IN THE UNITED STATES BANKRUPTCY COURT
FOR THE SOUTHERN DISTRICT OF TEXAS – HOUSTON DIVISION

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORTS

BACKGROUND

On December 16, 2025, (the "**Petition Date**"), the above-captioned debtors and debtors in possession (collectively, the "**Debtors**"), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") in the United States Bankruptcy Court for the Southern District of Texas (the "**Bankruptcy Court**"). The Debtors' chapter 11 cases are being jointly administered for procedural purposes only pursuant to Federal Rule of Bankruptcy Procedure 1015(b) and Bankruptcy Local Rule for the southern District of Texas 1015-1 under the caption Ample, Inc., *et al.*[1], Case No. 25-90817 (CML), pursuant to an order entered by the Bankruptcy Court on December 18, 2024 [Docket No. 23].

The following notes, statements and limitations should be referred to, and referenced in connection with, any review of the Debtors' monthly operating reports (the "**MOR**").

1. **Basis of Presentation.** The Debtors are filing their MOR solely for purposes of complying with the monthly operating requirements applicable in the Debtors' chapter 11 cases. The MOR is in a format acceptable to the United States Trustee for the Southern District of Texas (the "**U.S. Trustee**"). The MOR should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

   In preparing the MOR, the Debtors relied on financial data derived from their books and records that were available at the time of preparation. Subsequent information or discovery may result in material changes to the MOR and errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MOR.

   This MOR has not been prepared in accordance with accounting principles generally accepted in the United States of America ("**U.S. GAAP**") and does not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MOR. As of April 30, 2026, all financial activity occurs through Debtor Ample, Inc.

[1] The Debtors in these chapter 11 cases and the last four digits of each Debtor's taxpayer identification number are: Ample, Inc. (4015) and Ample Texas EV, LLC (6832). A copy of this motion is available on (a) the Court's website, at www.txs.uscourts.gov and (b) the website maintained by the Debtors' claims and noticing agent, Verita Global at https://veritaglobal.net/ample.

Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their annual consolidated financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

In future periods, any changes to prior period balances will be reflected in the current month's MOR.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

These unaudited financial statements are prepared to support the information required in the Monthly Operating Report and should not be used for any other purpose.

2. **Reporting Period.** Unless otherwise noted herein, the MOR generally reflects the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.

3. **Consolidated Entity Accounts Payable and Disbursements Systems.** Cash is received and disbursed by the Debtors as described in the *Corrected Emergency Motion of Debtors for Entry of Interim and Final Orders Authorizing the Debtors to (I)(A) Continue Operating Their Existing Cash Management System, (B) Honor Certain Prepetition Obligations, (C) Continue Intercompany Transactions, (D) Waiving Certain Deposit Requirements, and (E) Granting Related Relief, and (II)(A) Continue Insurance Programs and (B) Granting Related Relief* [Docket No. 15] (the "**Cash Management Motion**") to the extent approved in the order granting the relief requested in the Cash Management Motion on a final basis [Docket No. 76].

4. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.

5. **Pre-Petition Claims Pursuant to First Day Orders.** The Bankruptcy Court has entered orders authorizing, but not directing, the Debtors to pay, among other things, certain pre-petition (a) employee and contractor wages, salaries other compensation, and reimbursable expenses and benefits [Docket No. 31]; (b) obligations related to the use of the Debtors' cash management system [Docket Nos. 28 (interim relief) and 76 (final relief)]; (c) insurance obligations [Docket Nos. 28 (interim relief) and 76 (final relief)] (d) certain tax

obligations [Docket Nos. 28 (interim relief) and 76 (final relief)] and (e) utilities [Docket No. 29] ((a)-(e) collectively, the "**First Day Orders**"). To the extent any payments were made on account of such claims or obligations following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such payments have been included in the MOR unless otherwise noted.

Moreover, to the extent claims have been categorized as "Prepetition secured debt," "Prepetition priority debt," or "Prepetition unsecured debt" the Debtors make no admission with respect to any prepetition claims by this MOR, and reserve all rights with respect to claims that have been or may be asserted against them.

6. **Post-Petition Liabilities.** To the extent claims have been categorized as "Postpetition payables (excluding taxes)," "Postpetition payables past due (excluding taxes)," "Postpetition taxes payable," or "Postpetition taxes past due," the Debtors reserve the right to dispute such liabilities and their obligation to make such payments for reasons that include, but are not limited to, the Debtors arguing that the asserted liability is not entitled to administrative priority under the Bankruptcy Code.

7. **Insiders.** For purposes of this MOR, the Debtors defined "insiders" as provided in section 101(31) of the Bankruptcy Code during the relevant time period. The Debtors do not concede or take any position with respect to (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws or with respect to any theories of liability or any other purpose. Further, the inclusion of a party as an "insider" solely for purposes of this MOR is not an acknowledgement, admission, or concession that such party is an "insider" under applicable bankruptcy law.

8. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MOR in all respects, as may be necessary or appropriate. Nothing contained in this MOR shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.

9. **Specific MOR Disclosures**.
