(ALL OF THE FOREGOING CLAIMANTS, THE "CLAIMANTS")

1. **Names of Claimants**. This is the Annex (the "Annex") to the Proofs of Claim (the "Proofs of Claim")[1] submitted by the above-named Claimants, each having an address as set forth on Exhibit A, against debtor CHC Group Ltd. ("CHC") and the other debtors with which it is being jointly administered (collectively with CHC, the "Debtors"). This Annex

[1] Although the Claimants have defined this as a Proof of Claim, it is actually a partially secured claim due to the assignments of sub-lessees, the security deposits held, and the other accounts and/or collateral held to secure the obligations owed by the Debtors as described herein.

is part of and incorporated in each Proof of Claim. In accordance with the *Stipulation and Agreed Order Regarding Proofs of Claim* entered by this Court (as defined below) on August 22, 2016 (the "Proof of Claim Stipulation"), the Proof of Claim to which this Annex is attached is filed on behalf of the Claimant identified on the first page of the Proof of Claim (and any owners, trustees, beneficiaries or other entities having an interest in, to or under the relevant Transaction Documents referred to below) against the Debtor identified on the first page of the Proof of Claim and each and every other Debtor that is liable to such Claimant (and such owners, trustees, beneficiaries and other entities), all as more fully set forth herein and in such Stipulation and Agreed Order. Each Claimant has claims against some or all of the Debtors for damages arising out of and relating to (a) the rejection and/or breach of helicopter leases to which such Claimant is a party or has an economic interest listed on Exhibit B hereto (collectively, the "Leases"), and (b) the breach of all related transaction documents, including related guarantees and security documents (the transaction documents related to each Lease are sometimes referred to herein collectively with such Lease as the "Transaction Documents" for the related helicopter).[2] The helicopters to which such Transaction Documents relate are identified herein by Manufacturer Serial Number ("MSN"). The signatory of each Proof of Claim is authorized to make such claim on behalf of the Claimant named therein.

2. **Basis for Claims**. On May 5, 2016 (the "Petition Date"), the Debtors filed with the United States Bankruptcy Court for the Northern District of Texas (the "Court") their petitions for relief under Chapter 11 of Title 11 of the U.S. Code (the "Bankruptcy Code").

[2] For the avoidance of doubt, the Transaction Documents with respect to each helicopter include the lease listed in Exhibit B for such helicopter together with all "Transaction Documents", "Guarantees", "Security Documents" and "Operative Documents", as applicable, defined in such lease. In instances in which Claimant is not the direct party to a lease, it has been authorized by the lessor to file this proof of claim on behalf of Claimant and such lessor.

On and prior to the Petition Date, certain of the Debtors and the Claimants (or entities that acted on behalf of the Claimants) were parties to the Transaction Documents for 44 helicopters, which give rise to the claims set forth in the Proofs of Claim as further described below (the "Claims"). The Court has entered orders (the "Rejection Orders")[3] granting in part the Debtors' First and Second Omnibus Motions to Reject Certain Equipment Leases and Subleases (the "First and Second Motions") pursuant to Section 365 of the Bankruptcy Code. The Rejection Orders effectuate the rejection of 11 of the Leases. In addition, the First and Second Motions seek authority to reject five additional Leases, but such Motions have been adjourned with respect to those Leases to a date after the bar date established for the filing of proofs of claim against the Debtors.[4] The Debtors have filed an additional Motion seeking authority to reject one additional Lease, and the hearing for that Motion is also after the bar date.[5] The Debtors have also failed to pay rent owing under the Leases and have failed to perform or comply with their obligations under the Transactions Documents, all as described more fully below. As a consequence of the foregoing, the Claimants have Rejection Claims, Unpaid Rent Claims and Other Claims, each as defined below.

---

[3] *See Order Granting Debtors' First Omnibus Motion to Reject Certain Equipment Leases and Subleases Pursuant to Section 365 of the Bankruptcy Code* [Dkt. No. 428], and *Order Granting Debtors' Second Omnibus Motion to Reject Certain Equipment Leases and Subleases Pursuant to Section 365 of the Bankruptcy Code* [Dkt. No. 427].

[4] *See Notice of Adjournment of Hearing to Consider Debtors' Second Omnibus Motion for Entry of an Order Authorizing the Debtors to Reject Certain Equipment Leases and Subleases Pursuant to Section 365 of the Bankruptcy Code Solely with respect to the Equipment set forth on Exhibit B hereto* [Dkt. No. 710]. If rejection is authorized with respect to the six Leases for which rejection motions are currently pending or any of the other Leases that have not heretofore been rejected, the Claimants will have additional Rejection Claims.

[5] *See Debtors' Motion for Entry of an Order Authorizing the Debtors to Reject Certain Equipment Leases and Subleases related to the Helicopter with Manufacturer Serial Number 760706 Pursuant to Section 365 of the Bankruptcy Code.*

(i) Rejection Claims – As a result of the rejection of 11 Leases pursuant to the Rejection Orders and the failure of the Debtors to comply with the contractual requirements of the respective Transaction Documents (including, without limitation, with respect to the payment of rent and the return of the relevant leased helicopters), the Claimants have incurred and will continue to incur costs, fees, expenses, losses, liabilities and other damages resulting in Rejection Claims (as defined below). These Rejection Claims relate to, among other things: (a) lost rental payments for periods following the date of rejection ("Rent-Based Rejection Claims"); (b) storage of the helicopters, including where relevant costs related to procurement of heli-cells ("Storage Claims"); (c) maintaining proper hull and liability insurance on the helicopters ("Insurance Claims"); (d) repossession of the helicopters ("Repossession Claims"); (e) relocation of the helicopters, including exportation and importation costs ("Relocation Claims"); (f) maintenance or termination of importation status of the helicopters, including any fees, taxes, duties or other charges resulting from the relevant Debtor's failure to properly maintain any importation status ("Status Claims"); (g) reinstatement of the helicopters and their parts and components to the level of life and service specified by the relevant Transaction Documents for returned leased property, as calculated in accordance with the betterment/detriment calculation contained in such Transaction Documents ("Service Level Claims"); and (h) reinstatement of the helicopters (including, without limitation, the replacement of missing parts, but without duplication of any of the claims described in clauses (a) through (g) immediately above) to the completeness, airworthiness, condition, location and status specified by the Transaction Documents for the return of leased property (the "Other Return Condition Claims"). The Rent-Based Rejection Claims, Storage Claims, Insurance Claims, Repossession Claims, Relocation Claims, Status

Claims, Service Level Claims and Other Return Condition Claims are collectively referred to as the "Rejection Claims".

The amounts of the Service Level Claims are set forth in Exhibit C attached hereto. A summary description of the condition in which each of the 11 helicopters covered by rejected Leases has been made available by the Debtors to the Claimants is set forth in the Redelivery Reports attached as Exhibit D.[6] Exhibit D thus identifies grounds for numerous Other Return Condition Claims, but without prejudice to the identification of additional grounds. The amounts of the Rent-Based Rejection Claims are set forth in Exhibit E under the heading "11 Rejected Aircraft – Rental Arrearages" in the column titled "July 1 to Expiry". The Service Level Claims and the Rent-Based Rejection Claims are liquidated in the respective amounts set forth in Exhibit C and Exhibit E, subject to amendment or supplement as the facts may warrant. The other Rejection Claims are currently unliquidated, and the Claimants are currently working to liquidate the amounts of such other Rejection Claims.

(ii) Unpaid Rent Claims – The Claimants have incurred and will continue to incur costs, fees, expenses, losses, liabilities and other damages relating to the Debtors' failure to pay rent, including pre-petition and post-petition rental arrearages on Leases that have been rejected and Leases that have not been rejected, resulting in unpaid rent claims ("Unpaid Rent Claims"). The Claimants have set forth the amount of the Unpaid Rent Claims for pre-petition and post-petition periods, respectively, in Exhibit E under the heading "11 Rejected Aircraft – Rental Arrearages" in the columns titled "Up to and including May 4" and "May 5 to June 30" and under the heading "33 Non-Rejected Aircraft – Rental Arrearages" in the columns titled "Up

[6] Exhibit D is attached to the Proof of Claim filed by Waypoint Asset Company Number 1 (Ireland) Limited against the Debtors, but has been omitted from the other Proofs of Claim to reduce voluminous duplicative filings.

to and including May 4" and "Post May 4". With respect to the 33 Non-Rejected Aircraft, the amounts shown in Exhibit E give effect to the post-petition payment (both actual and anticipated) by the Debtors of rent due under the respective Transaction Documents on payment dates on and after July 5, 2016. The Claimants reserve the right to amend or supplement this Proof of Claim to assert additional claims if all or any portion of an anticipated payment is not actually received.

(iii) Other Claims – In addition to the Rejection Claims and the Unpaid Rent Claims, the Claimants have incurred and will continue to incur costs, fees, expenses, losses, liabilities and other damages as a result of breaches by the Debtors under the Transaction Documents resulting in Other Claims. These Other Claims relate to, among other things: (a) pre-petition and post-petition costs, fees, expenses and indemnification obligations, including transaction and legal fees and expenses, payable under the Transaction Documents, other applicable agreements or applicable law ("Fee Claims"); (b) interest and similar charges, including overdue or default interest, payable in accordance with the Transaction Documents, other applicable agreements or applicable law ("Interest Claims"); (c) increases to Claim amounts stated in this Annex, including without limitation any unpaid rent for periods after August 15, 2016 ("Increased Claims"); (d) contingent Claims not currently liquidated, including, but not limited to, contingent Claims of the Claimants arising from unresolved disputes relating to collateral and other matters ("Contingent Claims"); (e) out-of-pocket expenses and transaction costs incurred by or on behalf of Claimants in connection with the exercise of default remedies, enforcement of rights and the liquidation of collateral, in each case payable under the Transaction Documents, other applicable agreements or applicable law ("Remedies Claims"); and (f) rejection of Leases after the date of this Proof of Claim ("Additional Rejection Claims").

The Fee Claims, Interest Claims, Increased Claims, Contingent Claims, Remedies Claims and Additional Rejection Claims are together referred to as the "Other Claims".

Each Claimant asserts all rights, entitlements, claims and remedies with respect to all Claims as a matter of general law, equity or otherwise, and reserves the right to assert any and all rights, entitlements, claims and remedies as a creditor for such Claims. Each Claimant, on behalf of itself and its affiliates and other indemnified parties (such as trustees and lenders), also asserts a Claim against the Debtors for all amounts owed to the Claimant, its affiliates and/or other indemnified parties by the Debtors that are not yet absolutely due or owing or are otherwise contingent or unliquidated, including any amount that may be due to the Claimant and/or its affiliates from the Debtors in respect of representations, warranties, reimbursement obligations, agreements, covenants or indemnities made by the Debtors or implied at law or in equity.

As contemplated under the Proof of Claim Stipulation, to streamline and make the proof of claim process more efficient, the Claimants may assert this Proof of Claim on behalf of all entities that are entitled to assert claims against the Debtors under the applicable Transaction Documents, including, without limitation, (a) the so-called "Indemnitees", "Indemnified Persons" or similar defined terms under the applicable Transaction Documents, (b) the beneficiaries of guaranties of the Debtors under agreements in which any of the Claimants are a party or beneficiary and/or (c) parties who are owed fees and/or compensation by the Debtors (*i.e.*, the fees and compensations of owner trustees, security trustees and others). As contemplated under the Proof of Claim Stipulation, the Claimants hereby assert the claims on behalf of all such parties to the extent provided under the applicable Transaction Documents.

Without limiting the foregoing and the broad application to all indemnities, and as a courtesy to Export-Import Bank of the United States and Export Development Canada (who have requested this additional paragraph), along with Wilmington Trust Company, as their security trustee, the foregoing applies to the claims held by each such party under the

Transaction Documents with respect to the Sikorsky Model S-92A helicopter bearing MSN 920150, under which, pursuant to that certain Security Trust Agreement and Participation Agreement, each dated December 20, 2011 and each relating to the MSN 920150 transaction, the Debtors party thereto are obligated to Export-Import Bank of the United States, Export Development Canada and Wilmington Trust Company, as security trustee, in accordance with the terms thereof and of the related Transaction Documents, which claims are currently unliquidated and/or cannot be estimated at this time.

4. **Distributions To Be Made To Claimants And/Or Other Entities In Accordance With Transaction Documents**. The Claimants hereby request that distributions in respect of this Proof of Claim be made to the applicable Claimants and/or other parties in accordance with the terms of the applicable Transaction Documents relating to any particular lease and/or financing transaction.

5. **Secured Claim; Collateral and Property Held in Trust**. The Claims asserted under this Proof of Claim are secured to the extent set forth in the Transaction Documents and to the extent of the value of the collateral securing such Claim, including without limitation by (a) subleases and payments made under such subleases in respect of which the Claimants have been granted liens, security interests or similar charges pursuant to the Transaction Documents, (b) security deposits shown on Exhibit E, and (c) collateral, concentration, lockbox and other accounts established pursuant to the Transaction Documents. Certain Claimants are the beneficiaries of or secured with respect to funds held in trust pursuant to the Transaction Documents with respect to MSN 31444 and other helicopters through cross-collateralization provisions and otherwise (approximately $5,077,141.36) and MSN 920150 and

To the extent that a Claim is not a secured claim or an administrative expense, it is a general unsecured claim, without prejudice to any and all of the rights of each Claimant (i) under Section 1111(b) of the Bankruptcy Code and (ii) to assert that all or a portion of the Claims is entitled to administrative priority under Sections 503 and 507 of the Bankruptcy Code.. These Proofs of Claim are filed without prejudice to the right of any Claimant to request payment of any administrative expense claims that it may have against any of the Debtors (including, without limitation, administrative expenses not described in this Proof of Claim), and each Claimant reserves the right to request payment of such administrative expenses at a later date or when required by the Court, the Bankruptcy Code, or other applicable law.

Claimants reserve all setoff rights.

8. **Supporting Documentation**. The Claims asserted under this Proof of Claim arise under and in connection with the Transaction Documents. The Claimants have not

attached copies of the Transaction Documents because of their voluminous nature and confidentiality considerations. The Claimants will furnish CHC with copies of any Transaction Document upon its written request.

9. **Reservation of Rights/Amendments**. The assertion of Claims by each Claimant herein is not a concession or admission as to the correct characterization or treatment of any such Claims, nor a waiver of any rights of such Claimant. The execution and filing of the Proofs of Claim do not constitute: (a) a waiver or release of such Claimant's rights against any other entity or person liable for all or part of the Claims; (b) a consent by such Claimant to the jurisdiction of this Court with respect to any proceeding commenced against or otherwise involving such Claimant; (c) a consent by such Claimant to the treatment of any non-core claim against it as a core claim; (d) a waiver of the right to move to withdraw the reference with respect to the subject matter of the Claims or otherwise, including without limitation any objection or other proceedings commenced with respect thereto, or any other proceedings commenced against or otherwise involving such Claimant; (e) a waiver of any right to the subordination, in favor of such Claimant, of indebtedness or liens held by other creditors of the relevant Debtor; (f) an election of remedies that waives or otherwise affects any other remedies; (g) a waiver of any right to arbitration or other alternative dispute resolution mechanism that is otherwise applicable; or (h) a waiver of any right with respect to property of a Claimant held by a Debtor.

Each Claimant expressly reserves its right to amend and supplement this Proof of Claim to the full extent permitted by law to specify (and quantify) damages, costs, expenses and other charges or claims incurred by the Claimant and to file additional proofs of claim for additional claims, including without limitation (i) claims for post-petition interest, legal fees and

related expenses that are not ascertainable at this time and (ii) claims arising from or relating to the avoidance of transfers made to the Claimant or any other entity, including without limitation any payments of Claims described herein. The Claimants' liquidation, review and collection of Claims process is ongoing, and the Claimants therefore reserve the right to amend the Proofs of Claim and this Annex consistent with the results of such process. This Annex and the Proofs of Claim are without prejudice to, and are not intended to supersede, any and all additional claims that may be filed by a Claimant.
