Order (no separate order issued): The Debtor has failed to file its schedules and statements by the extended deadline the Court set pursuant to the Debtors motion requesting such relief and the Debtor has not sought a further extension of that deadline. 11 U.S.C. Â§ 1112(e) authorizes the U.S. Trustee to request dismissal or conversion under these circumstances. Likewise, the Notice of Chapter 11 Bankruptcy Case provides that "notice is given that if the Debtor fails to file schedules and statements required by the Rules of Bankruptcy Procedure 1007 ... that the Court, Trustee or U.S. Trustee will move for dismissal of [the] case without further notice to the Debtor or Creditors." If the U.S. Trustee requests dismissal or conversion based on the Debtors failure to file schedules and statements, she may upload an order and the Court will then decide whether to dismiss the case, convert to chapter 7, or to take some other action.
