GLOBAL NOTES AND STATEMENTS OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS

General

Ascend Elements, Inc. ("Ascend") and certain of its affiliates, as debtors and debtors in possession in the above-captioned chapter 11 cases (collectively, the "Debtors"), filed their respective Schedules of Assets and Liabilities (each, a "Schedule" and, collectively, the "Schedules") and Statements of Financial Affairs (each, a "Statement" and, collectively, the "Statements" and, together with the Schedules, the "Schedules and Statements") with the United States Bankruptcy Court for the Southern District of Texas (the "Court"). The Debtors, with the assistance of their legal and financial advisors, prepared the unaudited Schedules and Statements pursuant to section 521 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

These global notes and statements of limitations, methodology, and disclaimers regarding the Debtors' Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules and Statements and should be referred to and referenced in connection with any review of the Schedules and Statements.[2]

The Schedules and Statements are unaudited and reflect the Debtors' reasonable efforts to report certain financial information of each Debtor on a stand-alone, unconsolidated basis. These Schedules and Statements neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States

[1] A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at https://www.veritaglobal.net/ascend. The location of Debtor Ascend Elements, Inc.'s corporate headquarters and the Debtors' service address in these chapter 11 cases is 133 Flanders Road, Westborough, MA 01581.

[2] These Global Notes supplement, and are in addition to, any specific notes contained in each Debtor's Schedules and Statements. The fact that the Debtors prepared a Global Note with respect to any of the individual Debtor's Schedules and Statements and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Note to any of the Debtors' other Schedules and Statements, as appropriate.

("GAAP"), nor are they intended to be fully reconciled with the financial statements of each Debtor.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of such preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. Accordingly, the Debtors and their directors, managers, officers, agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein or the Schedules and Statements. In no event shall the Debtors or their directors, managers, officers, agents, attorneys, and financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their directors, managers, officers, agents, attorneys, and financial advisors are advised of the possibility of such damages.

The Schedules and Statements have been signed by Adam Titus, Chief Restructuring Officer and Authorized Signatory of the Debtors and an authorized signatory for each of the Debtors. In reviewing and signing the Schedules and Statements, Mr. Titus necessarily relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors' advisors and other professionals. Given the scale of the Debtors' business, Mr. Titus has not (and practically could not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors, classification of such amounts, and creditor addresses.

Subsequent receipt of information or an audit may result in material changes in financial data requiring amendment of the Schedules and Statements. Accordingly, the Schedules and Statements remain subject to further review and verification by the Debtors. The Debtors reserve the right to amend the Schedules and Statements from time to time as may be necessary or appropriate; *provided*, that the Debtors, their agents, and their advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein or to notify any third party should the information be updated, modified, revised, or recategorized, except to the extent required by applicable law.

Global Notes and Overview of Methodology

1. **Description of the Cases**. On April 9, 2026 (the "Petition Date"), Debtors Ascend Elements, Inc., and Ascend Elements US, LLC each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 10, 2026, the Court entered an order authorizing the joint administration of the cases pursuant to Bankruptcy Rule 1015(b) [Docket No. 26]. On April 26, 2026, the United States Trustee for the Southern District of Texas (the "U.S. Trustee") appointed an official committee of unsecured creditors pursuant to section 1102(a) and (b)(1) of the Bankruptcy Code

(the "Committee") [Docket No. 139]. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements.

2. **Global Notes Control**. Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments. In the event that the Schedules and Statements differ from any of the Global Notes, the Global Notes shall control.

3. **Reservation of Rights**. Commercially reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate but do not undertake any obligation to do so, except to the extent required by applicable law. Nothing contained in the Schedules, Statements, or Global Notes shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, any rights or claims the Debtors may hold against any third party or any insider, or issues involving substantive consolidation, defenses, statutory or equitable subordination, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

   a. **No Admission.** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation as to the validity of any claim against any Debtors or any assertion made therein or herein, or a waiver of any of the Debtors' rights to dispute any claim or assert any cause of action or defense against any party.

   b. **Claims Listing and Descriptions**. The listing of a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules and Statements accordingly. Any failure to designate a claim listed on the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtors that such amount is not "disputed," "contingent," or "unliquidated." The Debtors reserve the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on their Schedules and Statements on any grounds, including, but not limited to, amount, liability, priority, status, and classification, and to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

   c. **Recharacterization**. The Debtors have made commercially reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. Nevertheless, due to the complexity of the Debtors' business, the Debtors may not have accurately characterized, classified, categorized, or designated certain items and/or may have omitted certain items. Accordingly, the Debtors reserve all of their rights to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether

contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired on a postpetition basis.

d. **Classifications**. The listing of (i) a claim (a) on Schedule D as "secured," or (b) on Schedule E/F as either "priority" or "unsecured priority," or (ii) a contract or lease on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty or a waiver of the Debtors' rights to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection, or otherwise. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a security interest has been undertaken. Except as provided in an order of the Court, including, without limitation, the *Interim Order (I) Authorizing the Debtors to use Cash Collateral; (II) Granting Adequate Protection to Prepetition Secured Parties; (III) Modifying the Automatic Stay; (IV) Scheduling a Final Hearing; and (V) Granting Related Relief* [Docket No. 74], the Debtors reserve all rights to dispute and challenge the secured nature or amount of any such creditor's claims, the characterization of the structure of any transaction, and any document or instrument related to such creditor's claim.

e. **Estimates and Assumptions**. To prepare these Schedules and Statements and report information on an entity-by-entity basis, the Debtors were required to make certain reasonable estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities, and the reported amounts of revenues and expenses as of the Petition Date. Actual results could differ from such estimates. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

f. **Causes of Action**. Despite commercially reasonable efforts, the Debtors may not have identified and/or set forth all of their causes of action (filed or potential) against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. The Debtors reserve all rights with respect to any claim, controversy, demand, right, action, suit, obligation, liability, debt, account, defense, offset, power, privilege, license, lien, indemnity, guaranty, interest, damage, remedy, cause of action, proceeding, agreement, or franchise of any kind or character whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, contingent or non-contingent, liquidated or unliquidated, secured or unsecured, assertable directly or derivatively, matured or unmatured, suspected or unsuspected, whether arising before, on, or after the Petition Date, in contract, in tort, at law, in equity, or otherwise. Causes of action also include: (i) all rights of setoff, counterclaim, or recoupment and claims under contracts or for breaches of duties imposed by law or in equity; (ii) any claim based on or relating to, or in any manner arising from, in whole or in part, tort, breach of contract, breach of fiduciary duty, violation of local, state, federal, or foreign law, or breach of

any duty imposed by law or in equity, including, without limitation, securities laws, negligence, and gross negligence; (iii) the right to object to or otherwise contest claims or interests; (iv) claims pursuant to sections 362 or chapter 5 of the Bankruptcy Code; (v) such Claims and defenses as fraud, mistake, duress, and usury and any other defenses set forth in section 558 of the Bankruptcy Code; and (vi) any avoidance actions arising under chapter 5 of the Bankruptcy Code or under similar local, state, federal, or foreign statutes and common law, including, without limitation, fraudulent transfer laws, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims or causes of action.

g. **Intellectual Property Rights**. Exclusion of certain intellectual property on the Schedules and Statements shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property on the Schedules and Statements shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner; however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another Debtor. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.

h. **Insiders**. The Debtors have attempted to include all payments made within the twelve months before the Petition Date to any individual (and their relatives) or entity who, in the Debtors' good faith belief, may be deemed an "insider." As to each Debtor, an individual or entity is designated as an "insider" for the purposes of the Schedules and Statements if such individual or entity, based on the totality of the circumstances, has at least a controlling interest in, or exercises sufficient authority over, the Debtor so as to dictate corporate policy and the disposition of corporate assets. The Debtors have also considered the requirements of GAAP and Securities and Exchange Commission (the "SEC") reporting standards and their public disclosures with respect to designating certain individuals and entities as "insider" herein.

The listing or omission of a party as an "insider" for the purposes of the Schedules and Statements is for informational purposes and is not intended to be, nor should be construed as, an admission that such parties are insiders for purposes of section 101(31) of the Bankruptcy Code. Information regarding the individuals or entities listed as insiders in the Schedules and Statements may not be used for: (i) the purposes of determining (a) control of the Debtors; (b) the extent to which any individual or entity exercised management responsibilities or functions; (c) corporate decision-making authority over the Debtors; or (d) whether such individual or entity (or the Debtors) could successfully argue that they are not an insider under applicable law, including,

without limitation, the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (ii) any other purpose. Furthermore, certain of the individuals or entities identified as insiders may not have been insiders for the entirety of the twelve-month period before the Petition Date. Nevertheless, the Debtors have included such individuals or entities herein out of an abundance of caution, and the Debtors reserve all rights with respect thereto.

4. Methodology

a. **Basis of Presentation**. For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for the Debtors and certain non-Debtor affiliates. Combining the assets and liabilities set forth in the Debtors' Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under GAAP. Therefore, these Schedules and Statements neither purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements, except where otherwise indicated, reflect the assets and liabilities of each separate Debtor. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the proper Debtor entity. Nevertheless, due to limitations within the Debtors' accounting systems, it is possible that not all assets, liabilities, or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

Given, among other things, the uncertainty surrounding the collection, ownership, and valuation of certain assets and the amount and nature of certain liabilities, a Debtor may report more assets than liabilities. Such report shall not constitute an admission that such Debtor was solvent on the Petition Date or at any time prior to or after the Petition Date. Likewise, a Debtor's reporting more liabilities than assets shall not constitute an admission that such Debtor was insolvent on the Petition Date or at any time prior to or after the Petition Date. For the avoidance of doubt, nothing contained in the Schedules and Statements is indicative of the Debtors' enterprise value. The Schedules and Statements contain unaudited information that is subject to further review and potential revisions.

b. **Reporting Date**. The asset information provided herein, except as otherwise noted, represents the Debtors' asset data as of March 31, 2026, the date of the Debtors' month-end closure to their balance sheet, and the Debtors' liability data is as of the Petition Date, adjusted for authorized payments under the First Day Orders (as defined herein).

c. **Confidentiality or Sensitive Information**. There may be instances in which certain information in the Schedules and Statements has been intentionally redacted due to, among other things, concerns for the privacy of an individual or concerns about the confidential or commercially sensitive nature of certain information. Any alterations or redactions in the Schedules and Statements are limited only to what the Debtors believe is necessary to protect the Debtors or the applicable third party, and the Debtors have provided interested parties with sufficient information to discern the nature of the listing. The Debtors may also be authorized or required to redact certain information from the public record pursuant to orders of the Court authorizing the Debtors to redact, seal, or otherwise protect such information from public disclosure.[3]

d. **Consolidated Entity Accounts Payable and Disbursement Systems**. Receivables and payables among the Debtors and among the Debtors and their non-Debtor affiliates are reported on Schedule A/B, and Schedule E/F, respectively, per the Debtors' unaudited books and records. As described more fully in the *Debtors' Emergency Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Existing Cash Management System; (B) Maintain Their Existing Bank Accounts; (C) Pay Related Prepetition Obligations; and (D) Continue to Perform Intercompany Transactions, and (II) Granting Related Relief* [Docket No. 7] (the "Cash Management Motion"), the Debtors utilize an integrated, centralized cash management system in the ordinary course of business to collect, concentrate, and disburse funds generated from their operations (the "Cash Management System"). The Debtors maintain a consolidated accounts payable and disbursements system to pay operating and administrative expenses through various disbursement accounts. The Cash Management System is supported by approximately 20 bank accounts, 7 of which are owned and controlled by the Debtors and 13 of which are owned by non-Debtor affiliates.

The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission or conclusion regarding the allowance, classification, validity, or priority of such account or characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including, but not limited to, with respect to the characterization of intercompany claims, loans, and notes.

Prior to the Petition Date, the Debtors and certain non-Debtor affiliates engaged in intercompany transactions (the "Intercompany Transactions") in the ordinary course of business, which resulted in intercompany receivables and payables (the "Intercompany Claims"). The Debtors maintain records of the Intercompany Claims and can generally ascertain, trace, and account for

[3] *See, e.g.*, *Order (I) Authorizing the Debtors to File a Consolidated Creditor Matrix and List of the 30 Largest Unsecured Creditors; (II) Authorizing the Debtors to Redact Certain Personally Identifiable Information; (III) Approving the Form and Manner of Notice of Commencement; and (IV) Granting Related Relief* [Docket No. 37] (the "Creditor Matrix Order").

Intercompany Transactions. Pursuant to the *Interim Order (I) Authorizing the Debtors to (A) Continue to Operate Their Existing Cash Management System; (B) Maintain Their Existing Bank Accounts; (C) Pay Related Prepetition Obligations; (D) Continue to Perform Intercompany Transactions; and (II) Granting Related Relief* [Docket No. 45] (the "Cash Management Order"), the Court granted the Debtors authority to continue to engage in Intercompany Transactions in the ordinary course of business, subject to certain limitations set forth therein, and subject to the entry of a final order related thereto. Thus, intercompany balances as of the Petition Date, as set forth in Schedule A/B and Schedule E/F, may not accurately reflect current positions.

In addition, certain of the Debtors act on behalf of other Debtors. Commercially reasonable efforts have been made to indicate the ultimate beneficiary of a payment or obligation. Whether a particular payment or obligation was incurred by the entity actually making the payment or incurring the obligation is a complex question of applicable non-bankruptcy law, and nothing herein constitutes an admission that any Debtor entity or non-Debtor affiliate is an obligor with respect to any such payment. The Debtors reserve all rights to reclassify any payment or obligation as attributable to another entity and all rights with respect to the proper accounting and treatment of such payments and liabilities.

e. **Duplication**. Certain of the Debtors' assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.

f. **Net Book Value of Assets**. In many instances, current market valuations are not maintained by or readily available to the Debtors. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all assets. As such, unless otherwise indicated, net book values set forth in these Schedules and Statements are presented as of March 31, 2026, for all assets. When necessary, the Debtors have indicated that the value of certain assets is "Unknown" or "Undetermined." Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtors reserve all rights to amend, supplement, and adjust the asset values set forth in the Schedules and Statements. Assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights the Debtors have with respect to such asset. Nothing in the Debtors' Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date or at any time prior to or after the Petition Date.

g. **Currency**. All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated.

h. **Payment of Prepetition Claims Pursuant to First Day Orders**. Following the Petition Date, the Court entered various orders authorizing, but not directing, the Debtors to, among other things, pay certain prepetition: (i) service fees and charges assessed by the Debtors' banks; (ii) insurance and surety obligations; (iii) employee wages, salaries, and related items (including, but not limited to, employee benefit programs and supplemental workforce obligations); (iv) taxes and assessments; and (v) critical vendor obligations (collectively, the "First Day Orders"). As such, outstanding liabilities may have been reduced by Court-approved postpetition payments made on account of prepetition payables. Where and to the extent these liabilities have been satisfied, they are not listed in the Schedules and Statements unless otherwise indicated. The Debtors reserve the right to update the Schedules and Statements to reflect payments made pursuant to an order of the Court (including the First Day Orders).

i. **Other Paid Claims**. To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

j. **Setoffs**. The Debtors routinely incur setoffs in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes, including, but not limited to, intercompany transactions, counterparty settlements, pricing discrepancies, rebates, returns, warranties, refunds, and negotiations and/or other disputes between the Debtors and their customers or vendors. In accordance with the Debtors' agreements with their vendors and other contract counterparties, these amounts are set off on a reoccurring basis against future revenues in a normal course reconciliation process with these partners. Certain of these ordinary course setoffs are not independently accounted for and, as such, may be excluded from the Schedules and Statements. Any setoff of a prepetition debt to be applied against the Debtors is subject to the automatic stay and must comply with section 553 of the Bankruptcy Code. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted against them, including, but not limited to, any and all rights preserved pursuant to section 558 of the Bankruptcy Code.

k. **Accounts Receivable**. The accounts receivable information listed on the Schedules includes receivables from the Debtors' customers and is calculated net of any amounts that, as of the Petition Date, may be owed to such customers in the form of offsets or other price adjustments pursuant to the Debtors' customer program policies, day-to-day operating policies, and any applicable Court order.

l. **Property and Equipment**. Unless otherwise indicated, owned property and equipment are stated at net book value. Certain intangibles are listed in the

asset schedules for the Debtors. Such treatment may not reflect actual legal ownership.

The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are set forth in the Schedules and Statements. Nothing in the Statements or Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any such lease, including, but not limited to, the recharacterization thereof.

m. **Liens**. The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics', materialmen, or similar liens that may attach (or have attached) to such inventories, property, and equipment, and the Debtors reserve all of their rights with respect to such liens (if any). Liens levied in accordance with the Uniform Commercial Code as of the Petition Date, if any, are listed on Schedule D.

n. **Excluded Assets and Liabilities**. Certain liabilities resulting from accruals, liabilities recognized in accordance with GAAP, and/or estimates of long-term liabilities either are not payable at this time or have not yet been reported. Therefore, they do not represent specific claims as of the Petition Date and are not otherwise set forth in the Schedules. Additionally, certain deferred assets, charges, accounts, or reserves recorded for GAAP reporting purposes only, and certain assets with a net book value of zero, are not included in the Schedules. Excluded categories of assets and liabilities include, but are not limited to, deferred tax assets and liabilities, deferred income, deferred charges, self-insurance reserves, favorable lease rights, and unfavorable lease liabilities. In addition, and as set forth above, the Debtors may have excluded amounts for which the Debtors have paid or have been granted authority to pay pursuant to the First Day Orders or other orders that may be entered by the Court. Other immaterial assets and liabilities may also have been excluded.

o. **Undetermined Amounts**. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount.

p. **Totals**. All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as "unknown" or "undetermined." If there are unknown or undetermined amounts, the actual totals may be materially different from the listed totals. The description of an amount as "unknown" or "undetermined" is not intended to reflect upon the materiality of such amount. To the extent a Debtor is a guarantor of debt held by another Debtor or non-Debtor affiliate, the amounts reflected in these Schedules are inclusive of each Debtor's guarantor obligations.

q. **Credits and Adjustments**. The claims of individual creditors for, among other things, goods, products, services, and taxes are listed as the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors or (ii) be net of accrued credits, allowances, rebates, trade debits, or other

adjustments that are actually owed by a creditor to the Debtors on a postpetition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and postpetition payments, if applicable. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including but not limited to, the right to assert claims objections and/or setoffs with respect to the same.

r. **Guarantees and Other Secondary Liability Claims**. The Debtors exercised their commercially reasonable efforts to locate and identify guarantees and other secondary liability claims (the "Guarantees") in their secured financings, debt instruments, and other agreements. Nevertheless, a review of these agreements, specifically the Debtors' unexpired leases and executory contracts, is ongoing. As of the Petition Date, the Debtors have not identified any entities or individuals required to be listed on Schedule H as co-debtors. Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements may have been omitted inadvertently. The Debtors may identify additional Guarantees or other co-obligor arrangements as they continue their review of their books and records and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements, including Schedule H, if additional Guarantees or other co-obligor arrangements are identified.

s. **Leases**. The Debtors have not included future obligations under any capital or operating leases in the Schedules and Statements. To the extent there was an amount outstanding on account of such lease as of the Petition Date, the creditor has been included on Schedule E/F of the Schedules. In the ordinary course of business, certain of the Debtors may enter into agreements titled as leases for property, other property interests, and/or equipment from third-party lessors for use in the daily operation of their business. Any such prepetition obligations that are known to the Debtors have been listed on Schedule F, and the underlying lease agreements are listed on Schedule G or, if the leases are in the nature of real property interests under applicable state laws, on Schedule A/B. Nothing in the Schedules and Statements is, or shall be construed to be, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease, a financing arrangement, or a real property interest), and the Debtors reserve all rights with respect to such issues.

t. **Executory Contracts**. Although the Debtors made diligent efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G.

u. **Allocation of Liabilities**. The Debtors, in consultation with their advisors, have sought to allocate liabilities between the prepetition and postpetition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and postpetition periods may

change. The Debtors reserve the right to amend and/or supplement the Schedules and Statements as they deem appropriate in this regard.

v. **Unliquidated Claim Amounts**. Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

w. **Umbrella or Master Agreements**. Contracts and leases listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only for the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements and the Debtors reserve all rights to amend the Schedules to reflect changes regarding the liabilities of the Debtors with respect to such agreements, if appropriate. The master service agreements or other ancillary documents have been listed in Schedule G, but such listing does not reflect any decision by the Debtors as to whether such agreements are executory in nature.

Specific Schedule Disclosures

Schedules A/B, D, E/F, G, and H may contain explanatory or qualifying notes that pertain to the information provided in the Schedules. Those Schedule-specific notes are incorporated herein by reference. Unless otherwise noted, the asset totals listed on the Schedules are derived from amounts included in the Debtors' books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different from the total listed.

1. Schedule A/B

a. **Part 1**. Ascend's Cash Management System comprises a total of 20 Bank Accounts. Of the Bank Accounts, 7 are owned and controlled by the Debtors, while the remaining 13 are owned by Non-Debtor Affiliates. The Debtors' primary cash management banks are Bank of America, N.A. and Silicon Valley Bank, A Division of First Citizens Bank. Further details with respect to the Cash Management System are provided in the Cash Management Motion. The cash amounts listed are as of April 9, 2026, and reflect the bank balance, not the net book value.

b. **Part 2**. The Debtors maintain certain deposits in the ordinary course of their business operations. These deposits are included in the Schedules for the appropriate legal entity. Types of deposits include, among other things, security deposits and utility deposits. Certain prepaid or amortized assets are not listed in Part 2 in accordance with the Debtors' accounting policies. The amounts listed in Part 2 do not necessarily reflect values that the Debtors will be able to collect or realize.

c. **Part 3**. The Debtors' accounts receivable information includes receivables from the Debtors' customers, vendors, or third parties, which are calculated net of any amounts that, as of the Petition Date, may be owed to such parties in the form of offsets or other price adjustments pursuant to the Debtors' customer programs and day-to-day operations or may, in the Debtors' opinion, be

difficult to collect from such parties due to the passage of time or other circumstances. The accounts receivable balances in this section exclude intercompany receivables.

d. **Part 4**. Part 4 identifies only subsidiaries owned directly by the applicable Debtor entity. Subsidiaries owned indirectly by the Debtor entity are not listed. Ownership interests in subsidiaries, partnerships, and joint interests have been listed in Schedule A/B, Question 15 as undetermined amounts on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value.

e. **Part 7**. Actual realizable values may vary significantly relative to net book values as of the Petition Date.

f. **Part 9**. Property leased by the Debtors is listed on both Part 9 of Schedule A/B and on Schedule G. Furthermore, property values are scheduled in accordance with the Debtor's books and records, which may not comport with the legal owner of record. Actual realizable values of the assets identified may vary significantly relative to net book values as of the Petition Date. The Debtors reserve all rights to recharacterize their interests in real property at a later date.

g. **Part 10**. Part 10 identifies the various trademarks, patents, licenses, permits, and website domains owned and maintained by the Debtors. The Schedules may not list the value of such intangible assets as no recent appraisals have been performed. Various software licenses the Debtors use for their operations, which are easily obtainable and hold minimal value are not included.

h. **Part 11**. The Debtors maintain approximately 43 insurance policies administered by multiple third-party insurance carriers and one surety bond provided by a third-party surety. The insurance policies provide coverage for, among other things, the Debtors' property, general liability, automobile liability, and directors' and officers' liability. The Debtors more fully describe such policies in the *Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to (A) Continue Their Prepetition Insurance Program, Surety Bond Program, and Letters of Credit and Satisfy Prepetition Obligations Related Thereto, (B) Renew, Supplement, and Enter into New Insurance Policies, Surety Bonds and Letters of Credit, (C) Honor the Terms of the Premium Financing Agreements and Pay Premiums Thereunder; and (D) Enter Into New Premium Financing Agreements in the Ordinary Course of Business, and (II) Granting Related Relief* [Docket No. 10]. Any policies owned by suppliers to which Debtor entities may have been added as a beneficiary are not included.

In addition, the Debtors attempted to list known causes of action and other claims. Potential actions were not listed because the Debtors have not completed an analysis of such potential claims. The Debtors' failure to list any cause of action, claim, or right of any nature is not an admission that such cause

of action, claim, or right does not exist and should not be construed as a waiver of such cause of action, claim, or right.

2. Schedule D

a. The claims listed on Schedule D arose and were incurred on various dates. To the best of the Debtors' knowledge, all claims listed on Schedule D arose, or were incurred before the Petition Date. Secured claim amounts reported for the Senior Secured Convertible Loan Notes and Junior Secured Convertible Loan Notes do not include accrued interest.

b. Except as otherwise agreed or stated pursuant to a stipulation, agreed order, or general order entered by the Court that is or becomes final, the Debtors and/or their estates reserve the right to dispute and challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor and, subject to the foregoing limitations, note as follows: (i) although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken, and (ii) the descriptions provided on Schedule D and herein are intended to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Detailed descriptions of the Debtors' prepetition debt structure, guarantees, and descriptions of collateral relating to each obligation, if any, contained on Schedule D are contained in the *Declaration of Linh Austin In Support of Debtors' Chapter 11 Petitions and Emergency First-Day Motions* [Docket No. 11].

c. Schedule D does not include beneficiaries of letters of credit. Although the claims of such parties may be secured by a letter of credit, the Debtors' obligations under the letters of credit run to the issuers thereof, and not to the beneficiaries thereof. Subsequent to the petition date, letter of credit number 68197104 for the benefit of United States Surety Company, and/or U.S. Specialty Insurance Company, and/or American Contractors Indemnity Company was amended from $1,100,000 to $50,000.

d. The Debtors have not listed on Schedule D any parties whose claims may be secured through rights of setoff, deposits, or advance payments posted by, or on behalf of, the Debtors, or judgment or statutory lien rights. The Debtors have not investigated which of the claims may include such rights, and their population is currently unknown.

e. Multiple parties may have an interest in the same property. The descriptions provided on Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in these Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

- Personal Property (including receivables, equipment, fixtures, intellectual property, accounts, shares and general intangibles) – Alter Domus holds a first priority lien on all the Debtors' personal property, except for equipment acquired by Debtor with funds awarded under the U.S. Department of Energy grants.

- Real Property in Kentucky – Christian County holds a first priority lien on the Debtors' real property in Hopkinsville, KY. A second priority lien is held by the mortgagor, Hopkinsville Industrial Foundation, Inc., followed by various mechanics lien holders.

- Real Property in Georgia (leasehold interest) – AMCON holds a mechanics lien against the Debtors' leasehold interest.

3. Schedule E/F

a. **Part 1**. The claims listed on Part 1 arose and were incurred on various dates. A determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, no such dates are included for each claim listed on Part 1. To the best of the Debtors' knowledge, all claims listed on Part 1 arose or were incurred before the Petition Date.

The Debtors have not listed any wage or wage-related obligations that the Debtors have already paid pursuant to the First Day Orders on Part 1. The Debtors further believe that all such claims for wages, salaries, expenses, benefits, and other compensation as described in the First Day Orders have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted to the Debtors in the relevant First Day Orders. The Debtors reserve their right to dispute or challenge whether creditors listed on Part 1 are entitled to priority claims under the Bankruptcy Code.

The Debtors also have not listed any tax-related obligations that the Debtors have paid pursuant to the First Day Orders on Part 1. The Debtors believe that all such claims for taxes as described in the First Day Orders have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted to the Debtors in the relevant First Day Orders. The Debtors reserve their right to dispute or challenge whether creditors listed on Part 1 are entitled to priority claims under the Bankruptcy Code.

b. **Part 2**. The Debtors have exercised commercially reasonable efforts to list all liabilities on Part 2 of each applicable Debtor's Schedule. As a result of the Debtors' consolidated operations, however, Part 2 for each Debtor should be reviewed in these cases for a complete understanding of the unsecured claims against the Debtors. Certain creditors listed on Part 2 may owe amounts to the Debtors, and, as such, the Debtors may have valid setoff and recoupment rights with respect to such amounts. The amounts listed on Part 2 may not reflect any

such right of setoff or recoupment, and the Debtors reserve all rights to assert the same and to dispute and challenge any setoff and/or recoupment rights that may be asserted against the Debtors by a creditor, including, but not limited to, any and all rights preserved pursuant to section 558 of the Bankruptcy Code. Additionally, certain creditors may assert mechanic's or other similar liens against the Debtors for amounts listed on Part 2. The Debtors reserve their right to dispute and challenge the validity, perfection, and immunity from avoidance of any lien purported to be perfected by a creditor listed on Part 2 of any Debtor. In addition, certain claims listed on Part 2 may potentially be entitled to administrative priority under section 503(b)(9) of the Bankruptcy Code.

The Debtors have made commercially reasonable efforts to include all unsecured creditors on Part 2 including, but not limited to, software companies, landlords, utility companies, consultants, and other service providers. The Debtors, however, believe the possibility exists that there are instances where creditors have yet to provide proper invoices for prepetition goods or services. While the Debtors maintain general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and have not been included on Part 2.

Part 2 does not include certain balances, such as deferred liabilities, accruals, or reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals primarily represent estimates of liabilities and do not represent specific claims as of the Petition Date.

Part 2 does not include reserves for liabilities that may have arisen under litigation or threatened litigation in which a Debtor is a defendant unless there is a final judgment or a settlement agreement.

The claims of individual creditors may not reflect credits and/or allowances due from creditors to the applicable Debtor. The Debtors reserve all of their rights with respect to any such credits and/or allowances, including, but not limited to, the right to assert objections and/or setoffs or recoupments with respect to same.

The Court has authorized the Debtors to pay, in their discretion, certain non-priority unsecured claims pursuant to the First Day Orders. To the extent practicable, each Debtor's Schedule E/F is intended to reflect the balance as of the Petition Date, adjusted for postpetition payments made under some or all of the First Day Orders. Each Debtor's Schedule E/F will, if applicable, reflect some of that Debtor's payment of certain claims pursuant to the First Day Orders, and, to the extent an unsecured claim has been paid or may be paid, it is possible such claim is not included on Schedule E/F. Certain Debtors may pay additional claims listed on Schedule E/F during these chapter 11 cases pursuant to the First Day Orders and other orders of the Court, and the Debtors reserve all of their rights to update Schedule E/F to reflect such payments or to modify the claims register to account for the satisfaction of such claims. Additionally, Schedule E/F does not include potential rejection damage claims,

if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Pursuant to the First Day Orders, the Court has authorized the Debtors to redact the names, mailing address, and email address of individuals on Schedule E/F. Such individuals shall be sent an individualized notice pursuant to an order of the Court establishing the dates by which parties in interest must file proofs of claim in these chapter 11 cases (the "Bar Dates"), which will enable such individuals to determine the amount of their scheduled claim. As of the date hereof, the Bar Dates are subject to ongoing negotiations with various parties in interest, and the Debtors reserve all rights to amend or supplement the amounts listed on Schedule E/F through and including the date on which the Court enters an order establishing the Bar Dates.

4. Schedule G

a. Although commercially reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the "Agreements") as of the filing of the Statements and Schedules, the Debtors' collection and review process of the Agreements is ongoing, and inadvertent errors, omissions, or over- or under-inclusion may have occurred. The Debtors may have entered into various other types of Agreements in the ordinary course of their businesses, such as indemnity agreements, supplemental agreements, amendments/letter agreements, master service agreements, confidentiality agreements, purchase orders, and statements of work, that may not be set forth in Schedule G. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted Agreements. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, and other documents, instruments, and agreements which may not be listed on Schedule G. Unless otherwise specified, each Agreement listed on Schedule G includes any related exhibits, schedules, riders, modifications, amendments, supplements, attachments, restatements, and other documents affecting such Agreement, whether or not such documents are listed separately.

5. Schedule H

a. As of the Petition Date, the Debtors may pay certain expenses on behalf of affiliates or share obligations under contracts, leases, and financing agreements. The Debtors have not identified any entities or individuals required to be listed on Schedule H. The Debtors may not have identified all guarantees or other co-obligor arrangements, including guarantees embedded in executory contracts, unexpired leases, secured financings, debt instruments, and other agreements. The Debtors reserve all rights to amend Schedule H to the extent additional co-debtors, guarantees, or other co-obligor arrangements

are identified or exist in any such arrangements are determined to have expired or become unenforceable.

Specific Notes with Respect to the Debtors' Statements of Financial Affairs

6. **Statement 3**. As described in the Cash Management Motion, the Debtors utilize their integrated, centralized cash management system in the ordinary course of business to collect, concentrate, and disburse funds generated by their operations.

   a. For Debtor Ascend Elements, Inc., the payments disclosed in Statement 3 are based on payments made by the Debtor with payment dates from January 10, 2026, to April 9, 2026. Amounts still owed to creditors will appear on the Schedules for each Debtor, as applicable.

   b. The response to Statement 3 excludes regular salary payments and disbursements or transfers for this period, which are listed, to the extent required, on Statement 4.

   c. The response to Statement 3 excludes payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy for this period, which are listed on Statement 11.

7. **Statement 4**. As described in the Cash Management Motion, certain Debtor cash accounts are zero-balance accounts or receipt accounts. Balances in these accounts are swept on at least a daily basis to Debtor concentration accounts. These transfers are ordinary course and therefore have not been included on Statement 4.

8. **Statement 7**. Information provided on Statement 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. While the Debtors believe they were diligent in their efforts to include all such information on Statement 7, it is possible that certain suits and proceedings may have been inadvertently excluded in the Debtors' response to Statement 7. The Debtors reserve all of their rights to amend or supplement their response to Statement 7.

9. **Statement 11**. All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Petition Date are listed on the applicable Debtor's response to Statement 11. Additional information regarding the Debtors' retention of professional service firms is described more fully in individual retention applications and related orders.

   In addition, the Debtors have listed payments made to professionals retained by the Debtors but not payments made to advisors of their postpetition lenders or other parties.

10. **Statement 13**. Statement 13 excludes *de minimis* transfers.

11. **Statement 20**. The locations listed for off-premises storage do not include cloud-based storage of electronic data.

12. **Statement 25**. The Debtors have used commercially reasonable efforts to identify the beginning and ending dates of all businesses in which the Debtors were a partner or owner within the six years immediately preceding the Petition Date.

13. **Statement 30**. Information reported in Statement 30 is representative of payments, distributions, or withdrawals made to insiders during the one-year period before the Petition Date and may include payments to individuals who were insiders at the time of payment but no longer hold such positions. Refer to the Methodology section regarding the Debtors' insider-related disclosures and reservations of rights.

14. **Statement 31**. Ascend Elements US, LLC was formed in December 2025 and was a member of a consolidated group for U.S. federal income tax purposes. The consolidated tax return for the 2025 tax year has not yet been filed as of the Petition Date.
