1. The Motion is GRANTED on a final basis as set forth herein.

2. The Debtors are authorized, but not directed, in the ordinary course of business and consistent with historical practice, to: (a) maintain and continue operating the Cash Management System and honor any prepetition obligations related thereto; (b) designate, maintain, and continue to use any or all of their existing Bank Accounts as identified on Exhibit D to the Motion, in the names and with the account numbers existing immediately before the Petition Date; (c) deposit funds in and withdraw funds from the Bank Accounts by all usual means, including checks, wire transfers, and other debits; (d) treat their prepetition Bank Accounts for all purposes as debtor in possession accounts; (e) open new debtor in possession bank accounts or close existing accounts; *provided* that prior to opening any new bank accounts or closing any of the Bank Accounts, the

Debtors shall give fifteen (15) days advance notice to the Office of the United States Trustee for the District of Delaware (the "U.S. Trustee") and proposed counsel to the Official Committee of Unsecured Creditors (the "Committee"), Morris James LLP, 3205 Avenue North Blvd., Suite 100, Wilmington, DE 19803 (Attn: Eric J. Monzo (emonzo@morrisjames.com) and Tara C. Pakrouh (tpakrouh@morrisjames.com)); *provided further* that any account opened by any of the Debtors on or after the Petition Date at any Bank shall be at a bank that has executed a Uniform Depository agreement with the U.S. Trustee (or at a bank that is immediately willing to execute such an agreement); and (f) pay all Bank Fees (including any prepetition amounts).

3. The Debtors are further authorized, but not directed, to continue to use, in their present form, all Business Forms as well as pre-printed checks and other documents related to the Bank Accounts existing immediately before the Petition Date without alteration and without the designation "Debtors in Possession" imprinted upon them; *provided*, *however*, that once the Debtors' existing check stock has been depleted, the Debtors shall, when reordering checks, include the designation "Debtors in Possession" and the jointly-administered bankruptcy case number on such checks; *provided, further,* that, with respect to checks which the Debtors print themselves, the Debtors shall include the designation "Debtors in Possession" and the jointly-administered bankruptcy case number on such checks within ten business days of entry of this Order.

4. The Debtors are further authorized, but not directed, to maintain and use the Bank Accounts in the same manner and with the same account numbers, styles, and document forms as those employed prior to the Petition Date, including, without limitation: (a) to deposit funds in, and withdraw funds from, the Bank Accounts by all usual means, including checks, wire transfers, ACH transfers, drafts, electronic fund transfers, and other debits or items presented, issued, or

drawn on the Bank Accounts, (b) to pay ordinary course Bank Claims in connection with the Bank Accounts, including any Bank Claims arising prior to the Petition Date, and (c) to perform their obligations under the documents and agreements governing the Bank Accounts, including without limitation, any prepetition Cash Management System agreements or treasury services agreements.

5. The Banks are authorized to debit the Debtors' Bank Accounts in the ordinary course of business and without further order of the Court on account of (a) all checks drawn on the Debtors' Bank Accounts that were cashed at the Banks' counters or exchanged for cashier's or official checks by the payees thereof prior to the Petition Date; (b) all Bank Fees, Bank and Processor Charges, and costs in connection with any checks or other items deposited in one of the Debtors' Bank Accounts with such Bank prior to the Petition Date, which have been dishonored or returned unpaid for any reason, to the same extent the Debtors were responsible for such items prior to the Petition Date; and (c) all undisputed prepetition amounts outstanding as of the date hereof, if any, owed to any Bank as to service charges for the maintenance of the Cash Management System. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests that have been (i) dishonored as a consequence of the Chapter 11 Cases and (ii) authorized by an order of this Court.

6. Bankruptcy Code section 345(b), to the extent applicable and not otherwise met, is waived with respect to the Cash Management System.

7. Notwithstanding anything to the contrary set forth herein, the Debtors are authorized, but not directed, to enter into, engage in, and continue to perform under the Intercompany Transactions in the ordinary course of business and in compliance with past practices; *provided, however,* that the Debtors shall provide notice of any Intercompany

Transaction exceeding $50,000 to: (i) counsel to the Committee and (ii) counsel to the Ad-Hoc Group of BlockFills Clients; *provided further, however*, that ordinary course funding of Debtor payroll shall not be subject to this reporting obligation. The Debtors shall maintain accurate, current, and detailed records with respect to all transfers between and disbursements from Bank Accounts, including, but not limited to, all Intercompany Transactions by and among the Debtors and between Debtors and non-Debtors, so that they may be readily ascertained, traced, and properly recorded on intercompany accounts. The Debtors shall not make intercompany loans to any non-Debtor entity without prior written consent of the Committee and further order of the Court.

8. All Intercompany Claims arising after the Petition Date from transactions authorized by this Court and that constitute actual and necessary costs and expenses of preserving the estate shall be entitled to administrative expense status in accordance with Bankruptcy Code sections 503(b)(1) and 507(a)(2).

9. Any existing deposit agreements between the Debtors and the Banks shall continue to govern the postpetition cash management relationship between the Debtors and the Banks and all of the provisions of such agreements, including, without limitation, the termination and fee provisions, shall remain in full force and effect. Except as otherwise set forth herein, the Debtors and the Banks may, without further order of the Court, agree and implement changes to the Cash Management System and procedures in the ordinary course of business as permitted by this Order.

10. Subject to the terms of this Order, and only to the extent sufficient funds are available in each applicable Bank Account, all of the Banks at which the Bank Accounts are maintained are authorized to continue to service and administer the Bank Accounts as accounts of the Debtors as debtors in possession, without interruption and in the ordinary course, and to

receive, process, honor, and pay any and all checks, drafts, credit card payments, and wire transfers issued and drawn on the Bank Accounts after the Petition Date by the holders or makers thereof, as the case may be.

11. Subject to the provisions of this Order, the Banks are authorized to and shall rely on the representations of the Debtors as to which disbursements are authorized to be honored or dishonored, whether or not such disbursements are dated, drawn, or issued prior to, on, or subsequent to the Petition Date, and whether or not the Banks believe the payment is authorized by an order of the Court. The Banks shall not be deemed in violation of this Order and shall have no liability for relying on such representations by the Debtors or honoring any disbursement that is subject to this Order either (a) at the direction of the Debtors to honor such prepetition disbursement, (b) in the good faith belief that this Court has authorized such prepetition disbursement to be honored, or (c) as a result of an innocent mistake made despite implementation of reasonable item-handling procedures.

12. The Banks are further authorized to (a) honor the Debtors' directions with respect to the opening or closing of any Bank Account, and (b) accept and hold, or invest, the Debtors' funds in accordance with the Debtors' instructions, and the Banks shall have no liability to any party for relying on such representations or instructions. To the extent any other order is entered by this Court authorizing the Banks to honor checks, drafts, ACH transfers, or other electronic funds transfers or any other withdrawals made, drawn, or issued in payment of prepetition claims, the obligation to honor such items shall be subject to this Order.

13. The Debtors are authorized, but not directed, to: (a) pay undisputed prepetition amounts outstanding as of the Petition Date, if any, owed in the ordinary course to the Banks as service charges for the maintenance of the Cash Management System and (b) reimburse the Banks

for any claims arising before or after the Petition Date in connection with checks deposited with the Banks that have been dishonored or returned as a result of insufficient funds in the Bank Accounts in the ordinary course of business, to the same extent the Debtors were responsible for such items prior to the Petition Date.

14. The Debtors shall serve a copy of this Order on the Banks as soon as possible, and upon any bank at which the Debtors open a new bank account, immediately upon the opening of such new account.

15. In connection with the ongoing use of their Cash Management System, the Debtors shall continue to maintain records with respect to all transfers of cash so that all transactions may be readily ascertained, traced, recorded properly, and distinguished between prepetition and post-petition transactions. The Debtors and the Banks may agree, without further order of this Court, to implement any changes to the Cash Management System and procedures in the ordinary course of business and not inconsistent with this Order that they deem appropriate in their sole discretion, including, without limitation, closing any of the Bank Accounts or opening new bank accounts as set forth herein.

16. The banks and financial institutions on which checks were drawn or electronic payment requests made for payment of the prepetition obligations approved herein are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment, and all such banks and financial institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Order without any duty of further inquiry and without liability for following the Debtors' instructions.

17. Nothing in the Motion or this Order or the relief granted (including any actions taken or payments made by the Debtors pursuant thereto) shall be construed as (a) authority to

assume or reject any executory contract or unexpired lease of real property, or as a request for the same; (b) an admission as to the validity, priority, or character of any claim or other asserted right or obligation, or a waiver or other limitation on the Debtors' ability to contest the same on any ground permitted by bankruptcy or applicable non-bankruptcy law; (c) a promise or requirement to pay any claim or other obligation; or (d) granting third-party-beneficiary status, bestowing any additional rights on any third party, or being otherwise enforceable by any third party.

18. Notwithstanding Bankruptcy Rule 6004(h), this Order shall be effective and enforceable immediately upon entry hereof.

19. The Debtors are authorized to take all actions necessary to implement the relief granted in this Order.

20. The Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Order.
