(Aviation) Corp.'s ("Plaintiff's") Opposition to Defendant's Motion For Continuance of Trial and Stay of Deadlines, and arguments of counsel, the Court finds good cause that the above adversary proceeding styled *ECN Capital (Aviation) Corp., Plaintiff v. Airbus Helicopter Defendant*, No. 16-3151, U.S. Bankruptcy Court, Northern District of Texas, Dallas Division should be continued from its current trial date, all deadlines in the November 18, 2016 scheduling order should be stayed until the Motion to Dismiss is decided, discovery should be limited to the threshold jurisdictional issues related to AH's Motion to Dismiss for Lack of Personal Jurisdiction pursuant to 12(b)(2) ("Motion to Dismiss"), AH's Motion for Protective Order shall be considered should AH set its Motion for Protective Order for hearing prior to the Motion to Dismiss, and AH is granted leave to set its Motion for Protective Order for hearing prior to the Motion to Dismiss. The Court finds that notice of the Motion is proper and that good cause exists for the Motion to be granted in part and continued in part. It is therefore:

ORDERED, ADJUDGED AND DECREED that the Motion is hereby **GRANTED** in part and **CONTINUED** in part**;** and it is further

ORDERED, ADJUDGED AND DECREED that the trial in this proceeding is continued from the week of April 10, 2017 until further order of this Court or the District Court; and it is further;

ORDERED, ADJUDGED AND DECREED that the March 31, 2017 at 1:15 p.m. Trial Docket Call is hereby cancelled until further order of this Court; and it is further

ORDERED, ADJUDGED AND DECREED that the Court continues the Motion as to the trial date being reset and the entry of an amended scheduling order; and it is further

ORDERED, ADJUDGED AND DECREED that, should AH require a hearing on a motion for protective order prior to the hearing on the Motion to Dismiss, AH shall file a Motion for Expedited Hearing with its Amended Motion for Protective Order.
