due deliberation thereon and good cause appearing therefor, it hereby is **DETERMINED, FOUND, ADJUDGED, DECREED, AND ORDERED THAT:**

FINDINGS OF FACT AND CONCLUSIONS OF LAW

A. ***Findings and Conclusions.*** The determinations, findings, judgments, decrees, and orders set forth and incorporated in this order (this "Confirmation Order") constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any finding of fact constitutes a conclusion of law, it is adopted as such, and vice versa.

B. ***Jurisdiction; Venue; Core Proceeding (28 U.S.C. §§ 157(b)(2) and 1334).*** The Court has jurisdiction over the Chapter 11 Cases pursuant to 28 U.S.C. § 1334 and the Amended Standing Order of Reference dated May 24, 2012. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. Final approval of the Disclosure Statement and Confirmation of the Plan are core proceedings within the meaning of 28 U.S.C. § 157(b)(2), and the Court may enter a final order consistent with Article III of the United States Constitution.

C. ***Chapter 11 Petitions.*** On the Petition Date, each Debtor commenced a voluntary case under chapter 11 of the Bankruptcy Code. No trustee or examiner has been appointed. On April 26, 2026, the United States Trustee appointed the Official Committee of Unsecured Creditors (the "Committee").

D. ***Judicial Notice.*** The Court takes judicial notice of the docket of the Chapter 11 Cases maintained by the Clerk of the Court, including all pleadings and other documents filed, all orders entered, all hearing transcripts, and all evidence and arguments made, proffered, or adduced at the hearings held before the Court.

E. ***Eligibility for Relief (11 U.S.C. § 109).*** The Debtors were and are entities eligible for relief under section 109 of the Bankruptcy Code, and the Debtors were and are proper proponents of the Plan under section 1121(a) of the Bankruptcy Code.

F. ***Solicitation and Notice.*** Consistent with the Solicitation Procedures Order, the Debtors solicited votes on the Plan and provided due, adequate, and sufficient notice of the Combined Hearing, the Plan, the Disclosure Statement, and all applicable deadlines to all Holders of Claims and Interests[2] and other parties in interest, in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and the Solicitation Procedures Order. No further notice is required. The Debtors provided at least twenty-eight (28) days' notice of the Combined Hearing and at least twenty-eight (28) days' notice of the objection deadline, each of which meets or exceeds the minimum required under Bankruptcy Rule 2002(b).

G. ***Disclosure Statement (11 U.S.C. § 1125).*** The Disclosure Statement contains "adequate information" within the meaning of section 1125(a) of the Bankruptcy Code and is approved on a final basis. The Debtors' use of the Disclosure Statement in solicitation of acceptances of the Plan is approved.

H. ***Voting.*** As evidenced by the Voting Declaration, votes on the Plan were solicited and tabulated fairly, in good faith, and in a manner consistent with the Bankruptcy Code, the Bankruptcy Rules, and the Solicitation Procedures Order. The Ballots used to solicit votes to accept or reject the Plan from Holders in the Voting Class were appropriate and adequately addressed the particular needs of these Chapter 11 Cases.

I. ***Plan Supplement.*** The filing and notice of the Plan Supplement were good, adequate, and sufficient, and no other or further notice is required. The documents comprising the Plan Supplement are integral to, and are approved as part of, the Plan.

J. ***Modifications to the Plan (11 U.S.C. § 1127).*** Any modifications to the Plan since the commencement of solicitation, including as set forth in this Confirmation Order or on the record at the Combined Hearing, comply with section 1127 of the Bankruptcy Code and

[2] Capitalized terms used but not defined herein shall have the meanings ascribed in the Plan.

Bankruptcy Rule 3019, do not adversely change the treatment of any Holder that has not accepted such modification, and do not require additional disclosure or re-solicitation. Consistent with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, all Holders of Claims who voted to accept the Plan or who are conclusively presumed to have accepted the Plan are deemed to have accepted the Plan as modified. The Holders of Claims in the Voting Class are not permitted to change their respective acceptances to rejections as a consequence of such modifications.

K. ***Objections.*** All objections and responses to, and reservations of rights regarding, final approval of the Disclosure Statement and Confirmation of the Plan that have not been withdrawn, waived, resolved, or settled are overruled on the merits.

L. ***Burden of Proof.*** The Debtors, as proponents of the Plan, have met their burden of proving the applicable elements of sections 1129(a) and 1129(b) of the Bankruptcy Code by a preponderance of the evidence, which is the applicable evidentiary standard.

M. ***Bankruptcy Rule 3016.*** The Plan is dated and identifies the Debtors as its proponents, and the release, exculpation, and injunction provisions of the Plan are set forth in bold and conspicuous language, satisfying Bankruptcy Rule 3016.

N. ***Plan Compliance with the Bankruptcy Code (11 U.S.C. § 1129(a)(1)).*** The Plan complies with all applicable provisions of the Bankruptcy Code, including sections 1122 and 1123, thereby satisfying section 1129(a)(1). Valid business, factual, and legal reasons exist for the separate classification of all Classes of Claims and Interests. The classifications were not implemented for any improper purpose and do not unfairly discriminate between, or among, Holders of Claims or Interests. Each Class of Claims or Interests contains only Claims or Interests that are substantially similar to the other Claims or Interests within that Class.

O. ***Proper Classification (11 U.S.C. §§ 1122 and 1123(a)(1)).*** The Plan provides for the separate classification of Claims and Interests based upon valid business, factual, and

legal reasons and differences in their legal nature or priority. The classifications do not unfairly discriminate and comply with sections 1122 and 1123(a)(1).

P. ***Specified Unimpaired and Impaired Classes (11 U.S.C. §§ 1123(a)(2) and (a)(3)).*** The Plan specifies the Classes of Claims and Interests that are Unimpaired and Impaired and specifies the treatment of each Impaired Class, satisfying sections 1123(a)(2) and (a)(3).

Q. ***No Unfair Discrimination (11 U.S.C. § 1123(a)(4)).*** The Plan provides the same treatment for each Claim or Interest within a particular Class, unless the Holder agrees to less favorable treatment, satisfying section 1123(a)(4).

R. ***Implementation of the Plan (11 U.S.C. § 1123(a)(5)).*** The Plan and the Plan Supplement provide adequate and proper means for the Plan's implementation, including the establishment of the GUC Trust and the vesting of the Debtors' assets therein, satisfying section 1123(a)(5). Prior to Confirmation, the Debtors consummated (i) the sale of substantially all assets related to their Poland operations and certain intellectual property (the Poland/IP Sale), which closed on May 26, 2026, (ii) the sale of certain assets located in or related to Hopkinsville, Kentucky to TKJV (the Hopkinsville Sale), which closed on June 10, 2026, and (iii) the sale of certain assets located in or related to Covington, Georgia to R3 Lithium, Inc. (the Covington Sale), which was approved by the Bankruptcy Court on June 30, 2026; following consummation of those sales, no obligations remain outstanding under the Senior Notes Agreement or the Junior Notes Agreement.

S. ***Non-Voting Equity Securities (11 U.S.C. § 1123(a)(6)).*** The Plan does not provide for the issuance of non-voting equity securities; all Interests will be cancelled as of the Effective Date, satisfying section 1123(a)(6).

T. ***Directors and Officers (11 U.S.C. § 1123(a)(7)).*** The provisions of the Plan governing the manner of selection of the GUC Trustee are consistent with the interests of

Holders of Claims and Interests and with public policy, satisfying section 1123(a)(7). As contemplated by the Plan, the Committee has selected the GUC Trustee in its sole discretion.

U. ***Impairment/Unimpairment of Classes.*** The Plan designates each Class as Impaired or Unimpaired, and the treatment of each Class is consistent with such designation.

V. ***Assumption and Rejection of Executory Contracts (11 U.S.C. § 1123(b)(2)).*** The Plan's provisions governing the assumption, assumption and assignment, and rejection of executory contracts and unexpired leases are consistent with sections 365 and 1123(b)(2) of the Bankruptcy Code. The Debtors' determinations regarding the assumption or rejection of executory contracts and unexpired leases are based on, and within, the sound business judgment of the Debtors and are in the best interests of the Debtors, their Estates, Holders of Claims and Interests, and other parties in interest in the Chapter 11 Cases. In the event of an objection by a counterparty to an executory contract or unexpired lease (a "Contract Counterparty") to the Cure Costs asserted by the Debtors in the Schedule of Assumed Contracts or to the Debtors' ability to assume or reject any executory contract or unexpired lease pursuant to the Plan, and such objection has not been resolved by the Effective Date, then the Debtors or the GUC Trustee, as applicable may elect to (a) reject such contract or unexpired lease in accordance with the Plan and Confirmation Order; or (b) postpone the assumption of such contract or unexpired lease until the resolution of such objection.

W. ***The Debtors' Compliance with the Bankruptcy Code (11 U.S.C. § 1129(a)(2)).*** The Debtors have complied with all applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Solicitation Procedures Order in soliciting votes on and proposing the Plan, including sections 1125 and 1126, satisfying section 1129(a)(2). Specifically, each Debtor: (a) is an eligible debtor under section 109 of the Bankruptcy Code and a proper proponent of the Plan under section 1121(a) of the Bankruptcy Code; (b) has complied with applicable provisions of the Bankruptcy Code, except as otherwise provided or permitted by

orders of the Court; and (c) complied with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, any applicable nonbankruptcy law, rule, or regulation, and all other applicable law in transmitting the solicitation materials and related documents and notices, and in soliciting and tabulating the votes on the Plan.

X. ***Plan Proposed in Good Faith (11 U.S.C. § 1129(a)(3)).*** The Debtors proposed the Plan in good faith and not by any means forbidden by law, with the legitimate purpose of liquidating the Debtors' remaining assets and distributing the proceeds to Holders of Allowed Claims, satisfying section 1129(a)(3). In so determining, the Court has examined the totality of the circumstances surrounding the filing of these Chapter 11 Cases, the Plan, the process leading to Confirmation, and the transactions to be implemented pursuant thereto. The Plan's classification, settlement, exculpation, release, and injunction provisions have been negotiated in good faith and at arm's-length, are consistent with sections 105, 1122, 1123(b)(6), 1129, and 1142 of the Bankruptcy Code, and are each necessary for the Debtors to consummate a value-maximizing conclusion to these Chapter 11 Cases.

Y. ***Payment for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4)).*** Any payment made or to be made by the Debtors, or by the GUC Trust, for services or for costs and expenses in connection with the Chapter 11 Cases has been approved by, or is subject to the approval of, the Court as reasonable, satisfying section 1129(a)(4).

Z. ***Directors, Officers, and Insiders (11 U.S.C. § 1129(a)(5)).*** The Debtors have disclosed the identity of the proposed GUC Trustee and the nature of any compensation for the GUC Trustee, and such disclosure satisfies section 1129(a)(5); the appointment of the GUC Trustee is consistent with the interests of Holders of Claims and Interests and with public policy.

AA. ***No Rate Changes (11 U.S.C. § 1129(a)(6)).*** The Plan does not provide for any rate change subject to the jurisdiction of any governmental regulatory commission; section 1129(a)(6) is inapplicable.

BB. ***Best Interest of Creditors (11 U.S.C. § 1129(a)(7)).*** As demonstrated by the liquidation analysis accompanying the Disclosure Statement and the Declarations, each Holder of an Impaired Claim or Interest that has not accepted the Plan will receive or retain property having a value, as of the Effective Date, not less than the amount such Holder would receive or retain in a hypothetical liquidation under chapter 7 of the Bankruptcy Code, satisfying section 1129(a)(7).

CC. ***Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8)).*** Class 3 (General Unsecured Claims) is the sole Impaired Class entitled to vote under the Plan and has voted to accept the Plan. Classes 1 and 2 are Unimpaired and are conclusively presumed to have accepted the Plan under section 1126(f). Classes 4, 5, and 6 are not entitled to receive or retain any property under the Plan and are deemed to reject the Plan pursuant to section 1126(g). Section 1129(a)(8) is satisfied through section 1129(b) as to such Classes.

DD. ***Treatment of Priority Claims (11 U.S.C. § 1129(a)(9)).*** Except to the extent a Holder agrees to less favorable treatment, the Plan provides for payment in full of all Allowed Administrative Claims, Priority Tax Claims, and other Claims entitled to priority under section 507(a), satisfying section 1129(a)(9).

EE. ***Acceptance by at Least One Impaired Class (11 U.S.C. § 1129(a)(10)).*** At least one Impaired Class of Claims has voted to accept the Plan, determined without including any acceptance by an insider, satisfying section 1129(a)(10).

FF. ***Feasibility (11 U.S.C. § 1129(a)(11)).*** The Plan provides for the orderly liquidation of the Debtors' remaining assets through the GUC Trust and the distribution of proceeds to Holders of Allowed Claims; Confirmation is not likely to be followed by

liquidation or the need for further financial reorganization not contemplated by the Plan, satisfying section 1129(a)(11).

GG. ***Payment of Statutory Fees (11 U.S.C. § 1129(a)(12)).*** The Plan provides for the payment of all fees payable under 28 U.S.C. § 1930 when due, by the Debtors or the GUC Trust, as applicable, satisfying section 1129(a)(12).

HH. ***Non-Applicability of Certain Sections (11 U.S.C. §§ 1129(a)(13)–(16)).*** Sections 1129(a)(13) (retiree benefits), (a)(14) (domestic support obligations), (a)(15) (individual debtors), and (a)(16) (transfers by nonprofit entities) are inapplicable to the Debtors and the Plan, except that any transfers of property under the Plan shall be made in accordance with applicable nonbankruptcy law.

II. ***Cram Down (11 U.S.C. § 1129(b)).*** Because the sole Impaired voting Class has accepted the Plan and Classes 4, 5, and 6 are deemed to reject the Plan, Confirmation under section 1129(b) is required as to such Classes. The Plan does not discriminate unfairly and is fair and equitable as to each such Class, and may be confirmed under section 1129(b).

JJ. ***Only One Plan (11 U.S.C. § 1129(c)).*** The Plan is the only chapter 11 plan pending in these Chapter 11 Cases, satisfying section 1129(c).

KK. ***Principal Purpose of the Plan (11 U.S.C. § 1129(d)).*** The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act of 1933, and no party in interest has requested relief under section 1129(d).

LL. ***Good Faith Solicitation (11 U.S.C. § 1125(e)).*** The Debtors and their professionals have acted in "good faith" within the meaning of section 1125(e) of the Bankruptcy Code and in compliance with the applicable provisions of the Bankruptcy Code and Bankruptcy Rules in connection with all their respective activities relating to the solicitation and receipt of acceptances of the Plan, and are entitled to the protections afforded pursuant to section 1125(e) of the Bankruptcy Code. Accordingly, the Debtors, the Released

Parties, and the Exculpated Parties have been, are, and will continue to be acting in good faith within the meaning of section 1125(e) of the Bankruptcy Code if they proceed to: (a) consummate the Plan and the agreements, settlements, transactions, transfers, and other actions contemplated thereby; and (b) take any actions authorized and directed or contemplated by this Confirmation Order.

MM. ***Implementation.*** The various means for implementation of the Plan set forth in the Plan, including the establishment and funding of the GUC Trust, the appointment of the GUC Trustee, the vesting of the Debtors' assets and the GUC Trust Claims in the GUC Trust, and the wind-down and dissolution of the Debtors, are appropriate, fair, and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests, and are consistent with the Bankruptcy Code.

NN. ***Likelihood of Satisfaction of Conditions Precedent.*** Each of the conditions precedent to the Effective Date, as set forth in Article IX.A of the Plan, has been or is reasonably likely to be satisfied or, as applicable, waived in accordance with Article IX.B of the Plan.

OO. ***Preservation of Privilege.*** Nothing contained in this Confirmation Order, any of the Plan Documents, the Declarations, or any and all other documents related thereto is intended to, nor constitutes, nor should be deemed to constitute a waiver by the Debtors, their Estates, or any successors in interest, including, but not limited to, the GUC Trust, of any relevant privilege(s), or rules, including, but not limited to, the attorney-client privilege, the common-interest privilege and the attorney work-product rule.

PP. ***Exculpation.*** The exculpation set forth in Article XIII.F of the Plan (the "Exculpation") is an essential provision of the Plan, is appropriate under applicable law, and enforceable to the maximum extent allowed by *In re Highland Capital Mgmt., L.P.*, 48 F. 4th 419 (5th Cir. 2022) and *In re Highland Capital Mgmt., L.P.*, 132 F. 4th 353 (5th Cir. 2025), is

appropriately tailored, and is limited to the Exculpated Parties for acts or omissions in connection with, or arising out of, the Chapter 11 Cases, any section 363 asset sale, the Disclosure Statement, the Plan, the pursuit of Confirmation, the pursuit of Consummation, the administration of the Plan, and the transactions contemplated thereby, except for acts or omissions determined by Final Order to constitute actual fraud, gross negligence, or willful misconduct. The Exculpated Parties are limited to (a) the Debtors, (b) the members of the Special Committee, (c) the CRO, (d) the Committee, and (e) the members of the Committee, each of the foregoing in items (b) through (e) solely in their capacities as such.

QQ. ***Injunction.*** The Injunction set forth in Article XIII.G of the Plan (the "Injunction") is necessary to implement and preserve the Debtor Release (defined below), the Third-Party Release (defined below), the Exculpation, and the Distributions under the Plan, and to protect the Debtors, their Estates, the GUC Trust, and the GUC Trust Assets from actions inconsistent with the Plan, is appropriately tailored, and is permissible under sections 105(a) and 1123(b) of the Bankruptcy Code.

RR. ***Plan Releases.*** Entry of this Confirmation Order constitutes the Court's approval of the releases set forth in Article XIII.D and Article XIII.E of the Plan. The release by the Debtors and their Estates of the Released Parties (the "Debtor Release") is given for good and valuable consideration, is in the best interests of the Debtors and all Holders of Claims and Interests, is fair, equitable, and reasonable, was negotiated in good faith and at arm's length, and is a sound exercise of the Debtors' business judgment considering: (a) the probability of success in litigating the released Claims and Causes of Action given uncertainty in fact and law; (b) the complexity and likely duration and expense of litigating the released Claims and Causes of Action; and (c) the arm's-length negotiations which produced the settlements embodied in the Plan. The release of the Released Parties by the Releasing Parties (the "Third-Party Release") is consensual: consistent with the liquidating nature of the Plan, the Third-

Party Release binds only those Holders of Claims and Interests who affirmatively elected to grant the Third-Party Release by opting in, and was conspicuously disclosed in the Plan, the Disclosure Statement, the Ballots, and the notices of non-voting status. For the avoidance of doubt, the Released Parties do not include, and neither the Debtor Release, the Third-Party Release, or any other provision of the Plan releases, the Debtors' current and former directors, managers, and officers (the "Non-Released Parties"), other than the CRO, the members of the Special Committee, and any current and former director, manager, and officer previously released pursuant to a prior Order of this Court.

SS. ***Third-Party Release Findings.*** Article XIII.E of the Plan describes the Third-Party Release. The Third-Party Release is a necessary and integral element of the Plan, is fair, equitable, reasonable, and is in the best interests of the Debtors, their Estates, and all Holders of Claims and Interests. The Third-Party Release: (a) is consensual; (b) represents a good faith settlement and compromise of the released Claims; (c) is beneficial to and in the best interests of the Debtors, their Estates, and their stakeholders and is important to the overall objectives of the Plan; (d) is specific in language and scope; (e) is essential to the Confirmation of the Plan; (f) is given in exchange for the Released Parties' substantial contributions made and the good and valuable consideration provided in connection with these Chapter 11 Cases; (g) is a condition to the good faith settlement and compromise of the released Claims; (h) constitutes a bar to any of the Releasing Parties asserting any released Claim solely to the extent released against any Released Party; (i) facilitated participation of the Released Parties in both the Plan process and the Chapter 11 Cases generally; and (j) was instrumental in developing a plan that maximized value for all of the Debtors' stakeholders. The Third-Party Release was a negotiated and integral term of the Plan and was critical to incentivizing parties to support the Plan. The Ballots sent to all Holders of Claims entitled to vote on the Plan unambiguously stated that the Plan contains the Third-Party Release, set forth the terms of the Third-Party Release, and

provided the option for such Holders to elect to opt in to the Third-Party Release by indicating such election on the Ballot. The notices of non-voting status sent to all Holders of Claims or Interests not entitled to vote on the Plan similarly and unambiguously included information regarding the Third-Party Release and detailed the process by which such Holders could opt in to the Third-Party Release. The Combined Hearing Notice advised careful review of the release, exculpation, and injunction provisions of the Plan.

TT. ***Preservation of Causes of Action.*** The Plan appropriately provides that, except for Causes of Action expressly released, settled, or waived under the Plan (including the Debtor Release), the Debtors and the GUC Trustee retain and may enforce all Causes of Action in accordance with section 1123(b)(3)(B) of the Bankruptcy Code. For the avoidance of doubt, all rights to enforce, commence, prosecute, pursue, settle, or take any action with respect to any Causes of Action shall be preserved for the sole benefit of the GUC Trust, including any Causes of Action against the Debtors' current and former directors and officers, regardless of whether any Cause of Action is specifically referenced in the Plan or Plan Supplement; *provided*, for the avoidance of doubt, the Retained Causes of Action shall not include (a) any Causes of Action against any Released Party, solely to the extent released in the Plan or (b) any Causes of Action released by the Debtors pursuant to an order previously entered by the Court. Such preservation is appropriate, fair, and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests.

UU. ***Satisfaction of Confirmation Requirements.*** Based upon the foregoing, the Plan satisfies the requirements for Confirmation set forth in section 1129 of the Bankruptcy Code.

BASED ON THE FOREGOING FINDINGS OF FACT, IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED THAT:

1. ***Confirmation.*** The Plan, attached hereto as **Exhibit A**, is APPROVED in its entirety and CONFIRMED under section 1129 of the Bankruptcy Code. The terms of the Plan,

the Plan Supplement, and each document comprising the Plan Supplement, and any amendments, modifications, or supplements thereto, are incorporated by reference into, and are an integral part of, this Confirmation Order.

2. ***Final Approval of Disclosure Statement.*** The Disclosure Statement is APPROVED on a final basis as containing adequate information within the meaning of section 1125(a) of the Bankruptcy Code

3. ***Objections.*** To the extent that any objections, responses, or reservations of rights have not been withdrawn, waived, resolved, or settled, they are overruled on the merits and denied.

4. ***Omission of Reference to Particular Plan Provisions.*** The failure to specifically reference any particular provision of the Plan or the Plan Documents in this Confirmation Order shall not impair the effectiveness or enforceability of that provision, it being the intent of the Court that the Plan is confirmed in its entirety and incorporated herein by reference.

5. ***Implementation of the Plan.*** The Debtors and the GUC Trustee, and each of their respective representatives, are authorized and directed to take all actions necessary or appropriate to implement, effectuate, and consummate the Plan, the Plan Documents, and the transactions contemplated thereby in accordance with their terms.

6. ***Classification of Claims and Interests.*** The classification of Claims and Interests for purposes of the Distributions to be made under the Plan is governed solely by the terms of the Plan and is approved in all respects.

7. ***Effective Date.*** The Effective Date of the Plan shall occur on the date determined by the Debtors in accordance with the Plan on which all conditions precedent to the Effective Date have been satisfied or waived in accordance with the Plan.

8. ***No Discharge.*** In accordance with section 1141(d)(3) of the Bankruptcy Code, because the Plan provides for the liquidation of all or substantially all of the Debtors' property, the Debtors will not continue in business after consummation of the Plan, and the Debtors are not individuals, the Plan does not discharge the Debtors, and no provision of the Plan or this Confirmation Order shall be construed as effecting a discharge of the Debtors under section 1141(d)(1).

9. ***Resolution of Claims and Interests.*** The treatment of, and Distributions on account of, Claims and Interests set forth in the Plan shall be in full and final satisfaction, settlement, and release of such Claims and Interests, except as otherwise expressly provided in the Plan or this Confirmation Order.

10. ***Post-Confirmation Governance; Wind-Down.*** On and after the Effective Date, the GUC Trustee shall have authority over the wind-down of the Debtors' affairs, the administration of the GUC Trust, and the making of Distributions, all in accordance with the Plan and the GUC Trust Agreement, without further action or order of the Court.

11. ***Preservation of Causes of Action.*** Except as expressly released under the Plan or prior order of the Court, all Causes of Action of the Debtors and their Estates are preserved and retained by, and vest in, the GUC Trust. No res judicata, collateral estoppel, laches, or other defense shall attach to any Retained Cause of Action as a result of Confirmation, the Effective Date, or the failure to identify any Cause of Action in the Plan, the Disclosure Statement, or the Schedules.

12. ***Establishment of the GUC Trust.*** On the Effective Date, the GUC Trust shall be established in accordance with the Plan and the GUC Trust Agreement for the benefit of Holders of Allowed Claims entitled to Distributions thereunder, and is intended to qualify as a liquidating trust for United States federal income tax purposes.

13. ***Vesting of Assets in the GUC Trust.*** Pursuant to sections 1141(b) and (c) of the Bankruptcy Code, on the Effective Date all of the Debtors' assets, including the Retained Causes of Action and any Avoidance Actions, shall vest in the GUC Trust free and clear of all Claims, Liens, and encumbrances, except as otherwise provided in the Plan or this Confirmation Order.

14. ***GUC Trustee.*** The Court authorizes and approves the appointment of [•] as the GUC Trustee, who was selected by the Committee in its sole discretion as contemplated by the Plan. The GUC Trustee shall have all rights, powers, and duties set forth in the Plan and the GUC Trust Agreement, including the exclusive authority to prosecute, settle, or abandon the Retained Causes of Action, and shall serve as the Estates' representative under section 1123(b)(3)(B) of the Bankruptcy Code.

15. ***Cancellation of Interests.*** On the Effective Date, all Interests in the Debtors shall be cancelled and extinguished, and all rights and obligations of the holders thereof shall terminate, except as otherwise expressly provided in the Plan.

16. ***Sources of Consideration for Distributions.*** The Distributions to be made under the Plan shall be funded from the Debtors' assets, including the proceeds of the Poland/IP Sale and the Covington Sale and the assets vesting in the GUC Trust, in accordance with the Plan and the GUC Trust Agreement.

17. ***Effectuating Documents; Further Transactions.*** On and after the Effective Date, the Debtors and the GUC Trustee are authorized to execute, deliver, file, or record such contracts, instruments, and other agreements or documents, and to take such actions, as may be necessary or appropriate to effectuate and further evidence the terms of the Plan, without further order of the Court.

18. ***Rejection of Executory Contracts and Unexpired Leases.*** Except for any executory contract or unexpired lease that was previously assumed, assumed and assigned, or

rejected, or that is designated for assumption or assumption and assignment under the Plan or the Plan Supplement, each executory contract and unexpired lease of the Debtors shall be deemed rejected as of the Effective Date pursuant to sections 365 and 1123 of the Bankruptcy Code.

19. For the avoidance of doubt, nothing in the Plan or this Confirmation Order shall cause the rejection, breach, or termination of any Insurance Policies benefiting the Debtors and the Estates, the Debtors' current and former officers, managers and directors, and/or the GUC Trust.

20. ***Claims Based on Rejection.*** Any Proof of Claim asserting a Claim arising from the rejection of an executory contract or unexpired lease pursuant to the Plan or this Confirmation Order must be filed within the deadline established by the Plan, failing which such Claim shall be forever barred.

21. ***Insurance Policies.*** Confirmation of the Plan shall not discharge, impair, or otherwise modify any rights or obligations under the Debtors' Insurance Policies, including directors' and officers' insurance policies, except as expressly set forth in the Plan.

22. ***Reservation of Rights.*** Except as expressly provided in the Plan or this Confirmation Order, nothing herein shall constitute a waiver or release of any Claim, right, Cause of Action, or defense of the Debtors, their Estates, or the GUC Trust, all of which are expressly reserved.

23. ***Distributions.*** All Distributions under the Plan shall be made in accordance with the Plan and the GUC Trust Agreement. The record date for Distributions shall be the Effective Date, and neither the Debtors nor the GUC Trustee shall have any obligation to recognize any transfer of a Claim or Interest occurring after such date.

24. ***Exculpation.*** The Exculpation set forth in Article XIII.F of the Plan is APPROVED and incorporated herein in all respects and is effective as of the Effective Date.

25. ***Plan Releases.*** The Debtor Release and the Third-Party Release set forth in Article XIII.D and Article XIII.E, respectively, of the Plan are APPROVED and incorporated herein in all respects and are effective as of the Effective Date. The Third-Party Release binds only those Holders of Claims and Interests who affirmatively opted in to grant such release. Notwithstanding anything in the Plan or this Confirmation Order to the contrary, the Non-Released Parties (the Debtors' current and former directors, managers, and officers, other than the CRO, the members of the Special Committee, and any current and former director, manager, and officer previously released pursuant to a prior Order of this Court) are not Released Parties, and no Claim or Cause of Action against any Non-Released Party is released, exculpated, discharged, or enjoined under the Plan or this Confirmation Order.

26. ***Injunction.*** The Injunction set forth in Article XIII.G of the Plan is APPROVED and incorporated herein in all respects and is effective as of the Effective Date.

27. ***Section 1146(a) Exemption.*** Pursuant to section 1146(a) of the Bankruptcy Code, the issuance, transfer, or exchange of any property under or in connection with the Plan, including any transfers to or by the GUC Trust and any transfers effectuated under the Poland/IP Sale, the Hopkinsville Sale, and the Covington Sale in furtherance of the Plan, shall not be subject to any stamp tax, real estate transfer tax, mortgage recording tax, or other similar tax, and each recorder of deeds or similar official is directed to accept the applicable instruments without the payment of any such tax.

28. ***Release of Liens.*** Except as otherwise provided in the Plan or this Confirmation Order, on the Effective Date all Liens against the property of the Debtors shall be fully released, terminated, and discharged, and all right, title, and interest of any Holder of such Lien shall revert to the GUC Trust.

29. ***Administrative Claims Bar Date.*** Except as otherwise provided in the Plan, all requests for payment of Administrative Claims (other than Professional Fee Claims) must be

filed and served so as to be actually received no later than thirty (30) days after the Effective Date (the "Administrative Claims Bar Date"). Any Holder that fails to timely file and serve such a request shall be forever barred from asserting such Administrative Claim against the Debtors, their Estates, or the GUC Trust.

30. ***Cancellation of Notes and Instruments.*** On the Effective Date, except as otherwise provided in the Plan, all notes, instruments, certificates, and other documents evidencing Claims against or Interests in the Debtors shall be cancelled, and the obligations of the Debtors thereunder shall be discharged; provided that any such instrument shall continue in effect solely to the extent necessary to allow Holders to receive Distributions under the Plan.

31. ***Professional Fee Claims.*** All final requests for payment of Professional Fee Claims must be filed no later than the deadline established by the Plan, and such Claims shall be subject to approval by the Court. The GUC Trust shall pay Allowed Professional Fee Claims in accordance with the Plan.

32. ***Notices of Confirmation and Effective Date.*** Within five (5) Business Days after the Effective Date, the Debtors or the GUC Trustee shall file and serve a notice of (a) the entry of this Confirmation Order, (b) the occurrence of the Effective Date, (c) the Administrative Claims Bar Date, and (d) the deadline for filing Claims arising from rejection of an executory contract or unexpired lease under the Plan, and such service shall constitute good and sufficient notice thereof.

33. ***Payment of Statutory Fees.*** All fees due and payable under 28 U.S.C. § 1930 shall be paid by the Debtors or the GUC Trustee on or before the Effective Date, and the GUC Trustee shall pay all such fees coming due thereafter until entry of a final decree closing the Chapter 11 Cases

34. ***Governmental Reservations.*** Nothing in the Plan or this Confirmation Order shall discharge, release, or enjoin (i) any liability to a Governmental Unit that is not a Claim,

(ii) any Claim of a Governmental Unit arising on or after the Confirmation Date, (iii) any valid police or regulatory obligation, or (iv) any liability of a non-Debtor to a Governmental Unit; and nothing herein affects any setoff or recoupment rights of a Governmental Unit.

35. ***Binding Effect of the Plan.*** Pursuant to section 1141 of the Bankruptcy Code, upon the Effective Date, the Plan and this Confirmation Order shall bind the Debtors, the GUC Trust, the GUC Trustee, all Holders of Claims and Interests, and all other parties in interest, whether or not such Holder has accepted the Plan, filed a Proof of Claim or Interest, or is Impaired under the Plan.

36. ***Binding Effect of Prior Orders and Agreements.*** Except as expressly provided in the Plan or this Confirmation Order, all prior orders entered in the Chapter 11 Cases and all documents and agreements executed by the Debtors as authorized thereunder shall remain in full force and effect and shall be binding on and inure to the benefit of the GUC Trust and the GUC Trustee.

37. ***Governmental Approvals Not Required.*** This Confirmation Order shall constitute all approvals and consents, if any, required by the laws, rules, or regulations of any Governmental Unit with respect to the implementation or consummation of the Plan and the Plan Documents.

38. ***Successors and Assigns.*** The rights, benefits, and obligations of any Person named or referred to in the Plan or this Confirmation Order shall be binding upon, and shall inure to the benefit of, the successors and assigns of such Person.

39. ***Plan Supplement.*** The documents contained in the Plan Supplement, and any amendments, modifications, or supplements thereto, are authorized and approved and are incorporated by reference into, and are an integral part of, the Plan and this Confirmation Order.

40. ***Plan and Confirmation Order Mutually Dependent.*** The provisions of the Plan and this Confirmation Order are nonseverable and mutually dependent.

41. ***Confirmation Order Supersedes.*** This Confirmation Order shall supersede any prior order of the Court that may be inconsistent herewith solely to the extent of such inconsistency. In the event of any inconsistency between the Plan and the Disclosure Statement, the Plan shall govern; in the event of any inconsistency between the Plan and this Confirmation Order, this Confirmation Order shall govern.

42. ***No Stay.*** Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 6006(d), and 7062, or otherwise, this Confirmation Order shall be effective and enforceable immediately upon entry, and the Debtors and the GUC Trustee are authorized to consummate the Plan immediately.

43. ***Recording.*** Each federal, state, and local governmental agency or department is directed to accept and, as applicable, record any and all documents and instruments necessary or appropriate to effectuate, implement, or consummate the transactions contemplated by the Plan and this Confirmation Order.

44. ***Substantial Consummation.*** On the Effective Date, the Plan shall be deemed to be substantially consummated within the meaning of sections 1101 and 1127(b) of the Bankruptcy Code.

45. ***Final Order.*** This Confirmation Order is a final order, and the period in which an appeal must be filed shall commence upon entry hereof. If any provision of this Confirmation Order is later reversed, modified, vacated, or stayed, such action shall not affect the validity or enforceability of any act or obligation incurred in reliance on this Confirmation Order prior to the effective date of such reversal, modification, vacatur, or stay.

46. ***Retention of Jurisdiction.*** Notwithstanding the entry of this Confirmation Order or the occurrence of the Effective Date, the Court shall retain jurisdiction over the Chapter 11 Cases and all matters arising out of, or related to, the Chapter 11 Cases and the Plan

pursuant to sections 105(a) and 1142 of the Bankruptcy Code and 28 U.S.C. § 1334, to the fullest extent permitted by law and as set forth in the Plan.

47. ***GUC Trustee Standing and Tolling.*** The GUC Trustee shall have the standing, right, and authority to investigate, commence, prosecute, or settle, as appropriate, any and all Retained Causes of Action in this Court or in any other federal or state court of competent jurisdiction, without regard to the dissolution of any of the Debtors and without the need to reopen any of the Chapter 11 Cases. The GUC Trustee's standing and authority under this paragraph shall not be impaired by the entry of a final decree closing any or all of the Chapter 11 Cases. In pursuing any Retained Causes of Action, the GUC Trustee shall be entitled to the tolling provisions provided under sections 108 and 546 of the Bankruptcy Code, and such tolling provisions shall continue to apply notwithstanding the dissolution of any of the Debtors, the entry of a final decree, or the closing of any or all of the Chapter 11 Cases. No applicable statute of limitations, statute of repose, or other time-based defense shall be deemed to have been triggered, restarted, or shortened by reason of the transfer of the Retained Causes of Action to the GUC Trust, the dissolution of any of the Debtors, or the closing of any of the Chapter 11 Cases.

48. ***Tax Returns.*** After the Effective Date, the GUC Trustee shall file tax returns as a grantor trust pursuant to Treasury Regulation section 1.671-4(a) and, as applicable, may (i) seek a determination of tax liability under section 505 of the Bankruptcy Code; (ii) file, if necessary, any and all tax and information returns required with respect to the GUC Trust; (iii) make tax elections for and on behalf of the GUC Trust; and (iv) pay taxes, if any, payable for and on behalf of the GUC Trust.

49. ***Post-Confirmation Reporting.*** After the Confirmation Date, the Debtors, unless otherwise specified herein or in the Plan, shall have no obligation to provide any reports to any parties otherwise required under any orders entered in the Chapter 11 Cases or file with the

Court or serve on any party reports that the Debtors were obligated to file under the Bankruptcy Code or a Court order; provided, that the GUC Trustee shall timely file all required monthly operating reports and post-confirmation quarterly reports in a form prescribed by the U.S. Trustee until the Chapter 11 Cases are converted, dismissed, or closed, whichever occurs first.

50. ***Continued Effect of Stays and Injunctions.*** Unless otherwise provided in the Plan or in this Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases under section 105 or section 362 of the Bankruptcy Code, any order of the Court, or otherwise, and in existence on the Confirmation Date (excluding any injunctions or stays contained in the Plan or this Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or this Confirmation Order shall remain in full force and effect in accordance with their terms.

51. ***Effect of Non-Occurrence of Conditions to the Effective Date.*** If the Consummation of the Plan does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (i) constitute a waiver or release of any Claims by the Debtors, any Holders, or any other Entity; (ii) prejudice in any manner the rights of the Debtors, any Holders, or any other Entity; or (iii) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders, or any other Entity in any respect.

52. ***Solicitation.*** To the extent applicable, the solicitation of votes on the Plan complied with section 1125 of the Bankruptcy Code, Bankruptcy Rule 3017, all other provisions of the Bankruptcy Code, and all other applicable rules, laws, and regulations, and was appropriate and satisfactory and is approved in all respects.

53. ***Compromise and Settlement of Claims, Interests, and Controversies.*** To the extent provided by section 1123(b)(3)(A) of the Bankruptcy Code and in consideration for the classification, Distributions, releases, and other benefits provided under the Plan, on the

Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims, Interests, and controversies released, settled, compromised, or otherwise resolved pursuant to the Plan. The entry of this Confirmation Order shall constitute the Court's approval of such compromise and settlement, as well as a finding by the Court that such settlement and compromise is fair, equitable, reasonable, and in the best interests of the Debtors, their Estates, and Holders of Claims and Interests.

54. ***The Debtor Release, the Third-Party Release, the Exculpation, and the Injunction.*** The release, exculpation, injunction, and related provisions set forth in Article XIII of the Plan shall be, and hereby are, approved in their entirety. For the avoidance of doubt, Professionals constitute Released Parties under the Plan.

55. ***Dissolution of the Committee.*** On the Effective Date, the Committee shall automatically dissolve and the members of the Committee (solely in their capacities as such) and the Committee's Professionals (solely in their capacity as such) shall be released from all their duties relating to the Chapter 11 Cases, except with respect to: (i) any applications for Professional Fee Claims or expense reimbursements for members of the Committee, including preparing same, objecting to same, defending same, and attending any hearing with respect to same; and (ii) any motions or other actions seeking enforcement or implementation of (a) the Plan or (b) this Confirmation Order.

56. ***Effectiveness of All Actions.*** All actions authorized to be taken pursuant to the Plan and the Plan Supplement shall be effective on, prior to, or after the Effective Date pursuant to this Confirmation Order, without further application to, or order of the Court, or further action by the respective officers, directors, managers, members, or equityholders of the Debtors and with the effect that such actions had been taken by unanimous action of such officers, directors, managers, members, or equityholders.

57. ***United States.*** As to the United States of America, its agencies or any instrumentalities thereof (collectively, the "United States"), notwithstanding anything contained in the Plan, the Plan Supplement and any related Plan documents (collectively, the "Plan Documents"), or Confirmation Order to the contrary, nothing shall

i. limit or be intended to or be construed to bar the United States or any state from pursuing any police or regulatory action or any criminal action;

ii. discharge, release, exculpate, impair or otherwise preclude: (a) any obligation or liability to the United States that is not a "claim" within the meaning of section 101(5) of the Bankruptcy Code; (b) any Claim of the United States arising on or after the Confirmation Date; (c) any liability under police or regulatory statutes or regulations as the owner, lessor, lessee or operator of property after the Effective Date; or (d) any obligation, liability or claim owed to the United States, including but not limited to, any obligations, liabilities or claims arising under the federal environmental, criminal, civil or common law, by any non-Debtor, including the Released Parties and Exculpated Parties; provided, however, that the foregoing shall not diminish the scope of any exculpation to which any Person is entitled under section 1125(e) of the Bankruptcy Code;

iii. enjoin or otherwise bar the United States from asserting or enforcing, outside the Bankruptcy Court, any obligation or liability described in the preceding clause (ii); provided, however, that the non-bankruptcy rights and defenses of all Entities with respect to (a)–(d) in clause (ii) are likewise fully preserved;

iv. affect any right of setoff or recoupment of the United States against any of the Debtors or the GUC Trustee; provided, however, that the rights and defenses (other than any rights or defenses based on language in the Plan or the Confirmation Order that may extinguish or limit setoff or recoupment rights) of the Debtors or GUC Trustee with respect thereto are fully preserved;

v. confer exclusive jurisdiction upon the Bankruptcy Court except to the extent set forth in 28 U.S.C. § 1334 (as limited by any other provisions of the United States Code);

vi. authorize the assumption, assignment, sale or other transfer of any federal or state (a) grants, (b) grant funds, (c) grant-funded property, (d) contracts, (e) agreements, (f) awards, (g) task orders, (h) property, (i) intellectual property, (j) patents, (k) leases, (l) certifications, (m) applications, (n) registrations, (o) billing numbers, (p) national provider identifiers, (q) provider transaction access numbers, (r) licenses, (s) permits, (t) covenants, (u) inventory, (v) guarantees, (w) indemnifications, (x) data, (y) records, or (z) any other interests belonging to the United States or any state (collectively, "Governmental Interests") without compliance with all terms of the Governmental Interests and with all applicable non-bankruptcy law;

vii. be interpreted to set cure amounts related to any Governmental Interests or to require the United States to novate, approve or otherwise consent to the assumption, assignment, sale or other transfer of any Governmental Interests;

viii. constitute or be deemed an approval or consent by the United States or any state;

ix. waive, alter, or otherwise limit the United States' or any state's property rights;

x. be construed as a compromise or settlement of any liability, Claim, Cause of Action or interest of the United States;

xi. modify the scope of section 525 of the Bankruptcy Code; and

xii. cause Rejection Damage Claims to have to be filed before the Governmental Bar Date or alter the priority and treatment of such Rejection Damage Claims under the Bankruptcy Code.

Further, the United States does not opt in to the Releases by the Releasing Parties in Article XIII.E of the Plan and shall not be a Releasing Party as defined in Article I.A of the Plan. . In the event of an inconsistency or conflict between any provision of the Plan Documents and any provision of this Confirmation Order, then, as to the United States, the provisions of this Confirmation Order and federal law shall control, and as to any state, the provisions of this Confirmation Order and state law shall control.

58. ***Reservation of Governmental Unit Rights.*** Nothing in the Confirmation Order or the Plan shall effect a release of any claim by the United States Government or any of its agencies or any state and local authority whatsoever, including without limitation any claim arising under the Internal Revenue Code, the environmental laws or any criminal laws of the United States or any state and local authority against any party or person, nor shall anything in the Confirmation Order or the Plan enjoin the United States or any state or local authority from bringing any claim, suit, action, or other proceedings against any party or person for any liability of such persons whatever, including without limitation any claim, suit or action arising under the Internal Revenue Code, the environmental laws or any criminal laws of the United States or any state and local authority against such persons, nor shall anything in the Confirmation Order or the Plan exculpate any party or person from any liability to the United States Government or any of its agencies or any state and local authority whatsoever, including any liabilities arising under the Internal Revenue Code, the environmental laws or any criminal laws of the United States or any state and local authority against any party or person.

59. ***XALT Energy MI, LLC.*** XALT Energy MI, LLC has an allowed claim under section 503(b)(9) of the Bankruptcy Code in the amount of $25,999.60, which claim shall be paid in full on the Effective Date.

60. ***RMF Nooter, LLC, United Electric Company, Inc., and Turner-Kokosing Joint Venture,***. Notwithstanding anything to the contrary in the Plan, the Disclosure Statement, or this Confirmation Order, including Article XIII.B and Article VII.E of the Plan, nothing herein shall waive, release, discharge, impair, enjoin, or otherwise affect any right of setoff or recoupment held by RMF Nooter, LLC ("Nooter"), United Electric Company Inc. ("United") and Turner-Kokosing Joint Venture ("TKJV"), including Nooter's, United's, and TKJV' right to assert setoff or recoupment as a defense to any claim, cause of action, or Retained Cause of Action that the GUC Trust or the GUC Trustee may assert or bring against Nooter, United, TKJV, whether such right arises under section 553 of the Bankruptcy Code, applicable non-bankruptcy law, or otherwise. All of Nooter's, United's, TKJV's rights, claims, and defenses, including its setoff and recoupment rights, are fully preserved and shall remain unaffected by entry of this Confirmation Order or the occurrence of the Effective Date, and nothing in the injunction set forth in Article XIII.B of the Plan shall be construed to bar or limit Nooter, United, or TKJV from asserting such rights in any forum in which the GUC Trust pursues a claim against Nooter, United, or TKJV.

61. ***Prior Releases***. Nothing in the Combined Disclosure Statement and Plan, the Plan Supplement, or this Confirmation Order is intended, nor shall it be construed, to modify, supersede, or impact the releases granted in the (i) Final Cash Collateral Order, including pursuant to paragraph 15 thereof or (ii) Poland/IP APA and Poland/IP Sale Order, including pursuant to paragraphs 36 and 37 thereof.

62. ***Governing Law.*** Unless a rule of law or procedure is supplied by federal law (including the Bankruptcy Code and Bankruptcy Rules) or unless otherwise specifically stated,

the laws of the State of Texas, without giving effect to the principles of conflict of laws, shall govern the rights, obligations, construction, and implementation of the Plan and any agreements, documents, instruments, or contracts executed or entered into in connection with the Plan (except as otherwise set forth in those agreements, in which case the governing law of such agreement shall control); provided, that corporate or limited liability company governance matters relating to the Debtors or the GUC Trust, as applicable, shall be governed by the laws of the jurisdiction of incorporation or formation of the relevant Debtor or the GUC Trust, as applicable.

63. ***Corporate Existence.*** On the Effective Date, the Debtors shall be deemed to be dissolved without any further action pursuant to the applicable law of the jurisdictions in which the Debtors are formed, without any requirement of action by the shareholders or directors and/or managers, as applicable, except solely for the filing of a certificate of dissolution, cancellation, or other applicable notice as may be required. For the avoidance of doubt, the dissolution of the Debtors shall not impair, diminish, or terminate any rights, claims, or Causes of Action that were transferred to and vested in the GUC Trust, or affect the standing or authority of the GUC Trustee to investigate, commence, prosecute, settle, or otherwise dispose of Retained Causes of Action.

64. ***Directors and Officers.*** In accordance with the Plan, upon the Effective Date, the directors and/or managers and officers of the Debtors shall be deemed to have resigned, without further action. Upon the Effective Date, the GUC Trustee shall be empowered and authorized to act in the place and stead of the Debtors, in the GUC Trustee's capacity as successor-in-interest to the Debtors with respect to the GUC Trust Assets, and to take all such actions and measures as necessary to implement the Plan.

65. ***Nonseverability.*** Each term and provision of the Plan is: (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified

without the consent of the Debtors or the GUC Trustee, as applicable; and (c) nonseverable and mutually dependent.

66. ***Headings.*** Headings utilized herein are for convenience and reference only, and do not constitute a part of the Plan or this Confirmation Order for any other purpose.

INTRODUCTION[2]

Ascend Elements, Inc. and Ascend Elements US, LLC (collectively, the "***Debtors***"), as debtors and debtors-in-possession in the above-captioned chapter 11 cases pending before the Bankruptcy Court, hereby propose this Combined Disclosure Statement and Joint Plan of Liquidation (together with any amendments, supplements, and exhibits thereto, the "***Disclosure Statement***," the "***Plan***," or the "***Combined Disclosure Statement and Plan***," as applicable) for the liquidation of the Debtors' remaining assets and resolution of the outstanding Claims against and Interests in the Debtors. Other agreements and documents supplementing this Plan have been, or will be, filed with the Bankruptcy Court and will be available for review prior to the Voting Deadline. Capitalized terms used in the Combined Disclosure Statement and Plan and not otherwise defined have the meanings ascribed to such terms in Article I.

Prior to the Petition Date, the Debtors were engaged in recovering critical minerals from used lithium-ion batteries and battery manufacturing scrap and processing those materials into Black Mass, lithium carbonate, precursor cathode active material, and related products for the electric vehicle battery supply chain. The Debtors commenced these chapter 11 cases to preserve liquidity, stabilize operations, and conduct an expedited, orderly sale process for their assets.

This Combined Disclosure Statement and Plan contains, among other things, a discussion of the Debtors' history, battery recycling and critical materials businesses, properties, operations, the Chapter 11 Cases, assets, liabilities, risk factors, summary and analysis of the Plan, and certain other related matters.

The Debtors have requested that the Bankruptcy Court schedule the Confirmation Hearing for **August 17, 2026 at 1:00 p.m. (prevailing Central Time), subject to the Court's availability**. At the Confirmation Hearing, the Bankruptcy Court will determine whether the Plan has been accepted by the requisite number of Holders of Claims, and whether the other standards for Confirmation of the Plan have been satisfied. Once commenced, the Confirmation Hearing may be adjourned or continued by announcement in open court without any other further notice.

ALL HOLDERS OF CLAIMS AGAINST THE DEBTORS ARE ENCOURAGED TO READ THIS COMBINED DISCLOSURE STATEMENT AND PLAN IN ITS ENTIRETY, AND TO CONSULT WITH AN ATTORNEY, BEFORE VOTING TO ACCEPT OR REJECT THE PLAN. SUBJECT TO CERTAIN RESTRICTIONS AND REQUIREMENTS SET FORTH IN SECTION 1127 OF THE BANKRUPTCY CODE, BANKRUPTCY RULE 3019, AND IN THE PLAN, THE DEBTORS RESERVE THE RIGHT TO ALTER, AMEND, MODIFY, REVOKE OR WITHDRAW THE PLAN, OR ANY PART THEREOF, PRIOR TO ITS SUBSTANTIAL CONSUMMATION.

As demonstrated in the analysis attached hereto as Exhibit A (the "Liquidation Analysis"), the Debtors believe the plan is feasible, adequately funded, and provides an opportunity for superior recoveries for creditors compared to a chapter 7 liquidation. **The Debtors support confirmation of the Plan and, as further set forth herein, urge all holders of claims whose votes are being solicited to vote to accept the Plan.**

ARTICLE II.
DEBTORS' HISTORY, ASSETS, LIABILITIES, AND MAJOR EVENTS

A. BACKGROUND AND BUSINESS OVERVIEW

Ascend Elements was founded to develop a domestic, sustainable supply chain for critical battery materials through the recycling of lithium-ion batteries and the production of battery-grade materials. The Debtors' business focused on recovering valuable critical minerals from end-of-life lithium-ion batteries and manufacturing scrap, processing those materials into Black Mass, and refining Black Mass into high-performance precursor cathode active material ("pCAM"), lithium carbonate, and other products used in the electric vehicle battery supply chain.

Prior to the Petition Date, the Debtors operated a research and development facility in Westborough, Massachusetts, a commercial recycling facility known as Apex 0 in Covington, Georgia, and a joint venture facility in Zawiercie, Poland. At the same time, the Debtors were constructing Apex 1, a large-scale battery materials manufacturing facility in Hopkinsville, Kentucky, and pursuing development of the Apex 2 Project in Poland. These projects were intended to position the Debtors as a leading domestic producer of recycled battery materials and support the growing demand for electric vehicle battery components throughout North America and Europe.

To finance this growth strategy, the Debtors raised substantial equity and debt capital and secured significant governmental support, including grants and funding commitments from the United States Department of Energy. Collectively, the Debtors raised approximately $650 million during 2023 and 2024 and obtained commitments for approximately $480 million of DOE funding to support the construction and commercialization of their battery recycling platform. Despite these significant investments, the capital-intensive nature of the Debtors' business required the successful and timely completion of the Apex 1 facility and the continued expansion of commercial operations.

The Debtors commenced these Chapter 11 Cases after liquidity constraints, construction delays and cost overruns at Apex 1, operating limitations at Apex 0, and adverse commodity pricing left them unable to continue operating outside of bankruptcy. Under these circumstances, the Debtors determined that a court-supervised sale process and orderly wind down represented the best available path to maximize and preserve value for their stakeholders.

B. CORPORATE STRUCTURE

Ascend Elements is a Delaware corporation headquartered in Westborough, Massachusetts and is the direct parent of Debtor Ascend Elements US, LLC and the direct or indirect parent of the Company's non-Debtor affiliates.

Ascend Elements US, LLC is a Texas limited liability company organized in 2025. Ascend Elements is the principal operating debtor and owns the substantial majority of the Debtors' property, plant, and equipment assets, employs the Debtors' workforce, and owns the vast majority of the intellectual property associated with the Debtors' operations.

The Debtors' non-Debtor affiliates include Ascend Elements UK, Ltd., Ascend Elements France, Ascend Elements Poland Holdco, and Ascend Elements Poland SP Z.O.O. Ascend Elements Poland SP Z.O.O. and non-Debtor Elemental Strategic Metals each own a 50% interest in AE Elemental SP Z.O.O., the joint venture that operates the Poland Joint Venture facility, and Ascend Elements Poland Holdco owns 100% of Ascend Elements Poland 2. An organizational chart depicting the Debtors and their principal non-Debtor affiliates is attached as **Exhibit B**.

As of the Petition Date, the Debtors had approximately 102 employees and 14 independent contractors and sub-contractors in the United States, with the largest concentrations in Georgia, Kentucky, Massachusetts, and Texas.

C. DEBTORS' BUSINESS

As of the Petition Date, the Debtors were engaged in the business of recovering critical minerals from used lithium-ion batteries and battery manufacturing scrap to produce Black Mass, lithium

carbonate, and pCAM, which are essential components in the manufacture of lithium-ion batteries. Through their proprietary Hydro-to-Cathode® technology, the Debtors sought to establish a closed-loop battery supply chain by recovering valuable battery materials and reintroducing them into domestic and European battery manufacturing. The Debtors' operations were supported by facilities in the United States and Europe, as well as an extensive intellectual property portfolio consisting of more than 150 issued and pending patents worldwide. The Debtors' business was organized around three principal product lines: (a) Black Mass, produced from recycled lithium-ion batteries and manufacturing scrap; (b) Lithium Carbonate, a battery-grade material refined from Black Mass; and (c) pCAM, an engineered battery material used in the manufacture of lithium-ion battery cathodes.

The Debtors' principal operating facilities and development projects consisted of the following:

1. Apex 0 – Covington, Georgia

The Debtors' Apex 0 facility, located in Covington, Georgia, served as the Debtors' primary operating facility in the United States. The approximately 154,000-square-foot facility processes used lithium-ion batteries and manufacturing scrap into Black Mass, which serves as feedstock for downstream lithium carbonate and pCAM production. The facility also houses a pCAM pilot line used to produce commercial qualification samples for customers.

During 2025, the Debtors achieved a significant milestone when Apex 0 became the first facility in the United States to produce lithium carbonate from 100% recycled battery content at commercial scale. Although Black Mass production had resumed prior to the Petition Date, the facility required additional utility upgrades and capital expenditures to increase production capacity and achieve sustained commercial operations. At full design capacity, Apex 0 was expected to process approximately 30 kilotons of lithium battery feedstock annually into approximately 20 to 30 kilotons of Black Mass.

2. Apex 1 – Hopkinsville, Kentucky

The Debtors' Apex 1 project, located in Hopkinsville, Kentucky, was designed to become the Debtors' flagship commercial-scale lithium carbonate and pCAM manufacturing facility. Once completed, Apex 1 was expected to significantly expand the Debtors' domestic production capabilities and support growing demand for battery materials within North America.

As of the Petition Date, the approximately 500,000-square-foot facility was roughly 60% complete. Construction had been suspended following substantial cost overruns, disputes with the Debtors' primary contractor, and the Debtors' liquidity constraints. As a result, Apex 1 was not operational and was not generating revenue as of the Petition Date. Completion of the facility would have required the resolution of ongoing contractor disputes and substantial additional capital investment.

3. Poland Joint Venture – Zawiercie, Poland

Through its Polish subsidiaries, the Debtors held an indirect 50% ownership interest in a joint venture operating a battery recycling facility in Zawiercie, Poland. The Poland Joint Venture conducts battery disassembly, discharge, shredding, and Black Mass production, providing strategic access to European original equipment manufacturers and battery feedstock sources. The facility was intended to supply Black Mass for the Debtors' planned Apex 2 Project.

4. Apex 2 – Opole, Poland

The Debtors also owned interests in the Apex 2 development project in Opole, Poland. The Apex 2 Project was intended to produce lithium carbonate and pCAM using Black Mass generated by the Poland Joint Venture. The project was supported by significant financial commitments, including grant funding from the Polish government and financing commitments from the European Bank for

Reconstruction and Development. As of the Petition Date, the project remained in the development stage, with a site secured but construction not yet commenced.

D. APPOINTMENT OF THE CHIEF RESTRUCTURING OFFICER

On September 17, 2025, the Debtors retained A&M to assist with liquidity management, operational planning, and the evaluation of restructuring alternatives. Following the resignation of the Debtors' former Chief Financial Officer, Adam Titus, a Senior Director at A&M, was appointed as the Debtors' interim Chief Financial Officer in January 2026. After Ahmed Allouache was appointed Chief Financial Officer on March 21, 2026, Mr. Titus was appointed as the Debtors' Chief Restructuring Officer on April 3, 2026.

As interim Chief Financial Officer and later Chief Restructuring Officer, Mr. Titus worked closely with the Debtors' management, Board of Directors, Special Committee, and the Debtors' professional advisors to manage the Debtors' liquidity, oversee financial planning and cash flow, evaluate restructuring alternatives, negotiate with stakeholders, and lead the Debtors' sale and restructuring efforts throughout these Chapter 11 Cases.

E. SPECIAL COMMITTEE

On March 24, 2026, the Board of Directors established a Special Committee consisting solely of Bill Transier, an independent director. The Special Committee was formed to oversee the Debtors' restructuring efforts, address potential conflicts of interest, and coordinate among the Board, management, and the Debtors' legal, financial, and restructuring advisors in connection with any restructuring transaction.

Initially, the Special Committee was authorized to evaluate and recommend restructuring strategies and oversee negotiations with creditors, lenders, noteholders, contract counterparties, landlords, suppliers, customers, governmental authorities, and other stakeholders. On April 8, 2026, the Board expanded the authority of the Special Committee to include:

- reviewing, evaluating, negotiating, and approving potential restructuring transactions, including financings, asset sales, restructurings, liquidations, wind-downs, and chapter 11 proceedings;
- overseeing negotiations with all restructuring constituencies;
- approving definitive agreements relating to potential restructuring transactions, subject to the Board's retained authority where applicable;
- recommending that the Board authorize the commencement of these chapter 11 cases; and
- supervising management's implementation of approved restructuring transactions.

The Board retained the exclusive authority to authorize the filing of the Debtors' voluntary chapter 11 petitions.

F. PREPETITION CAPITAL STRUCTURE

As of the Petition Date, the Debtors reported approximately $107.1 million of funded debt and mortgage-related obligations on a consolidated basis, excluding accrued and unpaid interest, obligations under various hedging arrangements, letters of credit, and other charges. The Debtors' capital structure was anchored by the Senior Secured Convertible Notes and the Junior Secured Convertible Notes, together with the Hopkinsville mortgage and grant-related obligations and substantial contractor and

statutory lien claims. The summary below is qualified in its entirety by the operative debt, security, grant, and related project documents.

Debt Facility	Approx. Outstanding Principal Amount *($ millions)*	Collateral	Maturity
Senior Secured Convertible Notes	20.0	First-priority liens on substantially all personal property of the Debtors	Various
Junior Secured Convertible Notes	83.1	Second-priority liens on substantially all personal property of the Debtors	June 12, 2027
Hopkinsville Mortgage and City Grant Obligations	4.0	Mortgage obligations affecting the Hopkinsville property in favor of Hopkinsville Industrial Foundation/Planters and the City of Hopkinsville, plus related tax obligations as applicable	Various
Asserted Statutory Lien Claims	145.0	Asserted mechanics', warehouse, and materialman's lien claims relating to the Apex 0 and Apex 1 projects	Various
Unsecured Debt	36.1	Unsecured trade debt, vendor obligations, supplier claims, and other general unsecured obligations	Various

1. **Secured Convertible Notes.**

Debtor Ascend Elements is party to the Senior Secured Convertible Note and Warrant Purchase Agreement, dated December 22, 2025, and the Subordinated Secured Convertible Note and Warrant Purchase Agreement, dated June 13, 2025. As of the Petition Date, approximately $20.0 million remained outstanding under the Senior Secured Convertible Notes and approximately $83.1 million remained outstanding under the Junior Secured Convertible Notes, in each case excluding accrued and unpaid interest. The Senior Secured Convertible Notes are secured by first-priority liens on substantially all of the Debtors' personal property, including cash and cash equivalents, and the Junior Secured Convertible Notes are secured by second-priority liens on substantially all of the Debtors' personal property, with relative payment and lien priority governed by the Subordination Agreement dated December 22, 2025.

2. Other Secured Obligations.

In addition to the secured convertible notes, the Debtors' project-level obligations included a Commercial Term Promissory Note originally issued in the amount of $2.9 million to Hopkinsville Industrial Foundation, Inc. and collaterally assigned to Planters Bank, Inc., with approximately $0.4 million outstanding as of the Petition Date, and a November 15, 2022 City of Hopkinsville grant obligation secured by a mortgage on the Hopkinsville property in the amount of $3.6 million. The Debtors also faced real and personal property tax obligations with respect to Hopkinsville to the extent such taxes were secured by applicable law, and asserted mechanics', warehouse, and materialman's lien claims exceeding approximately $145 million arising from work and materials provided for Apex 0 and Apex 1. The Debtors also had received approximately $207 million under the DOE grant for Apex 1, and DOE asserted an undivided reversionary interest in equipment acquired with grant funds.

3. Unsecured Debt.

As of the Petition Date, the Debtors estimated they had approximately $40 million in unsecured debt obligations, including amounts owed to trade creditors, suppliers, vendors, and contract counterparties, all subject to reconciliation and the Debtors' rights to dispute.

G. EVENTS LEADING TO THE DEBTORS' BANKRUPTCY FILING

The Debtors commenced these Chapter 11 Cases after experiencing significant liquidity constraints driven by construction delays and cost overruns at Apex 1, operational challenges at Apex 0, declining battery materials prices, and limited access to additional capital. After evaluating numerous strategic alternatives, the Debtors determined that a chapter 11 filing would provide the best opportunity to preserve and maximize value through a court-supervised sale process and orderly wind down.

These challenges developed over time. As construction of Apex 1 progressed, the Debtors encountered substantial delays, escalating costs, contractor disputes, and supply chain disruptions that materially exceeded their original budgets and construction timelines. The Debtors became involved in disputes with TKJV and certain subcontractors concerning construction costs, project delays, change orders, and billing practices. TKJV recorded an amended mechanic's lien against the Hopkinsville project in the asserted amount of approximately $138.4 million and commenced a lien-foreclosure action in Christian County, Kentucky. The action was subsequently stayed, and the parties' disputes were compelled to arbitration. In the arbitration, TKJV asserts claims for unpaid amounts under its design-build contract, and the Debtors have asserted defenses and counterclaims against TKJV and certain of its subcontractors, including allegations of overbilling, breach of contract, and failure to perform in accordance with contractual standards. Additional lien claims by subcontractors were asserted in the Kentucky state court action; the state court declined to stay those claims pending arbitration, and Ascend Elements has appealed that decision. The arbitration and related state court proceedings were stayed upon the commencement of these Chapter 11 Cases.

At the same time, the Debtors' Apex 0 facility in Covington, Georgia required additional capital expenditures and operational improvements before reaching anticipated production levels, further straining liquidity. Market conditions also deteriorated significantly as prices for Black Mass, lithium carbonate, pCAM, and other battery materials declined while demand from battery manufacturers weakened, reducing expected revenues and impairing the Debtors' ability to generate sufficient operating cash flow. The combined effects of rising construction costs, delayed commercialization, declining commodity prices, and constrained capital markets substantially reduced the Debtors' financial flexibility.

ARTICLE III.
THE CHAPTER 11 CASES

The following is a brief description of certain material events that have occurred thus far during the Chapter 11 Cases.

A. BAR DATE

Pursuant to the Bar Date Order, the Bar Date for non-governmental entities is July 20, 2026 at 5:00 p.m. (prevailing Central Time) and the Bar Date for Governmental Units is October 6, 2026 at 5:00 p.m. (prevailing Central Time).

B. MEETING OF CREDITORS

Pursuant to section 341 of the Bankruptcy Code, the United States Trustee conducted the meeting of creditors on May 18, 2026.

C. OFFICIAL COMMITTEE OF UNSECURED CREDITORS

On April 26, 2026, the United States Trustee appointed the Official Committee of Unsecured Creditors [Docket No. 139]. The Committee is composed of representatives of AMCON Industrial, Endress + Hauser Inc., Foundation Steel LLC, H2O Innovation USA Inc., RMF Nooter, LLC, Suzhou Botree Cycling SCI and Tech Co. Ltd., and URT Umwelt-und Recyclingtechnik.

D. RETENTION OF PROFESSIONALS

On April 10, 2026, the Court entered an order authorizing Kurtzman Carson Consultants, LLC d/b/a Verita Global to serve as the Debtors' claims, noticing, and solicitation agent in these Chapter 11 Cases. Under that order, Verita was authorized to maintain the official claims register, act as the authorized repository for proofs of claim, and provide noticing, solicitation, and related case administration services, and the Debtors' restructuring website is maintained at https://www.veritaglobal.net/ascend.

The Debtors also sought and obtained authority to retain Norton Rose Fulbright US LLP as counsel to the Debtors and debtors in possession, effective as of the Petition Date, pursuant to an order entered on May 21, 2026; Alvarez & Marsal North America, LLC as restructuring advisor, with Adam Titus designated as Chief Restructuring Officer, effective as of the Petition Date, pursuant to an order entered on June 24, 2026; and Jefferies LLC as the Debtors' investment banker, effective as of the Petition Date, pursuant to an order entered on June 17, 2026.

On April 29, 2026, the Committee selected McDermott to serve as counsel to the Committee in connection with the Chapter 11 Cases, subject to Court approval. Thereafter, the Committee selected Province to serve as the Committee's financial advisor in the Chapter 11 Cases.

E. CERTAIN ORDERS AND EVENTS IN THE CHAPTER 11 CASES

1. First Day Motions.

In order to facilitate the Chapter 11 Cases, minimize disruption to the Debtors' affairs, and preserve the value of the Estates, the Debtors filed motions with the Bankruptcy Court on or shortly after the Petition Date seeking certain relief, including, without limitation:

(a) joint administration of these chapter 11 cases, complex chapter 11 case treatment, approval of a claims, noticing, and solicitation agent, and an extension of the deadline to file the Schedules and Statements of Financial Affairs [Docket Nos. 26, 27, 28, and 6];

(b) authority to pay prepetition wages, salaries, reimbursable expenses, contractor obligations, and employee benefits, and to continue postpetition employee benefit programs in the ordinary course [Docket Nos. 14 and 39];

(c) authority to continue using the Debtors' existing cash management system, maintain their existing bank accounts, honor related prepetition obligations, continue the corporate card program, and continue certain intercompany transactions and funding consistent with historical practice, which relief was granted on an interim basis on April 10, 2026 and on a final basis on May 7, 2026 [Docket Nos. 45 and 214];

(d) approval of the Debtors' proposed adequate assurance of payment for future utility services, approval of adequate assurance procedures, and protection against utility providers altering, refusing, or discontinuing service [Docket No. 15];

(e) authority to pay certain prepetition claims of critical vendors in an aggregate amount not to exceed $1.35 million [Docket No. 16];

(f) authority to pay taxes and fees in the ordinary course, maintain the Debtors' insurance program, surety bond program, and letters of credit, and establish procedures to protect the potential value of the Debtors' net operating losses and other tax attributes [Docket Nos. 9, 10, and 17].

2. Cash Collateral Motion.

On the Petition Date, the Debtors filed the Cash Collateral Motion seeking authority to use cash collateral to stabilize operations, fund administrative expenses, and preserve liquidity while pursuing a sale and restructuring process. The Court entered the Interim Cash Collateral Order on April 10, 2026 and the Final Cash Collateral Order on May 22, 2026. Pursuant to the Final Cash Collateral Order, the Debtors funded these chapter 11 cases through the authorized use of cash collateral rather than debtor-in-possession financing.

The Final Cash Collateral Order also approved the Committee Settlement, which, together with the Poland/IP Sale Order, provided that the obligations outstanding under the Senior Notes Agreement and substantially all obligations outstanding under the Junior Notes Agreement would be satisfied through a credit bid in connection with the Poland/IP Sale transaction. The Committee Settlement reserved only a $5 million portion of the Junior Secured Convertible Notes for the limited purpose of a potential credit bid in connection with the proposed sale of the Covington facility. If the Junior Secured Noteholders were not the successful bidder in the Covington sale process, that remaining amount was deemed applied to the Poland/IP Sale transaction and reduced to zero. In addition, upon consummation of the Poland/IP Sale transaction, the Senior Secured Noteholders and Junior Secured Noteholders agreed to waive any asserted interest in the Debtors' cash and cash accounts.

The Poland/IP Sale closed and was consummated on May 26, 2026. The Junior Secured Noteholders were not the successful bidder for the sale of the Covington facility. Accordingly, following consummation of the Poland/IP Sale transaction and the Covington Sale, no obligations remained outstanding under the Senior Notes Agreement or the Junior Notes Agreement.

3. Bid Procedures Motion.

On April 10, 2026, the Debtors filed the Bid Procedures Motion seeking approval of procedures to market and sell substantially all of their assets, including auction, notice, and assumption and assignment procedures. At the time the motion was filed, no stalking horse bidder had been designated.

On April 17, 2026, the Bankruptcy Court entered the Bid Procedures Order. After entry of that order, the Debtors and Jefferies conducted the marketing and sale process that ultimately produced

separate transactions for the Poland and intellectual property assets, the Hopkinsville assets, and the Covington assets.

F. SALE OF THE DEBTORS' ASSETS AND ASSUMPTION OF CERTAIN CLAIMS AND LIABILITIES

As the sale process progressed, the Debtors determined that the highest or otherwise best value for the estates would be achieved through a series of separate asset sales, including the Poland/IP Sale, the Hopkinsville Sale, and the Covington Sale, rather than a single going-concern sale of substantially all of the Debtors' assets.[3]

1. Poland/IP Sale.

The Debtors' first major transaction was the Poland/IP Sale to Bluegrass Infrastructure Partners Holdings, LLC. The Bankruptcy Court approved that transaction on May 22, 2026 for $3.0 million in cash, the assumption of specified liabilities, and a $98 million credit bid of secured note obligations, and the transaction closed on May 26, 2026. Under the Committee Settlement and the Poland/IP Sale Order, the senior and junior note obligations were credit bid in full other than a $5 million junior-note amount reserved solely for a potential Covington credit bid, which would be deemed applied to the Poland/IP transaction if the Junior Secured Noteholders were not the successful bidder for Covington.

2. Hopkinsville Sale.

The Debtors next sold the Hopkinsville assets to TKJV following a competitive auction. Before closing, the Debtors filed the Credit Bid Motion seeking to deny or limit the credit bid rights asserted by TKJV, RMF Nooter LLC, and United Electric Company, Inc. based on substantial disputes regarding the validity, amount, and enforceability of the asserted mechanic's lien claims, including allegations of overbilling, defective work, project mismanagement, and overlapping lien claims. After TKJV was selected as the successful bidder, the parties resolved that dispute through the sale process rather than continued litigation. The Bankruptcy Court approved the Hopkinsville Sale on June 5, 2026, and the transaction closed on June 10, 2026. The sale also addressed the City of Hopkinsville mortgage and related obligations, preserved the Committee's rights to object to the purchaser's proof of claim, and included the purchaser's agreement at closing to waive an additional $40 million of its asserted secured claim, which, together with the amount credit bid under the asset purchase agreement, reduced TKJV's claim against the Debtors' estates by a total of $50 million.

3. Covington Sale.

After no other Qualified Bid (as defined in the Bid Procedures) was received for the Covington assets, the Debtors designated R3 Lithium, Inc. as the successful bidder for $3.0 million in cash, the assumption of specified liabilities, and payment of the purchaser's allocated portion of cure costs. The Bankruptcy Court approved the Covington Sale on June 30, 2026.

4. De Minimis Asset Procedures.

Following the major sale transactions, the Debtors sought approval of De Minimis Asset Procedures to monetize or abandon residual, non-core assets and to assume and assign related executory contracts where appropriate. On June 30, 2026, the Bankruptcy Court entered the order approving those procedures [Docket No. 532]. The remaining assets consist primarily of equipment, machinery, tools, spare parts, laboratory supplies, office furniture, information technology equipment, vehicles, containers, scrap materials, maintenance inventory, and other miscellaneous personal property, and

[3] For the same reason, the KEIP Motion was not pursued, because the proposed incentive plan was tied to a qualifying sale of substantially all of the Debtors' assets by a specified deadline and that performance metric became unattainable as the Debtors pursued separate transactions.

these streamlined procedures are intended to maximize recoveries and reduce unnecessary administrative costs during the wind down.

G. SETTLEMENT WITH THE UNITED STATES

The proposed DOE settlement arises from reimbursement requests submitted under the Grant Agreement for construction and commissioning of the Apex 1 Facility. After receiving information from a former employer of a subcontractor, the Debtors conducted an internal review and audit, determined that certain reimbursed contractor and subcontractor charges were excessive, duplicative, or otherwise improper, voluntarily disclosed the issues to the United States on February 18, 2025, and cooperated with DOE and the Department of Justice.

Under the DOE Settlement Agreement, the Debtors would resolve a potential liability of $15,948,453 for $7,497,555.65, of which $5,316,145.00 constitutes restitution, and the settlement amount would be satisfied through setoff or recoupment of DOE funds otherwise owed to Ascend in connection with the closeout audit, rather than an out of pocket cash payment by the Estates. Upon satisfaction of the settlement amount, the United States would release specified civil claims, and Ascend would release the United States and its agencies from related claims concerning the covered conduct, investigation, and grant closeout process. The Debtors contend that the settlement is a sound exercise of business judgment because it avoids complex and expensive litigation, resolves the Apex 1 grant closeout issues, and preserves estate resources for creditors. On July 29, 2026, the Court entered an order approving the DOE Settlement Agreement. [Docket No. 596]

H. AMCON LIEN DISPUTE

Prior to the Petition Date, the Debtors became involved in a dispute with AMCON arising from construction services performed at the Debtors' Apex 0 facility in Covington, Georgia. On or about August 8, 2025, AMCON commenced litigation against the Debtors asserting claims for unpaid construction costs and seeking to foreclose on a mechanics' lien that it recorded against the Debtors' leasehold and other real property interests at the Covington facility. The parties subsequently agreed to stay the litigation and submit the dispute to private arbitration, which was stayed upon the commencement of these Chapter 11 Cases. AMCON thereafter filed Proof of Claim No. 12 asserting a claim in the amount of approximately $9.9 million, including an asserted mechanics' lien in the amount of approximately $6.23 million.

In connection with the Covington Sale, AMCON contended that its lien attached to the sale proceeds attributable to the property subject to its asserted lien. The Debtors disputed the validity, priority, extent, and enforceability of AMCON's asserted lien and further asserted that, to the extent any valid mechanics' lien existed, it attached only to the Debtors' leasehold and other real property interests at the Covington facility and not to the personal property assets sold in the transaction. The Debtors and AMCON agreed that the disputed issues regarding the validity, priority, extent, and enforceability of AMCON's asserted lien, and the allocation of the applicable sale proceeds, would be resolved in a separate proceeding following the closing of the sale. Consistent with the Covington Sale Order, the Debtors agreed to hold $1.9 million of the sale proceeds in the Covington Proceeds Escrow pending resolution of the dispute, without prejudice to either party's rights, claims, or defenses. Pursuant to a stipulated and agreed scheduling Order [Docket No. 565] the Court approved a schedule for the Debtors, AMCON, and the Committee to litigate issues concerning the attachment of AMCON's asserted lien in advance of the Confirmation Hearing.

On August 10, 2026, the Court entered the *Stipulation and Agreed Order Between the Debtors and AMCON Industrial Resolving the AMCON Lien Dispute* [Docket No. 626], by which the Court approved a resolution of all disputes between the Debtors and AMCON on the following terms: (a) AMCON shall have: (i) an allowed secured claim in the amount of $1,175,000.00 and (ii) a general unsecured claim in the amount of $8,706,478.48, allowed solely for purposes of voting on the Debtors' Plan; (b) the Debtors shall pay the amount of AMCON's allowed secured claim within three business

days of the Court's approval of the stipulation from the Covington Proceeds Escrow, following which the balance of the Covington Proceeds Escrow shall be released to the Debtors; (c) AMCON's general unsecured claim shall be deemed waived in its entirety on the Effective Date; and (d) the exchange of mutual releases.

I. WIND-DOWN ACTIVITIES

Collectively, the Poland/IP Sale, the Hopkinsville Sale, the Covington Sale, and the proposed disposition of residual assets under the De Minimis Asset Procedures monetized substantially all of the Debtors' operating assets and generated the principal sources of funding for the Debtors' wind down and the distributions contemplated by the Plan. Following those transactions, the Debtors ceased substantially all business operations and transitioned to administering their remaining estates, resolving claims, liquidating residual assets, and preparing for distributions in accordance with the Plan.

The remaining wind-down activities include completing environmental and facility decommissioning matters, disposing of residual assets, rejecting remaining executory contracts and unexpired leases as appropriate, resolving claims, and implementing the GUC Trust structure contemplated by the Plan.

ARTICLE IV.

After Confirmation, the GUC Trustee shall file with the Bankruptcy Court and shall transmit to the U.S. Trustee a statement of all disbursements made by the GUC Trustee for each quarter, or portion thereof that these Chapter 11 Cases remain open in a format prescribed by the U.S. Trustee. Notwithstanding anything to the contrary in the Plan, the U.S. Trustee shall not be required to File a request for Administrative Claims.

Professional Fee Claims that are Allowed Claims and due and payable as of the Effective Date shall be paid by the Debtors on the Effective Date.

If a Professional does not provide an estimate, the Debtors or the GUC Trustee may estimate the unpaid and unbilled fees and expenses of such Professional.

On or prior to the Effective Date, the Debtors shall fund the Professional Fee Escrow Account in an amount equal to the Professional Fee Reserve Amount. The Debtors or the GUC Trustee, as applicable, shall use that escrow solely to pay Allowed Professional Fee Claims, and any amount remaining after payment in full of those claims shall be transferred to the GUC Trust for Distribution in accordance with the Plan.

B. ACCEPTANCE BY IMPAIRED CLASSES OF CLAIMS OR INTERESTS

In accordance with section 1126(c) of the Bankruptcy Code, and except as provided in section 1126(e) of the Bankruptcy Code, an Impaired Class of Claims shall have accepted the Plan if the Plan is accepted by the Holders of at least two-thirds (2/3) in dollar amount and more than one-half (1/2) in number of the Allowed Claims in such Class that have timely and properly voted to accept or reject the Plan. In accordance with section 1126(d) of the Bankruptcy Code and except as provided in section 1126(e) of the Bankruptcy Code, an Impaired Class of Interests shall have accepted the Plan if such Plan is accepted by Holders of at least two-thirds (2/3) in amount of the Allowed Interests in such Class that have timely and properly voted to accept or reject the Plan.

C. PRESUMED ACCEPTANCE BY UNIMPAIRED CLASSES

Because Claims in Classes 1 and 2 are Unimpaired pursuant to section 1126(f) of the Bankruptcy Code, Holders of Claims in Classes 1 and 2 are deemed to have accepted the Plan and, therefore, such Holders of Claims are not entitled to vote to accept or reject the Plan.

D. PRESUMED REJECTIONS BY IMPAIRED CLASSES

Because Holders of Claims or Interests in Classes 4, 5, and 6 are not entitled to receive or retain any property under the Plan, pursuant to section 1126(g) of the Bankruptcy Code, such Holders of Claims or Interests are presumed to have rejected the Plan and are not entitled to vote to accept or reject the Plan.

E. CONFIRMATION PURSUANT TO SECTION 1129(B) OF THE BANKRUPTCY CODE

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of the Plan by one or more of the Classes entitled to vote. To the extent that any Impaired Class rejects the Plan or is deemed to have rejected the Plan, the Debtors reserve the right to request confirmation of the Plan, as it may be modified from time to time, under section 1129(b) of the Bankruptcy Code. The Debtors reserve the right to alter, amend, modify, revoke, or withdraw the Plan, the documents submitted in support thereof or any schedule or exhibit, including to amend or modify it to satisfy the requirements of section 1129(b) of the Bankruptcy Code, if necessary.

F. CONTROVERSY CONCERNING IMPAIRMENT

If a controversy arises as to whether any Claim or Interest is Impaired under the Plan, the Bankruptcy Court shall, after notice and a hearing, determine such controversy on or before the Confirmation Date.

G. ELIMINATION OF VACANT CLASSES

Any Class of Claims or Interests that does not contain, as of the date of the commencement of the Confirmation Hearing, a Holder of an Allowed Claim or Allowed Interest, or a Holder of a Claim temporarily allowed under Bankruptcy Rule 3018, shall be considered vacant and deemed eliminated from the Plan for all purposes, including for purposes of determining acceptance of the Plan by such Class under section 1129(a)(8) of the Bankruptcy Code.

ARTICLE VII.
MEANS FOR EXECUTION OF THE PLAN

A. OPERATIONS BETWEEN THE CONFIRMATION DATE AND EFFECTIVE DATE

During the period from the Confirmation Date through the Effective Date and to the extent applicable, the Debtors may continue to operate their businesses as debtors-in-possession in the ordinary course in a manner consistent with past practice in all material respects, and as otherwise necessary to consummate the Plan, subject to all applicable orders of the Bankruptcy Court.

B. SOURCES OF CONSIDERATION FOR PLAN DISTRIBUTIONS

On the Effective Date, the Debtors or GUC Trustee, as applicable, shall fund Distributions and satisfy applicable Allowed Claims under the Plan (other than Allowed General Unsecured Claims) in accordance with the Plan. Upon completion of such Distributions, on the Effective Date, the Debtors shall transfer to the GUC Trust all remaining Cash and other GUC Trust Assets. After the Effective Date, the GUC Trustee shall fund the Disputed Claims Reserve and make Distributions to Holders of Allowed General Unsecured Claims from the GUC Trust Assets in accordance with the Plan and GUC Trust Agreement.

C. LIMITED SUBSTANTIVE CONSOLIDATION OF THE DEBTORS

The Plan constitutes a motion for the limited consolidation of the Debtors and their respective Estates solely for purposes of voting on the Plan, confirming the Plan, and making Distributions pursuant to the Plan. Voting on the Plan shall be counted on a consolidated basis. On the Effective Date, solely for purposes of voting on the Plan, objecting to the allowance of Claims provided for under the Plan, and making Distributions under the Plan: (a) the assets of the Debtors will be pooled for the purpose of paying Allowed Claims against the Debtors; (b) any Claim filed or asserted against any of the Debtors will be deemed a Claim against all of the Debtors; (c) all Claims of each Debtor against any other Debtor will be eliminated; and (d) any obligation of any of the Debtors and all guarantees

thereof executed by any of the Debtors will be deemed to be an obligation of each of the Debtors. Additionally, Holders of Allowed Claims who assert identical Claims against multiple Debtors shall be entitled to only a single satisfaction of such Claims, and any such duplicate Claims shall be deemed disallowed, expunged, and void as against the Debtors without need for the filing of a Claim Objection or further order of the Bankruptcy Court and such duplicate Claims shall receive no Distribution under the Plan.

For the avoidance of doubt, the limited consolidation described in this section shall not affect the legal and corporate structures of the Debtors. In addition, such consolidation shall not constitute a waiver of the mutuality requirement for setoff under section 553 of the Bankruptcy Code.

D. GUC TRUST

1. Establishment and purpose of GUC Trust.

On the Effective Date, the GUC Trust shall be established pursuant to the GUC Trust Agreement for the purpose of maximizing the value of the GUC Trust Assets and effectuating Distributions to the GUC Trust Beneficiaries consistent with the Plan. The GUC Trust is intended to qualify as a liquidating trust pursuant to Treasury Regulations section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidation purpose of the GUC Trust.

2. Funding of and transfer of assets to the GUC Trust.

On the Effective Date, the GUC Trust Assets shall vest automatically in the GUC Trust. The transfer of the GUC Trust Assets to the GUC Trust shall be made for the benefit and on behalf of the GUC Trust Beneficiaries. The assets comprising the GUC Trust Assets will be treated for tax purposes as being transferred by the Debtors to the GUC Trust Beneficiaries pursuant to the Plan in exchange for their Allowed Claims and then by the GUC Trust Beneficiaries to the GUC Trust in exchange for the GUC Trust Interests in the GUC Trust. The GUC Trust Beneficiaries shall be treated as the grantors and owners of the GUC Trust. Upon the transfer of the GUC Trust Assets, the GUC Trust shall succeed to all of the Debtors' rights, title and interest in the GUC Trust Assets, and the Debtors will have no further interest in or with respect to the GUC Trust Assets.

To the extent that the terms of the Plan or Confirmation Order with respect to the GUC Trust are found to be inconsistent with the terms set forth in the GUC Trust Agreement, then the terms of the Plan or Confirmation Order, as applicable, shall govern.

3. Issuance of GUC Trust Interests.

All of the GUC Trust Interests issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. On the Effective Date, the GUC Trust shall issue the GUC Trust Interests for distribution pursuant to the provisions hereof and the GUC Trust Agreement. All GUC Trust Interests to be issued shall be deemed issued as of the Effective Date regardless of the date on which they are actually distributed. For the avoidance of doubt, ownership of a GUC Trust Interest will not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except the book entry system.

4. Appointment of the GUC Trustee.

As of the Effective Date, the GUC Trustee shall be the person or entity chosen by the Committee in its sole discretion and identified in the Plan Supplement.

5. Powers and Duties of the GUC Trustee.

As of the Effective Date, the GUC Trustee on behalf of the GUC Trust may control and exercise authority over the GUC Trust Assets, over the acquisition, management, and disposition of the GUC Trust Assets, and over the management and conduct of the affairs of the GUC Trust, including the potential pursuit of the GUC Trust Claims for the benefit of the GUC Trust and the GUC Trust Beneficiaries. In connection therewith, the GUC Trustee shall have standing before the Bankruptcy Court to pursue or not to pursue any and all Causes of Action that constitute GUC Trust Assets, as the GUC Trustee determines are in the best interests of the GUC Trust Beneficiaries and consistent with the purposes of the GUC Trust, the Sale Order, and the Confirmation Order. In administering the GUC Trust Assets, the GUC Trustee shall endeavor not to unduly prolong the GUC Trust's duration, with due regard that undue haste in the administration of the GUC Trust Assets may fail to maximize value for the GUC Trust Beneficiaries and otherwise be imprudent and not in the best interests of the GUC Trust Beneficiaries. Without limiting the generality of the foregoing, but subject to the Sale Order and the Confirmation Order, and the provisions of the GUC Trust Agreement, the GUC Trustee shall be expressly authorized to, with respect to the GUC Trust and the GUC Trust Assets:

(a) exercise all power and authority that may be or could have been exercised, commence all proceedings that may be or could have been commenced, and take all actions that may be or could have been taken with respect to the GUC Trust Assets, by any officer, director, member, manager, shareholder, or other party acting in the name of the Debtors or their Estates with like effect as if duly authorized, exercised, and taken by action of such officers, directors, members, managers, shareholders, or other party.

(b) open and maintain bank accounts on behalf of or in the name of the GUC Trust and designate additional authorized signers on bank accounts as may be necessary, calculate and make Distributions, and take other actions consistent with the Sale Order, the Confirmation Order, and the implementation thereof, including the establishment, re-evaluation, adjustment, and maintenance of appropriate reserves, in the name of the GUC Trust.

(c) receive, manage, invest, supervise, and protect the GUC Trust Assets.

(d) hold legal title to any and all GUC Trust Assets.

(e) collect and liquidate all GUC Trust Assets and make Distributions consistent with the GUC Trust Agreement and the Plan.

(f) review and, where appropriate, object to Claims payable out of the GUC Trust Assets pursuant to the Plan or the Bankruptcy Code, and, subject to the terms thereof, supervise and administer the resolution, settlement and payment of claims payable out of the GUC Trust Assets pursuant to the Plan or the Bankruptcy Code, and the Distribution to the GUC Trust Beneficiaries, in accordance with the GUC Trust Agreement and the Plan.

(g) act in the same fiduciary capacity as applicable to a board of managers and officers, subject to the provisions of the GUC Trust Agreement and the Plan.

(h) as applicable, (i) seek a determination of tax liability under Bankruptcy Code section 505; (ii) file if necessary, any and all tax and information returns required with respect to the GUC Trust; (iii) make tax elections for and on behalf of the GUC Trust; and (iv) pay taxes, if any, payable for and on behalf of the GUC Trust.

(i) pay all lawful expenses, debts, charges, taxes, and liabilities of the GUC Trust.

(j) make Distributions to the GUC Trust Beneficiaries as provided for, or contemplated by the GUC Trust Agreement and the Plan.

(k) withhold from the amount distributable to any person such amount as may be sufficient to pay any tax or other charge which the GUC Trustee has determined, in the GUC Trustee's sole discretion, may be required to be withheld therefrom under the income tax laws of the United States, any foreign country, or of any state, local, or political subdivision of any of the foregoing.

(l) enter into any agreement or execute any document or instrument required by or consistent with the GUC Trust Agreement and perform all obligations thereunder.

(m) if any of the GUC Trust Assets are situated in any state or other jurisdiction in which the GUC Trustee is not qualified to act as trustee, nominate and appoint a person duly qualified to act as trustee in such state or jurisdiction and require from each such trustee such security as may be designated by the GUC Trustee in the GUC Trustee's discretion; confer on such trustee all the rights, powers, privileges, and duties of the GUC Trustee under the GUC Trust Agreement, subject to the conditions and limitations of the GUC Trust Agreement, except as modified or limited by the GUC Trustee and except where the conditions and limitations may be modified by the laws of such state or other jurisdiction (in which case, the laws of the state or other jurisdiction in which such trustee is acting shall prevail to the extent necessary); require such trustee to be answerable to the GUC Trustee for all monies, assets, and other property that may be received in connection with the administration of all property; and, remove such trustee, with or without cause, and appoint a successor trustee at any time by the execution by the GUC Trustee of a written instrument declaring such trustee removed from office, and specifying the effective date and time of removal.

(n) purchase and carry all insurance policies and pay all insurance premiums and costs the GUC Trustee deems reasonably necessary or advisable.

(o) retain and compensate, without further order of the Bankruptcy Court, the services of employees, professionals, and consultants to advise and assist in the administration, prosecution and distribution of the GUC Trust Assets, to be paid solely from the funds held in trust for the GUC Trust Beneficiaries for which such costs, expenses, and obligations were incurred; *provided,* that for the avoidance of doubt and sake of efficiency, the GUC Trust may retain the same professionals and/or consultants as previously retained by the Debtors or the Committee, unless any actual conflicts arise that may not be waived with the consent of the GUC Trust and GUC Trustee.

(p) implement, enforce, or discharge all of the terms, conditions and all other provisions of, and all duties and obligations under, the GUC Trust Agreement relating to the GUC Trust, the GUC Trust Assets, or the GUC Trustee.

(q) invest in demand and time deposits in banks or savings institutions, or temporary investments such as short term certificates of deposit or Treasury bills or other investments that a "liquidating trust" within the meaning of Treasury Regulations section 301.7701-4(d) may be permitted to hold, pursuant to the Treasury Regulations or any modification in IRS guidelines, whether set forth in IRS rulings, revenue procedures, other IRS pronouncements or otherwise.

(r) investigate and prosecute any and all GUC Trust Claims and compromise or settle such GUC Trust Claims.

(s) take all other actions that the GUC Trustee deems reasonably necessary or desirable to administer the GUC Trust in accordance with the GUC Trust Agreement.

6. <u>Fees and Expenses of the GUC Trust</u>.

Subject to payment in full of all Allowed Administrative Claims, and except as otherwise ordered by the Bankruptcy Court, the GUC Trust Expenses incurred on or after the Effective Date shall be paid in accordance with the GUC Trust Agreement without further order of the Bankruptcy Court.

7. Disputed Claims Reserve.

GUC Trust Assets reserved for Holders of Disputed Claims shall be treated as one or more Disputed Claims Reserves. The GUC Trustee shall treat each Disputed Claims Reserve as a "disputed ownership fund" governed by Treasury Regulation § 1.468B-9 (and make any appropriate elections consistent with such tax treatment). The GUC Trustee shall be the administrator of the Disputed Claims Reserves within the meaning of Treasury Regulation § 1.468B-9(b)(2) and shall be responsible for all Tax reporting and withholding required by the Disputed Claims Reserves. No Holder of a Claim will be treated as the grantor or deemed owner of any asset reserved for Disputed Claims until such Holder receives or is allocated an interest in such asset.

8. Resignation/Removal of the GUC Trustee.

The GUC Trustee may resign at any time upon thirty days' written notice delivered to the Bankruptcy Court; *provided*, that such resignation shall only become effective upon the appointment of a permanent or interim successor GUC Trustee, unless the GUC Trustee determines in the GUC Trustee's reasonable judgment that the GUC Trust lacks sufficient assets and financial resources, after reasonable collection efforts, to complete the duties and powers assigned to the GUC Trustee under the Sale Order, the Confirmation Order, and the GUC Trust Agreement, in which case such resignation may become effective without appointment of a successor GUC Trustee. The GUC Trustee may be removed by the Bankruptcy Court upon motion and after notice and a hearing, which motion may be brought by any party in interest. In the event of the resignation, death, disability, dissolution, or removal of the GUC Trustee, a replacement GUC Trustee shall be appointed in accordance with the GUC Trust Agreement.

9. Termination.

The GUC Trustee shall be discharged and the GUC Trust shall be terminated, at such time as: (i) (A) all of the GUC Trust Assets have been liquidated or the Allowed Claims of the GUC Trust Beneficiaries have been satisfied, (B) all duties and obligations of the GUC Trustee under the GUC Trust Agreement have been fulfilled, and (C) all Distributions required to be made by the GUC Trustee under the GUC Trust Agreement, and the Plan have been made; or (ii) the GUC Trustee determines in the GUC Trustee's reasonable judgment that the GUC Trust lacks sufficient assets and financial resources, after reasonable collection efforts, to complete the duties and powers assigned to the GUC Trustee under the GUC Trust Agreement and/or the Plan.

E. RETAINED CAUSES OF ACTION

Except as otherwise provided herein, as of the Effective Date, in accordance with section 1123(b) of the Bankruptcy Code, each Retained Cause of Action shall be preserved and, along with the exclusive right to enforce such Cause of Action, shall vest exclusively in the GUC Trust. The Debtors or GUC Trust, as applicable, expressly reserve the Retained Causes of Action for later adjudication and, accordingly, no doctrine of res judicata, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise), laches or other preclusion doctrine shall apply to the Retained Causes of Action as a consequence of the Confirmation, the Plan, the vesting of such Causes of Action in the GUC Trust, any order of the Bankruptcy Court or these Chapter 11 Cases. No Person may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as an indication that the Debtors or the GUC Trust, as applicable, will not pursue such Cause of Action. The Retained Causes of Action Schedule shall be included in the Plan Supplement. The inclusion or failure to include any Retained Cause of Action in the Plan Supplement shall not be deemed an admission, denial or waiver of any claims, rights or Causes of

Action that the Debtors, the Estates, or the GUC Trust may hold against any Person. For the avoidance of doubt, the Retained Causes of Action shall not include (i) any Causes of Action against any Released Party to the extent released herein or (ii) any Causes of Action released by the Debtors pursuant to an order of the Bankruptcy Court, including, but not limited to, the Cash Collateral Orders and the Sale Orders.

On the Effective Date, the GUC Trust or the GUC Trustee, as applicable, shall be deemed to be substituted as a party to any Retained Causes of Action litigation to which a Debtor is a party, including (but not limited to): (a) contested matters or adversary proceedings pending in the Bankruptcy Court; (b) any appeals of orders of the Bankruptcy Court; and (c) any state court or federal or state administrative proceedings.

OTHER THAN AS EXPRESSLY SET FORTH HEREIN, THE PLAN DOES NOT, AND IS NOT INTENDED TO, RELEASE ANY CAUSE OF ACTION, INCLUDING ANY AVOIDANCE ACTIONS OR OBJECTIONS TO PROOFS OF CLAIM. ALL SUCH RIGHTS ARE SPECIFICALLY PRESERVED, UNLESS SPECIFICALLY RELEASED UNDER THE PLAN.

F. DISSOLUTION OF THE COMMITTEE

The Committee shall be dissolved automatically on the Effective Date and the members of the Committee (solely in their capacities as such) and the Committee's Professionals (solely in their capacity as such) shall be released from all their duties relating to the Chapter 11 Cases, except with respect to (a) any applications for Professional Fee Claims or expense reimbursements for members of the Committee, including preparing same, objecting to same, defending same and attending any hearing with respect to same; and (b) any motions or other actions seeking enforcement or implementation of (i) the Plan or (ii) the Confirmation Order.

On the Effective Date, the Debtors' Professionals (solely in their capacity as such) shall be discharged and released from all their duties relating to the Chapter 11 Cases, except with respect to (a) any applications for Professional Fee Claims, including preparing same, objecting to same, defending same and attending any hearing with respect to same; and (b) any motions or other actions seeking enforcement or implementation of (i) the Plan or (ii) the Confirmation Order.

G. CANCELLATION OF SECURITIES, AGREEMENTS, AND INSTRUMENTS

Except as otherwise provided in the Plan, the Plan Supplement, the Confirmation Order, or any agreement, instrument, or other document incorporated in the Plan or the Plan Supplement, on the Effective Date: (i) the obligations of the Debtors under the Cash Collateral Orders, and each certificate, share, note, purchase right, option, warrant, intercreditor agreement, guaranty, indemnity, mortgage, deed of trust, or other instrument or document, directly or indirectly, evidencing or creating any indebtedness or ownership interest in the Debtors or giving rise to any Claim or Interest shall be cancelled or extinguished and the Debtors and the GUC Trustee, as applicable, shall not have any continuing obligations thereunder; and (ii) the obligations of the Debtors pursuant, relating, or pertaining to any agreements, certificates of designation, bylaws, or certificates or articles of incorporation or similar documents governing the shares, certificates, or other instruments or documents evidencing or creating any indebtedness or obligation of, or Claims against or Interests in, the Debtors shall be released and discharged; *provided*, that notwithstanding the releases set forth in Article XIII.F of the Plan, any such agreement may continue in effect solely for purposes of enabling Holders of Allowed Claims and Allowed Interests to receive Distributions under the Plan as provided herein and preserving any surviving indemnification, reimbursement, or similar obligations expressly preserved under the Confirmation Order or applicable Sale Orders.

H. CORPORATE ACTION

On the Effective Date, all matters expressly provided for under the Plan that would otherwise require approval of the shareholders or directors and/or managers, as applicable, of one or more of the Debtors, including, but not limited to, the dissolution or merger of any of the Debtors, shall be deemed to have occurred and shall be in effect upon the Effective Date pursuant to the applicable general corporation law of the states in which the Debtors are incorporated without any requirement of action by the shareholders or directors and/or managers, as applicable, of the Debtors.

I. RESIGNATION OF OFFICERS AND DIRECTORS

Upon the Effective Date, the directors and/or manager and officers of the Debtors shall be deemed to have resigned, without further action. Upon the Effective Date, the GUC Trustee shall be empowered and authorized to act on behalf of the Debtors and to take all such actions and measures as necessary to implement the Plan, which actions or measures would otherwise be taken by an officer or a director of the Debtors.

ARTICLE VIII.
DISTRIBUTIONS

A. PROVISIONS GOVERNING DISTRIBUTIONS

1. Distributions.

The GUC Trustee will serve without bond and shall make all Distributions under the Plan. Any Distributions to be made by the GUC Trustee pursuant to the Plan shall be made to the Holders of Allowed Claims in accordance with the terms and provisions of Article IV and Article V of this Combined Disclosure Statement and Plan. To the extent required by applicable law, the GUC Trustee shall comply with all tax withholding and reporting requirements imposed on her by any Governmental Unit, and all Distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. The GUC Trustee may require any Holder of an Allowed Claim entitled to a Distribution under the Plan to furnish its, his, or her employer or taxpayer identification number (the "***TIN***") assigned by the Internal Revenue Service. Any Distribution under the Plan may be conditioned on the receipt of such TIN. If any such Holder of an Allowed Claim entitled to a Distribution hereunder fails to provide a requested TIN within thirty days after the request thereof, then such failure shall be deemed to be a waiver of such Holder's interest in such Distribution, including the right to receive any future Distributions. The GUC Trustee may but shall not be required to make any Distribution of less than $100.00.

2. Delivery of Distributions.

Distributions and deliveries to Holders of Allowed Claims shall be made at the addresses set forth on the Debtors' Schedules and/or Proofs of Claim Filed by such Holders (if such Proofs of Claim have been Filed), or at the last known addresses of such Holders if no Proof of Claim is Filed; or if the GUC Trustee has been notified of a change of address, at the address set forth in such notice.

3. Undeliverable Distributions.

If any Distribution is returned as undeliverable, the GUC Trustee may, in its sole discretion, make such efforts to determine the current address of the Holder of the Allowed Claim with respect to which the Distribution was made as the GUC Trustee deems appropriate, but no Distribution to any Holder shall be made unless and until the GUC Trustee has determined the then-current address of the Holder, at which time the Distribution to such Holder shall be made to the Holder without interest. Amounts in respect of any undeliverable Distributions made by the GUC Trust shall be returned to, and held in trust by, the GUC Trust until the Distributions are claimed or are deemed to be unclaimed

property under section 347(b) of the Bankruptcy Code at the expiration of ninety days from the date the Distribution is made ("***Unclaimed Property***"). In the event that any Distribution to a Holder of an Allowed Claim becomes Unclaimed Property, such Distributions will revert to the GUC Trust as an asset of the GUC Trust.

4. Special Rules for Distributions to Holders of Disputed Claims.

Notwithstanding any provision otherwise in the Plan and except as may be agreed to by, as applicable, the Debtors or the GUC Trustee, as applicable, on the one hand, and the Holder of a Disputed Claim, on the other hand, no partial payments and no partial Distributions shall be made with respect to any Disputed Claim, other than with respect to Professional Fee Claims, until all Disputed Claims held by the Holder of such Disputed Claim have become Allowed Claims or have otherwise been resolved by settlement or Final Order.

5. Time Bar to Cash Payments By Check.

Checks issued by the GUC Trust to Holders of Allowed Claims shall be null and void if not negotiated within 120 days after the date of issuance thereof. Requests for the reissuance of any check that becomes null and void pursuant to this provision shall be made directly to the GUC Trustee by the Holder of such Allowed Claim to whom the check was originally issued. Any Allowed Claim in respect of such voided check shall be made in writing on or before the later of the first anniversary of the Effective Date or the first anniversary of the date on which the Claim at issue became an Allowed Claim. After that date, all Allowed Claims in respect of voided checks shall be discharged and forever barred and the proceeds of those checks shall revest in and become property of the GUC Trust as Unclaimed Property.

6. Setoffs and Recoupment.

The GUC Trustee may, but shall not be required to, setoff against, recoup from, any Claim (and the payments or other Distributions to be made pursuant to the Plan in respect of such Claim) of any nature whatsoever that the Debtors may have had against the Holder of such Claim; *provided, however*, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors, the Estates, or the GUC Trust of any such Claim that the Debtors, the Estates, or the GUC Trust has or may have against such Holder.

B. PROCEDURES FOR RESOLVING AND TREATING DISPUTED AND CONTINGENT CLAIMS AGAINST THE DEBTORS

1. Objection Deadline.

Unless a different date is set by order of the Bankruptcy Court, all Claim Objections shall be served and Filed no later than one hundred eighty days after the Effective Date or twenty (20) days after a particular Proof of Claim is Filed, whichever is later; *provided, however*, that such deadline may be extended pursuant to a motion filed with the Court by the GUC Trustee. Any proof of Claim filed after the Bar Date shall be of no force and effect, shall be deemed disallowed and expunged, and will not require objection.

2. Responsibility for Objecting to Claims.

Prior to the Effective Date, all parties identified by the Bankruptcy Rules may file objections to Claims. From and after the Effective Date, the GUC Trustee shall have the exclusive authority to file, settle, compromise, withdraw, or litigate to judgment any objections to Claims, including without limitation, any objections to Claims filed by the Debtors prior to the Effective Date.

3. No Distribution Pending Resolution of Claims.

Notwithstanding any other provision of the Plan, no payment or Distribution shall be made with respect to any Claim until such Claim becomes an Allowed Claim. To the extent that the GUC Trustee makes a Distribution while a Claim is subject to a Claim Objection Filed with the Bankruptcy Court, the GUC Trustee shall hold in reserve such Holder's *pro rata* portion of the Distribution (the "***Reserve Amount***"). If such Holder's Claim is allowed by the Bankruptcy Court or agreement between the GUC Trustee and the Holder, the GUC Trustee shall distribute the Reserve Amount to such Holder. If such Holder's Claim is disallowed by the Bankruptcy Court, the GUC Trustee shall distribute the Reserve Amount *pro rata* to all other applicable Holders of Allowed Claims.

ARTICLE IX.
CONFIRMATION AND CONSUMMATION OF THE PLAN

A. CONDITIONS PRECEDENT TO THE EFFECTIVE DATE

Each of the following is a condition precedent to the occurrence of the Effective Date:

1. the final version of the Plan Supplement and all of the schedules, documents, and exhibits contained therein, and all other schedules, documents, supplements and exhibits to the Plan, including the GUC Trust Agreement, shall have been filed;

2. the Bankruptcy Court shall have entered the Confirmation Order and the Confirmation Order shall be a Final Order in full force and effect with no stay or vacation thereof then in effect;

3. all U.S. Trustee Fees shall have been paid in full; and

4. all other actions, documents, and agreements necessary to implement and consummate the Plan, including, without limitation, all actions, documents, and agreements necessary to implement any transactions contemplated under the Plan, shall have been effectuated or executed.

B. WAIVER OF CONDITIONS TO THE EFFECTIVE DATE

Any of the conditions to consummation of the Plan set forth in Article IX.A may be waived in whole or in part with the prior written consent of the Debtors and the Committee without any notice to or approval of other parties in interest or the Bankruptcy Court.

C. SUBSTANTIAL CONSUMMATION

"Substantial consummation" of the Plan, as such term is defined in section 1101(2) of the Bankruptcy Code, shall be deemed to occur on the Effective Date.

D. NOTICE OF OCCURRENCE OF EFFECTIVE DATE

Within five (5) Business Days after the occurrence of the Effective Date, the GUC Trustee shall file with the Bankruptcy Court and serve a *Notice of Occurrence of Effective Date* that informs all Holders of Claims and Interests of (i) the Confirmation of the Plan and occurrence of the Effective Date; (ii) notice of the Professional Fee Claims Bar Date; and (iii) such other matters as the GUC Trustee deems appropriate or as may be ordered by the Bankruptcy Court.

E. EFFECT OF NON-OCCURRENCE OF THE EFFECTIVE DATE

If each of the conditions specified in this Article have not been satisfied or waived in the manner provided herein within ninety days after the Confirmation Date, then: (i) the Confirmation Order shall be vacated and of no further force or effect; (ii) no Distributions under the Plan shall be made; (iii) the

Debtors and all Holders of Claims against or Interests in the Debtors shall be restored to the status quo as of the day immediately preceding the Confirmation Date as though the Confirmation Date had never occurred; and (iv) all of the Debtors' obligations with respect to Claims and Interests shall remain unaffected by the Plan and nothing contained herein shall be deemed to constitute a waiver or release of any Claims by or against the Debtors or any other Entity or to prejudice in any manner the rights of the Debtors or any Entity in any further proceedings involving the Debtors, and the Plan shall be deemed withdrawn. Upon such occurrence, the Debtors shall File a written notification with the Bankruptcy Court and serve it upon such parties as the Bankruptcy Court may direct.

ARTICLE X.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

On the Effective Date, except to the extent otherwise set forth herein, all executory contracts and unexpired leases that have not previously been rejected pursuant to the First Rejection Notice, the Second Rejection Notice, the Third Rejection Notice, or another order or notice of the Bankruptcy Court, and that are not expressly assumed or assumed and assigned to the Purchaser pursuant to the APAs, will be deemed rejected as of the Effective Date in accordance with, and subject to, sections 365 and 1123 of the Bankruptcy Code; *provided*, *however*, nothing in this Article shall cause the rejection, breach, or termination of any Insurance Policies benefiting the Debtors and the Estates, the Debtors' officers, managers and directors, and/or the GUC Trust. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of all rejections of executory contracts and unexpired leases pursuant to this Article and sections 365(a) and 1123 of the Bankruptcy Code.

Any executory contract or unexpired lease previously rejected pursuant to the First Rejection Notice, the Second Rejection Notice, the Third Rejection Notice, or any other applicable notice or order shall be deemed rejected as of the rejection date set forth in such notice or order. All such previously rejected executory contracts and unexpired leases shall be treated as if such contracts or leases had been breached on the date immediately preceding the Petition Date, and any Claim arising from such rejection shall—to the extent asserted in a timely filed Proof of Claim—be classified as a Class 3 General Unsecured Claim for damages incurred as a result of the rejection. To the extent that any such rejection damage Claim is not asserted in a timely filed Proof of Claim, such Claim shall be forever barred and unenforceable against the Debtors' Estates.

To the extent executory, the APAs, and any other documents related to the Sale, shall be assumed. Further, the executory contracts and unexpired leases to be assumed on the Effective Date are identified on the Schedule of Assumed Contracts included in the Plan Supplement. The Debtors reserve the right to amend the Schedule of Assumed Contracts at any time prior to the Effective Date.

Any Entity holding a Claim arising from the rejection of an executory contract or unexpired lease pursuant to the First Rejection Notice, the Second Rejection Notice, the Third Rejection Notice, or any other rejection notice filed under the Rejection Procedures Order must file a Proof of Claim by the later of (i) the applicable Bar Date, (ii) 35 days after the date of filing of the applicable rejection notice, or (iii) if a Rejection Objection is timely and properly filed, 30 days after such objection is resolved, overruled, withdrawn, or adjudicated. Any Entity holding a Claim arising from the rejection of an executory contract or unexpired lease under this Plan must file a Proof of Claim by the Rejection Damages Bar Date. Claims arising from rejection under this Plan shall be treated as if such contracts or leases had been breached on the date immediately preceding the Petition Date and, to the extent timely filed, shall be classified as Class 3 General Unsecured Claims. For the avoidance of doubt, because the Second Rejection Notice was filed on July 3, 2026, and the Third Rejection Notice was filed on July 10, 2026, any Claim arising therefrom shall be due no earlier than August 7, 2026 and August 14, 2026, respectively, unless a Rejection Objection is timely and properly filed. Any rejection damages Claim not timely filed shall be forever barred and unenforceable against the Debtors, their Estates, and the property of the foregoing.

ARTICLE XI.
MODIFICATIONS AND AMENDMENTS

The Debtors may alter, amend, or modify the Plan or any exhibits or schedules hereto under section 1127(a) of the Bankruptcy Code at any time prior to the Confirmation Date. After the Confirmation Date but prior to substantial Consummation of the Plan, any material or substantive alteration, amendment, or modification of the Plan or any exhibits or schedules hereto shall require the prior written consent of the Committee or, after the Effective Date, the GUC Trustee. Any Holder of a Claim that has accepted the Plan shall be deemed to have accepted the Plan, as altered, amended, or modified, if the proposed alteration, amendment, or modification does not materially and adversely change the treatment of the Claim of such Holder.

Entry of the Confirmation Order shall mean that all modifications or amendments to the Plan occurring after the solicitation thereof and on or before the Confirmation Date are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

ARTICLE XII.
RETENTION OF JURISDICTION

Pursuant to sections 105(a) and 1142 of the Bankruptcy Code, and notwithstanding entry of the Confirmation Order and the occurrence of the Effective Date, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Cases and the Plan to the fullest extent permitted by law, including, among other things, jurisdiction to:

1. allow, disallow, determine, subordinate, liquidate, classify, estimate or establish the priority or secured or unsecured status of any Claim or Interest (whether Filed before or after the Effective Date and whether or not contingent, disputed, or unliquidated or for contribution, indemnification, or reimbursement), including the compromise, settlement, and resolution of any request for payment of any Claims or Interests, the resolution of any objections to the allowance or priority of Claims or Interests, and to hear and determine any other issue presented hereby or arising hereunder, including during the pendency of any appeal relating to any objection to such Claim or Interest to the extent permitted under applicable law;

2. grant or deny any applications for allowance of compensation or reimbursement of expenses authorized pursuant to the Bankruptcy Code or the Plan, for periods ending on or before the Effective Date;

3. determine and resolve any matters related to (i) the assumption, assumption and assignment, or rejection of any executory contract or unexpired lease to which the Debtors are a party or with respect to which the Debtors may be liable, and to hear, determine and, if necessary, liquidate any Claims arising therefrom; and (ii) any dispute regarding whether a contract or lease is or was executory or expired;

4. ensure that all Distributions to Holders of Allowed Claims under the Plan and the performance of the provisions of the Plan are accomplished as provided herein and resolve any issues relating to Distributions to Holders of Allowed Claims pursuant to the provisions of the Plan;

5. construe, take any action and issue such orders, prior to and following the Confirmation Date and consistent with section 1142 of the Bankruptcy Code, as may be necessary for the enforcement, implementation, execution and Consummation of the Plan and all contracts, instruments, releases, other agreements or documents created in connection with the Plan, including, without limitation, the Disclosure Statement and the

Confirmation Order, for the maintenance of the integrity of the Plan in accordance with sections 524 and 1141 of the Bankruptcy Code following the occurrence of the Effective Date;

6. determine and resolve any cases, controversies, suits or disputes that may arise in connection with the Consummation, interpretation, implementation or enforcement of the Plan (and all exhibits and schedules to the Plan) or the Confirmation Order, including the releases and injunction provisions set forth in and contemplated by the Plan or the Confirmation Order, or any Entity's rights arising under or obligations incurred in connection therewith;

7. modify this Plan or the Confirmation Order before or after the Effective Date, pursuant to section 1127 of the Bankruptcy Code, as well as any contract, instrument, release, or other agreement or document created in connection with the Plan, the Disclosure Statement, or the Confirmation Order, or remedy any defect or omission or reconcile any inconsistency in any Bankruptcy Court order, the Plan, the Disclosure Statement, the Confirmation Order or any contract, instrument, release, or other agreement or document created in connection with this Plan or the Confirmation Order, in such manner as may be necessary or appropriate to consummate the Plan, to the extent authorized by the Bankruptcy Code and the Plan;

8. issue injunctions, enter and implement other orders, or take such other actions as may be necessary or appropriate to restrain interference by any entity with Consummation, implementation, or enforcement of the Plan or the Confirmation Order;

9. enter and implement such orders as may be necessary or appropriate if the Confirmation Order is for any reason reversed, stayed, revoked, modified, or vacated;

10. determine any other matters that may arise in connection with or relating to the Plan, the Disclosure Statement, the Confirmation Order or any contract, instrument, release, or other agreement or document created in connection with this Plan or the Confirmation Order;

11. hear and determine any and all adversary proceedings, motions, applications, and contested or litigated matters, including, but not limited to, all GUC Trust Claims, and consider and act upon the compromise and settlement of any Claim, Interest, or Cause of Action;

12. enforce all orders, judgments, injunctions, releases, exculpations, indemnifications and rulings entered in connection with the Chapter 11 Cases;

13. hear and determine matters concerning state, local and federal taxes in accordance with sections 346, 505 and 1146 of the Bankruptcy Code;

14. determine and resolve controversies related to the Estates, the Debtors, or the GUC Trust from and after the Effective Date;

15. determine such other matters and for such other purposes as may be provided in the Confirmation Order;

16. hear and determine any other matter relating to this Plan;

17. hear any other matter not inconsistent with the Bankruptcy Code; and

18. enter a final decree closing any or all of the Chapter 11 Cases.

Nothing herein limits the jurisdiction of the Bankruptcy Court to interpret and enforce the Plan and all contracts, instruments, releases, indentures, and other agreements or documents created in connection with the Plan, or the Plan Supplement, without regard to whether the controversy with respect to which such interpretation or enforcement relates may be pending in any state or other federal court of competent jurisdiction.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in this Article XII, the provisions of this Article XII shall have no effect on and shall not control, limit, or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Unless otherwise specifically provided herein or in a prior order of the Bankruptcy Court, the Bankruptcy Court shall have exclusive jurisdiction to hear and determine disputes concerning Claims against or Interests in the Debtors that arose prior to the Effective Date.

ARTICLE XIII.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. COMPROMISE AND SETTLEMENT OF CLAIMS, INTERESTS, AND CONTROVERSIES

Pursuant to sections 363 and 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the Distributions, releases, and other benefits provided pursuant to the Plan, which Distributions, releases, and other benefits shall be irrevocable and not subject to challenge upon the Effective Date, the provisions of the Plan, and the Distributions, releases, and other benefits provided hereunder, shall constitute a good faith compromise and settlement of all Claims and Interests and controversies resolved pursuant to the Plan.

The Plan shall be deemed a motion to approve the good faith compromise and settlement of all such Claims, Interests, and controversies, pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise and settlement of all such Claims, Interests, and controversies, as well as a finding by the Bankruptcy Court that all such compromises and settlements are in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and are fair, equitable, and reasonable. In accordance with the provisions of the Plan, pursuant to Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Court, after the Effective Date, the GUC Trustee, may compromise and settle Claims against, and Interests in, the Debtors and their Estates and GUC Trust Claims against other Entities. This is a liquidating Plan, and the Debtors do not intend to engage in operations after Confirmation. Notwithstanding the foregoing, the entry of the Confirmation Order will operate as a general resolution with prejudice, as of the Effective Date, of all pending legal proceedings, if any, against the Debtors and their assets and properties and any proceedings not yet instituted against the Debtors or their assets and properties, except as otherwise provided in the Plan or the Confirmation Order.

B. RELEASE OF LIENS

Except as otherwise specifically provided in the Plan or in any other contract, instrument, agreement or document created pursuant to the Plan or the Plan Supplement, on the Effective Date and concurrently with the applicable Distributions or other treatment made pursuant to the Plan, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert to the GUC Trust and its successors and assigns, in each case, without any further approval or

order of the Bankruptcy Court and without any action or Filing being required from the Debtors or the GUC Trustee, as applicable.

C. RELEASES BY THE DEBTORS

Pursuant to section 1123(b) of the Bankruptcy Code, on and after the Effective Date, in exchange for good and valuable consideration, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, each Released Party will be deemed conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged by each and all of the Debtors, the GUC Trust, and their respective Estates, as applicable, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all Causes of Action, whether known or unknown, including any derivative claims asserted or assertable on behalf of any of the Debtors, that the Debtors, the GUC Trust, or their respective Estates or Affiliates, as applicable, would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the governance, management, ownership, or operation thereof), the Debtors' capital structure, the assertion or enforcement of rights and remedies against the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions between or among the Debtors and/or their Affiliates, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the GUC Trust, as applicable, and the ownership thereof, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Chapter 11 Cases and any related adversary proceedings and related prepetition activities, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Cash Collateral Orders, the Prepetition Note Documents, the applicable asset purchase agreements, the sale transactions, the Disclosure Statement, the Plan, or the Plan Supplement, the Debtors' restructuring efforts, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion, any action or actions taken in furtherance or consistent with administration of the Plan, the issuance or distribution of any debt and/or securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any obligations of any Entity arising on or after the Effective Date under the Plan, the Confirmation Order, any applicable asset purchase agreement, any restructuring transaction, any assumed executory contract or unexpired lease, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or an applicable section 363 asset sale; and (b) any Entity from any claim or Causes of Action related to an act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence by such Entity.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by the Debtors and their respective Estates set forth in this Article XIII.D, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the Claims and Causes of Action

released by such releases; (3) in the best interests of the Debtors and their respective Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors, their Estates, or the GUC Trustee, as applicable, asserting any Claim or Cause of Action released pursuant to such releases. For the avoidance of doubt, the Non-Released Parties are not Released Parties and are not subject to the releases set forth in this Article XIII.D.

D. RELEASES BY THE RELEASING PARTIES

As of the Effective Date, in exchange for good and valuable consideration, including the obligations of the Debtors under the Plan, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, each of the Releasing Parties, in each case on behalf of itself and its respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, will be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged each Debtor and other Released Party from any and all Causes of Action, whether known or unknown, that such Entity would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors (including the governance, management, ownership or operation thereof), the Debtors' capital structure, the assertion or enforcement of rights and remedies against the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions between or among the Debtors and/or their Affiliates, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the GUC Trust, as applicable, and the ownership thereof, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Cash Collateral Orders, the Prepetition Note Documents, the applicable asset purchase agreements, and the sale transactions, the Chapter 11 Cases and any related adversary proceedings and related prepetition activities, the formulation, preparation, dissemination, negotiation, filing, or consummation of the Plan, or any contract, instrument, release, or other agreement or document created or entered into in connection with the Cash Collateral Orders, the Prepetition Note Documents, the applicable asset purchase agreements, the sale transactions, the Disclosure Statement, the Plan, or the Plan Supplement, the Debtors' restructuring efforts, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion, any action or actions taken in furtherance or consistent with administration of the Plan, the issuance or distribution of any debt and/or securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date.

Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (a) any obligations of any Entity arising on or after the Effective Date under the Plan, the Confirmation Order, any applicable asset purchase agreement, any restructuring transaction, any assumed executory contract or unexpired lease, or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan or an applicable section 363 asset sale, (b) any Entity from any claim or Causes of Action related to an act or omission that is determined in a Final Order by a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence by such Entity, (c) any of the Debtors' commercial tort claims and Avoidance Actions transferred to the GUC Trust, or (d) the Debtors of their obligations under the Cash Collateral Orders to the Prepetition Secured Parties.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the releases by Holders of Claims and Interests set forth in this Article XIII.E, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that such releases are: (1) in exchange for the good and valuable consideration provided by the Released Parties; (2) a good faith settlement and compromise of the Claims and Causes of Action released by such releases; (3) in the best interests of the Debtors and their Estates; (4) fair, equitable and reasonable; (5) given and made after due notice and opportunity for hearing; (6) an essential component of the Plan; and (7) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to such releases. For the avoidance of doubt, the Non-Released Parties are not Released Parties and are not subject to the releases set forth in this Article XIII.E.

E. EXCULPATION AND LIMITATION OF LIABILITY

Except as otherwise specifically provided in the Plan, and to the fullest extent permissible under applicable law, no Exculpated Party will have or incur any liability to any Holder of a Claim or Interest, or any other party in interest, or any of their respective agents, employees, representatives, financial advisors, attorneys, or affiliates, or any of their successors or assigns, for any act or omission in connection with, relating to, or arising out of, the solicitation of votes to accept the Plan, the Chapter 11 Cases, any section 363 asset sale, the pursuit of Confirmation, the pursuit of Consummation, or the administration of the Plan or the property to be distributed under the Plan, or any transaction under the Plan, contract, instrument, or document or transaction approved by the Bankruptcy Court in the Chapter 11 Cases, except for their actual fraud, gross negligence, or willful misconduct, and in all respects shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities under the Plan.

No Holder of a Claim or Interest, no other party in interest, none of their respective agents, employees, representatives, financial advisors, attorneys, or affiliates, and no successors or assigns of the foregoing, will have any right of action against any Exculpated Party, for any act or omission in connection with, relating to, or arising out of the solicitation of votes to accept the Plan, or the pursuit of Confirmation, the pursuit of Consummation, or the administration of the Plan or the property to be distributed under the Plan, except as provided by the Plan or by law.

F. INJUNCTION

In implementation of the Plan, except as otherwise expressly provided in the Confirmation Order or the Plan, and except in connection with the enforcement of the terms of the Plan or any documents provided for or contemplated in the Plan, all entities who have held, hold or may hold Claims against or Interests in the Debtors, the Estates, or the GUC Trust or that arose prior to the Effective Date are permanently enjoined from: (a) commencing or continuing in any manner, directly or indirectly, any action or other proceeding of any kind against the Debtors, the Estates, the GUC Trust, or any of the GUC Trust Assets, with respect to any such Claim or Interest; (b) the enforcement, attachment, collection, or recovery by any manner or means, directly or indirectly, of any judgment, award, decree, or order against the Debtor, the Estates, the GUC Trust, or any of the GUC Trust Assets with respect to any such Claim or Interest; (c) creating, perfecting, or enforcing, directly or indirectly, any Lien or encumbrance of any kind against the Debtors, the Estates, or the GUC Trust, or any of the GUC Trust Assets with respect to any such Claim or Interest; and (d) any act, in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan with respect to such Claim or Interest. Nothing contained in this Section shall prohibit the Holder of a timely filed Proof of Claim from litigating its right to seek to have such Claim declared an Allowed Claim and paid in accordance with the distribution provisions of the Plan, or enjoin or prohibit the interpretation or enforcement by the Claimant of any of the obligations of the Debtors, or the GUC Trust under the Plan.

ARTICLE XIV.
MISCELLANEOUS PROVISIONS

A. BINDING EFFECT

Except as otherwise provided in section 1141(d)(3) of the Bankruptcy Code and upon the occurrence of the Effective Date, the provisions of the Plan, the final versions of the documents contained in the Plan Supplement, and the Confirmation Order, shall be immediately effective and enforceable and bind any Holder of a Claim against, or Interest in, the Debtors and such Holder's respective successors and assigns, whether or not the Claim or Interest of such Holder is Impaired under the Plan and whether or not such Holder has accepted the Plan, all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan, each Entity acquiring property under the Plan or the Confirmation Order, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases. **To opt in to the release in Section XIII.E above, Holders of Claims and Interests must timely submit a Ballot or notice of non-voting status indicating they have opted in to the release. Holders of Claims or Interests that do not timely opt in shall not be Releasing Parties on account of such Claims or Interests.**

B. SEVERABILITY OF PLAN PROVISIONS

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court, at the request of a party in interest, shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may be altered or interpreted in accordance with the foregoing, is: (i) valid and enforceable pursuant to its terms; (ii) integral to the Plan and may not be deleted or modified without the consent of the Debtors or the GUC Trustee, as applicable; and (iii) non-severable and mutually dependent.

C. REVOCATION, WITHDRAWAL, OR NON-CONFIRMATION OF THE PLAN

The Debtors reserve the right to revoke or withdraw the Plan prior to the Confirmation Hearing. If the Plan is revoked or withdrawn prior to the Confirmation Hearing, or if the Plan is not confirmed by the Bankruptcy Court, then (i) the Plan shall be null and void in all respects; and (ii) nothing contained in this Plan shall (a) constitute a waiver or release of any Claims by or against, or any Interests in, the Debtors or any other Entity, (b) prejudice in any manner the rights of the Debtors or any other Entity, or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by the Debtors or any other Entity.

D. PAYMENT OF STATUTORY FEES; FILING OF QUARTERLY REPORTS

Notwithstanding any other provision of the Plan to the contrary, all U.S. Trustee Fees, as determined by the Bankruptcy Court at the Confirmation Hearing, shall be paid in full in Cash on or before the Effective Date. On and after the Effective Date, the GUC Trustee shall File with the Bankruptcy Court quarterly reports in a form reasonably acceptable to the U.S. Trustee for each Debtor until its case is closed, dismissed, or converted. All U.S. Trustee Fees that arise after the Effective Date shall be paid in full in Cash by the GUC Trustee when due. The GUC Trustee shall have the obligation to pay U.S. Trustee Fees pursuant to United States Code title 28 section 1930 for each and every Debtor until its particular case is closed, dismissed, or converted. Notwithstanding anything to the contrary in the Plan, the U.S. Trustee shall not be required to File any proofs of Claim with respect to U.S. Trustee Fees.

E. SUCCESSORS AND ASSIGNS

The rights, benefits and obligations of any Entity named or referred to in the Plan or the Confirmation Order shall be binding on, and shall inure to the benefit of, any heir, executor, administrator, successor, or assign of such Entity.

F. FILING OF ADDITIONAL DOCUMENTS

On or before the Effective Date, the Debtors may issue, execute, deliver, and File with the Bankruptcy Court or record any agreements and other documents, and take any action as may be necessary or appropriate to effectuate, consummate and further evidence the terms and conditions of the Plan.

G. ENTIRE AGREEMENT

Except with respect to consummation of the Sale, including, but not limited to the APA, or as otherwise indicated, the Plan and the Plan Supplement supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings, and representations on such subjects, all of which have become merged and integrated into the Plan. If the Effective Date does not occur, nothing herein shall be construed as a waiver by any party in interest of any or all of such party's rights, remedies, claims, and defenses, and such parties expressly reserve any and all of their respective rights, remedies, claims, and defenses. The Plan and the documents comprising the Plan Supplement, including any drafts thereof (and any discussions, correspondence, or negotiations regarding any of the foregoing) shall in no event be construed as, or be deemed to be, evidence of an admission or concession on the part of any party in interest of any claim or fault or liability or damages whatsoever. Pursuant to Federal Rule of Evidence 408 and any applicable state rules of evidence, all negotiations, discussions, agreements, settlements, and compromises reflected in or related to the Plan and the documents comprising the Plan Supplement are part of a proposed settlement of matters that could otherwise be the subject of litigation among various parties in interest, and such negotiations, discussions, agreements, settlements, and compromises shall not be admissible into evidence in any proceeding other than a proceeding to enforce the terms of the Plan and the documents comprising the Plan Supplement.

H. FURTHER ASSURANCES

The Debtors, the GUC Trustee, all Holders of Allowed Claims receiving Distributions pursuant to the Plan, and all other parties in interest may and shall, from time to time, prepare, execute, and deliver any agreements or documents and take any other actions as may be necessary or advisable to effectuate the provisions and intent of the Plan or the Confirmation Order.

ARTICLE XV.
CONFIRMATION OF THE PLAN

A. VOTING PROCEDURES AND REQUIREMENTS

1. Confirmation Procedure.

The Solicitation Procedures Order, among other things, conditionally approves this Combined Disclosure Statement and Plan for solicitation purposes only and authorizes the Debtors to solicit votes to accept or reject the Plan. The Confirmation Hearing has been scheduled virtually for August 17, 2026 at 1:00 p.m. (prevailing Central Time), subject to the Court's availability, in Courtroom 402, United States Courthouse, 515 Rusk Street, Houston, Texas 77002 to consider (i) final approval of the Disclosure Statement as providing adequate information pursuant to section 1125 of the Bankruptcy Code, and (ii) confirmation of the Plan pursuant to section 1129 of the Bankruptcy Code. The Confirmation Hearing may be adjourned from time to time by the Debtors without further notice, except

for an announcement of the adjourned date made at the Confirmation Hearing or by Filing a notice with the Bankruptcy Court.

2. Procedure for Objections.

Any objection to final approval of this Combined Disclosure Statement and Plan as providing adequate information pursuant to section 1125 of the Bankruptcy Code or confirmation of the Plan must: (i) be in writing; (ii) conform to the Bankruptcy Rules, the Local Rules, and any orders of the Court; (iii) state with particularity the basis and nature of any objection to this Combined Disclosure Statement and Plan and, if practicable, a proposed modification that would resolve such objection; and (iv) be Filed with the Bankruptcy Court and served upon: (a) counsel to the Debtors, Norton Rose Fulbright US LLP, 1550 Lamar Street, Suite 2000, Houston, Texas 77010, Attn: Ryan Manns and Maria Mokrzycka, and 2200 Ross Avenue, Suite 3600, Dallas, Texas 75201, Attn: Jason I. Blanchard; (b) the U.S. Trustee for the Southern District of Texas, 515 Rusk Street, Suite 3516, Houston, Texas 77002, Attn: Ha Nguyen and Vianey Garza; and (c) counsel to the Committee, McDermott Will & Schulte LLP, 2801 North Harwood Street, Suite 2600, Dallas, Texas 75201, Attn: Carole Wurzelbacher, Charles Gibbs, Kristin Going, Darren Azman, Joshua Lee, and Nathaniel Allard, so as to be **actually received** no later than **August 14, 2026 at 4:00 p.m. (prevailing Central Time)**. **Unless an objection to this Combined Disclosure Statement and Plan is timely Filed and served, it may not be considered by the Bankruptcy Court**.

3. Requirements for Confirmation.

The Bankruptcy Court will confirm the Plan only if it meets all the applicable requirements of section 1129 of the Bankruptcy Code. Among other requirements, the Plan (i) must be accepted by all Impaired Classes of Claims or Interests or, if rejected by an Impaired Class, the Plan must not "discriminate unfairly" against, and be "fair and equitable" with respect to, such Class; and (ii) must be feasible. The Bankruptcy Court must also find that: (a) the Plan has classified Claims and Interests in a permissible manner; (b) the Plan complies with the technical requirements of chapter 11 of the Bankruptcy Code; and (c) the Plan has been proposed in good faith.

4. Classification of Claims and Interests.

Section 1123 of the Bankruptcy Code provides that a plan must classify the claims and interests of a debtor's creditors and equity interest holders. In accordance with section 1123 of the Bankruptcy Code, the Plan divides Claims and Interests into Classes and sets forth the treatment for each Class (other than those claims which pursuant to section 1123(a)(1) of the Bankruptcy Code need not be and have not been classified). The Debtors also are required, under section 1122 of the Bankruptcy Code, to classify Claims and Interests into Classes that contain Claims or Interests that are substantially similar to the other Claims or Interests in such Class.

The Bankruptcy Code also requires that a plan provide the same treatment for each claim or interest of a particular class unless the claim holder or interest holder agrees to a less favorable treatment of its claim or interest. The Debtors believe that the Plan complies with such standard. If the Bankruptcy Court finds otherwise, however, it could deny confirmation of the Plan if the Holders of Claims or Interests affected do not consent to the treatment afforded them under the Plan.

A Claim or Interest is placed in a particular Class only to the extent that the Claim or Interest falls within the description of that Class and is classified in other Classes to the extent that any portion of the Claim or Interest falls within the description of such other Classes. A Claim also is placed in a particular Class for the purpose of receiving Distributions pursuant to the Plan only to the extent that such Claim is an Allowed Claim in that Class and such Claim has not been paid, released, or otherwise settled prior to the Effective Date.

The Debtors believe that the Plan has classified all Claims and Interests in compliance with the provisions of section 1122 of the Bankruptcy Code and applicable case law. It is possible that a Holder of a Claim or Interest may challenge the classification of Claims or Interests and that the Bankruptcy Court may find that a different classification is required for the Plan to be confirmed. If such a situation develops, the Debtors intend, in accordance with the terms of the Plan, to make such permissible modifications to the Plan as may be necessary to permit its Confirmation. Any such reclassification could adversely affect Holders of Claims by changing the composition of one or more Classes and the vote required of such Class or Classes for approval of the Plan.

EXCEPT AS SET FORTH IN THE PLAN, UNLESS SUCH MODIFICATION OF CLASSIFICATION MATERIALLY ADVERSELY AFFECTS THE TREATMENT OF A HOLDER OF A CLAIM AND REQUIRES RE-SOLICITATION, ACCEPTANCE OF THE PLAN BY ANY HOLDER OF A CLAIM PURSUANT TO THIS SOLICITATION WILL BE DEEMED TO BE A CONSENT TO THE PLAN'S TREATMENT OF SUCH HOLDER OF A CLAIM REGARDLESS OF THE CLASS AS TO WHICH SUCH HOLDER ULTIMATELY IS DEEMED TO BE A MEMBER.

The amount of any Impaired Claim that ultimately is Allowed by the Bankruptcy Court may vary from any estimated Allowed amount of such Claim and, accordingly, the total Claims that are ultimately Allowed by the Bankruptcy Court with respect to each Impaired Class of Claims may also vary from any estimates contained herein with respect to the aggregate Claims in any Impaired Class. Thus, the actual recovery ultimately received by a particular Holder of an Allowed Claim may be adversely or favorably affected by the aggregate amount of Claims Allowed in the applicable Class. Additionally, any changes to any of the assumptions underlying the estimated Allowed amounts could result in material adjustments to recovery estimates provided herein or the actual Distribution received by Holders of Allowed Claims. The projected recoveries are based on information available to the Debtors as of the date hereof and reflect the Debtors' views as of the date hereof only.

The classification of Claims and Interests and the nature of Distributions to members of each Class are summarized herein. The Debtors believe that the consideration, if any, provided under the Plan to Holders of Allowed Claims reflects an appropriate resolution of their Claims taking into account the differing nature and priority (including applicable contractual subordination) of such Claims and Interests. The Bankruptcy Court must find, however, that a number of statutory tests are met before it may confirm the Plan. Many of these tests are designed to protect the interests of Holders of Claims or Interests who are not entitled to vote on the Plan, or do not vote to accept the Plan, but who will be bound by the provisions of the Plan if it is confirmed by the Bankruptcy Court.

5. Impaired Claims or Interests.

Pursuant to the provisions of the Bankruptcy Code, only classes of claims or interests that are "impaired" (as defined in section 1124 of the Bankruptcy Code) under a plan may vote to accept or reject such plan. Generally, a claim or interest is impaired under a plan if the holder's legal, equitable, or contractual rights are changed under such plan. In addition, if the holders of claims or interests in an impaired class do not receive or retain any property under a plan on account of such claims or interests, such impaired class is deemed to have rejected such plan under section 1126(g) of the Bankruptcy Code and, therefore, such holders are not entitled to vote on such plan.

Under the Plan, Holders of Claims in Class 3 are Impaired and are entitled to vote on the Plan. Under the Plan, Holders of Claims or Interests in Classes 4, 5, and 6 are Impaired and will not receive or retain any property under the Plan on account of such Claims or Interests and, therefore, are not entitled to vote on the Plan and are deemed to reject the Plan. Under the Plan, Holders of Claims in Classes 1 and 2 are Unimpaired and, therefore, not entitled to vote on the Plan and are deemed to accept the Plan.

ACCORDINGLY, A BALLOT FOR ACCEPTANCE OR REJECTION OF THE PLAN IS BEING PROVIDED ONLY TO HOLDERS OF CLAIMS IN CLASS 3.

6. Opt-In to Releases Under the Plan.

The Plan contains certain third-party releases by Releasing Parties, which are set forth in Article XIII.E herein. Releasing Parties include, among others, Consenting Creditors, which are limited to Holders of Claims or Interests that timely and affirmatively elect on the applicable Ballot or notice of non-voting status to opt in to the releases set forth in the Plan.

Ballots include an option for Holders of Claims to check a box to opt in to the releases contained in the Plan. Holders of Claims and Interests that are not entitled to vote will receive a notice of non-voting status that includes, among other things, an optional form to opt in to the releases under the Plan. No Holder of a Claim or Interest shall be a Releasing Party on account of such Claim or Interest unless such Holder timely and affirmatively elects to opt in to the releases under the Plan. Additionally, a Holder of a Claim or Interest will not be a Releasing Party on account of such Claim or Interest if it timely files an objection with the Bankruptcy Court to the releases contained in the Plan and such objection is not resolved before confirmation of the Plan.

B. THE BEST INTERESTS TEST & LIQUIDATION ANALYSIS

Even if a plan is accepted by the holders of each class of claims and interests, the Bankruptcy Code requires the Bankruptcy Court to determine that such plan is in the best interests of all holders of claims or interests that are impaired by that plan and that have not accepted the plan. The "best interests" test, as set forth in section 1129(a)(7) of the Bankruptcy Code, requires a court to find either that all members of an impaired class of claims or interests have accepted the plan or that the plan will provide a member who has not accepted the plan with a recovery of property of a value, as of the effective date of the plan, that is not less than the amount that such holder would recover if the debtor were liquidated under chapter 7 of the Bankruptcy Code.

To calculate the probable distribution to holders of each impaired class of claims and interests if the debtor was liquidated under chapter 7, a court must first determine the aggregate dollar amount that would be generated from a debtor's assets if its chapter 11 cases were converted to cases under chapter 7 of the Bankruptcy Code. To determine if a plan is in the best interests of each impaired class, the present value of the distributions from the proceeds of a liquidation of the debtor's unencumbered assets and properties, after subtracting the amounts attributable to the costs, expenses and administrative claims associated with a chapter 7 liquidation, must be compared with the value offered to such impaired classes under the plan. If the hypothetical liquidation distribution to holders of claims or interests in any impaired class is greater than the distributions to be received by such parties under the plan, then such plan is not in the best interests of the holders of claims or interests in such impaired class.

As described in more detail in the liquidation analysis attached hereto as **Exhibit A**, because the Plan is a liquidating plan, the "liquidation value" in the hypothetical chapter 7 liquidation analysis for purposes of the "best interests" test is substantially similar to the estimates of the results of the chapter 11 liquidation contemplated by the Plan. However, the Debtors believe that in a chapter 7 liquidation, there would be substantial additional costs and expenses that the Estates would incur as a result of liquidating the Estates in a chapter 7 case.

The costs of liquidation under chapter 7 of the Bankruptcy Code would include the compensation of a trustee, as well as the costs of counsel and other professionals retained by the trustee. The Debtors believe such amount would exceed the amount of expenses that would be incurred in implementing the Plan and winding up the affairs of the Debtors. Conversion also would likely delay the liquidation process and ultimate Distribution to the Holders of Allowed Claims. The Estates would also be obligated to pay all unpaid expenses incurred by the Debtors during the Chapter 11 Cases (such as compensation for professionals) that are allowed in the chapter 7 cases.

It is also anticipated that a chapter 7 liquidation would result in delay in the distributions to Holders of Allowed Claims. Among other things, a chapter 7 case would trigger a new bar date for filing Claims that would be more than ninety days following conversion of the case to chapter 7. Thus, a chapter 7 liquidation would not only delay distributions, but raise the prospect of additional Claims that were not asserted in the Chapter 11 Cases.

Accordingly, the Debtors believe that Holders of Allowed Claims would receive less than anticipated under the Plan if the Chapter 11 Cases were converted to chapter 7 cases, and therefore, the classification and treatment of Claims and Interests in the Plan complies with section 1129(a)(7) of the Bankruptcy Code.

IMPORTANTLY, THE DEBTORS URGE ALL HOLDERS OF CLAIMS IN THE IMPAIRED CLASS RECEIVING BALLOTS TO VOTE TO ACCEPT THE PLAN AS CONTAINED HEREIN.

Based on the foregoing, the Plan provides an opportunity to bring the greatest return to Holders of Allowed Claims.

C. FEASIBILITY

Section 1129(a)(11) of the Bankruptcy Code requires that confirmation of a plan not be likely to be followed by the liquidation, or the need for further financial reorganization, of the Debtors or any successor to the Debtors (unless such liquidation or reorganization is proposed in the Plan). Because the Combined Disclosure Statement and Plan proposes a liquidation of all of the Debtors' remaining assets, for purposes of this test, the Debtors and their advisors have analyzed the ability of the Debtors and the GUC Trustee, as applicable, to meet their respective obligations under the Combined Disclosure Statement and Plan. Specifically, the GUC Trustee will have access to the GUC Trust Assets, which the Debtors project will be sufficient for the Debtors and the GUC Trustee, as applicable, to fulfill their respective obligations under the Plan. Therefore, the Debtors believe that the liquidation pursuant to the Combined Disclosure Statement and Plan will meet the feasibility requirements of the Bankruptcy Code.

D. ACCEPTANCE OF THE PLAN

The rules and procedures governing eligibility to vote on the Plan, solicitation of votes, and submission of Ballots are set forth in the Solicitation Procedures Order.

For the Plan to be accepted by an Impaired Class of Claims, a majority in number and two-thirds in dollar amount of the Claims voting in such Class must vote to accept the Plan. At least one voting Class, excluding the votes of insiders, must actually vote to accept the Plan.

Holders of Claims entitled to vote on the Plan will receive instructions for submitting a Ballot to vote to accept or reject the Plan. After carefully reviewing the Disclosure Statement, including all exhibits, each Holder of a Claim (or its authorized representative) entitled to vote should follow the instructions to indicate its vote on the Ballot. All Holders of Claims (or their authorized representatives) entitled to vote must (i) carefully review the Ballot and the instructions for completing it, (ii) complete all parts of the Ballot, and (iii) submit the Ballot by **August 14, 2026, at 4:00 p.m. (prevailing Central Time)** (the "***Voting Deadline***") for the Ballot to be considered. Holders of Claims (or their authorized representatives) entitled to vote must by the Voting Deadline either: (i) submit an electronic ballot via the Solicitation Agent's website at https://www.veritaglobal.net/ascend; or (ii) deliver the Ballot(s) to the Solicitation Agent by mail or hand delivery at the following address:

BALLOTS MUST BE SUBMITTED SO AS TO BE ACTUALLY RECEIVED BY THE SOLICITATION AGENT NO LATER THAN THE VOTING DEADLINE. ANY BALLOTS SUBMITTED AFTER THE VOTING DEADLINE WILL NOT BE COUNTED.

HOLDERS OF CLAIMS IN CLASS 3 WHO WISH TO PROVIDE THE RELEASES SET FORTH IN ARTICLE XIII.E HEREIN MUST AFFIRMATIVELY INDICATE SO BY CHECKING THE "OPT-IN" BOX ON THEIR BALLOT.

PLEASE BE ADVISED THAT HOLDERS OF CLAIMS IN CLASS 3 THAT VOTE TO ACCEPT THE PLAN, VOTE TO REJECT THE PLAN, OR DO NOT VOTE, AND DO NOT AFFIRMATIVELY MAKE THE OPT-IN ELECTION ON THEIR BALLOT SHALL NOT BE DEEMED TO HAVE CONSENTED TO THE RELEASES SET FORTH IN ARTICLE XIII.E HEREIN.

ARTICLE XVI.
CERTAIN RISK FACTORS TO BE CONSIDERED BEFORE VOTING

THE PLAN AND ITS IMPLEMENTATION ARE SUBJECT TO CERTAIN RISKS, INCLUDING, BUT NOT LIMITED TO, THE RISK FACTORS SET FORTH BELOW. HOLDERS OF CLAIMS WHO ARE ENTITLED TO VOTE ON THE PLAN SHOULD READ AND CAREFULLY CONSIDER THE RISK FACTORS, AS WELL AS THE OTHER INFORMATION SET FORTH IN THE COMBINED DISCLOSURE STATEMENT AND PLAN AND THE DOCUMENTS DELIVERED TOGETHER HEREWITH OR REFERRED TO OR INCORPORATED BY REFERENCE HEREIN, BEFORE DECIDING WHETHER TO VOTE TO ACCEPT OR REJECT THE PLAN. THESE FACTORS SHOULD NOT, HOWEVER, BE REGARDED AS CONSTITUTING THE ONLY RISKS INVOLVED IN CONNECTION WITH THE PLAN AND ITS IMPLEMENTATION.

A. CERTAIN BANKRUPTCY LAW CONSIDERATIONS

1. Parties in Interests May Object to the Plan's Classification of Claims and Interests.

Section 1122 of the Bankruptcy Code provides that a plan may place a claim or an equity interest in a particular class only if such claim or equity interest is substantially similar to the other claims or equity interests in such class. The Debtors believe that the classification of the Claims and

Interests under the Plan complies with the requirements set forth in the Bankruptcy Code because the Debtors created Classes of Claims and Interests each encompassing Claims or Interests, as applicable, that are substantially similar to the other Claims or Interests, as applicable, in each such Class. Nevertheless, there can be no assurance that the Bankruptcy Court will reach the same conclusion.

2. The Conditions Precedent to the Effective Date of the Plan May Not Occur.

As more fully set forth in Article IX, the Effective Date is subject to a number of conditions precedent. If such conditions precedent are not satisfied or waived, the Effective Date will not take place.

3. The Plan May Not be Accepted.

The Debtors can make no assurances that the requisite acceptances to the Plan will be received, and the Debtors may need to obtain acceptances to an alternative plan of liquidation for the Debtors, or otherwise, that may not have the support of creditors and/or may be required to liquidate the Estates under chapter 7 of the Bankruptcy Code. There can be no assurance that the terms of any such alternative restructuring arrangement or plan would be similar to or as favorable to creditors as those proposed in the Plan.

4. The Plan May Not Be Confirmed.

Even if the Debtors receive the requisite acceptances, there is no assurance that the Bankruptcy Court, which may exercise substantial discretion as a court of equity, will confirm the Plan. Even if the Bankruptcy Court determined that this Combined Disclosure Statement and Plan and the balloting procedures and results were appropriate, the Bankruptcy Court could still decline to confirm the Plan if it finds that any of the statutory requirements for Confirmation had not been met. Moreover, there can be no assurance that modifications to this Combined Disclosure Statement and Plan will not be required for Confirmation or that such modifications would not necessitate the re-solicitation of votes.

If the Plan is not confirmed, the Plan will need to be revised and it is unclear whether a chapter 11 reorganization or liquidation of the Debtors' assets could be implemented and what Distribution the Holders of Allowed Claims would receive. If an alternative could not be agreed to, it is possible that the Debtors would have to liquidate their remaining assets in chapter 7, in which case it is likely that the Holders of Allowed Claims would receive less favorable treatment than they would receive under the Plan. There can be no assurance that the terms of any such alternative would be similar to or as favorable to the Debtors' creditors as those proposed in the Plan.

5. Contingencies Could Affect Votes of the Impaired Class to Accept or Reject the Plan.

The Distributions available to Holders of Allowed Claims under the Plan can be affected by a variety of contingencies, including, without limitation, whether the Bankruptcy Court orders certain Allowed Claims to be subordinated to other Allowed Claims. The occurrence of any and all such contingencies could affect Distributions available to Holders of Allowed Claims under the Plan but may not affect the validity of the vote taken by the Impaired Class to accept or reject the Plan or require any sort of revote by the Impaired Class.

The estimated Claims and creditor recoveries set forth in this Combined Disclosure Statement and Plan are based on various assumptions, and the actual Allowed amounts of Claims may significantly differ from the estimates. Should one or more of the underlying assumptions ultimately prove to be incorrect, the actual Allowed amounts of Claims may vary from the estimated Claims contained in this Combined Disclosure Statement and Plan. Moreover, the Debtors cannot determine with any certainty at this time, the number or amount of Claims that will ultimately be Allowed. Such differences may materially and adversely affect, among other things, the percentage recoveries to Holders of Allowed Claims under the Plan.

6. Releases, Injunctions, and Exculpation Provisions May Not be Approved.

Article XIII of the Plan provides for certain releases, injunctions, and exculpations, including a release of liens and third-party releases that may otherwise be asserted against the Debtors or Released Parties, as applicable. The Bankruptcy Court's approval of the releases, injunctions, and exculpations provided in the Plan may be subject to objection by parties in interest and may not be approved.

B. FAILURE TO CONFIRM OR CONSUMMATE THE PLAN

If the Plan is not confirmed and consummated, it is possible that an alternative plan can be negotiated and presented to the Bankruptcy Court for approval; however, there is no assurance that the alternative plan, if any, will be confirmed, that the Chapter 11 Cases will not be converted to a chapter 7 liquidation, or that any alternative chapter 11 plan could or would be formulated on terms as favorable to creditors as the terms of the Plan. Holders of Interests will receive no recovery under the Plan or in a chapter 7 liquidation. If a chapter 7 liquidation were to occur, there is a risk that there would be little, if any, value available for distribution to the Holders of Allowed Claims.

ARTICLE XVII.
TAX CONSEQUENCES

A. CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES

The following discussion is a summary of certain material U.S. federal income tax consequences of the Combined Disclosure Statement and Plan to U.S. Holders (as defined below) (which solely for purposes of this discussion means the beneficial owner for U.S. federal income tax purposes) of Claims. The following summary does not address the U.S. federal income tax consequences to U.S. Holders of Claims or Interests not entitled to vote on the Combined Disclosure Statement and Plan. This summary is based on the Internal Revenue Code of 1986, as amended (the "***Internal Revenue Code***"), U.S. Department of the Treasury regulations promulgated and proposed thereunder (the "***Treasury Regulations***"), judicial decisions, and published administrative rules and pronouncements of the IRS, all as in effect on the date hereof and all of which are subject to change or differing interpretations, possibly with retroactive effect. No legal opinions have been requested or obtained from counsel with respect to any of the tax aspects of the Combined Disclosure Statement and Plan and no rulings have been or will be requested from the IRS with respect to any of the issues discussed below. The discussion below is not binding upon the IRS or the courts. No assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to U.S. Holders of Claims or Interests in light of their individual circumstances, nor does the discussion deal with tax issues with respect to U.S. Holders of Claims or Interests subject to special treatment under the U.S. federal income tax laws (including, for example, insurance companies; banks or other financial institutions; brokers, dealers, or traders in securities; real estate investment trusts; governmental authorities or agencies; tax-exempt organizations; retirement plans; individual retirement or other tax-deferred accounts; certain expatriates or former long-term residents of the United States; small business investment companies; regulated investment companies; S corporations, partnerships, or other pass-through entities for U.S. federal income tax purposes and their owners; persons whose functional currency is not the U.S. dollar; persons who use a mark-to-market method of accounting; persons required to report income on an applicable financial statement; persons holding Claims or Interests as part of a straddle, hedge, constructive sale, conversion transaction, or other integrated transaction; and persons who are not U.S. Holders (as defined below)). Furthermore, this discussion assumes that a U.S. Holder of a Claim holds such claim as a "capital asset" within the meaning of Section 1221 of the Internal Revenue Code (generally property held for investment). This discussion does not address any U.S. federal non-income (including estate or gift), state, local, or foreign taxation, alternative minimum tax, or the Medicare tax on certain net investment income.

If a partnership (or other entity or arrangement classified as a partnership for U.S. federal income tax purposes) is a U.S. Holder of Claims or Interests, the U.S. federal income tax treatment of a partner in the partnership will generally depend on the status of the partner and the activities of the partnership. A U.S. Holder of a Claim or Interest that is a partnership and the partners in such partnership should consult their tax advisors with regard to the U.S. federal income tax consequences of the Combined Disclosure Statement and Plan.

"U.S. Holder" is a Holder of a Claim that is: (1) an individual who is a citizen or resident of the U.S. for U.S. federal income tax purposes; (2) a corporation (or other Entity treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the U.S. or any state thereof or the District of Columbia; (3) an estate the income of which is subject to U.S. federal income taxation regardless of its source; or (4) a trust (A) if a court within the U.S. is able to exercise primary supervision over its administration and one or more "U.S. persons" as defined in the Internal Revenue Code have authority to control all substantial decisions of the trust or (B) that was in existence on August 20, 1996 and has a valid election in effect under the Treasury Regulations to be treated as a U.S. trust. Non-U.S. Holders should consult their own advisors concerning the tax consequences of the Plan to them.

THE FOLLOWING SUMMARY IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A U.S. HOLDER OF A CLAIM OR INTEREST. EACH U.S. HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT WITH SUCH U.S. HOLDER'S TAX ADVISORS CONCERNING THE U.S. FEDERAL, STATE, LOCAL, FOREIGN, AND OTHER TAX CONSEQUENCES OF THE COMBINED DISCLOSURE STATEMENT AND PLAN.

B. TAX CONSEQUENCES FOR U.S. HOLDERS OF CERTAIN CLAIMS

Generally, a U.S. Holder of a Claim will be treated as disposing of its Claim in a taxable exchange governed by Section 1001 of the Internal Revenue Code. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (as discussed further below), a U.S. Holder of a Claim generally will recognize gain or loss equal to the difference between the "amount realized" (if any) by such U.S. Holder in exchange for its Claim and such U.S. Holder's "adjusted tax basis" in the Claim. The "amount realized" is equal to the sum of the Cash and the fair market value of any other consideration received under the Plan in respect of a U.S. Holder's Claim. The "adjusted tax basis" of a U.S. Holder in a Claim will generally be equal to the U.S. Holder's cost therefor. To the extent applicable, the character of any recognized gain or loss (*e.g.*, ordinary income, or short-term or long-term capital gain or loss) will depend upon the status of the U.S. Holder, the nature of the Claim in the U.S. Holder's hands, the purpose and circumstances of its acquisition, the U.S. Holder's holding period of the Claim, and the extent to which the U.S. Holder previously claimed a deduction for the worthlessness of all or a portion of the Claim. If the Claim is a capital asset in the U.S. Holder's hands, any gain or loss realized generally will be characterized as capital gain or loss, and will constitute long-term capital gain or loss if the U.S. Holder has held such Claim for more than one year. Long-term capital gains of non-corporate taxpayers may be taxed at lower rates than items of ordinary income. The deductibility of capital losses is subject to limitations.

A portion of the consideration received by a U.S. Holder may be attributable to accrued but untaxed interest on its Claim. A U.S. Holder who did not previously include accrued but unpaid interest attributable to its Claim in its gross income for U.S. federal income tax purposes, and who receives a Distribution on account of its Claim pursuant to the Plan, will recognize ordinary income to the extent such amounts were not taken into income by the U.S. Holder, regardless of whether such U.S. Holder realizes an overall gain or loss as a result of surrendering its Claim. A U.S. Holder who previously included accrued but unpaid interest attributable to its Claim in its gross income for U.S. federal income tax purposes should recognize a deductible loss to the extent that such accrued but unpaid interest is not satisfied in full. Such loss may be ordinary, but the tax law is unclear on this point.

C. INFORMATION REPORTING AND WITHHOLDING

In connection with the Combined Disclosure Statement and Plan, the Debtors will comply with all applicable withholding and information reporting requirements imposed by U.S. federal, state, local, and foreign taxing authorities, and all Distributions under the Combined Disclosure Statement and Plan will be subject to those withholding and information reporting requirements. U.S. Holders of Claims may be required to provide certain tax information as a condition to receiving Distributions pursuant to the Combined Disclosure Statement and Plan.

In general, information reporting requirements may apply to Distributions pursuant to the Combined Disclosure Statement and Plan. Additionally, under the backup withholding rules, a U.S. Holder may be subject to backup withholding with respect to Distributions made pursuant to the Combined Disclosure Statement and Plan, unless a U.S. Holder provides the applicable withholding agent with a taxpayer identification number, certified under penalties of perjury, as well as certain other information, or otherwise establishes an exemption from backup withholding. Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be allowed as a credit against a U.S. Holder's U.S. federal income tax liability, if any, and may entitle a U.S. Holder to a refund, provided the required information is timely furnished to the IRS.

In addition, from an information reporting perspective, the Treasury Regulations generally require disclosure by a taxpayer on its U.S. federal income tax return of certain types of transactions in which the taxpayer participated, including, among other types of transactions, certain transactions that result in the taxpayer's claiming a loss in excess of specified thresholds. U.S. Holders of Claims or Interests are urged to consult their tax advisors regarding these regulations and whether the transactions contemplated by the Combined Disclosure Statement and Plan would be subject to these regulations and require disclosure on the U.S. Holder's tax returns.

THE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE COMBINED DISCLOSURE STATEMENT AND PLAN ARE COMPLEX. THE FOREGOING SUMMARY DOES NOT DISCUSS ALL ASPECTS OF U.S. FEDERAL INCOME TAXATION THAT MAY BE RELEVANT TO A PARTICULAR U.S. HOLDER OF A CLAIM OR INTEREST IN LIGHT OF SUCH U.S. HOLDER'S CIRCUMSTANCES. EACH U.S. HOLDER OF A CLAIM OR INTEREST IS URGED TO CONSULT WITH SUCH U.S. HOLDER'S TAX ADVISORS CONCERNING THE U.S. FEDERAL, STATE, LOCAL, FOREIGN, AND OTHER TAX CONSEQUENCES OF THE COMBINED DISCLOSURE STATEMENT AND PLAN.

ARTICLE XVIII.
CONCLUSION AND RECOMMENDATION

The Debtors believe that Confirmation of the Plan is desirable and in the best interests of all Holders of Claims and Interests. The Debtors therefore urge you to vote to accept the Plan and to evidence such acceptance by returning the Ballot(s) so that they will be received by the Voting Deadline.

EXHIBIT A

Liquidation Analysis

EXHIBIT A – LIQUIDATION ANALYSIS

INTRODUCTION

Often referred to as the "best interests of creditors" test, section 1129(a)(7) of the Bankruptcy Code requires that a Bankruptcy Court find, as a condition to confirmation of a chapter 11 plan , that, with respect to each impaired class of claims or interests, each holder of a claim or interest in such class (i) has accepted the plan; or (ii) will receive or retain under the plan on account of such claim or interest property of a value, as of the effective date of the plan, that is not less than the amount that such holder would so receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code on such date.

To conduct this liquidation analysis (this "Liquidation Analysis"), the Debtors and their advisors have taken the following steps:

i) estimated the cash proceeds that a chapter 7 trustee (a "Chapter 7 Trustee") would generate if each Debtor's chapter 11 case was converted to a chapter 7 case on the Effective Date and the assets of such Debtor's Estate were liquidated in accordance with chapter 7 of the Bankruptcy Code (the "Liquidation Proceeds");

ii) determined the distribution that each Holder of a Claim or Interest would receive from the Liquidation Proceeds under the priority scheme set forth in chapter 7 (the "Liquidation Distribution"); and

iii) compared each Holder's Liquidation Distribution to the value such Holder would receive under the Plan if it were confirmed and consummated.

This Liquidation Analysis represents an estimate of Liquidation Distributions and recovery percentages based on a hypothetical chapter 7 liquidation of the Debtors' assets. It is therefore a hypothetical analysis based on certain assumptions discussed herein and in the Disclosure Statement. As such, asset values and Claims discussed herein may differ materially from amounts referred to in the Plan and Disclosure Statement. The Liquidation Analysis should be read in conjunction with the assumptions, qualifications, and explanations set forth in the Disclosure Statement and the Plan in their entirety, as well as the notes and assumptions set forth below.

The determination of the costs of, and proceeds from, the hypothetical liquidation of the Debtors' assets in a chapter 7 case involves the use of estimates and assumptions that, although considered reasonable by the Debtors based on their business judgment and input from their advisors, are subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management, and their advisors. The Liquidation Analysis was prepared for the sole purpose of generating a reasonable, good faith estimate of the proceeds that would be generated if the Debtors' assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. The Liquidation Analysis is not intended, and should not be used, for any other purpose.

All of the limitations and risk factors set forth in the Disclosure Statement are applicable to this Liquidation Analysis and are incorporated by reference herein. The underlying financial information supporting the Liquidation Analysis was prepared using policies that are generally

consistent with those applied in historical financial statements but was not compiled or examined by independent accountants and was not prepared to comply with GAAP or SEC reporting requirements.

THE DEBTORS AND THEIR ADVISORS MAKE NO REPRESENTATIONS OR WARRANTIES REGARDING THE ACCURACY OF THE ESTIMATES CONTAINED HEREIN OR A CHAPTER 7 TRUSTEE'S ABILITY TO ACHIEVE THE FORECASTED RESULTS. IN THE EVENT THESE CHAPTER 11 CASES ARE CONVERTED TO A CHAPTER 7 LIQUIDATION, ACTUAL RESULTS COULD VARY FROM THE ESTIMATES SET FORTH IN THIS LIQUIDATION ANALYSIS.

BASIS OF PRESENTATION

This Liquidation Analysis assumes that each of the Debtors' chapter 11 cases is converted to a chapter 7 case on or about August [14], 2026 (the "Conversion Date"). The *pro forma* values referenced herein are projected as of the Conversion Date. The Debtors have assumed that the Conversion Date is a reasonable proxy for the anticipated Effective Date.

In preparing the Liquidation Analysis, the Debtors estimated Allowed Claims based on a review of the Debtors' financial statements and forecasted results of operations and cash flow over the projection period to account for estimated liabilities, as necessary. The cessation of business in a liquidation is likely to trigger certain claims and funding requirements that would otherwise not exist under the Plan absent a liquidation. Such claims could include chapter 7 administrative expense claims, including winddown costs, trustee fees, and additional professional fees for the chapter 7 trustee's professionals ("Chapter 7 Trustee Professional Fees"), among other claims. Some of these claims and funding obligations could be significant and would be entitled to administrative or priority status in payment from liquidation proceeds. The Debtors' estimates of Allowed Claims set forth in the Liquidation Analysis should not be relied on for the purpose of determining the value of any distribution to be made on account of Allowed Claims or Interests under the Plan.

NOTHING CONTAINED IN THE LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THE LIQUIDATION ANALYSIS. THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.

Chapter 7 administrative expense claims that arise in a liquidation scenario would be paid in full from the Liquidation Proceeds prior to proceeds being made available for distribution to Holders of Allowed Claims. Under section 1129(b)(2)(B)(ii) of the Bankruptcy Code, referred to as the "absolute priority rule," with respect to a class of Unsecured Claims, the holder of any claim or interest that is junior to the claims of such class will not receive or retain under the plan on account of such junior claim or interest any property and, with respect to a class of Interests, the holder of any interest that is junior to the interests of such class will not receive or retain under the plan on account of such junior interest any property, unless the claims or interests of such class are paid in

full. The assumed distributions to creditors as reflected in the Liquidation Analysis are estimated in accordance with the absolute priority rule.

This Liquidation Analysis does not include any recoveries or related litigation costs resulting from any potential preference, fraudulent transfer, or other litigation or avoidance actions that may be available under the Bankruptcy Code because of the cost of such litigation, the uncertainty of the outcome, and potential disputes regarding these matters. In addition, the Liquidation Analysis assumes all unexpired leases and executory contracts are terminated on the Conversion Date. Rejection damages Claims have been estimated for purposes of this analysis, however, actual Claims could materially differ from estimates. Any additional diminution of value Claims would further reduce Liquidation Distributions on account of Unsecured Claims. Finally, the Liquidation Analysis does not include estimates for the tax consequences that may be triggered upon the liquidation and sale of assets in the manner described above. Such tax consequences could be material.

LIQUIDATION PROCESS

The Debtors' liquidation would be conducted pursuant to chapter 7 of the Bankruptcy Code. The Debtors have assumed that their liquidation would occur over a two-to-four months period during which the Chapter 7 Trustee would efficiently administer and wind down the Estates.

As part of the Chapter 7 Trustee's liquidation process, the initial step would be to develop a liquidation plan designed to generate proceeds from the sale of any remaining assets that it would then distribute to Holders of Claims. This liquidation process would have three major components:

i) Cash proceeds from asset sales ("Gross Distribution Proceeds");

ii) Costs to liquidate the Debtors' assets and administer the Estates under chapter 7 ("Liquidation Adjustments"); and

iii) Remaining proceeds available for distribution to claimants ("Net Distribution Proceeds").

i) Gross Distribution Proceeds

The Gross Distribution Proceeds reflect the proceeds the Chapter 7 Trustee would generate from a hypothetical chapter 7 liquidation. Under section 704 of the Bankruptcy Code, a Chapter 7 Trustee must, among other duties, collect and convert property of the Estates as expeditiously as is compatible with the best interests of parties in interest, which could result in potentially distressed recoveries. This Liquidation Analysis assumes the Chapter 7 Trustee will market the assets on an accelerated timeline and consummate the sale transactions within [one] month from the Conversion Date. Notwithstanding the foregoing, the Liquidation Analysis assumes that the estimated recoveries from the sale of any remaining assets and critical minerals inventory are consistent across both the chapter 11 and chapter 7 scenarios, as the Debtors have received [binding or] near-final bids from prospective purchasers that are expected to be consummated in advance of or concurrent with the Conversion Date. Accordingly, the Debtors do not anticipate that the accelerated timeline, loss of personnel with institutional knowledge, or the generally forced nature of a Chapter 7 liquidation would materially reduce the recoveries from such assets relative to the Chapter 11 scenario.

As set forth in the Combined Disclosure Statement and Plan, the Debtors dispute that AMCON's asserted lien attaches to the sale proceeds generated from the Covington Sale. In the Covington

Sale Order, the Debtors agreed to hold $1.9 million of the sale proceeds in the Covington Proceeds Escrow pending resolution of that dispute in a proceeding in the Bankruptcy Court in advance of the Effective Date. Solely for purposes of this Liquidation Analysis, , the Debtors have assumed that Amcon's asserted lien claims against the Debtors' estates are treated as secured claims in the amount of $1.9 million, with any remaining amounts treated as general unsecured deficiency claims. The treatment reflects a conservative assumption given that the proceedings against Amcon remain ongoing and the ultimate resolution of Amcon's asserted lien claims has not yet been determined. In the event the Debtors prevail in such proceedings, Amcon's claims would be reclassified in their entirety as general unsecured claims, the $1.9 million in the Covington Proceeds Escrow would be released to the Debtors' estates and recovered at 100%. The estimated recoveries for holders of Allowed General Unsecured Claims would be higher than those reflected herein. Proceeds will be available as unrestricted cash for distribution to holders of Allowed Claims in accordance with the priority scheme set forth in the Plan. Nothing contained in this Liquidation Analysis is intended to be, or shall constitute, a concession, admission, or waiver with respect to the validity, priority, or extent of Amcon's asserted lien claims, and the Debtors expressly reserve all rights with respect to the pending proceeding and the treatment of Amcon's claims thereunder.

The Debtors hold intercompany receivables of approximately $9.1 million owed by non-Debtor affiliates as of May 31, 2026. The Liquidation Analysis assumes no recoveries from such intercompany receivables, as the non-Debtor affiliates are assumed to have insufficient assets to satisfy amounts owed to the Debtors after satisfying their own obligations. Additionally, the Debtors currently hold a 50% interest in the Poland joint venture, AE Elemental SP Z.O.O, though Bluegrass Infrastructure Partners Holdings LLC holds an option to acquire such interest for no additional consideration that expires on July 10, 2026. Regardless of whether the option is exercised, it is assumed that no proceeds from such entity would be available for distribution to the Debtors' estates, whether through dividend, equity redemption, or otherwise, and accordingly no recovery has been attributed to the Debtors' interest in AE Elemental SP Z.O.O. in either the chapter 11 or chapter 7 scenario.

ii) The Liquidation Adjustments

The Liquidation Adjustments reflect the costs the Trustee would incur to monetize the Debtors' assets and wind down the Estates in chapter 7 and include Chapter 7 Professional Fees and Chapter 7 Trustee Fees. See below for details.

iii) Net Distribution Proceeds

The Net Distribution Proceeds reflect amounts available to Holders of Claims after the Liquidation Adjustments are netted against the Gross Distribution Proceeds. Under this analysis, the Net Distribution Proceeds are distributed to Holders of Claims against and Interests in the Debtors in accordance with the Bankruptcy Code's priority scheme:

- Unclassified Claims – Claims as a result of (i) 503(b)(9) Claims, (ii) Professional Fee Claims, (iii) Priority Tax Claims, (iv) U.S. Trustee Fees, and (v) Administrative Claims (including post-petition accounts payable and employee obligations) (as defined in the Plan).

- Other Priority Claims – Claims consisting of the Debtors' remaining employee

obligations, including any employee wage, salary, commission, or PTO-related priority claims to the extent not previously paid or otherwise satisfied

- Other Secured Claims - Amcon's asserted lien claim, if any, or any other lien not otherwise satisfied, released, assumed, or resolved in connection with the Sale Orders (as defined in the Plan).
- General Unsecured Claims – Claims including prepetition trade payables, unsecured deficiency claims, as well as contract rejection Claims and other non-priority employee and tax Claims.

---

[1] Although the Liquidation Analysis assumes the liquidation process would occur over a two-to-four month period, it is possible the disposition and recovery from certain assets could take shorter or longer to realize.

CONCLUSION

The Debtors have determined, as summarized in the table below that, on the Effective Date, the Plan will provide all Holders of Allowed Claims and Interests with a recovery that is not less than what they would otherwise receive pursuant to a liquidation of the Debtors' assets under chapter 7 of the Bankruptcy Code. Accordingly, the Plan satisfies the requirement of section 1129(a)(7) of the Bankruptcy Code.

SPECIFIC NOTES TO THE LIQUIDATION ANALYSIS

Gross Distribution Proceeds from External Assets

A. Cash Balance at the Conversion Date

The Debtors' estimated balance of unrestricted cash and cash equivalents as of the Conversion Date is approximately $15.3 million including amounts held in escrow or reserve to cover various administrative claims and expenses.. The cash balance reflected herein consists of all unrestricted cash and restricted cash escrowed in the Professional Fee Escrow Account. Unrestricted cash is considered fully recoverable. Restricted cash in the Professional Fee Escrow Account will be applied solely toward the recovery accrued and unpaid fees and expenses of retained professionals in accordance with terms of the Final Cash Collateral Order and the interim compensation procedures approved by the Court.

In both the chapter 11 and chapter 7 scenarios, the Liquidation Analysis assumes that, as of the Conversion Date or Effective Date, the beneficiaries of the Debtors' outstanding letters of credit draw on such letters of credit and the holders thereof take the associated cash collateral pledged to secure such obligations. The cash collateral securing the letters of credit has been excluded from the cash balance available for distribution and any Claims related to the letters of credit have been removed from the Claims pool.

B. Ordinary Couse Sale of Critical Minerals

The Liquidation Analysis assumes that critical minerals, including black mass, nickel sulfate, and manganese, inventory on hand will be sold through the Debtors' ordinary course commercial channels in both the chapter 11 and chapter 7 scenarios. The estimated recoveries reflect management's good-faith estimates and the latest informal bids received from third-party purchasers.

C. Remaining De Minimis Asset Sales

The Debtors' have assumed that the transactions contemplated by the De Minimis Asset Sale Procedures are consummated after the Conversion Date. The estimated recoveries reflect the sale of machinery and equipment assets that were not sold as part of the 363 sales. Such assets include processing and production equipment, laboratory and analytical testing instrumentation, and other personal property located at the Debtors' Westborough facility. In both the chapter 11 and chapter 7 scenarios, the Debtors assume full recovery of the estimated sale proceeds based on management's good-faith estimates and the latest informal bid received from prospective purchasers.

D. Amcon Litigation Escrow Release

As explained in the Combined Disclosure Statement and Plan, the Debtor's dispute Amcon's lien and have agreed to litigation of the dispute

in a proceeding in the Bankruptcy Court in advance of the Effective Date. Out of an abundance of caution and solely for the purposes of the Liquidation Analysis, the Liquidation Analysis assumes that Amcon's lien attaches to the sale proceeds in the Covington Proceeds Escrow, and the proceeds are released and utilized to satisfy the allowed secured claim.

Liquidation Adjustments

E. Chapter 7 Trustee Fees

Section 326(a) of the Bankruptcy Code provides that Trustee fees are not to exceed 25% on the first $5,000 or less, 10% on any amount in excess of $5,000 but not in excess of $50,000, 5% on any amount in excess of $50,000 but not in excess of $1,000,000, and reasonable compensation not to exceed 3% of such moneys in excess of $1,000,000, upon all moneys disbursed or turned over in the case by the trustee to parties in interest. The Liquidation Analysis assumes the Trustee fees in the amount of 3% of Gross Distribution Proceeds.

F. Chapter 7 Professionals

The post-conversion Chapter 7 Professional Fees include estimates for certain professionals that will provide assistance and services during the wind-down period. The Liquidation Analysis assumes the Trustee will retain lawyers and financial advisors to assist in the liquidation. These advisors will assist in litigating claims and resolving tax litigation matters and resolving other matters relating to the wind-down of the Debtors' Estates. The Liquidation Analysis estimates these professional fees for two months in the low scenario and four months in the high scenario.

G. Other Administrative Costs

The post-conversion Chapter 7 Other Administrative Costs reflect estimated expenses necessary to support the orderly wind-down of the Debtors' estates during the chapter 7 liquidation period following the Conversion Date. These costs include estimated compensation and related expenses for employees and independent contractors, and information technology expenses for the maintenance and wind-down of systems critical to claims administration, financial reporting, and other estate wind-down functions.

H. Chapter 11 Professionals

Estimated fees and expenses of the GUC Trustee and his or her team appointed pursuant to the Plan to oversee the wind-down of the Debtors' remaining estates and administer the distribution of proceeds of holders of Allowed Claims. The GUC Trustee's responsibilities include, but are not limited to, liquidating remaining estate assets, reconciling and resolving outstanding Claims, and preparing and filing final tax returns.

I. Other Wind Down Costs & Overhead Expenses

The amounts in the chapter 11 scenario reflect an estimate of costs to wind-down the Debtors' Estates. These costs consist primarily of general and administrative support functions that would be required to wind-down the Estates in Chapter 11, including personnel, information technology and other costs. These wind down functions are assumed to occur over the entirety of the estimated two-to-four months wind-down period. For those persons that are retained during the liquidation process, the analysis includes estimated salary and benefits.

Net Distribution Proceeds Available for Distribution

Based on the Liquidation Analysis, the Net Distribution Proceeds available for distribution to Holders of Claims and Interests range from approximately $16.2 million to $16.7 million in the chapter 11 scenario and $15.7 million to $16.2 million in the chapter 7 scenario.

Claims sizing is based on a combination of book value of certain liabilities as of March 31, 2026, claims filed in the chapter 11 cases to date and estimates as to various other claims expected to be filed as a result of anticipated contract and lease rejections and other developments in the bankruptcy cases.

Claims

1. Administrative Claims

The Liquidation Analysis assumes approximately:

- $40 thousand in 503(b)(9) Claims.
- $13.8 million in Professional Fee Claims as of the Conversion Date. The estimate of Professional Fee Claims includes accrued and unpaid monthly fees for Professionals through confirmation.
- $0.1 million of Priority Tax Claims related to state and franchise taxes.
- $0.3 million of U.S. Trustee fees.
- $0.2 million of Other Administrative Claims held in connection with accrued and unpaid payroll as of Conversion Date and employee PTO obligations of the Debtors.

2. Class 1 – Other Priority Claims

Class 1 consists of $0.2 million of Allowed Other Priority Claims, and includes non-administrative accrued employee PTO obligations of the Debtors as of the Conversion Date.

3. Class 2 – Other Secured Claims

Class 2 consists of $1.9 million of Secured Claims as of the Conversion Date related to Amcon's lien. As explained in the Combined Disclosure Statement and Plan, the Debtor's dispute Amcon's lien and have agreed to litigation of the dispute in a proceeding in the Bankruptcy Court in advance of the Effective Date. Out of an abundance of caution and solely for the purposes of the Liquidation Analysis, the Liquidation Analysis assumes Amcon's lien attaches to the sale proceeds in the Covington Proceeds Escrow, which results in an allowed claim in the amount escrowed at the Covington sale closing. Remaining amounts of Amcon's lien are treated as general unsecured deficiency claims.

4. Class 3 – General Unsecured Claims

Class 3 consists of $149.6 million of General Unsecured Claims as of the Conversion Date. The main components are $96.9 million of unsecured deficiency claims, $39.8 million of non-priority, prepetition claims held by vendors, $12.6 million of 502(b)(6) lease rejections, and $0.3 million of unsecured employee claims and accrued employee PTO benefit plans.

5. Class 4 – Intercompany Claims

Class 4 consists of all Intercompany Claims. Intercompany Claims consist of approximately $9.1 million owed by non-Debtor affiliates to the Debtors for prepetition and postposition intercompany activity.

6. Class 5 – Intercompany Interests

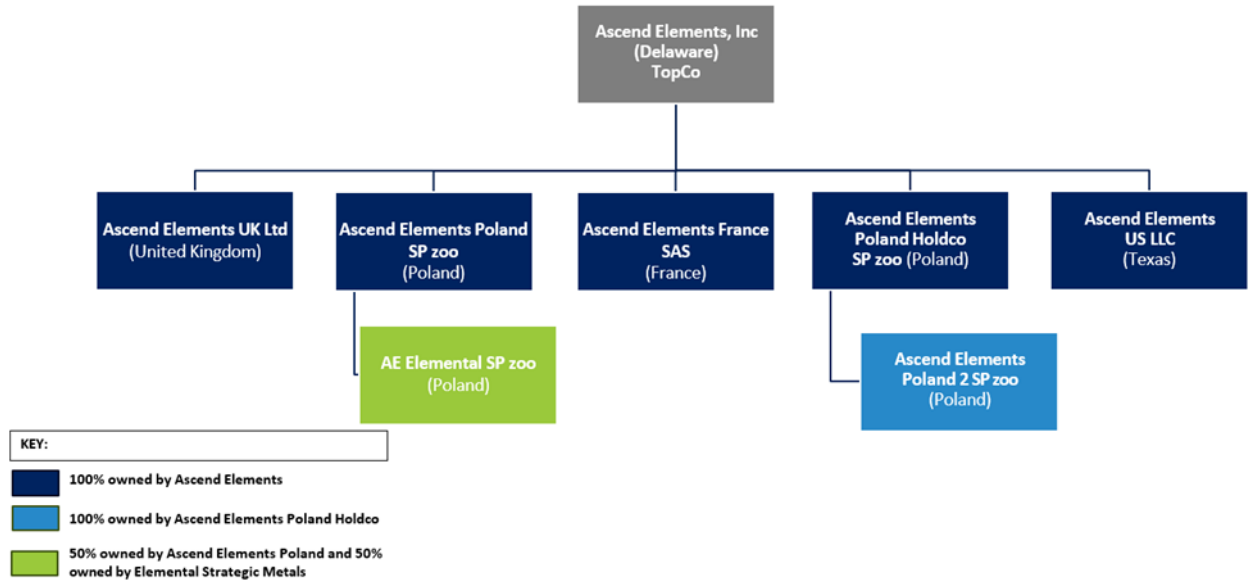

Class 5 consists of all Intercompany Interests. Intercompany Interests consist of the Debtors' de minimis equity interests in non-Debtor affiliates.

7. Class 6 – Interests in Ascend Elements

Class 6 consists of all Interests in Ascend Elements.
