, 2023
Labor and social security contingencies	418	393
	418	**393**

The Company is a party to labor, social security and civil lawsuits and has been discussing these matters in both the administrative and judicial scopes and, when applicable, said lawsuits are mostly backed by appeal-related judicial deposits.

Judicial deposits are classified in other accounts receivable in non-current assets.

The respective provisions for contingencies were set up considering the estimates made by the legal advisors, for lawsuits whose likelihood of loss in the respective outcomes was assessed as 'probable'.

Company Management believes that resolving these issues will not have an effect significantly different from the provisioned amount.

15.2. Rollforward of provision for contingencies

Changes in provision for contingencies As of December 31, 2024, and December 31, 2023, are as follows:

	Consolidated
(=) Balance at January, 1st 2023	**607**
(+) Business combination	18

(+) Provisions made during the year	41
(-) Provisions reversed during the year	(16)
(=) Balance at December 31, 2024	**418**

15.3. Descriptions of contingencies

Labor and social security contingencies refer to lawsuits filed by former employees linked to funds arising from the employment relationship and to various claims for damages.

Civil claims refer to lawsuits filed by former suppliers and partners related to compensation for property damages arising from the commercial relationship that existed with the Group Reponse companies.

On December 31, 2022, Management reassessed the criteria for provision for labor contingencies considering the risk of loss in each lawsuit and started recording the estimated amount of probable loss in each request made in the lawsuits.

The Company has labor contingencies classified as a possible loss As of December 31, 2024, in the amount estimated by its legal advisors of R$1,256 (as of December 31, 2023, in the amount of R$982).

The remuneration of key personnel is recorded in profit or loss under employee benefits.

Loans

They comprise checking account transactions carried out exclusively between wholly owned subsidiaries of the Group Response's parent company, Ambipar Participações e Empreendimentos S.A., i.e., subsidiaries over which the parent company has full control. These transactions, whose contracts are for an indefinite period and without remuneration, are carried out and are characterized by the concept of cash centralization, i.e., single cash, aiming at better management of financial resources for the Ambipar Group.

Obligations due to acquisition of investments

The settlement of obligations of Ambipar subsidiaries in certain corporate transactions through the delivery of shares of the Company generated a related party with the subsidiaries of R$91,320, as mentioned in explanatory note 1.2, in Relevant events of the years.

Prepaid Expenses

As of December 31, 2024, the amount of R$ 7,120 thousand (R$ 6,730 thousand as of December 31, 2023) is recorded under "Prepaid Expenses," referring to amounts to be reimbursed by the shareholder of the indirectly controlled entity Ambipar Dracares. This amount relates to liabilities assumed by the Company, the triggering event of which occurred prior to the acquisition of Ambipar Dracares by its subsidiary Emergência Participações.

Commercial transactions

Related parties linked to the Chilean non-controlling shareholder, which has strictly business transactions, i.e., entered into for the purpose of providing environmental services, leases, as well as providing emergency response services. For the execution of such transactions, the commercial conditions of the local market are followed.

Transaction with HPX

On March 3, 2023, the Company completed the transaction with HPX Corp, pursuant to the terms of the Business Combination Agreement entered into on July 5, 2022 by the Company, together with its subsidiaries, Emergência Participações, Ambipar Emergency Response and Ambipar Merger Sub. As a result, Emergência Participações became a wholly owned subsidiary of Ambipar Emergency Response.

Ambipar Emergency Response (AMBI) is classified as a foreign private issuer, emerging growth company and non-accelerated filer with shares listed on the New York Stock Exchange (NYSE American).

The completion of the Transaction involved a capital contribution of R$906.8 million equivalent to US$174.2 million in AMBI, of which: (i) R$48.1 million equivalent to US$9.2 million from the HPX trust account , (ii) R$595.9 million equivalent to US$114.5 million from private investors in the PIPE (Private Investment in Public Equity) structure, (iii) capitalization of R$262.8 million equivalent to US$50.5 million loan that the Emergency had with the Company. As a result, the Company now holds a 70.8% stake in AMBI after the conclusion of the SPAC process.

Accounting impacts

a) Stock listing expense

The Transaction is not within the scope of IFRS 3 - Business Combination since HPX was a special purpose entity for the acquisition of businesses and did not meet the definition of business by the standard, thus being accounted for in accordance with the standard IFRS 2 – Share-Based Payment. According to this rule, AMBI recognized a single non-cash expense of R$ 100.9 million equivalents to US$ 19.4 million as a listing expense (Listing Expenses), based on the difference between the value of the AMBI shares issued to HPX shareholders and the fair value of HPX's identifiable net assets. This expense represents the implicit incurred cost of listing AMBI on the NYSE American.

1) Considering the amount of US$9.89 per share on 02/28/23, date of the EGM approving the transaction and exchange of R$5.2037;
2) Fair value estimated based on a Monte Carlo simulation model.

b) Transaction costs

The Company incurred extraordinary expenses of R$18,913 referring to legal, financial, and listing advisors.

c) Earn-out

As part of the Transaction, the Company is entitled to an additional 11,000,000 AMBI shares, to be issued in 2 tranches of 5,500,000 each in case certain objectives are achieved (“Earn-out”). The first tranche will be granted if the AMBI quotation exceeds US$17.0 per share during any 20 trading sessions out of 30 consecutive trading sessions. The second tranche will be granted if the AMBI quotation exceeds US$20.0 per share during any 20 trading sessions out of 30 consecutive trading sessions. If these objectives are not achieved by March 3, 2026, the Earn-out not awarded will be cancelled.

Earn-out is within the scope of IAS 32/IFRS 9 and was classified as a passive derivative financial instrument of AMBI. The subsequent measurement of fair value has been recognized in the equity transaction account in the Company's shareholders' equity. Earn out fair value is calculated according to a Monte Carlo simulation model at each measurement date, using typical inputs equity markets volatility, the price of AMBI shares and time to expiration. As the pricing inputs vary quarterly, so does the earn out fair value Company reorganization.

In 2021, the Company did a reorganization and had 100% of the capital stock of which held the control of investees: Ambipar Holding USA, Ambipar Holding Canada, Ambipar Holding UK, Ambipar Holding Ireland and Inversiones Disal which were part of the group and resulted in an impact of $326,056 in the Company’s equity.

17.2. Profit reserves

Legal reserve

The legal reserve is set up annually by the allocation of 5% of net income for the year and may not exceed 20% of the Company's capital.

The purpose of the legal reserve is to guarantee that the capital is paid up and it is used solely to offset losses and increase capital.

Unrealized profit reserve

The unrealized profit reserve is represented by undistributed profits, due to equity in earnings not realized in its investees.

17.3. Earnings per share

As a result of the corporate reorganization of Ambipar Participações e Empreendimentos S.A. that occurred in 2020, the Company presents these Consolidated Financial Statements considering Ambipar Emergency Response as the ultimate parent company of the Group Response since January 1, 2021. The weighted average of the shares used to calculate the earnings per share represents the movement of the shares of Ambipar Emergency Response in the respective exercises.

Basic

Basic earnings per share are calculated by dividing the income attributable to the Company's shareholders by the weighted average number of shares issued during the year, excluding those shares bought by the Company and held as treasury shares. Any dividends of preferred shares and any premiums paid upon the issue of preferred shares during the year are deducted from the income attributed to the parent company's shareholders.

Earnings per share	December 31, 2024	December 31, 2023	December 31, 2022
Earnings per share operations attributable to shareholders of the parent company before deductions	58,759	17,176	187,875

Basic earnings per share (in Reais)	1.06006	0.19117	0.71730

Diluted

Diluted EPS is calculated by adjusting the earnings and number of shares for the effects of dilutive options and other dilutive potential ordinary shares. The effects of anti-dilutive potential ordinary shares are ignored in calculating diluted EPS. The company has 16,179,990 warrant shares, potential common shares in circulation, so the diluted basic profit is as follows:

Earnings per share	December 31, 2024	December 31, 2023	December 31, 2022
Earnings per share operations attributable to shareholders of the parent company before deductions	58,759	17,176	187,875

Diluted earnings per share (in Reais)	0.82054	0.16623	0.71730

17.4. Accumulated translation adjustment

It substantially refers to exchange variation on foreign investees and goodwill paid on the acquisition of businesses in other countries, whose functional currencies are different from the Company and its subsidiaries.

17.5. Capital transaction

On June 28, 2021, Emergência Participações S.A. acquired 100% of the shares of Inversiones Disal Emergencias S.A. ("Inversiones Disal Emergencia"). Inversiones Disal Emergencia is a holding company with a direct interest of 50% on Suatrans Chile S.A. and, after this transaction, the total interest of Ambipar Emergency Response on Suatrans Chile S.A. is 100%.

Corporate Reorganization – Migration of Founding Partners and Incorporation of Minority Interests

On May 29, 2025, the Board of Directors of Ambipar Participações e Empreendimentos S.A. (“Ambipar Group”), the parent company of Emergency, approved the acquisition of minority stakes held by founding partners on Emergency subsidiaries.

The founding partners exchanged their minority interests in the acquired companies for Ambipar Group shares (AMBP3), along with a cash consideration, payable over three years.

Thus, Ambipar Participações now holds the following stakes in Emergency Subsidiaries:

Percentage of Acquired Companies Held by Founding Partners as of the Closing Date	Percentage of Acquired Companies Held by Founding Partners as of the Closing Date
Ambipar Response Espírito Santo S.A.	30%
Ambipar Response Remediation S.A.	49%
Ambipar Response Emergency Medical Services R S.A.	30%

The completion of the reorganization is subject to applicable corporate approvals, including the Extraordinary General Meeting, scheduled for June 25, 2025.

This reorganization aligns with Ambipar Group's strategy of simplifying the corporate structure, retaining key executives, reducing costs, optimizing tax efficiency, and enhancing the financial profile of its controlled entities. The transaction had no impact on the financial statements as of December 31, 2024, as the related events occurred after the reporting date.

Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are made only as of the date they first issued and are based on current expectations, estimates, forecasts and projections as well as the beliefs and assumptions of management. These statements identify prospective information and may include words such as "believe," "may," "will," "aim," "estimate," "continue," "anticipate," "intend," "expect," "forecast," "plan," "predict," "project," "potential," "aspiration," "objectives," "should," "purpose," "belief," and similar, or variations of, or the negative of such words and expressions, although not all forward-looking statements contain these identifying words.

Forward-looking statements are subject to a number of risks and uncertainties, many of which involve factors or circumstances that are beyond Ambipar Response's control.

Ambipar Response's actual results could differ materially from those stated or implied in forward-looking statements due to a number of factors, including but not limited to: more intense competition than expected, lower addition of new clients, regulatory measures, more investments in our business than expected, and our inability to execute successfully upon our strategic initiatives, among other factors described in "Item 3.D—Key Information--Risk Factors" of Ambipar Response's annual report on Form 20-F for the year ended December 31, 2024 and other public filings it makes with the Securities and Exchange Commission. Ambipar Response does not undertake any obligation to update or revise any forward-looking statements to reflect any change in its expectations with respect to such statements or any changes in events, conditions or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION

In re:	)	Chapter 11
AMBIPAR EMERGENCY RESPONSE,	)	Case No. 25-90524 (ARP)
Debtor.[1]	)	

AMENDED[2] DECLARATION OF THIAGO DA COSTA SILVA
IN SUPPORT OF CHAPTER 11 PETITION

I, Thiago da Costa Silva, pursuant to 28 U.S.C. § 1746, and under penalty of perjury, declare the following to the best of my knowledge, information and belief:

1. I am a director of Ambipar Emergency Response (the "***Debtor***") as debtor in possession in the above-captioned chapter 11 case. As director, I am familiar with the day-to-day operations, business and financial affairs, and books and records of the Debtor.

2. I joined the Debtor in 2022 as director. Prior to joining the Debtor, I served as the chief financial officer and chief investor relations officer of Ambipar Topco (as defined below) from 2020 to 2024, and I am currently the Director of Integration and Finance of Ambipar Topco. Prior to joining Ambipar in 2014, I served as controllership consultant at Camargo Corrêa S.A. from 2012 to 2014, as a senior accounting analyst at the Camargo Corrêa Group from 2007 to 2012, and as an accounting analyst at Dispan Indústria e Comércio Ltda. from 2003 to 2007. I hold a bachelor's degree in accounting from Centro Universitário Salesiano de São Paulo —

[1] The last four digits of the Debtor's taxpayer identification number are 0263. The Debtor's address is P.O. Box 10008, Willow House, Cricket Square, Grand Cayman, KY1-1001, Cayman Islands.

[2] This amended declaration corrects an inadvertent omission in Paragraph 19.

UNISAL and a graduate degree in strategic accounting management and international accounting from Pontifícia Universidade Católica de Campinas — PUC/Campinas.

3. On the date hereof (the "***Petition Date***"), the Debtor filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the "***Bankruptcy Code***"). I submit this declaration (this "***Declaration***") to assist the Court and the parties-in-interest in understanding the circumstances that led to the commencement of this chapter 11 case.

4. All facts set forth in this Declaration are based on: (i) my personal knowledge; (ii) my communications with the Debtor's professional advisors; or (iii) my opinions developed through my overall professional experience and knowledge of the Debtor's history, financial condition, and affairs.

5. I am over the age of 18 and am authorized to submit this Declaration on behalf of the Debtor. If called as a witness, I could and would testify to the matters set forth herein.

PRELIMINARY STATEMENT

6. The Debtor is a subsidiary of Ambipar Participações e Empreendimentos S.A. ("***Ambipar Topco***," together with its direct and indirect subsidiaries, "***Ambipar***" or the "***Company***"). Founded in 1995, Ambipar is now a multinational, global leader in recycling, waste management and emergency response businesses in Brazil and around the world. Ambipar Topco is a Brazilian-domiciled public company, with shares currently listed on the B3 stock exchange in São Paulo, Brazil under the ticker symbol "AMBP3."

7. The Debtor is a Cayman Island-domiciled exempted company with limited liability. It is a holding company with no material operating assets. While approximately 70.8% of its equity, and approximately 96% of its voting power, is held directly by Ambipar Topco, the Debtor

is a public company, and its Class A common shares are currently listed on the NYSE American stock exchange in New York under the ticker symbol "AMBI."

8. Founded in 1995, Ambipar has two primary business segments:

- "***ESG***," which handles, recycles, transports and processes residues and recyclable materials throughout Latin America. The ESG business is primarily located in Brazil, and the entities comprising the ESG business are not subsidiaries of the Debtor.

- "***Response***," which, among other things, operates emergency response command centers to respond to disasters such as wildfires and oil spills. The Debtor is the parent entity for the Response business. Through the Debtor's direct and indirect subsidiaries, Response operates globally, with principal operations in the United States, Brazil, Canada, the United Kingdom, Ireland and Spain.

9. The Debtor is a guarantor of two series of New York-law Green Notes (defined below), issued by Ambipar Lux S.à.r.l. ("***Ambipar Luxco***"), a financing vehicle formed by Ambipar. Although there is approximately $1.05 billion in aggregate outstanding principal amount on the Green Notes, the Debtor's guarantee is limited to a maximum amount of approximately $328,180,000. The Green Notes are also guaranteed by Ambipar Topco and other Brazil-domiciled entities.

10. While the Response business is operationally sound, Ambipar Topco, Ambipar Luxco and certain of their affiliates unrelated to the Response business—generally domiciled in Brazil—are financially distressed. Certain lenders and financial counterparties to Ambipar have asserted defaults under their respective facilities and instruments. On September 24, 2025, Ambipar filed a petition with the Third Business Court of the Capital of Rio de Janeiro (the "***Brazilian Court***") for a "preliminary injunction prior to the main action" (a *Tutela Cautelar Em Caráter Antecedente*) (the "***Preliminary Injunction***") that enjoined certain creditor actions (*e.g.*, assertion of defaults, enforcement of debt and exercise of remedies) for 30 days to permit restructuring negotiations. This injunction was granted on September 25, 2025. Since then,

Ambipar has used the breathing room to begin discussions with holders of its funded debt regarding a consensual restructuring. However, it has become clear that these negotiations will require far longer than the 30 days contemplated by the preliminary injunction.

11. Accordingly, on the date hereof, Ambipar Topco, the substantial majority of its Brazilian subsidiaries, Ambipar Luxco, and the Debtor (collectively, the "***RJ Parties***") commenced a *recuperação judicial* (the "***RJ Proceedings***") in Brazil.

12. **This Chapter 11 case is a parallel, plenary proceeding for the Debtor alongside its RJ Proceeding**. Unlike the other RJ Parties, the Debtor is a U.S.-listed public company with U.S.-law debt held by dozens of bondholders, and subsidiaries operating around the world. Chapter 11 will help protect the direct and indirect assets of the Debtor, ensure fair treatment among the Debtor's stakeholders, and provide a readily-accessible forum for global parties-in-interest to be heard in connection with the Debtor's restructuring. While the Debtor considered commencing a proceeding under Chapter 15, it believes that, at this time, a parallel proceeding under Chapter 11 is in the best interest of its estate and will maximize value for all stakeholders.

13. To reiterate, the Debtor is *not* an operating company and requires no "first day" relief. Response's operating subsidiaries outside of Brazil are *not* obligated on Ambipar's funded debt and do not rely on Brazil, the Debtor or any of the RJ Parties for funding or corporate services. They are not debtors in this Chapter 11 case (or the RJ Proceedings), do not require Court protection, and are expected to operate in the ordinary course during the pendency of this restructuring.

BACKGROUND

A. General Background

14. The Debtor is a holding company incorporated under the laws of the Cayman Islands. The Debtor's registered office is located at CO Services Cayman Limited, P.O. Box

10008, Willow House, Cricket Square, Grand Cayman, KY1-1001, Cayman Islands. The Debtor became a public company through a de-SPAC transaction, which closed on March 3, 2023. The Debtor is currently listed on the NYSE American Exchange under the ticker symbols "AMBI" (Class A common stock) and "AMBIWS" (warrants).

15. The Debtor serves as the parent holding company for the Response business. Its direct parent is Ampibar Topco. Response specializes in environmental services and operates in six main business units: (i) emergency response, (ii) fire response, (iii) marine response, (iv) medical response, (v) industrial response, and (vi) environmental response. Through its operating subsidiaries, Response operates in over 40 countries across six continents, providing standardized services across all regions. Response's U.S. headquarters is located in Houston, Texas where, through its operating subsidiaries, it employs more than 230 people.

16. Indirectly through its wholly-owned subsidiary, Emergência Participações S.A. ("***Emergencia***"), which is an RJ Party, the Debtor owns equity interests in various subsidiaries in the United States and across the globe, through which the Response business operates.

B. Assets and Liabilities

17. As a holding company for the Response business, the Debtor conducts no operations and has no employees. The Debtor's only material assets are (i) its equity interests in Emergencia and (ii) net intercompany receivables that may be owed to it by other entities in the Ambipar corporate group. The Debtor believes that its "center of main interests" (within the meaning of Section 1502(4) of the Bankruptcy Code) is in Brazil, although several of its indirect subsidiaries may have centers of main interests in the United States and other jurisdictions.

18. The Debtor is a limited guarantor on two series of notes issued by Ambipar Luxco, an entity formed as a financing vehicle within the Ambipar corporate structure.[3] Specifically, (i) on February 6, 2024, LuxCo issued unsecured Green Notes maturing February 6, 2031, in an aggregate principal amount of $750 million (the "***2031 Green Notes***"), which bear interest at an annual interest rate of 9.875% and (ii) on February 5, 2025, LuxCo issued unsecured Green Notes maturing February 5, 2033 in an aggregate principal amount of $493 million (the "***2033 Green Notes***," and, together with the 2031 Green Notes, the "***Green Notes***"), which bear an annual interest rate of 10.875%. As of the Petition Date, there is approximately $553 million and $493 million in aggregate principal amount of 2031 Green Notes and 2033 Green Notes, respectively, issued and outstanding. The Green Notes are governed by New York law. The Debtor's guarantees of the Green Notes is in an amount of $200 million for the 2031 Green Notes and $128.2 million for the 2033 Green Notes.

19. Aside from its guarantee of the Green Notes, its guarantee of certain Currency Swaps with Deutsche Bank (each as defined below), and intercompany loans, the Debtor has no other outstanding indebtedness or obligations and is not party to any other material contracts.

C. Equity Ownership

20. The outstanding equity interests in the Debtor consist of: (i) 16,195,105 shares of Class A Ordinary Shares (the "***Class A Shares***"), which are entitled to one (1) vote per share; (ii) 39,234,746 shares of Class B Ordinary Shares (the "***Class B Shares***"), which are entitled to ten (10) votes per share; and (iii) warrants.

[3] Ambipar Luxco is not a debtor in this Chapter 11 case.

21. Approximately 70.8% of the outstanding shares in the Debtor are owned by Ambipar Topco.[4] The remaining outstanding shares in the Debtor are owned by: (i) Opportunity Agro Fundo de Investimento em Participações Multiestratégia Investimento no Exterior ("***Opportunity***"), who obtained shares through a private investment in public equity (24%); (ii) HPX Capital Partners LLC, a Delaware limited liability company, and certain of its affiliates (the sponsor in the de-SPAC transaction) (collectively, "***HPX***") (3.5%); and (iii) other public shareholders (1.7%).

22. As of the Petition Date, Ambipar Topco holds all of the outstanding Class B Shares, representing approximately 96% of the voting power of the Debtor. Further, as part of the de-SPAC transaction, warrants to purchase shares of the Debtor's common stock at an exercise price of $11.50 per share were issued. As of the Petition Date, 16,180,000 public warrants and 676,707 private placement warrants remained outstanding.

23. In addition to myself, the Debtor's board of directors (the "***Board***") consists of the following directors: (i) Tércio Borlenghi Junior, Chairman of the Board; (ii) Guilherme Patini Borlenghi; (iii) Alessandra Bessa Alves de Melo; (iv) Marco Antonio Zanini (Independent Director); (v) Mariana Loyola Ferreira Sgarbi (Independent Director); and (vi) Victor Almeida (Independent Director).

EVENTS LEADING TO THE CHAPTER 11 FILING

A. Financial Distress in Brazil

24. Although Response's operating performance has been strong, beginning in the third quarter of 2025, its Brazilian affiliates have faced increasing financial distress.

[4] Mr. Borlenghi owns approximately 44% of Ambipar TopCo.

25. In September 2025, a sequence of events, including the abrupt resignation of Ambipar's chief financial officer, severely undermined market confidence in Ambipar. As a result, Deutsche Bank S.A. - Banco Alemão ("***Deutsche Bank***"), the counterparty to certain of the Company's currency swap contracts (the "***Currency Swaps***") and an affiliate of the lender on approximately $35 million of loans to the Company (the "***DB Loans***"), demanded that Ambipar post additional collateral under the Currency Swaps.

26. Ambipar disputed and continues to dispute Deutsche Bank's calculation of the collateral requirements under the Currency Swaps.[5] Nonetheless, the Company provided approximately R$170 million ($31.4 million) in additional collateral contributions to Deutsche Bank. However, Deutsche Bank subsequently demanded that Ambipar make an additional collateral contribution of R$60 million by September 25, 2025. In addition, certain other financial institutions, including Banco Santander, notified Ambipar of alleged defaults under their respective financing agreements.

B. The Preliminary Injunction

27. In light of these asserted defaults (and the cross-defaults that would ultimately result on the remainder of Ambipar's funded debt), on September 24, 2025, Ambipar filed a petition for relief with the Brazilian Court seeking the Preliminary Injunction. On September 25, 2025, the Brazilian Court entered the Preliminary Injunction, which, among other things, entered a 30-day stay of creditor enforcement actions and proceedings against all Ambipar entities, globally.

[5] There are other disputes between Ambipar and Deutsche Bank relating to the Currency Swaps, and Ambipar reserves all rights against Deutsche Bank with respect to the Currency Swaps.

C. Key Stakeholders

28. *Noteholders.* Following the public disclosure of the Preliminary Injunction, holders of the Green Notes formed an ad hoc group of noteholders (the "***Ad Hoc Group***"). The Debtor understands that the Ad Hoc Group holds a majority in outstanding principal amount of the Green Notes and is represented by Davis Polk & Wardwell LLP, as legal counsel, and Houlihan Lokey, as financial advisor.

29. *Minority Shareholders*. The Debtor's main minority shareholders, Opportunity and HPX, also have organized. On October 10, 2025, they sent a joint letter (the "***October 10 Letter***") to the board of directors of Ambipar Topco alleging that Ambipar Topco "has exerted undue influence over the Debtor for its own benefit and flouted corporate governance protocols."

30. While the Debtor reserves all rights in connection with the October 10 Letter, it is its hope that this Chapter 11 case, and the governance changes described below, assuage the concerns raised in the October 10 Letter, regardless of the merits of the allegations.

31. *Brazilian Banks*. Certain of the Debtor's affiliates, generally located in Brazil, are obligated on an aggregate amount of more than $117 million (U.S. dollar equivalent) of outstanding Brazilian-law debt to several major Brazilian banks (the "***Brazil Bank Debt***"). The Debtor and its operating subsidiaries are not obligated on the Brazil Bank Debt.

32. *Debenture Holders*. Certain of the Debtor's affiliates, generally located in Brazil, have issued five (5) series of debentures, at varying interest rates and maturities (collectively, the "***Debentures***"). As of June 30, 2025, the outstanding principal amount on the Debentures was approximately R$2.87 billion. The Debtor and its operating subsidiaries are not obligated on the Debentures, although Emergencia is the issuer of two of the series of Debentures, under which approximately R$450 million was outstanding as of June 30, 2025.

33. While the Brazil Bank Debt and the Debentures are not part of this Chapter 11 case, the Debtor understands that they will likely be part of any broader Ambipar debt restructuring.[6]

D. Ambipar Commences the RJ Proceeding and this Chapter 11 Case

34. As mentioned above, on September 25, 2025, the Brazilian Court granted the Preliminary Injunction. Since then, Ambipar has commenced discussions with holders of its funded debt regarding a consensual restructuring. However, it has become clear that these negotiations will require far longer than the 30 days contemplated by the Preliminary Injunction. Consequently, on October 20, 2025, the RJ Debtors commenced the Brazilian RJ Proceeding before the Brazilian Court.

E. Appointment of Independent Director

35. In connection with the commencement of this Chapter 11 case, the Debtor's controlling shareholder, Ambipar Topco, intends to appoint an additional independent director of the Debtor with restructuring expertise (the "***Independent Director***"). Upon their appointment, the expectation is that the Independent Director would be delegated power and authority in connection with any matters in which a conflict of interest exists or is reasonably likely to exist (the "***Conflict Matters***") between (x) the Debtor and (y) Ambipar Topco and its current and former directors, managers, officers, equityholders, employees, advisors, affiliates, or other stakeholders (the "***Related Parties***"), but excluding the Debtor's direct and indirect subsidiaries. The Conflict Matters would include an independent investigation of potential claims and causes of action that

[6] The U.S. holding company for the Response business, Ambipar Holding USA, Inc. ("***Holdings USA***"), an indirect subsidiary of the Debtor, is obligated on a $90 million unsecured loan (the "***Holdings USA Loan***") from Itau BBA International Plc ("***Itau***"), which is guaranteed by Emergencia. Itau has purported to accelerate the Holdings USA Loan; Holdings USA has disputed the acceleration. No other entities are obligated on the Holdings USA Loan, and Holdings USA has no operations. The Debtor hopes to reach a consensual understanding with Itau regarding the Holdings USA Loan, but if necessary, the Debtor is prepared to cause Holdings USA to commence its own Chapter 11 case and would seek joint administration with this case.

the Debtor may hold against the Related Parties. Because of the exigencies of the Debtor's circumstances, the Debtor was unable to appoint the Independent Director prior to the Petition Date; however, the Debtor expects to appoint an Independent Director as soon as practicable in accordance with the Debtor's governing documents.

36. On October 17, 2025, counsel to Ambipar retained FTI Consulting, Inc. ("***FTI***") for a forensic accounting review of Ambipar, and it is the Debtor's expectation that FTI will be made available to the Independent Director for their investigation of Conflict Matters.

I certify under penalty of perjury that, based upon my knowledge, information and belief as set forth herein, the foregoing is true and correct.

PROPOSED COUNSEL TO THE DEBTOR

Certificate of Service

The undersigned hereby certifies that on the 30th day of October, 2025, he caused a true and correct copy of the foregoing document by the Electronic Case Filing System for the United States Bankruptcy Court for the Southern District of Texas.

AMBIPAR EMERGENCY RESPONSE,	)	Case No. 25-90524 (ARP)
Debtor.[1]	)	

DEBTOR'S MOTION FOR ENTRY OF AN ORDER AUTHORIZING THE DEBTOR TO (I) ENTER INTO THE FUNDING AGREEMENT, (II) OPEN BANK ACCOUNTS AND (III) GRANTING RELATED RELIEF

This motion seeks an order that may adversely affect you. If you oppose the motion, you should immediately contact the moving party to resolve the dispute. If you and the moving party cannot agree, you must file a response and send a copy to the moving party. You must file and serve your response within 21 days of the date this was served on you. Your response must state why the motion should not be granted. If you do not file a timely response, the relief may be granted without further notice to you. If you oppose the motion and have not reached an agreement, you must attend the hearing. Unless the parties agree otherwise, the court may consider evidence at the hearing and may decide the motion at the hearing.

Represented parties should act through their attorney.

Ambipar Emergency Response, the above-captioned debtor and debtor in possession (the "Debtor"), respectfully states the following in support of this motion (this "Motion"):

Relief Requested

1. The Debtor seeks entry of an order, substantially in the form attached hereto (the "Order") (i) authorizing the Debtor to enter into that certain Funding Agreement, attached to the Order as Exhibit 1, among the Debtor as Payee and Ambipar Participações e Empreendimentos S.A. ("Ambipar TopCo"), the Debtor's direct parent as Payor, (the "Funding Agreement")

[1] The last four digits of the Debtor's taxpayer identification number are 0263. The Debtor's address is 2346 Avenida Angelica, 5th Floor, São Paulo, SP, 01228-200, Brazil.

DX-011

pursuant to which the Payor has agreed to provide funding to the Payee, including the Mandatory Payment Amount thereunder; (ii) authorizing the Debtor to open the Bank Accounts; and (iii) granting related relief.

Jurisdiction and Venue

2. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, and this is a core proceeding pursuant to 28 U.S.C. § 157(b).

3. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

4. The bases for the relief requested herein are sections 105(a), 345, 363 and 1108 of title 11 of the United States Code (the "Bankruptcy Code"), rule 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and rules 1075-1 and 9013-1(b) of the Bankruptcy Local Rules for the United States Bankruptcy Court for the Southern District of Texas (the "Local Rules"), the *Procedures for Complex Cases in the Southern District of Texas* (the "Complex Case Procedures").

Background

5. On October 20, 2025 (the "Petition Date"), the Debtor filed its voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is managing its assets as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in this chapter 11 case, and no statutory committees have been appointed.[2]

[2] Further information about the Debtor is available in the *Amended Declaration of Thiago da Costa Silva in Support of Chapter 11 Petition* [Docket No. 15] (the "First Day Declaration"). Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the First Day Declaration.

A. The Funding Agreement

6. The Debtor is a holding company that conducts no operations and generates no revenue. It is not part of the various cash management systems of its operating subsidiaries.

7. The Funding Agreement will provide the Debtor with funding for its chapter 11 case: mainly, to pay professional fees along with certain administrative expenses.

8. Under the Funding Agreement, the Debtor may request payments from Ambipar Topco, its direct parent entity. The Debtor may then use the proceeds of the Funding Agreement to pay costs and expenses of the chapter 11 case. Funds provided to the Debtor pursuant to the Funding Agreement are not loans. They will not accrue interest or incur fees and the Debtor will have no obligation to repay them.

9. The aggregate amount that Ambipar TopCo is obligated to fund under the Funding Agreement is capped at $3,000,000 (exclusive of the "Mandatory Funding Amount," as described below). This obligation is subject to the terms and conditions of the Funding Agreement. *See*, *e.g.*, Funding Agreement § 2(d).

10. The only obligation of the Debtor under the Funding Agreement is that it may not use proceeds of the Funding Agreement except for "Permitted Funding Uses" (*i.e.*, to pay professional expenses and other costs of administering this chapter 11 case). *See* Funding Agreement § 4. The Funding Agreement does not preclude the Debtor from seeking out alternative or additional funding for other purposes.

11. Additionally, the Funding Agreement contains a "Mandatory Funding Amount" construct, which functions like a "carveout" provision in a DIP facility. *See* Funding Agreement Section 2(g). Upon certain triggering events (the non-occurrence of which are conditions to ordinary draws), Ambipar TopCo is obligated to fund, and the Debtor is obligated to hold in

reserve: (x) all fees required to be paid to the Clerk of the Court, $50,000 for fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code and all unpaid fees and expenses of the Debtor's professionals and the professionals of any official committees incurred before such time; and (y) $500,000 for the fees and expenses incurred by the Debtor's professionals and the professionals of any official committee incurred after such time.

12. The Debtor does not seek to waive any requirement for professionals seeking payment from the estate to obtain Court approval before such payment is made.

13. The Debtor's independent director, in consultation with his advisors, has approved the Debtor's entry into the Funding Agreement. The Funding Agreement provides the Debtor with postpetition funding at no cost to the estate and is reasonable under the circumstances. Accordingly, approval of the Funding Agreement is in the best interest of the Debtor's estate and the Debtor requests entry of the Order approving the Funding Agreement.

B. The Bank Accounts

14. In order to receive payments under the Funding Agreement and to make disbursements to approved fees of estate professionals (as well as other expenses of the chapter 11 case), the Debtor needs to establish and maintain a new bank account for deposits and disbursements. Additionally, the Debtor must establish and maintain another account to hold the Mandatory Funding Amount in a segregated reserve account, if necessary (collectively, the "Bank Accounts"). The Debtor seeks authority to open and maintain the Bank Accounts as debtor in possession bank accounts, and to only open the Bank Accounts at banks that have executed a Uniform Depository Agreement with the Office of the U.S. Trustee for the Southern District of Texas (the "U.S. Trustee") and are otherwise in compliance with the U.S. Trustee's requirements or guidelines.

Basis for Relief

A. Sections 105, 363(b) and 1108 of the Bankruptcy Code Allow the Debtor to Enter into the Funding Agreement.

15. Section 363(b)(1) of the Bankruptcy Code provides that "[t]he trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b). While it is unclear whether entry into the Funding Agreement constitutes a "use" of estate property (since the Debtor is incurring no costs under the Funding Agreement), a debtor also has authority to enter into non-ordinary course transactions that do not entail a use of property. Specifically, Section 1108 of the Bankruptcy Code authorizes the Debtor to "operate the debtor's business." 11 U.S.C. § 1108. Section 105(a) of the Bankruptcy Code provides that "[t]he court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title," empowering the Court to authorize the Debtor's entry into and performance under the Funding Agreement, whether pursuant to Section 363(b) or Section 1108. 11 U.S.C. § 105(a).

16. Section 364 of the Bankruptcy Code, which governs when a Debtor may obtain credit or incur debt, is inapplicable here because amounts funded under Funding Agreement are not loans and do not give rise to claims against the Debtor. The Debtor respectfully submits that the Court may authorize the Debtor to enter into the Funding Agreement to fund the administration of the Debtor's chapter 11 case.

B. To the Extent that entry into the Funding Agreement Requires Approval under Section 363(b), It Constitutes a Sound Exercise of the Debtor's Business Judgment.

17. A debtor in possession must "satisfy its fiduciary duty to the debtor, creditors and equity holders, [by articulating some] business justification for using, selling, or leasing the property outside the ordinary course of business." *Inst. Creditors of Cont'l Air Lines v. Cont'l Air Lines (In re Continental Air Lines, Inc.)*, 780 F.2d 1223, 1226 (5th Cir. 1986). Great judicial

deference is given to a trustee's exercise of business judgment. *In re Gulf States Steel*, 285 B.R. 497, 516 (Bankr. N.D. Ala. 2002) (citing *In re Bakalis*, 220 B.R. 525, 531-32 (Bankr. E.D.N.Y. 1998)). "'As long as [proposed use of property] appears to enhance a debtor's estate, court approval of a debtor-in-possession's decision to [use property] should only be withheld if the debtor's judgment is clearly erroneous, too speculative, or contrary to the provisions of the Bankruptcy Code[.]'" *Richmond Leasing Co. v. Capital Bank, N.A.*, 762 F.2d 1303, 1309 (5th Cir. 1985) (quoting *Allied Tech., Inc. v. R.B. Brunemann & Sons*, 25 B.R. 484, 495 (Bankr. S.D. Ohio 1982)) (upholding debtor's exercise of business judgment in a decision to assume a lease); *see also In re Crutcher Resources Corp.*, 72 B.R. 628, 631 (Bankr. N.D. Tex. 1987) ("A Bankruptcy Judge has considerable discretion in approving a § 363(b) sale of property of the estate … but the movant must articulate some business justification for the sale.").

18. While Section 363(b) may not apply to entry into an agreement such as this, which does not impose any costs or burdens on the Debtor, to the extent that it does apply, the requirements of Section 363(b) are satisfied. The Debtor, in its sound business judgment and with the approval of its special committee that was appointed to approve conflict matters, has determined that entry into the Funding Agreement is in the best interest of the Debtor's estate and will allow the Debtor to maximize the value of the estate's assets. For the Debtor's restructuring to succeed, it must pay the costs and expenses of administering the chapter 11 case. The Funding Agreement is the best source of funding available to the Debtor: it creates no additional claims against the estate and the only restrictions on the use of proceeds are customary and would be included in any other source financing. Accordingly, entry into the Funding Agreement will benefit the Debtor's estate and is a sound exercise of the Debtor's business judgment.

19. Additionally, the Fifth Circuit "interprets § 105 liberally … ." *Feld v. Zale Corp. (Matter of Zale Corp.)*, 62 F.3d 746, 760 (5th Cir. 1995). As discussed above, entry of the Order is necessary to carry out Sections 363 and 1108 of the Bankruptcy Code. It is also necessary for the Debtor to carry out a successful restructuring and is consistent with the rest of the Bankruptcy Code.

C. Opening and Maintaining the Bank Accounts is in the Best Interest of the Estate and is Required by the U.S. Trustee.

20. Section 345(a) of the Bankruptcy Code governs a debtor's cash deposits during a chapter 11 case and authorizes deposits of money as "will yield the maximum reasonable net return on such money, taking into account the safety of such deposit or investment." 11 U.S.C. § 345(a). For deposits or investments that are not "insured or guaranteed by the United States or by a department, agency, or instrumentality of the United States or backed by the full faith and credit of the United States," section 345(b) of the Bankruptcy Code requires debtors to obtain, from the entity with which the money is deposited, a bond in favor of the United States and secured by the undertaking of an adequate corporate surety, or "the deposit of securities of the kind specified in section 9303 of title 31," unless the court "for cause" orders otherwise. 11 U.S.C. § 345(a)–(b).

21. Similarly, the U.S. Trustee's *Guidelines for Chapter 11 Cases* (the "U.S. Trustee Guidelines") generally require chapter 11 debtors to, among other things, obtain checks for all debtor in possession accounts that have the designation "debtor in possession," and the bankruptcy case number and maintain their bank accounts with a depository bank that agrees to comply with certain requirements of the U.S. Trustee.

22. The Debtor is authorized to keep proceeds of the Funding Agreement in bank accounts by Section 345 of the Bankruptcy Code. Because the accounts will be maintained at an Authorized Depository, the Bank Accounts comply with Section 345(b) of the Bankruptcy Code.

Additionally, the U.S. Trustee Guidelines require the Debtor to open debtor in possession bank accounts. The Bank Accounts are necessary for the Debtor to receive the benefits of the Funding Agreement and administer this chapter 11 case, and opening and maintaining the Bank Accounts is a sound exercise of the Debtor's business judgment.

Request for Waiver of Stay

23. To implement the foregoing successfully, the Debtor seeks a waiver of the fourteen-day stay under Bankruptcy Rule 6004(h), to the extent applicable. As explained herein, the relief requested in this Motion is immediately necessary for the Debtor to be able to preserve the value of the estate.

Notice

24. The Debtor will provide notice of this Motion to the following parties: (a) the Office of the U.S. Trustee for the Southern District of Texas; (b) the holders of the three largest unsecured claims against the Debtor;[3] (c) the United States Attorney's Office for the Southern District of Texas; (d) the Internal Revenue Service; (e) the state attorneys general for states in which the Debtor conducts business; (f) Opportunity Agro Fundo de Investimento em Participações Multiestratégia Investimento no Exterior, a shareholder of the Debtor; (g) HPX Capital Partners LLC, a shareholder of the Debtor; (h) Davis Polk & Wardwell LLP, counsel to an ad hoc group of holders of notes issued by the Debtor; (i) The Bank of New York Mellon, indenture trustee for the series' of notes issued by the Debtor; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtor submits that, in light of the nature of the relief requested, no other or further notice need be given.

[3] As disclosed in Debtor's *List of Creditors Who Have the 30 Largest Unsecured Claims and Are Not Insiders* [Docket No. 14], the Debtor is only aware of three such creditors.

No Prior Request

25. No prior motion for the relief requested herein has been made to this or any other court.

[*Remainder of this page intentionally left blank*]

WHEREFORE, the Debtor respectfully requests that the Court enter the Order, granting the relief requested herein and such other relief as the Court deems appropriate under the circumstances.

Respectfully submitted this 17th day of November 2025.

AMBIPAR EMERGENCY RESPONSE,	)	Case No. 25-90524 (ARP)

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

Ambipar Emergency Response, the above-captioned debtor and debtor in possession (the "Debtor")[2] is filing its Schedules of Assets and Liabilities (each, a "Schedule" and, collectively, the "Schedules") and Statements of Financial Affairs (each, a "Statement" and, collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") with the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code"), rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and rule 1007-1 of the Local Rules of the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Local Rules").

These global notes and statements of limitations, methodology, and disclaimers regarding the Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to, and referenced in connection with, any review of the Schedules and Statements.[3]

The Debtor has historically prepared consolidated quarterly and annual financial statements in accordance with the International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board. The Schedules and Statements are unaudited and reflect the Debtor's reasonable efforts to report certain financial information on a standalone, unconsolidated basis. The financial information contained in the Schedules and Statements is

2 Further information about the Debtor, including factual background regarding its business, capital structure, and debt obligations, and the events leading to the filing of this chapter 11 case, is set forth in the *Amended Declaration of Thiago da Costa Silva in Support of Chapter 11 Petition* [Docket No. 15] (the "First Day Declaration"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

3 These Global Notes supplement, and are in addition to, any specific notes contained in the Debtor's Schedules and Statements.

limited in scope, covers a limited time period, has been prepared solely for the purpose of the Debtor's compliance with disclosure obligations in chapter 11, and is presented on a preliminary and unaudited basis. As such, the Schedules and Statements have not been subject to procedures that would typically be applied to financial statements prepared in accordance with IFRS, generally accepted accounting principles utilized in the United States of America ("GAAP"), or any other accounting standards, nor do the Schedules and Statements include all of the information and notes required by any such accounting standards. Upon the application of such standards, the financial information could be subject to changes, which could be material. These Schedules and Statements neither purport to represent financial statements prepared in accordance with IFRS or GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor.

The Debtor has prepared the Schedules and Statements using the best information presently available, which has been collected, maintained, and prepared in accordance with their historical accounting practices, but which has not been adjusted, audited, or reconciled as information presented in the Debtor's consolidated financial statements is adjusted, audited, or reconciled. The Schedules and Statements generally reflect operations and financial information of the Debtor in a form not maintained by the Debtor in the ordinary course of their business and are not intended to reconcile to the consolidated financial statements prepared by the Debtor. Accordingly, the amounts set forth in the Schedules and Statements may materially differ from the Debtor's historical consolidated financial statements. Because the Debtor's accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income, or expenses have been recorded.

The Debtor is a subsidiary of Ambipar Participações e Empreendimentos S.A. ("Ambipar Topco," collectively with its direct and indirect subsidiaries, the "Ambipar Group"). Ambipar Topco and certain of its subsidiaries (including the Debtor) are party to restructuring proceedings in Brazil (the "RJ Proceedings"). On October 30, 2025, the Brazilian Court entered an order (the "Consolidation Order") in the "RJ Proceedings" substantively consolidating the Debtor with the other "RJ Parties" (each as defined in the First Day Declaration). The Consolidation Order, as well as the scope of relief granted thereunder, is subject to challenge and appeal by certain parties to the RJ Proceedings. The Debtor has prepared its Schedules and Statements on the basis that it has not been consolidated with the other RJ Parties.

In preparing the Schedules and Statements, the Debtor relied on financial and other data derived from its books and records that was available at the time of such preparation. Although the Debtor has made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, errors or omissions may exist. Accordingly, the Debtor and its directors, managers, officers, agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein or the Schedules and Statements. In no event shall the Debtor or its directors, managers, officers, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a

potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its directors, managers, officers, agents, attorneys, and financial advisors are advised of the possibility of such damages.

The Schedules and Statements have been signed by Thiago da Costa Silva, a director of the Debtor. In reviewing and signing the Schedules and Statements, Mr. da Costa Silva has relied upon the efforts, statements, advice, and representations of personnel of the Debtor and its affiliates, and their respective advisors and other professionals. Given the scale of the global business operated by the Debtor and its consolidated affiliates, Mr. da Costa Silva has not (and, practically, could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditors' addresses.

Any audit, any future analysis of the information contained in the Schedules and Statements (or the data there underlying), or subsequent receipt of any information may result in material changes in information requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtor. The Debtor reserves the right to amend, modify, or supplement the Schedules and Statements from time to time as may be necessary or appropriate; provided that the Debtor, its agents, and its advisors expressly do not undertake any obligation to amend, modify, or supplement the information provided herein or to notify any third party should the information be amended, modified, or supplemented in any way, except to the extent required by applicable law.

The Schedules and Statements should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of the Debtor or its affiliates, as the information (including results of operations) contained therein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.

Global Notes and Overview of Methodology

1. **Description of the Debtor's Chapter 11 Case**. The Debtor commenced its voluntary cases under chapter 11 of the Bankruptcy Code on October 20, 2025 (the "Petition Date"). The Debtor is managing its assets as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in this chapter 11 case. The information provided herein, except as otherwise noted, represents the data of the Debtor as of the Petition Date.

2. **Global Notes Control**. In the event that any portion of the Schedules or Statements differs from any portion of the Global Notes, the Global Notes shall control. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

3. **Reservation of Rights**. Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, errors or

omissions may exist. The Debtor reserves all rights to amend, modify, or supplement the Schedules and Statements as may be necessary or appropriate but do not undertake any obligation to do so, except as required by applicable law. Nothing contained in the Schedules, Statements, or Global Notes shall constitute a waiver of rights, including, but not limited to, any rights or claims of the Debtor against any third party or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws (including Brazilian law) to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

a. **No Admission**. Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against any Debtor, any assertion made therein or herein, or a waiver of any of the Debtor's rights to dispute any claim or assert any cause of action or defense against any party.

b. **Claims Listing and Descriptions**. The listing of a claim does not constitute an admission of liability by the Debtor, and the Debtor reserves the right to amend the Schedules and Statements accordingly. Any failure to designate a claim set forth on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on the Schedules and Statements on any grounds, including, but not limited to, amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

c. **Recharacterization**. The Debtor has made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, the Debtor may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases included in the Schedules and Statements were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

d. **Classifications**. The (i) listing of a claim in the Schedules of Liabilities D as "secured," "unsecured," "priority," "unsecured priority," or "unsecured nonpriority" or (iii) listing of a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant or contract counterparty, or a waiver of the Debtor's rights to recharacterize or reclassify such claim or contract pursuant to a schedule

amendment, claim objection or otherwise. Except as provided in an order of the Bankruptcy Court or the Brazilian Court, the Debtor reserves all rights to dispute and challenge the nature, priority, or amount of any creditor's claims or the characterization of the structure of any transaction, or any document or instrument related to any creditor's claim.

e. **Estimates and Assumptions**. To prepare these Schedules and Statements and report information on a legal entity basis, the Debtor was required to make certain reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities and the amount of contingent assets and contingent liabilities as of the Petition Date. The reported amounts of revenue are as of the latest available month-end close, which is October 31, 2025, as a proxy for the Petition Date, but actual results could differ from such estimates. Additionally, payments received post-petition are not reflected in the Schedules and Statements. The Debtor reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

f. **Causes of Action**. Despite reasonable efforts, the Debtor may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws (including Brazilian law) to recover assets. The Debtor reserves all rights with respect to any claim, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power, privilege, license, lien, indemnity, guaranty, interest, damage, remedy, cause of action, proceeding, agreement, or franchise of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured, assertable, directly or derivatively, matured or unmatured, suspected or unsuspected, whether arising before, on, or after the Petition Date, in contract, in tort, at law, in equity, or otherwise. Causes of action also include: (i) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law or in equity; (ii) any claim based on or relating to, or in any manner arising from, in whole or in part, tort, breach of contract, breach of fiduciary duty, violation of local, state, federal, or foreign law (including Brazilian law), or breach of any duty imposed by law or in equity, including, without limitation, securities laws, negligence, and gross negligence; (iii) the right to object to or otherwise contest claims or interests; (iv) claims pursuant to sections 362 or chapter 5 of the Bankruptcy Code; (v) such claims and defenses as fraud, mistake, duress, and usury, and any other defenses set forth in section 558 of the Bankruptcy Code; and (vi) any avoidance actions arising under chapter 5 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including, without limitation, Brazilian law and fraudulent transfer laws, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions, or in any way prejudice or impair the assertion of such claims or causes of action.

g. **Intellectual Property Rights**. The Debtor does not own intellectual property but may use intellectual property owned or licensed by Ambipar Group, which is not included on the Schedules and Statements. Exclusion of such intellectual property shall not be construed to be an admission that any such intellectual property rights attributable to the Debtor have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtor reserves all of its rights with respect to the legal status of any and all intellectual property rights.

h. **Insiders**. The Debtor has attempted to include all payments made on or within twelve months before the Petition Date to any individual (and their relatives) or entity who, in the Debtor's good faith belief, may be deemed an "insider" within the meaning of such term in the Bankruptcy Code. An individual or entity is designated as an "insider" for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to dictate corporate policy and the disposition of corporate assets. The Debtor has also considered the requirements of IFRS and other reporting standards and their public disclosures with respect to designating certain individuals and entities as "insiders" herein.

The only individual insider to whom the Debtor has made any payment in the twelve months before the Petition Date is one member of the Debtor's board of directors, as reflected in Statements Question 4. While Statements Question 4 reflects multiple payments to such individual on the same date, those payments are not duplicative and reflect amounts owed and unpaid for prior months of service as a director.

Prior to the Petition Date, all other directors and officers of the Debtor serve in such capacities in connection with their employment by the Debtor's non-Debtor affiliates. While such individuals may have been compensated in connection with their employment by the Debtor's non-Debtor affiliates, neither the Debtor nor any other party on behalf of the Debtor compensated such individuals for their service as directors or officers, as the case may be, of the Debtor.

The inclusion or omission of a party as an "insider" for the purposes of the Schedules and Statements is for informational purposes and is not intended to be nor should be construed as an admission that those parties are insiders within the meaning of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities included as insiders in the Schedules and Statements may not be used for: (i) the purposes of determining (a) control of the Debtor; (b) the extent to which any individual or entity exercised management responsibilities or functions; (c) corporate decision-making authority over the Debtor; or (d) whether such individual or entity (or the Debtor) could successfully argue that they are not an insider under applicable law, including the Bankruptcy Code and other governing laws, or with respect to any theories of liability or (ii) any other purpose. The Debtor reserves all rights with respect thereto.

4. **Methodology**.

a. **Basis of Presentation**. For financial reporting purposes, the Debtor and its affiliates have historically prepared consolidated financial statements in accordance with the IFRS but, for the purpose of reporting its Schedules and Statements, have provided financial information for the Debtor entity. Accordingly, the assets and liabilities set forth in the Schedules and Statements may be substantially different from financial information that would be prepared on a consolidated basis under IFRS. Therefore, these Schedules and Statements neither purport to represent financial statements prepared in accordance with IFRS nor are they intended to reconcile fully to the financial statements prepared by the Debtor and its affiliates. Unlike the consolidated financial statements, these Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of just the Debtor. Information contained in the Schedules and Statements has been derived from the Debtor's books and records and historical financial statements.

However, due to limitations within the Debtor's accounting systems, it is possible that not all assets, liabilities, or amounts of cash disbursements have been recorded on the Schedules and Statements and assets, liabilities, or cash disbursements may have been omitted from the Schedules and Statements. Accordingly, the Debtor reserves all rights to amend, modify, and/or supplement the Schedules and Statements in these regards, and in any case, the actual terms governing ownership of assets, obligations under liabilities, and amounts of cash disbursements govern the assets, liabilities, disbursements, and other transactions included in the Schedules and Statements.

Given, among other things, the uncertainty surrounding the collection, ownership, and valuation of certain assets and the amount and nature of certain liabilities, the Debtor's report of assets and liabilities shall not constitute an admission that the Debtor was solvent or insolvent on the Petition Date or at any time prior to or after the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtor's enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

b. **Reporting Date**. Unless otherwise noted, the Schedules and Statements generally reflect the Debtor's books and records as of close of business on the Petition Date.

c. **Confidential or Sensitive Information**. There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to concerns about the privacy of certain parties (*e.g.*, names, home addresses, etc.). The alterations will be limited to only what is necessary to protect the Debtor or the applicable third party. The Debtor is authorized or required to redact certain information from the public record pursuant to orders of the Bankruptcy Court

authorizing the Debtor to redact, seal, or otherwise protect such information from public disclosure.[4]

d. **Intercompany Balances**. Receivables owed to the Debtor by certain of its non-Debtor affiliates are reported on Schedule A/B, per the Debtor's unaudited books and records.

The listing of any amounts with respect to such receivables is not, and should not be construed as, an admission or conclusion regarding the amount, allowance, classification, validity, or priority of such account or characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtor reserves all rights, claims, and defenses in connection with any and all intercompany balances, including, but not limited to, with respect to the characterization of intercompany claims, loans, and notes.

e. **Duplication**. Certain of the Debtor's assets, liabilities, prepetition payments, and executory contracts may properly be disclosed in response to multiple parts of the Schedules and Statements. To the extent these disclosures would be duplicative, the Debtor has determined in certain instances to only list such assets, liabilities, and prepetition payments once. In other instances, the same assets, liabilities, prepetition payments, and executory contracts or unexpired leases inadvertently may be listed more than once.

f. **Net Book Value of Assets**. In many instances, current market valuations are not maintained by or readily available to the Debtor. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtor to obtain current market valuations for all assets. As such, unless otherwise indicated, net book values as of October 20, 2025, are presented for all assets. When necessary, the Debtor has indicated that the value of certain assets is "unknown" or "undetermined." The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtor reserves all rights to amend, modify, or supplement the asset values set forth in the Schedules and Statements. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are set forth with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset. Nothing in the Debtor's Schedules and Statements shall be, or shall be deemed to be, an admission that the Debtor was

solvent or insolvent as of the Petition Date or any time prior to, or after, the Petition Date.

g. **Language Translation**. The Debtor conducts business in multiple languages. Solely for the purpose of preparing the Schedules and Statements, and in an effort to promote English-language legibility of certain disclosures, the Debtor has translated certain parties' names, certain terms, conditions, and descriptions of documents or transactions, and certain other terms. Such translations are provided for illustrative purposes only and may contain errors or omissions. In any case, the original-language names, terms, and conditions of any transaction described in the Schedules and Statements govern such transaction in all respects.

h. **Currency and Foreign Currency Conversion**. All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated. The Debtor conducts business in multiple currencies. Solely for the purpose of preparing the Schedules and Statements, non-U.S. currency amounts have been translated using publicly available prevailing foreign-exchange rates corresponding to the respective reporting periods, consistent with the Debtor's historical closing and consolidation process. Such translations are provided for illustrative purposes only and may differ materially from both current market values and market values at the time of the transactions described in the Schedules and Statements. Due to the fluctuations in exchange rates, the individual translation of specific accounts may not perfectly "balance" or "tie" to other amounts set forth in the Schedules and Statements. In any case, the original currency of any transaction described in the Schedules and Statements shall control.

i. **Allocation of Liabilities**. The Debtor, in consultation with its advisors and Ambipar Topco's advisors, have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtor reserves the right to amend, modify, and/or supplement the Schedules and Statements as it deems appropriate in this regard.

j. **Totals**. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as "unknown" or "undetermined." If there are unknown or undetermined amounts, the actual totals may differ materially from the listed totals. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. To the extent the Debtor is a guarantor of debt issued by a non-Debtor affiliate, the amounts reflected in these Schedules may include the Debtor's guarantee obligations.

k. **Guarantees and Other Secondary Liability Claims**. The Debtor has used commercially reasonable efforts to locate and identify guarantees and other secondary liability claims ("Guarantees") in their debt instruments and other

agreements. Where such Guarantees have been identified, they have been included in the relevant Schedules of liabilities. The Debtor reserves the right but is not required, to amend, modify, or supplement the Schedules and Statements if additional Guarantees are identified.

l. **Executory Contracts**. Although the Debtor made diligent efforts to identify all executory contracts and unexpired leases to which the Debtor is the legal counterparty, there may be omissions. Accordingly, the Debtor reserves the right but is not required, to amend, modify, or supplement Schedule G. Additionally, the inclusion of an agreement on Schedule G does not reflect any admission or decision by the Debtor as to whether or not such agreement is executory in nature.

m. **Unliquidated Amounts**. Claim amounts that could not be readily quantified by the Debtor are scheduled as "unliquidated."

n. **Undetermined Amounts**. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

Specific Schedules Disclosures

Schedules A/B, D, E/F, G, and H may contain explanatory or qualifying notes that pertain to the information provided in the Schedules. Those Schedule-specific notes are incorporated herein by reference. Unless otherwise noted, the total assets set forth on the Schedules are derived from amounts included in the Debtor's books and records as of October 20, 2025. To the extent there are unknown or undetermined amounts, the actual total may be different from the total listed.

Part 1 – Cash and Cash Equivalents

Schedule A/B 3 – Checking, Savings, or Other Financial Accounts, CDs, etc. Schedule A/B 3 lists bank account balances at net book value as of the Petition Date.

Part 4 – Investments

Schedule A/B 15 – Investments. Schedule A/B 15 includes the Debtor's only direct subsidiary, Emergência Participações S.A., which is wholly owned by the Debtor. Subsidiaries owned indirectly by the Debtor are not included. Values of the ownership interests in included in Schedule A/B 15 have been set forth at net book value. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from its net book value.

Part 11 – All Other Assets

Schedule A/B 77 – Other Property of Any Kind. Schedule A/B 77 includes receivables owed to the Debtor by certain of its non-Debtor affiliates. The values of such receivables have been set forth at net book value. The fair market value and ultimate collection of such ownership is dependent on numerous variables and factors and may differ significantly from its net book value. Schedule A/B 77 also includes a retainer for local

bankruptcy counsel in the chapter 11 case that was paid by Ambipar Topco on behalf of and for the benefit of the Debtor.

Specific Notes Regarding Schedule D

The Debtor does not have any secured debt obligations. A detailed description of the Debtor's capital structure is set forth in the First Day Declaration.

Specific Notes Regarding Schedule E/F

a. **Part 1 – Creditors with Priority Unsecured Claims**. The Debtor has not historically and does not now maintain records of any claims entitled to priority under the Bankruptcy Code in the ordinary course of business. The exclusion of any claim on Schedule E/F does not constitute an admission by the Debtor that such claim is not entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtor reserves the right to dispute the amount and/or priority status of any claim on any basis at any time.

b. **Part 2 – Creditors with Nonpriority Unsecured Claims**. The liabilities identified in Schedule E/F, Part 2, are derived from the Debtor's books and records. The Debtor made a reasonable attempt to set forth its unsecured obligations, although the actual amount of claims against the Debtor may vary from those liabilities represented in Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

In many cases, the claims set forth on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtor or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome, costly, and inefficient, the Debtor has not listed a specific date or dates for such claim. In addition, Schedule E/F, Part 2 does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that may be rejected, if any, to the extent such damage claims exist. Further, certain accounting reserves relating to the potential exercise of warrants issued by the Company are not reflected in Schedule E/F.

Specific Notes Regarding Schedule G

While the Debtor's existing books, records, and financial systems have been relied upon to identify and schedule executory contracts, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, errors, omissions, or over-inclusions may have occurred. The Debtor does not make, and specifically disclaims, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. Schedule G may be amended, modified, or supplemented at any time to add any omitted Agreements.

The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend, modify, or supplement Schedule G as necessary.

The agreements set forth on Schedule G may have expired or may have been amended, modified, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be included in Schedule G. Further, unless otherwise specified in Schedule G, each executory contract or unexpired lease included therein shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is included thereon.

Omission of a contract or agreement from Schedule G does not constitute an admission, concession, or stipulation that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Likewise, the inclusion of an agreement in Schedule G does not constitute an admission, concession, or stipulation that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable.

Specific Notes Regarding Schedule H

Co-Debtors. The Debtor may not have identified certain guarantees that are embedded in the Debtor's executory contracts, unexpired leases, debt instruments, and other agreements, to the extent applicable. Further, certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtor reserves all rights to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or become unenforceable.

Specific Notes Regarding Statements

a. **Question 1 – Gross Revenue from Business; Question 2 – Non-Business Revenue**. The values reflected in Statements Question 1 and Statements Question 2 reflect revenue through October 31, 2025, and are presented on an accrual basis, not a cash basis.

Non-business revenue in Statements Question 2 includes items such as interest income and equity earnings of investments.

b. **Question 3 – Certain Payments or Transfers to Creditors Within 90 Days Before Filing this Case**. The payments disclosed in Statements Question 3 are based on payments made by the Debtor with payment dates from July 22, 2025, through October 20, 2025. Prepetition amounts still owed to creditors will appear on the Schedules, as applicable.

The response to Statements Question 3 excludes payments set forth on Statement 4.

c. **Question 4 – Payments or Transfers to Insiders**. The information reported on Statements Question 4 is representative of the payments made to insiders during the one year prior to the Petition Date. For the avoidance of doubt, Statements Question 4 may include payments to individuals who may have been insiders at the time they were employed by the Company but are no longer employed by the Company.

d. **Question 11 – Payments Related to Bankruptcy**. All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date, to the extent related to the Debtor, were paid in full by Ambipar Topco or other non-Debtor affiliates prior to the Petition Date.

e. **Question 16 – Personally Identifiable Information**. The Debtor collects a limited amount of information from individuals in the ordinary course of business. The applicable privacy policy of Ambipar Group is available at https://ambipar.com/uk/privacy-policy/.

f. **Question 25 – Other Businesses in which the Debtor Has or Has Had an Interest**. The Debtor's response to Statements Question 25 includes legal entities (including operating businesses) in which the Debtor currently has or historically has had a direct interest.

g. **Question 26 – Books, Records, and Financial Statements**. From time to time, the Debtor may provide certain parties such as banks, auditors, potential investors, vendors, and financial advisors with financial statements. The Debtor does not maintain detailed records tracking such disclosures, and so such parties are not included in Statements Question 26. Additionally, disclosures and filings with the U.S. Securities and Exchange Commission are not included in Statements Question 26.

h. **Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders**. Refer to the Methodology section and Statements Question 4, above, regarding all payments to insiders.

Official Form 206A/B

Schedule A/B: Assets - Real and Personal Property

12/15

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on Schedule G: Executory Contracts and Unexpired Leases (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.

In re:	)	Chapter 11
AMBIPAR EMERGENCY RESPONSE,	)	Case No. 25-90524 (ARP)
Debtor.[1]	)	

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

Ambipar Emergency Response, the above-captioned debtor and debtor in possession (the "Debtor")[2] is filing its Schedules of Assets and Liabilities (each, a "Schedule" and, collectively, the "Schedules") and Statements of Financial Affairs (each, a "Statement" and, collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") with the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code"), rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and rule 1007-1 of the Local Rules of the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Local Rules").

These global notes and statements of limitations, methodology, and disclaimers regarding the Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to, and referenced in connection with, any review of the Schedules and Statements.[3]

The Debtor has historically prepared consolidated quarterly and annual financial statements in accordance with the International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board. The Schedules and Statements are unaudited and reflect the Debtor's reasonable efforts to report certain financial information on a standalone, unconsolidated basis. The financial information contained in the Schedules and Statements is

1 The last four digits of the Debtor's taxpayer identification number are 0623. The Debtor's address is P.O. Box 10008, Willow House, Cricket Square, Grand Cayman, KY1-1001, Cayman Islands.

2 Further information about the Debtor, including factual background regarding its business, capital structure, and debt obligations, and the events leading to the filing of this chapter 11 case, is set forth in the *Amended Declaration of Thiago da Costa Silva in Support of Chapter 11 Petition* [Docket No. 15] (the "First Day Declaration"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

3 These Global Notes supplement, and are in addition to, any specific notes contained in the Debtor's Schedules and Statements.

limited in scope, covers a limited time period, has been prepared solely for the purpose of the Debtor's compliance with disclosure obligations in chapter 11, and is presented on a preliminary and unaudited basis. As such, the Schedules and Statements have not been subject to procedures that would typically be applied to financial statements prepared in accordance with IFRS, generally accepted accounting principles utilized in the United States of America ("GAAP"), or any other accounting standards, nor do the Schedules and Statements include all of the information and notes required by any such accounting standards. Upon the application of such standards, the financial information could be subject to changes, which could be material. These Schedules and Statements neither purport to represent financial statements prepared in accordance with IFRS or GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor.

The Debtor has prepared the Schedules and Statements using the best information presently available, which has been collected, maintained, and prepared in accordance with their historical accounting practices, but which has not been adjusted, audited, or reconciled as information presented in the Debtor's consolidated financial statements is adjusted, audited, or reconciled. The Schedules and Statements generally reflect operations and financial information of the Debtor in a form not maintained by the Debtor in the ordinary course of their business and are not intended to reconcile to the consolidated financial statements prepared by the Debtor. Accordingly, the amounts set forth in the Schedules and Statements may materially differ from the Debtor's historical consolidated financial statements. Because the Debtor's accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income, or expenses have been recorded.

The Debtor is a subsidiary of Ambipar Participações e Empreendimentos S.A. ("Ambipar Topco," collectively with its direct and indirect subsidiaries, the "Ambipar Group"). Ambipar Topco and certain of its subsidiaries (including the Debtor) are party to restructuring proceedings in Brazil (the "RJ Proceedings"). On October 30, 2025, the Brazilian Court entered an order (the "Consolidation Order") in the "RJ Proceedings" substantively consolidating the Debtor with the other "RJ Parties" (each as defined in the First Day Declaration). The Consolidation Order, as well as the scope of relief granted thereunder, is subject to challenge and appeal by certain parties to the RJ Proceedings. The Debtor has prepared its Schedules and Statements on the basis that it has not been consolidated with the other RJ Parties.

In preparing the Schedules and Statements, the Debtor relied on financial and other data derived from its books and records that was available at the time of such preparation. Although the Debtor has made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, errors or omissions may exist. Accordingly, the Debtor and its directors, managers, officers, agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein or the Schedules and Statements. In no event shall the Debtor or its directors, managers, officers, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a

potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its directors, managers, officers, agents, attorneys, and financial advisors are advised of the possibility of such damages.

The Schedules and Statements have been signed by Thiago da Costa Silva, a director of the Debtor. In reviewing and signing the Schedules and Statements, Mr. da Costa Silva has relied upon the efforts, statements, advice, and representations of personnel of the Debtor and its affiliates, and their respective advisors and other professionals. Given the scale of the global business operated by the Debtor and its consolidated affiliates, Mr. da Costa Silva has not (and, practically, could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditors' addresses.

Any audit, any future analysis of the information contained in the Schedules and Statements (or the data there underlying), or subsequent receipt of any information may result in material changes in information requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtor. The Debtor reserves the right to amend, modify, or supplement the Schedules and Statements from time to time as may be necessary or appropriate; provided that the Debtor, its agents, and its advisors expressly do not undertake any obligation to amend, modify, or supplement the information provided herein or to notify any third party should the information be amended, modified, or supplemented in any way, except to the extent required by applicable law.

The Schedules and Statements should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of the Debtor or its affiliates, as the information (including results of operations) contained therein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.

Global Notes and Overview of Methodology

1. **Description of the Debtor's Chapter 11 Case**. The Debtor commenced its voluntary cases under chapter 11 of the Bankruptcy Code on October 20, 2025 (the "Petition Date"). The Debtor is managing its assets as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in this chapter 11 case. The information provided herein, except as otherwise noted, represents the data of the Debtor as of the Petition Date.

2. **Global Notes Control**. In the event that any portion of the Schedules or Statements differs from any portion of the Global Notes, the Global Notes shall control. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

3. **Reservation of Rights**. Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, errors or

omissions may exist. The Debtor reserves all rights to amend, modify, or supplement the Schedules and Statements as may be necessary or appropriate but do not undertake any obligation to do so, except as required by applicable law. Nothing contained in the Schedules, Statements, or Global Notes shall constitute a waiver of rights, including, but not limited to, any rights or claims of the Debtor against any third party or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws (including Brazilian law) to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

a. **No Admission**. Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against any Debtor, any assertion made therein or herein, or a waiver of any of the Debtor's rights to dispute any claim or assert any cause of action or defense against any party.

b. **Claims Listing and Descriptions**. The listing of a claim does not constitute an admission of liability by the Debtor, and the Debtor reserves the right to amend the Schedules and Statements accordingly. Any failure to designate a claim set forth on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on the Schedules and Statements on any grounds, including, but not limited to, amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

c. **Recharacterization**. The Debtor has made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, the Debtor may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases included in the Schedules and Statements were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

d. **Classifications**. The (i) listing of a claim in the Schedules of Liabilities D as "secured," "unsecured," "priority," "unsecured priority," or "unsecured nonpriority" or (iii) listing of a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant or contract counterparty, or a waiver of the Debtor's rights to recharacterize or reclassify such claim or contract pursuant to a schedule

amendment, claim objection or otherwise. Except as provided in an order of the Bankruptcy Court or the Brazilian Court, the Debtor reserves all rights to dispute and challenge the nature, priority, or amount of any creditor's claims or the characterization of the structure of any transaction, or any document or instrument related to any creditor's claim.

e. **Estimates and Assumptions**. To prepare these Schedules and Statements and report information on a legal entity basis, the Debtor was required to make certain reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities and the amount of contingent assets and contingent liabilities as of the Petition Date. The reported amounts of revenue are as of the latest available month-end close, which is October 31, 2025, as a proxy for the Petition Date, but actual results could differ from such estimates. Additionally, payments received post-petition are not reflected in the Schedules and Statements. The Debtor reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

f. **Causes of Action**. Despite reasonable efforts, the Debtor may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws (including Brazilian law) to recover assets. The Debtor reserves all rights with respect to any claim, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power, privilege, license, lien, indemnity, guaranty, interest, damage, remedy, cause of action, proceeding, agreement, or franchise of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured, assertable, directly or derivatively, matured or unmatured, suspected or unsuspected, whether arising before, on, or after the Petition Date, in contract, in tort, at law, in equity, or otherwise. Causes of action also include: (i) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law or in equity; (ii) any claim based on or relating to, or in any manner arising from, in whole or in part, tort, breach of contract, breach of fiduciary duty, violation of local, state, federal, or foreign law (including Brazilian law), or breach of any duty imposed by law or in equity, including, without limitation, securities laws, negligence, and gross negligence; (iii) the right to object to or otherwise contest claims or interests; (iv) claims pursuant to sections 362 or chapter 5 of the Bankruptcy Code; (v) such claims and defenses as fraud, mistake, duress, and usury, and any other defenses set forth in section 558 of the Bankruptcy Code; and (vi) any avoidance actions arising under chapter 5 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including, without limitation, Brazilian law and fraudulent transfer laws, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions, or in any way prejudice or impair the assertion of such claims or causes of action.

g. **Intellectual Property Rights**. The Debtor does not own intellectual property but may use intellectual property owned or licensed by Ambipar Group, which is not included on the Schedules and Statements. Exclusion of such intellectual property shall not be construed to be an admission that any such intellectual property rights attributable to the Debtor have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtor reserves all of its rights with respect to the legal status of any and all intellectual property rights.

h. **Insiders**. The Debtor has attempted to include all payments made on or within twelve months before the Petition Date to any individual (and their relatives) or entity who, in the Debtor's good faith belief, may be deemed an "insider" within the meaning of such term in the Bankruptcy Code. An individual or entity is designated as an "insider" for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to dictate corporate policy and the disposition of corporate assets. The Debtor has also considered the requirements of IFRS and other reporting standards and their public disclosures with respect to designating certain individuals and entities as "insiders" herein.

The only individual insider to whom the Debtor has made any payment in the twelve months before the Petition Date is one member of the Debtor's board of directors, as reflected in Statements Question 4. While Statements Question 4 reflects multiple payments to such individual on the same date, those payments are not duplicative and reflect amounts owed and unpaid for prior months of service as a director.

Prior to the Petition Date, all other directors and officers of the Debtor serve in such capacities in connection with their employment by the Debtor's non-Debtor affiliates. While such individuals may have been compensated in connection with their employment by the Debtor's non-Debtor affiliates, neither the Debtor nor any other party on behalf of the Debtor compensated such individuals for their service as directors or officers, as the case may be, of the Debtor.

The inclusion or omission of a party as an "insider" for the purposes of the Schedules and Statements is for informational purposes and is not intended to be nor should be construed as an admission that those parties are insiders within the meaning of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities included as insiders in the Schedules and Statements may not be used for: (i) the purposes of determining (a) control of the Debtor; (b) the extent to which any individual or entity exercised management responsibilities or functions; (c) corporate decision-making authority over the Debtor; or (d) whether such individual or entity (or the Debtor) could successfully argue that they are not an insider under applicable law, including the Bankruptcy Code and other governing laws, or with respect to any theories of liability or (ii) any other purpose. The Debtor reserves all rights with respect thereto.

4. **Methodology**.

a. **Basis of Presentation**. For financial reporting purposes, the Debtor and its affiliates have historically prepared consolidated financial statements in accordance with the IFRS but, for the purpose of reporting its Schedules and Statements, have provided financial information for the Debtor entity. Accordingly, the assets and liabilities set forth in the Schedules and Statements may be substantially different from financial information that would be prepared on a consolidated basis under IFRS. Therefore, these Schedules and Statements neither purport to represent financial statements prepared in accordance with IFRS nor are they intended to reconcile fully to the financial statements prepared by the Debtor and its affiliates. Unlike the consolidated financial statements, these Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of just the Debtor. Information contained in the Schedules and Statements has been derived from the Debtor's books and records and historical financial statements.

However, due to limitations within the Debtor's accounting systems, it is possible that not all assets, liabilities, or amounts of cash disbursements have been recorded on the Schedules and Statements and assets, liabilities, or cash disbursements may have been omitted from the Schedules and Statements. Accordingly, the Debtor reserves all rights to amend, modify, and/or supplement the Schedules and Statements in these regards, and in any case, the actual terms governing ownership of assets, obligations under liabilities, and amounts of cash disbursements govern the assets, liabilities, disbursements, and other transactions included in the Schedules and Statements.

Given, among other things, the uncertainty surrounding the collection, ownership, and valuation of certain assets and the amount and nature of certain liabilities, the Debtor's report of assets and liabilities shall not constitute an admission that the Debtor was solvent or insolvent on the Petition Date or at any time prior to or after the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtor's enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

b. **Reporting Date**. Unless otherwise noted, the Schedules and Statements generally reflect the Debtor's books and records as of close of business on the Petition Date.

c. **Confidential or Sensitive Information**. There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to concerns about the privacy of certain parties (*e.g.*, names, home addresses, etc.). The alterations will be limited to only what is necessary to protect the Debtor or the applicable third party. The Debtor is authorized or required to redact certain information from the public record pursuant to orders of the Bankruptcy Court

authorizing the Debtor to redact, seal, or otherwise protect such information from public disclosure.[4]

d. **Intercompany Balances**. Receivables owed to the Debtor by certain of its non-Debtor affiliates are reported on Schedule A/B, per the Debtor's unaudited books and records.

The listing of any amounts with respect to such receivables is not, and should not be construed as, an admission or conclusion regarding the amount, allowance, classification, validity, or priority of such account or characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtor reserves all rights, claims, and defenses in connection with any and all intercompany balances, including, but not limited to, with respect to the characterization of intercompany claims, loans, and notes.

e. **Duplication**. Certain of the Debtor's assets, liabilities, prepetition payments, and executory contracts may properly be disclosed in response to multiple parts of the Schedules and Statements. To the extent these disclosures would be duplicative, the Debtor has determined in certain instances to only list such assets, liabilities, and prepetition payments once. In other instances, the same assets, liabilities, prepetition payments, and executory contracts or unexpired leases inadvertently may be listed more than once.

f. **Net Book Value of Assets**. In many instances, current market valuations are not maintained by or readily available to the Debtor. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtor to obtain current market valuations for all assets. As such, unless otherwise indicated, net book values as of October 20, 2025, are presented for all assets. When necessary, the Debtor has indicated that the value of certain assets is "unknown" or "undetermined." The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtor reserves all rights to amend, modify, or supplement the asset values set forth in the Schedules and Statements. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are set forth with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset. Nothing in the Debtor's Schedules and Statements shall be, or shall be deemed to be, an admission that the Debtor was

solvent or insolvent as of the Petition Date or any time prior to, or after, the Petition Date.

g. **Language Translation**. The Debtor conducts business in multiple languages. Solely for the purpose of preparing the Schedules and Statements, and in an effort to promote English-language legibility of certain disclosures, the Debtor has translated certain parties' names, certain terms, conditions, and descriptions of documents or transactions, and certain other terms. Such translations are provided for illustrative purposes only and may contain errors or omissions. In any case, the original-language names, terms, and conditions of any transaction described in the Schedules and Statements govern such transaction in all respects.

h. **Currency and Foreign Currency Conversion**. All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated. The Debtor conducts business in multiple currencies. Solely for the purpose of preparing the Schedules and Statements, non-U.S. currency amounts have been translated using publicly available prevailing foreign-exchange rates corresponding to the respective reporting periods, consistent with the Debtor's historical closing and consolidation process. Such translations are provided for illustrative purposes only and may differ materially from both current market values and market values at the time of the transactions described in the Schedules and Statements. Due to the fluctuations in exchange rates, the individual translation of specific accounts may not perfectly "balance" or "tie" to other amounts set forth in the Schedules and Statements. In any case, the original currency of any transaction described in the Schedules and Statements shall control.

i. **Allocation of Liabilities**. The Debtor, in consultation with its advisors and Ambipar Topco's advisors, have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtor reserves the right to amend, modify, and/or supplement the Schedules and Statements as it deems appropriate in this regard.

j. **Totals**. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as "unknown" or "undetermined." If there are unknown or undetermined amounts, the actual totals may differ materially from the listed totals. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. To the extent the Debtor is a guarantor of debt issued by a non-Debtor affiliate, the amounts reflected in these Schedules may include the Debtor's guarantee obligations.

k. **Guarantees and Other Secondary Liability Claims**. The Debtor has used commercially reasonable efforts to locate and identify guarantees and other secondary liability claims ("Guarantees") in their debt instruments and other

agreements. Where such Guarantees have been identified, they have been included in the relevant Schedules of liabilities. The Debtor reserves the right but is not required, to amend, modify, or supplement the Schedules and Statements if additional Guarantees are identified.

l. **Executory Contracts**. Although the Debtor made diligent efforts to identify all executory contracts and unexpired leases to which the Debtor is the legal counterparty, there may be omissions. Accordingly, the Debtor reserves the right but is not required, to amend, modify, or supplement Schedule G. Additionally, the inclusion of an agreement on Schedule G does not reflect any admission or decision by the Debtor as to whether or not such agreement is executory in nature.

m. **Unliquidated Amounts**. Claim amounts that could not be readily quantified by the Debtor are scheduled as "unliquidated."

n. **Undetermined Amounts**. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

Specific Schedules Disclosures

Schedules A/B, D, E/F, G, and H may contain explanatory or qualifying notes that pertain to the information provided in the Schedules. Those Schedule-specific notes are incorporated herein by reference. Unless otherwise noted, the total assets set forth on the Schedules are derived from amounts included in the Debtor's books and records as of October 20, 2025. To the extent there are unknown or undetermined amounts, the actual total may be different from the total listed.

Part 1 – Cash and Cash Equivalents

Schedule A/B 3 – Checking, Savings, or Other Financial Accounts, CDs, etc. Schedule A/B 3 lists bank account balances at net book value as of the Petition Date.

Part 4 – Investments

Schedule A/B 15 – Investments. Schedule A/B 15 includes the Debtor's only direct subsidiary, Emergência Participações S.A., which is wholly owned by the Debtor. Subsidiaries owned indirectly by the Debtor are not included. Values of the ownership interests in included in Schedule A/B 15 have been set forth at net book value. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from its net book value.

Part 11 – All Other Assets

Schedule A/B 77 – Other Property of Any Kind. Schedule A/B 77 includes receivables owed to the Debtor by certain of its non-Debtor affiliates. The values of such receivables have been set forth at net book value. The fair market value and ultimate collection of such ownership is dependent on numerous variables and factors and may differ significantly from its net book value. Schedule A/B 77 also includes a retainer for local

bankruptcy counsel in the chapter 11 case that was paid by Ambipar Topco on behalf of and for the benefit of the Debtor.

Specific Notes Regarding Schedule D

The Debtor does not have any secured debt obligations. A detailed description of the Debtor's capital structure is set forth in the First Day Declaration.

Specific Notes Regarding Schedule E/F

a. **Part 1 – Creditors with Priority Unsecured Claims**. The Debtor has not historically and does not now maintain records of any claims entitled to priority under the Bankruptcy Code in the ordinary course of business. The exclusion of any claim on Schedule E/F does not constitute an admission by the Debtor that such claim is not entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtor reserves the right to dispute the amount and/or priority status of any claim on any basis at any time.

b. **Part 2 – Creditors with Nonpriority Unsecured Claims**. The liabilities identified in Schedule E/F, Part 2, are derived from the Debtor's books and records. The Debtor made a reasonable attempt to set forth its unsecured obligations, although the actual amount of claims against the Debtor may vary from those liabilities represented in Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

In many cases, the claims set forth on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtor or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome, costly, and inefficient, the Debtor has not listed a specific date or dates for such claim. In addition, Schedule E/F, Part 2 does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that may be rejected, if any, to the extent such damage claims exist. Further, certain accounting reserves relating to the potential exercise of warrants issued by the Company are not reflected in Schedule E/F.

Specific Notes Regarding Schedule G

While the Debtor's existing books, records, and financial systems have been relied upon to identify and schedule executory contracts, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, errors, omissions, or over-inclusions may have occurred. The Debtor does not make, and specifically disclaims, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. Schedule G may be amended, modified, or supplemented at any time to add any omitted Agreements.

The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend, modify, or supplement Schedule G as necessary.

The agreements set forth on Schedule G may have expired or may have been amended, modified, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be included in Schedule G. Further, unless otherwise specified in Schedule G, each executory contract or unexpired lease included therein shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is included thereon.

Omission of a contract or agreement from Schedule G does not constitute an admission, concession, or stipulation that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Likewise, the inclusion of an agreement in Schedule G does not constitute an admission, concession, or stipulation that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable.

Specific Notes Regarding Schedule H

Co-Debtors. The Debtor may not have identified certain guarantees that are embedded in the Debtor's executory contracts, unexpired leases, debt instruments, and other agreements, to the extent applicable. Further, certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtor reserves all rights to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or become unenforceable.

Specific Notes Regarding Statements

a. **Question 1 – Gross Revenue from Business; Question 2 – Non-Business Revenue**. The values reflected in Statements Question 1 and Statements Question 2 reflect revenue through October 31, 2025, and are presented on an accrual basis, not a cash basis.

Non-business revenue in Statements Question 2 includes items such as interest income and equity earnings of investments.

b. **Question 3 – Certain Payments or Transfers to Creditors Within 90 Days Before Filing this Case**. The payments disclosed in Statements Question 3 are based on payments made by the Debtor with payment dates from July 22, 2025, through October 20, 2025. Prepetition amounts still owed to creditors will appear on the Schedules, as applicable.

The response to Statements Question 3 excludes payments set forth on Statement 4.

c. **Question 4 – Payments or Transfers to Insiders**. The information reported on Statements Question 4 is representative of the payments made to insiders during the one year prior to the Petition Date. For the avoidance of doubt, Statements Question 4 may include payments to individuals who may have been insiders at the time they were employed by the Company but are no longer employed by the Company.

d. **Question 11 – Payments Related to Bankruptcy**. All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date, to the extent related to the Debtor, were paid in full by Ambipar Topco or other non-Debtor affiliates prior to the Petition Date.

e. **Question 16 – Personally Identifiable Information**. The Debtor collects a limited amount of information from individuals in the ordinary course of business. The applicable privacy policy of Ambipar Group is available at https://ambipar.com/uk/privacy-policy/.

f. **Question 25 – Other Businesses in which the Debtor Has or Has Had an Interest**. The Debtor's response to Statements Question 25 includes legal entities (including operating businesses) in which the Debtor currently has or historically has had a direct interest.

g. **Question 26 – Books, Records, and Financial Statements**. From time to time, the Debtor may provide certain parties such as banks, auditors, potential investors, vendors, and financial advisors with financial statements. The Debtor does not maintain detailed records tracking such disclosures, and so such parties are not included in Statements Question 26. Additionally, disclosures and filings with the U.S. Securities and Exchange Commission are not included in Statements Question 26.

h. **Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders**. Refer to the Methodology section and Statements Question 4, above, regarding all payments to insiders.

AMBIPAR EMERGENCY RESPONSE,	)	Case No. 25-90524 (ARP)
Debtor.[1]	)	

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

Ambipar Emergency Response, the above-captioned debtor and debtor in possession (the "Debtor")[2] is filing its Schedules of Assets and Liabilities (each, a "Schedule" and, collectively, the "Schedules") and Statements of Financial Affairs (each, a "Statement" and, collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") with the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code"), rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and rule 1007-1 of the Local Rules of the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Local Rules").

These global notes and statements of limitations, methodology, and disclaimers regarding the Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to, and referenced in connection with, any review of the Schedules and Statements.[3]

The Debtor has historically prepared consolidated quarterly and annual financial statements in accordance with the International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board. The Schedules and Statements are unaudited and reflect the Debtor's reasonable efforts to report certain financial information on a standalone, unconsolidated basis. The financial information contained in the Schedules and Statements is

1 The last four digits of the Debtor's taxpayer identification number are 0623. The Debtor's address is P.O. Box 10008, Willow House, Cricket Square, Grand Cayman, KY1-1001, Cayman Islands.

2 Further information about the Debtor, including factual background regarding its business, capital structure, and debt obligations, and the events leading to the filing of this chapter 11 case, is set forth in the *Amended Declaration of Thiago da Costa Silva in Support of Chapter 11 Petition* [Docket No. 15] (the "First Day Declaration"). Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the First Day Declaration.

3 These Global Notes supplement, and are in addition to, any specific notes contained in the Debtor's Schedules and Statements.

limited in scope, covers a limited time period, has been prepared solely for the purpose of the Debtor's compliance with disclosure obligations in chapter 11, and is presented on a preliminary and unaudited basis. As such, the Schedules and Statements have not been subject to procedures that would typically be applied to financial statements prepared in accordance with IFRS, generally accepted accounting principles utilized in the United States of America ("GAAP"), or any other accounting standards, nor do the Schedules and Statements include all of the information and notes required by any such accounting standards. Upon the application of such standards, the financial information could be subject to changes, which could be material. These Schedules and Statements neither purport to represent financial statements prepared in accordance with IFRS or GAAP, nor are they intended to be fully reconciled with the financial statements of the Debtor.

The Debtor has prepared the Schedules and Statements using the best information presently available, which has been collected, maintained, and prepared in accordance with their historical accounting practices, but which has not been adjusted, audited, or reconciled as information presented in the Debtor's consolidated financial statements is adjusted, audited, or reconciled. The Schedules and Statements generally reflect operations and financial information of the Debtor in a form not maintained by the Debtor in the ordinary course of their business and are not intended to reconcile to the consolidated financial statements prepared by the Debtor. Accordingly, the amounts set forth in the Schedules and Statements may materially differ from the Debtor's historical consolidated financial statements. Because the Debtor's accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements by legal entity, it is possible that not all assets, liabilities, income, or expenses have been recorded.

The Debtor is a subsidiary of Ambipar Participações e Empreendimentos S.A. ("Ambipar Topco," collectively with its direct and indirect subsidiaries, the "Ambipar Group"). Ambipar Topco and certain of its subsidiaries (including the Debtor) are party to restructuring proceedings in Brazil (the "RJ Proceedings"). On October 30, 2025, the Brazilian Court entered an order (the "Consolidation Order") in the "RJ Proceedings" substantively consolidating the Debtor with the other "RJ Parties" (each as defined in the First Day Declaration). The Consolidation Order, as well as the scope of relief granted thereunder, is subject to challenge and appeal by certain parties to the RJ Proceedings. The Debtor has prepared its Schedules and Statements on the basis that it has not been consolidated with the other RJ Parties.

In preparing the Schedules and Statements, the Debtor relied on financial and other data derived from its books and records that was available at the time of such preparation. Although the Debtor has made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, errors or omissions may exist. Accordingly, the Debtor and its directors, managers, officers, agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein or the Schedules and Statements. In no event shall the Debtor or its directors, managers, officers, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a

potential claim against the Debtor or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtor or its directors, managers, officers, agents, attorneys, and financial advisors are advised of the possibility of such damages.

The Schedules and Statements have been signed by Thiago da Costa Silva, a director of the Debtor. In reviewing and signing the Schedules and Statements, Mr. da Costa Silva has relied upon the efforts, statements, advice, and representations of personnel of the Debtor and its affiliates, and their respective advisors and other professionals. Given the scale of the global business operated by the Debtor and its consolidated affiliates, Mr. da Costa Silva has not (and, practically, could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditors' addresses.

Any audit, any future analysis of the information contained in the Schedules and Statements (or the data there underlying), or subsequent receipt of any information may result in material changes in information requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtor. The Debtor reserves the right to amend, modify, or supplement the Schedules and Statements from time to time as may be necessary or appropriate; provided that the Debtor, its agents, and its advisors expressly do not undertake any obligation to amend, modify, or supplement the information provided herein or to notify any third party should the information be amended, modified, or supplemented in any way, except to the extent required by applicable law.

The Schedules and Statements should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of the Debtor or its affiliates, as the information (including results of operations) contained therein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future.

Global Notes and Overview of Methodology

1. **Description of the Debtor's Chapter 11 Case**. The Debtor commenced its voluntary cases under chapter 11 of the Bankruptcy Code on October 20, 2025 (the "Petition Date"). The Debtor is managing its assets as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in this chapter 11 case. The information provided herein, except as otherwise noted, represents the data of the Debtor as of the Petition Date.

2. **Global Notes Control**. In the event that any portion of the Schedules or Statements differs from any portion of the Global Notes, the Global Notes shall control. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

3. **Reservation of Rights**. Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, errors or

omissions may exist. The Debtor reserves all rights to amend, modify, or supplement the Schedules and Statements as may be necessary or appropriate but do not undertake any obligation to do so, except as required by applicable law. Nothing contained in the Schedules, Statements, or Global Notes shall constitute a waiver of rights, including, but not limited to, any rights or claims of the Debtor against any third party or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws (including Brazilian law) to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

a. **No Admission**. Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against any Debtor, any assertion made therein or herein, or a waiver of any of the Debtor's rights to dispute any claim or assert any cause of action or defense against any party.

b. **Claims Listing and Descriptions**. The listing of a claim does not constitute an admission of liability by the Debtor, and the Debtor reserves the right to amend the Schedules and Statements accordingly. Any failure to designate a claim set forth on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on the Schedules and Statements on any grounds, including, but not limited to, amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

c. **Recharacterization**. The Debtor has made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, the Debtor may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases included in the Schedules and Statements were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

d. **Classifications**. The (i) listing of a claim in the Schedules of Liabilities D as "secured," "unsecured," "priority," "unsecured priority," or "unsecured nonpriority" or (iii) listing of a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtor of the legal rights of the claimant or contract counterparty, or a waiver of the Debtor's rights to recharacterize or reclassify such claim or contract pursuant to a schedule

amendment, claim objection or otherwise. Except as provided in an order of the Bankruptcy Court or the Brazilian Court, the Debtor reserves all rights to dispute and challenge the nature, priority, or amount of any creditor's claims or the characterization of the structure of any transaction, or any document or instrument related to any creditor's claim.

e. **Estimates and Assumptions**. To prepare these Schedules and Statements and report information on a legal entity basis, the Debtor was required to make certain reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities and the amount of contingent assets and contingent liabilities as of the Petition Date. The reported amounts of revenue are as of the latest available month-end close, which is October 31, 2025, as a proxy for the Petition Date, but actual results could differ from such estimates. Additionally, payments received post-petition are not reflected in the Schedules and Statements. The Debtor reserves all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

f. **Causes of Action**. Despite reasonable efforts, the Debtor may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws (including Brazilian law) to recover assets. The Debtor reserves all rights with respect to any claim, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power, privilege, license, lien, indemnity, guaranty, interest, damage, remedy, cause of action, proceeding, agreement, or franchise of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured, assertable, directly or derivatively, matured or unmatured, suspected or unsuspected, whether arising before, on, or after the Petition Date, in contract, in tort, at law, in equity, or otherwise. Causes of action also include: (i) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law or in equity; (ii) any claim based on or relating to, or in any manner arising from, in whole or in part, tort, breach of contract, breach of fiduciary duty, violation of local, state, federal, or foreign law (including Brazilian law), or breach of any duty imposed by law or in equity, including, without limitation, securities laws, negligence, and gross negligence; (iii) the right to object to or otherwise contest claims or interests; (iv) claims pursuant to sections 362 or chapter 5 of the Bankruptcy Code; (v) such claims and defenses as fraud, mistake, duress, and usury, and any other defenses set forth in section 558 of the Bankruptcy Code; and (vi) any avoidance actions arising under chapter 5 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including, without limitation, Brazilian law and fraudulent transfer laws, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions, or in any way prejudice or impair the assertion of such claims or causes of action.

g. **Intellectual Property Rights**. The Debtor does not own intellectual property but may use intellectual property owned or licensed by Ambipar Group, which is not included on the Schedules and Statements. Exclusion of such intellectual property shall not be construed to be an admission that any such intellectual property rights attributable to the Debtor have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtor reserves all of its rights with respect to the legal status of any and all intellectual property rights.

h. **Insiders**. The Debtor has attempted to include all payments made on or within twelve months before the Petition Date to any individual (and their relatives) or entity who, in the Debtor's good faith belief, may be deemed an "insider" within the meaning of such term in the Bankruptcy Code. An individual or entity is designated as an "insider" for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to dictate corporate policy and the disposition of corporate assets. The Debtor has also considered the requirements of IFRS and other reporting standards and their public disclosures with respect to designating certain individuals and entities as "insiders" herein.

The only individual insider to whom the Debtor has made any payment in the twelve months before the Petition Date is one member of the Debtor's board of directors, as reflected in Statements Question 4. While Statements Question 4 reflects multiple payments to such individual on the same date, those payments are not duplicative and reflect amounts owed and unpaid for prior months of service as a director.

Prior to the Petition Date, all other directors and officers of the Debtor serve in such capacities in connection with their employment by the Debtor's non-Debtor affiliates. While such individuals may have been compensated in connection with their employment by the Debtor's non-Debtor affiliates, neither the Debtor nor any other party on behalf of the Debtor compensated such individuals for their service as directors or officers, as the case may be, of the Debtor.

The inclusion or omission of a party as an "insider" for the purposes of the Schedules and Statements is for informational purposes and is not intended to be nor should be construed as an admission that those parties are insiders within the meaning of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities included as insiders in the Schedules and Statements may not be used for: (i) the purposes of determining (a) control of the Debtor; (b) the extent to which any individual or entity exercised management responsibilities or functions; (c) corporate decision-making authority over the Debtor; or (d) whether such individual or entity (or the Debtor) could successfully argue that they are not an insider under applicable law, including the Bankruptcy Code and other governing laws, or with respect to any theories of liability or (ii) any other purpose. The Debtor reserves all rights with respect thereto.

4. **Methodology**.

a. **Basis of Presentation**. For financial reporting purposes, the Debtor and its affiliates have historically prepared consolidated financial statements in accordance with the IFRS but, for the purpose of reporting its Schedules and Statements, have provided financial information for the Debtor entity. Accordingly, the assets and liabilities set forth in the Schedules and Statements may be substantially different from financial information that would be prepared on a consolidated basis under IFRS. Therefore, these Schedules and Statements neither purport to represent financial statements prepared in accordance with IFRS nor are they intended to reconcile fully to the financial statements prepared by the Debtor and its affiliates. Unlike the consolidated financial statements, these Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of just the Debtor. Information contained in the Schedules and Statements has been derived from the Debtor's books and records and historical financial statements.

However, due to limitations within the Debtor's accounting systems, it is possible that not all assets, liabilities, or amounts of cash disbursements have been recorded on the Schedules and Statements and assets, liabilities, or cash disbursements may have been omitted from the Schedules and Statements. Accordingly, the Debtor reserves all rights to amend, modify, and/or supplement the Schedules and Statements in these regards, and in any case, the actual terms governing ownership of assets, obligations under liabilities, and amounts of cash disbursements govern the assets, liabilities, disbursements, and other transactions included in the Schedules and Statements.

Given, among other things, the uncertainty surrounding the collection, ownership, and valuation of certain assets and the amount and nature of certain liabilities, the Debtor's report of assets and liabilities shall not constitute an admission that the Debtor was solvent or insolvent on the Petition Date or at any time prior to or after the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtor's enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

b. **Reporting Date**. Unless otherwise noted, the Schedules and Statements generally reflect the Debtor's books and records as of close of business on the Petition Date.

c. **Confidential or Sensitive Information**. There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to concerns about the privacy of certain parties (*e.g.*, names, home addresses, etc.). The alterations will be limited to only what is necessary to protect the Debtor or the applicable third party. The Debtor is authorized or required to redact certain information from the public record pursuant to orders of the Bankruptcy Court

authorizing the Debtor to redact, seal, or otherwise protect such information from public disclosure.[4]

d. **Intercompany Balances**. Receivables owed to the Debtor by certain of its non-Debtor affiliates are reported on Schedule A/B, per the Debtor's unaudited books and records.

The listing of any amounts with respect to such receivables is not, and should not be construed as, an admission or conclusion regarding the amount, allowance, classification, validity, or priority of such account or characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtor reserves all rights, claims, and defenses in connection with any and all intercompany balances, including, but not limited to, with respect to the characterization of intercompany claims, loans, and notes.

e. **Duplication**. Certain of the Debtor's assets, liabilities, prepetition payments, and executory contracts may properly be disclosed in response to multiple parts of the Schedules and Statements. To the extent these disclosures would be duplicative, the Debtor has determined in certain instances to only list such assets, liabilities, and prepetition payments once. In other instances, the same assets, liabilities, prepetition payments, and executory contracts or unexpired leases inadvertently may be listed more than once.

f. **Net Book Value of Assets**. In many instances, current market valuations are not maintained by or readily available to the Debtor. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtor to obtain current market valuations for all assets. As such, unless otherwise indicated, net book values as of October 20, 2025, are presented for all assets. When necessary, the Debtor has indicated that the value of certain assets is "unknown" or "undetermined." The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtor reserves all rights to amend, modify, or supplement the asset values set forth in the Schedules and Statements. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are set forth with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtor with respect to such asset. Nothing in the Debtor's Schedules and Statements shall be, or shall be deemed to be, an admission that the Debtor was

solvent or insolvent as of the Petition Date or any time prior to, or after, the Petition Date.

g. **Language Translation**. The Debtor conducts business in multiple languages. Solely for the purpose of preparing the Schedules and Statements, and in an effort to promote English-language legibility of certain disclosures, the Debtor has translated certain parties' names, certain terms, conditions, and descriptions of documents or transactions, and certain other terms. Such translations are provided for illustrative purposes only and may contain errors or omissions. In any case, the original-language names, terms, and conditions of any transaction described in the Schedules and Statements govern such transaction in all respects.

h. **Currency and Foreign Currency Conversion**. All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated. The Debtor conducts business in multiple currencies. Solely for the purpose of preparing the Schedules and Statements, non-U.S. currency amounts have been translated using publicly available prevailing foreign-exchange rates corresponding to the respective reporting periods, consistent with the Debtor's historical closing and consolidation process. Such translations are provided for illustrative purposes only and may differ materially from both current market values and market values at the time of the transactions described in the Schedules and Statements. Due to the fluctuations in exchange rates, the individual translation of specific accounts may not perfectly "balance" or "tie" to other amounts set forth in the Schedules and Statements. In any case, the original currency of any transaction described in the Schedules and Statements shall control.

i. **Allocation of Liabilities**. The Debtor, in consultation with its advisors and Ambipar Topco's advisors, have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtor reserves the right to amend, modify, and/or supplement the Schedules and Statements as it deems appropriate in this regard.

j. **Totals**. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as "unknown" or "undetermined." If there are unknown or undetermined amounts, the actual totals may differ materially from the listed totals. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. To the extent the Debtor is a guarantor of debt issued by a non-Debtor affiliate, the amounts reflected in these Schedules may include the Debtor's guarantee obligations.

k. **Guarantees and Other Secondary Liability Claims**. The Debtor has used commercially reasonable efforts to locate and identify guarantees and other secondary liability claims ("Guarantees") in their debt instruments and other

agreements. Where such Guarantees have been identified, they have been included in the relevant Schedules of liabilities. The Debtor reserves the right but is not required, to amend, modify, or supplement the Schedules and Statements if additional Guarantees are identified.

l. **Executory Contracts**. Although the Debtor made diligent efforts to identify all executory contracts and unexpired leases to which the Debtor is the legal counterparty, there may be omissions. Accordingly, the Debtor reserves the right but is not required, to amend, modify, or supplement Schedule G. Additionally, the inclusion of an agreement on Schedule G does not reflect any admission or decision by the Debtor as to whether or not such agreement is executory in nature.

m. **Unliquidated Amounts**. Claim amounts that could not be readily quantified by the Debtor are scheduled as "unliquidated."

n. **Undetermined Amounts**. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

Specific Schedules Disclosures

Schedules A/B, D, E/F, G, and H may contain explanatory or qualifying notes that pertain to the information provided in the Schedules. Those Schedule-specific notes are incorporated herein by reference. Unless otherwise noted, the total assets set forth on the Schedules are derived from amounts included in the Debtor's books and records as of October 20, 2025. To the extent there are unknown or undetermined amounts, the actual total may be different from the total listed.

Part 1 – Cash and Cash Equivalents

Schedule A/B 3 – Checking, Savings, or Other Financial Accounts, CDs, etc. Schedule A/B 3 lists bank account balances at net book value as of the Petition Date.

Part 4 – Investments

Schedule A/B 15 – Investments. Schedule A/B 15 includes the Debtor's only direct subsidiary, Emergência Participações S.A., which is wholly owned by the Debtor. Subsidiaries owned indirectly by the Debtor are not included. Values of the ownership interests in included in Schedule A/B 15 have been set forth at net book value. The fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from its net book value.

Part 11 – All Other Assets

Schedule A/B 77 – Other Property of Any Kind. Schedule A/B 77 includes receivables owed to the Debtor by certain of its non-Debtor affiliates. The values of such receivables have been set forth at net book value. The fair market value and ultimate collection of such ownership is dependent on numerous variables and factors and may differ significantly from its net book value. Schedule A/B 77 also includes a retainer for local

bankruptcy counsel in the chapter 11 case that was paid by Ambipar Topco on behalf of and for the benefit of the Debtor.

Specific Notes Regarding Schedule D

The Debtor does not have any secured debt obligations. A detailed description of the Debtor's capital structure is set forth in the First Day Declaration.

Specific Notes Regarding Schedule E/F

a. **Part 1 – Creditors with Priority Unsecured Claims**. The Debtor has not historically and does not now maintain records of any claims entitled to priority under the Bankruptcy Code in the ordinary course of business. The exclusion of any claim on Schedule E/F does not constitute an admission by the Debtor that such claim is not entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtor reserves the right to dispute the amount and/or priority status of any claim on any basis at any time.

b. **Part 2 – Creditors with Nonpriority Unsecured Claims**. The liabilities identified in Schedule E/F, Part 2, are derived from the Debtor's books and records. The Debtor made a reasonable attempt to set forth its unsecured obligations, although the actual amount of claims against the Debtor may vary from those liabilities represented in Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

In many cases, the claims set forth on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtor or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome, costly, and inefficient, the Debtor has not listed a specific date or dates for such claim. In addition, Schedule E/F, Part 2 does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that may be rejected, if any, to the extent such damage claims exist. Further, certain accounting reserves relating to the potential exercise of warrants issued by the Company are not reflected in Schedule E/F.

Specific Notes Regarding Schedule G

While the Debtor's existing books, records, and financial systems have been relied upon to identify and schedule executory contracts, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, errors, omissions, or over-inclusions may have occurred. The Debtor does not make, and specifically disclaims, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. Schedule G may be amended, modified, or supplemented at any time to add any omitted Agreements.

The Debtor hereby reserves all of its rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend, modify, or supplement Schedule G as necessary.

The agreements set forth on Schedule G may have expired or may have been amended, modified, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be included in Schedule G. Further, unless otherwise specified in Schedule G, each executory contract or unexpired lease included therein shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is included thereon.

Omission of a contract or agreement from Schedule G does not constitute an admission, concession, or stipulation that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Likewise, the inclusion of an agreement in Schedule G does not constitute an admission, concession, or stipulation that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable.

Specific Notes Regarding Schedule H

Co-Debtors. The Debtor may not have identified certain guarantees that are embedded in the Debtor's executory contracts, unexpired leases, debt instruments, and other agreements, to the extent applicable. Further, certain of the guarantees reflected on Schedule H may have expired or may no longer be enforceable. Thus, the Debtor reserves all rights to amend Schedule H to the extent that additional guarantees are identified or such guarantees are discovered to have expired or become unenforceable.

Specific Notes Regarding Statements

a. **Question 1 – Gross Revenue from Business; Question 2 – Non-Business Revenue**. The values reflected in Statements Question 1 and Statements Question 2 reflect revenue through October 31, 2025, and are presented on an accrual basis, not a cash basis.

Non-business revenue in Statements Question 2 includes items such as interest income and equity earnings of investments.

b. **Question 3 – Certain Payments or Transfers to Creditors Within 90 Days Before Filing this Case**. The payments disclosed in Statements Question 3 are based on payments made by the Debtor with payment dates from July 22, 2025, through October 20, 2025. Prepetition amounts still owed to creditors will appear on the Schedules, as applicable.

The response to Statements Question 3 excludes payments set forth on Statement 4.

c. **Question 4 – Payments or Transfers to Insiders**. The information reported on Statements Question 4 is representative of the payments made to insiders during the one year prior to the Petition Date. For the avoidance of doubt, Statements Question 4 may include payments to individuals who may have been insiders at the time they were employed by the Company but are no longer employed by the Company.

d. **Question 11 – Payments Related to Bankruptcy**. All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date, to the extent related to the Debtor, were paid in full by Ambipar Topco or other non-Debtor affiliates prior to the Petition Date.

e. **Question 16 – Personally Identifiable Information**. The Debtor collects a limited amount of information from individuals in the ordinary course of business. The applicable privacy policy of Ambipar Group is available at https://ambipar.com/uk/privacy-policy/.

f. **Question 25 – Other Businesses in which the Debtor Has or Has Had an Interest**. The Debtor's response to Statements Question 25 includes legal entities (including operating businesses) in which the Debtor currently has or historically has had a direct interest.

g. **Question 26 – Books, Records, and Financial Statements**. From time to time, the Debtor may provide certain parties such as banks, auditors, potential investors, vendors, and financial advisors with financial statements. The Debtor does not maintain detailed records tracking such disclosures, and so such parties are not included in Statements Question 26. Additionally, disclosures and filings with the U.S. Securities and Exchange Commission are not included in Statements Question 26.

h. **Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders**. Refer to the Methodology section and Statements Question 4, above, regarding all payments to insiders.

DECLARATION OF THIAGO DA COSTA SILVA IN SUPPORT OF THE DEBTOR'S OMNIBUS REPLY TO OPPORTUNITY'S OBJECTIONS TO (I) THE DEBTOR'S APPLICATION TO RETAIN SIMPSON THACHER AND (II) THE DEBTOR'S REQUEST FOR APPROVAL OF THE FUNDING AGREEMENT

I, Thiago da Costa Silva, declares under penalty of perjury, pursuant to 28 U.S.C. § 1746, as follows:

1. I am a director of Ambipar Emergency Response (the "Debtor") as debtor in possession in the above-captioned chapter 11 case. As director, I am familiar with the day-to-day operations, business and financial affairs, and books and records of the Debtor.

2. I submit this declaration ("Declaration") in support of (1) the *Debtor's Motion for Entry of an Order Authorizing the Debtor to (i) Enter into the Funding Agreement, (ii) Open Bank Accounts and (iii) Granting Related Relief* [Docket No. 42] (the "Funding Agreement Motion"), (2) the *Debtor's Application for Entry of an Order Authorizing the Employment of Simpson Thacher & Bartlett LLP as Counsel to the Debtor and Debtor in Possession, Effective as of the Petition Date* [Docket No. 44] (the "Simpson Retention Application") and (3) the Omnibus Reply[2] (the "Reply") to the objections of Opportunity Dinâmico Fundo de Investimento em Participações

[1] The last four digits of the Debtor's taxpayer identification number are 0263. The Debtor's address is 2346 Avenida Angelica, 5th Floor, São Paulo, SP, 01228-200, Brazil.

[2] *Debtor's Omnibus Reply to Opportunity's Objections to (i) the Debtor's Application to Retain Simpson Thacher and (ii) the Debtor's Request for Approval of the Funding Agreement*, (to be filed forthwith).

Multiestratégia Responsabilidade Limitada ("Opportunity") to the Funding Agreement Motion[3] and Simpson Retention Application.[4]

3. Further information about my experience, my credentials and this case is set forth in the *Amended First Day Declaration of Thiago da Costa Silva in Support of the Chapter 11 Petition* [Docket No. 15] (the "First Day Declaration").[5]

4. All facts set forth in this Declaration are based on: (i) my personal knowledge; (ii) my communications with the Debtor's professional advisors; or (iii) my opinions developed through my overall professional experience and knowledge of the Debtor's history, financial condition, and affairs.

5. I am over the age of 18 and am authorized to submit this Declaration on behalf of the Debtor. If called as a witness, I could and would testify to the matters set forth herein.

6. Opportunity's common stock in the Debtor is subordinated to approximately $290 million of claims against Response's most valuable assets. In particular, the holding company for the Response business in the United States, Ambipar Holding USA, Inc. ("Holdings USA"), is the borrower of a $90 million unsecured loan from Itau BBA International Plc. That loan is currently in forbearance, but it has first recourse to all Response cash in the United States.

7. The Debtor does not participate in the cash management systems of its subsidiaries. The vast majority of cash held by the Debtor's subsidiaries is Response cash held outside of Brazil.

---

3 *See Opportunity's Limited Objection to the Debtor's Motion for Entry of an Order Authorizing the Debtor to (i) Enter into the Funding Agreement, (ii) Open Bank Accounts and (iii) Granting Related Relief* [Docket No. 84] (the "Opportunity Funding Agreement Objection").

4 *See Opportunity's Objection to the Debtor's Application for Entry of an Order Authorizing the Employment of Simpson Thacher & Bartlett LLP as Counsel to the Debtor and Debtor in Possession, Effective as of the Petition Date* [Docket No. 89] (the "Opportunity Simpson Retention Objection").

5 Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Funding Agreement Motion, the Simpson Retention Application, the Reply or the First Day Declaration, as applicable.

This cash is not being transferred elsewhere in the Ambipar Group, but is necessary for, and being used to fund, ongoing operations within the Response business.

8. The Response business has its own creditors and commercial counterparties that are requiring cash to remain at the operating subsidiaries in order to continue doing business with Response in the ordinary course.

9. The "Excerpt from Resolutions Passed at the Board Meeting of the Debtor" attached hereto as **Exhibit A** is a true and correct excerpt from the resolutions that were duly passed by the board of directors of the Debtor at the meeting held virtually on Monday, October 27, 2025 at 8:00 A.M. Cayman Islands time.

I declare under penalty of perjury that, based upon my knowledge, information and belief as set forth herein, the foregoing is true and correct.

APPOINTMENT OF DIRECTOR

15. The appointment of David Mack as a director of the Company be and is hereby approved with effect from the date of these resolutions until such time as such Director resigns or is removed in accordance with the Articles of Association of the Company;

16. Any and all actions of the Company, or of any Director or officer taken prior to the date of these resolutions in relation to the Director's appointment be and are ratified, confirmed, approved and adopted;

17. CO Services Cayman Limited be and is hereby instructed to update the Register of Directors of the Company and to make the necessary filings with the Registrar of Companies to reflect the Director's appointment and the resignation of Mariana Loyola Ferreira Sgarbi;

18. Any and all actions of the Company, or of any Director or officer taken prior to the date of these resolutions in relation to the Director's appointment be and are ratified, confirmed, approved and adopted;

FORMATION OF INDEPENDENT SPECIAL COMMITTEE

19. WHEREAS, the Board determines David Mack to be independent and disinterested with no material relationships to (a) the Company's directors, managers, officers, equity holders, employees, affiliates, or former advisors or agents, but excluding the Debtor's direct and indirect subsidiaries (the "**Related Parties**"), (b) the historical transactions of the Company, or (c) any specific transactions that will be reviewed by the Independent Special Committee;

20. That there is hereby established a committee of the Board to be known as the Independent Special Committee, which shall be comprised of one director who is considered independent as defined in the rules of any Designated Stock Exchange or in Rule 10A-3 under the Exchange Act;

21. That David Mack be appointed to the Independent Special Committee as its sole member;

22. That the purposes and mandate of the Independent Special Committee shall be: (i) identifying and evaluating, all matters in which a conflict of interest exists or is reasonably likely to exist between the Company and a Related Party ("**Related Party**

[1] As used herein, the "**Company**" refers to Ambipar Emergency Response.

Matters"); (ii) investigating and evaluating potential claims and causes of action that the Company may hold against any Related Party ("**Related Party Claims**");

23. That the Independent Special Committee shall report to the Board periodically, at such times and with such frequency as the Board deems appropriate, provided that the Independent Special Committee shall not be required to disclose information subject to privilege or confidentiality protections if disclosure would be adverse to the Company's interests;

24. That the Independent Special Committee is authorised, in its sole discretion, to retain an independent legal and an independent financial advisor to advise it as the Independent Special Committee deems necessary or appropriate, and the Company shall provide the Independent Special Committee with adequate funding to compensate such advisors, in each case, subject to Bankruptcy Court approval;

25. That FTI and A&M shall be made available to the Independent Special Committee to assist it with its evaluation of Related Party Matters and Related Party Claims;

26. That the Independent Special Committee is authorised to cause the Company to enter into a funding agreement with Ambipar Participações e Empreendimentos S.A. or one of its affiliates, on an arm's-length basis and on such terms and conditions as the Independent Special Committee deems necessary or advisable, subject to approval of the Bankruptcy Court, to fund expenses incurred in connection with the Chapter 11 proceeding; and

27. That the Authorised Persons are authorised to take all actions, to execute and deliver all documents, instruments, notices, certificates, and agreements, and to do all things as any such officer may deem necessary or appropriate to carry out the intent and purposes of the actions of the Independent Special Committee, including the payment of fees and expenses of advisors and administrative support retained by the Independent Special Committee.

before this Court, if any; and this Court having determined that the legal and factual bases set forth in the Motion and at a hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is HEREBY ORDERED THAT:

1. The Motion is granted as set forth herein.

I. Funding Agreement

2. Effective as of entry of this Order, the Debtor is authorized to enter into the Funding Agreement attached hereto as **Exhibit 1** pursuant to the terms set forth therein. The Debtor has shown sound business judgment in entering into the Funding Agreement. The Debtor and the Payor are authorized to perform their respective obligations under the Funding Agreement pursuant to the terms thereof.

II. Bank Accounts

3. The Debtor is authorized to open the Bank Accounts as debtor in possession bank accounts at any bank (the "Bank") that has executed a Uniform Depository Agreement with the U.S. Trustee and is otherwise in compliance with all of the U.S. Trustee's requirements or guidelines (an "Authorized Depository") and enter into any ancillary agreements related to such Bank Account, as they may deem necessary and appropriate.

4. The Debtor is authorized, but not directed, to: (a) deposit funds in, and withdraw funds from, the Bank Accounts by all usual means, including checks, wire transfers, ACH transfers, and other debits; and (b) pay any ordinary course bank fees incurred in connection with the Bank Accounts.

5. The Bank is authorized to maintain, service, and administer the Bank Accounts as accounts of the Debtor as debtor in possession, without disruption and in the ordinary course of

business, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts by the holders or makers thereof, as the case may be.

6. The Bank is authorized, without further order of this Court, to charge back to the Bank Accounts any amounts (including any fees and costs associated with the same) resulting from returned checks or other returned items, including returned items that result from ACH transactions, wire transfers, or other electronic transfers of any kind.

7. In the event of any conflicts between the Motion and this Order, the terms of this Order shall control.

8. In the event of any conflicts between this Order and the Funding Agreement, the Funding Agreement shall control.

9. The Debtor is authorized and empowered to take any and all further actions as may be reasonably necessary or appropriate to give effect to this Order.

10. Notwithstanding Bankruptcy Rule 6004(h) (to the extent applicable) the terms and conditions of this Order are immediately effective and enforceable upon its entry.

11. The Bankruptcy Court reserves jurisdiction to interpret and enforce all provisions of this Order, including any disputes arising from this Order.

Funding Agreement

EXECUTION VERSION

FUNDING AGREEMENT

This FUNDING AGREEMENT, dated November 17, 2025 (as it may be amended, restated, modified or supplemented from time to time, this "Agreement"), is by and between Ambipar Participações e Empreendimentos S.A., a Brazilian *Sociedad anonima* (the "Payor"), and Ambipar Emergency Response, Cayman Islands exempted company (the "Payee," and together with Payor, the "Parties").

RECITALS

A. The Payor and the Payee are both subject to a Brazilian *Recuperação Judicial* proceeding pending in the Third Business Court of Rio de Janeiro (the "Brazilian RJ Proceeding").

B. The Payor is the direct parent of the Payee.

C. On October 20, 2025, Payee filed a voluntary chapter 11 petition in the U.S. Bankruptcy Court for the Southern District of Texas, Houston Division (the "Bankruptcy Court"), under Case No. 25-90524 (ARP) (the "Chapter 11 Case").

D. The Payor desires to fund certain expenses incurred by the Payee in the Chapter 11 Case, subject to the satisfaction of the Funding Conditions (defined below).

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing, the parties hereto agree as follows:

1. Definitions. As used in this Agreement, the following terms have the meanings herein specified unless the context otherwise requires:

"Affiliate" of any specified Person means any other Person directly or indirectly controlling or controlled by or under direct or indirect common control with such specified Person. For purposes of this definition, "control," as used with respect to any Person, means the possession, directly or indirectly, of the power to direct or cause the direction of the management or policies of such Person, whether through the ownership of voting securities, by agreement or otherwise. For purposes of this definition, the terms "controlling," "controlled by" and "under common control with" have correlative meanings.

"Agreement" has the meaning specified in the first paragraph hereof.

"Allowed Professional Fees" has the meaning set forth in Section 2(g) hereof.

"Available Cash" has the meaning specified in Section 2(g) hereof.

"Bankruptcy Code" means title 11 of the United States Code, as amended from time to time and any successor statute.

"Bankruptcy Court" has the meaning specified in the recitals hereof.

"Bankruptcy Rules" means the Federal Rules of Bankruptcy Procedure promulgated under section 2075 of title 28 of the United States Code.

"Brazilian RJ Court" means the Third Business Court of Rio de Janeiro or such other court as may be administering the Brazilian RJ Proceeding.

"Brazilian RJ Proceeding" has the meaning specified in the recitals hereof.

"Business Day" means each day other than a Saturday, a Sunday or a day on which banking institutions in the State of New York or at a place of payment are authorized by law, regulation or executive order to remain closed.

"Chapter 11 Case" has the meaning specified in the recitals hereof.

"Committee" means any official committee appointed pursuant to section 1102 of the Bankruptcy Code in the Chapter 11 Case (if any).

"Committee Professionals" has the meaning set forth in Section 2(g) hereof.

"Default" means any event that is, or with the passage of time or the giving of notice or both would be, an Event of Default.

"Dismissal or Conversion" means dismissal or suspension of the Chapter 11 Case, conversion of the Chapter 11 Case to a case under Chapter 7 of the Bankruptcy Code and/or commencement of a case under Chapter 15 of the Bankruptcy Code with respect to the Payee.

"Event of Default" has the meaning specified in Section 5 hereof.

"Final Order" means a judgment or order of the Bankruptcy Court (or any other court of competent jurisdiction) entered on the docket in the Chapter 11 Case (or the docket of such other court), which has not been modified, amended, reversed, vacated or stayed and as to which (a) the time to appeal, petition for certiorari, or move for a new trial, stay, reargument or rehearing has expired and as to which no appeal, petition for certiorari or motion for new trial, stay, reargument or rehearing shall then be pending or (b) if an appeal, writ of certiorari, new trial, stay, reargument or rehearing thereof has been sought, such order or judgment of the Bankruptcy Court (or other court of competent jurisdiction) shall have been affirmed by the highest court to which such order was appealed, or certiorari shall have been denied, or a new trial, stay, reargument or rehearing shall have expired, as a result of which such order shall have become final in accordance with Bankruptcy Rule 8002; *provided*, however, that the possibility that a motion under Rule 60 of the Federal Rules of Civil Procedure, or any analogous Bankruptcy Rule, may be filed relating to such order, shall not cause an order not to be a Final Order.

"Funding Account" means the account into which the proceeds of all Payments made under this Agreement shall be deposited, as designated in writing by the Payee to the Payor from time to time.

"Funding Agreement Order" means an order of the Bankruptcy Court approving the Payee's entry into this Agreement, substantially in the form of Exhibit A to this Agreement or as otherwise agreed by the Parties in writing, in their respective sole discretion.

"Funding Conditions" has the meaning specified in Section 2(d) hereof.

"Funding Date" has the meaning specified in Section 2(b) hereof.

"Funding Request" has the meaning specified in Section 2(b) hereof.

"Governmental Authority" means the government of the United States or any other nation, or of any political subdivision thereof, whether state or local, and any agency, authority, instrumentality regulatory body, court, central bank or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government.

"Mandatory Payment Amount" has the meaning set forth in Section 2(g) hereof.

"Mandatory Payment Reserves" has the meaning set forth in Section 2(g) hereof.

"Mandatory Payment Trigger Event" means the occurrence of any of the following:

(i) the Funding Agreement Order ceases to be in full force and effect, or otherwise is vacated, stayed, reversed, modified or amended;

(ii) filing by Payee (or any person acting on behalf of Payee) of any motion seeking entry of a Trustee Order, failure of the Payee to object to any motion seeking entry of a Trustee Order, or the Bankruptcy Court or any other court of competent jurisdiction entering a Trustee Order;

(iii) filing by Payee (or any person acting on behalf of Payee) of any motion or petition seeking Dismissal or Conversion, failure of the Payee to object to or contest any motion or petition seeking Dismissal or Conversion, or entry of an order of Dismissal or Conversion by the Bankruptcy Court or any other court of competent jurisdiction;

(iv) entry of an order of the Bankruptcy Court terminating the automatic stay under section 362 of the Bankruptcy Code with respect to any assets in Payee's bankruptcy estate without the consent of the Payee;

(v) filing by Payee (or any person acting on behalf of Payee) of any complaint or cause of action asserting any claims or cause of action (including under Chapter 5 of the Bankruptcy Code or any similar state or foreign law) against Payor or any of Payor's current or former officers and directors (individually or in any capacity) without the consent of the Payor;

(vi) any representation and/or warranty of the Payee set forth in Section 3(b) shall prove to have been incorrect in any material respect (or, to the extent qualified by materiality, in all respects) on or as of the date made and, to the extent capable of being cured, such representation or warranty is not corrected or clarified (in each case, in a manner which causes

such representation or warranty to no longer be incorrect or misleading) within five days after the date on which the Payee has actual knowledge of such incorrect representation or warranty; or

(vii) entry of an order by the Brazilian RJ Court that prohibits Payor or Payee's compliance with this agreement or is otherwise materially inconsistent with this agreement or would frustrate the Parties' respective objectives hereunder; or

(viii) any violation by the Payee of the covenant set forth in Section 4 hereof.

"Mandatory Payment Trigger Notice" has the meaning set forth in Section 2(g) hereof.

"Organizational Documents" means, with respect to any form of business entity, the applicable articles of incorporation and bylaws or other agreement of formation or organization and any agreement, instrument, filing or notice with respect thereto filed in connection with its formation or organization with the applicable Governmental Authority in the jurisdiction of its formation or organization and, if applicable, any certificate or articles of formation of such entity.

"Parties" has the meaning specified in the first paragraph of this Agreement.

"Payee" has the meaning specified in the first paragraph of this Agreement.

"Payment" has the meaning specified in Section 2(a) hereof.

"Payor" has the meaning specified in the first paragraph of this Agreement.

"Permitted Funding Use" means each of the following:

(a) the payment of any and all costs and expenses of the Payee incurred during the pendency of the Chapter 11 Case, including fees of Professional Persons and the other costs of administering the Chapter 11 Case;

(b) the funding of any amounts necessary to cause the Funding Account to contain at all times an amount equal to the Post-Mandatory Payment Trigger Cap;

(c) the payment of any and all costs and expenses of the Payee incurred in connection with the pursuit of available remedies to collect any unfunded Payments due and owing to the Payee or otherwise to enforce the performance by the Payor, or either of them, of any provision of this Agreement; and

(d) the funding of the Mandatory Payment Amount;

in the case of clauses (a) through (b) above, solely to the extent that any cash distributions theretofore received by the Payee from its Subsidiaries are insufficient to pay such costs and expenses and fund such amounts and obligations in full.

"Person" means any individual, corporation, partnership, limited liability company, joint venture, trust, unincorporated organization, or government or any agency or political subdivision thereof.

"Post-Mandatory Payment Trigger Notice Cap" has the meaning set forth in Section 2(g) hereof.

"Post-Mandatory Payment Trigger Notice Reserve" has the meaning set forth in Section 2(g) hereof.

"Post-Mandatory Payment Trigger Notice Reserve Obligations" has the meaning set forth in Section 2(g) hereof.

"Pre-Mandatory Payment Trigger Notice Reserve" has the meaning set forth in Section 2(g) hereof.

"Pre-Mandatory Payment Trigger Notice Reserve Obligations" has the meaning set forth in Section 2(g) hereof.

"Professional Persons" has the meaning set forth in Section 2(g) hereof.

"Termination Declaration Date" has the meaning set forth in Section 2(g) hereof.

"Trustee Order" means an order of the Bankruptcy Court appointing a trustee, receiver, examiner or independent director for the Payee, or a responsible officer with enlarged powers relating to the operation of the Payee, or the appointment of an analogous fiduciary or officer by the Brazilian RJ Court or any other court with jurisdiction over Payee.

2. Funding Obligations and Procedures.

(a) Funding Obligations. From and after the effectiveness of this Agreement as set forth in Section 2(e), the Payor shall, subject to satisfaction of the Funding Conditions and the other terms and conditions set forth in this Agreement, upon the request of the Payee from time to time in accordance with the requirements of Section 2(b), make payments to the Payee (each, a "Payment"), the proceeds of which shall be used by the Payee solely for a Permitted Funding Use. Subject to the requirement set forth herein to fund the Mandatory Payment Amount, nothing in this Agreement shall obligate the Payor to make any Payment under this Agreement that exceeds the amount requested by the Payee in the applicable Funding Request.

(b) Funding Requests. To request a Payment, the Payee shall deliver to the Payor a written request (which written request may be a .pdf delivered via email) for such Payment in a form reasonably acceptable to the Payor and signed by the Payee (each, a "Funding Request"). Each Funding Request shall specify (i) the amount of the requested Payment, and (ii) the date of the requested Payment, which shall be the date that is five Business Days following the delivery of such Funding Request (each such date, a "Funding Date"). Each Funding Request by the Payee shall constitute a representation and warranty by the Payee that the conditions set forth in Section 2(d) have been satisfied. Subject to the requirement to fund the Mandatory Payment Amount, the Payee shall not deliver a Funding Request for an amount in excess of the aggregate amount necessary for the Payee to fund all current Permitted Funding Uses and all projected Permitted Funding Uses over the 30 days following the date of such Funding Request.

(c) Payments. Subject only to the satisfaction of the Funding Conditions, on or before any Funding Date, the Payor shall pay or cause to be paid to the Payee an amount equal to the amount of the requested Payment specified in the applicable Funding Request. All Payments shall be made by wire or other transfer of immediately available funds, in United States dollars, to the Funding Account.

(d) Conditions to Payments. The Payor's obligation to make any Payment other than the obligation to fund the Mandatory Payment Amount is subject to the satisfaction of the following conditions (the "Funding Conditions") as of the date of the Funding Request relating to such Payment:

(i) no Mandatory Payment Trigger Event shall have occurred and be continuing;

(ii) the aggregate amount of Payments made by the Payor, inclusive of the requested payment, but excluding the Mandatory Payment Amount, shall be less than $3,000,000; and

(iii) the representations and warranties of the Payee set forth in Section 3(b) shall be true and correct without regard to the impact of the Chapter 11 Case, including any notices or other actions that may be required therein.

(e) Effectiveness. This Agreement will become effective immediately upon the Funding Agreement Order by the Bankruptcy Court becoming a Final Order.

(f) Termination.

(i) Payor's obligation to make any Payments (other than the obligation to fund the Mandatory Payment Amount) shall terminate upon the delivery of a Mandatory Payment Trigger Notice in accordance with the final sentence of Section 2(g)(i).

(ii) This Agreement will automatically terminate without notice and without any other action by any party hereto at such time as it is no longer possible for there to be any Permitted Funding Uses.

(g) Mandatory Payment Amount.

(i) Definitions. The "Mandatory Payment Amount" means (x) the sum of (i) all fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate (without regard to the notice set forth in (iii) below); (ii) all reasonable fees and expenses up to $50,000 incurred by a trustee (if any) under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all unpaid fees and expenses (the "Allowed Professional Fees") incurred by persons or firms retained by the Debtor pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "Debtor Professionals"), the Committee (if any) pursuant to section 328 or 1103 of the Bankruptcy Code (the "Committee Professionals" and, together with the Debtor

Professionals, the "Professional Persons") at any time before or on the first business day following delivery by the Payor of a Mandatory Payment Trigger Notice (as defined below), whether allowed by the Bankruptcy Court prior to or after delivery of a Mandatory Payment Trigger Notice; and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $500,000 incurred after the first business day following delivery by the Payor of the Mandatory Payment Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "Post-Mandatory Payment Trigger Notice Cap"), *minus* (y) Available Cash (as defined below). For purposes of the foregoing, "Mandatory Payment Trigger Notice" shall mean a written notice delivered by email (or other electronic means) by the Payor to the Payee, its lead restructuring counsel and the U.S. Trustee, which notice may be delivered following the occurrence and during the continuation of a Mandatory Payment Trigger Event, stating that the Post-Mandatory Payment Trigger Notice Cap has been invoked, and which notice shall be effective upon receipt by the Payee of payment by Payor of the Mandatory Payment Amount.

(ii) Mandatory Payment Reserves. The Mandatory Payment Amount, together with all cash on hand of the Payee as of such date, if any ("Available Cash"), and any available cash thereafter held by the Payee shall be used by Payee (i) to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees, which amounts the Payee shall deposit and hold in a segregated account in trust to pay such then unpaid Allowed Professional Fees (the "Pre-Mandatory Payment Trigger Notice Reserve") prior to any and all other claims; and (ii) after funding the Pre-Mandatory Payment Trigger Notice Reserve, to fund a reserve in an amount equal to the Post-Mandatory Payment Trigger Notice Cap, which amounts the Payee shall deposit and hold in a segregated account in trust to pay such Allowed Professional Fees benefiting from the Post-Mandatory Payment Trigger Notice Cap (the "Post-Mandatory Payment Trigger Notice Reserve" and, together with the Pre-Mandatory Payment Trigger Notice Reserve, the "Mandatory Payment Reserves") prior to any and all other claims. All funds in the Pre-Mandatory Payment Trigger Notice Reserve shall be used first to pay the obligations set forth in clauses (i) through (iii) of the definition of Mandatory Payment set forth above (the "Pre-Mandatory Payment Trigger Notice Reserve Obligations"), but not, for the avoidance of doubt, the Post-Mandatory Payment Trigger Notice Cap, until paid in full, and then, returned to the Payor. All funds in the Post-Mandatory Payment Trigger Notice Reserve shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "Post-Mandatory Payment Trigger Notice Reserve Obligations"), and then, to the extent the Post-Mandatory Payment Trigger Notice Reserve has not been reduced to zero, returned to the Payor. Notwithstanding anything to the contrary in this Agreement, if either of the Mandatory Payment Reserves is not funded in full in the amounts set forth in this Section 2(g)(ii), then, any excess funds in one of the Mandatory Payment Reserves following the payment of the Pre-Mandatory Payment Trigger Notice Reserve Obligations and Post-Mandatory Payment Trigger Notice Reserve Obligations, respectively, shall be used to fund the other Mandatory Payment Reserve, up to the applicable amount set forth in this Section 2(g)(ii), prior to returning any funds to the Payor.

3. Representations and Warranties.

(a) Representations and Warranties of the Payor. The Payor represents and warrants the following to the Payee:

(i) Existence, Qualification and Power. The Payor (A) is duly organized or formed, validly existing and, as applicable, in good standing under the laws of its jurisdiction of incorporation or organization and (B) has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals to execute, deliver and perform its obligations under this Agreement, .

(ii) Authorization; No Contravention. The execution, delivery and performance by the Payor of this Agreement has been duly authorized by all necessary corporate, judicial or other organizational action, and does not and will not (A) contravene the terms of its Organizational Documents, (B) conflict with or result in any breach or contravention of, or the creation of any lien under, or require any payment to be made under (I) any contractual obligation to which it is a party or affecting it or its properties or (II) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which it or its property is subject, (C) violate any applicable law or (D) require any approval from the Brazilian RJ Court or any other court.

(iii) Governmental Authorization; Other Consents. No approval, consent, exemption, authorization or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the execution, delivery or performance of this Agreement by, or enforcement of this Agreement against, the Payor.

(iv) Binding Effect. This Agreement has been duly executed and delivered by the Payor. This Agreement constitutes a legal, valid and binding obligation of the Payor, enforceable against the Payor in accordance with its terms.

(b) Representations and Warranties of the Payee. The Payee represents and warrants the following to the Payor:

(i) Existence, Qualification and Power. The Payee (A) is duly organized or formed, validly existing and, as applicable, in good standing under the laws of its jurisdiction of incorporation or organization and (B) has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals to execute, deliver and perform its obligations under this Agreement.

(ii) Authorization; No Contravention. The execution, delivery and performance by the Payee of this Agreement has been duly authorized by all necessary corporate, judicial or other organizational action, and does not and will not (A) contravene the terms of its Organizational Documents, (B) conflict with or result in any breach or contravention of, or the creation of any lien under, or require any payment to be made under (I) any contractual obligation to which it is a party or affecting it or its properties or (II) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which it or its property is subject, (C) violate any applicable law or (D) require any

approval from the Brazilian RJ Court or any other court, *other than* the Bankruptcy Court's entry of the Funding Agreement Order.

(iii) Governmental Authorization; Other Consents. No approval, consent, exemption, authorization or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the execution, delivery or performance of this Agreement by, or enforcement of this Agreement against, the Payee, *other than* the Bankruptcy Court's entry of the Funding Agreement Order.

(iv) Binding Effect. This Agreement has been duly executed and delivered by the Payee. Subject to entry of the Funding Agreement Order by the Bankruptcy Court, this Agreement constitutes a legal, valid and binding obligation of the Payee, enforceable against the Payee in accordance with its terms.

4. Covenants of the Payee. The Payee shall not use the proceeds of any Payment made under this Agreement for any purpose other than a Permitted Funding Use.

5. Events of Default. Each of the following events constitutes an "Event of Default":

(a) the Payor defaults in the funding obligations pursuant to Section 2 and such default continues for a period of five Business Days; or

(b) the Payor defaults in the performance of, or breaches, any covenant or representation or warranty of the Payor in this Agreement (other than a covenant or representation or warranty which is specifically dealt with elsewhere in this Section 5) and such default or breach continues for a period of 30 days after there has been given, by registered or certified mail, to the Payor by the Payee a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder.

Upon becoming aware of any Default or Event of Default, the Payor shall promptly deliver to the Payee a statement specifying such Default or Event of Default.

6. Remedies. Upon the occurrence of any Event of Default, and at any time thereafter during the continuance of any such Event of Default, the Payee may pursue any available remedy (including specific performance) to collect any unfunded Payments due and owing to the Payee or to enforce the performance of any provision of this Agreement.

7. Notices. All notices required under this Agreement, including each Funding Request and any approval of or objection to a Funding Request, shall be delivered to the applicable party to this Agreement at the address set forth below. Unless otherwise specified herein, delivery of any such notice by email, facsimile or other electronic transmission (including .pdf) shall be effective as delivery of a manually executed counterpart thereof.

Payor:

Ambipar Participações e Empreendimentos S.A.

Additionally, a copy of all notices delivered under this agreement shall be delivered to the following (delivery by email, facsimile or other electronic transmission (including .pdf) being satisfactory); *provided* that the failure to deliver such a copy shall have no effect on the effectiveness of the underlying notice:

Independent Special Committee of the Payee:

[On file with the Parties.]

8. Governing Law; Submission to Jurisdiction. This Agreement shall be governed and construed in accordance with the laws of the State of New York. Any legal proceeding seeking to enforce any provision of, or based on any matter arising under, this Agreement must be brought: (a) at any time the Chapter 11 Case is not pending, in a state or federal court in New York; or (b) at any time the Chapter 11 Case is pending, in the Bankruptcy Court; *provided*, that during the pendency of the Brazilian RJ Proceeding, in the sole discretion of Payee, Payee shall be permitted to (but not obligated to) bring such legal proceedings in the Brazilian RJ Court. The Payor and the Payee hereby irrevocably and unconditionally submit to the jurisdiction of all such courts (and of the appropriate appellate courts therefrom) in any such legal proceeding.

9. No Implied Waiver; Amendments; Acknowledgments. No failure or delay on the part of the Payee to exercise any right, power or privilege under this Agreement, and no course of dealing between the Payor, on the one hand, and the Payee, on the other hand, shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, power or privilege. No notice to or demand on the Payor in any case shall entitle the Payor to any other or further notice or demand in similar or other circumstances, or constitute a waiver of the right of the holder of this Agreement to any other or further action in any circumstances without notice or demand. The remedies provided in this Agreement are cumulative and not exclusive of any remedies provided by law. No amendment or waiver of any provision of this Agreement, nor consent to any departure by the Payee therefrom, shall in any event be effective unless the same shall be in writing, specifically refer to this Agreement, and be signed by the Payor and the Payee, and then such amendment or waiver shall be effective only in the specific instance and for the specific purpose for which given. A waiver on any such occasion shall not be construed as a bar to, or waiver of, any such right or remedy on any future occasion. Payor acknowledges that Payee is a debtor in possession, subject to the rights, powers and duties provided for in Section 1107 of the Bankruptcy Code. For the avoidance of doubt, nothing provided herein is intended to unduly influence Payee's independent exercise of such rights, powers and duties, or limit or restrict Payee's ability to incur administrative expenses that may not be payable hereunder.

10. Counterparts; Entire Agreement; Electronic Execution. This Agreement may be executed in separate counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement constitutes the entire contract

among the parties hereto relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by each party hereto and each party hereto shall have received counterparts hereof which, when taken together, bear the signatures of each of party hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by telecopy, .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement.

11. Severability. If any one or more of the provisions contained in this Agreement are invalid, illegal or unenforceable in any respect, the validity, legality or enforceability of all the remaining provisions will not in any way be affected or impaired. If any one or more provisions contained in this Agreement are deemed invalid, illegal or unenforceable because of their scope or breadth, such provisions shall be reformed and replaced with provisions whose scope and breadth are valid under applicable law.

12. Transfer; Assignment. This Agreement shall be binding upon the Payor and its successors and assigns, and the terms and provisions of this Agreement shall inure to the benefit of the Payee and its successors and assigns. The Payor's rights and obligations under this Agreement may not be assigned without the prior written consent of the Payee. The Payee's rights and obligations under this Agreement may not be assigned without the prior written consent of the Payor. Any purported assignment of rights or obligations under this Agreement other than as permitted by this Section 12 shall be null and void.

13. Construction. The descriptive headings herein are inserted for convenience of reference only and are not intended to be part of or to affect the meaning or interpretation of this Agreement. The word "including" means without limitation by reason of enumeration. The words "hereof," "herein" and "hereunder" and words of similar import, when used in this Agreement, refer to this Agreement as a whole and not to any particular provision of this Agreement. Unless specifically stated otherwise, all references to Sections and Exhibits are to the Sections and Exhibits of or to this Agreement.

14. Rights of Parties. This Agreement shall not confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns.

15. Specific Performance. The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the Parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. The Parties acknowledge and agree that (a) the Parties shall be entitled to an injunction or injunctions, specific performance or other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in any court of competent jurisdiction without proof of damages or inadequacy of legal remedy and without the posting or provision of any bond or other security, this being in addition to any other remedy to which they are entitled under this Agreement and (b) the right of specific enforcement is an integral part of the transactions contemplated by this Agreement and, without that right, neither Payor nor Payee would have entered into this Agreement.

16. Third Party Beneficiaries. Except as set forth in the following sentence, this Agreement is not intended to create any rights in favor of any person other than the Parties, and no other person or entity shall be a third-party beneficiary hereof. Notwithstanding the foregoing, the Parties intend for Professional Persons to be third-party beneficiaries of this Agreement, solely for the purpose of enforcing the obligations of the Parties set forth in Section 2(g).

FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION

In re:	Chapter 11
AMBIPAR EMERGENCY RESPONSE,	Case No. 25-90524 (ARP)
Debtor.[1]	(Jointly Administered)

DEBTOR'S MOTION FOR ENTRY OF AN ORDER EXTENDING EXCLUSIVITY PERIOD PURSUANT TO SECTION 1121(D) OF THE BANKRUPTCY CODE

IF YOU OBJECT TO THE RELIEF REQUESTED, YOU MUST RESPOND IN WRITING. UNLESS OTHERWISE DIRECTED BY THE COURT, YOU MUST FILE YOUR RESPONSE ELECTRONICALLY AT HTTPS://ECF.TXSB.USCOURTS.GOV/ WITHIN TWENTY-ONE DAYS FROM THE DATE THIS MOTION WAS FILED. IF YOU DO NOT HAVE ELECTRONIC FILING PRIVILEGES, YOU MUST FILE A WRITTEN OBJECTION THAT IS ACTUALLY RECEIVED BY THE CLERK WITHIN TWENTY-ONE DAYS FROM THE DATE THIS MOTION WAS FILED. OTHERWISE, THE COURT MAY TREAT THE PLEADING AS UNOPPOSED AND GRANT THE RELIEF REQUESTED.

Ambipar Emergency Response, the above-captioned debtor and debtor in possession (the "Debtor") respectfully states the following in support of this motion (this "Motion"):

Relief Requested

1. The Debtor seeks entry of an order, substantially in the form attached hereto (the "Order"): (a) extending the period during which the Debtor has the exclusive right to (i) file a chapter 11 plan of reorganization by seventy-five (75) days,[2] through and including May 4, 2026 (the "Filing Exclusivity Period") and (ii) solicit a chapter 11 plan filed during the Filing Exclusivity Period by seventy-five (75) days, through and including July 2, 2026 (the "Solicitation Exclusivity Period," together with the Filing Exclusivity Period, the "Exclusivity Periods"), without prejudice

to the Debtor's right to seek further extension of the Exclusivity Periods; and (b) granting related relief. Absent the relief requested, the Filing Exclusivity Period would expire on February 17, 2026, and the Solicitation Exclusivity Period would expire on April 18, 2026.[3]

Preliminary Statement

2. The Debtor requests that this Court grant a 75-day extension of the Exclusivity Periods.

3. As the Court is aware, this is not a typical chapter 11 case. The Debtor is merely a part of the broader Ambipar Group, which is reorganizing in RJ Proceedings (each as defined below) in Brazil. The Debtor—the sole member of the Ambipar Group which has commenced restructuring proceedings in the United States—has not yet determined whether it will seek confirmation of its own chapter 11 plan, or whether it will seek to dismiss or suspend its chapter 11 case in favor of a case under chapter 15 to recognize a comprehensive restructuring approved in the RJ Proceeding. Based on this uncertainty alone, granting a modest extension of the Exclusivity Periods in this case is appropriate and warranted.

4. Further, extending the Exclusivity Periods will afford the Debtor and its stakeholders time to continue to progress restructuring negotiations: indeed, the Debtor's objective is to negotiate a consensual restructuring with the ad hoc bondholder group, the Debtor's sole

[3] Pursuant to paragraph 30 of the *Procedures for Complex Cases in the Southern District of Texas* (the "Complex Case Procedures"), the filing of this Motion automatically extends the Filing Exclusivity Period until this Court rules on this Motion. *See* Complex Case Procedures ¶ 30 (providing that, unless otherwise provided by applicable law, a motion that is filed to extend the time for taking an action prescribed by the Bankruptcy Code, Bankruptcy Rules, or Bankruptcy Local Rules shall automatically extend the time for taking such action until the bankruptcy court rules on such motion).]

material creditor constituency. The path to a creditor-approved restructuring would be unnecessarily hindered if the Debtor is forced to fend off competing chapter 11 plan proposals.

5. Accordingly, the Debtor seeks the 75-day extensions of exclusivity described in this motion.

Jurisdiction

6. This Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, and this is a core proceeding pursuant to 28 U.S.C. § 157(b).

7. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

8. The basis for the relief requested herein is section 1121 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "Bankruptcy Code").

Background

9. On October 20, 2025, (the "Petition Date"), Debtor filed its voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is managing its assets as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in this chapter 11 case, and no statutory committees have been appointed.[4]

10. As set forth in the First Day Declaration, the Debtor is a subsidiary of Ambipar Participações e Empreendimentos S.A. ("Ambipar Topco," collectively with its direct and indirect subsidiaries, the "Ambipar Group"). Ambipar Topco and certain of its subsidiaries (including the Debtor) (collectively, the "RJ Parties") are party to restructuring proceedings in Brazil (the "RJ

Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the First Day Declaration.

Proceedings"). This chapter 11 case is a parallel plenary proceeding for the Debtor, alongside the RJ Proceedings.

Basis for Relief

11. Section 1121(b) of the Bankruptcy Code provides for an initial period of 120 days after the commencement of a chapter 11 case during which a debtor has the exclusive right to file a chapter 11 plan. Section 1121(c)(3) of the Bankruptcy Code provides that if a debtor files a plan within the 120-day Filing Exclusivity Period, it has an exclusive period of 180-days after the commencement of the chapter 11 case to obtain acceptances of its plan. "[T]he point of exclusivity is to promote an environment in which the debtor's business may be rehabilitated and a consensual plan may be negotiated." *In re Weiss Multi-Strategy Advisers LLC*, No. 24-10743, 2024 WL 3841305, at *3 (S.D.N.Y. Aug. 14, 2024) (citing *In re Burns and Roe Enters., Inc.*, No. 00-41610 (RG), 2005 WL 6289213, at *4 (D.N.J. Nov. 2, 2005)). The Debtor's initial Filing Exclusivity Period and Solicitation Exclusivity Period are currently set to expire on February 17, 2026, and April 18, 2026, respectively. The Debtor believes it is prudent to seek an extension of the Exclusivity Periods to preserve its exclusive right to prosecute a plan of reorganization so that the Debtor does not have to direct its attention away from negotiating a consensual resolution of this chapter 11 case to defend against potential competing plan proposals.

12. Under section 1121(d) of the Bankruptcy Code, the Court may extend the Exclusivity Periods (as defined in the Order) "for cause." 11 U.S.C. § 1121(d) ("[O]n request of a party in interest made within the respective periods specified in subsections (b) and (c) of this section and after notice and a hearing, the court may for cause reduce or increase the 120-day period or the 180-day period referred to in this section.").

13. The Bankruptcy Code neither defines the term "cause" for purposes of section 1121(d) nor establishes formal criteria for an extension. The legislative history of section 1121 of

the Bankruptcy Code indicates, however, that it is intended to be a flexible standard to balance the competing interests of a debtor and its creditors. *See* H.R. Rep. No. 95–595, at 231–32 (1977), *reprinted in* 1978 U.S.C.C.A.N. 5963 (noting that Congress intended to give Bankruptcy Courts great flexibility to protect a debtor's interests by allowing a debtor an unimpeded opportunity to negotiate settlement of debts without interference from other parties in interest); *In re Timbers of Inwood Forest Assoc., Ltd.*, 808 F.2d 363, 372 (5th Cir. 1987) ("Any bankruptcy court involved in an assessment of whether 'cause' exists should be mindful of the legislative goal behind § 1121."); *In re Mirant Corp.*, No. 4-04-CV-476-A, 2004 WL 2250986, at *2 (N.D. Tex. Sept. 30, 2004) ("In virtually every case where an extension has been granted, the debtor showed substantial progress had been made in negotiations toward reorganization.").

14. Courts within the Fifth Circuit and in other jurisdictions have held that the decision to extend the Exclusivity Periods is left to the sound discretion of a bankruptcy court and should be based on the totality of circumstances in each case. See *In re Mirant*, 2004 WL 2250986, at * 2 (noting that the decision to extend exclusivity "lies within the bankruptcy court's discretion"); *In re Express One Int'l, Inc.*, 194 B.R. 98, 100-01 (Bankr. E.D. Tex. 1996) (extending exclusivity based on the totality of the circumstances); *see also In re Borders Grp., Inc.*, 460 B.R. 818, 822 (Bankr. S.D.N.Y 2011) (noting that "the court has broad discretion in extending or terminating exclusivity"); *First Am. Bank of N.Y. v. Sw. Gloves & Safety Equip., Inc.*, 64 B.R. 963, 965 (D. Del. 1986) (holding that section 1121(d) of the Bankruptcy Code provides the bankruptcy court "with flexibility to either reduce or increase that period of exclusivity in its discretion").

15. Courts in this district and others have examined a number of factors to determine whether "cause" exists to extend exclusivity. *See, e.g.*, *In re New Millennium Mgmt., LLC*, No. 13-

35719-H3-11, 2014 WL 792115, at *6 (Bankr. S.D. Tex. Feb. 25, 2014); *see also In re Borders Grp., Inc.*, 460 B.R. at 822. These non-exclusive factors include:

(i) the size and complexity of the debtor's case;

(ii) the necessity for sufficient time to permit the debtor to negotiate a chapter 11 plan and prepare adequate information;

(iii) the existence of good faith progress towards reorganization;

(iv) the fact that the debtor is paying its bills as they become due;

(v) whether the debtor has demonstrated reasonable prospects for filing a viable plan;

(vi) whether the debtor has made progress in negotiations with its creditors;

(vii) whether the debtor is seeking an extension of exclusivity in order to pressure creditors to submit to the debtor's reorganization demands;

(viii) the amount of time which has elapsed in the case; and

(ix) whether an unresolved contingency exists.

See, e.g., *Millennium Mgmt.*, 2014 WL 792115, at *6; *see also In re Adelphia Commc'ns Corp.*, 352 B.R. 578, 587 (Bankr. S.D.N.Y. 2006) (noting that the factors listed above are "objective factors which courts historically have considered in making determinations of this character").

16. Not all factors are relevant to every case, and courts tend to use a subset of factors that are relevant to the case in determining whether cause exists to grant an exclusivity extension in a particular chapter 11 case. *See, e.g.*, *In re Hoffinger Indus., Inc.*, 292 B.R. 639, 644 (B.A.P. 8th Cir. 2003) ("It is within the discretion of the bankruptcy court to decide which factors are relevant and give the appropriate weight to each."); *In re Serv. Merch. Co., Inc.*, 256 B.R. 744, 751–55 (Bankr. M.D. Tenn. 2000) (finding cause to extend where the debtors established six of the aforementioned factors); *In re Express One Int'l, Inc.*, 194 B.R. at 101 (identifying four of the factors as relevant in determining whether "cause" existed to extend exclusivity); *see also In re Dow Corning Corp.*, 208 B.R. 661, 670 (Bankr. E.D. Mich. 1997) ("When the Court is determining

whether to terminate a debtor's exclusivity, the primary consideration should be whether or not doing so would facilitate moving the case forward. And that is a practical call that can override a mere toting up of the factors.").

17. Moreover, courts regularly grant a debtor's first request for an extension of the debtor's exclusive period to file a chapter 11 plan. *See In re Apex Pharm., Inc.*, 203 B.R. 432, 441 (N.D. Ind. 1996) ("It is true that during the initial 120-day period in which debtors have an exclusive right to file a plan of reorganization . . . the bankruptcy courts apply a lesser standard in determining whether the burden of showing 'a reasonable possibility of a successful reorganization within a reasonable time' has been satisfied.") (citation omitted); *see also In re Borders Grp., Inc.*, 460 B.R. at 825 (same).

18. Courts in this district have granted similar relief to that requested herein in a number of cases. *See, e.g.*, *In re Nitro Fluids, LLC*, No. 24-60018 (CML) (Bankr. S.D. Tex. Mar. 7, 2025) [Docket No. 465] (granting 90-day extension); *In re Rhodium Encore LLC*, No. 2490448 (ARP) (Bankr. S.D. Tex. Dec. 11, 2024) [Docket No. 571] (granting 90-day extension); *In re Core Scientific, Inc., et al,* No. 22-90341 (DRJ) (Bankr S.D. Tex. June 13, 2023) [Docket No. 962] (granting 90-day extension); *In re Talen Energy Supply, LLC, et al*, Case No. 22-90054 (MI) (Bankr. S.D. Tex. Sept. 27, 2022) [Docket No. 1285] (granting 105-day extension of the exclusive filing period and 45-day extension of the exclusive solicitation period); *In re Seadrill Ltd.*, No. 21-30427 (Bankr. S.D. Tex. Jul. 1, 2021) [Docket No. 829] (granting 120-day extension); *In re Steward Health Care System LLC*, No. 24-90213 (Bankr. S.D. Tex. Sep. 26, 2024) [Docket No. 2693] (granting 61-day extension); *In re LifeScan Global Corp.*, No. 25-90259 (Bankr. S.D. Tex. December 5, 2025) [Docket No. 616] (granting 61-day extension).

Cause Exists to Extend Exclusivity Periods

19. An extension of the Exclusivity Periods is appropriate, as it will permit the Debtor to work toward a consensual restructuring, which is in the best interest of the Debtor and its creditors, and consistent with the intent and purpose of chapter 11 of the Bankruptcy Code. The Debtor has used its time in chapter 11 to stabilize the operating business of its subsidiaries, protect estate assets, and productively and efficiently to work with its stakeholders and its affiliates (including in the RJ Proceeding) to begin development of a comprehensive restructuring. Accordingly, application of the relevant above factors to the facts of this chapter 11 case demonstrates that ample cause exists to grant the reasonable extension of the Exclusivity Periods requested herein.

A. The Business and Restructuring Efforts Are Large and Complex

20. The global scope and unusual posture of Ambipar Group's restructuring efforts, involving dual plenary insolvency proceedings in both Brazil and the United States, is sufficient alone to justify a first extension of the Exclusivity Periods. While the Debtor has a limited number of creditors and is party to very few contracts, it is part of the larger Ambipar Group, which is engaged in a complex, multi-jurisdictional restructuring that arose out of a free-fall into court protection. Simply put, this chapter 11 case is part of a global "mega case," and free-fall mega cases—whether here in the United States or in Brazil—are rarely (if ever) resolved during the initial exclusivity period.

B. The Debtor Has Made Substantial Progress in the Restructuring Efforts and in Negotiating in Good Faith with Creditors.

21. Since the Petition Date, the Debtor, along with the other RJ Parties, has made substantial progress in negotiating a global restructuring with its stakeholders, warranting an extension of the Exclusivity Periods. In the chapter 11 case, this progress includes:

(a) obtaining approval of a Funding Agreement so that the Debtor can fund the case;

(b) filing retention applications and obtaining orders retaining professionals;

(c) filing schedules of assets and liabilities and statements of financial affairs;

(d) holding the section 341 meeting of creditors;

(e) providing extensive diligence information to the ad hoc bondholder group to facilitate restructuring negotiations;

(f) extensive restructuring negotiations with the ad hoc bondholder group, including weekly update calls between the advisors to the Ambipar Group and advisors to the ad hoc bondholder group;

(g) negotiating parameters for Bankruptcy Rule 2004 discovery with stakeholders; and

(h) negotiating forbearances of structurally senior bank debt owed by one of the Debtor's key U.S. subsidiaries.

22. The Debtor's substantial progress toward a consensual restructuring in working with its creditors and administering its case support the extension of the Exclusivity Periods. See *In re Mirant Corp.,* 2004 WL 2250986, at *2 (noting that an extension of exclusivity is typically granted where "the debtor has shown substantial progress toward reorganization.").

C. An Extension of the Exclusivity Periods is in the Best Interest of Stakeholders.

23. The Debtor seeks to maintain exclusivity so parties with competing interests do not impede the Debtor's pursuit of emergence from this chapter 11 case. Extending the Exclusivity Periods benefits all parties in interest by preventing the drain on time and resources that inevitably occurs when multiple parties with potentially diverging interests vie for the consideration of their own respective plans. All stakeholders benefit from continued stability and predictability that a central process provides, which can only occur while the Debtor remains in control of plan proposals. Moreover, even if the Court approves an extension of the Exclusivity Periods, nothing prevents parties in interest from later arguing to the Court that cause supports termination of the

Debtor's exclusivity should cause arise. Accordingly, an extension of the Exclusivity Periods is in the best interest of the Debtor's estate, its creditors, and all other parties in interest.

D. The Debtor is Not Requesting an Extension of the Exclusivity Periods to Pressure Creditors.

24. The Debtor is not seeking an extension of the Exclusivity Periods as a negotiation tactic, to artificially delay the conclusion of the chapter 11 case, or to hold creditors hostage to an unsatisfactory plan proposal. As discussed above, the Debtor is engaging in active negotiations with key creditors. The Debtor, together with the other RJ Parties, is also complying with all applicable deadlines in the RJ Proceedings and is pursuing a consensual restructuring. Accordingly, the Debtor is not seeking an extension of the Exclusivity Periods to pressure its creditors, but to provide sufficient time for the Debtor to resolve the chapter 11 without the disruption and distraction created by competing plan proposals.

E. The Debtor Is Paying Its Debts as They Come Due.

25. The Debtor will be paying its post-petition debts (almost entirely professional fees and other cases costs) in the ordinary course of business or as otherwise provided by Court order and has recently opened a bank account in the U.S. and the Court has approved funding for its non-Debtor affiliates to pay these obligations as they come due. The Debtor will continue to pay its bills in the ordinary course of business as they become due and owing.

F. Relatively Little Time Has Elapsed in This Chapter 11 Case.

26. Less than four months have elapsed since the Petition Date, and this is the Debtor's first request for an extension of the Exclusivity Periods. As noted above, during the brief pendency of this case, the Debtor made significant progress negotiating with creditors.

27. Accordingly, for the reasons set forth herein, the Debtor submit that "cause" exists to extend the Exclusivity Periods and respectfully requests that the Court grant the relief requested herein.

Notice

28. The Debtor will provide notice of this Motion to the following parties: (a) the Office of the U.S. Trustee for the Southern District of Texas; (b) the holders of the three largest unsecured claims against the Debtor;[5] (c) the United States Attorney's Office for the Southern District of Texas; (d) the Internal Revenue Service; (e) the state attorneys general for states in which the Debtor conducts business; (f) Opportunity Agro Fundo de Investimento em Participações Multiestratégia Investimento no Exterior, a shareholder of the Debtor; (g) HPX Capital Partners LLC, a shareholder of the Debtor; (h) Davis Polk & Wardwell LLP, counsel to an ad hoc group of holders of notes issued by the Debtor; (i) The Bank of New York Mellon, indenture trustee for the series' of notes issued by the Debtor; and (j) any party that has requested notice pursuant to Bankruptcy Rule 2002. The Debtor submits that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

29. No prior motion for the relief requested herein has been made to this or any other court.

[*Remainder of this page intentionally left blank*]

[5] As disclosed in Debtor's *List of Creditors Who Have the 30 Largest Unsecured Claims and Are Not Insiders* [Docket No. 14], the Debtor is only aware of three such creditors.

Respectfully submitted this 12th day of February 2026.

IN THE UNITED STATES BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION

In re:	Chapter 11
AMBIPAR EMERGENCY RESPONSE,	Case No. 25-90524 (ARP)
Debtor.[1]	(Jointly Administered)

ORDER PURSUANT TO SECTION 1121(D) OF THE BANKRUPTCY CODE EXTENDING EXCLUSIVITY PERIODS

Upon the motion (the "Motion")[2] of the above-captioned debtor and debtor in possession (the "Debtor") for entry of an order (this "Order") (a) extending the period during which the Debtor has the exclusive right to (i) file a chapter 11 plan of reorganization by seventy-five (75) days, through and including May 4, 2026 (the "Filing Exclusivity Period") and (ii) solicit a chapter 11 plan filed during the Filing Exclusivity Period by seventy-five (75) days, through and including July 2, 2026 (the "Solicitation Exclusivity Period," together with the Filing Exclusivity Period, the "Exclusivity Periods"), without prejudice to the Debtor's right to seek further extension of the Exclusivity Periods; and (b) granting related relief., as more fully set forth in the Motion; and this Court having jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. § 1334; and consideration of the Motion and the requested relief being a core proceeding pursuant to 28 U.S.C. § 157(b); and it appearing that venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the Motion having been provided, and it appearing that no other or further notice need be provided; and this Court having reviewed the

Motion; and a hearing, if any, having been held to consider the relief requested in the Motion; and all objections, if any, to the Motion having been withdrawn, resolved, or overruled; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and it appearing that the relief requested in the Motion is in the best interests of the Debtor and its estate and creditors; and upon all of the proceedings had before this Court and after due deliberation and sufficient cause appearing therefor, it is **HEREBY ORDERED THAT**:

1. The Motion is granted as set forth herein.

2. Pursuant to section 1121(d) of the Bankruptcy Code, the Debtor's Filing Exclusivity Period in which to file a chapter 11 plan is extended through and including May 4, 2026.

3. Pursuant to section 1121(d) of the Bankruptcy Code, the Debtor's Solicitation Exclusivity Period in which to solicit acceptances of its chapter 11 plan is extended through and including July 2, 2026.

4. The extensions of the Exclusivity Periods granted herein are without prejudice to the Debtor's rights to seek from this Court further extensions of time pursuant to section 1121(d) of the Bankruptcy Code, and all rights of parties in interest with respect thereto are expressly preserved.

5. In the event of any conflicts between the Motion and this Order, the terms of this Order shall control.

6. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion, and the requirements of the Bankruptcy Rules, the Bankruptcy Local Rules, and the *Procedures for Complex Cases in the Southern District of Texas* are satisfied by such notice.

7. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

8. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

9. The Debtor is authorized to take all steps necessary or appropriate to carry out the relief granted in this Order.

10. This Court retains jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

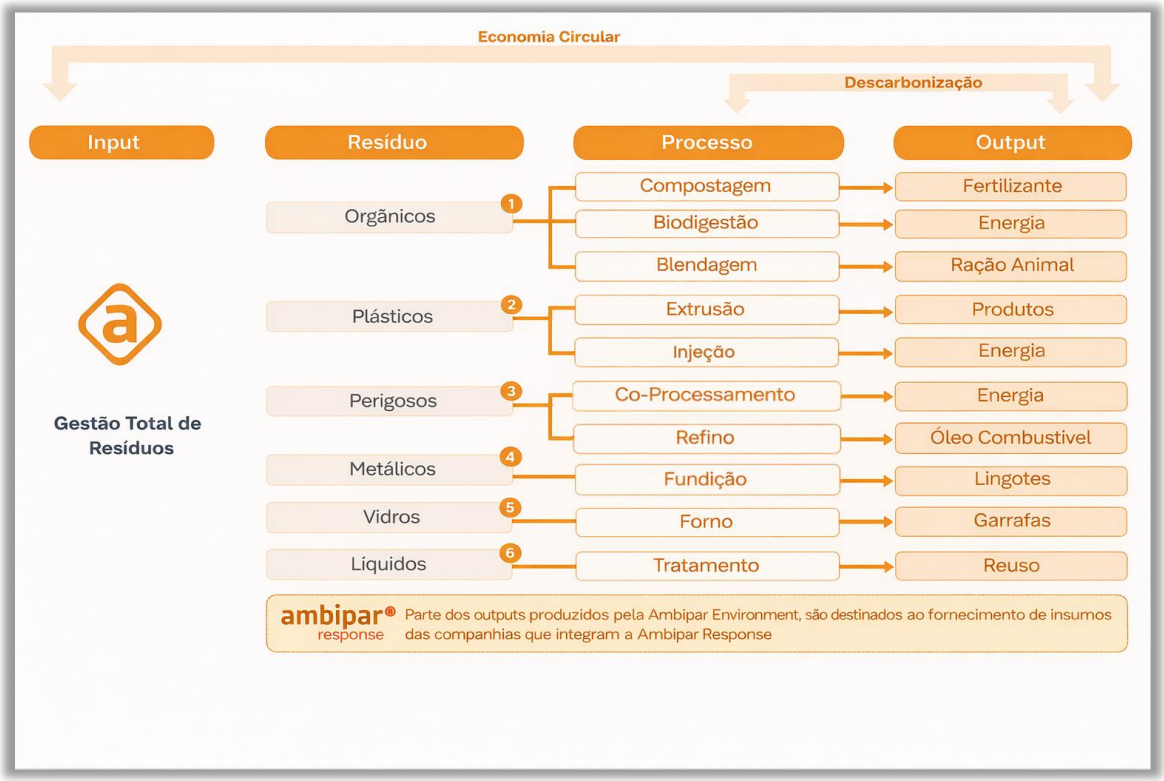
DO CONTEXTO DO PEDIDO RECUPERACIONAL, DO DEFERIMENTO INICIAL DA CONSOLIDAÇÃO SUBSTANCIAL E DA POSTERIOR DETERMINAÇÃO JUDICIAL DE APROFUNDAMENTO TÉCNICO PELA ADMINISTRAÇÃO JUDICIAL

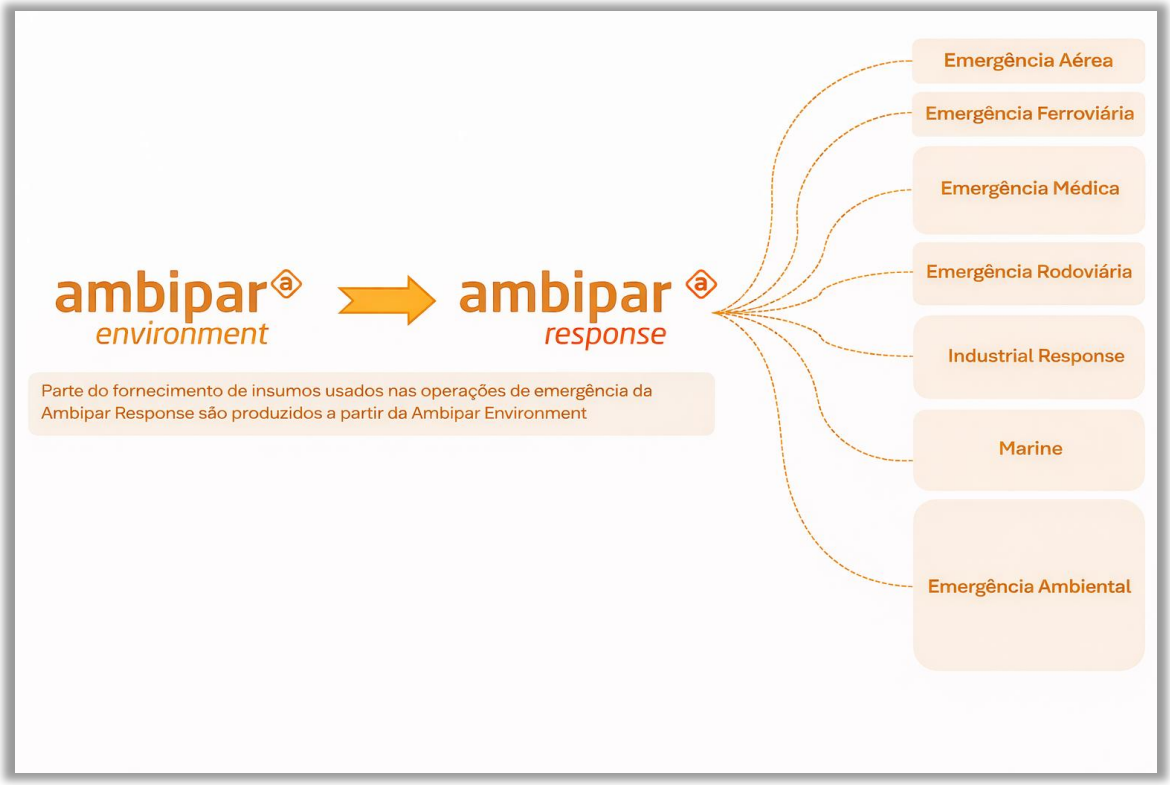
A adequada análise da consolidação substancial exige a prévia contextualização do pedido recuperacional que deu origem ao presente processo, **uma vez que é da própria narrativa apresentada pelas Recuperandas que emergem os elementos relativos à conformação do grupo econômico**, ao seu modelo de organização e à dinâmica operacional que ora se examina.

O pleito de soerguimento judicial foi formulado pelas sociedades integrantes do denominado **Grupo Ambipar** por meio do pedido de Recuperação Judicial protocolado no **Evento 89**, oportunidade em que submeteram a esse Juízo exposição estruturada acerca da constituição do grupo, de sua organização societária e de seu funcionamento empresarial.



Na petição inicial, as Recuperandas apresentaram a estrutura organizacional do grupo, segmentada entre as frentes *Environmental* e *Response*, **ressaltando a complementaridade operacional, interdependência e a atuação integrada das sociedades na condução das atividades empresariais**.

Sustentaram, ademais, que a crise econômico-financeira teria sido desencadeada, sobretudo, por operações com instrumentos derivativos, pelo vencimento antecipado de obrigações financeiras e pela deterioração do ambiente de crédito.



A contextualização inicial é relevante, uma vez que a maneira pela qual o grupo se estrutura e se apresenta, nos planos societário, operacional e financeiro, **oferece subsídios essenciais para aferir o grau de interdependência entre as sociedades e para examinar a adequação ou não da consolidação substancial** no âmbito deste processo recuperacional.

Rememore-se que o grupo aparenta ser dividido em dois grandes segmentos – ***Environment*** e ***Response***. Enquanto o primeiro é voltado para a economia circular de resíduos (orgânicos, plásticos, perigosos, metálicos, vidros e líquidos), atuando "do início ao início" e implementando processos de descarbonização, o segundo é especializado em atendimento a emergências (aéreas, ferroviárias, médica, rodoviária, industrial, marine e ambiental).

Em síntese, eis o ciclo de atividades desenvolvidas dentro da cadeia produtiva da frente ***Environment***:

Nessa linha, resume-se a atividade desenvolvida pela frente ***Response***:

Registre-se, ademais, que, para além das informações constantes dos autos, a **Administração Judicial Conjunta formulou questionamentos destinados a sistematizar e aprofundar aspectos reputados relevantes para a adequada análise da matéria**, os quais serão examinados no presente parecer (DOC. 01).

Em síntese preliminar, **as respostas obtidas indicam a existência de pagamentos cruzados de obrigações, prática associada ao regime de centralização de caixa adotado pelo grupo**, no qual os recursos financeiros das diversas sociedades são geridos de forma integrada, permitindo que obrigações operacionais e financeiras sejam adimplidas por sociedade diversa daquela originalmente responsável.

Verificou-se, ainda, que determinados bens operacionais encontram-se formalmente registrados em nome de uma sociedade, embora sejam utilizados no

desenvolvimento das atividades de outras, ao passo que a **gestão dos ativos financeiros se apresenta sob lógica unificada**.

Observou-se, igualmente, a existência de prestação de serviços entre sociedades do grupo **sem a correspondente formalização contábil e faturamento recíproco**, o que evidencia a circulação funcional de recursos, estruturas e atividades sem a necessária segregação patrimonial e operacional.

Esse conjunto de circunstâncias, caracterizado pela utilização compartilhada de bens, pela administração centralizada de recursos e pela execução integrada de atividades, revela significativa interconexão entre as operações, ativos e passivos das sociedades envolvidas, indicando, em tese, **dinâmica econômica unitária que ultrapassa a mera autonomia formal das pessoas jurídicas.**

As Recuperandas sustentaram, nesse contexto, que a segmentação das atividades em diferentes frentes empresariais não afastaria a atuação conjunta e complementar entre as sociedades, razão pela qual reputam adequado o tratamento unitário do passivo, do ativo e a apresentação de plano de recuperação único.

Com base na narrativa fática e nos documentos apresentados pelas Recuperandas, o Juízo, no **Evento 126**, deferiu o processamento da Recuperação Judicial, sendo pertinente destacar o seguinte trecho da decisão:

> "(...) No caso concreto, a análise do caderno processual e das razões deduzidas pelas requerentes evidencia o atendimento desses pressupostos. De um lado, **foram demonstradas a interconexão e a confusão entre ativos e passivos, com destaque para as garantias cruzadas**. Essa circunstância emerge da própria causa de pedir, uma vez que **o vencimento cruzado das dívidas repercute em cadeia sobre todo o grupo, de sorte que o pedido de recuperação formulado por uma sociedade deflagra o acionamento de garantias e o vencimento antecipado das obrigações de outras**, como fundamentado pelas requerentes e **comprovado no anexo 9 ("DOC 8") do evento 89.**

> Além disso, sob a ótica da relação de controle e dependência, **o organograma constante do anexo 8 ("DOC 6") do evento 89 demonstra, de forma clara e objetiva, o controle exercido pela holding sobre diversas sociedades do grupo, bem como a integração de sua governança**. Nesse cenário, a segregação de ativos e passivos demandaria dispêndio excessivo de tempo e de recursos, conforme já assinalado por este Juízo na decisão do evento 96.
>
> Diante desse quadro, **a negativa de processamento em consolidação substancial acarretaria insegurança jurídica relevante, pois o soerguimento isolado de uma sociedade, em contexto de garantias cruzadas e vencimentos encadeados, tende a precipitar a insolvência das demais**.
>
> Por conseguinte, consideradas as provas produzidas e verificados os requisitos do art. 69-J, caput e incisos I e II, da LRF, impõe-se o deferimento da consolidação substancial. (...)" (Grifamos)

Ocorre que, posterior a essa decisão - mais especificamente no despacho proferido em 14/11/2025 (Evento 233) - o juízo apreciou manifestação do Ministério Público (Evento 187 - PET1) que, dentre outros pontos, questionou a adoção da consolidação substancial entre as sociedades integrantes do **Grupo Ambipar**.

O Ministério Público, ao se manifestar nos autos, requereu expressamente que fosse aprofundada a análise acerca da justificativa fática e jurídica para a consolidação substancial, bem como que a Administração Judicial apresentasse relatório técnico específico enfrentando tal questão. Na forma do item "ii." do parecer ministerial, os questionamentos a serem respondidos nesta manifestação são:

> "ii. (...)
>
> a. Quais das pessoas jurídicas requerentes atuam no mesmo ramo econômico, ou seja, possuem "afinidade de questões por ponto comum de fato ou de direito";

> b. Quais das pessoas jurídicas requerentes possuem passivos ou ativos em comum, ou seja, "comunhão de direitos ou obrigações relativamente à lide";
>
> c. Se há alguma dificuldade para individualização dos ativos e dos passivos de cada uma das requerentes;
>
> d. Se há efetiva CONFUSÃO DE ATIVOS E PASSIVOS entre TODAS as requerentes de tal "modo que não seja possível identificar a sua titularidade sem excessivo dispêndio de tempo ou de recursos";
>
> e. Se estão presentes, em relação a cada uma das requerentes, pelo menos duas das hipóteses previstas nos incisos do art. 69-J da Lei nº 11.101/2005."

Ao apreciar o pleito, este juízo **reconheceu a relevância e a complexidade do tema, destacando que o elevado número de empresas envolvidas no polo ativo** da recuperação judicial exige uma depuração criteriosa da consolidação processual e/ou substancial, de modo a delimitar quais sociedades efetivamente necessitam da proteção recuperacional conjunta para seu soerguimento.

O Juízo consignou, ainda, que não haveria preclusão sobre a matéria nessa fase inicial do procedimento, sendo possível — e recomendável — a produção de prova e análise técnica mais aprofundada para avaliar a adequação da consolidação substancial no caso concreto.

Nesse contexto, **o Magistrado acolheu o pedido do Ministério Público** e **determinou que a Administração Judicial elaborasse relatório específico enfrentando a justificativa para a consolidação substancial**, em atendimento aos questionamentos formulados pelo *Parquet*.

A decisão, portanto, evidencia a importância atribuída pelo Juízo ao exame técnico da consolidação substancial, reconhecendo seu caráter excepcional e a necessidade de fundamentação robusta, em consonância com os critérios previstos no art. 69-J da Lei nº 11.101/2005.

Registre-se, para todos os fins, que o presente parecer possui natureza eminentemente **técnica e informativa**, elaborado com base nos documentos, informações e esclarecimentos apresentados pelas Recuperandas, bem como nos elementos constantes dos autos até a presente data. A análise ora desenvolvida não constitui auditoria independente, perícia contábil, financeira ou operacional, tampouco implica certificação da veracidade, completude ou exatidão absoluta das informações examinadas, as quais permanecem sob a responsabilidade de seus respectivos emissores.

O conteúdo deste parecer destina-se exclusivamente a subsidiar a apreciação judicial quanto à matéria em exame, não substituindo eventual prova pericial, auditoria especializada ou outros meios técnicos de verificação que venham a ser determinados pelo Juízo ou requeridos pelas partes no curso do processo.

Ante o exposto, passa esta Administração Judicial Conjunta a se manifestar sobre o tema.

DA FORMAÇÃO HISTÓRICA, EVOLUÇÃO JURISPRUDENCIAL E POSTERIOR POSITIVAÇÃO DO INSTITUTO DA CONSOLIDAÇÃO SUBSTANCIAL, COM A INCORPORAÇÃO DO ART. 69-J À LEI Nº 11.101/2005

De início, mostra-se pertinente apresentar a evolução histórica e os contornos conceituais da consolidação substancial, notadamente por se tratar de instituto complexo, passível de classificação conforme sua origem e fundamento, distinguindo-se, nesse contexto, a consolidação substancial necessária daquela de natureza voluntária.

A consolidação substancial não teve origem direta na Lei nº 11.101/2005, constituindo, na realidade, resultado de construção jurisprudencial e doutrinária desenvolvida ao longo do tempo, especialmente a partir da experiência prática dos

processos de recuperação judicial e reorganização empresarial, tanto no Brasil quanto no direito comparado.

Origem no direito comparado

O instituto da consolidação substancial tem raízes no direito norte-americano, especialmente no âmbito do *Chapter 11* do *U.S. Bankruptcy Code*, no qual os tribunais passaram a admitir, em situações excepcionais, a unificação patrimonial de sociedades integrantes de um mesmo grupo econômico para fins de reorganização judicial.

Um dos precedentes mais emblemáticos é conhecido como o caso *Sampsell v. Imperial Paper & Color Corp.* (1941), no qual a **Suprema Corte dos Estados Unidos admitiu a consolidação de patrimônios quando verificada a utilização instrumental da pessoa jurídica para frustrar credores**, reconhecendo que a sociedade constituída pelo devedor configurava mera continuação do seu negócio pessoal, sendo legítima a reunião dos ativos para fins falimentares.

Posteriormente, no caso *Drabkin v. Midland-Ross Corp.* (*In re Auto-Train Corp., Inc.*), consolidou-se o chamado "teste Auto-Train", segundo o qual a consolidação substancial poderia ser admitida quando demonstrado:

> (i) substancial identidade entre as entidades; e
>
> (ii) **que a consolidação fosse necessária para evitar prejuízo ou assegurar benefício aos credores**, admitindo-se ainda a oposição de credor que demonstrasse ter confiado na separação patrimonial das sociedades.[1]

Já no precedente *Union Savings Bank v. Augie/Restivo Baking Co. Ltd.* (1988), a Corte de Apelações da Segunda Circunscrição desenvolveu critério mais restritivo, estabelecendo que a consolidação somente seria cabível quando:

> (i) **os credores tivessem tratado as entidades como unidade econômica singular;** ou
>
> (ii) **os ativos e passivos estivessem tão embaralhados que a separação se revelasse impossível ou excessivamente onerosa**, a ponto de consumir os ativos disponíveis. Esse entendimento enfatiza que o mero embaralhamento posterior não basta se houver registros anteriores aptos a permitir a individualização patrimonial.[2]

A análise da evolução jurisprudencial norte-americana evidencia que a consolidação substancial foi concebida como medida de natureza excepcional, **orientada primordialmente pela tutela dos interesses dos credores** e pela preservação da racionalidade do processo concursal.

A lógica subjacente ao instituto não reside na simples existência de grupo econômico ou de integração operacional, mas na **necessidade de evitar distorções decorrentes da fragmentação patrimonial, especialmente quando a confiança dos credores se formou a partir da percepção de unidade econômica** ou quando o grau de confusão entre ativos e passivos inviabiliza a individualização segura das responsabilidades.

Nessa perspectiva, **a consolidação substancial funciona como instrumento destinado a assegurar tratamento equitativo aos credores**, impedir

vantagens indevidas decorrentes da separação meramente formal das pessoas jurídicas e viabilizar solução eficiente do processo de reorganização ou liquidação, **sempre condicionada à demonstração concreta de que sua adoção produz benefício coletivo superior aos prejuízos decorrentes da superação da autonomia patrimonial.**

Além dos precedentes já mencionados, a evolução jurisprudencial norte-americana produziu outros marcos relevantes para a conformação do instituto.

No caso *In re Continental Vending Machine Corp*. (1975), a Corte de Apelações da Segunda Circunscrição desenvolveu teste funcional mais elaborado, fundado na verificação de confusão patrimonial entre as entidades e na análise comparativa dos prejuízos e benefícios que a consolidação produziria para as diferentes classes de credores, admitindo-se a medida quando os benefícios coletivos superassem os prejuízos individuais decorrentes da perda da separação patrimonial.

O caso representou avanço significativo na racionalização do instituto, ao introduzir elemento de proporcionalidade na análise da consolidação, **exigindo que o julgador ponderasse os efeitos concretos da medida sobre a coletividade de credores**, e não apenas a existência formal de vínculos entre as entidades.[3]

Posteriormente, no caso *In re Vecco Construction Industries* (1980), o Tribunal de Falências do Distrito Leste da Virgínia sistematizou a análise em lista de sete fatores indicativos, abrangendo (i) a dificuldade de segregação de ativos e passivos, (ii) a presença de garantias cruzadas, (iii) o grau de mistura patrimonial, (iv) transferências sem formalidades entre entidades, (v) a lucratividade individual de

3 In re Continental Vending Machine Corp., 517 F.2d 997 (2d Cir. 1975). O tribunal desenvolveu teste funcional baseado na verificação de confusão patrimonial e na análise dos prejuízos e benefícios da consolidação para as diferentes classes de credores.

cada sociedade, (vi) a existência de registros contábeis consolidados e (vii) a unidade dos interesses e da titularidade.[4]

O chamado "teste Vecco" ampliou significativamente o instrumental analítico disponível aos tribunais, conferindo maior previsibilidade à análise da consolidação substancial. Sua influência pode ser identificada, inclusive, **na posterior formulação dos critérios adotados pelo legislador brasileiro nos incisos do art. 69-J da Lei nº 11.101/2005, notadamente no que se refere à exigência de verificação de garantias cruzadas, identidade societária e atuação conjunta no mercado**.

O *debate norte-americano atingiu novo patamar com o julgamento do caso* In re Owens Corning (2005), no qual a Corte de Apelações da Terceira Circunscrição rejeitou pedido de consolidação substancial formulado no contexto de recuperação judicial de grande grupo empresarial. O tribunal enfatizou que o teste Augie/Restivo, por ser mais restritivo, deveria prevalecer sobre o teste Vecco, e que credores sofisticados que haviam negociado garantias específicas com entidades separadas do grupo não poderiam ser prejudicados pela consolidação, mesmo diante de estrutura empresarial altamente integrada.[5]

O precedente Owens Corning reafirmou o caráter excepcional do instituto e introduziu importante temperamento na jurisprudência: a proteção da legítima expectativa dos credores que confiaram na separação patrimonial constitui limite à consolidação, mesmo quando demonstrada integração operacional relevante. Tal entendimento harmoniza-se com o princípio da segurança jurídica e com a proteção da confiança legítima, valores que também informam o sistema concursal brasileiro.

5 In re Owens Corning, 419 F.3d 195 (3d Cir. 2005). A Terceira Circunscrição rejeitou a consolidação substancial, estabelecendo que o teste Augie/Restivo deveria prevalecer sobre o teste Vecco, por ser mais restritivo. Enfatizou que credores sofisticados que negociaram garantias específicas com entidades separadas não poderiam ser prejudicados pela consolidação, mesmo diante de estrutura de grupo integrada.

Ainda, merece destaque o caso *In re WorldCom* (2003), no qual a consolidação substancial de mais de duzentas entidades integrantes do grupo foi admitida consensualmente entre devedores e comitê de credores. O precedente demonstrou que, em *mega casos* concursais envolvendo estruturas empresariais de elevada complexidade, **a impossibilidade prática de segregação patrimonial pode justificar a consolidação**, desde que orientada pela maximização do valor dos ativos e pela proteção da coletividade de credores.[6]

A análise panorâmica da jurisprudência norte-americana revela, portanto, que a consolidação substancial evoluiu como instituto moldado pela casuística, com testes progressivamente mais sofisticados que buscam **equilibrar a excepcionalidade da medida com a necessidade de resposta adequada à realidade econômica dos grupos empresariais em crise**. Essa trajetória constitui referência interpretativa relevante para a aplicação do art. 69-J da Lei nº 11.101/2005, especialmente no que se refere à exigência de demonstração concreta dos pressupostos da consolidação e à ponderação dos interesses em jogo.

Consolidação substancial na prática brasileira antes da Lei nº 14.112/2020

A consolidação substancial se traduz em técnica utilizada em processos de falência ou reorganização pela qual os patrimônios distintos das sociedades integrantes de um grupo passam a ser considerados, para determinados fins, como se formassem um único patrimônio indiviso.

Tal medida implica mitigação ou superação da autonomia patrimonial das pessoas jurídicas envolvidas e, **em princípio, deve ser aplicada apenas em hipóteses excepcionais**, especialmente quando há insuperável confusão entre os

patrimônios que impeça a distinção clara dos direitos e responsabilidades de cada sociedade.[7]

Embora a consolidação substancial represente medida de aplicação restrita, por mitigar a autonomia patrimonial e a limitação de responsabilidade das sociedades integrantes de um grupo, os primeiros anos de vigência da Lei nº 11.101/2005 registraram número expressivo de casos em que **tal técnica foi aplicada mesmo sem previsão normativa específica** e, em muitos episódios, sem decisão judicial formal que a autorizasse ou deliberação consciente dos credores acerca de seus efeitos, revelando um cenário em que mecanismo concebido como excepcional começou a ser implementado com significativa frequência na prática forense brasileira.[8]

O tema da consolidação substancial ganhou maior visibilidade e interesse nos tribunais brasileiros principalmente por conta dos pedidos de recuperação judicial formulado por grandes grupos econômicos, sendo eles OGX, OAS, REDE ENERGIA, PDG, VIVER, OI, ODEBRECHT.

Esse período foi marcado por decisões heterogêneas, com critérios nem sempre uniformes, o que gerava insegurança jurídica tanto para devedores quanto para credores.

No âmbito da jurisprudência paulista, merece destaque o caso do Grupo OAS, em que a 2ª Câmara Reservada de Direito Empresarial do Tribunal de Justiça de São Paulo, no acórdão relatado pelo Des. Carlos Alberto Garbi, consolidou os requisitos para admissão da consolidação substancial no ordenamento pátrio, **exigindo demonstração de grupo econômico, confusão patrimonial,**

centralização de caixa e gestão, garantias cruzadas e vantagem da consolidação para a eficiência do processo recuperacional.[9]

No caso do Grupo UTC, a 2ª Câmara Reservada de Direito Empresarial, no acórdão relatado pelo Des. Araldo Telles, estabeleceu que a consolidação substancial ocorre quando os ativos e passivos de mais de um devedor são considerados para o pagamento de todos os credores, indistintamente. Todavia, mesmo à vista da confusão societária e patrimonial explícita entre as devedoras, a implementação dependeria da aprovação da maioria dos credores de cada uma delas, em votações separadas, consagrando a exigência de legitimação democrática da medida.[10]

Na paradigmática recuperação judicial do Grupo Carmen Steffens, a Câmara Reservada de Direito Empresarial do TJSP, no acórdão relatado pelo Des. Cesar Ciampolini, foi além e consolidou entendimento no sentido de que a consolidação substancial não apenas se justifica, mas se mostra obrigatória quando verificada a ausência de autonomia jurídica das devedoras. **O Tribunal assentou que a consolidação deve ser determinada de ofício pelo juiz quando os ativos e passivos são vistos, antes e depois da insolvência, pelos agentes do mercado como pertencentes a um só ente econômico**.[11]

A experiência da prática brasileira anterior à positivação revelou padrão consistente: em grupos econômicos de elevada integração, a manutenção da separação patrimonial meramente formal tendia a produzir distorções no processo concursal, notadamente a concentração de ativos em determinadas entidades e de

passivos em outras, com potencial comprometimento da equidade do concurso e da tutela efetiva dos credores.

Dados da Associação Brasileira de Jurimetria confirmam essa percepção: em levantamento sobre recuperações judiciais em São Paulo, identificou-se taxa de 74,6% de planos únicos votados em assembleia unificada para todas as recuperandas (consolidação substancial), sendo que nas varas especializadas o percentual é de aproximadamente 89,1%, e nas varas comuns de 79,7%.[12]

Esse panorama jurisprudencial pré-legislativo exerceu influência direta sobre a formulação do art. 69-J pela Lei nº 14.112/2020, que buscou conferir parâmetros objetivos a instituto que, até então, carecia de disciplina normativa específica, ficando sua aplicação inteiramente dependente da construção pretoriana.

Positivação pela Lei nº 14.112/2020 e o art. 69-J da LRF

Com a entrada em vigor da Lei nº 14.112/2020, o art. 69-J da Lei nº 11.101/2005 passou a disciplinar expressamente a consolidação substancial, **estabelecendo parâmetros objetivos para sua adoção no âmbito da recuperação judicial de grupos econômicos**. O dispositivo passou a exigir, como premissas, a demonstração de "*interconexão e confusão entre ativos ou passivos*" das sociedades devedoras, de modo que a verificação sobre a segregação patrimonial implicaria excessivo dispêndio de tempo ou de recursos.

12 Conforme dados levantados pela Associação Brasileira de Jurimetria (ABJ), no âmbito do Observatório da Insolvência (pesquisa conduzida pelo Núcleo de Estudos e Pesquisas sobre Insolvência - NEPI/PUC-SP em parceria com a ABJ), a consolidação substancial foi admitida em 76,1% dos casos envolvendo litisconsórcio ativo de grupos econômicos nas varas de recuperação judicial de São Paulo, indicando que, embora juridicamente excepcional, sua aplicação tornou-se frequente na prática forense. Cf. https://abjur.github.io/obsFase2/relatorio/aprovacao.html#consolidação-processual-e-substancial

Além disso, a norma exige a presença de **ao menos dois** dos quatro elementos previstos nos incisos do referido artigo a serem considerados na aferição da medida, tais como (i) a existência de garantias cruzadas, (ii) relação de controle ou dependência, (iii) identidade total ou parcial do quadro societário e (iv) atuação conjunta no mercado.

Não obstante a aparente objetividade desses parâmetros, **subsiste relevante margem interpretativa em sua aplicação, especialmente no que se refere à aferição do que se deve compreender por excessivo dispêndio de tempo ou de recursos** para a individualização patrimonial, conceito que demanda análise casuística e exame técnico das circunstâncias concretas de cada grupo empresarial.

A norma ainda delimita os efeitos da medida, notadamente a unificação do ativo e do passivo e a formação de um quadro geral de credores único, com deliberação conjunta, conferindo maior segurança jurídica ao instituto e afastando a prática anterior de sua implementação implícita a partir do mero litisconsórcio ativo.[13]

CONCEITO DE CONSOLIDAÇÃO SUBSTANCIAL E SUAS ESPÉCIES

Conforme destacado pela doutrina especializada[14], a consolidação substancial não se confunde com a mera consolidação processual. Esta última se limita à tramitação conjunta dos processos, preservando-se a autonomia patrimonial das sociedades e a individualização das massas ativas e passivas.

De acordo com a doutrinadora Sheila Christina Neder Cerezetti[15], a **consolidação substancial implica mitigação da autonomia patrimonial das**

sociedades integrantes do grupo econômico, pois promove a unificação de ativos e passivos que, em regra, pertencem a pessoas jurídicas distintas. Tal medida repercute diretamente na esfera de direitos e responsabilidades tanto dos devedores quanto de seus credores, ao alterar a estrutura individual de garantias e a delimitação do patrimônio responsável pelas obrigações.

Nessa linha, sua adoção justifica-se sobretudo em hipóteses de **relevante confusão patrimonial, direção unitária, intensa interdependência operacional** ou, ainda, como se verá adiante, quando os credores tenham, na prática, **contratado com o grupo como unidade econômica**, prevalecendo a realidade negocial sobre a forma jurídica.

Embora não configure regra no direito brasileiro, a experiência forense demonstra que o instituto vem sendo aplicado sempre que a estrutura societária formalmente dividida se mostra artificial ou insuficiente para assegurar tratamento equitativo aos credores.

Dados da Associação Brasileira de Jurimetria[16] mostram que, em São Paulo, a consolidação substancial foi admitida na maioria das recuperações de grupos com litisconsórcio ativo **(41% dos casos)**, indicando que, embora juridicamente excepcional, sua aplicação é frequente quando comprovadas unidade econômica e confusão patrimonial. **Sua excepcionalidade reside não na raridade, mas na exigência de prova de materialização de seus pressupostos previstos no caput do art. 69-J, cumulativamente com ao menos duas das hipóteses previstas nos seus incisos**, distinguindo-se, na prática, as modalidades necessária e voluntária.

Registre-se, ainda, que a doutrina nacional dedica atenção específica ao tema, com análises aprofundadas acerca dos limites e pressupostos da consolidação substancial, especialmente no que se refere à **preservação da autonomia patrimonial e aos impactos da medida sobre a esfera jurídica dos credores.** As aludidas considerações reforçam a necessidade de exame dos requisitos legais e da excepcionalidade do instituto, em consonância com a estrutura principiológica do direito societário e concursal.[17]

Consolidação substancial necessária ou obrigatória

A consolidação substancial necessária ou obrigatória ocorre quando a separação patrimonial entre as sociedades do grupo se revela inviável ou meramente artificial, diante de elevado grau de integração econômica, operacional e patrimonial. Conforme destaca Sheila Neder Cerezetti[18], trata-se de medida dependente de determinação judicial, **aplicável quando demonstrada disfunção societária capaz de comprometer a adequada imputação de direitos e obrigações no âmbito concursal**.

17 Para Manoel Justino Bezerra Filho (BEZERRA FILHO, Manoel Justino; BEZERRA, Adriano Ribeiro Lyra; RODRIGUES DOS SANTOS, Eronides A. *Lei de recuperação de empresas e falência*: Lei 11.101/2005 comentada artigo por artigo. 17. ed. São Paulo: Thomson Reuters Brasil, 2025.), observa-se orientação de caráter restritivo quanto à consolidação substancial. O autor sustenta que a medida não pode ser presumida a partir da simples configuração de grupo econômico, tampouco adotada como solução ordinária em processos de recuperação judicial envolvendo múltiplas sociedades. Ao contrário, defende que a consolidação deve ser admitida apenas em situações excepcionais, nas quais se verifique fundamento jurídico concreto que justifique a superação da autonomia patrimonial das empresas. Para Bezerra Filho, a unificação de ativos e passivos repercute diretamente na esfera jurídica dos credores e na delimitação das responsabilidades societárias, exigindo, portanto, análise rigorosa dos pressupostos legais e cautela na sua implementação, sob pena de esvaziamento da regra da separação patrimonial que estrutura o direito societário e concursal.

Fábio Ulhoa Coelho (COELHO, Fábio Ulhoa. *Comentários à Lei de Falências e de Recuperação de Empresas*. 15. ed. São Paulo: Thomson Reuters Brasil, 2021) emana orientação igualmente pautada pela preservação da autonomia patrimonial como regra estruturante do direito societário e concursal. O autor sustenta que a existência de grupo econômico, por si só, não autoriza a consolidação substancial, sendo indispensável a demonstração de circunstâncias excepcionais que justifiquem a superação da separação entre as personalidades jurídicas. Destaca que a unificação de ativos e passivos produz impactos diretos na esfera jurídica dos credores, alterando a previsibilidade quanto ao patrimônio responsável pelas obrigações, razão pela qual a medida deve ser adotada com cautela e mediante fundamentação consistente. Assim, a consolidação substancial não pode ser utilizada como simples mecanismo de conveniência reorganizatória, devendo observar rigor técnico e respeito às garantias inerentes ao sistema concursal.

18 CEREZETTI, Sheila Christina Neder. *Op. cit.*

Diferentemente da consolidação voluntária, a modalidade necessária decorre da constatação objetiva de confusão patrimonial relevante, interconexão indissociável de ativos ou passivos e impossibilidade prática de individualização das responsabilidades, não se fundamentando apenas na existência de grupo econômico, mas na verificação concreta de estrutura que inviabilize tratamento separado sem gerar distorções.

Nessas hipóteses, a consolidação surge **como consequência da realidade fática, caracterizada, por exemplo, por confusão patrimonial, ausência de individualização contábil**, garantias cruzadas e centralização financeira, funcionando como instrumento para alinhar a responsabilização jurídica à dinâmica econômica efetiva. Por seu caráter excepcional e potencialmente gravoso, sua adoção exige demonstração dos requisitos previstos no art. 69-J da Lei nº 11.101/2005.

Consolidação substancial voluntária

A consolidação substancial voluntária distingue-se da obrigatória por decorrer da iniciativa do próprio grupo econômico, normalmente vinculada à apresentação de plano unitário. Nessa hipótese, **a unificação patrimonial resulta de opção estratégica para solução coordenada da crise**, e não de imposição judicial fundada em confusão patrimonial insuperável.

A doutrina admite que a consolidação voluntária possa assumir natureza de **negócio jurídico processual,** desde que respeitados os limites da ordem pública concursal, a transparência informacional, **a proteção e aprovação dos credores**, não bastando a mera conveniência reorganizatória para justificar sua adoção.[19]

19 CEREZETTI, Sheila Christina Neder; SATIRO DE SOUZA JÚNIOR, Francisco. A silenciosa "consolidação" da consolidação substancial. Revista do Advogado, São Paulo, v. 36, n. 131, p. 216-223, 2016. A autora sustenta que a consolidação substancial pode ser concebida como negócio processual, exigindo cautela na sua adoção.

Todavia, o regime legal introduzido pela Lei nº 14.112/2020 estabelece disciplina expressa sobre a matéria. O caput do art. 69-J da Lei nº 11.101/2005 prevê que o juiz poderá, de forma excepcional e independentemente da realização de assembleia-geral, autorizar a consolidação substancial. A **previsão evidencia que a assembleia não constitui requisito jurídico absoluto para a adoção da medida**, cabendo ao juízo exercer controle técnico quanto à presença dos pressupostos legais e à compatibilidade da consolidação com a proteção da coletividade de credores e a racionalidade do procedimento concursal.

Mesmo na modalidade voluntária, **sua aplicação deve observar os princípios da preservação da empresa, igualdade entre credores e eficiência do processo**, além dos limites previstos no art. 69-J da Lei nº 11.101/2005.[20], pois vínculos societários ou controle comum, isoladamente, não configuram, por si, fundamento suficiente para a unificação patrimonial.

A título meramente ilustrativo, imagine-se grupo econômico no qual a holding, seja pura ou mista, concentre a titularidade dos principais ativos patrimoniais, enquanto as sociedades operacionais se incumbem da exploração direta da atividade empresarial, da contratação de empregados e da assunção das obrigações decorrentes da operação, não havendo, em tese, qualquer impedimento legal para a adoção dessa estrutura organizacional.

Nessa configuração, eventual cenário de crise pode evidenciar situação em que o patrimônio relevante permanece formalmente alocado na *holding*, ao passo que as sociedades operacionais, embora responsáveis pela geração do passivo trabalhista, contratual e empresarial, não dispõem de ativos suficientes para suportar tais obrigações, circunstância que pode revelar dissociação entre a titularidade formal dos ativos e a realidade econômica da atividade que lhes deu origem.

---

20 TRIBUNAL DE JUSTIÇA DO ESTADO DO RIO GRANDE DO SUL. *Op. cit.* Item referente à interpretação do art. 69-J da Lei nº 11.101/2005 e distinção entre características de grupo societário e disfunção societária.

Nessas circunstâncias, embora a adoção de tal estrutura societária possa ser juridicamente legítima, a dissociação entre a titularidade formal dos ativos e a geração econômica do passivo pode, em determinadas hipóteses, **implicar frustração das expectativas da coletividade de credores que contrataram diretamente com as sociedades controladas**, e não com a controladora, comprometendo a efetividade da tutela concursal.

A consolidação substancial, quando presentes seus pressupostos legais e demonstrada a interdependência econômica relevante, pode então atuar como **mecanismo de coerência econômico-jurídica**, **permitindo que os ativos vinculados à atividade empresarial, ainda que formalmente concentrados ou posteriormente transferidos para entidade patrimonial do grupo, como uma holding, respondam pelo passivo por ela gerado**, prevenindo que a estrutura societária produza fragmentação artificial de responsabilidades e eventual prejuízo à coletividade de credores.

Assim, a distinção entre consolidação substancial necessária e voluntária reside, sobretudo, **no fundamento que legitima a medida**.

A consolidação necessária decorre de imposição judicial fundada na verificação de disfunção estrutural relevante, confusão patrimonial ou interdependência econômica de tal magnitude que torne inviável a individualização segura dos ativos e passivos das sociedades envolvidas, impondo o tratamento unitário como solução técnica para assegurar a coerência do procedimento concursal e a proteção da coletividade de credores.

Já a consolidação voluntária resulta de **iniciativa do próprio grupo empresarial, normalmente apresentada como estratégia no plano de recuperação**, e condiciona-se à apreciação do juízo e dos credores, **devendo demonstrar que sua adoção produz benefícios concretos ao processo**,

notadamente sob a perspectiva da maximização do valor dos ativos, da viabilidade da reorganização e da preservação do tratamento equitativo da coletividade.

A obra de Sacramone, por exemplo, em seus Comentários à Lei de Recuperação (6ª ed., 2025, p. 388 e ss.), também distingue duas modalidades de consolidação substancial previstas na Lei nº 11.101/2005.[21]

A distinção entre as duas modalidades possui **relevância determinante** para o caso do Grupo Ambipar. No presente caso, a consolidação substancial foi **proposta voluntariamente** pelas devedoras ao requererem conjuntamente o processamento da recuperação judicial, apresentando-se como ato de autonomia empresarial orientado pela realidade econômica do grupo. Trata-se, portanto, de hipótese enquadrável no art. 69-L — consolidação substancial voluntária —, na qual as próprias sociedades integrantes do grupo, cientes de sua integração operacional, patrimonial e financeira, optam pelo tratamento unificado como estratégia de soerguimento.

A consolidação voluntária apresenta **vantagens procedimentais e de legitimidade** em relação à modalidade obrigatória. Em primeiro lugar, dispensa a demonstração dos pressupostos mais rigorosos do art. 69-J — exigidos quando o juiz impõe a consolidação de ofício ou a requerimento de terceiros —, bastando que as devedoras formulem o pedido conjunto e que os credores o aprovem em assembleia.

Em segundo lugar, a voluntariedade confere à medida maior legitimidade democrática, na medida em que resulta da convergência entre a vontade das devedoras e a deliberação assemblear, respeitando a autonomia das partes envolvidas no processo recuperacional.

---

21 SACRAMONE, Marcelo Barbosa. Comentários à Lei de Recuperação de Empresa e Falência. 6ª ed. São Paulo: SaraivaJur, 2025, p. 388 e ss. O autor distingue a consolidação substancial obrigatória (art. 69-J) da consolidação substancial voluntária (art. 69-L), analisando os requisitos cumulativos e o regime de litisconsórcio necessário decorrente da consolidação.

No caso do Grupo Ambipar, o pedido conjunto de consolidação substancial formulado pelas próprias recuperandas enquadra-se tipicamente na modalidade voluntária, conferindo à medida reforçada legitimidade processual e democrática. Essa circunstância não dispensa, contudo, a verificação dos requisitos objetivos do art. 69-J — confusão patrimonial, garantias cruzadas e saldos *intercompany* —, que cumprem função confirmatória de que a consolidação corresponde à realidade econômica subjacente ao grupo, afastando qualquer uso meramente instrumental do instituto.[22]

A jurisprudência paulista, como se viu no caso do Grupo UTC (AI nº 2072604-95.2018.8.26.0000)[23], consagrou a exigência de que, mesmo em hipóteses de confusão patrimonial evidente, a consolidação substancial seja submetida à aprovação dos credores, em votações separadas por devedora. Essa orientação, longe de constituir obstáculo, **reforça a legitimidade da consolidação voluntária**, ao assegurar que a medida conta com o respaldo tanto das devedoras quanto da maioria dos credores, não obstante, como apontado, a realização de assembleia não ser requisito **essencial**, salvo melhor juízo, para a determinação.

No caso concreto do Grupo Ambipar, portanto, a consolidação substancial deve ser compreendida como **ato voluntário das recuperandas**,

22 BRASIL. Lei nº 11.101, de 9 de fevereiro de 2005, art. 69-J, com redação dada pela Lei nº 14.112, de 24 de dezembro de 2020. Sobre a distinção entre consolidação voluntária e necessária, cf. BEZERRA FILHO, Manoel Justino. Lei de Recuperação de Empresas e Falência comentada. 14. ed. São Paulo: Revista dos Tribunais, 2021. p. 246-253; TUMA, Fádia. Consolidação substancial nas recuperações judiciais de grupos empresariais. São Paulo: Quartier Latin, 2022. p. 87-102.

23 Tribunal de Justiça do Estado de São Paulo, 2ª Câmara Reservada de Direito Empresarial, Agravo de Instrumento nº 2072604-95.2018.8.26.0000, Rel. Des. José Araldo da Costa Telles, j. 30.07.2018, Registro 2018.0000559234. No referido julgado, consignou-se expressamente que "a elaboração de plano de recuperação judicial único somente pode ser deferida se aprovada pelos credores próprios de cada uma das recuperandas" e que "admitir a consolidação substancial — mesmo quando evidente a confusão societária ou patrimonial das devedoras — sem exigir a concordância da maioria dos credores de cada uma delas certamente encaminharia para a subversão do instituto"

fundado na realidade econômica unitária do grupo e orientado pela finalidade de viabilizar plano de recuperação efetivo.

A presença dos pressupostos fáticos que fundamentariam até mesmo a consolidação obrigatória — confusão patrimonial, garantias cruzadas, identidade societária, atuação conjunta no mercado — confere **robustez adicional** ao pedido voluntário, demonstrando que a medida não apenas é juridicamente admissível, mas constitui a solução mais adequada para a preservação da atividade empresarial e a maximização do valor para a coletividade de credores.

A consolidação substancial encontra reforço doutrinário adicional na obra de Bezerra Filho, Lyra Bezerra e Rodrigues dos Santos (Lei de Recuperação de Empresas e Falência Comentada, Ed. 2025), que enfatizam o caráter excepcional do instituto e sua aptidão para reconhecer a unidade negocial dos grupos cujas atuações são dificilmente discerníveis. Os autores destacam que a consolidação pode ser determinada de ofício pelo juiz quando presentes os requisitos cumulativos do art. 69-J, sem necessidade de provocação das partes, reforçando a natureza cogente do instituto nas hipóteses de confusão patrimonial demonstrada.

Aspecto de relevância prática frequentemente negligenciado reside nos efeitos concretos da consolidação substancial sobre a estrutura creditória do grupo. O art. 69-K da Lei nº 11.101/2005 determina que, deferida a consolidação, os ativos e passivos dos devedores serão tratados como se pertencessem a um único devedor, com a extinção imediata das garantias fidejussórias internas e dos créditos detidos por um devedor em face de outro.

Esse efeito possui consequência prática decisiva: elimina duplicidades creditórias, simplifica a estrutura de passivos do grupo e, ao extinguir os créditos intercompany, impede que uma sociedade do grupo concorra com credores externos

na distribuição dos ativos — resultado que beneficia diretamente a coletividade de credores.[24]

No caso do Grupo Ambipar, a incidência do art. 69-K se revela particularmente relevante, **na medida em que a existência de garantias cruzadas e créditos intercompany entre as sociedades do grupo constitui traço característico de sua integração patrimonial**. A extinção dessas garantias e créditos internos pela consolidação substancial — longe de prejudicar os credores — opera em seu benefício, ao eliminar a concorrência artificial entre sociedades do mesmo grupo na disputa pelos ativos comuns e ao simplificar o quadro geral de credores, conferindo maior transparência e previsibilidade ao processo recuperacional.

Essa sistematização doutrinária reforça a compreensão de que a consolidação substancial, **no caso do Grupo Ambipar**, encontra amparo não apenas nos precedentes jurisprudenciais já analisados, mas em sólida construção doutrinária que a reconhece como instituto autônomo, com regime jurídico próprio, fundado na realidade econômica unitária do grupo e orientado pela finalidade de preservação da atividade empresarial.

No caso em exame, considerando que a consolidação substancial **foi requerida** (vide item “vi” do pedido de Recuperação Judicial – Evento 89 – PET1) e proposta no âmbito do plano de recuperação, a pretensão aproxima-se, em princípio, da modalidade voluntária. O referido enquadramento, contudo, não afasta a necessidade de verificação técnica dos requisitos legais e fáticos que legitimam a medida, **tampouco dispensa a análise de seus impactos sobre a estrutura**

24 Art. 69-K da Lei nº 11.101/2005: 'Na hipótese de deferimento da consolidação substancial, os ativos e passivos dos devedores serão tratados como se pertencessem a um único devedor, com a extinção imediata das garantias fidejussórias e dos créditos detidos por um devedor em face de outro.' A extinção das garantias fidejussórias internas e dos créditos intercompany elimina duplicidades e simplifica a estrutura creditória do grupo, beneficiando a coletividade de credores. Cf. BEZERRA FILHO, op. cit., comentários ao art. 69-K.

patrimonial, sobre a distribuição dos riscos entre os credores e sobre a própria racionalidade do procedimento concursal.

Caberá ao juízo, portanto, aferir **se a consolidação substancial proposta representa efetiva solução organizacional apta a favorecer a reestruturação do grupo e a tutela da coletividade de credores**, ou se, diversamente, produz efeitos que recomendem tratamento distinto, à luz das circunstâncias concretas do caso.

Fundamento axiológico: o princípio da preservação da empresa como vetor interpretativo da consolidação substancial

A consolidação substancial, conquanto constitua medida excepcional de superação da autonomia patrimonial, encontra fundamento axiológico no princípio da **preservação da empresa**, positivado no art. 47 da Lei nº 11.101/2005 como vetor orientador de todo o sistema recuperacional brasileiro. Tal princípio não se limita à proteção da pessoa jurídica em sentido formal, mas dirige-se à tutela da **atividade econômica organizada**, dos empregos por ela gerados, dos interesses dos credores e da função social do empreendimento.[25]

Nessa perspectiva, a preservação da empresa constitui expressão concreta dos valores consagrados nos arts. 170 e 186 da Constituição Federal, que erigem a **função social da propriedade e da livre iniciativa** como fundamentos da ordem econômica, condicionando o exercício da atividade empresarial ao atendimento de finalidades que transcendem o interesse individual do empresário.

Os autores destacam que o princípio da preservação da empresa, positivado no art. 47 da Lei nº 11.101/2005, constitui vetor axiológico que orienta a interpretação de todo o sistema recuperacional. São Paulo: Thomson Reuters/RT, 2025, cap. 4 (Distinção entre desconsideração da personalidade jurídica e consolidação substancial).

Quando aplicada ao contexto da consolidação substancial, a diretriz da preservação impõe que a análise dos requisitos legais do art. 69-J não se restrinja à dimensão formal da autonomia patrimonial, **devendo considerar também os efeitos concretos da fragmentação sobre a viabilidade do soerguimento empresarial**. A manutenção **rígida** da separação patrimonial pode, em determinadas hipóteses, comprometer a capacidade de reorganização do grupo, ao fragmentar artificialmente ativos que, na realidade econômica, funcionam de forma integrada.

Até porque, registre-se, na recuperação judicial, as regras processuais **podem e devem ser flexibilizadas em busca da efetividade do soerguimento das recuperandas**, sem descuidar dos interesses dos credores.

A jurisprudência tem reconhecido que o princípio da preservação da empresa opera como **critério hermenêutico de orientação teleológica**, capaz de informar a interpretação dos dispositivos legais em sentido compatível com a finalidade do sistema. No caso do Grupo Dolly (REsp 2.001.535/SP)[26], o voto vencedor da Min. Nancy Andrighi expressamente invocou a **necessidade de preservação da atividade econômica como fundamento para admitir o tratamento unitário do grupo**, reconhecendo que a exclusão de sociedade integrante do processo poderia comprometer a **eficácia** da reestruturação.

A preservação da empresa, nesse contexto, não constitui fundamento autônomo para a consolidação substancial, mas opera como **vetor axiológico que orienta a interpretação dos pressupostos legais**, favorecendo leitura que privilegie a funcionalidade do processo recuperacional e a maximização do valor econômico dos ativos em benefício da coletividade de credores.

Tal orientação harmoniza-se com o entendimento consolidado na doutrina e na jurisprudência de que o sistema recuperacional brasileiro adota **modelo**

finalístico, no qual a **efetividade do soerguimento e a proteção dos interesses coletivos constituem critérios prevalentes sobre a estrita observância formal da autonomia patrimonial**, desde que presentes os pressupostos legais que legitimam a exceção.

28 *Ibidem*.

No julgado citado, a controvérsia foi decidida pela Terceira Turma do Superior Tribunal de Justiça por maioria de votos. Após o voto-vista da **Ministra Nancy Andrighi, que inaugurou a divergência em relação ao entendimento do relator originário**, formou-se corrente majoritária no sentido de conhecer parcialmente do recurso especial e negar-lhe provimento, prevalecendo as conclusões expostas no voto da referida Ministra, que ficou responsável pela lavratura do acórdão.

O debate evidenciou que a consolidação pode surgir tanto da própria estruturação do pedido pelo grupo quanto da constatação judicial de que a separação patrimonial não reflete a sua realidade econômica, exatamente como exposto nos tópicos anteriores.

Repise-se que a **consolidação voluntária ocorre quando as sociedades integrantes do grupo apresentam pedido conjunto e estruturam plano com tratamento unitário do passivo**, reconhecendo a interdependência econômica existente. Nessa hipótese, a unificação decorre da própria organização do grupo e permanece sujeita ao controle judicial, que avaliará sua adequação e seus efeitos sobre o concurso.

Por outro lado, a consolidação necessária ou obrigatória, por sua vez, configura-se quando o Juízo verifica que a separação patrimonial entre as sociedades possui caráter meramente formal e não reflete a dinâmica econômica efetiva do grupo.

Nessas circunstâncias, a superação da autonomia patrimonial pode mostrar-se necessária para evitar que a manutenção da estrutura formal **opere, na prática, como mecanismo de proteção indevida do patrimônio de determinadas sociedades** ou de concentração de ativos em detrimento das demais, com potencial comprometimento da efetividade do concurso e dos direitos da coletividade de credores.

No caso Dolly, o voto vencedor, da lavra da Min. Nancy Andrighi, **adotou leitura orientada pela realidade econômica do grupo**, **reconhecendo que a análise não poderia restringir-se à estrutura societária formal**. Considerou-se que a integração entre as sociedades ultrapassava a mera coordenação típica de grupos empresariais, aproximando-se de funcionamento unitário. Assim, admitiu-se que o tratamento conjunto poderia ser necessário para assegurar a eficácia do processo e a adequada tutela dos credores.

> Tal conclusão foi alcançada pelo Tribunal de origem a partir da verificação das seguintes circunstâncias (sem destaque no original):"a **necessidade de englobar as sociedades que compõem o grupo econômico é imperativa à vista da comunhão de direitos e obrigações vinculadas ao núcleo comum de produção para superação de forma conjunta da crise econômico-financeira**" (e-STJ fl. 301);
>
> "**o não atendimento dessa formação litisconsorcial ativa [...] deveria implicar na própria extinção do processo, por falta de interesse de agir, uma vez que a finalidade de efetiva superação da crise do Grupo Dolly** não estaria sendo demonstrada, carecendo o requisito da necessidade o processo de recuperação judicial" (e-STJ fl. 301);
>
> "A Fazenda Estadual trouxe evidências da relação entre a"Ecoserv"e as empresas do Grupo Dolly, a saber: (i) análise da ficha cadastral na JUCESP, demonstrando relação entre ambas no passado, já que a "Ecoserv"tinha a razão social de"Dolly do Brasil Refrigerantes Ltda"; (ii) depoimentos que foram prestados ao Ministério Público durante o procedimento investigatório criminal; (iii) participação de advogado da Ecoserv em audiência na recuperação judicial e (iv) fiança oferecida pela Ecoserv com assinatura de Laerte Codonho como"devedor solidário" (e- STJ fl. 302);
>
> O relatório produzido pela administradora judicial destacou que a recorrente DETTAL - PART PARTICIPAÇÕES, IMPORTAÇÃO, EXPORTAÇÃO, INDÚSTRIA E COMÉRCIO LTDA - EM RECUPERAÇÃO JUDICIAL utilizou recursos financeiros da ECOSERV LTDA para financiar suas atividades (e-STJ fl. 303);

> "tais pessoas jurídicas [recorrentes e ECOSERV LTDA] **operam com uma aguda dependência econômica. Isoladamente, o objeto social delas não se sustenta, visto que toda a sua consecução está baseada na cadeia produtiva composta pelas empresas do Grupo Dolly voltada unicamente para a produção e comercialização de refrigerantes desta marca**.
>
> Além disso, as pessoas jurídicas responsáveis pela comercialização **compartilham os seus clientes, de tal sorte que, na prática, existem um único conglomerado econômico relacionando-se com os compradores do produto.** No que concerne às obrigações trabalhistas, a ligação umbilical entre os estabelecimentos do Grupo Dolly é evidenciada, à saciedade, analisando-se a complexa - e duvidosa - migração do quadro de empregados da RAGI (ECOSERV) para a BRABEB [recorrente] "(e-STJ fl.304); (Grifamos)

O **voto vencido**, sustentado pelo Rel. **Min. Humberto Martins, atribuiu maior peso à autonomia patrimonial das sociedades e à necessidade de cautela na adoção de medidas que impliquem unificação de ativos e passivos**. Para essa corrente, a consolidação substancial exigiria demonstração inequívoca de confusão patrimonial relevante, não bastando a existência de vínculos societários ou coordenação empresarial.

> "A conclusão inquestionável é a de que **a opção por aderir ao rito da recuperação em regime consolidação para pagamento de seus débitos é dada aos próprios devedores**, não sendo esta uma condição que o Judiciário possa considerar para indeferir pedido de recuperação judicial.
>
> Não sendo a hipótese dos autos de pedido emanado dos devedores, cabe ao credor e demais interessados o incidente de desconsideração da personalidade jurídica, de modo que o patrimônio da empresa, **cuja personalidade for objeto da desconsideração, possa ser atingido pelo processo de recuperação judicial das empresas integrantes do polo ativo da recuperação judicial** (art. 28 do CDC ou art. 50 do CC/2002), sem necessidade de estabelecer anômala hipótese de litisconsórcio ativo necessário." (Grifamos)

A leitura conjunta dos votos revela que o STJ reconhece simultaneamente o caráter excepcional da consolidação substancial e a possibilidade de sua adoção quando a realidade econômica do grupo exigir tratamento unitário. A **distinção entre consolidação voluntária e necessária, portanto, não se limita à forma do pedido inicial**, mas depende da verificação concreta da funcionalidade da separação patrimonial no contexto da crise empresarial.

DA INTERPRETAÇÃO SISTÊMICA DOS REQUISITOS LEGAIS NA RECUPERAÇÃO JUDICIAL E DAS REPERCUSSÕES DO PRECEDENTE DO GRUPO DOLLY PARA A LEITURA DOS ARTS. 48 E 69-J DA LEI Nº 11.101/2005

A controvérsia apreciada pelo Superior Tribunal de Justiça no caso do Grupo Dolly constitui paradigma relevante para a compreensão da forma como os requisitos legais da recuperação judicial devem ser interpretados no ordenamento brasileiro. Naquele julgamento, discutiu-se a possibilidade de inclusão, no polo ativo do processo recuperacional, de sociedade integrante do grupo econômico que, **sob perspectiva formal, não preencheria o requisito do exercício regular de atividade por mais de dois anos previsto no art. 48** da Lei nº 11.101/2005.

O voto vencedor adotou compreensão material do instituto recuperacional, partindo da premissa de que a recuperação judicial se destina à preservação da atividade econômica organizada, considerada em sua dimensão concreta e funcional.

A análise das circunstâncias fáticas evidenciou que **a sociedade cuja inclusão era questionada permanecia integrada à estrutura econômica e patrimonial do grupo**, de modo que sua exclusão comprometeria a adequada compreensão da crise e a própria eficácia do processo recuperacional.

Reconheceu-se, ainda, que, embora a referida sociedade não estivesse desenvolvendo atividade empresarial naquele momento, seu cadastro permanecia ativo perante a Junta Comercial, inexistindo a formalização de sua baixa.

Conforme registrado no voto, tratava-se de sociedade que "***em que pese a ausência de formalização da baixa na Junta Comercial, não desenvolve atividade empresarial, não possui funcionários registrados em seus quadros e já tem assinado o distrato social, estando em trâmite para seu encerramento formal***", circunstância que, contudo, não afastaria, por si só, a sua inserção no contexto econômico do grupo nem a relevância de sua consideração no âmbito do processo recuperacional.

A prevalência do entendimento funcional evidencia orientação segundo a qual os dispositivos da Lei nº 11.101/2005 não devem ser interpretados de forma isolada **quando tal leitura comprometer a finalidade do sistema**. O precedente demonstra que a verificação dos requisitos legais deve considerar a realidade econômica do grupo e o impacto concreto da decisão sobre a efetividade do processo e sobre os interesses coletivos envolvidos.

Essa lógica hermenêutica projeta-se sobre a interpretação do art. 69-J da Lei nº 11.101/2005. Assim como ocorre com o art. 48, **o dispositivo admite leitura literal, baseada na verificação formal dos requisitos, ou leitura teleológica, orientada pela função do instituto no contexto recuperacional**. A própria exigência de avaliação sobre o eventual excesso de tempo ou de recursos necessários à identificação da titularidade dos ativos revela a presença de **conceito jurídico indeterminado que demanda apreciação prudencial do caso concreto**.

Embora a Lei nº 11.101/2005 estabeleça a consolidação substancial como medida de caráter excepcional (art. 69-J), a análise da jurisprudência revela certa tendência de flexibilização interpretativa na apreciação dos pedidos formulados no âmbito de recuperações judiciais de grupos econômicos.

Os tribunais, sem afastar formalmente a excepcionalidade do instituto, têm privilegiado uma leitura orientada **pela realidade empresarial concreta**, admitindo, em determinadas hipóteses, a integração de sociedades no polo ativo e a tramitação conjunta quando evidenciada interdependência operacional, integração societária relevante, verticalização das atividades ou coordenação econômica do grupo.

Essa alteração na jurisprudência demonstra uma **postura menos formalista e mais funcional**, voltada à efetividade do soerguimento empresarial e à preservação da atividade econômica sem, contudo, dispensar a necessária comprovação dos requisitos legais e fáticos que legitimam a mitigação da autonomia patrimonial das sociedades envolvidas.

No mesmo sentido, a jurisprudência recente tem demonstrado que a aplicação do art. 69-J da Lei nº 11.101/2005 **não se limita à verificação formal de vínculos societários, exigindo análise concreta da dinâmica econômica, patrimonial e operacional do grupo empresarial.**

Nesse sentido, merece destaque o julgamento do Agravo de Instrumento nº 2195905-06.2023.8.26.0000, pela **1ª Câmara Reservada de Direito Empresarial do Tribunal de Justiça de São Paulo, Rel. Des. J.B. Paula Lima, julgado em 02/10/2024**, no qual se manteve decisão que deferiu o processamento da recuperação judicial em consolidação substancial.

No caso em apreço, de acordo com o relatório apresentado pelo administrador judicial, se fizeram presentes ao menos três dessas hipóteses, isto é, garantias cruzadas, identidade do quadro societário e atuação conjunta no mercado (fls. 82/90). Confira-se a manifestação do administrador judicial naqueles autos:

> "1. As Requerentes, embora aparentemente trate de empresas distintas e independentes, na verdade, pertencem ao mesmo grupo econômico, ou seja, fazem parte do mesmo grupo

> familiar, conhecido como" Grupo Eurofert "(nome fantasia), não existindo qualquer diferença entre as empresas, quer para os seus clientes quer para seus fornecedores, funcionários, Bancos e Instituições Financeiras.
>
> 2. **Apesar das contabilidades serem independentes, até porque umas adotam sistemas diferentes**, há verdadeira confusão patrimonial, vez que é muito comum (corriqueiro) uma empresa comprar em nome da outra, como também socorrer-se através de empréstimo, o que é facilmente comprovado pela contabilidade das requerentes, **podendo inclusive admitir a existência na pratica de caixa único**." (Grifamos)

Naquele caso, reconheceu-se a presença de elementos objetivos previstos no art. 69-J, **notadamente garantias cruzadas, identidade do quadro societário e atuação conjunta no mercado, considerados suficientes para evidenciar a integração estrutural das sociedades requerentes.** A conclusão foi reforçada pelas informações constantes do relatório do administrador judicial, segundo o qual, embora formalmente distintas, as empresas integravam o mesmo grupo familiar, apresentando-se perante clientes, fornecedores, instituições financeiras e empregados como verdadeira unidade econômica funcional.

O relatório técnico apontou, ainda, indícios relevantes de interdependência patrimonial e operacional. Destacou-se que, **não obstante a existência de contabilidades formalmente independentes — inclusive em razão da adoção de sistemas contábeis distintos por algumas das sociedades —**, tal circunstância não afastava a constatação de integração econômica.

Verificou-se que, na prática, eram recorrentes operações cruzadas, como aquisições realizadas por uma sociedade em benefício de outra, concessões recíprocas de empréstimos e circulação compartilhada de recursos, elementos que indicavam funcionamento empresarial interligado e até a possibilidade de estrutura de caixa único.

Também se evidenciou a administração comum das sociedades pelo mesmo sócio, circunstância corroborada pelos contratos sociais e registros perante a Junta Comercial, revelando convergência decisória e coordenação empresarial. Esse conjunto fático-probatório permitiu concluir que a separação patrimonial formal não refletia a efetiva organização econômica do empreendimento.

Com base nesses elementos, o Tribunal reconheceu naquele caso concreto a incidência do art. 69-J da Lei nº 11.101/2005, assentando que **a consolidação substancial pode ser autorizada independentemente da realização de assembleia-geral**, quando necessária à adequada condução do processo recuperacional. Assim, foi mantida a decisão de origem, com o desprovimento do recurso.

O precedente evidencia que a aferição dos requisitos para a consolidação substancial deve privilegiar a realidade econômica do grupo e o grau de interdependência entre as sociedades, **não sendo a autonomia contábil formal, por si só, suficiente para afastar a caracterização de integração patrimonial quando o conjunto probatório revela atuação empresarial unitária**. Tal orientação reforça a compreensão de que a aplicação do art. 69-J demanda exame material das relações empresariais, sobretudo quando a circulação cruzada de recursos, a identidade societária e a atuação conjunta indicam que a separação patrimonial formal não corresponde à dinâmica econômica efetiva do grupo.

Sob perspectiva finalística, o art. 69-J não se destina a preservar formalmente a separação patrimonial quando essa se revela artificial ou disfuncional. Sua finalidade é assegurar que a consolidação substancial seja admitida quando necessária para garantir a transparência do passivo, a igualdade material entre credores e a efetividade do processo de reestruturação.

Essa leitura **harmoniza-se com os princípios estruturantes da Lei de Recuperação e Falência, especialmente a preservação da empresa**, a função

social da atividade econômica, a proteção do crédito, a maximização do valor dos ativos e a eficiência do processo concursal.

A experiência jurisprudencial revela, portanto, que o ordenamento recuperacional brasileiro admite interpretação **sistemática** e **finalística** de seus requisitos legais quando a realidade econômica assim o exige.

Não se trata de afastar a lei, mas de aplicá-la de modo compatível com sua finalidade. Assim como o STJ reconheceu que o requisito temporal do art. 48 não pode ser analisado de forma puramente formal quando a inclusão da sociedade se mostra necessária para a adequada condução do processo, também a aplicação do art. 69-J deve privilegiar a funcionalidade do sistema e a efetividade da solução recuperacional.

Do exame do precedente, extrai-se a percepção de que **o Superior Tribunal de Justiça tem privilegiado interpretação sistemática do regime recuperacional, admitindo a consolidação substancial, em caráter excepcional, quando a separação patrimonial meramente formal se revelar incompatível com a adequada condução do processo.**

Tal orientação, salvo melhor juízo, **mostra-se alinhada aos princípios estruturantes da Lei nº 11.101/2005**, notadamente a preservação da empresa enquanto atividade econômica geradora de valor social, a aferição concreta da viabilidade do soerguimento e a observância da *par conditio creditorum*, de modo a assegurar tratamento equânime e transparente ao conjunto de credores.

Outros precedentes recentes do STJ: distinções relevantes e o princípio do tratamento unitário de grupos econômicos

Além do paradigmático caso Grupo Dolly, a jurisprudência recente do Superior Tribunal de Justiça produziu outros julgados que, embora não versem

diretamente sobre a consolidação substancial prevista no art. 69-J, fornecem subsídios interpretativos relevantes para a compreensão do tratamento de grupos econômicos no sistema concursal brasileiro.

No julgamento do REsp 2.068.263-SP (Informativo 783/2023), a 3ª Turma do STJ, sob a relatoria do Min. Ricardo Villas Bôas Cueva, estabeleceu importante distinção entre **consolidação processual e consolidação substancial**. A Corte decidiu que o deferimento do processamento da recuperação judicial em consolidação processual não impede a posterior análise do preenchimento dos requisitos para o pedido de recuperação em relação a cada um dos litisconsortes. Em outras palavras, na mera consolidação processual (litisconsórcio ativo), cada empresa do grupo deve demonstrar individualmente o cumprimento dos requisitos legais, podendo ser excluída do processo caso não os atenda.[29]

O precedente é relevante para o caso em exame por uma razão precisa: ao enfatizar que a consolidação processual preserva a **individualidade jurídica e patrimonial** de cada litisconsorte, o STJ reafirmou, por contraste, que a consolidação substancial opera em plano distinto — justamente o da **superação dessa individualidade** quando presentes os pressupostos do art. 69-J. A distinção traçada pelo STJ confirma que a consolidação substancial possui regime jurídico próprio, autônomo em relação à consolidação meramente processual, e que seus efeitos sobre a esfera patrimonial dos devedores e credores são qualitativamente diversos.

No caso do Grupo Ambipar, a realidade fática aponta que a integração operacional, a confusão patrimonial e as garantias cruzadas entre as sociedades do

grupo constituem os pressupostos que legitimam a consolidação substancial, nos termos do art. 69-J da Lei nº 11.101/2005.

Ad argumentandum, no Conflito de Competência nº 183.402-MG (Informativo 789/2023), a 2ª Seção do STJ, sob a relatoria do Min. Humberto Martins, determinou a reunião das falências de empresas do mesmo grupo econômico (caso MMX Mineração) perante juízo único, com fundamento nos princípios da **universalidade, indivisibilidade, celeridade e economia processual** (arts. 75 e 76 da Lei nº 11.101/2005).[30]

O precedente possui relevância argumentativa significativa para a fundamentação da consolidação substancial. Se o STJ reconhece que, mesmo na falência — procedimento de natureza liquidatória —, o tratamento unitário do grupo econômico se impõe por força dos princípios da universalidade e indivisibilidade, com **maior razão** se justifica a consolidação substancial na recuperação judicial, cujo princípio reitor é a **preservação da empresa** (art. 47). O argumento *a fortiori* é irrecusável: se na liquidação (falência) a unidade de tratamento é impositiva, na reestruturação (recuperação) ela é ainda mais necessária, pois o objetivo do processo não é a mera partilha de ativos, mas a reorganização de atividade econômica que, por definição, funciona de forma integrada.

Em síntese, a análise dos recentes precedentes do STJ revela que a Corte tem **construído arcabouço jurisprudencial coerente** que, ao distinguir com precisão as modalidades de consolidação (processual e substancial), ao delimitar as hipóteses de vedação (restritas a contextos com regime de incomunicabilidade legal) e ao afirmar o princípio do tratamento unitário de grupos econômicos, **fornece bases sólidas para a admissibilidade da consolidação substancial no caso do Grupo Ambipar.**

30 STJ, 2ª Seção. CC 183.402-MG, Rel. Min. Humberto Martins, julgado em 27/9/2023 (Info 789). No caso MMX Mineração, o STJ determinou a reunião das falências de empresas do mesmo grupo econômico perante juízo único, com fundamento nos princípios da universalidade, indivisibilidade, celeridade e economia processual (arts. 75-76 da Lei nº 11.101/2005).

DA CONSOLIDAÇÃO SUBSTANCIAL SOB A ÓTICA DOS CREDORES, DA UNIDADE ECONÔMICA DO GRUPO EMPRESARIAL E DE SUA FUNÇÃO COMO MECANISMO EXCEPCIONAL DE PROTEÇÃO DA COLETIVIDADE DOS CREDORES

Da percepção unitária do grupo pelos credores e da formação econômica do risco empresarial

Como abordado anteriormente, a análise da crise em grupos empresariais não pode limitar-se à dimensão formal da autonomia patrimonial das sociedades que os integram, devendo igualmente considerar a realidade econômica percebida pelo mercado e, em especial, pelos credores.

Na prática, a mensuração do risco empresarial, a concessão de crédito, a formação de preços, a prestação de serviços e até a decisão de estabelecer vínculo laboral t**endem a ser influenciadas pela percepção de solidez e capacidade operacional do conglomerado como unidade econômica funcion**al, e não exclusivamente da sociedade isoladamente contratante.

Tal compreensão, como já explicitado no **tópico dedicado à origem do instituto no direito comparado, encontra respaldo histórico na própria formação da consolidação substancial no direito norte-americano**. Desde suas primeiras formulações, a jurisprudência dos tribunais de *Bankruptcy* passou a admitir, em caráter excepcional, a consolidação patrimonial quando a separação formal entre entidades empresariais não refletia a realidade econômica percebida pelos credores, ou quando estes haviam concedido crédito confiando na unidade econômica do grupo.

Nesse contexto, **a consolidação substancial não se estruturou como sanção societária, mas como instrumento voltado a evitar prejuízos coletivos decorrentes da fragmentação artificial de ativos e passivos**, preservando a

equidade do concurso e a confiança legítima dos credores na estrutura econômica efetivamente apresentada ao mercado.

A mesma racionalidade pode ser identificada no direito comparado europeu. No sistema espanhol, a consolidação em processos concursais de grupos empresariais foi objeto de intenso debate doutrinário, especialmente na interpretação do antigo art. 25-ter da *Ley Concursal*.[31]

A controvérsia dividiu a doutrina entre aqueles que defendiam tratar-se de mera coordenação processual e os que admitiam a possibilidade de unificação patrimonial em hipóteses excepcionais. Nesse contexto, consolidou-se a relevância de dois vetores interpretativos: a imputação econômica, voltada à análise da realidade funcional do grupo como unidade produtiva integrada, e a **ótica dos credores, centrada na preservação da confiança legítima quanto ao patrimônio que sustentou a concessão do crédito ou a celebração das relações contratuais**.

Em determinadas estruturas empresariais, fornecedores de bens e serviços, prestadores terceirizados e trabalhadores tendem igualmente a perceber o conglomerado, **sobretudo quando atua sob a mesma marca, identidade visual, estrutura administrativa compartilhada ou direção estratégica comum, como uma única organização econômica.** O porte do grupo, sua presença no mercado e a atuação coordenada de suas sociedades podem induzir tais credores à legítima compreensão de que o verdadeiro cliente, contratante ou empregador econômico é o

31 A doutrina espanhola, ao interpretar o antigo art. 25-ter da Ley Concursal (Lei nº 22/2003), debateu se a norma autorizaria consolidação substancial ou apenas coordenação processual. Parte dos autores sustentava que o dispositivo limitava-se à consolidação instrumental de inventários e listas de credores em caso de confusão patrimonial, sem permitir unificação das massas; outra corrente defendia que, diante de forte integração econômica e confusão de ativos e passivos, seria possível admitir consolidação patrimonial. A discussão também passou a considerar a chamada imputação econômica — análise da realidade funcional do grupo como unidade produtiva — e a ótica dos credores, especialmente quanto à confiança legítima no patrimônio que respaldou a concessão do crédito. A controvérsia foi mitigada com o Real Decreto nº 1/2020, cujo art. 43 passou a prever, de forma expressa e excepcional, a consolidação das massas concursais. Cf. FLORES SEGURA, Marta. *Los concursos conexos*. cit., p. 349-350; GARCÍA-ROSTÁN CALVÍN, Gemma. *El proceso concursal ante insolvencias conexas*. cit., p. 87; QUETGLAS, Rafael Sebastián. *El concurso de acreedores del grupo de sociedades*. cit., p. 192-193.

conjunto empresarial, e não apenas a pessoa jurídica formalmente indicada no contrato.

No âmbito financeiro, essa realidade revela-se ainda mais evidente. Para fins de concessão de crédito, monitoramento de risco, definição de limites operacionais e exigência de garantias, as instituições financeiras usualmente adotam análise consolidada do risco econômico do grupo.

Tal prática encontra respaldo institucional no Sistema de Informações de Créditos do Banco Central do Brasil (SCR), instrumento regulatório que **permite consolidar a exposição creditícia de pessoas físicas e jurídicas vinculadas economicamente**, possibilitando a avaliação sistêmica do risco e a identificação de interdependências patrimoniais, societárias e operacionais.

Embora o SCR possua finalidade prudencial, sua lógica operacional reflete a prática do mercado: **o risco tende a ser mensurado de forma integrada**, considerando **o conjunto das relações econômicas do grupo**, e não apenas a capacidade patrimonial isolada do devedor formal.

Esse conjunto de fatores demonstra que, sob a perspectiva econômica, **o grupo empresarial pode funcionar como verdadeiro centro unitário de imputação de riscos**. A inadimplência de determinada sociedade pode repercutir na reputação creditícia e na capacidade de financiamento das demais empresas interligadas, evidenciando que a fragmentação formal das personalidades jurídicas nem sempre corresponde à realidade econômica da atividade empresarial.

Como já explicitado, o mesmo raciocínio projeta-se sobre fornecedores e trabalhadores que, diante da integração operacional e da uniformidade estrutural do grupo, tendem a avaliar sua relação jurídica sob a ótica da organização empresarial em seu conjunto.

Nessa perspectiva, na interpretação de cada caso concreto, deve-se verificar se a realidade econômica do grupo se traduz, na prática, em benefício efetivo à coletividade de credores, de modo a assegurar que a solução adotada no âmbito concursal preserve a equidade do concurso e a adequada tutela dos direitos daqueles que com o grupo mantiveram relações jurídicas.

É essa situação que se vislumbra no caso concreto, especialmente em razão do constatado nas visitas realizadas pela Administração Judicial Conjunta, principalmente pelos grandes contratos celebrados com o Grupo recuperando (Base no CENPES - Petrobrás, Klabin, etc). Clientes de relevância contratam o *pool* de serviços do Grupo Ambipar – realizado por inúmeros CNPJs da estrutura – pela expertise, *know-how*, credibilidade, reforçando a visão que o mercado tem da operação de negócios e de serviços.

Da indivisibilidade funcional do negócio

Essa realidade econômica pode ser ilustrada pela analogia com a estrutura de um condomínio edilício. Embora cada unidade possua titularidade própria e autonomia patrimonial, todas dependem do funcionamento adequado das estruturas comuns que garantem a habitabilidade do conjunto. O comprometimento de elementos essenciais, como fornecimento de água, energia ou segurança, não atinge apenas uma unidade isoladamente, mas repercute sobre todo o edifício.

De modo semelhante, **nos grupos empresariais altamente integrados, como no caso do Grupo Ambipar, o comprometimento financeiro ou operacional de uma das sociedades pode produzir efeitos sistêmicos sobre as demais**, sobretudo quando há compartilhamento de infraestrutura, dependência econômica, circulação interna de recursos ou coordenação estratégica centralizada. Nesses casos, a separação patrimonial formal pode coexistir com uma realidade econômica caracterizada pela indivisibilidade funcional do empreendimento coletivo.

Tal constatação, por si só, **não conduz automaticamente à superação da autonomia patrimonial das sociedades integrantes do grupo**, que permanece princípio estruturante do direito societário.

Todavia, evidencia que a análise da crise empresarial deve levar em conta não apenas a estrutura jurídica formal, mas também a dinâmica econômica efetiva do grupo. Quando **a interdependência operacional e patrimonial alcança grau relevante e comprovado**, podendo tornar artificial a distinção entre ativos e passivos das sociedades envolvidas, pode surgir fundamento legítimo para a avaliação de mecanismos concursais que permitam tratamento unitário da crise.

A organização patrimonial do grupo econômico e da eventual concentração de ativos e passivos entre holdings e sociedades operacionais

A necessidade dessa abordagem torna-se particularmente sensível quando se verifica a concentração relevante de ativos, inclusive financeiros, em entidade central do grupo, como holdings patrimoniais, sociedades de investimento ou estruturas offshore, **enquanto as sociedades operacionais permanecem responsáveis pela geração da riqueza**, contratação de empregados, aquisição de insumos e assunção das obrigações decorrentes da atividade produtiva.

Cumpre registrar, contudo, que a dissociação patrimonial pode igualmente manifestar-se em sentido inverso, **com a alocação de ativos relevantes em sociedades operacionais e a concentração de passivos financeiros**, contratuais ou estruturais em holdings ou outras entidades do grupo.

Isso ocorre, inclusive, porque, em certos arranjos societários, **tais entidades podem funcionar como veículos voltados à captação de crédito e investimentos**, ao passo que a formação e manutenção dos ativos produtivos se concentram nas sociedades responsáveis pela execução direta da atividade

empresarial, hipótese que igualmente demanda exame atento quanto à correlação entre patrimônio e responsabilidade econômica.

Em determinadas hipóteses, tal configuração pode resultar, na prática, na manutenção dos ativos em determinadas entidades do grupo — sejam elas patrimoniais ou operacionais —, ao passo que outras sociedades que participam da estrutura empresarial permaneçam com menor capacidade de honrar seus compromissos em cenário de recuperação judicial ou eventual falência.

Não raramente, **arquiteturas societárias apresentadas como planejamento patrimonial ou reorganização societária podem, em tese, produzir efeitos de concentração ou obscurecimento patrimonial**, dificultando a identificação do patrimônio efetivamente vinculado à atividade empresarial.

Quando comprovadas, situações dessa natureza podem frustrar a expectativa legítima de credores financeiros, fornecedores e trabalhadores quanto à garantia econômica das obrigações assumidas, como parece ser o caso dos autos. Nesses casos, a manutenção absoluta da separação patrimonial pode, em tese, gerar distorções no concurso de credores e comprometer a efetividade do processo concursal, circunstância que deve ser cuidadosamente analisada à luz das provas do caso concreto.

No caso concreto, os dados levantados pela assessoria financeira indicam que o passivo consolidado do grupo atinge R$ 12,37 bilhões, ao passo que as garantias cruzadas entre as entidades somam R$ 18,63 bilhões e os saldos *intercompany* totalizam R$ 10,72 bilhões, resultando em um Quadro-Geral de Credores combinado de R$ 41,73 bilhões.

A análise da distribuição patrimonial revela, ainda, que 93,7% do passivo está concentrado nas holdings, enquanto as sociedades operacionais respondem por apenas 6,3% das obrigações. Em contrapartida, a relação ativo/passivo das holdings

é de 0,58, ao passo que nas operacionais alcança 7,08 — evidenciando significativa dissociação entre a titularidade dos ativos produtivos e a alocação das obrigações financeiras no âmbito do grupo. [32]

Nesse contexto, salvo melhor juízo, a consolidação substancial apresenta-se, potencialmente, como instrumento apto a equalizar a correlação entre patrimônio e responsabilidade econômica, evitando fragmentações artificiais e promovendo tratamento concursal mais aderente à realidade sistêmica do grupo.

A unificação do tratamento de ativos e passivos, quando presentes interdependência estrutural, garantias cruzadas e circulação interna de recursos, pode contribuir para maior transparência na formação do quadro de credores e para mitigação de assimetrias decorrentes de arquiteturas societárias complexas.

Análise econômica da consolidação substancial: custos de transação, eficiência e maximização do valor dos ativos

A consolidação substancial pode ser analisada também sob a perspectiva da análise econômica do direito (*Law and Economics*), que oferece instrumental teórico complementar para avaliar a racionalidade e a eficiência do instituto no contexto concursal. A teoria dos custos de transação, formulada por Ronald Coase e desenvolvida por Oliver Williamson, demonstra que as organizações empresariais existem como alternativa à coordenação pelo mercado quando os custos de transação interna são inferiores aos custos de contratação externa.[33]

Os valores ora referidos — passivo consolidado de R$ 12,37 bilhões, garantias cruzadas de R$ 18,63 bilhões, saldos *intercompany* de R$ 10,72 bilhões e QGC combinado de R$ 41,73 bilhões — foram apurados com base na documentação contábil e financeira disponibilizada pelas Recuperandas, cabendo eventual confirmação no curso da verificação de créditos.

Aplicada ao direito concursal, essa perspectiva revela que a fragmentação patrimonial formal em grupos empresariais altamente integrados pode gerar custos de transação **significativos** no processo de recuperação judicial: custos de identificação e segregação de ativos, custos de coordenação entre múltiplos processos ou massas patrimoniais, custos de negociação entre credores de diferentes entidades e custos de perda de valor decorrentes da desarticulação de ativos complementares.[34]

Quando tais custos superam os benefícios da manutenção da separação patrimonial, a consolidação substancial pode revelar-se a solução economicamente eficiente, ao eliminar as externalidades negativas decorrentes da fragmentação e permitir a alocação mais produtiva dos ativos do grupo.

Sob a ótica da eficiência alocativa, a consolidação substancial pode contribuir para a maximização do valor dos ativos quando a complementaridade entre os bens das diversas sociedades gera valor superior ao da soma das partes isoladas. Em grupos com operação verticalizada, compartilhamento de infraestrutura, cadeia produtiva integrada ou marca unificada, a desarticulação dos ativos pode destruir valor econômico que somente se realiza quando mantida a unidade funcional do empreendimento.[35]

A análise econômica oferece, ainda, perspectiva relevante sobre a questão da assimetria informacional no processo concursal. Em grupos empresariais complexos, a separação patrimonial pode ocultar a verdadeira dimensão da crise e

dificultar a avaliação adequada dos riscos pelos credores. A consolidação, ao promover a transparência patrimonial, pode reduzir os custos de informação e facilitar a negociação eficiente entre as partes envolvidas no processo de reestruturação.

A doutrina brasileira, ao examinar a interface entre análise econômica e direito concursal, destaca que a maximização do valor dos ativos constitui objetivo central do sistema recuperacional, **orientando a interpretação dos mecanismos legais à luz do resultado econômico que produzem**. Nessa perspectiva, a consolidação substancial não se justifica como mera simplificação procedimental, mas como instrumento capaz de gerar ganhos de eficiência quando a realidade econômica do grupo demonstra que o tratamento unitário preserva valor que seria destruído pela fragmentação.[36]

Aplicada ao caso concreto do Grupo Ambipar, essa análise evidencia, salvo melhor juízo, que a manutenção da fragmentação patrimonial entre as recuperandas geraria custos de transação superiores aos benefícios da separação formal. O passivo consolidado de R$ 12,37 bilhões, as garantias cruzadas de R$ 18,63 bilhões e os saldos *intercompany* de R$ 10,72 bilhões demonstram nível de integração econômica que torna o tratamento unitário significativamente mais eficiente do que a coordenação de múltiplos processos isolados.

A consolidação substancial emerge, portanto, salvo melhor juízo, como solução que preserva o valor dos ativos produtivos do grupo e minimiza os custos do processo recuperacional.[37]

A aplicação dessa análise ao caso concreto exige a ponderação entre os custos da consolidação — notadamente o risco de prejuízo a credores que confiaram na separação patrimonial e a potencial diluição de direitos — e os benefícios esperados, como a redução de custos processuais, a preservação de sinergias operacionais, a maximização do valor de alienação dos ativos e a viabilização de solução recuperacional efetiva.

Sugere-se que tal ponderação, de natureza casuística, oriente-se pelos princípios da **proporcionalidade** e da **razoabilidade**, assegurando que a consolidação substancial seja admitida apenas quando demonstrado que os benefícios coletivos superam os custos individuais, em consonância com a lógica de eficiência que inspira o sistema concursal contemporâneo.

A convergência entre a fundamentação jurídica tradicional e a análise econômica reforça a compreensão de que a consolidação substancial, quando presentes seus pressupostos legais, constitui não apenas medida juridicamente admissível, mas solução economicamente racional para a crise de grupos empresariais cuja realidade operacional não se coaduna com a fragmentação patrimonial meramente formal.

Diante desse cenário, feitas as contextualizações, a Administração Conjunta passa a analisar especificamente questões pontuais tratadas no caso dos autos.

DAS SITUAÇÕES ENVOLVENDO SOCIEDADES QUE SE OPUSERAM AO PEDIDO DE RECUPERAÇÃO JUDICIAL

Em decorrência do contexto vivenciado no início deste processo recuperacional, que envolveu uma medida cautelar tida como inesperada, com mais de 350 sociedades requerentes, seguida de um pedido de Recuperação Judicial elaborado por 72 das múltiplas centenas de sociedades (que viraram 74 sociedades até o momento), os autos viraram verdadeira zona de conflito entre os credores do grupo, empresas requerentes da RJ e até mesmo de empresas pertencentes ao grupo solicitando sua exclusão do processo.

Pelo que foi constatado, este último foi o caso de três sociedades: Ambipar Environment Circular Economy RM S.A., Ambipar Environment Reverse Manufacturing S.A. e Drypol Ambipar Environmental Pet Solutions S.A..

Situação envolvendo a AMBIPAR ENVIRONMENT CIRCULAR ECONOMY RM S.A. ("CIRCULAR ECONOMY") e AMBIPAR ENVIRONMENT REVERSE MANUFACTURING S.A. ("REVERSE MANUFACTURING")

No Evento 133, se manifestaram nos autos os acionistas minoritários da sociedade Circular Economy requerendo, em razão de alegada arbitrariedade na escolha do Grupo Ambipar para incluir a sociedade, "*a sua imediata exclusão da recuperação judicial, em respeito à autonomia patrimonial, à legalidade e aos princípios da boa-fé e da preservação da empresa, que norteiam a aplicação da Lei nº 11.101/2005, permitindo que ela siga com suas atividades de suma importância para o meio ambiente.*".

Após contraditório realizado, com manifestações do Ministério Público, veio a acionista minoritária de Circular Economy e Reverse Manufacturing aos autos desistir do pleito de saída do processo recuperacional, nos seguintes termos:

> M&C PARTICIPAÇÕES LTDA. (“M&C” ou “PETICIONANTE”), nos autos do PEDIDO DE RECUPERAÇÃO JUDICIAL formulado por ENVIONMENTAL ESG PARTICIPAÇÕES S.A. e OUTROS (“GRUPO AMBIPAR” ou “REQUERENTE”) vem, por seus advogados abaixo assinados, com fundamento no art. 998, do CPC, requerer a desistência dos embargos de declaração de Ev. 407 e do pedido formulado no Ev. 408.

Nesse cenário, não restou alternativa ao juízo a não ser a manutenção das sociedades no polo ativo deste processo, in verbis (Evento 556):

> **IX – Eventos 407, 408 e 536.** Constam petições por M&C PARTICIPAÇÕES LTDA. A primeira se refere a embargos de declaração contra a decisão do **ev. 324, item III**, que indeferiu pedido do **Evento 133**. Diz que há contradição uma vez que contradiz a decisão do ev. 233, que determinou diligências par depurar a consolidação substancial e, consequentemente, o polo ativo do processo de recuperação.
>
> Na segunda petição, aquela informa que em 19.11.2025 foi realizada assembleia geral extraordinária das empresas AMBIPAR ENVIRONMENT CIRCULAR ECONOMY RM S.A. (“CIRCULAR ECONOMY”) e AMBIPAR ENVIRONMENT REVERSE MANUFACTURING S.A. (“REVERSE MANUFACTURING”), na qual a M&C votou contra a autorização para que essas empresas apresentarem pedido de recuperação judicial, circunstância que impõe a imediata exclusão das Companhias deste procedimento, conforme acordo de acionistas.
>
> Na terceira petição, consta a desistência dos pedidos anteriormente formulados.
>
> Diante da desistência manifestada, **inadmito os embargos** por falta de interesse recursal e **mantenho** as empresas AMBIPAR ENVIRONMENT CIRCULAR ECONOMY RM S.A. (“CIRCULAR ECONOMY”) e AMBIPAR ENVIRONMENT REVERSE MANUFACTURING S.A. (“REVERSE MANUFACTURING”) no polo ativo.

Sendo assim, percebe-se que os sócios minoritários das referidas sociedades, de alguma forma, passaram a aceitar a inclusão destas no processo

recuperacional, razão pela qual parece, salvo melhor juízo, definitivamente resolvida a situação envolvendo as empresas supramencionadas.

Contudo, não foi esse o desfecho no caso da outra sociedade cujos acionistas minoritários ainda estão em conflito levado ao segundo grau de jurisdição. É o que passa a relatar a Administração Judicial Conjunta.

Situação Específica da *Drypol*

A controvérsia envolvendo a sociedade ***DRYPOL* AMBIPAR *ENVIRONMENTAL PET SOLUTIONS* S/A** decorre de decisão proferida nos autos desta recuperação judicial (ev. 324), pela qual V. Exma. acolheu o pedido formulado pelos acionistas minoritários e determinou a exclusão da companhia do polo ativo do processo, reconhecendo irregularidade superveniente de representação, diante da não aprovação assemblear do pedido de recuperação judicial realizada em 10/11/2025.

A decisão considerou que, embora o deferimento inicial da recuperação tenha se amparado na representatividade extraordinária prevista no art. 122, parágrafo único, da Lei nº 6.404/1976, o aperfeiçoamento do ato dependia de ratificação assemblear, a qual restou rejeitada pelos acionistas minoritários. Assim, reconheceu-se a impossibilidade de manutenção da empresa no polo ativo sem respaldo societário válido.

Inconformada, a Ambipar interpôs Agravo de Instrumento nº 3002016-94.2025.8.19.0000, ao qual foi concedido efeito suspensivo em decisão monocrática, determinando-se, liminarmente, a manutenção da *Drypol* no polo ativo da recuperação judicial até julgamento definitivo.

No agravo, a Ambipar sustentou, em síntese:

1. **Abuso de direito dos acionistas minoritários**, ao votarem contrariamente à autorização para o ajuizamento do pedido de recuperação judicial, em suposta afronta ao interesse social da companhia;

2. Que não buscaria anular a deliberação assemblear, mas sim **tornar ineficaz o voto dos minoritários**, por alegada atuação contrária aos interesses da empresa;

3. Que estaria presente hipótese de **consolidação substancial obrigatória**, implicando litisconsórcio necessário, nos termos de precedente da Terceira Turma do STJ (REsp nº 2.001.535/SP), podendo o juízo determinar a inclusão da sociedade mesmo contra sua vontade;

4. Que a exclusão da Drypol acarretaria vencimento antecipado de obrigações constantes de Cédulas de Crédito Bancário no valor de aproximadamente R$ 20.000.000,00, o que poderia conduzir a companhia à insolvência.

Paralelamente ao debate processual, em reunião realizada em 28/01/2026 com estes Administradores Judiciais Conjuntos, a defesa constituída dos acionistas minoritários da Drypol expôs a posição da companhia. Sustentou tratar-se de sociedade com gestão totalmente autônoma, administrada por dois diretores vinculados aos minoritários, sem integração operacional com as demais empresas do Grupo Ambipar. Alegou inexistência de garantias cruzadas, ausência de confusão patrimonial e fornecedores próprios, afirmando que a companhia apresenta higidez financeira, com lucro aproximado de R$ 7 milhões.

Foi mencionado que a única obrigação relevante seria dívida própria junto ao Banco Itaú, com aval da Ambipar, sustentando-se que a empresa não depende economicamente do grupo e não haveria risco concreto de quebra caso permanecesse fora do procedimento recuperacional.

Entretanto, apesar das alegações apresentadas pela defesa representante dos acionistas minoritários da Drypol quanto à suposta autonomia plena da companhia, esta Administração Judicial Conjunta, em diligência técnica realizada na filial da empresa localizada em Cabo de Santo Agostinho/PE, conforme relatório constante do ANEXO I, constatou que a empresa utiliza matérias-primas provenientes tanto do mercado externo quanto de empresas integrantes do próprio Grupo Ambipar.

A Drypol compra matéria-prima "virgem" (leia-se pallets – ou grãos de plástico oriundos do processo de extrusão) do mercado externo e a reciclada de empresas que compõem a cadeia produtiva do grupo, trabalhando com a mistura dessas matérias-primas em proporções que variam de acordo com o produto escolhido pelo cliente. Tal verificação empírica diverge da narrativa apresentada pelos minoritários, evidenciando que a Drypol se insere na cadeia produtiva verticalizada do grupo, havendo integração de abastecimento e interconexão funcional.

Além disso, soma-se ao quadro fático a existência de Cédulas de Crédito Bancário celebradas pela Drypol com o Banco Itaú, nas quais a Ambipar figura como avalista/devedora solidária, contendo cláusula de vencimento antecipado na hipótese de recuperação judicial de qualquer dos coobrigados.

Ainda que o vencimento não seja automático, a exclusão da Drypol do polo ativo da recuperação judicial poderia expô-la à execução individual de obrigação de valor relevante, retirando-lhe a proteção do juízo universal, o que revela interdependência financeira concreta entre as sociedades.

Dessa forma, considerados os elementos colhidos na diligência, a integração operacional constatada e o risco jurídico decorrente das cláusulas contratuais de vencimento antecipado, bem como o atual cenário jurídico exposto no processo recuperacional, no incidente processual inaugurado pelo grupo Recuperando e no Recurso de Agravo de Instrumento interposto por este, entende

esta Administração Judicial Conjunta que estão presentes elementos suficientes de interconexão econômica e financeira aptos a justificar neste momento a manutenção da Drypol no polo ativo da recuperação judicial.

DA COEXISTÊNCIA DE PROCEDIMENTOS CONCURSAIS EM JURISDIÇÕES DISTINTAS, DO PRONUNCIAMENTO DO MINISTÉRIO PÚBLICO E DOS REFLEXOS NA ANÁLISE DA CONSOLIDAÇÃO SUBSTANCIAL

Conforme se verifica das manifestações recentes juntadas aos autos (Evento nº 397), parte dos credores suscitou controvérsia quanto aos efeitos, no Brasil, da tramitação paralela de procedimento concursal estrangeiro envolvendo sociedade integrante do grupo, notadamente processo instaurado nos Estados Unidos sob o regime do *Chapter 11 do U.S. Bankruptcy Code*.

Sustentam, em síntese, que **a coexistência de procedimentos poderia ensejar risco de decisões conflitantes sobre aspectos centrais da reestruturação**, eventual duplicidade de tratamento do passivo e incerteza quanto ao alcance das medidas adotadas em cada jurisdição.

Argumentam, ainda, que a condução simultânea dos processos **poderia** impactar a reorganização das garantias vinculadas às emissões internacionais, a definição do perímetro patrimonial submetido ao concurso e, em última análise, a própria estrutura do grupo, sugerindo, por essa razão, a necessidade de se reconhecer, na prática, maior prevalência ou coordenação prioritária do procedimento estrangeiro quanto a determinados ativos, passivos ou instrumentos financeiros.

As Recuperandas, por sua vez, sustentam, em manifestação própria (Evento 589), que a existência de procedimento no exterior **não constitui impedimento à jurisdição nacional nem afasta, por si só, a viabilidade do tratamento recuperacional delineado neste feito**.

Defendem ser **plenamente possível a coordenação entre os procedimentos, em consonância com os mecanismos de cooperação próprios das insolvências transnacionais**, ressaltando que a eventual utilização do *Chapter 11*, bem como de instrumentos de reconhecimento estrangeiro previstos no *Chapter 15*, não desloca automaticamente a condução do processo quando situado no Brasil o centro de governança, administração e estrutura econômica do grupo.

A matéria foi especificamente enfrentada pelo Ministério Público Estadual que, em atenção ao despacho proferido no Evento 569, consignou entendimento expresso no sentido de que **o ajuizamento de recuperação judicial por empresa transnacional em simultaneidade perante jurisdições de soberanias diversas não acarreta litispendência nem preclusão lógica**, ainda que presente, em tese, identidade de partes, pedido e causa de pedir, devendo ambos os procedimentos tramitar normalmente, cada qual regido por sua legislação própria e conduzido pela autoridade judiciária competente:

> O MINISTÉRIO PÚBLICO Estadual, através da 3ª Promotoria de Justiça de Massas Falidas, nos autos da RECUPERAÇÃO JUDICIAL de AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S/A E OUTRAS (Feito nº 3014764-58.2025.8.19.0001/RJ), em atenção ao r. despacho/decisão Evento 556, vem tomar ciência do plano de recuperação da empresa apresentado pelas recuperandas e dizer, no tocante ao item VII do referido decisum, que **o ajuizamento da recuperação judicial da empresa transnacional em simultaneidade perante jurisdições de soberanias diversas não acarreta litispendência ou preclusão lógica**. Ambas as recuperações judiciais, tanto a do processo estrangeiro como a do processo nacional (ainda que respeitantes às mesmas empresas e idênticas causas de pedir, leia-se: tríplice identidade – partes, pedido e causa petendi), **devem ter tramitação normal e regular na forma das respectivas legislações de regência**, conduzidos e presididos, cada qual, pela autoridade judiciária competente soberana. (Grifamos)

O pronunciamento ministerial possui relevância direta para a delimitação jurídica da controvérsia, pois esclarece que a existência de procedimento estrangeiro **não paralisa nem invalida** o presente processo, tampouco impede o exame das medidas previstas na Lei nº 11.101/2005.

A **simultaneidade de procedimentos concursais em jurisdições distintas revela-se compatível com a realidade de grupos empresariais transnacionais**, não sendo possível extrair, dessa circunstância, consequência **automática** de suspensão, extinção ou limitação da atuação deste Juízo.

A jurisprudência recente do Tribunal de Justiça do Estado do Rio de Janeiro tem reconhecido que, em recuperações judiciais envolvendo grupos empresariais estruturados sob múltiplas sociedades, **inclusive com elementos transnacionais, a análise deve privilegiar a realidade econômica do empreendimento**, a localização do centro decisório e a funcionalidade do processo recuperacional, em linha com os critérios previstos nos arts. 3º e 69-J da Lei nº 11.101/2005 e com a noção do centro dos principais interesses (COMI – *Center of main interest*) do devedor.

Nessa perspectiva, a existência de governança centralizada, integração operacional e coordenação patrimonial **pode justificar tanto a competência da jurisdição brasileira quanto o tratamento unitário das sociedades do grupo**, quando necessário à efetividade do processo.

Ilustra esse entendimento o julgado proferido no Agravo de Instrumento nº 0073729-54.2023.8.19.0000, julgado em 26/06/2024 pela Décima Primeira Câmara de Direito Privado do Tribunal de Justiça do Estado do Rio de Janeiro, sob relatoria do Desembargador Marcos Alcino de Azevedo Torres, cujos fundamentos dialogam diretamente com a temática da consolidação substancial, da organização econômica do grupo e da centralização decisória.

> (0073729-54.2023.8.19.0000 - AGRAVO DE INSTRUMENTO. Des(a). MARCOS ALCINO DE AZEVEDO TORRES - Julgamento: 26/06/2024 - DECIMA PRIMEIRA CAMARA DE DIREITO PRIVADO (ANTIGA 27ª CÂMARA CÍVEL))

O precedente acima demonstra, salvo melhor juízo, que o Tribunal de Justiça do Estado do Rio de Janeiro já adotou leitura material e finalística do regime recuperacional, valorizando a identificação do centro decisório do grupo, a efetiva estrutura de governança e o grau de integração econômica entre as sociedades para fins de definição da competência jurisdicional e da eventual adoção de tratamento unitário, em consonância com os parâmetros do art. 69-J da Lei nº 11.101/2005.

A mencionada orientação parece **reforçar que a análise da consolidação substancial deve partir da realidade operacional e patrimonial concreta**, e não de critérios meramente formais de constituição societária ou localização jurídica das entidades.

No caso em exame, a controvérsia submetida a este Juízo apresenta elementos análogos, na medida em que também se discute a centralização decisória, a integração das atividades e a dinâmica econômica do Grupo Ambipar, circunstâncias que impõem exame técnico da estrutura do grupo à luz desses mesmos parâmetros jurisprudenciais e legais.

Nesse contexto, destaca-se como relevante inovação introduzida pela Lei nº 14.112/2020 a previsão de mecanismos de cooperação internacional e de comunicação direta entre autoridades jurisdicionais (*court-to-court communication*), expressamente autorizados pelo art. 167-P da Lei nº 11.101/2005 e regulamentados pela Resolução CNJ nº 394/2021.

Os referidos dispositivos autorizam o Juízo brasileiro a estabelecer cooperação direta, inclusive por intermédio da Administração Judicial, com autoridades estrangeiras e representantes do processo concursal externo, dispensando-se formalidades tradicionais, como a expedição de cartas rogatórias ou a instauração de procedimentos de auxílio direto, o que contribui para conferir maior eficiência, celeridade e segurança jurídica à condução coordenada de procedimentos paralelos.

A existência desses mecanismos institucionais **reforça que a simultaneidade de processos em distintas jurisdições não constitui, por si só, obstáculo ao regular processamento da recuperação judicial no Brasil**, tampouco impede o exame da estrutura econômica do grupo sob a ótica da consolidação substancial, a qual deverá ser apreciada com base nos elementos concretos de integração patrimonial, operacional e decisória identificados nos autos, sempre orientada pela proteção do interesse coletivo dos credores e pela funcionalidade do processo recuperacional.

O ordenamento jurídico brasileiro possui tradição normativa antiga no tratamento das situações envolvendo insolvência com elementos estrangeiros. Já no

século XIX, o **Decreto nº 6.982/1878 estabelecia a possibilidade de execução, no Brasil, de sentenças estrangeiras que declarassem a falência de negociantes domiciliados no país em que proferidas**, sinalizando, desde então, preocupação legislativa com a eficácia transnacional das decisões concursais.

Nas décadas subsequentes, diversos diplomas legais passaram a disciplinar os efeitos de decisões falimentares estrangeiras no território nacional, **dentre os quais se destacam o Decreto nº 917/1890, a Lei nº 2.024/1908, o Decreto nº 5.746/1929 e o Decreto-Lei nº 1.608/1939 (CPC/1939)**. Os aludidos instrumentos evidenciam que o direito brasileiro, ainda que de forma fragmentada, já admitia a interação entre jurisdições em matéria falimentar, embora sob forte condicionamento a critérios formais e ao reconhecimento interno das decisões estrangeiras.

No plano internacional, merece destaque a **ratificação, pelo Brasil, do Código Bustamante, incorporado ao ordenamento jurídico pelo Decreto nº 18.871/1929**, anexo à Convenção de Havana de Direito Internacional Privado de 1928. O referido diploma pretendia conferir maior uniformidade e previsibilidade às relações jurídicas transnacionais no continente americano, abrangendo também aspectos relacionados às insolvências internacionais. Não obstante, a ausência de adesão por parte de economias relevantes da região — como Estados Unidos, Argentina e México — limitou substancialmente a eficácia prática desse instrumento no contexto brasileiro.

Historicamente, a **disciplina nacional sobre insolvências internacionais desenvolveu-se sob lógica de universalismo mitigado**, condicionada, em larga medida, à reciprocidade entre Estados e ao prévio reconhecimento das decisões estrangeiras. Esse modelo, embora juridicamente coerente com a estrutura clássica do direito internacional privado, mostrou-se insuficiente para lidar com a crescente complexidade das estruturas empresariais transnacionais e com a dinâmica própria das crises empresariais contemporâneas.

A situação tornou-se ainda mais sensível a partir da revogação do CPC de 1939 pela Lei nº 5.869/1973, **uma vez que o ordenamento brasileiro passou a conviver com verdadeira lacuna normativa específica quanto à insolvência transnacional**. Entre a vigência do Decreto-Lei nº 7.661/1945 e a promulgação da Lei nº 11.101/2005, inexistiram disposições estruturadas sobre reconhecimento de processos estrangeiros, coordenação entre jurisdições ou mecanismos próprios de cooperação concursal internacional.

Mesmo com a entrada em vigor da Lei nº 11.101/2005, a disciplina originária manteve abordagem essencialmente territorialista, **limitando-se a definir a competência do juízo brasileiro para apreciação de casos envolvendo filiais nacionais de empresas estrangeiras e bens situados no Brasil.** Não foram estabelecidas regras específicas para lidar com insolvências envolvendo grupos empresariais multinacionais, tampouco instrumentos voltados à coordenação entre processos concorrentes instaurados em diferentes países.

Como consequência, **o direito brasileiro permaneceu, por décadas, sem arcabouço normativo adequado para enfrentar situações de crise empresarial com múltiplas jurisdições envolvidas**, convivendo com um prolongado vácuo regulatório na matéria. Na prática, isso significava que os instrumentos disponíveis para cooperação internacional eram aqueles previstos genericamente no sistema processual civil, notadamente a carta rogatória, a homologação de sentença estrangeira e os pedidos formais de auxílio direto.

Esses mecanismos, concebidos para hipóteses pontuais de reconhecimento de decisões estrangeiras, mostravam-se pouco adequados à realidade dinâmica dos processos concursais. A **dependência de trâmites diplomáticos, de controles formais de admissibilidade e da atuação de autoridades intermediárias frequentemente resultava em significativa**

morosidade, incompatível com a necessidade de respostas rápidas que caracterizam os processos de recuperação e falência.

Além disso, a ausência de instrumentos específicos de cooperação concursal **dificultava a coordenação entre procedimentos paralelos relativos ao mesmo grupo econômico**. Cada jurisdição tendia a atuar de forma autônoma, o que aumentava o risco de decisões contraditórias, de constrições patrimoniais sobrepostas, de tratamento desigual de credores e de incerteza quanto ao alcance territorial das medidas adotadas. Esse quadro gerava custos adicionais, insegurança jurídica e redução da eficiência do sistema de insolvência.

Destarte, foi apenas com a reforma promovida pela Lei nº 14.112/2020 que o ordenamento brasileiro passou a dispor de disciplina estruturada sobre insolvência transnacional, incorporando mecanismos específicos de cooperação jurisdicional internacional, reconhecimento de processos estrangeiros e comunicação direta entre autoridades judiciais, atualmente previstos nos arts. 167-A e seguintes da Lei nº 11.101/2005.

A nova sistemática rompeu com o modelo exclusivamente formal e territorialista, **passando a admitir atuação cooperativa entre jurisdições e a privilegiar a análise funcional da estrutura econômica do devedor ou do grupo empresarial**.

Essa evolução normativa é particularmente relevante para casos envolvendo grupos empresariais com atuação internacional, como ocorre na presente recuperação judicial. A moderna disciplina da insolvência transnacional parte do pressuposto de que **a existência de procedimentos concorrentes em diferentes países não constitui, por si só, fator de incompatibilidade, devendo ser enfrentada mediante mecanismos de cooperação institucional** e análise técnica da realidade econômica do grupo, **sempre orientada pela preservação do valor da empresa e pela proteção do interesse coletivo dos credores.**

Nesse contexto, a eventual tramitação de **procedimento estrangeiro envolvendo sociedade integrante do Grupo Ambipar deve ser compreendida à luz dessa evolução histórica e normativa**, não como obstáculo automático à jurisdição nacional ou à adoção das medidas previstas na Lei nº 11.101/2005, mas como circunstância que demanda avaliação técnica da estrutura do grupo e, quando necessário, utilização dos instrumentos legais de cooperação internacional hoje expressamente admitidos pelo ordenamento brasileiro.

No cenário atual da insolvência transnacional, a cooperação entre jurisdições deixou de constituir mera faculdade para se tornar **elemento estrutural do tratamento eficiente de crises empresariais** envolvendo grupos com atuação internacional. Nesse contexto, destaca-se a atuação da Judicial *Insolvency Network* (JIN), organização internacional formada por magistrados e tribunais especializados em insolvência, dedicada ao desenvolvimento de boas práticas voltadas à coordenação de processos concorrentes instaurados em diferentes países.

Com esse objetivo, a JIN elaborou as *Guidelines for Communication and Cooperation Between Courts in Cross-Border Insolvency Matters*, conhecidas como JIN Guidelines, conjunto de diretrizes destinadas a orientar a comunicação direta entre juízos, a cooperação entre administradores e a adoção de mecanismos processuais aptos a conferir maior eficiência, previsibilidade e coerência ao tratamento de insolvências transnacionais.

As diretrizes partem da premissa de que processos envolvendo o mesmo devedor ou grupo empresarial podem tramitar simultaneamente em múltiplas jurisdições, **sendo essencial estabelecer instrumentos que permitam a coordenação funcional dessas atuações, sem prejuízo da soberania decisória de cada tribunal**. Nesse sentido, recomenda-se que juízes e administradores judiciais promovam cooperação ativa em todos os aspectos relevantes do caso, inclusive

mediante troca de informações, compartilhamento de documentos processuais e definição de protocolos específicos de coordenação.

Entre os **mecanismos incentivados pelas JIN Guidelines destaca-se a possibilidade de comunicação direta entre magistrados**, inclusive por meios eletrônicos, bem como o envio recíproco de decisões, transcrições e documentos processuais relevantes. Prevê-se, ainda, a realização de audiências conjuntas, nas quais cada juiz mantém jurisdição exclusiva sobre o respectivo processo, mas atua de forma coordenada para assegurar compreensão integrada da situação econômica do devedor e dos impactos das decisões adotadas em cada país.

Essas audiências podem contar com participação simultânea das partes e de seus representantes, utilização de sistemas audiovisuais adequados e definição prévia de regras procedimentais, sempre com observância do contraditório, da transparência e da confidencialidade das informações. O objetivo não é uniformizar jurisdições, mas evitar decisões conflitantes, reduzir custos processuais e maximizar o valor dos ativos envolvidos.

A relevância dessas diretrizes é evidenciada por sua ampla adoção por tribunais especializados em insolvência ao redor do mundo, incluindo cortes norte-americanas, britânicas, canadenses, australianas e asiáticas, **além de sua incorporação ao sistema brasileiro por meio da Resolução CNJ nº 394/2021**. Tal incorporação reforça a compatibilidade das *JIN Guidelines* com o regime introduzido pela Lei nº 14.112/2020, que passou a prever expressamente a cooperação direta entre juízos e representantes estrangeiros nos arts. 167-A e seguintes da Lei nº 11.101/2005.

Desse modo, as *JIN Guidelines* não constituem instrumento estranho ao direito brasileiro, mas parâmetro interpretativo relevante para a aplicação das normas de insolvência transnacional atualmente vigentes, evidenciando que a coexistência de procedimentos em diferentes países deve ser enfrentada por meio de

cooperação institucional e análise técnica da realidade econômica do grupo, e não mediante presunções de conflito jurisdicional.

Aplicada ao caso concreto, **essa lógica reforça que a eventual existência de procedimento estrangeiro envolvendo sociedade do Grupo Ambipar não implica limitação automática da jurisdição nacional**, mas apenas demanda avaliação técnica da necessidade — ou não — de cooperação entre autoridades, sempre sob o controle deste Juízo e dentro dos limites estabelecidos pela legislação brasileira.

Ainda sobre o tópico da insolvência transnacional, cumpre destacar a relevância da Comissão das Nações Unidas para o Direito Comercial Internacional (UNCITRAL), que foi instituída pela Assembleia Geral da ONU em 1966 (Resolução 2205/XXI), com o mandato específico de promover a harmonização e a unificação progressiva das normas de comércio internacional, mediante a **redução das disparidades entre legislações nacionais que representam obstáculos ao fluxo regular de negócios entre os Estados.**

No âmbito de sua atuação em matéria de insolvência, o Grupo de Trabalho V (*Working Group V – Insolvency Law*), responsável pelo estudo da insolvência transnacional, editou em 1997 a Lei Modelo sobre Insolvência Transnacional (*UNCITRAL Model Law on Cross-Border Insolvency*).

Tida como verdadeira *soft law*, vale dizer, texto legislativo de caráter referencial, é destinada a orientar os Poderes Legislativo e Judiciário dos Estados no tratamento da insolvência com elementos *cross border*, sem impor unificação substantiva dos regimes nacionais, mas **oferecendo padrões mínimos de cooperação e coordenação entre jurisdições**. Sua inspiração normativa remonta à antiga *Section 304* do *Bankruptcy Code* dos Estados Unidos e aos Protocolos de

Cooperação já então praticados em casos emblemáticos como *Maxwell Communication Corp.* e *Lehman Brothers*.[38]

A Lei Modelo promove cinco objetivos principais, reproduzidos no ordenamento brasileiro pelo art. 167-A da Lei nº 11.101/2005: (i) autorizar e estimular a cooperação e a coordenação entre jurisdições; (ii) incentivar a administração equitativa e eficiente das insolvências internacionais, com proteção dos interesses de todos os credores e demais partes envolvidas, inclusive do devedor; (iii) promover a proteção e a maximização do valor dos bens do devedor; (iv) assegurar maior segurança jurídica para o comércio internacional e para os investimentos; e (v) viabilizar a recuperação de sociedades em dificuldade, preservando investimentos e empregos.

Para a consecução desses objetivos, a Lei Modelo se estrutura em quatro pilares instrumentais: a cooperação e a coordenação entre tribunais de diferentes países; o acesso dos representantes e credores estrangeiros aos procedimentos em trâmite perante diferentes jurisdições; o reconhecimento de processos estrangeiros — dispensando, para tanto, o juízo de delibação tradicional; e a concessão de medidas de assistência pelo tribunal local, em caráter liminar ou após o reconhecimento do processo estrangeiro.[39]

A diretriz introduz classificação fundamental dos processos estrangeiros, distinguindo entre processo principal e processo não principal. O processo estrangeiro será classificado como principal quando aberto no país onde o devedor possua o centro de seus principais interesses (*Centre of Main Interests* — COMI), conceito que opera como critério determinante da competência jurisdicional para a

condução do procedimento concursal de maior relevância. O processo não principal, por sua vez, corresponde ao procedimento instaurado no local em que o devedor possua estabelecimento.

Nos termos do art. 167-I, III, da Lei nº 11.101/2005, presume-se que o centro de interesses principais do devedor, no caso de sociedades, situa-se no país da sede estatutária, salvo prova em contrário.

A Lei Modelo foi incorporada por sessenta e dois Estados em sessenta e cinco jurisdições distintas, segundo dados atualizados da UNCITRAL, abrangendo as maiores economias do mundo, com adesões recentes em 2025 de Belize e Malásia.[40]

Entre os países que adotaram o instrumento destacam-se os Estados Unidos (*Chapter 15* do *Bankruptcy Code*, 2005), o Canadá, o Reino Unido, a Austrália, o Japão, a Colômbia, o Chile, o México, Singapura e a Grécia, além dos vinte e sete Estados-Membros da União Europeia, abrangidos pelo Regulamento (UE) 848/2015. O Brasil, com a promulgação da Lei nº 14.112/2020, tornou-se o 49º país a adotar as regras da UNCITRAL, incorporando o Capítulo VI-A à Lei nº 11.101/2005 (arts. 167-A a 167-Y), com vigência a partir de 23 de janeiro de 2021.[41]

A regulamentação foi complementada pela Resolução CNJ nº 394/2021, que instituiu regras específicas de cooperação e comunicação direta entre juízos brasileiros e estrangeiros em matéria de insolvência transnacional, em consonância com as diretrizes do *Judicial Insolvency Network* (JIN). Essa adesão insere o Brasil no rol das legislações mais desenvolvidas do mundo em matéria de insolvência

transfronteiós, conferindo previsibilidade aos investidores estrangeiros e contribuindo para o avanço do país no cenário internacional.[42]

No caso concreto do Grupo Ambipar, a aplicação desse arcabouço normativo revela-se particularmente pertinente. Conforme demonstrado nos autos e corroborado pelas diligências realizadas por esta Administração Judicial Conjunta, o centro dos principais interesses do Grupo encontra-se no Brasil, notadamente no Rio de Janeiro, onde se localizam a sede da controladora, a governança centralizada, a gestão operacional integrada das frentes *Environment* e *Response*, e a maior concentração de ativos e credores do grupo.

A fixação do COMI no Brasil é, portanto, consistente com os critérios da Lei Modelo da UNCITRAL e com a presunção do art. 167-I, III, da Lei nº 11.101/2005, e assegura que eventual necessidade de coordenação com procedimentos em outras jurisdições seja conduzida mediante os instrumentos de cooperação direta previstos nos arts. 167-P e 167-Q, sem que se exija o recurso a mecanismos tradicionais de homologação de sentença estrangeira ou carta rogatória.[43]

O sistema da UNCITRAL em matéria de insolvência não se limita ao instrumento de 1997. Complementando a Lei Modelo de Insolvência Transnacional, a UNCITRAL adotou em 2019 a Lei Modelo sobre Insolvência de Grupos Empresariais (*UNCITRAL Model Law on Enterprise Group Insolvency* — MLEGI), voltada especificamente à coordenação de procedimentos concursais envolvendo múltiplos devedores integrantes de um mesmo grupo. Esse instrumento introduz o mecanismo do *planning proceeding*, que permite a um representante de insolvência designado conduzir, com caráter principal, a coordenação da reestruturação do grupo,

assegurando a participação voluntária das entidades membros e a cooperação entre os diferentes representantes e tribunais envolvidos.[44]

Cumpre destacar, ainda, que o regime brasileiro de insolvência transnacional **consagra expressamente o princípio da isonomia entre credores nacionais e estrangeiros. Nos termos do art. 167-G da Lei nº 11.101/2005**, introduzido pela Lei nº 14.112/2020, os credores estrangeiros possuem os mesmos direitos conferidos aos credores nacionais nos processos de recuperação judicial, extrajudicial e falência, devendo receber idêntico tratamento, observada exclusivamente a ordem legal de classificação dos créditos.

O dispositivo veda, de forma explícita, qualquer discriminação fundada na nacionalidade do credor ou na localização de sua sede, estabelecimento, residência ou domicílio, reafirmando a orientação do sistema brasileiro no sentido da neutralidade territorial quanto à titularidade dos créditos.

Essa previsão normativa reforça que a participação de credores estrangeiros ou a existência de procedimentos paralelos no exterior não constitui elemento apto, considerada isoladamente, a alterar a condução do processo nacional nem a justificar tratamento diferenciado no âmbito da recuperação judicial.

Ao contrário, o regime instituído pela Lei nº 11.101/2005, especialmente após as alterações promovidas pela Lei nº 14.112/2020, **orienta-se pela neutralidade territorial e pela igualdade material entre credores**, de modo que eventuais repercussões decorrentes da presença de elementos transnacionais devem ser examinadas sob critérios técnicos, econômicos e processuais concretos, sempre em consonância com os princípios da preservação da empresa, da paridade

entre credores e da eficiência do procedimento recuperacional, e não em distinções de nacionalidade ou localização.

Isso não significa, contudo, que as questões suscitadas pelos credores do Grupo Ambipar sejam irrelevantes sob o prisma econômico e concursal. Ainda que inexista litispendência internacional, **podem surgir repercussões práticas relacionadas à coordenação de medidas sobre ativos**, ao tratamento de garantias e coobrigações, à eventual compatibilidade material entre planos apresentados em diferentes jurisdições e à preservação das expectativas legítimas de credores que tenham estruturado suas operações com base em determinado perímetro patrimonial ou em garantias específicas.

Caso alguma das hipóteses suscitadas pelos credores bondholders venha a se concretizar – trabalhando no campo da hipótese -, o ordenamento jurídico brasileiro dispõe de instrumentos específicos aptos a viabilizar a coordenação entre juízos de diferentes países, especialmente no âmbito dos processos de insolvência transnacional, de modo a **mitigar riscos de decisões conflitantes, sobreposição de constrições patrimoniais ou tratamento assimétrico de ativos e garantias.**

Não obstante a pertinência desses pontos, importa destacar que tais discussões não substituem a análise jurídica exigida pela Lei nº 11.101/2005 para fins de consolidação substancial.

Desse modo, a orientação extraída do pronunciamento do Ministério Público no caso concreto, em consonância com as decisões acima destacadas, autoriza concluir que a coexistência de procedimentos concursais em jurisdições distintas, **por si só, não constitui óbice processual ao exame da consolidação substancial no presente feito.**

Assim, sem prejuízo do reconhecimento da compatibilidade jurídica entre procedimentos concursais paralelos, **cumpre à Administração Judicial Conjunta prosseguir na análise técnica dos requisitos legais da consolidação substancial à luz da realidade econômica do Grupo Ambipar**, enfrentando as alegações das partes na exata medida em que repercutam sobre a demonstração concreta de interconexão de ativos e passivos, sobre a extensão das garantias e vínculos financeiros existentes e sobre o grau de viabilidade prática de individualização patrimonial, em consonância com o disposto no art. 69-J da Lei nº 11.101/2005.

Portanto, após a análise de pontos específicos levantados nos autos, passa-se agora às respostas aos questionamentos formulados pelo MPRJ.

DA IDENTIFICAÇÃO DOS RAMOS ECONÔMICOS E DA AFINIDADE POR PONTO COMUM DE FATO OU DE DIREITO

Em atendimento ao questionamento acerca da eventual existência de afinidade econômica entre as 74 (setenta e quatro) sociedades requerentes — compreendida como a atuação no mesmo ramo econômico ou a existência de afinidade por ponto comum de fato ou de direito — procedeu-se à análise individualizada das atividades desenvolvidas por cada pessoa jurídica, à luz das informações societárias e operacionais constantes dos anexos (DOC. 1 – PERGUNTAS À RECUPERANDA; DOC. 2 – RESPOSTAS DA RECUPERANDA; DOC. 3 - DEMONSTRAÇÕES DE SEGUIMENTOS), bem como as diligências presenciais realizadas até a presente data, onde a Administração Judicial Conjunta irá desenvolver em capítulo próprio.

A análise demonstra que as requerentes não exercem atividades idênticas ou indistintas. Ao contrário, estruturam-se em **núcleos econômicos organizados por verticais de negócios**, com clara divisão funcional, integração operacional e complementaridade técnica.

As sociedades distribuem-se, essencialmente, em três grandes eixos:

- ***Vertical Environment*** – Gestão, tratamento, valorização e transformação de resíduos;
- ***Vertical Response*** – Atendimento a emergências ambientais e industriais, com atuação multimodal;
- ***Holdings* e sociedades complementares** – Estruturas de controle, investimento e suporte estratégico.

Conforme ilustrado no material demonstrativo (Doc. 3), verifica-se integração operacional estruturada, com compartilhamento de ativos, bases operacionais, equipes técnicas e infraestrutura logística.

VERTICAL ENVIRONMENT

A Vertical Environment concentra as atividades relacionadas à **gestão total de resíduos**, atuando desde a coleta até a transformação em novos insumos, energia ou matéria-prima, conforme o ciclo da economia circular apresentado no anexo técnico. Essa vertical subdivide-se em segmentos especializados.

Environment – Coprocessamento (14 sociedades)

Este núcleo reúne empresas voltadas ao tratamento e valorização energética ou material de resíduos industriais, inclusive perigosos. As atividades incluem: (i) processamento de pneus inservíveis para substituição de coque em fornos industriais; (ii) tratamento e destinação de resíduos industriais classe i e ii; (iii) Waste-to-Energy; (iv) sistemas de tratamento de água e efluentes; (v) soluções ambientais integradas inseridas na cadeia produtiva dos clientes; (vi) consultoria técnica em esg, compliance e gestão de riscos ambientais; (vii) logística especializada no transporte de produtos químicos e; (viii) fornecimento de mão de obra técnica especializada.

O coprocessamento, conforme demonstrado no ciclo produtivo constante do anexo, integra resíduos perigosos ao processo industrial, gerando energia, insumos ou reaproveitamento térmico.

Há identidade funcional interna — todas operam na valorização e tratamento técnico de resíduos — mas não há identidade com os demais segmentos da vertical, pois cada bloco atua em fase distinta do ciclo econômico.

Corresponde à operação de central integrada de valorização e disposição final de resíduos. Inclui: (i) células de tratamento e disposição final; (ii) unidade de autoclave; (iii) usina de triagem; (iv) armazenamento de efluentes e; (v) blendagem. É estrutura física essencial para o ciclo produtivo da vertical.

Ambipar Environmental Ecoparque S.A.	53.172.475/0001-21

Environment – Circular Economy (15 sociedades)

Núcleo voltado à transformação de resíduos em novos produtos e matérias-primas. Abrange: (i) reciclagem de plástico; (ii) reciclagem de vidro; (iii) reciclagem de metais não ferrosos; (iv) mineração urbana de eletroeletrônicos; (v) produção de embalagens; (vi) sistemas de logística reversa; (vii) reverse manufacturing; (viii) programas de fidelização vinculados à reciclagem.

Conforme demonstrado graficamente no anexo (fluxo de plásticos, vidros, metais e líquidos), o segmento atua na etapa de “Extrusão”, “Fundição”, “Forno”, “Créditos de Reciclagem” e geração de matéria-prima secundária.

Há, portanto, identidade técnica interna, mas distinção clara em relação ao coprocessamento e à gestão primária de resíduos.

Vertical Response

A Vertical Response concentra as operações de gestão de crises e atendimento a emergências ambientais e industriais, com atuação multimodal.

O material demonstrativo destaca a integração entre Response e Environment, especialmente no reaproveitamento de insumos e no compartilhamento de estruturas. Divide-se nos seguintes segmentos:

Emergência Rodoviária (2 sociedades)

Atendimento a acidentes envolvendo produtos perigosos e poluentes em rodovias. Inclui: (i) contenção; (ii) neutralização; (iii) remoção; (iv) gerenciamento de crise.

HOLDINGS E SOCIEDADES COMPLEMENTARES

As sociedades classificadas como holdings desempenham funções de coordenação societária, estratégica e financeira do grupo, sem atuação operacional direta nas atividades-fim das verticais *Environment* e *Response*.

Exercem, essencialmente: (i) participação societária e controle acionário das empresas operacionais; (ii) consolidação financeira e patrimonial; (iii) definição de diretrizes estratégicas; (iv) estruturação de investimentos e reorganizações societárias; e (v) gestão corporativa centralizada.

Por sua natureza, tais sociedades não executam atividades técnicas de campo, atuando como estruturas de governança e organização do grupo econômico.

Já as sociedades classificadas como complementares, embora não integrem diretamente as verticais operacionais principais, mantêm vínculo societário comum e desenvolvem atividades acessórias ou sinérgicas ao ecossistema

empresarial, sem, contudo, exercer identidade material com os ramos técnicos de *Environment* ou *Response*.

Holding — Complementar (2)	
Cricare Praia Hotel Ltda	17.855.660/0001-57
Nutrigás S/A	39.793.260/0001-79

No que se refere à sociedade **Cricare Praia Hotel Ltda**, inscrita no CNPJ sob nº 17.855.660/0001-57, observa-se que sua atividade econômica — exploração de empreendimento hoteleiro — apresenta **natureza substancialmente distinta** das atividades desenvolvidas pelas demais pessoas jurídicas integrantes do perímetro analisado.

Diferentemente das sociedades inseridas nas verticais Environment e Response, cuja atuação revela identidade funcional interna, complementaridade técnica e integração operacional estruturada ao longo de cadeia produtiva ambiental verticalizada, a referida sociedade atua em setor econômico autônomo, regido por

lógica mercadológica própria, inserido no segmento de hospitalidade e serviços turísticos.

A análise da documentação disponibilizada até o momento **não permite identificar elementos objetivos que demonstrem integração operacional, interdependência produtiva ou sinergia técnica entre a atividade hoteleira e o ciclo ambiental descrito nos autos. Não se constatou compartilhamento estruturado de ativos operacionais estratégicos, utilização comum de infraestrutura técnica especializada, inserção no fluxo produtivo ambiental, nem participação funcional na cadeia que compreende coleta, tratamento, valorização, resposta emergencial e remediação ambiental**.

A atividade desenvolvida pela Cricare Praia Hotel Ltda não se conecta, sob o prisma técnico-operacional, às etapas do ciclo produtivo ambiental que caracteriza o grupo econômico analisado.

Embora formalmente classificada como “holding complementar”, não se evidenciou, até o presente momento, que a referida pessoa jurídica exerça função típica de holding, seja sob a perspectiva de coordenação societária, centralização financeira, controle estratégico ou estruturação de investimentos.

Tampouco foram apresentados elementos que indiquem atuação instrumental ou acessória voltada ao suporte direto das atividades-fim ambientais. A natureza de sua operação revela-se empresarialmente autônoma, com estrutura de receitas, custos e riscos próprios do setor hoteleiro, sem demonstração concreta de dependência econômica ou funcional em relação às demais sociedades requerentes.

A singularidade de seu objeto social e a ausência de demonstração de integração estrutural diferenciam-na das demais sociedades complementares incluídas no perímetro, as quais, ainda que não executem diretamente atividades ambientais de campo, mantêm vínculo societário acompanhado de possível sinergia estratégica ou financeira com o ecossistema empresarial ambiental.

No caso da Cricare Praia Hotel Ltda, contudo, não se vislumbra, com base nos elementos até agora apresentados, ponto comum de fato ou de direito que a integre organicamente à lógica empresarial ambiental que fundamenta a alegada unidade operacional coordenada.

A simples existência de vínculo societário comum não se mostra suficiente, por si só, para caracterizar grupo econômico com identidade operacional ou afinidade econômica apta a justificar tratamento conjunto no âmbito do regime recuperacional, especialmente quando ausente demonstração de interdependência produtiva, compartilhamento relevante de ativos ou integração funcional.

A inclusão da referida sociedade no mesmo perímetro das demais requerentes, sem a correspondente demonstração de conexão estrutural, suscita questionamento quanto à efetiva caracterização de afinidade econômica ou de ponto comum de fato que legitime sua inserção no contexto descrito.

Diante desse cenário, esta Administração Judicial Conjunta entende necessária a **prestação de esclarecimentos específicos por parte do Grupo acerca dos fundamentos jurídicos e econômicos que justificariam a inclusão da Cricare Praia Hotel Ltda no conjunto das sociedades submetidas ao mesmo regime,** especialmente no que se refere à eventual interdependência financeira, compartilhamento de garantias, integração de fluxo de caixa, estrutura administrativa

comum ou função instrumental efetivamente desempenhada em favor das atividades ambientais.

Tal esclarecimento revela-se **imprescindível** para adequada delimitação do grupo econômico em recuperação, à luz dos critérios de afinidade econômica e ponto comum de fato ou de direito analisados no presente capítulo.

Já no contexto global da análise empreendida, o conjunto documental examinado por esta Administração Judicial Conjunta evidencia a presença de sinergia estrutural consistente entre as sociedades, afastando a hipótese de atuação isolada ou meramente paralela. Os elementos técnicos e operacionais **indicam a existência de articulação funcional coordenada, inserida em uma lógica empresarial unificada, na qual as pessoas jurídicas atuam de forma integrada, com interdependência operacional e alinhamento estratégico dentro de um mesmo ecossistema econômico.**

Observa-se o compartilhamento de bases operacionais estratégicas, a utilização comum de frota e equipamentos especializados, o uso integrado de infraestrutura portuária e aeroportuária, bem como a atuação conjunta de equipes técnicas multidisciplinares. Verifica-se, ainda, a integração direta entre as operações de emergência desenvolvidas pela Vertical Response e as atividades de tratamento e destinação final conduzidas pela vertical Environment, formando um fluxo operacional contínuo.

Conforme indicado no quadro “Empresas Ambipar | Ativos e Bases Compartilhadas”, constante da Demonstração dos Segmentos de Negócios – Perímetro Recuperandas, há compartilhamento estruturado de bases operacionais,

equipamentos de emergência, infraestrutura industrial e recursos humanos especializados.

Essa dinâmica evidencia ponto comum de fato, decorrente da atuação coordenada dentro de um mesmo ecossistema empresarial ambiental, no qual as atividades se complementam técnica e operacionalmente.

No que se refere à afinidade econômica, a análise demonstra que não há identidade absoluta de objeto social entre todas as sociedades, uma vez que cada núcleo exerce funções específicas e tecnicamente delimitadas. Todavia, verifica-se identidade funcional interna dentro de cada bloco econômico, complementaridade técnica entre as verticais, integração operacional estruturada e compartilhamento relevante de ativos e infraestrutura.

O próprio ciclo produtivo revela interdependência econômica entre as etapas de coleta, tratamento, valorização, resposta emergencial e remediação ambiental. Assim, constata-se a existência de afinidade econômica no âmbito de cada segmento, bem como afinidade por ponto comum de fato entre as verticais, caracterizando uma integração estrutural que configura unidade operacional coordenada, ainda que não haja atuação indistinta ou indiferenciada entre todos os CNPJs.

A estrutura analisada revela, portanto, um grupo econômico verticalizado, integrado por cadeia produtiva ambiental completa, organizado em núcleos especializados que operam de maneira complementar e interdependente.

DA INDIVIDUALIZAÇÃO DOS ATIVOS E PASSIVOS E DA INEXISTÊNCIA DE CONFUSÃO PATRIMONIAL ABSOLUTA ENTRE TODAS AS RECUPERANDAS

Em atenção às indagações formuladas pelo Ministério Público acerca: (i) **quais das pessoas jurídicas requerentes possuem passivos ou ativos em comum**; (ii) se há alguma **dificuldade para individualização dos ativos e dos passivos** de cada uma das requerentes; e (iii) da existência de **efetiva confusão de ativos e passivos entre as requerentes**, em grau tal que **dificulte ou inviabilize a identificação da titularidade patrimonial sem excessivo dispêndio de tempo ou de recursos**. Impõe-se proceder à análise técnica dos elementos constantes dos autos, especialmente daqueles que integram o Anexo 3 e o Quadro Geral de Credores combinado.

A documentação revela a presença de **interdependência financeira intensa**, contínua **e estrutural** entre as sociedades recuperandas, sobretudo em razão do expressivo volume de **créditos *intercompany***, que, conforme apurado nas primeiras 523 (quinhentas e vinte e três) linhas do Anexo 3, totalizam aproximadamente **R$ 10.719.350.000,00** (dez bilhões, setecentos e dezenove milhões, trezentos e cinquenta mil reais).

Tais créditos decorrem de relações obrigacionais internas recorrentes, nas quais uma sociedade figura como credora e outra como devedora, gerando ativos e passivos cruzados entre distintos CNPJs de forma sistemática.

A magnitude e a recorrência desses lançamentos evidenciam que tais relações **não são episódicas ou residuais**, mas integram a própria lógica operacional e financeira do grupo, funcionando como mecanismo permanente de financiamento interno das atividades empresariais.

Soma-se a esse cenário a existência de **garantias cruzadas e avais** prestados entre as recuperandas, cujo montante consolidado atinge

aproximadamente **R$ 18.635.070.000,00** (dezoito bilhões, seiscentos e trinta e cinco milhões e setenta mil reais).

A utilização reiterada de **garantias recíprocas e cláusulas de *cross-default*** projeta os efeitos do inadimplemento de uma sociedade sobre todas as demais, promovendo verdadeira comunhão de riscos e esvaziando, na prática, a autonomia econômica dos patrimônios individualmente considerados.

Embora subsista, sob o aspecto formal, a autonomia jurídica das sociedades, a realidade econômico-financeira demonstrada nos autos revela elevado grau de **integração patrimonial, operacional e financeira**, incompatível com uma análise fragmentada que considere cada sociedade como unidade isolada de risco e solvência.

Também se verifica a adoção de centralização de caixa (*cash pooling*), com repasses frequentes de recursos entre as sociedades, uso compartilhado de ativos operacionais e faturamentos realizados por diferentes CNPJs dentro de uma mesma cadeia produtiva.

Ainda que existam controles internos — como registros contábeis individualizados e emissão de notas de débito — a reconstituição fiel desses fluxos exige elevado grau de especialização técnica, reconciliações constantes e significativo dispêndio de tempo e recursos, o que **eleva substancialmente os custos de transação do procedimento recuperacional**.

A própria necessidade de eliminação dos saldos *intercompany* para a elaboração do Quadro Geral de Credores combinado evidencia que os patrimônios estão profundamente entrelaçados. A manutenção de quadros individualizados, sem tais eliminações, não apenas distorce a real exposição econômica do grupo, como também inflaciona artificialmente o passivo global, comprometendo a racionalidade do processo e a adequada tomada de decisão pelos credores.

A análise comparativa dos valores evidencia, de forma objetiva, o impacto material da consolidação substancial. Considerando o Quadro Geral de Credores com as eliminações próprias da consolidação substancial, o passivo global perfaz aproximadamente R$ **12,37 bilhões**, refletindo de forma mais fidedigna a realidade econômico-financeira consolidada do grupo.

Em contrapartida, a soma dos QGCs individuais sem eliminações eleva o passivo a cerca de R$ **41,73 bilhões** (quarenta e um bilhões, setecentos e trinta milhões de reais), resultado da sobreposição de garantias cruzadas e créditos intercompany que, na prática, representam obrigações internas já absorvidas pela estrutura integrada do grupo.

Essa discrepância numérica demonstra que a ausência de consolidação substancial conduz a uma leitura artificialmente inflada do passivo, com potencial de desorganizar a negociação coletiva, comprometer a viabilidade do plano de recuperação e reduzir o valor econômico disponível aos credores.

Nesse contexto, na opinião técnica desta Administração Judicial Conjunta, a consolidação substancial revela-se não apenas juridicamente admissível, mas tecnicamente necessária e economicamente eficiente. Trata-se de medida essencial para reduzir custos de transação, evitar duplicidades, racionalizar a verificação dos créditos, conferir transparência ao passivo efetivo e maximizar o valor dos ativos, criando condições reais para a preservação da atividade empresarial e o soerguimento do grupo como unidade econômica integrada.

A manutenção de análises estritamente individualizadas, diante do grau de **comunhão de direitos, obrigações e riscos evidenciado nos autos**, demandaria dispêndio desproporcional de tempo e recursos, sem ganho correspondente em termos de clareza, eficiência ou justiça distributiva, além de comprometer a finalidade maior da recuperação judicial.

À luz dos elementos até então constantes dos autos, a consolidação substancial **desponta como mecanismo juridicamente relevante e potencialmente adequado** para refletir, com maior fidelidade, a realidade econômico-financeira do grupo, **favorecer o tratamento isonômico dos credores**, contribuir para a preservação da função social da empresa e **viabilizar a racionalização e a maximização do valor dos ativos**, em consonância com os princípios que informam a Lei nº 11.101/2005 e com as diretrizes do sistema recuperacional.

A EVIDÊNCIA DE HIPÓTESES PREVISTAS NOS INCISOS DO ART. 69-J DA LEI Nº 11.101/2005

No que se refere ao quesito formulado pelo Ministério Público quanto à verificação, em relação a cada uma das requerentes, da presença de pelo menos duas das hipóteses previstas nos incisos do art. 69-J da Lei nº 11.101/2005, impõe-se resposta técnica, sistemática e prudente, construída a partir dos elementos documentais constantes dos autos, das demonstrações financeiras consolidadas, bem como das diligências presenciais realizadas pela Administração Judicial Conjunta.

A documentação contábil e financeira evidencia que o grupo econômico apresenta **elevado grau de interdependência financeira estrutural**, destacando-se, de forma objetiva: **(i)** créditos *intercompany* que totalizam aproximadamente R$ 10.719.350.000,00, conforme identificado nas primeiras 523 linhas do Anexo 3; **(ii)** garantias cruzadas e avais recíprocos cujo montante consolidado atinge cerca de R$ 18.635.070.000,00; **(iii)** adoção de centralização de caixa (*cash pooling*), com pagamentos cruzados de obrigações; **(iv)** utilização recorrente de garantias recíprocas e cláusulas de *cross-default*; e **(v)** governança corporativa centralizada sob coordenação das *holdings*.

Esses elementos dialogam diretamente com os incisos do art. 69-J, notadamente no que se refere à existência de garantias cruzadas relevantes, relação de controle ou dependência e interconexão entre ativos e passivos.

Todavia, a análise não se esgota na dimensão financeira.

As diligências presenciais realizadas nas diversas unidades operacionais do grupo — descritas de forma detalhada no parecer técnico — evidenciaram que a estrutura societária formal não corresponde, necessariamente, à segmentação econômica do processo produtivo. Observou-se, de forma reiterada: **(i)** circulação interna de insumos entre plantas industriais; **(ii)** compartilhamento de infraestrutura crítica (hangar, bases marítimas, centros industriais, centros de treinamento, hubs logísticos); **(iii)** utilização transversal de ativos estratégicos entre diferentes CNPJs; **(iv)** execução integrada de contratos que envolvem múltiplas verticais (*Environment* e *Response*); e **(v)** coordenação decisória centralizada.

É esse cenário que permite, inclusive, que o grupo recuperando preste os serviços da área de Response de forma integrada e eficaz - graças ao compartilhamento da logística e equipamentos em nível nacional - reforçando a credibilidade percebida pelos contratantes do Grupo Ambipar.

Em especial, as visitas às unidades de reciclagem (Itu/SP, Santa Bárbara d'Oeste/SP, Juazeiro/CE), às plantas industriais (Curitiba/PR, Jaboatão/PE), às bases Marine e Industrial (Niterói/RJ, Porto do Açu/RJ), bem como ao centro de comando operacional (CENPES/RJ), revelaram **cadeia produtiva verticalizada e funcionalmente indivisível**, na qual bens, materiais, equipamentos e serviços transitam entre sociedades como etapas sucessivas de um mesmo circuito operacional.

Esse conjunto probatório evidencia, em tese, a presença do requisito do caput do art. 69-J — interconexão e eventual confusão entre ativos e passivos — na

medida em que a individualização plena das titularidades patrimoniais, em determinados contextos, exigiria rastreamento minucioso de fluxos operacionais e financeiros, com dispêndio **significativo de tempo e recursos**.

Adicionalmente, encontram-se presentes, no plano sistêmico do grupo, ao menos dois dos critérios previstos nos incisos do art. 69-J, dentre os quais se destacam: **(i)** garantias cruzadas relevantes; **(ii)** identidade societária e direção unitária; **(iii)** atuação conjunta e integrada no mercado; **(iv)** interdependência financeira decorrente de financiamentos estruturados de forma centralizada.

Contudo, cumpre observar que o quesito ministerial exige aferição **individualizada por CNPJ**, isto é, a demonstração de que cada uma das 74 (setenta e quatro) sociedades, isoladamente considerada, preencheria cumulativamente pelo menos dois dos incisos legais.

Embora os elementos constantes dos autos demonstrem que tais características estão presentes no âmbito global do grupo — e, com elevada probabilidade, em relação a diversas sociedades operacionais e financeiras específicas —, a documentação apresentada até o momento encontra-se, em grande parte, estruturada de forma consolidada.

Não se extrai, portanto, de maneira automática e uniforme, a comprovação individual exaustiva de que **todas as 74 (setenta e quatro) sociedades, indistintamente, preenchem cumulativamente ao menos dois dos incisos do art. 69-J**.

A aferição estritamente individual demanda cruzamento técnico detalhado entre: contratos financeiros e respectivos instrumentos de garantia; registros contábeis de créditos *intercompany* por sociedade; participação concreta de cada requerente nas estruturas de financiamento; posição patrimonial individual antes e

depois das eliminações intercompany; grau de integração operacional constatado nas diligências.

Nesse ponto, impõe-se uma reflexão técnica relevante: a exigência de análise artesanal, individualizada e exaustiva por CNPJ, tal como formulada, aproxima-se de esvaziar o próprio conteúdo normativo do caput do art. 69-J da Lei nº 11.101/2005, especialmente no trecho que condiciona a consolidação substancial à existência de interconexão ou confusão de ativos ou passivos "de modo a inviabilizar a identificação das titularidades sem excessivo dispêndio de tempo ou de recursos".

O legislador, ao inserir expressamente o critério do "excessivo dispêndio de tempo ou de recursos", reconheceu que, em determinados contextos de integração estrutural e complexidade organizacional, a separação estritamente individualizada pode revelar-se tecnicamente possível em tese, mas economicamente irrazoável ou desproporcional sob a ótica do processo recuperacional.

Em outras palavras, o próprio art. 69-J parte da premissa de que há situações em que a reconstrução individualizada e integral das relações patrimoniais entre sociedades de um mesmo grupo implicaria elevado custo financeiro, contábil e processual — custo este que o instituto da consolidação substancial busca precisamente evitar.

A análise pormenorizada e individual de todas as 74 sociedades, nos moldes pretendidos, demandaria auditorias contábeis individualizadas de alta complexidade, reconstrução histórica de fluxos financeiros internos, reprocessamento de eliminações intercompany e reestruturação de demonstrações patrimoniais segregadas, com significativo dispêndio de tempo e recursos técnicos.

Sob perspectiva técnica responsável, não é possível afirmar que tal resposta poderia ser produzida sem relevante dispêndio de tempo e recursos — justamente a hipótese que o legislador pretendeu contemplar ao autorizar a consolidação substancial.

Assim, sob perspectiva técnica responsável e à luz do conjunto probatório já constante nos autos, é possível afirmar que:

1. Há evidências robustas de interdependência financeira estrutural no âmbito do grupo;
2. Há demonstração concreta de garantias cruzadas e circulação interna de recursos;
3. Há integração operacional relevante, com atuação conjunta no mercado;
4. Há indícios de dificuldade prática de segregação plena em determinadas frentes produtivas;
5. Há presença, no plano sistêmico, de múltiplos critérios previstos no art. 69-J.

Dessa forma, preservando-se o rigor técnico, a segurança jurídica e a excepcionalidade do instituto, conclui-se que os elementos constantes dos autos indicam, com elevado grau de plausibilidade, **a presença relevante das hipóteses previstas no art. 69-J no contexto global do grupo econômico, bem como em relação a parcela substancial das recuperandas operacionais e financeiras**.

DAS DILIGÊNCIAS PRESENCIAIS REALIZADAS PELA ADMINISTRAÇÃO JUDICIAL CONJUNTA E DOS ELEMENTOS FÁTICOS RELEVANTES À ANÁLISE DA CONSOLIDAÇÃO SUBSTANCIAL

Na esteira das premissas jurídicas delineadas no Capítulo IV, em especial no que se refere à **natureza excepcional da consolidação substancial**, à

necessidade de interpretação teleológica do art. 69-J da Lei nº 11.101/2005 e à exigência de **comprovação objetiva da interconexão e da confusão entre ativos, passivos e estruturas operacionais**, impõe-se o exame da realidade empírica na qual se insere o grupo econômico em recuperação.

Com efeito, a consolidação substancial, por representar medida de superação estrutural da autonomia patrimonial, **não pode ser aferida a partir de abstrações societárias ou de presunções derivadas unicamente da existência formal de grupo econômico**. Ao contrário, sua análise demanda a verificação concreta de como as sociedades efetivamente operam, interagem e se articulam no plano cotidiano, especialmente no que se refere à **centralização decisória, ao compartilhamento de ativos estratégicos, à atuação conjunta no mercado e à impossibilidade prática de segregação funcional e patrimonial sem dispêndio excessivo de tempo ou recursos**, nos exatos termos exigidos pelo art. 69-J da LRF.

Foi a partir dessa compreensão — e em observância ao papel institucional da **Administração Judicial Conjunta como auxiliar do Juízo** — que se entendeu indispensável a realização de **diligências presenciais extensas e sistemáticas**, consistentes em visitas técnicas, inspeções operacionais e entrevistas conduzidas in loco nas diversas unidades das Recuperandas, distribuídas por diferentes regiões do país, conforme se vê na planilha:

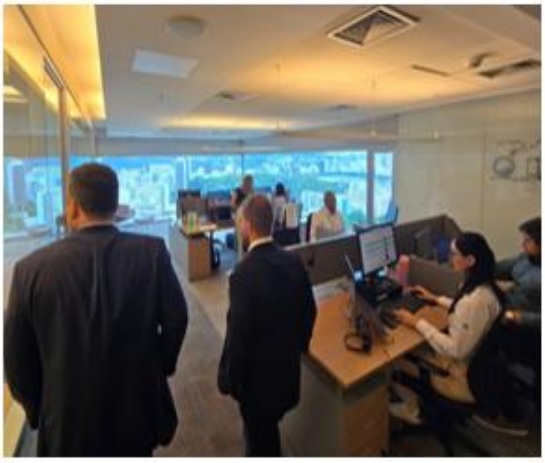
As diligências não tiveram caráter meramente fiscalizatório ou descritivo. Foram concebidas como **instrumento metodológico de apuração empírica**, voltado a identificar, com base em evidências concretas, **o grau de integração funcional entre as pessoas jurídicas**, a lógica real de organização das atividades empresariais, a existência de fluxos internos de bens, serviços e recursos, bem como os centros efetivos de comando, controle e alocação de ativos no âmbito do grupo.

A **análise exclusivamente documental**, embora relevante e necessária, mostrou-se insuficiente para capturar a complexidade operacional das Recuperandas, sobretudo em um grupo que atua em setores de alta especialização técnica, logística integrada e resposta emergencial, nos quais a divisão formal entre sociedades pode não refletir a dinâmica material da operação. Nesse cenário, as

visitas in loco revelaram-se imprescindíveis para aferir **se a separação jurídica entre os entes societários corresponde, ou não, à realidade econômica e operacional observada**.



É, portanto, à luz das balizas normativas e teleológicas anteriormente expostas — e com vistas a fornecer ao Juízo concursal **substrato fático idôneo para a decisão acerca da manutenção ou não do regime de consolidação substancial** — que se passam a expor, de forma sistematizada, as diligências presenciais realizadas pela Administração Judicial Conjunta e os principais elementos nelas observados, os quais se mostram diretamente relacionados aos vetores legais previstos no art. 69-J da Lei nº 11.101/2005.

Visita à sede corporativa – Rio de Janeiro/RJ (07.11.2025 - CNPJ n. 12.285.662/0001-34 - Environmental Services)

A **Administração Judicial Conjunta** iniciou o **complexo planejamento de visitas** pela sede corporativa do Grupo Ambipar (Ambipar Response Environmental Consulting Offshore S.A.), no Rio de Janeiro/RJ, em 07.11.2025, nas instalações administrativas situadas na Rua Lauro Müller, nº 116, 27º andar, Botafogo, ocasião em que foi recebida pelos representantes das Recuperandas (diretores, gestores, advogados internos, advogados responsáveis pela Recuperação Judicial e consultores).

De acordo com as informações prestadas pelas Recuperandas, tal empresa é especializada em serviços ambientais e oceanográficos com atuação especialmente voltada para o mercado de óleo e gás e outros setores que precisam de estudos e soluções ambientais.

(Entrada e dependências da sede corporativa do Rio de Janeiro/RJ)

(Reunião da Administração Judicial com representantes das Recuperandas)

A diligência foi inicialmente estruturada para compreender, de modo pragmático, **como se organiza o comando corporativo** do grupo e como se estabelecem, na prática, os fluxos decisórios e de coordenação das operações distribuídas em diferentes estados e frentes de negócio.

Foram apresentadas as verticais do grupo (com forte destaque às frentes ***Environment*** e ***Response***) e a expressiva abrangência geográfica de atuação (nacional e internacional), com ênfase na forma de planejamento e disseminação de

protocolos operacionais e de *compliance,* originados na sede fluminense e implementados nos campos diversos de atuação, nacionais e internacionais.

Do ponto de vista técnico-jurídico, o núcleo relevante desta visita consistiu em identificar se há, no plano empírico, um **centro de governança efetiva** que coordene as diversas pessoas jurídicas como um sistema, elemento que, a depender de sua intensidade e de como se projeta sobre a utilização de ativos e sobre a assunção de obrigações, pode se relacionar ao vetor legal de **relação de controle ou dependência** (art. 69-J, II) e, sobretudo, ao requisito do caput quanto à **interconexão operacional**.

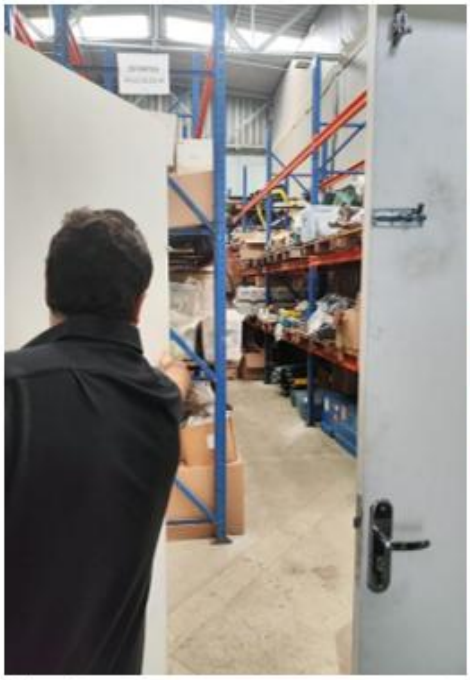
A visita constatou a existência de funções corporativas concentradas na sede (definição de diretrizes estratégicas, padronização de procedimentos, treinamento e desenvolvimento de competências), o que evidencia **interdependências operacionais** entre unidades geograficamente dispersas e sociedades formalmente distintas.

Esse tipo de achado é relevante para o teste do art. 69-J não por configurar, isoladamente, confusão patrimonial, mas por funcionar como **substrato organizacional** que viabiliza (ou impõe) a circulação interna de recursos, pessoas, ativos e serviços entre CNPJs, fenômeno que foi aprofundado em **diligências posteriores**.

Visita à Unidade de Jacarepaguá/RJ – Hangar e Operação Aérea (25.11.2025 - CNPJ n. 03.945.337/0001-60 - Emergência Aérea)

Em 25.11.2025, a **Administração Judicial Conjunta** realizou diligência no hangar mantido pelo Grupo no Aeroporto de Jacarepaguá (Ambipar Flyone Serviço Aéreo Especializado, Comércio e Serviço S.A.), no Rio de Janeiro/RJ, local informado como **núcleo da operação aérea nacional**, com aeródinos (aviões e helicópteros) empregados nas mais diversas atividades desenvolvidas pelo Grupo (monitoramento

ambiental, respostas emergenciais, transporte de equipes, mantimentos, maquinários, – suporte aéreo portanto, para ao menos as áreas: industrial, offshore, ambiental e emergência).



(Hangar de Jacarepaguá: esclarecimentos ao AJ e visão geral da estrutura)

(Hangar de Jacarepaguá: visão geral da estrutura)

(Significativo estoque para manutenção da frota aérea - peças médias e grandes)

(Depósito de peças aeronáuticas - reposição de pequeno porte)

(Depósito de peças aeronáuticas para reposições pequenas)

Constatou-se que o Grupo realiza internamente a manutenção de sua frota aérea, com existência de verdadeira "oficina central", estoques relevantes e equipe técnica especializada. Do ponto de vista do parecer, o dado de maior relevo foi a verificação de que a estrutura se organiza como **plataforma de suporte transversal**, isto é, os **ativos aeronáuticos**, incluindo obviamente o aparato de manutenção, **não se destinam a um único contrato ou a uma única sociedade, mas atendem, conforme necessidade, múltiplas operações do grupo.**

Tal conclusão se consuma quando esta auxiliar é apresentada a sala de controle de voos, instalada no próprio hangar, com **monitoramento em tempo real e programação diária das mais variadas missões**, operando definitivamente como centro nacional de coordenação.

(Sala de controle: rastreio em tempo real das aeronaves e programação diária das mais variadas demandas)

(Câmeras/monitoramento interno e referência a integração com outras bases espalhadas pelo Brasil)

São elementos relevantes para o art. 69-J porque evidenciam **compartilhamento e gestão unificada de ativos estratégicos** (aeronaves, manutenção, estoque e comando), aspecto que, quando transposto para a leitura concursal, pode impactar a capacidade de individualizar, com baixo custo e alta confiabilidade, a **titularidade** e o **uso** desses ativos em favor de sociedades específicas, sobretudo quando empregados em operações simultâneas e interligadas.

Além disso, foi informado que a operação atende a exigências regulatórias (homologações e certificações), reforçando a ideia de que certas estruturas habilitantes (licenças, certificações e sistemas) funcionam como **infraestrutura crítica** do grupo e podem operar como elemento de dependência recíproca entre as sociedades que demandam o serviço aéreo para cumprir contratos e obrigações.

Visita à Base da Baía de Guanabara – Estaleiro Offshore e Operação Marine

(25.11.2025 - CNPJ n. 06.086.769/0001-50 - Marine)

A **Administração Judicial Conjunta** também realizou inspeção técnica na base operacional localizada na região da Baía de Guanabara (Ambipar Response Marine S.A.), com deslocamento marítimo e desembarque em estaleiro em Niterói, apontado como estrutura logística relevante à operação de óleo e gás e às rotinas de suporte offshore.

(À esquerda, embarque para deslocamento: equipe da Administração Judicial Conjunta e representantes das Recuperandas, à direita, embarcações de suporte para operações variadas, em especial óleo e gás – Offshore Marine -, emergencial e industrial)

Durante a diligência, observou-se fluxo de embarque e desembarque de suprimentos, equipes e materiais, além de áreas internas administrativas e protocolos rígidos de segurança. As rotinas apresentadas evidenciaram que a base funciona **como polo operacional que articula diferentes frentes do grupo**, inclusive com recebimento, preparo e expedição de cargas e materiais, em dinâmica contínua.

(Setor de embarque operacional - área offshore – Setor de Logística - carga diversa, incluindo maquinário – área offshore e industrial).

Foi apresentado estaleiro vizinho recém-incorporado ao Grupo, com previsão de início de operações após adequações e regularizações, indicando expansão planejada com vocação para manutenção e construção naval.

(Instalações projetadas para futura ampliação da atuação no setor)

Nessa diligência, o ponto sensível para o art. 69-J, residiu na descrição e verificação de **cadeias internas de prestação de serviços**, nas quais a divisão Marine interage de modo contínuo com outras unidades (industrial, emergência - ambiental e tecnologia/logística), particularmente quando equipamentos retirados de plataformas são transportados (Marine), reparados em base industrial (Industria) e reinseridos na operação (Marine), compondo um ciclo executado com recursos internos do grupo.

Essa constatação é relevante porque reforça a existência de **interconexão operacional** e, potencialmente, de **confusão na identificação de titularidades** de equipamentos e peças em trânsito, bem como de despesas e receitas associadas a serviços prestados de forma integrada por diferentes sociedades.

Em termos técnicos, o que se extrai desta visita é a presença de um arranjo em que **a segmentação por CNPJ não coincide, necessariamente, com a segmentação do processo produtivo**, impondo ao Juízo a necessidade de ponderar se a individualização patrimonial é factível sem dispêndio excessivo.

Visita à Unidade de Niterói/Rj – Base Industrial (25.11.2025 - CNPJ n. 18.591.097/0001-10 - Industrial Response)

A **Administração Judicial Conjunta** inspecionou a base industrial (Ambipar Response Tank Cleaning S.A.) localizada em Niterói/RJ, voltada à manutenção, limpeza técnica e apoio a operações marítimas, industriais e de emergência, com apresentação de setores de projetos, QSMS e equipamentos de grande porte (ventilação/exaustão), além de EPIs especializados.

Máscaras de fuga e equipamentos de proteção para manutenção – são enviados pelo cliente ao setor Industrial por meio das embarcações do setor Marine, visto na visita

(Sede do Setor Industrial - máquinas pesadas de ventilação/alta vazão – foi percebida a existência de diversas outras máquinas onde o Setor Industrial realiza sua manutenção e, em alguns casos, em parceria com Setor de Tecnologia aperfeiçoamentos e inovações tecnológicas criadas internamente, pela próprio Grupo)

A diligência evidenciou que a unidade opera como **hub técnico** de suporte, recebendo equipamentos para reparo e devolução, com rotinas de manutenção e preparação de ativos para retorno às operações. Também foram apresentados recursos do Setor Tecnológico (robôs, drones, equipamentos automatizados), com relato de substituição de atividades de risco por soluções mecanizadas, além de estrutura de relatórios técnicos e rastreabilidade.

(Peças recebidas para reparo/manutenção pelo Setor Marine, encaminhados para atuação do Setor Industrial e Tecnológico)

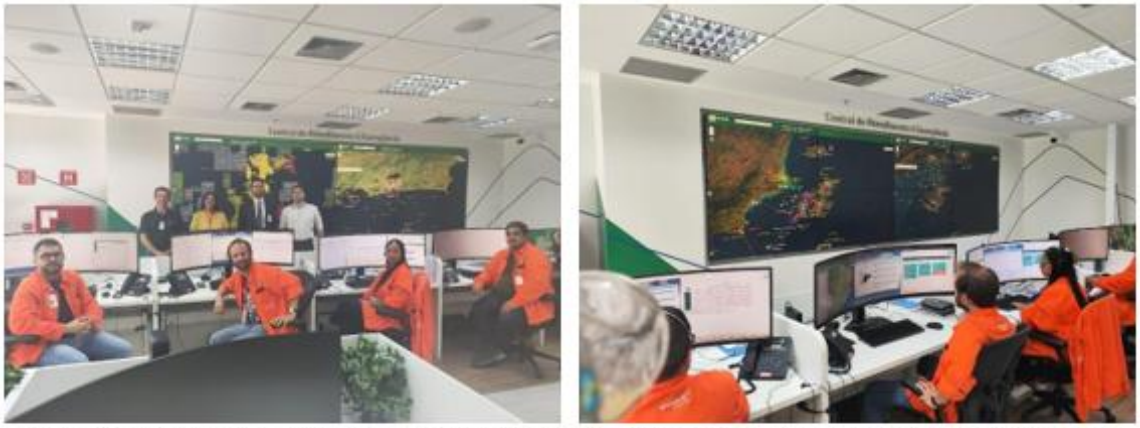
(Mídia de drones aéreos em operação – a adaptação do uso de drones, por exemplo, na limpeza de tanques pelo Setor Industrial ou pelo Setor de emergências ambientais em um incêndio de grandes proporções, se mostrou uma novidade tecnológica capaz de não mais expor a vida dos funcionários aos riscos inerentes das diversas atividades desenvolvidas pelo Grupo)

(ROVs subaquáticos - veículos operados remotamente – utilizados pelos Setores: industrial – emergência e Marine)

A unidade apresentou, ainda, fluxos de reaproveitamento e destinação interna de resíduos e subprodutos (p. ex., resíduos plásticos direcionados a reciclagem; águas oleosas tratadas em sistemas do braço ambiental), o que reforça a percepção de circulação de materiais e responsabilidades entre frentes do grupo.

(Nas imagens, a **forte integração entre as empresas da Companhia** – alguns materiais, como por exemplo, plásticos e lonas utilizados na sede tiveram origem nos setores ambiental/reciclagem e logística – advindos da reciclagem são utilizados pelo setor visitado e consequentemente pelo anterior (Marine) no momento de serem transportados a embarcação do cliente)

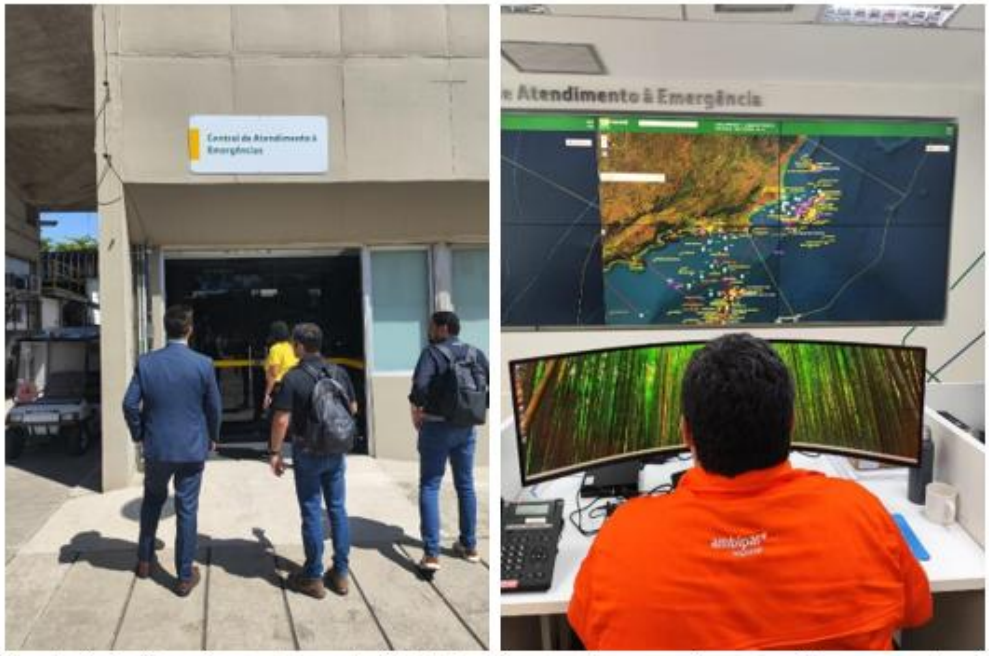
Do ponto de vista jurídico, essa visita fornece subsídios sobre: (i) **integração operacional** (unidade industrial suportando demandas de outras verticais); (ii) **compartilhamento de infraestrutura e recursos**; e (iii) existência de cadeia de serviços que atravessa mais de uma sociedade, com reflexos potenciais sobre a identificação de titularidades de ativos, alocação de custos e atribuição de obrigações.



Em especial, a referência de que parte relevante de maquinários e ativos pode permanecer alocada fora da planta (nas dependências de clientes) reforça a complexidade de segregação, pois exige rastreamento e documentação robustos para individualizar patrimônio e responsabilidades.

Visita ao CENPES – Centro de Pesquisa da Petrobras (15.12.2025 - CNPJ n. 11.414.555/0001-04 - Emergência Rodoviária)

Dando prosseguimento às diligências, a **Administração Judicial Conjunta** realizou importante visita ao CENPES, na Ilha do Fundão/RJ, reconhecido como centro relevante de coordenação operacional e protocolos de segurança e resposta a emergências no âmbito da Petrobras. A diligência teve como foco compreender a atuação da Ambipar (Ambipar Response S.A.) como **prestadora integrada de serviços** de gestão de crises e resposta a emergências, especializada em todos os modais (rodoviário, ferroviário, marítimo, dutoviários e florestais) e gerência de emergências globais.



(Centro de Pesquisa da Petrobrás – Rio de Janeiro)

(Central de Atendimento/Comando de Emergências da Petrobras para todo território nacional - estrutura SCI)

Foi possível conhecer a central estruturada sob o Sistema de Comando de Incidentes (SCI), apta a gerir incidentes de diferentes níveis, com capacidade de acionamento de recursos e interface com órgãos reguladores, e observou-se que a coordenação se dá de modo centralizado, com informações e monitoramentos exibidos em painéis.

(Central de Atendimento e painéis/telas de monitoramento e gestão operacional)

Para o art. 69-J, a relevância técnica reside no fato de que operações dessa natureza demandam mobilização transversal de ativos, equipes e serviços (logística, marine, industrial, resposta emergencial, eventualmente ambiental), com governança integrada para atender exigências regulatórias e contratuais.

Vale reforçar, foi esclarecido que clientes do setor de óleo e gás, como a Petrobras, detém necessidades técnicas, regulatórias e mercadológicas avançadas, que exigem do prestador altamente especializado o oferecimento de um grande e sofisticado leque de serviços, não sendo possível imaginar na prática uma contratação de um setor/serviço específico, de maneira individualizada, isolada.

Ocorre, nesse mercado específico a contratação de empresas capazes de solucionar problema que vão do nível 1 ao nível 100, ou seja, que entregam a prestação, como dito, sofisticada tecnicamente mas acima de tudo integral, motivo pelo qual seria impossível dissociar diferentes as diferentes áreas em que a Recuperanda atua nesse projeto.

Na visão dessa auxiliar, esse é mais um exemplo que reforça o vetor de **atuação conjunta no mercado** e evidencia dependências cruzadas na execução de obrigações, cuja segregação por pessoa jurídica pode não refletir o modo como o serviço é prestado e controlado.

Visita à unidade de Nova Odessa/SP (03.12.2025 - CNPJ n. 12.648.266/0001-24 - Holding)

A **Administração Judicial Conjunta** visitou a unidade de Nova Odessa/SP (Ambipar Participações e Empreendimentos S.A.) para compreender sua função na estrutura do grupo. De início, foi notado forte perfil administrativo, o que exigiu desta auxiliar maiores questionamentos, sempre na intenção de esclarecer todos os detalhes operacionais.

Ao analisar minuciosamente as funções ali desempenhadas e o corpo técnico presente, não restaram dúvidas de que a unidade é um verdadeiro (*back office*), concentrando meras rotinas de suporte, secundárias, como conciliações operacionais, processamento de folha/pós-RH, organização cadastral e gestão administrativa de contratações realizadas nas pontas operacionais.

(Unidade de Nova Odessa/SP)

Durante a diligência, chamou atenção a presença de extensa frota no pátio da unidade, tendo sido esclarecido que os veículos não integrariam o ativo imobilizado, tratando-se de frota terceirizada em fase de desmobilização e encerramento contratual, com utilização transitória do local como ponto de concentração logística para devolução.

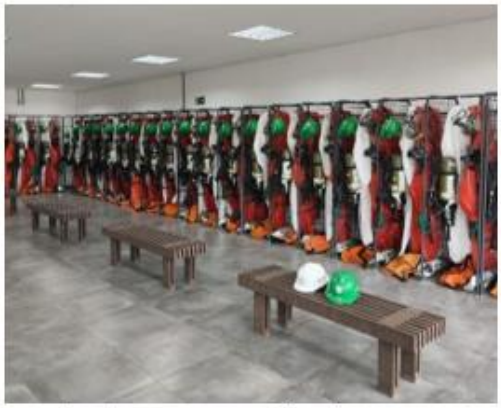
Confirmando a informação prestada pelas recuperandas, em 22.01.2026 a AJ conjunta tomou ciência, pelo credor Scania Banco — de acordo realizado com a Recuperanda para devolução de 80 (oitenta) caminhões — de que os veículos de fato estão em processo de retorno, encontrando-se, inclusive, integralmente restituídos e sob sua posse, conforme informado já informado pela Administração Judicial Conjunta.

(Pátio de Nova Odessa/SP: concentração temporária de frota em desmobilização)

A relevância dessa visita para o art. 69-J decorre do papel de unidades administrativas como **serviços compartilhados** (*shared services*) que sustentam múltiplas operações e sociedades do grupo, aspecto que contribui para a compreensão da **interdependência organizacional** e da centralidade de rotinas de suporte, ainda que, isoladamente, não configure confusão patrimonial.

Visita à Unidade De Americana/SP (03.12.2025 - CNPJ n. 11.414.555/0001-04 - Emergência Rodoviária)

Em sequência, a **Administração Judicial Conjunta** inspecionou a unidade de Americana/SP (Ambipar Response S.A.), dedicada ao treinamento e capacitação técnica da vertical *Response*, com simulações e cenários voltados a emergências industriais, rodoviárias, aeroportuárias e logísticas, além de capacitação para clientes.



(Unidade de Americana/SP: áreas gerais e instalações de treinamento)

(Áreas de treinamento para emergências industriais)

(Uniformes/equipamentos utilizados nos treinamentos)

(Áreas externas destinadas a simulações práticas – acidente rodoviários e marítimos)

(Áreas externas destinadas a simulações práticas – acidentes marítimos e aeroviários)

A visita evidenciou a existência de estrutura única voltada à padronização de competências e protocolos, com potencial impacto na precificação e na qualidade do serviço prestado pelo grupo. **Não se pode afirmar a existência de confusão patrimonial a partir do centro de treinamento,** mas demonstra como o grupo se organiza por **centros funcionais** que servem a múltiplas sociedades e contratos, reforçando a ideia de atuação coordenada e, consequentemente, de interconexão operacional.

Visita à Unidade de Itu/SP (03.12.2025 - CNPJ n. 00.679.427/0001/68 - Gestão de Resíduos)

A **Administração Judicial Conjunta** realizou visita ao hub de reciclagem em Itu/SP (Ambipar Environmental Solutions - Soluções Ambientais Ltda), unidade dedicada à recepção, triagem, beneficiamento e transformação inicial de resíduos recicláveis, funcionando como elo entre polos de coleta (franquias sociais/catadores) e plantas industriais do grupo.

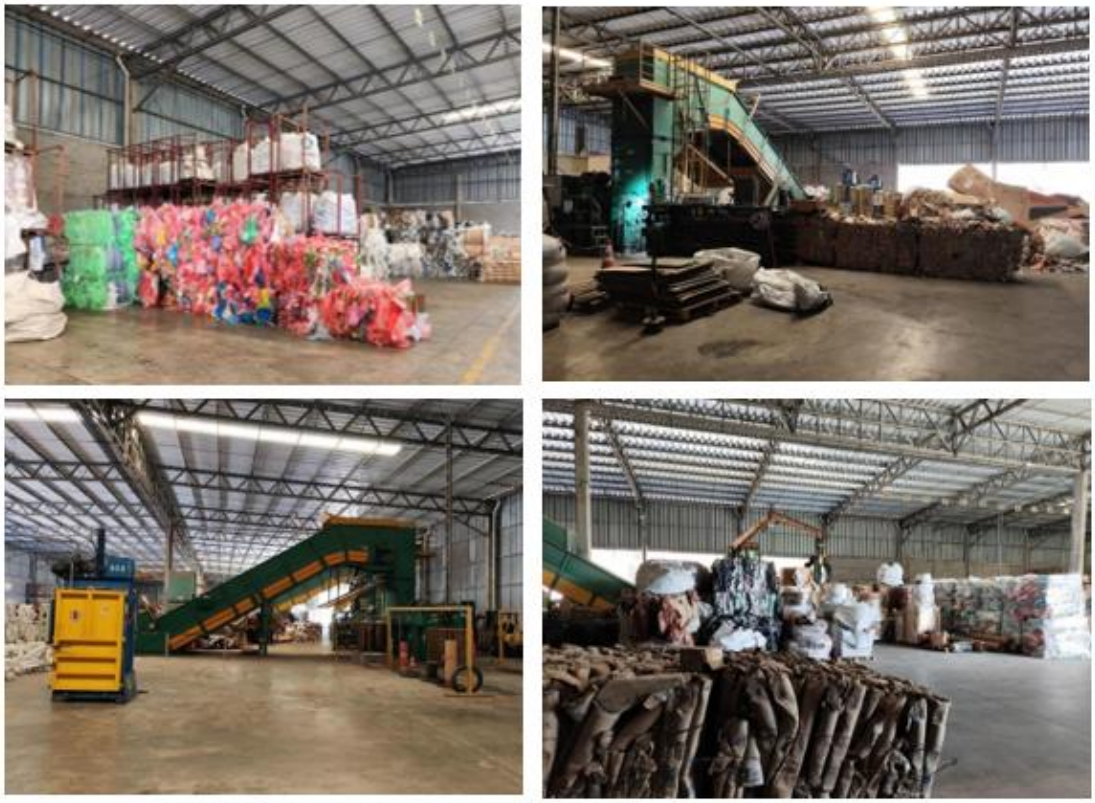
(Equipe e registros institucionais na Unidade de Itu/SP)

(Amostra de resíduos processados na unidade)

Foi possível acompanhar a descarga dos materiais advindos dos polos de reciclagem, a separação e a triagem (papel, papelão e plástico), além das etapas de enfardamento, evidenciando que a divisão era responsável pela coleta, transporte e envio à destinação final de resíduos líquidos e sólidos gerados em indústrias, postos de combustíveis, concessionárias, oficinas mecânicas, entre outros estabelecimentos, operando Sistema de Logística Reversa e realizando ainda limpeza de Caixa Separadora de Água e Óleo.

Naquele momento, facilmente foi percebido que a atividade de reciclagem não tinha seu início e nem seu fim nessa unidade, **há uma fortíssima e complexa interligação entre as unidades, leia-se pessoas jurídicas.**

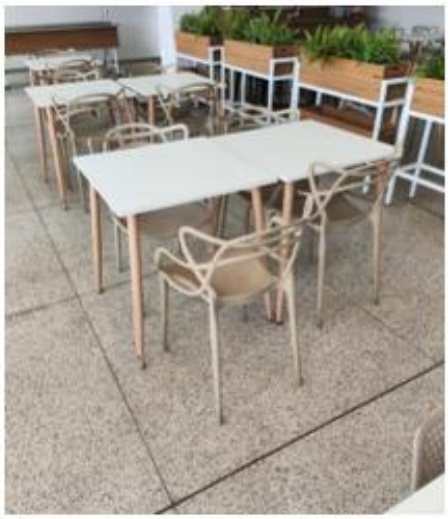
É importante para a presente manifestação, a AJ destacar clara afirmação nesse momento, a atividade de reciclagem é iniciada com a estrutura fornecida aos catadores, passa por essa unidade visitada e segue seu "caminho" até a transformação completa do resíduo em algum material útil, por vezes, inclusive, constatada a inclusão desse material em outros setores da própria companhia, **uma cadeia firmemente interligada.**



Assim, a operação não se encerra no enfardamento: os fardos são encaminhados a outra sociedade do grupo, integrante da vertical industrial, onde ocorre extrusão e transformação em grânulos (pellets), com posterior uso como matéria-prima para produtos finais.

(Triagem de resíduos - esteiras e separação)

(Triagem de resíduos – após esteiras e separação)



(Processos de enfardamento - compactação e padronização)

(Para antecipar a ampla compreensão: mais a frente, em novas visitas, será detalhado que o plástico aqui enfardado, será transformado em grânulos e depois, em outra fase, transformado em produtos diversos (ex.: cadeiras e mesas)

(Cadeiras fabricadas pelo setor industrial do grupo com grão de plástico oriundo do setor de reciclagem)

O interesse jurídico desta diligência, para o art. 69-J, é a demonstração empírica de **cadeia verticalizada e integrada**, em que bens e materiais circulam entre diferentes sociedades como etapas de um mesmo processo produtivo, elevando a complexidade de se identificar, sem esforço significativo, a titularidade de estoques, insumos e produtos em diferentes fases.

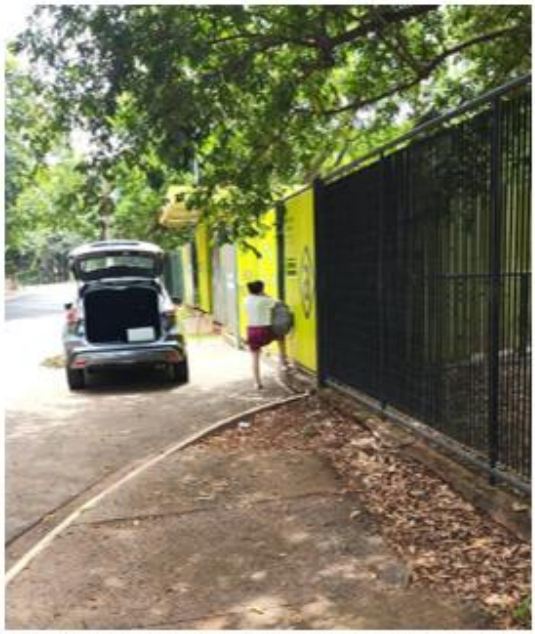
Esse tipo de fluxo também é relevante para a avaliação da **atuação conjunta** e da possível dificuldade prática de segregação contábil/patrimonial sem dispêndio excessivo.

Visita à Unidade de Santa Bárbara D'oeste/SP (03.12.2025 - CNPJ n. 17.346.336/0001-03 - Circular Economy)

Ainda no Estado de São Paulo, a **Administração Judicial Conjunta** visitou a unidade de Santa Bárbara d'Oeste/SP (Ambipar Environmental Viraser S.A.), classificada como franquia social, com função de porta de entrada da cadeia de reciclagem, conectando catadores, poder público e a indústria, com triagem e encaminhamento de resíduos às etapas seguintes, que irão realizar nova e mais

específica triagem, enfardamento, transformação, por exemplo, do plástico em grão (processo de extrusão) e sua transformação industrial em um produto reciclado, útil a sociedade.

(Polo de Santa Bárbara d'Oeste/SP e equipe local)

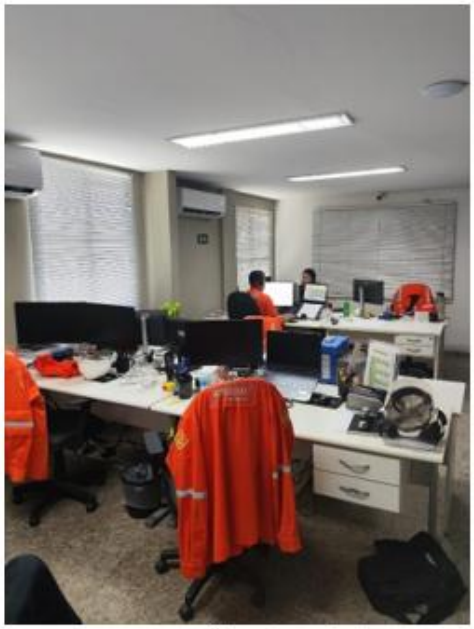


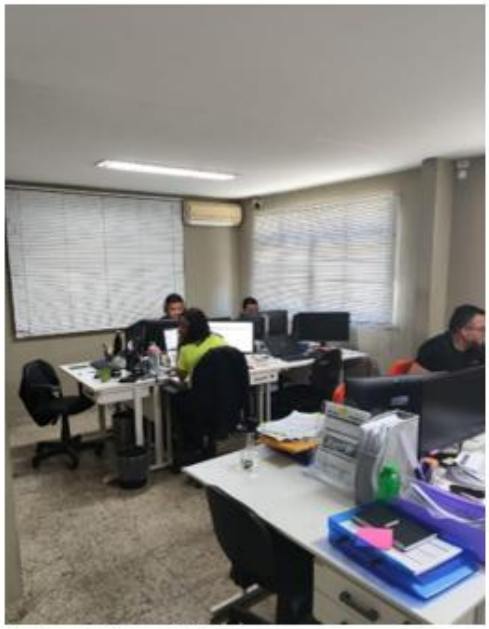
(Quadros administrativos e registros internos da unidade)

(Áreas de triagem e tratamento de resíduos trazidos pelos catadores)

Foi observado que o arranjo operacional não se limita à coleta: a unidade integra protocolos de governança social, rastreabilidade e padrão de destinação, reforçando a previsibilidade de fornecimento para etapas industriais subsequentes, isso subsidia a indústria possibilitando o preenchimento de requisitos para aquisição de selos ambientais.

Para irrestrita compreensão da origem de todo processo de reciclagem desenvolvido, vale registrar a existência, ao lado da praça principal do munícipio, de equipamentos automatizados de coleta (“retorna *machine*”), ampliando o alcance do sistema. Máquinas que não somente os catadores, mas a própria população que consumiu, pode descartar seus resíduos recicláveis e receber contraprestações pecuniárias pela iniciativa.





(Polo de coleta de resíduos, em que se utilizam as chamadas "retorna *machine*")

Para fins do art. 69-J, o elemento relevante da visita está na confirmação de que a unidade social é **parte estruturante** de uma cadeia produtiva integrada do grupo, alimentando fluxos materiais que seguem para outras sociedades e verticais, reforçando interdependência econômica e principalmente operacional.

Visita à Unidade de Macaé/RJ (15.12.2025 - CNPJ n. 39.233.457/0001-81 - Industrial Response)

A **Administração Judicial Conjunta** visitou a unidade de Macaé/RJ (Ambipar Response Industrial Services S.A.), **vinculada à vertical industrial**, com foco em limpeza, inspeção e reparo de ativos offshore, com aplicação de tecnologias e metodologias técnicas e interface com requisitos regulatórios e de certificação.

(Equipe técnica na unidade de Macaé/RJ)

(Peças/equipamentos preparados para retorno aos clientes - ativos offshore)

Constatou-se uso de tecnologias (robôs, drones e sistemas digitais de inspeção) voltadas à mitigação de risco e rastreabilidade de intervenções, com produção de dados e relatórios técnicos. Também foi registrada a interação com entidades classificadoras, condicionando a regularidade operacional dos ativos atendidos.

No contexto do art. 69-J**, assim como a visita realizada na sede do setor Industrial, no município de Niterói**, a relevância não reside na existência da unidade isoladamente, mas no fato de que suas soluções e serviços se articulam com outras

verticais (*Marine/Response*), reforçando a malha integrada de prestação e suporte, com potencial impacto na alocação de custos, na titularidade de ativos e na atribuição de responsabilidades quando o serviço é prestado por múltiplas sociedades como parte de um mesmo circuito operacional.

Visita ao Porto do Açu/RJ (15.12.2025 – CNPJs n. 27.853.153/0001-38 - Environmental Service, 04.978.039/0001-39 - Marine, 07.049.258/0001-21 e 11.414.555/0001-04 - Marine)

A **Administração Judicial Conjunta** visitou as estruturas do grupo no Porto do Açu (município de São João da Barra/RJ), identificando **atuação integrada em restauração ambiental** (viveiro/flora e recomposição de restinga), **resposta a emergências** e **gestão de infraestrutura hídrica (Water** - captação, tratamento, distribuição, drenagem, reuso).

(Unidade do Porto do Açu/RJ: visão geral)

(Estruturas operacionais – Marine - Industria – Emergência – Water – Ambiental)

(Estruturas e frota/ativos operacionais de prontidão)

Uma visita rica de informações, onde inicialmente foi apresentado projeto de fauna e flora para reflorestamento e manutenção de restinga, trabalho específico, único, contendo uma peculiaridade cientifica de altíssimo nível, abrangendo os setores ambiental e Water do grupo Ambipar. Ficou esclarecido para esta auxiliar que o projeto oferece as condições operacionais ao setor de Water.

Foi apresentada a competência da Companhia para captar, tratar, distribuir, drenar e destinar ao reuso a água de toda extensa planta do Porto, o setor de Water é responsável por importante etapa de funcionamento do local, o que igualmente reflete no serviço de Emergência, também desenvolvido pela Companhia na região, com a utilização de espaço, maquinário, veículos, tecnologia e logística comuns.

Aqui, o que interessa, sob o prisma do art. 69-J, é a constatação de que o serviço prestado se estrutura como **sistema operacional único** (*environmental* + *response* + *water*), com integração de recursos e rotinas, de modo que a individualização de responsabilidades e titularidades por sociedade demanda alto

grau de controle e documentação, especialmente quando ativos e equipes prestam suporte a múltiplas frentes.

Visita à Unidade de Araruama/RJ (15.12.2025 – CNPJ n. 39.793.153/0002-50 - Environmental Service)

Em 19.01.2026, a **Administração Judicial Conjunta** realizou diligência na unidade de Araruama/RJ (Praia Seca), voltada à reabilitação, tratamento e despetrolização de fauna marinha, em parceria estratégica, vinculada a condicionantes ambientais relacionadas a atividades offshore.

(Fachada/visão externa e equipe da Administração Judicial Conjunta e os representantes da Recuperanda em diligência)

(Áreas de lavagem e secagem de animais)

(À esquerda, área de manuseio de aves, à direita, área de admissão de silvestres)

A diligência registrou equipe técnica em atuação e infraestrutura adaptada para procedimentos clínicos e laboratoriais. Para o art. 69-J, o relevo está no fato de que se trata de operação regulada e contínua inserida na cadeia de serviços ambientais/offshore do grupo, conectando-se funcionalmente a outras frentes

(resposta emergencial, logística e suporte), compondo o mosaico de interdependências que caracteriza a prestação integrada.

Visita à Unidade de Duque de Caxias/RJ (19.01.2026 – CNPJs n. 00.679.427/0001-68 - Gestão de Resíduos e 11.414.555/0001-04 - Emergência Rodoviária)

Ainda em 19.01.2026, a **Administração Judicial Conjunta** visitou a unidade de Duque de Caxias/RJ, que abriga operações integradas das divisões *Waste* e *Emergency Response*, funcionando como hub logístico de resíduos e base de prontidão para atendimento emergencial.

(Administração Judicial Conjunta e representantes das Recuperandas na unidade)

(Escritórios administrativos e áreas internas)

(Coleta de resíduos e caminhão de apoio)

(Separação manual e secagem de materiais)

(Caminhões de Emergency Response em prontidão no galpão da unidade de resíduos)

A unidade evidenciou coexistência e racionalização de estruturas **(logística de resíduos + frota emergencial) em um mesmo sítio físico**, com processos que exigem rastreabilidade e controle operacional. Foi igualmente percebido que **dentro dos caminhões de emergência existiam materiais advindos de processo de reciclagem da própria Companhia**, restando mais uma vez claro para esta auxiliar a forte interligação societária. Para o art. 69-J, a relevância é a materialização de **infraestrutura compartilhada** e de atividades complementares executadas sob um mesmo arranjo operacional, circunstância que demanda análise sobre como se dá a titularidade de ativos, a alocação de custos e a imputação de obrigações em ambiente de uso comum.

Visita à Unidade de Curitiba – São José dos Pinhais/PR (16.01.2026 - CNPJs n. 26.611.091/0001-95 - Circular Economy)

Em 16.01.2026, a **Administração Judicial Conjunta** realizou diligência na unidade industrial em São José dos Pinhais/PR, voltada à extrusão de plásticos (bobinas e filmes), com linhas de produção ativas e estoques de produtos acabados.

(Unidade de Curitiba/São José dos Pinhais/PR - visão geral)

(Amostra de produto pronto – lona de plástico reciclado)

(Operação de extrusão - linha produtiva)

(Exemplares de matéria prima utilizados no processo de produção)

Constatou-se que a matéria-prima é majoritariamente captada junto a clientes do próprio grupo e outras bases, evidenciando integração logística e de suprimentos. Para fins do art. 69-J, a relevância está no reforço empírico do modelo verticalizado (captação/processamento/distribuição), com circulação interna de insumos e produtos que pode repercutir sobre a possibilidade de segregação patrimonial simples.

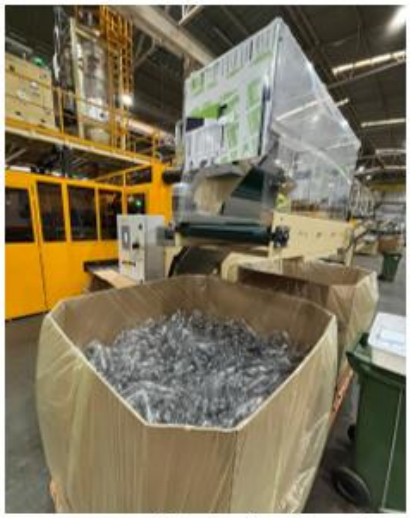
Visita à Unidade de Jaboatão dos Guararapes/PE (20.01.2026 - CNPJs n. 24.312.884/0001-88 - Circular Economy, 54.229.824/0001-67 - Circular Economy, 13.244.668/0001-26 - Gestão de Resíduo, 42.317.705/0001-87 - Coprocessamento, 01.179.445/0001-43 - Coprocessamento, 05.458.585/0001-01 - Coprocessamento, 09.527.023/0001-23 - Holding, 11.414.555/0001-04 - Emergência Rodoviária, 06.086.769/0001-50 - Marine)

Em 20.01.2026, a **Administração Judicial Conjunta** inspecionou complexo industrial em Jaboatão dos Guararapes/PE, onde operam quatro pessoas jurídicas com CNPJs distintos, atuando de modo integrado no processamento de resíduos (papelão, metais, vidro/cullet e pneus/green tirem), com compartilhamento de infraestrutura e suporte, além de base de apoio da divisão Emergency Response.

(Registro da diligência: Administração Judicial Conjunta e representantes do Grupo)

(Depósito de material para reciclagem/tratamento e visão do pátio operacional)

A constatação de múltiplas sociedades operando no mesmo site, com racionalização de recursos e serviços comuns, é elemento empírico importante para o art. 69-J, pois aproxima o caso de uma **unidade econômica funcional**, em que a segmentação societária pode não representar, na prática, segmentação de operações e ativos.



Visita à Unidade de Cabo de Santo Agostinho/PE (20.01.2026 - CNPJ n. 04.942.888/0002-13 - Circular Economy)

No dia 20.01.2026, a **Administração Judicial Conjunta** realizou diligência na unidade Drypol, no Cabo de Santo Agostinho/PE, dedicada à fabricação de tubos plásticos destinados à cadeia de embalagens PET, com parque fabril em funcionamento.

(Registro da diligência: Administração Judicial Conjunta e representantes da Recuperanda)

(Produção do produto: etapas e linha fabril)

Constatou-se utilização de matérias-primas provenientes tanto do próprio grupo quanto do mercado externo, com produção contínua. Para o art. 69-J, o valor da diligência é reforçar o padrão de integração de cadeia e abastecimento interno, sem que isso, isoladamente, determine confusão patrimonial, mas compondo o conjunto de indícios de interconexão.

Encerrando as diligências em Pernambuco, a **Administração Judicial Conjunta** inspecionou unidade voltada à gestão de resíduos médico-hospitalares, com infraestrutura para triagem, trituração, autoclavagem e destinação, além de sistemas de controle sanitário e de odores. Foi destacado o funcionamento de central de monitoramento logístico, com rastreamento de frota e videomonitoramento.

(Registro da visita: Administração Judicial Conjunta e área de tratamento de resíduos)

Para o art. 69-J, a centralidade aqui está na verificação de **centros de comando e rastreabilidade** que suportam a operação, com potencial para integrar rotinas e recursos entre unidades e sociedades, reforçando a interconexão operacional.

Visitas às Unidades de Juazeiro/CE (21.01.2026 - CNPJ n. 16.625.236/0001-53 - Circular Economy e 08.143.344/0001-61 - Circular Economy)

Em 21.01.2026, a **Administração Judicial Conjunta** visitou duas plantas em Juazeiro/CE, evidenciando integração vertical completa: (i) Planta I dedicada à valorização de resíduos e produção de polímeros; e (ii) Planta II dedicada à transformação final de termoplásticos.

- **Planta I**

(Registro da visita: Administração Judicial Conjunta e representante da Recuperanda - Planta I)

(Coleta/triagem e exemplares de matéria-prima e polímeros)

Observou-se processamento de resíduos e produção de grãos de polímeros, com destinação parcial para unidade do grupo em Curitiba/PR, reforçando cadeia interna de abastecimento.

- **Planta II**

(Registro da visita: Administração Judicial Conjunta e representante da Recuperanda - Planta II)

(Visão aérea/estoque de produtos e organização logística da planta)

Verificou-se utilização integral do insumo produzido na Planta I para fabricação de produtos finais (cadeiras, tubos, fitilhos), caracterizando circuito fechado.

Do ponto de vista do art. 69-J, Juazeiro oferece uma das evidências empíricas mais elucidativas de **interconexão econômica-operacional**, pois demonstra, em sequência, a circulação interna de insumos e produtos entre plantas e unidades do grupo, reforçando a discussão sobre a viabilidade (ou custo) de segregação patrimonial por sociedade, especialmente quando o processo produtivo é encadeado e contínuo.

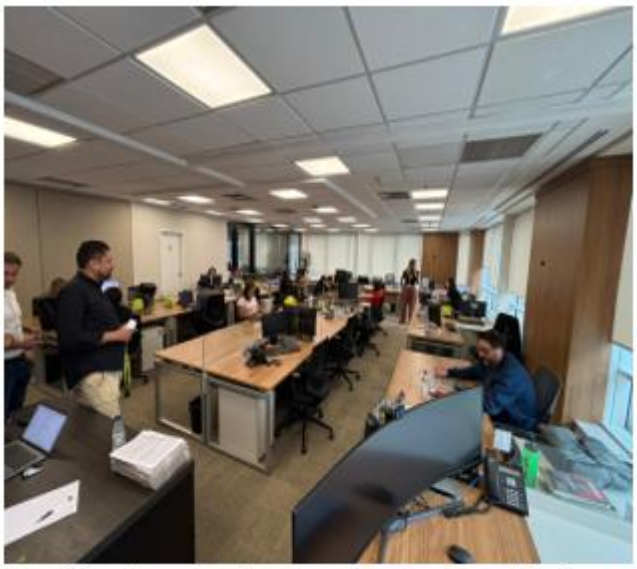
Visita à Unidade de São Paulo/SP (23.02.2026 – CNPJs n. 00.679.427/0001-68 - Gestão de Resíduos; 11.078.062/0001-32 - Coprocessamento; 11.414.555/0001-04 - Emergência Rodoviária)

Em 23.02.2026, a Administração Judicial Conjunta realizou visita técnica às dependências da unidade localizada na cidade de São Paulo, com o objetivo de

compreender a atual dinâmica operacional deste polo e sua inserção na estrutura do grupo econômico.

(Registro da visita: dependência e Administração Judicial Conjunta)

Na ocasião, foi esclarecido que, embora o referido endereço esteja formalmente vinculado ao CNPJ da holding do grupo, o local abriga, atualmente, diversos setores e equipes vinculados a outros CNPJs do Grupo Ambipar, os quais integram o polo ativo da recuperação judicial, ao passo que a sociedade sediada neste endereço específico, Ambipar Decarbon Biofilica (09.720.550/00001-50) não integra o procedimento recuperacional.



(Sala em que se realizou o IPO do Grupo Ambipar)

Tal configuração decorre da própria evolução histórica da companhia, uma vez que, após o *IPO* e, sobretudo, em razão do intenso processo de aquisições realizado ao longo dos últimos anos, o maior volume das operações passou a se concentrar no Estado do Rio de Janeiro. Em São Paulo, permaneceram estruturas de natureza estratégica, técnica e corporativa, com funções específicas e grau elevado de especialização.

Ressaltou-se, ainda, que a sociedade ali estabelecida, Decarbon Biofílica, não foi incluída no perímetro da recuperação judicial justamente em razão da **independência operacional, financeira e jurídica de suas atividades**, inexistindo qualquer submissão direta ou dependência funcional em relação às sociedades Recuperandas.

No que se refere à natureza da operação observada, trata-se de uma unidade altamente especializada, voltada a projetos de **descarbonização e sustentabilidade**, cujo conceito central reside na quantificação do dióxido de carbono que deixa de ser emitido ou que é efetivamente removido da atmosfera.

A atuação compreende múltiplas frentes, incluindo projetos de **conservação florestal** (REDD+), **restauração florestal** (ARR), **agricultura regenerativa** (ALM), iniciativas em **áreas de manguezais** e projetos de **metano evitado**, todos estruturados com base em metodologias técnicas amplamente reconhecidas no mercado voluntário de créditos de carbono.

(Equipes de diversas frentes reunidas)

A geração de créditos está condicionada ao atendimento rigoroso dos critérios de **adicionalidade técnica e financeira**, o que pressupõe que os projetos não decorram de obrigação legal prévia e que os recursos provenientes da comercialização dos créditos sejam essenciais para a viabilidade econômica e a continuidade das operações.

O cálculo dos créditos baseia-se em análises estatísticas de séries históricas dos últimos dez anos, a partir das quais se projeta uma tendência futura de desmatamento, sendo o crédito definido pelo diferencial entre esse cenário projetado e a preservação efetivamente realizada.

O modelo de negócio adotado caracteriza-se como uma **consultoria técnica pura**, sem a titularidade de ativos fixos relevantes, como terras ou maquinário. A Ambipar Decarbon Biofilica estabelece contratos de longo prazo, usualmente com duração de 30 (trinta) anos, com proprietários de terras privadas ou áreas situadas em Reservas Extrativistas, sendo responsável pela estruturação, monitoramento, certificação e acompanhamento dos projetos.

Os créditos gerados são compartilhados entre as partes, em proporções que variam conforme o nível de investimento assumido, tendo sido citado, a título exemplificativo, o percentual de sessenta por cento para a Ambipar e quarenta por cento para o proprietário da terra.

Observou-se que a operação funciona de forma **altamente autônoma**, contando com CNPJs próprios e sem dependência de infraestrutura logística ou operacional de outras unidades do grupo recuperando, como frota, embarcações ou equipamentos pesados.

Ainda assim, a inserção no ecossistema Ambipar agrega valor estratégico relevante, especialmente pela possibilidade de oferta integrada de soluções de sustentabilidade, em que serviços como gestão de resíduos, resposta a emergências ambientais, inventários de emissões e comercialização de créditos de carbono são apresentados aos clientes de forma conjunta.

Quanto ao mercado atendido, a atuação concentra-se majoritariamente no **mercado voluntário internacional**, no qual empresas optam por neutralizar suas emissões de forma espontânea, inexistindo, por ora, regulamentação obrigatória semelhante à europeia.

Estimou-se que aproximadamente 80-85% (oitenta a oitenta e cinco por cento) da clientela é estrangeira. Do ponto de vista geográfico, embora a gestão esteja centralizada em São Paulo, a maior parte dos projetos localiza-se na região amazônica, especialmente no Estado do Pará, responsável por cerca de 85-90% (oitenta e cinco a noventa por cento) da receita desta área específica.

A visita permitiu, assim, à Administração Judicial compreender que, embora fisicamente localizada no endereço da holding, a operação ali desenvolvida pela Biofílica possui **autonomia técnica, operacional e jurídica**, não se confundindo

com as atividades das sociedades em recuperação judicial, circunstância que justifica sua não inclusão no polo ativo do presente feito.

DA ANÁLISE DE ELEMENTOS CONTÁBEIS PARA FINS DE VERIFICAÇÃO DE EVENTUAL CONFUSÃO PATRIMONIAL

Documentos e informações analisadas

Para a elaboração do presente relatório, a equipe contábil multidisciplinar desta Administração Judicial Conjunta procedeu à análise de um conjunto relevante de documentos e informações de natureza contábil, financeira e contratual, dentre os quais se destacam os Balanços Patrimoniais Combinados referentes ao período compreendido entre os meses de **setembro de 2025 e dezembro de 2025**, bem como o demonstrativo de abertura analítica dos passivos concursais e dos ativos consolidados, elementos que serviram de base técnica para as conclusões ora apresentadas.

Também foram analisados alguns contratos bancários disponibilizados pelas Recuperandas, nos quais se constatou a existência de **garantias cruzadas entre empresas do grupo econômico, figurando a *holding*** como garantidora de obrigações assumidas por sociedades operacionais.

Ainda, foi considerada a informação relativa à adoção de modelo de tesouraria centralizada, caracterizado pela utilização de caixa único, além de demonstrativo específico contendo os valores globais do passivo, indicando que o total do Quadro Geral de Credores com as eliminações decorrentes da consolidação substancial corresponde a aproximadamente **R$12.373.880,00** (doze bilhões, trezentos e setenta e três milhões e oitocentos e oitenta mil reais), ao passo que o total dos Quadros Gerais de Credores individuais combinados, sem quaisquer eliminações, alcança cerca de **R$41.728.290,00** (quarenta e um bilhões, setecentos e vinte e oito milhões e duzentos e noventa mil reais).

Objetivo

O objetivo do presente relatório consiste em relatar e sistematizar os elementos contábeis e financeiros observáveis a partir da documentação disponibilizada, de modo a subsidiar a análise acerca da **eventual ocorrência de confusão patrimonial entre as sociedades integrantes do grupo econômico**, à luz do disposto no artigo 69-J da Lei n. 11.101/2005.

Estrutura consolidada e eliminações *intercompany*

No que se refere à estrutura consolidada do passivo, verifica-se que o valor total do Quadro Geral de Credores após a realização das eliminações *intercompany* perfaz aproximadamente **R$12.373.880,00** (doze bilhões, trezentos e setenta e três milhões e oitocentos e oitenta mil reais). Por outro lado, o somatório dos Quadros Gerais de Credores individuais combinados, antes das referidas eliminações, totaliza cerca **R$41.728.290,00** (quarenta e um bilhões, setecentos e vinte e oito milhões e duzentos e noventa mil reais).

A diferença expressiva entre esses valores evidencia a existência de montante significativo de eliminações decorrentes de relações intragrupo, as quais decorrem, sob o ponto de vista técnico-contábil, da exclusão de créditos e obrigações existentes entre empresas pertencentes ao mesmo grupo econômico.

Cumpre registrar, contudo, que **os documentos analisados não permitem identificar de forma detalhada a composição dessas eliminações**, tampouco **a natureza específica dos créditos e débitos intragrupo, a origem temporal das obrigações ou a eventual existência de compensações financeiras prévias**.

Tesouraria centralizada

Conforme informado pelas Recuperandas, o grupo adota modelo de **tesouraria centralizada**, caracterizado pela utilização de caixa único para a gestão de seus recursos financeiros. Tal modelo é compatível com a realização de movimentações financeiras frequentes entre as empresas do grupo, a liquidação cruzada de obrigações e a formação de saldos *intercompany* relevantes.

Não obstante, a documentação disponibilizada **não permite a verificação dos mecanismos formais de controle, segregação e rastreabilidade dessas movimentações financeiras**, tampouco dos **procedimentos internos adotados para assegurar a adequada individualização contábil das operações**.

A análise de determinados contratos bancários, cédulas de crédito, instrumentos de cessão fiduciária e letras de crédito revelou a existência de garantias cruzadas envolvendo diversas empresas do grupo econômico, com a holding figurando como garantidora de obrigações assumidas por outras sociedades. Tal prática evidencia **relevante interligação financeira entre as entidades**, ampliando a interdependência patrimonial e o compartilhamento de riscos no âmbito do grupo.

Estrutura patrimonial e transações intragrupo

As demonstrações contábeis analisadas evidenciam a existência de saldos relevantes com partes relacionadas, variações significativas nessas contas ao longo do período examinado, concentração expressiva do passivo concursal em sociedades holdings e uma estrutura operacional integrada. A natureza combinada e consolidada das demonstrações contábeis implica a eliminação dos saldos *intercompany*, o que, por consequência, impede a identificação individualizada e precisa da titularidade de determinados ativos e passivos quando analisados de forma isolada por sociedade.

Observações à luz do artigo 69-J

O artigo 69-J da Lei n. 11.101/2005, exige, para fins de consolidação substancial, a demonstração de interconexão e confusão entre ativos ou passivos, cumulada com ao menos dois dos critérios legalmente previstos.

Com base nos documentos analisados, observa-se interconexão financeira relevante, evidenciada pela existência de saldos significativos com partes relacionadas, pela adoção de tesouraria centralizada, pela identificação de garantias cruzadas e pelo volume expressivo de eliminações *intercompany*, correspondente à diferença entre aproximadamente **R$41.728.290,00** (quarenta e um bilhões, setecentos e vinte e oito milhões e duzentos e noventa mil reais) e **R$12.373.880,00** (doze bilhões, trezentos e setenta e três milhões e oitocentos e oitenta mil reais).

As garantias cruzadas referidas no inciso primeiro restaram identificadas de forma objetiva em contratos bancários, cédulas de crédito e demais instrumentos financeiros analisados, nos quais sociedades integrantes do grupo figuram como garantidoras de obrigações assumidas por outras empresas economicamente vinculadas.

A presença recorrente desse tipo de garantia evidencia assunção compartilhada de riscos financeiros e reforça a interdependência patrimonial entre as recuperandas, na medida em que o inadimplemento de uma sociedade projeta efeitos jurídicos diretos sobre o patrimônio das demais.

Quanto ao critério atinente à existência de relação de controle ou dependência, previsto no inciso segundo, cumpre consignar que tal verificação não se mostra plenamente analisável com base exclusivamente nas demonstrações contábeis disponibilizadas até o momento.

A identificação precisa desse vínculo exige o exame de documentação societária específica, tais como contratos sociais atualizados, alterações contratuais, acordos de sócios, organogramas formais de controle e eventuais instrumentos de governança corporativa, os quais não integram, de forma completa, o acervo documental ora analisado.

De igual modo, a aferição da identidade do quadro societário, prevista no inciso terceiro, não pôde ser confirmada a partir dos documentos contábeis e financeiros examinados. Tal constatação demanda a análise individualizada da composição societária de cada uma das empresas recuperandas, com a verificação de sócios, participações diretas ou indiretas, e eventuais sobreposições de titularidade, providência que depende, igualmente, de documentação registral e societária complementar.

No que concerne ao critério relativo à atuação conjunta no mercado, previsto no inciso quarto, os elementos disponíveis indicam a existência de estrutura operacional integrada, com compartilhamento de recursos, centralização de funções estratégicas e coordenação de atividades econômicas, circunstâncias compatíveis com atuação conjunta e articulada no mercado.

Não obstante, a comprovação plena desse requisito demanda documentação adicional, como contratos operacionais, instrumentos de prestação de serviços intragrupo, registros de faturamento cruzado e outros elementos que permitam demonstrar, de forma objetiva, a unidade de atuação perante terceiros.

Quadro Sintético atualizado

Elemento analisado	Evidência documental	Grau de verificabilidade	Observação técnica
Eliminações intercompany	Diferença entre QGC individual (R$ 41,7 bi) e consolidado (R$ 12,3 bi)	Verificável em valores	Natureza das eliminações não detalhada
Garantias cruzadas	Identificadas em contratos bancários	Verificável	Holding figura como garantidora
Tesouraria centralizada	Informada pelas recuperandas	Parcial	Controles internos não analisados
Saldos com partes relacionadas	Evidenciados nos balanços	Parcial	Condições e contratos não detalhados
Titularidade individual de ativos	Demonstrações consolidadas	Não verificável	Consolidação elimina segregação
Controle societário	Não evidenciado	Não verificável	Depende de documentação societária
Fluxos financeiros intragrupo	Compatíveis com caixa único	Não verificável	Requer análise bancária

Conforme acima exposto, da análise sintética dos elementos examinados, constata-se que as eliminações *intercompany* são evidenciadas pela diferença entre o Quadro Geral de Credores individual, no valor aproximado de **R$41.728.290,00** (quarenta e um bilhões, setecentos e vinte e oito milhões e duzentos e noventa mil reais), e o consolidado, no montante de cerca de **R$12.373.880,00** (doze bilhões, trezentos e setenta e três milhões e oitocentos e oitenta mil reais), sendo tal diferença

verificável em termos de valores, embora a natureza específica das eliminações não esteja detalhada.

As garantias cruzadas foram identificadas em contratos bancários, sendo verificável que a *holding* figura como garantidora. A tesouraria centralizada foi informada pelas recuperandas, porém os controles internos não foram analisados, o que confere verificabilidade parcial. Os saldos com partes relacionadas estão evidenciados nos balanços, mas as condições contratuais não foram detalhadas. A titularidade individual dos ativos não é verificável, uma vez que a consolidação elimina a segregação. O controle societário não foi evidenciado, dependendo de documentação societária específica. Por fim, os fluxos financeiros intragrupo mostram-se compatíveis com o modelo de caixa único, mas sua verificação exige análise bancária aprofundada.

À luz de todo o exposto, a equipe financeira multidisciplinar desta Administração Judicial conclui que a documentação examinada revela, de forma consistente, a existência de **elevada integração financeira entre as sociedades recuperandas**, caracterizada, dentre outros elementos, pela presença de garantias cruzadas, pela adoção de tesouraria centralizada, pela realização de eliminações intercompany de expressiva magnitude e pela concentração relevante do passivo concursal em sociedades de natureza *holding*.

Todavia, as informações atualmente disponíveis não permitem identificar de forma inequívoca a titularidade individual de ativos e passivos, tampouco confirmar ou afastar, de maneira definitiva, a ocorrência de confusão patrimonial nos exatos termos do artigo 69-J da Lei n. 11.101/2005.

CONCLUSÃO

À vista do conjunto de elementos constantes dos autos — notadamente a decisão de deferimento do processamento em consolidação substancial, as

manifestações das recuperandas, as manifestações dos credores e as informações prestadas à Administração Judicial — esta Administração Judicial Conjunta entende tecnicamente possível, necessária e pertinente a manutenção do processamento em consolidação substancial no perímetro atualmente delimitado (73 sociedades[45]), desde que a análise seja conduzida sob perspectiva sistêmica e funcional, conforme exige o art. 69-J da Lei nº 11.101/2005, especialmente quanto ao critério do "excessivo dispêndio de tempo ou de recursos".

A avaliação realizada considerou as diligências presenciais efetuadas, a estrutura organizacional constatada empiricamente, os dados contábeis examinados (consolidados e com eliminações *intercompany*), os instrumentos de financiamento vigentes e a dinâmica operacional efetiva do grupo econômico.

Feitas essas premissas, passa-se à resposta objetiva dos quesitos formulados.

(a) Quais requerentes atuam no mesmo ramo econômico ("afinidade de questões por ponto comum de fato ou de direito")?

No caso concreto, a afinidade não se restringe à identidade formal de CNAE ou à literalidade do objeto social, mas decorre da unidade funcional da cadeia de serviços ambientais estruturada nas frentes Environment e Response, que operam de forma complementar e coordenada.

Ainda que existam especializações internas — gestão de resíduos, economia circular, logística ambiental, resposta a emergências, soluções industriais, entre outras — a atuação ocorre dentro de um ecossistema operacional verticalizado,

[45] Com exceção daquela que expressamente consta apontada neste relatório, bem como eventualmente outras que se enquadrem na mesma hipótese aventada.

com mobilização cruzada de recursos humanos e materiais, compartilhamento de ativos estratégicos e coordenação centralizada.

Sob o prisma jurídico, verifica-se ponto comum de direito consistente no mesmo evento de crise econômico-financeira sistêmica, na interligação dos instrumentos de financiamento e na repercussão concursal interdependente.

No plano negocial, parcela relevante do mercado contrata considerando o grupo como unidade econômica integrada, e não a solvência isolada de determinado CNPJ, circunstância que reforça a afinidade fática e jurídica entre as sociedades inseridas na cadeia operacional principal.

(b) Quais requerentes possuem ativos ou passivos em comum (“comunhão de direitos ou obrigações relativamente à lide”)?

A comunhão relevante de direitos e obrigações evidencia-se, sobretudo, pela existência de garantias cruzadas de significativa monta, pela expressiva posição de créditos e débitos *intercompany*, pela adoção de modelo de tesouraria centralizada com circulação interna recorrente de recursos, bem como pela realização de pagamentos cruzados e utilização compartilhada de ativos entre diferentes sociedades.

Os dados contábeis analisados indicam diferença substancial entre o passivo bruto agregado e o passivo consolidado após eliminações intragrupo, demonstrando que parcela relevante do endividamento decorre de relações internas que não representam exposição perante terceiros.

Tal interconexão impacta diretamente o concurso de credores, sendo certo que a consolidação substancial, nos termos do art. 69-K, tende a eliminar duplicidades internas e conferir maior transparência à real posição de endividamento perante o mercado.

(c) Há dificuldade para individualização de ativos e passivos de cada requerente?

Há dificuldade prática relevante para individualização plena e tecnicamente segura.

A reconstrução patrimonial individualizada exigiria, para cada sociedade, rastreamento histórico detalhado de fluxos financeiros intragrupo, reprocessamento contábil das eliminações *intercompany*, análise individualizada de contratos de financiamento e garantias, bem como reconstituição das titularidades econômicas subjacentes às titularidades formais.

Não se trata de **impossibilidade lógica de segregação, mas de procedimento técnico complexo, moroso e oneroso**, especialmente diante da elevada integração operacional e financeira verificada.

(d) Há efetiva confusão de ativos e passivos entre todas as requerentes "de modo que não seja possível identificar a titularidade sem excessivo dispêndio de tempo e recursos"?

Os elementos constantes dos autos evidenciam interconexão estrutural relevante entre ativos e passivos no plano sistêmico do grupo, especialmente em razão da presença de garantias cruzadas, da interdependência financeira, da circulação interna de recursos, da governança centralizada e do compartilhamento operacional de ativos.

A identificação exaustiva e individualizada, sociedade por sociedade, com reconstituição detalhada das relações internas e externas, demandaria dispêndio técnico e temporal significativo, desproporcional à finalidade recuperacional,

enquadrando-se na hipótese prevista no caput do art. 69-J quanto ao "excessivo dispêndio de tempo ou de recursos". A interpretação do dispositivo deve ser funcional e compatível com a complexidade de grupos empresariais integrados, sob pena de esvaziamento prático do critério legal.

(e) Estão presentes, em relação a cada requerente, pelo menos duas hipóteses dos incisos do art. 69-J?

A análise recomenda distinção entre o plano sistêmico e o plano estritamente individual. No plano global do grupo, encontram-se presentes de forma reiterada garantias cruzadas relevantes, atuação conjunta no mercado, indícios consistentes de relação de controle ou dependência e identidade societária em diversas estruturas operacionais e *holdings*, o que indica a presença de múltiplas hipóteses previstas no art. 69-J no núcleo econômico relevante.

No plano estritamente individual, a documentação atualmente estruturada de forma consolidada não permite afirmar, com grau absoluto de exaustividade formal, o preenchimento cumulativo de todos os incisos para cada uma das 74 (setenta e quatro) sociedades indistintamente, sem cruzamento técnico minucioso contrato a contrato e sociedade por sociedade.

Todavia, quanto às sociedades operacionais centrais e às holdings responsáveis pela estrutura de financiamento, os elementos disponíveis revelam elevado grau de plausibilidade técnica quanto ao atendimento dos requisitos legais.

A aplicação do art. 69-J deve considerar a realidade econômica efetivamente constatada, especialmente quando a segmentação societária formal não reflete integralmente a dinâmica operacional e financeira verificada nas diligências.

CARAPETCOV
ADMINISTRAÇÃO JUDICIAL

No tocante às situações específicas examinadas, quanto à *Drypol*, as diligências técnicas realizadas indicaram inserção concreta na cadeia produtiva verticalizada e interdependência operacional e financeira compatível com a lógica sistêmica identificada, justificando, neste estágio processual, sua permanência no polo ativo.

Por outro lado, em relação à Cricare Praia Hotel Ltda., a atividade desenvolvida apresenta natureza substancialmente distinta das verticais ambientais e de resposta a emergências, não tendo sido identificados, até o momento, elementos objetivos suficientes de integração operacional ou interdependência econômica comparáveis às demais sociedades. Recomenda-se, assim, a intimação das recuperandas para apresentação de esclarecimentos e documentação complementar que demonstre eventual inserção efetiva na estrutura integrada ou permita reavaliação do perímetro subjetivo.

Diante de todo o exposto, consideradas (i) a verticalização operacional constatada empiricamente, (ii) a interdependência financeira estrutural evidenciada nos dados contábeis, (iii) a presença de garantias cruzadas e fluxos internos relevantes, (iv) a dificuldade prática de segregação patrimonial sem elevado custo técnico e (v) a atuação coordenada no mercado sob percepção de unidade econômica, esta Administração Judicial Conjunta entende que a manutenção do processamento em consolidação substancial, no perímetro atualmente delimitado, revela-se tecnicamente adequada e juridicamente sustentável no presente estágio processual, ressalvada a possibilidade de depuração pontual mediante esclarecimentos adicionais que o Juízo entenda pertinentes.

Explanation of Responses:

1. The filing of this Form 3 shall not be construed as an admission that Opportunity Private Equity Gestora de Recursos Ltda. ("OPEG") is or was for the purposes of Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise the beneficial owner of any (i) Class A Ordinary Shares, par value $0.0001 per share ("Ordinary Shares"), of Ambipar Emergency Response (the "Issuer"), or (ii) Warrants of the Issuer ("Warrants") exercisable for Class A Ordinary Shares. Pursuant to Rule 16a-1(a)(4) of the Exchange Act, OPEG disclaims such beneficial ownership, except to the extent of its pecuniary interest.

2. OPEG is the investment manager of Opportunity Dinamico Fundo de Investimento em Participacoes Multiestrategia Responsabilidade Limitada (the "Fund"), which is the direct beneficial owner of 11,810,000 Ordinary Shares and 2,280,000 Warrants. OPEG, although it directs the voting and disposition of the Ordinary Shares and Warrants held by the Fund, only receives an asset-based fee and performance fee relating to such securities.

3. Pursuant to the Warrant Agreement dated July 15, 2020, and the Form 20-F of the Issuer filed with the Securities and Exchange commission on June 24, 2025, each Warrant (i) is exercisable into one Ordinary Share at a price of $11.50, subject to adjustment as specified therein, during the period described therein and (ii) expires on March 3, 2028.

Remarks:

Victor B. Almeida, a Partner holding less than 10% of OPEG, serves as a member of the board of directors of the Issuer as the representative of OPEG. In connection therewith, OPEG may be deemed to be a director by deputization of the Issuer solely for purposes of Section 16(a) of the Exchange Act. As a result, OPEG is listed as a "Reporting Person" in Item 1 and the "Director" box is marked in Item 4 of this Form 3.

AMENDMENT NO. 1 TO FUNDING AGREEMENT

This AMENDMENT NO. 1 TO FUNDING AGREEMENT (this "Amendment") is made as of May 12, 2026, by and Ambipar Participações e Empreendimentos S.A., a Brazilian *Sociedad anonima* (the "Payor"), and Ambipar Emergency Response, Cayman Islands exempted company (the "Payee," and together with Payor, the "Parties").

RECITALS

WHEREAS, Payor and Payee entered into that certain Funding Agreement, dated as of November 17, 2025, among the Payor and Payee (as amended, restated, amended and restated, supplemented or otherwise modified prior to the date hereof, the "Funding Agreement," and the Funding Agreement as amended hereby, the "Amended Funding Agreement");

WHEREAS, the Parties have agreed, as set forth herein, to amend certain provisions of the Funding Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE I.

DEFINITIONS AND REFERENCES

Section 1.1. Defined Terms. Unless the context otherwise requires or unless otherwise expressly defined herein, the terms defined in the Funding Agreement shall have the same meanings whenever used in this Amendment. Unless otherwise specified, all section references in this Amendment refer to sections of the Funding Agreement.

ARTICLE II.

AMENDMENTS TO, AND ACKNOWLEDGEMENTS UNDER, FUNDING AGREEMENT

Section 2.1. Conditions to Payment. Clause (iii) of Section 2(d) of the Funding Agreement is hereby amended by striking "$3,000,000" and replacing it with "$5,500,000".

Section 2.2. The Parties each hereby acknowledge that, for the avoidance of doubt, all Payments made under the Funding Agreement prior to the date hereof shall be counted toward the limit set forth in clause (iii) of Section 2(d) of the Amended Funding Agreement.

Docusign Envelope ID: F589C89C-09F8-4F58-99CB-39918E709140

ARTICLE III.

MISCELLANEOUS

Section 3.1. Reaffirmation. By signing this Amendment, each Party hereby confirms that its obligations and liabilities under the Funding Agreement remain in full force and effect on a continuous basis after giving effect to this Amendment.

Section 3.2. Governing Law; Submission to Jurisdiction. Section 8 of the Funding Agreement shall each apply to this Amendment, *mutatis mutandis.*

Section 3.3. Counterparts; Electronic Execution. This Amendment may be executed in separate counterparts, each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Amendment constitutes the entire contract among the parties hereto relating to the subject matter hereof. This Amendment shall become effective when it shall have been executed by each party hereto and each party hereto shall have received counterparts hereof which, when taken together, bear the signatures of each of party hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Amendment by telecopy, .pdf or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Amendment.

THIS AMENDMENT REPRESENTS THE FINAL AGREEMENT AMONG THE PARTIES HERETO AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS BETWEEN OR AMONG THE PARTIES HERETO.

[*The remainder of this page has been intentionally left blank.*]

having been provided, and it appearing that no other or further notice need be provided; and this Court having reviewed the Motion; and a hearing, if any, having been held to consider the relief requested in the Motion; and all objections, if any, to the Motion having been withdrawn, resolved, or overruled; and this Court having determined that the legal and factual bases set forth in the Motion establish just cause for the relief granted herein; and it appearing that the relief requested in the Motion is in the best interests of the Debtor and its estate and creditors; and upon all of the proceedings had before this Court and after due deliberation and sufficient cause appearing therefor, it is **HEREBY ORDERED THAT**:

1. The Motion is granted as set forth herein.

2. The Stipulation shall be binding solely on the Parties (as defined in the Stipulation); provided that this Order does not approve the terms of any chapter 11 plan or disclosure statement in support thereof, establish the allowed amount of any party's claim, or provide for the treatment of any such claims, and the rights of all parties in interest with respect to such matters shall be fully preserved.

3. Pursuant to section 1121(d) of the Bankruptcy Code, the Debtor's Filing Exclusivity Period in which to file a chapter 11 plan is extended through and including June 1, 2026.

4. Pursuant to section 1121(d) of the Bankruptcy Code, the Debtor's Solicitation Exclusivity Period in which to solicit acceptances of its chapter 11 plan is extended through and including July 1, 2026.

5. The extensions of the Exclusivity Periods granted herein shall immediately terminate upon a determination by this Court (after notice and a hearing, which may occur on shortened notice) that the Debtor has breached the Stipulation.

6. In the event of any conflict between the Motion and this Order, the terms of this Order shall control. In the event of any conflict between the Stipulation and this Order, the terms of this Order shall control.

7. Notice of the Motion as provided therein shall be deemed good and sufficient notice of such Motion, and the requirements of the Bankruptcy Rules, the Bankruptcy Local Rules, and the *Procedures for Complex Cases in the Southern District of Texas* are satisfied by such notice.

8. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

9. All time periods set forth in this Order shall be calculated in accordance with Bankruptcy Rule 9006(a).

10. The Debtor is authorized to take all steps necessary or appropriate to carry out the relief granted in this Order.

11. The Debtor shall be authorized to file a chapter 11 plan consistent with the terms of the Stipulation.

12. This Order is effective immediately upon entry by the Court and is not subject to the fourteen-day stay provided for in Federal Rule of Bankruptcy Procedure 4001(a)(3).

13. This Court retains jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

FOR THE SOUTHERN DISTRICT OF TEXAS
HOUSTON DIVISION

In re:	)	Chapter 11
AMBIPAR EMERGENCY RESPONSE,	)	Case No. 25-90524 (ARP)
Debtor.[1]	)	

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTOR'S MONTHLY OPERATING REPORT FOR THE PERIOD OF JUNE 1, 2026, THROUGH JUNE 30, 2026

On October 20, 2025 (the "Petition Date"), Ambipar Emergency Response, the above-captioned debtor and debtor in possession (the "Debtor") filed a voluntary petition in the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") commencing a case for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Debtor is managing its assets as a debtor in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in this chapter 11 case.

Further information about the Debtor, including factual background regarding its business, capital structure, and debt obligations, and the events leading to the filing of this chapter 11 case, is set forth in the *Amended Declaration of Thiago da Costa Silva in Support of Chapter 11 Petition* [Docket No. 15] (the "First Day Declaration").

The Debtor has prepared and filed the attached monthly operating report and the exhibits thereto (the "MOR") for the period including June 1, 2026, through June 30, 2026 (the "Reporting Period") solely for the purpose of complying with the monthly reporting requirements applicable in the Debtor's chapter 11 case and the instructions provided by the U.S. Trustee.

The Debtor has historically prepared consolidated quarterly and annual financial statements in accordance with the International Financial Reporting Standards ("IFRS") issued by the International Accounting Standards Board. The financial information contained herein is limited in scope, covers a limited time period, and is presented on a preliminary and unaudited basis. As such, the MOR has not been subject to procedures that would typically be applied to financial statements prepared in accordance with IFRS or any other accounting standards or principles, nor does the MOR include all of the information and footnotes required by any such accounting standards or principles. Upon the application of such procedures, the financial information could be subject to changes, which could be material. The MOR neither purports to represent financial statements prepared in accordance with IFRS or any other accounting standards

[1] The last four digits of the Debtor's taxpayer identification number are 0623. The Debtor's address is P.O. Box 10008, Willow House, Cricket Square, Grand Cayman, KY1-1001, Cayman Islands.

DX-027

or principles, nor is it intended to be fully reconciled with the financial statements of the Debtor.

Solely to comply with its obligations to provide MORs during this chapter 11 case, the Debtor has prepared this MOR using the best information presently available to it, which has been collected, maintained, and prepared in accordance with its historical accounting practices. Wherever available or practicable to prepare, the Debtor has used information for the Reporting Period; where such information is not presently available or practicable to prepare, the Debtor has used the most recent information presently available or practicable to prepare. The MOR generally reflects the operations and financial position of the Debtor on a non-consolidated basis, in a form not maintained by the Debtor in the ordinary course of business, and is not intended to fully reconcile to the consolidated financial statements prepared by the Debtor. Accordingly, the amounts listed in the MOR will likely differ, at times materially, from the Debtor's historical consolidated financial reports. Because the Debtor's accounting systems, policies, and practices were developed to produce consolidated financial statements, rather than financial statements for the single Debtor legal entity, it is possible that not all assets, liabilities, income, or expenses have been recorded.

The results of operations and financial position contained herein are not necessarily indicative of results that may be expected for any period other than the Reporting Period and may not necessarily reflect the Debtor's future consolidated results of operations and financial position. Unless otherwise noted herein, the MOR generally reflects the Debtor's books and records and financial activity occurring during the Reporting Period. Except as may be otherwise noted, no adjustments have been made for activity occurring after the close of the Reporting Period.

The MOR should not be relied upon by any persons for information relating to current or future financial condition, events, or performance of the Debtor or its affiliates, as the results of operations contained herein are not necessarily indicative of results which may be expected from any other period or for the full year, and may not necessarily reflect the combined results of operations, financial position, and schedule of receipts and disbursements in the future of the Debtor and its affiliates. The MOR presents the Debtor's best estimates for the Reporting Period, but there can be no assurance that such information is complete, and the MOR may be subject to material amendment, modification, or supplement. These notes, statements, and limitations should be referred to, and referenced in connection with, any review of the MOR, of which they comprise an integral and material part.

RESERVATION OF RIGHTS

The information furnished in this MOR includes normal recurring adjustments but does not include all of the adjustments that typically would be made for interim financial statements presented in accordance with IFRS or any other accounting standards or principles. Although the Debtor made commercially reasonable efforts to ensure the accuracy and completeness of the MOR, inadvertent errors or omissions may exist. Accordingly, the Debtor hereby reserves all rights to dispute the validity, status, enforceability, or executory nature of any claim amount, agreement, representation, or other statement set forth in this MOR. Further, the Debtor reserves the right to amend, modify, or supplement this MOR in all respects, if necessary or appropriate, but undertakes no obligation to do so. Nothing contained in this MOR shall constitute a waiver of any of the Debtor's rights or an admission with respect any matter.

For the reasons discussed above, there can be no assurance that the non-consolidated financial information presented herein is complete, and readers are cautioned not to rely on the MOR for any reason.

The financial statements of the Debtor's non-debtor affiliates have not been included in the MOR. Unless otherwise indicated, all amounts in the MOR are reflected in U.S. Dollars rounded to the nearest Dollar. The Debtor conducts business in multiple currencies. Solely for the purpose of preparing the MOR, non-U.S. currency amounts have been translated using publicly available prevailing foreign exchange rates as of June 30, 2026. Such translations are provided for illustrative purposes only and may differ materially from both current market values and values at the time of the transactions described in the MOR. Due to the fluctuations in exchange rates, the individual translation of specific accounts may not perfectly "balance" or "tie" to other amounts set forth in the MOR. Subtotals may differ from the summation of numbers presented. In any case, the original currency of any transaction described in the MOR shall control.

On October 30, 2025, the Brazilian Court entered an order (the "Consolidation Order") in the "RJ Proceedings" substantively consolidating the Debtor with the other "RJ Parties" (each as defined in the First Day Declaration). The Consolidation Order, as well as the scope of relief granted thereunder, is subject to challenge and appeal by certain parties to the RJ Proceedings. The Debtor has prepared this MOR on the basis that it has not been consolidated with the other RJ Parties.

SUPPORTING DOCUMENTATION AND CERTAIN ADJUSTMENTS, LIMITATIONS, METHODOLOGY, AND DISCLAIMERS

While the Debtor does not restate the above notes and reservations of rights in their entirety here, such notes and reservations apply to the entire MOR and each individual response or other item included in the MOR. In addition to such notes and reservations, the Debtor offers the following explanatory notes.

Statement of Cash Receipts and Disbursements. Reported cash receipts and disbursements exclude intercompany transactions, as provided in the instructions to the MOR. For additional information on ending cash balances per the Debtor's books and records, see the attached cash balances in the statement of cash receipts and disbursements.

Balance Sheet. As noted above, the Debtor has historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtor continues to prepare and report financials in the ordinary course of business. This MOR is prepared on a single-entity basis. To prepare a balance sheet for the Debtor solely for the purpose of complying with the monthly operating requirements applicable in this chapter 11 case and the instructions provided by the U.S. Trustee, the Debtor made certain adjustments to its consolidating balance sheet, including but not limited to the reclassification of certain balances.

Income Statement. As noted above, the Debtor has historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtor continues to prepare and report financials in the ordinary course of business. This MOR is prepared on a single-entity basis. To prepare an income statement for the Debtor solely for the purpose of complying with the

monthly operating requirements applicable in this chapter 11 case and the instructions provided by the U.S. Trustee, the Debtor made certain adjustments to its consolidating profits and loss statements, including but not limited to the reclassification of certain balances and exclusion of certain consolidation and equity-method accounting items.

Reporting Period. The Debtor's books and records reflect activity for the Reporting Period. Unless otherwise noted, no adjustments have been made for activity occurring after the close of the Reporting Period.

Part 1. Cash Receipts and Disbursements.

- Cash balances are reported based on the Debtor's bank statements. Reconciliation differences may exist between bank statement balances and balance sheet cash balances due to ordinary-course timing differences between payment execution in the Debtor's financial system and disbursement of funds from the Debtor's bank account.

Part 2. Asset and Liability Status.

- Total assets (item 2(e)). The Debtor has not historically and does not now reflect intercompany loans on its balance sheet, in accordance with IFRS standards. Accordingly, any such loans are excluded from this MOR.

- Postpetition payables (excluding taxes) (item 2(f)). Consistent with the Debtor's historical accounting practices, there are no postpetition payables (excluding taxes) for which the Debtor maintains an accrual. Accordingly, item 2(f) has been reported as $0 in this MOR.

- Prepetition secured debt (item 2(k)). The Debtor has no outstanding secured debt, and this item has accordingly been reported as zero.

- Prepetition priority debt (item 2(l)). The Debtor has not historically and does not now maintain records of any claims entitled to priority under the Bankruptcy Code. Nonetheless, the Debtor does not believe it is obligated on any obligations entitled to priority under the Bankruptcy Code, and this item has accordingly been reported as zero.

- Prepetition unsecured debt and total liabilities (debt) (items 2(m) and 2(n)). The Debtor's prepetition unsecured debt consists of the Debtor's limited guarantees of the "Green Notes" (as defined in the First Day Declaration), the Debtor's guarantee of certain currency swaps, intercompany loans, and certain accounting reserves relating to the potential exercise of warrants issued by the Debtor.[2] The Debtor has not historically and does not now reflect certain obligations on its balance sheet, in accordance with IFRS standards; however, solely for purposes of this MOR, the approximate maximum amounts under the Debtor's guarantees of the Green Notes are included in items 2(m) and 2(n). Such obligations

[2] The October Monthly Operating Report [Docket No. 50] included less than the potential maximum liability related to the Debtor's limited guarantees of the "Green Notes". This MOR reflects the potential full amounts, which remain contingent and unliquidated, and inclusion of such obligation herein does not constitute an admission of liability by the Debtor, and the Debtor reserves all rights.

remain contingent and unliquidated and are included for illustrative purposes only; the inclusion of such obligations does not constitute an admission of liability by the Debtor, and the Debtor reserves all rights. A detailed description of the Debtor's capital structure and debt obligations is set forth in the First Day Declaration.

Part 4. Income Statement.

- As noted above, the Debtor has historically prepared financial statements on a consolidated basis, and it is on this basis that the Debtor continues to prepare and report financials in the ordinary course of business. This MOR is prepared on a single-entity basis. To prepare an income statement for the Debtor solely for the purpose of complying with the monthly operating requirements applicable in this chapter 11 case and the instructions provided by the U.S. Trustee, the Debtor made certain adjustments to its consolidating profits and loss statements, including but not limited to the reclassification of certain balances and exclusion of certain consolidation and equity-method accounting items. The Debtor's responses to Part 4 reflect such adjustments.

- Reorganization items (item 4(j)). The Debtor has not historically and does not now maintain records of reorganization items, since "reorganization items" is not a principle recognized under IFRS. Solely for purposes of preparing this MOR and submitting a response for item 4(j), the Debtor has determined "reorganization items" comprised of certain expenses incurred as a result of filing the chapter 11 cases, including the expenses of chapter 11 professionals. The amounts reported in item 4(j) are recorded in the Debtor's income statements under "selling, general and administrative expenses."

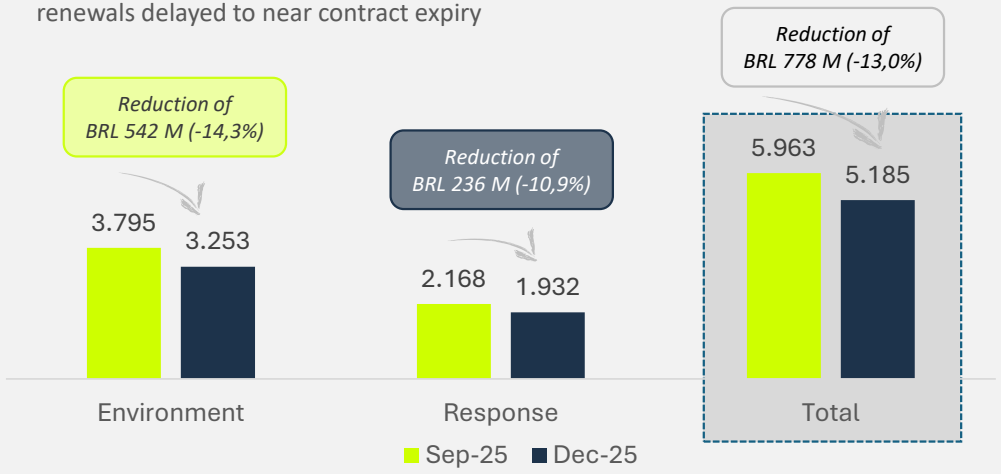
Ambipar Group | Business Stability, Market Perception and Restructuring Path Forward

- **Ambipar filed for a Pre-Injunction in Brazil on September 24th, 2025, and a Judicial Recovery on October 20th, 2025**, covering the Brazilian entities within the Environment and Response verticals. On the same date, **Ambipar Emergency Response voluntarily commenced Chapter 11** proceedings in the U.S. **The remaining international operations remained** outside the Brazilian restructuring perimeter.
- The decision to keep the **international operations outside** the **process proved appropriate**, preventing any material operational disruption to those units. As of now, the **business is stable, and impacts have been limited**, primarily reflected in a slowdown in new bids and the non-renewal of certain contracts.
- **In Brazil**, in addition to the impacts observed internationally, the Company has **faced a reputational challenge**, in view of significant negative media exposure. **Clients remain cautious** regarding its financial health and operational continuity. Furthermore, some clients **have reassessed their operational reliance** on environment and response and have started seeking alternative service providers at least as an option.
- To date, the **most significant impact** has been observed **in the Environmental** Operations segment, with key **contracts** being either **terminated or resized** to reduce clients' exposure**. A contraction** in the Environmental business segment **is still expected** in the short-term.
- **Despite this impact**, certain major **clients have proactively engaged** with Ambipar **to better understand** the associated **risks** and have demonstrated willingness to reinstate contracts, **recognizing** the Company's service **quality, operational scale, and capability** to meet the demands of large corporations.
- **In this context**, Ambipar understands that a **rapid approval of the Judicial Recovery Plan is relevant** to reduce clients' risk perception, restore commercial confidence, and enable the Company to resume its growth and expansion trajectory.



Ambipar Brazil | Contracts Backlog

Following the filing for judicial reorganization, the Company experienced a decline in its contract backlog, due to contracts cancellation and backlog consumption (normal course of business). The most significant impacts are being observed in the Environment business

Contracts Backlog - Brazil (BRLm)

Following the JR filing, Ambipar had **~BRL 800 million backlog reduction**, of which **~40%** was due to **contracts cancellation (all Environment segment related)** and the **remainder** related to **backlog consumption** (contractual term, without any early renewal)

- Environment: (i) global companies' **risk mitigation policies** (expected recovery post-Plan approval) and (ii) **replacement** of Ambipar by **various regional companies** (likely to return due to lack of standardization and inferior service quality)
- Response: Ambipar is well-positioned in Brazil, making replacement more difficult. Although, JR has made clients more cautious about early renewals (standard practice) – renewals delayed to near contract expiry

Comments

Environment

- Backlog reduction related to BRL 320m in contracts cancellation and BRL 222m in backlog consumption
  - Waste management: BRL 236m backlog reduction, of which BRL 57m relates to electronic waste-related with contracts difficult to reverse
  - Mining: BRL 181m backlog reduction, of which BRL 100m with relevant player in Minas Gerais State (Ambipar is still operating and replacing it should not be a simple task)
- Although the Company has been securing new contracts, volumes are expected to decline in the short term, with no significant pricing adjustments to maintain competitiveness.

Response

- Backlog reduction due to normal backlog consumption (contractual terms - no contracts cancellation). These contracts typically feature early renewals, but clients have been more cautious post-JR, avoiding early renewals.
  - Air support emergency and fire response (BRL 71m) and industrial (BRL 54m) contracts
- Regulatory requirements and Ambipar's nationwide footprint make switching service providers more difficult.

Notes: Managerial and non-audited information

Ambipar Group | Competitive Advantages and Unique Value Proposition

Broad and highly complementary portfolio of synergistic services, supported by a robust know-how reinforces differentiation and creates significant barriers to entry

Company Highlights

- Irreplicable platform consisting of +600 bases, present in 23 different countries, with a highly skilled technical team and unique industry expertise, offering a comprehensive solution and superior value proposition to clients
- Longstanding commercial relationships with 25k+ clients, most of them with long-term contracts and relevant switching costs
- Complete mastery of the regulatory environment, positioning the Company as the first call for local public authorities and global companies seeking best practices
- Ambipar is well positioned to capture significant growth opportunities across its platform and key geographies, supported by a scalable and diversified business model

Environment & Response – Avenues for Organic Growth

ambipar environment

- **Know-How**: Significant untapped operations across multiple sectors and clients, offering in-house solutions to meet their demands with exclusive Ambipar know-how (end-to-end process), thereby creating a natural entry barrier for competitors
- **Cross-Selling**: Emergency waste originated in Response occurrences generate environmental treatment, recovery and waste management demands, creating a natural in house pathway to expand service scope while delivering a vertically integrated solution

ambipar response

- **Brazil**: Response holds a significant position as the market leader and a key reference for local authorities, both in training public officials and in supporting real emergency occurrences, reinforcing its technical credibility, operational readiness, and long-term institutional relationships
- **USA**: The Company operates in a large and fragmented market, which has driven its strategy of acquiring multiple regional players, with the objective of building an operational hub as its Brazil operations

Ambipar Group | Management Perspective (Organic Growth) – Brazil

Environment Brazil is expected to see revenue contraction in 2026, with gradual volume recovery from 2027 onward, while Response should remain resilient given its structure, capillarity, and high barriers to entry

Brazil – Judicial Recovery Perimeter

ambipar environment

Brazil

Overall, **2026 is expected** to be a year of **volume and revenue contraction** due to JR impacts (market challenge). From **2027 onwards**, the Company foresees to **resume real growth through 2030**, gradually increasing its volume. **EBITDA margin** is projected to **expand through 2030**, primarily driven by **optimized structure and reduced operational costs**

- **Recyclable Materials:** The core of Environment business has been impacted by the termination of some contracts, with a significant reduction in volume expected. From 2027 onwards, it is projected to grow faster than other services.
- **Movement:** The business has been impacted by the termination of key contracts, with a foreseen significant volume reduction in 2026 and modest volume growth between 2027 and 2030
- **Effluents:** The newest business of Ambipar is supposed to have lower impacts (no volume reduction in 2026)
- **Decarbonization:** Disregarding the new project pipeline, the Company does not expect to secure new contracts in the short-term, resulting in lower revenue levels throughout the forecast period

ambipar response

Brazil

Given **Ambipar's relevant market share**, its **structure, capillarity**, and **high entry barriers for competitors**, management does **not expect significant impacts on revenue** levels throughout the forecast period, with conservative real growth through 2030. **EBITDA** margin is expected to expand, primarily driven by lower structure and operational costs.

Ambipar Group | Management Perspective (Organic Growth) – Foreign Entities

Foreign operations have been less impacted than Brazil and are expected to drive revenue and margin expansion from 2026, led by North America

Foreign Entities – Out of Judicial Recovery Perimeter

ambipar environment / ambipar response — Latin America

Environment (Chile and Peru focus): **Lower gross margin than Brazil** due to the **absence of a manufacturing industry** (focus on waste management in mines and installation of portable toilets). **Significant investment in GIRI** [1] (high idle capacity ~ 90%) awaiting the reverse logistics bidding process in Chile (Re-Simple expected in 2026) **to increase capacity utilization.**

- GIRI has a capacity of 60 kt/year and is expected to double Ambipar's recyclable capacity utilization in LatAm following its full ramp-up. The bidding processes have not been scheduled and, at this time, its expected in 2026

Response: **Focused** on **Emergency Response mainly in Chile, Peru and Colombia**. No margin growth expectation.

ambipar response — North America

- **Operation has recently changed its management** and is **confident** in its **operational improvement strategy and margin expansion** (cost reduction, negotiation of leasing contracts and integration of M&A transactions - family-owned companies with complementary portfolios).
- Company's **focus** is on **diversifying services** within the states where it operates and expansion to new locations (New Orleans / Tulsa), **capacitating the entire Company to perform** the **activities of the newly acquired portfolios**, in addition to ongoing operational enhancements.
- Despite the expected improvements, the operation is likely to maintain **EBITDA margins below the rest of Ambipar's businesses,** given its exposure to **highly competitive regional markets** (market leader has only 4-5% share).

ambipar response — Europe

Europe has **a well-structured operation in a mature market,** with room for real growth and margin improvement, remaining the **most profitable operation outside Brazil**.

- England: maritime (oil spill) + rail / Ireland: industrial cleaning / Spain: maritime.

Notes: (1) Waste sorting, pre-treatment, and preparation plant for recycling, located in Santiago (Chile)

Ambipar Environment | Pipeline – New Revenue Lines (Decarbonization)

Ambipar maintains a robust decarbonization project pipeline, positioning the Company to capture growing demand across multiple industrial sectors driven by ESG commitments

1 Decarbonization I Carbon Credit Value

Brazil

The Company evaluated 17 potential carbon credit projects (ARR and REDD+) [1]. Over a 10-year period, the projected discounted cash flow is estimated to range between BRL 5.5 billion and BRL 8.3 billion (Ambipar secures a percentage depending on the terms of each partnership agreement)

Strong Demand

Companies are currently demonstrating a strong commitment to ESG and climate-related goals, driven by increasing global pressure from regulators, investors, and society

Incentives to participate in the carbon neutrality value chain

Solution

Nature Based Solutions (ARR and REDD+) [1]

Ambipar's positioning and associated benefits

Recognized multiple times as a **leading developer** of forest carbon projects (REDD+ and ARR) [1], with proven know-how since 2008 and several **international recognitions** (including VERRA certifications)

Integration with the Ambipar Ecosystem: It is integrated into a comprehensive environmental solutions chain, enabling the group to offer **services ranging from waste management to full carbon footprint offsetting**

Ambipar maintains a **robust pipeline of 17 projects** in one of the company's **highest-margin business line** and has the potential to gain greater representativeness within the overall business

Notes: (1) ARR: Afforestation, Reforestation, and Revegetation ; REDD+: Reduction of Emissions from Deforestation and Forest Degradation

Ambipar Response I Pipeline – New Revenue Lines (1/2)

Response currently has four major new projects in its pipeline, with potential USD 60 million annual EBITDA (~50% Company EBITDA increase). Up to USD 155 million in Capex is required, and securing financing is crucial for Ambipar to execute these projects

1 A-Port
Brazil

Offshore logistics infrastructure and environmental services platform at Porto do Açu (Rio de Janeiro / Brazil), including decommissioning, storage, subsea construction support, etc

Comments

(A) Judicial Claims: quotas of a fund whose assets were investments (CDBs) with financial institutions up to early September and subsequently replaced by *pré-precatórios* federal claims in the amount of BRL 1.2 bi (face value)

(B) Credit Rights: quotas of fund Fênix FIDC. The reduction in the asset's line as of Dec-25 corresponds to a BRL 761m write-off that resulted from a provision for a significant portion of the credit rights that are assets of the FIDC, as they relate to a company currently under JR (Ambipar). This adjustment therefore has a corresponding impact on P&L, but no cash effect

(C) Financial investments in second tier banks: Investments held in a financial institution currently undergoing regulatory liquidation process (Liquidation has not started as of December 2025)

(D) Cash Collateral Deposits: cash deposits posted as counter guarantee in connection with derivatives transactions. In the Company`s understanding, the credits related to such derivatives transactions are subject to the JR proceeding, and the Company is seeking a court order to release these cash deposits

(E) Other Investment Funds: BRL 33m representing a 40% stake in Parquetur (support services for natural parks visitation, focused on nature conservation and protection); and BRL 533m, equivalent to 23% of EMAE's share capital (EMAE3:B3) [3] [4]

Ambipar Group | Corporate Structure

The Ambipar Group operates through a corporate structure organized into two operational verticals - Environment and Response

Summary Corporate Structure

Comments

- Ambipar filed for Judicial Recovery in Brazil on October 20th 2025, covering the Brazilian operational entities within the Environment and Response verticals, while keeping the remaining international operations outside the restructuring perimeter
- Certain subsidiary entities were not included in the JR proceedings. The determination of the restructuring perimeter resulted from a detailed, non-cumulative assessment of several factors, including: (i) the group's corporate structure; (ii) the debt profile and guarantee arrangements across the group and at the level of each subsidiary; (iii) the activities and specific characteristics of each entity; and (iv) the existence of cross-guarantees and the potential acceleration of significant financial obligations
- Foreign subsidiaries were excluded from the perimeter of the JR/Chapter 11 as they did not require judicial protection to maintain operational continuity. Including these entities would have caused unnecessary commercial disruption, risk termination of strategic contracts, and jeopardize critical bank guarantee arrangements in jurisdictions such as Chile. Maintaining the autonomy of international operations preserves value for all stakeholders while allowing for direct negotiations with creditors to regularize obligations.

Notes: (1) Includes all debts under Judicial Recovery (financial, suppliers, labor, etc.). Does not consider guarantees (aval) posted by Ambipar Participações and Emergência Participações to BTG Chile (USD 36m - Environment) and Itaú USA (USD 119m - Response), respectively. It does not consider intercompany amounts | (2) USD / BRL = 5,3112 (09/23/2025)

Comments

(A) Judicial Recovery Debt: The JR debt predominantly arises from financial liabilities and is largely concentrated in the holding companies. Ambipar does not recognize the existence of creditors in Class II (secured creditors), and therefore, all JR claims are considered unsecured

(B) BR Non-Subject Debts: The Company has outstanding balances related to the financing and leasing of trucks and equipment used in its operations, with the respective assets pledged as collateral. In certain cases, the return of unused trucks is being negotiated in exchange for a reduction of the outstanding payment obligations

(C) Debt in Foreign Entities: Outside the perimeter of the Judicial Recovery, the Company has outstanding balances in its North America (approx. BRL 594 million), LATAM (approx. BRL 372 million), and Europe (approx. BRL 14 million) operations

- LATAM: debt mainly maturing from 2028 onwards, with an average interest rates estimated in 8,2%

Notes: (1) BRL / USD = 5,3112 (09/23/2025); Does not consider tax installments and intercompany amounts. | (2)) Includes Ambp Part. Empreend., Ambp Incorp. Comments

- Since the Pre-Injunction filing, the only equity interest transfers completed relate to minority stakes in the Group's subsidiaries, resulting in 100% ownership, in compliance with pre-existing agreements. The related liabilities were included in the Judicial Recovery (to be paid accordingly with the JR Plan)
- Other claims (~BRL 110m) classified as M&A claims in the List of Creditors, but not comprised in the table, are related to earn-outs and other commitments set out in the SPAs. Additionally, certain liabilities related to the acquisition of equity interests remain illiquid. Once liquid, they will be added to the amounts presented in the table and settled in accordance with the Judicial Restructuring Plan

Ambipar Group | Financial Projections – Main Assumptions (without New Revenue Lines)

No significant growth is considered for 2026, as the operations in Brazil — particularly in Environment — are affected by the Judicial Reorganization process. Operations in the U.S. and Europe are expected to contribute positively to the consolidated results

Topic	Main Assumptions
Revenue [1] (Market challenge in 2026 and growth from 2027 onwards)	• In general, **the Environment operations have been more affected** by the JR process, with their **size in Brazil expected to decline** by 12% YoY in 2026 (mainly due to volume decrease in Recycled Materials and Movement). **Following Plan approval**, the business is **expected to resume growth** (modest volume growth with an annual inflation price adjustment) driven by improved client confidence. • Response operations **have been less impacted** than Environment and are **expected to grow** (modest utilization rate increase with an annual inflation price adjustment) **from 2026 onwards**, with **highlight** to the **US operation.**
COGS (Labor-intensive business)	• Both **Environment and Response are labor-intensive businesses**, with (i) **personnel costs** representing approximately **50%–60%** of total COGS and (ii) **third-party services** (specialized labor, **~15%–20%**).
Leasing Costs [1] (Ongoing negotiations with suppliers)	• The Company incurs lease expenses related to truck, equipment, and real estate leases, which support the continuity of its operations. • In Brazil, the Company has **been implementing measures to reduce lease-related expenses (ongoing negotiations)** by returning underutilized vehicles and equipment and renegotiating monthly payments. These measures are **expected to have a significant positive impact starting in 2026**.
EBITDA and EBITDA Margin (Margin expansion due to cost reductions)	• **Brazil**: **Recurring EBITDA margins expansion expected from 2026 onwards**, driven by **leasing cost renegotiations**. By 2031, when the businesses reach maturity, Environment is foreseen to achieve ~20% EBITDA margin and Response 23% • **North America**: The region is expected to **deliver the most significant EBITDA margin ramp-up**, increasing from zero in 2025 to 13% in 2030. These improvements relate to new management's operational initiatives (topline expansion and costs / leasing reductions) • **Europe and LatAm**: no significant changes for both regions
Capex (Lower expansion capex expected)	• **Expansion capex** (fleet acquisition / new facilities) **is not expected to represent a material cash outflow**, given the maintenance of the current structure • **Maintenance capex (truck / equipment maintenance)** around 6% of Net Revenue for Environment and Response
Working Capital (Supplier payment terms reduction)	• **Accounts Payable**: **Shorter payment terms** (most of them in advance / upfront) with suppliers since the JR filing. With **Plan approval** and strengthened partnerships with strategic suppliers, **payment terms are expected to return to historical levels** (~70 days in Response and 65 in Environment). • **Accounts Receivables and Inventory**: **No material changes** in days outstanding are expected throughout the forecast period

Notes: (1) All prices are indexed to inflation in their respective regions and to FX fluctuations

Comments

(A) Mecbrum Effects: Exclusion of Mecbrum, material handling segment company, from Ambipar's consolidated results, due to the non-fulfillment of precedent conditions of the transaction. Therefore, its contributions are not considered in Ambipar's forecast.

(B) Asset Sales: Gains from asset sales executed above their book value contributed the results in 1S25. This assumption is not considered in the projections, since the fleet is gradually renewed (only maintenance capex considered).

(C) Liabilities Write-off: Agreement at Witt O'Brien's' level involving the write-off of liabilities related to the transfer of receivables to WOB's former shareholders at a discount

(D) Consolidation Impacts: Positive effect arising from the consideration of 100% of the results of acquired companies, whereas, from an accounting perspective, only the months following the effective consolidation are recognized.

Ambipar Group | P&L Projections – Short Term

No significant growth is considered for 2026, as the operations in Brazil — particularly in Environment — are affected by the Judicial Reorganization process. U.S. and Europe operations are expected to contribute positively to the consolidated results

Comments

(A) **Net Revenue Growth:** Environment business in Brazil has been impacted by the JR process, leading to a slight revenue decrease (termination of contracts), while the Response business, particularly in the US, considers a top line growth driven by operations in new locations.

(B) **EBITDA IFRS:** Margins remain stable driven by the performance of operations outside of Brazil, particularly in the US and Europe, which are expected to show efficiency gains and more stable commercial dynamics compared to the Brazilian operations (JR impacts).

(C) **Lease Contract Expenses:** Truck and equipment leasing expenses. The Company has been implementing measures to reduce lease-related expenses by returning underutilized vehicles and equipment and renegotiating monthly payments (ongoing negotiations).

(D) **Recurring EBITDA:** Improvement in the EBITDA margin is expected mainly from cost-reduction efforts on lease contracts (ongoing discussions).

(E) **EBITDA Margin by Region:** Excluding Brazil, the European operation is more structured and shows the highest expected EBITDA margin for 2026. Despite the impacts of the JR process on operations in Brazil, margins in the Environment and Response businesses remains higher than the others, reflecting greater business maturity and a more favorable competitive landscape.

Ambipar Group | P&L Projections – Consolidated

In the long term, the Company stabilizes with an IFRS EBITDA margin of 23.6%, driven mainly by operational improvements in Response and the recovery of the Environment business following the approval of the JR Plan

Comments

(A) **Long-Term Revenue Growth:** Modest volume and utilization rate growth with annual inflation price adjustments, from 2027 to 2030, and growth equivalent to inflation from 2031 onwards. Response segment surpasses Environment in size, primarily driven by (i) foreign operations expansion and (ii) expected revenue decline in Environment in 2026.

(B) **Recurring EBITDA IFRS:** The Company is expecting to deliver a ramp-up in EBITDA margin through 2030, primarily driven by efforts to improve operational performance, reaching higher levels in Response compared to 2025 and similar levels in Environment.

(C) **Leasing Costs:** Truck and equipment leasing expenses. After the expected reduction in leasing costs in 2026 (ongoing negotiation), it is adjusted by inflation in the following years.

(D) **Recurring EBITDA:** The Company is expecting to deliver a significant margin increase compared to 2025, mainly by leasing costs reduction and margin increase in the US operation.

Ambipar Group | P&L Projections - Environment

Environment business has been significantly impacted by the JR, with a reduction in scale expected for 2026. Following the JR Plan approval, it is expected to resume growth and stabilize its IFRS EBITDA margin at 25.0% in the long term

Comments

(A) **Long-Term Revenue Growth:** Modest volume growth with annual inflation price adjustments, from 2027 to 2030, and growth equivalent to inflation from 2031 onwards. The Company expects a 12% top-line reduction in its Brazilian operations for 2026 and a marginal increase in its LatAm operations

- Brazil: Contracts prices indexed to IPCA
- LatAm: Contracts prices indexed to CPI LatAm

(B) **Recurring EBITDA IFRS:** Despite stronger LatAm margin expansion (driven by improved GIRI utilization and business maturity), it fails to offset Brazil's margin decline, resulting a run-rate margin slightly below 2025 levels for the Environment business.

(C) **Recurring EBITDA:** Expected leasing cost reductions should offset JR operational impacts, driving consolidated and regional run-rate margins above 2025 levels.

Ambipar Group | P&L Projections - Response

The Response business, less impacted by JR, is expected to deliver short-term IFRS EBITDA margin expansion and to stabilize at ~22.3% run-rate margin

Comments

(A) **Long-Term Revenue Growth:** North America operations are foreseen to achieve the most significant growth ($CAGR_{27-30}$: 7.7%), driven by US operations, emerging as the largest segment and overtaking Brazil in scale. Operations in North America and Europe (6.1%) present a higher CAGR than Brazil (4.1%) due to their earlier stage of maturity and greater room for growth

- Brazil: Contracts prices indexed to IPCA
- North America, LatAm and Europe: Contract prices indexed to each region's CPI

(B) **Recurring EBITDA IFRS and Recurring EBITDA:**

- Given the Company's relevant market share, capillarity and the high barriers to entry for competitors, Brazil remains the strongest Response operation, delivering the highest EBITDA margin.
- In North America, despite the improvements foreseen by management, margin levels are expected to remain below other regions due to market-specific dynamics (highly competitive regional markets).
- Europe and LatAm are smaller operations with similar margin terms profile, contributing positively to the Company's overall results, although no significant margin expansion is expected throughout the period.

Comments

(A) **Capex:** Budget allocated to maintenance capex for operating assets and company-funded strategic expansion capex

(B) **Non-Subject Liabilities:** Contractual payment schedule for creditors holding guarantees over fleet, equipment and machinery (CDCs, leasing agreements, Finame and other facilities) and payment reduction from ongoing negotiations with truck companies

(C) **Leasing Negotiations:** ongoing negotiations with leasing companies to reschedule payments

(D) **New Projects Impacts:** Projected cash inflows from the execution of new revenue-generating projects structured through SPVs with third-party capital participation

(E) **Debt Service:** Debt in foreign entities and restructured debt to be paid by the Company according to the Plan

(F) **New Debt:** Refinancing upon the maturity of the New Notes to repay the outstanding debt and maintain adequate liquidity levels.

Notes: (1) This analysis does not consider eventual taxes impacts from debt conversion / haircut. | (2) SPV structuring assumptions contemplate third-party financing, with cash inflows to Ambipar generated through dividend distributions corresponding to Ambipar's ownership in the SPVs | (3) Additional premium payments may be added to the cost of the New Notes and funded through the monetization of non-core assets

Comments

(A) **Negotiation with Supplier 1:** involves (i) the return of more than 300 underutilized assets and (ii) the unwinding of the sale & leaseback transaction for more than 1,100 trucks through installment payments over 84 months (debt schedule below). As a result, there will be a sharp reduction in the monthly lease payments (expected reduction of ~BRL 16 million per month).

0	(28)	(42)	(53)	(63)	(72)	(12)

(B) **Negotiation with Supplier 2:** involves the return of part of the fleet and the transfer of underutilized assets as payment-in-kind, along with the renegotiation of monthly leasing payments (expected reduction of ~BRL 3.6 million in average per month, in a customized schedule) and settlement over 49 months.

Brazil | Negotiations of Non-Subject Liabilities (Finame, CDC, and Leasing)

In addition to lease contracts, the Company has been implementing measures to reduce costs related to CDC, Finame, and leasing agreements, primarily through the return of vehicles and equipment to offset outstanding balances

Comments

The Company has negotiated with non-subject creditors to reduce its debt exposure by returning underutilized trucks to partially prepay debt in exchange for a reduction of the outstanding balance and the renegotiation of the remaining payments.

(A) **Negotiation with Truck Company 1:** Involves the return of 80 units out of a total of 89, resulting in an estimated reduction of BRL 70 million in the outstanding balance.

(B) **Negotiation with Truck Company 2:** Involves the return of 41 units out of a total of 86, resulting in an estimated reduction of BRL 21 million in the outstanding balance.

Comments

(A) **Short-Term Assumptions:** The Company's main revenue streams have been impacted by the judicial restructuring process (contract terminations/resizing/non-renewals), resulting in a decline in expected volumes for 2026.

- Recycled Materials: Expected 12% volume decline in the Company's core business
- Movement: Key business lines with major clients, with an expected 11% volume decline
- Others: Low-relevance business lines, with an expected 15% volume decline

(B) **Long Term Assumptions:** Between 2026 and 2029, the Company is expected to deliver modest volume growth, with revenue increasing above inflation

- Brazil - Recycled Materials: Volume CAGR 26-29 = 0,9%
- Brazil - Movement: Volume CAGR 26-29 = 0,8%
- LatAm – Recycled Materials: Volume CAGR 26-29 = 16,5%. The main growth avenue for the Environment segment in terms of volume is GIRI in Chile, increasing sorting capacity up to 107 kton/year, increasing the share of recyclable materials in LatAm

Comments

(A) **Brazil:** No expansion capex is assumed throughout the projection period (no new service center openings) to support the organic growth, with improvements driven by higher utilization rates.

(B) **North America:** Throughout the projection period, new service centers are opened, alongside improvements in utilization rates (approaching Brazil levels)

- Currently exhibits low utilization levels due to recent acquired portfolio and business integration. With synergy capture and service standardization across regions, a significant improvement in utilization rates is expected

(C) **LatAm:** Smaller business line, with no expansion capex assumed over the projection period (no new service center openings) to support the organic growth, but with operational improvements in utilization rates

- Compared to Brazil, it shows strong utilization rates due to a smaller number of service centers, limited to highly strategic locations

(D) **Europe:** Over the projection period, new service centers are opened, alongside slightly improvements in utilization rates

Comments

- Financial debt exposure is predominantly concentrated in holding and core operating entities, which account for most of the total outstanding balance. Most of these entities are wholly owned or majority-controlled subsidiaries, ensuring governance alignment throughout the restructuring process
- The financial debt of BRL 10 billion is concentrated in 29 of the 74 entities listed in the Judicial Recovery proceedings

Notes: (1) Financial debt within the scope of the Judicial Recovery. Does not consider guarantees (aval) posted by Ambipar Participações and Emergência Participações to BTG Chile (USD 36m - Environment) and Itaú USA (USD 119m - Response), respectively, and intercompany amounts

(c) on a timely basis negotiate in good faith to execute, deliver and perform under the Definitive Documents and any other agreements that are necessary or reasonably advisable to effectuate and consummate the Restructuring Transactions as contemplated by this Agreement;

(d) use commercially reasonable efforts to obtain all required governmental, regulatory, and/or third-party approvals that are necessary or reasonably advisable to effectuate and consummate the Restructuring Transactions;

(e) not, directly or indirectly, (i) object to, delay, impede or take any other actions to interfere, directly or indirectly, in any respect with implementation of the Restructuring Transactions or encourage or facilitate any person or entity to do any of the foregoing; or (ii) take any action inconsistent with this Agreement, including the exhibits hereto, and any other related documents executed by the Parties or the expeditious consummation of the Restructuring Transactions;

(f) to the extent any legal, tax, or structural impediment arises that would prevent, hinder, impede, or delay the consummation of the Restructuring Transactions contemplated herein, take all commercially reasonable steps necessary to address any such impediment, including negotiating in good faith appropriate additional or alternative provisions to address such impediment, in each case, in consultation with the Ad Hoc Group Advisors, and notifying the Ad Hoc Group Advisors of any material governmental or third party complaints, litigations, investigations, or hearings related to the Restructuring Transactions;

(g) inform counsel to the Consenting Holders as soon as reasonably practicable (but in any event within three (3) Business Days) after becoming aware of (i) any matter or circumstance which they know or believe to be a material impediment to the implementation or consummation of the Restructuring Transactions, (ii) any notice of any commencement of any material involuntary insolvency proceedings, legal suit for payment of debt, or securement of security from or by any entity in respect of any Company Party, (iii) any material breach of any of the terms, conditions, representations, warranties, or covenants set forth herein (including a breach by any Company Party), or (iv) any representation or statement made or deemed to be made by the Company Parties hereunder is or proves to have been incorrect or misleading, in each case in any material respect, when made or deemed to be made;

(h) cooperate in good faith to structure and implement the Restructuring Transactions in a tax-efficient manner (taking into consideration the tax impact to the Company Parties and the Consenting Holders) and in accordance with the Restructuring Term Sheet;

(i) to the extent permitted by law, notify the Ad Hoc Group Advisors of any material governmental or third-party complaints, litigations, investigations, or hearings related to the Restructuring Transactions, except for any complaints, litigations, investigations, or hearings requested or ordered in the RJ Proceeding, the Chapter 11 Case, or the Chapter 15 Cases;

(j) if the RJ Confirmation Order has been appealed by any person, or a motion for reconsideration, amendment, clarification, modification, vacatur, stay, rehearing or reargument has been filed with respect to the RJ Confirmation Order or any related order of the Brazilian Court, (i) diligently defend against any such appeal, petition or motion and shall use its commercially reasonable efforts to obtain an expedited resolution of any such appeal, petition or motion and (ii) keep the Consenting Holders reasonably informed and updated regarding the status of any such appeal, petition or motion;

(k) following the occurrence of the General Creditors Meeting, file a motion with the Brazilian Court seeking confirmation of the RJ Plan, which motion shall seek approval of the RJ Plan on terms consistent with this Agreement;

(l) use commercially reasonable efforts to maintain its good standing under the laws of the jurisdiction in which it is incorporated, organized or formed;

(m) consult with the Ad Hoc Group Advisors regarding the status of efforts to seek support for the Restructuring Transactions from other material stakeholders of the RJ Parties and, subject to any confidentiality obligations, the material terms of any negotiations with any such stakeholders during regular business hours and with reasonable notice;

(n) promptly notify Davis Polk and Padis in writing, and in any event within three (3) Business Days after obtaining knowledge thereof, of (i) any breach by a Company Party in any respect of any of its obligations, representations, warranties, or covenants set forth in this Agreement or (ii) the occurrence of a Termination Event;

(o) as reasonably requested by the Required Consenting Holders, cause the Company's advisors to inform one or more Ad Hoc Group Advisors as to: (i) the status and progress of the Restructuring Transactions, including progress in relation to the negotiations of the Definitive Documents; (ii) the status of obtaining any necessary or desirable authorizations (including any consents) with respect to the Restructuring Transactions from each Consenting Holder, any competent judicial body, Governmental Unit, or banking, taxation, supervisory, or regulatory body; (iii) the Company Parties' material business and financial performance; and (iv) in the case of each of the immediately preceding clauses (i)–(iii), provide timely and reasonable responses to reasonable diligence requests with respect to the foregoing, subject to any applicable restrictions and limitations set forth in any Confidentiality Agreements then in effect;

(p) not seek, solicit, support, formulate, entertain, encourage, prepare, file, prosecute, engage in any inquiries or discussions concerning, or enter into any agreements relating to, any Competing Transaction or Competing Transaction Proposal, and if the Ambipar Group receives an unsolicited Competing Transaction Proposal, the Company Parties will, within two (2) Business Days of the receipt of such Competing Transaction Proposal, notify the Ad Hoc Group Advisors of the receipt thereof, with such notice to include the material terms thereof, including the identity of the Person or group of Persons involved in making such proposal;

(q) except to the extent that the failure to conduct the business in accordance with this subclause would not be reasonably expected to have, individually or in the aggregate, a material adverse effect on the business, operations, assets, liabilities (actual or contingent), conduct the business of the Ambipar Group in the ordinary course (other than any changes in furtherance of the Restructuring Transactions), substantially consistent with past practice and in light of then-current market conditions and the announcement or other public disclosure of the Restructuring Transactions, and use its commercially reasonable efforts to (w) preserve intact its present business organization, (x) maintain in effect all of its material foreign, federal, state and local licenses, permits, consents, franchises, approvals and authorizations required to operate its business, (y) preserve relationships with its customers, suppliers and others having material business relationships with it, and (z) maintain its good standing under the laws of the state or other jurisdictions in which they are incorporated or organized;

(r) notify Davis Polk and Padis within three (3) Business Days of the delivery of a validly completed Joinder Agreement to the Company Parties;

(s) not initiate, or cause to be initiated on its behalf, any litigation or proceeding of any kind with respect to the Chapter 11 Case, the RJ Proceeding, this Agreement, or the Restructuring Transactions against the Consenting Holders other than to enforce this Agreement or any Definitive Document or as otherwise permitted under this Agreement;

(t) timely pay all accrued and unpaid Transaction Expenses in accordance with this Agreement and not terminate (or cause to be terminated) any Fee Letter pursuant to which any Ambipar Group entity is obligated to pay such Transaction Expenses, and continue to timely pay, when due and payable in the ordinary course, Transaction Expenses related to implementation, consummation, and defense of the Restructuring Transactions, whether incurred before, on, or after the Consummation Date;

(u) (I) on the Effective Date, pay all accrued and unpaid Transaction Expenses for which the Ad Hoc Group Advisors and other parties have delivered an invoice on or prior to June 29, 2026, and (II) on the date that is one (1) Business Day prior to the General Creditors Meeting, pay all accrued and unpaid Transaction Expenses for which the Ad Hoc Group Advisors and other parties have delivered invoices on or prior to the date that is four (4) Business Days prior to the General Creditors Meeting, for the avoidance of doubt, in each case regardless of the terms for timing of payment under any Fee Letter;

(v) pay the Fixed Payments to the Paying Agent no later than the Milestones therefor and in accordance with the terms hereof and instruct and direct the Paying Agent to promptly thereafter pay the Fixed Payments to the applicable recipients, in each case in accordance with the terms and conditions set forth in the Restructuring Term Sheet and Section 31 hereof;

(w) upon the occurrence of a Key Man Event between the Effective Date and the termination of this Agreement:

(i) within two (2) Business Days, the Company Parties shall (A) deliver a written notice to each Consenting Holder describing in reasonable detail the nature and circumstances of the Key Man Event, including all material facts known to the Company Parties, anticipated operational impacts, remedial actions being considered, expected duration and copies of any material notices, orders or communications received from governmental authorities to the extent legally permissible (the "Key Man Notice") and (B) provide prompt supplemental updates to each Consenting Holder regarding any material developments relating to the Key Man Event;

(ii) if a Key Man Event is continuing as of the date falling fifteen (15) days after delivery of the Key Man Notice, within two (2) Business Days of such date, the Company Parties shall deliver a further written notice to each Consenting Holder proposing the appointment of a chief restructuring officer with the requisite corporate authority to manage the Ambipar Group's operations, and such proposal shall include the proposed candidate's name, qualifications, and relevant experience (a "CRO Proposal Notice"); *provided*, that if (A) the Key Man Event is cured prior to the expiry of such fifteen (15) day period and (B) the Company Parties demonstrate to the reasonable satisfaction of the Required Consenting Holders (not to be unreasonably withheld) that no continuing material adverse effects remain on the business, operations, assets, liabilities (actual or contingent) or conduct of the business of the Ambipar Group in the ordinary course as a result of the Key Man Event, the Company Parties shall have no obligation to deliver a CRO Proposal Notice in respect of such Key Man Event; *provided*, *further*, that the Required Consenting Holders shall have fifteen (15) days following receipt of a CRO Proposal Notice to notify the Company Parties in writing whether the Required Consenting Holders approve the proposed chief restructuring officer. Failure by the Required Consenting Holders to deliver written approval or written rejection within such period shall be deemed to constitute rejection of the proposed chief restructuring officer for all purposes of this provision. If the proposed chief restructuring officer is approved pursuant to the foregoing, the Company Parties shall complete the appointment within five (5) Business Days of such approval, following which the Key Man Event shall be deemed cured; and

(iii) notwithstanding the foregoing, if the circumstances giving rise to a Key Man Event are subsequently remedied (including by the Key Man resuming his role as Chief Executive Officer and devoting substantially all of his professional time to the management and strategic direction of Ambipar

Group) and the Company Parties demonstrate to the reasonable satisfaction of the Required Consenting Holders (not to be unreasonably withheld) that no continuing material adverse effects remain on the business, operations, assets, liabilities (actual or contingent) or conduct of the business of the Ambipar Group in the ordinary course as a result of the Key Man Event, then the Key Man Event shall be deemed cured and any right or remedy available to the Consenting Holders shall cease to be exercisable;

(x) not enter into, amend, supplement, or otherwise modify the Itau Documents without the consent of the Required Consenting Holders; and

(y) comply with each covenant set forth in the List of Operating Covenants.

Section 5. COMMITMENTS OF THE CONSENTING HOLDERS

(a) Subject to the terms and conditions of this Agreement, each Consenting Holder (severally and not jointly) agrees that, so long as no Termination Event has occurred with respect to such Consenting Holder, it shall:

(i) on a timely basis negotiate in good faith the Definitive Documents with the Company Parties, and execute and deliver or cause its agent or trustee, as applicable, to execute and deliver each Definitive Document to which it is a party on or before the Consummation Date or other applicable deadline;

(ii) use commercially reasonable efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary or reasonably advisable under applicable laws and regulations to consummate and make effective the Restructuring Transactions;

(iii) use commercially reasonable efforts to support the approval and implementation of the Restructuring Transactions;

(iv) timely vote (pursuant to the RJ Plan) or cause to be voted all of its Voting Claims (including on account of any Claims that are owned or controlled by such Consenting Holder) to accept the RJ Plan in the RJ Proceeding, and not change or withdraw such votes to accept the RJ Plan (or cause or direct such vote to be changed or withdrawn);

(v) use commercially reasonable efforts to execute any document and give any notice, order, instruction, or direction necessary to support, facilitate, implement, consummate, or otherwise give effect to the Restructuring Transactions, including instructing the Trustee to take all necessary actions to consummate and make effective the Restructuring Transactions; *provided*, for the avoidance of doubt, that no Consenting Holder shall be required to make any such effort if prohibited by applicable law or governmental regulation;

(vi) notify counsel to the Company Parties in writing as promptly as reasonably practicable (and in any event within three (3) Business Days after obtaining actual knowledge thereof) of (A) any material, uncured breach by such Consenting Holder in any respect of any of its obligations, representations, warranties, or covenants set forth in this Agreement or (B) the occurrence of a Termination Event;

(vii) on the Effective Date, take all of the necessary steps to file notices to suspend any motions, pleadings and appeals filed in (or in connection with) the RJ Proceeding, and on the Consummation Date, take all of the necessary steps to file notices to withdraw with respect to any motions, pleadings and appeals filed in (or in connection with) the RJ Proceeding; *provided*, *however*, that if any

such motion, pleadings or appeal cannot be suspended or withdrawn, as applicable, the relevant party shall take no further action in connection therewith; *provided*, *further*, *however*, that, for the avoidance of doubt, nothing in this Agreement shall prevent the Consenting Holders from filing any motion, pleading, or appeal in (or in connection with) the RJ Proceeding necessary to preserve the Consenting Holders' rights (including after the Effective Date), provided that the Consenting Holders agree to suspend any such relevant motion, pleading, or appeal reasonably after filing; and

(viii) not (in its capacity as holder of Green Notes):

(A) initiate any legal proceedings that are inconsistent with, or that would delay, prevent, enjoin, frustrate, seek damages for, or impede the approval, solicitation, or consummation of, the Restructuring Transactions, the Definitive Documents, or any other transactions outlined therein, or take any other action that is barred by this Agreement;

(B) directly or indirectly, (x) object to, delay, impede or take any other actions that would reasonably be expected to interfere, directly or indirectly, in any respect with implementation of the Restructuring Transaction or encourage or facilitate any person or entity to do any of the foregoing; or (y) take any action that is prohibited by this Agreement or any other related documents executed by the Parties in connection with the Restructuring Transactions or would be materially inconsistent with the implementation or consummation of Restructuring Transactions contemplated hereunder or thereunder;

(C) directly or indirectly seek, solicit, entertain, encourage, formulate, vote for, consent to, support, engage in any inquiries or discussions concerning, or enter into any agreements relating to any Competing Transaction;

(D) instruct the Trustees to take any action, or to refrain from taking any action, that would be inconsistent with this Agreement or the Restructuring Transactions;

(E) initiate or have initiated on its behalf any litigation, arbitration, mediation or proceeding of any kind (including a derivative action), including, without limitation, with respect to this Agreement or the Restructuring Transactions contemplated hereby against the Ambipar Group and/or its officers and directors, or any other Party, other than solely to enforce this Agreement or the Definitive Documents; or

(F) solicit, encourage, or direct any Person to undertake any action set forth in clauses (A) through (E) of this subsection hereof.

(b) Nothing in this Agreement shall:

(i) prohibit any Consenting Holder from taking any action that is not otherwise prohibited by this Agreement; *provided*, that nothing shall excuse the Consenting Holders from taking any actions required by this Agreement;

(ii) prevent any Consenting Holder from enforcing this Agreement or any Definitive Document or contesting whether any matter, fact or thing is a breach of, or is prohibited by, this Agreement or any Definitive Document;

(iii) prevent any Consenting Holder from taking any action that is required by applicable law or require any Consenting Holder to take any action that is prohibited by applicable law;

(iv) prohibit or limit any Consenting Holder from protecting and preserving its rights, remedies, and interests, including its Claims against, or Interests in, the Company, and any action relating to maintenance, protection, or preservation of any collateral, in each case to the extent not materially inconsistent herewith;

(v) prohibit or limit any Consenting Holder from appearing as a party in interest in the Chapter 11 Case, to the extent not materially inconsistent herewith;

(vi) prohibit any Consenting Holder to communicate with any other Consenting Holder, the Company Parties, or any other party in interest in the Chapter 11 Case (including any statutory committee or the United States Trustee); *provided*, that such communications do not violate this Agreement;

(vii) require any Consenting Holder to (i) incur, assume, become liable in respect of, or suffer any expenses, liabilities or other obligations (including, without limitation, those pertaining to the Paying Agent) or (ii) agree to or become bound by any commitments, undertakings, concessions, indemnities, or other arrangements that could result in expenses, liabilities or other obligations to such Consenting Holder (including, without limitation, those pertaining to the Paying Agent), except (x) with respect to costs and expenses that a Company Party has agreed to reimburse on terms satisfactory to such Consenting Holder or (y) as expressly set forth and agreed to in this Agreement or any Definitive Document; or

(viii) prohibit any Consenting Holder from exercising any consent rights or their rights or remedies specifically reserved herein or in the Definitive Documents, or from taking any action that is not materially inconsistent with this Agreement.

Section 6. TERMINATION

(a) This Agreement may be terminated as to all Parties by the Required Consenting Holders at such time upon written notice thereof to the Company Parties, upon the occurrence of any of the following events:

(i) a material breach by the Company Parties of any of its representations, warranties, covenants, or obligations set forth in this Agreement or under any Definitive Documents that remains uncured (if susceptible to cure) within five (5) Business Days after the receipt by the Company Parties of written notice by the Required Consenting Holders of such breach;

(ii) any Company Party executes, files, or delivers any Definitive Document that is not, or amends or otherwise modifies this Agreement or any Definitive Document in a manner that is not, consistent with this Agreement or otherwise reasonably acceptable to the Required Consenting Noteholders (subject to Section 3(c) hereof), if such Definitive Document is not modified, amended or withdrawn in a manner to cure such inconsistency within two (2) Business Days after the Company Parties' receipt of written notice thereof;

(iii) any member of the Company Parties (x)(1) publicly announces its intention to pursue, (2) negotiates a term sheet in respect of, or (3) consummates, or enters into a binding agreement to consummate, in each case, a Competing Transaction or (y) publicly announces its intention not to support, pursue or consummate the Restructuring Transactions;

(iv) there shall have occurred any event or condition (other than relating to the Restructuring Transactions or as contemplated under this Agreement) that has had or would be reasonably expected to have, either individually or in the aggregate, a material adverse effect on the business,

operations, assets or liabilities (actual or contingent) of the Ambipar Group, taken as a whole, in each case as compared to such business, operations, assets or liabilities as of the date hereof, if the Company Parties fail or are unable to cure such event or condition within two (2) Business Days after the Company Parties' receipt of written notice thereof;

(v) the failure of the Company Parties to promptly pay all Transaction Expenses as and when due in accordance with this Agreement and such failure is not cured within five (5) Business Days after the Company Parties' receipt of written notice thereof in accordance with Section 4;

(vi) subject to waiver or extension by the Required Consenting Holders (which may be by email among counsel), the failure to satisfy any Milestone set forth in the Steps Plan, other than with respect to the Milestones for (A) Submission of the RJ Plan for a vote at the General Creditors Meeting to be held in the RJ Proceeding or (B) Issuance (not publication) of the RJ Confirmation Order, if such failure is due solely to the unavailability of the Brazilian Court; *provided*, that waiver or extension by the Required Consenting Holders with respect to the foregoing clauses (A) and (B) shall not be unreasonably withheld;

(vii) (x) the Bankruptcy Court enters an order (A) directing the appointment of a trustee or examiner with expanded powers, (B) converting the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code, (C) dismissing the Chapter 11 Case other than in favor of a pending Chapter 15 Case, (D) dismissing the Chapter 15 Cases or, from and after entry of the Suspension Order, unsuspending the Chapter 11 Case for any purpose materially adverse to the Consenting Holders, or (E) granting relief that is materially inconsistent with this Agreement or materially adverse with respect to the Consenting Holders; or (y) information is made public or received by the Ad Hoc Group, in each case, as a result of currently pending discovery (as of the date hereof) under Rule 2004 of the Federal Rules of Bankruptcy Procedure in the Chapter 11 Case, which information has a materially favorable effect on Company Parties' financial condition, as reasonably determined by the Required Consenting Holders, compared to what was disclosed to the Ad Hoc Group prior to the Effective Date of this Agreement;

(viii) the Brazilian Court (A) enters an order confirming the approval of the RJ Plan on terms inconsistent with this Agreement (and such order is not modified or suspended consistent with this Agreement within fifteen (15) Business Days thereafter), (B) rejects the material terms of the RJ Plan as agreed between the Consenting Holders and the Company Parties, or (C) enters any order adjudging any of the Company Parties bankrupt that is not reversed or stayed within fifteen (15) Business Days of issuance;

(ix) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that is not reversed or stayed within ten (10) Business Days of issuance making illegal or otherwise permanently enjoining, preventing, or prohibiting the consummation of a material portion of the applicable Restructuring Transactions;

(x) (A) any Company Party (I) files any motion seeking to avoid, disallow, subordinate, recharacterize or reduce any claim arising out of the Green Notes held by any Consenting Holder or (II) supports any application, adversary proceeding, or Cause of Action referred to in the immediately preceding clause (I) filed by a third party, or consents to the standing of any such third party to bring such application, adversary proceeding, or Cause of Action; or (B) the Bankruptcy Court enters an order invalidating, disallowing, subordinating, recharacterizing, or limiting, as applicable, any claims arising out of the Green Notes held by any Consenting Holder and such order is not reserved or stayed within fourteen (14) days from the Bankruptcy Court's entry;

(xi) any Company Party, except as contemplated hereby and without the Required Consenting Holders' written consent, (A) voluntarily commences any case or files any petition seeking bankruptcy, winding up, dissolution, liquidation, administration, moratorium, receivership, reorganization,

or other relief under any federal, state, or foreign bankruptcy, insolvency, administrative receivership, or similar law now or hereafter in effect, (B) is the subject of an involuntary case under the Bankruptcy Code that is not dismissed or withdrawn within 45 days of the commencement of such proceeding, or any Company Party consents to the institution of, or fails to contest in a timely and appropriate manner, any involuntary proceeding or petition described in the preceding clause (A), (C) applies for or consents to the appointment of a receiver, administrator, administrative receiver, trustee, custodian, sequestrator, conservator, or similar official with respect to any Company Party or for a substantial part of such Company Party's assets, except to appoint a trustee or agent responsible for the sale of any shares or securities that may be issued as consideration for the payment of other creditors, should this payment mechanism be adopted under the RJ Plan, (D) makes a general assignment or arrangement for the benefit of creditors in the United States, or (E) takes any corporate action for the purpose of authorizing any of the foregoing;

(xii) the Green Notes are cancelled prior to the RJ Appeals Resolution Date;

(xiii) any RJ Party loses the exclusive right to file a plan of reorganization in the RJ Proceeding, and such exclusivity is not reestablished within thirty (30) days following the loss of such exclusivity;

(xiv) the Brazilian Court does not enter an order confirming the RJ Plan; or

(xv) a Key Man Event has occurred and the Required Consenting Holders deliver a written rejection of the chief restructuring officer proposed by the Company Parties within fifteen (15) days following receipt of a CRO Proposal Notice, or the Company Parties fail to complete the appointment of an approved chief restructuring officer within five (5) Business Days of the Required Consenting Holders' approval.

(b) This Agreement may be terminated as to all Parties by the Company Parties upon the occurrence of any of the following events:

(i) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that is not reversed or stayed within ten (10) Business Days of issuance making illegal or otherwise permanently enjoining, preventing, or prohibiting the consummation of a material portion of the applicable Restructuring Transactions;

(ii) if at any time, the Consenting Holders (including any transferee who has executed and delivered a Transferee Joinder) do not collectively hold more than 50.01% of the Green Notes; or

(iii) any Company Party, in the exercise of its rights under Section 12 hereof, elects to terminate its obligations under this Agreement.

(c) The Company Parties may terminate this Agreement with respect to any particular Consenting Holder (but not as to all of the Consenting Holders) at any time following the occurrence of a breach by such Consenting Holder of any of the representations, warranties, or covenants with respect to such Consenting Holder set forth in this Agreement that (if susceptible to cure) remains uncured for a period of ten (10) Business Days after the receipt by the Ad Hoc Group Advisors of written notice of such breach.

(d) This Agreement may be terminated at any time by mutual written consent of the Company Parties and the Required Consenting Holders.

(e) This Agreement will automatically terminate with respect to all Parties, without further action required by any Party, immediately upon the occurrence of the Consummation Date.

(f) The occurrence of any event described in clauses (a) through (e) of this Section 6 shall be referred to as a "Termination Event" with respect to the Parties for whom this Agreement has been terminated. The date on which this Agreement is terminated in accordance with this Section 6 shall be referred to as the "Termination Date" and the provisions of this Agreement shall terminate on the Termination Date; *provided*, that, Sections 1, 2, 6, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 28, and 29 (subject in all respects to Section 29(c)(iii)), and solely with respect to a termination under Sections 6(e), 4(t), 4(v), and 31 hereof shall survive the Termination Date. For the avoidance of doubt, the termination of this Agreement shall not relieve any Party from liability for its breach or non-performance of its obligations hereunder prior to the Termination Date with respect to such Party.

Section 7. [RESERVED]

Section 8. TRANSFER OF CLAIMS AND INTERESTS

(a) Each Consenting Holder shall not sell, transfer, assign, hypothecate, pledge, grant a participation interest in, or otherwise dispose of, directly or indirectly (including through derivatives, options, swaps, pledges, forward sales or other transactions), its right, title, or interest with respect to any of such Consenting Holder's Green Notes, in whole or in part, (the actions described in this Section 8(a) are collectively referred to herein as a "Transfer" and the Consenting Holder making such Transfer is referred to herein as the "Transferor"), unless such Transfer is to another Consenting Holder or any other entity that first agrees, in writing, to be bound by the terms of this Agreement by executing and delivering to the Company Parties and counsel to the Consenting Holders a Transferee Joinder substantially in the form attached as Exhibit A hereof (the "Transferee Joinder") prior to the effectiveness of the relevant Transfer. Upon the consummation of a Transfer in accordance herewith, such transferee shall be deemed to make all of the representations, warranties, and covenants of a Consenting Holder, as applicable, as set forth in this Agreement, and shall be deemed to be a Party and a Consenting Holder for all purposes under this Agreement. Upon compliance with the foregoing, the Transferor shall be deemed to relinquish its rights (with respect to any such Green Notes that are the subject of a Transfer) under this Agreement and shall be released from its obligations hereunder. Any Transfer made in violation of this Section 8 shall be deemed null and void *ab initio* and of no force or effect. No Transfer of any Green Notes shall be permitted commencing on the date that is two (2) Business Days prior to the General Creditors' Meeting and ending at the close of the General Creditors' Meeting.

(b) Except as set forth in Section 8(a) hereof, nothing in this Agreement shall be construed as precluding any Consenting Holder or any of its affiliates from acquiring additional Green Notes or other Claims against the Company Parties; *provided*, that any such additional Green Notes or other Claims against any RJ Party (other than Claims acquired by any affiliate of any such Consenting Holder that maintains or establishes an information-blocking device or "ethical wall" between it and such Consenting Holder) shall automatically be subject to the terms and conditions of this Agreement and the Ad Hoc Group Advisors, on behalf of such Consenting Holder, shall notify the Company Parties of such acquisition and the principal amount of the additional Green Notes or other Claims within three (3) Business Days of such acquisition.

(c) Notwithstanding Section 8(a), (i) a Consenting Holder may transfer (by purchase, sale, assignment, participation, or otherwise) any Green Notes or other Claims against the Ambipar Group to an entity that is acting in its capacity as a Qualified Market Maker, and such transferee shall not be required to be or to become a Consenting Holder in order to effect any such transfer (by purchase, sale, assignment, participation, or otherwise) of any Green Notes or other Claims against the Ambipar Group by a Consenting Holder; *provided*, *however*, that the foregoing exception will only be available in transactions where the Qualified Market Maker is not the ultimate beneficial owner (within the meaning of Rule 13d-3 under the Securities Act) of such Green Notes or other Claims against the Ambipar Group as of the date that is ten (10) Business Days after its acquisition of such Green Notes or other Claims against the Ambipar Group

(in the event such Qualified Market Maker is the ultimate beneficial owner of such Green Notes or other claims against the Ambipar Group as of such date, it shall execute a Transferee Joinder in accordance with Section 8(a)); and (ii) to the extent that a Consenting Holder, acting in its capacity as a Qualified Market Maker, acquires any Green Notes or other claims against the Ambipar Group from a holder of such claim that is not a Consenting Holder, such Consenting Holder may Transfer (by purchase, sale, assignment, participation, or otherwise) such Green Notes or other claims against the Ambipar Group, without the requirement that the transferee be or become a Consenting Holder in accordance with this Section 8. Notwithstanding the foregoing, no Consenting Holder may transfer (by purchase, sale, assignment, participation, or otherwise) any Green Notes or other Claims against the Ambipar Group to an entity that is acting in its capacity as a Qualified Market Maker unless such Qualified Market Maker (a) transfers such Green Notes or other Claims to a party that is or becomes a party hereto by executing a Joinder Agreement and complying with the individualization requirements set forth therein on or before the applicable individualization deadline, (b) agrees to become a party hereto by executing a Joinder Agreement and complying with the individualization requirements set forth therein on or before the applicable individualization deadline, or (c) returns such Green Notes or other Claims to the original seller thereof no later than the applicable individualization deadline.

(d) Notwithstanding anything to the contrary in this Section 8, the restrictions on Transfer set forth in this Section 8 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer (other than the banks and broker-dealers in the "Ad Hoc Group of Financial Creditors" that has appeared in the Chapter 11 Case, and any of their respective affiliates) holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 9. OWNERSHIP OF CLAIMS AND INTERESTS

(a) Each of the Consenting Holders represents and warrants (severally and not jointly) that:

(i) it either (i) is the sole beneficial owner of the principal amount of Green Notes and other Voting Claims indicated for such Consenting Holder on its signature page hereto or (ii) has sole investment or voting discretion with respect to the principal amount of the Green Notes and other Voting Claims indicated for such Consenting Holder on its signature page hereto, and has the power and authority to bind the beneficial owner of such Green Notes to the terms of this Agreement;

(ii) each nominee, investment or fund manager, or advisor or sub-advisor acting on behalf of the beneficial holders of its Voting Claims represents and warrants to the Company Parties and the other Consenting Holders that it has the legal authority to so act and to bind the applicable beneficial holders;

(iii) other than pursuant to this Agreement, the Voting Claims held by it are free and clear of any equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition of any kind that might adversely affect in any way such Consenting Holder's performance of its obligations contained in this Agreement at the time such obligations are required to be performed;

(iv) other than the Green Notes and other Voting Claims indicated on its respective signature page hereto, such Consenting Holder does not, with knowledge having made reasonable inquiry, (i) directly or indirectly own any other Green Notes or other Voting Claims or (ii) directly or indirectly have investment or voting discretion with respect to any other Green Notes or other Voting Claims; and

(v) (i) it is either (A) a qualified institutional buyer as defined in Rule 144A of the Securities Act or (B) not a U.S. person (as defined in Regulation S of the Securities Act); or (ii) any

securities acquired by it in connection with the transactions contemplated hereby will have been acquired for investment and not with a view to distribute or resale in violation of the Securities Act.

(b) For the avoidance of doubt, where a Consenting Holder enters into or joins this Agreement through an identified business unit(s) and/or trading desk(s) in respect of Green Notes (as specified in the signature page to this Agreement or a Joinder Agreement), the terms of this Agreement shall apply only to that identified business unit(s) and/or trading desk(s) and not any other business unit(s) and/or trading desk(s) within the legal entity which has not signed or acceded to this Agreement (in accordance with the terms of this Agreement) separately in respect of any Green Notes or other instrument which it legally or beneficially owns and, therefore, that Consenting Holder shall not be required to procure compliance with this Agreement on behalf of such other business unit(s) and/or trading desk(s) within that legal entity.

Section 10. REPRESENTATIONS

Each Party (severally and not jointly) represents to each other Party that, as of the date of this Agreement:

(a) such Party is duly organized, validly existing, and in good standing (where such concept is recognized) under the laws of the jurisdiction of its organization, and has all requisite corporate, partnership, or limited liability company power and authority to enter into this Agreement and to carry out the Restructuring Transactions contemplated herein, and to perform its respective obligations under this Agreement;

(b) the execution, delivery, and performance of this Agreement by such Party does not and shall not (i) violate any provision of law, rule, or regulation applicable to it or any of its subsidiaries or its organizational documents or those of any of its subsidiaries, or (ii) conflict with, result in a breach of, or constitute (with due notice or lapse of time or both) a default under its organizational documents or any material contractual obligations to which it or any of its subsidiaries is a party; and

(c) this Agreement is the legally valid and binding obligation of such Party, enforceable against it in accordance with its terms.

Section 11. ENTIRE AGREEMENT; PRIOR NEGOTIATIONS

This Agreement, including all of the exhibits attached hereto, constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement as of the date hereof, and supersedes all other prior negotiations, agreements, representations, warranties, term sheets, proposals, and understandings, whether written, oral, or implied, among the Parties with respect to the subject matter of this Agreement; *provided*, *however*, that any Confidentiality Agreement or non-disclosure agreement executed by any Party shall survive this Agreement and shall continue in full force and effect, subject to the terms thereof, irrespective of the terms hereof.

Section 12. THE AMBIPAR GROUP'S FIDUCIARY DUTIES

Notwithstanding anything to the contrary herein, (a) Ambipar Group, and, as applicable, each respective board of directors or similar governing body of the entities comprising Ambipar Group shall be permitted to take (or permitted to refrain from taking) any action with respect to the Restructuring Transactions to the extent such board of directors or similar governing body determines, in good faith based on the advice of counsel, that taking such action, or refraining from taking such action, as applicable, is reasonably required to comply with applicable law, including pursuant to its fiduciary duties, and may take such action or refrain from taking such action without incurring any liability to any other Party hereto; and (b) to the extent that such fiduciary obligations require any Company Party or any of its subsidiaries or its board of directors or

similar governing body to terminate such entity's obligations under this Agreement, the Company Parties may terminate this Agreement without liability. For the avoidance of doubt, nothing in this Section 12 shall impede or abridge any Party's termination rights under this Agreement.

Section 13. REPRESENTATION BY COUNSEL

Each Party hereto acknowledges that it has been represented by counsel (or had the opportunity to be represented by counsel and waived its right to do so) in connection with this Agreement and the Restructuring Transactions contemplated by this Agreement. Accordingly, any rule of law or any legal decision that would provide any Party hereto with a defense to the enforcement of the terms of this Agreement against such Party based upon the lack of legal counsel shall have no application and is expressly waived. The provisions of this Agreement shall be interpreted in a reasonable manner to effectuate the intent of the Parties hereto. None of the Parties hereto shall have any term or provision of this Agreement construed against such Party solely by reason of such Party having drafted the same.

Section 14. EFFECTIVENESS

(a) The effectiveness of this Agreement and the obligations of the Parties are subject to satisfaction of each of the following conditions (the date upon which this Agreement becomes effective, the "Effective Date"):

(i) the Company Parties and Initial Consenting Holders holding more than 50.01% of the outstanding aggregate principal amount of Green Notes shall have executed and delivered counterpart signature pages to this Agreement; and

(ii) the Company shall have paid or reimbursed all Transaction Expenses due and owing pursuant to invoices delivered to the Company at least one day prior to the Effective Date in accordance with the Fee Letters notwithstanding any later date that may be permitted for such payment in any Fee Letter.

(b) Following the Effective Date, this Agreement will become effective and binding with respect to any Subsequent Consenting Holder upon delivery to the Company Parties of a duly and validly executed Joinder Agreement; *provided*, that signature pages executed by Consenting Holders will be delivered to (x) other Consenting Holders in a redacted form that removes such Consenting Holders' holdings of Green Notes and other Voting Claims and interests and (y) the Company Parties and their advisors in an unredacted form.

Section 15. INDEPENDENT DUE DILIGENCE AND DECISION-MAKING

Each of the Parties hereby confirms that it has made its own decision to execute this Agreement based upon its own independent assessment of the documents and information available to it, as it has deemed appropriate. Each Consenting Holder severally represents that such Consenting Holder (a) has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of implementing and consummating the Restructuring Transactions, (b) has conducted due diligence of the Company Parties and the terms of the Restructuring Transactions, and (c) had access to such financial and other information, personnel and documentation as such Consenting Holder deems necessary and appropriate to make its own independent decision to execute this Agreement, and implement and consummate the Restructuring Transactions.

Section 16. COUNTERPARTS

This Agreement may be signed in counterparts (which may include counterparts delivered by any standard form of telecommunication), each of which shall be an original and all of which together shall constitute one and the same instrument. The words "execution," "signed," "signature," "delivery" and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

Section 17. AMENDMENTS

(a) Except as otherwise provided herein, this Agreement may not be modified, amended, or supplemented, without the prior written consent (including by email from counsel) of the Company Parties and the Required Consenting Holders; *provided*, that, one or more provisions of this Agreement may be waived with just the consent of the party hereto that is waiving the obligations of the other party under such provision; *provided*, *further*, *however*, that (i) no amendment, modification or waiver of any term or provision of the Restructuring Term Sheet shall be effective to the extent such amendment, modification or waiver materially affects a Consenting Holder (in its capacity as such) in a manner that is disproportionately adverse to such Consenting Holder in relation to other Consenting Holders without the prior written consent of such disproportionately and adversely affected Consenting Holder, (ii) any modification, amendment, or supplement to Section 5(b), Section 8(c), or this Section 17 shall require the consent of all Parties, and (iii) any modification or amendment to the definition of "Required Consenting Holders" and any other defined term whose definition affects the population covered by "Required Consenting Holders", shall require the consent of all Consenting Holders.

(b) Each of the Parties agrees to negotiate in good faith all amendments and modifications to this Agreement as are reasonably necessary and appropriate to consummate the Restructuring Transactions.

(c) No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other provision of this Agreement, whether or not such provisions are similar, nor shall any waiver of a provision of this Agreement be deemed a continuing waiver of such provision.

Section 18. HEADINGS

The headings of the sections, paragraphs, and subsections of this Agreement are included for convenience only and shall not affect the interpretation of the provisions contained herein.

Section 19. RELATIONSHIP AMONG THE PARTIES

Notwithstanding anything herein to the contrary, the duties and obligations of the Consenting Holders under this Agreement shall be several and not joint. No Consenting Holder shall be responsible in any way for the performance of the obligations or any breach of any other Consenting Holder under this Agreement, and nothing contained herein, and no action taken by any Consenting Holder pursuant hereto shall be deemed to constitute the Consenting Holder as a partnership, an association or joint venture of any kind, or create a presumption that the Consenting Holders are in any way acting other than in their individual capacities. None of the Consenting Holders shall have any fiduciary duty or other duties or responsibilities in any kind or form to each other, the Company Parties or any of the Company Parties' other lenders, noteholders or stakeholders as a result of this Agreement or the transactions contemplated hereby. Each Consenting Holder acknowledges that no other Consenting Holder will be acting as agent of such

Consenting Holder in connection with monitoring such Consenting Holder's investment or enforcing its rights under this Agreement, the Definitive Documents, or any other documents to be entered into in connection with the consummation of the Restructuring Transactions. The Consenting Holders are not intended to be, and shall not be deemed to be, a "Group" for purposes of Section 13(d) of the Exchange Act.

Section 20. SPECIFIC PERFORMANCE

It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach of this Agreement, including, without limitation, a court of competent jurisdiction requiring any Party to comply promptly with any of its obligations in this Agreement.

Section 21. GOVERNING LAW

This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York without regard to any choice of law provision that would require the application of the laws of another jurisdiction. By the execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably and unconditionally agrees for itself that any legal action, suit, or proceeding against it with respect to any matter arising under or out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit, or proceeding may be brought in either the Bankruptcy Court or a state or federal court of competent jurisdiction in the State and County of New York, Borough of Manhattan. By the execution and delivery of this Agreement, each of the Parties hereto hereby irrevocably accepts and submits itself to the jurisdiction of each such court, generally and unconditionally, with respect to any such action, suit, or proceeding. By executing and delivering this Agreement, each of the Parties hereto irrevocably and unconditionally submits to the personal jurisdiction of each such court described in this Section 21, solely for purposes of any action, suit, or proceeding arising out of or relating to this Agreement or for the recognition or enforcement of any judgment rendered or order entered in any such action, suit, or proceeding. EACH PARTY HERETO UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING REFERRED TO ABOVE.

Section 22. NOTICES

All notices (including, without limitation, any notice of termination as provided for herein) and other communications from any Party given or made pursuant to this Agreement shall be in writing (which may include email among counsel) and shall be deemed to have been duly given upon the earliest of the following: (a) upon personal delivery to the Party to be notified, (b) when sent by confirmed electronic mail if sent during the normal business hours of the recipient, and if not so confirmed, on the next Business Day, (c) three Business Days after having been sent by registered or certified mail, return receipt requested, postage prepaid, and (d) one (1) Business Day after deposit with a nationally recognized overnight courier, specifying next day delivery (with an email upon sending to the Party to be notified), with written verification of receipt. All communications shall be sent:

Section 23. NO THIRD-PARTY BENEFICIARIES

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and any RJ Parties, and no other Person shall be a third-party beneficiary hereof.

Section 24. PUBLICITY; NON-DISCLOSURE

The Company Parties will disclose the existence of this Agreement promptly after execution of this Agreement by filing a notice disclosing the existence of this Agreement with the Bankruptcy Court in the Chapter 11 Case and publicly filing a Form 6-K with the same information that is required to be disclosed as a relevant fact under appliable Brazilian law (the "Public Disclosure"). As promptly as reasonably practicable, the Company Parties will provide the Ad Hoc Group, through counsel, with a draft of the Public Disclosure for review, and the Company Parties will reasonably consider any additions or modifications to the Public Disclosure from the Ad Hoc Group or their professionals. Unless required by applicable law or regulation, the Company Parties agree to keep confidential the names of the Consenting Holders and all Confidential Holder Information absent the prior written consent of any such Consenting Holder; and if such announcement or disclosure of the individual holdings information of the Consenting Holders is so required by law or regulation, the Company Parties shall provide each Consenting Holder with advance notice of its intent to disclose such holdings information and shall afford each of the Consenting Holders a reasonable opportunity to (i) seek a protective order or other appropriate remedy or (ii) review and comment upon any such announcement or disclosure prior to the Company Parties making such announcement or disclosure; *provided*, that the Company Parties shall not be required to incur any material costs and/or

expenses, nor shall it be required to provide any indemnities or the like, in order to comply with the foregoing. When attaching a copy of this Agreement to the Public Disclosure if required by this Section 24, the Company Parties will omit the signature pages (including any Joinder Agreement and Transferee Joinder) of the Consenting Holders. The foregoing shall not prohibit the Company Parties from disclosing the aggregate amount of Green Notes and/or Voting Claims held by all of the Consenting Holders together.

Section 25. SUCCESSORS AND ASSIGNS; SEVERABILITY; SEVERAL OBLIGATIONS

This Agreement is intended to bind and inure to the benefit of the Parties and their respective permitted successors, assigns, heirs, executors, estates, administrators, and representatives. The invalidity or unenforceability at any time of any provision hereof in any jurisdiction shall not affect or diminish in any way the continuing validity and enforceability of the remaining provisions hereof or the continuing validity and enforceability of such provision in any other jurisdiction. The agreements, representations, and obligations of the Consenting Holders under this Agreement are, in all respects, several and not joint.

Section 26. GOOD FAITH COOPERATION; FURTHER ASSURANCES

The Parties shall (and shall cause each of their subsidiaries and affiliates to) cooperate with each other in good faith and shall coordinate their activities (to the extent practicable) in respect of all matters concerning the implementation and consummation of the Restructuring Transactions. Furthermore, unless prohibited by applicable law or governmental regulation, each of the Parties shall (and shall cause each of their subsidiaries and affiliates to) take such action (including executing and delivering any other agreements and making and filing any required regulatory filings) as may be reasonably necessary to carry out the purposes and intent of this Agreement.

Section 27. NO SOLICITATION

Each Party acknowledges that this Agreement is not, and is not intended to be, an offer for the purchase, sale, exchange, hypothecation, or other transfer of securities for purposes of the Securities Act or the Exchange Act. Solicitation for the acceptance of the Restructuring Transactions will not be solicited from any holder of the Green Notes or the common stock of the Debtor until such holder has received the relevant solicitation materials in compliance with applicable law.

Section 28. CONFIDENTIALITY

(a) The Parties acknowledge that the holdings, allocation information, and the signature page of each Consenting Holder (collectively, the "Confidential Holder Information") is confidential and competitively sensitive, and will not be disclosed to any person (including for the avoidance of doubt, the Company Parties, the Key Man, and any other Consenting Holder) other than the Ad Hoc Group Advisors and U.S. counsel to the Company Parties (except as required by law, regulation or legal process) without such Consenting Holder's written consent (email being sufficient). The Company Parties further agree that all Confidential Holder Information shall be redacted, and all signature pages (including any Joinder Agreement and Transfer Agreement) omitted, from "closing sets" or other representations of the fully executed Agreement. For the avoidance of doubt, (i) the aggregate holdings of all Consenting Holders collectively may be disclosed and (ii) upon reasonable request, aggregated, institutional-level holdings of the Consenting Holders may be disclosed solely to the Key Man, the Company Parties, and advisors to the Company Parties (who are under obligations of confidentiality to the Company Parties with respect to such disclosure, and whose compliance with such obligations the Company Parties shall be responsible for).

(b) The Parties also each acknowledge that this Agreement is confidential and, except as provided in Section 24 with respect to the Public Disclosure, may be disclosed only (i) to a Consenting

Holder's advisor or agent that is under a duty of confidentiality, (ii) to any Company Party or its advisors (who are under obligations of confidentiality to the Company Parties with respect to such disclosure, and whose compliance with such obligations the Company Parties shall be responsible for), (iii) where a Consenting Holder is acting through its investment advisor, sub-advisor, trustee, or manager with discretionary authority over the disposition of the Green Notes, to its funds and/or accounts that are holders or beneficial holders of the Notes and subject to the obligations herein, (iv) to the Bankruptcy Court, if determined by the U.S. advisors to the Company Parties to be reasonably necessary to achieve the Restructuring Transactions or other objectives of this Agreement, and (v) subject to the following sentence, as required by law, regulation, or legal process. Any disclosure of this Agreement or its terms other than to the Persons identified in Section 28(a) shall redact all Confidential Holder Information (except as required by law, regulation or legal process, in which case advance notice of the intent to disclose, if permitted by applicable law or regulation, shall be given by the disclosing Party to the applicable Consenting Holder(s) (who shall have the right to seek a protective order prior to disclosure)).

Section 29. RELEASES

(a) Subject in all respects to Section 29(c), on and after the Issuance Date, in exchange for good and valuable consideration, the adequacy of which is hereby confirmed, each Released Party is, and is deemed to be, hereby conclusively, absolutely, unconditionally, irrevocably and forever, released and discharged by each Releasing Party (in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all entities who may purport to assert any Claim or Cause of Action, directly or derivatively, by, through, for, or because of the foregoing entities), from any and all Claims and Causes of Action, which are based on or in any manner relating to or arising from, in whole or in part, any act or omission, transaction, agreement, event, or other occurrence taking place on or before the Issuance Date with respect to:

(i) the Ambipar Group or any entity therein (including the capital structure, business, management, cash management arrangements, ownership, or operation thereof);

(ii) the purchase, sale, or rescission of any security issued by any entity in the Ambipar Group;

(iii) the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the RJ Plan;

(iv) the business or contractual arrangements between or among any entity in the Ambipar Group and any Released Party;

(v) the ownership and/or operation of the Ambipar Group by any Released Party or the distribution of any Cash or other property of any entity in the Ambipar Group to any Released Party;

(vi) the assertion or enforcement of rights or remedies against any entity in the Ambipar Group;

(vii) the Ambipar Group's in- or out-of-court restructuring efforts;

(viii) intercompany transactions between or among entities in the Ambipar Group;

(ix) the Chapter 11 Case, the RJ Proceeding, or the Chapter 15 Cases or the commencement of any of the foregoing;

(x) the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement and related prepetition transactions;

(xi) the Chapter 15 Order, the RJ Plan, all other documents filed in the RJ Proceeding, and any other Definitive Document, or any Restructuring Transaction, contract, instrument, release, or other agreement or document relating to any of the foregoing, created or entered into in connection with the Restructuring Support Agreement, the RJ Plan, any other Definitive Document before or during the Chapter 11 Case, the Chapter 15 Cases and the RJ Proceeding;

(xii) any preference, fraudulent transfer, or other avoidance claim arising pursuant to chapter 5 of the Bankruptcy Code or other applicable law;

(xiii) the solicitation of votes on the RJ Plan;

(xiv) the administration and implementation of the RJ Plan, including the issuance or distribution of debt and/or securities pursuant to the RJ Plan, or the distribution of property under the RJ Plan or any other related agreement; or

(xv) any other act or omission, transaction, agreement, event, or other occurrence related or relating to any of the foregoing taking place on or before the Issuance Date (collectively, the "Released Claims").

For the avoidance of doubt, the Released Claims shall include any derivative claims, asserted or assertable, whether known or unknown, foreseen or unforeseen, matured or unmatured, liquidated or unliquidated, fixed or contingent, existing or hereafter arising, in law, equity, contract, tort, or otherwise, including any derivative claims asserted or assertable (x) on behalf of any entity in the Ambipar Group that such entity would have been entitled to assert (whether individually or collectively) or (y) on behalf of the holder of any Claim against, or Interest in, an entity in the Ambipar Group or other entity, in each case based on or relating to, or in any manner arising from, in whole or in part, any Released Claims.

(b) Each Releasing Party hereby covenants and agrees that, from and after the Effective Date, it shall not commence, support, finance, assist, encourage, participate, or knowingly cooperate with any action, claim, cause of action, proceeding, arbitration, investigation, derivative action or other legal process against any Released Party based upon, arising from, or relating to any Released Claim; *provided*, that nothing contained in this Section 29 shall prevent any Releasing Party from providing information that is requested or required pursuant to law, rule, regulation, court order, or other similar process (including, without limitation, by oral questions interrogatories, requests for information or documents in legal or regulatory proceedings, subpoena, civil investigative demand, or other similar process). Each Releasing Party further agrees that the Releases are intended to be final and comprehensive and waives any right to seek recovery against any Released Party with respect to any Released Claim.

(c) Notwithstanding anything herein to the contrary herein:

(i) the releases set forth in this section do not release (x) any post Effective Date obligations of any Party or entity under this Agreement, the RJ Plan, any Restructuring Transaction, or any Definitive Document or (y) any defense available to a Releasing Party in response to a claim or proceeding asserted or commenced against such Releasing Party by a Released Party;

(ii) each Party's right to enforce this Agreement or any Definitive Document is preserved; and

(iii) the releases set forth in Section 29(a) and covenants in Section 29(b) shall be null and void *ab initio* upon (A) the Termination Date resulting from any Termination Event under Section 6 (other than a Termination Date pursuant to Section 6(e)) applicable to such Releasing Party, solely as to such Releasing Party or (B) the failure of the Company Parties to pay the Fixed Payments on or before the applicable Milestones therefor.

Section 30. COOPERATION AGREEMENT

The Consenting Holders hereby extend the Expiration Time of the Cooperation Agreement in accordance with the terms of the Cooperation Agreement through July 26, 2027.

Section 31. PAYING AGENT

The Company Parties shall instruct and direct the Paying Agent to promptly pay the Fixed Payments to the applicable recipients, in each case in accordance with the terms and conditions set forth in this Agreement.

FORM OF TRANSFEREE JOINDER

The undersigned (the "Transferee") hereby acknowledges that it has read and understands the Restructuring Support Agreement (the "Agreement"), dated as of July [_], 2026, entered into by and among Ambipar Emergency Response (the "Debtor"), certain other affiliates of the Debtor (collectively, with the Debtor, the "Company Parties"), and certain holders of Green Notes (as defined in the Agreement), and agrees to be bound by the terms and conditions thereof (including with respect to the Green Notes acquired from the Transferor), and shall be deemed a "Consenting Holder" under the terms of the Agreement. All Green Notes held by the Transferee (now or hereafter) shall be subject in all respects to the Agreement.

The Transferee further acknowledges and agrees that:

(a) Individualization Requirement. As a Consenting Holder, the Transferee shall be required to vote in support of the RJ Plan reflecting the terms of the Agreement and the Restructuring Transactions. Only holders of Green Notes that have been individualized in the RJ Proceeding shall be permitted to vote on the RJ Plan at the General Creditors' Meeting. Accordingly, the Transferee acknowledges that, in order to comply with its voting obligations under the Agreement, each fund, account, or sub-account holding Green Notes on behalf of the Transferee must complete the individualization procedure provided under the individualization notice to be released in the RJ Proceeding. The Transferee shall be responsible for monitoring the RJ Proceeding and taking all actions necessary to ensure that the individualization process is completed in accordance with the deadlines and procedures set forth in the individualization notice issued in the RJ Proceeding.

(b) Public Disclosure. The Transferee acknowledges that the name and holdings of each individualized fund, account, or sub-account will become publicly available in the RJ Proceeding, as they will be included in the list of creditors eligible to vote at the General Creditors' Meeting.

(c) Trading Restrictions. Any transfer of Green Notes by the Transferee after the date set forth on the Transferee's signature page hereto must account for the Transferee's ability to comply with the rules set forth in the Individualization Notice to vote at the General Creditors' Meeting in accordance with its obligations under the Agreement. The Transferee acknowledges that failure to timely comply with the Individualization Notice provisions will result in the relevant fund, account, or sub-account being unable to vote at the General Creditors' Meeting, which may constitute a breach of the Agreement and result in a loss of such Consenting Holder's entitlements hereunder.

FORM OF NEW CONSENTING HOLDER JOINDER

The undersigned (the "New Consenting Holder") hereby acknowledges that it has read and understands the Restructuring Support Agreement (the "Agreement"), dated as of July [_], 2026, entered into by and among Ambipar Emergency Response (the "Debtor"), certain other affiliates of the Debtor (collectively, with the Debtor, the "Company Parties"), and certain holders of Green Notes (as defined in the Agreement and in that certain Cooperation Agreement, dated as of January 27, 2026, entered into by and among the Consenting Holders (the "Cooperation Agreement")), and agrees to be bound by the terms and conditions of this Agreement and the Cooperation Agreement and shall be deemed a "Consenting Holder" under the terms of the Agreement and the Cooperation Agreement. All Green Notes held by the undersigned (now or hereafter) shall be subject in all respects to the Agreement and the Cooperation Agreement.

The New Consenting Holder further acknowledges and agrees that:

(a) Individualization Requirement. As a Consenting Holder, the New Consenting Holder shall be required to vote in support of the RJ Plan reflecting the terms of the Agreement and the Restructuring Transactions. Only holders of Green Notes that have been individualized in the RJ Proceeding shall be permitted to vote on the RJ Plan at the General Creditors' Meeting. Accordingly, the New Consenting Holder acknowledges that, in order to comply with its voting obligations under the Agreement, each fund, account, or sub-account holding Green Notes on behalf of the New Consenting Holder must complete the individualization procedure provided under the individualization notice released in the RJ Proceeding. The Transferee shall be responsible for monitoring the RJ Proceeding and taking all actions necessary to ensure that the individualization process is completed in accordance with the deadlines and procedures set forth in the individualization notice issued in the RJ Proceeding.

(b) Public Disclosure. The New Consenting Holder acknowledges that the name and holdings of each individualized fund, account, or sub-account will become publicly available in the RJ Proceeding, as they will be included in the list of creditors eligible to vote at the General Creditors' Meeting.

(c) Trading Restrictions. Any transfer of Green Notes by the New Consenting Holder after the date set forth on the New Consenting Holder's signature page hereto must account for the New Consenting Holder's ability to comply with the rules set forth in the Individualization Notice to vote at the General Creditors' Meeting in accordance with its obligations under the Agreement. The New Consenting Holder acknowledges that failure to timely comply with the Individualization Notice provisions will result in the relevant fund, account, or sub-account being unable to vote at the General Creditors' Meeting, which may constitute a breach of the Agreement and result in a loss of such Consenting Holder's entitlements hereunder.

New Secured Notes – Terms	• Amount: US$925 million of New Secured Notes – Total amount to be exclusively used to fully repay the existing Green Notes; Green Notes to be qualified as Collaborative Financial Credits under the PRJ • Interest Rate: Semi-annual payments comprising (i) 10% p.a. PIK interest for an initial 18-month period, *provided*, that the first cash payment will occur on December 31, 2028; and (ii) thereafter, PIK interest at 2% p.a. and cash interest at 8% p.a. • Term: 7 years with bullet payment
New Secured Notes – Covenants	• Covenants, remedies, other debt terms, and further reporting requirements to include those set forth in Annex A • Bylaws of NewCos (as defined below) will implement the agreed remedies under the debt documents; *provided*, that (i) this shall apply to the bylaws or other appropriate corporate documents (such as certificates of incorporation or Brazilian analogues) as appropriate, (ii) such implementation shall be in furtherance of but not in lieu of the remedies set forth in the debt documents, and (iii) any amendments adversely affecting the applicable remedies provisions in such governance documents, in a manner adverse to holders of the Green Notes and/or of the New Secured Notes taken as a whole, shall be subject to the prior consent, in writing, of a majority of holders of Green Notes or New Secured Notes, as applicable. • Upon the occurrence of a Key Man Event (as defined in the RSA) between the issuance date of the New Secured Notes and the third anniversary of such issuance, as soon as practicable (but no later than 30 days thereafter), the Company shall deliver a written notice to the indenture trustee of the New Secured Notes describing in reasonable detail the nature and circumstances of the Key Man Event (the "Key Man Notice"); – If a Key Man Event is continuing after delivery of the Key Man Notice, the board of directors of Ambipar TopCo shall, in due course and consistent with its existing governance documents (but in any event no later than 90 days following such occurrence), appoint an interim chief executive officer (the "Interim CEO") selected from a slate of potential candidates to be shared with the Watchdog. The board of directors of Ambipar TopCo shall have sole discretion over both the composition of the slate and the ultimate selection of the Interim CEO.

	– Upon the appointment of the Interim CEO following a Key Man Event, and for so long as the Interim CEO remains in place, the Company shall not take any of the following actions to the extent such action would, if taken, result in a breach of the negative covenants set forth in Annex A hereto (as reflected in the terms of the New Secured Notes Documents) without the prior written consent of the Watchdog: – incurrence of indebtedness; – the incurrence of liens and the granting of negative pledges; – restricted payments and restricted junior payments in respect of certain junior debt; – mergers and other fundamental changes; – sales and other dispositions of assets, including sale-leaseback transactions; – transactions with affiliates; and – amendments or waivers to organizational documents or tax elections that would materially and adversely affect the rights of the holders of the New Secured Notes.
Guarantee / Collateral	• As further set forth in Annex A, the totality of the equity interest (i.e., 100% of the shares) of a bankruptcy remote NewCo entity ("NewCo Environment") placed below Ambipar Environmental ESG Participações S.A. ("Ambipar Environment"); jurisdiction and collateral type TBD in the Ad Hoc Group's reasonable discretion (collateral to include (i) all relevant first-tier subsidiaries of NewCo Environment and a reasonable to-be-agreed list of further subsidiaries, with ownership of all equity of all subsidiaries thereof, as acceptable to the Ad Hoc Group and (ii) all other assets and property identified as additional collateral in Annex A) • As further set forth in Annex A, the totality of the equity interest (i.e., 100% of the shares) of a bankruptcy remote NewCo entity ("NewCo Response" and, together with NewCo Environment, the "NewCos") placed below Emergência Participações S.A. ("Ambipar Emergência"); jurisdiction and collateral type TBD in the Ad Hoc Group's reasonable discretion (including all relevant first-tier subsidiaries of NewCo Response and a reasonable to-be-agreed list of further subsidiaries, with ownership of all equity of all subsidiaries thereof, as acceptable to the Ad Hoc Group): – The equity of Witt O'Brien's LLC ("Witt O'Brien") shall be subject to the following security interests: (i) 50% of the Witt O'Brien shares shall be granted as collateral to secure the Itaú loans on a first-lien basis and shall secure the New Secured Notes on a second-lien basis, *provided* that Itau's first lien over such shares shall be progressively released on a pro rata basis in accordance with scheduled principal amortization as set forth in Annex C; (ii) 40% of the Witt O'Brien shares shall be granted as collateral to secure the New Secured Notes on a first-lien basis; and (iii) 10% of the Witt O'Brien shares shall be granted as collateral to secure the intercompany loan between Ambipar US (as borrower) and Ambipar Response (as lender) on a first-lien basis and such intercompany claim and lien shall constitute Collateral under the New Secured Notes. • Permitted liens and mechanics for release of collateral set forth in Annex A. All steps required for the incorporation and establishment of the NewCos shall be carried out by the Ambipar Group at its sole cost and expense. The Ambipar Group commits to implementing such corporate reorganization (including the contribution of the subsidiaries' equity interests into

	the NewCos) on an expedited basis and the supporting members of the Ad Hoc Group (and their advisors) shall be entitled to oversee and monitor the implementation of such steps in coordination with Ambipar • As further set forth in Annex A, inclusion of all relevant operating entities in Latin America, North America and Europe as guarantors, subject to guarantee and security principles and negotiated excluded assets and release provisions
Fixed Payments	• Following payment of the First Installment and Second Installment to the Paying Agent no later than the First Installment Milestone and the Second Installment Milestone, respectively, the Paying Agent shall promptly pay the Fixed Payments in an aggregate amount of $50 million, which Fixed Payments shall be paid in two installments in accordance with the Allocation Methodologies (as defined in the RSA): – a first installment in the amount of $25 million (the "First Installment") (not subject to interest or adjustment), which shall be earned on the Effective Date of the RSA, and shall be due and payable to the Paying Agent from and after the occurrence of the Consummation Date, on the earlier of (i) one (1) Business Day following the consummation of the sale of the Precatórios (such date, the "Precatórios Sale Date") and (ii) 180 days from the date the RJ Plan is approved at the General Creditors Meeting (for the avoidance of doubt, the First Installment shall be due and payable two (2) Business Days after the Consummation Date if the foregoing clauses (i) and (ii) have occurred prior to such date) (such date, the "First Installment Milestone"); *provided*, that, if (x) the net proceeds of the sale of the Precatórios (the "Precatórios Net Proceeds") are less than $25 million and (y) the Precatórios Sale Date occurs prior to the First Installment Milestone, then the entirety of the Precatórios Net Proceeds shall be paid to the Paying Agent no later than one (1) Business Day after the Precatórios Sale Date, and an amount of $25 million *minus* the Precatórios Net Proceeds shall be paid no later than the First Installment Milestone; and – a second installment in the amount of $25 million (the "Second Installment") (not subject to interest or adjustment), which shall be earned on the Effective Date of the RSA, and shall be due and payable to the Paying Agent from and after the occurrence of the Consummation Date, on the earlier of (i) one (1) Business Day following the Precatórios Sale Date, to the extent the Precatórios Net Proceeds exceed $25 million and (ii) 365 days from the date that the RJ Plan is approved at the General Creditors Meeting (for the avoidance of doubt, the Second Installment shall be due and payable two (2) Business Days after the Consummation Date if the foregoing clauses (i) and (ii) have occurred prior to such date) (such date, the "Second Installment Milestone"); *provided*, that, if the Precatórios Net Proceeds are greater than $25 million but less than $50 million, the amount of the Second Installment paid on the Precatórios Sale Date shall be the amount of Precatórios Net Proceeds in excess of $25 million, and the amount of the Second Installment paid on the Second Installment Milestone shall be $25 million *minus* the amount paid to Paying Agent on the Precatórios Sale Date; *provided*, *further*, that, if the amount of Precatórios Net Proceeds exceeds $50 million, then such excess amount (the "Additional Second Installment Amount") shall be deemed to be part of the Second Installment and paid to the Paying Agent on the date that is no later than one (1) Business Day after the Precatórios Sale Date

	• The First Installment and the Second Installment (together, the "Fixed Payments") shall be secured by a fiduciary lien over the existing Precatórios and the proceeds from the sale thereof (but not, for the avoidance of doubt, conditioned on either the sale of the Precatórios or the proceeds of such sale)
New Project Equity Contribution	• Equity contribution at New Project SPE(s) in exchange for a majority of the New Project SPE(s) equity[1] of up to $65 million to finance the development of potential new projects pursuant to a detailed use of proceeds and budget to be agreed. The Company Parties shall undertake reasonable best efforts to raise equity proceeds up to such amount to be funded to a subsidiary of NewCo Response
Governance	• Interim and Final Governance Controls: Negative covenants to be discussed • Active Watchdog: – To be chosen and appointed by the Ambipar Group based on a list of names to be prepared by the Ad Hoc Group or the majority of the holders of New Secured Notes, as applicable, free from any instruction, direction, removal, or replacement powers by the Ambipar Group – Access to Company information and senior management (including board and executive officers' meetings) as set forth in Annex B. Collateral	
Security Package	• First priority security interest over 100% of shares of NewCo Environment and NewCo Response and first-tier subsidiaries of NewCo Environment and NewCo Response and a reasonable to-be-agreed list; 2L granted on the collateral granted to Itaú over the shares issued by Witt O'Brien's LLC (to be automatically converted to 1L upon the repayment of the Itaú financing) • First-priority security interest over all assets included on the List of Additional Collateral (as defined in the RSA), including bank accounts (as part of cash management arrangements) in the U.S. and local collection accounts outside the U.S., intercompany receivables, and intercompany liens and claims, including any intercompany loan owed by Ambipar Holding USA, Inc. • Additional collateral over specified assets in the U.S. and other jurisdictions to be negotiated (but not, for the avoidance of doubt, Brazil), as well as over quotas of certain of the existing FIMs/FIDCs and Precatórios; *provided*, that, in each case, such security interest shall not impair the day-to-day operations of the business of the Issuer and its Subsidiaries or shall not be required to be perfected to the extent it would require unreasonable effort and expense • Release of collateral subject to consent of sixty-six and two-thirds percent (2/3) of holders
Foreclosure Rights	• Immediate foreclosure rights upon occurrence and continuance of an Event of Default, without requirement for additional notice or cure period beyond those expressly set forth in the note documents. Remedies shall be exercised by the trustee or collateral agent in accordance with the documentation, intercreditor arrangements and applicable law, subject to direction and indemnity provisions
Stock Powers	• Undated stock powers (or equivalent instruments) over all pledged equity interests to be delivered at closing and held in escrow or by collateral agent for exercise upon Event of Default

Powers of Attorney	• Powers of attorney in favor of the collateral agent to execute and deliver documents, instruments and filings necessary to perfect, maintain and enforce the security interests, solely to the extent legally effective and permitted under applicable law, and subject to guarantee/security principles
Account Control / Cash Waterfall	• Cash management covenant whereby cash pooling accounts shall exist in relevant countries, and collateral over such cash accounts shall be created to the extent permitted by law and shall not impair the management of the ordinary course of business. Such accounts shall be with 'Tier 1' banks and funds/investments shall be held by 'Tier 1' banks or other banks to be agreed upon, except if otherwise approved by the Watchdog
Additional Documents	• Such additional security documentation as may be reasonably required by counsel to ensure perfected first-priority liens in relevant jurisdictions, to the extent legally available and commercially reasonable, and subject to guarantee/security principles, applicable law, cost/benefit limitations and other negotiated exceptions
Guarantors	• Guarantors shall include material wholly owned Restricted Subsidiaries of the Issuer in Latin America, North America and Europe, subject to guarantor coverage and release provisions; *provided*, that Witt O'Brien and Ambipar US shall provide guarantees ranking second in priority of payment to the guarantee obligations under the Itaú financing and which shall convert automatically to first-priority guarantees upon repayment in full of the Itaú financing • Aggregate and individual materiality thresholds for existing and future guarantors to be negotiated and detailed
Annex B – Watchdog Rights	
Appointment	• To be appointed by the Ambipar Group based on a list of names attached to the reorganization plan and prepared by the Ad Hoc Group or the majority of the holders of New Secured Notes, as applicable, free from any instruction, direction, removal, or replacement powers by the Ambipar Group, to act solely in the interest of the creditors
Fees and Expenses	• All fees, costs, and expenses of the Watchdog shall be borne by the Issuer and the Guarantors. The fee arrangement shall be agreed between the Watchdog and the Issuer prior to appointment, subject to approval by the majority of holders of Green Notes or New Secured Notes, as applicable
Mandate / Term	• The Watchdog shall serve for an initial term of two (2) years, automatically renewable for successive one-year periods unless removed by vote of holders of a majority of New Secured Notes. The Watchdog may only be removed for cause or by a majority vote of the New Secured Notes
Information Access	• Unrestricted access to all financial, operational and corporate information of the Issuer(s), the Guarantors, and each Restricted Subsidiary, including, but not limited to, board materials, management reports, budgets, forecasts, audit reports, tax filings, material contracts, and any other documentation reasonably requested by the Watchdog in connection with its mandate

Banking Access / Visualization Token	• To hold, without interruption, possession of any visualization token, banking visualization credential, or equivalent access visualization instrument over all bank accounts of the Issuer(s), the Guarantors, and each Restricted Subsidiary, such that the Watchdog maintains full and real-time visualization rights over all flow of funds at all times
Transfer Approval / Flagging	• To require that any transfer of funds above agreed thresholds (depending on the nature of the transaction) be subject to the prior written approval of the competent governance body of the relevant entity, and to flag any transfer that appears inconsistent with the Note Documents, the agreed covenant package (including, without limitation, covenants governing related-party transactions and receivables purchase arrangements)
ERP / Systems Access	• To receive complete read-only access to all ERP systems, financial management platforms, and operational databases of the Issuer(s), the Guarantors, and each subsidiary
Inspections / Sub-Agents	• To conduct or commission, during normal business hours and upon reasonable prior notice (not to exceed two business days), on-site inspections, operational audits, and financial reviews of the Issuer(s), the Guarantors, and each Restricted Subsidiary, and to appoint sub-agents or specialists as reasonably necessary to fulfill the Watchdog mandate, with costs borne by the Issuer • For the avoidance of doubt, the Watchdog shall be entitled to access, without prior notice and at any time, any remotely accessible software system, platform, database, account, report, file, record or other source of information of the Company and its subsidiaries, whether electronic, internal, cloud-based or hosted by third parties, including ERP systems, ERP-like reports, Salesforce or Salesforce-like data, bank statements, bank portals, accounting systems, treasury systems, payment systems, internal cloud environments, shared drives, data rooms, CRM platforms, tax records, payroll systems, procurement systems, invoicing systems, receivables and payables records, management reports, board materials, audit logs, metadata and any other information source reasonably deemed relevant by the Watchdog. The Company shall use all commercially reasonable efforts to ensure that its information, records, reports, files and data are maintained, circulated and made available through a cloud-based environment or other remotely accessible platform that is accessible to the Watchdog. For any access requiring physical entry to premises, physical delivery of records or on-site personnel support, the Company shall provide such access as promptly as practicable and, in any event, within two business days of request. The Company shall not unreasonably deny, delay or condition any request by the Watchdog for a bespoke report or analysis, and shall provide such report or analysis as promptly as reasonably practicable. Notwithstanding anything to the contrary, the Watchdog shall undertake reasonable efforts to coordinate with the Company any access to information and premises and clarify with management of the Company any questions or concerns that may arise as promptly as practicable and prior to any report or notice to holders of Green Notes or New Secured Notes, as applicable
Meeting Attendance	• To attend and observe (without voting rights) all meetings of the Board of Directors, executive committees, any other governance body of the Issuer(s) and the Guarantors, with reasonable prior notice of such meetings and access to all materials distributed in connection therewith

	• Any other rights to be agreed with the Ad Hoc Group and provided for in the Board's charter (*regulamento/regimento interno*) (e.g., presenting dissenting opinions regarding the Board's resolutions)
Compliance Monitoring	• To monitor ongoing compliance with all covenants, reporting obligations, and undertakings set forth in the Note Documents and any ancillary agreements, and to report any actual or anticipated breach to the holders of Green Notes or New Secured Notes, as applicable, on a timely basis
Reporting to Holders	• To deliver quarterly written reports to the holders of Green Notes or New Secured Notes, as applicable, summarizing key financial and operational developments, covenant compliance status, any concerns identified, and recommended actions, with additional ad hoc reports as circumstances warrant
Immediate Alert Reports	• To immediately notify the holders of Green Notes or New Secured Notes, as applicable, (or their designated representatives), of any event that in the Watchdog's reasonable judgment constitutes or is likely to constitute an Event of Default, a material adverse change, or a material breach of any covenant or undertaking
Notifications Notwithstanding Confidentiality	• The Watchdog's notification and reporting obligations shall not be limited or restricted by any confidentiality, non-disclosure, or similar agreement to which the Issuer(s), the Guarantors, or any Restricted Subsidiary may be party, and the Issuer(s) shall procure appropriate waivers or carve-outs to enable the Watchdog to discharge its duties without restriction
General Cooperation	• The Issuer(s), the Guarantors, and each Restricted Subsidiary shall cooperate fully with the Watchdog and shall not take any action to impede, obstruct, or interfere with the Watchdog's exercise of its rights and performance of its duties hereunder
Annex C – Itaú Term Sheet Set forth below are the key terms for the reprofiling of the loan agreement between Ambipar Holding USA, Inc. ("Ambipar US") with Itaú BBA International PLC ("Itaú BBA")	
New Loan Agreement	• Amount: $90 million principal amount, plus all accrued and unpaid interest from the last effective interest payment date through closing • Interest Rate: 6.0% p.a., payable semiannually from the duly formalization of the first lien on Witt O'Brien shares – Interest shall be paid in kind ("PIK") for the first 24 months following closing • Term: 7 years – Semiannual principal amortizations as follows: 25% per annum from Year 4 through 7

Guarantee / Collateral	• First-priority liens over 50% of the shares of Witt O'Brien, subject to the execution of an intercreditor agreement satisfactory to all parties, which shall, among other matters, grant Itaú BBA the right to direct and control the enforcement and sale process of the collateral upon the occurrence of an event of default – Liens over the pledged equity interests shall be progressively released on a pro rata basis in accordance with scheduled principal amortization, with corresponding releases of collateral occurring concurrently with each principal repayment – For the avoidance of doubt, the remaining 50% of Witt O'Brien shares shall be allocated as follows: (i) 10% pledged as a first-priority lien securing the intercompany loan between Ambipar US (as borrower) and Ambipar Response (as lender), and (ii) 40% subject to a permitted lien under the Itaú loan documents, exclusively in connection with and to the benefit of the negotiation of the 2031 and 2033 Green Notes restructuring • Existing Corporate Guarantee from Ambipar Emergência to be maintained
Conditions Precedent	• Final documentation to be executed concurrently with the Effective Date of the RSA and effective thereafter upon satisfaction of the conditions precedent specified below; *provided*, that the security instrument in favor of Itaú BBA shall be executed contemporaneously with execution of the security instrument in favor of the holders of Green Notes or New Secured Notes, as applicable and subject to the conditions below • Execution of the security instrument in favor of Itaú BBA is subject to the following conditions: – Itaú BBA shall not vote against the RJ Plan in the RJ Proceeding – As of the date of effectiveness, Itaú BBA shall have suspended all action with respect to, or in connection with, the litigation pending in the RJ Proceeding and Chapter 11 – Approval and implementation of an RJ Plan (including Chapter 15 recognition) on terms satisfactory to the Ad Hoc Group – Resolution of the related Chapter 11 Case on terms satisfactory to the Ad Hoc Group – Itaú BBA and the Ad Hoc Group shall execute an intercreditor agreement satisfactory to both the Ad Hoc Group and Itaú BBA simultaneously with the execution of the security instrument in favor of the holders of Green Notes or New Secured Notes, as applicable, and Ambipar
Covenants	• Customary covenants consistent with similar transactions, including a dividend distribution covenant allowing distributions of up to 40% of net income, as well as financial reporting, restriction on payments, asset sales and related-party transactions.

LIST OF OPERATING COVENANTS

From the Effective Date until the date on which the New Secured Notes have been duly and effectively issued (the "New Secured Notes Issuance Date", and such period, the "Interim Period"), each of the Company Parties shall, and shall cause each member of the Ambipar Group to, conduct its operations and activities with due care and diligence, in the ordinary course of business, and in compliance with applicable law, and shall not, and shall cause each member of the Ambipar Group not to, (i) take any action in breach of the negative covenants set forth in either Green Notes Indenture or (ii) take any of the following actions, in each case except where such act (a) is expressly contemplated by, or provided for in, this Agreement, the Restructuring Term Sheet, the RJ Term Sheet, the Steps Plan, or the RJ Plan; (b) is undertaken for the purpose of implementing the Restructuring Transactions or effecting the issuance of the New Secured Notes, in each case in accordance with this Agreement and provided that such act is not otherwise expressly prohibited by this Agreement; or (c) has been authorized in writing by the Required Consenting Holders holding at least 50.1% of the aggregate outstanding principal amount of the Green Notes held by all Required Consenting Holders (such authorization not to be unreasonably withheld, conditioned, or delayed):

1. without the prior written consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting Holders, take any action or inaction that would cause a change to the tax status (including a tax classification election) of any Company Party;

2. entering into, effecting, amending, terminating, or permitting any transaction, transfer (including sales) of assets or cash, payment, loan, advance, distribution, return of assets or funds to any shareholder or quotaholder, or other movement of value with or for the benefit of any Related Party, without the prior written consent of the Required Consenting Holders;

3. permitting to exist any lien, pledge, mortgage, charge, security interest, fiduciary sale or assignment (*alienação* or *cessão fiduciária*), usufruct, or other encumbrance (each, a "Lien") over any assets, rights, or properties, other than Liens existing on the Effective Date or arising by operation of law in the ordinary course of business, and including, without limitation, any Lien over, the assets, quotas, and shares as identified in the List of Additional Collateral provided for in the Agreement;

4. acquiring, by any means, any equity or other ownership interest in any Person;

5. directly or indirectly making any payment, prepayment, redemption, repurchase, defeasance, or other satisfaction of, or granting any Lien or other credit support in respect of, any Claim other than in the ordinary course of business and/or as expressly contemplated by this Agreement or the RJ Plan; and

6. creating, incurring, assuming, guaranteeing, or otherwise becoming liable for any indebtedness for borrowed money, whether to third parties or to any Related Party, in each case whether in a single transaction or a series of related transactions, other than (x) indebtedness expressly contemplated by this Agreement or the Restructuring Term Sheet, (y) any refinancing, extension, renewal, replacement, substitution, exchange, or refunding (including by way of defeasance or discharge) of existing indebtedness that does not increase the outstanding principal amount plus any accrued and unpaid interest thereof and any premiums, defeasance costs and fees (excluding, for the avoidance

of doubt any expenses incurred in connection with or other amounts capitalized and/or added to, or otherwise rolled into the principal amount of such refinancing), provided that such refinancing (A) does not impair, subordinate, or adversely affect the rights of the Required Consenting Holders, and, in the case of indebtedness that is subordinated to the claims of the Required Consenting Holders, remains so subordinated at least to the same extent, and (B) that such refinancing has a stated maturity, and a weighted average life to maturity, in each case equal to or longer than that of the indebtedness being refinanced, comprising either (i) financial indebtedness (including loans and other borrowed money) of any member of the Ambipar Group, whether or not subject to the RJ Plan, including any *extraconcursal* indebtedness, incurred in the ordinary course of business with first-tier financial institutions or (ii) indebtedness incurred to finance machinery, equipment, or vehicles (including trucks) used in the ordinary course of business, at fair market value and with first-tier financial institutions; and/or (z) indebtedness incurred in the ordinary course of business not exceeding USD 25,000,000.00 in the aggregate.

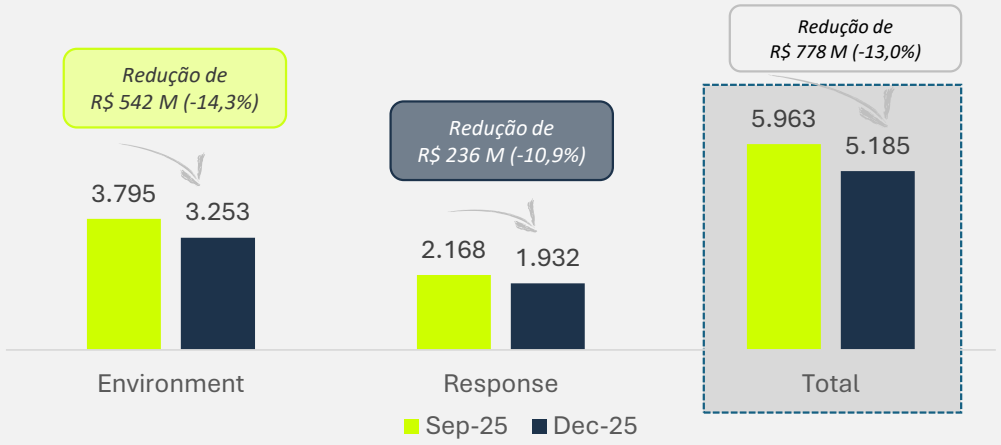
Grupo Ambipar | Estabilidade do Negócio, Percepção de Mercado e Caminho para a Reestruturação

- A Ambipar ajuizou uma **medida cautelar, no Brasil, em 24 de setembro de 2025 e ingressou com um pedido de Recuperação Judicial em 20 de outubro de 2025**, abrangendo as entidades brasileiras dos segmentos de Environment e Response. Na mesma data, a Ambipar Emergency Response iniciou voluntariamente um processo de Chapter 11 nos EUA. **As demais operações internacionais permaneceram fora do perímetro da reestruturação brasileira**.
- A decisão de manter as **operações internacionais fora do processo** mostrou-se adequada, evitando qualquer disrupção operacional material nessas unidades. Até o momento, **o negócio permanece estável, e os impactos têm sido limitados**, refletindo-se principalmente em uma desaceleração de novos bids e na não renovação de determinados contratos.
- **No Brasil**, para além dos impactos observados internacionalmente, a Companhia **enfrentou um desafio reputacional**, em razão da exposição negativa na mídia. Os **clientes permanecem cautelosos** em relação à saúde financeira e continuidade operacional. Além disso, alguns clientes **reavaliaram sua dependência operacional** dos serviços de environment e response e passaram a buscar fornecedores alternativos, ao menos como opção.
- Até o momento, **o impacto mais relevante** foi observado no segmento de **Environment**, com **contratos** relevantes sendo **rescindidos ou redimensionados** para reduzir a exposição dos clientes. Ainda **é esperado**, no curto prazo, uma **contração** no segmento Environment.
- **Apesar desse impacto**, alguns **clientes relevantes procuraram proativamente** a Ambipar para **compreender** melhor os **riscos** envolvidos e demonstraram disposição para restabelecer contratos, **reconhecendo** a **qualidade dos serviços** da Companhia, sua **escala operacional** e sua **capacidade** de atender às demandas de grandes corporações.
- **Nesse contexto**, a Ambipar entende que uma **rápida aprovação do Plano de Recuperação Judicial é relevante** para reduzir a percepção de risco por parte dos clientes, restabelecer a confiança comercial e permitir que a Companhia retome sua trajetória de crescimento e expansão.



Ambipar Brasil | Backlog de Contratos

Após o pedido de Recuperação Judicial, a Companhia registrou uma queda em sua carteira de contratos, devido ao cancelamento de contratos e ao consumo do backlog de sua carteira (curso normal dos negócios). Os impactos mais significativos estão sendo observados no segmento de Environment

Backlog de Contratos - Brasil (R$m)

Após o pedido de RJ, a Ambipar teve uma **redução de ~R$ 800m de backlog**, dos quais cerca de 40% decorreram do **cancelamento de contratos (todos do segmento Environment)** e o **restante** de **consumo do backlog** (prazo contratual, sem qualquer renovação antecipada)

- Environment: (i) **políticas de mitigação de risco** de empresas globais (recuperação esperada após Plano aprovado) e (ii) substituição da Ambipar por diversas empresas regionais (provável retorno devido à falta de padronização / qualidade inferior de serviços)
- Response: Ambipar está bem posicionada no Brasil, tornando sua substituição mais difícil. No entanto, a RJ tornou os clientes mais cautelosos em relação às renovações antecipadas (prática padrão) - renovações sendo adiadas para próximo do vencimento dos contratos.

Comentários

Environment

- Redução de backlog de R$ 320 milhões em cancelamentos de contratos e R$ 222 milhões em consumo da carteira
  - Gestão de resíduos: redução de R$ 236 milhões na carteira, dos quais R$ 57 milhões referem-se a contratos de resíduos eletrônicos, difíceis de reverter
  - Mineração: redução de R$ 181 milhões na carteira, dos quais R$ 100 milhões com player relevante no Estado de Minas Gerais (Ambipar ainda está operando e substituí-la não deve ser uma tarefa simples)
- Embora a Companhia tenha garantido novos contratos, os volumes devem reduzir no curto prazo, sem ajustes significativos de preços para manter a competitividade

Response

- Redução da carteira devido ao consumo normal do backlog (prazos contratuais - sem cancelamentos de contratos). Esses contratos tipicamente apresentam renovações antecipadas, mas os clientes têm sido mais cautelosos após a RJ, evitando renovações antecipadas.
  - Contratos de resposta a emergências e combate a incêndios com suporte aéreo (R$ 71m) e industriais (R$ 54m).
- Requisitos regulatórios e a presença nacional da Ambipar tornam mais difícil a substituição de prestadores de serviços.

Notas: Informações gerenciais e não auditadas

Grupo Ambipar | Vantagens Competitivas e Proposta de Valor Única

Portfólio amplo e altamente complementar de serviços sinérgicos, apoiado por um robusto know-how que reforça a diferenciação e cria significativas barreiras de entrada

Destaques da Companhia

- Plataforma irreplicável composta por +600 bases, presente em 23 países diferentes, com uma equipe técnica altamente qualificada e expertise única no setor, oferecendo solução abrangente e proposta de valor superior aos clientes
- Relacionamentos comerciais de longa data com mais de 25 mil clientes, a maioria com contratos de longo prazo e custos de substituição relevantes
- Domínio completo do ambiente regulatório, posicionando a Companhia como o primeiro contato para autoridades públicas locais e empresas globais que buscam melhores práticas
- A Ambipar está bem posicionada para capturar oportunidades significativas de crescimento em sua plataforma e nas principais geografias, apoiada por um modelo de negócios escalável e diversificado

Environment & Response – Avenidas de Crescimento Orgânico

ambipar environment

Know-How

Operações significativas ainda não exploradas em múltiplos setores e clientes, oferecendo soluções internas para atender demandas com know-how exclusivo da Ambipar (processo de ponta a ponta), criando assim uma barreira natural de entrada para concorrentes

Cross-Selling

Resíduos de emergências originados em ocorrências da Response geram demandas de tratamento ambiental, recuperação e gestão de resíduos, criando um caminho interno natural para expandir o escopo de serviços ao entregar uma solução verticalmente integrada

ambipar response

Brasil

A Response ocupa uma posição significativa como líder de mercado e referência principal para as autoridades locais, tanto no treinamento de autoridades públicas quanto no apoio à ocorrências de emergências, reforçando a credibilidade técnica, prontidão operacional e relacionamentos institucionais de longo prazo

EUA

A Companhia atua em um mercado amplo e fragmentado, o que direcionou sua estratégia de adquirir múltiplos players regionais, com o objetivo de construir um hub operacional para suas operações no Brasil.

Grupo Ambipar | Perspectiva da Administração (Crescimento Orgânico) – Brasil

Espera-se que o segmento de Environment Brasil registre contração de receita em 2026, com recuperação gradual de volume a partir de 2027, enquanto a Response deve permanecer resiliente dada sua estrutura, capilaridade e altas barreiras de entrada

Brasil – Perímetro de Recuperação Judicial

ambipar environment

Brasil

De forma geral, **espera-se que 2026 seja** um ano de **contração de volume e receita** devido aos impactos da Recuperação Judicial (desafio de mercado). **A partir de 2027**, a Companhia prevê **retomar o crescimento real até 2030**, recuperando gradualmente seu volume. Projeta-se ainda uma expansão de margem EBITDA até 2030, principalmente impulsionada por uma **estrutura otimizada e redução de custos operacionais**

- **Materiais Recicláveis:** o principal segmento Environment foi impactado pela rescisão de alguns contratos, com expectativa de redução significativa de volume em 2026. A partir de 2027, projeta-se crescer mais rapidamente do que os demais serviços.
- **Movimentação:** o negócio foi impactado pela rescisão de contratos relevantes, com previsão de redução significativa de volume em 2026 e crescimento modesto entre 2027 e 2030.
- **Efluentes:** segmento mais recente da Ambipar que deve apresentar menor impacto (sem redução de volume em 2026)
- **Descarbonização:** Desconsiderando o pipeline de novos projetos, a Companhia não espera assegurar novos contratos no curto prazo, resultando em níveis de receita mais baixos ao longo do período de projeção

ambipar response

Brasil

Considerando a **relevante participação de mercado da Ambipar**, sua **estrutura, capilaridade** e as **altas barreiras de entrada para concorrentes**, a administração **não espera impactos significativos nos níveis de receita** ao longo do período de projeção, com crescimento real conservador até 2030. A margem de **EBITDA** deve se expandir, principalmente impulsionada por menores custos de estrutura e operacionais.

Grupo Ambipar | Perspectiva da Administração (Crescimento Orgânico) – Entidades Estrangeiras

As operações estrangeiras foram menos impactadas do que o Brasil e, lideradas pela América do Norte, devem impulsionar a expansão de receita e margem a partir de 2026

Entidades Estrangeiras – Fora do Perímetro da Recuperação Judicial

América Latina

Environment (foco em Chile e Peru): **Margem bruta inferior à do Brasil**, devido à **ausência de uma indústria de transformação** (foco em gestão de resíduos em minas e instalação de banheiros químicos). **Investimento relevante no GIRI** [1] (alta capacidade ociosa ~60%), aguardando o processo de licitação de logística reversa no Chile (Re-Simple esperado em 2026) para **aumentar a capacidade utilizada**.

- O GIRI possui capacidade de 60 mil ton/ano e espera-se que dobre a utilização da capacidade de recicláveis da Ambipar na América Latina após seu ramp-up completo. Os processos de licitação ainda não foram agendados e, no momento, são esperados para 2026.

Response: **Focada** em **respostas a emergências, principalmente no Chile, Peru e Colômbia**. Sem expectativa de crescimento de margem.

América do Norte

- **A operação passou por mudança recente na gestão** e há **confiança** na estratégia de **melhoria operacional e expansão de margem** (redução de custos, negociação de contratos de leasing e integração de transações de M&A — empresas familiares com portfólios complementares).
- O **foco** da Companhia está na **diversificação de serviços** nos estados em que atua e na expansão para novas localidades (New Orleans / Tulsa), **capacitando toda a Companhia a realizar as atividades dos portfólios recentemente adquiridos**, além de promover melhorias operacionais contínuas.
- Apesar das melhorias esperadas, a operação tende a manter **margem EBITDA abaixo das demais operações da Ambipar**, devido à sua exposição a **mercados regionais altamente competitivos** (líder de mercado possui apenas 4–5% de market share).

Europa

A Europa possui uma **operação bem estruturada** em um mercado maduro, com espaço para crescimento real e melhoria de margem, permanecendo como a operação mais lucrativa fora do Brasil.

- Inglaterra: marítimo (derramamento de óleo) + ferroviário / Irlanda: limpeza industrial / Espanha: marítimo.

Notas: (1) Planta de separação, pré-tratamento e preparação para reciclagem, localizada em Santiago (Chile)

Ambipar Environment | Pipeline – Novas Linhas de Receita (Descarbonização)

A Ambipar mantém um robusto pipeline de projetos de descarbonização, posicionando a Companhia para capturar a demanda crescente em múltiplos setores industriais impulsionados por compromissos ESG

1 Descarbonização I Créditos de Carbono

Brasil

A Companhia avaliou 17 potenciais projetos de crédito de carbono (ARR e REDD+) [1]. Ao longo de um período de 10 anos, o fluxo de caixa descontado projetado é estimado em um intervalo entre R$ 5,5 bilhões e R$ 8,3 bilhões (a Ambipar garante uma porcentagem dependendo dos termos de cada acordo de parceria)

Forte Demanda

As empresas estão demonstrando atualmente um forte comprometimento com metas ESG e clima, impulsionadas pelo aumento da pressão global de reguladores, investidores e da sociedade

Incentivos para participar da cadeia de valor de neutralização de carbono

Solução

Soluções Baseadas na Natureza (ARR and REDD+) [1]

Posicionamento da Ambipar e benefícios associados

Reconhecida diversas vezes como uma desenvolvedora líder de projetos de carbono florestal (REDD+ e ARR) [1], com know-how comprovado desde 2008 e diversas **certificações internacionais** (incluindo certificações VERRA).

Integração com o Ecossistema Ambipar: Está integrada a uma cadeia abrangente de soluções ambientais, permitindo que o grupo ofereça **serviços que vão desde a gestão de resíduos até a compensação total da pegada de carbono**.

A Ambipar mantém um **pipeline robusto de 17 projetos** em uma das **linhas de negócios de maior margem** da companhia e tem potencial para ganhar maior representatividade dentro do negócio como um todo.

Notas: (1) ARR: Florestamento, Reflorestamento e Revegetação (sigla referente a tradução para o inglês) ; REDD+: Redução de Emissões por Desmatamento e Degradação

Ambipar Response I Pipeline – Novas Linhas de Receita (1/2)

A Response atualmente possui quatro grandes novos projetos em seu pipeline, com EBITDA anual potencial de USD 60 milhões (~50% de aumento do EBITDA da Companhia). São necessários até USD 155 milhões em Capex, e a obtenção de financiamento é crucial para a Ambipar executar esses projetos

(A) **Créditos Judiciais:** cotas de um fundo cujos ativos eram CDBs em instituições financeiras até o início de setembro e que posteriormente foram substituídos por pré-precatórios federais no montante de R$ 1,2 bi (valor de face)

(B) **Direitos Creditórios:** Cotas do FIDC Fênix. A redução na linha de ativos em dez/25 corresponde a uma baixa de R$ 761m, decorrente da constituição de provisão para uma parcela relevante dos direitos creditórios que compõem os ativos do FIDC, uma vez que estão relacionados a uma empresa atualmente em RJ (Ambipar). Esse ajuste, portanto, possui impacto correspondente no resultado (P&L), mas não gera efeito de caixa

(C) **Investimentos em bancos de 2ª Linha:** Investimentos mantidos em uma instituição atualmente em processo de liquidação (o processo de liquidação ainda não havia sido iniciado em dezembro de 2025)

(D) **Cash Collateral:** Depósitos em dinheiro prestados como contragarantia em conexão com operações de derivativos. No entendimento da Companhia, os créditos relacionados a essas operações de derivativos estão sujeitos ao processo de RJ, e a Companhia está buscando uma decisão judicial para a liberação desses depósitos

(E) **Outros Fundos de Investimentos - Equity:** R$ 33m referente a uma participação de 40% no Parquetur (serviços de apoio à visitação em parques naturais, com foco em conservação e proteção da natureza); e R$ 533m equivalentes a 23% do capital social da EMAE (EMAE3:B3) [3 4]

Grupo Ambipar | Estrutura Societária

O Grupo Ambipar opera por meio de uma estrutura societária organizada em duas verticais operacionais - Environment e Response

Estrutura Societária Resumida

Comentários

- A Ambipar entrou com pedido de RJ no Brasil em 20/Out/2025, abrangendo as entidades operacionais brasileiras dentro das verticais de Environment e Response, mantendo as demais operações internacionais fora do perímetro da reestruturação
- Determinadas entidades subsidiárias não foram incluídas no processo de RJ. A definição do perímetro da reestruturação resultou de uma análise detalhada, não cumulativa, de diversos fatores, incluindo: (i) a estrutura societária do grupo; (ii) o perfil de endividamento e os arranjos de garantias no grupo e no nível de cada subsidiária; (iii) as atividades e características específicas de cada entidade; e (iv) a existência de garantias cruzadas e o potencial vencimento antecipado de obrigações financeiras relevantes.
- As subsidiárias estrangeiras foram excluídas do perímetro da RJ/Chapter 11, pois não necessitavam de proteção judicial para manter a continuidade operacional. A inclusão dessas entidades poderia gerar disrupções comerciais desnecessárias, risco de rescisão de contratos estratégicos e comprometer arranjos críticos de garantias bancárias em determinadas jurisdições, como o Chile. A manutenção da autonomia das operações internacionais preserva valor para todas as partes interessadas, ao mesmo tempo em que permite negociações diretas com credores para a regularização das obrigações.

Notas: (1) Inclui todas as dívidas sob Recuperação Judicial (financeiras, fornecedores, trabalhistas, etc.). Não considera garantias (aval) prestadas pela Ambipar Participações e Emergência Participações ao BTG Chile (USD 36m – Environment) e Itaú USA (USD 119m – Response), respectivamente. Não considera valores intercompany | (2) USD / R$ = 5,3112 (23/09/2025)

Comentários

(A) Dívida RJ: A dívida da RJ decorre predominantemente de passivos financeiros e está amplamente concentrada nas holdings. A Ambipar não reconhece a existência de credores na Classe II (credores com garantia real) e, portanto, todos os créditos da RJ são considerados quirografários.

(B) Dívida Não Sujeita BR: A Companhia possui saldos devedores relacionados ao financiamento e leasing de caminhões e equipamentos utilizados em suas operações, com os respectivos ativos dados como garantia. Em certos casos, a devolução de caminhões não utilizados está sendo negociada mediante a redução dos valores em aberto.

(C) Dívida em Entidades Estrangeiras: Fora do perímetro da Recuperação Judicial, a Companhia possui saldos devedores em suas operações da América do Norte (aprox. R$ 594 milhões), LATAM (aprox. R$ 372 milhões) e Europa (aprox. R$ 14 milhões)

- LATAM: dívidas com vencimentos principalmente a partir de 2028, com taxas média de juros estimada em 8,2%

- Desde o pedido de Tutela Cautelar, as únicas transferências de participações societárias concluídas relacionam-se a participações minoritárias em subsidiárias do grupo, garantindo uma participação acionária de 100%, em cumprimento a contratos preexistentes, cujos passivos relacionados foram incluídos na Recuperação Judicial (a serem pagos de acordo com o Plano de RJ).
- Outros passivos (~R$ 110 milhões) classificados como créditos de M&A na Lista de Credores, mas não incluídos na tabela, estão relacionadas a *earn-outs* e outros compromissos estabelecidos nos *SPAs,* assim como há passivos decorrentes de aquisições de participações ainda ilíquidos que tão logo se tornem líquidos serão somados ao valor constante da tabela e pagos de acordo com o Plano de RJ.

Grupo Ambipar | Projeções Financeiras – Premissas Principais (sem Novas Linhas de Receita)

Nenhum crescimento significativo é considerado para 2026, pois as operações no Brasil — particularmente em Environment — são afetadas pelo processo de Recuperação Judicial. As operações nos EUA e na Europa devem contribuir positivamente para os resultados consolidados

Tópico	Premissas Principais
Receita [1] (Desafio de mercado em 2026 e crescimento a partir de 2027)	• Em geral, **as operações de Environment têm sido mais afetadas** pelo processo de RJ, com **expectativa de redução de 12% em seu tamanho no Brasil** em 2026 (principalmente devido à diminuição de volume em Materiais Reciclados e Movimentação). **Após** a **aprovação do Plano**, espera-se que o negócio **retome o crescimento** (crescimento modesto de volume com ajuste anual de preços pela inflação), impulsionado pela melhora da confiança dos clientes. • As operações de Response **têm sido menos impactadas** do que as de Environment e **espera-se que cresçam** (aumento modesto da taxa de utilização com ajuste anual de preços pela inflação) **a partir de 2026**, com **destaque** para a **operação nos EUA.**
CMV (Negócio intensivo em mão de obra)	• Tanto **Environment quanto Response são negócios intensivos em mão de obra**, com (i) **custos de pessoal** representando aproximadamente **50%–60%** do total do CMV e (ii) **serviços de terceiros** (mão de obra especializada, **~15%–20%**).
Custos de Leasing [1] (Negociações em andamento com fornecedores)	• A Companhia incorre em despesas de leasing relacionadas a contratos de arrendamento de caminhões, equipamentos e imóveis, que suportam a continuidade de suas operações. • No Brasil, a Companhia **vem implementando medidas para reduzir as despesas relacionadas a leasing (negociações em andamento)** por meio da devolução de veículos e equipamentos sub-utilizados e da renegociação de pagamentos mensais. **Espera-se que essas medidas tenham um impacto positivo significativo a partir de 2026**.
EBITDA e Margem EBITDA (Expansão de margem devido à redução de custos)	• **Brasil**: **Expansão de margem EBITDA recorrente esperada a partir de 2026**, impulsionada pelas **renegociações de custos de leasing**. Até 2031, quando os negócios atingirem a maturidade, Environment deve alcançar margem EBITDA de aproximadamente 20% e Response de 23%. • **América do Norte**: A região deve apresentar o **aumento mais significativo na margem EBITDA**, passando de zero em 2025 para 13% em 2030. Essas melhorias estão relacionadas às iniciativas operacionais da nova gestão (expansão de receita e redução de custos / leasing). • **Europa e LatAm**: sem mudanças significativas para ambas as regiões.
Capex (Capex de expansão reduzido é esperado)	• **Não se espera que o capex de expansão** (aquisição de frota / novas instalações) **represente uma saída de caixa relevante**, dada a manutenção da estrutura atual. • **Capex de manutenção (manutenção de caminhões / equipamentos)** em torno de 6% da Receita Líquida para Environment e Response.
Capital de Giro (Redução dos prazos de pagamento a fornecedores)	• **Contas a Pagar: Prazos de pagamento mais curtos** (a maioria antecipada / à vista) com fornecedores desde o pedido de RJ. Com a **aprovação do Plano** e o fortalecimento das parcerias com fornecedores estratégicos, **espera-se que os prazos de pagamento retornem aos níveis históricos** (~70 dias na Response e 65 na Environment). • **Contas a Receber e Estoques: Não são esperadas mudanças materiais** nos prazos médios durante o período projetado.

Notas: (1) Todos os preços são indexados à inflação, em suas respectivas regiões, e às variações cambiais

(A) Efeitos Mecbrum: Exclusão da Mecbrum, empresa do segmento de movimentação de materiais, dos resultados consolidados da Ambipar, devido ao não cumprimento de condições precedentes da transação de M&A. Portanto, suas contribuições não são consideradas na projeção da Ambipar.

(B) Venda de Ativos: Ganhos com vendas de ativos realizadas acima do seu valor contábil contribuíram para os resultados no 1S25. Esta premissa não é considerada nas projeções, uma vez que a frota é renovada gradualmente (apenas capex de manutenção considerado).

(C) Baixa de Passivos: Acordo no nível da Witt O'Brien's (WOB) envolvendo a baixa de passivos relacionados à cessão de recebíveis aos antigos acionistas da WOB com deságio.

(D) Impactos de Consolidação: Efeito positivo decorrente da consideração de 100% dos resultados das empresas adquiridas, enquanto, do ponto de vista contábil, apenas os meses seguintes à consolidação efetiva são reconhecidos.

Comentários

(A) **Crescimento Receita Líquida:** O segmento de Environment no Brasil tem sido impactado pelo processo de RJ, levando a uma ligeira queda na receita (rescisão de contratos), enquanto o segmento de Response, particularmente nos EUA, considera um crescimento de receita impulsionado por operações em novas localidades.

(B) **EBITDA IFRS:** As margens permanecem estáveis, impulsionadas pelo desempenho das operações fora do Brasil, particularmente nos EUA e na Europa, onde se espera ganhos de eficiência e dinâmicas comerciais mais estáveis em comparação com as operações brasileiras (impactos da RJ).

(C) **Despesas com Contratos de Leasing:** Despesas com leasing de caminhões e equipamentos. A Companhia vem implementando medidas para reduzir as despesas relacionadas aos leasings por meio da devolução de veículos e equipamentos sub-utilizados e da renegociação de pagamentos mensais (negociações em andamento).

(D) **EBITDA Recorrente:** Espera-se uma melhoria na margem EBITDA principalmente decorrente dos esforços de redução de custos em contratos de leasing (discussões em andamento).

(E) **Margem EBITDA por Região:** Excluindo o Brasil, a operação europeia é mais estruturada e apresenta a maior margem EBITDA esperada para 2026. Apesar dos impactos do processo de RJ nas operações no Brasil, as margens nos negócios de Environment e Response permanecem maiores que as demais, refletindo maior maturidade dos negócios e um cenário competitivo mais favorável.

Grupo Ambipar | Projeções de P&L – Consolidado

No longo prazo, a Companhia se estabiliza com uma margem EBITDA IFRS de 23,6%, impulsionada principalmente por melhorias operacionais na Response e pela recuperação do segmento de Environment após a aprovação do Plano de RJ

Comentários

(A) **Crescimento da Receita no Longo Prazo:** Crescimento modesto de volume e taxa de utilização com ajustes anuais de preços pela inflação, de 2027 a 2030, e crescimento equivalente à inflação a partir de 2031. O segmento de Response supera o de Environment em tamanho, impulsionado principalmente pela (i) expansão das operações no exterior e (ii) pela queda de receita esperada na Environment em 2026.

(B) **EBITDA Recorrente IFRS:** A Companhia espera entregar um aumento na margem EBITDA até 2030, impulsionado principalmente por esforços para melhorar o desempenho operacional, atingindo níveis mais elevados na Response em comparação com 2025 e níveis similares na Environment.

(C) **Custos de Leasing:** Despesas com leasing de caminhões e equipamentos. Após a redução esperada nos custos de leasing em 2026 (negociação em andamento), é ajustada pela inflação nos anos seguintes.

(D) **EBITDA Recorrente:** A Companhia espera entregar um aumento significativo de margem em comparação com 2025, principalmente pela redução dos custos de leasing e pelo aumento da margem na operação dos EUA.

Grupo Ambipar | Projeções de P&L – Environment

O negócio de Environment foi significativamente impactado pela RJ, com uma redução de escala esperada para 2026. Após a aprovação do Plano de RJ, espera-se que retome o crescimento e estabilize sua margem EBITDA IFRS em 25,0% no longo prazo

Comentários

(A) **Crescimento da Receita no Longo Prazo:** Crescimento modesto de volume com ajustes anuais de preços pela inflação, de 2027 a 2030, e crescimento equivalente à inflação a partir de 2031. A Companhia espera uma redução de 12% na receita da operação brasileira para 2026 e um aumento marginal na operação LATAM.

- Brasil: Preços dos contratos indexados ao IPCA
- LatAm: Preços dos contratos indexados ao CPI

(B) **EBITDA Recorrente IFRS:** Apesar da forte expansão da margem em LATAM (impulsionada pela melhora na utilização do GIRI e maturidade do negócio), isso não compensa a queda de margem no Brasil, resultando em uma margem na maturidade ligeiramente abaixo dos níveis de 2025 para o segmento Environment.

(C) **EBITDA Recorrente:** Espera-se que as reduções esperadas nos custos de leasing compensem os impactos operacionais da RJ, elevando as margens consolidadas e regionais, na maturidade, acima dos níveis de 2025.

Grupo Ambipar | Projeções de P&L - Response

O negócio de Response, menos impactado pela RJ, deve apresentar expansão de margem EBITDA IFRS no curto prazo e se estabilizar em uma margem de ~22,3% na maturidade

Notas: (1) Valores Ajustados: Informações gerenciais do exercício de 2025 / Não Auditadas

Comentários

(A) **Crescimento da Receita no Longo Prazo:** Espera-se que as operações na América do Norte atinjam o crescimento mais significativo ($CAGR_{27-30}$: 7,7%), impulsionadas pela operação dos EUA, emergindo como o maior segmento e ultrapassando o Brasil em escala. As operações na América do Norte e Europa (6,1%) apresentam um CAGR maior do que o Brasil (4,1%) devido ao seu estágio inicial de maturidade e maior espaço para crescimento.

- Brasil: Preços dos contratos indexados ao IPCA
- America Norte, LatAm and Europa: Preços dos contratos indexados ao CPI de cada região

(B) **EBITDA Recorrente IFRS e EBITDA Recorrente:**

- Dado a relevante participação de mercado da Companhia, capilaridade e altas barreiras de entrada para concorrentes, o Brasil continua sendo a operação de Response mais relevante, entregando a maior margem EBITDA.
- Na América do Norte, apesar das melhorias previstas pela administração, espera-se que os níveis de margem permaneçam abaixo de outras regiões devido às dinâmicas específicas do mercado (mercados regionais altamente competitivos).
- Europa e LATAM são operações menores com perfil de margens semelhante, contribuindo positivamente para os resultados gerais da Companhia, embora não se espere uma expansão significativa de margem ao longo do período.

Brasil | Negociações de Passivos Não Sujeitos (Finame, CDC e Arrendamento)

Além dos contratos de arrendamento, a Companhia tem implementado medidas para reduzir custos relacionados a CDCs, Finame e contratos de arrendamento, principalmente por meio da devolução de veículos e equipamentos para compensar saldos em aberto

Impactos da Negociação | Saldo Devedor em R$ milhões

Comentários

A Companhia negociou com credores não sujeitos para reduzir sua exposição de dívida por meio da devolução de caminhões subutilizados para amortizar parcialmente a dívida em troca de uma redução do saldo devedor e da renegociação dos pagamentos remanescentes.

(A) **Negociação com Comp. de Frota 1:** Envolve a devolução de 80 unidades de um total de 89, resultando em uma redução estimada de R$ 70 milhões no saldo devedor.

(B) **Negociação com Comp. de Frota 1 :** Envolve a devolução de 41 unidades de um total de 86, resultando em uma redução estimada de R$ 21 milhões no saldo devedor.

Comentários

(A) **Premissas de Curto Prazo:** Os principais fluxos de receita da Companhia foram impactados pelo processo de recuperação judicial (rescisões/redimensionamento/não renovações de contratos), resultando em um declínio nos volumes esperados para 2026

- Materiais Reciclados: Queda de volume esperada de 12% no negócio principal da Companhia
- Movimentação: Principais linhas de negócio com grandes clientes, com declínio de volume esperado de 11%
- Outros: Linhas de negócios de baixa relevância, com declínio de volume esperado de 15%.

(B) **Premissas de Longo Prazo:** Entre 2026 e 2029, espera-se que a Companhia entregue um crescimento modesto de volume, com a receita aumentando acima da inflação.

- Brasil - Materiais Reciclados: CAGR 26-29 = 0,9%
- Brasil - Movimentação: CAGR 26-29 = 0,8%
- LATAM - Materiais Reciclados: CAGR 26-29 = 16,5%. A principal via de crescimento para o segmento de Environment em termos de volume é a GIRI no Chile, aumentando a capacidade de triagem para até 107 kton/ano.

Comentários

(A) **Brasil:** Não há capex de expansão assumido ao longo do período de projeção (sem abertura de novos centros de serviço), com melhorias impulsionadas por maiores taxas de utilização.

(B) **América do Norte:** Ao longo do período de projeção, novos centros de serviço são abertos, juntamente com melhorias nas taxas de utilização (aproximando-se dos níveis do Brasil)

- Atualmente apresenta baixos níveis de utilização devido ao portfólio recentemente adquirido e à integração de negócios. Com a captura de sinergias e a padronização de serviços entre as regiões, espera-se uma melhora significativa nas taxas de utilização.

(C) **LatAm:** Linha de negócios menor, sem capex de expansão assumido ao longo do período de projeção (sem abertura de novos centros de serviço), mas com melhorias operacionais nas taxas de utilização

- Em comparação com o Brasil, apresenta altas taxas de utilização devido a um número menor de centros de serviço, limitados a locais altamente estratégicos.

(D) **Europa:** Ao longo do período de projeção, novos centros de serviço são abertos, juntamente com melhorias nas taxas de utilização.

- A exposição à dívida financeira está predominantemente concentrada nas holdings e entidades operacionais principais, que respondem pela maior parte do saldo total em aberto. A maioria dessas entidades são subsidiárias integralmente detidas ou controladas majoritariamente, garantindo alinhamento de governança ao longo do processo de reestruturação.
- A dívida financeira de R$ 10 bilhões está concentrada em 29 das 74 entidades listadas nos procedimentos de Recuperação Judicial.

"Titular Inicial Anuente, " e, coletivamente com quaisquer Titulares Anuentes Subsequentes, os "Titulares Anuentes").

Este Acordo refere-se coletivamente às Partes da Empresa e aos Titulares Anuentes, e a cada outra pessoa que se torne parte deste Acordo de acordo com seus termos como o "Partidos", e cada um, individualmente, como um "Partido." Salvo indicação em contrário, os termos maiúsculos usados neste Acordo terão os significados atribuídos a tais termos em Section 1ou, se não for definido em Section 1, na Folha de Termos de Reestruturação.

ENQUANTO

A. Em 20 de outubro de 2025 (a "Data da Petição"), a Ambipar TopCo e algumas de suas subsidiárias diretas e indiretas, incluindo as outras Partes da Empresa (coletivamente, as "Partes RJ"), entraram com pedido de início do *processo judicial de recuperação*, Processo nº 3014764-58.2025.8.19.0001 (o "Processo RJ") perante o 3º Tribunal Empresarial da Capital do Rio de Janeiro (o "Tribunal Brasileiro");

B. Na data da petição, o Devedor apresentou uma petição voluntária de alívio sob o capítulo 11 do título 11 do Código dos Estados Unidos (o "Código de Falências") no Tribunal de Falências dos Estados Unidos para o Distrito Sul do Texas (o "Tribunal de Falências") no caso do capítulo 11 intitulado *In re Ambipar Emergency* Response (Caso nº 25-90524 (ARP)) (o "Caso do Capítulo 11");

C. A Ambipar Luxco emitiu duas séries de notas sob a lei de Nova York: (i) as Notas Verdes 2031 emitidas em 6 de fevereiro de 2024, que têm juros a uma taxa anual de juros de 9,875% (as "Notas Verdes 2031") e (ii) as Notas Verdes 2033 emitidas em 5 de fevereiro de 2025, que têm juros a uma taxa anual de juros de 10,875% (as "Notas Verdes 2033" e, junto com os Green Notes de 2031, os "Green Notes"). Até a data da Petição, há aproximadamente US$ 550 milhões e US$ 493 milhões em valor total principal das Notas Verdes de 2031 e 2033, respectivamente, emitidas e em circulação, e a Ambipar TopCo e a Ambipar Environment garantiram o valor total das Notas Verdes. O Devedor forneceu garantias limitadas das Notas Verdes no valor de $200 milhões para as Notas Verdes de 2031 e US$ 128,2 milhões para as Notas Verdes de 2033;

D. As Partes concordaram com as Transações de Reestruturação (conforme definidas aqui) consistentes com os termos e sujeitas às condições aqui estabelecidas, incluindo conforme estabelecido em (i) a Folha de Termos de Reestruturação, (ii) a Folha de Termos de RJ e (iii) o Plano de Etapas (cada uma conforme definida aqui), que são fruto de discussões de boa-fé e à distância entre as Partes e seus respectivos profissionais;

E. Conforme estabelecido no Plano de Etapas, as Partes da Empresa pretendem implementar e concretizar as Transações de Reestruturação, por meio de (i) buscar aprovação no Procedimento de RJ de um Plano de JR em conformidade com os termos daqui, (ii) início de procedimentos de reconhecimento sob o capítulo 15 do Código de Falências para uma ou mais das Partes da Empresa e certas subsidiárias (os "Casos do Capítulo 15"") reconhecer o Processo de JJ e qualquer plano de reorganização dele (sendo um ou mais) (o "Plano RJ"), (iii) buscar suspensão (e após a Data de Resolução de Recursos de JR e a entrada de uma Ordem Final nos Casos do Capítulo 15 reconhecendo o Plano RJ, arquivamento) do Caso do Capítulo 11 em favor dos Casos do Capítulo 15, e (iv) apresentar uma petição em nome do Devedor, sob a lei das Ilhas Cayman, para a nomeação de um oficial de reestruturação que facilite o Processo de JE e o Plano de JR (o "Processo das Ilhas Cayman");

F. Na data daqui, os Titulares Anuentes detêm ou atuam como nomeado, consultor de investimentos, sub-consultor ou gestor de investimentos de entidades que possuem, no agregado, aproximadamente 53.8% do valor principal total em circulação das Green Notes; e

G. Este Acordo estabelece o acordo entre as Partes quanto ao compromisso delas, sujeito aos termos e condições daqui, de apoiar as Transações de Reestruturação e participar das Transações de Reestruturação, bem como o acordo das Partes Empresas para implementar tais Transações de Reestruturação, sujeitas aos termos e condições aqui estabelecidos.

AGORA, PORTANTO, em consideração às instalações e aos pactos e acordos mútuos aqui contidos, e por outras boas e valiosas contraprestações, cuja recepção e suficiência são aqui reconhecidas, cada Parte, pretendendo ser legalmente vinculada, concorda do seguinte modo:

(c) negociar em tempo hábil para executar, entregar e executar sob os Documentos Definitivos e quaisquer outros acordos necessários ou razoavelmente recomendáveis para efetivar e consumar as Transações de Reestruturação conforme previsto neste Acordo;

(d) utilizar esforços comercialmente razoáveis para obter todas as aprovações governamentais, regulatórias e/ou de terceiros necessárias que sejam necessárias ou razoavelmente recomendáveis para efetivar e concretizar as Transações de Reestruturação;

(e) não, direta ou indiretamente, (i) se opor, atrasar, impedir ou tomar quaisquer outras ações para interferir, direta ou indiretamente, em qualquer aspecto na implementação das Transações de Reestruturação, ou incentivar ou facilitar qualquer pessoa ou entidade a fazer qualquer uma das anteriores; ou (ii) tomar qualquer ação incompatível com este Acordo, incluindo os anexos aqui incluídos e quaisquer outros documentos relacionados assinados pelas Partes ou a rápida conclusão das Transações de Reestruturação;

(f) na medida em que surja qualquer impedimento legal, fiscal ou estrutural que possa impedir, impedir, impedir ou atrasar a concretização das Transações de Reestruturação aqui contempladas, tome todas as medidas comercialmente razoáveis necessárias para enfrentar tal impedimento, incluindo negociar de boa-fé disposições adicionais ou alternativas apropriadas para tratar tal impedimento, em cada caso, em consulta com os Consultores do Grupo Ad Hoc, e notificar os Consultores do Grupo Ad Hoc sobre

quaisquer reclamações, litígios, investigações ou audiências relevantes governamentais ou de terceiros relacionadas às Transações de Reestruturação;

(g) informar advogados aos Titulares Anuentes assim que razoavelmente possível (mas em qualquer caso dentro de três (3) dias úteis) após tomar conhecimento de (i) qualquer questão ou circunstância que eles saibam ou acreditem ser um impedimento material para a implementação ou consumação das Transações de Reestruturação, (ii) qualquer notificação do início de qualquer processo de insolvência involuntária material, ação legal por pagamento de dívidas, ou garantia de garantia de qualquer entidade em relação a qualquer Parte Empresa, (iii) qualquer violação material de qualquer um dos termos, condições, representações, garantias ou pactos aqui estabelecidos (incluindo uma violação por qualquer Parte Socia), ou (iv) qualquer declaração ou declaração feita ou considerada feita pelas Partes Empresas em conformidade é ou prova ter sido incorreta ou enganosa, em cada caso, em qualquer aspecto material, quando feito ou considerado feito;

(h) cooperar de boa-fé para estruturar e implementar as Transações de Reestruturação de forma fiscalmente eficiente (levando em consideração o impacto fiscal para as Partes da Empresa e os Titulares Anuentes) e de acordo com a Folha de Termos de Reestruturação;

(i) na medida permitida por lei, notificar os Consultores do Grupo Ad Hoc sobre quaisquer reclamações, litígios, investigações ou audiências relevantes relacionadas às Transações de Reestruturação, exceto para quaisquer reclamações, litígios, investigações ou audiências solicitadas ou ordenadas no Processo de JR, no Caso do Capítulo 11 ou nos Casos do Capítulo 15;

(j) se a Ordem de Confirmação do JR tiver sido apelada por qualquer pessoa, ou um pedido de reconsideração, emenda, esclarecimento, modificação, vacatur, suspensão, reaudiência ou novo argumento tiver sido apresentado em relação à Ordem de Confirmação do JJ ou a qualquer ordem relacionada do Tribunal Brasileiro, (i) defender diligentemente contra tal recurso, petição ou moção e usar seus esforços comercialmente razoáveis para obter uma resolução acelerada de tal recurso, petição ou moção e (ii) manter os Titulares Anuentes razoavelmente informados e atualizados sobre o status de qualquer recurso, petição ou moção;

(k) após a ocorrência da Assembleia Geral de Credores, apresentar uma moção ao Tribunal Brasileiro solicitando confirmação do Plano de JR, que deverá buscar a aprovação do Plano de JR nos termos consistentes com este Acordo;

(l) utilizar esforços comercialmente razoáveis para manter sua boa reputação sob as leis da jurisdição onde está incorporada, organizada ou formada;

(m) consultar os Consultores Ad Hoc Group sobre o andamento dos esforços para buscar apoio às Transações de Reestruturação de outros stakeholders relevantes das Partes de JR e, sujeito a quaisquer obrigações de confidencialidade, os termos materiais de quaisquer negociações com tais partes interessadas durante o horário comercial regular e com aviso prévio razoável;

(n) notificar prontamente Davis Polk e Padis por escrito, e em qualquer caso dentro de três (3) dias úteis após obter conhecimento disso, sobre (i) qualquer violação por parte de uma Parte Empresa em qualquer relação a qualquer uma de suas obrigações, declarações, garantias ou pactos estabelecidos neste Acordo ou (ii) a ocorrência de um Evento de Rescisão;

(o) conforme razoavelmente solicitado pelos Titulares Anuentes Necessários, fazer com que os consultores da Empresa informem um ou mais Consultores Ad Hoc do Grupo sobre: (i) o status e o andamento das Transações de Reestruturação, incluindo o progresso em relação às negociações dos

Documentos Definitivos; (ii) o status de obtenção de quaisquer autorizações necessárias ou desejáveis (incluindo quaisquer consentimentos) relativas às Transações de Reestruturação de cada Titulares Anuentes, de qualquer órgão judicial competente, Unidade Governamental ou órgão bancário, tributário, supervisor ou regulador; (iii) o desempenho material dos negócios e financeiros das Partes da Companhia; e (iv) no caso de cada uma das cláusulas imediatamente anteriores (i)–(iii), fornecer respostas oportunas e razoáveis a solicitações de diligência razoável em relação às anteriores, sujeitas a quaisquer restrições e limitações aplicáveis estabelecidas em quaisquer Acordos de Confidencialidade então em vigor;

(p) não buscar, solicitar, apoiar, formular, entreter, incentivar, preparar, protocolar, processar, participar de quaisquer investigações ou discussões relativas ou firmar quaisquer acordos relacionados a qualquer Transação Concorrente ou Proposta de Transação Concorrente, e se o Grupo Ambipar receber uma Proposta de Transação Concorrente não solicitada, as Partes da Empresa irão, dentro de dois (2) dias úteis após o recebimento dessa Proposta de Transação Concorrente, notificar os Consultores Ad Hoc do Grupo sobre o recebimento da mesma, com tal aviso para incluir os termos materiais da mesma, incluindo a identidade da Pessoa ou grupo de Pessoas envolvidas na realização da proposta;

(q) exceto na medida em que a falha em conduzir o negócio de acordo com esta subcláusula **não seja razoavelmente esperada que,** individual ou em conjunto, tenha um efeito adverso material sobre o negócio, operações, ativos, passivos (reais ou contingentes), conduzir os negócios do Grupo Ambipar no curso normal (exceto quaisquer mudanças em avanço das Transações de Reestruturação), substancialmente consistente com a prática passada e à luz das condições de mercado vigentes e do anúncio ou outra divulgação pública das Transações de Reestruturação, e usar seus esforços comercialmente razoáveis para (w) preservar intacta sua organização empresarial atual, (x) manter em prática todas as suas licenças, permissões, consentimentos, franquias, aprovações e autorizações materiais estrangeiras, federais, estaduais e locais necessários para operar seus negócios, (y) manter relações com seus clientes, fornecedores e outros que tenham relações comerciais materiais com ele, e (z) manter sua boa reputação sob as leis do estado ou de outras jurisdições onde estão incorporados ou organizados;

(r) notificar Davis Polk e Padis em até três (3) dias úteis após a entrega de um Acordo de Junção validamente preenchido às Partes da Empresa;

(s) não iniciar, nem causar a iniciação em seu nome, qualquer litígio ou processo de qualquer tipo relativo ao Caso do Capítulo 11, ao Processo de Justiça Judicial, a este Acordo ou às Transações de Reestruturação contra os Titulares Anuentes, exceto para fazer cumprir este Acordo ou qualquer Documento Definitivo ou conforme permitido por este Acordo;

(t) pagar pontualmente todas as Despesas de Transação acumuladas e não pagas de acordo com este Acordo e não encerrar (nem causar a rescisão) de qualquer Carta de Honorários conforme a qual qualquer entidade do Grupo Ambipar seja obrigada a pagar tais Despesas de Transação, e continuar a pagar pontualmente, quando vencidos e a pagar no curso normal, Despesas de Transação relacionadas à implementação, consumação e defesa das Transações de Reestruturação, sejam elas incorridas antes, em ou depois da Data de Consumação;

(u) (I) na Data de Vigência, pagar todas as Despesas de Transação acumuladas e não pagas para as quais os Consultores Ad Hoc do Grupo e outras partes tenham entregue uma fatura em ou antes de 29 de junho de 2026, e (II) na data que for um (1) Dia Útil anterior à Assembleia Geral de Credores, pagar todas as Despesas de Transação acumuladas e não pagas para as quais os Consultores Ad Hoc do Grupo e outras partes tenham entregue faturas em ou antes do data que seja quatro (4) dias úteis antes da Assembleia Geral de Credores, para evitar dúvidas, em cada caso, independentemente dos termos de pagamento sob qualquer Carta de Honorários;

(v) pagar os Pagamentos Fixos ao Agente Pagador até, no máximo, os Marcos correspondentes e de acordo com os termos daqui, instruindo e orientando o Agente Pagador a pagar prontamente os Pagamentos Fixos aos beneficiários aplicáveis, em cada caso, de acordo com os termos e condições estabelecidos na Folha de Termos de Reestruturação e Section 31 Deste ponto;

(w) no ocorrimento de um Evento Chave entre a Data de Vigência e a rescisão deste Acordo:

(i) em dois (2) dias úteis, as Partes da Empresa deverão (A) entregar um aviso escrito a cada Titulares Anuentes descrevendo em detalhes razoáveis a natureza e as circunstâncias do Evento do Homem-Chave, incluindo todos os fatos materiais conhecidos pelas Partes da Empresa, impactos operacionais previstos, ações corretivas consideradas, duração esperada e cópias de quaisquer avisos, ordens ou comunicações materiais recebidos das autoridades governamentais na medida em que legalmente permitido (o "Aviso ao Homem-Chave") e (B) fornecer atualizações suplementares rápidas a cada Titular Anuenter sobre quaisquer desenvolvimentos materiais relacionados ao Evento do Homem-Chave;

(ii) se um Evento de Homem Chave estiver em andamento na data que ocorre quinze (15) dias após a entrega da Notificação de Homem Chave, dentro de dois (2) dias úteis a partir dessa data, as Partes da Empresa deverão entregar um aviso escrito adicional a cada Titular Anuenter propondo a nomeação de um diretor de reestruturação com a autoridade corporativa necessária para administrar as operações do Grupo Ambipar, e tal proposta deverá incluir o nome, qualificações e experiência relevante do candidato proposto (um "Aviso de Proposta CRO"); *desde que* (A) o Evento do Homem Chave for resolvido antes do término desse período de quinze (15) dias e (B) as Partes da Empresa demonstrarem para satisfação razoável dos Titulares Anuentes Necessários (não sendo retidos de forma irrazoável), não permanecem efeitos adversos materiais contínuos sobre o negócio, operações, ativos, passivos (reais ou contingentes) ou condução dos negócios do Grupo Ambipar no curso ordinário como resultado da Chave Man Event, as Partes da Empresa não terão obrigação de entregar um Aviso de Proposta de CRO em relação a tal Evento Chave de Homem; *desde que, ainda*, os Titulares Anuentes Obrigados terão quinze (15) dias após o recebimento de um Aviso de Proposta de Ordem de Crédito para notificar por escrito as Partes da Empresa se os Titulares Anuentes Necessários aprovam o diretor de reestruturação proposto. A falha dos Titulares Anuentes Obrigatórios em fornecer aprovação por escrito ou rejeição por escrito dentro desse período será considerada rejeição do diretor de reestruturação proposto para todos os fins desta disposição. Se o diretor de reestruturação proposto for aprovado conforme o exposto anterior, as Partes da Empresa deverão concluir a nomeação em até cinco (5) dias úteis após tal aprovação, após o que o Evento do Homem-Chave será considerado resolvido; e

(iii) não obstante o exposto acima, se as circunstâncias que deram origem a um Evento Chave forem posteriormente remediadas (incluindo com a retomada do cargo de Diretor Executivo pelo Homem Chave e dedicando praticamente todo seu tempo profissional à gestão e direção estratégica do Grupo Ambipar) e as Partes da Empresa demonstrarem, para satisfação razoável dos Titulares Anuentes Exigidos (não a ser negado de forma irrazoável), que não restam efeitos adversos materiais contínuos sobre o negócio, operações, ativos, passivos (reais ou contingentes) ou condução dos negócios do Grupo Ambipar no curso ordinário como resultado do Evento do Homem-Chave, então o Evento do Homem-Chave será considerado resolvido e qualquer direito ou remédio disponível para os Titulares Anuentes deixará de ser exercível;

(x) não celebrar, alterar, complementar ou modificar de qualquer forma os Documentos Itau sem o consentimento dos Titulares Anuentes Necessários; e

(y) cumprir cada pacto estabelecido na Lista de Pactos Operacionais.

Section 5. COMPROMISSOS DOS TITULARES ANUENTES

(a) Sujeito aos termos e condições deste Acordo, cada Titulares Anuentes (separadamente e não em conjunto) concorda que, desde que nenhum Evento de Rescisão tenha ocorrido em relação a tal Titulares Anuentes, derá:

(i) em tempo hábil, negociar de boa-fé os Documentos Definitivos com as Partes da Empresa, e executar e entregar ou fazer com que seu agente ou trustee, conforme aplicável, execute e entregue cada Documento Definitivo do qual seja parte na data de Consumação ou outro prazo aplicável;

(ii) utilizar esforços comercialmente razoáveis para tomar, ou fazer com que sejam tomadas, todas as ações, e para fazer, ou causar a realização, todas as coisas necessárias ou razoavelmente recomendáveis segundo as leis e regulamentos aplicáveis para consumar e tornar efetivas as Transações de Reestruturação;

(iii) utilizar esforços comercialmente razoáveis para apoiar a aprovação e implementação das Transações de Reestruturação;

(iv) voto oportuno (de acordo com o Plano RJ) ou causa para votar todas as suas Reivindicações de Voto (incluindo por conta de quaisquer Reivindicações que sejam de propriedade ou controladas por tal Titular Anuenter) para aceitar o Plano RJ no Processo de RJ, e não alterar ou retirar tais votos para aceitar o Plano RJ (ou causar ou ordenar que tal voto seja alterado ou retirado);

(v) utilizar esforços comercialmente razoáveis para executar qualquer documento e dar qualquer aviso, ordem, instrução ou direção necessária para apoiar, facilitar, implementar, consumar ou de outra forma dar efeito às Transações de Reestruturação, incluindo instruir o Administrador a tomar todas as ações necessárias para consumar e tornar as Transações de Reestruturação efetivas; *determinou*, para evitar dúvidas, que nenhum Titulares Anuentes será obrigado a fazer tal esforço se proibido por lei aplicável ou regulamento governamental;

(vi) notificar os advogados às Partes da Empresa por escrito o mais rapidamente possível (e, em qualquer caso, dentro de três (3) dias úteis após obter conhecimento efetivo do mesmo) sobre (A) qualquer violação material e não remediada por tal Titulares Anuentes em qualquer relação a qualquer uma de suas obrigações, declarações, garantias ou pactos estabelecidos neste Acordo ou (B) a ocorrência de um Evento de Rescisão;

(vii) na Data de Vigência, tomar todas as medidas necessárias para apresentar notificações de suspensão de quaisquer moções, petições e recursos apresentados no Processo de Justiça Judicial (ou em conexão com) o Processo de Justiça Judicial, e na Data de Consumação, tomar todas as medidas necessárias para apresentar notificações de retirada em relação a quaisquer moções, petições e recursos apresentados no Processo de JR (ou em conexão com) o Processo de JR; *desde* que, *no entanto*, se qualquer moção, petição ou recurso não puder ser suspenso ou retirado, conforme aplicável, a parte relevante não tomará nenhuma ação adicional a respeito; *Desde* que*, além disso, para* evitar dúvidas, nada neste Acordo impedirá os Titulares Anuentes de apresentar qualquer moção, petição ou recurso no Processo RJ necessário para preservar os direitos dos Titulares Anuentes (inclusive após a Data de Vigor), desde que os Titulares Anuentes concordem em suspender qualquer moção relevante, alegação, ou recurso razoável após o ajuizamento; e

(viii) não (na qualidade de detentor de Notas Verdes):

(A) iniciar quaisquer processos legais que sejam incompatíveis ou que atrasem, impeçam, proibiam, frustrem, busquem danos ou impeçam a aprovação, solicitação ou consumação das Transações de Reestruturação, dos Documentos Definitivos ou de quaisquer outras transações neles descritas, ou tomem qualquer outra ação que esteja impedida por este Acordo;

(B) direta ou indiretamente, (x) se opõem, atrasam, impedissem ou tomassem quaisquer outras ações que razoavelmente se esperassem que interferissem, direta ou indiretamente, em qualquer aspecto na implementação da Transação de Reestruturação, ou incentivassem ou facilitassem qualquer uma das ações anteriores; ou (y) tomar qualquer ação que seja proibida por este Acordo ou quaisquer outros documentos relacionados executados pelas Partes em conexão com as Transações de Reestruturação ou que seja materialmente incompatível com a implementação ou consumação das Transações de Reestruturação previstas aqui ou em ela aí;

(C) buscar, solicitar, entreter, incentivar, formular, votar a favor, consentir, apoiar, participar de quaisquer investigações ou discussões relativas, ou firmar quaisquer acordos relacionados a qualquer Transação Concorrente;

(D) instruir os Curadores a tomar qualquer ação, ou a se absterem de tomar, que seja incompatível com este Acordo ou as Transações de Reestruturação;

(E) iniciar ou ter iniciado em seu nome qualquer litígio, arbitragem, mediação ou processo de qualquer tipo (incluindo ação derivada), incluindo, sem limitação, com relação a este Acordo ou às Transações de Reestruturação aqui contempladas contra o Grupo Ambipar e/ou seus dirigentes e diretores, ou qualquer outra Parte, exceto exclusivamente para fazer cumprir este Acordo ou os Documentos Definitivos; ou

(F) solicitar, encorajar ou orientar qualquer Pessoa a tomar qualquer ação prevista nas cláusulas (A) a (E) deste parágrafo deste artigo.

(b) Nada neste Acordo deve:

(i) proibir qualquer Titular Anuenter de tomar qualquer ação que não seja proibida por este Acordo; *desde* que nada isenta os Titulares Anuentes de tomar quaisquer ações exigidas por este Acordo;

(ii) impedir que qualquer Titulares Anuentes faça cumprir este Acordo ou qualquer Documento Definitivo ou conteste se qualquer matéria, fato ou coisa é uma violação ou é proibida por este Acordo ou qualquer Documento Definitivo;

(iii) impedir que qualquer Titulares Anuentes tome qualquer ação exigida pela lei aplicável ou exija que qualquer Titular Anuenter tome qualquer ação proibida pela lei aplicável;

(iv) proibir ou limitar qualquer Titulares Anuentes de proteger e preservar seus direitos, remédios e interesses, incluindo suas Reivindicações ou Interesses na Empresa, e qualquer ação relacionada à pensão, proteção ou preservação de qualquer garantia, em cada caso na medida em que não seja materialmente inconsistente com aqui;

(v) proibir ou limitar qualquer Titulares Anuentes de aparecer como parte de interesse no Caso do Capítulo 11, na medida em que não seja materialmente inconsistente com aqui;

(vi) proibir qualquer Titulares Anuentes de se comunicar com qualquer outro Titulares Anuentes, as Partes da Empresa ou qualquer outra parte interessada no Caso do Capítulo 11 (incluindo qualquer comitê estatutário ou o Administrador dos Estados Unidos); *desde* que tais comunicações não violem este Acordo;

(vii) exigir que qualquer Titulares Anuentes (i) assuma, assuma, se torne responsável em relação a quaisquer despesas, passivos ou outras obrigações (incluindo, sem limitação, aquelas relativas ao Agente Pagador) ou (ii) concorde ou fique vinculado por quaisquer compromissos, compromissos, concessões, indenizações ou outros arranjos que possam resultar em despesas, passivos ou outras obrigações para com tal Titulares Anuentes (incluindo, sem limitação, aqueles relativos ao Agente Pagador), exceto (x) em relação a custos e despesas que uma Parte Empresa concordou em reembolsar em termos satisfatórios para tal Titulares Anuentes ou (y) conforme expressamente estabelecido e acordado neste Acordo ou em qualquer Documento Definitivo; ou

(viii) proibir qualquer Titulares Anuentes de exercer quaisquer direitos de consentimento ou seus direitos ou remédios especificamente reservados aqui ou nos Documentos Definitivos, ou de tomar qualquer ação que não seja materialmente inconsistente com este Acordo.

Section 6. ENCERRAMENTO

(a) Este Acordo pode ser rescindido para todas as Partes pelos Titulares Anuentes Necessários a partir do momento, mediante notificação por escrito às Partes da Empresa, caso ocorra qualquer um dos seguintes eventos:

(i) uma violação material pelas Partes Empresas de qualquer uma de suas declarações, garantias, pactos ou obrigações estabelecidos neste Acordo ou sob quaisquer Documentos Definitivos que permaneça não corrigida (se suscetível de cura) dentro de cinco (5) dias úteis após o recebimento pelas Partes da Empresa da notificação por escrito pelos Titulares Anuentes Necessários sobre tal violação;

(ii) qualquer Parte da Empresa executa, arquiva ou entrega qualquer Documento Definitivo que não seja, altere ou modifique este Acordo ou qualquer Documento Definitivo de forma que não seja, consistente com este Acordo ou razoavelmente aceitável para os Titulares de Notas Consentindo Exigidos (sujeito a Section 3(c) deste artigo), se tal Documento Definitivo não for modificado, alterado ou retirado de forma a corrigir tal inconsistência dentro de dois (2) dias úteis após o recebimento da notificação por escrito pelas Partes da Empresa;

(iii) qualquer membro das Partes da Empresa (x)(1) anuncie publicamente sua intenção de prosseguir, (2) negocie uma folha de termos em relação a, ou (3) consume, ou firme um acordo vinculativo para consumar, em cada caso, uma Transação Concorrente ou (y) anuncie publicamente sua intenção de não apoiar, prosseguir ou consumar as Transações de Reestruturação;

(iv) deverá ter ocorrido qualquer evento ou condição (exceto relacionada às Transações de Reestruturação ou conforme contemplado neste Acordo) que tenha tido ou seria razoavelmente esperado que tenha, individual ou em conjunto, um efeito adverso material sobre o negócio, operações, ativos ou passivos (reais ou contingentes) do Grupo Ambipar, considerando como um todo, em cada caso, em comparação com tais negócios, operações, ativos ou passivos na data daqui, se as Partes da Empresa falharem ou não conseguirem remediar tal evento ou condição dentro de dois (2) dias úteis após o recebimento da notificação por escrito pelas Partes da Empresa;

(v) a falha das Partes da Empresa em pagar prontamente todas as Despesas de Transação conforme e quando devidas conforme este Acordo, e tal falha, não é corrigida dentro de cinco

(5) dias úteis após o recebimento da notificação por escrito pelas Partes da Empresa, conforme o que Section 4;

(vi) sujeito à renúncia ou extensão pelos Titulares Anuentes Necessários (que pode ser por e-mail entre advogados), à falha em cumprir qualquer Marco estabelecido no Plano de Etapas, exceto em relação aos Marcos para (A) Submissão do Plano de JR para votação na Assembleia Geral de Credores a ser realizada no Procedimento de JR ou (B) Emissão (não publicação) da Ordem de Confirmação de JR, se tal falha se deve unicamente à indisponibilidade do Tribunal brasileiro; *desde* que a renúncia ou prorrogação pelos Titulares Anuentes Exigidos em relação às cláusulas acima (A) e (B) não seja retida de forma irrazoável;

(vii) (x) o Tribunal de Falências emite uma ordem (A) determinando a nomeação de um administrador ou examinador com poderes ampliados, (B) convertendo o Caso do Capítulo 11 em um caso sob o capítulo 7 do Código de Falências, (C) arquivando o Caso do Capítulo 11, exceto em favor de um caso pendente do Capítulo 15, (D) arquivando os Casos do Capítulo 15 ou, a partir e após a entrada da Ordem de Suspensão, a dessuspensão do Caso do Capítulo 11 para qualquer propósito materialmente adverso aos Titulares Anuentes, ou (E) conceder alívio que seja materialmente inconsistente com este Acordo ou materialmente adverso em relação aos Titulares Anuentes; ou (y) informações tornadas públicas ou recebidas pelo Grupo Ad Hoc, em cada caso, como resultado da descoberta pendente (até a data deste documento) sob a Regra 2004 das Regras Federais de Procedimento de Falências no Caso do Capítulo 11, informação que tem efeito materialmente favorável na condição financeira das Partes Empresariais, conforme razoavelmente determinado pelos Titulares Anuentes Necessários, em comparação com o que foi divulgado ao Grupo Ad Hoc antes da Data de Vigência deste Acordo;

(viii) o Tribunal brasileiro (A) emite uma ordem confirmando a aprovação do Plano de JR em termos incompatíveis com este Acordo (e tal ordem não é modificada ou suspensa de acordo com este Acordo dentro de quinze (15) dias úteis a partir de então), (B) rejeita os termos materiais do Plano de JR conforme acordados entre os Titulares Anuentes e as Partes da Empresa, ou (C) emite qualquer ordem que declare falida qualquer uma das partes da empresa que não seja revertida ou suspensa dentro de quinze (15) dias úteis após a emissão;

(ix) a emissão por qualquer autoridade governamental, incluindo qualquer autoridade reguladora ou tribunal competente, de qualquer decisão ou ordem final, não recorrível, que não seja revertida ou suspensa dentro de dez (10) dias úteis após a emissão, tornando ilegal ou permanentemente proibindo, impedindo ou proibindo a consumação de uma parte material das Transações de Reestruturação aplicáveis;

(x) (A) qualquer Parte da Empresa (I) apresentar qualquer moção buscando evitar, desautorizar, subordinar, recaracterizar ou reduzir qualquer reivindicação decorrente das Notas Verdes detidas por qualquer Detentor Consentinte ou (II) apoiar qualquer solicitação, processo adversário ou Causa de Ação referida na cláusula imediatamente anterior (I) apresentada por um terceiro, ou consente com a legitimidade de qualquer terceiro para apresentar tal pedido, processo adversário, ou Causa de Ação; ou (B) o Tribunal de Falências emitir uma ordem invalidando, desautorizando, subordinando, recaracterizando ou limitando, conforme aplicável, quaisquer reivindicações decorrentes das Notas Verdes detidas por qualquer Titulares Anuentes e tal ordem não seja reservada ou suspensa em até quatorze (14) dias a partir da entrada do Tribunal de Falências;

(xi) qualquer Parte da Empresa, exceto conforme previsto aqui e sem o consentimento por escrito dos Titulares Anuentes Necessários, (A) inicie voluntariamente qualquer processo ou registre qualquer petição buscando falência, liquidação, dissolução, liquidação, administração, moratória, administração judicial, reorganização ou outro alívio sob qualquer lei federal, estadual ou estrangeira de

falência, insolvência, administração administrativa ou similar em vigor agora ou posteriormente, (B) é objeto de um caso involuntário sob o Código de Falências que não seja arquivado ou retirado dentro de 45 dias após o início de tal processo, ou qualquer Parte Empresa consente com a instituição, ou não conteste de forma oportuna e apropriada, qualquer processo involuntário ou petição descrita na cláusula anterior (A), (C) se aplique ou consenta na nomeação de um administrador judicial, administrador, receptor administrativo, trustee, custodiante, sequestrador, curador ou funcionário semelhante em relação a qualquer Parte Empresa ou a uma parte substancial dos ativos dessa Parte Socia, exceto para nomear um trustee ou agente responsável pela venda de quaisquer ações ou títulos que possam ser emitidos como contraprestação pelo pagamento de outros credores, caso esse mecanismo de pagamento seja adotado sob o Plano de JR, (D) faz uma cessão ou arranjo geral em benefício dos credores nos Estados Unidos, ou (E) toma qualquer ação corporativa com o propósito de autorizar qualquer uma das anteriores;

(xii) os Green Notes são cancelados antes da data de resolução do Recurso de JR;

(xiii) qualquer Parte do JR perde o direito exclusivo de apresentar um plano de reorganização no Processo do JR, e tal exclusividade não é restabelecida dentro de trinta (30) dias após a perda dessa exclusividade;

(xiv) o Tribunal brasileiro não emite uma ordem confirmando o Plano RJ; ou

(xv) ocorreu um Evento de Pessoa Chave e os Titulares Anuentes Necessários entregam uma rejeição por escrito do diretor de reestruturação proposta pelas Partes da Empresa dentro de quinze (15) dias após o recebimento de um Aviso de Proposta de CRO, ou as Partes da Empresa não concluírem a nomeação de um diretor de reestruturação aprovado dentro de cinco (5) dias úteis após a aprovação dos Titulares Anuentes Exigidos.

(b) Este Acordo pode ser rescindido quanto a todas as Partes pelas Partes da Empresa caso ocorra qualquer um dos seguintes eventos:

(i) a emissão por qualquer autoridade governamental, incluindo qualquer autoridade reguladora ou tribunal competente, de qualquer decisão ou ordem final, não recorrível, que não seja revertida ou suspensa dentro de dez (10) dias úteis após a emissão, tornando ilegal ou permanentemente proibindo, impedindo ou proibindo a consumação de uma parte material das Transações de Reestruturação aplicáveis;

(ii) se em qualquer momento os Titulares Anuentes (incluindo qualquer cessionário que tenha realizado e entregue uma Transferência de Transferência) não detêm coletivamente mais de 50,01% das Notas Verdes; ou

(iii) qualquer Parte Empresa, no exercício de seus direitos sob Section 12 desse caso, opta por rescindir suas obrigações sob este Acordo.

(c) As Partes da Empresa podem rescindir este Acordo com relação a qualquer Titulares Anuentes específico (mas não a todos os Titulares Anuentes) a qualquer momento após a ocorrência de uma violação por tal Titulares Anuentes de qualquer uma das representações, garantias ou pactos a esse Titulares Anuentes estabelecidos neste Acordo que (se suscetível à cura) permaneça não corrigido por um período de dez (10) Dias Úteis após o recebimento pelo Consultores Ad Hoc do Grupo de notificação por escrito sobre tal violação.

(d) Este Acordo pode ser rescindido a qualquer momento mediante mútuo consentimento escrito das Partes da Empresa e dos Titulares Anuentes Necessários.

(e) Este Acordo será automaticamente encerrado com relação a todas as Partes, sem necessidade de ação adicional de qualquer Parte, imediatamente após a ocorrência da Data de Consumação.

(f) A ocorrência de qualquer evento descrito nas cláusulas (a) a (e) deste Section 6 será referido como "Evento de Término" com relação às Partes para quem este Acordo foi rescindido. A data em que este Acordo é encerrado de acordo com o presente Section 6 será referido como "Data de Término" e as disposições deste Acordo terminarão na Data de Término; *fornecida*, isso, Seções 1, 2, 6, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, Section 22, 23, 24, 25, 26, Section 28, e Section 29 (sujeito em todos os aspectos a Section 29(c)(iii)), e apenas com relação a uma rescisão sob Section 6(e), Section 4(t), Section 4(v), e Section 31 deste documento sobreviverá até a Data de Término. Para evitar dúvidas, a rescisão deste Acordo não deverá isentar nenhuma Parte de responsabilidade por sua violação ou incumprimento de suas obrigações previstas antes da Data de Término em relação a tal Parte.

Section 7. [RESERVADO]

Section 8. TRANSFERÊNCIA DE REIVINDICAÇÕES E INTERESSES

(a) Cada Titulares Anuentes não deve vender, transferir, ceder, hipotecar, penhorar, conceder participação ou dispor de alguma forma, direta ou indiretamente (incluindo por meio de derivativos, opções, swaps, penhores, vendas a futuro ou outras transações), seu direito, título ou interesse em relação a qualquer uma das Notas Verdes desses Titulares Anuentes, total ou parcialmente (as ações descritas neste documento Section 8(a) são coletivamente referidos aqui como "Transferência" e o Titulares Anuentes que faz tal Transferência é referido aqui como o "Transferor"), a menos que tal Transferência seja para outro Titulares Anuentes ou qualquer outra entidade que primeiro concorde, por escrito, em ser vinculada pelos termos deste Acordo, executando e entregando às Partes da Empresa e aos advogados dos Titulares Anuentes uma Junção do Cessionário substancialmente na forma anexada como Exemplo A daqui (o "Joinder transferido") antes da efetividade da transferência relevante. Após a conclusão de uma Transferência conforme o presente apontado, tal cessionário será considerado capaz de fazer todas as declarações, garantias e pactos de um Titular Anuenter, conforme aplicável, conforme estabelecido neste Acordo, e será considerado Parte e Titulares Anuentes para todos os fins previstos neste Acordo. Após o cumprimento do exposto, o Transferidor será considerado como renunciando a seus direitos (com relação a quaisquer Notas Verdes que estejam sujeitas a uma Transferência) sob este Acordo e será liberado de suas obrigações aguardadas neste documento. Qualquer transferência feita em violação a isso Section 8 será considerado nulo e sem efeito *Ab initio* e sem força ou efeito. Nenhuma transferência de quaisquer Notas Verdes será permitida com início na data de dois (2) dias úteis antes da Assembleia Geral de Credores e encerrada no encerramento da Assembleia Geral de Credores.

(b) Exceto conforme estabelecido em Section 8(a) deste caso, nada neste Acordo deverá ser interpretado como impedindo qualquer Titulares Anuentes ou qualquer de suas afiliadas de adquirir Green Notes ou outras Reivindicações adicionais contra as Partes da Empresa; *fornecida*, que quaisquer Notas Verdes adicionais ou outras Reivindicações contra qualquer Parte do JR (exceto Reivindicações adquiridas por qualquer afiliado de qualquer Detentor Consentinte que mantenha ou estabeleça um dispositivo de bloqueio de informações ou "muro ético" entre ele e tal Titulares Anuentes) estará automaticamente sujeita aos termos e condições deste Acordo e dos Consultores Ad Hoc do Grupo, em nome desse Titulares Anuentes, deverá notificar as Partes da Empresa sobre tal aquisição e o valor principal das Green Notes ou outras Reivindicações adicionais dentro de três (3) dias úteis após tal aquisição.

(c) Apesar disso Section 8(a), (i) um Detentor Consentinte pode transferir (por compra, venda, cessão, participação ou de outra forma) quaisquer Notas Verdes ou outras Reivindicações contra o Grupo Ambipar para uma entidade que atue em sua qualidade de Formador de Mercado Qualificado, e tal cessionário não será obrigado a ser ou se tornar um Titular Anuente para efetuar qualquer transferência (por

compra, venda, cessão, participação ou de outra forma) de quaisquer Notas Verdes ou outras Reivindicações contra o Grupo Ambipar por um Titular Anuenter; *fornecida*, *no entanto*, que a exceção acima mencionada só estará disponível em transações em que o Formador de Mercado Qualificado não seja o beneficiário final (nos termos da Regra 13d-3 da Lei de Valores Mobiliários) dessas Notas Verdes ou outras Reivindicações contra o Grupo Ambipar até a data que seja dez (10) dias úteis após a aquisição dessas Notas Verdes ou outras Reivindicações contra o Grupo Ambipar (caso tal Formador de Mercado Qualificado seja o Detentor beneficiário final dessas Green Notes ou outras reivindicações contra o Grupo Ambipar a partir dessa data, deverá executar uma Joinder de Cessionário de acordo com o Section 8(a)); e (ii) na medida em que um Detentor Consentinte, atuando em sua qualidade de Formador de Mercado Qualificado, adquira quaisquer Notas Verdes ou outras reivindicações contra o Grupo Ambipar de um detentor dessa reivindicação que não seja um Detentor Consentinte, tal Titulares Anuentes possa Transferir (por compra, venda, cessão, participação ou de outra forma) tais Notas Verdes ou outras reivindicações contra o Grupo Ambipar, sem a exigência de que o beneficiário seja ou se torne um Titulares Anuentes de acordo com isso Section 8. Apesar do exposto acima, nenhum Titular Anuente pode transferir (por compra, venda, cessão, participação ou de outra forma) quaisquer Notas Verdes ou outras Reivindicações contra o Grupo Ambipar para uma entidade que atue em sua qualidade de Formador de Mercado Qualificado, a menos que tal Formador de Mercado Qualificado (a) transfira tais Notas Verdes ou outras Reivindicações para uma parte que seja ou se torne parte aqui por meio da assinatura de um Acordo de Consolidação e do cumprimento dos requisitos de individualização estabelecidos nela, no prazo de individualização aplicável ou antes, (b) concorda em se tornar parte deste documento assinando um Acordo de Incorporação e cumprindo os requisitos de individualização estabelecidos nele no prazo de individualização aplicável ou antes, ou (c) devolve tais Notas Verdes ou outras Reivindicações ao vendedor original até, no máximo, o prazo de individualização aplicável.

(d) Apesar de qualquer coisa em contrário neste Section 8, as restrições à Transferência estabelecidas neste Section 8 não se aplicará à concessão de quaisquer ônus ou ônus sobre quaisquer reivindicações e interesses em favor de um banco ou corretora (exceto os bancos e corretoras do "Grupo Ad Hoc de Credores Financeiros" que apareceu no Caso do Capítulo 11, e qualquer uma de suas respectivas afiliadas) detendo a custódia dessas reivindicações e interesses no curso normal dos negócios e cujo ônus ou ônus seja liberado na Transferência de tais reivindicações e interesses.

Section 9. PROPRIEDADE DE REIVINDICAÇÕES E INTERESSES

(a) Cada um dos Titulares Anuentes representa e garante (separadamente e não conjuntamente) que:

(i) ou (i) é o único proprietário beneficiário do montante principal das Notas Verdes e outras Reivindicações de Voto indicado para tal Titulares Anuentes em sua página de assinatura aqui presente ou (ii) tem discricionariedade exclusiva de investimento ou voto em relação ao valor principal das Notas Verdes e outras Reivindicações de Voto indicadas para tal Titulares Anuentes em sua página de assinatura aqui, e tem o poder e a autoridade para vincular o proprietário beneficiário dessas Notas Verdes aos termos deste Acordo;

(ii) cada nomeado, gestor de investimentos ou fundos, ou consultor ou subconsultor atuando em nome dos detentores beneficiários de suas Reivindicações de Voto representa e garante às Partes da Empresa e aos demais Titulares Anuentes de que tem autoridade legal para agir e vincular os titulares beneficiários aplicáveis;

(iii) exceto nos termos deste Acordo, as Reivindicações de Voto detidas por ele estão livres de qualquer equidade, opção, procuração, restrição de voto, direito de preferência ou outra limitação

de disposição de qualquer tipo que possa afetar negativamente o desempenho de suas obrigações contidas neste Acordo por parte do Titulares Anuentes no momento em que tais obrigações devem ser cumpridas;

(iv) exceto pelas Notas Verdes e outras Reivindicações de Voto indicadas em sua respectiva página de assinatura, tal Titular Anuenter, com conhecimento de ter feito uma investigação razoável, (i) não possui direta ou indiretamente quaisquer outras Notas Verdes ou outras Reivindicações de Voto ou (ii) direta ou indiretamente tem discricionariedade de investimento ou voto em relação a quaisquer outras Notas Verdes ou outras Reivindicações de Voto; e

(v) (i) é ou (A) um comprador institucional qualificado conforme definido na Regra 144A da Lei de Valores Mobiliários ou (B) não é uma pessoa dos EUA (conforme definido no Regulamento S da Lei de Valores Mobiliários); ou (ii) quaisquer valores mobiliários adquiridos por ela em conexão com as transações aqui contempladas terão sido adquiridos para investimento e não com o objetivo de distribuição ou revenda em violação da Lei de Valores Mobiliários.

(b) Para evitar dúvidas, quando um Titular Anuenter celebra ou se junta a este Acordo por meio de um(s) unidade(s) de negócio identificada(s) e/ou mesa(s) de negociação em relação a Notas Verdes (conforme especificado na página de assinatura deste Acordo ou de um Acordo de Junção), os termos deste Acordo se aplicarão apenas àque(s) unidade(s) de negócio e/ou mesa(s) de negociação identificada(s) e não a qualquer outra unidade(s) e/ou mesa(s) de negociação dentro da entidade legal que tenha não assinados ou aderidos a este Acordo (de acordo com os termos deste Acordo) separadamente em relação a quaisquer Notas Verdes ou outro instrumento que ele possua legal ou benéficamente e, portanto, que o Titulares Anuentes não será obrigado a obter conformidade com este Acordo em nome de tais outras unidades de negócio e/ou mesas de negociação dentro dessa entidade legal.

Section 10. REPRESENTAÇÕES

Cada Parte (separada e não conjuntamente) representa a cada outra Parte que, à data deste Acordo:

(a) tal Parte está devidamente organizada, existe válidamente e está em boa situação (quando tal conceito for reconhecido) sob as leis da jurisdição de sua organização, e possui todo o poder e autoridade corporativos, de sociedades ou sociedades limitadas para celebrar este Acordo e realizar as Transações de Reestruturação aqui contempladas, além de cumprir suas respectivas obrigações sob este Acordo;

(b) a execução, entrega e execução deste Acordo por tal Parte não violam e não deverão (i) violar qualquer disposição legal, regra ou regulamento aplicável a ela, a qualquer uma de suas subsidiárias, documentos organizacionais ou aos de qualquer uma de suas subsidiárias, ou (ii) conflitar com, resultar em violação ou constituir (com o devido aviso prévio ou o prazo ou ambos) uma inadimpleção sob seus documentos organizacionais ou quaisquer obrigações contratuais materiais do qual ele ou qualquer uma de suas subsidiárias é parte; e

(c) este Acordo é a obrigação legalmente válida e vinculativa dessa Parte, executável contra ela de acordo com seus termos.

Section 11. ACORDO COMPLETO; NEGOCIAÇÕES ANTERIORES

Este Acordo, incluindo todos os anexos aqui anexados, constitui o acordo integral das Partes com relação ao objeto deste Acordo na data do presente, e prevalece sobre todas as outras negociações, acordos, representações, garantias, folhas de termos, propostas e entendimentos anteriores, sejam escritos, orais ou implícitos, entre as Partes em relação ao objeto deste Acordo; *desde* que*, no entanto*, qualquer Acordo de

Confidencialidade ou acordo de confidencialidade assinado por qualquer Parte sobreviva a este Acordo e continue em pleno vigor e efeito, sujeito aos seus termos, independentemente dos termos deste documento.

Section 12. OS DEVERES FIDUCIÁRIOS DO AMBIPAR GROUP

Apesar de qualquer indicação contrária aqui, (a) o Grupo Ambipar e, conforme aplicável, cada conselho de administração ou órgão governante semelhante das entidades que compõem o Grupo Ambipar estarão autorizados a tomar (ou a abster-se de tomar) qualquer ação em relação às Transações de Reestruturação na medida em que tal conselho de administração ou órgão governante similar determinar, de boa-fé, com base no conselho do advogado, que tomar tal ação, ou abster-se de tal ação, conforme aplicável, é razoavelmente necessário cumprir a lei aplicável, inclusive em cumprimento de seus deveres fiduciários, e pode tomar tal ação ou abster-se de tal ação sem incorrer em qualquer responsabilidade perante qualquer outra Parte neste caso; e (b) na medida em que tais obrigações fiduciárias exijam que qualquer Parte da Empresa, qualquer uma de suas subsidiárias, seu conselho de administração ou órgão governante semelhante rescinda as obrigações dessa entidade sob este Acordo, as Partes da Empresa podem rescindir este Acordo sem responsabilidade. Para evitar dúvidas, nada nisso Section 12 impedirá ou restringirá os direitos de rescisão de qualquer Parte sob este Acordo.

Section 13. REPRESENTAÇÃO POR ADVOGADO

Cada Parte aqui presente reconhece que foi representada por advogado (ou teve a oportunidade de ser representada por advogado e renunciou ao seu direito de fazê-lo) em conexão com este Acordo e as Transações de Reestruturação contempladas por este Acordo. Assim, qualquer estado de direito ou decisão legal que forneça a qualquer Parte aqui presente defesa para a execução dos termos deste Acordo contra tal Parte, com base na falta de assistência jurídica, não terá aplicação e será expressamente renunciada. As disposições deste Acordo deverão ser interpretadas de maneira razoável para cumprir a intenção das Partes aqui envolvidas. Nenhuma das Partes aqui envolvidas terá qualquer termo ou disposição deste Acordo interpretado contra essa Parte unicamente por ela ter redigido o mesmo.

Section 14. EFICÁCIA

(a) A eficácia deste Acordo e as obrigações das Partes estão sujeitas ao cumprimento de cada uma das seguintes condições (a data em que este Acordo entra em vigor, a "Data de Vigência"):

(i) as Partes da Empresa e os Titulares Iniciais Consentidores que detenham mais de 50,01% do valor principal agregado em circulação das Green Notes devem ter assinado e entregue as páginas de assinatura correspondente a este Acordo; e

(ii) a Empresa deverá ter pago ou reembolsado todas as Despesas de Transação devidas e devidas conforme faturas entregues à Empresa pelo menos um dia antes da Data de Entrada em vigor, de acordo com as Cartas de Honorários, não obstante qualquer data posterior que possa ser permitida para tal pagamento em qualquer Carta de Honorários.

(b) Após a Data de Vigência, este Acordo se tornará efetivo e vinculativo em relação a qualquer Titular Subsequente Consentidor ao entregar às Partes da Empresa um Acordo de Junção devidamente e validamente assinado; *desde* que as páginas de assinatura assinadas pelos Titulares Anuentes sejam entregues a (x) outros Titulares Anuentes em um formulário redigido que remova as participações desses Titulares Anuentes de Green Notes e outras Reivindicações e interesses de Voto e (y) as Partes da Empresa e seus conselheiros em forma não censurada.

Section 15. DILIGÊNCIA E TOMADA DE DECISÃO INDEPENDENTES

Cada uma das Partes confirma que tomou sua própria decisão de executar este Acordo com base em sua avaliação independente dos documentos e informações disponíveis, conforme julgar apropriado. Cada Titulares Anuentes declara separadamente que tal Titular Anuenter (a) possui conhecimento e experiência em questões financeiras e empresariais capazes de avaliar os méritos e riscos da implementação e consumação das Transações de Reestruturação, (b) realizou a devida diligência das Partes da Empresa e dos termos das Transações de Reestruturação, e (c) teve acesso a tais informações financeiras e outras, pessoal e documentação, conforme o Detentor Consentinte considerar necessário e apropriado, tomar sua própria decisão independente para executar este Acordo, implementar e consumar as Transações de Reestruturação.

Section 16. CONTRAPARTES

Este Acordo pode ser assinado em contrapartes (que podem incluir contrapartes entregues por qualquer forma padrão de telecomunicação), cada uma das quais será original e todas as quais, juntas, constituirão um mesmo instrumento. As palavras "execução", "assinada", "assinatura", "entrega" e palavras de igual importância neste Acordo ou em qualquer documento a ser assinado em conexão com este Acordo serão consideradas como incluindo assinaturas eletrônicas, entregas ou a manutenção de registros em formato eletrônico, cada uma das quais terá o mesmo efeito legal, validade ou aplicabilidade que uma assinatura assinada manualmente, entrega física do mesmo ou o uso de um sistema de registro em papel, conforme o caso, e as partes consentindo em realizar as transações previstas por meios eletrônicos.

Section 17. EMENDAS

(a) Salvo disposição em contrário aqui, este Acordo não pode ser modificado, alterado ou complementado sem o consentimento prévio por escrito (incluindo por e-mail do advogado) das Partes da Empresa e dos Titulares Anuentes Necessários; *fornecida*, que uma ou mais disposições deste Acordo podem ser renunciadas apenas com o consentimento da parte aqui comprometida que renuncia às obrigações da outra parte sob tal disposição; *fornecida*, *além*, *no entanto*, que (i) nenhuma emenda, modificação ou renúncia a qualquer termo ou disposição da Folha de Termos de Reestruturação será eficaz na medida em que tal emenda, modificação ou renúncia afete materialmente um Portador Consentinte (em sua qualidade de tal) de maneira desproporcionalmente adversa a tal Titular Anuenter em relação a outros Titulares Anuentes, sem o consentimento prévio por escrito desse Titulares Anuentes afetado de forma desproporcional e adversa, (ii) qualquer modificação, emenda ou suplemento a Section 5(b), Section 8(c), ou este Section 17 deverá exigir o consentimento de todas as Partes, e (iii) qualquer modificação ou emenda à definição de "Titulares Anuentes Obrigatórios" e qualquer outro termo definido cuja definição afete a população abrangida por "Titulares Anuentes Obrigatórios", deverá exigir o consentimento de todos os Titulares Anuentes.

(b) Cada uma das Partes concorda em negociar de boa-fé todas as emendas e modificações a este Acordo que sejam razoavelmente necessárias e apropriadas para a concretização das Transações de Reestruturação.

(c) Nenhuma renúncia a qualquer disposição deste Acordo será considerada como uma renúncia a qualquer outra disposição deste Acordo, independentemente de tais disposições serem semelhantes ou não, nem qualquer renúncia a uma disposição deste Acordo será considerada uma renúncia contínua dessa disposição.

Section 18. TÍTULOS

Os títulos das seções, parágrafos e subseções deste Acordo são incluídos apenas por conveniência e não afetarão a interpretação das disposições aqui contidas.

Section 19. RELAÇÃO ENTRE AS PARTES

Apesar de qualquer coisa em contrário, os deveres e obrigações dos Titulares Anuentes sob este Acordo serão diversos e não conjuntos. Nenhum Titulares Anuentes será responsável de forma alguma pelo cumprimento das obrigações ou qualquer violação de qualquer outro Titulares Anuentes sob este Acordo, e nada disso contido, e nenhuma ação tomada por qualquer Titulares Anuentes conforme este documento será considerada como constituindo o Titulares Anuentes como uma sociedade, associação ou joint venture de qualquer tipo, ou criar a presunção de que os Titulares Anuentes estão agindo de qualquer forma além de suas capacidades individuais. Nenhum dos Titulares Anuentes terá qualquer dever fiduciário ou outros deveres ou responsabilidades de qualquer tipo ou forma entre si, com as Partes da Empresa ou qualquer um dos outros credores, detentores de notas ou partes interessadas das Partes da Empresa, em decorrência deste Acordo ou das transações aqui contempladas. Cada Titulares Anuentes reconhece que nenhum outro Titulares Anuentes atuará como agente desse Titulares Anuentes em conexão com o monitoramento do investimento desse Titulares Anuentes ou a aplicação de seus direitos sob este Acordo, os Documentos Definitivos ou quaisquer outros documentos a serem celebrados em conexão com a conclusão das Transações de Reestruturação. Os Titulares Anuentes não têm a intenção de ser, e não serão considerados como são, um "Grupo" para fins da Seção 13(d) da Exchange Act.

Section 20. DESEMPENHO ESPECÍFICO

Entende-se e concorda pelas Partes que danos monetários seriam um remédio insuficiente para qualquer violação deste Acordo por qualquer Parte, e cada Parte que não incumprir terá direito a cumprimento específico e a uma medida cautelar ou outra medida equitativa como remédio para qualquer violação deste Acordo, incluindo, sem limitação, um tribunal de jurisdição competente que exija que qualquer Parte cumpra prontamente qualquer uma de suas obrigações neste Acordo.

Section 21. LEGISLAÇÃO VIGENTE

Este Acordo será regido e interpretado de acordo com as leis do Estado de Nova York, sem considerar qualquer disposição de escolha de lei que exija a aplicação das leis de outra jurisdição. Pela assinatura e entrega deste Acordo, cada uma das Partes concorda irrevogável e incondicionalmente que qualquer ação legal, ação ou processo contra si em relação a qualquer matéria decorrente, decorrente ou relacionada a este Acordo ou para reconhecimento ou execução de qualquer sentença proferida em tal ação, o processo ou processo pode ser movido tanto no Tribunal de Falências quanto em um tribunal estadual ou federal de jurisdição competente no Estado e Condado de Nova York, Município de Manhattan. Pela execução e entrega deste Acordo, cada uma das Partes aqui presentes aceita e se submete irrevogavelmente à jurisdição de cada tribunal, de forma geral e incondicional, relativamente a qualquer ação, ação ou processo. Ao assinar e entregar este Acordo, cada uma das Partes aqui presentes submete irrevogável e incondicionalmente à jurisdição pessoal de cada tribunal descrito neste Section 21, exclusivamente para fins de qualquer ação, processo ou processo decorrente ou relacionado a este Acordo ou para o reconhecimento ou execução de qualquer sentença proferida ou ordem proferida em qualquer ação, processo ou processo. CADA PARTE AQUI PRESENTE RENUNCIA INCONDICIONALMENTE AO JULGAMENTO POR JÚRI EM QUALQUER AÇÃO, PROCESSO OU PROCESSO MENCIONADO ACIMA.

Section 22. AVISOS

Todos os avisos (incluindo, sem limitação, qualquer aviso de rescisão conforme previsto aqui) e outras comunicações de qualquer Parte dadas ou feitas conforme este Acordo deverão ser por escrito (o que pode incluir e-mails entre advogados) e serão considerados devidamente entregues no mais cedo dos seguintes casos: (a) mediante entrega pessoal à Parte a ser notificada, (b) quando enviada por e-mail eletrônico confirmado, se enviada durante o horário comercial normal do destinatário, e se não confirmado, no próximo Dia Útil, (c) três dias úteis após ter sido enviada por correspondência registrada ou registrada, com recebimento, prepagamento do envio, e (d) um (1) Dia Útil após o depósito com um courier noturno reconhecido nacionalmente, especificando a entrega no dia seguinte (com um e-mail ao enviar para a Parte a ser notificado), com verificação por escrito do recebimento. Todas as comunicações devem ser enviadas:

Section 23. SEM BENEFICIÁRIOS TERCEIROS

Salvo indicação expressa neste documento, este Acordo será exclusivamente para benefício das Partes e de quaisquer Partes de JR, e nenhuma outra Pessoa será beneficiária terceirizada deste documento.

Section 24. DIVULGAÇÃO; CONFIDENCIALIDADE

As Partes da Empresa divulgarão a existência deste Acordo prontamente após sua assinatura, apresentando um aviso divulgando a existência deste Acordo ao Tribunal de Falências no Caso do Capítulo 11 e apresentando publicamente o Formulário 6-K com as mesmas informações que devem ser divulgadas como

fato relevante segundo a lei brasileira responsável (o "Divulgação Pública"). Sempre que razoavelmente possível, as Partes da Empresa fornecerão ao Grupo Ad Hoc, por meio de advogados, um rascunho da Divulgação Pública para revisão, e as Partes da Empresa considerarão razoavelmente quaisquer adições ou modificações à Divulgação Pública feitas pelo Grupo Ad Hoc ou por seus profissionais. Salvo exigência da lei ou regulamento aplicável, as Partes da Empresa concordam em manter confidenciais os nomes dos Titulares Anuentes e todas as Informações Confidenciais dos Titulares, sem o consentimento prévio por escrito de qualquer Titulares Anuentes; e se tal anúncio ou divulgação das informações individuais das participações dos Titulares Anuentes for exigido por lei ou regulamento, as Partes da Empresa deverão notificar previamente a cada Titulares Anuentes sua intenção de divulgar tais informações sobre as participações e deverão conceder a cada um dos Titulares Anuentes uma oportunidade razoável de (i) buscar uma ordem de proteção ou outro remédio apropriado ou (ii) revisar e comentar qualquer anúncio ou divulgação antes de as Partes da Empresa que fazem tal anúncio ou divulgação; *fornecida*, que as Partes da Empresa não serão obrigadas a incorrer em custos materiais e/ou despesas, nem a fornecer quaisquer indenizações ou similares, para cumprir o exposto anterior. Ao anexar uma cópia deste Acordo à Divulgação Pública, se exigido por este Section 24, as Partes da Empresa omitirão as páginas de assinatura (incluindo qualquer Acordo de Afiliação e Engasão de Cessionário) dos Titulares Anuentes. O acima exposto não impedirá as Partes da Empresa de divulgarem o valor agregado de Notas Verdes e/ou Reivindicações de Voto mantidas juntos por todos os Titulares Anuentes.

Section 25. SUCESSORES E CESSIONÁRIOS; SEPARABILIDADE; VÁRIAS OBRIGAÇÕES

Este Acordo tem como objetivo vincular e beneficiar as Partes e seus respectivos sucessores, cessionários, herdeiros, executores, espólios, administradores e representantes permitidos. A invalidade ou inexequidade, em qualquer momento de qualquer disposição aqui em qualquer jurisdição, não afetará nem diminuirá de forma alguma a validade e aplicabilidade contínuas das demais disposições ou a validade e aplicabilidade contínuas dessa disposição em qualquer outra jurisdição. Os acordos, representações e obrigações dos Titulares Anuentes sob este Acordo são, em todos os aspectos, vários e não conjuntos.

Section 26. COOPERAÇÃO DE BOA-FÉ; OUTRAS GARANTIAS

As Partes deverão (e deverão fazer com que cada uma de suas subsidiárias e afiliadas) cooperem entre si de boa-fé e coordenar suas atividades (na medida do possível) em relação a todas as questões relativas à implementação e consumação das Transações de Reestruturação. Além disso, salvo proibição por lei aplicável ou regulamento governamental, cada uma das Partes deverá (e deverá fazer com que cada uma de suas subsidiárias e afiliadas) tome as ações (incluindo a execução e entrega de quaisquer outros acordos e a apresentação de quaisquer documentos regulatórios necessários) que sejam razoavelmente necessárias para cumprir os propósitos e a intenção deste Acordo.

Section 27. SEM SOLICITAÇÃO

Cada Parte reconhece que este Acordo não é, nem pretende ser, uma oferta para a compra, venda, troca, hipotecação ou outra transferência de valores mobiliários para fins da Lei de Valores Mobiliários ou da Lei de Troca. A solicitação para aceitação das Transações de Reestruturação não será solicitada a qualquer detentor das Notas Verdes ou das ações ordinárias do Devedor até que esse titular tenha recebido os materiais relevantes de solicitação em conformidade com Lei aplicável.

Section 28. CONFIDENCIALIDADE

(a) As Partes reconhecem que as participações, informações de alocação e a página de assinatura de cada Titular Anuenter (coletivamente, as "Informações Confidenciais do Titular") são

confidenciais e sensíveis à concorrência, e não serão divulgadas a nenhuma pessoa (incluindo para evitar dúvidas, as Partes da Empresa, o Homem Chave e qualquer outro Titulares Anuentes) exceto aos Consultores Ad Hoc do Grupo e aos advogados dos EUA das Partes da Empresa (exceto conforme exigido por lei, regulamentação ou processo legal) sem o consentimento escrito desse Titulares Anuentes (e-mail sendo suficiente). As Partes da Empresa concordam ainda que todas as Informações Confidenciais do Titular serão redigidas, e todas as páginas de assinatura (incluindo qualquer Acordo de Junção e Acordo de Transferência) omitidas, dos "conjuntos de encerramento" ou outras representações do Acordo totalmente assinado. Para evitar dúvidas, (i) as participações agregadas de todos os Titulares Anuentes podem ser divulgadas coletivamente e (ii) mediante solicitação razoável, as participações agregadas em nível institucional dos Titulares Anuentes podem ser divulgadas apenas ao Homem Chave, às Partes da Empresa e aos assessores das Partes da Empresa (que têm obrigações de confidencialidade com as Partes da Empresa em relação a tal divulgação, e cujo cumprimento dessas obrigações serão responsáveis pelas Partes da Empresa).

(b) As Partes também reconhecem que este Acordo é confidencial e, exceto conforme previsto em Section 24 com relação à Divulgação Pública, pode ser divulgado apenas (i) a um conselheiro ou representante do Titulares Anuentes que esteja sob dever de confidencialidade, (ii) a qualquer Parte Empresa ou seus assessores (que estejam sob obrigações de confidencialidade para com as Partes Empresas em relação a tal divulgação, e cujo cumprimento dessas obrigações sejam responsáveis pelas Partes da Empresa), (iii) quando um Detentor Consentinte atua por meio de seu consultor de investimentos, subconsultor, trustee ou gestor com autoridade discricionária sobre a disposição das Green Notes, em seus fundos e/ou contas que são detentores ou beneficiários das Notas e sujeitos às obrigações aqui previstas, (iv) perante o Tribunal de Falências, se considerado pelos consultores dos EUA às Partes da Empresa como sendo razoavelmente necessário para alcançar as Transações de Reestruturação ou outros objetivos deste Acordo, e (v) sujeito à seguinte frase, conforme exigido por lei, regulamento ou processo legal. Qualquer divulgação deste Acordo ou de seus termos que não sejam às Pessoas identificadas em Section 28(a) deverá redigir todas as Informações Confidenciais do Titular (exceto conforme exigido por lei, regulamento ou processo legal, caso em que a Parte divulgadora deve dar aviso prévio da intenção de divulgar, se permitido por lei ou regulamento aplicável, para o Titular Anuente(s) aplicável(es) (que terá o direito de solicitar uma ordem de proteção antes da divulgação)).

Section 29. LANÇAMENTOS

(a) Sujeito em todos os aspectos a Section 29(c), a partir da Data de Emissão, em troca de uma boa e valiosa contraprestação, cuja adequação é confirmada, cada Parte Libertada é, e é considerada assim, de forma conclusiva, absoluta, incondicional, irrevogável e para sempre, liberada e liberada por cada Parte Libertante (em cada caso, em nome de si mesma e de seus respectivos sucessores, cessionários e representantes, e quaisquer e todas as entidades que possam alegar alegar qualquer Reivindicação ou Causa de Ação, direta ou derivativa, por, por, por, para, ou por causa das entidades mencionadas), a partir de quaisquer e todas as Reivindicações e Causas de Ação, que se baseiam em ou de qualquer forma relacionadas a ou decorrentes, total ou parcialmente, de qualquer ato ou omissão, transação, acordo, evento ou outro ocorrência ocorrido na data de emissão ou antes da data de emissão com relação a:

(i) o Grupo Ambipar ou qualquer entidade nele (incluindo a estrutura de capital, negócios, gestão, arranjos de gestão de caixa, propriedade ou operação destes);

(ii) a compra, venda ou rescisão de qualquer título emitido por qualquer entidade do Grupo Ambipar;

(iii) o objeto ou as transações ou eventos que dão origem a qualquer Reivindicação ou Interesse tratado no Plano de JR;

(iv) os acordos comerciais ou contratuais entre ou entre qualquer entidade do Grupo Ambipar e qualquer Parte Liberada;

(v) a propriedade e/ou operação do Grupo Ambipar por qualquer Parte Liberada ou a distribuição de qualquer Dinheiro ou outro bem de qualquer entidade do Grupo Ambipar a qualquer Parte Liberada;

(vi) a afirmação ou aplicação de direitos ou recursos contra qualquer entidade do Grupo Ambipar;

(vii) os esforços de reestruturação dentro ou fora dos tribunais do Grupo Ambipar;

(viii) transações interempresas entre ou entre entidades do Grupo Ambipar;

(ix) o Caso do Capítulo 11, o Processo de Justiça Judicial, ou os Casos do Capítulo 15 ou o início de qualquer um dos anteriores;

(x) a formulação, preparação, disseminação, negociação ou protocolo do Acordo de Apoio à Reestruturação e transações pré-petição relacionadas;

(xi) a Ordem do Capítulo 15, o Plano de JR, todos os outros documentos protocolados no Processo de JR, e qualquer outro Documento Definitivo, ou qualquer Transação, contrato, instrumento, liberação ou outro acordo ou documento de Reestruturação relacionado a qualquer um dos anteriores, criados ou celebrados em conexão com o Acordo de Apoio à Reestruturação, o Plano RJ, qualquer outro Documento Definitivo antes ou durante o Caso do Capítulo 11, os Casos do Capítulo 15 e o Processo de JR;

(xii) qualquer reivindicação de preferência, transferência fraudulenta ou outra alegação de evasão decorrente do capítulo 5 do Código de Falências ou de outra lei aplicável;

(xiii) a solicitação de votos sobre o Plano de JR;

(xiv) a administração e implementação do Plano RJ, incluindo a emissão ou distribuição de dívidas e/ou valores mobiliários conforme o Plano RJ, ou a distribuição de bens sob o Plano RJ ou qualquer outro acordo relacionado; ou

(xv) qualquer outro ato ou omissão, transação, acordo, evento ou outro evento relacionado ou relacionado a qualquer um dos acima mencionados ocorrendo na data de emissão ou antes (coletivamente, os "Reivindicações Liberadas").

Para evitar dúvidas, as Reivindicações Liberadas incluirão quaisquer reivindicações derivadas, alegadas ou assertíveis, sejam conhecidas ou desconhecidas, previstas ou imprevistas, vencidas ou não vencidas, liquidadas ou não liquidadas, fixas ou contingentes, existentes ou futuras, em direito, equity, contrato, responsabilidade civil ou outras, incluindo quaisquer reivindicações derivadas alegadas ou assertíveis (x) em nome de qualquer entidade do Grupo Ambipar que tal entidade teria direito de reivindicar (se individual ou coletivamente) ou (y) em nome do detentor de qualquer Reivindicação contra, ou Interesse em, uma entidade do Grupo Ambipar ou outra entidade, em cada caso baseada em ou relacionada a, ou de qualquer forma decorrente, total ou parcialmente, de quaisquer Reivindicações Liberadas.

(b) Cada Parte Liberadora por meio deste acordo compromete e concorda que, a partir da Data de Vigência, não deverá iniciar, apoiar, financiar, assistir, encorajar, participar ou cooperar conscientemente

com qualquer ação, reivindicação, causa de ação, processo, arbitragem, investigação, ação derivada ou outro processo legal contra qualquer Parte Libertada baseada, decorrente ou relacionada a qualquer Reivindicação Liberada; *fornecida*, que nada contido nisso Section 29 deverá impedir que qualquer Parte Liberadora forneça informações solicitadas ou exigidas conforme lei, regra, regulamento, ordem judicial ou outro processo semelhante (incluindo, sem limitação, por meio de interrogatórios orais, solicitações de informações ou documentos em processos legais ou regulatórios, intimação, solicitação de investigação civil ou outro processo similar). Cada Parte Liberadora concorda ainda que as Liberações têm a intenção de ser finais e abrangentes e renuncia a qualquer direito de buscar recuperação contra qualquer Parte Liberada em relação a qualquer Reivindicação Liberada.

(c) Apesar de qualquer coisa em contrário aqui:

(i) as liberações estabelecidas nesta seção não liberam (x) quaisquer obrigações pós-Data de Vigência de qualquer Parte ou entidade sob este Acordo, o Plano RJ, qualquer Transação de Reestruturação ou qualquer Documento Definitivo ou (y) qualquer defesa disponível para uma Parte Libertante em resposta a uma reivindicação ou processo apresentado ou iniciado contra tal Parte Libertante por uma Parte Liberada;

(ii) o direito de cada Parte de fazer cumprir este Acordo ou qualquer Documento Definitivo é preservado; e

(iii) os lançamentos apresentados em Section 29(a) e pactos em Section 29(b) será nulo e sem efeito *Ab initio* em (A) a Data de Término resultante de qualquer Evento de Rescisão sob Section 6 (exceto uma Data de Término conforme Section 6(e)) aplicável a tal Parte Liberadora, apenas quanto a tal Parte Liberante ou (B) a falha das Partes da Empresa em pagar os Pagamentos Fixos em ou antes dos Marcos aplicáveis correspondentes.

Section 30. ACORDO DE COOPERAÇÃO

Os Titulares Anuentes estendem o Prazo de Expiração do Acordo de Cooperação de acordo com os termos do Acordo de Cooperação até 26 de julho de 2027.

Section 31. AGENTE PAGADOR

As Partes da Empresa deverão instruir e orientar o Agente Pagador a pagar prontamente os Pagamentos Fixos aos beneficiários aplicáveis, em cada caso, de acordo com os termos e condições estabelecidos neste Acordo.

EXEMPLO A

FORMA DE JUNÇÃO TRANSFERIDA

O abaixo assinado (o "Cessionário") reconhece que leu e compreende o Acordo de Apoio à Reestruturação (o "Acordo"), datado de julho [_], 2026, celebrado por e entre a Ambipar Emergency Response (o "Devedor"), determinadas outras afiliadas do Devedor (coletivamente, com o Devedor, as "Partes da Empresa""), e certos detentores de Notas Verdes (conforme definido no Acordo), e concorda em estar vinculado pelos seus termos e condições (incluindo em relação às Notas Verdes adquiridas do Transferente), sendo considerado um "Titular Anuenter" conforme os termos do Acordo. Todas as Notas Verdes mantidas pelo Cessionário (agora ou no futuro) estarão sujeitas em todos os aspectos ao Acordo.

O Transferido reconhece e concorda ainda que:

(a) Requisito de Individualização. Como Titular Anuente, o Cessionário deverá votar a favor do Plano RJ que reflete os termos do Acordo e das Transações de Reestruturação. Somente os detentores de Notas Verdes que tenham sido individualizadas no Processo de JR poderão votar sobre o Plano de JR na Assembleia Geral de Credores. Assim, o Cessionário reconhece que, para cumprir suas obrigações de voto sob o Acordo, cada fundo, conta ou subconta que detenha Green Notes em nome do Cessionário deve completar o procedimento de individualização previsto no aviso de individualização a ser liberado no Processo de JR. O Adquirente será responsável por monitorar o Processo de JR e tomar todas as ações necessárias para garantir que o processo de individualização seja concluído de acordo com os prazos e procedimentos estabelecidos no aviso de individualização emitido no Processo de JR.

(b) Divulgação pública. O Cessionário reconhece que o nome e as participações de cada fundo, conta ou subconta individualizada se tornarão publicamente disponíveis no Processo de JR, pois serão incluídos na lista de credores elegíveis para votar na Assembleia Geral de Credores.

(c) Restrições de Comércio. Qualquer transferência de Notas Verdes pelo Adquirente após a data estabelecida na página de assinatura do Adquirente deve levar em conta a capacidade do Adquirente de cumprir as regras estabelecidas no Aviso de Individualização para votar na Assembleia Geral de Credores, de acordo com suas obrigações sob o Acordo. O Cessionário reconhece que o incumprimento oportuno das disposições do Aviso de Individualização resultará na impossibilidade do fundo relevante, conta ou subconta votar na Assembleia Geral de Credores, o que pode constituir violação do Acordo e resultar na perda dos direitos desse Titulares Anuentes abaixo daqui.

FOLHA DE TERMOS PARA REESTRUTURAÇÃO

Ambipar Participações e Empreendimentos
Resumo dos Termos e Condições para Transações de Reestruturação

Os termos utilizados, mas não definidos aqui, terão os significados atribuídos a eles no Acordo de Apoio à Reestruturação ao qual esta folha de termos está anexada.

Mandatos Principais	
Perímetro	• Termos e condições aceitáveis para a reformulação das reivindicações atualmente fora do perímetro no Processo de Recuperação Judicial (incluindo a dívida de Itaú)
Novas Notas Garantidas – Termos	• Valor: US$925 milhões em Novas Notas Garantidas – O valor total será usado exclusivamente para reembolsar integralmente as Green Notes existentes; Green Notes para ser qualificado como Créditos Financeiros Colaborativos sob o PRJ • Taxa de juros: Pagamentos semestrais que compreendem (i) 10% ao ano juros PIK para um período inicial de 18 meses, *desde* que o primeiro pagamento em dinheiro ocorra em 31 de dezembro de 2028; e (ii) posteriormente, juros PIK a 2% ao ano e juros em dinheiro a 8% ao ano. • Prazo: 7 anos com pagamento bullet
Novas Notas Garantidas – Cláusulas	• Cláusulas, recursos, outros termos de dívida e outros requisitos de relatório, incluindo os estabelecidos no Anexo A • Os estatutos das NewCos (conforme definidos abaixo) implementarão os remédios acordados nos documentos da dívida; *desde* que (i) isso se aplique aos estatutos ou outros documentos corporativos apropriados (como certificados de constituição ou análogos brasileiros), conforme apropriado, (ii) tal implementação seja para o avanço, mas não substitua os recursos estabelecidos nos documentos de dívida, e (iii) quaisquer alterações que afetem negativamente as disposições de recursos aplicáveis nesses documentos de governança, de forma contrária aos detentores das Notas Verdes e/ou das Novas Notas Garantidas tomadas como um todo, estará sujeita ao consentimento prévio, por escrito, da maioria dos detentores de Notas Verdes ou Novas Notas Garantidas, conforme aplicável. • Após ocorrer um Evento Chave (conforme definido na RSA) entre a data de emissão das Novas Notas Garantidas e o terceiro aniversário dessa emissão, assim que possível (mas não mais tarde que 30 dias depois), a Empresa deverá entregar um aviso escrito ao trustee das Novas Notas Garantidas descrevendo em detalhes razoáveis a natureza e as circunstâncias do Evento do Homem Chave (o "Aviso do Homem Chave"); – Se um Evento de Homem-Chave continuar após a entrega do Aviso de Homem-Chave, o conselho de administração da Ambipar TopCo deve, em tempo oportuno e de acordo com seus documentos de governança existentes (mas, em qualquer caso, não mais tardar que 90 dias após tal ocorrência), nomear um diretor executivo interino (o "CEO

	Interino") selecionado de uma lista de candidatos potenciais para serem compartilhados com o Watchdog. O conselho de administração da Ambipar TopCo terá total discricionariedade tanto sobre a composição da lista quanto sobre a escolha final do CEO interino. – Após a nomeação do CEO Interino após um Evento de Homem Chave, e enquanto o CEO Interino permanecer no cargo, a Empresa não deverá tomar nenhuma das seguintes ações na medida em que, se todas, resulte em violação dos pactos negativos estabelecidos no Anexo A aqui (conforme refletido nos termos dos Novos Documentos de Notas Garantidas) sem o consentimento prévio por escrito do Watchdog: – incorrência de dívidas; – a incorrência de ônus e a concessão de penhores negativos; – pagamentos restritos e pagamentos juniores restritos em relação a certas dívidas juniores; – fusões e outras mudanças fundamentais; – vendas e outras disposições de ativos, incluindo transações de venda e arrendamento retrocesso; – transações com afiliados; e – emendas ou renúncias a documentos organizacionais ou eleições fiscais que afetassem material e negativamente os direitos dos detentores das Novas Notas Garantidas.
Garantia / Garantia	• Como detalhado no Anexo A, a totalidade do interesse acionário (ou seja, 100% das ações) de uma entidade NewCo remota em falência ("NewCo Environment") colocada abaixo da Ambipar Environmental ESG Participações S.A. ("Ambipar Environment"); jurisdição e tipo de garantia a definir sob a razoável discricionariedade do Grupo Ad Hoc (garantia incluindo (i) todas as subsidiárias relevantes de primeira linha da NewCo Environment e uma lista razoável a ser acordada de subsidiárias futuras, com a propriedade de todo o capital de todas as subsidiárias conforme aceitável para o Grupo Ad Hoc e (ii) todos os outros ativos e bens identificados como garantia adicional no Anexo A) • Como detalhado no Anexo A, a totalidade do interesse acionário (ou seja, 100% das ações) de uma entidade NewCo remota em falência ("NewCo Response" e, junto com a NewCo Environment, as "NewCos") colocadas abaixo da Emergência Participações S.A. ("Ambipar Emergência"); jurisdição e tipo de garantia a definir sob a razoável discricionariedade do Grupo Ad Hoc (incluindo todas as subsidiárias de primeira linha relevantes da NewCo Response e uma lista razoável a ser acordada de subsidiárias adicionais, com a propriedade de todo o capital acionário de todas as subsidiárias, conforme aceitável para o Grupo Ad Hoc): – O patrimônio líquido da LLC da Witt O'Brien ("Witt O'Brien") estará sujeito aos seguintes interesses de garantia: (i) 50% das ações da Witt O'Brien serão concedidas como garantia para garantir os empréstimos da Itaú em regime de primeiro ônus e as Novas Notas Garantidas em regime de segundo ônus, *desde que* o primeiro ônus da Itau sobre tais ações seja progressivamente liberado de forma proporcional, de acordo com a amortização principal programada conforme estabelecido no Anexo C; (ii) 40% das ações da Witt O'Brien serão concedidas como garantia para garantir as Novas Notas Garantidas em base a primeira garantia; e (iii) 10% das ações da Witt O'Brien serão concedidas como garantia para garantir o empréstimo interempresa entre a Ambipar US (como mutuária) e a Ambipar Response (como

	credor) em base ao primeiro ônu, e tal reivindicação e ônus interempresa deverão constituir Garantia sob as Novas Notas Garantidas. • Ônus e mecanismos permitidos para liberação de garantias estabelecidos no Anexo A. Todas as etapas necessárias para a incorporação e estabelecimento da NewCos serão realizadas pelo Grupo Ambipar a seu custo e custo exclusivos. O Grupo Ambipar compromete-se a implementar tal reorganização corporativa (incluindo a contribuição das participações acionárias das subsidiárias para a NewCos) de forma acelerada, e os membros de apoio do Grupo Ad Hoc (e seus consultores) terão o direito de supervisionar e monitorar a implementação dessas etapas em coordenação com a Ambipar • Conforme estabelecido no Anexo A, inclusão de todas as entidades operacionais relevantes na América Latina, América do Norte e Europa como fiadores, sujeita a princípios de garantia e segurança, bem como a cláusulas negociadas de ativos excluídos e liberação
Pagamentos Fixos	• Após o pagamento da Primeira e da Segunda Parcela ao Agente Pagador no máximo do Marco da Primeira Parcela e do Marco da Segunda Parcela, respectivamente, o Agente Pagador deverá pagar prontamente os Pagamentos Fixos no valor total de $50 milhões, que serão pagos em duas parcelas de acordo com as Metodologias de Alocação (conforme definido no RSA): – uma primeira parcela no valor de $25 milhões (a "Primeira Parcela") (sem sujeição a juros ou ajuste), que deverá ser devida na Data de Vigência da RSA, e deverá ser venvida e pagável ao Agente Pagador a partir e após a ocorrência da Data de Consumação, no período anterior de (i) um (1) Dia Útil após a conclusão da venda dos Precatórios (tal data, a "Data de Venda Precatórios") e (ii) 180 dias a partir da data em que o Plano de JR for aprovado na Assembleia Geral de Credores (para evitar dúvidas, a Primeira Parcela deverá ser vencida e pagável dois (2) dias úteis após a Data de Consumação se as cláusulas anteriores (i) e (ii) ocorrerem antes dessa data) (tal data, o "Marco da Primeira Parcela"); *desde* que, se (x) o valor líquido da venda dos Precatórios (os "Lucros Líquidos dos Precatórios") for inferior a $25 milhões e (y) a Data da Venda dos Precatórios ocorrer antes do Marco da Primeira Parcela, então a totalidade dos Lucros Líquidos dos Precatórios deverá ser paga ao Agente Pagador no máximo um (1) Dia Útil após a Data da Venda dos Precatórios, e um valor de $25 *milhões menos* a Receita Líquida Precatórios deverá ser pago até, no máximo, o Marco da Primeira Parcela; e – uma segunda parcela no valor de $25 milhões (a "Segunda Parcela") (sem sujeição a juros ou ajuste), que deverá ser ganha na Data de Vigência da RSA, e deverá ser devida e pagável ao Agente Pagador a partir e após a ocorrência da Data de Consumação, no período anterior de (i) um (1) dia útil após a Data de Venda Precatórios, na medida em que o Produto Líquido Precatórios exceda $25 milhões e (ii) 365 dias a partir da data em que o Plano de JR for aprovado na Assembleia Geral de Credores (para evitar dúvidas, a Segunda Parcela deverá ser vencida e pagável dois (2) dias úteis após a Data de Consumação se as cláusulas anteriores (i) e (ii) tiverem ocorrido antes dessa data) (tal data, o "Marco da Segunda Parcela"); *desde* que, se os Rendimentos Líquidos Precatórios forem maiores que $25 milhões, mas inferiores a $50 milhões, o valor da Segunda Parcela paga na Data da Venda Precatórios seja o valor dos Rendimentos Líquidos Precatórios superiores a $25 milhões, e o valor da Segunda Parcela pago no Marco da Segunda Parcela seja $25 *milhões menos* o valor pago ao Agente Pagador na Data da Venda Precatórios; *desde que, além*

	disso, se o valor dos Lucros Líquidos Precatórios exceder $50 milhões, então esse valor excedente (o "Valor Adicional de Segunda Parcela") será considerado parte da Segunda Parcela e pago ao Agente Pagador na data que não ultrapassar um (1) Dia Útil após a Data da Venda Precatórios • A Primeira Parcela e a Segunda Parcela (juntas, os "Pagamentos Fixos") serão garantidas por um ônus fiduciário sobre os Precatórios existentes e os recursos provenientes da sua venda (mas, para evitar dúvidas, não dependerão nem da venda dos Precatórios nem do valor dessa venda)
Contribuição de Novo Projeto para Participação Acionária	• Contribuição acionária nos SPE(s) do Novo Projeto em troca da maioria do patrimônio dos Novos SPE(s) do Projeto(s) [1] de até 65 milhões de dólares para financiar o desenvolvimento de novos projetos potenciais, conforme o uso detalhado dos recursos e do orçamento a serem acordados. As Partes da Empresa devem realizar os melhores esforços razoáveis para captar os recursos acionais até o valor a ser financiado para uma subsidiária da NewCo Response
Governança	• Controles Interinos e Finais de Governança: Cláusulas negativas a serem discutidas • Guarda Ativa: – A serem escolhidos e nomeados pelo Grupo Ambipar com base em uma lista de nomes a ser preparada pelo Grupo Ad Hoc ou pela maioria dos detentores de Novas Notas Garantidas, conforme aplicável, livre de qualquer instrução, direção, remoção ou poder de substituição pelo Grupo Ambipar – Acesso às informações da Companhia e à alta gestão (incluindo reuniões de conselhos e executivos) conforme estabelecido no Anexo B. Direitos adicionais ainda estabelecidos no Anexo B • Comitê de Finanças e Operações: – Responsável por revisar e aconselhar o Conselho sobre questões relacionadas ao orçamento, operações e novos projetos, com frequência e escopo das reuniões a serem definidos – Membro do comitê incluir representante da maioria dos detentores de Notas Verdes ou Novas Notas Garantidas, conforme aplicável

[1] Para evitar dúvidas, (1) o(s) Novo Projeto SPE(s) deverão ser subsidiárias de segundo nível da NewCo Environment e NewCo Response, (2) a contribuição acionária ocorrerá nessa subsidiária de segundo nível, (3) a Empresa não poderá transferir quaisquer ativos para tais Novos SPE(s) do Projeto, exceto aqueles que se referem ao Projeto apresentado ao Grupo Ad Hoc dentro de 30 dias a partir da Data de Vigência da RSA e tal lista de ativos de Novos Projetos é razoavelmente aceitável para os Detentores Consentidores Necessários (conforme definido na RSA), (4) os ativos nesses SPE(s) de Novo Projeto(s) financiado(s) pela contribuição de capital próprio de até $65 milhões de Novos Projetos não deverão deixar tais SPE(s) de Novo Projeto(s), (5) as Novas Notas Garantidas terão o benefício de ônus sobre as subsidiárias de primeira linha que possuirão tais SPE(s) de Novo Projeto(s), e (6) todas as distribuições feitas por tais SPE(s) de Novo Projeto deverão ser feitas de forma proporcional, de acordo com as posições relativas de capital das subsidiárias de primeira linha e dos demais acionistas nessa(s) SPE(s) de Novo Projeto, respectivamente.

	– Os documentos corporativos de governança para cada um dos NewCo Environment e NewCo Response devem ser aceitáveis em forma e conteúdo para o Grupo Ad Hoc • Ação Dourada: Participação dourada em cada uma das empresas da NewCo Environment e da NewCo Response, com direitos de aprovação apropriados apenas para o início e rescisão de qualquer Processo de Insolvência, a ser detida por uma entidade a ser indicada por representantes da maioria dos detentores de Green Notes ou New Secured Notes, conforme aplicável • Observador do Conselho: Watchdog para ser observador no estatuto do Conselho da TopCo (*regulamento/regimento interno*) para garantir que o Watchdog esteja autorizado a participar das reuniões como observador e conceder certos direitos ao Watchdog (por exemplo, apresentar opiniões divergentes sobre as resoluções do Conselho). Tal carta deve ser anexada ao Plano RJ, ou ao Plano RJ para prever que as regras que devem ser refletidas em uma futura carta deve ser implementadas até, no máximo, a uma certa data, e qualquer emenda à carta estão sujeitas a limiares de consentimento a serem acordados pelo Grupo Ad Hoc, por escrito. • Confidencialidade / Restrição MNPI: Para discutir uma lista de "detentores desqualificados" mutuamente acordada para as Novas Notas Garantidas
Acionistas Minoritários / Fornecedores Críticos / Outras Partes	• Atualização completa e semanal e coordenação sobre negociações com acionistas minoritários, fornecedores críticos, contrapartes de leasing, Itaú, BTG, sujeito a considerações fiduciárias • Sujeito à resolução da questão de Itaú e conforme acordado na Folha de Termos de Reestruturação, o Grupo Ad Hoc terá direito de consentimento sobre qualquer emenda ou modificação em relação a quaisquer obrigações de dívida com credores financeiros, parceiros atuais e antigos / acionistas minoritários, contrapartes de leasing e partes relacionadas devidas por qualquer subsidiária da Ambipar TopCo que não seja devedora no processo de justiça real (RJ), exceto no curso normal dos negócios durante o período de restrição da NDA – Apesar do exposto acima, a Ambipar TopCo deve assinar a documentação do negócio com Itaú até antes da data de vigência prevista pela RSA – Todos esses acordos estarão sujeitos à revisão e aprovação pelo Grupo Ad Hoc • Partes da Empresa devem fornecer ao Grupo Ad Hoc detalhes sobre o tratamento e a forma de documentação sobre o Apoio aos Credores de M&A
Anexo A – Convênios

Law"), pending before the 3rd Business Court of the Judicial District of the Capital of the State of Rio de Janeiro (the "Brazilian Bankruptcy Court") under case No. 3014764-58.2025.8.19.0001. Capitalized terms used but not otherwise defined in this Declaration shall have the meanings given to such terms in the Recognition Motion.

2. I submit this declaration (this "Declaration") in support of the Foreign Representative's *Motion for (I) Recognition of Foreign Main Proceeding, (II) Recognition of Foreign Representative, and (III) Related Relief Under Chapter 15 of the Bankruptcy Code* (the "Recognition Motion"), which seeks entry of an order (i) recognizing the Brazilian RJ Proceeding as a "foreign main proceeding" pursuant to section 1517 of the Bankruptcy Code or, in the alternative, as a "foreign nonmain proceeding" for each Debtor, (ii) finding that Mr. Thiago da Costa Silva (the "Foreign Representative") is the duly appointed foreign representative within the meaning of section 101(24) of the Bankruptcy Code, and (iii) granting such other relief as the Court deems just and proper.

I. Background and Qualifications

3. I am a lawyer admitted to practice law in Brazil and have approximately twenty (20) years of experience in corporate restructuring, insolvency, judicial reorganization (*recuperação judicial*), bankruptcy, and complex commercial litigation. I hold a Bachelor of Laws degree from the Rio de Janeiro State University (Universidade do Estado do Rio de Janeiro – UERJ) (2005) and a Master of Laws degree in Procedural Law from UERJ (2009). I have substantial experience advising debtors, creditors, and other stakeholders in complex restructuring and insolvency proceedings in Brazil. I am fully familiar with Brazilian insolvency and restructuring law, including Brazilian Federal Law No. 11.101/2005, as amended, and with the Brazilian RJ Proceeding.

4. I and my firm have been advising the Company on the Brazilian law aspects of its restructuring. To assist the Court's consideration of the Recognition Motion, I submit this Declaration describing the relevant features of the Brazilian RJ Proceeding under the Brazilian Bankruptcy Law and other applicable laws, as well as the relevant background circumstances and certain actions taken to date in connection therewith. Where the matters stated in this Declaration are statements of legal opinion, such statements reflect Brazilian law based on my education and years of experience practicing Brazilian law in Brazil. Where the matters stated in this Declaration are statements of fact, they are based on my personal knowledge and are known to me to be true and accurate to the best of my knowledge, information, and belief.

II. Overview of Brazilian Reorganization Proceedings

5. Insolvency proceedings involving corporate entities in distress in Brazil are governed by the Brazilian Bankruptcy Law. The Brazilian Bankruptcy Law focuses on facilitating faster and more efficient restructuring processes and encourages a company's successful reorganization, rather than its liquidation, in furtherance of the preservation of the business, its productive function, the maintenance of employment, and the interests of creditors (Article 47 of the Brazilian Bankruptcy Law).

6. The Brazilian Bankruptcy Law provides for two (2) forms of reorganization proceedings that are analogous to chapter 11 proceedings in the United States and serve as a collective mechanism to adjust debts under the control and supervision of a competent Brazilian court specialized in bankruptcy matters (a "Bankruptcy Court"): (1) a court-supervised reorganization proceeding known as *recuperação judicial* (a "Judicial Reorganization" or an "RJ"); and (2) an out-of-court reorganization proceeding known as *recuperação extrajudicial* (an

"EJ"). It also allows a company to initiate a mediation administered by a specialized mediation chamber prior to an RJ or EJ.[2]

7. As the proceeding commenced by the RJ Debtors in Brazil is a *recuperação judicial* proceeding, this Declaration focuses on the procedural and legal aspects of RJ proceedings.

III. Background Information Regarding the Brazilian RJ Proceeding

8. On September 24, 2025, certain members of the Company filed a petition for antecedent injunctive (*cautelar*) relief before the Brazilian Bankruptcy Court, pursuant to Articles 6, §12, and 189 of the Brazilian Bankruptcy Law and Articles 300 et seq. of the Brazilian Code of Civil Procedure, in order to protect the Company's cash and assets and to preserve the effectiveness of a subsequent judicial reorganization. On September 25, 2025, the Brazilian Bankruptcy Court granted the requested relief, staying the enforceability of claims, the running of limitations periods, and collection and enforcement actions, and suspending the effects of acceleration, accelerated-amortization, and guarantee-enforcement clauses with respect to claims whose triggering events occurred on or prior to that date.

9. On October 20, 2025, the RJ Debtors amended their initial petition to file the petition for the Brazilian RJ Proceeding (the "RJ Petition"), requesting, among other relief, the commencement of the Judicial Reorganization, the ratification of the antecedent relief, authorization to proceed under substantive consolidation, and the appointment of the Foreign Representative.

10. On October 30, 2025, the Brazilian Bankruptcy Court entered an order commencing the Brazilian RJ Proceeding (the "Processing Order"). In the Processing Order, the Brazilian Bankruptcy Court, among other things, (i) confirmed its jurisdiction over the RJ Debtors, including

[2] The Brazilian Bankruptcy Law also provides for a liquidation proceeding known as *falência*, and, since 2020, a transnational insolvency framework for the recognition of foreign insolvencies, following Brazil's adoption of the UNCITRAL Model Law on Cross-Border Insolvency.

Luxco and Ambipar Response, on the basis that the principal place of business (*principal estabelecimento*) and nerve center of the Company is located in the City of Rio de Janeiro; (ii) authorized the processing of the Judicial Reorganization under substantive consolidation pursuant to Article 69-J of the Brazilian Bankruptcy Law; (iii) ratified the antecedent injunctive relief and declared the stay period; and (iv) appointed a Judicial Administrator. The Brazilian Bankruptcy Court fixed September 24, 2025—the date of the antecedent petition—as the relevant date for determining which claims are subject to the Brazilian RJ Proceeding.

11. The Brazilian RJ Proceeding affects all claims existing against the RJ Debtors as of the relevant date (absent certain exceptions explained below), as required by the Brazilian Bankruptcy Law, and it is jointly administered in substantive consolidation.

IV. Eligibility Requirements for Debtors Under the Brazilian Bankruptcy Law

12. The Brazilian Bankruptcy Law provides for certain requirements for companies to be eligible to be debtors in a Judicial Reorganization.

13. As an initial matter, only the debtor itself may commence a Judicial Reorganization. Creditors are not permitted to do so. The debtor must be engaged in a business, and at the time the application is made, is required to have been doing business regularly for over two (2) years, and must meet certain subjective and objective requirements, as described below.

14. Brazilian case law has evolved to allow foreign companies to file a Judicial Reorganization, and these filings have been accepted on a variety of different independent bases. These include cases where the foreign debtor (a) is a subsidiary of a Brazilian holding company that does not develop independent business activities and is jointly filing the petition with such Brazilian holding company; (b) is merely a financial vehicle of the Brazilian holding debtor, or was constituted for finance or corporate-organizational purposes; (c) is part of a corporate conglomerate under financial crisis, the facts of which have occurred primarily in Brazil; or (d) has

operations and activities in Brazil, among others. Consistent with this case law, and as confirmed in the Processing Order, the Brazilian Bankruptcy Court found that the center of main interests (COMI) of the foreign RJ Debtors—Luxco and Ambipar Response—is located in Brazil, where the Company's strategic decisions are made and its financial indebtedness is administered.

15. The petition for a Judicial Reorganization must be filed in the appropriate state civil court specializing in bankruptcy matters in the jurisdiction where the debtor's (or debtors' group's) principal place of business (*principal estabelecimento*) is located. That court has exclusive jurisdiction in Brazil over matters relating to the claims being restructured.

16. In order to commence a Judicial Reorganization in Brazil, the debtor may not (a) already be subject to a bankruptcy liquidation proceeding (and, if it has been in the past, the resulting liabilities shall have been discharged by a final court order); (b) have any pending judicial reorganization case, nor have been granted a judicial reorganization within the last five (5) years; or (c) have been convicted, or have a senior manager who has been convicted, of any bankruptcy crime.

V. The Brazilian RJ Proceeding

17. As mentioned above, the Brazilian Bankruptcy Law provides for a court-supervised proceeding known as *recuperação judicial* or an RJ. As noted above, the RJ is Brazil's equivalent of a chapter 11 reorganization. This section describes the principal procedural and legal features of the RJ in greater detail.

18. An entity commences an RJ by filing an RJ petition with the appropriate Bankruptcy Court in the jurisdiction in which it maintains its principal place of business (*principal estabelecimento*). The concept of principal place of business, provided under Article 3 of the

Brazilian Bankruptcy Law, is separate from the concept of COMI, which is provided in Article 167-B, II, of the Brazilian Bankruptcy Law.[3]

19. When filing the RJ petition, a debtor must include, among other things: (i) a description of the causes of its financial distress; (ii) its financial statements; (iii) a list of its creditors and claims; (iv) a list of all legal actions to which it is a party (with an estimate of the respective amounts claimed); (v) a list of its employees, including their respective positions and salaries; (vi) a certificate of regular standing of the debtor before the Board of Trade; (vii) a certificate of civil-law notaries in the judicial district of the debtor's domicile identifying any recorded default of debt obligations; (viii) statements of the debtor's bank accounts and its financial investments; (ix) a detailed report of tax liabilities and claims and collateral not subject to the RJ; and (x) other relevant information.

20. The filing date triggers the key legal effects of the RJ. For example, after the filing, a debtor is barred from paying claims subject to the restructuring proceeding and can no longer dispose of or encumber its fixed assets without prior authorization of the Bankruptcy Court or as determined in the plan of reorganization approved by creditors and the Bankruptcy Court. Further, the filing date determines whether a claim against the debtor will be subject to the RJ, as only claims that originated prepetition are affected.

21. Once the RJ petition has been filed, the court will review the petition and determine whether it is appropriate to admit the debtor into the RJ scheme. If a debtor satisfies all the requirements mentioned above and certain other additional eligibility requirements, the Bankruptcy Court will issue a decision commencing an RJ and appointing a judicial administrator

[3] The concept of COMI was introduced in the Brazilian Bankruptcy Law after Brazil's adoption of the UNCITRAL Model Law on Cross-Border Insolvency and is used in the context of recognition in Brazil of foreign proceedings.

(the "Judicial Administrator"). The Judicial Administrator monitors the RJ, provides reports on the debtor's activities, promptly provides all information requested by interested creditors, assists in the verification of claims, and complies with other mandates. Creditors receive notice of the processing order and the debtor's list of creditors through a publication in the official gazette of the State in which the Bankruptcy Court is located (the "Official Gazette").

22. Upon entry of the processing order, all collection actions or enforcement proceedings against the debtor, commenced before or after the RJ filing, with respect to liquidated claims subject to the RJ proceeding, are stayed for the duration of the stay period provided under Article 6, §4, of the Brazilian Bankruptcy Law (the "RJ Stay"). The RJ Stay applies for a period of 180 days, extendable for an additional 180 days provided that the debtor has not caused the failure to approve a plan of reorganization within the initial period.[4] Accordingly, upon entry of the processing order, creditors become barred from seeking payment of their prepetition claims. Any payment to the detriment of other creditors on account of prepetition claims that are subject to the RJ proceeding is deemed a criminal offense, and the Bankruptcy Court has authority to claw back any such payments.

A. Claims Subject to Judicial Reorganization

23. The debtor is required to file a list of creditors together with its RJ petition, classifying them according to the classes provided under the Brazilian Bankruptcy Law, and creditors have fifteen (15) days from the publication of the processing order to file oppositions or requests for alterations with the Judicial Administrator. The Judicial Administrator is then responsible for analyzing such requests and submitting a revised list of creditors and the respective

[4] Collection actions or enforcement proceedings against the debtor with respect to contingent claims may continue until such claims are liquidated. Where, prior to the commencement of the RJ, the debtor sought and obtained a stay in support of antecedent injunctive relief, the stay period that occurred prior to the commencement of the RJ proceeding is subtracted from the initial 180 days.

class allocations of their claims. Creditors receive notice of the revised list through a publication in the Official Gazette, and then have another ten (10) days to file a petition directly with the Bankruptcy Court in case of any objections to the list of creditors.

24. While, as a general rule, claims existing at the date of the RJ petition (*i.e.*, prepetition claims) are subject to the RJ, there are certain exceptions under the Brazilian Bankruptcy Law. In addition to postpetition claims, there are claims (collectively, the "RJ Exempt Claims") that are not subject to the RJ, for example: (i) taxes; (ii) claims secured by the respective debtor's assets in the form of "fiduciary liens" (*i.e.*, a fiduciary assignment of contract rights (*cessão fiduciária*) or fiduciary sale of assets (*alienação fiduciária*)); (iii) claims deriving from leasing transactions (*arrendamento mercantil*); (iv) claims held by an owner or committed seller of real estate; and (v) claims deriving from specific advances in export or currency-exchange agreements. In addition, pursuant to Article 193-A of the Brazilian Bankruptcy Law, the filing of an RJ petition does not affect or suspend the exercise of acceleration and set-off rights in the context of derivative and repo transactions, provided such rights are included in the subject contract; any remaining balance against the debtor is, as a rule, treated as a claim subject to the RJ.

25. RJ Exempt Claims are not subject to a plan of reorganization. Further, absent a special order of the Bankruptcy Court, creditors holding RJ Exempt Claims technically may enforce their claims against the debtor in parallel with the RJ notwithstanding the RJ Stay. For the duration of the RJ Stay, however, creditors holding RJ Exempt Claims (except for holders of tax claims) may not seize or dispose of any of the debtor's assets that are essential to its business operations, regardless of whether such RJ Exempt Claims are secured by liens over any of those assets. Accordingly, the Bankruptcy Court has exclusive jurisdiction to determine which assets that might be considered essential may be attached and seized by creditors to satisfy RJ Exempt Claims while the RJ Stay is effective.

B. A Debtor's Operations Throughout the Brazilian RJ Proceeding

26. As a rule, once an RJ is commenced, the debtor remains in possession of its assets and continues to run its business during the course of the proceeding. Nonetheless, the assets of the debtor are also subject to the control and supervision of the Bankruptcy Court. Once the processing order is entered, the debtor is subject to oversight by the Judicial Administrator and is prevented from disposing of hard assets without prior authority by either the Bankruptcy Court or under the terms of a confirmed plan of reorganization. The officers and directors of a debtor remain duly authorized to act on the debtor's behalf in the RJ. Furthermore, a debtor (or its agent) is authorized under the Brazilian Bankruptcy Law and other applicable laws to act as a foreign representative in a foreign proceeding in support of an RJ proceeding, irrespective of whether a court order appointing such foreign representative has been obtained.[5]

27. The Brazilian Bankruptcy Law also allows creditors to form a committee composed of up to one (1) representative from each determined class of creditors. The creditors' committee serves as an overseeing body that ensures the interests of the creditors are represented throughout the proceeding. In my experience, it is not common for creditors to seek the formation of a creditors' committee.

C. Confirmation of the Plan in a Brazilian RJ

i. Requirements to Confirm the Plan

28. After filing the RJ petition and following entry of a processing order, the debtor must submit a plan of reorganization within sixty (60) days of the publication of the processing order in the Official Gazette. This 60-day period, as a general rule, is not extendable. If a debtor

[5] See Article 167-E of the Brazilian Bankruptcy Law (authorizing the debtor, in a judicial and extrajudicial reorganization proceeding, to act in other countries as a representative of the Brazilian proceeding, regardless of a court order, so long as such act is permitted under the law of the country in which the foreign proceeding is pending).

does not comply with this obligation, the RJ may be converted into a liquidation (*falência*) unless creditors vote to allow the submission of an alternative plan, as explained below.

29. Upon filing of a plan of reorganization by the debtor, the Brazilian Bankruptcy Law requires that notice be given to all impaired creditors and parties in interest, through a publication in the Official Gazette. Thereafter, creditors have thirty (30) days to object to such plan before the Bankruptcy Court. Should any creditor object, the Bankruptcy Court is required to call a general meeting of creditors (the "General Creditors' Meeting" or "GCM") to vote on the plan of reorganization. Creditors receive notice of the GCM through a publication in the Official Gazette, which shall occur at least fifteen (15) days in advance of such meeting.

30. The Bankruptcy Court, however, may analyze and approve a proposed plan of reorganization without requiring the GCM if certain conditions are present. Specifically, the GCM shall not be required if the debtor is able to obtain sufficient creditor support via adhesion terms (each, an "Adhesion Term")[6] to meet the plan-approval thresholds under the Brazilian Bankruptcy Law, up to five (5) days before the scheduled date of the GCM. An Adhesion Term is not a vote cast at the GCM, but rather a written instrument by which an individual creditor expresses its support for the plan outside of, and in lieu of, the GCM. Where the debtor obtains Adhesion Terms reflecting creditor support that meets the same per-class approval thresholds that would otherwise be required at the GCM, the Bankruptcy Court may approve the plan without convening the meeting. Creditors may challenge the Adhesion Terms within ten (10) days on the grounds of (i) insufficient support to meet the legal thresholds; (ii) nonfulfillment of procedural requirements;

[6] In practice, the debtor collects signed Adhesion Terms from creditors and files them with the Bankruptcy Court. The approval thresholds are the same as those that apply to a vote at the GCM (described below): in Classes I and IV, support by more than fifty percent (50%) of the creditors by headcount; and in Classes II and III, support by both more than fifty percent (50%) of the creditors by headcount and creditors holding more than fifty percent (50%) in principal amount of the allowed claims in each such class. The Adhesion Terms thus operate as a substitute for, rather than a supplement to, the GCM.

(iii) that the Adhesion Terms violate the law; or (iv) that the terms and conditions of the plan are illegal.

31. If (i) no objections to the plan are raised by any creditor or (ii) the plan is approved by the requisite majority of creditors (a) at the GCM or (b) through Adhesion Terms, the Bankruptcy Court may confirm the plan of reorganization and grant the RJ of the debtor.

32. Alternatively, at a GCM, the debtor and creditors representing more than a simple majority of creditors present and voting at such meeting may agree to adjourn the meeting to allow negotiations to continue toward a consensual plan, which is customary in many complex RJ cases. In such an instance, the debtor may adapt or modify a plan to meet the creditors' expectations, and creditors will vote on the amended plan at a later scheduled GCM.

33. Provided certain requirements are met, creditors may also agree to propose an alternative plan (an "Alternative Plan"), including where a debtor (i) fails to submit a plan within the statutory period or any extensions thereof or (ii) presents a plan that is rejected by the majority of creditors in each class present and voting at a GCM. If creditors decide not to allow an Alternative Plan, or if such Alternative Plan fails to obtain sufficient support, the court may convert the RJ into a liquidation proceeding.[7]

34. A plan of reorganization must contain: (i) a thorough description of the measures to be taken to reorganize the debtor's business; (ii) a demonstration of the economic feasibility of the plan; (iii) a financial expert's valuation of the debtor's assets; and (iv) a proposed treatment of claims subject to the RJ. In general, claims of the same class must be treated equally absent an economic justification for treating a subgroup of claims differently.

[7] Once an RJ is converted into liquidation, the officers and directors of the debtor are no longer allowed to manage its affairs, and the assets of the debtor are collected and sold by the Judicial Administrator.

35. For purposes of voting on a plan of reorganization, claims are divided into the following four classes: (i) labor-related claims (Class I); (ii) secured claims (Class II); (iii) unsecured claims, claims entitled to general and special privilege, and subordinated claims (Class III); and (iv) claims held by "small business companies" (Class IV). Pursuant to Article 43 of the Brazilian Bankruptcy Law, shareholders, subsidiaries, affiliates, and certain other parties related to the debtor may attend the GCM but are not allowed to vote on RJ plans with respect to any claims against the debtor. Furthermore, RJ Exempt Claims are not affected by the plan and do not entitle their holders to vote, and holders of unimpaired claims are likewise not entitled to vote on the plan.

36. Approval of a plan of reorganization may be obtained in one of two ways: (i) through a "regular creditor majorities" procedure; or (ii) through a "cramdown" procedure. Approval through the regular procedure at the GCM or through Adhesion Terms requires the plan to be approved by each class of claims. In Classes I and IV, approval requires a simple majority—more than fifty percent (50%) of the number of creditors present and voting, regardless of the amount of the claims held. In Classes II and III, the plan must be approved by both (i) more than fifty percent (50%) of the number of creditors present and voting in each class and (ii) creditors holding more than fifty percent (50%) in principal amount of the allowed claims in each such class present and voting at the GCM.

37. If the required majorities are not met in a class of claims, the plan may still be approved via cramdown (cross-class cramdown). Approval through cramdown requires the court to approve the plan if all of the following criteria are met: (a) holders of a simple majority (more than 50%) of the total allowed claims present at the GCM vote to approve the plan; (b) the required majorities are met in three of the four voting classes (if there are four voting classes), or in two of

the three voting classes (if there are three), or in one voting class (if there are only two); (c) for the class voting to reject the plan, more than one-third (1/3) of creditors present and voting in such class vote to approve the plan; and (d) the plan does not discriminate against creditors of the class that rejected it.

38. If a plan of reorganization has been approved by the requisite majority of creditors, the Bankruptcy Court must confirm the plan, unless the approved plan (in whole or in part) violates Brazilian law, in which case the Bankruptcy Court is afforded discretion to deem such illegal provisions void or order a revised version thereof to be submitted. The Brazilian Bankruptcy Law provides that a judicially confirmed plan of reorganization binds the debtor as well as all the impaired creditors.

39. Brazilian law provides for a robust appeal process after a plan of reorganization is confirmed. Upon entry of the plan confirmation order, any dissenting creditor (including creditors that have not submitted an Adhesion Term) as well as the office of the public prosecutor (the "Public Prosecutor") may (i) file a motion for clarification with the Bankruptcy Court within five (5) days of publication of the confirmation order and/or (ii) file an interlocutory appeal with the Brazilian State Court of Appeals (the "Court of Appeals") within fifteen (15) days of publication. After the Court of Appeals renders its decision, the parties may appeal within fifteen (15) days to the Brazilian Superior Court of Justice (the "Superior Court of Justice"), the highest court with jurisdiction over matters related to the Brazilian Bankruptcy Law, if the challenged issue is not a matter of fact.

40. Throughout the entire process, creditors and other parties in interest are given proper notice through electronic publication in the Official Gazette of every order and notice entered by the Bankruptcy Court, the Court of Appeals, and the Superior Court of Justice.

Accordingly, the deadline to file appeals against any court order only begins after the parties have received proper notice of such order, including through the Bankruptcy Court's official website, which is available for public consultation.

ii. Supervision Period After Plan Confirmation

41. Under the Brazilian Bankruptcy Law, once a Bankruptcy Court confirms a plan of reorganization, the debtor may remain in RJ until such time as the debtor performs plan obligations that are due up to two (2) years from the entry of the plan confirmation order, which period may be decreased or extended at the discretion of the Bankruptcy Court and/or pursuant to the restructuring plan (the "Supervision Period"). During that time, the Bankruptcy Court and the Judicial Administrator continue to monitor and supervise the debtor's performance and compliance with all obligations under the plan as they become due.

42. If, at the end of the Supervision Period, the debtor has complied with all obligations under the plan that became due until that point, the Bankruptcy Court may issue an order formally closing the debtor's RJ. By contrast, if the debtor fails to comply with any of its obligations under the plan during the Supervision Period, the Bankruptcy Court must either (i) convert the RJ proceeding into a liquidation, or (ii) at its discretion and absent an order closing the proceeding, grant the debtor the opportunity to propose amendments or revisions to the plan.

43. During the Supervision Period, the restrictions imposed on the debtor due to the commencement of the RJ proceeding persist, such as the prohibition on the disposal of assets without prior approval from the Bankruptcy Court (except if already provided in the confirmed plan), as well as the obligation to present monthly reports on the debtor's activities and financial results. Similarly, the Judicial Administrator continues to supervise the operations and financial and legal affairs of the debtor for the duration of the Supervision Period. In addition, the

Bankruptcy Court retains its jurisdiction over assets of the debtor until the RJ proceeding is formally closed.

44. As outlined above, the procedural safeguards for creditors of a debtor under the Brazilian Bankruptcy Law are robust, providing a comprehensive procedure for the orderly resolution of claims and the equitable distribution of assets among the estate's creditors in a single proceeding before a single court. The regular creditor majorities procedure requires significant consensus among the creditors of each class. A majority in both number and amount of the claims voting for each applicable class must vote to approve the plan; in the event there is up to one (1) dissenting class, the plan may be crammed down on such class only so long as the other classes accept the plan, at least one-third (1/3) of the members of the dissenting class accept the plan, and the plan does not treat members within the dissenting class differently.

45. The Brazilian Bankruptcy Law provides additional protection to creditors in a Judicial Reorganization through the appointment of the Judicial Administrator and through the potential appointment of a committee of creditors, each of which carries out an oversight role that ensures a fair and orderly resolution of the claims against the debtor's estate. In addition, creditors have the right to object to a proposed plan within thirty (30) days from its submission.

46. Under the Brazilian Bankruptcy Law, creditors are given adequate notice of timing and procedures for filing claims, and such procedures do not impose any additional burdens on foreign creditors. Upon accepting the debtor into RJ, the Bankruptcy Court orders the publication of notice of the processing order and the list of creditors presented by the debtor. Creditors then have the opportunity to file proofs of claim with the Judicial Administrator to include or correct their claims affected by the proceeding.

47. Foreign creditors have the same status as local creditors in the RJ proceeding, which means that a foreign creditor is subject to the proceeding on the same terms described herein and will have the same rights and protections under the Brazilian Bankruptcy Law as a creditor in Brazil. All foreign creditors are entitled to be on the list of creditors. In addition, except for voting-threshold calculation purposes, the plan of reorganization may not convert claims in a foreign currency into Brazilian *reais* without the specific consent of each affected creditor. As such, no significant burdens are placed upon U.S. creditors that are inconsistent with those placed upon domestic creditors.

48. Although the Brazilian Bankruptcy Law does not govern avoidance actions in RJ proceedings, creditors are generally permitted to bring actions to avoid transfers made by the debtor under the Brazilian Civil Code, which provides that the following be considered fraud against creditors: (i) a gratuitous transfer of assets that leads to or occurs during the debtor's insolvency; or (ii) any onerous transactions entered into by an insolvent debtor and a third party for fraudulent purposes, if causing damage to the creditors. In each case, the damaged creditors are entitled to file a lawsuit in a civil court to have the transaction declared void within four (4) years of the transaction.

49. If a liquidation proceeding has been commenced, any creditor, the Public Prosecutor, or the Judicial Administrator may bring actions to avoid transfers made to third parties with the intent to harm creditors or damage the debtor's estate. In this case, the court may also declare such transfers void *sua sponte* unless intent to defraud is a disputed question of fact, in which case an action must be commenced by one of the parties above.

50. Moreover, some transfers are subject to avoidance within a bankruptcy liquidation proceeding as a matter of law if they were made during the "legal term," a period set by the judge

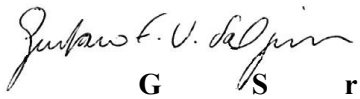
and beginning not more than ninety (90) days before the liquidation petition or the date of the first protest by a creditor, and ending on the petition date. Such transfers include payments of debts not yet due, payments of debts that were due but enforceable in a manner not provided for in the underlying agreement, and the creation of liens or any other *in rem* property interest in connection with a previously incurred debt.

51. In substance, the distribution scheme prescribed in a liquidation proceeding under the Brazilian Bankruptcy Law is substantially similar to the one prescribed in the United States Bankruptcy Code, as priority is granted to certain administrative claims and, importantly, secured claims rank senior to unsecured claims.

52. First, under the Brazilian Bankruptcy Law, administrative claims are given superpriority over the claims of the other creditors. Those administrative claims include, among others: expenses essential to the management of the estate; certain labor-related claims of a strict salary nature arising during the three (3) months prior to the liquidation date, up to an amount equal to five (5) months of the Brazilian monthly minimum wage per relevant employee; post-petition labor-related claims or claims related to occupational accidents; any financing of the debtor provided during a judicial reorganization proceeding; specific claims requiring restitution; the fees of the Judicial Administrator; sums provided to the estate by creditors during the liquidation; expenses related to the disbursement of proceeds and costs of the bankruptcy proceeding; court costs for actions brought against the estate in which the estate was defeated; and taxes incurred after the liquidation was initiated.

53. Following payment of the administrative superpriority claims, the various classes of claims are paid, within a bankruptcy liquidation proceeding, in the following order: ***first***, labor-related claims up to an amount equivalent to 150 times the Brazilian monthly minimum wage per

labor-related creditor and all occupational claims; ***second***, secured claims up to the value of the assets encumbered in connection with such claims; ***third***, tax claims (exclusive of tax fines and post-liquidation taxes); ***fourth***, unsecured claims (including labor-related claims exceeding the cap referred to above); ***fifth***, penalties and fines in connection with criminal or administrative breaches, including tax fines; ***sixth***, claims subordinated by law or contract, intercompany claims, and claims held by directors and shareholders; and ***seventh***, interest accrued after commencement of the liquidation proceeding, paid pursuant to the same priority waterfall for the respective principal debt amount.



54. In an RJ, the claims of affected creditors are paid according to the plan of reorganization. The plan, however, (i) may not provide a period longer than one (1) year (extendable in certain specific scenarios) for the payment of labor-related claims (with strictly salary-nature labor claims, up to five (5) monthly minimum wages per worker, to be paid within thirty (30) days); and (ii) may not provide for the suppression or replacement of any security interest, when the asset covered by such security interest is disposed of, without the express approval of the relevant secured creditor. As noted, the law provides for four (4) classes in a Judicial Reorganization: (i) labor creditors; (ii) secured creditors; (iii) unsecured creditors; and (iv) small and micro-enterprises.

f. the *Notice of Designation as Complex Case* (the "Complex Case Designation").

6. I make this Declaration on the basis of documentation I have reviewed, and facts known to me through my work as the Director of Integration and Finance of Ambipar Topco, and in my capacity as foreign representative of the Debtors. Where relevant information has been provided to me by others, the information is true to the best of my knowledge and belief. If I were called upon to testify, I could and would testify competently to the facts set forth herein.

BACKGROUND

A. General Background and History

1. Overview

7. Founded in 1995, the Debtors, along with their affiliates, are a Brazilian corporate group that is a leader in recycling, waste management, and emergency response businesses in Brazil and around the world. From its beginning as a waste management company, the Ambipar Group expanded into logistics and transportation for companies throughout Brazil. In 2005, the Ambipar Group began operating waste management centers in Brazil. Shortly thereafter, in 2008, the Ambipar Group launched its emergency response business.

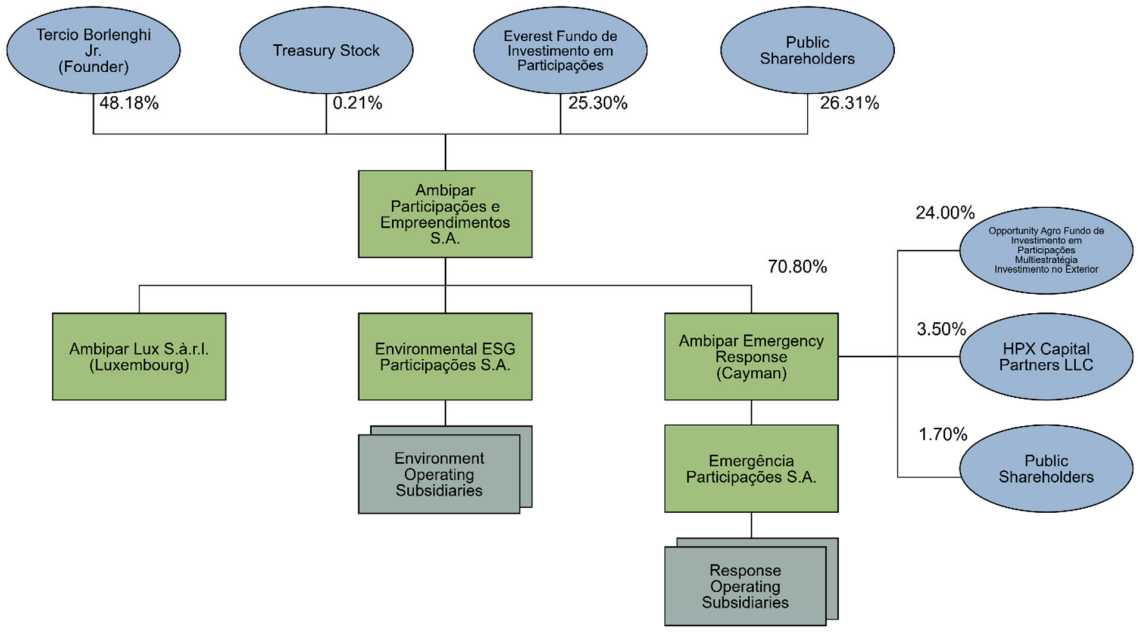
8. Debtor Ambipar Participações e Empreendimentos S.A. ("Ambipar Topco") was formed in 2010 as a holding company for the Ambipar Group's numerous operating subsidiaries. The Ambipar Group continued its expansion by making strategic acquisitions and, in 2019, undertook a comprehensive corporate restructuring and rebranding project pursuant to which the Ambipar Group divided its operating subsidiaries into two primary business segments: (a) "Environment," which handles, recycles, transports and processes residues and recyclable materials throughout Latin America, and (b) "Response," which, among other things, operates emergency response command centers to respond to disasters such as wildfires and oil spills.

9. In 2020, Ambipar Topco's capital stock was listed on the B3 stock exchange in São Paulo, Brazil under the ticker symbol "AMBP3." In 2023, Debtor Ambipar Response was listed and began trading on the NYSE American under the ticker "AMBI."

10. Today, the Ambipar Group operates through a network of more than 600 locations in 41 countries across the globe and employs more than 16,000 people.

11. The Environment segment specializes in providing environmental solutions and operates through its four main business segments: (a) circular economy; (b) decarbonization; (c) logistics; and (d) compliance, software, and consulting.

12. Response specializes in emergency response services and operates in four main business units: (i) emergency response services; (ii) industrial field services; (iii) consulting services focused on accident prevention and environmental licensing; and (iv) training services. Through its operating subsidiaries, Ambipar Response operates in over forty countries across six continents, providing standardized services across all regions. Ambipar Response's U.S. headquarters is in Houston, Texas where, through its operating subsidiaries, it employs more than 230 people.



13. As further detailed below, the Ambipar Group is governed by the board of directors of Ambipar Topco (the "Topco Board"), comprising six members, including the Ambipar Group's founder and principal shareholder and one independent director. The Topco Board is primarily responsible for the Ambipar Group's strategic decisions. The Topco Board's meetings take place in Brazil, and each Topco Board member is a citizen or resident of Brazil. Through the Topco Board, Ambipar Topco manages the operations of the Ambipar Group from its headquarters in São Paulo, Brazil.

14. Ambipar Response is governed by a separate board (the "Response Board"), comprising eight members, including the Ambipar Group's founder and principal shareholder, myself, and three independent directors. On October 29, 2025, the Response Board (a) appointed David Mack as an independent director, (b) formed a special committee (the "Response Special Committee") with a broad delegation of authority regarding matters in which a conflict of interest exists or is reasonably likely to exist between Ambipar Response and Ambipar Topco or its related parties ("Conflict Matters"), and (c) appointed Mr. Mack to the Response Special Committee.[4] As of the Petition Date, the Response Special Committee remains in place with Mr. Mack as its sole member.

2. The Ambipar Group's Corporate Structure and Offices

15. The chart below shows, in relevant part, a summary of the Ambipar Group's corporate structure as it pertains to the Debtors and certain of their related affiliates:

[4] On October 30, 2025, Ambipar Response filed the *Notice of Appointment of Independent Director to the Board of Directors of the Debtor* [Dkt. No. 32] in the Chapter 11 Case (as defined below).

16. As shown above, the Debtors and their key related affiliates are:

(a) **Ambipar Topco** – Ambipar Topco is a Brazilian-domiciled public company. It serves as the Ambipar Group's holding company, and the Topco Board makes strategic decisions for the Ambipar Group. *Id.* ¶ 16. Ambipar Topco has no employees or independent operations. Ambipar Topco is a guarantor of the Green Notes. *Id.*

(b) **Ambipar Response** – Ambipar Response is an exempted company incorporated with limited liability under the laws of the Cayman Islands and is the parent holding company for the Response business. *Id.* Its direct parent is Ambipar Topco. *Id.* Ambipar Response and its subsidiaries operate in more than forty countries. *Id.* Ambipar Response's registered office is located in the Cayman Islands and its headquarters is located in São Paulo, Brazil. *Id.* The Response Board is responsible for day-to-day governance of Ambipar Response and the Response Special Committee has a broad delegation of authority regarding Conflict Matters. *Id.* Ambipar Response is a limited guarantor of the Green Notes.[5] *Id.*

(c) **Emergência** – Debtor Emergência Participações S.A. ("Emergência," and, together with Ambipar Response, the "Response Debtors") is a corporation (*sociedade anônima)* incorporated under the laws of Brazil and a wholly-owned operating subsidiary of Ambipar Response. *Id.* Emergência's registered offices

[5] Ambipar Response is a limited guarantor of up to $200 million of the 2031 Green Notes (as defined below) and up to $128.2 million of the 2033 Green Notes (as defined below).

are in São Paulo, Brazil. *Id.* Emergência is a guarantor of the Itaú Loan (as defined below). *Id.*

(d) **Ambipar Environment** – Debtor Environmental ESG Participações S.A. ("Ambipar Environment," and, together with Ambipar Topco and Emergência, the "Brazilian Debtors") is a corporation (*sociedade anônima)* incorporated under the laws of Brazil and is the parent holding company for the Environment business. *Id.* Its direct parent is Ambipar Topco. *Id.* Ambipar Environment's registered offices are in São Paulo, Brazil. *Id.* Ambipar Environment is a guarantor of the Green Notes. *Id.*

(e) **Luxco** – Debtor Ambipar Lux S.à.r.l. ("Luxco") is a special purpose finance company and is the issuer of the Green Notes. *Id.* Luxco is incorporated in Luxembourg and has its registered office in Luxembourg. *Id.* Luxco is a wholly-owned subsidiary of Ambipar Topco, and Ambipar Topco directs all of its business from Brazil. *Id.* Luxco's board of directors comprises two directors in Brazil and, to comply with local law, two directors in Luxembourg. *Id.* Ultimate decision-making power, however, rests with the Board of Ambipar Topco in Brazil. *Id.* Luxco has no employees or operations and is wholly dependent on the financial performance of the other members of the Ambipar Group to repay its debts.

17. As shown above, the Ambipar Group, which includes all of the Debtors, has its operational activities concentrated in Brazil and is subject to Brazilian laws and regulations. Indeed, the Ambipar Group's primary operational activities are in Brazil, including its central operational management center, located in São Paulo, Brazil (the "São Paulo Office"). The São Paulo Office maintains staff in charge of operational matters, including senior management, as well as the Ambipar Group's business strategy. The Ambipar Group's main legal and human resources teams, as well as its information technology department, are primarily stationed at the São Paulo Office. The Ambipar Group's business and finance teams are also concentrated in the São Paulo Office. Although Ambipar Response and Luxco maintain registered offices outside of Brazil, neither Debtor has activities, assets, operations, or employees in the location of its registered office.

18. The books and records of each of the Debtors are located at the São Paulo Office. Luxco maintains a set of books and records in Luxembourg with a local corporate service provider

to comply with applicable local regulatory requirements. The Brazilian Debtors' books and records are maintained in *reais*.

B. The Debtors' Assets and Capital Structure

1. The Debtors' Assets and Operations

19. The Debtors' operations span approximately fourteen countries on six continents. Environment's operations are concentrated in Brazil and Chile, though its client base includes numerous companies throughout Latin America. Response maintains a global presence, operating more than 400 operational bases worldwide with high concentrations in North America and Brazil. The Ambipar Group's principal economic activity has been and continues to be in Brazil, with Brazilian operations accounting for over 65% of the Ambipar Group's global revenue.

20. The Debtors and their affiliates hold significant, varied assets used to support their broad range of functions and services. The Debtors' tangible assets primarily comprise property, plant, and equipment and include waste management facilities and vehicles, aircraft used in aerial emergency response to wildfires, vessels used in maritime oil spill response operations, and other related vehicles and equipment. The Debtors also hold significant intangible assets, including numerous patents developed through Environment's research and development operations. The Debtors also have significant goodwill accumulated as a result of extensive past and ongoing acquisition activity.

(a) Response

21. The Response segment operates as a comprehensive, fully integrated platform for standardized emergency and industrial field services rendered at scale, organized within four business units: (i) emergency response services; (ii) industrial field services; (iii) consulting services focused on accident prevention and environmental licensing; and (iv) training services. The industrial field services unit encompasses tank cleaning, silo cleaning, asbestos removal,

vessel and container cleaning, waste transportation and disposal, soil remediation, turnaround, and decommissioning. The emergency response unit addresses accidents involving hazardous and non-hazardous chemical and non-chemical products and waste, as well as natural disasters including fires, floods, and hurricanes, and provides biological emergency management and response services, including services related to epidemics and pandemics. Emergency services are contracted either by subscription—under which customers pay a monthly fee for stand-by emergency assistance on a 24-hour basis—or on a spot basis at variable fees. The consulting services unit operates via a "Global Environmental Solutions" platform, providing accident prevention and environmental impact studies, environmental licensing assistance, construction management, health, safety and environment studies, and management of contaminated areas. The training services unit offers professional training programs through proprietary training centers, supporting personnel from government agencies, firefighters, armies, and navies from countries including the United Kingdom, Portugal, Brazil, Chile, and Argentina.

22. The Response segment maintains operations in more than forty countries across six continents, with approximately 450 service centers distributed across South America, North America, Europe, Africa, and Antarctica. These service centers are supported by four regional, fully automated centralized operations centers located in Brazil (serving nationwide and Antarctica), Chile (serving Latin America other than Brazil), the United Kingdom (serving Europe and Africa), and the United States (serving North America), each operating an outreach hotline and managing real-time asset tracking and deployment. In 2022, Response acquired Witt O'Brien's LLC—a global leader in crisis and emergency management for corporate clients—adding consulting capabilities in the development of emergency and resilience programs for the U.S. government sector and a crisis management and command center in the United States. In

2025, the Response segment accounted for approximately 43% of the Ambipar Group's global revenue. As of the Petition Date, the Response segment employed approximately 7,000 personnel.

(b) Environment

23. The Environment segment provides solutions integrating technology and sustainability, with a focus on achieving "zero landfill" by transforming residue and recyclable materials and reincorporating them into production processes. Environment's portfolio of services includes management and valorization of residue materials, co-processing, reusing, recycling, composting, decarbonization, and logistics solutions to more than 5,000 clients in over 170 on-site bases located throughout Latin America. Ambipar Environment is the holding company for the Environment segment and maintains a prominent presence in Brazil, Chile, and other Latin American countries. As of the Petition Date, Environment operated in four countries.

24. The Environment segment is organized into four business units: (a) circular economy; (b) decarbonization; (c) logistics; and (d) compliance, software, and consulting. The circular economy unit encompasses activities such as residue handling, residue movement, composting, effluent treatment, energy recovery, post-industrial recycling, and post-consumption recycling, utilizing embedded proprietary residue recovery technology and patents. The decarbonization unit provides services through mitigation and the origination and commercialization of carbon credits within the voluntary market, including solutions for managing, reducing, and offsetting greenhouse gas emissions. The logistics unit specializes in the transporting, storing, handling, and disposing of materials across Brazil and Latin America. The compliance, software & consulting unit provides environmental, quality, health, and safety consulting and auditing services with the development of management software.

25. In 2025, the Environment segment accounted for approximately 57% of the Ambipar Group's global revenue. As of the Petition Date, the Environment segment employed approximately 9,000 personnel.

2. The Debtors' Capital Structure

26. Luxco is the issuer, and Ambipar Topco, Ambipar Response, and Ambipar Environment (collectively, the "Green Notes Guarantors") are guarantors, of two series of sustainability-linked bonds (the "Green Notes"):

(a) approximately $553 million in aggregate principal amount of 9.875% Green Notes due February 6, 2031 (the "2031 Green Notes") pursuant to the terms and conditions of a New York-law governed Indenture dated as of February 6, 2024 (as amended, supplemented, or otherwise modified, the "2031 Green Notes Indenture") among Luxco, the Green Notes Guarantors, and The Bank of New York Mellon, as indenture trustee, plus all accrued and unpaid interest and fees thereon; and

(b) approximately $493 million in aggregate principal amount of 10.875% Green Notes due February 5, 2033 (the "2033 Green Notes") pursuant to the terms and conditions of a New York-law governed Indenture dated as of February 5, 2025 (as amended, supplemented, or otherwise modified, the "2033 Green Notes Indenture," and, together with the 2031 Green Notes Indenture, the "Green Notes Indentures") among Luxco, the Green Notes Guarantors, and The Bank of New York Mellon, as indenture trustee, plus all accrued and unpaid interest and fees thereon.

27. Certain Debtors have also issued series of corporate debentures:

(a) Ambipar Topco is the issuer of approximately R$1.3 billion in aggregate principal amount of two series of debentures maturing in April 2029 (the "Topco Debentures"). The Topco Debentures bear interest at the CDI rate (*Certificado de Depósito Interbancário*) ("CDI") plus margins of 275 and 245 basis points, respectively;

(b) Ambipar Environment is the issuer of one series of debentures maturing in September 2029 in an aggregate principal amount of approximately R$250 million (the "Environment Debentures"). The Environment Debentures bear interest at CDI plus a margin of 275 basis points; and

(c) Emergência is the issuer of approximately R$450 million of two series of debentures maturing in September 2028 and September 2029, respectively (the "Emergência Debentures," and, together with the Topco Debentures and the

Environment Debentures, the "Debentures"). The Emergência Debentures bear interest at CDI plus margins of 265 basis points and 275 basis points, respectively.

28. Emergência is a guarantor of an approximately $90 million term loan facility (the "Itaú Loan") pursuant to that certain Loan Agreement, dated as of August 26, 2022 (as amended, restated, amended and restated, or otherwise modified from time to time, the "Itaú Credit Agreement"), by and among Ambipar Holding USA, Inc. (a non-debtor affiliate of the Debtors), as borrower, Emergência, as guarantor, and Itaú BBA International PLC, as lender. Interest on the Itaú Loan accrues at an annual rate of 6.36%. As of the Petition Date, the aggregate principal outstanding was approximately $90 million. The Itaú Credit Agreement is governed by New York law.

29. Certain of the Debtors guarantee the Currency Swaps (as defined below) and are party to other ordinary course working capital facilities and financing and equipment leasing arrangements. Certain of the Debtors also have significant intercompany obligations outstanding among themselves.

C. Events Leading to the Chapter 15 Filing

30. In the third quarter of 2025, certain of the Debtors' affiliates began facing increasing financial distress. Following the abrupt resignation of the Ambipar Group's chief financial officer, Deutsche Bank S.A. - Banco Alemão ("Deutsche Bank"), the counterparty to certain of the Ambipar Group's currency swap contracts (the "Currency Swaps") and an affiliate of the lender on approximately $35 million of loans to the Ambipar Group, demanded that the Ambipar Group post additional collateral under the Currency Swaps.

31. Ambipar disputed and continues to dispute Deutsche Bank's calculation of the collateral requirements under the Currency Swaps.[6] Nonetheless, the Ambipar Group provided approximately R$170 million ($31.4 million) in additional collateral contributions to Deutsche Bank. However, Deutsche Bank subsequently demanded that the Ambipar Group make an additional collateral contribution of R$60 million by September 25, 2025. Moreover, certain other financial institutions, including Banco Santander, notified Ambipar of alleged defaults under their respective financing agreements.

32. In light of these asserted defaults (and the cross-defaults that would ultimately result on the remainder of the Ambipar Group's funded debt), on September 24, 2025, the RJ Parties (as defined below) filed a petition with the Brazilian Court for a "preliminary injunction prior to the main action" (a *Tutela Cautelar Em Caráter Antecedente*) (the "Preliminary Injunction") that enjoined certain creditor actions (*e.g.*, assertion of defaults, enforcement of debt, and the exercise of remedies) for thirty days to permit restructuring negotiations. On September 25, 2025, the Brazilian Court granted the Preliminary Injunction; however, it became clear that negotiations would require longer than the thirty days contemplated by the Preliminary Injunction.

33. Following the entry of the Preliminary Injunction, certain groups of the Debtors' stakeholders began organizing:

(a) Certain holders of the Green Notes formed an ad hoc group (the "Ad Hoc Group") and retained Davis Polk & Wardwell LLP, as legal counsel, and Houlihan Lokey, as financial advisor. The Debtors understand that the Ad Hoc Group holds a majority of the outstanding principal amount of the Green Notes; and

(b) Ambipar Response's main minority shareholders, Opportunity Agro Fundo de Investimento em Participações Multiestratégia Investimento no Exterior ("Opportunity") and HPX Capital Partners LLC, also organized. On October

[6] There are other disputes between the Ambipar Group and Deutsche Bank relating to the Currency Swaps, and the Ambipar Group reserves all rights against Deutsche Bank with respect to the Currency Swaps.

10, 2025, they sent a joint letter to the Board of Ambipar Topco alleging that Ambipar Topco "has exerted undue influence over the [Ambipar Response] for its own benefit and flouted corporate governance protocols."

D. The RJ Proceeding and the Chapter 11 Case

1. The RJ Proceeding

34. To allow additional time for the Ambipar Group to negotiate a comprehensive restructuring transaction with its stakeholders, on the RJ Petition Date, Ambipar Topco and certain of its subsidiaries (the "RJ Parties")[7] commenced the RJ Proceeding by filing a petition (the "RJ Petition") with the Brazilian Court. On October 30, 2025, the Brazilian Court entered an order (the "Processing Order"): (a) granting the processing of the RJ Proceeding; (b) staying actions by creditors to collect obligations from the Ambipar Group and ordering publication of a public notice informing creditors of the RJ Proceeding; and (c) granting substantive consolidation (*consolidação substancial*) of certain entities within the Ambipar Group under Brazilian law for purposes of the RJ Proceeding. A copy of the Processing Order and a certified English translation thereof are attached hereto as **Exhibit A**.

35. On the RJ Petition Date, the Debtors issued a press release to alert creditors of the filing of the RJ Proceeding (the "RJ Press Release"), and, on October 21, 2025, Ambipar Response filed a Form 6-K (the "Response 6-K," together with the RJ Press Release, the "RJ Publications") with the Securities and Exchange Commission (the "SEC") providing similar notice in the United States.

---

[7] The full list of RJ Parties and copies of each of the filings in the RJ Proceeding are available free of charge from the Debtors' website: https://ri.ambipar.com/en/judicial-reorganization-documents/. This website only contains information pertaining to the RJ Proceeding. For information and filings in the Chapter 15 Case, the Debtors will maintain a separate website can be accessed free of charge at: www.veritaglobal.net/AmbiparChapter15. Information and filings in the Chapter 11 Case are located separately, free of charge, at: www.veritaglobal.net/Ambipar.

36. On December 19, 2025, in accordance with a mandatory deadline under Brazilian law, the Ambipar Group filed an initial plan of reorganization in the RJ Proceeding. This initial plan is materially different than the RJ Plan (as defined below) contemplated by the RSA (as defined below), and the RJ Parties expect to file an amended plan of reorganization in the RJ Proceeding consistent with the RSA within the next several weeks. The RJ Proceeding is supervised by two court-appointed judicial administrators, who, among other duties, verifies creditor claims and publishes the official list of creditors entitled to vote on the plan of reorganization.

37. The RSA includes a steps plan (the "Steps Plan") providing certain milestones (the "Milestones") for the RJ Proceeding. Pursuant to the Steps Plan: (a) within 30 days of the RSA Effective Date (as defined below), the Ambipar Group will finalize an agreed form of an amended plan of reorganization (the "RJ Plan"); (b) the RJ Plan will be filed in the RJ Proceeding 7 days prior to submission to be voted on by its creditors at a general creditors' meeting (the "GCM"); (c) within 50 days of the RSA Effective Date, the Judicial Administrator and the Brazilian Court will submit the RJ Plan for a vote at the GCM; (d) on the later of 90 days after the RSA Effective Date or 20 business days of the approval of the RJ Plan at the GCM, the Brazilian Court will enter an order confirming the approval of the RJ Plan (the "RJ Confirmation Order"); and (e) within 90 days of the entry of the RJ Confirmation Order, the Debtors and their affiliates will consummate the transactions contemplated under the RJ Plan.

2. The Chapter 11 Case

38. Concurrently with the RJ Proceeding, on October 20, 2025, Ambipar Response filed a voluntary petition commencing the Chapter 11 Case before the Court. The facts and circumstances giving rise to the Chapter 11 Case are described in detail in the Chapter 11 First Day Declaration. Moreover, all pleadings and other documents filed in the Chapter 11 Case are

available on the docket of the case and through the claims and noticing agent's website—https://www.veritaglobal.net/Ambipar.

39. On November 17, 2025, Ambipar Response filed the *Debtor's Motion for Entry of an Order Authorizing the Debtor to (I) Enter Into the Funding Agreement, (II) Open Bank Accounts, and (III) Granting Related Relief* [Dkt. No. 42] (the "Funding Agreement Motion"), seeking authorization to enter into that certain funding agreement (as amended, modified, or supplemented from time to time, the "Funding Agreement") with Ambipar Topco, pursuant to which Ambipar Topco would provide Ambipar Response with up to $3,000,000 to fund the Chapter 11 Case. On December 19, 2025, the Court entered an order granting the Funding Agreement Motion [Dkt. No. 113] over an objection by Opportunity. On May 12, 2026, Ambipar Response and Ambipar Topco amended the Funding Agreement to increase the available funding amount to $5,500,000 [Dkt. No. 187].

40. On February 12, 2026, Ambipar Response filed the *Debtor's Motion for Entry of an Order Extending Exclusivity Period Pursuant to Section 1121(d) of the Bankruptcy Code* [Dkt. No. 141] seeking to extend the periods for Ambipar Response to file and solicit a chapter 11 plan (the "Exclusivity Periods"). The Ad Hoc Group and Opportunity filed objections to the requested relief [Dkt. Nos. 153, 155]. On May 8, 2026, following negotiations and agreement with the Ad Hoc Group, Ambipar Response filed the *Plan Scheduling Stipulation* [Dkt. No. 175] (the "Plan Stipulation") which, among other things, resolved the Ad Hoc Group's objection to the motion and set forth an agreed schedule for Ambipar Response to file and solicit a proposed chapter 11 plan. On May 18, 2026, following a contested hearing, the Court authorized Ambipar Response's entry into the Plan Stipulation and granted an extension of the Exclusivity Periods [Dkt. No. 201] over the objection of Opportunity.

41. Following approval of the Plan Stipulation, the Ambipar Group continued negotiations with the Ad Hoc Group on a comprehensive restructuring, culminating in entry into that certain Restructuring Support Agreement, dated as of July 9, 2026 (as may be amended, modified, or supplemented, and together with any exhibits thereto, the "RSA"). As of July 9, 2026 (the "RSA Effective Date"), holders of approximately 53.8% of the Green Notes (as defined below) (the "Consenting Holders") executed the RSA. In the coming weeks, the Debtors anticipate obtaining additional support for the RSA from other members of the Ad Hoc Group and holders of Green Notes outside the Ad Hoc Group. The RSA contemplates, among other things, pursuit of an amended restructuring plan in the RJ Proceeding on the terms outlined in the RSA. The Ambipar Group believes that, with the support of the Consenting Holders and certain other creditors, it has obtained the requisite support to confirm a restructuring plan in the RJ Proceeding on terms consistent with the RSA (the "RJ Plan"). The RSA provides the framework for the terms and timeline of the RJ Plan, the RJ Proceeding, the Chapter 11 Case, and these Chapter 15 Cases. Because the Debtors and the Ad Hoc Group have agreed on a case resolution path pursuant to the RJ Plan pursuant to which Ambipar Response, as chapter 11 debtor, has filed in the Chapter 11 Case a motion to suspend the Chapter 11 Case (the "Motion to Suspend") pursuant to section 605 of the Bankruptcy Code, contemporaneously with the commencement of these Chapter 15 Cases, and requests that the Motion to Suspend be heard at the same hearing as the Motion.

42. On June 16, 2026, Luxco's governing body appointed Mr. Thiago da Costa Silva as the Foreign Representative in connection with the RJ Proceeding and authorized him to commence these Chapter 15 Cases pursuant to duly executed resolutions (the "Luxco Authorizing Resolution"). *Id.* ¶ 42. On June 23, 2026, Ambipar Topco, Ambipar Response, Ambipar Environment and Emergência's governing bodies executed resolutions authorizing the same

(together with the Luxco Authorizing Resolution, the "Authorizing Resolutions") *Id.* The Authorizing Resolutions are attached to the Foreign Representative Declaration as **Exhibit B**. The Foreign Representative expects to also commence an ancillary proceeding for Ambipar Response in the Cayman Islands, where Ambipar Response is domiciled.

E. Property in the United States

43. The Debtors have property in the United States, including in this jurisdiction. Among other things, the Debtors have property in the United States including (a) a bank account held by Ambipar Response at East West Bank in Pasadena, California, and (b) retainers held by local counsel in bank accounts on behalf of Ambipar TopCo and Ambipar Response in Texas. Additionally, the Green Notes Indentures, under which each of the Debtors (other than Emergência) is an obligor, and the Itaú Credit Agreement, under which Emergência is a guarantor, are each governed by New York law and contain provisions submitting the parties to the jurisdiction of New York state and federal courts. Moreover, certain holders of the Green Notes have headquarters or significant operations in the borough of Manhattan.

REQUESTS FOR RECOGNITION AND RELATED RELIEF

44. In connection with the filing of the Chapter 15 Cases, by and through my counsel, I have submitted the First Day Filings. In addition to the facts set forth above, the factual bases for relief under these motions are set forth below. I believe, after consultation with counsel, that the recognition of the RJ Proceeding and relief requested by each of the First Day Filings are necessary to maximize value for all of the Debtors' creditors through the RJ Proceeding and to properly administer the Chapter 15 Cases.

A. The Scheduling Motion

45. Concurrently herewith, by and through my counsel, I have filed the Scheduling Motion seeking the entry of an order approving, among other things, (a) the form and manner of

service of notice (the "Recognition Hearing Notice"), of (i) the filing of the Debtors' Petitions and certain related pleadings, including the Recognition Motion, (ii) the deadline to object to the Court's entry of a final order (the "Proposed Order") granting the final relief sought in the Recognition Motion (the "Recognition Objection Deadline"), and (iii) the hearing for the Court to consider the Petitions and the relief requested in the Recognition Motion (the "Recognition Hearing"), (b) the form and manner of service on the master service list of any pleadings or papers that I file through my counsel in the Chapter 15 Cases, and (c) granting certain related relief.

46. I believe that the Recognition Hearing Notice provides multiple efficient ways for any party receiving such notice to obtain copies of pleadings filed in the Chapter 15 Cases, as it provides website addresses that can be used to obtain critical documents including the Recognition Motion and the Proposed Order. Because the Green Notes are held by a diverse group of holders through broker dealers, it is necessary to provide wide notice of the Recognition Motion and Proposed Order. It is my intention to serve, through Kurtzman Carson Consultants, LLC (d/b/a Verita Global, LLC), who is serving as the information agent with respect to these Chapter 15 Cases (the "Information Agent") such notices on the Depositary Trust Corporation ("DTC") for further distribution to the Green Noteholders through their banks and brokers. Additionally, I believe that service by the Debtors of all pleadings that they file in the Chapter 15 Cases by electronic mail to the extent email addresses are available, and otherwise by overnight mail or United States mail, first-class postage prepaid on the Notice Parties (as defined in the Scheduling Motion) is an efficient and effective way to provide notice to such key parties in the Chapter 15 Cases. At the same time, I believe that such proposed procedures will not overburden the Debtors with the significant costs associated with copying and mailing all the various documents filed in the Chapter 15 Cases to the entire matrix of creditors and other parties.

47. Therefore, I believe that the relief requested in the Scheduling Motion is necessary and appropriate and is in the best interests of the Court, the Debtors, their creditors, and other parties-in-interest.

B. The Recognition Motion

48. Concurrently herewith, by and through my counsel, I have filed the Recognition Motion seeking entry of an order that, among other things:

(a) granting recognition of the RJ Proceeding pursuant to section 1517 of the Bankruptcy Code as a "foreign main proceeding" (as defined in section 1502(4) of the Bankruptcy Code) of the Debtors, and all relief included therewith as provided in section 1520 of the Bankruptcy Code, or in the alternative, as a "foreign nonmain proceeding" (as defined in section 1502(5) of the Bankruptcy Code) and granting appropriate relief;

(b) recognizing me as the "foreign representative" (as defined in section 101(24) of the Bankruptcy Code) of the RJ Proceeding for the Debtors for purposes of the Chapter 15 Cases;

(c) entrusting me, in my capacity as the Foreign Representative, with the power to administer, realize, and distribute all assets of the Debtors within the territorial jurisdiction of the United States;

(d) enjoining all parties from commencing, continuing, or taking any action in the United States to obtain possession of, exercise control over, or assert claims against the Debtors or their property, including, without limitation, to obtain possession of, exercise control over, or assert claims against the Debtors or their property; and

(e) granting such other relief as the Court deems just and proper.

49. As detailed more fully in the Recognition Motion, I believe that there are persuasive reasons for recognition of the RJ Proceeding as a foreign main proceeding (or in the alternative, as a "foreign nonmain proceeding"), including that, pragmatically, Brazil is the sole jurisdiction in which the Debtors' businesses can be comprehensively and efficiently restructured given that, as described above, the Debtors are part of a Brazilian enterprise with deep current and historical connections and interests to and in Brazil.

50. I believe that the Debtors may suffer irreparable harm if recognition of the RJ Proceeding is not granted by the Court. Preventing the commencement or continuation of any other enforcement action that could disrupt the RJ Proceeding or threaten the Debtors' foreign estates is necessary to ensure the success of the RJ Proceeding, which the Debtors anticipate will support efforts towards a successful reorganization of their funded debt obligations, pursuant to orders of the Brazilian Court.

51. I also believe that the Debtors' creditors and other stakeholders will suffer little, if any, harm as a result of the requested relief as it will merely preserve the *status quo*. To the extent that any creditor wishes to voice objections to the RJ Proceeding, such objections may be brought before the Brazilian Court, and therefore, the Debtors' creditors will not be adversely affected by a stay in the United States.

52. Therefore, I have directed our United States counsel, Simpson Thacher & Bartlett LLP, to (a) commence the Chapter 15 Cases and (b) seek recognition of the RJ Proceeding as a "foreign main proceeding" or in the alternative, as a "foreign nonmain proceeding."

CONCLUSION

53. Based on the foregoing, I believe that the relief being requested at the outset of the Chapter 15 Cases is well-justified, necessary under the circumstances, in the best interests of the Debtors and their creditors, and should be granted.

[*Remainder of page intentionally left blank*]

I declare under penalty of perjury under the laws of the United States of America that the foregoing is, to the best of my knowledge, information and belief, complete, true and correct.

Na linha do tempo processual, importa notar que, em 24/9/2025 (evento 1), os requerentes formularam pedido de tutela cautelar de urgência em caráter antecedente, com fundamento nos artigos 6º, § 12, e 189 da Lei nº 11.101/05- LRJ, e nos artigos 300 e seguintes do CPC. Como premissa, descrevem adequada saúde financeira e de caixa, com manutenção em dia da folha salarial, das obrigações com fornecedores, instituições financeiras e tributos, estes somando, anualmente, cerca de R$ 500 milhões, além da geração de aproximadamente 23 mil empregos diretos (sem contar os indiretos).

No eixo financeiro-contratual, registram que, em 18/9/2025, a AMBIPAR LUX S.À.R.L. celebrou com o Deutsche Bank AG empréstimo de USD 35.000.000,00, além de três contratos de derivativos (swap), com aditamento para inclusão de dação em pagamento de títulos emitidos no exterior (green bonds). Em razão da vinculação aos contratos de empréstimo, o valor-base para cálculo da dívida em USD, conforme os contratos de swap, totalizaria USD 550.000.000,00.

Em sequência lógica, apontam que o Deutsche Bank passou a calcular e exigir garantias adicionais com base não apenas na diferença negativa das taxas dos swaps, como também na desvalorização dos PIK Bonds no mercado externo, títulos que somente seriam entregues no futuro, no vencimento dos swaps. Daí, com a incorporação de risco de crédito futuro relativo aos PIK Bonds, o banco teria exigido da AMBIPAR PARTICIPAÇÕES aportes muito superiores ao que seria exigível, gerando dispêndio de caixa superior a R$ 200 milhões nos últimos dias.

Paralelamente, sublinham que praticamente todos os contratos financeiros do grupo contêm cláusulas de vencimento cruzado (cross-default), o que acarreta gravíssimo risco de insolvência imediata. A amplitude desse cross-default implicaria rombo financeiro de mais de R$ 10 bilhões, consideradas todas as operações com instituições financeiras, credoras do grupo em eventual pedido de recuperação judicial.

Somado a isso, argumentam que o cenário se agravou pela possibilidade de apropriação de valores bilionários em contas correntes e investimentos das requerentes por certas instituições financeiras sem necessidade de medida judicial, o que inviabilizaria o exercício da atividade empresarial. O risco, segundo narram, é iminente e concreto, uma vez que algumas instituições já teriam notificado as requerentes para declarar vencimento antecipado e adotar remédios cabíveis, judiciais e extrajudiciais.

Diante desse quadro, a Decisão (evento 9) reconheceu a competência deste Juízo Recuperacional e deferiu a tutela cautelar antecedente pelo prazo de 30 dias, prorrogável pelo mesmo período, com termo inicial na data e hora do protocolo da petição inicial da ação cautelar. Com a decisão, ficaram suspensos: (i) a exigibilidade e o curso da prescrição dos créditos e obrigações (inclusive as de fazer, de não fazer e de dar) das requerentes e partes relacionadas com fatos geradores coincidentes ou anteriores; (ii) as execuções e demais medidas de cobrança contra as requerentes e partes relacionadas relativas a tais créditos/obrigações; e, ainda, (iii) proibidas quaisquer formas de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das requerentes e suas partes relacionadas, quando oriundas de demandas cujos créditos/obrigações tenham fatos geradores coincidentes ou anteriores.

Na mesma linha, determinou-se a suspensão dos efeitos das cláusulas de vencimento antecipado ou de amortização acelerada e da excussão de eventuais garantias nos contratos celebrados com as requerentes e partes relacionadas (incluídos contratos principais e coligados), inclusive na hipótese de ajuizamento de pedido de recuperação judicial ou de cautelar antecedente pelas requerentes; igualmente, restaram proibidas declarações novas de vencimento antecipado (ou suspensos os efeitos das já realizadas), a amortização acelerada e/ou a excussão de garantias atreladas aos contratos relativos a créditos e obrigações (inclusive de fazer, de não fazer e de dar) com fatos geradores coincidentes ou anteriores.

Quanto à nomeação de Administrador Judicial (AJ), instaurou-se processo competitivo entre: (1) VPJ ADMINISTRAÇÃO JUDICIAL, CNPJ 55.870.751/0001-50, na pessoa de seu sócio, Dr. Victor Saraiva Torres; (2) NEVES, FIGUEIREDO, CERQUEIRA E SOUZA, na pessoa de seu sócio, Dr. Athos de Andrade Figueira Neves, OAB/RJ 211747/RJ, e-mail athosneves@nfcsadvogados.com.br; (3) Augusto Alves Moreira Neto, do escritório Gomes de Mattos Advogados Associados, e-mail augusto.neto@gomesdemattos.com.br; (4) CARAPETCOV ADMINISTRAÇÃO JUDICIAL, na pessoa de seu sócio, Dr. Thiago Carapetcov, OAB/RJ 151772/RJ, e-mail thiago@carapetcovaj.com.br.

Na sequência, sobrevieram impugnações. Após a decisão, o Ministério Público opôs embargos de declaração e diversos credores, sobretudo instituições financeiras, trouxeram, em síntese: (1) incompetência deste Juízo; (2) inobservância do art. 49, § 3º, da Lei 11.101/2005; (3) inobservância do art. 193-A, da mesma lei; e (4) falta de demonstração das condições para o ajuizamento do pedido de recuperação judicial.

Em resposta, a Decisão (evento 65) acolheu em parte os embargos do Ministério Público, tão somente para determinar que a representação de todas as autoras estivesse regularizada até o ajuizamento do pedido principal, em 30 dias. Quanto às demais questões levantadas pelos credores, inclusive o julgamento dos embargos de declaração dos eventos 48 e 57 e o juízo de retratação em razão do AI nº 3001203-67.2025.8.19.0000, converteu em diligência a apreciação, estabelecendo que (a) a parte autora indicará, objetivamente, as sedes e sucursais do Grupo nesta Comarca que considera seu(s) estabelecimento(s) principal(is), comprovação documental inclusive acerca do volume de negócios de Rio de Janeiro, São Paulo e Nova Odessa, em 5 dias; (b) no mesmo prazo, credores poderão instruir o feito com novos documentos a indicar o principal estabelecimento na Comarca de São Paulo ou Nova Odessa; (c) entre o 6º e o 10º dia da intimação, manifestações sobre a documentação apresentada; (d) no mesmo interregno, e em extremo respeito ao princípio da não surpresa, a parte autora se manifestará sobre as demais questões do despacho; (e) autora e credores se manifestarão sobre o interesse na mediação, indicando profissional em substituição ao CEJUSC e, até lá, suspenso o encaminhamento do caso ao Centro, determinado na decisão liminar.

Ainda nessa decisão, no tocante ao pedido do evento 53 acerca de eventual descumprimento da tutela por parte de ADDIANTE S.A., ORIZON MEIO AMBIENTE S.A., LM TRANSPORTES INTERESTADUAIS SERVIÇOS E COMERCIO S.A. e outros, determinou-se a intimação das autoras para que, em 15 dias, apresentassem as cláusulas contratuais cuja resolução pretendem evitar.

Em continuidade, as autoras (eventos 89/91) emendaram a petição inicial para formular o pedido de recuperação judicial do GRUPO AMBIPAR. Como contexto histórico, consignam: fundação em 1995, inicialmente com foco no gerenciamento de resíduos industriais; em maio de 1996, expansão na área de logística com a GETEL LOGÍSTICA, passando a atuar também em transporte para grandes empresas e indústrias em todo o Brasil. Seguiram-se décadas de crescimento, descrito como exponencial, impulsionado por pioneirismo e excelência nos serviços, aliado a compromisso inegociável com a preservação ambiental, geração de emprego, renda e desenvolvimento local.

Em 2005, registram a fundação da BRASIL AMBIENTAL CENTRAL DE TRATAMENTO DE RESÍDUOS (CTR). Em 2008, a constituição da PLANETA AMBIENTAL – CENTRAL DE SERVIÇOS COMPARTILHADOS, com objeto voltado ao atendimento a emergências. Afirmam investimentos contínuos em tecnologia, capacitação técnica e governança corporativa, com padrões de compliance e transparência que elevaram a reputação do grupo no setor. Nessa cadência, mais do que um conglomerado de prestação de serviços, se apresenta como agente de transformação ambiental, promovendo economia circular, valorização de resíduos e descarbonização em larga escala.

Informam que setembro de 2010, foi fundada a AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A. (“AMBIPAR PARTICIPAÇÕES”), com a finalidade de consolidar o controle das diversas empresas do grupo. Em maio de 2011, a holding se tornou controladora do grupo e, no mesmo mês, adquiriu 51% da DESCARTE CERTO (divisão de manufatura reversa, responsável pela cadeia de produtos pós-

consumo). Em 2019, houve rebranding, com reestruturação societária que dividiu o grupo em duas verticais: AMBIPAR RESPONSE e AMBIPAR ENVIRONMENTAL (soluções ambientais consolidadas na Vertical Environmental; atendimento a emergências, na Vertical Response).

No mercado de capitais, em julho de 2020, ocorreu a abertura de capital na B3, permitindo ao grupo levantar aproximadamente R$ 1,08 bilhão por meio da emissão de ações da AMBIPAR PARTICIPAÇÕES. No ano seguinte, a AMBIPAR EMERGENCY RESPONSE abriu capital na NYSE, marco de governança e relevância estratégica. Os recursos, segundo narram, foram destinados à expansão orgânica e a aquisições no Brasil e no exterior, consolidando liderança em gestão ambiental.

A partir de 2020, mencionam aquisições como REVALORE, SUPPLY, VERDE GHAIA e ÂMBITO e, ao longo de 2021, AFC, METAL AR, CENTROESTE, BOOMERA, ECOLÓGICA NORDESTE (por meio da AFC), BIOFÍLICA, DRYPOL, TRICICLO, SUPREMA, SIR, BRASIL COLETA, MCZ, ECOLÓGICA RESÍDUOS, WATU e ECOTEC, todas estratégicas para o gerenciamento de resíduos. Por fim, informam rede de 600 bases operacionais em mais de 41 países, estrategicamente posicionadas próximas a polos industriais, portos, rodovias e ferrovias.

No tema competência, apontam como principal sede do grupo a unidade da Rua Lauro Muller nº 116, Botafogo, 27º andar, Rio de Janeiro, pertencente à autora AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S/A. Alegam que a cidade concentra o maior volume de negócios (aprox. 18,4% do lucro líquido), contra 12,3% de São Paulo e -8,4% de Nova Odessa; além disso, seria no Rio de Janeiro o maior faturamento (R$ 303,2 milhões, contra R$ 69,4 milhões em São Paulo e R$ 1,6 milhão em Nova Odessa). Entre São Paulo e Rio de Janeiro, assinalam que São Paulo é onde o grupo menos gera e contrata, não configurando "maior volume de negócios".

No que tange ao litisconsórcio ativo, indicam respaldo no art. 69-G da LRF, por estarem as empresas sob o controle societário da mesma holding (AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A.), conforme organograma do doc. 7 do Evento 89. A título de art. 69-J da LRF, destacam o atendimento das hipóteses dos incisos, ante centenas de garantias cruzadas firmadas pelas sociedades do grupo, um dos motores da crise, o que justifica a legitimidade das requerentes, pois o vencimento cruzado afetou todo o grupo em cadeia, sendo a holding garantidora de inúmeros contratos. Como exemplo, citam o instrumento da dívida da AMBIPAR FLYONE com o Banco ABC S.A. (doc. 09 do Evento 89), no qual constam como garantidoras a holding e a EMERGÊNCIA PARTICIPAÇÕES S.A. Ao mesmo tempo, explicitam que a relação de controle e a identidade do quadro societário se encontram no organograma referido e apontam que a estrutura administrativa, jurídica, financeira e de governança é interligada, de modo que a segregação de ativos e passivos exigiria dispêndio excessivo de tempo e recursos. Em razão disso requerem autorização para o processamento da recuperação judicial em consolidação processual e substancial, com prerrogativa de consolidar os ativos e passivos em um único plano ou segregá-los em mais de um, conforme as circunstâncias negociais futuras com milhares de credores e demais stakeholders.

No diagnóstico da crise, registram que, em fevereiro de 2024, a AMBIPAR LUX S.À R.L., subsidiária da AMBIPAR PARTICIPAÇÕES, realizou a primeira emissão de Green Bonds no montante de USD 750.000.000,00, com vencimento em 2031 ("Green Bonds 2031"). Essa operação ficou vinculada a um Contrato de Derivativo (swap) inicialmente firmado junto ao Bank of America, com a finalidade de hedge cambial. Como é usual quando a emissora é não operacional e os recursos captados no exterior são investidos na operação no Brasil, a dívida é paga em reais, razão pela qual se mitiga o risco da variação cambial por meio de swap. Conforme narram, o swap opera como troca de riscos (dólar x reais), com ajustes periódicos de "margem de garantia" e compensação final na liquidação — caracterização de proteção, e não de especulação.

Adiante, em fevereiro de 2025, a AMBIPAR LUX realizou a segunda emissão de Green Bonds (montante de USD 493 milhões, vencimento em 2033 — "Green Bonds 2033"). Parte dessa captação (USD 200 milhões) foi utilizada para pré-pagar a primeira emissão, e também aqui se vinculou a operação a swap cambial, agora junto ao Deutsche Bank. Segundo relatam, o primeiro swap (com o Bank of America) foi transferido ao Deutsche Bank em contexto no qual o então diretor do Bank of America, Sr. João Arruda, passou a atuar como CFO da Ambipar; pouco depois, por negociação capitaneada por ele, o swap dos Green Bonds 2031 foi transferido ao Deutsche Bank e, na sequência, o segundo swap (dos Green Bonds 2033) foi firmado diretamente com o Deutsche Bank. Tudo isso, sustentam, sem aprovação do Conselho de Administração e sem observância dos trâmites internos nos bancos estrangeiros, matéria em apuração criminal por Inquérito contra o Sr. João Arruda e outros.

No desdobramento, a autora declara ter firmado novo contrato global de derivativos com o Deutsche Bank (doc. 10 do Evento 89) e três contratos de swaps referentes aos Green Bonds 2031, somados ao swap referente aos Green Bonds 2033. Já em 18/08/2025, com os swaps migrados ao Deutsche, a AMBIPAR LUX celebrou com o banco o Loan and Guarantee Agreement ("LOAN DT - 18S"), instrumentalizando empréstimo de USD 35.000.000,00, com desembolso na mesma data.

Ainda em agosto de 2025, os derivativos foram aditados para incluir, em sua Cláusula 5, hipótese de dação em pagamento dos Green Bonds emitidos no exterior (PIK — Payment in Kind). Nessa mecânica, caso ao final o banco fosse o devedor, poderia pagar a diferença entregando os títulos a valor de face, e não à cotação de mercado, vantagem esta que aumenta quanto mais o bond cai. Registra-se que, na data dos aditivos (18/08/2025), houve volatilidade anômala dos bonds; a partir de 19/08/2025, descrevem "ataque claramente orquestrado" com queda dos valores até então estáveis.

Sintetizando, dizem que até 18/08/2025 os swaps tinham caráter não especulativo e se limitavam ao hedge cambial, justificável por dívidas em dólar e receitas majoritariamente em reais. Após o ingresso do Sr. João Arruda como CFO, os swaps originais foram transferidos ao Deutsche Bank e aditados com regra que introduziu elemento especulativo, a variação do preço dos Green Bonds de emissão da Ambipar Lux, ativo de país emergente sujeito a short sellers, dinâmica que, no caso concreto, teria se verificado.

No dia 19/09/2025, o Sr. João Arruda apresentou renúncia ao cargo de CFO da Ambipar Participações, por e-mail ao Conselho às 22h30. Como se recusou a fazer transição até a nomeação de novo CFO, houve cancelamento da videoconferência com bondholders convocada de véspera por ele, espaço no qual se explicaria a deterioração dos títulos e o aditivo com o Deutsche Bank, o que teria contribuído, segundo as requerentes, para disseminar pânico no mercado.

Na sequência, o Deutsche Bank passou a exigir garantias adicionais da AMBIPAR PARTICIPAÇÕES em valores muito superiores aos originalmente definidos nos swaps. Até poucos dias antes da tutela ser deferida, as margens de garantia já representavam quase R$ 200 milhões (ajuste que refletiria, em tese, o Valor de Liquidação no encerramento imediato). As chamadas, todavia, teriam se baseado em interpretação indevida do aditivo e em cálculos unilaterais do banco, com sobrecustos embutidos e curvas de precificação dissociadas da realidade, incluindo não só câmbio e juros, como também a queda dos PIK Bonds, títulos que poderiam ou não ser entregues no futuro, a valor de face, apenas no vencimento. Depois de exigir R$ 200 milhões, sobreveio novo aporte de R$ 60 milhões, sob pena de vencimento automático e antecipado dos swaps e do empréstimo de USD 35 milhões.

Ato contínuo, o Banco Santander enviou notificação ao GRUPO AMBIPAR, antes mesmo do ajuizamento da cautelar antecedente, declarando vencimento antecipado de dívidas referentes a Cédula de Crédito Bancário sem relação com derivativos, com exigência de pagamento de cerca de USD 120 milhões em 24 horas. O movimento do Deutsche Bank teria deflagrado reação em cadeia por outros bancos, receosos de inadimplemento sistêmico que, segundo a narrativa, essa reação em cadeia conduziria o grupo à ruína, o que foi impedido pela cautelar e, agora, pelo pedido principal de recuperação.

Nessa toada, destacam que a principal dívida, bonds que somam mais de USD 1 bilhão, também estaria sujeita a vencimento antecipado, conforme Indenture (Section 6.01 – Events of Default, item “v”). Em outras palavras: o vencimento das dívidas dos swaps e do Loan Agreement com o Deutsche Bank, somado ao vencimento antecipado de mais de USD 120 milhões declarado pelo Santander, e eventualmente por outras instituições, funcionaria como gatilho para vencimentos em cascata em todo o grupo.

Nesse novo cenário, por haver risco concreto de vencimento antecipado de mais de R$ 10 bilhões, o grupo não vislumbrou alternativa senão o ajuizamento deste pedido de recuperação judicial, a fim de retomar o perfil de sua dívida e reestruturar o passivo sem afetar o fluxo de caixa e inviabilizar as operações.

No tocante aos contratos garantidos por cessão fiduciária de recebíveis, salientam que eventual extraconcursalidade deverá ser analisada quando da verificação de créditos, encargo inicial do Administrador Judicial, sujeito à revisão do Juízo. Sobre o art. 193-A da LRF, registram que, havendo cláusula de vencimento antecipado em razão de pedido de recuperação judicial no contrato de swap, a instituição financeira pode declarar o vencimento para apurar a ponta credora e a ponta devedora, promovendo a posterior compensação; eventual saldo credor, se existente em favor da instituição, deverá ser incluído no processo concursal.

Ao final, requerem:

(i) a ratificação da tutela cautelar de urgência concedida, sobretudo quanto à suspensão da eficácia das cláusulas de vencimento antecipado de dívidas, ressalvados apenas os contratos de swap, na forma do art. 193-A da LRF, sem permitir a excussão ou apropriação de eventual saldo credor; e

(ii) a suspensão das execuções e demais medidas de cobrança contra o Grupo Ambipar, além da proibição de qualquer forma de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das devedoras, na forma do art. 6º da LRF, em linha com a cautelar a ser ratificada;

(iii) a concessão da tutela cautelar requerida na manifestação do evento 53, determinando que: (iii.a) fornecedores de serviços essenciais se abstenham de interromper o fornecimento de bens e serviços ao Grupo Ambipar e de criar embaraços de qualquer natureza ao regular cumprimento contratual, com fundamento em suposto inadimplemento de créditos sujeitos a esta recuperação; (iii.b) suspenda-se a eficácia de cláusulas resolutivas expressas que autorizem a rescisão de contratos essenciais em razão do simples ajuizamento do pedido de tutela preparatória ou deste pedido de recuperação; (iii.c) instituições financeiras e demais credores se abstenham de declarar vencimento antecipado de dívidas relativas a créditos não sujeitos, bem como de promover apreensão, retirada, bloqueio ou qualquer restrição ao uso de bens atrelados a tais instrumentos, enquanto as requerentes estiverem adimplentes com suas obrigações pecuniárias; e (iii.d) empresas locadoras/arrendatárias de equipamentos se abstenham de bloquear, paralisar ou obstar o uso dos equipamentos objeto dos contratos de locação anexados, sob pena de multa de R$ 100 mil por descumprimento;

(iv) a nomeação do Administrador Judicial, nos termos do art. 52, I, da LRF;

(v) nos termos e para os fins do inciso IV do caput do art. 167-B da LRF, a nomeação do Sr. Ricardo Rosanova Garcia, brasileiro, solteiro, administrador, RG nº 21.152.028-7 SSP/SP, CPF nº 259.792.868-37, como representante estrangeiro (foreign representative) de qualquer Requerente, a fim de que, caso necessário, possa se apresentar perante qualquer autoridade estrangeira e atuar em qualquer processo estrangeiro de reestruturação de

dívidas, independentemente da jurisdição, incluindo (sem se limitar) recuperação judicial ou procedimento concursal similar, sejam processos principais, não principais ou acessórios, na forma permitida pela legislação aplicável;

(vi) diante do atendimento de todos os requisitos do art. 69-J da LRF, a autorização para o processamento da recuperação judicial em consolidação processual e substancial, para permitir que o Grupo consolide ativos e passivos em um único plano ou os segregue em mais de um, conforme exijam as circunstâncias negociais futuras com seus milhares de credores e demais stakeholders;

(vii) a dispensa da apresentação de certidões negativas para que as Requerentes possam exercer suas atividades e participar de licitações perante quaisquer órgãos públicos e privados;

(viii) a intimação do Ministério Público e das Fazendas Públicas federal e de todos os Estados, Distrito Federal e Municípios em que houver filiais, na forma do art. 52, V, da LRF; e

(ix) a publicação do Edital previsto no art. 52, § 1º, da LRF.

Na sequência, a Decisão (evento 96), considerando a necessidade de esclarecimentos fáticos para definir a competência do Juízo, postergou a decisão sobre o processamento da recuperação judicial. A título precário: (a) deferiu a consolidação processual e substancial; (b) ratificou, até decisão ulterior e na medida em que pendentes diligências sobre a competência, a tutela cautelar do Evento 9, a qual suspendeu exigibilidade, prescrição, execuções e cobranças relativas a créditos/obrigações com fatos geradores coincidentes ou anteriores, incluindo cláusulas de vencimento antecipado ou amortização acelerada, delimitando que: (b.1) ficam excluídos da ordem de suspensão os créditos com garantia fiduciária, limitado ao valor do bem dado em garantia, os quais, contudo, não poderão ser vendidos ou retirados dos estabelecimentos dos requerentes enquanto no stay period, cujo termo inicial foi antecipado; (b.2) não se sujeitam à ordem de suspensão as cessões fiduciárias de direitos creditórios (recebíveis); (b.3) ficam excluídas da suspensão as cláusulas de vencimento antecipado e de compensação no âmbito de operações compromissadas e de derivativos, conforme artigo 193-A da LRF, bem como as cláusulas de vencimento antecipado de créditos não sujeitos, por não caber a este Juízo a análise de sua legalidade; (c) indeferiu o pedido de tutela do Evento 53, pelo qual as requerentes pretendiam impor unilateralmente a continuidade de relação contratual a fornecedores; (d) deferiu, a título de tutela, a dispensa de apresentação de certidão negativa de recuperação judicial para exercício das atividades e participação em licitações, sem prejuízo da demonstração de viabilidade econômica por outros meios; (e) concedeu mais 5 dias para que a parte autora complementasse informações necessárias à definição da competência, esclarecendo incongruência destacada na decisão e apresentando novo quadro com o volume de negócios separados por locais dos estabelecimentos da sede/filial contratada, em relação a São Paulo, Nova Odessa, Rio de Janeiro e, agora, também, São Francisco do Sul (sede da empresa DRACARES); (f) acolheu em parte os embargos dos Eventos 48, 52, 57 e 93, reconhecendo obscuridade da decisão do Evento 9, para declará-la nos termos desta; (g) exerceu em parte o juízo de retratação em razão dos agravos interpostos (3001203-67.2025.8.19.0000; 3001277-24.2025.8.19.0000 e 3001284-16.2025.8.19.0000), nos exatos termos desta decisão; (h) autorizou que os documentos referidos no item 233 da petição do Evento 89 fossem protocolados sob sigilo, em 5 dias e, havendo dificuldades com o sistema eProc, admitiu-se a formação de feito secundário sigiloso (acautelamento em cartório tido como inconveniente); (i) determinou que, a partir do 6º dia da publicação, os credores teriam mais 5 dias para se manifestar sobre os documentos do item "e", em contraditório; (j) determinou a intimação dos Administradores Judiciais (AJs) para apresentarem suas propostas, conforme o procedimento então fixado e, pelo princípio da cooperação, visando melhores parâmetros para a homologação dos honorários, que esclarecessem o valor global das remunerações dos CFO's do grupo.

Logo depois, as autoras (evento 113) informaram decisão de segunda instância após interposição de agravo de instrumento contra a decisão supracitada, no que concerne à competência e ao deferimento de tutelas de urgência. Informam, em síntese, que o Desembargador Relator, por decisão monocrática, afastou inconsistências documentais, reconheceu após o exame dos documentos apresentados, a competência deste Juízo da 3ª Vara Empresarial da Comarca da Capital para processar, com a urgência que a natureza do rito requer, o pedido de recuperação, e deferiu integralmente as tutelas de urgência, nos termos transcritos:

"Por todo exposto, DEFIRO a antecipação da tutela recursal, para reconhecer a competência do Juízo da 3ª Vara Empresarial da Comarca da Capital, para processamento, com a urgência que a natureza do rito requer, do pedido de recuperação judicial das agravantes, bem como conceder as tutelas de urgência requeridas no pedido de processamento da recuperação judicial, determinando: I) aos fornecedores de serviços essenciais que se abstenham de interromper o fornecimento de bens e serviços ao Grupo Ambipar e de criar embaraços de qualquer natureza ao regular cumprimento das disposições contratuais, com fundamento em inadimplemento de créditos sujeitos a recuperação judicial; II) aos respectivos credores, que se abstenham de excutir garantias fiduciárias, inclusive, a cessão fiduciária de direitos creditórios sobre quaisquer contas e aplicações financeiras, e de se apropriar de quaisquer valores e aplicações financeiras dos Grupo Ambipar; III) a suspensão da eficácia de toda e qualquer cláusula resolutiva expressa que autorize a rescisão de contratos essenciais à manutenção das operações das agravantes; IV) aos credores que se abstenham de declarar o vencimento antecipado das dívidas relativas a créditos não sujeitos aos efeitos da recuperação judicial, se abstendo de promover a apreensão, retirada, bloqueio ou qualquer outra forma de restrição ao uso de quaisquer dos bens atrelados aos respectivos instrumentos contratuais; V) que as empresas locadoras ou arrendatárias de equipamentos se abstenham de bloquear, paralisar ou de qualquer forma obstar o uso de equipamentos objeto dos contratos de locação indicados pelas agravantes. O descumprimento das obrigações aqui estabelecidas implicará em imposição de multa de R$ 100.000,00 por cada ato de descumprimento, ou 5% (cinco por cento), do valor do contrato, o que for maior."(grifado)

A vista desse reconhecimento de competência "para processamento, com a urgência que a natureza do rito requer" e do deferimento das tutelas, requereram exame urgente do pedido de recuperação judicial apresentado na manifestação do evento 89.

A Serventia (evento 114) certificou o recebimento de comunicação de decisão de lavra do Exmo. Des. Mauro Pereira Martins, que, em síntese, reconheceu "a competência do Juízo da 3ª Vara Empresarial da Comarca da Capital, para processamento...", com a determinação à 1ª instância para analisar, com a devida urgência, o pedido de recuperação judicial formulado. Em consequência, promoveu-se a conclusão dos autos.

Na mesma ocasião, sobreveio Petição (evento 116) apresentada por FLÁVIA YAMADA DOS SANTOS RAMOS e MAIKE YAMADA DOS SANTOS, alegando serem acionistas detentores, em conjunto, de 45% do capital social da DRYPOL AMBIPAR ENVIRONMENTAL PET SOLUTIONS S.A., uma das companhias inseridas no polo ativo desta recuperação. Informam que, em 30/07/2021, alienaram 55% do capital da DRYPOL à ENVIRONMENTAL ESG PARTICIPAÇÕES S/A, veículo do Grupo AMBIPAR. Ressaltam que a DRYPOL possui histórico robusto e autônomo, de empresa familiar com dedicação ao negócio e credibilidade e, segundo sustentam, permaneceu independente e íntegra mesmo após a entrada do Grupo AMBIPAR no capital social. Com isso, defendem ser absurda e excepcional a situação da DRYPOL, pois nunca houve autorização para que a companhia ajuizasse o pedido cautelar protocolado em seu nome em 24/09/2025 e, agora, em 20/10/2025, impetrasse recuperação judicial.

Acrescentam que a ausência de autorização seria notória, pois, a despeito de procuradorias em nome de várias requerentes, os ilustres advogados que subscrevem as peças não detêm procuração outorgada pela DRYPOL. Além disso, sustentam que a DRYPOL é autônoma, com atividades próprias e independentes, e que existem outros acionistas com participação relevante (45%), os quais detêm direito expresso de permanecer como membros da Diretoria (doc. 3, cláusula 6.3.1), além de poderes de veto em diversas matérias de competência da AGE, inclusive a impetração da recuperação judicial. Enfatizam que não se trata de mais uma SPE do grupo, nem de sociedade cuja recuperação precise ser processada em conjunto (muito menos em consolidação substancial). Ao final, requerem a rejeição do processamento da recuperação judicial da DRYPOL e, eventualmente, o indeferimento do processamento em consolidação substancial com as demais requerentes, determinando que, ao menos em relação à DRYPOL, o processo siga em consolidação processual.

Por fim, consta Petição (evento 118), protocolizada pelo BANCO ABC BRASIL S.A., que noticia inexistir aprovação de acionistas minoritários em relação a algumas sociedades do Grupo.

É o relatório do andamento processual até a presente data, em termos suficientes para orientar a prolação de decisão.

1.Preliminar: DA COMPETÊNCIA

Preliminarmente, cumpre registrar o que consta dos autos: o MM. Juiz Leonardo de Castro Gomes, em um primeiro momento, firmou a competência deste Juízo para o processamento do feito, mas, na sequência, diante da controvérsia ventilada acerca do estabelecimento principal e visando à transparência e ao contraditório, determinou a complementação documental pelas partes para elucidação dos pontos controvertidos.

A partir dessa instrução, sobreveio decisão monocrática do Excelentíssimo Desembargador Relator Mauro Pereira Martins, no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, que dirimiu a controvérsia e fixou este Juízo como competente para o processamento da recuperação judicial, nos seguintes termos:

"Os elementos de prova documental produzidos até o presente momento processual dão conta de que o Grupo Ambipar, em que pese possua atuação em diversos países, com grande volume de atividades no Estado de São Paulo, concentra gestão e concretização de maior volume de negócios na Capital Fluminense, fator determinante da competência para o juízo da recuperação judicial, consoante se extrai da seguinte tabela com dados relacionados aos negócios relacionados a suas atividades. O maior volume de negócios impacta diretamente no faturamento, na receita operacional e na margem de lucro, que, de igual turno, se mostram substancialmente mais elevados em relação ao desempenho verificado no Estado de São Paulo, conforme se depreende dos seguintes dados informados pelas devedoras: '- Cidade SP: Apresenta uma Receita Operacional Líquida (ROL) de 40.634 e um Lucro Líquido (LL) de 4.984, equivalente a 12,3% de margem. Conta com 75 funcionários, resultando em um LL por funcionário de 66,5. - Cidade RJ: Destaca-se como a principal operação do grupo, com ROL de 210.986 e LL de 38.898 (18,4% de margem), envolvendo 246 funcionários. O LL por funcionário é de 158,1, indicando alta produtividade e concentração significativa das operações econômicas do grupo nesta cidade. - Nova Odessa SP: Apresenta um desempenho negativo, com ROL de 131.228 e LL de -11.020 (-8,4% de margem), contando com 243 funcionários. O LL por funcionário é negativo (-45,3), indicando que a unidade não gera lucro relevante e apresenta baixa eficiência operacional.' O conteúdo das informações constantes dos documentos juntados ao processo, frise-se, não foi ilidido por qualquer outro elemento de prova produzido pelos credores interessados. Nessa perspectiva, compete ao foro do Rio de Janeiro processar e julgar conjuntamente o pedido de recuperação judicial relativo às empresas integrantes do mesmo grupo econômico, eis que aqui se concentra, conforme documentos juntados aos autos, o maior volume de negócios, mormente diante da ausência de elementos de prova concretos em sentido contrário."

No mesmo sentido, consta dos autos o parecer do professor e doutrinador Daniel Carnio Costa que corrobora a fixação da competência neste foro, destacando, entre outros pontos:

(...)30. Conforme o entendimento do STJ, **o principal estabelecimento do devedor, especialmente em se tratando de recuperação judicial de grandes grupos econômicos, deve ser o local onde se concentra o maior volume de negócios, pois esse critério assegura, em regra, maior efetividade e coerência ao processo de recuperação judicial, cujo objetivo é o soerguimento da empresa em crise.** 31. No caso concreto, verifica-se que o Grupo Ambipar é um dos maiores conglomerados do setor ambiental, atuando em 41 países com mais de 600 bases operacionais. O grupo atua na gestão de resíduos, recuperação de materiais e resposta a emergências ambientais, gerando mais de 23 mil empregos diretos e recolhendo cerca de R$ 500 milhões em tributos anuais, além de atender mais de 12 mil acionistas dentro e fora do país. **32. De acordo com as informações apresentadas pelo Grupo, a cidade do Rio de Janeiro, dentre todas as outras do país e do mundo, concentra a maior parte das operações do grupo, gerando o maior faturamento, receita operacional e maior margem de lucro. Tal fator evidencia que a capacidade de pagamento das dívidas, elemento central para o processo recuperacional, encontra-se nesta Comarca.** O RJ também abriga infraestrutura operacional significativa para o grupo, incluindo bases em Duque de Caxias, no Porto do Açu e no aeroporto da Barra da Tijuca (onde se situa toda a frota de helicópteros), concentrando as atividades estratégicas nos setores de óleo e gás, portuário e de apoio marítimo. **Ademais, a sede do Rio de Janeiro, localizada na Rua Lauro Muller, nº 116, 27º Andar, Botafogo, é a responsável pela gestão do maior volume de negócios críticos do grupo, pois é nela que se concentram as decisões estratégicas e administrativas relativas às operações econômicas mais relevantes**. (...) 47. À vista das informações apresentadas, conclui-se que a competência para processar a recuperação judicial do Grupo AMBIPAR é do Juízo da Recuperação Judicial da Comarca do Rio de Janeiro (...)" (grifei).

Em cotejo, verifica-se que as providências determinadas pelo Exmo. Juiz Leonardo Gomes, voltadas ao reforço probatório em contraditório, contribuíram para a adequada instrução da matéria, posteriormente valorada na decisão monocrática em 2ª instância, de lavra do Des. Mauro Martins, que reputou suficientes os elementos probatórios trazidos pelas Requerentes, após determinação do Juízo de 1º grau, para a fixação da competência nesta Comarca.

Assim, à luz da instrução probatória determinada pelo Juízo de 1º grau e, por conseguinte, do quanto decidido no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, além dos fundamentos técnicos acima transcritos, firma-se, nos termos dos artigos 3º e 69-G, § 2º, da Lei 11.101/05, a competência deste Juízo Empresarial para o processamento do pedido de recuperação judicial do Grupo Ambipar.

2.Dos questionamentos trazidos pelos sócios da DRYPOL e do Banco ABC

Em relação aos questionamentos apresentados pelos sócios MAIKE YAMADA DOS SANTOS e FLÁVIA YAMADA DOS SANTOS RAMOS, da sociedade empresária DRYPOL, dirigidos à ENVIRONMENTAL ESG PARTICIPAÇÕES S/A (evento 116), bem como à manifestação do BANCO ABC BRASIL S.A. (evento 118), reconheço os fundamentos expendidos.

Não se pode olvidar, contudo, que o legislador, nos artigos 116, parágrafo único, e 122, parágrafo único, ambos da Lei nº 6.404/1976 (Lei das S.A.), previu expressamente hipóteses em que o acionista controlador pode adotar medidas drásticas em benefício da companhia em crise.

Estabelecido, pois, o binômio normativo, qual seja, o dever do controlador de orientar a companhia ao cumprimento de sua função social (art. 116, parágrafo único) e legitimação dos administradores, com sua anuência, para requerer a recuperação (art. 122, parágrafo único), passo ao exame do requisito habilitante da providência, qual seja, a urgência.

A urgência que legitima a medida mostra-se configurada (i) pela tutela cautelar deferida (evento 9) e (ii) pela decisão monocrática do Desembargador Relator MAURO PEREIRA MARTINS no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, a qual sublinhou a necessidade de pronta definição do processamento, sob pena de "provocar incertezas no mercado, com graves repercussões econômicas e especulações acerca das reais condições das devedoras agravantes, comprometendo ainda mais a crise do grupo empresarial".

Diante desse arcabouço, e com fundamento nos artigos 116, parágrafo único, e 122, parágrafo único, da Lei das S.A., conclui-se configurada a urgência apta a autorizar o requerimento de recuperação judicial, sem prejuízo de que as Requerentes, em prazo razoável a ser fixado por este Juízo, promovam a convocação de assembleia geral para deliberar especificamente sobre a ratificação da medida e as providências correlatas.

3.Da consolidação processual e substancial

No que concerne ao pedido de consolidação substancial, ressalta-se o caráter excepcional da medida, nos termos do art. 69-J, caput e incisos, da LRF, sendo certo que sua autorização judicial prescinde de deliberação pela assembleia geral de credores.

Sob o ponto de vista normativo, a autorização exige: (i) comprovação de interconexão e confusão entre ativos ou passivos dos devedores, de modo a inviabilizar a identificação das titularidades sem excessivo dispêndio de tempo ou recursos; cumulada com (ii) demonstração de, ao menos, duas hipóteses previstas nos incisos do art. 69-J da LRF, quais sejam: a) existência de garantias cruzadas; b) relação de controle ou dependência; c) identidade total ou parcial do quadro societário; d) atuação conjunta no mercado entre os postulantes.

No caso concreto, a análise do caderno processual e das razões deduzidas pelas requerentes evidencia o atendimento desses pressupostos. De um lado, foram demonstradas a interconexão e a confusão entre ativos e passivos, com destaque para as garantias cruzadas. Essa circunstância emerge da própria causa de pedir, uma vez que o vencimento cruzado das dívidas repercute em cadeia sobre todo o grupo, de sorte que o pedido de recuperação formulado por uma sociedade deflagra o acionamento de garantias e o vencimento antecipado das obrigações de outras, como fundamentado pelas requerentes e comprovado no anexo 9 (“DOC 8”) do evento 89.

Além disso, sob a ótica da relação de controle e dependência, o organograma constante do anexo 8 (“DOC 6”) do evento 89 demonstra, de forma clara e objetiva, o controle exercido pela holding sobre diversas sociedades do grupo, bem como a integração de sua governança. Nesse cenário, a segregação de ativos e passivos demandaria dispêndio excessivo de tempo e de recursos, conforme já assinalado por este Juízo na decisão do evento 96.

Diante desse quadro, a negativa de processamento em consolidação substancial acarretaria insegurança jurídica relevante, pois o soerguimento isolado de uma sociedade, em contexto de garantias cruzadas e vencimentos encadeados, tende a precipitar a insolvência das demais.

Por conseguinte, consideradas as provas produzidas e verificados os requisitos do art. 69-J, caput e incisos I e II, da LRF, impõe-se o deferimento da consolidação substancial.

4.Dos requisitos para o deferimento do processamento da RJ

Reconhecida a possibilidade de consolidação substancial, nos termos do art. 69-J da Lei 11.101/05, passo ao exame do atendimento dos requisitos legais para o processamento desta recuperação judicial.

A instrução constante dos autos evidencia, com precisão, as causas da crise econômico-financeira, pois, após o ingresso do Sr. João Arruda como CFO da AMBIPAR PARTICIPAÇÕES, evidenciou-se que os contratos de swap originariamente firmados com o Bank of America foram transferidos ao Deutsche Bank e, na sequência, aditados para contemplar hipótese de dação em pagamento dos Green Bonds emitidos pela AMBIPAR LUX no exterior. Com tal aditamento, introduziu-se elemento de natureza especulativa, ao passo que os ajustes precedentes apresentavam caráter não especulativo e se limitavam ao hedge cambial, conforme articulado na petição inicial.

A coerência do quadro probatório se evidencia nos gráficos do item 113 do evento 89, cotejados com a documentação que os acompanha, os quais revelam volatilidade anômala dos Green Bonds e, em juízo de cognição sumária, apontam para possível ataque orquestrado, à vista da queda acentuada representada no material.

A partir dessa inflexão, o Deutsche Bank passou a exigir da AMBIPAR PARTICIPAÇÕES garantias adicionais em patamares superiores aos originalmente estipulados nos swaps, chegando, por derradeiro, à requisição de aporte de R$ 60 milhões, sob pena de vencimento automático e antecipado dos contratos de derivativos e do consequente empréstimo de USD 35 milhões firmado com a própria instituição.

Essa aceleração, por sua vez, desencadeou reação em cadeia por parte de outras instituições financeiras, movidas pelo receio de inadimplemento sistêmico no âmbito do Grupo Ambipar, dinâmica explicável pela disseminação, nos contratos financeiros do Grupo, de cláusulas de vencimento antecipado cruzado, pelas quais a aceleração de uma obrigação irradia efeitos sobre as demais.

Nesse quadro, a tutela cautelar deferida (evento 9) mostrou-se, e permanece, imprescindível à preservação da atividade empresarial: a ausência da blindagem conferida pela Lei 11.101/05 revelaria elevada probabilidade de ruptura imediata de um conglomerado de inegável relevância econômica.

Deve-se notar, ademais, que as requerentes demonstraram, de forma clara e objetiva, que o gatilho da crise decorreu de má-gestão específica, supostamente atribuída ao Sr. João Arruda, na condição de CFO da AMBIPAR PARTICIPAÇÕES. Não obstante, foi simultaneamente evidenciada a viabilidade de superação do quadro, uma vez que à vista da adequada saúde financeira e de caixa, mantinham-se adimplidas a extensa folha salarial, as obrigações perante fornecedores e instituições financeiras e o recolhimento de tributos na ordem anual aproximada de R$ 500.000.000,00.

A esse componente econômico soma-se o vetor institucional: o soerguimento projeta-se na possibilidade de renegociação dos passivos com credores, viabilizando a continuidade da função produtiva e do emprego. Como ressaltado na inicial, o Grupo Ambipar ostenta atuação destacada em gestão ambiental, com promoção do desenvolvimento sustentável e preservação de 2,5 milhões de hectares na Floresta Amazônica.

Sob o ângulo principiológico, o deferimento do processamento harmoniza-se com o art. 47 da LRF (preservação da empresa) e, em complemento, atende à tutela do interesse dos investidores e à estabilidade do mercado de capitais: sendo as recuperandas emissoras com ações disponibilizadas no mercado de valores, a indefinição judicial acerca do processamento, enquanto perdurar, projeta instabilidade que repercute na formação de preços e nas decisões de alocação, com potenciais efeitos deletérios sobre a liquidez e o valor dos papéis. A pronta definição jurisdicional, portanto, não apenas preserva a empresa e a atividade econômica, como também mitiga assimetrias informacionais e protege a confiança dos investidores.

Nessas condições, encontram-se presentes os elementos caracterizadores do processamento da recuperação judicial, na forma do art. 51, I, da Lei 11.101/05.

No tocante à documentação exigida pelos arts. 48 e 51 da LRF, as requerentes indicaram, nos itens 140/141, os "docs" correspondentes aos respectivos incisos, embora com numeração que não guarda exata correlação.

Superado o erro material, os documentos foram localizados, cronologicamente, no evento 90, "outros", itens 17, 18, 19, 20 e 21; a relação de credores consta do evento 89, "outros", item 12.

As certidões dos cartórios de protesto situados nos locais das sedes e filiais das requerentes foram identificadas no evento 90, "outro", item 35; e a relação de todas as ações judiciais e procedimentos arbitrais (inclusive de natureza trabalhista), bem como os demais documentos pertinentes, constam do evento 90, "outros", itens 39, 40, 41 e 42.

Quanto aos incisos IV, VI e VII do art. 51 da LRF e ao relatório gerencial de fluxo de caixa, este Juízo, na decisão do evento 97, item 7, autorizou o protocolo sob sigilo, ressaltando a inconveniência do acautelamento em cartório, decisão que ora se mantém, na íntegra.

Cumpre assentar que as requerentes comprovaram o exercício regular de atividades há mais de 2 (dois) anos, satisfazendo o art. 48 da Lei 11.101/05, bem como os requisitos cumulativos de seus incisos I, II, III e IV; do mesmo modo, estão preenchidos os requisitos do art. 69-J, caput e incisos, da Lei 11.101/05.

Por fim, consideradas a necessária preservação da empresa como fonte produtora de bens e serviços, sua relevância na geração de tributos e postos de trabalho, bem como o conjunto probatório constante dos autos, **DEFIRO O PROCESSAMENTO DA RECUPERAÇÃO JUDICIAL do GRUPO AMBIPAR, EM CONSOLIDAÇÃO SUBSTANCIAL, nos termos do art. 69-J da LRF**. formado pelas sociedades empresárias: (1) **AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S.A.**, sociedade inscrita no CNPJ sob o nº 12.285.662/0001-34, com sede no Estado do Rio de Janeiro, na Cidade do Rio de Janeiro, na Rua Lauro Muller, nº 116, Bairro Botafogo, CEP 22.290-160; **(2) AMBIPAR CBL INDÚSTRIA E COMÉRCIO DE MANUFATURADOS S.A.**, sociedade anônima inscrita no CNPJ sob o nº 08.607.957/0001-02, com sede no Estado do Paraná, na Cidade de São José dos Pinhais, na Rua Wenceslau Marek, nº 63, Bairro Águas Belas, CEP 83.010-520; **(3) AMBIPAR CERTIFICATION LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 39.658.648/0001-95, com sede no Estado de São Paulo, na Cidade de São Paulo, na Avenida Angélica, nº 2.346, Bairro Consolação, CEP 01.228-200; **(4) AMBIPAR COMPLIANCE SOLUTIONS S.A.**, sociedade anônima inscrita no CNPJ sob o nº 86.450.624/0001-26, com sede no Estado de Minas Gerais, na Cidade de Belo Horizonte, na Avenida do Contorno, nº 6.594, Bairro Savassi, CEP 30.110-044; **(5) AMBIPAR C-SAFETY COMÉRCIO, INDÚSTRIA E SERVIÇOS LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 22.036.291/0001-00, com sede no Estado do Rio de Janeiro, na Cidade de Niterói, na Rua Manoel Pacheco de Carvalho, nº 102, Bairro Centro, CEP 24.030-290; **(6) AMBIPAR ECO PRODUCTS S.A.**, sociedade anônima inscrita no CNPJ sob o nº 02.941.454/0001-92, com sede no Estado de São Paulo, na Cidade de Nova Odessa, na Rodovia Anhanguera, S/N, Bairro Zona de Produção Industrial Um (ZPI-01), CEP 13.388-220; **(7) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY FPI PARANÁ LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 26.611.091/0001-95, com sede no Estado do Paraná, na Cidade de Rolândia, na Rua Hungria, nº 1.909, Bairro Manoel Muller, CEP 86.601-770; **(8) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY FPI S.A.**, sociedade anônima inscrita no CNPJ sob o nº 07.714.426/0001-56, com sede no Estado do Paraná, na Cidade de São José dos Pinhais, na Rua Wenceslau Marek, nº 63, Bairro Aeroporto, CEP 83.010-520; **(9) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY NE LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 16.625.236/0001-53, com sede no Estado do Ceará, na Cidade de Juazeiro do Norte, na Rua Manoel Cassimiro, nº 57, Bairro Prefeito Carlos Alberto da Cruz, CEP 63.041-018; **(10) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY RM S.A.**, sociedade anônima inscrita no CNPJ sob o nº 05.034.679/0001 53, com sede no Estado de São Paulo, na Cidade de São José dos Campos, na Avenida Doutor Sebastião Henrique da Cunha Pontes, nº 8.000, Bairro Chácaras Reunidas, CEP 12.238-365; **(11) AMBIPAR ENVIRONMENT ECONOMIA CIRCULAR NORDESTE S.A.**, sociedade anônima inscrita no CNPJ sob o nº 08.143.344/0001-61, com sede no Estado do Ceará, na Cidade de Juazeiro do Norte, na Avenida do Agricultor, nº 567, Bairro Três Marias, CEP 63.015-130; **(12) AMBIPAR ENVIRONMENT MANAUS LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 12.163.869/0001-36, com sede no Estado do Amazonas, na Cidade de Manaus, na Avenida Abiurana, nº 666, Bairro Distrito Industrial I, CEP 69.075-010; **(13) AMBIPAR ENVIRONMENT RESIDENTIAL COLLECTION S.A.**, sociedade anônima inscrita no CNPJ sob o nº 10.652.751/0001 46, com sede no Estado de São Paulo, na Cidade de São Paulo, na Rua João Antônio de Oliveira, nº 453, Bairro Mooca, CEP 03.111-010; **(14) AMBIPAR ENVIRONMENT REVERSE MANUFACTURING S.A.**, sociedade inscrita no CNPJ sob o nº 10.711.268/0001-95, com sede no Estado de São Paulo, na Cidade de Nova Odessa, na Rod. Nos termos dos arts. 6º e 52 da Lei nº 11.101/2005, determino o que segue:

I – DISPENSA DE CERTIDÕES

Fica dispensada a apresentação de certidões negativas para o regular exercício das atividades pelas requerentes.

II – DO NOME EMPRESARIAL

Determino que as requerentes acresçam, após o respectivo nome empresarial, a expressão "em recuperação judicial".

III – DA SUSPENSÃO DAS AÇÕES

A) Suspendo todas as ações e execuções movidas contra as requerentes, na forma do art. 6º, § 4º, da Lei nº 11.101/2005, a contar de 24/9/2025, por 180 (cento e oitenta) dias corridos, permanecendo os autos no juízo de origem, ressalvadas as hipóteses dos §§ 1º, 2º e 7º do art. 6º, bem como aquelas relativas a créditos excetuados nos §§ 3º e 4º do art. 49 da mesma lei. Para obstar interpretações equivocadas, fixo como fato gerador desta recuperação judicial o dia 24/9/2025 (data do protocolo da tutela cautelar antecedente).

B) Ratifico os efeitos da tutela cautelar deferida no evento 9 e referendada pelo Exmo. Des. Rel. Mauro Pereira Martins, em decisão monocrática no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ. Para adequada publicidade e compreensão, reproduzo o teor do evento 9, assinalando que a suspensão vigorará durante

o stay period. Assim, no período:

i) suspende-se a exigibilidade e o curso da prescrição dos créditos e das obrigações (inclusive de fazer, não fazer e dar) das requerentes e partes relacionadas, cujos fatos geradores sejam coincidentes ou anteriores à data acima;

ii) suspendem-se as execuções e quaisquer medidas de cobrança contra as requerentes e partes relacionadas relativas a créditos ou obrigações (inclusive de fazer, não fazer e dar) cujos fatos geradores sejam coincidentes ou anteriores à referida data;

iii) vedam-se quaisquer formas de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das requerentes e de suas partes relacionadas, oriundas de demandas judiciais ou extrajudiciais com fatos geradores coincidentes ou anteriores à mesma data.

C) Em consonância com a tutela de urgência concedida no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, dou ampla publicidade à decisão de segunda instância e a ratifico, determinando:

i) aos fornecedores de serviços essenciais que se abstenham de interromper o fornecimento de bens e serviços ao GRUPO AMBIPAR e de criar embaraços de qualquer natureza ao regular cumprimento das disposições contratuais, com fundamento em inadimplemento de créditos sujeitos à recuperação judicial;

ii) aos credores, que se abstenham de excutir garantias fiduciárias, inclusive cessão fiduciária de direitos creditórios sobre quaisquer contas e aplicações financeiras, bem como de se apropriar de quaisquer valores e aplicações financeiras do Grupo Ambipar;

iii) a suspensão da eficácia de toda e qualquer cláusula resolutiva expressa que autorize a rescisão de contratos essenciais à manutenção das operações das agravantes;

iv) aos credores, que se abstenham de declarar o vencimento antecipado de dívidas relativas a créditos não sujeitos aos efeitos da recuperação judicial, abstendo-se de promover apreensão, retirada, bloqueio ou qualquer outra restrição ao uso de bens vinculados aos respectivos instrumentos contratuais;

v) às empresas locadoras ou arrendatárias de equipamentos, que se abstenham de bloquear, paralisar ou de qualquer forma obstar o uso de equipamentos objeto dos contratos de locação indicados pelas agravantes. O descumprimento das obrigações ora fixadas acarretará multa de R$ 100.000,00 por ato de descumprimento, ou 5% (cinco por cento) do valor do contrato, o que for maior.

IV – DO REPRESENTANTE ESTRANGEIRO (ART. 167-B DA LRF)

Nos termos do art. 167-B, caput, IV, da LRF, nomeio o Sr. Ricardo Rosanova Garcia, brasileiro, solteiro, administrador, RG nº 21.152.028-7 SSP/SP, CPF nº 259.792.868-37, como representante estrangeiro (foreign representative) de qualquer Requerente, a fim de que, se necessário, possa apresentar-se perante autoridades estrangeiras e atuar em processos estrangeiros de reestruturação de dívidas, em qualquer jurisdição em que tal atuação se mostre necessária ou útil, incluindo, sem limitação, recuperação judicial ou procedimento concursal similar, sejam processos principais, não principais ou acessórios, conforme a legislação aplicável das respectivas jurisdições.

V – DA APRESENTAÇÃO DE CONTAS MENSAIS

Determino que as recuperandas apresentem contas demonstrativas mensais durante todo o processamento da recuperação judicial, até o quinto dia útil do mês subsequente, remetendo cópia à Administração Judicial Conjunta no mesmo prazo, para cumprimento do art. 22, II, "c", da LRF, sob pena de destituição de seus administradores.

VI – DAS INTIMAÇÕES

Determino as intimações do Ministério Público e das Fazendas Públicas Federal, Estaduais e Municipais nas quais as recuperandas exerçam atividade empresarial. Com fundamento no art. 6º do CPC, determino que as recuperandas indiquem, em petição avulsa, todos os Municípios em que exerçam atividade, para fins de intimação dos respectivos entes.

VII – OFÍCIOS ÀS JUNTAS COMERCIAIS

Expeçam-se ofícios às Juntas Comerciais competentes para anotação do pedido de recuperação nos respectivos registros, devendo constar, após o nome empresarial, a expressão "em Recuperação Judicial". Com fundamento no art. 6º do CPC, determino que as recuperandas informem, em petição avulsa, as Juntas Comerciais que deverão ser oficiadas.

VIII – DA PUBLICAÇÃO DO EDITAL

Determino a expedição e publicação do edital previsto no art. 52, § 1º, da Lei nº 11.101/2005, devendo ser observada a consolidação substancial desta recuperação judicial.

IX – DA HABILITAÇÃO ADMINISTRATIVA

Determino que os credores, a contar da publicação do edital a que alude o art. 52, § 1º, da Lei nº 11.101/2005, apresentem, no prazo de 15 (quinze) dias, suas habilitações ou divergências à Administração Judicial Conjunta, a qual deverá observar tratar-se de recuperação judicial em consolidação substancial. O prazo é contado em dias corridos.

X – DA PUBLICAÇÃO DA RELAÇÃO DE CREDORES PELA ADMINISTRAÇÃO JUDICIAL

Nos termos do art. 7º, § 2º, da LRF, o administrador judicial, com base nas informações e documentos colhidos na forma do caput e § 1º do art. 7º, publicará edital contendo a relação de credores no prazo de 45 (quarenta e cinco) dias, contado do término do prazo do § 1º do art. 7º, indicando local, horário e prazo comum em que as pessoas mencionadas no art. 8º terão acesso à documentação que fundamentou a relação, sendo a contagem de prazo efetuada em dias corridos. A Administração Judicial deverá observar a consolidação substancial.

XI – DAS IMPUGNAÇÕES

O credor que impugnar a lista apresentada pela Administração Judicial (art. 7º, § 2º) deverá DISTRIBUIR A IMPUGNAÇÃO POR DEPENDÊNCIA, no EPROC, como INCIDENTE PROCESSUAL, no prazo de 10 (dez) dias, na forma do art. 8º da LRF, processando-se nos termos do art. 13 e seguintes. Ressalto que a apresentação de impugnação nos autos principais é VEDADA e será tida por intempestiva, por configurar erro grosseiro, destacando-se que o prazo é contado em dias corridos.

A serventia fica desde já autorizada a excluir, por certidão e independentemente de conclusão, impugnações indevidamente protocoladas nestes autos principais.

XII – DAS HABILITAÇÕES RETARDATÁRIAS

As habilitações retardatárias deverão ser distribuídas POR DEPENDÊNCIA, diretamente no EPROC, como INCIDENTE PROCESSUAL, conforme art. 10, §§ 5º e 6º, da Lei nº 11.101/2005. É VEDADA a habilitação nestes autos principais.

A serventia fica desde já autorizada a excluir, por certidão e independentemente de conclusão, habilitações indevidamente apresentadas no feito principal.

XIII – DA APRESENTAÇÃO DO PLANO

As recuperandas deverão apresentar os planos de recuperação no prazo de 60 (sessenta) dias, contado da publicação desta decisão, observando os requisitos do art. 53 da Lei nº 11.101/2005 e a existência de consolidação substancial, ressaltando que o prazo é contado em dias corridos.

No ato de apresentação, deverão providenciar a minuta do edital em mídia em formato Microsoft Word e o recolhimento das custas processuais.

XIV – DAS OBJEÇÕES

As objeções ao plano serão apresentadas nestes autos no prazo de 30 (trinta) dias, contado da publicação da relação de credores de que trata o art. 7º, § 2º, da LRF. O prazo é contado em dias corridos.

XV – DA NÃO INTERVENÇÃO

Para resguardar a celeridade e a eficiência processuais e evitar tumulto no regular andamento do feito, fica LIMITADA A INTERVENÇÃO de credores e terceiros interessados nos autos principais desta recuperação judicial, salvo quando a lei expressamente o permitir (v.g., apresentação de objeções ou recursos).

Qualquer requerimento estranho ao curso regular deverá ser formulado em apartado, como procedimento incidental, com vista às Recuperandas, à Administração Judicial e ao Ministério Público.

XVI – DAS INTIMAÇÕES

FICA VEDADA a anotação, nestes autos, de advogados de todos os credores e interessados, competindo-lhes acompanhar o andamento do processo no sítio eletrônico deste Egrégio Tribunal de Justiça, sendo as intimações dos atos processuais realizadas por publicação no Diário da Justiça eletrônico (D.O.).

XVII – DA ADMINISTRAÇÃO JUDICIAL

Consideradas as particularidades do feito, esta Magistrada registra que não adota, como regra, a sistemática de processo competitivo para a nomeação do Administrador Judicial, tal como prevista no evento 9.

Todavia, atuando nesta demanda em substituição ao Magistrado responsável pelo prosseguimento do caso, reputo necessário preservar o método por ele determinado e já em curso, prestigiando-se a orientação do Juízo natural e evitando-se insegurança jurídica.

Em contrapartida, o art. 52, I, da LRF impõe ao Juízo, ao deferir o processamento, o dever de nomear Administrador Judicial. Assim, para cumprimento do dispositivo legal, procederei à nomeação de um Administrador Judicial, dentre os indicados no evento 9, para atuar provisoriamente até o encerramento do processo competitivo. Não obstante, na análise final do processo competitivo, o Magistrado responsável poderá, se entender pertinente, nomear dois Administradores Judiciais, de acordo com as premissas da jurisprudência já estabelecida neste tribunal de justiça.

Ressalvo, ademais, o entendimento desta Magistrada quanto à conveniência da nomeação conjunta em recuperações judiciais de reconhecida magnitude e complexidade. A coerência do Juízo com suas próprias decisões, por sinal, é vetor de segurança jurídica. Em caso análogo, o do Clube de Regatas Vasco da Gama/Vasco SAF, deferi a nomeação de dois Administradores Judiciais, solução que, embora impugnada pelo Ministério Público, foi mantida em sede recursal pelo Desembargador Cesar Felipe Cury (AI nº 0020234-27.2025.8.19.0000), exatamente em razão da complexidade do feito e da necessidade de maior eficiência fiscalizatória sem incremento de custos.

Nesse tocante, ainda que o Ministério Público Estadual costume opor-se à nomeação conjunta, sob alegação de ausência de previsão expressa, o Tribunal de Justiça do Estado do Rio de Janeiro tem admitido a medida em hipóteses de alta complexidade, em linha com os precedentes: AI nº 0009137-98.2023.8.19.0000 (Grupo Oi), relatoria da Desembargadora Mônica Maria Costa Di Piero, e AI nº 0002604-26.2023.8.19.0000 (Lojas Americanas), relatoria da Desembargadora Leila Santos Lopes.

Em tais julgados, assentou-se a possibilidade de atuação conjunta, sem majoração remuneratória, quando devidamente justificada pela envergadura do processo, pela multidisciplinaridade exigida e pela busca de eficiência e transparência na fiscalização, além da expressa divisão de tarefas comunicada ao Juízo.

No mesmo sentido, o Centro de Estudos e Debates-CEDES/TJRJ-Direito empresarial, aprovou o Enunciado nº 1 estabelecendo que **"É admissível a nomeação conjunta de mais de um Administrador Judicial no processamento da recuperação judicial, devidamente fundamentada pelo Juízo em razão da complexidade e quando a estrutura do grupo econômico ou a multiplicidade de estabelecimentos justificar uma clara divisão de funções, desde que observado o disposto no art. 24, § 1º, da Lei 11.101/2005 e o art. 5º, §§ 3º e 4º, da Resolução 393/2021/CNJ." (grifei).**

Registre-se, ainda, a prática observada em outros Tribunais em recuperações de grande porte/complexidade, como nos casos das Recuperações Judiciais da Samarco Mineração, processo n. 5046520-86.2021.8.13.0024 e Cruzeiro Esporte Clube, processo n. 5145674-43.2022.8.13.0024.

Diante disso, perfilho a compreensão de que, em cenários como o presente, a nomeação de dois Administradores Judiciais tende a proporcionar maior transparência, especialização e eficiência, sem concentração indevida de honorários e com ganho de qualidade técnica e de acessibilidade aos credores.

A remuneração, na linha que adoto, deve ser partilhada na proporção de 50% para cada Administração, de modo a impedir ônus adicional às recuperandas e prejuízo aos credores.

Quanto aos parâmetros de escolha, observados os critérios estimulados pelo CNJ e por este Egrégio Tribunal (transparência e rotatividade), adoto: a) expertise necessária e comprovada para processos de grande complexidade; b) confiança do Juízo na atuação; c) ausência de nomeação pretérita por esta Magistrada, privilegiando diversidade; d) ausência de mais de quatro nomeações simultâneas neste Juízo.

Em respeito à decisão do evento 9, a escolha recairá, provisoriamente e dentre os indicados, sobre: (1) VPJ Administração Judicial (CNPJ 55.870.751/0001-50), na pessoa do Dr. Victor Saraiva Torres; (2) Neves, Figueiredo, Cerqueira e Souza, na pessoa do Dr. Athos de Andrade Figueira Neves (OAB/RJ 211747); (3) Augusto Alves Moreira Neto (Gomes de Mattos Advogados Associados); (4) Carapetcov Administração Judicial, na pessoa do Dr. Thiago Carapetcov (OAB/RJ 151772).

A) Da expertise necessária e comprovada para atuação em processos de grande complexidade

Não tive, até o momento, acesso aos currículos de todos os Administradores listados, uma vez que o prazo para o encerramento do processo competitivo vai se encerrar em 03 de novembro de 2025. Por isonomia, deixo excepcionalmente de aplicar este critério nesta escolha provisória.

B) Da confiança do Juízo

Nos termos do art. 5º, caput, da Resolução CNJ 393/2021 e do art. 6º, caput, do Provimento CGJ 38/2022, consigno conhecimento pretérito da atuação da Administração Judicial Neves, Figueiredo, Cerqueira e Souza (nomeações por outro Magistrado na 4ª Vara Empresarial), com avaliação positiva quanto à colaboração, diligência e probidade.

Em relação ao Dr. Thiago Carapetcov, quando esta Magistrada esteve à frente da 7ª Vara Empresarial, constatou-se atuação ética, proba e cooperativa na recuperação da Real Distribuidora Única Rio Comércio de Refrigeração Ltda., com comunicação contínua e efetiva com o Juízo, embora nomeado por outro Magistrado.

Em relação aos demais, não houve oportunidade de avaliação direta, razão pela qual a experiência e a confiança aferidas em relação àquela Administração e ao referido profissional amparam a escolha provisória de um dos dois para atuar até o desfecho do processo competitivo.

C) Da ausência de nomeação preterita por esta Magistrada

Houve nomeação anterior da Administração Neves, Figueiredo, Cerqueira e Souza por esta Magistrada no processo 0080942-85.1998.8.19.0001. Por sua vez, a Carapetcov Administração Judicial, embora conte com a confiança deste Juízo quanto à atuação do Dr. Thiago Carapetcov, ainda não foi objeto de nomeação por esta Magistrada.

Em critério lógico, objetivo e transparente — e para fomentar a diversidade de atuações, entendo adequada a nomeação da Carapetcov Administração Judicial, a título provisório, até o encerramento do processo competitivo.

D) Da ausência de nomeação em mais de quatro recuperações judiciais neste Juízo

Verifiquei, em consulta interna, a inexistência de atuação da Carapetcov Administração Judicial em mais de quatro recuperações judiciais perante este Juízo, nos termos do art. 6º, § 3º, do Provimento CGJ 38/2022.

Pelo esposado, NOMEIO, A TÍTULO PROVISÓRIO, até o encerramento do processo competitivo, a CARAPETCOV ADMINISTRAÇÃO JUDICIAL (CNPJ 60.437.945/0001-05), com endereço na Praça Quinze de Novembro, sala 502, Centro – RJ, sup.r.mercado 12, representada por THIAGO CARAPETCOV (OAB/RJ 151772), e-mail: [thiago@carapetcovaj.com.br] (**mailto:thiago@carapetcovaj.com.br**).

Sem prejuízo, e conforme já exposto, na análise final do processo competitivo, o Magistrado responsável poderá, se entender pertinente, nomear dois Administradores Judiciais, de acordo com as premissas da jurisprudência já estabelecida neste tribunal de justiça e julgados supracitados.

À serventia para intimar o Administrador Judicial a fim de que, no prazo de 24 (vinte e quatro) horas, manifeste aceitação e lavre o termo próprio.

Havendo aceitação, comunique-se, pelo e-mail [dgfaj.diaaiauxjus@tjrj.jus.br] (mailto:dgfaj.diaaiauxjus@tjrj.jus.br), a Divisão de Acompanhamento e Análise de Indicadores (DIAAI/CGJ), na forma do Provimento CGJ nº 22/2023. Por fim, considerando o processo competitivo em curso, deixo de aplicar a Recomendação nº 141/2023 do CNJ.

XVII.1 – A Administração Judicial Provisória fica advertida de que, na remuneração pelo encargo provisório, a ser posteriormente arbitrada pelo Juízo, deverão estar incluídos todos os gastos com profissionais externos (advogados, contadores, economistas e assemelhados) e demais custos administrativos necessários ao regular processamento do feito, lembrando que a decisão de nomeação só se tornará definitiva com o termo do processo competitivo a ser analisado com a entrega final dos documentos.

XVII.2 – Nos termos do art. 22, III, "c", da LRF, a Administração Judicial Provisória deverá apresentar, neste feito principal, relatório mensal do desenvolvimento das atividades das recuperandas até o 20º (vigésimo) dia do mês subsequente.

XVII.3 – A Administração Judicial deverá apresentar, no prazo de 30 (trinta) dias úteis, relatório circunstanciado, neste feito principal, abrangendo as atividades das sociedades (aspectos financeiros e econômicos), a fim de demonstrar ao Juízo e aos credores a realidade das recuperandas.

XVII.4 – A Administração Judicial deverá indicar endereço eletrônico específico e providenciar, no prazo máximo de 15 (quinze) dias, respostas a ofícios e solicitações de outros juízos e órgãos públicos, independentemente de prévia deliberação judicial. Com a juntada do e-mail, fica a serventia autorizada a encaminhar as comunicações diretamente à Administração Judicial, nos termos do art. 22, I, "m", da Lei 11.101/2005.

XVII.5 – O descumprimento dos ônus processuais poderá ensejar substituição ou destituição da Administração Judicial, conforme o caso concreto.

XVIII – DO PEDIDO DE APRESENTAÇÃO DA RELAÇÃO INTEGRAL DOS FUNCIONÁRIOS

No que concerne aos pedidos de sigilo relativos aos documentos referidos no art. 51, incisos IV, VI e VII, da LRF, determino que as recuperandas instaurem incidente processual próprio e juntem as respectivas peças no prazo de 48 (quarenta e oito) horas, devendo, em seguida, peticionar nestes autos para informar a numeração do incidente, que deverá tramitar em segredo de justiça.

Em relação aos incisos IV e VII, há inequívoco interesse dos credores, devidamente relacionados ou habilitados em tempo, em conhecer a força de trabalho da devedora (identificação, cargos e remunerações), bem como os dados necessários ao escrutínio econômico-financeiro, a fim de avaliarem, de modo amplo, a viabilidade do PRJ.

De outro lado, não se pode converter o processo recuperacional em via de acesso indiscriminado, por terceiros alheios ao feito, a dados íntimos de empregados e a informações bancárias e fiscais das recuperandas.

Impõe-se, pois, a ponderação entre (i) o direito dos credores, titulares da prerrogativa de aprovar ou rejeitar o PRJ, ao acesso informacional indispensável à formação de sua vontade, e (ii) a tutela da intimidade e da vida privada dos trabalhadores, bem como dos sigilos bancário e fiscal das devedoras. Dessa ponderação resulta a seguinte disciplina: o sigilo dos documentos previstos nos incisos IV e VII será mitigado apenas em favor dos credores com direito de voto, que poderão acessá-los para embasar sua decisão sobre o PRJ.

Para evitar tumulto processual, os credores interessados, isto é, aqueles aptos a aprovar ou rejeitar o PRJ, deverão requisitar diretamente à Administração Judicial as documentações dos incisos IV e VII. Caberá à Administração Judicial disponibilizá-las no prazo de 48 (quarenta e oito) horas, contado do recebimento do pedido, independentemente de nova ordem judicial, comunicando às recuperandas a relação das partes que obtiveram acesso. Em caso de negativa, a Administração Judicial deverá, de imediato, submeter a este Juízo as razões da não disponibilização.

Por sua vez, no que respeita aos bens pessoais de administradores e sócios controladores (art. 51, VI), o sigilo permanece integral. A divulgação dessas informações não contribui para o regular andamento desta recuperação e, ao revés, expõe desnecessariamente a segurança e a intimidade dos administradores e sócios-controladores, frisando-se que esse sigilo, por óbvio, será aplicado ao Judiciário, ao MP e à Administração Judicial nomeada, auxiliar do Juízo.

Ao Cartório para retificar a classe processual, vez que a recuperação judicial foi deferida.

Publique-se. Intimem-se.

Vista ao Ministério Público.

In the procedural timeline, it is important to note that on September 24, 2025 (Event 1), the plaintiffs filed a motion for preliminary injunctive relief on an ex parte basis, based on Articles 6, § 12, and 189 of Law No. 11,101/05-LRJ, and Articles 300 et seq. of the Code of Civil Procedure (CPC). As a premise, they describe adequate financial and cash flow health, with payroll, obligations to suppliers, financial institutions, and taxes kept up to date, these totaling approximately R$ 500 million annually, in addition to the generation of approximately 23,000 direct jobs (not counting indirect ones).

On the financial-contractual front, they note that on September 18, 2025, AMBIPAR LUX S.À.R.L. entered into a loan agreement with Deutsche Bank AG for USD 35,000,000.00, in addition to three derivative swap contracts ( ), with an amendment to include payment in kind using securities issued abroad (green bonds). Due to the linkage to the loan agreements, the base amount for calculating the debt in USD, pursuant to the swap agreements, would total USD 550,000,000.00.

Consequently, they argue that Deutsche Bank began to calculate and demand additional collateral based not only on the negative spread of the swap rates but also on the depreciation of the PIK Bonds in the foreign market—securities that would only be delivered in the future, upon maturity of the swaps. Consequently, with the incorporation of future credit risk related to the PIK Bonds, the bank allegedly demanded that AMBIPAR PARTICIPAÇÕES make contributions far exceeding what would be required, resulting in cash

outflows exceeding R$ 200 million in recent days.

At the same time, they emphasize that virtually all of the group's financial contracts contain cross-default clauses, which pose a very serious risk of immediate insolvency. The scope of this cross-default would imply a financial shortfall of over R$ 10 billion, considering all transactions with financial institutions that are creditors of the group in the event of a request for judicial reorganization.

In addition, they argue that the situation has been exacerbated by the possibility that certain financial institutions could seize billions of reais from the petitioners' checking accounts and investments without the need for a court order, which would render the conduct of business unfeasible. The risk, they state, is imminent and concrete, since some institutions have already notified the petitioners to declare early maturity and adopt appropriate judicial and extrajudicial remedies.

In light of this situation, the Decision (Event 9) recognized the jurisdiction of this Reorganization Court and granted the preliminary injunction for a period of 30 days, extendable for the same period, effective as of the date and time of filing of the initial petition for the preliminary injunction. With this decision, the following were suspended: (i) the enforceability and the running of the statute of limitations on the claims and obligations (including those to do, not to do, and to deliver) of the petitioners and related parties arising from coinciding or prior triggering events; (ii) enforcement proceedings and other collection measures against the petitioners and related parties regarding such claims/obligations; and, furthermore, (iii) any form of withholding, attachment, seizure, search and seizure, and judicial or extrajudicial enforcement against the assets of the petitioners and their related parties was prohibited, when arising from claims whose credits/obligations have coinciding or prior triggering events.

Similarly, it was determined that the effects of early maturity or accelerated amortization clauses and the enforcement of any guarantees in contracts entered into with the petitioners and related parties (including principal and related contracts) shall be suspended, even in the event that the petitioners file for judicial reorganization or seek a preliminary injunction; likewise, new declarations of early maturity (or the suspension of the effects of those already made), e r accelerated amortization, and/or the enforcement of guarantees linked to contracts relating to credits and obligations (including do, do not do, and deliver obligations) with coinciding or prior triggering events were prohibited.

Regarding the appointment of a Judicial Administrator (AJ), a competitive process was initiated between: (1) VPJ ADMINISTRAÇÃO JUDICIAL, CNPJ 55.870.751/0001-50, represented by its partner, Dr. Victor Saraiva Torres; (2) NEVES, FIGUEIREDO, CERQUEIRA E SOUZA, represented by its partner, Dr. Athos de Andrade Figueira Neves, OAB/RJ 211747/RJ, email [athosneves@nfcsadvogados.com.br] (mailto:athosneves@nfcsadvogados.com.br); (3) Augusto Alves Moreira Neto, of the law firm Gomes de Mattos Advogados Associados, email [augusto.neto@gomesdemattos.com.br] (mailto:augusto.neto@gomesdemattos.com.br); (4) CARAPETCOV ADMINISTRAÇÃO JUDICIAL, represented by its partner, Dr. Thiago Carapetcov, OAB/RJ 151772/RJ, email [thiago@carapetcovaj.com.br] (mailto:thiago@carapetcovaj.com.br).

Subsequently, challenges were filed. Following the decision, the Public Prosecutor's Office filed a motion for clarification, and various creditors, primarily financial institutions, raised, in summary: (1) lack of jurisdiction of this Court; (2) failure to comply with Art. 49, § 3, of Law 11.101/2005; (3) failure to comply

with Art. 193-A of the same law; and (4) failure to demonstrate the conditions for filing the petition for judicial reorganization.

In response, the Decision (Event 65) partially granted the Public Prosecutor's Office's motion, solely to order that the representation of all plaintiffs be regularized by the time the main petition is filed, within 30 days. As for the other issues raised by the creditors, including the ruling on the motions for clarification in events 48 and 57 and the ruling on the retraction due to AI No. 300120367.2025.8.19.0000, converted the review into a procedural step, establishing that (a) the plaintiff shall objectively indicate the Group's headquarters and branches in this Judicial District that it considers its principal establishment(s), including documentary evidence regarding the volume of business in Rio de Janeiro, São Paulo, and Nova Odessa, within 5 days; (b) within the same period, creditors may supplement the case with new documents indicating the principal establishment in the District of São Paulo or Nova Odessa; (c) between the 6th and 10th day following service of the summons, statements regarding the submitted documentation; (d) within the same period, and with the utmost respect for the principle of non-surprise, the plaintiff shall comment on the other issues in the order; (e) the plaintiff and creditors shall state their interest in mediation, designating a professional to replace CEJUSC, and, until then, the referral of the case to the Center, as determined in the preliminary injunction, shall be suspended.

Also in this decision, regarding the request in Event 53 concerning possible non-compliance with the preliminary injunction by ADDIANTE S.A., ORIZON MEIO AMBIENTE S.A., LM TRANSPORTES INTERESTADUAIS SERVIÇOS E COMERCIO S.A., and others, it was ordered that the plaintiffs be summoned to submit, within 15 days, the contractual clauses whose termination they seek to prevent.

Subsequently, the plaintiffs (events 89/91) amended the initial petition to file a petition for judicial reorganization of the AMBIPAR GROUP. As historical context, they state: founded in 1995, initially focused on industrial waste management; in May 1996, expansion into the logistics sector with GETEL LOGÍSTICA, beginning to operate in transportation for large companies and industries throughout Brazil. Decades of growth followed, described as exponential, driven by pioneering spirit and service excellence, combined with an unwavering commitment to environmental preservation, job creation, income generation, and local development.

In 2005, they established BRASIL AMBIENTAL CENTRAL DE TRATAMENTO DE RESÍDUOS (CTR). In 2008, PLANETA AMBIENTAL - CENTRAL DE SERVIÇOS COMPARTILHADOS was founded, with a focus on emergency response. They highlight continuous investments in technology, technical training, and corporate governance, with compliance and transparency standards that have elevated the group's reputation in the sector. In this vein, rather than merely a service conglomerate, it positions itself as an agent of environmental transformation, promoting a circular economy, waste valorization, and large-scale decarbonization.

They report that in September 2010, AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A. ("AMBIPAR PARTICIPAÇÕES") was founded with the purpose of consolidating control over the group's various companies. In May 2011, the holding company became the group's parent company and, in the same month, acquired 51% of DESCARTE CERTO (the reverse manufacturing division, responsible for the post-consumer product chain). In 2019, a rebranding took place, accompanied by a corporate restructuring

that divided the group into two verticals: AMBIPAR RESPONSE and AMBIPAR ENVIRONMENTAL (environmental solutions consolidated in the Environmental Vertical; emergency response, in the Response Vertical).

In the capital markets, in July 2020, the company went public on B3, allowing the group to raise approximately R$ 1.08 billion through the issuance of AMBIPAR PARTICIPAÇÕES shares. The following year, AMBIPAR EMERGENCY RESPONSE went public on the NYSE, a milestone in governance and strategic relevance. The funds, as reported, were allocated to organic expansion and acquisitions in Brazil and abroad, consolidating leadership in environmental management.

Starting in 2020, they mention acquisitions such as REVALORE, SUPPLY, VERDE GHAIA, and ÂMBITO, and throughout 2021, AFC, METAL AR, CENTROESTE, BOOMERA, ECOLÓGICA NORDESTE (through AFC), BIOFÍLICA, DRYPOL, TRICICLO, SUPREMA, SIR, BRASIL COLETA, MCZ, ECOLÓGICA RESÍDUOS, WATU, and ECOTEC, all of which are strategic for waste management. Finally, they report a network of 600 operational bases in more than 41 countries, strategically located near industrial hubs, ports, highways, and railways.

With regard to jurisdiction, they identify the group's principal place of business as the facility located at Rua Lauro Muller No. 116, Botafogo, 27th floor, Rio de Janeiro, owned by the plaintiff AMBIPAR RESPONSE & ENVIRONMENTAL CONSULTING OFFSHORE S/A. They allege that the city accounts for the largest share of business (approx. 18.4% of net income), compared to 12.3% in São Paulo and -8.4% in Nova Odessa; furthermore, Rio de Janeiro reportedly has the highest revenue (R$ 303.2 million, compared to R$ 69.4 million in São Paulo and R$ 1.6 million in Nova Odessa). Between São Paulo and Rio de Janeiro, they point out that São Paulo is where the group generates and contracts the least, thus not constituting "the highest volume of business."

With regard to the joint plaintiffs, they cite support in Article 69-G of the Fiscal Responsibility Law (LRF), as the companies are under the corporate control of the same holding company (AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A.), as shown in the organizational chart in Document 7 of Event 89. Pursuant to Article 69-J of the LRF, they highlight compliance with the provisions of the subparagraphs, given the hundreds of cross-guarantees entered into by the group's companies—one of the drivers of the crisis—which justifies the plaintiffs' standing, as the cross-default affected the entire group in a chain reaction, with the holding company acting as guarantor for numerous contracts. As an example, they cite the debt instrument of AMBIPAR FLYONE with Banco ABC S.A. (Doc. 09 of Event 89), in which the holding company and EMERGÊNCIA PARTICIPAÇÕES S.A. are listed as guarantors. At the same time, they explain that the control relationship and the composition of the corporate structure are reflected in the aforementioned organizational chart and point out that the administrative, legal, financial, and governance structures are interconnected, such that the segregation of assets and liabilities would require an excessive expenditure of time and resources. For this reason, they request authorization to proceed with the judicial reorganization through procedural and substantive consolidation, with the prerogative to consolidate the assets and liabilities into a single plan or segregate them into more than one, depending on future negotiation circumstances with thousands of creditors and other stakeholders.

In their assessment of the crisis, they note that, in February 2024, AMBIPAR LUX S.À R.L., a subsidiary of

AMBIPAR PARTICIPAÇÕES, carried out its first issuance of Green Bonds in the amount of USD 750,000,000.00, maturing in 2031 ("Green Bonds 2031"). This transaction was linked to a Derivative Contract (swap) initially entered into with Bank of America for the purpose of currency hedging. As is customary when the issuer is non-operational and funds raised abroad are invested in operations in Brazil, the debt is paid in reais, which is why the risk of exchange rate fluctuations is mitigated through a swap. As described, the swap operates as a risk exchange (dollar for reais), with periodic adjustments to the "margin requirement" and final settlement upon maturity—characterized as protection, not speculation.

Later, in February 2025, AMBIPAR LUX carried out its second Green Bond issuance (amounting to USD 493 million, maturing in 2033 — "Green Bonds 2033"). Part of this funding (USD 200 million) was used to prepay the first issuance, and here too the transaction was linked to a currency swap, this time with Deutsche Bank. According to reports, the first swap (with Bank of America) was transferred to Deutsche Bank in a context where the then-director of Bank of America, Mr. João Arruda, began working as CFO of Ambipar; shortly thereafter, through a negotiation led by him, the 2031 Green Bonds swap was transferred to Deutsche Bank, and subsequently, the second swap (for the 2033 Green Bonds) was entered into directly with Deutsche Bank. All of this, they maintain, was done without the approval of the Board of Directors and without compliance with internal procedures at the foreign banks, a matter currently under criminal investigation in an inquiry against Mr. João Arruda and others.

In the aftermath, the plaintiff states that it entered into a new master derivatives agreement with Deutsche Bank (Doc. 10 of Event 89) and three swap agreements relating to the 2031 Green Bonds, in addition to the swap relating to the 2033 Green Bonds. On August 18, 2025, with the swaps migrated to Deutsche Bank, AMBIPAR LUX entered into a Loan and Guarantee Agreement ("LOAN DT - 18S") with the bank, securing a loan of USD 35,000,000.00, disbursed on the same date.

Also in August 2025, the derivatives were amended to include, in Clause 5, a provision for payment in kind (PIK) of the Green Bonds issued abroad. Under this mechanism, if the bank were ultimately the debtor, it could pay the difference by delivering the securities at face value rather than at market price—an advantage that increases as the bond price falls. It is noted that, on the date of the amendments (August 18, 2025), there was abnormal volatility in the bonds; starting on August 19, 2025, they describe a "clearly orchestrated attack" with a drop in values that had been stable until then.

In summary, they state that until August 18, 2025, the swaps were non-speculative in nature and limited to currency hedging, justified by dollar-denominated debt and revenues primarily in reais. After Mr. João Arruda joined as CFO, the original swaps were transferred to Deutsche Bank and amended with a rule that introduced a

speculative element: the price fluctuation of Green Bonds issued by Ambipar Lux, an emerging-market asset subject to short sellers—a dynamic that, in this specific case, is alleged to have occurred.

On September 19, 2025, Mr. João Arruda submitted his resignation from the position of CFO of Ambipar Participações via email to the Board at 10:30 p.m. Since he refused to facilitate the transition until a new CFO was appointed, the videoconference with bondholders that he had called the previous day was canceled; this was a forum in which he would have explained the deterioration of the securities and the amendment with Deutsche Bank, which, according to the plaintiffs, contributed to spreading panic in the

market.

Subsequently, Deutsche Bank began demanding additional collateral from AMBIPAR PARTICIPAÇÕES in amounts far exceeding those originally defined in the swaps. Even a few days before the injunction was granted, the collateral margins already amounted to nearly R$ 200 million (an adjustment that would, in theory, reflect the Liquidation Value upon immediate termination). The margin calls, however, were allegedly based on an improper interpretation of the amendment and on the bank's unilateral calculations, with embedded surcharges and pricing curves detached from reality, including not only exchange rates and interest rates but also the decline in PIK Bonds—securities that might or might not be delivered in the future, at par val , only at maturity. After demanding R$ 200 million, a new injection of R$ 60 million was required, under penalty of automatic and early maturity of the swaps and the USD 35 million loan.

Immediately thereafter, Banco Santander sent a notice to the AMBIPAR GROUP, even before the filing of the preceding injunction, declaring the early maturity of debts related to Bank Credit Notes unrelated to derivatives, demanding payment of approximately USD 120 million within 24 hours. Deutsche Bank's move reportedly triggered a chain reaction among other banks, fearful of systemic default; according to the narrative, this chain reaction would have led the group to ruin, which was prevented by the preliminary injunction and, now, by the main petition for reorganization.

In this vein, they point out that the main debt—bonds totaling more than USD 1 billion—would also be subject to early maturity, pursuant to the Indenture (Section 6.01—Events of Default, item "v"). In other words: the maturity of the swap debts and the Loan Agreement with Deutsche Bank, combined with the early maturity of over USD 120 million declared by Santander, and potentially by other institutions, would act as a trigger for a cascade of maturities across the entire group.

In this new scenario, given the concrete risk of early maturity of more than R$ 10 billion, the group saw no alternative but to file this petition for judicial reorganization, in order to restore its debt profile and restructure its liabilities without affecting cash flow and rendering operations unviable.

With regard to contracts secured by a fiduciary assignment of receivables, they emphasize that any non-bankruptcy-related matters should be analyzed during the verification of claims, which is the initial responsibility of the Judicial Administrator, subject to review by the Court. Regarding Article 193-A of the Fiscal Responsibility Law (LRF), they note that, if there is an early maturity clause in the swap contract due to a petition for judicial reorganization, the financial institution may declare maturity to determine the creditor's and debtor's positions, facilitating subsequent setoff; any credit balance, if existing in favor of the institution, must be included in the reorganization proceedings.

In conclusion, they request:

(i) the confirmation of the granted urgent preliminary injunction, particularly regarding the suspension of the effectiveness of the early maturity clauses for debts, with the sole exception of swap contracts, pursuant to Article 193-A of the LRF, without permitting the enforcement or appropriation of any credit balance; and

(ii) the suspension of enforcement proceedings and other collection measures against the Ambipar Group, in addition to the prohibition of any form of withholding, attachment, seizure, search and seizure, and judicial or extrajudicial attachment of the debtors' assets, pursuant to Article 6 of the LRF, in line with the preliminary injunction to be ratified;

(iii) the granting of the preliminary injunction requested in Event 53, ordering that: (iii.a) suppliers of essential services refrain from interrupting the supply of goods and services to the Ambipar Group and from creating obstacles of any nature to regular contractual performance, based on an alleged default on credits subject to this reorganization; (iii.b) the effectiveness of express termination clauses authorizing the termination of essential contracts be suspended solely due to the filing of the motion for preliminary relief or this reorganization petition; (iii.c) financial institutions and other creditors shall refrain from declaring the early maturity of debts related to non-subject credits, as well as from seizing, removing, freezing, or otherwise restricting the use of assets linked to such instruments, as long as the petitioners remain in compliance with their financial obligations; and (iii.d) equipment leasing companies/lessees refrain from blocking, halting, or obstructing the use of the equipment covered by the attached lease agreements, under penalty of a fine of R$ 100,000 for noncompliance;
(iv) the appointment of a Judicial Administrator, pursuant to Article 52, I, of the LRF;
(v) pursuant to and for the purposes of subparagraph IV of the main provision of Article 167-B of the Fiscal Responsibility Law (LRF), the appointment of Mr. Ricardo Rosanova Garcia, a Brazilian citizen, single, business administrator, ID No. 21.152.028-7 SSP/SP, CPF No. 259.792.868-37, as foreign representative of any Applicant, so that, if necessary, he may appear before any foreign authority and act in any foreign debt restructuring proceeding, regardless of jurisdiction, including (without limitation) judicial reorganization or similar insolvency proceedings, whether principal, non-principal, or ancillary proceedings, as permitted by applicable law;
(vi) subject to compliance with all requirements of Article 69-J of the LRF, authorization to proceed with the judicial reorganization under procedural and substantive consolidation, to allow the Group to consolidate assets and liabilities into a single plan or segregate them into more than one, as required by future business circumstances with its thousands of creditors and other stakeholders;
(vii) the waiver of the requirement to submit clearance certificates so that the Petitioners may conduct their business and participate in bids before any public or private entities;
(viii) the notification of the Public Prosecutor's Office and the federal and state treasuries, as well as those of the Federal District and municipalities where branches are located, pursuant to Article 52, V, of the Fiscal Responsibility Law (LRF); and
(ix) the publication of the Notice provided for in Article 52, § 1, of the LRF.
Subsequently, the Decision (Event 96), considering the need for factual clarifications to determine the court's jurisdiction, postponed the decision on the processing of the judicial reorganization. On a provisional basis: (a) it granted procedural and substantive consolidation; (b) it ratified, pending further decision and to the extent that proceedings regarding jurisdiction remain pending, the preliminary injunction in Event 9, which suspended enforceability, statute of limitations, enforcement actions, and collections relating to claims/obligations with triggering events that are concurrent or prior, including early maturity or accelerated amortization clauses, specifying that: (b.1) credits secured by fiduciary guarantees are excluded from the suspension order, limited to the value of the asset provided as collateral; and ( ) such credits, however, may not be sold or removed from the petitioners' premises during the stay period, the initial term of which has been brought forward; (b.2) fiduciary assignments of credit rights (receivables) are not subject

to the suspension order; (b.3) early maturity and set-off clauses in repurchase agreements and derivative transactions are excluded from the suspension, pursuant to Article 193-A of the Fiscal Responsibility Law (LRF), as well as early maturity clauses for credits not subject to the suspension, as this Court is not competent to review their legality; (c) denied the request for preliminary relief in Event 53, through which the petitioners sought to unilaterally impose the continuation of the contractual relationship on suppliers; (d) granted, as a preliminary relief measure, an exemption from the requirement to present a certificate of no judicial reorganization for the purpose of conducting business activities and participating in bids, without prejudice to the demonstration of economic viability by other means; (e) granted an additional 5 days for the plaintiff to supplement the information necessary to determine jurisdiction, clarifying an inconsistency highlighted in the decision and presenting a new table showing turnover broken down by location of the head office/contracted branch establishments, in relation to São Paulo, Nova Odessa, Rio de Janeiro, and now also São Francisco do Sul (headquarters of the company DRACARES); (f) partially granted the motions to vacate in Events 48, 52, 57, and 93, acknowledging the obscurity of the decision in Event 9, and declared it in accordance with the terms of the latter; (g) partially exercised the power to reconsider the decision due to the appeals filed (3001203-67.2025.8.19.0000; 3001277-24.2025.8.19.0000 and 3001284-16.2025.8.19.0000), in the exact terms of this decision; (h) authorized the documents referred to in item 233 of the petition in Event 89 to be filed under seal within 5 days and, in the event of difficulties with the eProc system, permitted the creation of a confidential secondary proceeding (deposit with a notary public was deemed impractical); (i) determined that, as of the 6th day following publication, creditors would have an additional 5 days to comment on the documents in item "e," in accordance with the adversarial process; (j) ordered the summons of the Judicial Administrators (AJs) to submit their proposals, in accordance with the procedure then established and, based on the principle of cooperation, with a view to establishing better parameters for the approval of fees, which would clarify the total amount of the group's CFOs' remuneration.

Shortly thereafter, the plaintiffs (event 113) reported a second-instance decision following the filing of an interlocutory appeal against the aforementioned decision, regarding jurisdiction and the granting of emergency relief. In summary, they report that the Reporting Judge, in a sole-judge decision, dismissed documentary inconsistencies and, after reviewing the submitted documents, recognized the jurisdiction of this 3rda Business Court of the Capital District to process, with the urgency required by the nature of the proceedings, the petition for reorganization, and fully granted the emergency injunctions, in the terms transcribed:

"For all the foregoing reasons, I GRANT the preliminary injunction to recognize the jurisdiction of the 3rd a Commercial Court of the Capital District to process, with the urgency required by the nature of the proceedings, the petition for judicial reorganization filed by the appellants ( ), as well as to grant the emergency relief requested in the petition for judicial reorganization, ordering: I) that suppliers of essential services refrain from interrupting the supply of goods and services to the Ambipar Group and from creating obstacles of any nature to the regular fulfillment of contractual provisions, based on default on credits subject to judicial reorganization; II) that the respective creditors refrain from enforcing fiduciary guarantees, including the fiduciary assignment of credit rights over any accounts and financial investments,

and from appropriating any funds or financial investments of the Ambipar Group; III) the suspension of the effectiveness of any and all express termination clauses authorizing the termination of contracts essential to the maintenance of the appellants' operations; IV) that creditors refrain from declaring the early maturity of debts related to credits not subject to the effects of judicial reorganization, refraining from seizing, removing, freezing, or otherwise restricting the use of any assets linked to the respective contractual instruments; V) that equipment leasing companies or lessees refrain from blocking, paralyzing, or in any way obstructing the use of equipment that is the subject of the lease agreements indicated by the appellants. Failure to comply with the obligations set forth herein shall result in the imposition of a fine of R$ 100,000.00 for each act of non-compliance, or 5% (five percent) of the contract value, whichever is greater." (emphasis added)

In light of this recognition of jurisdiction "to proceed with the urgency required by the nature of the proceedings" and the granting of the injunctions, they requested an urgent review of the petition for judicial reorganization filed in Event 89.

The Court Clerk's Office (Event 114) certified receipt of the decision issued by the Honorable Judge Mauro Pereira Martins, who, in summary, recognized "the jurisdiction of the 3rda Business Court of the Capital District, to process...", ordering the lower court to review, with due urgency, the filed petition for judicial reorganization. Consequently, the case file was closed.

At the same time, a Petition (event 116) was filed by FLÁVIA YAMADA DOS SANTOS RAMOS and MAIKE YAMADA DOS SANTOS, claiming to be shareholders holding, jointly, 45% of the capital stock of DRYPOL AMBIPAR ENVIRONMENTAL PET SOLUTIONS S.A., one of the companies included in the plaintiff group of this reorganization. They report that, on July 30, 2021, they sold 55% of DRYPOL's equity to ENVIRONMENTAL ESG PARTICIPAÇÕES S/A, a vehicle of the AMBIPAR Group. They emphasize that DRYPOL has a robust and independent track record as a family-owned business dedicated to its operations and credibility, and, as they maintain, it remained independent and of integrity even after the AMBIPAR Group acquired a stake in its capital stock. Consequently, they argue that DRYPOL's situation is absurd and exceptional, as the company was never authorized to file the preliminary injunction petition filed in its name on September 24, 2025, and now, on October 20, 2025, to file for judicial reorganization and bankruptcy ( ).

They add that the lack of authorization is evident, since, despite the filing of legal documents on behalf of various petitioners, the distinguished attorneys who signed the pleadings do not hold a power of attorney granted by DRYPOL. Furthermore, they maintain that DRYPOL is autonomous, with its own independent activities, and that there are other shareholders with a significant stake (45%), who hold an express right to remain as members of the Board of Directors (Doc. 3, Clause 6.3.1), as well as veto powers on various matters within the jurisdiction of the Extraordinary General Meeting (EGM), including the filing of judicial reorganization. They emphasize that this is not just another SPE of the group, nor is it a company whose reorganization needs to be processed jointly (much less in a substantial consolidation). Finally, they request the rejection of the judicial reorganization proceedings for DRYPOL and, if necessary, the dismissal of the proceedings in substantial consolidation with the other petitioners, ordering that, at least with respect to DRYPOL, the proceedings proceed under procedural consolidation.

Finally, there is a Petition (Event 118), filed by BANCO ABC BRASIL S.A., which states that there is no approval from minority shareholders regarding certain companies of the Group.

This is the report on the status of the proceedings to date, in sufficient detail to guide the rendering of a decision.

I. Preliminary: JURISDICTION

First, it is important to note the following from the case file: Judge Leonardo de Castro Gomes initially affirmed this Court's jurisdiction to hear the case; however, in light of the dispute regarding the principal place of business and in the interest of transparency and the right to be heard, he ordered the parties to submit additional documents to clarify the disputed issues.

Following this order, a decision was rendered by the Honorable Reporting Judge Mauro Pereira Martins in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ, which resolved the dispute and established this Court as having jurisdiction to hear the judicial reorganization case, in the following terms:

"The documentary evidence produced thus far in the proceedings shows that the Ambipar Group, although it operates in several countries and has a significant volume of activities in the State of São Paulo, concentrates the management and execution of the largest volume of business in the State of Rio de Janeiro, a determining factor for the jurisdiction of the court in the judicial reorganization, as can be seen from the following table containing data related to its business activities. The higher volume of business directly impacts revenue, operating income, and profit margin, which, in turn, are substantially higher compared to the performance observed in the State of São Paulo, as can be seen from the following data reported by the debtors: '- City SP: It has Net Operating Revenue (NOR) of 40,634 and Net Income (NI) of 4,984, equivalent to a 12.3% margin. It has 75 employees, resulting in a Net Profit per employee of 66.5. - City, RJ: It stands out as the group's main operation, with Net Operating Revenue of 210,986 and Net Profit of 38,898 (18.4% margin), involving 246 employees. The LL per employee is 158.1, indicating high productivity and a significant concentration of the group's economic operations in this city. - Nova Odessa, SP: It shows negative performance, with a ROL of 131,228 and an LL of -11,020 (an 8.4% margin), employing 243 staff members. The LL per employee is negative (-45.3), indicating that the unit does not generate significant profit and exhibits low operational efficiency. It should be emphasized that the content of the information contained in the documents attached to the case file has not been refuted by any other evidence produced by the interested creditors. From this perspective, it falls to the courts of Rio de Janeiro to jointly hear and decide the petition for judicial reorganization regarding the companies belonging to the same economic group, since, according to documents attached to the case file, the largest volume of business is concentrated here, especially in light of the absence of concrete evidence to the contrary."

In the same vein, the case file contains the opinion of professor and legal scholar Daniel Carnio Costa, which supports the determination of jurisdiction in this court, highlighting, among other points:

"(...)30. According to the understanding of the STJ, the debtor's principal place of business, especially in the case of judicial reorganization of large economic groups, should be the location where the largest volume of business is concentrated, as this criterion generally ensures greater effectiveness and consistency in the judicial reorganization process, the objective of which is the recovery of the company in crisis. 31. In this specific case, it is evident that the Ambipar Group is one of the largest conglomerates in the

environmental sector, operating in 41 countries with over 600 operational bases. The group operates in waste management, material recovery, and environmental emergency response, generating over 23,000 direct jobs and paying approximately R$ 500 million in annual taxes, in addition to serving over 12,000 shareholders both domestically and internationally. 32. According to information provided by the Group, the city of Rio de Janeiro, among all other cities in the country and worldwide, concentrates the majority of the group's operations, generating the highest revenue, operating income, and profit margin. This factor demonstrates that the ability to pay debts—a central element of the reorganization process—is located in this judicial district. RJ also houses significant operational infrastructure for the Group, including bases in Duque de Caxias, at the Port of Açu, and at the Barra da Tijuca airport (where the entire helicopter fleet is located), concentrating strategic activities in the oil and gas, port, and maritime support sectors. Furthermore, the Rio de Janeiro headquarters, located at Rua Lauro Muller, No. 116, 27th Floor, Botafogo, is responsible for managing the group's largest volume of critical business, as it is there that strategic and administrative decisions regarding the most relevant economic operations are concentrated. (...) 47. In light of the information presented, it is concluded that jurisdiction to hear the judicial reorganization of the AMBIPAR Group lies with the Judicial Reorganization Court of the District of Rio de Janeiro (...)" (emphasis added).

In comparison, it is evident that the measures ordered by the Honorable Judge Leonardo Gomes ( ), aimed at strengthening the evidence through adversarial proceedings, contributed to the proper investigation of the matter, subsequently evaluated in the single-judge decision in the second instance, authored by Judge Mauro Martins, who deemed the evidence presented by the Petitioners to be sufficient, following the determination of the trial court, to establish jurisdiction in this District.

Thus, in light of the evidentiary proceedings ordered by the trial court and, consequently, of the decision rendered in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ, in addition to the technical grounds transcribed above, it is hereby established, pursuant to Articles 3 and 69-G, § 2, of Law 11.101/05, that this Commercial Court has jurisdiction to hear the Ambipar Group's petition for judicial reorganization.

2. Regarding the objections raised by the partners of DRYPOL and Banco ABC

Regarding the objections raised by partners MAIKE YAMADA DOS SANTOS and FLÁVIA YAMADA DOS SANTOS RAMOS of the business entity DRYPOL, directed at ENVIRONMENTAL ESG PARTICIPAÇÕES S/A (event 116), as well as the statement by BANCO ABC BRASIL S.A. (event 118), I acknowledge the arguments presented.

It must not be forgotten, however, that the legislature, in Articles 116, sole paragraph, and 122, sole paragraph, both of Law No. 6,404/1976 (Corporation Law), expressly provided for circumstances in which the controlling shareholder may adopt drastic measures for the benefit of a company in crisis.

Having established the normative framework—namely, the controlling shareholder's duty to guide the company toward fulfilling its corporate purpose (Art. 116, sole paragraph) and the standing of the management, with the controlling shareholder's consent, to file for reorganization (Art. 122, sole paragraph)—I now turn to examining the enabling requirement for the measure, namely, urgency.

The urgency justifying the measure is established (i) by the granted preliminary injunction (event 9) and (ii) by the sole-judge decision of Reporting Judge MAURO PEREIRA MARTINS in Interlocutory Appeal No.

3001406-29.2025.8.19.0000/RJ, which emphasized the need for a prompt resolution of the proceedings, lest it "cause uncertainty in the market, with serious economic repercussions and speculation regarding the actual financial condition of the appellants, further exacerbating the crisis of the business group."

Given this framework, and based on Articles 116, sole paragraph, and 122, sole paragraph, of the Brazilian Corporations Law, it is concluded that the urgency required to authorize the filing of a petition for judicial reorganization is established, without prejudice to the Petitioners, within a reasonable period to be set by this Court, convening a general meeting to specifically deliberate on the ratification of the measure and related measures.

3. Procedural and Substantive Consolidation

With regard to the request for substantive consolidation, it is important to note the exceptional nature of the measure, pursuant to Article 69-J, caput and subparagraphs, of the Fiscal Responsibility Law (LRF), and it is certain that its judicial authorization does not require a resolution by the general meeting of creditors.

From a regulatory standpoint, authorization requires: (i) proof of interconnection and commingling between the debtors' assets or liabilities, such that identifying ownership is impractical without excessive expenditure of time or resources; combined with (ii) a demonstration of at least two of the scenarios provided for in the subparagraphs of Article 69-J of the LRF, namely: a) the existence of cross-guarantees; b) a relationship of control or dependence; c) total or partial identity of the corporate structure; d) joint market activity among the applicants.

In this specific case, an analysis of the case file and the arguments put forward by the petitioners demonstrates that these requirements are met. On the one hand, the interconnection and commingling of assets and liabilities have been demonstrated, with particular emphasis on cross-guarantees. This circumstance arises from the very basis of the claim, since the cross-maturity of the debts has a cascading effect on the entire group, such that a reorganization petition filed by one company triggers the enforcement of guarantees and the early maturity of the obligations of others, as argued by the petitioners and evidenced in Annex 9 ("DOC 8") of Event 89.

Furthermore, from the perspective of the relationship of control and dependence, the organizational chart contained in Annex 8 ("DOC 6") of Event 89 clearly and objectively demonstrates the control exercised by the holding company over various group companies, as well as the integration of their governance. In this scenario, the segregation of assets and liabilities would require an excessive expenditure of time and resources, as already noted by this Court in the decision of Event 96.

Given this situation, a refusal to proceed with substantial consolidation would result in significant legal uncertainty, as the isolated recovery of one company, in a context of cross-guarantees and interlinked maturities, tends to precipitate the insolvency of the others.

Consequently, considering the evidence presented and having verified the requirements of Article 69-J, caput and subparagraphs I and II, of the LRF, the request for substantial consolidation must be granted.

4. Requirements for Granting the Request for Substantial Consolidation

Having recognized the possibility of substantial consolidation under the terms of Article 69-J of Law 11.101/05, I now proceed to examine compliance with the legal requirements for the processing of this judicial reorganization.

The evidence in the case file clearly demonstrates the causes of the economic and financial crisis, since, after Mr. João Arruda joined AMBIPAR PARTICIPAÇÕES as CFO, it became evident that the swap contracts originally entered into with Bank of America were transferred to Deutsche Bank and subsequently amended to provide for the possibility of payment in kind using the Green Bonds issued by AMBIPAR LUX abroad. With this amendment, an element of a speculative nature was introduced, whereas the preceding adjustments were non-speculative in nature and limited to currency hedging, as set forth in the initial petition.

The consistency of the evidentiary record is evident in the charts in item 113 of Exhibit 89, when compared with the accompanying documentation, which reveal anomalous volatility in the Green Bonds and, upon preliminary review, point to a possible orchestrated attack, given the sharp decline shown in the material.

Following this turning point, Deutsche Bank began requiring AMBIPAR PARTICIPAÇÕES to provide additional collateral at levels higher than those originally stipulated in the swaps, ultimately demanding a capital injection of R$ 60 million, under penalty of automatic and early maturity of the derivative contracts and the resulting USD 35 million loan signed with the institution itself.

This acceleration, in turn, triggered a chain reaction among other financial institutions, driven by fears of systemic default within the Ambipar Group—a dynamic explained by the inclusion, in the Group's financial contracts, of cross-default clauses, whereby the acceleration of one obligation has ripple effects on the others.

In this context, the granted preliminary injunction (event 9) proved, and remains, indispensable to the preservation of business operations: the absence of the protection afforded by Law 11.101/05 would reveal a high probability of the immediate collapse of a conglomerate of undeniable economic significance.

It should also be noted that the petitioners demonstrated, clearly and objectively, that the trigger for the crisis stemmed from specific mismanagement, allegedly attributable to Mr. João Arruda, in his capacity as CFO of AMBIPAR PARTICIPAÇÕES. Nevertheless, the feasibility of overcoming the situation was simultaneously demonstrated, since, given the adequate financial and cash flow health, the extensive payroll, obligations to suppliers and financial institutions, and the payment of taxes in the approximate annual amount of R$ 500,000,000.00 remained in good standing.

Added to this economic component is the institutional aspect: the turnaround is projected through the possibility of renegotiating liabilities with creditors, enabling the continuity of production and employment. As highlighted in the initial petition, the Ambipar Group has a distinguished track record in environmental management, promoting sustainable development and the preservation of 2.5 million hectares in the Amazon Rainforest.

From a principled perspective, granting the petition aligns with Article 47 of the Fiscal Responsibility Law (preservation of the company) and, furthermore, serves to protect investors' interests and the stability of the capital markets: since the companies undergoing reorganization are issuers with shares available on the stock market, the judicial uncertainty regarding the proceedings, as long as it persists, creates instability that affects price formation and allocation decisions, with potentially deleterious effects on the liquidity and value of the securities. A prompt judicial resolution, therefore, not only preserves the company and economic activity but also mitigates information asymmetries and protects investor confidence.

Under these conditions, the elements characterizing the initiation of judicial reorganization proceedings are present, pursuant to Article 51, I, of Law 11,101/05.

With regard to the documentation required by Articles 48 and 51 of the LRF, the petitioners indicated, in items 140/141, the "docs" corresponding to the respective subparagraphs, although with numbering that does not correspond exactly.

Once the clerical error was corrected, the documents were located, in chronological order, in event 90, "others," items 17, 18, 19, 20, and 21; the list of creditors is contained in event 89, "others," item 12.

The certificates from the protest registries located at the headquarters and branches of the petitioners were identified in event 90, "other," item 35; and the list of all legal actions and arbitration proceedings (including those of a labor nature), as well as other relevant documents, are contained in Exhibit 90, "Others," items 39, 40, 41, and 42.

As for subparagraphs IV, VI, and VII of Article 51 of the LRF and the management cash flow report, this Court, in its decision regarding Exhibit 97, item 7, authorized their filing under seal, emphasizing the inappropriateness of filing them with a notary's office, a decision that is hereby upheld in its entirety.

It should be noted that the petitioners have demonstrated the regular exercise of activities for more than two (2) years, satisfying Article 48 of Law 11.101/05, as well as the cumulative requirements of its subparagraphs I, II, III, and IV; likewise, the requirements of Article 69-J, main text and subparagraphs, of Law 11.101/05 have been met.

Finally, considering the need to preserve the company as a producer of goods and services, its importance in generating tax revenue and jobs, as well as the body of evidence contained in the case file, I GRANT THE PETITION FOR JUDICIAL RECOVERY of the AMBIPAR GROUP, IN SUBSTANTIAL CONSOLIDATION, pursuant to Article 69-J of the Fiscal Responsibility Law (LRF). comprising the following companies: (1) AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S.A., a company registered with the CNPJ under No. 12.285.662/0001-34, with its headquarters in the State of Rio de Janeiro, in the City of Rio de Janeiro, at Rua Lauro Muller, No. 116, Botafogo neighborhood, ZIP Code 22.290-160; (2) AMBIPAR CBL INDÚSTRIA E COMÉRCIO DE MANUFATURADOS S.A., a corporation registered with the CNPJ under No. 08.607.957/0001-02, with headquarters in the State of Paraná, in the City of São José dos Pinhais, at Rua Wenceslau Marek, No. 63, Águas Belas neighborhood, ZIP Code 83.010-520; (3) AMBIPAR CERTIFICATION LTDA., a limited liability company registered with the CNPJ under No. 39.658.648/0001-95, with headquarters in the State of São Paulo, in the City of São Paulo, at Avenida Angélica, No. 2,346, Consolação neighborhood, ZIP Code 01.228-200; (4) AMBIPAR COMPLIANCE SOLUTIONS S.A., a corporation registered with the CNPJ under No. 86.450.624/0001-26, headquartered in the State of Minas Gerais, in the City of Belo Horizonte, at Avenida do Contorno, No. 6,594, Savassi neighborhood, ZIP Code 30.110-044; (5) AMBIPAR C-SAFETY COMÉRCIO, INDÚSTRIA E SERVIÇOS LTDA., a limited liability company registered with the CNPJ under No. 22.036.291/0001-00, headquartered in the State of Rio de Janeiro, in the City of Niterói, at Rua Manoel Pacheco de Carvalho, No. 102, Centro neighborhood, ZIP Code 24.030-290; (6) AMBIPAR ECO PRODUCTS S.A., a corporation registered with the CNPJ under No. 02.941.454/0001-92, headquartered in the State of São Paulo, in the City of Nova Odessa, on Anhanguera Highway, S/N, Industrial Production

eighty) calendar days, with the case files remaining in the court of origin, except in the cases provided for in paragraphs 1, 2, and 7 of Article 6, as well as those relating to claims exempted in paragraphs 3 and 4 of Article 49 of the same law. To prevent misinterpretations, I hereby establish September 24, 2025 (the date of filing of the preceding preliminary injunction) as the effective date of this judicial reorganization.

B) I ratify the effects of the preliminary injunction granted in Event 9 and endorsed by the Honorable Reporting Judge Mauro Pereira Martins, in a sole-judge decision in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ. For proper publicity and understanding, I reproduce the content of Event 9, noting that the suspension shall remain in effect during the stay period. Thus, during this period:

i) the enforceability and the running of the statute of limitations for the claims and obligations (including obligations to do, not to do, and to deliver) of the petitioners and related parties, whose triggering events coincide with or precede the date above, are suspended;

ii) enforcement proceedings and any collection measures against the petitioners and related parties regarding claims or obligations (including obligations to perform, refrain from performing, and deliver) whose triggering events coincide with or precede the aforementioned date are suspended;

iii) Any form of withholding, attachment, seizure, search and seizure, and judicial or extrajudicial enforcement against the assets of the petitioners and their related parties, arising from judicial or extrajudicial proceedings with triggering events occurring on or prior to the same date, is prohibited.

C) In accordance with the emergency relief granted in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ, I hereby give full publicity to the appellate court's decision and ratify it, ordering:

i) that providers of essential services refrain from interrupting the supply of goods and services to the AMBIPAR GROUP and from creating obstacles of any nature to the regular fulfillment of contractual provisions, based on default on credits subject to judicial reorganization;

ii) that creditors refrain from enforcing fiduciary guarantees, including the fiduciary assignment of credit rights over any accounts and financial investments, as well as from appropriating any funds and financial investments of the Ambipar Group;

iii) the suspension of the effectiveness of any and all express termination clauses authorizing the termination of contracts essential to the maintenance of the appellants' operations;

iv) creditors to refrain from declaring the early maturity of debts related to credits not subject to the effects of judicial reorganization, and to refrain from seizing, removing, freezing, or otherwise restricting the use of assets linked to the respective contractual instruments;

v) equipment lessors or lessees, who shall refrain from blocking, paralyzing, or in any way obstructing the use of equipment that is the subject of the lease agreements indicated by the appellants. Failure to comply with the obligations set forth herein shall result in a fine of R$ 100,000.00 per act of non-compliance, or 5% (five percent) of the contract value, whichever is greater.

IV - FOREIGN REPRESENTATIVE (ART. 167-B OF THE LRF)

Pursuant to Article 167-B, paragraph 1, item IV, of the LRF, I hereby appoint Mr. Ricardo Rosanova Garcia, a Brazilian citizen, single, administrator, ID No. 21.152.028-7 SSP/SP, CPF No. 259.792.868-37, as the foreign representative of any Applicant, so that, if necessary, he may appear before foreign authorities and act in foreign debt restructuring proceedings in any jurisdiction where such action proves necessary or

useful, including, without limitation, judicial reorganization or similar insolvency proceedings, whether principal, non-principal, or ancillary proceedings, in accordance with the applicable laws of the respective jurisdictions.

V - SUBMISSION OF MONTHLY ACCOUNTS

I hereby order that the companies undergoing judicial reorganization submit monthly financial statements throughout the entire judicial reorganization process, by the fifth business day of the following month, and forward a copy to the Joint Judicial Administration within the same timeframe, in compliance with Article 22, II, "c," of the Fiscal Responsibility Law (LRF), under penalty of removal of their administrators.

VI - NOTIFICATIONS

I order that the Public Prosecutor's Office and the Federal, State, and Municipal Treasury Offices in the jurisdictions where the companies under reorganization conduct business activities be served with summonses. Pursuant to Article 6 of the Code of Civil Procedure (CPC), I order that the companies under reorganization list, in a separate petition, all municipalities in which they operate, for the purpose of serving summonses on the respective entities.

VII - OFFICIAL LETTERS TO THE COMMERCIAL REGISTRIES

Official letters shall be sent to the competent Commercial Registries to record the petition for reorganization in their respective registries, and the phrase "under Judicial Reorganization" must appear after the business name. Pursuant to Article 6 of the CPC, I hereby order the companies undergoing reorganization to list, in a separate petition, the Commercial Registries to which such letters are to be sent.

VIII - PUBLICATION OF THE NOTICE

I order the issuance and publication of the notice provided for in Article 52, Paragraph 1 of the , of Law No. 11,101/2005, subject to the substantial consolidation of this judicial reorganization.

IX - ADMINISTRATIVE REGISTRATION

I hereby order that creditors, as of the publication of the notice referred to in Article 52, § 1, of Law No. 11,101/2005, submit, within fifteen (15) days, their claims or objections to the Joint Judicial Administration, which shall take into account that this is a judicial reorganization in substantial consolidation. The period is calculated in calendar days.

X - PUBLICATION OF THE LIST OF CREDITORS BY THE JUDICIAL ADMINISTRATION

Pursuant to Article 7, Paragraph 2, of the LRF, the judicial administrator, based on the information and documents collected in accordance with the caput and Paragraph 1 of Article 7, shall publish a notice containing the list of creditors within 45 (forty-five) days from the end of the period set forth in § 1 of Article 7, indicating the location, time, and common period during which the persons mentioned in Article 8 will have access to the documentation supporting the list, with the period being counted in calendar days. The Judicial Administration must observe the substantial consolidation.

XI - OBJECTIONS

A creditor who challenges the list presented by the Judicial Administration (Article 7, § 2) must FILE THE CHALLENGE BY DEPENDENCY in EPROC as a PROCEDURAL MOTION, within ten (10) days, pursuant to Art. 8 of the LRF, and the proceedings shall be conducted in accordance with Art. 13 et seq. I emphasize that the filing of an objection in the main case file is PROHIBITED and shall be deemed

untimely, as it constitutes a gross error, noting that the deadline is calculated in calendar days.
The court clerk's office is hereby authorized to exclude, by means of a certificate and regardless of the conclusion, objections improperly filed in these main case records.

XII - LATE FILINGS

Late claims must be filed BY DEPARTMENT, directly in EPROC, as a PROCEDURAL MOTION, pursuant to Article 10, paragraphs 5 and 6, of Law No. 11,101/2005. The filing of claims in these main case files is PROHIBITED.
The court clerk's office is hereby authorized to exclude, by means of a certificate and regardless of the outcome, qualifications improperly submitted in the main case.

XIII - SUBMISSION OF THE PLAN

The companies undergoing reorganization must submit their reorganization plans within 60 (sixty) days from the publication of this decision, in compliance with the requirements of Article 53 of Law No. 11,101/2005 and the existence of substantial consolidation, noting that the period is calculated in calendar days.
Upon submission, they must provide the draft of the public notice in Microsoft Word format and pay the court costs.

XIV - OBJECTIONS

Objections to the plan shall be filed in this case within 30 (thirty) days from the publication of the list of creditors referred to in Article 7, § 2, of the LRF. The period is calculated in c y calendar days.

XV - NON-INTERVENTION

To ensure procedural speed and efficiency and to avoid disruption to the regular progress of the case, the INTERVENTION of creditors and interested third parties in the main case file of this judicial reorganization is LIMITED, except where expressly permitted by law (e.g., filing of objections or appeals).
Any request unrelated to the regular proceedings must be filed separately, as an incidental proceeding, addressed to the Debtors, the Court-Appointed Administrator, and the Public Prosecutor's Office.

XVI - SUMMONSES

It is PROHIBITED to record, in these proceedings, the attorneys for all creditors and interested parties; it is their responsibility to monitor the progress of the case on the website of this Honorable Court of Justice, with service of process for procedural acts being effected by publication in the electronic Official Gazette (D.O.).

XVII - JUDICIAL ADMINISTRATION

Considering the particularities of this case, this Judge notes that she does not, as a rule, adopt the competitive process system for the appointment of the Judicial Administrator, as provided for in Event 9.
However, acting in this case in lieu of the Judge responsible for proceeding with the case, I deem it necessary to preserve the method determined by him and already underway, thereby upholding the guidance of the competent court and avoiding legal uncertainty.
Conversely, Article 52, I, of the LRF imposes on the Court, upon granting the proceeding, the duty to appoint a Judicial Administrator. Thus, to comply with the legal provision, I will proceed to appoint a Judicial Administrator from among those listed in Item 9 to serve provisionally until the conclusion of the

competitive process. Nevertheless, in the final analysis of the competitive process, the presiding judge may, if deemed appropriate, appoint two Judicial Administrators, in accordance with the principles of established case law in this court of justice.

I further note this Judge's understanding regarding the advisability of joint appointment in judicial reorganizations of recognized magnitude and complexity. The Court's consistency with its own decisions, incidentally, is a source of legal certainty. In a similar case, that of Clube de Regatas Vasco da Gama/Vasco SAF, I granted the appointment of two Judicial Administrators, a solution that, although challenged by the Public Prosecutor's Office, was upheld on appeal by Judge Cesar Felipe Cury (AI No. 0020234-27.2025.8.19.0000), precisely due to the complexity of the case and the need for greater oversight efficiency without increasing costs.

In this regard, although the State Public Prosecutor's Office typically opposes joint appointments, alleging a lack of express provision, the Court of Justice of the State of Rio de Janeiro has permitted the measure in highly complex cases, in line with the precedents: AI No. 0009137¬98.2023.8.19.0000 (Oi Group), reported by Judge Mônica Maria Costa Di Piero, and AI No. 0002604¬26.2023.8.19.0000 (Lojas Americanas), reported by Judge Leila Santos Lopes.

In these rulings, the possibility of joint action was established, without additional compensation, when duly justified by the scope of the case, the multidisciplinary nature required, and the pursuit of efficiency and transparency in oversight, in addition to the express division of tasks communicated to the Court.

In the same vein, the Center for Studies and Debates (CEDES)/TJRJ-Business Law approved Statement No. 1, establishing that "The joint appointment of more than one Judicial Administrator in the processing of judicial reorganization is permissible, duly justified by the Court due to complexity and when the structure of the economic group or the multiplicity of establishments justifies a clear division of functions, provided that the provisions of Art. 24, § 1, of Law 11,101/2005 and Art. 5, §§ 3 and 4, of Resolution 393/2021/CNJ are observed." (emphasis added).

It should also be noted that this practice is observed in other courts in large-scale/complex reorganization cases, such as in the Judicial Reorganizations of Samarco Mineração, case no. 5046520-86.2021.8.13.0024 and Cruzeiro Esporte Clube, case no. 5145674-43.2022.8.13.0024.

In light of this, I share the view that, in scenarios such as the present one, the appointment of two Judicial Administrators tends to provide greater transparency, specialization, and efficiency, without undue concentration of fees and with gains in technical quality and accessibility for creditors.

Remuneration, in accordance with my approach, should be divided in the proportion of 50% for each administration, so as to prevent additional burdens on the companies undergoing reorganization and harm to creditors.

As for the selection criteria, in accordance with the standards promoted by the CNJ and this Honorable Court (transparency and rotation), I adopt: a) necessary and proven expertise for highly complex proceedings; b) the Court's confidence in the administrator's performance; c) absence of prior appointment by this Judge, prioritizing diversity; d) absence of more than four simultaneous appointments in this Court.

In accordance with the decision in Item 9, the selection will provisionally fall, from among the nominees, on: (1) VPJ Judicial Administration (CNPJ 55.870.751/0001-50), in the person of Dr. Victor Saraiva Torres;

(2) Neves, Figueiredo, Cerqueira e Souza, represented by Dr. Athos de Andrade Figueira Neves (OAB/RJ 211747); (3) Augusto Alves Moreira Neto (Gomes de Mattos Advogados Associados); (4) Carapetcov Judicial Administration, represented by Dr. Thiago Carapetcov (OAB/RJ 151772).

A) The necessary and proven expertise to handle highly complex cases

I have not yet had access to the résumés of all the Administrators listed, since the deadline for the competitive process is November 3, 2025. For the sake of fairness, I am exceptionally omitting this criterion in this provisional selection.

B) The Court's confidence

Pursuant to Article 5, paragraph 1, of CNJ Resolution 393/2021 and Article 6, paragraph 1, of CGJ Provision 38/2022, I note prior knowledge of the performance of the Neves, Figueiredo, Cerqueira, and Souza Judicial Administration (appointments made by another Judge in the 4th Commercial Court), with a positive assessment regarding collaboration, diligence, and integrity.

Regarding Dr. Thiago Carapetcov, when this Judge presided over the 4th Commercial Court, his conduct was found to be ethical, upright, and cooperative in the reorganization of Real Distribuidora Única Rio Comércio de Refrigeração Ltda., with continuous and effective communication with the Court, although he was appointed by another Judge.

Regarding the others, there was no opportunity for direct evaluation, which is why the experience and trust assessed in relation to that Administration and the aforementioned professional support the provisional selection of one of the two to serve until the conclusion of the competitive process.

C) Regarding the absence of a prior appointment by this Judge

There was a prior appointment of the Neves, Figueiredo, Cerqueira, and Souza Administration by this Judge in case 0080942-85.1998.8.19.0001. In turn, Carapetcov Judicial Administration, although it has this Court's confidence regarding the performance of Mr. Thiago Carapetcov, has not yet been appointed by this Judge.

Based on logical, objective, and transparent criteria—and to promote diversity in representation—I deem it appropriate to appoint Carapetcov Judicial Administration on a provisional basis until the conclusion of the competitive process.

D) Regarding the absence of appointment in more than four judicial reorganizations before this Court

I verified, through an internal review, that Carapetcov Judicial Administration has not acted in more than four judicial reorganizations before this Court, pursuant to Article 6, Paragraph 3, of CGJ Provision 38/2022.

For the foregoing reasons, I APPOINT, ON A PROVISIONAL BASIS, until the conclusion of the competitive process, CARAPETCOV ADMINISTRAÇÃO JUDICIAL (CNPJ 60.437.945/0001-05), with address at Praça Quinze de Novembro, room 502, Centro - RJ, sup.r.mercado 12, represented by THIAGO CARAPETCOV (OAB/RJ 151772), email: [thiago@carapetcovaj .com.br] (mailto:thiago@carapetcovaj.com.br).

Without prejudice, and as previously stated, in the final analysis of the competitive process, the presiding judge may, if deemed appropriate, appoint two Judicial Administrators, in accordance with the principles of established case law in this court of justice and the aforementioned judgments.

To the court clerk's office to notify the Judicial Administrator so that, within 24 (twenty-four) hours, he may express his acceptance and execute the appropriate document.
Upon acceptance, please notify, via email [dgfaj.diaaiauxjus@tjrj.jus.br] (mailto:dgfaj.diaaiauxjus@tjrj.jus.br), the Division of Monitoring and Analysis of Indicators (DIAAI/CGJ), in accordance with CGJ Provision No. 22/2023. Finally, considering the ongoing competitive process, I hereby waive the application of CNJ Recommendation No. 141/2023 of the .
XV II.1 - The Provisional Judicial Administration is hereby advised that the remuneration for the provisional assignment, to be subsequently determined by the Court, must include all expenses related to external professionals (lawyers, accountants, economists, and similar professionals) and other administrative costs necessary for the proper processing of the case, bearing in mind that the appointment decision will only become final upon the conclusion of the competitive process to be analyzed with the final submission of documents.
XV II.2 - Pursuant to Article 22, III, "c," of the LRF, the Provisional Judicial Administration must submit, in this main proceeding, a monthly report on the progress of the activities of the companies undergoing reorganization by the 20th (twentieth) day of the following month.
XV II.3 - The Judicial Administration shall submit, within thirty (30) business days, a detailed report in this main proceeding covering the companies' activities (financial and economic aspects), in order to demonstrate to the Court and the creditors the actual financial condition of the companies undergoing reorganization.
XV II.4 - The Judicial Administration shall provide a specific email address and ensure, within a maximum of 15 (fifteen) days, responses to official communications and requests from other courts and public agencies, regardless of prior judicial decision. Upon submission of the email address, the court clerk's office is authorized to forward communications directly to the Judicial Administration, pursuant to Article 22, I, "m," of Law 11.101/2005.
XV II.5 - Failure to comply with procedural obligations may result in the replacement or removal of the Judicial Administration, as appropriate.
XVIII - REQUEST FOR SUBMISSION OF A COMPLETE LIST OF EMPLOYEES
With regard to requests for confidentiality concerning the documents referred to in Article 51, items IV, VI, and VII, of the LRF, I order that the companies undergoing reorganization file a separate procedural motion and attach the relevant documents within 48 (forty-eight) hours, and must then file a motion in this case to provide the case number of the procedural motion, which shall be processed under judicial secrecy.
With regard to subparagraphs IV and VII, there is an unequivocal interest on the part of creditors, duly listed or qualified in a timely manner, in knowing the debtor's workforce (identification, positions, and compensation), as well as the data necessary for economic and financial scrutiny, in order to comprehensively assess the viability of the PRJ.
On the other hand, the reorganization proceeding cannot be turned into a means of indiscriminate access, by third parties unrelated to the case, to employees' private data and to the banking and tax information of the companies undergoing reorganization.
It is therefore necessary to balance (i) the right of creditors, who hold the prerogative to approve or reject

the PRJ, to access information indispensable to forming their decision, and (ii) the protection of workers' privacy and personal life, as well as the debtors' banking and tax confidentiality. This balancing results in the following rule: the confidentiality of the documents provided for in Article , items IV and VII, will be lifted only for creditors with voting rights, who may access them to inform their decision regarding the PRJ.
To avoid procedural disruption, interested creditors—that is, those eligible to approve or reject the PRJ—must request the documents under items IV and VII directly from the Judicial Administration. It shall be incumbent upon the Judicial Administration to make them available within 48 (forty-eight) hours from receipt of the request, regardless of any new court order, and to notify the companies undergoing reorganization of the list of parties that have obtained access. In the event of a refusal, the Judicial Administration must immediately submit to this Court the reasons for not making the documents available.
In turn, with respect to the personal assets of administrators and controlling partners (Art. 51, VI), confidentiality remains absolute. The disclosure of this information does not contribute to the proper conduct of this reorganization and, on the contrary, unnecessarily exposes the security and privacy of the administrators and controlling partners, emphasizing that this confidentiality, obviously, will apply to the Judiciary, the Public Prosecutor's Office, and the appointed Judicial Administration, an auxiliary of the Court.
To the Registry to amend the procedural classification, since the judicial reorganization has been granted.
Publish. Notify the parties.
Forward to the Public Prosecutor's Office.

5.1.1 A Companhia fica autorizada, por intermédio de qualquer de seus diretores ou procuradores com poderes para tanto nos termos de seu Estatuto Social e/ou documentos de representação, com plenos poderes de subdelegação, em nome e por conta da Companhia (cada qual, uma "Pessoa Autorizada"), a praticar todos os atos necessários ou convenientes para que a Companhia celebre, execute, entregue, certifique, protocole e/ou registre o Acordo de Apoio substancialmente na forma apresentada aos membros do Conselho de Administração previamente à esta reunião, bem como quaisquer outros documentos, contratos, instrumentos e certidões exigidos pelo Acordo de Apoio.

5.1.2 A Companhia fica autorizada, por intermédio de qualquer Pessoa Autorizada, a praticar todos os atos e firmar, celebrar, executar, entregar, emitir ou protocolar, junto a quaisquer pessoas, inclusive autoridades governamentais, todos os contratos, documentos, instrumentos, certidões, consentimentos ou renúncias, e respectivos aditivos, bem como a efetuar ou causar a efetivação de todos os pagamentos necessários ou convenientes para a execução do Acordo de Apoio e das operações de reestruturação previstas nele e em seus anexos, conforme o caso ("Operações de Reestruturação"), servindo a prática de tais atos como prova conclusiva da referida autorização.

5.1.3 A Companhia fica autorizada, por intermédio de qualquer Pessoa Autorizada, a celebrar quaisquer *(a)* contratos pelos quais uma afiliada da Companhia forneça recursos para o pagamento de honorários profissionais e outros custos associados ao Acordo de Apoio e às Operações de Reestruturação, e/ou *(b)* contratos com quaisquer terceiros, ou quaisquer operações, para a prestação de serviços ou contratação de seguros relacionados ao Acordo de Apoio e às Operações de Reestruturação ("Documentos Acessórios"), bem como a praticar todos os atos e efetuar todos os pagamentos que considere necessários ou convenientes para dar cumprimento ao ora deliberado.

5.1.4 Ficam ratificados e aprovados, em todos os seus termos, todos os atos anteriormente praticados pela Companhia ou por qualquer Pessoa Autorizada em conexão com o Acordo de Apoio ou as Operações de Reestruturação, incluindo, sem limitação, a assinatura de quaisquer contratos, deliberações, cartas, notificações, certidões, recibos, autorizações, instruções, liberações, renúncias, procurações e demais documentos, bem como o pagamento de quaisquer honorários e despesas correlatos.

5.2 Aprovar a nomeação do Sr. Thiago da Costa Silva, Diretor Financeiro da Companhia, como Representante Estrangeiro nos termos da seção 101(24) do US Bankruptcy Code, com poderes para representar a Companhia no âmbito dos Chapter 15 Proceedings junto ao Tribunal Norte-Americano, ficando o Representante Estrangeiro autorizado a praticar todos os atos necessários, em nome e por conta da Companhia, para a obtenção das medidas requeridas nos Chapter 15 Proceedings, bem como quaisquer outras medidas correlatas consideradas prudentes e em conformidade com os termos do Acordo de Apoio, observados, ainda, os termos abaixo descritos.

5.2.1 O Representante Estrangeiro fica autorizado e constituído de poderes para executar e protocolar, em nome e por conta da Companhia, todas as petições, cronogramas, declarações,

moções, listas, requerimentos, peças e demais documentos ("Petições do Chapter 15 Proceedings") no âmbito dos Chapter 15 Proceedings perante o Tribunal Norte-Americano, incluindo a realização de eventuais alterações e acréscimos que o Representante Estrangeiro venha, a seu exclusivo critério, a considerar necessários ou convenientes, ficando reconhecido que a execução e entrega das Petições do Chapter 15 Proceedings pelo Representante Estrangeiro constituirá prova conclusiva de sua aprovação.

5.2.2 O Representante Estrangeiro fica autorizado e constituído de poderes, com plenos poderes de subdelegação, em nome e por conta da Companhia, a praticar e executar todos os atos e providências que considere necessários, convenientes ou desejáveis em conexão com os Chapter 15 Proceedings ou com as Petições do Chapter 15 Proceedings, em conformidade com o Acordo de Apoio, incluindo, sem limitação: *(a)* contratar e manter Kurtzman Carson Consultants, LLC d/b/a Verita Global ("Verita") como agente de informações no âmbito dos Chapter 15 Proceedings; *(b)* celebrar os respectivos contratos de prestação de serviços e pagar os adiantamentos pertinentes à contratação da Verita; e *(c)* negociar, celebrar, entregar, cumprir e protocolar quaisquer documentos, cronogramas, declarações, listas, acordos, certidões, aditivos e/ou instrumentos adicionais em conexão com ou para promover os Chapter 15 Proceedings, com vistas à sua condução bem-sucedida.

5.2.3 O Representante Estrangeiro fica autorizado e constituído de poderes para executar e protocolar, em nome e por conta da Companhia, moção ou adesão (*joinder*) nos autos do Chapter 11 Proceedings, requerendo sua suspensão ou extinção, nos termos e em conformidade com o Acordo de Apoio.

5.2.4 Ficam ratificados e aprovados, em todos os seus termos, todos os atos anteriormente praticados pelo Representante Estrangeiro em conexão com os Chapter 15 Proceedings, incluindo, sem limitação, a assinatura de quaisquer contratos, deliberações, cartas, notificações, certidões, recibos, autorizações, instruções, liberações, renúncias, procurações e demais documentos, bem como o pagamento de quaisquer honorários e despesas correlatos.

5.2.5 Para fins de esclarecimento, fica consignado que a nomeação do Sr. Thiago da Costa Silva nos termos acima é realizada em substituição ao Sr. Ricardo Rosanova Garcia, inicialmente nomeado como representante estrangeiro nos autos do processo de recuperação judicial do Grupo Ambipar, em curso perante o Juízo da 3ª Vara Empresarial da Comarca da Capital do Estado do Rio de Janeiro sob o nº 3014764-58.2025.8.19.0001, tendo em vista que o Sr. Ricardo Rosanova Garcia deixou de exercer cargo de diretor estatutário de quaisquer das entidades do Grupo Ambipar.

6. **ENCERRAMENTO**: Nada mais havendo a ser tratado, foi encerrada a reunião, da qual se lavrou a presente ata que, lida e achada conforme, foi assinada por todos os presentes.

São Paulo, 23 de junho de 2026.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, EMERGENCIA PARTICIPACOES SA (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact EMERGENCIA PARTICIPACOES SA:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: diana.alves@ambipar.com

To advise EMERGENCIA PARTICIPACOES SA of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at diana.alves@ambipar.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from EMERGENCIA PARTICIPACOES SA

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to diana.alves@ambipar.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with EMERGENCIA PARTICIPACOES SA

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to diana.alves@ambipar.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify EMERGENCIA PARTICIPACOES SA as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by EMERGENCIA PARTICIPACOES SA during the course of your relationship with EMERGENCIA PARTICIPACOES SA.

Ambipar Emergency Response

Executive Officer Resolution

Adopted as of June 23, 2026

The undersigned, being the duly appointed chief executive officer and director (the "**Authorized Officers**"), respectively of Ambipar Emergency Response (the "**Company**"), acting jointly, hereby adopt the following resolutions pursuant to and in accordance with the authority granted to them under the Amended and Restated Articles of Association of the Company (the "**Articles of Association**") and the written resolutions of the board of directors of the Company passed on February 9, 2023 (the "**February 2023 Board Resolutions**"):

WHEREAS, pursuant to the Articles of Association and the February 2023 Board Resolutions, the Authorized Officers acting jointly, are authorized and empowered, to bind, or take any actions in the name and on behalf of, the Company;

WHEREAS, the Authorized Officers noted that, pursuant to the decision of the Brazilian Court dated October 30, 2025, rendered in connection with the granting of the processing of the judicial reorganization proceeding (the "**RJ Proceeding**") in Case No. 3014764-58.2025.8.19.0001 before the Third Business Court of the Capital District of Rio de Janeiro (the "**Brazilian Court**"), the Brazilian Court appointed Mr. Ricardo Rosanova Garcia as the foreign representative of the Company (the "**Foreign Representative**");

WHEREAS, the Authorized Officers noted the need to replace Ricardo Rosanova Garcia as the Foreign Representative, on the basis that Ricardo Rosanova Garcia is no longer employed by the Company or any of its affiliates;

WHEREAS the Authorized Officers have determined that it is in the best interests of the Company it to enter into a restructuring support agreement, on or around the date hereof, substantially in the form presented to the Authorized Officers (together with all exhibits and schedules thereto, the "**Restructuring Support Agreement**"), by and among the Company, certain of its affiliates (collectively, the "**Company Parties**"), and the creditors party thereto, pursuant to which, among other things, the Company Parties agree to effectuate certain restructuring transactions on the terms and subject to the conditions set forth therein (the "**Restructuring Transactions**").

WHEREAS, the Authorized Officers have determined that it is in the best interests of the Company to authorize the actions set forth below in furtherance of the foregoing February 2023 Board Resolutions.

NOW, THEREFORE, BE IT RESOLVED, that in accordance with the Articles of Association and the February 2023 Board Resolutions, the Authorized Officers, acting jointly, hereby (a) authorize the execution of the Restructuring Support Agreement and the carry out the actions contemplated by the Restructuring Support Agreement, including the Restructuring Transactions; (b) appoint Thiago da Costa Silva as the Foreign Representative of the Company in respect of the RJ Proceeding, as that term is defined in section 101(24) of the US Bankruptcy Code, to represent the Company in any cases with respect to the Company that may be commenced pursuant to chapter 15 of the US Bankruptcy Code (the "**Chapter 15 Cases**") to seek recognition of the RJ Proceeding pursuant; and (c) authorize the Foreign Representative to take all necessary actions on behalf of the Company to commence the Chapter 15 Cases, if and when appropriate, and to obtain the relief sought therein and any further related relief deemed prudent and consistent with the terms of the Restructuring Support Agreement to be entered into by the Company and its affiliates.

Docusign Envelope ID: 21C9CA13-4E95-81E5-802A-363EE9BEFB78

RESOLVED FURTHER, that the Authorized Officers, acting jointly, hereby authorize and direct any officer, attorney-in-fact, agent, or representative of the Company to prepare, execute, deliver, and file (or cause to be prepared, executed, delivered, and filed) any and all applications, petitions, motions, declarations, certificates, notices, consents, and other documents or instruments, in each case as may be necessary or advisable to effectuate the appointment of Thiago da Costa Silva as the Foreign Representative.

IN WITNESS WHEREOF, the undersigned Authorized Officers have executed this resolution as of the date first written above.

1. DATA, HORA E LOCAL: Realizada no dia 23 de junho de 2026, às 18h30, na sede social da **ENVIRONMENTAL ESG PARTICIPAÇÕES S.A. – EM RECUPERAÇÃO JUDICIAL** ("Companhia"), localizada na Cidade de Nova Odessa, no Estado de São Paulo, na Rodovia Anhanguera, s/n, Km 120, galpão 05, Distrito Industrial I, CEP 13.388-220, de forma exclusivamente digital.

2. CONVOCAÇÃO E PRESENÇA: Dispensadas as formalidades de convocação tendo em vista a presença virtual da totalidade dos membros do Conselho de Administração, nos termos do Estatuto Social da Companhia.

3. MESA: Presidente da Mesa - Sra. Alessandra Bessa Alves de Melo; Secretária da Mesa - Sra. Ana Carolina Britte Bruno.

4. ORDEM DO DIA: Deliberar sobre: **(i)** a forma e os termos do acordo de apoio à reestruturação financeira da Ambipar Participações e Empreendimentos S.A. – Em Recuperação Judicial e de suas afiliadas, incluindo a Companhia (em conjunto denominadas "Grupo Ambipar"), a ser celebrado com determinados credores detentores de parcela relevante do valor de principal agregado em aberto dos *Green Bonds* emitidos pelo Grupo Ambipar com vencimento em 2031 e em 2033 ("Credores Apoiadores"), intitulado *Restructuring Support Agreement* ("Acordo de Apoio"), bem como sobre a celebração do Acordo de Apoio e de seus respectivos anexos e a consumação das operações nele previstas; e **(ii)** a nomeação do Sr. Thiago da Costa Silva, Diretor Presidente e Financeiro da Companhia, como representante estrangeiro da Companhia ("Representante Estrangeiro") em relação à recuperação judicial do Grupo Ambipar atualmente em curso ("Recuperação Judicial"), nos termos da seção 101(24) do US Bankruptcy Code, com poderes para representar a Companhia nos Chapter 15 Proceedings junto ao United States Bankruptcy Court for the Southern District of Texas ("Tribunal Norte-Americano").

5. DELIBERAÇÕES: Prestados os esclarecimentos necessários, após análise dos documentos referentes às matérias constantes da ordem do dia da presente reunião, os membros do Conselho de Administração presentes, por unanimidade de votos e sem quaisquer restrições, deliberaram o quanto segue:

5.1. Aprovar, em todos os seus termos, *(a)* a forma e os termos do Acordo de Apoio, incluindo todos os anexos e cronogramas a ele relativos; *(b)* a celebração e cumprimento do Acordo de Apoio e de seus anexos pela Companhia, e *(c)* a consumação das operações previstas no Acordo de Apoio e em seus anexos, com eventuais alterações e acréscimos que qualquer Pessoa Autorizada (conforme definido abaixo) venha, a seu exclusivo critério, a considerar necessários ou convenientes, ficando reconhecido que a assinatura do Acordo de Apoio e de seus anexos constituirá prova conclusiva de sua aprovação, observados, ainda, os termos abaixo descritos.

Docusign Envelope ID: AED4A17A-AF70-8D80-820D-885E24EFEBA7

5.1.1. A Companhia fica autorizada, por intermédio de qualquer de seus diretores ou procuradores com poderes para tanto nos termos de seu Estatuto Social e/ou documentos de representação, com plenos poderes de subdelegação, em nome e por conta da Companhia (cada qual, uma "Pessoa Autorizada"), a praticar todos os atos necessários ou convenientes para que a Companhia celebre, execute, entregue, certifique, protocole e/ou registre o Acordo de Apoio substancialmente na forma apresentada aos membros do Conselho de Administração previamente à esta reunião, bem como quaisquer outros documentos, contratos, instrumentos e certidões exigidos pelo Acordo de Apoio.

5.1.2. A Companhia fica autorizada, por intermédio de qualquer Pessoa Autorizada, a praticar todos os atos e firmar, celebrar, executar, entregar, emitir ou protocolar, junto a quaisquer pessoas, inclusive autoridades governamentais, todos os contratos, documentos, instrumentos, certidões, consentimentos ou renúncias, e respectivos aditivos, bem como a efetuar ou causar a efetivação de todos os pagamentos necessários ou convenientes para a execução do Acordo de Apoio e das operações de reestruturação previstas nele e em seus anexos, conforme o caso ("Operações de Reestruturação"), servindo a prática de tais atos como prova conclusiva da referida autorização.

5.1.3. A Companhia fica autorizada, por intermédio de qualquer Pessoa Autorizada, a celebrar quaisquer *(a)* contratos pelos quais uma afiliada da Companhia forneça recursos para o pagamento de honorários profissionais e outros custos associados ao Acordo de Apoio e às Operações de Reestruturação, e/ou *(b)* contratos com quaisquer terceiros, ou quaisquer operações, para a prestação de serviços ou contratação de seguros relacionados ao Acordo de Apoio e às Operações de Reestruturação ("Documentos Acessórios"), bem como a praticar todos os atos e efetuar todos os pagamentos que considere necessários ou convenientes para dar cumprimento ao ora deliberado.

5.1.4. Ficam ratificados e aprovados, em todos os seus termos, todos os atos anteriormente praticados pela Companhia ou por qualquer Pessoa Autorizada em conexão com o Acordo de Apoio ou as Operações de Reestruturação, incluindo, sem limitação, a assinatura de quaisquer contratos, deliberações, cartas, notificações, certidões, recibos, autorizações, instruções, liberações, renúncias, procurações e demais documentos, bem como o pagamento de quaisquer honorários e despesas correlatos.

5.2. Aprovar a nomeação do Sr. Thiago da Costa Silva, Diretor Presidente e Financeiro da Companhia, como Representante Estrangeiro nos termos da seção 101(24) do US Bankruptcy Code, com poderes para representar a Companhia no âmbito dos Chapter 15 Proceedings junto ao Tribunal Norte-Americano, ficando o Representante Estrangeiro autorizado a praticar todos os atos necessários, em nome e por conta da Companhia, para a obtenção das medidas requeridas nos Chapter 15 Proceedings, bem como quaisquer outras medidas correlatas consideradas prudentes e em conformidade com os termos do Acordo de Apoio, observados, ainda, os termos abaixo descritos.

5.2.1. O Representante Estrangeiro fica autorizado e constituído de poderes para executar e protocolar, em nome e por conta da Companhia, todas as petições, cronogramas, declarações, moções, listas, requerimentos, peças e demais documentos ("Petições do Chapter 15 Proceedings") no âmbito dos Chapter 15 Proceedings perante o Tribunal Norte-Americano, incluindo a realização de eventuais alterações e acréscimos que o Representante Estrangeiro venha, a seu exclusivo critério, a

Docusign Envelope ID: AED4A17A-AF70-8D80-820D-885E24EFEBA7

considerar necessários ou convenientes, ficando reconhecido que a execução e entrega das Petições do Chapter 15 Proceedings pelo Representante Estrangeiro constituirá prova conclusiva de sua aprovação.

5.2.2. O Representante Estrangeiro fica autorizado e constituído de poderes, com plenos poderes de subdelegação, em nome e por conta da Companhia, a praticar e executar todos os atos e providências que considere necessários, convenientes ou desejáveis em conexão com os Chapter 15 Proceedings ou com as Petições do Chapter 15 Proceedings, em conformidade com o Acordo de Apoio, incluindo, sem limitação: *(a)* contratar e manter Kurtzman Carson Consultants, LLC d/b/a Verita Global ("Verita") como agente de informações no âmbito dos Chapter 15 Proceedings; *(b)* celebrar os respectivos contratos de prestação de serviços e pagar os adiantamentos pertinentes à contratação da Verita; e *(c)* negociar, celebrar, entregar, cumprir e protocolar quaisquer documentos, cronogramas, declarações, listas, acordos, certidões, aditivos e/ou instrumentos adicionais em conexão com ou para promover os Chapter 15 Proceedings, com vistas à sua condução bem-sucedida.

5.2.3. O Representante Estrangeiro fica autorizado e constituído de poderes para executar e protocolar, em nome e por conta da Companhia, moção ou adesão (*joinder*) nos autos do Chapter 11 Proceedings, requerendo sua suspensão ou extinção, nos termos e em conformidade com o Acordo de Apoio.

5.2.4. Ficam ratificados e aprovados, em todos os seus termos, todos os atos anteriormente praticados pelo Representante Estrangeiro em conexão com os Chapter 15 Proceedings, incluindo, sem limitação, a assinatura de quaisquer contratos, deliberações, cartas, notificações, certidões, recibos, autorizações, instruções, liberações, renúncias, procurações e demais documentos, bem como o pagamento de quaisquer honorários e despesas correlatos.

5.2.5. Para fins de esclarecimento, fica consignado que a nomeação do Sr. Thiago da Costa Silva nos termos acima é realizada em substituição ao Sr. Ricardo Rosanova Garcia, inicialmente nomeado como representante estrangeiro nos autos do processo de recuperação judicial do Grupo Ambipar, em curso perante o Juízo da 3ª Vara Empresarial da Comarca da Capital do Estado do Rio de Janeiro sob o nº 3014764-58.2025.8.19.0001, tendo em vista que o Sr. Ricardo Rosanova Garcia deixou de exercer cargo de diretor estatutário de quaisquer das entidades do Grupo Ambipar.

6. **ENCERRAMENTO:** Nada mais havendo a ser tratado, foi encerrada a reunião, da qual se lavrou a presente ata que, lida e achada conforme, foi assinada por todos os presentes.

Nova Odessa, 23 de junho de 2026.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, EMERGENCIA PARTICIPACOES SA (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact EMERGENCIA PARTICIPACOES SA:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: diana.alves@ambipar.com

To advise EMERGENCIA PARTICIPACOES SA of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at diana.alves@ambipar.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from EMERGENCIA PARTICIPACOES SA

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to diana.alves@ambipar.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with EMERGENCIA PARTICIPACOES SA

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to diana.alves@ambipar.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify EMERGENCIA PARTICIPACOES SA as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by EMERGENCIA PARTICIPACOES SA during the course of your relationship with EMERGENCIA PARTICIPACOES SA.

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE ----------

From time to time, EMERGENCIA PARTICIPACOES SA (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system. ----------

Getting paper copies ----------

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such

time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below. ----------

Withdrawing your consent ----------

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below. ----------

Consequences of changing your mind ----------

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us. ----------

All notices and disclosures will be sent to you electronically ----------

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us. ----------

How to contact EMERGENCIA PARTICIPACOES SA: ----------

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows: ----------

To contact us by email send messages to: diana.alves@ambipar.com ----------

2. CONVOCAÇÃO E PRESENÇA: Dispensada a publicação de editais de convocação, na forma do disposto no artigo 124, § 4º, da Lei nº 6.404, de 15 de dezembro de 1976, conforme alterada ("Lei das S.A."), por estar presente à assembleia acionista representando a totalidade do capital social da Companhia.

3. MESA: Presidente da Mesa - Sr. Thiago da Costa Silva; Secretária da Mesa - Sra. Isabel Cristina Monteiro de Souza.

4. ORDEM DO DIA: Deliberar sobre: **(i)** a forma e os termos do acordo de apoio à reestruturação financeira da Ambipar Participações e Empreendimentos S.A. – Em Recuperação Judicial e de suas afiliadas, incluindo a Companhia (em conjunto denominadas "Grupo Ambipar"), a ser celebrado com determinados credores detentores de parcela relevante do valor de principal agregado em aberto dos *Green Bonds* emitidos pelo Grupo Ambipar com vencimento em 2031 e em 2033 ("Credores Apoiadores"), intitulado *Restructuring Support Agreement* ("Acordo de Apoio"), bem como sobre a celebração do Acordo de Apoio e de seus respectivos anexos e a consumação das operações nele previstas; e **(ii)** a nomeação do Sr. Thiago da Costa Silva, Diretor Financeiro da Companhia, como representante estrangeiro da Companhia ("Representante Estrangeiro") em relação à recuperação judicial do Grupo Ambipar atualmente em curso ("Recuperação Judicial"), nos termos da seção 101(24) do US Bankruptcy Code, com poderes para representar a Companhia nos Chapter 15 Proceedings junto ao United States Bankruptcy Court for the Southern District of Texas ("Tribunal Norte-Americano").

5. DELIBERAÇÕES: Prestados os esclarecimentos necessários, após análise dos documentos referentes às matérias constantes da ordem do dia da presente assembleia, foi deliberado, sem quaisquer ressalvas ou restrições, quanto segue:

5.1. Aprovar, em todos os seus termos, *(a)* a forma e os termos do Acordo de Apoio, incluindo todos os anexos e cronogramas a ele relativos; *(b)* a celebração e cumprimento do Acordo de Apoio e de seus anexos pela Companhia, e *(c)* a consumação das operações previstas no Acordo de Apoio e em seus anexos, com eventuais alterações e acréscimos que qualquer Pessoa Autorizada (conforme definido abaixo) venha, a seu exclusivo critério, a considerar necessários ou convenientes, ficando reconhecido que a assinatura do Acordo de Apoio e de seus anexos constituirá prova conclusiva de sua aprovação, observados, ainda, os termos abaixo descritos.

Docusign Envelope ID: 76E8AC23-6DC1-8398-81A4-510486D12E55

5.1.1. A Companhia fica autorizada, por intermédio de qualquer de seus diretores ou procuradores com poderes para tanto nos termos de seu Estatuto Social e/ou documentos de representação, com plenos poderes de subdelegação, em nome e por conta da Companhia (cada qual, uma "Pessoa Autorizada"), a praticar todos os atos necessários ou convenientes para que a Companhia celebre, execute, entregue, certifique, protocole e/ou registre o Acordo de Apoio substancialmente na forma apresentada à acionista previamente à esta assembleia, bem como quaisquer outros documentos, contratos, instrumentos e certidões exigidos pelo Acordo de Apoio.

5.1.2. A Companhia fica autorizada, por intermédio de qualquer Pessoa Autorizada, a praticar todos os atos e firmar, celebrar, executar, entregar, emitir ou protocolar, junto a quaisquer pessoas, inclusive autoridades governamentais, todos os contratos, documentos, instrumentos, certidões, consentimentos ou renúncias, e respectivos aditivos, bem como a efetuar ou causar a efetivação de todos os pagamentos necessários ou convenientes para a execução do Acordo de Apoio e das operações de reestruturação previstas nele e em seus anexos, conforme o caso ("Operações de Reestruturação"), servindo a prática de tais atos como prova conclusiva da referida autorização.

5.1.3. A Companhia fica autorizada, por intermédio de qualquer Pessoa Autorizada, a celebrar quaisquer *(a)* contratos pelos quais uma afiliada da Companhia forneça recursos para o pagamento de honorários profissionais e outros custos associados ao Acordo de Apoio e às Operações de Reestruturação, e/ou *(b)* contratos com quaisquer terceiros, ou quaisquer operações, para a prestação de serviços ou contratação de seguros relacionados ao Acordo de Apoio e às Operações de Reestruturação ("Documentos Acessórios"), bem como a praticar todos os atos e efetuar todos os pagamentos que considere necessários ou convenientes para dar cumprimento ao ora deliberado.

5.1.4. Ficam ratificados e aprovados, em todos os seus termos, todos os atos anteriormente praticados pela Companhia ou por qualquer Pessoa Autorizada em conexão com o Acordo de Apoio ou as Operações de Reestruturação, incluindo, sem limitação, a assinatura de quaisquer contratos, deliberações, cartas, notificações, certidões, recibos, autorizações, instruções, liberações, renúncias, procurações e demais documentos, bem como o pagamento de quaisquer honorários e despesas correlatos.

5.2. Aprovar a nomeação do Sr. Thiago da Costa Silva, Diretor Financeiro da Companhia, como Representante Estrangeiro nos termos da seção 101(24) do US Bankruptcy Code, com poderes para representar a Companhia no âmbito dos Chapter 15 Proceedings junto ao Tribunal Norte-Americano, ficando o Representante Estrangeiro autorizado a praticar todos os atos necessários, em nome e por conta da Companhia, para a obtenção das medidas requeridas nos Chapter 15 Proceedings, bem como quaisquer outras medidas correlatas consideradas prudentes e em conformidade com os termos do Acordo de Apoio, observados, ainda, os termos abaixo descritos.

5.2.1. O Representante Estrangeiro fica autorizado e constituído de poderes para executar e protocolar, em nome e por conta da Companhia, todas as petições, cronogramas, declarações, moções, listas, requerimentos, peças e demais documentos ("Petições do Chapter 15 Proceedings") no âmbito dos Chapter 15 Proceedings perante o Tribunal Norte-Americano, incluindo a realização de eventuais alterações e acréscimos que o Representante Estrangeiro venha, a seu exclusivo critério, a

Docusign Envelope ID: 76E8AC23-6DC1-8398-81A4-510486D12E55

considerar necessários ou convenientes, ficando reconhecido que a execução e entrega das Petições do Chapter 15 Proceedings pelo Representante Estrangeiro constituirá prova conclusiva de sua aprovação.

5.2.2. O Representante Estrangeiro fica autorizado e constituído de poderes, com plenos poderes de subdelegação, em nome e por conta da Companhia, a praticar e executar todos os atos e providências que considere necessários, convenientes ou desejáveis em conexão com os Chapter 15 Proceedings ou com as Petições do Chapter 15 Proceedings, em conformidade com o Acordo de Apoio, incluindo, sem limitação: *(a)* contratar e manter Kurtzman Carson Consultants, LLC d/b/a Verita Global ("Verita") como agente de informações no âmbito dos Chapter 15 Proceedings; *(b)* celebrar os respectivos contratos de prestação de serviços e pagar os adiantamentos pertinentes à contratação da Verita; e *(c)* negociar, celebrar, entregar, cumprir e protocolar quaisquer documentos, cronogramas, declarações, listas, acordos, certidões, aditivos e/ou instrumentos adicionais em conexão com ou para promover os Chapter 15 Proceedings, com vistas à sua condução bem-sucedida.

5.2.3. O Representante Estrangeiro fica autorizado e constituído de poderes para executar e protocolar, em nome e por conta da Companhia, moção ou adesão (*joinder*) nos autos do Chapter 11 Proceedings, requerendo sua suspensão ou extinção, nos termos e em conformidade com o Acordo de Apoio.

5.2.4. Ficam ratificados e aprovados, em todos os seus termos, todos os atos anteriormente praticados pelo Representante Estrangeiro em conexão com os Chapter 15 Proceedings, incluindo, sem limitação, a assinatura de quaisquer contratos, deliberações, cartas, notificações, certidões, recibos, autorizações, instruções, liberações, renúncias, procurações e demais documentos, bem como o pagamento de quaisquer honorários e despesas correlatos.

5.2.5. Para fins de esclarecimento, fica consignado que a nomeação do Sr. Thiago da Costa Silva nos termos acima é realizada em substituição ao Sr. Ricardo Rosanova Garcia, inicialmente nomeado como representante estrangeiro nos autos do processo de recuperação judicial do Grupo Ambipar, em curso perante o Juízo da 3ª Vara Empresarial da Comarca da Capital do Estado do Rio de Janeiro sob o nº 3014764-58.2025.8.19.0001, tendo em vista que o Sr. Ricardo Rosanova Garcia deixou de exercer cargo de diretor estatutário de quaisquer das entidades do Grupo Ambipar.

6. **ENCERRAMENTO:** Nada mais havendo a tratar, o Presidente declarou a assembleia encerrada e suspendeu os trabalhos para a lavratura da ata na forma de sumário dos fatos ocorridos, nos termos do artigo 130, §1°, da Lei das S.A. Ato contínuo, a ata foi lida e achada conforme por todos os presentes.

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, EMERGENCIA PARTICIPACOES SA (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact EMERGENCIA PARTICIPACOES SA:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: diana.alves@ambipar.com

To advise EMERGENCIA PARTICIPACOES SA of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at diana.alves@ambipar.com and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from EMERGENCIA PARTICIPACOES SA

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to diana.alves@ambipar.com and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with EMERGENCIA PARTICIPACOES SA

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to diana.alves@ambipar.com and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify EMERGENCIA PARTICIPACOES SA as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by EMERGENCIA PARTICIPACOES SA during the course of your relationship with EMERGENCIA PARTICIPACOES SA.

schedules related thereto; *(b)* the execution and performance of the Support Agreement and its annexes by the Company, and *(c)* the completion of the transactions set forth in the Support Agreement and its annexes, with any amendments and additions that any Authorized Person (as defined below) may, in its sole discretion, deem necessary or appropriate, it being acknowledged that the signing of the Support Agreement and its annexes shall constitute conclusive evidence of their approval, subject also to the terms described below. ----------

5.1.1. The Company is hereby authorized, through any of its officers or attorneys-in-fact with the necessary powers under its Articles and/or powers of attorney, with full authority to subdelegate, in the name and on behalf of the Company (each, an "Authorized Person"), to perform all acts necessary or convenient for the Company to enter into, execute, deliver, certify, file, and/or register the Support Agreement substantially in the form presented to the shareholder prior to this meeting, as well as any other documents, contracts, instruments, and certificates required by the Support Agreement. ----------

5.1.2. The Company is hereby authorized, through any Authorized Person, to perform all acts and to sign, enter into, execute, deliver, issue, or file with any persons, including government authorities, all contracts, documents, instruments, certificates, consents, or waivers, and their respective amendments, as well as to make or cause to be made all payments necessary or convenient for the performance of the Support Agreement

and the restructuring transactions set forth therein and in its annexes, as applicable ("Restructuring Transactions"), with the performance of such acts serving as conclusive evidence of such authorization. ----------

5.1.3. The Company is authorized, through any Authorized Person, to enter into any *(a)* agreements under which an affiliate of the Company provides funds for the payment of professional fees and other costs associated with the Support Agreement and the Restructuring Transactions, and/or *(b)* contracts with any third parties, or any transactions, for the provision of services or the purchase of insurance related to the Support Agreement and the Restructuring Transactions ("Ancillary Documents"), as well as to take all actions and make all payments it deems necessary or appropriate to comply with the resolutions adopted herein. ----------

5.1.4. All acts previously performed by the Company or by any Authorized Person in connection with the Support Agreement or the Restructuring Transactions are hereby ratified and approved in their entirety, including, without limitation, the signing of any contracts, resolutions, letters, notices, certificates, receipts, authorizations, instructions, releases, waivers, powers of attorney, and other documents, as well as the payment of any related fees and expenses. ----------

in the Chapter 15 Proceedings before the U.S. Court, the Foreign Representative being authorized to take all necessary actions, in the name and on behalf of the Company, to obtain the relief sought in the Chapter 15 Proceedings, as well as any other related relief deemed prudent and in accordance with the terms of the Support Agreement, subject also to the terms described below. -----

5.2.1. The Foreign Representative is hereby authorized and empowered to file and serve, in the name and on behalf of the Company, all petitions, schedules, statements, motions, lists, requests, pleadings, and other documents ("Petitions in Chapter 15 Proceedings") within the scope of the Chapter 15 Proceedings before the U.S. Court, including making any amendments and additions that the Foreign Representative may, in its sole discretion, deem necessary or appropriate, it being acknowledged that the filing and submission of the Chapter 15 Proceedings Petitions by the Foreign Representative shall constitute conclusive evidence of their approval. ----------

5.2.2. The Foreign Representative is hereby authorized and empowered, with full authority to subdelegate, in the name and on behalf of the Company, to take and carry out all acts and measures that it deems necessary, appropriate, or desirable in connection with the Chapter 15 Proceedings or the Petitions in the Chapter 15 Proceedings, in accordance with the Support Agreement, including, without limitation: *(a)* engage and retain Kurtzman Carson Consultants, LLC d/b/a Verita Global ("Verita") as information agent in connection with the Chapter 15 Proceedings; *(b)* enter into

the respective service agreements and pay the relevant advance payments for the engagement of Verita; and *(c)* to negotiate, execute, deliver, perform, and file any documents, schedules, statements, lists, agreements, certificates, amendments, and/or additional instruments in connection with or to further the Chapter 15 Proceedings, with a view to their successful conduct. ----------

5.2.3. The Foreign Representative is hereby authorized and empowered to file, on behalf of and for the account of the Company, a motion or joinder in the Chapter 11 Proceedings, requesting their suspension or termination, under the terms and in accordance with the Support Agreement. ----------

5.2.4. The following are hereby ratified and approved in their entirety: all acts previously performed by the Foreign Representative in connection with the Chapter 15 Proceedings, including, without limitation, the signing of any contracts, resolutions, letters, notices, certificates, receipts, authorizations, instructions, releases, waivers, powers of attorney, and other documents, as well as the payment of any related fees and expenses. ----------

5.2.5. For the sake of clarity, it is hereby noted that Mr. Thiago da Costa Silva, as stated above, is appointed to replace Mr. Ricardo Rosanova Garcia, initially appointed as foreign representative in the Ambipar Group's court-supervised reorganization proceedings, currently pending before the 3rd Commercial Court of the Capital District of the State of Rio de Janeiro under case no.

paper copies from us by following the procedure described below. ----------

Withdrawing your consent ----------

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below. ----------

Consequences of changing your mind ----------

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us. ----------

All notices and disclosures will be sent to you electronically ----------

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations,

acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us. ----------

MINUTES OF THE MEETING OF THE BOARD OF MANAGERS OF THE COMPANY HELD ON 16 JUNE 2026 AT 14:30 PM CET IN LUXEMBOURG AT THE REGISTERED OFFICE OF THE COMPANY

Present:

Thiago da Costa Silva, Class A Manager, attending by conference call;
Alessandra Bessa Alves De Melo, Class A Manager, attending by conference call;
Eric Lie, Class B Manager, attending in person; and
Maxime Roberti, Class B Manager, attending in person.

each a manager of the Company ("**Manager**") and together being all members of the board of managers (the "**Board**") of the Company.

The meeting was opened at 14:30 pm (Luxembourg time) by Eric Lie, who is appointed as chair *pro tempore* of the meeting of the Board ("**Chair**"). The Chair designates Maxime Roberti as secretary (the "**Secretary**"). All members present confirm that they are able to hear each other and to communicate.

The Chairman noted and the Board confirmed that all Managers were present.

Each Manager confirms that he/she has been duly informed of the meeting, has full knowledge of the agenda of the meeting and has waived any convening formalities. The present meeting is thus duly constituted, and the Board could validly deliberate and decide on all items brought before it.

The Board noted that the meeting is being held in English with a simultaneous Portuguese translation.

The Board noted and approved the following agenda of the meeting:

AGENDA

(1) Approval of the Restructuring Support Agreement and related restructuring matters; and
(2) Approval of the commencement of Chapter 15 proceedings and appointment of a foreign representative.

Each of the Managers **confirmed** that (i) he/she has no opposite interest in the matters referred to herein, (ii) he/she is of the opinion that the matters referred to herein are in compliance with the Articles and the applicable legal provisions, and would not result in any breach of any restriction imposed by law, the Articles or any agreement to which the Company is party or by which the Company is bound, and (iii) he/she is of the opinion that the Restructuring Transactions (as defined below) do not involve any actual or potential conflict of interest between the Company and a Manager.

The Board **noted** that, on 20 October 2025, the Company and certain of its affiliates filed a petition for the commencement of *recuperação judicial* proceedings (the "**RJ Proceeding**"), which are currently being jointly administered before the judicial authorities of the Third Business Court of Rio de Janeiro (the "**Brazilian Court**"), pursuant to Brazilian Federal Law No. 11,101 of 9 February 2005 (as amended, supplemented, or otherwise modified from time to time, including any successor statute thereto and all rules and regulations promulgated thereunder, "**Brazilian Bankruptcy Law**").

The Board **noted** that, on 30 October 2025, the Brazilian Court entered an order granting the processing of the RJ Proceeding, granting a stay against all actions by creditors to collect the obligations from the Company and its affiliates and ordering the publication of a public notice informing creditors of the filing of the RJ Proceeding.

The Board **noted** that, on 20 October 2025, the Company filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "**US Bankruptcy Code**") in the United States Bankruptcy Court for the Southern District of Texas (the "**US Bankruptcy Court**") commencing the chapter 11 case captioned *In re Ambipar Emergency Response*, Case No. 25-90524 (ARP) (the "**Chapter 11 Case**"), which is currently pending before the US Bankruptcy Court.

The Board **noted** that it has carefully considered the available restructuring options for the Company and has determined, in its business judgment and having had regard to the interests of the Company's creditors in circumstances where the Company is insolvent or of doubtful solvency, that it is in the best interests of the Company and its creditors as a whole to suspend the Chapter 11 Case in favor of commencing chapter 15 cases seeking recognition of the RJ Proceeding pursuant to chapter 15 of the US Bankruptcy Code (the "**Chapter 15 Cases**").

The Board **noted** that, based on its deliberations, it is advisable to enter into a restructuring support agreement, on or around the 17 June 2026, substantially in the form presented to the Board (together with all exhibits and schedules thereto, the "**Restructuring Support Agreement**"), by and among the Company, certain of its affiliates (collectively, the "**Company Parties**"), and the creditors party thereto, pursuant to which, among other things, the Company Parties agree to effectuate certain restructuring transactions on the terms and subject to the conditions set forth therein (the "**Restructuring Transactions**").

The Board further **noted** that it is advisable to commence, if and when needed, petitions for an ancillary or recognition proceeding pursuant to the Chapter 15 Cases in accordance with the Restructuring Support Agreement, as well as such other documents necessary to effectuate the Restructuring Transactions.

The Board **noted** that it has had the opportunity to review and has reviewed the form and terms of the Restructuring Support Agreement.

The Board **noted** that, pursuant to the decision of the Brazilian Court dated 30 October 2025, rendered in connection with the granting of the processing of the RJ Proceeding in Case No. 3014764-58.2025.8.19.0001 before the Third Business Court of the Capital District of Rio de Janeiro, the Brazilian Court appointed Mr. Ricardo Rosanova Garcia as the foreign representative of the Company and the other applicants in the RJ Proceeding, pursuant to Article 167-B, paragraph 1, item IV, of the Brazilian Bankruptcy Law, so that he may appear before any foreign authority and act in any foreign debt restructuring proceeding, regardless of jurisdiction, including judicial reorganization or similar insolvency proceedings, whether principal, non-

principal, or ancillary proceedings, as permitted by applicable law (the "**Foreign Representative**"). The Board further **noted** that the Company believes Mr. Thiago da Costa Silva should replace Mr. Ricardo Rosanova Garcia as the Foreign Representative, on the basis that, given his closer involvement in the restructuring negotiations, Mr. da Costa Silva is better positioned to serve in that role, and accordingly **resolved** to take all actions necessary or advisable to seek the appointment of Mr. Thiago da Costa Silva as the Foreign Representative in substitution of Mr. Ricardo Rosanova Garcia.

The Board **noted** that it deems it in the best interests of the Company and its creditors as a whole to (a) ratify and confirm the appointment of the Foreign Representative in respect of the RJ Proceeding, as that term is defined in section 101(24) of the US Bankruptcy Code, to represent the Company in the Chapter 15 Cases in support of recognition of the RJ Proceeding, and (b) authorize the Foreign Representative to take all necessary actions on behalf of the Company to obtain the relief sought in the Chapter 15 Cases and any further related relief deemed prudent and consistent with the terms of the Restructuring Support Agreement.

The Board **noted** that, in reaching the determinations set forth herein, each Manager has exercised his or her informed business judgment and has acted in good faith, with the diligence and care of a reasonably prudent manager, and in the best corporate interest (*intérêt social*) of the Company, having due regard to: (i) the financial position of the Company and the Ambipar Group, including its current state of insolvency or doubtful solvency; (ii) the interests of the Company's creditors as a whole, including the holders of the green notes issued by the Company; (iii) the terms and conditions of the Restructuring Support Agreement, including the obligations, milestones, and governance protections set forth therein; (iv) the available alternatives to the Restructuring Transactions, including the continuation of the Chapter 11 Case and liquidation scenarios; (v) the professional advice received from the Company's legal and financial advisors; and (vi) the potential consequences of failing to implement the Restructuring Transactions in a timely manner, including the risk of value destruction for stakeholders. The Board has further determined that the Restructuring Transactions, including the entry into the Restructuring Support Agreement, the commencement of the Chapter 15 Cases, and the ratification of the appointment of the Foreign Representative, are each necessary and appropriate to preserve and maximize value for the benefit of the Company and its stakeholders, and that no reasonably available alternative course of action would better serve the Company's interests.

The Board **noted** that, notwithstanding anything to the contrary in the Restructuring Support Agreement, the Board retains its fiduciary obligations under applicable law and may take (or refrain from taking) any action with respect to the Restructuring Transactions to the extent the Board determines, in good faith based on the advice of counsel, that taking such action, or refraining from taking such action, is reasonably required to comply with applicable law, including pursuant to its fiduciary duties, without incurring any liability to any other party to the Restructuring Support Agreement.

In consideration of the above, the Board **noted and concluded** that the matters referred to in the present minutes would materially benefit and are in the best corporate interest (*intérêt social*) of the Company and would be for the purpose of carrying on its business.

The Board therefore **resolved** as follows:

FIRST RESOLUTION – RESTRUCTURING SUPPORT AGREEMENT

The Board unanimously **resolved** that:

(a) the (i) form and terms of the Restructuring Support Agreement, including all schedules and exhibits thereto, (ii) execution, delivery, and performance thereof, and (iii) consummation of the transactions contemplated thereunder by the Company be, and hereby are, authorized and approved in all respects, with such changes therein and additions thereto as any Authorized Person (as defined below) may in his or her discretion deem necessary or appropriate, it being acknowledged that the execution of the Restructuring Support Agreement and such other documents, agreements, instruments, and certificates as may be required or contemplated by the Restructuring Support Agreement, as applicable, shall be conclusive evidence of the approval thereof;

(b) the Company, Thiago da Costa Silva and Alessandra Bessa Alves De Melo (each, an "**Authorized Person**"), shall be, and hereby is, authorized, directed, and empowered, with full power of delegation, on behalf of and in the name of the Company, to take all actions necessary or appropriate for the Company to enter into, execute, deliver, certify, file, and/or record, and perform the obligations arising under the Restructuring Support Agreement substantially in the form presented to the Board, together with such other documents, agreements, instruments, and certificates as may be required by the Restructuring Support Agreement;

(c) in connection with or to carry out the actions contemplated by the Restructuring Support Agreement, including the Restructuring Transactions, the Company (and each Authorized Person) be, and hereby is, authorized, empowered, and directed, with full power of delegation, in the name and on behalf of the Company, to do such further acts and things as any Authorized Person or such duly authorized other person shall deem necessary or appropriate, including to do and perform (or cause to be done and performed), in the name and on behalf of the Company, all such acts and to sign, make, execute, deliver, issue or file (or cause to be signed, made, executed, delivered, issued or filed) with any person including any governmental authority or agency, all such agreements, documents, instruments, certificates, consents or waivers and all amendments to any such agreements, documents, instruments, certificates, consents or waivers and to pay, or cause to be paid, all such payments, as any of them may deem necessary or advisable in order to carry out the intent of the Restructuring Support Agreement and the Restructuring Transactions, the authority for the doing of any such acts and things and the signing, making, execution, delivery, issue and filing of such of the foregoing to be conclusively evidenced thereby;

(d) in connection with the Restructuring Support Agreement and the Restructuring Transactions, the Company (and each Authorized Person) shall be, and hereby is, authorized to do all such acts and things (including, without limitation, opening all necessary bank accounts, the standard resolutions required concerning opening bank accounts with the relevant banks, being adopted as if set out in these resolutions in full, and any other person authorized by resolution of the directors, all acting singly (unless otherwise resolved) being appointed as authorized signatory with respect to any such accounts) and to agree all fees, as might in the sole opinion and absolute discretion of any Authorized Person be necessary or desirable for the purpose of giving effect to, consummating or completing or procuring the performance and completion of the foregoing resolutions;

(e) the Company (and each Authorized Person) shall be, and hereby is, authorized, in the name and on behalf of the Company, to enter into any (i) agreement pursuant to which an affiliate of the Company provides funding to pay professional fees and other costs associated with the Restructuring Support Agreement and the Restructuring Transactions and/or; (ii) any agreement with any person, or any transaction, for services or insurance in connection with the Restructuring Support Agreement and the Restructuring Transactions, including to do and perform (or cause to be done and performed), in the name and on behalf of the Company, all such acts and to sign, make, execute, deliver, issue or file (or cause to be signed, made, executed, delivered, issued or filed) with

any person including any governmental authority or agency, all such agreements, documents, instruments, certificates, consents or waivers and all amendments to any such agreements, documents, instruments, certificates, consents or waivers ("**Ancillary Documents**") and to pay, or cause to be paid, all such payments, as any of them may deem necessary or advisable in order to carry out the foregoing, the authority for the doing of any such acts and things and the signing, making, execution, delivery, issue and filing of such of the foregoing to be conclusively evidenced thereby;

(f) the Ancillary Documents shall be in such form as the Company (and each Authorized Person) shall in its absolute discretion and sole opinion approve, the signature of such Authorized Person on any of the Ancillary Documents being due evidence for all purposes of such Authorized Person's approval of the terms thereof on behalf of the Company;

(g) the Ancillary Documents (where required to be executed by the Company) shall be executed by any Authorized Person;

(h) the Ancillary Documents shall be valid, conclusive, binding on, and enforceable against the Company when executed and delivered in the manner set out above;

(i) all prior actions taken by the Company or any Authorized Person in connection with the Restructuring Support Agreement or the Restructuring Transactions, including but not limited to, the signing of any agreements, resolutions, letters, notices, certificates, acknowledgements, receipts, authorizations, instructions, releases, waivers, proxies and other documents (whether of a like nature or not) and the payment of all and any related fees and expenses be confirmed, ratified and approved in all respects.

SECOND RESOLUTION – CHAPTER 15 CASES AND FOREIGN REPRESENTATIVE

The Board unanimously **resolved** that:

(j) Thiago da Costa Silva shall replace Ricardo Rosanova Garcia as the Foreign Representative of the Company in respect the RJ Proceeding in connection with the Chapter 15 Cases;

(k) the Foreign Representative be, and hereby is, authorized, empowered, and directed to execute and file in the name and on behalf of the Company all petitions, schedules, statements, motions, lists, applications, pleadings, and other documents (the "**Chapter 15 Filings**") in connection with the Chapter 15 Cases in the US Bankruptcy Court (with such changes therein and additions thereto as the Foreign Representative may in his discretion deem necessary or appropriate, it being acknowledged that the execution and delivery of such Chapter 15 Filings by the Foreign Representative with any changes thereto shall be conclusive evidence of the approval thereof);

(l) the Foreign Representative be, and hereby is, authorized, empowered, and directed, with full power of delegation, in the name and on behalf of the Company, to take and perform any and all further acts and deeds that the Foreign Representative deems necessary, appropriate, or desirable in connection with the Chapter 15 Cases or the Chapter 15 Filings and consistent with the Restructuring Support Agreement, including, without limitation, to (i) employ and retain Kurtzman Carson Consultants, LLC dba Verita Global ("Verita") to act as information agent in connection with the Chapter 15 Cases, (ii) execute appropriate retention agreements and pay appropriate retainers to retain the services of Verita in connection with the Chapter 15 Cases, and (iii) negotiate, execute, deliver, perform, and file any and all additional documents, schedules, statements, lists,

papers, agreements, certificates, and/or instruments (or any amendments or modifications thereto) in connection with, or in furtherance of, the Chapter 15 Cases with a view to the successful prosecution of such Chapter 15 Cases (such acts to be conclusive evidence that the Foreign Representative deemed the same to meet such standard);

(m) the Foreign Representative be, and hereby is, authorized, empowered, and directed to execute and file in the name and on behalf of the Company, a motion or joinder in the Chapter 11 Case seeking the suspension or dismissal thereof pursuant to and in accordance with the terms of the Restructuring Support Agreement; and

(n) all prior actions taken by the Foreign Representative in connection with the Chapter 15 Cases, including but not limited to, the signing of any agreements, resolutions, letters, notices, certificates, acknowledgements, receipts, authorizations, instructions, releases, waivers, proxies and other documents (whether of a like nature or not) and the payment of all and any related fees and expenses be confirmed, ratified and approved in all respects.

There being no further business to be discussed, the meeting was closed, and these minutes are signed by the members of the Board of the Company.

Na linha do tempo processual, importa notar que, em 24/9/2025 (evento 1), os requerentes formularam pedido de tutela cautelar de urgência em caráter antecedente, com fundamento nos artigos 6º, § 12, e 189 da Lei nº 11.101/05- LRJ, e nos artigos 300 e seguintes do CPC. Como premissa, descrevem adequada saúde financeira e de caixa, com manutenção em dia da folha salarial, das obrigações com fornecedores, instituições financeiras e tributos, estes somando, anualmente, cerca de R$ 500 milhões, além da geração de aproximadamente 23 mil empregos diretos (sem contar os indiretos).

No eixo financeiro-contratual, registram que, em 18/9/2025, a AMBIPAR LUX S.À.R.L. celebrou com o Deutsche Bank AG empréstimo de USD 35.000.000,00, além de três contratos de derivativos (swap), com aditamento para inclusão de dação em pagamento de títulos emitidos no exterior (green bonds). Em razão da vinculação aos contratos de empréstimo, o valor-base para cálculo da dívida em USD, conforme os contratos de swap, totalizaria USD 550.000.000,00.

Em sequência lógica, apontam que o Deutsche Bank passou a calcular e exigir garantias adicionais com base não apenas na diferença negativa das taxas dos swaps, como também na desvalorização dos PIK Bonds no mercado externo, títulos que somente seriam entregues no futuro, no vencimento dos swaps. Daí, com a incorporação de risco de crédito futuro relativo aos PIK Bonds, o banco teria exigido da AMBIPAR PARTICIPAÇÕES aportes muito superiores ao que seria exigível, gerando dispêndio de caixa superior a R$ 200 milhões nos últimos dias.

Paralelamente, sublinham que praticamente todos os contratos financeiros do grupo contêm cláusulas de vencimento cruzado (cross-default), o que acarreta gravíssimo risco de insolvência imediata. A amplitude desse cross-default implicaria rombo financeiro de mais de R$ 10 bilhões, consideradas todas as operações com instituições financeiras, credoras do grupo em eventual pedido de recuperação judicial.

Somado a isso, argumentam que o cenário se agravou pela possibilidade de apropriação de valores bilionários em contas correntes e investimentos das requerentes por certas instituições financeiras sem necessidade de medida judicial, o que inviabilizaria o exercício da atividade empresarial. O risco, segundo narram, é iminente e concreto, uma vez que algumas instituições já teriam notificado as requerentes para declarar vencimento antecipado e adotar remédios cabíveis, judiciais e extrajudiciais.

Diante desse quadro, a Decisão (evento 9) reconheceu a competência deste Juízo Recuperacional e deferiu a tutela cautelar antecedente pelo prazo de 30 dias, prorrogável pelo mesmo período, com termo inicial na data e hora do protocolo da petição inicial da ação cautelar. Com a decisão, ficaram suspensos: (i) a exigibilidade e o curso da prescrição dos créditos e obrigações (inclusive as de fazer, de não fazer e de dar) das requerentes e partes relacionadas com fatos geradores coincidentes ou anteriores; (ii) as execuções e demais medidas de cobrança contra as requerentes e partes relacionadas relativas a tais créditos/obrigações; e, ainda, (iii) proibidas quaisquer formas de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das requerentes e suas partes relacionadas, quando oriundas de demandas cujos créditos/obrigações tenham fatos geradores coincidentes ou anteriores.

Na mesma linha, determinou-se a suspensão dos efeitos das cláusulas de vencimento antecipado ou de amortização acelerada e da excussão de eventuais garantias nos contratos celebrados com as requerentes e partes relacionadas (incluídos contratos principais e coligados), inclusive na hipótese de ajuizamento de pedido de recuperação judicial ou de cautelar antecedente pelas requerentes; igualmente, restaram proibidas declarações novas de vencimento antecipado (ou suspensos os efeitos das já realizadas), a amortização acelerada e/ou a excussão de garantias atreladas aos contratos relativos a créditos e obrigações (inclusive de fazer, de não fazer e de dar) com fatos geradores coincidentes ou anteriores.

Quanto à nomeação de Administrador Judicial (AJ), instaurou-se processo competitivo entre: (1) VPJ ADMINISTRAÇÃO JUDICIAL, CNPJ 55.870.751/0001-50, na pessoa de seu sócio, Dr. Victor Saraiva Torres; (2) NEVES, FIGUEIREDO, CERQUEIRA E SOUZA, na pessoa de seu sócio, Dr. Athos de Andrade Figueira Neves, OAB/RJ 211747/RJ, e-mail athosneves@nfcsadvogados.com.br; (3) Augusto Alves Moreira Neto, do escritório Gomes de Mattos Advogados Associados, e-mail augusto.neto@gomesdemattos.com.br; (4) CARAPETCOV ADMINISTRAÇÃO JUDICIAL, na pessoa de seu sócio, Dr. Thiago Carapetcov, OAB/RJ 151772/RJ, e-mail thiago@carapetcovaj.com.br.

Na sequência, sobrevieram impugnações. Após a decisão, o Ministério Público opôs embargos de declaração e diversos credores, sobretudo instituições financeiras, trouxeram, em síntese: (1) incompetência deste Juízo; (2) inobservância do art. 49, § 3º, da Lei 11.101/2005; (3) inobservância do art. 193-A, da mesma lei; e (4) falta de demonstração das condições para o ajuizamento do pedido de recuperação judicial.

Em resposta, a Decisão (evento 65) acolheu em parte os embargos do Ministério Público, tão somente para determinar que a representação de todas as autoras estivesse regularizada até o ajuizamento do pedido principal, em 30 dias. Quanto às demais questões levantadas pelos credores, inclusive o julgamento dos embargos de declaração dos eventos 48 e 57 e o juízo de retratação em razão do AI nº 3001203-67.2025.8.19.0000, converteu em diligência a apreciação, estabelecendo que (a) a parte autora indicará, objetivamente, as sedes e sucursais do Grupo nesta Comarca que considera seu(s) estabelecimento(s) principal(is), comprovação documental inclusive acerca do volume de negócios de Rio de Janeiro, São Paulo e Nova Odessa, em 5 dias; (b) no mesmo prazo, credores poderão instruir o feito com novos documentos a indicar o principal estabelecimento na Comarca de São Paulo ou Nova Odessa; (c) entre o 6º e o 10º dia da intimação, manifestações sobre a documentação apresentada; (d) no mesmo interregno, e em extremo respeito ao princípio da não surpresa, a parte autora se manifestará sobre as demais questões do despacho; (e) autora e credores se manifestarão sobre o interesse na mediação, indicando profissional em substituição ao CEJUSC e, até lá, suspenso o encaminhamento do caso ao Centro, determinado na decisão liminar.

Ainda nessa decisão, no tocante ao pedido do evento 53 acerca de eventual descumprimento da tutela por parte de ADDIANTE S.A., ORIZON MEIO AMBIENTE S.A., LM TRANSPORTES INTERESTADUAIS SERVIÇOS E COMERCIO S.A. e outros, determinou-se a intimação das autoras para que, em 15 dias, apresentassem as cláusulas contratuais cuja resolução pretendem evitar.

Em continuidade, as autoras (eventos 89/91) emendaram a petição inicial para formular o pedido de recuperação judicial do GRUPO AMBIPAR. Como contexto histórico, consignam: fundação em 1995, inicialmente com foco no gerenciamento de resíduos industriais; em maio de 1996, expansão na área de logística com a GETEL LOGÍSTICA, passando a atuar também em transporte para grandes empresas e indústrias em todo o Brasil. Seguiram-se décadas de crescimento, descrito como exponencial, impulsionado por pioneirismo e excelência nos serviços, aliado a compromisso inegociável com a preservação ambiental, geração de emprego, renda e desenvolvimento local.

Em 2005, registram a fundação da BRASIL AMBIENTAL CENTRAL DE TRATAMENTO DE RESÍDUOS (CTR). Em 2008, a constituição da PLANETA AMBIENTAL – CENTRAL DE SERVIÇOS COMPARTILHADOS, com objeto voltado ao atendimento a emergências. Afirmam investimentos contínuos em tecnologia, capacitação técnica e governança corporativa, com padrões de compliance e transparência que elevaram a reputação do grupo no setor. Nessa cadência, mais do que um conglomerado de prestação de serviços, se apresenta como agente de transformação ambiental, promovendo economia circular, valorização de resíduos e descarbonização em larga escala.

Informam que setembro de 2010, foi fundada a AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A. (“AMBIPAR PARTICIPAÇÕES”), com a finalidade de consolidar o controle das diversas empresas do grupo. Em maio de 2011, a holding se tornou controladora do grupo e, no mesmo mês, adquiriu 51% da DESCARTE CERTO (divisão de manufatura reversa, responsável pela cadeia de produtos pós-

consumo). Em 2019, houve rebranding, com reestruturação societária que dividiu o grupo em duas verticais: AMBIPAR RESPONSE e AMBIPAR ENVIRONMENTAL (soluções ambientais consolidadas na Vertical Environmental; atendimento a emergências, na Vertical Response).

No mercado de capitais, em julho de 2020, ocorreu a abertura de capital na B3, permitindo ao grupo levantar aproximadamente R$ 1,08 bilhão por meio da emissão de ações da AMBIPAR PARTICIPAÇÕES. No ano seguinte, a AMBIPAR EMERGENCY RESPONSE abriu capital na NYSE, marco de governança e relevância estratégica. Os recursos, segundo narram, foram destinados à expansão orgânica e a aquisições no Brasil e no exterior, consolidando liderança em gestão ambiental.

A partir de 2020, mencionam aquisições como REVALORE, SUPPLY, VERDE GHAIA e ÂMBITO e, ao longo de 2021, AFC, METAL AR, CENTROESTE, BOOMERA, ECOLÓGICA NORDESTE (por meio da AFC), BIOFÍLICA, DRYPOL, TRICICLO, SUPREMA, SIR, BRASIL COLETA, MCZ, ECOLÓGICA RESÍDUOS, WATU e ECOTEC, todas estratégicas para o gerenciamento de resíduos. Por fim, informam rede de 600 bases operacionais em mais de 41 países, estrategicamente posicionadas próximas a polos industriais, portos, rodovias e ferrovias.

No tema competência, apontam como principal sede do grupo a unidade da Rua Lauro Muller nº 116, Botafogo, 27º andar, Rio de Janeiro, pertencente à autora AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S/A. Alegam que a cidade concentra o maior volume de negócios (aprox. 18,4% do lucro líquido), contra 12,3% de São Paulo e -8,4% de Nova Odessa; além disso, seria no Rio de Janeiro o maior faturamento (R$ 303,2 milhões, contra R$ 69,4 milhões em São Paulo e R$ 1,6 milhão em Nova Odessa). Entre São Paulo e Rio de Janeiro, assinalam que São Paulo é onde o grupo menos gera e contrata, não configurando "maior volume de negócios".

No que tange ao litisconsórcio ativo, indicam respaldo no art. 69-G da LRF, por estarem as empresas sob o controle societário da mesma holding (AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A.), conforme organograma do doc. 7 do Evento 89. A título de art. 69-J da LRF, destacam o atendimento das hipóteses dos incisos, ante centenas de garantias cruzadas firmadas pelas sociedades do grupo, um dos motores da crise, o que justifica a legitimidade das requerentes, pois o vencimento cruzado afetou todo o grupo em cadeia, sendo a holding garantidora de inúmeros contratos. Como exemplo, citam o instrumento da dívida da AMBIPAR FLYONE com o Banco ABC S.A. (doc. 09 do Evento 89), no qual constam como garantidoras a holding e a EMERGÊNCIA PARTICIPAÇÕES S.A. Ao mesmo tempo, explicitam que a relação de controle e a identidade do quadro societário se encontram no organograma referido e apontam que a estrutura administrativa, jurídica, financeira e de governança é interligada, de modo que a segregação de ativos e passivos exigiria dispêndio excessivo de tempo e recursos. Em razão disso requerem autorização para o processamento da recuperação judicial em consolidação processual e substancial, com prerrogativa de consolidar os ativos e passivos em um único plano ou segregá-los em mais de um, conforme as circunstâncias negociais futuras com milhares de credores e demais stakeholders.

No diagnóstico da crise, registram que, em fevereiro de 2024, a AMBIPAR LUX S.À R.L., subsidiária da AMBIPAR PARTICIPAÇÕES, realizou a primeira emissão de Green Bonds no montante de USD 750.000.000,00, com vencimento em 2031 ("Green Bonds 2031"). Essa operação ficou vinculada a um Contrato de Derivativo (swap) inicialmente firmado junto ao Bank of America, com a finalidade de hedge cambial. Como é usual quando a emissora é não operacional e os recursos captados no exterior são investidos na operação no Brasil, a dívida é paga em reais, razão pela qual se mitiga o risco da variação cambial por meio de swap. Conforme narram, o swap opera como troca de riscos (dólar x reais), com ajustes periódicos de "margem de garantia" e compensação final na liquidação — caracterização de proteção, e não de especulação.

Adiante, em fevereiro de 2025, a AMBIPAR LUX realizou a segunda emissão de Green Bonds (montante de USD 493 milhões, vencimento em 2033 — "Green Bonds 2033"). Parte dessa captação (USD 200 milhões) foi utilizada para pré-pagar a primeira emissão, e também aqui se vinculou a operação a swap cambial, agora junto ao Deutsche Bank. Segundo relatam, o primeiro swap (com o Bank of America) foi transferido ao Deutsche Bank em contexto no qual o então diretor do Bank of America, Sr. João Arruda, passou a atuar como CFO da Ambipar; pouco depois, por negociação capitaneada por ele, o swap dos Green Bonds 2031 foi transferido ao Deutsche Bank e, na sequência, o segundo swap (dos Green Bonds 2033) foi firmado diretamente com o Deutsche Bank. Tudo isso, sustentam, sem aprovação do Conselho de Administração e sem observância dos trâmites internos nos bancos estrangeiros, matéria em apuração criminal por Inquérito contra o Sr. João Arruda e outros.

No desdobramento, a autora declara ter firmado novo contrato global de derivativos com o Deutsche Bank (doc. 10 do Evento 89) e três contratos de swaps referentes aos Green Bonds 2031, somados ao swap referente aos Green Bonds 2033. Já em 18/08/2025, com os swaps migrados ao Deutsche, a AMBIPAR LUX celebrou com o banco o Loan and Guarantee Agreement ("LOAN DT - 18S"), instrumentalizando empréstimo de USD 35.000.000,00, com desembolso na mesma data.

Ainda em agosto de 2025, os derivativos foram aditados para incluir, em sua Cláusula 5, hipótese de dação em pagamento dos Green Bonds emitidos no exterior (PIK — Payment in Kind). Nessa mecânica, caso ao final o banco fosse o devedor, poderia pagar a diferença entregando os títulos a valor de face, e não à cotação de mercado, vantagem esta que aumenta quanto mais o bond cai. Registra-se que, na data dos aditivos (18/08/2025), houve volatilidade anômala dos bonds; a partir de 19/08/2025, descrevem "ataque claramente orquestrado" com queda dos valores até então estáveis.

Sintetizando, dizem que até 18/08/2025 os swaps tinham caráter não especulativo e se limitavam ao hedge cambial, justificável por dívidas em dólar e receitas majoritariamente em reais. Após o ingresso do Sr. João Arruda como CFO, os swaps originais foram transferidos ao Deutsche Bank e aditados com regra que introduziu elemento especulativo, a variação do preço dos Green Bonds de emissão da Ambipar Lux, ativo de país emergente sujeito a short sellers, dinâmica que, no caso concreto, teria se verificado.

No dia 19/09/2025, o Sr. João Arruda apresentou renúncia ao cargo de CFO da Ambipar Participações, por e-mail ao Conselho às 22h30. Como se recusou a fazer transição até a nomeação de novo CFO, houve cancelamento da videoconferência com bondholders convocada de véspera por ele, espaço no qual se explicaria a deterioração dos títulos e o aditivo com o Deutsche Bank, o que teria contribuído, segundo as requerentes, para disseminar pânico no mercado.

Na sequência, o Deutsche Bank passou a exigir garantias adicionais da AMBIPAR PARTICIPAÇÕES em valores muito superiores aos originalmente definidos nos swaps. Até poucos dias antes da tutela ser deferida, as margens de garantia já representavam quase R$ 200 milhões (ajuste que refletiria, em tese, o Valor de Liquidação no encerramento imediato). As chamadas, todavia, teriam se baseado em interpretação indevida do aditivo e em cálculos unilaterais do banco, com sobrecustos embutidos e curvas de precificação dissociadas da realidade, incluindo não só câmbio e juros, como também a queda dos PIK Bonds, títulos que poderiam ou não ser entregues no futuro, a valor de face, apenas no vencimento. Depois de exigir R$ 200 milhões, sobreveio novo aporte de R$ 60 milhões, sob pena de vencimento automático e antecipado dos swaps e do empréstimo de USD 35 milhões.

Ato contínuo, o Banco Santander enviou notificação ao GRUPO AMBIPAR, antes mesmo do ajuizamento da cautelar antecedente, declarando vencimento antecipado de dívidas referentes a Cédula de Crédito Bancário sem relação com derivativos, com exigência de pagamento de cerca de USD 120 milhões em 24 horas. O movimento do Deutsche Bank teria deflagrado reação em cadeia por outros bancos, receosos de inadimplemento sistêmico que, segundo a narrativa, essa reação em cadeia conduziria o grupo à ruína, o que foi impedido pela cautelar e, agora, pelo pedido principal de recuperação.

Nessa toada, destacam que a principal dívida, bonds que somam mais de USD 1 bilhão, também estaria sujeita a vencimento antecipado, conforme Indenture (Section 6.01 – Events of Default, item “v”). Em outras palavras: o vencimento das dívidas dos swaps e do Loan Agreement com o Deutsche Bank, somado ao vencimento antecipado de mais de USD 120 milhões declarado pelo Santander, e eventualmente por outras instituições, funcionaria como gatilho para vencimentos em cascata em todo o grupo.

Nesse novo cenário, por haver risco concreto de vencimento antecipado de mais de R$ 10 bilhões, o grupo não vislumbrou alternativa senão o ajuizamento deste pedido de recuperação judicial, a fim de retomar o perfil de sua dívida e reestruturar o passivo sem afetar o fluxo de caixa e inviabilizar as operações.

No tocante aos contratos garantidos por cessão fiduciária de recebíveis, salientam que eventual extraconcursalidade deverá ser analisada quando da verificação de créditos, encargo inicial do Administrador Judicial, sujeito à revisão do Juízo. Sobre o art. 193-A da LRF, registram que, havendo cláusula de vencimento antecipado em razão de pedido de recuperação judicial no contrato de swap, a instituição financeira pode declarar o vencimento para apurar a ponta credora e a ponta devedora, promovendo a posterior compensação; eventual saldo credor, se existente em favor da instituição, deverá ser incluído no processo concursal.

Ao final, requerem:

(i) a ratificação da tutela cautelar de urgência concedida, sobretudo quanto à suspensão da eficácia das cláusulas de vencimento antecipado de dívidas, ressalvados apenas os contratos de swap, na forma do art. 193-A da LRF, sem permitir a excussão ou apropriação de eventual saldo credor; e

(ii) a suspensão das execuções e demais medidas de cobrança contra o Grupo Ambipar, além da proibição de qualquer forma de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das devedoras, na forma do art. 6º da LRF, em linha com a cautelar a ser ratificada;

(iii) a concessão da tutela cautelar requerida na manifestação do evento 53, determinando que: (iii.a) fornecedores de serviços essenciais se abstenham de interromper o fornecimento de bens e serviços ao Grupo Ambipar e de criar embaraços de qualquer natureza ao regular cumprimento contratual, com fundamento em suposto inadimplemento de créditos sujeitos a esta recuperação; (iii.b) suspenda-se a eficácia de cláusulas resolutivas expressas que autorizem a rescisão de contratos essenciais em razão do simples ajuizamento do pedido de tutela preparatória ou deste pedido de recuperação; (iii.c) instituições financeiras e demais credores se abstenham de declarar vencimento antecipado de dívidas relativas a créditos não sujeitos, bem como de promover apreensão, retirada, bloqueio ou qualquer restrição ao uso de bens atrelados a tais instrumentos, enquanto as requerentes estiverem adimplentes com suas obrigações pecuniárias; e (iii.d) empresas locadoras/arrendatárias de equipamentos se abstenham de bloquear, paralisar ou obstar o uso dos equipamentos objeto dos contratos de locação anexados, sob pena de multa de R$ 100 mil por descumprimento;

(iv) a nomeação do Administrador Judicial, nos termos do art. 52, I, da LRF;

(v) nos termos e para os fins do inciso IV do caput do art. 167-B da LRF, a nomeação do Sr. Ricardo Rosanova Garcia, brasileiro, solteiro, administrador, RG nº 21.152.028-7 SSP/SP, CPF nº 259.792.868-37, como representante estrangeiro (foreign representative) de qualquer Requerente, a fim de que, caso necessário, possa se apresentar perante qualquer autoridade estrangeira e atuar em qualquer processo estrangeiro de reestruturação de

dívidas, independentemente da jurisdição, incluindo (sem se limitar) recuperação judicial ou procedimento concursal similar, sejam processos principais, não principais ou acessórios, na forma permitida pela legislação aplicável;

(vi) diante do atendimento de todos os requisitos do art. 69-J da LRF, a autorização para o processamento da recuperação judicial em consolidação processual e substancial, para permitir que o Grupo consolide ativos e passivos em um único plano ou os segregue em mais de um, conforme exijam as circunstâncias negociais futuras com seus milhares de credores e demais stakeholders;

(vii) a dispensa da apresentação de certidões negativas para que as Requerentes possam exercer suas atividades e participar de licitações perante quaisquer órgãos públicos e privados;

(viii) a intimação do Ministério Público e das Fazendas Públicas federal e de todos os Estados, Distrito Federal e Municípios em que houver filiais, na forma do art. 52, V, da LRF; e

(ix) a publicação do Edital previsto no art. 52, § 1º, da LRF.

Na sequência, a Decisão (evento 96), considerando a necessidade de esclarecimentos fáticos para definir a competência do Juízo, postergou a decisão sobre o processamento da recuperação judicial. A título precário: (a) deferiu a consolidação processual e substancial; (b) ratificou, até decisão ulterior e na medida em que pendentes diligências sobre a competência, a tutela cautelar do Evento 9, a qual suspendeu exigibilidade, prescrição, execuções e cobranças relativas a créditos/obrigações com fatos geradores coincidentes ou anteriores, incluindo cláusulas de vencimento antecipado ou amortização acelerada, delimitando que: (b.1) ficam excluídos da ordem de suspensão os créditos com garantia fiduciária, limitado ao valor do bem dado em garantia, os quais, contudo, não poderão ser vendidos ou retirados dos estabelecimentos dos requerentes enquanto no stay period, cujo termo inicial foi antecipado; (b.2) não se sujeitam à ordem de suspensão as cessões fiduciárias de direitos creditórios (recebíveis); (b.3) ficam excluídas da suspensão as cláusulas de vencimento antecipado e de compensação no âmbito de operações compromissadas e de derivativos, conforme artigo 193-A da LRF, bem como as cláusulas de vencimento antecipado de créditos não sujeitos, por não caber a este Juízo a análise de sua legalidade; (c) indeferiu o pedido de tutela do Evento 53, pelo qual as requerentes pretendiam impor unilateralmente a continuidade de relação contratual a fornecedores; (d) deferiu, a título de tutela, a dispensa de apresentação de certidão negativa de recuperação judicial para exercício das atividades e participação em licitações, sem prejuízo da demonstração de viabilidade econômica por outros meios; (e) concedeu mais 5 dias para que a parte autora complementasse informações necessárias à definição da competência, esclarecendo incongruência destacada na decisão e apresentando novo quadro com o volume de negócios separados por locais dos estabelecimentos da sede/filial contratada, em relação a São Paulo, Nova Odessa, Rio de Janeiro e, agora, também, São Francisco do Sul (sede da empresa DRACARES); (f) acolheu em parte os embargos dos Eventos 48, 52, 57 e 93, reconhecendo obscuridade da decisão do Evento 9, para declará-la nos termos desta; (g) exerceu em parte o juízo de retratação em razão dos agravos interpostos (3001203-67.2025.8.19.0000; 3001277-24.2025.8.19.0000 e 3001284-16.2025.8.19.0000), nos exatos termos desta decisão; (h) autorizou que os documentos referidos no item 233 da petição do Evento 89 fossem protocolados sob sigilo, em 5 dias e, havendo dificuldades com o sistema eProc, admitiu-se a formação de feito secundário sigiloso (acautelamento em cartório tido como inconveniente); (i) determinou que, a partir do 6º dia da publicação, os credores teriam mais 5 dias para se manifestar sobre os documentos do item "e", em contraditório; (j) determinou a intimação dos Administradores Judiciais (AJs) para apresentarem suas propostas, conforme o procedimento então fixado e, pelo princípio da cooperação, visando melhores parâmetros para a homologação dos honorários, que esclarecessem o valor global das remunerações dos CFO's do grupo.

Logo depois, as autoras (evento 113) informaram decisão de segunda instância após interposição de agravo de instrumento contra a decisão supracitada, no que concerne à competência e ao deferimento de tutelas de urgência. Informam, em síntese, que o Desembargador Relator, por decisão monocrática, afastou inconsistências documentais, reconheceu após o exame dos documentos apresentados, a competência deste Juízo da 3ª Vara Empresarial da Comarca da Capital para processar, com a urgência que a natureza do rito requer, o pedido de recuperação, e deferiu integralmente as tutelas de urgência, nos termos transcritos:

"Por todo exposto, DEFIRO a antecipação da tutela recursal, para reconhecer a competência do Juízo da 3ª Vara Empresarial da Comarca da Capital, para processamento, com a urgência que a natureza do rito requer, do pedido de recuperação judicial das agravantes, bem como conceder as tutelas de urgência requeridas no pedido de processamento da recuperação judicial, determinando: I) aos fornecedores de serviços essenciais que se abstenham de interromper o fornecimento de bens e serviços ao Grupo Ambipar e de criar embaraços de qualquer natureza ao regular cumprimento das disposições contratuais, com fundamento em inadimplemento de créditos sujeitos a recuperação judicial; II) aos respectivos credores, que se abstenham de excutir garantias fiduciárias, inclusive, a cessão fiduciária de direitos creditórios sobre quaisquer contas e aplicações financeiras, e de se apropriar de quaisquer valores e aplicações financeiras dos Grupo Ambipar; III) a suspensão da eficácia de toda e qualquer cláusula resolutiva expressa que autorize a rescisão de contratos essenciais à manutenção das operações das agravantes; IV) aos credores que se abstenham de declarar o vencimento antecipado das dívidas relativas a créditos não sujeitos aos efeitos da recuperação judicial, se abstendo de promover a apreensão, retirada, bloqueio ou qualquer outra forma de restrição ao uso de quaisquer dos bens atrelados aos respectivos instrumentos contratuais; V) que as empresas locadoras ou arrendatárias de equipamentos se abstenham de bloquear, paralisar ou de qualquer forma obstar o uso de equipamentos objeto dos contratos de locação indicados pelas agravantes. O descumprimento das obrigações aqui estabelecidas implicará em imposição de multa de R$ 100.000,00 por cada ato de descumprimento, ou 5% (cinco por cento), do valor do contrato, o que for maior."(grifado)

À vista desse reconhecimento de competência "para processamento, com a urgência que a natureza do rito requer" e do deferimento das tutelas, requereram exame urgente do pedido de recuperação judicial apresentado na manifestação do evento 89.

A Serventia (evento 114) certificou o recebimento de comunicação de decisão de lavra do Exmo. Des. Mauro Pereira Martins, que, em síntese, reconheceu "a competência do Juízo da 3ª Vara Empresarial da Comarca da Capital, para processamento...", com a determinação à 1ª instância para analisar, com a devida urgência, o pedido de recuperação judicial formulado. Em consequência, promoveu-se a conclusão dos autos.

Na mesma ocasião, sobreveio Petição (evento 116) apresentada por FLÁVIA YAMADA DOS SANTOS RAMOS e MAIKE YAMADA DOS SANTOS, alegando serem acionistas detentores, em conjunto, de 45% do capital social da DRYPOL AMBIPAR ENVIRONMENTAL PET SOLUTIONS S.A., uma das companhias inseridas no polo ativo desta recuperação. Informam que, em 30/07/2021, alienaram 55% do capital da DRYPOL à ENVIRONMENTAL ESG PARTICIPAÇÕES S/A, veículo do Grupo AMBIPAR. Ressaltam que a DRYPOL possui histórico robusto e autônomo, de empresa familiar com dedicação ao negócio e credibilidade e, segundo sustentam, permaneceu independente e íntegra mesmo após a entrada do Grupo AMBIPAR no capital social. Com isso, defendem ser absurda e excepcional a situação da DRYPOL, pois nunca houve autorização para que a companhia ajuizasse o pedido cautelar protocolado em seu nome em 24/09/2025 e, agora, em 20/10/2025, impetrasse recuperação judicial.

Acrescentam que a ausência de autorização seria notória, pois, a despeito de procuradorias em nome de várias requerentes, os ilustres advogados que subscrevem as peças não detêm procuração outorgada pela DRYPOL. Além disso, sustentam que a DRYPOL é autônoma, com atividades próprias e independentes, e que existem outros acionistas com participação relevante (45%), os quais detêm direito expresso de permanecer como membros da Diretoria (doc. 3, cláusula 6.3.1), além de poderes de veto em diversas matérias de competência da AGE, inclusive a impetração da recuperação judicial. Enfatizam que não se trata de mais uma SPE do grupo, nem de sociedade cuja recuperação precise ser processada em conjunto (muito menos em consolidação substancial). Ao final, requerem a rejeição do processamento da recuperação judicial da DRYPOL e, eventualmente, o indeferimento do processamento em consolidação substancial com as demais requerentes, determinando que, ao menos em relação à DRYPOL, o processo siga em consolidação processual.

Por fim, consta Petição (evento 118), protocolizada pelo BANCO ABC BRASIL S.A., que noticia inexistir aprovação de acionistas minoritários em relação a algumas sociedades do Grupo.

É o relatório do andamento processual até a presente data, em termos suficientes para orientar a prolação de decisão.

1.Preliminar: DA COMPETÊNCIA

Preliminarmente, cumpre registrar o que consta dos autos: o MM. Juiz Leonardo de Castro Gomes, em um primeiro momento, firmou a competência deste Juízo para o processamento do feito, mas, na sequência, diante da controvérsia ventilada acerca do estabelecimento principal e visando à transparência e ao contraditório, determinou a complementação documental pelas partes para elucidação dos pontos controvertidos.

A partir dessa instrução, sobreveio decisão monocrática do Excelentíssimo Desembargador Relator Mauro Pereira Martins, no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, que dirimiu a controvérsia e fixou este Juízo como competente para o processamento da recuperação judicial, nos seguintes termos:

"Os elementos de prova documental produzidos até o presente momento processual dão conta de que o Grupo Ambipar, em que pese possua atuação em diversos países, com grande volume de atividades no Estado de São Paulo, concentra gestão e concretização de maior volume de negócios na Capital Fluminense, fator determinante da competência para o juízo da recuperação judicial, consoante se extrai da seguinte tabela com dados relacionados aos negócios relacionados a suas atividades. O maior volume de negócios impacta diretamente no faturamento, na receita operacional e na margem de lucro, que, de igual turno, se mostram substancialmente mais elevados em relação ao desempenho verificado no Estado de São Paulo, conforme se depreende dos seguintes dados informados pelas devedoras: '- Cidade SP: Apresenta uma Receita Operacional Líquida (ROL) de 40.634 e um Lucro Líquido (LL) de 4.984, equivalente a 12,3% de margem. Conta com 75 funcionários, resultando em um LL por funcionário de 66,5. - Cidade RJ: Destaca-se como a principal operação do grupo, com ROL de 210.986 e LL de 38.898 (18,4% de margem), envolvendo 246 funcionários. O LL por funcionário é de 158,1, indicando alta produtividade e concentração significativa das operações econômicas do grupo nesta cidade. - Nova Odessa SP: Apresenta um desempenho negativo, com ROL de 131.228 e LL de -11.020 (-8,4% de margem), contando com 243 funcionários. O LL por funcionário é negativo (-45,3), indicando que a unidade não gera lucro relevante e apresenta baixa eficiência operacional.' O conteúdo das informações constantes dos documentos juntados ao processo, frise-se, não foi ilidido por qualquer outro elemento de prova produzido pelos credores interessados. Nessa perspectiva, compete ao foro do Rio de Janeiro processar e julgar conjuntamente o pedido de recuperação judicial relativo às empresas integrantes do mesmo grupo econômico, eis que aqui se concentra, conforme documentos juntados aos autos, o maior volume de negócios, mormente diante da ausência de elementos de prova concretos em sentido contrário."

No mesmo sentido, consta dos autos o parecer do professor e doutrinador Daniel Carnio Costa que corrobora a fixação da competência neste foro, destacando, entre outros pontos:

"(...)30. Conforme o entendimento do STJ, **o principal estabelecimento do devedor, especialmente em se tratando de recuperação judicial de grandes grupos econômicos, deve ser o local onde se concentra o maior volume de negócios, pois esse critério assegura, em regra, maior efetividade e coerência ao processo de recuperação judicial, cujo objetivo é o soerguimento da empresa em crise.** 31. No caso concreto, verifica-se que o Grupo Ambipar é um dos maiores conglomerados do setor ambiental, atuando em 41 países com mais de 600 bases operacionais. O grupo atua na gestão de resíduos, recuperação de materiais e resposta a emergências ambientais, gerando mais de 23 mil empregos diretos e recolhendo cerca de R$ 500 milhões em tributos anuais, além de atender mais de 12 mil acionistas dentro e fora do país. **32. De acordo com as informações apresentadas pelo Grupo, a cidade do Rio de Janeiro, dentre todas as outras do país e do mundo, concentra a maior parte das operações do grupo, gerando o maior faturamento, receita operacional e maior margem de lucro. Tal fator evidencia que a capacidade de pagamento das dívidas, elemento central para o processo recuperacional, encontra-se nesta Comarca.** O RJ também abriga infraestrutura operacional significativa para o grupo, incluindo bases em Duque de Caxias, no Porto do Açu e no aeroporto da Barra da Tijuca (onde se situa toda a frota de helicópteros), concentrando as atividades estratégicas nos setores de óleo e gás, portuário e de apoio marítimo. **Ademais, a sede do Rio de Janeiro, localizada na Rua Lauro Muller, nº 116, 27º Andar, Botafogo, é a responsável pela gestão do maior volume de negócios críticos do grupo, pois é nela que se concentram as decisões estratégicas e administrativas relativas às operações econômicas mais relevantes**. (...) 47. À vista das informações apresentadas, conclui-se que a competência para processar a recuperação judicial do Grupo AMBIPAR é do Juízo da Recuperação Judicial da Comarca do Rio de Janeiro (...)" (grifei).

Em cotejo, verifica-se que as providências determinadas pelo Exmo. Juiz Leonardo Gomes, voltadas ao reforço probatório em contraditório, contribuíram para a adequada instrução da matéria, posteriormente valorada na decisão monocrática em 2ª instância, de lavra do Des. Mauro Martins, que reputou suficientes os elementos probatórios trazidos pelas Requerentes, após determinação do Juízo de 1º grau, para a fixação da competência nesta Comarca.

Assim, à luz da instrução probatória determinada pelo Juízo de 1º grau e, por conseguinte, do quanto decidido no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, além dos fundamentos técnicos acima transcritos, firma-se, nos termos dos artigos 3º e 69-G, § 2º, da Lei 11.101/05, a competência deste Juízo Empresarial para o processamento do pedido de recuperação judicial do Grupo Ambipar.

2.Dos questionamentos trazidos pelos sócios da DRYPOL e do Banco ABC

Em relação aos questionamentos apresentados pelos sócios MAIKE YAMADA DOS SANTOS e FLÁVIA YAMADA DOS SANTOS RAMOS, da sociedade empresária DRYPOL, dirigidos à ENVIRONMENTAL ESG PARTICIPAÇÕES S/A (evento 116), bem como à manifestação do BANCO ABC BRASIL S.A. (evento 118), reconheço os fundamentos expendidos.

Não se pode olvidar, contudo, que o legislador, nos artigos 116, parágrafo único, e 122, parágrafo único, ambos da Lei nº 6.404/1976 (Lei das S.A.), previu expressamente hipóteses em que o acionista controlador pode adotar medidas drásticas em benefício da companhia em crise.

Estabelecido, pois, o binômio normativo, qual seja, o dever do controlador de orientar a companhia ao cumprimento de sua função social (art. 116, parágrafo único) e legitimação dos administradores, com sua anuência, para requerer a recuperação (art. 122, parágrafo único), passo ao exame do requisito habilitante da providência, qual seja, a urgência.

A urgência que legitima a medida mostra-se configurada (i) pela tutela cautelar deferida (evento 9) e (ii) pela decisão monocrática do Desembargador Relator MAURO PEREIRA MARTINS no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, a qual sublinhou a necessidade de pronta definição do processamento, sob pena de "provocar incertezas no mercado, com graves repercussões econômicas e especulações acerca das reais condições das devedoras agravantes, comprometendo ainda mais a crise do grupo empresarial".

Diante desse arcabouço, e com fundamento nos artigos 116, parágrafo único, e 122, parágrafo único, da Lei das S.A., conclui-se configurada a urgência apta a autorizar o requerimento de recuperação judicial, sem prejuízo de que as Requerentes, em prazo razoável a ser fixado por este Juízo, promovam a convocação de assembleia geral para deliberar especificamente sobre a ratificação da medida e as providências correlatas.

3.Da consolidação processual e substancial

No que concerne ao pedido de consolidação substancial, ressalta-se o caráter excepcional da medida, nos termos do art. 69-J, caput e incisos, da LRF, sendo certo que sua autorização judicial prescinde de deliberação pela assembleia geral de credores.

Sob o ponto de vista normativo, a autorização exige: (i) comprovação de interconexão e confusão entre ativos ou passivos dos devedores, de modo a inviabilizar a identificação das titularidades sem excessivo dispêndio de tempo ou recursos; cumulada com (ii) demonstração de, ao menos, duas hipóteses previstas nos incisos do art. 69-J da LRF, quais sejam: a) existência de garantias cruzadas; b) relação de controle ou dependência; c) identidade total ou parcial do quadro societário; d) atuação conjunta no mercado entre os postulantes.

No caso concreto, a análise do caderno processual e das razões deduzidas pelas requerentes evidencia o atendimento desses pressupostos. De um lado, foram demonstradas a interconexão e a confusão entre ativos e passivos, com destaque para as garantias cruzadas. Essa circunstância emerge da própria causa de pedir, uma vez que o vencimento cruzado das dívidas repercute em cadeia sobre todo o grupo, de sorte que o pedido de recuperação formulado por uma sociedade deflagra o acionamento de garantias e o vencimento antecipado das obrigações de outras, como fundamentado pelas requerentes e comprovado no anexo 9 (“DOC 8”) do evento 89.

Além disso, sob a ótica da relação de controle e dependência, o organograma constante do anexo 8 (“DOC 6”) do evento 89 demonstra, de forma clara e objetiva, o controle exercido pela holding sobre diversas sociedades do grupo, bem como a integração de sua governança. Nesse cenário, a segregação de ativos e passivos demandaria dispêndio excessivo de tempo e de recursos, conforme já assinalado por este Juízo na decisão do evento 96.

Diante desse quadro, a negativa de processamento em consolidação substancial acarretaria insegurança jurídica relevante, pois o soerguimento isolado de uma sociedade, em contexto de garantias cruzadas e vencimentos encadeados, tende a precipitar a insolvência das demais.

Por conseguinte, consideradas as provas produzidas e verificados os requisitos do art. 69-J, caput e incisos I e II, da LRF, impõe-se o deferimento da consolidação substancial.

4.Dos requisitos para o deferimento do processamento da RJ

Reconhecida a possibilidade de consolidação substancial, nos termos do art. 69-J da Lei 11.101/05, passo ao exame do atendimento dos requisitos legais para o processamento desta recuperação judicial.

A instrução constante dos autos evidencia, com precisão, as causas da crise econômico-financeira, pois, após o ingresso do Sr. João Arruda como CFO da AMBIPAR PARTICIPAÇÕES, evidenciou-se que os contratos de swap originariamente firmados com o Bank of America foram transferidos ao Deutsche Bank e, na sequência, aditados para contemplar hipótese de dação em pagamento dos Green Bonds emitidos pela AMBIPAR LUX no exterior. Com tal aditamento, introduziu-se elemento de natureza especulativa, ao passo que os ajustes precedentes apresentavam caráter não especulativo e se limitavam ao hedge cambial, conforme articulado na petição inicial.

A coerência do quadro probatório se evidencia nos gráficos do item 113 do evento 89, cotejados com a documentação que os acompanha, os quais revelam volatilidade anômala dos Green Bonds e, em juízo de cognição sumária, apontam para possível ataque orquestrado, à vista da queda acentuada representada no material.

A partir dessa inflexão, o Deutsche Bank passou a exigir da AMBIPAR PARTICIPAÇÕES garantias adicionais em patamares superiores aos originalmente estipulados nos swaps, chegando, por derradeiro, à requisição de aporte de R$ 60 milhões, sob pena de vencimento automático e antecipado dos contratos de derivativos e do consequente empréstimo de USD 35 milhões firmado com a própria instituição.

Essa aceleração, por sua vez, desencadeou reação em cadeia por parte de outras instituições financeiras, movidas pelo receio de inadimplemento sistêmico no âmbito do Grupo Ambipar, dinâmica explicável pela disseminação, nos contratos financeiros do Grupo, de cláusulas de vencimento antecipado cruzado, pelas quais a aceleração de uma obrigação irradia efeitos sobre as demais.

Nesse quadro, a tutela cautelar deferida (evento 9) mostrou-se, e permanece, imprescindível à preservação da atividade empresarial: a ausência da blindagem conferida pela Lei 11.101/05 revelaria elevada probabilidade de ruptura imediata de um conglomerado de inegável relevância econômica.

Deve-se notar, ademais, que as requerentes demonstraram, de forma clara e objetiva, que o gatilho da crise decorreu de má-gestão específica, supostamente atribuída ao Sr. João Arruda, na condição de CFO da AMBIPAR PARTICIPAÇÕES. Não obstante, foi simultaneamente evidenciada a viabilidade de superação do quadro, uma vez que à vista da adequada saúde financeira e de caixa, mantinham-se adimplidas a extensa folha salarial, as obrigações perante fornecedores e instituições financeiras e o recolhimento de tributos na ordem anual aproximada de R$ 500.000.000,00.

A esse componente econômico soma-se o vetor institucional: o soerguimento projeta-se na possibilidade de renegociação dos passivos com credores, viabilizando a continuidade da função produtiva e do emprego. Como ressaltado na inicial, o Grupo Ambipar ostenta atuação destacada em gestão ambiental, com promoção do desenvolvimento sustentável e preservação de 2,5 milhões de hectares na Floresta Amazônica.

Sob o ângulo principiológico, o deferimento do processamento harmoniza-se com o art. 47 da LRF (preservação da empresa) e, em complemento, atende à tutela do interesse dos investidores e à estabilidade do mercado de capitais: sendo as recuperandas emissoras com ações disponibilizadas no mercado de valores, a indefinição judicial acerca do processamento, enquanto perdurar, projeta instabilidade que repercute na formação de preços e nas decisões de alocação, com potenciais efeitos deletérios sobre a liquidez e o valor dos papéis. A pronta definição jurisdicional, portanto, não apenas preserva a empresa e a atividade econômica, como também mitiga assimetrias informacionais e protege a confiança dos investidores.

Nessas condições, encontram-se presentes os elementos caracterizadores do processamento da recuperação judicial, na forma do art. 51, I, da Lei 11.101/05.

No tocante à documentação exigida pelos arts. 48 e 51 da LRF, as requerentes indicaram, nos itens 140/141, os "docs" correspondentes aos respectivos incisos, embora com numeração que não guarda exata correlação.

Superado o erro material, os documentos foram localizados, cronologicamente, no evento 90, "outros", itens 17, 18, 19, 20 e 21; a relação de credores consta do evento 89, "outros", item 12.

As certidões dos cartórios de protesto situados nos locais das sedes e filiais das requerentes foram identificadas no evento 90, "outro", item 35; e a relação de todas as ações judiciais e procedimentos arbitrais (inclusive de natureza trabalhista), bem como os demais documentos pertinentes, constam do evento 90, "outros", itens 39, 40, 41 e 42.

Quanto aos incisos IV, VI e VII do art. 51 da LRF e ao relatório gerencial de fluxo de caixa, este Juízo, na decisão do evento 97, item 7, autorizou o protocolo sob sigilo, ressaltando a inconveniência do acautelamento em cartório, decisão que ora se mantém, na íntegra.

Cumpre assentar que as requerentes comprovaram o exercício regular de atividades há mais de 2 (dois) anos, satisfazendo o art. 48 da Lei 11.101/05, bem como os requisitos cumulativos de seus incisos I, II, III e IV; do mesmo modo, estão preenchidos os requisitos do art. 69-J, caput e incisos, da Lei 11.101/05.

Por fim, consideradas a necessária preservação da empresa como fonte produtora de bens e serviços, sua relevância na geração de tributos e postos de trabalho, bem como o conjunto probatório constante dos autos, **DEFIRO O PROCESSAMENTO DA RECUPERAÇÃO JUDICIAL do GRUPO AMBIPAR, EM CONSOLIDAÇÃO SUBSTANCIAL, nos termos do art. 69-J da LRF**. formado pelas sociedades empresárias: (1) **AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S.A.**, sociedade inscrita no CNPJ sob o nº 12.285.662/0001-34, com sede no Estado do Rio de Janeiro, na Cidade do Rio de Janeiro, na Rua Lauro Muller, nº 116, Bairro Botafogo, CEP 22.290-160; **(2) AMBIPAR CBL INDÚSTRIA E COMÉRCIO DE MANUFATURADOS S.A.**, sociedade anônima inscrita no CNPJ sob o nº 08.607.957/0001-02, com sede no Estado do Paraná, na Cidade de São José dos Pinhais, na Rua Wenceslau Marek, nº 63, Bairro Águas Belas, CEP 83.010-520; **(3) AMBIPAR CERTIFICATION LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 39.658.648/0001-95, com sede no Estado de São Paulo, na Cidade de São Paulo, na Avenida Angélica, nº 2.346, Bairro Consolação, CEP 01.228-200; **(4) AMBIPAR COMPLIANCE SOLUTIONS S.A.**, sociedade anônima inscrita no CNPJ sob o nº 86.450.624/0001-26, com sede no Estado de Minas Gerais, na Cidade de Belo Horizonte, na Avenida do Contorno, nº 6.594, Bairro Savassi, CEP 30.110-044; **(5) AMBIPAR C-SAFETY COMÉRCIO, INDÚSTRIA E SERVIÇOS LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 22.036.291/0001-00, com sede no Estado do Rio de Janeiro, na Cidade de Niterói, na Rua Manoel Pacheco de Carvalho, nº 102, Bairro Centro, CEP 24.030-290; **(6) AMBIPAR ECO PRODUCTS S.A.**, sociedade anônima inscrita no CNPJ sob o nº 02.941.454/0001-92, com sede no Estado de São Paulo, na Cidade de Nova Odessa, na Rodovia Anhanguera, S/N, Bairro Zona de Produção Industrial Um (ZPI-01), CEP 13.388-220; **(7) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY FPI PARANÁ LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 26.611.091/0001-95, com sede no Estado do Paraná, na Cidade de Rolândia, na Rua Hungria, nº 1.909, Bairro Manoel Muller, CEP 86.601-770; **(8) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY FPI S.A.**, sociedade anônima inscrita no CNPJ sob o nº 07.714.426/0001-56, com sede no Estado do Paraná, na Cidade de São José dos Pinhais, na Rua Wenceslau Marek, nº 63, Bairro Aeroporto, CEP 83.010-520; **(9) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY NE LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 16.625.236/0001-53, com sede no Estado do Ceará, na Cidade de Juazeiro do Norte, na Rua Manoel Cassimiro, nº 57, Bairro Prefeito Carlos Alberto da Cruz, CEP 63.041-018; **(10) AMBIPAR ENVIRONMENT CIRCULAR ECONOMY RM S.A.**, sociedade anônima inscrita no CNPJ sob o nº 05.034.679/0001 53, com sede no Estado de São Paulo, na Cidade de São José dos Campos, na Avenida Doutor Sebastião Henrique da Cunha Pontes, nº 8.000, Bairro Chácaras Reunidas, CEP 12.238-365; **(11) AMBIPAR ENVIRONMENT ECONOMIA CIRCULAR NORDESTE S.A.**, sociedade anônima inscrita no CNPJ sob o nº 08.143.344/0001-61, com sede no Estado do Ceará, na Cidade de Juazeiro do Norte, na Avenida do Agricultor, nº 567, Bairro Três Marias, CEP 63.015-130; **(12) AMBIPAR ENVIRONMENT MANAUS LTDA.**, sociedade limitada inscrita no CNPJ sob o nº 12.163.869/0001-36, com sede no Estado do Amazonas, na Cidade de Manaus, na Avenida Abiurana, nº 666, Bairro Distrito Industrial I, CEP 69.075-010; **(13) AMBIPAR ENVIRONMENT RESIDENTIAL COLLECTION S.A.**, sociedade anônima inscrita no CNPJ sob o nº 10.652.751/0001 46, com sede no Estado de São Paulo, na Cidade de São Paulo, na Rua João Antônio de Oliveira, nº 453, Bairro Mooca, CEP 03.111-010; **(14) AMBIPAR ENVIRONMENT REVERSE MANUFACTURING S.A.**, sociedade inscrita no CNPJ sob o nº 10.711.268/0001-95, com sede no Estado de São Paulo, na Cidade de Nova Odessa, na Rod. Nos termos dos arts. 6º e 52 da Lei nº 11.101/2005, determino o que segue:

I – DISPENSA DE CERTIDÕES

Fica dispensada a apresentação de certidões negativas para o regular exercício das atividades pelas requerentes.

II – DO NOME EMPRESARIAL

Determino que as requerentes acresçam, após o respectivo nome empresarial, a expressão "em recuperação judicial".

III – DA SUSPENSÃO DAS AÇÕES

A) Suspendo todas as ações e execuções movidas contra as requerentes, na forma do art. 6º, § 4º, da Lei nº 11.101/2005, a contar de 24/9/2025, por 180 (cento e oitenta) dias corridos, permanecendo os autos no juízo de origem, ressalvadas as hipóteses dos §§ 1º, 2º e 7º do art. 6º, bem como aquelas relativas a créditos excetuados nos §§ 3º e 4º do art. 49 da mesma lei. Para obstar interpretações equivocadas, fixo como fato gerador desta recuperação judicial o dia 24/9/2025 (data do protocolo da tutela cautelar antecedente).

B) Ratifico os efeitos da tutela cautelar deferida no evento 9 e referendada pelo Exmo. Des. Rel. Mauro Pereira Martins, em decisão monocrática no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ. Para adequada publicidade e compreensão, reproduzo o teor do evento 9, assinalando que a suspensão vigorará durante

o stay period. Assim, no período:

i) suspende-se a exigibilidade e o curso da prescrição dos créditos e das obrigações (inclusive de fazer, não fazer e dar) das requerentes e partes relacionadas, cujos fatos geradores sejam coincidentes ou anteriores à data acima;

ii) suspendem-se as execuções e quaisquer medidas de cobrança contra as requerentes e partes relacionadas relativas a créditos ou obrigações (inclusive de fazer, não fazer e dar) cujos fatos geradores sejam coincidentes ou anteriores à referida data;

iii) vedam-se quaisquer formas de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das requerentes e de suas partes relacionadas, oriundas de demandas judiciais ou extrajudiciais com fatos geradores coincidentes ou anteriores à mesma data.

C) Em consonância com a tutela de urgência concedida no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, dou ampla publicidade à decisão de segunda instância e a ratifico, determinando:

i) aos fornecedores de serviços essenciais que se abstenham de interromper o fornecimento de bens e serviços ao GRUPO AMBIPAR e de criar embaraços de qualquer natureza ao regular cumprimento das disposições contratuais, com fundamento em inadimplemento de créditos sujeitos à recuperação judicial;

ii) aos credores, que se abstenham de excutir garantias fiduciárias, inclusive cessão fiduciária de direitos creditórios sobre quaisquer contas e aplicações financeiras, bem como de se apropriar de quaisquer valores e aplicações financeiras do Grupo Ambipar;

iii) a suspensão da eficácia de toda e qualquer cláusula resolutiva expressa que autorize a rescisão de contratos essenciais à manutenção das operações das agravantes;

iv) aos credores, que se abstenham de declarar o vencimento antecipado de dívidas relativas a créditos não sujeitos aos efeitos da recuperação judicial, abstendo-se de promover apreensão, retirada, bloqueio ou qualquer outra restrição ao uso de bens vinculados aos respectivos instrumentos contratuais;

v) às empresas locadoras ou arrendatárias de equipamentos, que se abstenham de bloquear, paralisar ou de qualquer forma obstar o uso de equipamentos objeto dos contratos de locação indicados pelas agravantes. O descumprimento das obrigações ora fixadas acarretará multa de R$ 100.000,00 por ato de descumprimento, ou 5% (cinco por cento) do valor do contrato, o que for maior.

IV – DO REPRESENTANTE ESTRANGEIRO (ART. 167-B DA LRF)

Nos termos do art. 167-B, caput, IV, da LRF, nomeio o Sr. Ricardo Rosanova Garcia, brasileiro, solteiro, administrador, RG nº 21.152.028-7 SSP/SP, CPF nº 259.792.868-37, como representante estrangeiro (foreign representative) de qualquer Requerente, a fim de que, se necessário, possa apresentar-se perante autoridades estrangeiras e atuar em processos estrangeiros de reestruturação de dívidas, em qualquer jurisdição em que tal atuação se mostre necessária ou útil, incluindo, sem limitação, recuperação judicial ou procedimento concursal similar, sejam processos principais, não principais ou acessórios, conforme a legislação aplicável das respectivas jurisdições.

V – DA APRESENTAÇÃO DE CONTAS MENSAIS

Determino que as recuperandas apresentem contas demonstrativas mensais durante todo o processamento da recuperação judicial, até o quinto dia útil do mês subsequente, remetendo cópia à Administração Judicial Conjunta no mesmo prazo, para cumprimento do art. 22, II, “c”, da LRF, sob pena de destituição de seus administradores.

VI – DAS INTIMAÇÕES

Determino as intimações do Ministério Público e das Fazendas Públicas Federal, Estaduais e Municipais nas quais as recuperandas exerçam atividade empresarial. Com fundamento no art. 6º do CPC, determino que as recuperandas indiquem, em petição avulsa, todos os Municípios em que exerçam atividade, para fins de intimação dos respectivos entes.

VII – OFÍCIOS ÀS JUNTAS COMERCIAIS

Expeçam-se ofícios às Juntas Comerciais competentes para anotação do pedido de recuperação nos respectivos registros, devendo constar, após o nome empresarial, a expressão “em Recuperação Judicial”. Com fundamento no art. 6º do CPC, determino que as recuperandas informem, em petição avulsa, as Juntas Comerciais que deverão ser oficiadas.

VIII – DA PUBLICAÇÃO DO EDITAL

Determino a expedição e publicação do edital previsto no art. 52, § 1º, da Lei nº 11.101/2005, devendo ser observada a consolidação substancial desta recuperação judicial.

IX – DA HABILITAÇÃO ADMINISTRATIVA

Determino que os credores, a contar da publicação do edital a que alude o art. 52, § 1º, da Lei nº 11.101/2005, apresentem, no prazo de 15 (quinze) dias, suas habilitações ou divergências à Administração Judicial Conjunta, a qual deverá observar tratar-se de recuperação judicial em consolidação substancial. O prazo é contado em dias corridos.

X – DA PUBLICAÇÃO DA RELAÇÃO DE CREDORES PELA ADMINISTRAÇÃO JUDICIAL

Nos termos do art. 7º, § 2º, da LRF, o administrador judicial, com base nas informações e documentos colhidos na forma do caput e § 1º do art. 7º, publicará edital contendo a relação de credores no prazo de 45 (quarenta e cinco) dias, contado do término do prazo do § 1º do art. 7º, indicando local, horário e prazo comum em que as pessoas mencionadas no art. 8º terão acesso à documentação que fundamentou a relação, sendo a contagem de prazo efetuada em dias corridos. A Administração Judicial deverá observar a consolidação substancial.

XI – DAS IMPUGNAÇÕES

O credor que impugnar a lista apresentada pela Administração Judicial (art. 7º, § 2º) deverá DISTRIBUIR A IMPUGNAÇÃO POR DEPENDÊNCIA, no EPROC, como INCIDENTE PROCESSUAL, no prazo de 10 (dez) dias, na forma do art. 8º da LRF, processando-se nos termos do art. 13 e seguintes. Ressalto que a apresentação de impugnação nos autos principais é VEDADA e será tida por intempestiva, por configurar erro grosseiro, destacando-se que o prazo é contado em dias corridos.

A serventia fica desde já autorizada a excluir, por certidão e independentemente de conclusão, impugnações indevidamente protocoladas nestes autos principais.

XII – DAS HABILITAÇÕES RETARDATÁRIAS

As habilitações retardatárias deverão ser distribuídas POR DEPENDÊNCIA, diretamente no EPROC, como INCIDENTE PROCESSUAL, conforme art. 10, §§ 5º e 6º, da Lei nº 11.101/2005. É VEDADA a habilitação nestes autos principais.

A serventia fica desde já autorizada a excluir, por certidão e independentemente de conclusão, habilitações indevidamente apresentadas no feito principal.

XIII – DA APRESENTAÇÃO DO PLANO

As recuperandas deverão apresentar os planos de recuperação no prazo de 60 (sessenta) dias, contado da publicação desta decisão, observando os requisitos do art. 53 da Lei nº 11.101/2005 e a existência de consolidação substancial, ressaltando que o prazo é contado em dias corridos.

No ato de apresentação, deverão providenciar a minuta do edital em mídia em formato Microsoft Word e o recolhimento das custas processuais.

XIV – DAS OBJEÇÕES

As objeções ao plano serão apresentadas nestes autos no prazo de 30 (trinta) dias, contado da publicação da relação de credores de que trata o art. 7º, § 2º, da LRF. O prazo é contado em dias corridos.

XV – DA NÃO INTERVENÇÃO

Para resguardar a celeridade e a eficiência processuais e evitar tumulto no regular andamento do feito, fica LIMITADA A INTERVENÇÃO de credores e terceiros interessados nos autos principais desta recuperação judicial, salvo quando a lei expressamente o permitir (v.g., apresentação de objeções ou recursos).

Qualquer requerimento estranho ao curso regular deverá ser formulado em apartado, como procedimento incidental, com vista às Recuperandas, à Administração Judicial e ao Ministério Público.

XVI – DAS INTIMAÇÕES

FICA VEDADA a anotação, nestes autos, de advogados de todos os credores e interessados, competindo-lhes acompanhar o andamento do processo no sítio eletrônico deste Egrégio Tribunal de Justiça, sendo as intimações dos atos processuais realizadas por publicação no Diário da Justiça eletrônico (D.O.).

XVII – DA ADMINISTRAÇÃO JUDICIAL

Consideradas as particularidades do feito, esta Magistrada registra que não adota, como regra, a sistemática de processo competitivo para a nomeação do Administrador Judicial, tal como prevista no evento 9.

Todavia, atuando nesta demanda em substituição ao Magistrado responsável pelo prosseguimento do caso, reputo necessário preservar o método por ele determinado e já em curso, prestigiando-se a orientação do Juízo natural e evitando-se insegurança jurídica.

Em contrapartida, o art. 52, I, da LRF impõe ao Juízo, ao deferir o processamento, o dever de nomear Administrador Judicial. Assim, para cumprimento do dispositivo legal, procederei à nomeação de um Administrador Judicial, dentre os indicados no evento 9, para atuar provisoriamente até o encerramento do processo competitivo. Não obstante, na análise final do processo competitivo, o Magistrado responsável poderá, se entender pertinente, nomear dois Administradores Judiciais, de acordo com as premissas da jurisprudência já estabelecida neste tribunal de justiça.

Ressalvo, ademais, o entendimento desta Magistrada quanto à conveniência da nomeação conjunta em recuperações judiciais de reconhecida magnitude e complexidade. A coerência do Juízo com suas próprias decisões, por sinal, é vetor de segurança jurídica. Em caso análogo, o do Clube de Regatas Vasco da Gama/Vasco SAF, deferi a nomeação de dois Administradores Judiciais, solução que, embora impugnada pelo Ministério Público, foi mantida em sede recursal pelo Desembargador Cesar Felipe Cury (AI nº 0020234-27.2025.8.19.0000), exatamente em razão da complexidade do feito e da necessidade de maior eficiência fiscalizatória sem incremento de custos.

Nesse tocante, ainda que o Ministério Público Estadual costume opor-se à nomeação conjunta, sob alegação de ausência de previsão expressa, o Tribunal de Justiça do Estado do Rio de Janeiro tem admitido a medida em hipóteses de alta complexidade, em linha com os precedentes: AI nº 0009137-98.2023.8.19.0000 (Grupo Oi), relatoria da Desembargadora Mônica Maria Costa Di Piero, e AI nº 0002604-26.2023.8.19.0000 (Lojas Americanas), relatoria da Desembargadora Leila Santos Lopes.

Em tais julgados, assentou-se a possibilidade de atuação conjunta, sem majoração remuneratória, quando devidamente justificada pela envergadura do processo, pela multidisciplinaridade exigida e pela busca de eficiência e transparência na fiscalização, além da expressa divisão de tarefas comunicada ao Juízo.

No mesmo sentido, o Centro de Estudos e Debates-CEDES/TJRJ-Direito empresarial, aprovou o Enunciado nº 1 estabelecendo que **"É admissível a nomeação conjunta de mais de um Administrador Judicial no processamento da recuperação judicial, devidamente fundamentada pelo Juízo em razão da complexidade e quando a estrutura do grupo econômico ou a multiplicidade de estabelecimentos justificar uma clara divisão de funções, desde que observado o disposto no art. 24, § 1º, da Lei 11.101/2005 e o art. 5º, §§ 3º e 4º, da Resolução 393/2021/CNJ." (grifei).**

Registre-se, ainda, a prática observada em outros Tribunais em recuperações de grande porte/complexidade, como nos casos das Recuperações Judiciais da Samarco Mineração, processo n. 5046520-86.2021.8.13.0024 e Cruzeiro Esporte Clube, processo n. 5145674-43.2022.8.13.0024.

Diante disso, perfilho a compreensão de que, em cenários como o presente, a nomeação de dois Administradores Judiciais tende a proporcionar maior transparência, especialização e eficiência, sem concentração indevida de honorários e com ganho de qualidade técnica e de acessibilidade aos credores.

A remuneração, na linha que adoto, deve ser partilhada na proporção de 50% para cada Administração, de modo a impedir ônus adicional às recuperandas e prejuízo aos credores.

Quanto aos parâmetros de escolha, observados os critérios estimulados pelo CNJ e por este Egrégio Tribunal (transparência e rotatividade), adoto: a) expertise necessária e comprovada para processos de grande complexidade; b) confiança do Juízo na atuação; c) ausência de nomeação pretérita por esta Magistrada, privilegiando diversidade; d) ausência de mais de quatro nomeações simultâneas neste Juízo.

Em respeito à decisão do evento 9, a escolha recairá, provisoriamente e dentre os indicados, sobre: (1) VPJ Administração Judicial (CNPJ 55.870.751/0001-50), na pessoa do Dr. Victor Saraiva Torres; (2) Neves, Figueiredo, Cerqueira e Souza, na pessoa do Dr. Athos de Andrade Figueira Neves (OAB/RJ 211747); (3) Augusto Alves Moreira Neto (Gomes de Mattos Advogados Associados); (4) Carapetcov Administração Judicial, na pessoa do Dr. Thiago Carapetcov (OAB/RJ 151772).

A) Da expertise necessária e comprovada para atuação em processos de grande complexidade

Não tive, até o momento, acesso aos currículos de todos os Administradores listados, uma vez que o prazo para o encerramento do processo competitivo vai se encerrar em 03 de novembro de 2025. Por isonomia, deixo excepcionalmente de aplicar este critério nesta escolha provisória.

B) Da confiança do Juízo

Nos termos do art. 5º, caput, da Resolução CNJ 393/2021 e do art. 6º, caput, do Provimento CGJ 38/2022, consigno conhecimento pretérito da atuação da Administração Judicial Neves, Figueiredo, Cerqueira e Souza (nomeações por outro Magistrado na 4ª Vara Empresarial), com avaliação positiva quanto à colaboração, diligência e probidade.

Em relação ao Dr. Thiago Carapetcov, quando esta Magistrada esteve à frente da 7ª Vara Empresarial, constatou-se atuação ética, proba e cooperativa na recuperação da Real Distribuidora Única Rio Comércio de Refrigeração Ltda., com comunicação contínua e efetiva com o Juízo, embora nomeado por outro Magistrado.

Em relação aos demais, não houve oportunidade de avaliação direta, razão pela qual a experiência e a confiança aferidas em relação àquela Administração e ao referido profissional amparam a escolha provisória de um dos dois para atuar até o desfecho do processo competitivo.

C) Da ausência de nomeação pretérita por esta Magistrada

Houve nomeação anterior da Administração Neves, Figueiredo, Cerqueira e Souza por esta Magistrada no processo 0080942-85.1998.8.19.0001. Por sua vez, a Carapetcov Administração Judicial, embora conte com a confiança deste Juízo quanto à atuação do Dr. Thiago Carapetcov, ainda não foi objeto de nomeação por esta Magistrada.

Em critério lógico, objetivo e transparente — e para fomentar a diversidade de atuações, entendo adequada a nomeação da Carapetcov Administração Judicial, a título provisório, até o encerramento do processo competitivo.

D) Da ausência de nomeação em mais de quatro recuperações judiciais neste Juízo

Verifiquei, em consulta interna, a inexistência de atuação da Carapetcov Administração Judicial em mais de quatro recuperações judiciais perante este Juízo, nos termos do art. 6º, § 3º, do Provimento CGJ 38/2022.

Pelo esposado, NOMEIO, A TÍTULO PROVISÓRIO, até o encerramento do processo competitivo, a CARAPETCOV ADMINISTRAÇÃO JUDICIAL (CNPJ 60.437.945/0001-05), com endereço na Praça Quinze de Novembro, sala 502, Centro – RJ, sup.r.mercado 12, representada por THIAGO CARAPETCOV (OAB/RJ 151772), e-mail: [thiago@carapetcovaj.com.br] (**mailto:thiago@carapetcovaj.com.br**).

Sem prejuízo, e conforme já exposto, na análise final do processo competitivo, o Magistrado responsável poderá, se entender pertinente, nomear dois Administradores Judiciais, de acordo com as premissas da jurisprudência já estabelecida neste tribunal de justiça e julgados supracitados.

À serventia para intimar o Administrador Judicial a fim de que, no prazo de 24 (vinte e quatro) horas, manifeste aceitação e lavre o termo próprio.

Havendo aceitação, comunique-se, pelo e-mail [dgfaj.diaaiauxjus@tjrj.jus.br] (mailto:dgfaj.diaaiauxjus@tjrj.jus.br), a Divisão de Acompanhamento e Análise de Indicadores (DIAAI/CGJ), na forma do Provimento CGJ nº 22/2023. Por fim, considerando o processo competitivo em curso, deixo de aplicar a Recomendação nº 141/2023 do CNJ.

XVII.1 – A Administração Judicial Provisória fica advertida de que, na remuneração pelo encargo provisório, a ser posteriormente arbitrada pelo Juízo, deverão estar incluídos todos os gastos com profissionais externos (advogados, contadores, economistas e assemelhados) e demais custos administrativos necessários ao regular processamento do feito, lembrando que a decisão de nomeação só se tornará definitiva com o termo do processo competitivo a ser analisado com a entrega final dos documentos.

XVII.2 – Nos termos do art. 22, III, "c", da LRF, a Administração Judicial Provisória deverá apresentar, neste feito principal, relatório mensal do desenvolvimento das atividades das recuperandas até o 20º (vigésimo) dia do mês subsequente.

XVII.3 – A Administração Judicial deverá apresentar, no prazo de 30 (trinta) dias úteis, relatório circunstanciado, neste feito principal, abrangendo as atividades das sociedades (aspectos financeiros e econômicos), a fim de demonstrar ao Juízo e aos credores a realidade das recuperandas.

XVII.4 – A Administração Judicial deverá indicar endereço eletrônico específico e providenciar, no prazo máximo de 15 (quinze) dias, respostas a ofícios e solicitações de outros juízos e órgãos públicos, independentemente de prévia deliberação judicial. Com a juntada do e-mail, fica a serventia autorizada a encaminhar as comunicações diretamente à Administração Judicial, nos termos do art. 22, I, "m", da Lei 11.101/2005.

XVII.5 – O descumprimento dos ônus processuais poderá ensejar substituição ou destituição da Administração Judicial, conforme o caso concreto.

XVIII – DO PEDIDO DE APRESENTAÇÃO DA RELAÇÃO INTEGRAL DOS FUNCIONÁRIOS

No que concerne aos pedidos de sigilo relativos aos documentos referidos no art. 51, incisos IV, VI e VII, da LRF, determino que as recuperandas instaurem incidente processual próprio e juntem as respectivas peças no prazo de 48 (quarenta e oito) horas, devendo, em seguida, peticionar nestes autos para informar a numeração do incidente, que deverá tramitar em segredo de justiça.

Em relação aos incisos IV e VII, há inequívoco interesse dos credores, devidamente relacionados ou habilitados em tempo, em conhecer a força de trabalho da devedora (identificação, cargos e remunerações), bem como os dados necessários ao escrutínio econômico-financeiro, a fim de avaliarem, de modo amplo, a viabilidade do PRJ.

De outro lado, não se pode converter o processo recuperacional em via de acesso indiscriminado, por terceiros alheios ao feito, a dados íntimos de empregados e a informações bancárias e fiscais das recuperandas.

Impõe-se, pois, a ponderação entre (i) o direito dos credores, titulares da prerrogativa de aprovar ou rejeitar o PRJ, ao acesso informacional indispensável à formação de sua vontade, e (ii) a tutela da intimidade e da vida privada dos trabalhadores, bem como dos sigilos bancário e fiscal das devedoras. Dessa ponderação resulta a seguinte disciplina: o sigilo dos documentos previstos nos incisos IV e VII será mitigado apenas em favor dos credores com direito de voto, que poderão acessá-los para embasar sua decisão sobre o PRJ.

Para evitar tumulto processual, os credores interessados, isto é, aqueles aptos a aprovar ou rejeitar o PRJ, deverão requisitar diretamente à Administração Judicial as documentações dos incisos IV e VII. Caberá à Administração Judicial disponibilizá-las no prazo de 48 (quarenta e oito) horas, contado do recebimento do pedido, independentemente de nova ordem judicial, comunicando às recuperandas a relação das partes que obtiveram acesso. Em caso de negativa, a Administração Judicial deverá, de imediato, submeter a este Juízo as razões da não disponibilização.

Por sua vez, no que respeita aos bens pessoais de administradores e sócios controladores (art. 51, VI), o sigilo permanece integral. A divulgação dessas informações não contribui para o regular andamento desta recuperação e, ao revés, expõe desnecessariamente a segurança e a intimidade dos administradores e sócios-controladores, frisando-se que esse sigilo, por óbvio, será aplicado ao Judiciário, ao MP e à Administração Judicial nomeada, auxiliar do Juízo.

Ao Cartório para retificar a classe processual, vez que a recuperação judicial foi deferida.

Publique-se. Intimem-se.

Vista ao Ministério Público.

In the procedural timeline, it is important to note that on September 24, 2025 (Event 1), the plaintiffs filed a motion for preliminary injunctive relief on an ex parte basis, based on Articles 6, § 12, and 189 of Law No. 11,101/05-LRJ, and Articles 300 et seq. of the Code of Civil Procedure (CPC). As a premise, they describe adequate financial and cash flow health, with payroll, obligations to suppliers, financial institutions, and taxes kept up to date, these totaling approximately R$ 500 million annually, in addition to the generation of approximately 23,000 direct jobs (not counting indirect ones).

On the financial-contractual front, they note that on September 18, 2025, AMBIPAR LUX S.À.R.L. entered into a loan agreement with Deutsche Bank AG for USD 35,000,000.00, in addition to three derivative swap contracts ( ), with an amendment to include payment in kind using securities issued abroad (green bonds). Due to the linkage to the loan agreements, the base amount for calculating the debt in USD, pursuant to the swap agreements, would total USD 550,000,000.00.

Consequently, they argue that Deutsche Bank began to calculate and demand additional collateral based not only on the negative spread of the swap rates but also on the depreciation of the PIK Bonds in the foreign market—securities that would only be delivered in the future, upon maturity of the swaps. Consequently, with the incorporation of future credit risk related to the PIK Bonds, the bank allegedly demanded that AMBIPAR PARTICIPAÇÕES make contributions far exceeding what would be required, resulting in cash

outflows exceeding R$ 200 million in recent days.

At the same time, they emphasize that virtually all of the group's financial contracts contain cross-default clauses, which pose a very serious risk of immediate insolvency. The scope of this cross-default would imply a financial shortfall of over R$ 10 billion, considering all transactions with financial institutions that are creditors of the group in the event of a request for judicial reorganization.

In addition, they argue that the situation has been exacerbated by the possibility that certain financial institutions could seize billions of reais from the petitioners' checking accounts and investments without the need for a court order, which would render the conduct of business unfeasible. The risk, they state, is imminent and concrete, since some institutions have already notified the petitioners to declare early maturity and adopt appropriate judicial and extrajudicial remedies.

In light of this situation, the Decision (Event 9) recognized the jurisdiction of this Reorganization Court and granted the preliminary injunction for a period of 30 days, extendable for the same period, effective as of the date and time of filing of the initial petition for the preliminary injunction. With this decision, the following were suspended: (i) the enforceability and the running of the statute of limitations on the claims and obligations (including those to do, not to do, and to deliver) of the petitioners and related parties arising from coinciding or prior triggering events; (ii) enforcement proceedings and other collection measures against the petitioners and related parties regarding such claims/obligations; and, furthermore, (iii) any form of withholding, attachment, seizure, search and seizure, and judicial or extrajudicial enforcement against the assets of the petitioners and their related parties was prohibited, when arising from claims whose credits/obligations have coinciding or prior triggering events.

Similarly, it was determined that the effects of early maturity or accelerated amortization clauses and the enforcement of any guarantees in contracts entered into with the petitioners and related parties (including principal and related contracts) shall be suspended, even in the event that the petitioners file for judicial reorganization or seek a preliminary injunction; likewise, new declarations of early maturity (or the suspension of the effects of those already made), e r accelerated amortization, and/or the enforcement of guarantees linked to contracts relating to credits and obligations (including do, do not do, and deliver obligations) with coinciding or prior triggering events were prohibited.

Regarding the appointment of a Judicial Administrator (AJ), a competitive process was initiated between: (1) VPJ ADMINISTRAÇÃO JUDICIAL, CNPJ 55.870.751/0001-50, represented by its partner, Dr. Victor Saraiva Torres; (2) NEVES, FIGUEIREDO, CERQUEIRA E SOUZA, represented by its partner, Dr. Athos de Andrade Figueira Neves, OAB/RJ 211747/RJ, email [athosneves@nfcsadvogados.com.br] (mailto:athosneves@nfcsadvogados.com.br); (3) Augusto Alves Moreira Neto, of the law firm Gomes de Mattos Advogados Associados, email [augusto.neto@gomesdemattos.com.br] (mailto:augusto.neto@gomesdemattos.com.br); (4) CARAPETCOV ADMINISTRAÇÃO JUDICIAL, represented by its partner, Dr. Thiago Carapetcov, OAB/RJ 151772/RJ, email [thiago@carapetcovaj.com.br] (mailto:thiago@carapetcovaj.com.br).

Subsequently, challenges were filed. Following the decision, the Public Prosecutor's Office filed a motion for clarification, and various creditors, primarily financial institutions, raised, in summary: (1) lack of jurisdiction of this Court; (2) failure to comply with Art. 49, § 3, of Law 11.101/2005; (3) failure to comply

with Art. 193-A of the same law; and (4) failure to demonstrate the conditions for filing the petition for judicial reorganization.

In response, the Decision (Event 65) partially granted the Public Prosecutor's Office's motion, solely to order that the representation of all plaintiffs be regularized by the time the main petition is filed, within 30 days. As for the other issues raised by the creditors, including the ruling on the motions for clarification in events 48 and 57 and the ruling on the retraction due to AI No. 300120367.2025.8.19.0000, converted the review into a procedural step, establishing that (a) the plaintiff shall objectively indicate the Group's headquarters and branches in this Judicial District that it considers its principal establishment(s), including documentary evidence regarding the volume of business in Rio de Janeiro, São Paulo, and Nova Odessa, within 5 days; (b) within the same period, creditors may supplement the case with new documents indicating the principal establishment in the District of São Paulo or Nova Odessa; (c) between the 6th and 10th day following service of the summons, statements regarding the submitted documentation; (d) within the same period, and with the utmost respect for the principle of non-surprise, the plaintiff shall comment on the other issues in the order; (e) the plaintiff and creditors shall state their interest in mediation, designating a professional to replace CEJUSC, and, until then, the referral of the case to the Center, as determined in the preliminary injunction, shall be suspended.

Also in this decision, regarding the request in Event 53 concerning possible non-compliance with the preliminary injunction by ADDIANTE S.A., ORIZON MEIO AMBIENTE S.A., LM TRANSPORTES INTERESTADUAIS SERVIÇOS E COMERCIO S.A., and others, it was ordered that the plaintiffs be summoned to submit, within 15 days, the contractual clauses whose termination they seek to prevent.

Subsequently, the plaintiffs (events 89/91) amended the initial petition to file a petition for judicial reorganization of the AMBIPAR GROUP. As historical context, they state: founded in 1995, initially focused on industrial waste management; in May 1996, expansion into the logistics sector with GETEL LOGÍSTICA, beginning to operate in transportation for large companies and industries throughout Brazil. Decades of growth followed, described as exponential, driven by pioneering spirit and service excellence, combined with an unwavering commitment to environmental preservation, job creation, income generation, and local development.

In 2005, they established BRASIL AMBIENTAL CENTRAL DE TRATAMENTO DE RESÍDUOS (CTR). In 2008, PLANETA AMBIENTAL - CENTRAL DE SERVIÇOS COMPARTILHADOS was founded, with a focus on emergency response. They highlight continuous investments in technology, technical training, and corporate governance, with compliance and transparency standards that have elevated the group's reputation in the sector. In this vein, rather than merely a service conglomerate, it positions itself as an agent of environmental transformation, promoting a circular economy, waste valorization, and large-scale decarbonization.

They report that in September 2010, AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A. ("AMBIPAR PARTICIPAÇÕES") was founded with the purpose of consolidating control over the group's various companies. In May 2011, the holding company became the group's parent company and, in the same month, acquired 51% of DESCARTE CERTO (the reverse manufacturing division, responsible for the post-consumer product chain). In 2019, a rebranding took place, accompanied by a corporate restructuring

that divided the group into two verticals: AMBIPAR RESPONSE and AMBIPAR ENVIRONMENTAL (environmental solutions consolidated in the Environmental Vertical; emergency response, in the Response Vertical).

In the capital markets, in July 2020, the company went public on B3, allowing the group to raise approximately R$ 1.08 billion through the issuance of AMBIPAR PARTICIPAÇÕES shares. The following year, AMBIPAR EMERGENCY RESPONSE went public on the NYSE, a milestone in governance and strategic relevance. The funds, as reported, were allocated to organic expansion and acquisitions in Brazil and abroad, consolidating leadership in environmental management.

Starting in 2020, they mention acquisitions such as REVALORE, SUPPLY, VERDE GHAIA, and ÂMBITO, and throughout 2021, AFC, METAL AR, CENTROESTE, BOOMERA, ECOLÓGICA NORDESTE (through AFC), BIOFÍLICA, DRYPOL, TRICICLO, SUPREMA, SIR, BRASIL COLETA, MCZ, ECOLÓGICA RESÍDUOS, WATU, and ECOTEC, all of which are strategic for waste management. Finally, they report a network of 600 operational bases in more than 41 countries, strategically located near industrial hubs, ports, highways, and railways.

With regard to jurisdiction, they identify the group's principal place of business as the facility located at Rua Lauro Muller No. 116, Botafogo, 27th floor, Rio de Janeiro, owned by the plaintiff AMBIPAR RESPONSE & ENVIRONMENTAL CONSULTING OFFSHORE S/A. They allege that the city accounts for the largest share of business (approx. 18.4% of net income), compared to 12.3% in São Paulo and -8.4% in Nova Odessa; furthermore, Rio de Janeiro reportedly has the highest revenue (R$ 303.2 million, compared to R$ 69.4 million in São Paulo and R$ 1.6 million in Nova Odessa). Between São Paulo and Rio de Janeiro, they point out that São Paulo is where the group generates and contracts the least, thus not constituting "the highest volume of business."

With regard to the joint plaintiffs, they cite support in Article 69-G of the Fiscal Responsibility Law (LRF), as the companies are under the corporate control of the same holding company (AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A.), as shown in the organizational chart in Document 7 of Event 89. Pursuant to Article 69-J of the LRF, they highlight compliance with the provisions of the subparagraphs, given the hundreds of cross-guarantees entered into by the group's companies—one of the drivers of the crisis—which justifies the plaintiffs' standing, as the cross-default affected the entire group in a chain reaction, with the holding company acting as guarantor for numerous contracts. As an example, they cite the debt instrument of AMBIPAR FLYONE with Banco ABC S.A. (Doc. 09 of Event 89), in which the holding company and EMERGÊNCIA PARTICIPAÇÕES S.A. are listed as guarantors. At the same time, they explain that the control relationship and the composition of the corporate structure are reflected in the aforementioned organizational chart and point out that the administrative, legal, financial, and governance structures are interconnected, such that the segregation of assets and liabilities would require an excessive expenditure of time and resources. For this reason, they request authorization to proceed with the judicial reorganization through procedural and substantive consolidation, with the prerogative to consolidate the assets and liabilities into a single plan or segregate them into more than one, depending on future negotiation circumstances with thousands of creditors and other stakeholders.

In their assessment of the crisis, they note that, in February 2024, AMBIPAR LUX S.À R.L., a subsidiary of

AMBIPAR PARTICIPAÇÕES, carried out its first issuance of Green Bonds in the amount of USD 750,000,000.00, maturing in 2031 ("Green Bonds 2031"). This transaction was linked to a Derivative Contract (swap) initially entered into with Bank of America for the purpose of currency hedging. As is customary when the issuer is non-operational and funds raised abroad are invested in operations in Brazil, the debt is paid in reais, which is why the risk of exchange rate fluctuations is mitigated through a swap. As described, the swap operates as a risk exchange (dollar for reais), with periodic adjustments to the "margin requirement" and final settlement upon maturity—characterized as protection, not speculation.

Later, in February 2025, AMBIPAR LUX carried out its second Green Bond issuance (amounting to USD 493 million, maturing in 2033 — "Green Bonds 2033"). Part of this funding (USD 200 million) was used to prepay the first issuance, and here too the transaction was linked to a currency swap, this time with Deutsche Bank. According to reports, the first swap (with Bank of America) was transferred to Deutsche Bank in a context where the then-director of Bank of America, Mr. João Arruda, began working as CFO of Ambipar; shortly thereafter, through a negotiation led by him, the 2031 Green Bonds swap was transferred to Deutsche Bank, and subsequently, the second swap (for the 2033 Green Bonds) was entered into directly with Deutsche Bank. All of this, they maintain, was done without the approval of the Board of Directors and without compliance with internal procedures at the foreign banks, a matter currently under criminal investigation in an inquiry against Mr. João Arruda and others.

In the aftermath, the plaintiff states that it entered into a new master derivatives agreement with Deutsche Bank (Doc. 10 of Event 89) and three swap agreements relating to the 2031 Green Bonds, in addition to the swap relating to the 2033 Green Bonds. On August 18, 2025, with the swaps migrated to Deutsche Bank, AMBIPAR LUX entered into a Loan and Guarantee Agreement ("LOAN DT - 18S") with the bank, securing a loan of USD 35,000,000.00, disbursed on the same date.

Also in August 2025, the derivatives were amended to include, in Clause 5, a provision for payment in kind (PIK) of the Green Bonds issued abroad. Under this mechanism, if the bank were ultimately the debtor, it could pay the difference by delivering the securities at face value rather than at market price—an advantage that increases as the bond price falls. It is noted that, on the date of the amendments (August 18, 2025), there was abnormal volatility in the bonds; starting on August 19, 2025, they describe a "clearly orchestrated attack" with a drop in values that had been stable until then.

In summary, they state that until August 18, 2025, the swaps were non-speculative in nature and limited to currency hedging, justified by dollar-denominated debt and revenues primarily in reais. After Mr. João Arruda joined as CFO, the original swaps were transferred to Deutsche Bank and amended with a rule that introduced a

speculative element: the price fluctuation of Green Bonds issued by Ambipar Lux, an emerging-market asset subject to short sellers—a dynamic that, in this specific case, is alleged to have occurred.

On September 19, 2025, Mr. João Arruda submitted his resignation from the position of CFO of Ambipar Participações via email to the Board at 10:30 p.m. Since he refused to facilitate the transition until a new CFO was appointed, the videoconference with bondholders that he had called the previous day was canceled; this was a forum in which he would have explained the deterioration of the securities and the amendment with Deutsche Bank, which, according to the plaintiffs, contributed to spreading panic in the

market.

Subsequently, Deutsche Bank began demanding additional collateral from AMBIPAR PARTICIPAÇÕES in amounts far exceeding those originally defined in the swaps. Even a few days before the injunction was granted, the collateral margins already amounted to nearly R$ 200 million (an adjustment that would, in theory, reflect the Liquidation Value upon immediate termination). The margin calls, however, were allegedly based on an improper interpretation of the amendment and on the bank's unilateral calculations, with embedded surcharges and pricing curves detached from reality, including not only exchange rates and interest rates but also the decline in PIK Bonds—securities that might or might not be delivered in the future, at par val , only at maturity. After demanding R$ 200 million, a new injection of R$ 60 million was required, under penalty of automatic and early maturity of the swaps and the USD 35 million loan.

Immediately thereafter, Banco Santander sent a notice to the AMBIPAR GROUP, even before the filing of the preceding injunction, declaring the early maturity of debts related to Bank Credit Notes unrelated to derivatives, demanding payment of approximately USD 120 million within 24 hours. Deutsche Bank's move reportedly triggered a chain reaction among other banks, fearful of systemic default; according to the narrative, this chain reaction would have led the group to ruin, which was prevented by the preliminary injunction and, now, by the main petition for reorganization.

In this vein, they point out that the main debt—bonds totaling more than USD 1 billion—would also be subject to early maturity, pursuant to the Indenture (Section 6.01—Events of Default, item "v"). In other words: the maturity of the swap debts and the Loan Agreement with Deutsche Bank, combined with the early maturity of over USD 120 million declared by Santander, and potentially by other institutions, would act as a trigger for a cascade of maturities across the entire group.

In this new scenario, given the concrete risk of early maturity of more than R$ 10 billion, the group saw no alternative but to file this petition for judicial reorganization, in order to restore its debt profile and restructure its liabilities without affecting cash flow and rendering operations unviable.

With regard to contracts secured by a fiduciary assignment of receivables, they emphasize that any non-bankruptcy-related matters should be analyzed during the verification of claims, which is the initial responsibility of the Judicial Administrator, subject to review by the Court. Regarding Article 193-A of the Fiscal Responsibility Law (LRF), they note that, if there is an early maturity clause in the swap contract due to a petition for judicial reorganization, the financial institution may declare maturity to determine the creditor's and debtor's positions, facilitating subsequent setoff; any credit balance, if existing in favor of the institution, must be included in the reorganization proceedings.

In conclusion, they request:

(i) the confirmation of the granted urgent preliminary injunction, particularly regarding the suspension of the effectiveness of the early maturity clauses for debts, with the sole exception of swap contracts, pursuant to Article 193-A of the LRF, without permitting the enforcement or appropriation of any credit balance; and

(ii) the suspension of enforcement proceedings and other collection measures against the Ambipar Group, in addition to the prohibition of any form of withholding, attachment, seizure, search and seizure, and judicial or extrajudicial attachment of the debtors' assets, pursuant to Article 6 of the LRF, in line with the preliminary injunction to be ratified;

(iii) the granting of the preliminary injunction requested in Event 53, ordering that: (iii.a) suppliers of essential services refrain from interrupting the supply of goods and services to the Ambipar Group and from creating obstacles of any nature to regular contractual performance, based on an alleged default on credits subject to this reorganization; (iii.b) the effectiveness of express termination clauses authorizing the termination of essential contracts be suspended solely due to the filing of the motion for preliminary relief or this reorganization petition; (iii.c) financial institutions and other creditors shall refrain from declaring the early maturity of debts related to non-subject credits, as well as from seizing, removing, freezing, or otherwise restricting the use of assets linked to such instruments, as long as the petitioners remain in compliance with their financial obligations; and (iii.d) equipment leasing companies/lessees refrain from blocking, halting, or obstructing the use of the equipment covered by the attached lease agreements, under penalty of a fine of R$ 100,000 for noncompliance;
(iv) the appointment of a Judicial Administrator, pursuant to Article 52, I, of the LRF;
(v) pursuant to and for the purposes of subparagraph IV of the main provision of Article 167-B of the Fiscal Responsibility Law (LRF), the appointment of Mr. Ricardo Rosanova Garcia, a Brazilian citizen, single, business administrator, ID No. 21.152.028-7 SSP/SP, CPF No. 259.792.868-37, as foreign representative of any Applicant, so that, if necessary, he may appear before any foreign authority and act in any foreign debt restructuring proceeding, regardless of jurisdiction, including (without limitation) judicial reorganization or similar insolvency proceedings, whether principal, non-principal, or ancillary proceedings, as permitted by applicable law;
(vi) subject to compliance with all requirements of Article 69-J of the LRF, authorization to proceed with the judicial reorganization under procedural and substantive consolidation, to allow the Group to consolidate assets and liabilities into a single plan or segregate them into more than one, as required by future business circumstances with its thousands of creditors and other stakeholders;
(vii) the waiver of the requirement to submit clearance certificates so that the Petitioners may conduct their business and participate in bids before any public or private entities;
(viii) the notification of the Public Prosecutor's Office and the federal and state treasuries, as well as those of the Federal District and municipalities where branches are located, pursuant to Article 52, V, of the Fiscal Responsibility Law (LRF); and
(ix) the publication of the Notice provided for in Article 52, § 1, of the LRF.

Shortly thereafter, the plaintiffs (event 113) reported a second-instance decision following the filing of an interlocutory appeal against the aforementioned decision, regarding jurisdiction and the granting of emergency relief. In summary, they report that the Reporting Judge, in a sole-judge decision, dismissed documentary inconsistencies and, after reviewing the submitted documents, recognized the jurisdiction of this 3rda Business Court of the Capital District to process, with the urgency required by the nature of the proceedings, the petition for reorganization, and fully granted the emergency injunctions, in the terms transcribed:

"For all the foregoing reasons, I GRANT the preliminary injunction to recognize the jurisdiction of the 3rd a Commercial Court of the Capital District to process, with the urgency required by the nature of the proceedings, the petition for judicial reorganization filed by the appellants ( ), as well as to grant the emergency relief requested in the petition for judicial reorganization, ordering: I) that suppliers of essential services refrain from interrupting the supply of goods and services to the Ambipar Group and from creating obstacles of any nature to the regular fulfillment of contractual provisions, based on default on credits subject to judicial reorganization; II) that the respective creditors refrain from enforcing fiduciary guarantees, including the fiduciary assignment of credit rights over any accounts and financial investments,

and from appropriating any funds or financial investments of the Ambipar Group; III) the suspension of the effectiveness of any and all express termination clauses authorizing the termination of contracts essential to the maintenance of the appellants' operations; IV) that creditors refrain from declaring the early maturity of debts related to credits not subject to the effects of judicial reorganization, refraining from seizing, removing, freezing, or otherwise restricting the use of any assets linked to the respective contractual instruments; V) that equipment leasing companies or lessees refrain from blocking, paralyzing, or in any way obstructing the use of equipment that is the subject of the lease agreements indicated by the appellants. Failure to comply with the obligations set forth herein shall result in the imposition of a fine of R$ 100,000.00 for each act of non-compliance, or 5% (five percent) of the contract value, whichever is greater." (emphasis added)

In light of this recognition of jurisdiction "to proceed with the urgency required by the nature of the proceedings" and the granting of the injunctions, they requested an urgent review of the petition for judicial reorganization filed in Event 89.

The Court Clerk's Office (Event 114) certified receipt of the decision issued by the Honorable Judge Mauro Pereira Martins, who, in summary, recognized "the jurisdiction of the 3rda Business Court of the Capital District, to process...", ordering the lower court to review, with due urgency, the filed petition for judicial reorganization. Consequently, the case file was closed.

At the same time, a Petition (event 116) was filed by FLÁVIA YAMADA DOS SANTOS RAMOS and MAIKE YAMADA DOS SANTOS, claiming to be shareholders holding, jointly, 45% of the capital stock of DRYPOL AMBIPAR ENVIRONMENTAL PET SOLUTIONS S.A., one of the companies included in the plaintiff group of this reorganization. They report that, on July 30, 2021, they sold 55% of DRYPOL's equity to ENVIRONMENTAL ESG PARTICIPAÇÕES S/A, a vehicle of the AMBIPAR Group. They emphasize that DRYPOL has a robust and independent track record as a family-owned business dedicated to its operations and credibility, and, as they maintain, it remained independent and of integrity even after the AMBIPAR Group acquired a stake in its capital stock. Consequently, they argue that DRYPOL's situation is absurd and exceptional, as the company was never authorized to file the preliminary injunction petition filed in its name on September 24, 2025, and now, on October 20, 2025, to file for judicial reorganization and bankruptcy ( ).

They add that the lack of authorization is evident, since, despite the filing of legal documents on behalf of various petitioners, the distinguished attorneys who signed the pleadings do not hold a power of attorney granted by DRYPOL. Furthermore, they maintain that DRYPOL is autonomous, with its own independent activities, and that there are other shareholders with a significant stake (45%), who hold an express right to remain as members of the Board of Directors (Doc. 3, Clause 6.3.1), as well as veto powers on various matters within the jurisdiction of the Extraordinary General Meeting (EGM), including the filing of judicial reorganization. They emphasize that this is not just another SPE of the group, nor is it a company whose reorganization needs to be processed jointly (much less in a substantial consolidation). Finally, they request the rejection of the judicial reorganization proceedings for DRYPOL and, if necessary, the dismissal of the proceedings in substantial consolidation with the other petitioners, ordering that, at least with respect to DRYPOL, the proceedings proceed under procedural consolidation.

Finally, there is a Petition (Event 118), filed by BANCO ABC BRASIL S.A., which states that there is no approval from minority shareholders regarding certain companies of the Group.

This is the report on the status of the proceedings to date, in sufficient detail to guide the rendering of a decision.

I. Preliminary: JURISDICTION

First, it is important to note the following from the case file: Judge Leonardo de Castro Gomes initially affirmed this Court's jurisdiction to hear the case; however, in light of the dispute regarding the principal place of business and in the interest of transparency and the right to be heard, he ordered the parties to submit additional documents to clarify the disputed issues.

Following this order, a decision was rendered by the Honorable Reporting Judge Mauro Pereira Martins in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ, which resolved the dispute and established this Court as having jurisdiction to hear the judicial reorganization case, in the following terms:

"The documentary evidence produced thus far in the proceedings shows that the Ambipar Group, although it operates in several countries and has a significant volume of activities in the State of São Paulo, concentrates the management and execution of the largest volume of business in the State of Rio de Janeiro, a determining factor for the jurisdiction of the court in the judicial reorganization, as can be seen from the following table containing data related to its business activities. The higher volume of business directly impacts revenue, operating income, and profit margin, which, in turn, are substantially higher compared to the performance observed in the State of São Paulo, as can be seen from the following data reported by the debtors: '- City SP: It has Net Operating Revenue (NOR) of 40,634 and Net Income (NI) of 4,984, equivalent to a 12.3% margin. It has 75 employees, resulting in a Net Profit per employee of 66.5. - City, RJ: It stands out as the group's main operation, with Net Operating Revenue of 210,986 and Net Profit of 38,898 (18.4% margin), involving 246 employees. The LL per employee is 158.1, indicating high productivity and a significant concentration of the group's economic operations in this city. - Nova Odessa, SP: It shows negative performance, with a ROL of 131,228 and an LL of -11,020 (an 8.4% margin), employing 243 staff members. The LL per employee is negative (-45.3), indicating that the unit does not generate significant profit and exhibits low operational efficiency. It should be emphasized that the content of the information contained in the documents attached to the case file has not been refuted by any other evidence produced by the interested creditors. From this perspective, it falls to the courts of Rio de Janeiro to jointly hear and decide the petition for judicial reorganization regarding the companies belonging to the same economic group, since, according to documents attached to the case file, the largest volume of business is concentrated here, especially in light of the absence of concrete evidence to the contrary."

In the same vein, the case file contains the opinion of professor and legal scholar Daniel Carnio Costa, which supports the determination of jurisdiction in this court, highlighting, among other points:

"(...)30. According to the understanding of the STJ, the debtor's principal place of business, especially in the case of judicial reorganization of large economic groups, should be the location where the largest volume of business is concentrated, as this criterion generally ensures greater effectiveness and consistency in the judicial reorganization process, the objective of which is the recovery of the company in crisis. 31. In this specific case, it is evident that the Ambipar Group is one of the largest conglomerates in the

environmental sector, operating in 41 countries with over 600 operational bases. The group operates in waste management, material recovery, and environmental emergency response, generating over 23,000 direct jobs and paying approximately R$ 500 million in annual taxes, in addition to serving over 12,000 shareholders both domestically and internationally. 32. According to information provided by the Group, the city of Rio de Janeiro, among all other cities in the country and worldwide, concentrates the majority of the group's operations, generating the highest revenue, operating income, and profit margin. This factor demonstrates that the ability to pay debts—a central element of the reorganization process—is located in this judicial district. RJ also houses significant operational infrastructure for the Group, including bases in Duque de Caxias, at the Port of Açu, and at the Barra da Tijuca airport (where the entire helicopter fleet is located), concentrating strategic activities in the oil and gas, port, and maritime support sectors. Furthermore, the Rio de Janeiro headquarters, located at Rua Lauro Muller, No. 116, 27th Floor, Botafogo, is responsible for managing the group's largest volume of critical business, as it is there that strategic and administrative decisions regarding the most relevant economic operations are concentrated. (...) 47. In light of the information presented, it is concluded that jurisdiction to hear the judicial reorganization of the AMBIPAR Group lies with the Judicial Reorganization Court of the District of Rio de Janeiro (...)" (emphasis added).

In comparison, it is evident that the measures ordered by the Honorable Judge Leonardo Gomes ( ), aimed at strengthening the evidence through adversarial proceedings, contributed to the proper investigation of the matter, subsequently evaluated in the single-judge decision in the second instance, authored by Judge Mauro Martins, who deemed the evidence presented by the Petitioners to be sufficient, following the determination of the trial court, to establish jurisdiction in this District.

Thus, in light of the evidentiary proceedings ordered by the trial court and, consequently, of the decision rendered in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ, in addition to the technical grounds transcribed above, it is hereby established, pursuant to Articles 3 and 69-G, § 2, of Law 11.101/05, that this Commercial Court has jurisdiction to hear the Ambipar Group's petition for judicial reorganization.

2. Regarding the objections raised by the partners of DRYPOL and Banco ABC

Regarding the objections raised by partners MAIKE YAMADA DOS SANTOS and FLÁVIA YAMADA DOS SANTOS RAMOS of the business entity DRYPOL, directed at ENVIRONMENTAL ESG PARTICIPAÇÕES S/A (event 116), as well as the statement by BANCO ABC BRASIL S.A. (event 118), I acknowledge the arguments presented.

It must not be forgotten, however, that the legislature, in Articles 116, sole paragraph, and 122, sole paragraph, both of Law No. 6,404/1976 (Corporation Law), expressly provided for circumstances in which the controlling shareholder may adopt drastic measures for the benefit of a company in crisis.

Having established the normative framework—namely, the controlling shareholder's duty to guide the company toward fulfilling its corporate purpose (Art. 116, sole paragraph) and the standing of the management, with the controlling shareholder's consent, to file for reorganization (Art. 122, sole paragraph)—I now turn to examining the enabling requirement for the measure, namely, urgency.

The urgency justifying the measure is established (i) by the granted preliminary injunction (event 9) and (ii) by the sole-judge decision of Reporting Judge MAURO PEREIRA MARTINS in Interlocutory Appeal No.

3001406-29.2025.8.19.0000/RJ, which emphasized the need for a prompt resolution of the proceedings, lest it "cause uncertainty in the market, with serious economic repercussions and speculation regarding the actual financial condition of the appellants, further exacerbating the crisis of the business group."

Given this framework, and based on Articles 116, sole paragraph, and 122, sole paragraph, of the Brazilian Corporations Law, it is concluded that the urgency required to authorize the filing of a petition for judicial reorganization is established, without prejudice to the Petitioners, within a reasonable period to be set by this Court, convening a general meeting to specifically deliberate on the ratification of the measure and related measures.

3. Procedural and Substantive Consolidation

With regard to the request for substantive consolidation, it is important to note the exceptional nature of the measure, pursuant to Article 69-J, caput and subparagraphs, of the Fiscal Responsibility Law (LRF), and it is certain that its judicial authorization does not require a resolution by the general meeting of creditors.

From a regulatory standpoint, authorization requires: (i) proof of interconnection and commingling between the debtors' assets or liabilities, such that identifying ownership is impractical without excessive expenditure of time or resources; combined with (ii) a demonstration of at least two of the scenarios provided for in the subparagraphs of Article 69-J of the LRF, namely: a) the existence of cross-guarantees; b) a relationship of control or dependence; c) total or partial identity of the corporate structure; d) joint market activity among the applicants.

In this specific case, an analysis of the case file and the arguments put forward by the petitioners demonstrates that these requirements are met. On the one hand, the interconnection and commingling of assets and liabilities have been demonstrated, with particular emphasis on cross-guarantees. This circumstance arises from the very basis of the claim, since the cross-maturity of the debts has a cascading effect on the entire group, such that a reorganization petition filed by one company triggers the enforcement of guarantees and the early maturity of the obligations of others, as argued by the petitioners and evidenced in Annex 9 ("DOC 8") of Event 89.

Furthermore, from the perspective of the relationship of control and dependence, the organizational chart contained in Annex 8 ("DOC 6") of Event 89 clearly and objectively demonstrates the control exercised by the holding company over various group companies, as well as the integration of their governance. In this scenario, the segregation of assets and liabilities would require an excessive expenditure of time and resources, as already noted by this Court in the decision of Event 96.

Given this situation, a refusal to proceed with substantial consolidation would result in significant legal uncertainty, as the isolated recovery of one company, in a context of cross-guarantees and interlinked maturities, tends to precipitate the insolvency of the others.

Consequently, considering the evidence presented and having verified the requirements of Article 69-J, caput and subparagraphs I and II, of the LRF, the request for substantial consolidation must be granted.

4. Requirements for Granting the Request for Substantial Consolidation

Having recognized the possibility of substantial consolidation under the terms of Article 69-J of Law 11.101/05, I now proceed to examine compliance with the legal requirements for the processing of this judicial reorganization.

TRANSLATION No. WT 59387 BOOK No. 240 PAGE No. 0018

The evidence in the case file clearly demonstrates the causes of the economic and financial crisis, since, after Mr. João Arruda joined AMBIPAR PARTICIPAÇÕES as CFO, it became evident that the swap contracts originally entered into with Bank of America were transferred to Deutsche Bank and subsequently amended to provide for the possibility of payment in kind using the Green Bonds issued by AMBIPAR LUX abroad. With this amendment, an element of a speculative nature was introduced, whereas the preceding adjustments were non-speculative in nature and limited to currency hedging, as set forth in the initial petition.

The consistency of the evidentiary record is evident in the charts in item 113 of Exhibit 89, when compared with the accompanying documentation, which reveal anomalous volatility in the Green Bonds and, upon preliminary review, point to a possible orchestrated attack, given the sharp decline shown in the material.

Following this turning point, Deutsche Bank began requiring AMBIPAR PARTICIPAÇÕES to provide additional collateral at levels higher than those originally stipulated in the swaps, ultimately demanding a capital injection of R$ 60 million, under penalty of automatic and early maturity of the derivative contracts and the resulting USD 35 million loan signed with the institution itself.

This acceleration, in turn, triggered a chain reaction among other financial institutions, driven by fears of systemic default within the Ambipar Group—a dynamic explained by the inclusion, in the Group's financial contracts, of cross-default clauses, whereby the acceleration of one obligation has ripple effects on the others.

In this context, the granted preliminary injunction (event 9) proved, and remains, indispensable to the preservation of business operations: the absence of the protection afforded by Law 11.101/05 would reveal a high probability of the immediate collapse of a conglomerate of undeniable economic significance.

It should also be noted that the petitioners demonstrated, clearly and objectively, that the trigger for the crisis stemmed from specific mismanagement, allegedly attributable to Mr. João Arruda, in his capacity as CFO of AMBIPAR PARTICIPAÇÕES. Nevertheless, the feasibility of overcoming the situation was simultaneously demonstrated, since, given the adequate financial and cash flow health, the extensive payroll, obligations to suppliers and financial institutions, and the payment of taxes in the approximate annual amount of R$ 500,000,000.00 remained in good standing.

Added to this economic component is the institutional aspect: the turnaround is projected through the possibility of renegotiating liabilities with creditors, enabling the continuity of production and employment. As highlighted in the initial petition, the Ambipar Group has a distinguished track record in environmental management, promoting sustainable development and the preservation of 2.5 million hectares in the Amazon Rainforest.

From a principled perspective, granting the petition aligns with Article 47 of the Fiscal Responsibility Law (preservation of the company) and, furthermore, serves to protect investors' interests and the stability of the capital markets: since the companies undergoing reorganization are issuers with shares available on the stock market, the judicial uncertainty regarding the proceedings, as long as it persists, creates instability that affects price formation and allocation decisions, with potentially deleterious effects on the liquidity and value of the securities. A prompt judicial resolution, therefore, not only preserves the company and economic activity but also mitigates information asymmetries and protects investor confidence.

Under these conditions, the elements characterizing the initiation of judicial reorganization proceedings are present, pursuant to Article 51, I, of Law 11,101/05.

With regard to the documentation required by Articles 48 and 51 of the LRF, the petitioners indicated, in items 140/141, the "docs" corresponding to the respective subparagraphs, although with numbering that does not correspond exactly.

Once the clerical error was corrected, the documents were located, in chronological order, in event 90, "others," items 17, 18, 19, 20, and 21; the list of creditors is contained in event 89, "others," item 12.

The certificates from the protest registries located at the headquarters and branches of the petitioners were identified in event 90, "other," item 35; and the list of all legal actions and arbitration proceedings (including those of a labor nature), as well as other relevant documents, are contained in Exhibit 90, "Others," items 39, 40, 41, and 42.

As for subparagraphs IV, VI, and VII of Article 51 of the LRF and the management cash flow report, this Court, in its decision regarding Exhibit 97, item 7, authorized their filing under seal, emphasizing the inappropriateness of filing them with a notary's office, a decision that is hereby upheld in its entirety.

It should be noted that the petitioners have demonstrated the regular exercise of activities for more than two (2) years, satisfying Article 48 of Law 11.101/05, as well as the cumulative requirements of its subparagraphs I, II, III, and IV; likewise, the requirements of Article 69-J, main text and subparagraphs, of Law 11.101/05 have been met.

Finally, considering the need to preserve the company as a producer of goods and services, its importance in generating tax revenue and jobs, as well as the body of evidence contained in the case file, I GRANT THE PETITION FOR JUDICIAL RECOVERY of the AMBIPAR GROUP, IN SUBSTANTIAL CONSOLIDATION, pursuant to Article 69-J of the Fiscal Responsibility Law (LRF). comprising the following companies: (1) AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S.A., a company registered with the CNPJ under No. 12.285.662/0001-34, with its headquarters in the State of Rio de Janeiro, in the City of Rio de Janeiro, at Rua Lauro Muller, No. 116, Botafogo neighborhood, ZIP Code 22.290-160; (2) AMBIPAR CBL INDÚSTRIA E COMÉRCIO DE MANUFATURADOS S.A., a corporation registered with the CNPJ under No. 08.607.957/0001-02, with headquarters in the State of Paraná, in the City of São José dos Pinhais, at Rua Wenceslau Marek, No. 63, Águas Belas neighborhood, ZIP Code 83.010-520; (3) AMBIPAR CERTIFICATION LTDA., a limited liability company registered with the CNPJ under No. 39.658.648/0001-95, with headquarters in the State of São Paulo, in the City of São Paulo, at Avenida Angélica, No. 2,346, Consolação neighborhood, ZIP Code 01.228-200; (4) AMBIPAR COMPLIANCE SOLUTIONS S.A., a corporation registered with the CNPJ under No. 86.450.624/0001-26, headquartered in the State of Minas Gerais, in the City of Belo Horizonte, at Avenida do Contorno, No. 6,594, Savassi neighborhood, ZIP Code 30.110-044; (5) AMBIPAR C-SAFETY COMÉRCIO, INDÚSTRIA E SERVIÇOS LTDA., a limited liability company registered with the CNPJ under No. 22.036.291/0001-00, headquartered in the State of Rio de Janeiro, in the City of Niterói, at Rua Manoel Pacheco de Carvalho, No. 102, Centro neighborhood, ZIP Code 24.030-290; (6) AMBIPAR ECO PRODUCTS S.A., a corporation registered with the CNPJ under No. 02.941.454/0001-92, headquartered in the State of São Paulo, in the City of Nova Odessa, on Anhanguera Highway, S/N, Industrial Production

eighty) calendar days, with the case files remaining in the court of origin, except in the cases provided for in paragraphs 1, 2, and 7 of Article 6, as well as those relating to claims exempted in paragraphs 3 and 4 of Article 49 of the same law. To prevent misinterpretations, I hereby establish September 24, 2025 (the date of filing of the preceding preliminary injunction) as the effective date of this judicial reorganization.

B) I ratify the effects of the preliminary injunction granted in Event 9 and endorsed by the Honorable Reporting Judge Mauro Pereira Martins, in a sole-judge decision in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ. For proper publicity and understanding, I reproduce the content of Event 9, noting that the suspension shall remain in effect during the stay period. Thus, during this period:

i) the enforceability and the running of the statute of limitations for the claims and obligations (including obligations to do, not to do, and to deliver) of the petitioners and related parties, whose triggering events coincide with or precede the date above, are suspended;

ii) enforcement proceedings and any collection measures against the petitioners and related parties regarding claims or obligations (including obligations to perform, refrain from performing, and deliver) whose triggering events coincide with or precede the aforementioned date are suspended;

iii) Any form of withholding, attachment, seizure, search and seizure, and judicial or extrajudicial enforcement against the assets of the petitioners and their related parties, arising from judicial or extrajudicial proceedings with triggering events occurring on or prior to the same date, is prohibited.

C) In accordance with the emergency relief granted in Interlocutory Appeal No. 3001406-29.2025.8.19.0000/RJ, I hereby give full publicity to the appellate court's decision and ratify it, ordering:

i) that providers of essential services refrain from interrupting the supply of goods and services to the AMBIPAR GROUP and from creating obstacles of any nature to the regular fulfillment of contractual provisions, based on default on credits subject to judicial reorganization;

ii) that creditors refrain from enforcing fiduciary guarantees, including the fiduciary assignment of credit rights over any accounts and financial investments, as well as from appropriating any funds and financial investments of the Ambipar Group;

iii) the suspension of the effectiveness of any and all express termination clauses authorizing the termination of contracts essential to the maintenance of the appellants' operations;

iv) creditors to refrain from declaring the early maturity of debts related to credits not subject to the effects of judicial reorganization, and to refrain from seizing, removing, freezing, or otherwise restricting the use of assets linked to the respective contractual instruments;

v) equipment lessors or lessees, who shall refrain from blocking, paralyzing, or in any way obstructing the use of equipment that is the subject of the lease agreements indicated by the appellants. Failure to comply with the obligations set forth herein shall result in a fine of R$ 100,000.00 per act of non-compliance, or 5% (five percent) of the contract value, whichever is greater.

useful, including, without limitation, judicial reorganization or similar insolvency proceedings, whether principal, non-principal, or ancillary proceedings, in accordance with the applicable laws of the respective jurisdictions.

V - SUBMISSION OF MONTHLY ACCOUNTS

I hereby order that the companies undergoing judicial reorganization submit monthly financial statements throughout the entire judicial reorganization process, by the fifth business day of the following month, and forward a copy to the Joint Judicial Administration within the same timeframe, in compliance with Article 22, II, "c," of the Fiscal Responsibility Law (LRF), under penalty of removal of their administrators.

VI - NOTIFICATIONS

I order that the Public Prosecutor's Office and the Federal, State, and Municipal Treasury Offices in the jurisdictions where the companies under reorganization conduct business activities be served with summonses. Pursuant to Article 6 of the Code of Civil Procedure (CPC), I order that the companies under reorganization list, in a separate petition, all municipalities in which they operate, for the purpose of serving summonses on the respective entities.

VII - OFFICIAL LETTERS TO THE COMMERCIAL REGISTRIES

Official letters shall be sent to the competent Commercial Registries to record the petition for reorganization in their respective registries, and the phrase "under Judicial Reorganization" must appear after the business name. Pursuant to Article 6 of the CPC, I hereby order the companies undergoing reorganization to list, in a separate petition, the Commercial Registries to which such letters are to be sent.

VIII - PUBLICATION OF THE NOTICE

I order the issuance and publication of the notice provided for in Article 52, Paragraph 1 of the , of Law No. 11,101/2005, subject to the substantial consolidation of this judicial reorganization.

IX - ADMINISTRATIVE REGISTRATION

I hereby order that creditors, as of the publication of the notice referred to in Article 52, § 1, of Law No. 11,101/2005, submit, within fifteen (15) days, their claims or objections to the Joint Judicial Administration, which shall take into account that this is a judicial reorganization in substantial consolidation. The period is calculated in calendar days.

X - PUBLICATION OF THE LIST OF CREDITORS BY THE JUDICIAL ADMINISTRATION

Pursuant to Article 7, Paragraph 2, of the LRF, the judicial administrator, based on the information and documents collected in accordance with the caput and Paragraph 1 of Article 7, shall publish a notice containing the list of creditors within 45 (forty-five) days from the end of the period set forth in § 1 of Article 7, indicating the location, time, and common period during which the persons mentioned in Article 8 will have access to the documentation supporting the list, with the period being counted in calendar days. The Judicial Administration must observe the substantial consolidation.

XI - OBJECTIONS

A creditor who challenges the list presented by the Judicial Administration (Article 7, § 2) must FILE THE CHALLENGE BY DEPENDENCY in EPROC as a PROCEDURAL MOTION, within ten (10) days, pursuant to Art. 8 of the LRF, and the proceedings shall be conducted in accordance with Art. 13 et seq. I emphasize that the filing of an objection in the main case file is PROHIBITED and shall be deemed

untimely, as it constitutes a gross error, noting that the deadline is calculated in calendar days.
The court clerk's office is hereby authorized to exclude, by means of a certificate and regardless of the conclusion, objections improperly filed in these main case records.
XII - LATE FILINGS
Late claims must be filed BY DEPARTMENT, directly in EPROC, as a PROCEDURAL MOTION, pursuant to Article 10, paragraphs 5 and 6, of Law No. 11,101/2005. The filing of claims in these main case files is PROHIBITED.
The court clerk's office is hereby authorized to exclude, by means of a certificate and regardless of the outcome, qualifications improperly submitted in the main case.
XIII - SUBMISSION OF THE PLAN
The companies undergoing reorganization must submit their reorganization plans within 60 (sixty) days from the publication of this decision, in compliance with the requirements of Article 53 of Law No. 11,101/2005 and the existence of substantial consolidation, noting that the period is calculated in calendar days.
Upon submission, they must provide the draft of the public notice in Microsoft Word format and pay the court costs.
XIV - OBJECTIONS
Objections to the plan shall be filed in this case within 30 (thirty) days from the publication of the list of creditors referred to in Article 7, § 2, of the LRF. The period is calculated in c y calendar days.
XV - NON-INTERVENTION
To ensure procedural speed and efficiency and to avoid disruption to the regular progress of the case, the INTERVENTION of creditors and interested third parties in the main case file of this judicial reorganization is LIMITED, except where expressly permitted by law (e.g., filing of objections or appeals).
Any request unrelated to the regular proceedings must be filed separately, as an incidental proceeding, addressed to the Debtors, the Court-Appointed Administrator, and the Public Prosecutor's Office.
XVI - SUMMONSES
It is PROHIBITED to record, in these proceedings, the attorneys for all creditors and interested parties; it is their responsibility to monitor the progress of the case on the website of this Honorable Court of Justice, with service of process for procedural acts being effected by publication in the electronic Official Gazette (D.O.).
XVII - JUDICIAL ADMINISTRATION
Considering the particularities of this case, this Judge notes that she does not, as a rule, adopt the competitive process system for the appointment of the Judicial Administrator, as provided for in Event 9.
However, acting in this case in lieu of the Judge responsible for proceeding with the case, I deem it necessary to preserve the method determined by him and already underway, thereby upholding the guidance of the competent court and avoiding legal uncertainty.
Conversely, Article 52, I, of the LRF imposes on the Court, upon granting the proceeding, the duty to appoint a Judicial Administrator. Thus, to comply with the legal provision, I will proceed to appoint a Judicial Administrator from among those listed in Item 9 to serve provisionally until the conclusion of the

competitive process. Nevertheless, in the final analysis of the competitive process, the presiding judge may, if deemed appropriate, appoint two Judicial Administrators, in accordance with the principles of established case law in this court of justice.

I further note this Judge's understanding regarding the advisability of joint appointment in judicial reorganizations of recognized magnitude and complexity. The Court's consistency with its own decisions, incidentally, is a source of legal certainty. In a similar case, that of Clube de Regatas Vasco da Gama/Vasco SAF, I granted the appointment of two Judicial Administrators, a solution that, although challenged by the Public Prosecutor's Office, was upheld on appeal by Judge Cesar Felipe Cury (AI No. 0020234-27.2025.8.19.0000), precisely due to the complexity of the case and the need for greater oversight efficiency without increasing costs.

In this regard, although the State Public Prosecutor's Office typically opposes joint appointments, alleging a lack of express provision, the Court of Justice of the State of Rio de Janeiro has permitted the measure in highly complex cases, in line with the precedents: AI No. 0009137¬98.2023.8.19.0000 (Oi Group), reported by Judge Mônica Maria Costa Di Piero, and AI No. 0002604¬26.2023.8.19.0000 (Lojas Americanas), reported by Judge Leila Santos Lopes.

In these rulings, the possibility of joint action was established, without additional compensation, when duly justified by the scope of the case, the multidisciplinary nature required, and the pursuit of efficiency and transparency in oversight, in addition to the express division of tasks communicated to the Court.

In the same vein, the Center for Studies and Debates (CEDES)/TJRJ-Business Law approved Statement No. 1, establishing that "The joint appointment of more than one Judicial Administrator in the processing of judicial reorganization is permissible, duly justified by the Court due to complexity and when the structure of the economic group or the multiplicity of establishments justifies a clear division of functions, provided that the provisions of Art. 24, § 1, of Law 11,101/2005 and Art. 5, §§ 3 and 4, of Resolution 393/2021/CNJ are observed." (emphasis added).

It should also be noted that this practice is observed in other courts in large-scale/complex reorganization cases, such as in the Judicial Reorganizations of Samarco Mineração, case no. 5046520-86.2021.8.13.0024 and Cruzeiro Esporte Clube, case no. 5145674-43.2022.8.13.0024.

In light of this, I share the view that, in scenarios such as the present one, the appointment of two Judicial Administrators tends to provide greater transparency, specialization, and efficiency, without undue concentration of fees and with gains in technical quality and accessibility for creditors.

Remuneration, in accordance with my approach, should be divided in the proportion of 50% for each administration, so as to prevent additional burdens on the companies undergoing reorganization and harm to creditors.

As for the selection criteria, in accordance with the standards promoted by the CNJ and this Honorable Court (transparency and rotation), I adopt: a) necessary and proven expertise for highly complex proceedings; b) the Court's confidence in the administrator's performance; c) absence of prior appointment by this Judge, prioritizing diversity; d) absence of more than four simultaneous appointments in this Court.

In accordance with the decision in Item 9, the selection will provisionally fall, from among the nominees, on: (1) VPJ Judicial Administration (CNPJ 55.870.751/0001-50), in the person of Dr. Victor Saraiva Torres;

(2) Neves, Figueiredo, Cerqueira e Souza, represented by Dr. Athos de Andrade Figueira Neves (OAB/RJ 211747); (3) Augusto Alves Moreira Neto (Gomes de Mattos Advogados Associados); (4) Carapetcov Judicial Administration, represented by Dr. Thiago Carapetcov (OAB/RJ 151772).

A) The necessary and proven expertise to handle highly complex cases

I have not yet had access to the résumés of all the Administrators listed, since the deadline for the competitive process is November 3, 2025. For the sake of fairness, I am exceptionally omitting this criterion in this provisional selection.

B) The Court's confidence

Pursuant to Article 5, paragraph 1, of CNJ Resolution 393/2021 and Article 6, paragraph 1, of CGJ Provision 38/2022, I note prior knowledge of the performance of the Neves, Figueiredo, Cerqueira, and Souza Judicial Administration (appointments made by another Judge in the 4th Commercial Court), with a positive assessment regarding collaboration, diligence, and integrity.

Regarding Dr. Thiago Carapetcov, when this Judge presided over the 4th Commercial Court, his conduct was found to be ethical, upright, and cooperative in the reorganization of Real Distribuidora Única Rio Comércio de Refrigeração Ltda., with continuous and effective communication with the Court, although he was appointed by another Judge.

Regarding the others, there was no opportunity for direct evaluation, which is why the experience and trust assessed in relation to that Administration and the aforementioned professional support the provisional selection of one of the two to serve until the conclusion of the competitive process.

C) Regarding the absence of a prior appointment by this Judge

There was a prior appointment of the Neves, Figueiredo, Cerqueira, and Souza Administration by this Judge in case 0080942-85.1998.8.19.0001. In turn, Carapetcov Judicial Administration, although it has this Court's confidence regarding the performance of Mr. Thiago Carapetcov, has not yet been appointed by this Judge.

Based on logical, objective, and transparent criteria—and to promote diversity in representation—I deem it appropriate to appoint Carapetcov Judicial Administration on a provisional basis until the conclusion of the competitive process.

D) Regarding the absence of appointment in more than four judicial reorganizations before this Court

I verified, through an internal review, that Carapetcov Judicial Administration has not acted in more than four judicial reorganizations before this Court, pursuant to Article 6, Paragraph 3, of CGJ Provision 38/2022.

For the foregoing reasons, I APPOINT, ON A PROVISIONAL BASIS, until the conclusion of the competitive process, CARAPETCOV ADMINISTRAÇÃO JUDICIAL (CNPJ 60.437.945/0001-05), with address at Praça Quinze de Novembro, room 502, Centro - RJ, sup.r.mercado 12, represented by THIAGO CARAPETCOV (OAB/RJ 151772), email: [thiago@carapetcovaj .com.br] (mailto:thiago@carapetcovaj.com.br).

Without prejudice, and as previously stated, in the final analysis of the competitive process, the presiding judge may, if deemed appropriate, appoint two Judicial Administrators, in accordance with the principles of established case law in this court of justice and the aforementioned judgments.

To the court clerk's office to notify the Judicial Administrator so that, within 24 (twenty-four) hours, he may express his acceptance and execute the appropriate document.
Upon acceptance, please notify, via email [dgfaj.diaaiauxjus@tjrj.jus.br] (mailto:dgfaj.diaaiauxjus@tjrj.jus.br), the Division of Monitoring and Analysis of Indicators (DIAAI/CGJ), in accordance with CGJ Provision No. 22/2023. Finally, considering the ongoing competitive process, I hereby waive the application of CNJ Recommendation No. 141/2023 of the .
XV II.1 - The Provisional Judicial Administration is hereby advised that the remuneration for the provisional assignment, to be subsequently determined by the Court, must include all expenses related to external professionals (lawyers, accountants, economists, and similar professionals) and other administrative costs necessary for the proper processing of the case, bearing in mind that the appointment decision will only become final upon the conclusion of the competitive process to be analyzed with the final submission of documents.
XV II.2 - Pursuant to Article 22, III, "c," of the LRF, the Provisional Judicial Administration must submit, in this main proceeding, a monthly report on the progress of the activities of the companies undergoing reorganization by the 20th (twentieth) day of the following month.
XV II.3 - The Judicial Administration shall submit, within thirty (30) business days, a detailed report in this main proceeding covering the companies' activities (financial and economic aspects), in order to demonstrate to the Court and the creditors the actual financial condition of the companies undergoing reorganization.
XV II.4 - The Judicial Administration shall provide a specific email address and ensure, within a maximum of 15 (fifteen) days, responses to official communications and requests from other courts and public agencies, regardless of prior judicial decision. Upon submission of the email address, the court clerk's office is authorized to forward communications directly to the Judicial Administration, pursuant to Article 22, I, "m," of Law 11.101/2005.
XV II.5 - Failure to comply with procedural obligations may result in the replacement or removal of the Judicial Administration, as appropriate.
XVIII - REQUEST FOR SUBMISSION OF A COMPLETE LIST OF EMPLOYEES
With regard to requests for confidentiality concerning the documents referred to in Article 51, items IV, VI, and VII, of the LRF, I order that the companies undergoing reorganization file a separate procedural motion and attach the relevant documents within 48 (forty-eight) hours, and must then file a motion in this case to provide the case number of the procedural motion, which shall be processed under judicial secrecy.
With regard to subparagraphs IV and VII, there is an unequivocal interest on the part of creditors, duly listed or qualified in a timely manner, in knowing the debtor's workforce (identification, positions, and compensation), as well as the data necessary for economic and financial scrutiny, in order to comprehensively assess the viability of the PRJ.
On the other hand, the reorganization proceeding cannot be turned into a means of indiscriminate access, by third parties unrelated to the case, to employees' private data and to the banking and tax information of the companies undergoing reorganization.
It is therefore necessary to balance (i) the right of creditors, who hold the prerogative to approve or reject

the PRJ, to access information indispensable to forming their decision, and (ii) the protection of workers' privacy and personal life, as well as the debtors' banking and tax confidentiality. This balancing results in the following rule: the confidentiality of the documents provided for in Article , items IV and VII, will be lifted only for creditors with voting rights, who may access them to inform their decision regarding the PRJ.

To avoid procedural disruption, interested creditors—that is, those eligible to approve or reject the PRJ—must request the documents under items IV and VII directly from the Judicial Administration. It shall be incumbent upon the Judicial Administration to make them available within 48 (forty-eight) hours from receipt of the request, regardless of any new court order, and to notify the companies undergoing reorganization of the list of parties that have obtained access. In the event of a refusal, the Judicial Administration must immediately submit to this Court the reasons for not making the documents available.

In turn, with respect to the personal assets of administrators and controlling partners (Art. 51, VI), confidentiality remains absolute. The disclosure of this information does not contribute to the proper conduct of this reorganization and, on the contrary, unnecessarily exposes the security and privacy of the administrators and controlling partners, emphasizing that this confidentiality, obviously, will apply to the Judiciary, the Public Prosecutor's Office, and the appointed Judicial Administration, an auxiliary of the Court.

To the Registry to amend the procedural classification, since the judicial reorganization has been granted.

Publish. Notify the parties.

Forward to the Public Prosecutor's Office.

Ambipar Emergency Response

Executive Officer Resolution

Adopted as of June 23, 2026

The undersigned, being the duly appointed chief executive officer and director (the "**Authorized Officers**"), respectively of Ambipar Emergency Response (the "**Company**"), acting jointly, hereby adopt the following resolutions pursuant to and in accordance with the authority granted to them under the Amended and Restated Articles of Association of the Company (the "**Articles of Association**") and the written resolutions of the board of directors of the Company passed on February 9, 2023 (the "**February 2023 Board Resolutions**"):

WHEREAS, pursuant to the Articles of Association and the February 2023 Board Resolutions, the Authorized Officers acting jointly, are authorized and empowered, to bind, or take any actions in the name and on behalf of, the Company;

WHEREAS, the Authorized Officers noted that, pursuant to the decision of the Brazilian Court dated October 30, 2025, rendered in connection with the granting of the processing of the judicial reorganization proceeding (the "**RJ Proceeding**") in Case No. 3014764-58.2025.8.19.0001 before the Third Business Court of the Capital District of Rio de Janeiro (the "**Brazilian Court**"), the Brazilian Court appointed Mr. Ricardo Rosanova Garcia as the foreign representative of the Company (the "**Foreign Representative**");

WHEREAS, the Authorized Officers noted the need to replace Ricardo Rosanova Garcia as the Foreign Representative, on the basis that Ricardo Rosanova Garcia is no longer employed by the Company or any of its affiliates;

WHEREAS the Authorized Officers have determined that it is in the best interests of the Company it to enter into a restructuring support agreement, on or around the date hereof, substantially in the form presented to the Authorized Officers (together with all exhibits and schedules thereto, the "**Restructuring Support Agreement**"), by and among the Company, certain of its affiliates (collectively, the "**Company Parties**"), and the creditors party thereto, pursuant to which, among other things, the Company Parties agree to effectuate certain restructuring transactions on the terms and subject to the conditions set forth therein (the "**Restructuring Transactions**").

WHEREAS, the Authorized Officers have determined that it is in the best interests of the Company to authorize the actions set forth below in furtherance of the foregoing February 2023 Board Resolutions.

NOW, THEREFORE, BE IT RESOLVED, that in accordance with the Articles of Association and the February 2023 Board Resolutions, the Authorized Officers, acting jointly, hereby (a) authorize the execution of the Restructuring Support Agreement and the carry out the actions contemplated by the Restructuring Support Agreement, including the Restructuring Transactions; (b) appoint Thiago da Costa Silva as the Foreign Representative of the Company in respect of the RJ Proceeding, as that term is defined in section 101(24) of the US Bankruptcy Code, to represent the Company in any cases with respect to the Company that may be commenced pursuant to chapter 15 of the US Bankruptcy Code (the "**Chapter 15 Cases**") to seek recognition of the RJ Proceeding pursuant; and (c) authorize the Foreign Representative to take all necessary actions on behalf of the Company to commence the Chapter 15 Cases, if and when appropriate, and to obtain the relief sought therein and any further related relief deemed prudent and consistent with the terms of the Restructuring Support Agreement to be entered into by the Company and its affiliates.

Docusign Envelope ID: 21C9CA12-4E95-81E5-802A-363EE9BEFB78

RESOLVED FURTHER, that the Authorized Officers, acting jointly, hereby authorize and direct any officer, attorney-in-fact, agent, or representative of the Company to prepare, execute, deliver, and file (or cause to be prepared, executed, delivered, and filed) any and all applications, petitions, motions, declarations, certificates, notices, consents, and other documents or instruments, in each case as may be necessary or advisable to effectuate the appointment of Thiago da Costa Silva as the Foreign Representative.

IN WITNESS WHEREOF, the undersigned Authorized Officers have executed this resolution as of the date first written above.

Na linha do tempo processual, importa notar que, em 24/9/2025 (evento 1), os requerentes formularam pedido de tutela cautelar de urgência em caráter antecedente, com fundamento nos artigos 6º, § 12, e 189 da Lei nº 11.101/05- LRJ, e nos artigos 300 e seguintes do CPC. Como premissa, descrevem adequada saúde financeira e de caixa, com manutenção em dia da folha salarial, das obrigações com fornecedores, instituições financeiras e tributos, estes somando, anualmente, cerca de R$ 500 milhões, além da geração de aproximadamente 23 mil empregos diretos (sem contar os indiretos).

No eixo financeiro-contratual, registram que, em 18/9/2025, a AMBIPAR LUX S.À.R.L. celebrou com o Deutsche Bank AG empréstimo de USD 35.000.000,00, além de três contratos de derivativos (swap), com aditamento para inclusão de dação em pagamento de títulos emitidos no exterior (green bonds). Em razão da vinculação aos contratos de empréstimo, o valor-base para cálculo da dívida em USD, conforme os contratos de swap, totalizaria USD 550.000.000,00.

Em sequência lógica, apontam que o Deutsche Bank passou a calcular e exigir garantias adicionais com base não apenas na diferença negativa das taxas dos swaps, como também na desvalorização dos PIK Bonds no mercado externo, títulos que somente seriam entregues no futuro, no vencimento dos swaps. Daí, com a incorporação de risco de crédito futuro relativo aos PIK Bonds, o banco teria exigido da AMBIPAR PARTICIPAÇÕES aportes muito superiores ao que seria exigível, gerando dispêndio de caixa superior a R$ 200 milhões nos últimos dias.

Paralelamente, sublinham que praticamente todos os contratos financeiros do grupo contêm cláusulas de vencimento cruzado (cross-default), o que acarreta gravíssimo risco de insolvência imediata. A amplitude desse cross-default implicaria rombo financeiro de mais de R$ 10 bilhões, consideradas todas as operações com instituições financeiras, credoras do grupo em eventual pedido de recuperação judicial.

Somado a isso, argumentam que o cenário se agravou pela possibilidade de apropriação de valores bilionários em contas correntes e investimentos das requerentes por certas instituições financeiras sem necessidade de medida judicial, o que inviabilizaria o exercício da atividade empresarial. O risco, segundo narram, é iminente e concreto, uma vez que algumas instituições já teriam notificado as requerentes para declarar vencimento antecipado e adotar remédios cabíveis, judiciais e extrajudiciais.

Diante desse quadro, a Decisão (evento 9) reconheceu a competência deste Juízo Recuperacional e deferiu a tutela cautelar antecedente pelo prazo de 30 dias, prorrogável pelo mesmo período, com termo inicial na data e hora do protocolo da petição inicial da ação cautelar. Com a decisão, ficaram suspensos: (i) a exigibilidade e o curso da prescrição dos créditos e obrigações (inclusive as de fazer, de não fazer e de dar) das requerentes e partes relacionadas com fatos geradores coincidentes ou anteriores; (ii) as execuções e demais medidas de cobrança contra as requerentes e partes relacionadas relativas a tais créditos/obrigações; e, ainda, (iii) proibidas quaisquer formas de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das requerentes e suas partes relacionadas, quando oriundas de demandas cujos créditos/obrigações tenham fatos geradores coincidentes ou anteriores.

Na mesma linha, determinou-se a suspensão dos efeitos das cláusulas de vencimento antecipado ou de amortização acelerada e da excussão de eventuais garantias nos contratos celebrados com as requerentes e partes relacionadas (incluídos contratos principais e coligados), inclusive na hipótese de ajuizamento de pedido de recuperação judicial ou de cautelar antecedente pelas requerentes; igualmente, restaram proibidas declarações novas de vencimento antecipado (ou suspensos os efeitos das já realizadas), a amortização acelerada e/ou a excussão de garantias atreladas aos contratos relativos a créditos e obrigações (inclusive de fazer, de não fazer e de dar) com fatos geradores coincidentes ou anteriores.

Quanto à nomeação de Administrador Judicial (AJ), instaurou-se processo competitivo entre: (1) VPJ ADMINISTRAÇÃO JUDICIAL, CNPJ 55.870.751/0001-50, na pessoa de seu sócio, Dr. Victor Saraiva Torres; (2) NEVES, FIGUEIREDO, CERQUEIRA E SOUZA, na pessoa de seu sócio, Dr. Athos de Andrade Figueira Neves, OAB/RJ 211747/RJ, e-mail athosneves@nfcsadvogados.com.br; (3) Augusto Alves Moreira Neto, do escritório Gomes de Mattos Advogados Associados, e-mail augusto.neto@gomesdemattos.com.br; (4) CARAPETCOV ADMINISTRAÇÃO JUDICIAL, na pessoa de seu sócio, Dr. Thiago Carapetcov, OAB/RJ 151772/RJ, e-mail thiago@carapetcovaj.com.br.

Na sequência, sobrevieram impugnações. Após a decisão, o Ministério Público opôs embargos de declaração e diversos credores, sobretudo instituições financeiras, trouxeram, em síntese: (1) incompetência deste Juízo; (2) inobservância do art. 49, § 3º, da Lei 11.101/2005; (3) inobservância do art. 193-A, da mesma lei; e (4) falta de demonstração das condições para o ajuizamento do pedido de recuperação judicial.

Em resposta, a Decisão (evento 65) acolheu em parte os embargos do Ministério Público, tão somente para determinar que a representação de todas as autoras estivesse regularizada até o ajuizamento do pedido principal, em 30 dias. Quanto às demais questões levantadas pelos credores, inclusive o julgamento dos embargos de declaração dos eventos 48 e 57 e o juízo de retratação em razão do AI nº 3001203-67.2025.8.19.0000, converteu em diligência a apreciação, estabelecendo que (a) a parte autora indicará, objetivamente, as sedes e sucursais do Grupo nesta Comarca que considera seu(s) estabelecimento(s) principal(is), comprovação documental inclusive acerca do volume de negócios de Rio de Janeiro, São Paulo e Nova Odessa, em 5 dias; (b) no mesmo prazo, credores poderão instruir o feito com novos documentos a indicar o principal estabelecimento na Comarca de São Paulo ou Nova Odessa; (c) entre o 6º e o 10º dia da intimação, manifestações sobre a documentação apresentada; (d) no mesmo interregno, e em extremo respeito ao princípio da não surpresa, a parte autora se manifestará sobre as demais questões do despacho; (e) autora e credores se manifestarão sobre o interesse na mediação, indicando profissional em substituição ao CEJUSC e, até lá, suspenso o encaminhamento do caso ao Centro, determinado na decisão liminar.

Ainda nessa decisão, no tocante ao pedido do evento 53 acerca de eventual descumprimento da tutela por parte de ADDIANTE S.A., ORIZON MEIO AMBIENTE S.A., LM TRANSPORTES INTERESTADUAIS SERVIÇOS E COMERCIO S.A. e outros, determinou-se a intimação das autoras para que, em 15 dias, apresentassem as cláusulas contratuais cuja resolução pretendem evitar.

Em continuidade, as autoras (eventos 89/91) emendaram a petição inicial para formular o pedido de recuperação judicial do GRUPO AMBIPAR. Como contexto histórico, consignam: fundação em 1995, inicialmente com foco no gerenciamento de resíduos industriais; em maio de 1996, expansão na área de logística com a GETEL LOGÍSTICA, passando a atuar também em transporte para grandes empresas e indústrias em todo o Brasil. Seguiram-se décadas de crescimento, descrito como exponencial, impulsionado por pioneirismo e excelência nos serviços, aliado a compromisso inegociável com a preservação ambiental, geração de emprego, renda e desenvolvimento local.

Em 2005, registram a fundação da BRASIL AMBIENTAL CENTRAL DE TRATAMENTO DE RESÍDUOS (CTR). Em 2008, a constituição da PLANETA AMBIENTAL – CENTRAL DE SERVIÇOS COMPARTILHADOS, com objeto voltado ao atendimento a emergências. Afirmam investimentos contínuos em tecnologia, capacitação técnica e governança corporativa, com padrões de compliance e transparência que elevaram a reputação do grupo no setor. Nessa cadência, mais do que um conglomerado de prestação de serviços, se apresenta como agente de transformação ambiental, promovendo economia circular, valorização de resíduos e descarbonização em larga escala.

Informam que setembro de 2010, foi fundada a AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A. (“AMBIPAR PARTICIPAÇÕES”), com a finalidade de consolidar o controle das diversas empresas do grupo. Em maio de 2011, a holding se tornou controladora do grupo e, no mesmo mês, adquiriu 51% da DESCARTE CERTO (divisão de manufatura reversa, responsável pela cadeia de produtos pós-

consumo). Em 2019, houve rebranding, com reestruturação societária que dividiu o grupo em duas verticais: AMBIPAR RESPONSE e AMBIPAR ENVIRONMENTAL (soluções ambientais consolidadas na Vertical Environmental; atendimento a emergências, na Vertical Response).

No mercado de capitais, em julho de 2020, ocorreu a abertura de capital na B3, permitindo ao grupo levantar aproximadamente R$ 1,08 bilhão por meio da emissão de ações da AMBIPAR PARTICIPAÇÕES. No ano seguinte, a AMBIPAR EMERGENCY RESPONSE abriu capital na NYSE, marco de governança e relevância estratégica. Os recursos, segundo narram, foram destinados à expansão orgânica e a aquisições no Brasil e no exterior, consolidando liderança em gestão ambiental.

A partir de 2020, mencionam aquisições como REVALORE, SUPPLY, VERDE GHAIA e ÂMBITO e, ao longo de 2021, AFC, METAL AR, CENTROESTE, BOOMERA, ECOLÓGICA NORDESTE (por meio da AFC), BIOFÍLICA, DRYPOL, TRICICLO, SUPREMA, SIR, BRASIL COLETA, MCZ, ECOLÓGICA RESÍDUOS, WATU e ECOTEC, todas estratégicas para o gerenciamento de resíduos. Por fim, informam rede de 600 bases operacionais em mais de 41 países, estrategicamente posicionadas próximas a polos industriais, portos, rodovias e ferrovias.

No tema competência, apontam como principal sede do grupo a unidade da Rua Lauro Muller nº 116, Botafogo, 27º andar, Rio de Janeiro, pertencente à autora AMBIPAR RESPONSE ENVIRONMENTAL CONSULTING OFFSHORE S/A. Alegam que a cidade concentra o maior volume de negócios (aprox. 18,4% do lucro líquido), contra 12,3% de São Paulo e -8,4% de Nova Odessa; além disso, seria no Rio de Janeiro o maior faturamento (R$ 303,2 milhões, contra R$ 69,4 milhões em São Paulo e R$ 1,6 milhão em Nova Odessa). Entre São Paulo e Rio de Janeiro, assinalam que São Paulo é onde o grupo menos gera e contrata, não configurando "maior volume de negócios".

No que tange ao litisconsórcio ativo, indicam respaldo no art. 69-G da LRF, por estarem as empresas sob o controle societário da mesma holding (AMBIPAR PARTICIPAÇÕES E EMPREENDIMENTOS S.A.), conforme organograma do doc. 7 do Evento 89. A título de art. 69-J da LRF, destacam o atendimento das hipóteses dos incisos, ante centenas de garantias cruzadas firmadas pelas sociedades do grupo, um dos motores da crise, o que justifica a legitimidade das requerentes, pois o vencimento cruzado afetou todo o grupo em cadeia, sendo a holding garantidora de inúmeros contratos. Como exemplo, citam o instrumento da dívida da AMBIPAR FLYONE com o Banco ABC S.A. (doc. 09 do Evento 89), no qual constam como garantidoras a holding e a EMERGÊNCIA PARTICIPAÇÕES S.A. Ao mesmo tempo, explicitam que a relação de controle e a identidade do quadro societário se encontram no organograma referido e apontam que a estrutura administrativa, jurídica, financeira e de governança é interligada, de modo que a segregação de ativos e passivos exigiria dispêndio excessivo de tempo e recursos. Em razão disso requerem autorização para o processamento da recuperação judicial em consolidação processual e substancial, com prerrogativa de consolidar os ativos e passivos em um único plano ou segregá-los em mais de um, conforme as circunstâncias negociais futuras com milhares de credores e demais stakeholders.

No diagnóstico da crise, registram que, em fevereiro de 2024, a AMBIPAR LUX S.À R.L., subsidiária da AMBIPAR PARTICIPAÇÕES, realizou a primeira emissão de Green Bonds no montante de USD 750.000.000,00, com vencimento em 2031 ("Green Bonds 2031"). Essa operação ficou vinculada a um Contrato de Derivativo (swap) inicialmente firmado junto ao Bank of America, com a finalidade de hedge cambial. Como é usual quando a emissora é não operacional e os recursos captados no exterior são investidos na operação no Brasil, a dívida é paga em reais, razão pela qual se mitiga o risco da variação cambial por meio de swap. Conforme narram, o swap opera como troca de riscos (dólar x reais), com ajustes periódicos de "margem de garantia" e compensação final na liquidação — caracterização de proteção, e não de especulação.

Adiante, em fevereiro de 2025, a AMBIPAR LUX realizou a segunda emissão de Green Bonds (montante de USD 493 milhões, vencimento em 2033 — "Green Bonds 2033"). Parte dessa captação (USD 200 milhões) foi utilizada para pré-pagar a primeira emissão, e também aqui se vinculou a operação a swap cambial, agora junto ao Deutsche Bank. Segundo relatam, o primeiro swap (com o Bank of America) foi transferido ao Deutsche Bank em contexto no qual o então diretor do Bank of America, Sr. João Arruda, passou a atuar como CFO da Ambipar; pouco depois, por negociação capitaneada por ele, o swap dos Green Bonds 2031 foi transferido ao Deutsche Bank e, na sequência, o segundo swap (dos Green Bonds 2033) foi firmado diretamente com o Deutsche Bank. Tudo isso, sustentam, sem aprovação do Conselho de Administração e sem observância dos trâmites internos nos bancos estrangeiros, matéria em apuração criminal por Inquérito contra o Sr. João Arruda e outros.

No desdobramento, a autora declara ter firmado novo contrato global de derivativos com o Deutsche Bank (doc. 10 do Evento 89) e três contratos de swaps referentes aos Green Bonds 2031, somados ao swap referente aos Green Bonds 2033. Já em 18/08/2025, com os swaps migrados ao Deutsche, a AMBIPAR LUX celebrou com o banco o Loan and Guarantee Agreement ("LOAN DT - 18S"), instrumentalizando empréstimo de USD 35.000.000,00, com desembolso na mesma data.

Ainda em agosto de 2025, os derivativos foram aditados para incluir, em sua Cláusula 5, hipótese de dação em pagamento dos Green Bonds emitidos no exterior (PIK — Payment in Kind). Nessa mecânica, caso ao final o banco fosse o devedor, poderia pagar a diferença entregando os títulos a valor de face, e não à cotação de mercado, vantagem esta que aumenta quanto mais o bond cai. Registra-se que, na data dos aditivos (18/08/2025), houve volatilidade anômala dos bonds; a partir de 19/08/2025, descrevem "ataque claramente orquestrado" com queda dos valores até então estáveis.

Sintetizando, dizem que até 18/08/2025 os swaps tinham caráter não especulativo e se limitavam ao hedge cambial, justificável por dívidas em dólar e receitas majoritariamente em reais. Após o ingresso do Sr. João Arruda como CFO, os swaps originais foram transferidos ao Deutsche Bank e aditados com regra que introduziu elemento especulativo, a variação do preço dos Green Bonds de emissão da Ambipar Lux, ativo de país emergente sujeito a short sellers, dinâmica que, no caso concreto, teria se verificado.

No dia 19/09/2025, o Sr. João Arruda apresentou renúncia ao cargo de CFO da Ambipar Participações, por e-mail ao Conselho às 22h30. Como se recusou a fazer transição até a nomeação de novo CFO, houve cancelamento da videoconferência com bondholders convocada de véspera por ele, espaço no qual se explicaria a deterioração dos títulos e o aditivo com o Deutsche Bank, o que teria contribuído, segundo as requerentes, para disseminar pânico no mercado.

Na sequência, o Deutsche Bank passou a exigir garantias adicionais da AMBIPAR PARTICIPAÇÕES em valores muito superiores aos originalmente definidos nos swaps. Até poucos dias antes da tutela ser deferida, as margens de garantia já representavam quase R$ 200 milhões (ajuste que refletiria, em tese, o Valor de Liquidação no encerramento imediato). As chamadas, todavia, teriam se baseado em interpretação indevida do aditivo e em cálculos unilaterais do banco, com sobrecustos embutidos e curvas de precificação dissociadas da realidade, incluindo não só câmbio e juros, como também a queda dos PIK Bonds, títulos que poderiam ou não ser entregues no futuro, a valor de face, apenas no vencimento. Depois de exigir R$ 200 milhões, sobreveio novo aporte de R$ 60 milhões, sob pena de vencimento automático e antecipado dos swaps e do empréstimo de USD 35 milhões.

Ato contínuo, o Banco Santander enviou notificação ao GRUPO AMBIPAR, antes mesmo do ajuizamento da cautelar antecedente, declarando vencimento antecipado de dívidas referentes a Cédula de Crédito Bancário sem relação com derivativos, com exigência de pagamento de cerca de USD 120 milhões em 24 horas. O movimento do Deutsche Bank teria deflagrado reação em cadeia por outros bancos, receosos de inadimplemento sistêmico que, segundo a narrativa, essa reação em cadeia conduziria o grupo à ruína, o que foi impedido pela cautelar e, agora, pelo pedido principal de recuperação.

Nessa toada, destacam que a principal dívida, bonds que somam mais de USD 1 bilhão, também estaria sujeita a vencimento antecipado, conforme Indenture (Section 6.01 – Events of Default, item “v”). Em outras palavras: o vencimento das dívidas dos swaps e do Loan Agreement com o Deutsche Bank, somado ao vencimento antecipado de mais de USD 120 milhões declarado pelo Santander, e eventualmente por outras instituições, funcionaria como gatilho para vencimentos em cascata em todo o grupo.

Nesse novo cenário, por haver risco concreto de vencimento antecipado de mais de R$ 10 bilhões, o grupo não vislumbrou alternativa senão o ajuizamento deste pedido de recuperação judicial, a fim de retomar o perfil de sua dívida e reestruturar o passivo sem afetar o fluxo de caixa e inviabilizar as operações.

No tocante aos contratos garantidos por cessão fiduciária de recebíveis, salientam que eventual extraconcursalidade deverá ser analisada quando da verificação de créditos, encargo inicial do Administrador Judicial, sujeito à revisão do Juízo. Sobre o art. 193-A da LRF, registram que, havendo cláusula de vencimento antecipado em razão de pedido de recuperação judicial no contrato de swap, a instituição financeira pode declarar o vencimento para apurar a ponta credora e a ponta devedora, promovendo a posterior compensação; eventual saldo credor, se existente em favor da instituição, deverá ser incluído no processo concursal.

Ao final, requerem:

(i) a ratificação da tutela cautelar de urgência concedida, sobretudo quanto à suspensão da eficácia das cláusulas de vencimento antecipado de dívidas, ressalvados apenas os contratos de swap, na forma do art. 193-A da LRF, sem permitir a excussão ou apropriação de eventual saldo credor; e

(ii) a suspensão das execuções e demais medidas de cobrança contra o Grupo Ambipar, além da proibição de qualquer forma de retenção, arresto, penhora, sequestro, busca e apreensão e constrição judicial ou extrajudicial sobre bens das devedoras, na forma do art. 6º da LRF, em linha com a cautelar a ser ratificada;

(iii) a concessão da tutela cautelar requerida na manifestação do evento 53, determinando que: (iii.a) fornecedores de serviços essenciais se abstenham de interromper o fornecimento de bens e serviços ao Grupo Ambipar e de criar embaraços de qualquer natureza ao regular cumprimento contratual, com fundamento em suposto inadimplemento de créditos sujeitos a esta recuperação; (iii.b) suspenda-se a eficácia de cláusulas resolutivas expressas que autorizem a rescisão de contratos essenciais em razão do simples ajuizamento do pedido de tutela preparatória ou deste pedido de recuperação; (iii.c) instituições financeiras e demais credores se abstenham de declarar vencimento antecipado de dívidas relativas a créditos não sujeitos, bem como de promover apreensão, retirada, bloqueio ou qualquer restrição ao uso de bens atrelados a tais instrumentos, enquanto as requerentes estiverem adimplentes com suas obrigações pecuniárias; e (iii.d) empresas locadoras/arrendatárias de equipamentos se abstenham de bloquear, paralisar ou obstar o uso dos equipamentos objeto dos contratos de locação anexados, sob pena de multa de R$ 100 mil por descumprimento;

(iv) a nomeação do Administrador Judicial, nos termos do art. 52, I, da LRF;

(v) nos termos e para os fins do inciso IV do caput do art. 167-B da LRF, a nomeação do Sr. Ricardo Rosanova Garcia, brasileiro, solteiro, administrador, RG nº 21.152.028-7 SSP/SP, CPF nº 259.792.868-37, como representante estrangeiro (foreign representative) de qualquer Requerente, a fim de que, caso necessário, possa se apresentar perante qualquer autoridade estrangeira e atuar em qualquer processo estrangeiro de reestruturação de

dívidas, independentemente da jurisdição, incluindo (sem se limitar) recuperação judicial ou procedimento concursal similar, sejam processos principais, não principais ou acessórios, na forma permitida pela legislação aplicável;

(vi) diante do atendimento de todos os requisitos do art. 69-J da LRF, a autorização para o processamento da recuperação judicial em consolidação processual e substancial, para permitir que o Grupo consolide ativos e passivos em um único plano ou os segregue em mais de um, conforme exijam as circunstâncias negociais futuras com seus milhares de credores e demais stakeholders;

(vii) a dispensa da apresentação de certidões negativas para que as Requerentes possam exercer suas atividades e participar de licitações perante quaisquer órgãos públicos e privados;

(viii) a intimação do Ministério Público e das Fazendas Públicas federal e de todos os Estados, Distrito Federal e Municípios em que houver filiais, na forma do art. 52, V, da LRF; e

(ix) a publicação do Edital previsto no art. 52, § 1º, da LRF.

Na sequência, a Decisão (evento 96), considerando a necessidade de esclarecimentos fáticos para definir a competência do Juízo, postergou a decisão sobre o processamento da recuperação judicial. A título precário: (a) deferiu a consolidação processual e substancial; (b) ratificou, até decisão ulterior e na medida em que pendentes diligências sobre a competência, a tutela cautelar do Evento 9, a qual suspendeu exigibilidade, prescrição, execuções e cobranças relativas a créditos/obrigações com fatos geradores coincidentes ou anteriores, incluindo cláusulas de vencimento antecipado ou amortização acelerada, delimitando que: (b.1) ficam excluídos da ordem de suspensão os créditos com garantia fiduciária, limitado ao valor do bem dado em garantia, os quais, contudo, não poderão ser vendidos ou retirados dos estabelecimentos dos requerentes enquanto no stay period, cujo termo inicial foi antecipado; (b.2) não se sujeitam à ordem de suspensão as cessões fiduciárias de direitos creditórios (recebíveis); (b.3) ficam excluídas da suspensão as cláusulas de vencimento antecipado e de compensação no âmbito de operações compromissadas e de derivativos, conforme artigo 193-A da LRF, bem como as cláusulas de vencimento antecipado de créditos não sujeitos, por não caber a este Juízo a análise de sua legalidade; (c) indeferiu o pedido de tutela do Evento 53, pelo qual as requerentes pretendiam impor unilateralmente a continuidade de relação contratual a fornecedores; (d) deferiu, a título de tutela, a dispensa de apresentação de certidão negativa de recuperação judicial para exercício das atividades e participação em licitações, sem prejuízo da demonstração de viabilidade econômica por outros meios; (e) concedeu mais 5 dias para que a parte autora complementasse informações necessárias à definição da competência, esclarecendo incongruência destacada na decisão e apresentando novo quadro com o volume de negócios separados por locais dos estabelecimentos da sede/filial contratada, em relação a São Paulo, Nova Odessa, Rio de Janeiro e, agora, também, São Francisco do Sul (sede da empresa DRACARES); (f) acolheu em parte os embargos dos Eventos 48, 52, 57 e 93, reconhecendo obscuridade da decisão do Evento 9, para declará-la nos termos desta; (g) exerceu em parte o juízo de retratação em razão dos agravos interpostos (3001203-67.2025.8.19.0000; 3001277-24.2025.8.19.0000 e 3001284-16.2025.8.19.0000), nos exatos termos desta decisão; (h) autorizou que os documentos referidos no item 233 da petição do Evento 89 fossem protocolados sob sigilo, em 5 dias e, havendo dificuldades com o sistema eProc, admitiu-se a formação de feito secundário sigiloso (acautelamento em cartório tido como inconveniente); (i) determinou que, a partir do 6º dia da publicação, os credores teriam mais 5 dias para se manifestar sobre os documentos do item "e", em contraditório; (j) determinou a intimação dos Administradores Judiciais (AJs) para apresentarem suas propostas, conforme o procedimento então fixado e, pelo princípio da cooperação, visando melhores parâmetros para a homologação dos honorários, que esclarecessem o valor global das remunerações dos CFO's do grupo.

Logo depois, as autoras (evento 113) informaram decisão de segunda instância após interposição de agravo de instrumento contra a decisão supracitada, no que concerne à competência e ao deferimento de tutelas de urgência. Informam, em síntese, que o Desembargador Relator, por decisão monocrática, afastou inconsistências documentais, reconheceu após o exame dos documentos apresentados, a competência deste Juízo da 3ª Vara Empresarial da Comarca da Capital para processar, com a urgência que a natureza do rito requer, o pedido de recuperação, e deferiu integralmente as tutelas de urgência, nos termos transcritos:

"Por todo exposto, DEFIRO a antecipação da tutela recursal, para reconhecer a competência do Juízo da 3ª Vara Empresarial da Comarca da Capital, para processamento, com a urgência que a natureza do rito requer, do pedido de recuperação judicial das agravantes, bem como conceder as tutelas de urgência requeridas no pedido de processamento da recuperação judicial, determinando: I) aos fornecedores de serviços essenciais que se abstenham de interromper o fornecimento de bens e serviços ao Grupo Ambipar e de criar embaraços de qualquer natureza ao regular cumprimento das disposições contratuais, com fundamento em inadimplemento de créditos sujeitos a recuperação judicial; II) aos respectivos credores, que se abstenham de excutir garantias fiduciárias, inclusive, a cessão fiduciária de direitos creditórios sobre quaisquer contas e aplicações financeiras, e de se apropriar de quaisquer valores e aplicações financeiras dos Grupo Ambipar; III) a suspensão da eficácia de toda e qualquer cláusula resolutiva expressa que autorize a rescisão de contratos essenciais à manutenção das operações das agravantes; IV) aos credores que se abstenham de declarar o vencimento antecipado das dívidas relativas a créditos não sujeitos aos efeitos da recuperação judicial, se abstendo de promover a apreensão, retirada, bloqueio ou qualquer outra forma de restrição ao uso de quaisquer dos bens atrelados aos respectivos instrumentos contratuais; V) que as empresas locadoras ou arrendatárias de equipamentos se abstenham de bloquear, paralisar ou de qualquer forma obstar o uso de equipamentos objeto dos contratos de locação indicados pelas agravantes. O descumprimento das obrigações aqui estabelecidas implicará em imposição de multa de R$ 100.000,00 por cada ato de descumprimento, ou 5% (cinco por cento), do valor do contrato, o que for maior."(grifado)

À vista desse reconhecimento de competência "para processamento, com a urgência que a natureza do rito requer" e do deferimento das tutelas, requereram exame urgente do pedido de recuperação judicial apresentado na manifestação do evento 89.

A Serventia (evento 114) certificou o recebimento de comunicação de decisão de lavra do Exmo. Des. Mauro Pereira Martins, que, em síntese, reconheceu "a competência do Juízo da 3ª Vara Empresarial da Comarca da Capital, para processamento...", com a determinação à 1ª instância para analisar, com a devida urgência, o pedido de recuperação judicial formulado. Em consequência, promoveu-se a conclusão dos autos.

Na mesma ocasião, sobreveio Petição (evento 116) apresentada por FLÁVIA YAMADA DOS SANTOS RAMOS e MAIKE YAMADA DOS SANTOS, alegando serem acionistas detentores, em conjunto, de 45% do capital social da DRYPOL AMBIPAR ENVIRONMENTAL PET SOLUTIONS S.A., uma das companhias inseridas no polo ativo desta recuperação. Informam que, em 30/07/2021, alienaram 55% do capital da DRYPOL à ENVIRONMENTAL ESG PARTICIPAÇÕES S/A, veículo do Grupo AMBIPAR. Ressaltam que a DRYPOL possui histórico robusto e autônomo, de empresa familiar com dedicação ao negócio e credibilidade e, segundo sustentam, permaneceu independente e íntegra mesmo após a entrada do Grupo AMBIPAR no capital social. Com isso, defendem ser absurda e excepcional a situação da DRYPOL, pois nunca houve autorização para que a companhia ajuizasse o pedido cautelar protocolado em seu nome em 24/09/2025 e, agora, em 20/10/2025, impetrasse recuperação judicial.

Acrescentam que a ausência de autorização seria notória, pois, a despeito de procuradorias em nome de várias requerentes, os ilustres advogados que subscrevem as peças não detêm procuração outorgada pela DRYPOL. Além disso, sustentam que a DRYPOL é autônoma, com atividades próprias e independentes, e que existem outros acionistas com participação relevante (45%), os quais detêm direito expresso de permanecer como membros da Diretoria (doc. 3, cláusula 6.3.1), além de poderes de veto em diversas matérias de competência da AGE, inclusive a impetração da recuperação judicial. Enfatizam que não se trata de mais uma SPE do grupo, nem de sociedade cuja recuperação precise ser processada em conjunto (muito menos em consolidação substancial). Ao final, requerem a rejeição do processamento da recuperação judicial da DRYPOL e, eventualmente, o indeferimento do processamento em consolidação substancial com as demais requerentes, determinando que, ao menos em relação à DRYPOL, o processo siga em consolidação processual.

Por fim, consta Petição (evento 118), protocolizada pelo BANCO ABC BRASIL S.A., que noticia inexistir aprovação de acionistas minoritários em relação a algumas sociedades do Grupo.

É o relatório do andamento processual até a presente data, em termos suficientes para orientar a prolação de decisão.

1.Preliminar: DA COMPETÊNCIA

Preliminarmente, cumpre registrar o que consta dos autos: o MM. Juiz Leonardo de Castro Gomes, em um primeiro momento, firmou a competência deste Juízo para o processamento do feito, mas, na sequência, diante da controvérsia ventilada acerca do estabelecimento principal e visando à transparência e ao contraditório, determinou a complementação documental pelas partes para elucidação dos pontos controvertidos.

A partir dessa instrução, sobreveio decisão monocrática do Excelentíssimo Desembargador Relator Mauro Pereira Martins, no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, que dirimiu a controvérsia e fixou este Juízo como competente para o processamento da recuperação judicial, nos seguintes termos:

"Os elementos de prova documental produzidos até o presente momento processual dão conta de que o Grupo Ambipar, em que pese possua atuação em diversos países, com grande volume de atividades no Estado de São Paulo, concentra gestão e concretização de maior volume de negócios na Capital Fluminense, fator determinante da competência para o juízo da recuperação judicial, consoante se extrai da seguinte tabela com dados relacionados aos negócios relacionados a suas atividades. O maior volume de negócios impacta diretamente no faturamento, na receita operacional e na margem de lucro, que, de igual turno, se mostram substancialmente mais elevados em relação ao desempenho verificado no Estado de São Paulo, conforme se depreende dos seguintes dados informados pelas devedoras: '- Cidade SP: Apresenta uma Receita Operacional Líquida (ROL) de 40.634 e um Lucro Líquido (LL) de 4.984, equivalente a 12,3% de margem. Conta com 75 funcionários, resultando em um LL por funcionário de 66,5. - Cidade RJ: Destaca-se como a principal operação do grupo, com ROL de 210.986 e LL de 38.898 (18,4% de margem), envolvendo 246 funcionários. O LL por funcionário é de 158,1, indicando alta produtividade e concentração significativa das operações econômicas do grupo nesta cidade. - Nova Odessa SP: Apresenta um desempenho negativo, com ROL de 131.228 e LL de -11.020 (-8,4% de margem), contando com 243 funcionários. O LL por funcionário é negativo (-45,3), indicando que a unidade não gera lucro relevante e apresenta baixa eficiência operacional.' O conteúdo das informações constantes dos documentos juntados ao processo, frise-se, não foi ilidido por qualquer outro elemento de prova produzido pelos credores interessados. Nessa perspectiva, compete ao foro do Rio de Janeiro processar e julgar conjuntamente o pedido de recuperação judicial relativo às empresas integrantes do mesmo grupo econômico, eis que aqui se concentra, conforme documentos juntados aos autos, o maior volume de negócios, mormente diante da ausência de elementos de prova concretos em sentido contrário."

No mesmo sentido, consta dos autos o parecer do professor e doutrinador Daniel Carnio Costa que corrobora a fixação da competência neste foro, destacando, entre outros pontos:

"(...)30. Conforme o entendimento do STJ, **o principal estabelecimento do devedor, especialmente em se tratando de recuperação judicial de grandes grupos econômicos, deve ser o local onde se concentra o maior volume de negócios, pois esse critério assegura, em regra, maior efetividade e coerência ao processo de recuperação judicial, cujo objetivo é o soerguimento da empresa em crise.** 31. No caso concreto, verifica-se que o Grupo Ambipar é um dos maiores conglomerados do setor ambiental, atuando em 41 países com mais de 600 bases operacionais. O grupo atua na gestão de resíduos, recuperação de materiais e resposta a emergências ambientais, gerando mais de 23 mil empregos diretos e recolhendo cerca de R$ 500 milhões em tributos anuais, além de atender mais de 12 mil acionistas dentro e fora do país. **32. De acordo com as informações apresentadas pelo Grupo, a cidade do Rio de Janeiro, dentre todas as outras do país e do mundo, concentra a maior parte das operações do grupo, gerando o maior faturamento, receita operacional e maior margem de lucro. Tal fator evidencia que a capacidade de pagamento das dívidas, elemento central para o processo recuperacional, encontra-se nesta Comarca.** O RJ também abriga infraestrutura operacional significativa para o grupo, incluindo bases em Duque de Caxias, no Porto do Açu e no aeroporto da Barra da Tijuca (onde se situa toda a frota de helicópteros), concentrando as atividades estratégicas nos setores de óleo e gás, portuário e de apoio marítimo. **Ademais, a sede do Rio de Janeiro, localizada na Rua Lauro Muller, nº 116, 27º Andar, Botafogo, é a responsável pela gestão do maior volume de negócios críticos do grupo, pois é nela que se concentram as decisões estratégicas e administrativas relativas às operações econômicas mais relevantes**. (...) 47. À vista das informações apresentadas, conclui-se que a competência para processar a recuperação judicial do Grupo AMBIPAR é do Juízo da Recuperação Judicial da Comarca do Rio de Janeiro (...)" (grifei).

Em cotejo, verifica-se que as providências determinadas pelo Exmo. Juiz Leonardo Gomes, voltadas ao reforço probatório em contraditório, contribuíram para a adequada instrução da matéria, posteriormente valorada na decisão monocrática em 2ª instância, de lavra do Des. Mauro Martins, que reputou suficientes os elementos probatórios trazidos pelas Requerentes, após determinação do Juízo de 1º grau, para a fixação da competência nesta Comarca.

Assim, à luz da instrução probatória determinada pelo Juízo de 1º grau e, por conseguinte, do quanto decidido no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, além dos fundamentos técnicos acima transcritos, firma-se, nos termos dos artigos 3º e 69-G, § 2º, da Lei 11.101/05, a competência deste Juízo Empresarial para o processamento do pedido de recuperação judicial do Grupo Ambipar.

2.Dos questionamentos trazidos pelos sócios da DRYPOL e do Banco ABC

Em relação aos questionamentos apresentados pelos sócios MAIKE YAMADA DOS SANTOS e FLÁVIA YAMADA DOS SANTOS RAMOS, da sociedade empresária DRYPOL, dirigidos à ENVIRONMENTAL ESG PARTICIPAÇÕES S/A (evento 116), bem como à manifestação do BANCO ABC BRASIL S.A. (evento 118), reconheço os fundamentos expendidos.

Não se pode olvidar, contudo, que o legislador, nos artigos 116, parágrafo único, e 122, parágrafo único, ambos da Lei nº 6.404/1976 (Lei das S.A.), previu expressamente hipóteses em que o acionista controlador pode adotar medidas drásticas em benefício da companhia em crise.

Estabelecido, pois, o binômio normativo, qual seja, o dever do controlador de orientar a companhia ao cumprimento de sua função social (art. 116, parágrafo único) e legitimação dos administradores, com sua anuência, para requerer a recuperação (art. 122, parágrafo único), passo ao exame do requisito habilitante da providência, qual seja, a urgência.

A urgência que legitima a medida mostra-se configurada (i) pela tutela cautelar deferida (evento 9) e (ii) pela decisão monocrática do Desembargador Relator MAURO PEREIRA MARTINS no Agravo de Instrumento nº 3001406-29.2025.8.19.0000/RJ, a qual sublinhou a necessidade de pronta definição do processamento, sob pena de "provocar incertezas no mercado, com graves repercussões econômicas e especulações acerca das reais condições das devedoras agravantes, comprometendo ainda mais a crise do grupo empresarial".

Diante desse arcabouço, e com fundamento nos artigos 116, parágrafo único, e 122, parágrafo único, da Lei das S.A., conclui-se configurada a urgência apta a autorizar o requerimento de recuperação judicial, sem prejuízo de que as Requerentes, em prazo razoável a ser fixado por este Juízo, promovam a convocação de assembleia geral para deliberar especificamente sobre a ratificação da medida e as providências correlatas.

3.Da consolidação processual e substancial

No que concerne ao pedido de consolidação substancial, ressalta-se o caráter excepcional da medida, nos termos do art. 69-J, caput e incisos, da LRF, sendo certo que sua autorização judicial prescinde de deliberação pela assembleia geral de credores.

Sob o ponto de vista normativo, a autorização exige: (i) comprovação de interconexão e confusão entre ativos ou passivos dos devedores, de modo a inviabilizar a identificação das titularidades sem excessivo dispêndio de tempo ou recursos; cumulada com (ii) demonstração de, ao menos, duas hipóteses previstas nos incisos do art. 69-J da LRF, quais sejam: a) existência de garantias cruzadas; b) relação de controle ou dependência; c) identidade total ou parcial do quadro societário; d) atuação conjunta no mercado entre os postulantes.

No caso concreto, a análise do caderno processual e das razões deduzidas pelas requerentes evidencia o atendimento desses pressupostos. De um lado, foram demonstradas a interconexão e a confusão entre ativos e passivos, com destaque para as garantias cruzadas. Essa circunstância emerge da própria causa de pedir, uma vez que o vencimento cruzado das dívidas repercute em cadeia sobre todo o grupo, de sorte que o pedido de recuperação formulado por uma sociedade deflagra o acionamento de garantias e o vencimento antecipado das obrigações de outras, como fundamentado pelas requerentes e comprovado no anexo 9 (“DOC 8”) do evento 89.

Além disso, sob a ótica da relação de controle e dependência, o organograma constante do anexo 8 (“DOC 6”) do evento 89 demonstra, de forma clara e objetiva, o controle exercido pela holding sobre diversas sociedades do grupo, bem como a integração de sua governança. Nesse cenário, a segregação de ativos e passivos demandaria dispêndio excessivo de tempo e de recursos, conforme já assinalado por este Juízo na decisão do evento 96.

Diante desse quadro, a negativa de processamento em consolidação substancial acarretaria insegurança jurídica relevante, pois o soerguimento isolado de uma sociedade, em contexto de garantias cruzadas e vencimentos encadeados, tende a precipitar a insolvência das demais.

Por conseguinte, consideradas as provas produzidas e verificados os requisitos do art. 69-J, caput e incisos I e II, da LRF, impõe-se o deferimento da consolidação substancial.

4.Dos requisitos para o deferimento do processamento da RJ

Reconhecida a possibilidade de consolidação substancial, nos termos do art. 69-J da Lei 11.101/05, passo ao exame do atendimento dos requisitos legais para o processamento desta recuperação judicial.

A instrução constante dos autos evidencia, com precisão, as causas da crise econômico-financeira, pois, após o ingresso do Sr. João Arruda como CFO da AMBIPAR PARTICIPAÇÕES, evidenciou-se que os contratos de swap originariamente firmados com o Bank of America foram transferidos ao Deutsche Bank e, na sequência, aditados para contemplar hipótese de dação em pagamento dos Green Bonds emitidos pela AMBIPAR LUX no exterior. Com tal aditamento, introduziu-se elemento de natureza especulativa, ao passo que os ajustes precedentes apresentavam caráter não especulativo e se limitavam ao hedge cambial, conforme articulado na petição inicial.

A coerência do quadro probatório se evidencia nos gráficos do item 113 do evento 89, cotejados com a documentação que os acompanha, os quais revelam volatilidade anômala dos Green Bonds e, em juízo de cognição sumária, apontam para possível ataque orquestrado, à vista da queda acentuada representada no material.

A partir dessa inflexão, o Deutsche Bank passou a exigir da AMBIPAR PARTICIPAÇÕES garantias adicionais em patamares superiores aos originalmente estipulados nos swaps, chegando, por derradeiro, à requisição de aporte de R$ 60 milhões, sob pena de vencimento automático e antecipado dos contratos de derivativos e do consequente empréstimo de USD 35 milhões firmado com a própria instituição.

Essa aceleração, por sua vez, desencadeou reação em cadeia por parte de outras instituições financeiras, movidas pelo receio de inadimplemento sistêmico no âmbito do Grupo Ambipar, dinâmica explicável pela disseminação, nos contratos financeiros do Grupo, de cláusulas de vencimento antecipado cruzado, pelas quais a aceleração de uma obrigação irradia efeitos sobre as demais.

Nesse quadro, a tutela cautelar deferida (evento 9) mostrou-se, e permanece, imprescindível à preservação da atividade empresarial: a ausência da blindagem conferida pela Lei 11.101/05 revelaria elevada probabilidade de ruptura imediata de um conglomerado de inegável relevância econômica.

Deve-se notar, ademais, que as requerentes demonstraram, de forma clara e objetiva, que o gatilho da crise decorreu de má-gestão específica, supostamente atribuída ao Sr. João Arruda, na condição de CFO da AMBIPAR PARTICIPAÇÕES. Não obstante, foi simultaneamente evidenciada a viabilidade de superação do quadro, uma vez que à vista da adequada saúde financeira e de caixa, mantinham-se adimplidas a extensa folha salarial, as obrigações perante fornecedores e instituições financeiras e o recolhimento de tributos na ordem anual aproximada de R$ 500.000.000,00.

A esse componente econômico soma-se o vetor institucional: o soerguimento projeta-se na possibilidade de renegociação dos passivos com credores, viabilizando a continuidade da função produtiva e do emprego. Como ressaltado na inicial, o Grupo Ambipar ostenta atuação destacada em gestão ambiental, com promoção do desenvolvimento sustentável e preservação de 2,5 milhões de hectares na Floresta Amazônica.

Sob o ângulo principiológico, o deferimento do processamento harmoniza-se com o art. 47 da LRF (preservação da empresa) e, em complemento, atende à tutela do interesse dos investidores e à estabilidade do mercado de capitais: sendo as recuperandas emissoras com ações disponibilizadas no mercado de valores, a indefinição judicial acerca do processamento, enquanto perdurar, projeta instabilidade que repercute na formação de preços e nas decisões de alocação, com potenciais efeitos deletérios sobre a liquidez e o valor dos papéis. A pronta definição jurisdicional, portanto, não apenas preserva a empresa e a atividade econômica, como também mitiga assimetrias informacionais e protege a confiança dos investidores.

Nessas condições, encontram-se presentes os elementos caracterizadores do processamento da recuperação judicial, na forma do art. 51, I, da Lei 11.101/05.

No tocante à documentação exigida pelos arts. 48 e 51 da LRF, as requerentes indicaram, nos itens 140/141, os "docs" correspondentes aos respectivos incisos, embora com numeração que não guarda exata correlação.

Superado o erro material, os documentos foram localizados, cronologicamente, no evento 90, "outros", itens 17, 18, 19, 20 e 21; a relação de credores consta do evento 89, "outros", item 12.

As certidões dos cartórios de protesto situados nos locais das sedes e filiais das requerentes foram identificadas no evento 90, "outro", item 35; e a relação de todas as ações judiciais e procedimentos arbitrais (inclusive de natureza trabalhista), bem como os demais documentos pertinentes, constam do evento 90, "outros", itens 39, 40, 41 e 42.

Quanto aos incisos IV, VI e VII do art. 51 da LRF e ao relatório gerencial de fluxo de caixa, este Juízo, na decisão do evento 97, item 7, autorizou o protocolo sob sigilo, ressaltando a inconveniência do acautelamento em cartório, decisão que ora se mantém, na íntegra.

Cumpre assentar que as requerentes comprovaram o exercício regular de atividades há mais de 2 (dois) anos, satisfazendo o art. 48 da Lei 11.101/05, bem como os requisitos cumulativos de seus incisos I, II, III e IV; do mesmo modo, estão preenchidos os requisitos do art. 69-J, caput e incisos, da Lei 11.101/05.
