GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

General

Ample, Inc. ("Ample"), and its debtor affiliate, Ample Texas EV, LLC, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors"), are filing their respective *Schedules of Assets and Liabilities* (each, a "Schedule" and, collectively, the "Schedules") and *Statements of Financial Affairs* (each, a "Statement" or "SOFA" and, collectively, the "Statements" or "SOFAs") with the United States Bankruptcy Court for the Southern District of Texas (the "Bankruptcy Court") pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code"), Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rule 1007-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the Southern District of Texas (the "Local Rules").

These global notes and statements of limitations, methodology and disclaimers regarding the Debtors' Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements, and should be referred to, and referenced in connection with, any review of the Schedules and Statements.[2]

The Schedules and Statements are unaudited and reflect the Debtors' reasonable efforts to report certain financial information of each Debtor on a stand-alone, unconsolidated basis. These Schedules and Statements neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor.

---

[1] The Debtors in these chapter 11 cases (the "Chapter 11 Cases") and the last four digits of each Debtor's taxpayer identification number are: Ample Inc. (4015) and Ample Texas EV, LLC (6832). A copy of this filing is available on (a) the Court's website, at www.txs.uscourts.gov and (b) the website maintained by the Debtors' claims and noticing agent, Verita Global at https://veritaglobal.net/ample.

[2] These Global Notes supplement, and are in addition to, any specific notes contained in each Debtor's Schedules or Statements.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that were available at the time of such preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. Accordingly, the Debtors and their directors, managers, officers, agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein or the Schedules and Statements. In no event shall the Debtors or their directors, managers, officers, agents, attorneys and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their directors, managers, officers, agents, attorneys, and financial advisors are advised of the possibility of such damages.

The Schedules and Statements have been signed by John Baumgartner, Chief Restructuring Officer of the Debtors, and an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, the authorized signatory for each of the Debtors have relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors' advisors and other professionals. The authorized signatory for each of the Debtors has not (and practically could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtors. The Debtors reserve their right to amend the Schedules and Statements from time-to-time as may be necessary or appropriate; provided, that the Debtors, their agents, and their advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein or to notify any third party should the information be updated, modified, revised, or recategorized, except to the extent required by applicable law.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

The Schedules, Statements, and Global Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors.

Global Notes and Overview of Methodology

1. **Description of the Cases.** The Debtors commenced these voluntary cases under chapter 11 of the Bankruptcy Code on December 16, 2025 (the "Petition Date"). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On December 18, 2025, the Court entered an order authorizing the joint administration of the chapter 11 cases pursuant to Bankruptcy Rule 1015(b) [Docket No. 23]. On December 30, 2025, the United States Trustee for the Southern District of Texas (the "U.S. Trustee") appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code (the "UCC") [Docket No. 53]. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The asset information provided herein, except as otherwise noted, represents the asset and liability data of the Debtors as of close of business on December 15, 2025, immediately preceding the Petition Date.

2. **Global Notes Control.** Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments. In the event that the Schedules or Statements differ from any of the Global Notes, the Global Notes shall control.

3. **Reservation of Rights.** Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate but do not undertake any obligation to do so, except as required by applicable law. Nothing contained in the Schedules, Statements, or Global Notes shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

    a. **No Admission.** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against any Debtors, any assertion made therein or herein, or a waiver of any of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.

    b. **Claims Listing and Descriptions**. The listing of a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules and Statements accordingly. Any failure to designate a claim listed on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on their Schedules and

Statements on any grounds, including, but not limited to, amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

c. **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, due to the complexity of the Debtors' businesses, the Debtors may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

d. **Classifications.** The listing of a claim (i) on Schedule D as "secured," (ii) on Schedule E/F as either "priority," or "unsecured priority," or (iii) listing a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty, or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection or otherwise. Moreover, although the Debtors may have scheduled claims as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a security interest has been undertaken. Except as provided in an order of the Court, the Debtors reserve all rights to dispute and challenge the secured nature, if any, or amount of any such creditor's claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor's claim.

e. **Estimates and Assumptions.** To prepare these Schedules and Statements and report information on a legal entity basis, the Debtors were required to make certain reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities as of the Petition Date. Actual results could differ from such estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

f. **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any claim, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power, privilege, license, lien, indemnity, guaranty, interest, damage, remedy, cause of action, proceeding, agreement, or franchise of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured, assertable, directly or derivatively, matured or unmatured,

suspected or unsuspected, whether arising before, on, or after the Petition Date, in contract, in tort, at law, in equity, or otherwise. Causes of action also include: (a) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law or in equity; (b) any claim based on or relating to, or in any manner arising from, in whole or in part, tort, breach of contract, breach of fiduciary duty, violation of local, state, federal, or foreign law, or breach of any duty imposed by law or in equity, including, without limitation, securities laws, negligence, and gross negligence; (c) the right to object to or otherwise contest claims or interests; (d) claims pursuant to sections 362 or chapter 5 of the Bankruptcy Code; (e) such claims and defenses as fraud, mistake, duress, and usury, and any other defenses set forth in section 558 of the Bankruptcy Code; and (f) any avoidance actions arising under chapter 5 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including, without limitation, fraudulent transfer laws, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions, or in any way prejudice or impair the assertion of such claims or causes of action.

g. **Intellectual Property Rights.** Exclusion of certain intellectual property on the Statements and Schedules shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property on the Statements and Schedules shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

h. **Insiders.** The Debtors have attempted to include all payments made on or within twelve months before the Petition Date to any individual (and their relatives) or entity who, in the Debtors' good faith belief, may be deemed an "insider." As to each Debtor, an individual or entity is designated as an "insider" for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to dictate corporate policy and the disposition of corporate assets. The Debtors have also considered the requirements of GAAP and Securities and Exchange Commission (the "SEC") reporting standards and their public disclosures with respect to designating certain individuals and entities as "insider" herein.

The listing or omission of a party as an "insider" for the purposes of the Schedules and Statements is for informational purposes and is not intended to be nor should be construed as an admission that those parties are insiders for purposes of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities listed as insiders in the Schedules and Statements may not be used for: (a) the purposes of

determining (i) control of the Debtors; (ii) the extent to which any individual or entity exercised management responsibilities or functions; (iii) corporate decision-making authority over the Debtors; or (iv) whether such individual or entity (or the Debtors) could successfully argue that they are not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (b) any other purpose. Furthermore, certain of the individuals or entities identified as insiders may not have been insiders for the entirety of the twelve-month period before the Petition Date, but the Debtors have included them herein out of an abundance of caution. The Debtors reserve all rights with respect thereto.

4. Methodology

a. **Basis of Presentation.** For financial reporting purposes, the Debtors generally prepare consolidated financial statements, but provided financial information for each Debtor entity for the purpose of reporting their Schedules and Statements. Combining the assets and liabilities set forth in the Debtors' Schedules and Statements would result in amounts that may be substantially different from financial information that would be prepared on a consolidated basis under GAAP. Therefore, these Schedules and Statements neither purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each separate Debtor. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the proper Debtor entity. However, due to limitations within Debtors' accounting systems, it is possible that not all assets, liabilities or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

Given, among other things, the uncertainty surrounding the collection, ownership, and valuation of certain assets and the amount and nature of certain liabilities, a Debtor may report more assets than liabilities. Such report shall not constitute an admission that such Debtor was solvent on the Petition Date or at any time prior to or after the Petition Date. Likewise, a Debtor reporting more liabilities than assets shall not constitute an admission that such Debtor was insolvent on the Petition Date or at any time prior to or after the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment.

b. **Reporting Date.** Unless otherwise noted, the Schedules and Statements generally reflect the Debtors' books and records as of close of business on December 15, 2025, which represents the stub period immediately preceding the Petition Date.

c. **Confidentiality or Sensitive Information.** There may be instances in which certain information in the Schedules and Statements intentionally has been redacted due to concerns about the privacy of the Debtors' employees and vendors (*e.g.*, home addresses). The alterations will be limited to only what is necessary to protect the Debtor or the applicable third party. The Debtors may also be authorized or required to redact certain information from the public record pursuant to orders of the Court authorizing the Debtors to redact, seal, or otherwise protect such information from public disclosure.

d. **Consolidated Entity Accounts Payable and Disbursement Systems.** Receivables and payables among the Debtors are reported on Schedule A/B and Schedule E/F, respectively, per the Debtors' unaudited books and records. As described more fully in the Debtors' motion for authority to continue using their existing cash management system [Docket No. 15] (the "Cash Management Motion"), the Debtors operate an integrated cash management system in the ordinary course of business to collect, concentrate, and disburse funds generated from their operations (the "Cash Management System"). The Debtors maintain a consolidated accounts payable and disbursements system to pay operating and administrative expenses through various disbursement accounts. The Cash Management System is supported by nine (9) bank accounts, all of which are owned and controlled by the Debtors.

The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission or conclusion regarding the allowance, classification, validity, or priority of such account or characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including, but not limited to, with respect to the characterization of intercompany claims, loans, and notes.

In addition, certain of the Debtors act on behalf of other Debtors. Commercially reasonable efforts have been made to indicate the ultimate beneficiary of a payment or obligation. Whether a particular payment or obligation was incurred by the entity actually making the payment or incurring the obligation is a complex question of applicable non bankruptcy law, and nothing herein constitutes an admission that any Debtor entity or non-Debtor affiliate is an obligor with respect to any such payment. The Debtors reserve all rights to reclassify any payment or obligation as attributable to another entity and all rights with respect to the proper accounting and treatment of such payments and liabilities.

e. **Duplication.** Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.

f. **Net Book Value of Assets.** In many instances, current market valuations are not maintained by or readily available to the Debtors. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain

current market valuations for all assets. As such, unless otherwise indicated, net book values are as of close of business on December 15, 2025, which reflects the stub period immediately preceding the Petition Date. When necessary, the Debtors have indicated that the value of certain assets is "Unknown" or "Undetermined." The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtors reserve all rights to amend, supplement, and adjust the asset values set forth in the Schedules and Statements. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. Nothing in the Debtors' Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date or any time prior to the Petition Date.

g. **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated.

h. **Payment of Prepetition Claims Pursuant to First Day Orders.** Following the Petition Date, the Court entered various orders authorizing the Debtors to, among other things, pay certain prepetition: (i) service fees and charges assessed by the Debtors' banks; (ii) insurance obligations; (iii) employee and contractor wages, salaries, and related items (including, but not limited to, employee benefit programs and supplemental workforce obligations); (iv) taxes and assessments; and (v) utilities; (collectively, the "First Day Orders"). As such, outstanding liabilities may have been reduced by any Court-approved postpetition payments made on prepetition payables. Where and to the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements, unless otherwise indicated. The Debtors reserve the right to update the Schedules and Statements to reflect payments made pursuant to an order of the Court (including the First Day Orders).

i. **Other Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

j. **Leases.** The Debtors have not included future obligations under any capital or operating leases in the Schedules and Statements. To the extent there was an amount outstanding on account of such lease as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules. In the ordinary course of business, certain

of the Debtors may enter into agreements titled as leases for property, other property interests, and/or equipment from third party lessors for use in the daily operation of their business. Any such prepetition obligations that are known to the Debtors have been listed on Schedule F, and the underlying lease agreements are listed on Schedule G. Nothing in the Schedules and Statements is, or shall be construed to be, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease, a financing arrangement, or a real property interest), and the Debtors reserve all rights with respect to such issues.

k. **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics', materialmen, or similar liens that may attach (or have attached) to such inventories, property, and equipment, and the Debtors reserve all of their rights with respect to such liens (if any).

l. **Allocation of Liabilities.** The Debtors, in consultation with their advisors, have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may change. The Debtors reserve the right to amend and/or supplement the Schedules and Statements as they deem appropriate in this regard.

m. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as "unknown" or "undetermined." If there are unknown or undetermined amounts, the actual totals may be materially different from the listed totals. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. To the extent a Debtor is a guarantor of debt held by another Debtor or non-Debtor affiliate, the amounts reflected in these Schedules are inclusive of each Debtor's guarantor obligations.

n. **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

o. **Credits and Adjustments.** The claims of individual creditors for, among other things, goods, products, services, and taxes are listed as the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors or (ii) be net of accrued credits, allowances, rebates, trade debits, or other adjustments that are actually owed by a creditor to the Debtors on a postpetition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and postpetition payments, if applicable. The Debtors reserve all of their rights with regard to such credits,

allowances, and other adjustments, including but not limited to, the right to assert claims objections and/or setoffs with respect to the same.

p. **Claims of Third-Party Related Entities.** While the Debtors have made every effort to properly classify each claim listed in the Schedules as being either disputed or undisputed, liquidated or unliquidated, and contingent or noncontingent, the Debtors have not been able to fully reconcile all payments made to certain third parties and their related entities on account of the Debtors' obligations thereto. Therefore, to the extent that the Debtors have classified their estimate of claims of a creditor as disputed, all claims of such creditor's affiliates listed in the Schedules and Statements shall similarly be considered as disputed, whether or not they are designated as such.

Specific Schedules Disclosures

Part 1 – Cash and Cash Equivalents

(a) **Schedule A/B-3 – Checking, Savings, or Other Financial Accounts, CDs, etc.** Schedule A/B 3 lists bank account balances as of close of business on December 15, 2025. Further details with respect to the Debtors' cash management system and bank accounts are also provided in the Cash Management Motion and the final order [Docket No. 76].

Part 2 – Deposits and Prepayments

(a) **Schedule A/B-7 – Deposits.** The Debtors maintain certain deposits in the ordinary course of their business operations. These deposits are included in the Schedules for the appropriate legal entity as of December 15, 2025. The Debtors have exercised reasonable efforts to report the current value of any deposits. The Debtors may have inadvertently omitted deposits and conversely may have reported deposits that are no longer outstanding. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if deposits are incorrectly identified. Certain prepaid or amortized assets are not listed in Part 2 in accordance with the Debtors' accounting policies. The amounts listed in Part 2 do not necessarily reflect values that the Debtors will be able to collect or realize. Professional fee retainers are net of any amounts that have been applied against pre-petition invoices.

(b) **Schedule A/B-8 – Prepayments.** The Debtors are required to make prepayments from time to time with various vendors, landlords, and service providers as part of the ordinary course of business. The Debtors have exercised reasonable efforts to report the current value of any prepayments as of December 15, 2025. The Debtors may have inadvertently omitted deposits and conversely may have reported deposits that are no longer outstanding. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if deposits are incorrectly identified.

Part 3 – Accounts Receivable

(a) **Schedule A/B-11 – Accounts Receivable.** Any intercompany receivables are excluded from Schedule A/B 11 but are included in Schedule A/B 77.

Part 4 – Investments

(a) **Schedule A/B-15 – Stock and Interests in Incorporated and Unincorporated Businesses.** Schedule A/B 15 includes the Debtors' wholly-owned subsidiary entities which the Debtors have listed the value of such ownership interests as undetermined as the value of such interests are dependent on various variables or factors that may differ significantly from the net book value.

Part 5 – Inventory, excluding Agricultural Assets

(a) **Schedule A/B-22 – Other Inventory and Supplies.** Schedule A/B 22 captures inventory on hand for various parts for the Debtors' battery modules, swapping stations and plates & trays as of December 15, 2025. The Debtors have not performed a recent physical inventory.

Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles

Office Equipment. The Debtors listed the value of the office equipment, computer hardware and software licenses as of December 15, 2025. Dollar amounts are presented net of accumulated depreciation.

Part 8 – Machinery, Equipment, and Vehicles

Schedules A/B-50 – Other Machinery, Fixtures, and Equipment. The Debtors listed the value of their other machinery, fixtures and equipment as of December 15, 2025. These values are net of accumulated depreciation. Actual realizable values of the assets identified may vary significantly relative to net book values listed here. Schedule A/B 50 captures manufacturing, testing and other equipment including battery modules, swapping stations and plates & trays, and leased machinery/equipment. Capitalized shipping freight and customs duty & fees related to the purchase of these assets is listed as undetermined for purposes of Schedule A/B 50 due to the uncertain nature of the value of this item.

Part 9 – Real Property

The Debtors own 5 acres of land in Kern County, California, which is reflected at net book value. Real property leases and leasehold interests are reflected at cost net of depreciation. Real property leases do not reflect leases that had been terminated or expired as of December 15, 2025 and the Debtors had returned the property to the landlord. Actual realizable values of the assets identified may vary significantly relative to net book values presented here. "Operation Center" represents a location where electric vehicle swapping

activity was conducted and "Testing Facility" represents a location where the Debtors' performed vehicle integration and other testing activities.

Part 10 – Intangibles and Intellectual Property

The Debtors do not have a recent valuation of their intangible assets and intellectual property and therefore, the Debtors' intangible asset values are listed as undetermined. Additionally, the net book values of the Debtors' intangible assets may differ materially from fair market values. Certain of the patents listed are pending patent applications with the USPTO or in other stages.

Part 11 – All Other Assets

Intercompany notes receivable from the Debtors' subsidiary in Spain is reflected at book value as of December 15, 2025. Actual net realizable value may differ significantly from book value.

Duty Drawbacks (*see* Schedule A/B 77 attachment) refers to potential refunds related to a Customs and Border Protection (CBP) program that allows a company to request a refund of certain duties and fees originally paid upon importing goods into the United States, when those same goods (whether raw materials or finished products) are later exported out of the country. The Debtors are in the process of assessing the potential amount of the refunds and therefore the amount is scheduled as undetermined.

Specific Notes Regarding Schedule D

Except as otherwise agreed pursuant to a stipulation or agreed order or general order entered by the Bankruptcy Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument (including, without limitation, any intercompany agreement) related to such creditor's claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable lease agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

Schedule D does not include beneficiaries of letters of credit. Although the claims of certain parties may be secured by a letter of credit, the Debtors' obligations under the letters of credit run to the issuers thereof, not to the beneficiaries. The Debtors have not listed any parties whose claims may be secured through rights of setoff, deposits, or advance

payments posted by, or on behalf of, the Debtors, or judgment or statutory lien rights. The Debtors have not investigated which of the claims may include such rights, and their population is currently unknown.

Except as specifically stated herein, real property lessors, utility companies, and other parties which may hold security deposits have not been listed on Schedule D. Security deposits are listed on the Schedule A/B 7 attachment.

The "Amount of claim" and "Value of collateral that supports the claim" for the U.S. Bank Equipment Finance claims listed in Schedule D represent the net book value of the assets per the Debtors' books and records as of December 15, 2025.

Specific Notes Regarding Schedule E/F

(a) **Part 1 – Creditors with Priority Unsecured Claims.** The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under section 507 of the Bankruptcy Code. The Debtors reserve all of their rights to dispute the amount and/or priority status of any claim on any basis at any time.

The Debtors are not aware of claims owing to various taxing and regulatory authorities, but have included the various taxing and regulatory authorities for notice purposes in the event that there may be a claim.

Pursuant to the *Order (A) Authorizing Debtors to (I) Pay Prepetition Wages, Salaries, Employee Benefits, and Other Compensation, and (II) Maintain Employee Benefits Programs Pay Related Obligations; and (B) Granting Related Relief* [Docket No. 31] (the "Employee Wage Order"), the Debtors received authority to pay certain prepetition obligations, including, without limitation, obligations related to employee wages and other employee benefits, in the ordinary course of business. Accordingly, the Debtors have not listed on Schedule E/F, Part 1 any wage or wage-related obligations for which the Debtors have been granted authority to pay pursuant to the Employee Wage Order or other order that may be entered by the Bankruptcy Court. The Debtors believe that all such claims have been, or will be, satisfied in the ordinary course during their chapter 11 cases pursuant to the authority granted in the Employee Wage Order or other order that may be entered by the Bankruptcy Court.

(b) **Part 2 – Creditors with Nonpriority Unsecured Claims.** The liabilities identified in Schedule E/F, Part 2, are derived from the Debtors' books and records. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim. In addition, Schedule E/F, Part 2 does not include rejection damage claims of the counterparties to executory contracts and unexpired leases that may have been or may be rejected, to the extent such damage claims exist. The Debtors do not maintain account numbers for the creditors listed on Schedule E/F Part 2 and therefore the 4-digit account numbers for these creditors are noted as not applicable.

Information regarding pending litigation involving the Debtors is listed and is marked as contingent, unliquidated, and disputed.

Trade payables listed on Schedule E/F, Part 2 contain the prepetition liability information available to the Debtors as of the Petition Date.

The convertible notes issued by Ample Inc. in 2025 are scheduled at non-default principal and interest as of December 15, 2025.

Specific Notes Regarding Schedule G

While the Debtors' existing books, records, and financial systems have been relied upon to identify and schedule executory contracts at each of the Debtors, and although commercially reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions, or over-inclusions may have occurred. The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contract, agreement, or lease set forth in Schedule G and to amend or to supplement Schedule G as necessary. The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

In some cases, the same supplier or provider appears multiple times on Schedule G. This multiple listing is intended to reflect distinct agreements between the applicable Debtor and such supplier or provider.

In some cases, the Debtors may have inadvertently listed the incorrect Debtor party. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission.

In the ordinary course of business, the Debtors may have entered into confidentiality agreements and non-disclosure agreements which, to the extent that such confidentiality agreements constitute executory contracts, are not listed individually on Schedule G. To the extent that any confidentiality agreements are listed individually on Schedule G, such confidentiality agreements do not constitute executory contracts to which the Debtors are bound to.

Specific Notes Regarding Schedule H

Co-Debtors. In the ordinary course of their business, the Debtors pay certain expenses on behalf of their subsidiaries. The Debtors may not have identified certain guarantees that are embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements. Thus, the Debtors reserve their rights to amend Schedule H to the extent that guarantees are identified.

In the ordinary course of their business, the Debtors may be involved in pending or threatened litigation and claims arising out of certain ordinary course of business transactions. These matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. Because such claims are contingent, disputed, and/or unliquidated, such claims have not been set forth on Schedule H. However, those claims may be listed elsewhere in the Schedules and Statements.

Specific Statements Disclosures

(a) **Question 1 – Income from Operations.** The values reflected in Part 1, Question 1 are presented on an accrual basis and not on a cash basis. Values include intercompany revenues for sales to the Debtors' subsidiary in Spain.

(b) **Question 2 – Non-Business Revenue.** Non-business revenue includes such items as rental income, interest income, and government grant income. This is reflected on an accrual basis and not a cash basis.

(c) **Question 3 – Payments or Transfers to Creditors.** Payments to bankruptcy professionals are listed separately in Part 6, Question 11. Draws on the Debtors' collateralized letters of credit are reflected as reimbursements to the respective bank that issued the letter of credit for paying the respective beneficiary. The draws were made from certificates of deposit that were maintained as collateral for security deposits in relation to the Debtors' real property leases. Former employees who became contractors as of December 1, 2025 to continue to operate the Debtors have not been reflected by name due to privacy of disclosed non-Insider contractor wage information.

(d) **Question 4 – Payments or Transfers to Insiders.** The information reported on Question 4 is representative of the total payments made to insiders during the one year prior to the Petition Date. For the avoidance of doubt, Question 4 may include payments to individuals who may have been insiders at the time they were employed by the Company but are no longer employed by the Company.

(e) **Question 5 – Repossessions, Foreclosures and Returns.** The Debtors in the ordinary course of business return damaged, unsatisfactory or out-of-specification goods to vendors. These ordinary course returns have not been listed.

(f) **Question 13 – Other Transfers.** Prior to the Petition Date, the Debtors abandoned miscellaneous parts with de minimis value that were incurring demurrage charges and customs duties, taxes and other charges into the possession of TQL Global LLC, the Debtors customs broker to destroy or dispose of the property. In addition, the Debtors sold certain battery cell inventory during the fourth quarter of 2025.

(g) **Question 14 – Previous Addresses.** The Debtors' previous addresses reflect locations for which the leases had been terminated or expired and the Debtors had returned the property to the landlord as of December 15, 2025. "Operation Center" represents a location where electric vehicle swapping activity was conducted and "Testing Facility" represents a location where the Debtors' performed vehicle integration and other testing activities.

(h) **Question 16 – Customer PII.** The Debtors do not collect PII directly from any customers. The Debtors may be in receipt of certain PII that they received through customer(s).

(i) **Question 17 – Employee Benefit Plans.** All benefit plans for the Debtors' employees, including 401(k) plans, are administered by Sequoia One PEO, LLC. The Debtors' 401(k) plan will be terminated effective January 31, 2026.

(j) **Question 20 – Off Premises Storage.** The Debtors' in the ordinary course of business utilized various freight forwarders and customs brokers to temporarily store goods at their facilities during the import and export process which have not been reflected in Question 20.

(k) **Question 26 – Issuance of Financial Statements.** The Debtors have routinely provided financial information to banks, customers, suppliers, tax and government authorities, landlords, potential investors, and other financial institutions in the ordinary course of their business.

(l) **Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Refer to the Methodology section regarding all payments to insiders (Question 4).
