In re: City of Detroit, Michigan, Debtor.	Bankruptcy Case No. 13-53846 Judge Thomas J. Tucker Chapter 9

SUPPLEMENTAL NOTICE OF FIRST AND FINAL DISTRIBUTION AND DISTRIBUTION DATE

PLEASE READ THIS NOTICE CAREFULLY!

This is the Supplemental Notice of the City of Detroit's first and final distribution with respect to Allowed Class 14 "Other Unsecured Claims"[1] in the City's bankruptcy case. If you hold a Class 14 Unsecured Claim in the City's bankruptcy case, you should read this Notice carefully, as it contains information related to the treatment of these claims. (Please note that this Supplemental Notice only discusses the Distribution of accrued interest on B Notes associated with Allowed Class 14 Unsecured Claims. A prior notice discussed the Distribution of B Notes. For information on that Distribution, please see the *Revised Notice of First and Final Distribution and Distribution Date*, available at Docket Number 13964 at the website in footnote 1 below.)

THIS SUPPLEMENTAL NOTICE IS FOR INFORMATIONAL PURPOSES ONLY.

[1] Capitalized terms that are not defined in this Supplemental Notice have the meanings given to them in the *City of Detroit's Motion for an Order (A) Approving First and Final Distribution of New B Notes to Holders of Allowed Class 14 Claims Under the City's Plan of Adjustment and (B) Granting Other Related Relief*, filed at Docket Number 13521 (the "**Motion**"), as approved by the *Order (A) Approving First and Final Distribution of New B Notes to Holders of Allowed Class 14 Claims Under the City's Plan of Adjustment and (B) Granting Other Related Relief*, filed at Docket Number 13570. Many of the terms referenced in the Motion may be found in the *Eighth Amended Plan for the Adjustment of Debts of the City of Detroit (October 22, 2014)*, filed on October 22, 2014 (Docket Number 8045), as modified and confirmed on November 12, 2014 (Docket Number 8272) (collectively, the "**Plan**"). Documents referenced by Docket Number are available free of charge at the City of Detroit's bankruptcy website maintained by the City's claims agent, Verita (formerly Kurtzman Carson Consultants, LLC), available at https://veritaglobal.net/detroit or http://www.kccllc.net/Detroit under "Court Documents" (left side of screen).

Exhibit A to this Supplemental Notice contains a list of all Allowed Class 14 Claims that will receive Distributions of accrued interest on B Notes as required under the City's confirmed bankruptcy Plan, along with the approximate amount of interest to be Distributed. The accrued interest to be Distributed represents interest from the date of issuance of the B Notes through March 26, 2026. Interest on B Notes has been collected by a Trustee and held for Allowed Class 14 Claim Holders pending this Distribution. As of March 26, 2026, the City is informed that the Trustee held $10,092,663.57 in interest for the benefit of all Class 14 unsecured claims.

The majority of B Notes have been Distributed. Holders of Allowed Class 14 Claims who received their B Notes in 2025 will receive payments arising after September 30, 2025 (*i.e.*, on or after October 1, 2025) in the brokerage accounts in which they hold their B Notes for so long as they continue to own the B Notes.[2]

Distributions of under $100,000 will be made by check payable to the Holder of the Allowed Class 14 Claim, delivered to the address of record for the Allowed Class 14 Claim as provided on the proof of claim form filed in the City's bankruptcy case (unless a change of address form has been filed with respect to a Claim). The recipient's signature will be required on receipt. The City will contact recipients of larger amounts to arrange payment.

The City anticipates beginning this Distribution on or about **April 9, 2026.**

This is the only notice the City intends to file with respect to Distribution of interest.
