SIXTH INTERIM FEE APPLICATION OF GREERWALKER LLP FOR ALLOWANCE OF COMPENSATION FOR SERVICES RENDERED AND FOR REIMBURSEMENT OF EXPENSES INCURRED FOR THE PERIOD AUGUST 1, 2026 – AUGUST 31, 2026

GreerWalker LLP ("GW"), Chief Restructuring Officer for the Debtor, BRD Land & Investment, a South Carolina partnership, hereby makes its sixth application for allowance of compensation for professional services rendered and for reimbursement of expenses incurred for the period August 1, 2026 through August 31, 2026.

In support of this Application, GW respectfully represents as follows:

I. Background

The Debtor's Case

1. On February 24, 2026 (the "Petition Date"), the Debtor, BRD Land & Investment, a South Carolina general partnership, filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in this court. The Debtor continues possession of its properties and the management of its business as a debtor-in-possession, pursuant to sections 1107 and 1108 of the Bankruptcy Code.

2. The Debtor retained GW to serve as Chief Restructuring Officer in this matter. A copy of the order authorizing the Debtor's retention of GW is attached hereto as Exhibit A.

II. Compensation Sought and Reimbursement of Expenses Requested

3. In accordance with sections 330(a) and 331 of the Bankruptcy Code and Federal Rule of

Bankruptcy Procedure 2016, GW makes this Application for an allowance of compensation for professional services rendered to the Debtor in the amount of $23,360.50.

4. During this Compensation Period, GW provided a total of 35.6 hours of services to the Debtor. A summary schedule of the hours devoted by GW's professionals, the hourly rate of each professional, and the total dollar amount charged for services rendered is attached to this Application as Exhibit B.

5. Each GW professional providing services to the Debtor maintains daily time entries, which are prepared contemporaneously with the rendition of services to the Debtor. These time records set forth the dates on which services were rendered, a summary description of such services, and the time spent each day delivering such services. A schedule of such services is attached to this Application as Exhibit C.

6. If the Court grants the relief requested in this Application, the blended hourly billing rate for all GW professionals rendering services to the Debtor during this period would be approximately $493.27.

7. GW's principal activities during this compensation period involved analyses of the Debtor's financial position, including reviewing the Debtors various contract rights and land assets, meetings with Debtor, Debtor's counsel, and Debtor's broker team, preparation of fillings and preparation for hearings, meetings, analysis, and calls related to the sale of debtors property, information requests from various parties, phone calls, setting up and maintaining a data room for prospective buyers and other tasks as requested by the Debtor's Counsel.

III. Adjustments

8. GW has already voluntarily reduced its request by approximately $456.00 for this compensation period. This reduction is a result of not billing for the preparation of the fee application, and other tasks.

IV. Evaluation of Services

9. The rates charged by GW's professionals are the normal hourly rates charged by GW for work of this character whether before this court or for comparable services other than in a case under this title. In the Debtor's opinion, the reasonable value of the services rendered by GW to the Debtor during this compensation period exceeds the fees charged by GW.

10. In accordance with the factors enumerated in 11 U.S.C. section 330, the amount requested is fair and reasonable given (a) the complexity of the case and the issues involved, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the costs of comparable services other than in a case under this title.

V. Notice

11. Notice of this Application has been given to (a) the Bankruptcy Administrator for the Western District of North Carolina, (b) the 20 largest unsecured creditors, (c) the official committee for the unsecured creditors and (d) those parties requesting notice pursuant to Bankruptcy Rule 2002.

WHEREFORE, GW respectfully requests that the Court enter an order (a) granting GW an allowance of compensation in the amount of $23,360.50 for services rendered to the Debtor in connection with the Debtor's Chapter 11 case during this compensation period; (b) authorizing the Debtor to pay GW the fees and reimbursable expenses authorized by the Court attributable to this compensation period, less the retainer applied; and (c) granting such other and further relief as the Court may deem proper.

Respectfully submitted,
