ORDER GRANTING DEBTORS' FOURTH OMNIBUS MOTION TO REJECT CERTAIN EQUIPMENT LEASES AND SUBLEASES PURSUANT TO SECTION 365 OF THE BANKRUPTCY CODE

Upon the motion dated September 30, 2016 (the "**Motion**")[1] of CHC Group Ltd. and its above-captioned debtor affiliates, as debtors and debtors in possession (collectively, the "**Debtors**"), for authorization pursuant to section 365 of the Bankruptcy Code and Bankruptcy

[1] Unless otherwise defined herein, all capitalized terms shall have the meaning ascribed to them in the Motion.

Rules 6004(h) and 6006 to reject the leases ("**Leases**") for helicopters and other related equipment identified on Schedule 1 to this Order (collectively, the "**Excess Equipment**") and the sublease agreements identified on Schedule 2 to this Order (the "**Subleases**") and relating to certain Excess Equipment identified on Schedule 2 to this Order (the "**Subleased Equipment**"); and upon consideration of (i) the Declaration of Robert A. Del Genio in Support of First-Day Motions and Applications, dated as of the Petition Date and (ii) the Declaration of Michael B. Cox in Support of the Debtors' Fourth Omnibus Motion to Reject Certain Equipment Leases and Subleases Pursuant to Section 365 of the Bankruptcy Code, dated as of September [16], 2016; and the Court having jurisdiction to consider the Motion and the relief requested therein pursuant to 28 U.S.C. § 1334; and consideration of the Motion and the requested relief being a core proceeding the Court can determine pursuant to 28 U.S.C. § 157(b)(2); and venue being proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the Motion having been provided to (i) the Office of the United States Trustee for the Northern District of Texas, (ii) Kramer Levin Naftalis & Frankel LLP, 1177 Avenue of the Americas, New York, NY 10036 (Attn: Douglas Mannal, Esq. and Kenneth H. Eckstein, Esq.), counsel to the Official Committee of Unsecured Creditors, (iii) Akin Gump Strauss Hauer & Feld LLP, One Bryant Park, Bank of America Tower, New York, NY 10036 (Attn: Michael S. Stamer, Esq.), counsel to an informal group of certain unaffiliated holders of the 9.250% Senior Secured Notes Due 2020, (iv) Norton Rose Fulbright, 2200 Ross Avenue, Suite 3600, Dallas, TX 75201 (Attn: Louis R. Strubeck, Jr., Esq. and Richard P. Borden, Esq.), counsel to certain secured lenders under the Revolving Credit Agreement, (v) Paul Hastings LLP, 75 East 55th Street, New York, NY 10022 (Attn: Leslie A. Plaskon, Esq. and Andrew V. Tenzer, Esq.), counsel to the Administrative Agent under the ABL Credit Agreement, (vi) The Bank of New York Mellon,

101 Barclay Street, Floor 4 East, New York, NY 10286 (Attn: International Corporate Trust), in its capacity as indenture trustee under the 9.250% Senior Secured Notes due 2020 and under the 9.375% Senior Notes due 2021, (vii) the Securities and Exchange Commission, (viii) the Internal Revenue Service, (ix) in the case of Excess Equipment, the Lessor, the beneficial owners of such equipment (if different and if known) and the Indenture Parties (if known), if any, (x) in the case of the Subleases, the Sublessees, and (xi) all parties who have requested notice in these chapter 11 cases pursuant to Bankruptcy Rule 2002; and no other or further notice need be provided; and the relief requested in the Motion being in the best interests of the Debtors and their estates and creditors; and the Court having reviewed the Motion and having held a hearing before the Court with appearances of parties in interest noted in the transcript thereof (the "**Hearing**"); and the Court having considered the arguments of counsel made, and the evidence proffered and adduced, at the Hearing; and the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefor, it is hereby ORDERED that:

1. The relief requested in the Motion is hereby granted as and to the extent set forth herein.

2. Pursuant to section 365 of the Bankruptcy Code and Bankruptcy Rule 6006, (a) the rejection of the Leases of Excess Equipment listed on Schedule 1 attached to this Order is authorized and approved as of the later of (i) the date set forth next to each item of Excess Equipment on Schedule 1 attached to this Order or (ii) the date of entry of this Order (such later date, the "**Effective Date**") and (b) the rejection of each of the Subleases listed on Schedule 2 attached to this Order is authorized and approved as of the relevant Effective Date of

the Leases underlying the Subleased Equipment. The Debtors shall make available to the Lessors or their designees all Excess Equipment consistent with this order on and after the Effective Date.

3. The Debtors shall, upon the Effective Date, or as soon as reasonably practicable after the Effective Date, make available to the applicable Lessors or their designees all records and documents relating to such Lessors' Excess Equipment that are in the Debtors' possession or control (whether hard copy or in electronic form). If such Excess Equipment is Replacement Equipment, the Debtors shall make available to the applicable Lessors or their designees all records and documents that are in the Debtors' possession or control relating to such Replacement Equipment. If such records and documentation are in the possession of the Debtors' non-debtor affiliates, the Debtors shall cause their non-debtor affiliates to make available such records and documentation to the applicable Lessors or their designees. If such records and documentation are in the possession of third parties, the Debtors shall use their commercially reasonable efforts to cause such third parties to make available such records and documentation to the applicable Lessors or their designees, provided that such applicable Lessor shall be solely responsible for all reasonable out-of-pocket costs associated with such third-party records and documentation requests. From and after the Effective Date, the Debtors shall respond reasonably promptly to reasonable inquiries from the applicable Lessors regarding such records and documents related to such Lessors' Excess Equipment.

4. Upon written request from an affected Lessor, the Debtors shall cause, and shall procure that their non-debtor affiliates cause, the execution of, or provision of, information required for (y) a lease termination document or other documentation, as appropriate, to be filed with the aviation authority in the applicable jurisdiction, or any registry,

in connection with such Excess Equipment and (z) the customs status with available historical records and a copy of such import customs clearance, if applicable, provided that the affected Lessor shall be solely responsible for all reasonable out-of-pocket costs associated with (a) such documentation and (b) the filing, if applicable, thereof with such relevant aviation authority or register.

5. Once the affected Lessor retrieves or takes control of its Excess Equipment, such Lessor or the authorized party under an IDERA or a power of attorney provided by the Debtors, if any, shall be permitted to request the cancellation, or transfer to a party designated by such Lessor, of such helicopter's registration on an aviation authority's register, or other authority's register, provided that the affected Lessor shall be solely responsible for all reasonable out-of-pocket costs associated with such request or transfer.

6. Unless otherwise mutually agreed to with the appropriate Lessor, the Debtors (i) shall maintain their current insurance coverage and continue the existing storage maintenance program applicable to each item of Excess Equipment until the earlier of (a) (y) with respect to Excess Equipment located in jurisdictions other than Australia, Brazil, East Timor, Equatorial Guinea, Nigeria, South Africa and Uruguay, the thirtieth (30th) day after the later of the date of entry of the Order and the relevant Effective Date and (z) with respect to Excess Equipment located in Australia, Brazil, East Timor, Equatorial Guinea, Nigeria, South Africa and Uruguay, the forty-fifth (45th) day after the later of the date of entry of the Order and the relevant Effective Date and (b) the date on which the appropriate Lessor takes possession of such Excess Equipment and (ii) thereafter, shall cease insuring and maintaining such Excess Equipment; provided that upon request from the appropriate Lessor and agreement by such Lessor to pay all related out-of-pocket costs, the Debtors shall (A) continue the current insurance

coverage and existing storage and related storage maintenance, if any, for Excess Equipment not yet in the possession of such Lessor for up to forty-five (45) days beyond the date determined in accordance with clause (i)(a) of this paragraph, and (B) provide (without adversely affecting the Debtors' business operations) reasonable assistance to such affected Lessor to prepare the Excess Equipment for return shipment to the Lessor by air freight or sea freight (where applicable), including through reasonable assistance provided by the Debtors local personnel, the use of the Debtors' facilities (whether owned or leased), and tooling available at the locations for the recovery of any Excess Equipment.

7. The Lessor affected by the rejection of a Lease shall retrieve or otherwise take control of the relevant Excess Equipment from the locations provided on Schedule 1 attached to this Order by the date determined pursuant to clause (i)(a) of the immediately preceding paragraph or such later date for which the Lessor has agreed to pay in accordance with the proviso to the immediately preceding paragraph (the "**Outside Pick-Up Date**"); provided that the Debtors and the applicable Lessor may agree in writing that the Excess Equipment will be returned to or surrendered at another location(s) or according to other return procedures ("**Agreed Arrangements**"); and provided further that the Debtors shall, as soon as reasonably practicable after entry of this Order, provide to such Lessor reasonable access to such Excess Equipment. Unless otherwise agreed by the Debtors and a Lessor, each Lessor shall be responsible to the Debtors for all reasonable costs (as determined by the Debtors) of storing, maintaining, and insuring such Lessor's Excess Equipment (and for other attendant risks) after the Outside Pick-Up Date (such costs, "**Subsequent Costs**"), and such Lessor shall not be entitled to assert an administrative expense claim for such Subsequent Costs. If the Lessor does not remove the Excess Equipment by the Outside Pick-up Date or such other date set forth in the

Agreed Arrangements, or otherwise contract with the Debtors or a third party for storage of the Excess Equipment, the Debtors may file a motion to compel removal of the Excess Equipment and/or payment to the Debtors of storage and other attendant costs including without limitation all legal fees. For the avoidance of doubt, the Debtors shall not be required to insure or store Excess Equipment after the Outside Pick-Up Date, unless mutually agreed upon by the Debtors and the applicable Lessor.

8. Both (a) without limiting (i) obligations, if any, to return a full helicopter, including, without limitation, the airframe, engines and other parts and equipment (and component parts of any of the foregoing) under any rejected Lease for Excess Equipment, (ii) claims, if any, arising from the failure to return all such items, and (iii) claims, if any, arising from the failure to return all such items in one location and/or assembled, which, in the case of each of (i) through (iii), are subject to the reservation of rights contained in Paragraphs 19 and 20 hereof, and (b) without affecting the Effective Date for any rejected Lease (as provided herein), the helicopter to be made available with respect to each rejected Lease will include, at a minimum, two engines, and all gearboxes, blades, rotors and rotor assemblies appropriate for the model of such helicopter, with all such items being free and clear of all liens, claims and encumbrances (except for liens granted to or for the benefit of, or otherwise arising by or through, the Lessor (or the Lessor's lenders and finance parties under related aircraft financings)) and, to the extent requested, providing a bill of sale for such to the Lessor, in each case, in accordance with the procedures set forth herein with respect to Replacement Equipment or Substitute Equipment; provided that, in certain circumstances, some of the Excess Equipment associated with a rejected Lease may be made available at a location other than such locations set forth in Schedule 1 for such Excess Equipment, in which case the Lessor (and other interested

parties associated with such Excess Equipment (to the extent set forth on the schedules hereto)) will be promptly informed on and after the Effective Date of such rejection of such location and the equipment located at such other location. If any of the Excess Equipment was non-serviceable (as determined by reference to standards set by the relevant manufacturer and aviation authority) as of the Petition Date, the Debtors are under no obligation to repair such Excess Equipment to make it serviceable (as determined by reference to standards set by the relevant manufacturer and aviation authority), subject, however, to the reservation of rights provisions below regarding the assertion of administrative expense claims and general unsecured claims for damages and maintenance condition status. During the period commencing on the date of this Order and ending at the time the Lessor or its designee takes possession of the Excess Equipment, the Debtors shall not and shall not permit any of their affiliates or agents to remove or use any of the Excess Equipment (including any part or component thereof) except as expressly permitted by paragraphs 10 and 13 of this Order. The Debtors shall, or shall cause their affiliates or agents to, restore to the Excess Equipment any part or component that has been removed following the Petition Date or if such removed part or component is unavailable, a part or component having at least the same value and utility, including being free and clear of all liens, claims and encumbrances (except for liens granted to or for the benefit of, or otherwise arising by or through, the Lessor (or the Lessor's lenders and finance parties under related aircraft financings)).

9. Subject to ordered paragraphs 10 through 15, if any Replacement Equipment installed on, or returned with, the Affected Equipment has not been previously substituted pursuant to the terms of the relevant Lease, the Debtors shall, if requested by the affected Lessor, formalize the transfer of the Debtors' right, title and interest in such

Replacement Equipment to the Lessor free and clear of all liens, claims and encumbrances (except for liens granted to or for the benefit of, or otherwise arising by or through, the Lessor (or the Lessor's lenders and finance parties under related aircraft financings)) by providing a bill of sale to the Lessor of such Replacement Equipment.

10. If the Replacement Equipment is encumbered by a recorded lien or mortgage that is not permitted under the relevant Lease, at the Debtor's election: (i) such lien or mortgage shall be released from such Replacement Equipment and shall attach to Substitute Equipment, (ii) the Debtors shall cause the lifting and release of such lien or mortgage on such Replacement Equipment, or (iii) the Replacement Equipment shall be replaced with Substitute Equipment of the same model and version having at least the same value and utility, including being free and clear of all liens, claims and encumbrances (except for liens granted to or for the benefit of, or otherwise arising by or through, the Lessor (or the Lessor's lenders and finance parties under related aircraft financings)); in the case of (iii), the Debtors may remove the Replacement Equipment from the Affected Equipment.

11. If the transfer documentation contemplated in the Motion was not formalized at the time of the removal of the Original Equipment, the relevant Lessor shall simultaneously deliver, or cause to be delivered, to the Debtors a bill of sale for the Original Equipment, transferring such Original Equipment to the Debtors (or to a third party designated by the Debtors) free and clear of all liens, claims and encumbrances granted to or for the benefit of, or otherwise arising by or through, the Lessor (or the Lessor's lenders and finance parties under related aircraft financings).

12. If the Replacement Equipment and the Original Equipment are beneficially owned by the relevant Lessor (and for equipment subject to security interests also

with the same secured party) or by the same beneficial owner and leased to the Debtors under separate leases, then the Debtors may surrender such Replacement Equipment to the Lessor in lieu of the Original Equipment and the Replacement Equipment shall thereafter be released from the relevant Lease and any liens in favor of the secured party with respect to such Replacement Equipment, and the Original Equipment shall be subject to such lease or mortgage and any such liens.

13. In lieu of providing Replacement Equipment pursuant to this Order, the Debtors may, in the Debtors' sole discretion, make the Original Equipment (to the extent such Original Equipment is in the Debtors' possession) available to an affected Lessor at the location where such Original Equipment is situated, whether or not such Original Equipment is at the same location as the Affected Equipment, or make Substitute Equipment (having the same value and utility to the otherwise required Replacement Equipment) available to the affected Lessor at the location where the Affected Equipment is situated by installing such Substitute Equipment on the Affected Equipment, and in these circumstances, the Debtors may remove the Replacement Equipment from the Affected Equipment.

14. If a lessor of Original Equipment or Replacement Equipment does not deliver title documents, or if a secured party with a lien on Original Equipment or Replacement Equipment does not deliver documents necessary to release its liens, each as required in the Procedures, the Debtors shall be entitled to move for an Order to Show Cause to compel such lessor to transfer title to such equipment or to compel such secured party to release its liens. In such an instance, such lessor or such secured party, as the case may be, shall also be liable to the Debtors and the affected Lessor for any damages arising out of or in connection with such lessor's or such secured party's delay, including legal and other fees.

15. For the avoidance of doubt, any Original Equipment, title to which was previously transferred to Turbomeca S.A. ("**Turbomeca**") pursuant to the terms of the Heli-One (Norway AS) Support By The Hour Agreement Standard Exchange Agreements between Heli-One and Turbomeca (the "**Standard Exchange Agreements**"), which was not otherwise transferred back to the Debtors pursuant to the terms of the Standard Exchange Agreements, shall not be transferred by the Debtors to any Lessor. For the avoidance of doubt, any such Original Equipment referenced in the prior sentence is not in the Debtors' possession or control and is not included on Schedule 1 attached to this Order. To the extent that Turbomeca provided Replacement Equipment to the Debtors that is on a helicopter being returned to the Lessor and the Debtors received clean title to the Replacement Equipment pursuant to the Standard Exchange Agreements, then title of the equipment of the Lessor provided to Turbomeca in exchange for the Replacement Equipment (the "**Exchange Equipment**") was free and clear of all liens, claims and encumbrances of the Lessor (or any of the Lessor's lenders and finance parties under related aircraft financings) at the time of such transfer.

16. The Debtors shall provide to the Committee, by and through its advisors, and to counsel to the informal group of certain unaffiliated holders of the 9.250% Senior Secured Notes Due 2020, with a bi-weekly report of all transfers of, and liens on, Original Equipment, Replacement Equipment or Substitute Equipment made pursuant to this Order.

17. The Debtors are authorized to execute and deliver all instruments and documents and take any additional actions as are necessary or appropriate to implement and effectuate the rejections approved hereby and comply with the provisions of this Order.

18. Claims arising out of any rejection effected pursuant to these procedures must timely be filed in accordance with any order pursuant to Bankruptcy Rule 3003(c)

establishing a deadline by which prepetition general unsecured claims must be filed (the "**Bar Date**"), on or before the later of (i) the Bar Date, or (ii) 30 days after the Effective Date with respect to the item of Excess Equipment or with respect to the Sublease to which such claim relates, as the case may be. Any claim not timely filed will be irrevocably barred.

19. The entry of this Order is without prejudice to the ability of a Lessor or any other party in interest whose Excess Equipment is the subject of a lease that is rejected by the Motion and this Order to assert and file claims, if any, including a request for payment of an administrative expense claim (if any), for damages or other compensation arising under or in connection with the applicable Lease and/or section 503 of the Bankruptcy Code, including any failures, if any, by the Debtors to comply with any terms and conditions contained in the Lease, provided that this Order is without prejudice to the Debtors' or any other party in interest's defenses, offsets and objections to such claims and their asserted priority. Nothing set forth herein shall be deemed to determine the scope of the Debtors' return obligations with respect to the Excess Equipment and that this Order (including, without limitation, the Effective Dates set forth on Schedule 1 and Schedule 2) is without prejudice to the rights, if any, of (i) any Lessor or party in interest in these transactions to assert a claim for damages for failure to comply or delay by the Debtors to satisfy all return provisions with respect to any portion of the Excess Equipment or for improper or inadequate record keeping with respect to the records or documents, under the applicable Lease, security agreement or other operative documents or under the Bankruptcy Code, including entitlement to rent, supplemental rent, debt service or damages, or an administrative expense claim with respect to rent, supplemental rent, debt service or damages, if any, or a claim for other contractual payments, including any indemnities, fees and expenses of the trustee, if any, stipulated loss value, termination value or payments under a

tax indemnity agreement, if any and in all instances other than for Subsequent Costs, or (ii) the Debtors or any other party to object to any such claims or their asserted priority; provided, however, that to the extent there are Agreed Arrangements, with respect to specific matters delineated therein, unless otherwise agreed to by the parties to such Agreed Arrangements, after consultation with the UCC, the applicable Lessor shall not have any claim (whether prepetition or administrative) for damages relating to the Debtors' compliance with such Agreed Arrangements in lieu of the requirements for the applicable Lease or security agreement (but all other claims and priority rights (and defenses thereto) are fully preserved); provided, further, that if the Debtors and any Lessor have agreed to extend the Effective Date for related Excess Equipment beyond the Effective Date specified in the Motion, the Debtors shall not be subject to, and such Lessor shall not assert, any additional administrative expense claims as a result of such extension but all other bases for administrative claims (including, without limitation, any failure by the Debtors to return the Excess Equipment by the extended Effective Date) (as well as all rights to object thereto) are fully preserved and reserved. Nothing in this order will impair or alter any right or entitlement of any Lessor or any other party in interest to recover insurance proceeds with respect to the Excess Equipment.

20. This Order shall neither abridge nor modify the rights and remedies, if any, of any party under the Convention on International Interests in Mobile Equipment (the "**Convention**") and the Protocol to the Convention on International Interests in Mobile Equipment on Matters Specific to Aircraft Equipment (the "**Protocol**"), if such Convention and Protocol is applicable.

21. To the extent necessary, the automatic stay provided by section 362 of the Bankruptcy Code is hereby modified as to any and all of the Debtors' estates to allow the parties

to effectuate the provisions of this Order and to transfer, move and dispose of the rejected Excess Equipment and to exercise available rights of setoff, application and recoupment, if any, including without limitation with respect to available funds held on deposit or trust or otherwise that relate to any such Excess Equipment or applicable Lease (and any related financings), without further order of the Court, in accordance with applicable non-bankruptcy law and with respect to any such setoff, application and recoupment, solely to the extent such setoff, application and recoupment is permitted by, and in compliance with, the Bankruptcy Code (other than section 362 thereof).

22. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

23. The notice procedures set forth in the Motion are good and sufficient notice and satisfy Bankruptcy Rules 2002(a), 6006, 6007 and 9014 by providing the counterparties with a notice and an opportunity to object and be heard at a hearing.

24. This Court shall retain exclusive jurisdiction to hear and determine all matters arising from or related to this Order.

1. The Motion is granted as set forth herein.

2. The Debtors are authorized and empowered, pursuant to sections 105(a) and 363(c)(1) of the Bankruptcy Code, to continue the Cash Management System maintained by the Debtors before the commencement of these chapter 11 cases, and to collect, concentrate, and disburse cash in accordance with that Cash Management System, including, without limitation, Intercompany Transactions (subject to such changes to the Cash Management System as may be necessary, from time to time, to implement the basic purposes of the Cash Management System).

3. The Debtors shall continue, in the ordinary course of business, to maintain all receipts and disbursements and records of all transfers within the Cash Management System utilized postpetition so that all postpetition transfers and transactions will be properly documented, and accurate Intercompany Balances will be maintained.

4. All Intercompany Claims against a Debtor by another Debtor or non-debtor affiliate arising after the Petition Date as a result of Intercompany Transactions and

transfers in the ordinary course of business shall be accorded administrative expense priority status in accordance with section 503(b) of the Bankruptcy Code.

5. The Debtors are authorized to: (i) designate, maintain and continue to use any or all of their existing Bank Accounts including those listed on **Schedule 1**, hereof, in the names and with the account numbers existing immediately prior to the Petition Date (which **Schedule 1** shall be promptly amended to identify any Bank Accounts inadvertently omitted therefrom and which **Schedule 1**, as so amended, shall be served a reasonable period of time therefrom on the U.S. Trustee and the Official Committee of Unsecured Creditors; (ii) deposit funds in and withdraw funds from such accounts by all usual means including, without limitation, checks, drafts, wire transfers, automated clearinghouse ("**ACH**") payments, electronic funds transfer ("**EFT**") payments, and other debits; (iii) pay any Bank Fees or charges associated with the Bank Accounts; and (iv) treat their prepetition Bank Accounts for all purposes as debtors in possession accounts.

6. Except as otherwise provided in this order (the "**Final Order**"), all Banks are authorized and directed to continue to maintain, service, and administer the Bank Accounts as accounts of the Debtors as debtors-in-possession without interruption and in the usual and ordinary course, and to receive, process, honor and pay any and all checks, drafts, wire transfers, ACH payments, EFT payments, or other debits drawn on any of the Bank Accounts after the Petition Date by the holders or makers thereof, to the extent funds are available as the case may be.

7. Any payment from a Bank Account made by any of the Banks arising from a request of the Debtors or a third-party payee made prior to or on the Petition Date (including any ACH payments or EFT payments such Bank is or becomes obligated to settle), or

any instruments issued by any of the Banks on behalf of any Debtor, shall be deemed to be paid prepetition, whether or not actually debited from such Bank Account prepetition.

8. Unless otherwise ordered by this Court, no Bank shall honor or pay any checks, drafts, wires, ACH payments, or EFT payments issued on account of a prepetition claim. The Banks may honor any checks, drafts, wires, ACH payments, or EFT payments issued on account of prepetition claims where this Court has specifically authorized such checks, drafts, wires, ACH payments, or EFT payments to be honored.

9. The Banks shall not be liable to any party on account of: (a) following the Debtors' representations, instructions, or presentations as to any order of the Court (without any duty of further inquiry); (b) the honoring of any prepetition checks, drafts, wires, ACH payments, or EFT payments in a good faith belief or upon a representation by the Debtors that the Court has authorized such prepetition check, draft, wire, ACH payments, or EFT payments; or (c) an innocent mistake made despite implementation of reasonable handling procedures.

10. Nothing contained herein shall prevent the Debtors from closing any Bank Account(s) as they may deem necessary and appropriate, any relevant Bank is authorized to honor the Debtors' requests to close such Bank Accounts, and the Debtors shall give notice of the closure of any account to the U.S. Trustee.

11. Pursuant to section 364(a) of the Bankruptcy Code, the Debtors are authorized in connection with the ordinary course of their Cash Management System to obtain unsecured credit and incur unsecured debt in the ordinary course of business without notice and a hearing.

12. The bonds obtained by the Debtors to cover their accounts held with Bank of America, N.A. and HSBC Bank Canada are hereby deemed sufficient, and the Debtors are in compliance with section 345(b) of the Bankruptcy Code with respect to those accounts.

13. The requirements of section 345(b) of the Bankruptcy Code are hereby waived with respect to all Bank Accounts not held at Bank of America, N.A. or HSBC Bank Canada.

14. The Debtors are authorized to use their existing Business Forms and are not required to obtain new paper check stock reflecting their status as debtors in possession, but shall take reasonable efforts to print or stamp "debtor in possession" and the chapter 11 case number under which these cases are being jointly administered on any paper check stock or checks generated electronically.

15. Notwithstanding the Debtors' use of a consolidated cash management system, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursements of each Debtor, regardless of which entity pays those disbursements.

16. The Debtors shall deposit, or shall cause to be deposited, the proceeds from the sale by a Debtor of any unencumbered asset(s) either (i) directly into a Bank Account held by Debtor CHC Cayman Investments I, which shall immediately net the proceeds received into the selling Debtor's Intercompany Balance, or (ii) directly into a Bank Account held by the selling Debtor entity, which shall immediately loan the proceeds to Debtor CHC Cayman Investments I.

17. For the purposes of paragraph 16 above, whether a particular asset is unencumbered shall be agreed among (i) the Debtors, (ii) counsel to the Committee, (iii) counsel

to the collateral agent under the Revolving Credit Agreement and the 9.250% Senior Secured Notes Due 2020, and (iv) counsel to the Ad Hoc Group (the "**Parties**").

18. If the Parties cannot agree whether an asset is unencumbered, the dispute shall be subject to a final decision by the court upon motion and a hearing, and in the meantime, the Debtors shall deposit, or shall cause to be deposited, the proceeds from the sale of such asset either (i) directly into a Bank Account held by Debtor CHC Cayman Investments I, which shall immediately net the proceeds received into the selling Debtor's Intercompany Balance, or (ii) directly into a Bank Account held by the selling Debtor entity, which shall immediately loan the proceeds to Debtor CHC Cayman Investments I.

19. The Committee reserves all rights as to what constitutes Prepetition Collateral or Cash Collateral (as defined in the Cash Collateral Motion). Nothing contained in this Final Order or any action taken by the Debtors in implementing this Final Order shall be deemed (i) an admission as to the validity of any Intercompany Claim, (ii) an admission as to what constitutes Prepetition Collateral or Cash Collateral (as defined in the Cash Collateral Motion) or (iii) a waiver of the Debtors', the Committee's or any party in interest's right to dispute the amount of, basis for, or validity of any Intercompany Claim.

20. Nothing contained in this Final Order or any action taken by the Debtors in implementing this Final Order shall be deemed (i) an admission as to the validity of any claim against the Debtors, (ii) a waiver of the Debtors' or any party in interest's rights to dispute the amount of, basis for or validity of any claim of the Banks under applicable nonbankruptcy law, or (iii) a waiver of any claims or causes of action which may exist against any Bank.

21. Notwithstanding any applicability of Bankruptcy Rule 6004(h) the terms and conditions of this Final Order shall be immediately effective and enforceable upon its entry.

4. *Prepetition Revolver and Secured Notes Collateral.* The Revolving Facility Administrative Agent and the Senior Secured Notes Indenture Trustee have asserted that the obligations under the Revolving Credit Agreement and the Senior Secured Notes are secured in

accordance with the terms of certain local law security documents, pursuant to which the obligors under the Revolving Credit Agreement and the obligors under the Senior Secured Notes granted first priority pari passu liens[2] on certain categories of their respective assets, including, accounts receivables, aircraft and related assets, bank accounts, shares of capital stock, and other real and personal property, in each case located in certain jurisdictions and subject to the parameters set forth in the Revolving Facility Documents and Senior Secured Notes Documents (the "**Prepetition Collateral**") in favor of HSBC Corporate Trustee Company (UK) Limited, which was appointed to act as agent and trustee (in such capacity, the "**Revolving and Secured Notes Collateral Agent**") for the benefit of the Revolving Facility Secured Parties and the Senior Secured Notes Secured Parties under the terms of that certain Collateral Agent and Administrative Agent Appointment Deed, dated as of October 4, 2010, among the Revolving Facility Administrative Agent, the Senior Secured Notes Indenture Trustee, the grantors party thereto, the lenders and arrangers party thereto, and the Revolving and Secured Notes Collateral Agent.

5. As of the Petition Date, the Revolving Facility Administrative Agent and the Senior Secured Notes Indenture Trustee assert that approximately $328.3 million and $1.067 billion in aggregate principal amount was outstanding under the Revolving Facility Secured Documents (the "**Revolving Facility Secured Obligations**") and Senior Secured Notes Documents (the "**Senior Secured Notes Obligations**" and together with the Revolving Facility Secured Obligations, the "**Prepetition Obligations**")), respectively.

[2] The *pari passu* liens granted to the Revolving Facility Secured Parties and the Senior Secured Notes Secured Parties are governed by that certain Intercreditor Agreement, dated October 4, 2010, as amended from time to time, between the Revolving Facility Administrative Agent, on behalf of the Revolving Facility Secured Parties, and the Senior Secured Notes Indenture Trustee, on behalf of the Senior Secured Notes, among others (the "**Intercreditor Agreement**").

6. *Prepetition ABL Collateral*. The ABL Facility Administrative Agent and the ABL Facility Collateral Agent (collectively, the "**ABL Agents**") have asserted that pursuant to the terms of that certain Guarantee and Collateral Agreement, dated as of June 12, 2015, by and among Debtor CHC Cayman ABL Holdings Ltd., Debtor CHC Cayman ABL Borrower Ltd. and the ABL Facility Collateral Agent, and certain other security documents, Debtor CHC Cayman ABL Holdings Ltd. and Debtor CHC Cayman ABL Borrower Ltd. have granted security interests in substantially all of their respective assets, including aircraft and related assets, in favor of the ABL Facility Collateral Agent to secure the obligations under the ABL Facility, subject to the exceptions specified in the ABL Facility Documents (the "**Prepetition ABL Collateral**").

7. *The Unencumbered Cash.* As of the Petition Date, the Debtors and non-debtor entities, on a consolidated basis, held approximately $277.2 million of cash in various bank accounts worldwide (the "**Beginning Cash Balance**"). Of this amount, as of the Petition Date, Debtor CHC Cayman Investments I Ltd. held approximately $142.7 million of unencumbered cash (the "**CHC Cayman Unencumbered Cash**") in an account at Bank of America (London branch) (the "**Bank of America Account**"), which constitutes proceeds of a draw from the Revolving Facility. In addition, certain non-debtor entities that are not obligors under the Revolving Facility, Senior Secured Notes, or ABL Facility[3] held approximately $90.1 million of cash in various jurisdictions (the "**Non-Debtor Unencumbered Cash**" and, together with the CHC Cayman Unencumbered Cash, the "**Unencumbered Cash**"). The Debtors assert that the Non-Debtor Unencumbered Cash also is unencumbered. Accordingly, as of the Petition Date, the Debtors assert that at least $232.8 million of the Beginning Cash Balance constitutes

[3] The ABL Facility is the senior secured non-amortizing asset based revolving facility provided by the Lender Parties (as such term is defined in the ABL Term Sheet).

Unencumbered Cash, which is not subject to any prepetition lien or security interest held by the Agents. The Debtors, the Creditors' Committee and the Prepetition Secured Parties reserve all rights to challenge and/or defend the assertion that the Unencumbered Cash is not subject to any prepetition lien or security interests held by the Agents.

8. *The Encumbered Cash.* The Debtors assert that, as of the Petition Date, approximately $30.5 million of cash in the Beginning Cash Balance may be subject to prepetition liens or security interests asserted by the Agents (the "**Asserted Encumbered Cash**"). In addition, approximately $13.8 million of cash is classified as "restricted cash" that is held by Debtor and non-debtor entities (the "**Restricted Cash**"). The Restricted Cash consists primarily of contract deposits and customer pre-payments, and such cash cannot be accessed by the Debtors for general operating purposes. The Debtors and the Creditors' Committee reserve all of their respective rights with respect to the Asserted Encumbered Cash, including, without limitation, whether such cash constitutes Prepetition Collateral and the Prepetition Secured Parties reserve all rights to defend the assertion that the Asserted Encumbered Cash is subject to prepetition liens or security interests held by one or more Agents.

9. *Forecast.* Attached hereto as **Exhibit A** is a 24-week cash flow forecast setting forth all projected cash receipts and cash disbursements on a weekly basis (as may be revised from time to time, the "**Forecast**"). The Forecast includes and contains the Debtors' reasonable estimate of all operational receipts and all operational disbursements, fees, costs, and other expenses that will be payable, incurred, and/or accrued by any of the Debtors during the period covered by the Forecast and that such operational disbursements, fees, costs, and other expenses will be timely paid in the ordinary course of business pursuant to and in accordance with the Forecast unless such operational disbursements, fees, costs, and other expenses are not incurred

or otherwise payable. Based on the exercise of their prudent business judgment, the Debtors reasonably believe that the Forecast is achievable and will allow the Debtors to operate in the chapter 11 cases and pay postpetition administrative expenses as they come due. Absent further order of the Court, the Debtors will not make disbursements in excess of 115% of the aggregate of the disbursements set forth on **Exhibit A**.

10. Every other week, on the fifth business day of such week, the Debtors shall deliver to the Agents, the advisors to the Ad Hoc Noteholder Group, and the Creditors' Committee, a revised Forecast of projected cash receipts and cash disbursements, including identification of debtor/non-debtor and obligor/non-obligor cash accounts (the "**Revised Forecast**"). Five business days following the delivery of the Revised Forecast, the Debtors shall deliver to the Agents, the advisors to the Ad Hoc Noteholder Group, and the Creditors' Committee, a variance report comparing actual cash receipts and disbursements of the Debtors with the receipts and disbursements in the first two weeks of the latest delivered Revised Forecast.

11. *Findings Regarding the Use of Cash Collateral and Prepetition Collateral.*

(a) Good cause has been shown for the entry of this Final Order.

(b) The Debtors need to continue to use the Prepetition Collateral to, among other things, conduct their business operations, generate revenue, and preserve the going concern value of the Debtors. The Debtors have a need to use the Cash Collateral to, among other things, preserve and maintain the going concern value of the Debtors, absent which immediate and irreparable harm will result to the Debtors, their estates and their creditors.

(c) The terms and conditions for the use of the Prepetition Collateral pursuant to the Final Order are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties and constitute reasonably equivalent value and fair consideration. The use of the Prepetition Collateral in accordance with the terms and conditions of the Final Order is in the best interest of the Debtors' estates.

12. Authorization of Use of Cash Collateral and Prepetition Collateral.

(a) The Debtors are hereby authorized to use the Prepetition Collateral, including Cash Collateral, through and including the Termination Date (as defined in paragraph 18 below) in accordance with the Forecast and the terms and conditions of this Final Order and the Plan Support Agreement. This includes using the Prepetition Collateral, including Cash Collateral, for (i) providing funding to affiliates (whether Debtors or non-Debtors), consistent with prepetition practices as set forth in the Cash Management Motion (as defined below); (ii) conducting their operations and generating revenue in the chapter 11 cases, subject to the terms and conditions of this Final Order; (iii) working capital purposes; (iv) other general corporate purposes; (v) the satisfaction of the costs and expenses of administering the chapter 11 cases, including payment of any prepetition obligations that are necessary to preserve the value of the estates, as further described in each of the Debtors' first day motions; and (vi) certain adequate protection payments to the Agents and the Prepetition Secured Parties, as provided herein.

13. *Entitlement to Adequate Protection*. The Agents and the Prepetition Secured Parties are entitled, pursuant to sections 361, 363(c)(2) and 363(e) of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, in an amount equal to the aggregate diminution or other decline in value, if any, of the applicable Agent's or Prepetition Secured Party's interest in the Prepetition Collateral (including the Cash Collateral) from and after the Petition Date resulting from the use, sale, or lease by the Debtors of the Prepetition Collateral and the imposition of the automatic stay pursuant to section 362 of the Bankruptcy Code (such diminution in value, the "**Adequate Protection Obligations**" or the "**Diminution**"). Notwithstanding anything to the contrary herein, the Agents and the Prepetition Secured Parties are not receiving any adequate protection of their interests in the Prepetition Collateral pursuant to the Final Order in an amount over and above the amount equal to the Diminution.

14. *Adequate Protection Claims and Liens.* As adequate protection, the Prepetition Secured Parties are hereby granted the following claims, liens, rights and benefits, provided, however, that the adequate protection claims, liens, rights and benefits shall only be available to

the Prepetition Secured Parties and the Prepetition Secured Parties may only make a claim on account of such rights and benefits to the extent any Diminution or Adequate Protection Obligations arise with respect to the Debtors' use of the Cash Collateral and/or Prepetition Collateral from and after the Petition Date through the Termination Date:

(a) Section 507(b) Claim. The Adequate Protection Obligations due to the Prepetition Secured Parties shall constitute joint and several superpriority claims in the amount of the Diminution, if any, against the Debtors as provided in section 507(b) of the Bankruptcy Code, with priority in payment over any and all unsecured claims and administrative expense claims against the Debtors, now existing or hereafter arising, of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including without limitation, sections 105, 326, 328, 330, 331, 503(b), 507(a), 507(b), 726, 1113 or 1114, and shall at all times be senior to the rights of the Debtors and any successor trustee or any creditor in the chapter 11 cases or any subsequent proceedings under the Bankruptcy Code (the "**507(b) Claim**"), subject and subordinate only to the Carve Out (as defined in paragraph 14(c) below).

(b) Adequate Protection Liens. As security for the Adequate Protection Obligations, effective as of the Petition Date and perfected without the necessity of the execution by the Debtors (or recordation or other filing) of security agreements, control agreements, pledge agreements, financing statements, mortgages or other similar documents, or the possession or control by the Agents of any Adequate Protection Collateral (as defined below), the following security interests and liens are hereby granted to the Agents for the benefit of the Prepetition Secured Parties for and to the extent of the Diminution, if any (all property identified in clause (1) and (2) below being collectively referred to as the "**Adequate Protection Collateral**"), subject only to the Carve Out (as defined in paragraph 14(c) below) (all such liens and security interests, the "**Adequate Protection Liens**"):

(1) First Priority on Certain Unencumbered Property. Pursuant to sections 361(2) and 363(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected, non-voidable first priority additional and replacement lien on, and security interest in (i) the CHC Cayman Unencumbered Cash in the Bank of America Account and (ii) all other previously unencumbered property (including, for the avoidance of doubt, all property not subject to a valid, binding, continuing, enforceable, fully perfected and non-avoidable lien), whether now owned or hereafter acquired or existing and wherever located, of each Debtor and each Debtor's estate (as created pursuant to section 541(a) of the

Bankruptcy Code), of any kind or nature whatsoever, real or personal, tangible or intangible, and now existing or hereafter acquired or created, including, without limitation, all cash accounts, inventory, goods, aircraft, leases, contract rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables records, general intangibles, payment intangibles, tax or other refunds, insurance proceeds, letters of credit, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims, securities accounts, instruments, investment property, machinery and equipment, all of the issued and outstanding stock of each Debtor, other equity or ownership interests held by a Debtor, including equity interests in subsidiaries and non-wholly-owned subsidiaries or affiliates, money investment property, causes of action (including causes of action arising under section 549 of the Bankruptcy Code and any related action thereto under section 550 of the Bankruptcy Code in each case that relates to a transfer of an asset of the estate that constitutes Prepetition Revolver and Secured Notes Collateral or Adequate Protection Collateral ("**Section 549 Actions**")), Cash Collateral, and all cash and non-cash proceeds, rents, products, substitutions, accessions, and profits of any of the collateral described above. Notwithstanding the foregoing, no Adequate Protection Liens shall be provided on any Avoidance Actions[4] (other than Section 549 Actions) or proceeds or property thereof and such Avoidance Actions (other than Section 549 Actions) or proceeds or property thereof shall remain unencumbered.

(2) Junior Liens on Certain Property. Pursuant to sections 361(2) and 363(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected, non-avoidable additional and replacement junior priority lien on, and security interest in all property, whether now owned or hereafter acquired or existing and wherever located, of each Debtor and each Debtor's estate (as created pursuant to section 541(a) of the Bankruptcy Code), of any kind or nature whatsoever, real or personal, tangible or intangible, and now existing or hereafter acquired or created, including, without limitation, all cash accounts, inventory, goods, aircraft, leases, contract rights, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, accounts receivable, receivables and receivables records, general intangibles, payment intangibles, tax or other refunds, insurance

[4] Avoidance Actions shall mean: any and all actual or potential Claims and Causes of Action to avoid a transfer of property or an obligation incurred by any of the Debtors pursuant to any applicable section of the Bankruptcy Code, including sections 502(d), 544, 545, 547, 548, 549, 550, 551, 553(b), and 724(a) of the Bankruptcy Code, or under similar or related state or federal statutes and common law.

proceeds, letters of credit, owned real estate, real property leaseholds, fixtures, deposit accounts, commercial tort claims, securities accounts, instruments, investment property, machinery and equipment, all of the issued and outstanding stock of each Debtor, other equity or ownership interests held by a Debtor, including equity interests in subsidiaries and non-wholly-owned subsidiaries or affiliates, money investment property, causes of action, Cash Collateral, and all cash and non-cash proceeds, rents, products, substitutions, accessions, and profits of any of the collateral described above, that is subject to (x) valid and non-avoidable liens in existence immediately prior to the Petition Date or (y) valid and non-avoidable liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by Section 546(b) of the Bankruptcy Code, which valid, perfected and non-avoidable liens are senior in priority to the security interests and liens in favor of the Prepetition Secured Parties.

(3) No other liens or security interests shall be granted pursuant to the Final Order. For the avoidance of doubt, the Adequate Protection Liens granted herein shall not prime (x) any valid, perfected and non-avoidable liens and security interests in existence as of the Petition Date or (y) valid and non-avoidable liens and security interests in existence as of the Petition Date that are perfected after the Petition Date as permitted by Section 546(b) of the Bankruptcy Code.

(c) For purposes hereof, the "**Carve Out**" shall mean following the Termination Date: (i) all statutory fees required to be paid by the Debtors to the Clerk of the Bankruptcy Court and to the Office of the U.S. Trustee in such amounts as agreed to by the U.S. Trustee or as determined by order of the Court under section 1930(a) of title 28 of the United States Code; (ii) the reasonable fees and expenses up to $50,000 incurred by a trustee appointed in the Debtors' cases under section 726(b) of the Bankruptcy Code; (iii) all accrued and unpaid reasonable fees, disbursements, costs, and expenses (the "**Professional Fees**") incurred by professionals or professional firms retained by the Debtors or their estates pursuant to sections 327, 328, or 363 of the Bankruptcy Code and any statutory committee (the "**Statutory Committee**") appointed in the chapter 11 cases pursuant to section 1103 of the Bankruptcy Code (collectively, the "**Professionals**"), which Professional Fees (x) are allowed by this Court or another court of competent jurisdiction at any time and (y) were incurred (regardless of when invoiced or applied for) before or on the first business day following delivery by any of the Agents or the Ad Hoc Noteholder Group to counsel to the Debtors, the U.S. Trustee, and counsel to any Committee of a written notice (the "**Carve Out Notice**"), which notice may be delivered at any time following the occurrence of a Termination Date or Termination Event (each as defined

in paragraph 18 below) stating that the Termination Date has occurred or a Termination Event has occurred; and (iv) the Professional Fees allowed by this Court or another court of competent jurisdiction in an aggregate amount not exceeding $4 million, which Professional Fees are incurred by the Professionals after the first business day following delivery by each of the Agents of the Carve Out Notice in accordance with the immediately preceding clause; provided that, without prejudice to the rights of the Professionals or the Debtors to contest any such objection, nothing in this Final Order shall be construed to impair the ability of any party to object to any fees, expenses, reimbursements, or compensation sought by any such Professionals.

(d) The Debtors shall continue to maintain and insure the Prepetition Collateral in the ordinary course of business pursuant to the Debtors' prepetition practices.

15. *Fees and Expenses*. As additional adequate protection, the Debtors are authorized to pay through the Termination Date, in accordance with this paragraph, within two (2) business days following fifteen (15) days after delivery of an invoice describing in reasonable detail (redacted for privilege and work product), the reasonable and documented fees and expenses incurred through the Termination Date (regardless of when invoiced) of one legal counsel, one domestic local counsel, one local counsel in each foreign jurisdiction as required, and one financial advisory firm for (i) each of the Agents (including the financial advisory firm to counsel to the Revolving Facility Administrative Agent, Alvarez & Marsal Securities, LLC ("**A&M**"), which, pursuant to its engagement letter agreement, provides for, *inter alia*, a monthly fee of $150,000 and a cash fee of $1,000,000 (the "**Completion Fee**") payable, in accordance with its engagement letter, upon "the closing of any transaction in which the Indebtedness (as defined in the Credit Agreement) is refinanced or repaid or upon the closing of any Restructuring Transaction (as defined in the A&M engagement letter),", (ii) the collateral agent for the Revolving Facility and the Senior Secured Notes, and (iii) the Ad Hoc Noteholder Group (including Akin Gump Strauss Hauer & Feld LLP, Houlihan Lokey Capital Inc., Walkers (Cayman local counsel), and Cassel Brock & Bardwell LLP (Canadian local counsel). None of

the fees, costs, expenses or other amounts payable pursuant to this paragraph shall be subject to separate approval by this Court (but this Court shall resolve any dispute as to the reasonableness of any such fees, costs and expenses), and no recipient of any such payment shall be required to file any interim or final fee application with respect thereto; provided that the Debtors shall submit copies of the Agents' respective legal counsels' and financial advisors' invoices to the U.S. Trustee and any Statutory Committee, and the Debtors, the U.S. Trustee and any Statutory Committee shall have ten (10) days following their receipt of such invoices to object to the reasonableness of the fees and expenses included in any such invoice, including the Completion Fee. The invoices for such invoiced fees shall include the number of hours billed by each professional (except for financial advisors compensated on other than an hourly basis) and a reasonably detailed description of services provided and the expenses incurred by the applicable professional; provided, however, that any such invoice may be redacted to protect privileged, confidential or proprietary information. If any such objection is not resolved within ten (10) days after such objection is interposed, a hearing with respect thereto shall be conducted at a regularly scheduled omnibus hearing in the chapter 11 cases, provided that the Debtors shall pay any undisputed portion of such fees, costs and expenses on the first Thursday following fifteen (15) days after the initial presentment to the Debtors of such invoice.

16. *Payment Protocol.* Other than the payment of professional fees pursuant to paragraphs 14(c) and 15 of this Final Order, payments of any amounts for adequate protection, fees and expenses, or any other payments made pursuant to the Final Order for the benefit of the Revolving Facility Lenders or the Senior Secured Notes Secured Parties shall be paid to the Revolving and Secured Notes Collateral Agent in accordance with the Intercreditor Agreement.

17. *Cash Management*. The Debtors shall maintain their cash management arrangements in a manner consistent with that described in the Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue their Existing Cash Management System, (B) Continue Existing Intercompany Transactions, (C) Maintain Existing Bank Accounts and Business Forms, and (D) Honor Certain Prepetition Obligations Relating to the Use of the Cash Management System, and (II) Granting Extension of Time to Comply With, and Waiver of, Requirements of Section 345(b) of the Bankruptcy Code Pursuant to Sections 105(a), 363(c) and 345(b) of the Bankruptcy Code and Bankruptcy Rules 6003 and 6004 (the "**Cash Management Motion**") and any corresponding order of the Court.

18. *Termination*. The Debtors' right to use the Cash Collateral pursuant to this Final Order shall terminate (the date of any such termination, the "**Termination Date**") without further notice or court proceeding upon the occurrence of any of the events set forth below (each event, a "**Termination Event**"): (a) the earlier of (i) the effective date of the *First Amended Joint Chapter 11 Plan of CHC Group Ltd. and its Affiliated Debtors* [Docket No. 1285] (as the same may be amended from time to time, the "**Plan**") and (ii) fourteen (14) days after the date on which the Plan Support Agreement is terminated pursuant to its terms; (b) the reversal, vacatur or, modification or stay of the Orders in any manner materially adverse to the Agents or the Prepetition Secured Parties, without the prior written consent of each of the Agents and the Ad Hoc Noteholder Group (such consent to be provided in such party's sole discretion); (c) the entry by the Court of an interim or final order authorizing postpetition financing by the Debtors whereby any Debtor shall create or incur any claim which is *pari passu* with or senior to any Adequate Protection Liens or 507(b) Claims granted under this Final Order (the "**DIP Order**"), provided, however, that while the Debtors are party to the Plan Support Agreement, the Debtors

will not seek entry of a DIP Order without the prior written consent of each of the Agents and the Ad Hoc Noteholder Group (such consent to be provided in such party's sole discretion); (d) the entry by the Court of an order (i) dismissing any of the Debtors' chapter 11 cases, (ii) converting any of the Debtors' chapter 11 cases to a case under chapter 7 of the Bankruptcy Code or (iii) appointing a chapter 11 trustee in any of the chapter 11 cases; or (e) the failure of the Debtors to comply with the reporting requirements as set forth herein, in the event that such failure is not cured on or within three (3) calendar days after the delivery of written notice of such failure to the Debtors. Nothing in this Final Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Prepetition Collateral, including Cash Collateral, or other proceeds resulting therefrom, except as permitted in this Final Order or another order of the Court, or with the prior written consent of the applicable Agent whose collateral is sought to be used by the Debtors.

19. *Additional Reporting Requirements.* As additional adequate protection, the Debtors shall provide the Prepetition Secured Parties and the Creditors' Committee with certain information, at the end of each calendar month, related to the following: (i) a monthly summary of aircraft by location with an indication of operating status (idled, deployed or for sale), (ii) confirmation of all new customer contracts on an aggregate dollar basis (customer names withheld for confidentiality reasons) and material customer contracts running off or cancelled/terminated/re-negotiated, and (iii) monthly balance sheet upon close of the applicable reporting period with (x) analysis of working capital assets, including trade account receivables and consumable inventories as well as the balance of rotables and deferred revenue and (y) summary of all intercompany and related party transactions and corresponding changes in the intercompany accounts. In addition, following the delivery of each Revised Forecast, the

Debtors shall schedule a conference call with financial advisors for the Prepetition Secured Parties and the Creditors' Committee to discuss the information provided.

20. *Debtors' Reservation of Rights*. The entry of this Final Order and the grant of adequate protection to the Prepetition Secured Parties pursuant to the terms hereof shall be without prejudice to the rights of the Debtors to, following the occurrence of the Termination Date, seek authority to use Cash Collateral and the Prepetition Collateral without the consent of the Prepetition Secured Parties, and the Prepetition Secured Parties reserve all of their respective rights with respect to contesting any such motion or request by the Debtors or any other person. In addition, the Debtors, the Creditors' Committee and the Prepetition Secured Parties reserve all rights to challenge and/or defend the Debtors' ability to utilize Cash Collateral to seek such authority as set forth in this paragraph.

21. *Creditors' Committee's Reservation of Rights*. The Creditors' Committee reserves all rights as to what constitutes Prepetition Collateral or Cash Collateral. Nothing contained in this Final Order or any action taken by the Debtors in implementing this Final Order shall be deemed (i) an admission as to the validity of any Intercompany Claim (as defined in the Cash Management Motion), (ii) an admission as to what constitutes Prepetition Collateral or Cash Collateral; (iii) an admission as to the validity or amount of the Prepetition Obligations or (iv) a waiver of the Debtors', the Committee's or any party in interest's right to dispute the amount of, basis for, or validity of any Intercompany Claim (as defined in the Cash Management Motion).

22. *Prepetition Secured Parties' and the Ad Hoc Noteholder Group's Reservation of Rights.* The entry of this Final Order shall be without prejudice to, and shall not constitute a waiver, expressly or implicitly, or relinquishment of any rights, claims or privileges of the Prepetition Secured Parties or the Ad Hoc Noteholder Group including, without limitation, the

right to, following the occurrence of the Termination Date, seek additional or different adequate protection or any other relief in respect of the Debtors.

23. *Perfection of Adequate Protection Liens*. Without the necessity of the filing of financing statements, mortgages or other documents, the Final Order shall be sufficient evidence of the Prepetition Secured Parties' perfected security interests and liens granted in the Adequate Protection Collateral pursuant to the Final Order.

(a) The Revolving Facility and Secured Notes Collateral Agent (collectively, the "**Collateral Agents**") are hereby authorized, but not required, to file or record financing statements, intellectual property filings, mortgages, notices of lien or similar instruments in any jurisdiction in order to validate and perfect the liens and security interests granted to them pursuant to the Orders. Whether or not the Collateral Agents shall, in their sole discretion, respectively choose to file such financing statements, intellectual property filings, mortgages, notices of lien or similar instruments, such liens and security interests were deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination as of the date of entry of the First Interim Order and shall continue to be deemed valid, perfected, allowed, enforceable, non-avoidable and not subject to challenge, dispute or subordination. If the Collateral Agents determine respectively to file any financing statements, notice of liens or similar instruments, the Debtors will cooperate and assist in any such filings as reasonably requested by either of the Collateral Agents, and the automatic stay shall be modified to allow such filings.

(b) A certified copy of any of the Orders may, in the discretion of the Collateral Agents, respectively, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of such Orders for filing and recording; provided that the Debtors shall reimburse the Collateral Agents or their respective designees for the payment of any stamp, intangibles, recording or similar tax.

24. *Preservation of Rights Granted Under Final Order*.

(a) Except as expressly provided in the Final Order, no claim or lien having a priority senior to or pari passu with those granted by the Orders to the Agents and Prepetition Secured Parties shall be granted or allowed, and the Adequate Protection Liens shall not be subject or junior to any lien or security interest that is avoided and preserved for the benefit of the

Debtors' estates under section 551 of the Bankruptcy Code or, subordinated to or made pari passu with any other lien or security interest, whether under section 364(d) of the Bankruptcy Code or otherwise.

(b) If any or all of the provisions of the Final Order are hereafter reversed, modified, vacated or stayed, such reversal, stay, modification or vacatur shall not affect: (i) the validity, priority or enforceability of any Adequate Protection Obligations incurred prior to the actual receipt of written notice by the Agents of the effective date of such reversal, stay, modification or vacatur; or (ii) the validity, priority or enforceability of the Adequate Protection Liens. Notwithstanding any such reversal, stay, modification or vacatur, any use of the Prepetition Collateral or any Adequate Protection Obligations incurred by the Debtors hereunder, as the case may be, prior to the actual receipt of written notice by the Agents of the effective date of such reversal, stay, modification or vacatur shall be governed in all respects by the original provisions of the Final Order, and the Prepetition Secured Parties shall be entitled to all of the rights, remedies, privileges and benefits granted in section 363(m) of the Bankruptcy Code with respect to all uses of the Prepetition Collateral and all Adequate Protection Obligations.

(c) Except as expressly provided in the Final Order, the adequate protection payments made pursuant to the Orders shall not be subject to counterclaim, setoff, subordination, recharacterization, defense or avoidance in the chapter 11 cases or any subsequent chapter 7 cases (other than a defense that the payment has actually been made). Notwithstanding the foregoing, if any of the Prepetition Obligations are determined pursuant to further order entered by this Court to be (x) undersecured, the payment of fees and expenses permitted in the Final Order may be recharacterized and re-credited to the principal balance of such Prepetition Obligations or (y) wholly unsecured, the payment of fees and expenses permitted in the Final Order may be subject to disgorgement and, in the case of both (x) and (y), all parties reserve all of their rights with respect thereto.

(d) Except as expressly provided in the Final Order, the Adequate Protection Obligations, the 507(b) Claims and the Adequate Protection Liens and all other rights and remedies of the Agents and the Prepetition Secured Parties granted by the provisions of the Orders shall survive, and shall not be modified, impaired or discharged by (i) the entry of an order converting any of the chapter 11 cases to a case under chapter 7 of the Bankruptcy Code, dismissing any of the chapter 11 cases or by any other act or omission, or (ii) the entry of an order confirming a plan of reorganization in any of the chapter 11 cases and, pursuant to section 1141(d)(4) of the Bankruptcy Code, the Debtors have waived any discharge as to any remaining Adequate Protection Obligations. The terms and provisions of the Orders shall continue in the chapter 11 cases, in any successor cases if

> the chapter 11 cases cease to be jointly administered, or in any superseding chapter 7 cases under the Bankruptcy Code, and, except as expressly provided in paragraph 31 of this Final Order, the Adequate Protection Liens, the 507(b) Claims, the other administrative claims granted pursuant to the Orders, and all other rights and remedies of the Agents and the Prepetition Secured Parties granted by the provisions of the Final Order shall continue in full force and effect until all Adequate Protection Obligations are indefeasibly paid in full in cash.

25. *Binding Effect; Successors and Assigns*. Subject to the reservation of rights set forth herein, the provisions of the Final Order, including all findings in this Final Order, shall be binding upon all parties in interest in the chapter 11 cases, including without limitation, the Agents and the Prepetition Secured Parties, any Statutory Committee, and the Debtors and their respective successors and assigns (including any trustee hereinafter appointed or elected for the estate of any Debtor, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors) and shall inure to the benefit of the Agents, the Prepetition Secured Parties and the Debtors and their respective successors and assigns, provided that, except to the extent expressly set forth in this Final Order, the Agents and the Prepetition Secured Parties shall have no obligation to permit the use of the Prepetition Collateral, including Cash Collateral, or extend any financing to any trustee or similar responsible person appointed for the estate of any Debtor. For all adequate protection and stay relief purposes throughout the chapter 11 cases, the Prepetition Secured Parties shall be deemed to have requested relief from the automatic stay and adequate protection as of the Petition Date. For the avoidance of doubt, such request will survive termination of this Final Order.

26. *Priorities Among Prepetition Secured Parties*. Notwithstanding anything to the contrary herein or in any other order of this Court, (a) in determining the relative priorities and rights of the Prepetition Secured Parties (including, without limitation, the relative priorities and

rights of the Prepetition Secured Parties with respect to the adequate protection granted hereunder), such relative priorities and rights shall continue to be governed by the Prepetition Debt Documents and Intercreditor Agreement, if applicable and (b) to the extent this order provides any Prepetition Secured Party rights with respect to "Collateral" such rights exist with respect to such Collateral for such Prepetition Secured Party only to the extent such Collateral is the Prepetition Collateral or Adequate Protection Collateral of such Prepetition Secured Party.

27. *Section 552(b).* Each of the Prepetition Secured Parties shall be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Secured Parties with respect to proceeds, products, or profits of any Prepetition Collateral.

28. *Section 506(c).* Except to the extent of the Carve-Out, no costs or expenses of administration of the chapter 11 cases, which have been or may be incurred in the chapter 11 cases at any time shall be charged against or recovered from any Prepetition Secured Party or the Agents, any of the Prepetition Obligations, any of their respective claims or the Prepetition Collateral, including Cash Collateral, pursuant to sections 105(a) or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the affected parties, each in their sole discretion, and no such consent shall be implied from any other action, inaction, or acquiescence by any of the Prepetition Secured Parties, the Agents or their respective representatives.

29. *No Marshalling/Application of Proceeds.* The Agents shall be entitled to apply the payments or proceeds of Prepetition Collateral and/or Adequate Protection Collateral in accordance with the provisions of the Prepetition Debt Documents and the Intercreditor Agreement, as applicable, and in no event shall any of the Prepetition Secured Parties or the

Agents be subject to the equitable doctrine of "marshalling" or any other similar doctrine with respect to any of the Prepetition Collateral or Adequate Protection Collateral or otherwise.

30. *Exceptions to Paragraph 27, 28, and 29.* Notwithstanding anything to the contrary contained herein, if the Debtors and/or the Creditors' Committee are no longer a party to the Plan Support Agreement (other than due to the occurrence of the effective date of the Plan), then the provisions contained in paragraphs 27, 28, and 29 shall be deemed void ab initio with respect to such party and shall not in any way affect such party's ability to (a) raise the "equities of the case" exception under section 552(b) of the Bankruptcy Code; (b) seek to surcharge the Prepetition Collateral under section 506(c) of the Bankruptcy Code; and (c) challenge the application of proceeds of Prepetition Collateral and/or Adequate Protection Collateral. The rights conferred pursuant to paragraphs 27, 28, and 29 shall also apply for the benefit of the Lender Parties (as defined in the ABL Term Sheet) with respect to any of the Prepetition ABL Collateral in accordance with the ABL Facility Documents; provided, however, that paragraphs 27, 28, and 29 shall be deemed void ab initio with respect to the Lender Parties (as defined in the ABL Term Sheet) upon the termination of the ABL Term Sheet.

31. *ABL Term Sheet.* Nothing in this Final Order shall alter or otherwise adversely affect the rights of the Lender Parties (as defined in the ABL Term Sheet) and their professionals under the ABL Term Sheet including, without limitation, with respect to Sections 3.1, 3.8, 4.2, 5.1, 9.2 and 9.3 of the ABL Term Sheet. Notwithstanding anything to the contrary herein, the Lender Parties (as defined in the ABL Term Sheet) are not receiving and are not entitled to receive (a) any adequate protection of their interests in the Prepetition ABL Collateral or Prepetition Collateral, including Cash Collateral nor (b) payment of fees and expenses under this

Final Order. Any and all rights of the Lender Parties (as defined in the ABL Term Sheet) to seek further adequate protection are preserved if the ABL Term Sheet is terminated.

32. *Accrual of Postpetition Interest and Fees.* The Prepetition Secured Parties shall be entitled to accrue all unpaid postpetition interest, fees and costs due and payable under the Revolving Credit Agreement and Senior Secured Notes Indenture, as applicable; provided, however, in the event it is subsequently determined that any of the Prepetition Secured Parties is undersecured or unsecured, such party shall not be entitled to the accrual of any postpetition interest, fees and costs in accordance with this paragraph. For the avoidance of doubt, the Lender Parties (as defined in the ABL Term Sheet) shall not be entitled to the accrual of any postpetition interest, fees and costs under the ABL Facility. Any and all rights of the Lender Parties (as defined in the ABL Term Sheet) to seek accrual of any postpetition interest, fees and costs under the ABL Facility are preserved if the ABL Term Sheet is terminated.

33. *Certain Prepetition Lessor Reservation of Rights*. The entry of this Final Order shall be without prejudice to the rights of Parilease S.A.S., a third party lessor of helicopter airframes and associated engines to certain Debtor lessees pursuant to certain aircraft leases, subleases, guarantees and related transaction documents, or any facility agent or security trustee under any related financing and security transaction documents, or their respective successors and assigns (collectively, "**Parilease**"), to assert a prepetition lien or security interest in the Prepetition Collateral, including Cash Collateral, and to seek adequate protection under this Final Cash Collateral Order. The Debtors, the Creditors' Committee and the Prepetition Secured Parties reserve all of their respective rights with respect to contesting any such motion or assertion of a prepetition lien or security interest in the Prepetition Collateral, including Cash Collateral, by Parilease or any other person.

34. *Effectiveness*. This Final Order shall constitute findings of fact and conclusions of law and shall take effect immediately upon entry hereof, and there shall be no stay of execution of effectiveness of this Final Order. To the extent that any finding of fact shall be determined to be a conclusion of law it shall be so deemed and vice versa.

35. *Jurisdiction*. This Court shall retain exclusive jurisdiction to enforce the terms of this Final Order and to adjudicate any and all matters arising from or related to the interpretation or implementation of this Final Order.

36. *Controlling Effect of the Final Order*. To the extent any provision of this Final Order conflicts or is inconsistent with any provision of the Motion, the First Interim Order, the Second Interim Order, the Third Interim Order, the Fourth Interim Order, the Fifth Interim Order, the Sixth Interim Order, the Seventh Interim Order, the Eighth Interim Order, the Ninth Interim Order, or any order entered by the Court approving the Cash Management Motion, the provisions of this Final Order shall control to the extent of such conflict. Except as specifically amended, supplemented or otherwise modified by this Final Order, all provisions of the First Interim Order, Second Interim Order, Third Interim Order, Fourth Interim Order, Fifth Interim Order, Sixth Interim Order, Seventh Interim Order, Eighth Interim Order and Ninth Interim Order shall remain in full force and effect and are hereby ratified by this Final Order.
