Debtors.	(Jointly Administered)

GLOBAL NOTES AND STATEMENTS OF LIMITATIONS AND DISCLAIMERS REGARDING THE DEBTORS' MONTHLY OPERATING REPORTS

BACKGROUND

On December 9 and 15, 2025, and January 1 and 15, 2026 (the "Petition Dates"), the above-captioned debtors and debtors in possession (collectively, the "Debtors"), filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The Debtors' chapter 11 cases are being jointly administered for procedural purposes only pursuant to rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and rule 1015-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the "Local Rules") under the caption Apple Tree Life Sciences, Inc., *et al.*, Case No. 25-12177 (LSS), pursuant to the *Order Directing Joint Administration of the Debtors' Chapter 11 Cases* [Docket No. 69], the *Orders (I) Directing Joint Administration of Additional Chapter 11 Cases and (II) Extending Certain Relief Granted to the Original Debtors* [Docket Nos. 178 & 200]. On January 20, 2026, the United States Trustee for the District of Delaware (the "U.S. Trustee") appointed the Official Committee of Unsecured Creditors (the "Creditors' Committee") [D.I. 194].

The following notes, statements and limitations should be referred to, and referenced in connection with, any review of the Debtors' monthly operating reports (the "MORs").

1. **Basis of Presentation.** The Debtors are filing their MORs solely for purposes of complying with the monthly operating requirements applicable in the Debtors' chapter 11 cases. The MORs are in a format acceptable to the U.S. Trustee. The MORs should not be relied upon by any persons for information relating to past, current, or future financial conditions, events, or performance of any of the Debtors or their affiliates.

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number include: Apple Tree Life Sciences, Inc. (4506); ATP Life Science Ventures, L.P. (8224); ATP III GP, Ltd. (6091); Apertor Pharmaceuticals, Inc. (3161); Initial Therapeutics, Inc. (2453); Marlinspike Therapeutics, Inc. (4757); Red Queen Therapeutics, Inc. (8563); Evercrisp Biosciences, Inc. (4437); Nine Square Therapeutics, Inc. (4503; and Nereid Therapeutics Incorporated (8493). The location of the Debtors' service address in these chapter 11 cases is 230 Park Avenue, Suite 2800, New York, NY 10169.

In preparing these MORs, the Debtors relied on historical financial data derived from their books and records that was available at the time of preparation. The historical data may be incomplete or inaccurate. The books and records had historically been kept on an accrual basis and have not been reconciled with the cash accounting system otherwise being presented in these MORs. Subsequent information or discovery may result in material changes to the MORs and inaccuracies, errors or omissions may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the MORs.

These MORs have not been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") and do not include all of the information and footnotes required by U.S. GAAP. Therefore, there can be no assurance that the financial information presented herein is complete, and readers are strongly cautioned not to place undue reliance on the MORs.

Furthermore, the monthly financial information contained herein has not been subjected to the same level of accounting review and testing that the Debtors apply in the preparation of their annual consolidated financial information in accordance with U.S. GAAP. Accordingly, upon the application of such procedures, the Debtors believe that the financial information may be subject to change, and these changes could be material.

In future periods, any changes to prior period balances will be reflected in the current month's MORs.

The results of operations contained herein are not necessarily indicative of results that may be expected from any other period or for the full year and may not necessarily reflect the consolidated results of operations and financial position of the Debtors in the future.

These unaudited financial statements are prepared to support the information required in the MORs and should not be used for any other purpose.

2. **Reporting Period.** Unless otherwise noted herein, the MORs generally reflect the Debtors' books and records and financial activity occurring during the applicable reporting period. Except as otherwise noted, no adjustments have been made for activity occurring after the close of the reporting period.

3. **Accuracy.** The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling, or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.

4. **Payment of Pre-Petition Claims Pursuant to Payment Orders.** Following the Petition Dates, the Court entered various orders authorizing the Debtors to, among other things, pay

certain prepetition claims, including without limitation: insurance obligations; employee wages, salaries, and related items (including, but not limited to, employee benefit programs and contractor wage obligations); and other obligations (collectively, the "Payment Orders"). To the extent any payments were made on account of such claims or obligations following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the Payment Orders, such payments have been included in the MORs unless otherwise noted.

5. **Insiders.** For purposes of these MORs, the Debtors have defined "insiders" as is provided in section 101(31) of the Bankruptcy Code during the relevant time period. The Debtors do not concede or take any position with respect to (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws or with respect to any theories of liability or any other purpose. Further, the inclusion of a party as an "insider" solely for purposes of these MORs is not an acknowledgement, admission, or concession that such party is an "insider" under applicable bankruptcy law.

6. **Reservation of Rights.** The Debtors reserve all rights to amend or supplement the MORs in all respects, as may be necessary or appropriate. Nothing contained in these MORs shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases.

7. **Specific Disclosures**

   a. **Notes to Part 1: Cash Receipts and Disbursements**: This section is prepared on a cash basis. Further details with respect to the Debtors' cash management system and bank accounts are also provided in the *Final Order (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and (B) Honor Certain Pre-Petition Obligations Related Thereto, and (II) Granting Related Relief* [Docket No. 189] and the *Order (I) Directing Joint Administration of Additional Chapter 11 Cases and (II) Extending Certain Relief Granted to the Original Debtors* [Docket No. 200].

   b. **Notes to Part 2: Asset and Liability Status**: This section is prepared on an accrual basis. The amounts identified in Part 2 of the MORs are derived from the Debtors' unaudited and estimated Balance Sheets as of close of business on the last day of the reporting period. Please refer to the notes above for information about presentation and limitations related to these MORs.

   c. **Notes to Part 4: Income Statement (Statement of Operations)**: This section is prepared on an accrual basis. The amounts identified in Part 4 of the MORs are derived from the Debtors' unaudited Statements of Operations as of close of business on the last day of the reporting period.

d. **Notes to Part 5: Professional Fees and Expenses**: The Debtors will pay the professional fees & expenses of their retained bankruptcy professionals in accordance with the *Order (I) Establishing Procedures for Interim Compensation and Reimbursement of Expenses for Retained Professionals and (II) Granting Related Relief* [Docket No. 181] (the "Interim Compensation Order"). The Debtors will pay the professional fees & expenses of their other professionals (non-bankruptcy) in accordance with the *Order (I) Authorizing Debtors to Employ Professionals Utilized in the Ordinary Course of Business, (II) Waiving Certain Information Requirements of Local Rule 2016-1, and (III) Granting Related Relief* [Docket No. 192]. The Debtors will pay the professional fees and expenses incurred by the Creditors' Committee and any other official committee formed by the U.S. Trustee in accordance with the Interim Compensation Order.

e. **Notes to Part 7: Questionnaire**:

i. Question (a) – The Debtors made certain payments on prepetition debts in accordance with the Payment Orders and have, therefore, responded Yes to Question (a) on the MOR form.

ii. Question (c) – The Debtors have made certain payments to insiders pursuant to intercompany loans in accordance with the *Order Authorizing the Debtors to Honor Ordinary Course Bonus Obligations to Certain Insider Employees* [Docket No. 710].
