11 5 Governing Law and Dispute Resolution This Agreement shall be governed by, and construed in accordance with, the laws of the Commonwealth of New York, excluding those laws that direct the application of the laws of another jurisdiction The Parties hereby consent to the jurisdiction and venue of any state or federal court located in New York County, New York Neither Party shall knowingly take or fail to take any action, or direct the other Party to take or fail to take any action, that might cause the other Party to be in violation of any applicable law or regulation

11 5 1 Arbitration If a dispute arises out of or relates to this Agreement, or the breach thereof, and if the dispute cannot be settled through negotiation, the Parties agree to submit the matter in good faith and settle the dispute by binding arbitration Upon notice by either Party to the other, all disputes, claims, questions, or differences shall be finally settled by arbitration administered by the American Arbitration Association in accordance with the provisions of its Commercial Arbitration Rules Venue for the mediation or arbitration shall be in New York County, New York The prevailing party shall be entitled to reimbursement for costs and reasonable attorney's fees

11 5 2 Equitable Relief The Parties acknowledge that, because the services and obligations provided for hereunder are personal and unique and because each Party will have access to the confidential and proprietary information of the other Party, any breach of this Agreement by either Party would cause irreparable injury to the non-breaching Party for which monetary damages would not be an adequate remedy and therefore will entitle the non-breaching Party to injunctive relief (including specific performance) The rights and remedies provided to each Party in this Agreement are cumulative and in addition to any other rights and remedies available to such Party at law or in equity

11 6 Severability The Parties agree that construction of this Agreement shall be in favor of its reasonable nature, legality and enforceability, and that any construction causing unenforceability shall yield to a construction permitting enforceability It is further agreed that the covenants and provisions of this Agreement are severable, and that if any single covenant or provision or multiple covenants or provisions should be found unenforceable, the entire Agreement and remaining covenants and provisions shall not fail, but shall be construed as enforceable without any severed covenant or provision in accordance with the tenor of this Agreement The Parties agree that the scope of the covenants and provisions contained herein are reasonable and necessary for the protection of the Parties and not unduly restrictive upon either Party Should a court or any other trier of fact or law determine not to enforce any covenant or provision of this Agreement as written due to overbreadth, then the Parties agree that said covenant or provision shall be enforced to the extent reasonable, with the court or such trier to make any necessary revisions to said covenant or provision to permit its enforceability

11 7 Counterparts This Agreement may be executed in counterparts, each of which shall be deemed an original, and it shall not be necessary in making proof of this Agreement, to produce or account for more than one such counterpart

11 8 Paragraph Headings The paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way, the meaning or interpretation of this Agreement

11 9 No Waiver No waiver by either Party hereto on any breach or default of any of the covenants or agreements herein set forth, shall be deemed a waiver as to any subsequent or similar breach or default

11 10 Neutral Interpretation The provisions contained herein shall not be construed in favor of or against any Party because that Party, its counsel, or a third party on its/her/his behalf drafted this Agreement, but shall be construed as if all Parties prepared this Agreement, and any rules of construction to the contrary are hereby specifically waived The terms of this Agreement were negotiated at arm's length by the Parties hereto

11 11 Acknowledgement Each Party acknowledges that it has had the opportunity to consult independent legal counsel concerning this Agreement, that it has read and understands this Agreement, that it is fully aware of its legal effect, and that it has entered into it freely based on its own judgment and not on any representations or promises other than those contained in this Agreement

IN WITNESS WHEREOF, the Parties hereto agree to the provisions set forth above and have executed this Services Agreement as of the Effective Date set forth below, although for the convenience of the Parties this Agreement may be signed on a different date
