F. *Confirmation Pursuant to Sections 1129(a)(10) and 1129(b) of the Bankruptcy Code.*

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of the Plan by any one of Classes 3, 4, 5, 6 or 7. The Equity Committee (with the consent of the Required Plan Equity Sponsors) shall seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Equity Interests.

G. *Subordinated Claims.*

The allowance, classification, and treatment of all Allowed Claims and the respective Distributions and treatments under the Plan take into account and conform to the relative priority and rights of the Claims in each Class in connection with any contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, section 510(b) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Equity Committee reserves its rights and the rights of Tronox or

Reorganized Tronox, as applicable, to re-classify any Allowed Claim or Equity Interest in accordance with any contractual, legal or equitable subordination rights relating thereto.

Article IV.
MEANS FOR IMPLEMENTATION OF THE PLAN

A. *Deemed Substantive Consolidation.*

The Plan shall serve as a motion by the Equity Committee seeking entry of a Bankruptcy Court order deeming the substantive consolidation of all of the Estates into a single consolidated Estate for all purposes associated with voting and Distributions.

If the deemed substantive consolidation of all of the Estates is ordered, then on and after the Effective Date, all assets and liabilities of the Tronox Debtors shall be treated as though they were merged into the Estate of Tronox Incorporated for all purposes associated with voting and Distributions, and, subject to Article II.C hereof, all guarantees by any Tronox Debtor of the obligations of any other Tronox Debtor shall be eliminated so that any Claim and any guarantee thereof by any other Tronox Debtor, as well as any joint and several liability of any Tronox Debtor with respect to any other Tronox Debtor shall be treated as one collective obligation of the Tronox Debtors. Deemed substantive consolidation shall not affect the legal and organizational structure of Reorganized Tronox or its separate corporate existence or that of its subsidiaries and affiliates or any prepetition or postpetition guarantees, Liens, or security interests that are required to be maintained under the Bankruptcy Code, under the Plan, any contract, instrument, or other agreement or document pursuant to the Plan, or in connection with contracts or leases that were assumed or entered into during the Chapter 11 Cases. Any alleged defaults under any applicable agreement with the Tronox Debtors, Reorganized Tronox or their Affiliates arising from deemed substantive consolidation under the Plan shall be deemed cured as of the Effective Date.

Notwithstanding the deemed substantive consolidation provided for herein, nothing shall affect the obligation of each and every Tronox Debtor to pay Quarterly Fees to the Office of the United States Trustee Pursuant to 28 U.S.C. §1930 until such time as a particular case is closed, dismissed or converted.

B. *General Settlement of Claims and Interests.*

As discussed in detail in the Equity Committee Disclosure Statement and as otherwise provided herein, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, Distributions, releases and other benefits provided under the Plan, upon the Effective Date, the provisions of the Plan shall constitute a good faith compromise and settlement of all Claims and Equity Interests and controversies resolved pursuant to the Plan. Subject to Article VI, all Distributions made to Holders of Allowed Claims and Holders of Allowed Equity Interests in any Class are intended to and shall be final.

C. *Environmental and Tort Claims Settlements.*

1. Environmental Claims Settlement Agreement⁵

In connection with the Plan, Tronox, the United States and the applicable Government Environmental Entities will enter into the Environmental Claims Settlement Agreement regarding the Environmental Claims, the Owned Sites and the Other Sites. The Environmental Claims Settlement Agreement is included in the Plan Supplement.

The Environmental Claims Settlement Agreement will govern the operation of the Environmental Response Trusts and the role of the United States and the relevant Government Environmental Entities in approving funding of environmental activities, including response or remedial actions, corrective action, closure, post-closure

⁵ The terms of the anticipated environmental settlement described herein reflect a summary description only and are qualified in all respects by reference to definitive settlement documentation to be included in the Plan Supplement.

care and restoration for the duration of the Environmental Response Trusts. Tronox and Reorganized Tronox shall have no responsibility or involvement with respect to the Environmental Response Trusts once they are established and funded in accordance with the Plan, provided, however, that to the extent not completed on or before the Effective Date, Reorganized Tronox will use commercially reasonable efforts to transfer to the Environmental Response Trusts all files and information related to the Owned Sites and the Other Sites. The Environmental Claims Settlement Agreement shall be submitted for public notice and comment as required under federal environmental law and, where applicable, state environmental law of the state in which the applicable property is located.

The Environmental Claims Settlement Agreement shall (a) contain covenants not to sue (or, for certain states, to the extent allowable under applicable state and federal law, releases of any Environmental Claims) Tronox, Reorganized Tronox and any successors in interest (including any Claims and actions pursuant to sections 106 and 107 of CERCLA) and (b) provide that Tronox, Reorganized Tronox and any successors in interest shall have protection from contribution actions or Claims with respect to the Owned Sites and the Other Sites (including pursuant to section 113 of CERCLA).

The relevant Government Environmental Entity and Tronox or Reorganized Tronox, as the case may be, shall file any necessary pleading with the applicable district court seeking to modify applicable consent decrees or related documents, if any, regarding the Owned Sites and the Other Sites, to conform to the Environmental Claims Settlement Agreement and remove any Tronox Debtor as a party to such consent decree after the Effective Date.

Notwithstanding anything to the contrary herein or in the Confirmation Order, nothing shall release, nullify, or preclude any liability of Reorganized Tronox as the owner or operator of a property of Reorganized Tronox with respect to any properties owned or operated after the Effective Date (other than with respect to Henderson, Nevada as set forth in section 3 below entitled “Lease of Henderson Facility”) and the Confirmation Order shall so provide.

2. Creation and Funding of Environmental Response Trusts

On the Effective Date, Tronox will establish the Environmental Response Trusts, to which Tronox will transfer the Owned Sites free and clear of all Liens, Claims and Encumbrances other than any liability to governmental entities expressly provided for in the Environmental Response Trust Agreement and the Environmental Claim Settlement Agreement, which agreements shall be included in the Plan Supplement. The Environmental Response Trusts will be administered by the Environmental Response Trustees. Pursuant to the Environmental Response Trust Agreements, the Environmental Response Trusts shall conduct and fund environmental activities, including response or remedial actions, removal actions, corrective action, closure, post-closure care and restoration of or related to the Owned Sites and certain of the Other Sites. As set forth in the Environmental Response Trust Agreements, any property placed into a Environmental Response Trust may be sold or transferred with the approval of the United States and the Government Environmental Entity or Entities of the state in which the property is located, and the proceeds shall be retained by such Environmental Response Trust to be used as provided in the Environmental Response Trust Agreements (a) for costs of administration, (b) to conduct or fund any remaining environmental activities relating to such property, or (c) to reimburse any entity performing such environmental activities.

The Environmental Response Trusts will be funded on the Effective Date with (a) a portion (which may be all) of the Funded Environmental Amount as set forth in the Environmental Claims Settlement Agreement; (b) the right to 88% of the Proceeds of the Anadarko Litigation; (c) the Environmental Trust Assets; (d) the Nevada Assets; and (e) the Environmental Insurance Assets.

In accordance with the Environmental Response Trust Agreements, upon completion of environmental activities and reimbursement of any costs therefor required for an Owned Site and certain of the Other Sites, any funds held for that site by the Environmental Response Trust shall be transferred (a) first, in accordance with instructions provided by the United States and the appropriate state, to the account for any other Owned Sites in that state with remaining environmental activities to be performed related to such sites and a need for additional trust funding; (b) second, in accordance with instructions provided by the United States after consultation with the states,

to accounts for Owned Sites in other States with remaining environmental activities to be performed related to the sites and a need for additional trust funding; and (c) third, to the “Superfund” established under CERCLA.

Except as otherwise provided in the Plan or the Plan Supplement, on the Effective Date, the Environmental Response Trusts will assume responsibility for, and, to the extent applicable, shall reimburse Reorganized Tronox for (a) the payment of any and all utility services, fees and property or other taxes related to such Owned Site that arise, accrue or relate to any period on or after the Effective Date and (b) the Pro Rata share of any payments owed to Assessment Technologies, Ltd. (“ATL”), pursuant to the Bankruptcy Court’s order [Dkt. No. 490] approving Tronox’s retention of ATL, that relate to Tax Savings (as defined in Exhibit 1 to Dkt. No. 490) related to such Owned Site for any tax period or portion thereof that occurs on or after the Effective Date, provided, however, that any increased tax liability that is assessed during the protest period relating to tax liability related to any tax period or portion thereof that occurs prior to the Effective Date shall remain the responsibility of Tronox. On the Effective Date, any utility or other deposit held by a utility provider or other entity shall be returned to Tronox, after application of any outstanding balance owed to such utility provider or other entity.

3. Lease of Henderson Facility

Reorganized Tronox and the applicable Environmental Response Trust shall have entered into a lease agreement relating to the Henderson Facility, on terms satisfactory to the Creditors’ Committee, the Equity Committee, the Required Plan Equity Sponsors, and the relevant government agencies including the Nevada Parties, the terms of which lease shall specify that Reorganized Tronox is not responsible for costs of any environmental remedial action or restoration associated with the presence or releases of hazardous substances from or at any portion of the Henderson Facility prior to the Effective Date and all areas affected by natural migration of such substances therefrom, except to the extent exacerbated by any act or omission of Reorganized Tronox after the Effective Date. Notwithstanding the nominal rent for which Reorganized Tronox will be responsible under the lease, the rent for the Henderson Facility can be set at up to \$10.5 million for the first term, provided, however, that such amount shall then be deducted from the Funded Environmental Amount and allocated and paid on account of the lease on the Effective Date.

Reorganized Tronox shall exercise commercially reasonable due care at the Henderson Facility with respect to existing contamination and shall comply with all applicable local, state and federal laws and regulations. Nothing in the previous sentence shall require Reorganized Tronox to clean up existing contamination in or under the ground except to the extent exacerbated by any act or omission of Reorganized Tronox after the Effective Date.

Reorganized Tronox recognizes that the implementation of response actions at the Henderson Facility may interfere with Reorganized Tronox’s use of the property, and may require commercially reasonable accommodation from Reorganized Tronox. Reorganized Tronox agrees to cooperate fully with the EPA, the Nevada Division of Environmental Protection (the “NDEP”) and other relevant state agencies in the implementation of response actions at the Henderson Facility and further agrees to comply with regulatory requirements related to all such response actions. The EPA and the NDEP, consistent with their responsibilities under applicable law, will use reasonable efforts to minimize any interference with Reorganized Tronox’s operations by such entry and response at the Henderson Facility.

The lease shall contain customary provisions relating to indemnity by a tenant with respect to the operation of the tenant at the leased property following the Effective Date. For the avoidance of doubt, Reorganized Tronox shall have liability as an operator of the Henderson Facility, and shall be responsible for related response action, if any, to the extent such liability or responsibility relates to releases of hazardous substances from any portion of the Henderson Facility due to any act or omission of Reorganized Tronox after the Effective Date.

4. Creation of Tort Claims Trust

On the Effective Date, Tronox will establish the Tort Claims Trust. The Tort Claims Trust will be governed by the Tort Claims Trust Agreement, which are included in the Plan Supplement, and administered by the Tort Claims Trustee.

The Tort Claims Trust shall be funded with the following: (a) the right to 12% of the proceeds of the Anadarko Litigation, in accordance with the Anadarko Litigation Trust Agreement, (b) the Funded Tort Claims Trust Amount and (c) the Tort Claims Insurance Assets. The sole recourse of Holders of Tort Claims shall be the Tort Claims Trust, and such Holders shall have no right at any time to assert Tort Claims against Reorganized Tronox.

Holders of Allowed Tort Claims will receive on account of such Allowed Tort Claims a Distribution from the Tort Claims Trust in accordance with the Tort Claims Trust Distribution Procedures and the allocations set forth in Article III above.

Tronox and Reorganized Tronox shall not be required to pay any fee or expense for, or assume any liabilities related to, the operation or administration of the Tort Claims Trust or any other arrangement established with respect to the determination, satisfaction or resolution of any issues related to the Tort Claims (which fees and expenses shall be covered by funds contributed to the Tort Claims Trust).

The Tort Claims Trust shall indemnify any insurer whose policies constitute Tort Claims Insurance Assets for costs in connection with any attempt by a Holder of a Tort Claim to assert such Claim against such insurer.

5. Creation of Anadarko Litigation Trust

On the Effective Date, Tronox will establish the Anadarko Litigation Trust, to which it will contribute its rights to the Anadarko Litigation. The Anadarko Litigation Trust will be governed by the Anadarko Litigation Trust Agreement, which is included in the Plan Supplement.

The United States and Tronox, in consultation with certain representatives of Holders of Tort Claims and certain other Government Environmental Entities, shall jointly appoint the Anadarko Litigation Trustee to administer the Anadarko Litigation Trust. The United States shall have the right to approve the Anadarko Litigation Trustee. The Anadarko Litigation Trust will be funded on the Effective Date by a portion of the Funded Environmental Amount, as set forth in the Environmental Claims Settlement Agreement (which, for the avoidance of doubt, may be \$0). Representatives of the United States, certain other Governmental Environmental Entities and certain representatives of the holders of Tort Claims will have certain agreed rights concerning the pursuit of the Anadarko Litigation. The Anadarko Litigation Trust Agreement provides that Reorganized Tronox shall have no responsibility, obligation or liability with respect to the Anadarko Litigation, other than to retain or transfer to the Anadarko Litigation Trustee books, records and documents relevant to the Anadarko Litigation and to use commercially reasonable efforts to cooperate with the Anadarko Litigation Trustee, and provides that the Anadarko Litigation Trust will reimburse Reorganized Tronox for its reasonable and documented expenses incurred in cooperating with the Anadarko Litigation Trustee. The Anadarko Litigation Trust Agreement will also provide for Reorganized Tronox to have access to the expert solvency environmental liability report being prepared in connection with the Anadarko Litigation, as well as to the expert drafting such report.

Fees, costs and expenses incurred in connection with the administration of the Anadarko Litigation Trust and the prosecution of the Anadarko Litigation after the Effective Date, including fees and expenses incurred by professionals retained by the Anadarko Litigation Trustee, shall be borne by the Anadarko Litigation Trust and Reorganized Tronox shall have no responsibility, obligation or liability with respect thereto. Professional fees and expenses may be paid in accordance with the terms of a special fee arrangement with the Anadarko Litigation Trust, which the United States shall have the sole right to approve following consultation and good faith negotiation with certain other Government Environmental Entities and certain representatives of Holders of Tort Claims. For the avoidance of doubt, the Anadarko Litigation Trust shall not be liable for any fees, costs or expenses incurred in connection with the prosecution of the Anadarko Litigation prior to the Effective Date.

The Anadarko Litigation Trustee shall (a) pursue the Anadarko Litigation and (b) distribute any recovery as a result thereof as follows: (i) 88% to the Government Environmental Entities in accordance with the Environmental Claims Settlement Agreement and the Environmental Response Trust Agreements and (ii) 12% to the Holders of Tort Claims by delivery to the Tort Claims Trust. Pursuant to the Anadarko Litigation Trust Agreement, the United States has the right to approve or reject any proposed settlement of the Anadarko Litigation,

after consultation with certain other Government Environmental Entities and certain representatives of holders of Tort Claims.

In addition, the United States, separate from its participation in the Anadarko Litigation Trust, shall continue to enjoy the rights to participate in the Anadarko Litigation provided to it under the Order Approving Revised Stipulation and Order with Respect to Federal Debt Collection Procedures Act, signed August 20, 2009 [Adv. Proc. No. 09-01198, Dkt. No. 52].

The Rights Offering shall be consummated pursuant to the Plan, and participation in the Rights Offering shall be available to Eligible Holders as of the Rights Offering Record Date (which shall be as set forth and defined in the Rights Offering Procedures). Upon the Effective Date, Reorganized Tronox shall issue approximately 18,500,000 shares of the New Common Stock with a par value of \$0.01 and with a per share Equity Plan Value of \$18.65. The Plan Equity Sponsor Commitment Premium shall be earned upon entry of the Approval Order and will be payable on the Effective Date, whether or not any Unsubscribed Shares are purchased pursuant to the terms of the Plan Equity Sponsor Agreement and will be nonrefundable when paid. Notwithstanding the foregoing, if the Effective Date should not occur and the Plan Equity Sponsor Agreement is terminated in accordance with its terms, (i) the Plan Equity Sponsor Commitment Premium shall be paid by the Debtors in Cash and shall be 6% of the Offering Amount, and (ii) the full amount of the Plan Equity Sponsor Commitment Premium shall constitute an administrative expense of the Tronox Debtors under sections 364(c)(1) and/or 503(b) of the Bankruptcy Code, as applicable. The Rights Offering shall be conducted in accordance with the Rights Offering Procedures.

For the avoidance of doubt, if the Bankruptcy Court does not enter the Approval Order prior to solicitation of votes on both the Debtors' Plan and the Equity Committee's Plan, the Plan Equity Sponsors shall have no obligation to perform under the Plan Equity Sponsor Agreement (including, without limitation, to backstop the Offering Amount) and shall not incur any liability or damages to any person or party as a result thereof.

Except as set forth herein, any changes in intercompany account balances resulting from such transfers will be accounted for and settled in accordance with Tronox's historical intercompany account settlement practices and will not violate the terms of the Plan.

From and after the Effective Date, Reorganized Tronox, subject to any applicable limitations set forth in any post-Effective Date financing arrangement, shall have the right and authority without further order of the Bankruptcy Court to raise additional or replacement capital and obtain additional or replacement financing as the boards of directors of the applicable Reorganized Tronox Debtor deem appropriate.

All of the shares of New Common Stock issued pursuant to the Plan shall be duly authorized, validly issued, fully paid and non-assessable. Each Distribution and issuance referred to in Article VI shall be governed by the terms and conditions set forth in the Plan applicable to such Distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such Distribution or issuance, which terms and conditions shall bind each Entity receiving such Distribution or issuance.

Tronox will use commercially reasonable efforts to list the shares of New Common Stock on the New York Stock Exchange or the NASDAQ Stock Market as soon as reasonably practical after the Effective Date. On the Effective Date, the Registration Rights Agreement shall constitute valid and binding obligations of Reorganized Tronox with respect to each holder of New Common Stock intended to benefit therefrom, in each case without the need for execution by any party thereto other than Reorganized Tronox.

I. *Exemption from Registration.*

The issuance of the New Common Stock (including pursuant to the Rights Offering) and the distribution of New Warrants pursuant to the Plan shall be exempt from registration under the Securities Act under section 1145 of the Bankruptcy Code as of the Effective Date without further act or action by any person, unless required by provision of applicable law, regulation, order or rule.

J. *Cancellation of Existing Agreements, Unsecured Notes and Equity Interests.*

On the Effective Date, except as otherwise specifically provided for in the Plan: (1) the obligations of the Tronox Debtors under the Indenture, and any other Certificate, Equity Security, share, note, bond, indenture, purchase right, option, warrant or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of or ownership interest in the Tronox Debtors or giving rise to any Claim or Equity Interest (except such Certificates, notes or other instruments or documents evidencing indebtedness or obligation of or ownership interest in the Tronox Debtors that are Reinstated pursuant to the Plan), shall be cancelled solely as to the Tronox Debtors and their affiliates, and Reorganized Tronox shall not have any continuing obligations thereunder, except that, to the extent provided in the Exit Credit Agreement, the guarantees of and Liens securing obligations under the Replacement DIP Agreement shall not be cancelled and shall guarantee or secure obligations under the Exit Credit Facility, and only such obligations; and (2) the obligations of the Tronox Debtors and their affiliates pursuant, relating or pertaining to any agreements, indentures, certificates of designation, bylaws or certificate or articles of incorporation or similar documents governing the shares, Certificates, notes, bonds, indentures, purchase rights, options, warrants or other instruments or documents evidencing or creating any indebtedness or obligation of or ownership interest in the Tronox Debtors (except such agreements, Certificates, notes, or other instruments evidencing indebtedness or obligation of or ownership interest in the Tronox Debtors that are specifically Reinstated pursuant to the Plan) shall be released and discharged; provided, however, that

notwithstanding Confirmation or Consummation, any such indenture or agreement that governs the rights of the Holder of a Claim, including the Indenture, shall continue in effect solely for purposes of allowing Holders to receive Distributions under the Plan; and, to the extent that the Indenture Trustee Fee Claim is not paid in full by Reorganized Tronox, of allowing the Indenture Trustee to exercise its Indenture Charging Lien, provided, further, however, that the preceding provision shall not affect the discharge of Claims or Equity Interests pursuant to the Bankruptcy Code, the Confirmation Order, or the Plan, or result in any expense or liability to Reorganized Tronox; provided, further, however, that the foregoing shall not effect the cancellation of shares issued pursuant to the Plan nor any other shares held by one Tronox Debtor in the capital of another Tronox Debtor; and provided, further, however, that to the extent provided in the Exit Credit Agreement, the guarantees of and Liens securing obligations under the Replacement DIP Agreement shall not be cancelled and shall guarantee or secure obligations under the Exit Credit Agreement, as applicable, and only such obligations.

K. *Restructuring Transactions.*

On the Effective Date, or as soon as reasonably practicable thereafter, the corporate structure of Reorganized Tronox will be simplified and rationalized by eliminating certain entities that are deemed no longer essential to Reorganized Tronox and may take all actions as may be necessary or appropriate to effect such transactions, including any transaction described in, approved by, contemplated by or necessary to effectuate the Plan, including: (1) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution or liquidation containing terms that are consistent with the terms of the Plan and that satisfy the applicable requirements of applicable law and any other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, debt or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable parties agree; (3) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion or dissolution pursuant to applicable state law; and (4) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law. To the extent deemed helpful or appropriate to Reorganized Tronox, the elimination of certain of these entities may be effected pursuant to Sections 368 and 381 of the Internal Revenue Code of 1986, as amended (the "IRC"), to preserve for Reorganized Tronox the tax attributes of such entities. Prior to the Effective Date, Tronox will consult with the Equity Committee with respect to the restructuring transactions.

L. *Corporate Existence.*

Subject to any restructuring transactions permitted under this Article IV or as otherwise expressly provided herein or in the Plan Supplement, each of the Tronox Debtors, as Reorganized, shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership or other form, as the case may be, pursuant to applicable law in the jurisdiction in which each applicable Tronox Debtor is incorporated or formed.

M. *Vesting of the Retained Assets in Reorganized Tronox.*

Except as otherwise provided herein or in any agreement, instrument or other document relating thereto, on or after the Effective Date, the Retained Assets and all Causes of Action (excluding the Anadarko Litigation) shall vest in Reorganized Tronox, free and clear of all liens, Claims, charges, or other encumbrances or interests (except for Liens securing the Exit Credit Facility). On and after the Effective Date, except as otherwise provided in the Plan, Reorganized Tronox may operate its business and may use, acquire or dispose of property and compromise or settle any Claims or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

N. *Organizational Documents.*

The certificates of incorporation and bylaws (or other formation documents relating to limited liability companies) of the Tronox Debtors shall be amended as may be required to be consistent with the provisions of the

Plan and the Bankruptcy Code, in a form reasonably acceptable to the Equity Committee and the Required Plan Equity Sponsors.

On or as soon as reasonably practicable after the Effective Date, any of the Tronox Debtors that is Reorganized shall file new certificates of incorporation with the secretary of state (or equivalent state officer or entity) of the state under which each such Tronox Debtor is or is to be incorporated, which, as required by section 1123(a)(6) of the Bankruptcy Code, shall prohibit the issuance of non-voting securities. The New Certificate of Incorporation shall include appropriate super-majority provisions with respect to certain material actions (subject to customary carve-outs and limitations), such as issuance and redemption of equity securities and options, amendments to the charter documents, changes to the number of directors, sales or transfers of all or substantially all assets of Reorganized Tronox, recapitalizations and reorganizations, and affiliate transactions. Such super-majority provisions shall cease to be effective on the date Reorganized Tronox Incorporated becomes a public reporting company. After the Effective Date, each such Tronox Debtor may file a new, or amend and restate its existing, certificate of incorporation, charter and other constituent documents as permitted by the relevant state corporate law.

To protect Reorganized Tronox's ability to continue to utilize its NOLs (and any built-in losses) in the future, Reorganized Tronox Incorporated intends to include in its New Certificate of Incorporation certain provisions designed to permit the New Board to adopt trading restrictions with respect to the New Common Stock. The terms of such restrictions would generally provide that the New Board could adopt such restrictions in the future only if events had occurred that placed the Reorganized Tronox's ability to utilize its NOLs at risk because of a possible ownership change with respect to such stock. The terms of the provisions to be included in the New Certificate of Incorporation remain subject to approval of the Equity Committee, the Creditors' Committee, and the Required Plan Equity Sponsors.

As of the Effective Date, each Tronox Debtor's bylaws shall provide for the indemnification, defense, reimbursement, exculpation and/or limitation of liability of, and advancement of fees and expenses to, directors, officers, employees or agents who were directors, officers, employees or agents of such Tronox Debtor as of September 2, 2010, at least to the same extent as the bylaws of each of the respective Tronox Debtors on the Petition Date, against any claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and none of Reorganized Tronox shall amend and/or restate its certificate of incorporation or bylaws before or after the Effective Date to terminate or materially adversely affect any of Reorganized Tronox's obligations or such directors', officers', employees' or agents' rights; provided, however, that for the avoidance of doubt, nothing in the Plan, the Plan Supplement or any document related thereto shall in any way indemnify or release any individuals who were former directors or officers of the Tronox Debtors or their subsidiaries and also were or currently are directors or officers of Kerr-McGee Corporation and/or Anadarko Petroleum Corporation.

O. Directors and Officers of Reorganized Tronox.

The initial New Board shall consist of seven (7) directors and shall include (a) the Chief Executive Officer of Reorganized Tronox Incorporated and (b) six other directors who each shall be an "independent director" within the meaning of the rules of the New York Stock Exchange. The members of the New Board shall be selected by the Required Plan Equity Sponsors, the Creditors' Committee, and the Equity Committee, and shall be subject to background checks reasonably satisfactory to Tronox, the Creditors' Committee, the Required Plan Equity Sponsors, and the Equity Committee.⁸

To the extent known, the identity of the members of the New Board of Reorganized Tronox Incorporated and the nature and compensation for any member of the New Board who is an "insider" under section 101(31) of the Bankruptcy Code will be identified in the Plan Supplement but, in any event, shall be disclosed at or before the Confirmation Hearing.

⁸ The specific procedures whereby the New Board will be selected shall be set forth in the Plan Supplement.

P. *Effectuating Documents; Further Transactions.*

On and after the Effective Date, Reorganized Tronox, and any officers, members or directors thereof, are authorized to and may issue, execute, deliver, file or record such contracts, Securities, instruments, releases and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of Reorganized Tronox, without the need for any approvals, authorization or consents except for those expressly required pursuant to the Plan.

Q. *Section 1146 Exemption from Certain Transfer Taxes and Recording Fees.*

Pursuant and to the fullest extent permitted by section 1146 of the Bankruptcy Code, any transfers of property pursuant hereto shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, sales or use tax, mortgage recording tax or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forgo the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee or governmental assessment.

R. *Preservation of Causes of Action.*

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII hereof and the terms of the Environmental Claims Settlement Agreement, Reorganized Tronox shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Plan Supplement (but excluding the Anadarko Litigation, which will be transferred to the Anadarko Litigation Trust), and Reorganized Tronox's rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. Reorganized Tronox may pursue such Causes of Action, as appropriate, in accordance with the best interests of Reorganized Tronox. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement or the Equity Committee Disclosure Statement to any Cause of Action against them as any indication that Reorganized Tronox will not pursue any and all available Causes of Action against them. Reorganized Tronox expressly reserves all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, Reorganized Tronox expressly reserves all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches shall apply to such Causes of Action upon, after or as a consequence of the Confirmation or Consummation.

Reorganized Tronox reserves and shall retain the Causes of Action (except for the Anadarko Litigation) notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Tronox Debtor may hold against any Entity shall vest in Reorganized Tronox. Reorganized Tronox, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. Reorganized Tronox shall have the exclusive right, authority and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order or approval of the Bankruptcy Court.

Article V.
TREATMENT OF EXECUTORY CONTRACTS, UNEXPIRED LEASES, EMPLOYEE BENEFITS AND INSURANCE POLICIES

A. *Assumption and Rejection of Executory Contracts and Unexpired Leases.*

On the Effective Date, except as otherwise provided herein, all Executory Contracts or Unexpired Leases not previously assumed or rejected pursuant to an order of the Bankruptcy Court will be deemed rejected, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that (1) are identified on the Assumed Executory Contract and Unexpired Lease List to be assumed pursuant to this Plan or (2) are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Effective Date. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such rejections and the assumption of the Executory Contracts or Unexpired Leases listed on the Assumed Executory Contract and Unexpired Lease List pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to this Article V.A or by any order of the Bankruptcy Court, which has not been assigned to a third party on or prior to the Effective Date, shall vest in and be fully enforceable by Reorganized Tronox in accordance with its terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.

B. *Claims Based on Rejection of Executory Contracts or Unexpired Leases.*

All proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases pursuant to the Plan or the Confirmation Order, if any, must be filed with the Bankruptcy Court within 30 days after the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion and shall not be enforceable against Tronox, Reorganized Tronox or the property of any of them, without the need for any objection by Reorganized Tronox or further notice to, or action, order or approval of the Bankruptcy Court. All Allowed Claims arising from the rejection of Tronox's Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B.3 of the Plan.

C. *Cure of Defaults for Assumed Executory Contracts and Unexpired Leases.*

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the amount of any payments to cure such a default, (2) the ability of Reorganized Tronox or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the dispute and approving the assumption. At least 14 days prior to the Confirmation Hearing, Tronox shall provide for notices of proposed assumption and proposed cure amounts to be sent to applicable third parties and for procedures for objecting thereto and resolution of disputes by the Bankruptcy Court. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related cure amount must be filed, served and actually received by Tronox prior to the Confirmation Hearing. Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or cure amount will be deemed to have assented to such assumption or cure amount.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults,

arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any Proofs of Claim filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged without further notice to or action, order or approval of the Bankruptcy Court.

D. *Modifications, Amendments, Supplements, Restatements or Other Agreements.*

Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed or rejected shall include all modifications, amendments, supplements, restatements or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and all Executory Contracts and Unexpired Leases related thereto, if any, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Modifications, amendments, supplements and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by Tronox during the Chapter 11 Cases shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease or the validity, priority or amount of any Claims that may arise in connection therewith.

E. *Reservation of Rights.*

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Assumed Executory Contract and Unexpired Lease List, nor anything contained in the Plan, shall constitute an admission by Tronox that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that Reorganized Tronox has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, Tronox or Reorganized Tronox, as applicable, shall have 30 days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease.

F. *Nonoccurrence of Effective Date.*

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

G. *Contracts and Leases Entered into after the Petition Date.*

Contracts and leases entered into after the Petition Date by any Tronox Debtor, including any Executory Contracts and Unexpired Leases assumed by such Tronox Debtor, will be performed by the Tronox Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

H. *Assumption of Indemnification Provisions.*

Tronox shall assume all of the Indemnification Provisions in place on and before the Effective Date for Indemnified Parties for Claims related to or in connection with any actions, omissions or transactions occurring before the Effective Date; provided, however, that nothing in the Plan, the Plan Supplement or any document related thereto shall in any way release or provide indemnification for any claim against or liability of the following parties, who are not Indemnified Parties: Lehman Brothers Holdings, Inc., Ernst & Young LLP, Kerr-McGee Corporation and Anadarko Petroleum Corporation and their officers, directors, employees, advisors, attorneys, professionals, accountants, investment bankers, consultants, agents, and other representatives (including their respective officers, directors, employees, members, and professionals), whether such claims or liabilities be direct or indirect, fixed or contingent, including the claims asserted in the Anadarko Litigation; provided, further, however, that for the avoidance of doubt, nothing in the Plan, the Plan Supplement or any document related thereto shall in any way release or indemnify any individuals who were former directors or officers of the Tronox Debtors or their

subsidiaries and also were or currently are directors or officers of Kerr-McGee Corporation and/or Anadarko Petroleum Corporation.

I. *Employee and Retire Benefits.*

1. Continuation of Retiree Benefits and Pension Plan

Pursuant to section 1129(a)(13) of the Bankruptcy Code, on and after the Effective Date, all retiree benefits (as that term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with the terms of the Plan, the underlying employee benefit plan documents (as may be amended or terminated at the discretion of Reorganized Tronox) and applicable law.

Pursuant to the Plan, Tronox shall assume the Pension Plan. The Pension Plan shall be continued in accordance with its terms, and Reorganized Tronox shall satisfy the minimum funding standards pursuant to 26 U.S.C. §§ 412 and 430 and 29 U.S.C. §§ 1082 and 1083, be liable for the payment of PBGC premiums in accordance with Title IV of ERISA, subject to any and all applicable rights and defenses of the Tronox Debtors, and administer the Pension Plan in accordance with the provisions of ERISA and the Internal Revenue Code. Notwithstanding any provision of the Plan or the Confirmation Order to the contrary, the Pension Plan shall be continued and administered in accordance with ERISA and the Internal Revenue Code.

Pursuant to the Plan, Tronox shall continue to provide employees with a defined contribution (401(k)) Savings Investment Plan (“SIP”) into which employees’ contributions and matching company contributions are paid. Tronox matches 75% of the first 6% of employee’s contributed compensation (as defined in the SIP). As part of its ongoing efforts to reduce costs, Tronox suspended its SIP matching contribution effective July 1, 2008. Following Bankruptcy Court approval (and subsequent consent of the Creditors’ Committee), Tronox reinstated the company match effective April 1, 2010. It is Tronox’s intention to provide the current match and augment it with an additional contribution of approximately 4.5% to make up for the difference in the loss of a defined benefit (pension) plan for employee retirement.

Notwithstanding the foregoing, Tronox will terminate the Tronox Incorporated Defined Benefit Restoration Plan and associated trust prior to the Effective Date, and the Tronox Incorporated Defined Contribution Savings Restoration Plan will continue in effect.

The Equity Committee reserves the rights of Reorganized Tronox to amend, terminate or reinstate any of its employee benefit plans at any time and for any reason.

2. Workers’ Compensation Programs

As of the Effective Date, except as set forth herein or in the Plan Supplement, Tronox and Reorganized Tronox shall continue to honor their obligations under: (i) all applicable federal and state workers’ compensation laws; and (ii) Tronox’s written contracts, agreements, agreements of indemnity, self-insurer workers’ compensation bonds, policies, programs and plans for workers’ compensation and workers’ compensation insurance.

All Proofs of Claims on account of workers’ compensation claims shall be deemed withdrawn automatically and without any further notice to or action, order or approval of the Bankruptcy Court; provided, however, that nothing in the Plan shall limit, diminish, or otherwise alter Tronox’s or Reorganized Tronox’s defenses, Causes of Action or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs and plans; provided, further, that nothing herein shall be deemed to impose any obligations on Tronox in addition to what is provided for under applicable state law.

3. Management 2010 Bonus Plan

Subject only to the occurrence of the Effective Date, the Management 2010 Bonus Plan, in the form to be included in the Plan Supplement, shall become effective without any further action by Reorganized Tronox.

4. Management Equity ~~Incentive~~ Plan

On the Effective Date, Reorganized Tronox shall adopt the Management Equity ~~Incentive~~ Plan. The terms of the Management Equity ~~Incentive~~ Plan shall be reasonably acceptable to the ~~Equity Committee, the~~ Creditors' Committee, Equity Committee and the Required Plan Equity Sponsors and shall be set forth in the Plan Supplement. ~~The Management Equity Incentive Plan will provide for the issuance of certain equity based awards exercisable for up to 5% of the New Common Stock, with a strike price at least equal to the Rights Offering Price.~~

5. New Management Agreements

On the Effective Date, Reorganized Tronox shall enter into the New Management Agreements with those persons to be identified in the Plan Supplement substantially in the form to be included in the Plan Supplement, which agreements shall be deemed authorized without any further approval of the New Board or Reorganized Tronox and automatically shall become effective on the Effective Date.

6. Employee Benefits Generally

Except as otherwise provided herein, on and after the Effective Date, the Reorganized Debtors may honor, in the ordinary course of business, any prepetition contracts, agreements, policies, programs and plans for, among other things, compensation (other than prepetition equity based compensation), health care benefits, disability benefits, deferred compensation benefits, travel benefits, vacation benefits, savings plans, severance benefits, retirement benefits, welfare benefits, pension benefits, life insurance and accidental death and dismemberment insurance for the directors, officers and employees of any of the Tronox Debtors who served in such capacity at any time; provided, however, that Tronox's or Reorganized Tronox's performance under any employment agreement will not entitle any person to any benefit or alleged entitlement under any contract, agreement, policy, program or plan that has expired or been terminated before the Effective Date, or restore, reinstate or revive any such benefit or alleged entitlement under any such contract, agreement, policy, program or plan. Nothing herein shall limit, diminish or otherwise alter Reorganized Tronox's defenses, claims, Causes of Action or other rights with respect to any such contracts, agreements, policies, programs and plans, including Reorganized Tronox's rights to modify unvested benefits pursuant to their terms.

Notwithstanding anything to the contrary herein, Tronox shall not assume any employment agreements for employees or officers of the Tronox Debtors employed in the United States.

J. *Insurance Policies.*

1. Insurance Policies Generally

The Equity Committee does not believe that the Insurance Policies constitute Executory Contracts. To the extent the Insurance Policies are considered to be Executory Contracts, then, notwithstanding anything to the contrary herein, on the Effective Date, Tronox shall be deemed to have assumed the Insurance Policies (including the D&O Liability Policies) and any agreements, documents and instruments relating thereto pursuant to sections 365 and 1123 of the Bankruptcy Code; provided, however, that (1) the Tort Claims Insurance Assets shall be assigned to the Tort Claims Trust and the Tort Claims Trust shall assume any liabilities thereunder and (2) the Environmental Insurance Assets shall be assigned to the Environmental Response Trusts and the Environmental Response Trusts shall assume any liabilities thereunder. For the avoidance of doubt, any payments made by Chartis under any of the Chartis Policies on account of reimbursement claims made by Tronox for expenditures incurred before the Effective Date shall be excluded from the Environmental Insurance Assets and shall remain property of Reorganized Tronox.

Nothing contained herein, in the Equity Committee Disclosure Statement, the Plan Supplement, the Confirmation Order or otherwise shall in any way operate to, or have the effect of, altering or impairing in any respect the legal, equitable or contractual rights and defenses of the insureds or insurers under any policy of insurance and related agreements. The rights and obligations of the parties and others under any policy of insurance and related agreements shall be determined under such policies and related agreements, including the terms,

conditions, limitations, exclusions and endorsements thereof, which shall remain in full force and effect, and under any applicable non-bankruptcy law.

Nothing contained in this section shall constitute or be deemed a waiver of any Cause of Action that Tronox may hold against any Entity, including the insurer, under any of Tronox's insurance policies.

On the Effective Date, any and all unliquidated or contingent Claims arising from or related to an Insurance Policy that is assumed by Tronox in connection with the Plan shall be deemed expunged.

2. Director and Officer Insurance Policies

Notwithstanding anything to the contrary contained in the Plan, confirmation of the Plan shall not discharge, impair or otherwise modify any indemnity obligations assumed by the foregoing assumption of the D&O Liability Insurance Policies, and each such indemnity obligation will be deemed and treated as an Executory Contract that has been assumed by Tronox under the Plan as to which no Proof of Claim need be filed.

In addition, on or before the Effective Date, Reorganized Tronox shall obtain reasonably sufficient tail coverage (*i.e.*, D&O insurance coverage that extends beyond the end of the policy period) under a directors and officers' liability insurance policy for the current (as of September 2, 2010) directors, officers and managers for a period of five years, and placed with such insurers, the terms of which shall be set forth in the Plan Supplement. After the Effective Date, Reorganized Tronox shall not terminate or otherwise reduce the coverage under any D&O Liability Policies (including any "tail policy") in effect on the Petition Date, with respect to conduct occurring prior thereto, and all directors and officers of Tronox who served in such capacity as of the Effective Date shall be entitled to the full benefits of any such policy for the full term of such policy regardless of whether such directors and officers remain in such positions after the Effective Date; provided, however, that for the avoidance of doubt, nothing in the Plan, the Plan Supplement or any document related thereto shall in any way be construed to benefit, indemnify or release any individuals who were former directors or officers of the Tronox Debtors or their subsidiaries and also were or currently are directors or officers of Kerr-McGee Corporation and/or Anadarko Petroleum Corporation.

Article VI. PROVISIONS GOVERNING DISTRIBUTIONS

A. *Timing and Calculation of Amounts to be Distributed.*

Unless otherwise provided in the Plan, on the Effective Date (or if a Claim or Equity Interest is not Allowed on the Effective Date, on the date that such Claim or Equity Interest becomes Allowed, or as soon as reasonably practicable thereafter), each Holder of an Allowed Claim or Equity Interest against Tronox, or the Tort Claims Trust, as the case may be, shall receive the full amount of the Distributions that the Plan provides for Allowed Claims and Equity Interests in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Equity Interests, Distributions on account of any such Disputed Claims or Equity Interests shall be made pursuant to the provisions set forth in Article VII of the Plan. In the event there are Disputed Claims or Equity Interests requiring adjudication and resolution after the Effective Date, Reorganized Tronox shall establish appropriate reserves for potential Distributions on account of such Disputed Claims or Equity Interests in the event that such Disputed Claims or Equity Interests become Allowed.

Except as otherwise provided in the Plan, Holders of Claims shall not be entitled to interest, dividends or accruals on the Distributions provided for in the Plan, regardless of whether such Distributions are delivered on or at any time after the Effective Date.

B. *Disbursing Agent.*

All Distributions under the Plan shall be made by the Disbursing Agent on or as soon as is practicable after the Effective Date. Tronox shall not be required to give any bond or surety or other security for the performance of its duties as Disbursing Agent unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by Reorganized Tronox.

C. *Rights and Powers of Disbursing Agent.*

1. Powers of the Disbursing Agent.

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments and other documents necessary to perform its duties under the Plan; (b) make all Distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date.

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by Reorganized Tronox.

D. *Delivery of Distributions and Undeliverable or Unclaimed Distributions.*

1. Delivery of Distributions in General.

Except as otherwise provided herein, Reorganized Tronox shall make Distributions to Holders of Allowed Claims or Equity Stock Interests on the Distribution Record Date at the address for each such Holder as indicated Tronox's records as of the date of any such Distribution; provided, however, that the manner of such Distributions shall be determined at the discretion of Reorganized Tronox; provided, further, however, that the address for each Holder of an Allowed Claim shall be deemed to be the address set forth in any Proof of Claim filed by that Holder.

2. Delivery of Distributions to Holders of Unsecured Notes Claims.

The Indenture Trustee shall be deemed to be the Holder of the Unsecured Notes Claim for purposes of Distributions to be made hereunder, and all Distributions on account of such Unsecured Notes Claim shall be made to or on behalf of the Indenture Trustee. The Indenture Trustee shall hold or direct such Distributions for the benefit of the Holders of the Unsecured Notes, as applicable. As soon as practicable following compliance with the requirements set forth in Article XII of the Plan, the Indenture Trustee shall (a) arrange to deliver such Distributions to or on behalf of such Holders of Unsecured Notes, (b) exercise its Indenture Charging Lien against any such Distributions to the extent the Indenture Trustee Fee claim is not paid in full by Tronox as provided in and subject to the limitations of Article XII, and (c) seek and receive compensation and reimbursement from Tronox for any fees and expenses incurred in making such Distributions as provided herein.

3. Delivery of Distributions to Holders of Tort Claims.

Distributions to Holders of Tort Claims shall be made from the Tort Claims Trust pursuant to procedures provided for in the Tort Claims Trust Agreement. The amount of each Tort Claim shall be fixed pursuant to either protocol to be established through the Bankruptcy Court or by procedures provided for in the Tort Claims Trust Agreement. The Distribution Record Date shall not apply to Holders of Tort Claims.

4. Minimum Distributions.

No fractional shares of New Common Stock shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any Distribution pursuant to the Plan on account of an Allowed Claim or Equity Interest would otherwise result in the issuance of a number of shares of New Common Stock that is not a whole number, the actual Distribution of shares of New Common Stock shall be rounded as follows: (a) fractions of one-half ($\frac{1}{2}$) or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half ($\frac{1}{2}$) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Common Stock to be distributed to Holders of Allowed Claims or Equity Interests shall be adjusted as necessary to account for the foregoing rounding.

5. Undeliverable Distributions and Unclaimed Property.

In the event that any Distribution to any Holder is returned as undeliverable, no Distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such Distribution shall be made to such Holder without interest; provided, however, that such Distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of one year from the Effective Date. After such date, all unclaimed property or interests in property shall revert to Reorganized Tronox automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial or state escheat, abandoned or unclaimed property laws to the contrary), and the Claim of any Holder to such property or Equity Interest in property shall be discharged and forever barred.

E. *Manner of Payment.*

1. All Distributions of New Common Stock to the Holders of Claims or Holders of Equity Interests under the Plan shall be made by the Disbursing Agent on behalf of Reorganized Tronox Incorporated.

2. All Distributions of Cash under the Plan shall be made by the Disbursing Agent on behalf of the applicable Tronox Debtor.

3. At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check or wire transfer or as otherwise required or provided in applicable agreements.

F. *Compliance with Tax Requirements.*

In connection with the Plan, to the extent applicable, Reorganized Tronox shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all Distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, Reorganized Tronox and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the Distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding Distributions pending receipt of information necessary to facilitate such Distributions or establishing any other mechanisms they believe are reasonable and appropriate. Reorganized Tronox reserves the right to allocate all Distributions made under the Plan in compliance with all applicable wage garnishments, alimony, child support and other spousal awards, liens and encumbrances.

G. *Allocations.*

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

H. *No Postpetition Interest on Claims.*

Unless otherwise specifically provided for in the Plan or the Confirmation Order, or required by applicable bankruptcy law, postpetition interest shall not accrue or be paid on any Claims against Tronox, and no Holder of a Claim against Tronox shall be entitled to interest accruing on or after the Petition Date on any such Claim.

I. *Setoffs and Recoupment.*

Tronox may, but shall not be required to, setoff against or recoup from any Claims of any nature whatsoever that Tronox may have against the claimant, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by Tronox or Reorganized Tronox of any such Claim it may have against the Holder of such Claim.

J. *Claims Paid or Payable by Third Parties.*

1. Claims Paid by Third Parties.

Tronox or Reorganized Tronox, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without an objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Tronox Debtor or Reorganized Tronox. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a Distribution on account of such Claim and receives payment from a party that is not a Tronox Debtor or Reorganized Tronox on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the Distribution to Reorganized Tronox, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such Distribution under the Plan. The failure of such Holder to timely repay or return such Distribution shall result in the Holder owing Reorganized Tronox annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the two-week grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties.

Except as to insurance policies and the proceeds thereof assigned to the Environmental Response Trusts or the Tort Claims Trust, which policies shall be assigned and proceeds shall be paid as set forth herein, no Distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of Tronox's insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of Tronox's insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without an objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies.

Except as otherwise provided in the Plan, Distributions to Holders of Allowed Claims shall be made in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that Tronox or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

Article VII.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED AND DISPUTED CLAIMS

A. *Allowance of Claims.*

After the Effective Date, Reorganized Tronox shall have and retain any and all rights and defenses Tronox had with respect to any Claim or Interest immediately prior to the Effective Date, except with respect to any Claim

deemed Allowed under the Plan. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases prior to the Effective Date (including the Confirmation Order), no Claim shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code or the Bankruptcy Court has entered a Final Order (including the Confirmation Order) in the Chapter 11 Cases allowing such Claim. All settled Claims approved prior to the Effective Date pursuant to a Final Order of the Bankruptcy Court pursuant to Bankruptcy Rule 9019 or otherwise shall be binding on all parties.

B. *Disputed Reserve.*

On the Effective Date (or as soon thereafter as is reasonably practicable), Reorganized Tronox shall deposit in the Disputed Reserve the amount of Cash, New Common Stock and/or New Warrants that would have been distributed to the Holders of all Disputed Claims or Equity Interests as if such Disputed Claims or Equity Interests had been Allowed on the Effective Date, with the amount of such Allowed Claims or Equity Interests to be determined, solely for the purposes of establishing reserves and for maximum distribution purposes, to be the lesser of (a) the asserted amount of the Disputed Claim filed with the Bankruptcy Court, or (if no proof of such Claim was filed) listed by Tronox in the Schedules, (b) the amount, if any, estimated by the Bankruptcy Court pursuant to section 502(c) of the Bankruptcy Code or (c) the amount otherwise agreed to by Tronox, the Equity Committee, and the Holder of such Disputed Claim or Equity Interest for reserve purposes.

C. *Claims Administration Responsibilities.*

Except as otherwise specifically provided in the Plan, after the Effective Date, Reorganized Tronox shall have the sole authority: (1) to File, withdraw or litigate to judgment any objections to Claims or Equity Interests; (2) to settle or compromise any Disputed Claim or Equity Interest without any further notice to or action, order or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order or approval by the Bankruptcy Court.

D. *Estimation of Claim and Equity Interests.*

Before or after the Effective Date, the Equity Committee, Tronox or Reorganized Tronox, as applicable, may (but is not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim or Equity Interest that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Equity Interest, including during the litigation of any objection to any Claim or Equity Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim or Equity Interest that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Equity Interest, that estimated amount shall constitute a maximum limitation on such Claim or Equity Interest for all purposes under the Plan (including for purposes of Distributions), and Reorganized Tronox may elect to pursue any supplemental proceedings to object to any ultimate Distribution on such Claim or Equity Interest.

E. *Adjustment to Claims Without Objection.*

Any Claim or Equity Interest that has been paid or satisfied, or any Claim or Equity Interest that has been amended or superseded, may be adjusted or expunged on the Claims Register by Reorganized Tronox without a Claims objection having to be filed and without any further notice to or action, order or approval of the Bankruptcy Court.

F. *Time to File Objections to Claims.*

Any objections to Claims shall be filed on or before the Claims Objection Bar Date.

G. *Disallowance of Claims or Equity Interests.*

Any Claims held by Entities from which property is recoverable under section 542, 543, 550 or 553 of the Bankruptcy Code, or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549 or 724(a) of the Bankruptcy Code, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any Distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to Tronox by that Entity have been turned over or paid to Reorganized Tronox (or if such sums due are proceeds from the Anadarko Litigation, then to the Anadarko Litigation Trust). All Claims filed on account of an indemnification obligation to a director, officer or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order or approval of the Bankruptcy Court. All Claims filed on account of an employee benefit shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent Reorganized Tronox elects to honor such employee benefit, without any further notice to or action, order or approval of the Bankruptcy Court.

EXCEPT AS PROVIDED HEREIN, IN AN ORDER OF THE BANKRUPTCY COURT OR OTHERWISE AGREED, ANY AND ALL PROOFS OF CLAIM FILED AFTER THE CLAIMS BAR DATE SHALL BE DEEMED DISALLOWED AND EXPUNGED AS OF THE EFFECTIVE DATE WITHOUT ANY FURTHER NOTICE TO OR ACTION, ORDER OR APPROVAL OF THE BANKRUPTCY COURT, AND HOLDERS OF SUCH CLAIMS MAY NOT RECEIVE ANY DISTRIBUTIONS ON ACCOUNT OF SUCH CLAIMS, UNLESS AT OR PRIOR TO THE CONFIRMATION HEARING SUCH LATE CLAIM HAS BEEN DEEMED TIMELY FILED BY A FINAL ORDER.

H. *Amendments to Claims.*

On or after the Effective Date, a Claim may not be filed or amended without the prior authorization of the Bankruptcy Court or Reorganized Tronox, and any such new or amended Claim filed without such prior authorization shall be deemed disallowed in full and expunged without any further action.

I. *No Distributions Pending Allowance.*

If an objection to a Claim or portion thereof is filed as set forth in Article VII, no payment or Distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

J. *Distributions After Allowance.*

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, Distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim the Distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, without any interest to be paid on account of such Claim unless required under applicable bankruptcy law.

**Article VIII.

Any default by Tronox or its Affiliates with respect to any Claim or Equity Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Equity Interests subject to the Effective Date occurring.

Notwithstanding anything to the contrary in the Plan, Reorganized Tronox may be subject to liabilities under applicable laws to the Government Environmental Entities as the owner or operator of the Retained Assets after the Effective Date.

B. *Release of Liens.*

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable Distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title and interest of any Holder of such mortgages, deeds of trust, Liens, pledges or other security interests shall revert to Reorganized Tronox and its successors and assigns.

a criminal act to the extent such act or omission is determined by a Final Order to have constituted willful misconduct, gross negligence, breach of fiduciary duty or a criminal act.

The foregoing release shall not apply to any express contractual or financial obligations or any right or obligations arising under or that is part of the Plan or any agreements entered into pursuant to, in connection with or contemplated by the Plan.

D. *Releases by Holders of Claims and Equity Interests.*

No Person shall be discharged, released or relieved from any liability with respect to the Pension Plan as a result of the Chapter 11 Cases or the Plan, nor shall the PBGC, the Pension Plan or any other Person be enjoined or precluded from enforcing any liability with respect to the Pension Plan as a result of the Chapter 11 Cases, the Plan's provisions or the Plan's Confirmation. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release the personal liability of any of the aforementioned Released Parties in this Article VIII for any statutory violation of applicable tax laws or bar any right of action asserted by a governmental taxing authority against the aforementioned Released Parties for any statutory violation of applicable tax laws.

E. *Injunction.*

Notwithstanding any provision to the contrary in the Plan, the Confirmation Order or the implementing Plan documents: (1) the rights of the Internal Revenue Service to setoff and recoupment shall be preserved; and (2) nothing in Article VIII.D shall constitute a release of the Internal Revenue Service's claims, if any, against the Released Parties and nothing shall affect the ability of the Internal Revenue Service to pursue, to the extent allowed by non-bankruptcy law, any non-debtors for any liabilities that may be related to any federal tax liabilities owed by Tronox or Reorganized Tronox.

After the Effective Date, Tronox has authority to send a notice to Entities providing that to continue to receive documents pursuant to Bankruptcy Rule 2002, such Entity must file a renewed request to receive documents pursuant to Bankruptcy Rule 2002. After the Effective Date, Tronox is authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to those Entities who have filed such renewed requests.

I. *Term of Injunctions or Stays.*

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

J. *Entire Agreement.*

Except as otherwise indicated, the Plan, the Plan Supplement and all exhibits thereto supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings and representations on such subjects, all of which have become merged and integrated into the Plan and the Plan Supplement.

K. *Exhibits.*

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. After the exhibits and documents are filed, copies of such exhibits and documents shall be available upon written request to Tronox's counsel at the address above or by downloading such exhibits and documents from the website of Tronox's notice and claims agent at <http://www.kccllc.net/tronox> or the Bankruptcy Court's website at www.nysb.uscourts.gov. L. *Nonseverability of Plan Provisions.*

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or

modified without Tronox's and the Equity Committee's consent; and (3) nonseverable and mutually dependent. Unless the Bankruptcy Court orders otherwise, any ambiguities or uncertainties with respect to interpretation of the Plan, the Plan Supplement, the Equity Committee Disclosure Statement or any other document related thereto shall be interpreted based on Tronox's or Reorganized Tronox's interpretation thereof.

M. *Votes Solicited in Good Faith.*

Upon entry of the Confirmation Order, the Equity Committee will be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to section 1125(e) of the Bankruptcy Code, Tronox and each of its Affiliates, agents, representatives, members, principals, shareholders, officers, directors, employees, advisors and attorneys will be deemed to have participated in good faith and in compliance with the Bankruptcy Code in the offer and issuance of Securities Distributed under the Plan and any previous plan, and, therefore, such parties, individuals and Reorganized Tronox will not have any liability for the violation of any applicable law, rule or regulation governing the solicitation of votes on the Plan or the offer and issuance of the Securities offered and Distributed under the Plan and any previous plan.

I. IMPORTANT INFORMATION ABOUT THIS EQUITY COMMITTEE DISCLOSURE STATEMENT

This Disclosure Statement (the “Equity Committee Disclosure Statement” or the “Disclosure Statement”) provides information regarding the Official Committee of Equity Security Holders of Tronox Incorporated’s (the “Equity Committee”) ~~First~~Second Amended Proposed Plan of Reorganization of Tronox *et al.* pursuant to Chapter 11 of the Bankruptcy Code (the “Equity Committee Plan” or the “Plan”) that the Equity Committee is seeking to have confirmed by the United States Bankruptcy Court for the Southern District of New York (the “Bankruptcy Court”) for Tronox Incorporated and the other debtors in the above-captioned Chapter 11 Cases (collectively, “Tronox,” or the “Tronox Debtors”).

For the avoidance of doubt, the Plan Equity Sponsors take no position with regard to this Disclosure Statement or the statements made herein by the Equity Committee. Instead, the Plan Equity Sponsors’ only role in the Equity Committee Plan is to provide the backstop funding sufficient to consummate the Rights Offering.

The Equity Committee Plan is separate and apart from the proposed plan filed by the Tronox Debtors (the “Debtors’ Plan”). The Debtors have separately filed a disclosure statement for the purposes of soliciting votes on the Debtors’ Plan (the “Debtors’ Disclosure Statement”). The Equity Committee Disclosure Statement, however, is submitted to provide information concerning the Equity Committee Plan. The Equity Committee believes that the Equity Committee Plan is in the best interests of all of the creditors and other stakeholders of Tronox and is a superior alternative to the Debtors’ Plan. The Equity Committee urges all creditors and holders of equity interests entitled to vote in favor of the Equity Committee Plan.

References to the “Equity Committee Plan” and the “Equity Committee Plan of Reorganization” are to the Plan of Reorganization attached as Exhibit A hereto. All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the Equity Committee Plan. Unless the context requires otherwise, reference to “Tronox,” is to Tronox Incorporated and its subsidiaries. For information concerning a historical description of the Debtors’ businesses and a more detailed discussion of the Debtors’ historical and recent reorganization proceedings please review the Debtors’ Disclosure Statement.

The Equity Committee urges every holder of a Claim or Equity Interest entitled to vote on the Plan to (1) read the entire Equity Committee Disclosure Statement and Equity Committee Plan carefully, (2) consider all of the information in the Equity Committee Disclosure Statement, importantly, with the risk factors described in Article XX of this Disclosure Statement and (3) consult with its own advisors with respect to reviewing the Equity Committee Plan and Disclosure Statement, the Debtors’ Plan and Disclosure Statement and the proposed transactions contemplated under the Equity Committee Plan before deciding whether to vote to accept or reject the Equity Committee Plan.

The Confirmation of the Equity Committee Plan and effectiveness of the Equity Committee Plan are subject to certain material conditions precedent described in Article XVIII of the Equity Committee Plan. There is no assurance that the Equity Committee Plan will be confirmed, or if confirmed, that the conditions required to be satisfied will be satisfied or waived.

You are encouraged to read this Disclosure Statement, and the Debtors’ Disclosure Statement in their entirety, including the Equity Committee Plan, which is annexed as Exhibit A hereto, the section entitled “Risk Factors,” prior to submitting your ballot to vote on the Equity Committee Plan, and the Debtors’ Plan which is attached as Exhibit A to the Debtors’ Disclosure Statement.

The Bankruptcy Court’s approval of this Disclosure Statement does not constitute a guarantee of the accuracy or completeness of the information contained herein or an endorsement of the merits of the Equity Committee Plan by the Bankruptcy Court.

Summaries of the Equity Committee Plan and statements made in this Disclosure Statement are qualified in their entirety by reference to the Equity Committee Plan, the exhibits and schedules attached to the Equity Committee Plan, this Disclosure Statement and the Plan Supplement. The statements contained in this Disclosure Statement are made only as of the date of this Disclosure Statement, and there is no assurance that the statements

contained herein will be correct at any time after such date. Except as otherwise provided in the Equity Committee Plan or in accordance with applicable law, the Equity Committee is under no duty to update or supplement this Disclosure Statement.

The information contained in this Disclosure Statement is included for purposes of soliciting acceptances to, and Confirmation of, the Equity Committee Plan and may not be relied on for any other purpose. The Equity Committee believes that the summary of certain provisions of the Equity Committee Plan and certain other documents and financial information contained or referenced in this Disclosure Statement is fair and accurate. The summaries of the financial information and the documents annexed to this Disclosure Statement, or otherwise incorporated herein by reference, are qualified in their entirety by reference to those documents. In the event of any inconsistency between this Disclosure Statement and the Equity Committee Plan, the relevant provision of the Equity Committee Plan, as it relates to such inconsistency, shall govern.

No representations concerning Tronox or the value of Tronox's property have been authorized by Tronox other than as set forth in the Debtors' Disclosure Statement. Certain financial information has been provided to the Equity Committee by the Tronox Debtors and such information has not been verified separately by the Equity Committee's financial advisors. Some of the shares of the New Common Stock described in this Disclosure Statement will be issued without registration under the Securities Act, or similar federal, state, local or foreign laws, in reliance on the exemption set forth in section 1145 of the Bankruptcy Code and other applicable exemptions in foreign jurisdictions. II. KEY DIFFERENCES BETWEEN THE EQUITY COMMITTEE PLAN AND THE DEBTORS' PLAN

The Equity Committee Plan is constructed very similarly to the Debtors' Plan with certain key differences that make the Equity Committee Plan superior for all stakeholders:

- The Equity Committee Plan is based on a valuation range of \$1.2 to 1.3 billion, with a midpoint of \$1.25 billion. This valuation better reflects the true value of Reorganized Tronox when compared to the valuation that forms the basis of the Debtors' Plan.
- Both the Equity Committee Plan and the Debtors' Plan are employing a rights offering process, which will enable certain stakeholders to purchase new equity in Reorganized Tronox. In both the Equity Committee Plan and the Debtors' Plan, all holders of General Unsecured Claims and all Holders of Indirect Environmental Claims will be given the opportunity to participate a rights offering to purchase new equity in the reorganized company. Unlike the Debtors' Plan, however, certain Holders of Equity Stock Interests who are Eligible Holders will also be able to participate in the rights offering pursuant to the Equity Committee Plan. In the Debtors' Plan, Holders of Equity Stock Interests will be given no such opportunity. Under terms to be arranged with the Debtors, the Equity Committee intends to conduct its Rights Offering to Holders of General Unsecured Claims and Indirect Environmental Claims in conjunction with the rights offering to be conducted under the Debtors' Plan. The Rights Offering to Holders of Equity Stock Interests, however, will be conducted post-confirmation of the Equity Committee Plan.
- The Equity Committee and its financial advisors believe that the Debtors' Plan significantly undervalues the value of Reorganized Tronox. Because the Debtors' Plan undervalues Reorganized Tronox, a greater portion of the New Common Stock will be distributed to a certain ad hoc group of bondholders (the "Ad Hoc Bondholders") that are backstopping the Debtors' Rights Offering, to the detriment of all of the other creditors and equity interest holders in this case. Additionally, as noted above, Holders of Equity Stock Interests will not be given an opportunity to participate in the rights offering that will be conducted pursuant to the Debtors' Plan.
- ~~Under the Equity Committee Plan, 54% of the New Common Stock will go to Holders of Allowed General Unsecured Claims as compared to 50.9% under the Debtors' Plan. This represents a significantly higher recovery received in primary equity that is not based on the requirement to participate in a rights offering. Unlike the Debtors' Plan, the Equity Committee Plan contemplates 100% recovery on a fully-diluted basis at the valuation of \$1.25 billion. Accordingly, under the Equity Committee Plan, General Unsecured Creditors will receive 100% recovery after dilution from the Plan Equity Sponsor Commitment Premium as well as potential dilution from New Warrants.~~
- The Equity Committee Plan seeks to preserve the settlements reached with the Governmental Environmental Entities and the Holders of Tort Claims and will provide those entities with an equal or greater recovery than that which they would otherwise receive in the Debtors' Plan. However, the Equity Committee reserves the right to challenge the allowance and amount of claims of the Governmental Environmental Entities and Holders of Tort Claims and/or to modify

the treatment of such claims if any classes of such claim vote to reject the proposed treatment in the Equity Committee Plan.

- The Equity Committee Plan also provides value to the public shareholders of Tronox in the form of New Warrants and the ability to participate in a portion of the Rights Offering. Under the Debtors' Plan, the public shareholders will receive warrants that the Equity Committee believes are essentially valueless and then, only if the class of shareholders votes in favor of the Debtors' Plan. The Equity Committee believes that the Debtors' Plan does not adequately value Reorganized Tronox and, as a result, deprives the public shareholders of recovery to which they are legally entitled. The Equity Committee intends to challenge confirmation of the Debtors' Plan because it does not believe that the Debtors' Plan is confirmable under the requirements of the Bankruptcy Code.
- The Equity Committee Plan also provides the necessary financing for Reorganized Tronox's operations post-emergence.

III. DEEMED SUBSTANTIVE CONSOLIDATION OF THE TRONOX DEBTORS' ESTATES

Like the Debtors' Plan, the Equity Committee Plan also contemplates the deemed substantive consolidation of the estates of each of the Tronox Debtors for purposes of voting and distributions. Holders of Allowed Claims against or Equity Interests in each of the Tronox Debtors will receive the same recovery provided to other Holders of Allowed Claims or Equity Interests in the applicable Class and will be entitled to their share of consideration available for distribution to such Class. The filing of the Equity Committee Plan and Disclosure Statement shall constitute the Equity Committee's motion for and entry of the Conformation Order shall constitute the approval, pursuant to section 105(a) of the Bankruptcy Code, effective as of the Effective Date, of the substantive consolidation of these chapter 11 cases for certain limited purposes related to the Plan, including voting, confirmation, and distribution.

If the deemed substantive consolidation of all of the Estates is ordered, then on and after the Effective Date, all assets and liabilities of the Tronox Debtors shall be treated as though they were merged into the Estate of Tronox Incorporated for all purposes associated with voting and Distributions, and, subject to Article II of the Plan, all guarantees by any Tronox Debtor of the obligations of any other Tronox Debtor shall be eliminated so that any Claim and any guarantee thereof by any other Tronox Debtor, as well as any joint and several liability of any Tronox Debtor with respect to any other Tronox Debtor shall be treated as one collective obligation of the Tronox Debtors. Deemed substantive consolidation shall not affect the legal and organizational structure of Reorganized Tronox or its separate corporate existence or that of its subsidiaries and affiliates or any prepetition or postpetition guarantees, Liens, or security interests that are required to be maintained under the Bankruptcy Code, under the Plan, any contract, instrument or other agreement or document pursuant to the Plan, or, in connection with contracts or leases that were assumed or entered into during the Chapter 11 Cases. Any alleged defaults under any applicable agreement with the Tronox Debtors, Reorganized Tronox or their Affiliates arising from deemed substantive consolidation under the Plan shall be deemed cured as of the Effective Date.

The foregoing notwithstanding, the Equity Committee reserves all of rights to contest whether and to what extent deemed substantive consolidation is appropriate if the Plan is not confirmed. Notwithstanding the deemed substantive consolidation provided for herein, nothing shall affect the obligation of each and every Tronox Debtor to pay Quarterly Fees to the Office of the United States Trustee Pursuant to 28 U.S.C. §1930 until such time as a particular case is closed, dismissed or converted

IV. ~~III~~-QUESTIONS AND ANSWERS REGARDING THIS DISCLOSURE STATEMENT AND THE EQUITY COMMITTEE PLAN

A. Why is the Equity Committee sending me the Equity Committee Disclosure Statement?

The Equity Committee is seeking to obtain Bankruptcy Court approval for the Equity Committee Plan. Prior to soliciting acceptances of the Equity Committee Plan, section 1125 of the Bankruptcy Code requires a plan

proponent to prepare a disclosure statement containing adequate information of a kind, and in sufficient detail, to enable a hypothetical reasonable investor to make an informed judgment regarding acceptance of a proposed plan. This Disclosure Statement is being submitted in accordance with such requirements. While the Debtors have also filed and distributed the Debtors' Disclosure Statement, the Debtors' Disclosure Statement describes the Debtors' Plan. The Equity Committee Plan is materially different (and the Equity Committee submits results in materially greater recoveries for Tronox stakeholders) from the Debtors' Plan. The Equity Committee submits this Equity Committee Disclosure Statement to describe the Equity Committee Plan and explain the differences, in the Equity Committee's view, between the Debtors' Plan and the Equity Committee Plan.

B. Am I entitled to vote on the Equity Committee Plan? What will I receive from Tronox if the Equity Committee Plan is consummated?

Your ability to vote and your distribution, if any, depend on what kind of Claim or Equity Interest you hold. The Classes of Claims and Equity Interests and their respective voting statuses and anticipated recoveries are as follows:

Class	Claims and Equity Interests	Status	Voting Rights
Class 1	Priority Non-Tax Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 2	Secured Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
Class 3	General Unsecured Claims	Impaired	Entitled to Vote
Class 4	Tort Claims	Impaired	Entitled to Vote
Class 5	Environmental Claims	Impaired	Entitled to Vote
Class 6	Indirect Environmental Claims	Impaired	Entitled to Vote
Class 7	Convenience Claims	Impaired	Entitled to Vote
Class 8	Equity Stock Interests	Impaired	Entitled to Vote
Class 9	Other Equity Interests	Impaired	Not Entitled to Vote (Deemed to Reject)

The Equity Committee Plan provides for the following treatment of Claims and Equity Interests. The chart below summarizes the treatment of Claims and Interests and provides a comparison to the treatment of claims and interests in the Debtors' Plan:

Class	Claims and Equity Interests	Treatment in Equity Committee Plan	Estimated Recovery in Equity Committee Plan ²	Treatment in Debtors' Plan	Estimated Recovery in Debtors' Plan ³
Class 1	Priority Non-Tax Claims	Payment in full in cash on Effective Date	100%	Payment in Full in Cash on Effective Date	100%
Class 2	Secured Claims	Reinstatement of obligations and liens, cash for the value of collateral or such other treatment as agreed between Debtors and Holders of Secured Claims	100%	Same treatment.	100%
Class 3	General Unsecured Claims	54% of Reorganized Tronox's New Common Stock and opportunity to participate in Rights Offering to purchase additional 28.1% of New Common Stock, subject to dilution from New Warrants and shares issued pursuant to the Management Equity Incentive Plan.	100%	50.9% of Reorganized Tronox's New Common Stock and opportunity to participate in rights offering to purchase remainder of New Common Stock	75-100%
Class 4	Tort Claims	Settlement as described in detail below creating a trust funded by rights to 12% of the Anadarko Litigation, \$15 million in cash, and certain insurance assets.	N/A	Same treatment, except lower cash payment of \$12.5 million.	N/A
Class 5	Environmental Claims	Settlement as described in detail below creating custodial trusts funded by rights to 88% of the Anadarko Litigation, \$275 million in cash, Environmental Trust Assets,	N/A	Same treatment, except for lower cash payment of \$270 million	N/A

² Estimated recoveries in the Equity Committee Plan assume a midpoint valuation range of Reorganized Tronox of \$1.25 billion. Please see the Valuation Analysis attached hereto as Exhibit C for additional information regarding valuation.

³ Estimated recoveries in the Debtors' Plan are based upon the Debtors' valuation of Reorganized Tronox and are as provided in the Debtors' Disclosure Statement. The Equity Committee believes that the Debtors' Plan substantially undervalues the value of Reorganized Tronox.

Class	Claims and Equity Interests	Treatment in Equity Committee Plan	Estimated Recovery in Equity Committee Plan ²	Treatment in Debtors' Plan	Estimated Recovery in Debtors' Plan ³
		Nevada Assets, and certain insurance assets.			
Class 6	Indirect Environmental Claims	50% treatment as unsecured claims and 50% treatment as set forth in the Torts settlement.	100%	Same treatment.	N/A

For more information about the treatment of Claims and Equity Interests see “Classification and Treatment of Claims Against and Equity Interests in Tronox under the Equity Committee Plan,” which begins on page 17.

C. Will the Holders of Equity Stock Interests Receive a Distribution under the Equity Committee Plan?

Yes, the holders of Equity Stock Interests will receive a distribution under the Equity Committee Plan. The ultimate amount of this distribution, however, is dependent upon the total enterprise valuation of Reorganized Tronox. The Equity Committee Plan is based on a valuation range of **\$1.2 to 1.3 billion, with a midpoint of \$1.25 billion**. The chart below identifies a range of possible estimated recoveries for holders of Equity Stock Interests based upon the valuation range. For additional information regarding the Equity Committee’s methodology and valuation of Reorganized Tronox, please refer to the Valuation Analysis attached hereto as Exhibit C.

Valuation of Reorganized Tronox

	\$1.2 billion	\$1.25 billion	\$1.3 billion
Plan Equity Value Per Share	\$17.50	\$18.65	\$19.80

D. If the Equity Committee Plan provides that I get a distribution, do I get it upon Confirmation or when the Equity Committee Plan goes effective, and what do you mean when you refer to “Confirmation,” “Effective Date” and “Consummation”?

Confirmation of the Equity Committee Plan does not guarantee that you will receive the distribution indicated under the Equity Committee Plan. After Confirmation of the Equity Committee Plan by the Bankruptcy Court, there are conditions (described in Article XVIII of the Equity Committee Plan) that need to be satisfied or waived so that the Equity Committee Plan can be consummated and go effective. References to the Effective Date mean the date that all conditions to the Equity Committee Plan have been satisfied or waived and when the Equity Committee Plan is fully consummated. Distributions will only be made after Consummation of the Equity Committee Plan. See “Confirmation of the Equity Committee Plan,” which begins on page 31, for a discussion of the conditions to Consummation.

E. Where is the cash required to fund the Equity Committee Plan coming from?

Tronox shall fund Distributions under the Plan in part with Cash on hand, including Cash from operations, the proceeds of the Exit Credit Facility and the Rights Offering, and the proceeds from the Tiwest Sale, if applicable. See “Capital Structure of Reorganized Tronox Upon Consummation,” which begins on page 27 and “The Rights Offering,” which begins on page 14.

F. How is the Equity Committee Plan going to be implemented?

The Equity Committee Plan will be implemented in accordance with Article IV of the Equity Committee Plan attached hereto as Exhibit A. The New Common Stock will be issued by Reorganized Tronox.

G. Will the interests in the Anadarko Litigation Trust be freely transferable?

No, the interests in the Anadarko Litigation Trust are not freely transferable. See “The Anadarko Litigation Trust,” which begins on page 15.

H. Are there risks to owning an interest in Reorganized Tronox or in the Anadarko Litigation Trust upon emergence from bankruptcy?

Yes, please see “Risk Factors,” which begins on page 43.

I. Is there potential litigation related to the Equity Committee Plan?

Yes, in the event it becomes necessary to confirm the Equity Committee Plan over the rejection of Class 3, 4, 5, 6 or 7 the Equity Committee does anticipate litigation being necessary, and such litigation may be significant. If, however, all of Classes 3, 4, 5, ~~6~~, ~~7~~ and ~~8~~ vote to reject the Equity Committee Plan, the Equity Committee cannot seek to confirm the Equity Committee Plan over such rejection. Additionally, because both the Debtors’ Plan and Equity Committee Plan are being solicited at the same time, there will be litigation at the confirmation hearing with respect to each of the competing plans and with respect to the valuation of Reorganized Tronox. Only one plan may be confirmed at the Confirmation Hearing.

J. What are the contents of the solicitation packages to be sent to creditors and equity security holders who are eligible to vote on the Equity Committee Plan?

Creditors and holders of Equity Interests who are eligible to vote on the Equity Committee Plan will receive appropriate solicitation materials, including:

- the appropriate ballot and applicable voting instructions;

- a pre-addressed, postage pre-paid return envelope; and
- this Disclosure Statement with all exhibits, including the Equity Committee Plan.
- Creditors and holders of Equity Interests who are eligible to vote on the Debtors' Plan will also receive the Debtors' Disclosure Statement and related materials.

The notices sent to parties in interest will indicate that this Disclosure Statement, the Equity Committee Plan and all of the exhibits thereto are (and, in the future, the Plan Supplement will be) available for viewing by any party upon written request to the Equity Committee's counsel at Pillsbury Winthrop Shaw Pittman LLP, 1540 Broadway, New York, New York 10036, Attention: Brandon Johnson, or by downloading such exhibits and documents from the website of Tronox's notice, claims, and balloting agent at www.kccllc.net/tronox or the Bankruptcy Court's website at www.deb.uscourts.gov.

K. **Should Equity Interest Holders vote on the Debtors' proposed plan of reorganization?**

The Debtors have filed a separate, competing plan of reorganization. Under the Debtors' Plan, holders of Equity Interests will receive their Pro Rata share of New Warrants if, and only if, the class containing Equity Interests vote in favor of the Debtors' Plan. According to the Debtors' Disclosure Statement, the value of the New Warrants to the holders of Equity Interests is between \$.02 to \$.10 for each New Warrant issued. If the holders of Equity Interests vote to reject the Debtors' Plan, holders of Equity Interests will not receive the New Warrants and will receive no recovery under the Debtors' Plan. THE EQUITY COMMITTEE RECOMMENDS THAT HOLDERS OF EQUITY INTERESTS SHOULD VOTE TO REJECT THE DEBTORS' PLAN.

The Equity Committee intends to contest the Debtors' valuation at the hearing on confirmation of the Debtors' Plan, if not earlier, and will argue that there should be value available for recovery by the holders of Equity Interests and that the Debtors' Plan, as proposed, is not confirmable. If holders of Equity Interests vote to accept the Debtors' Plan, this vote could negatively impact the Equity Committee's ability to contest confirmation of the Debtors' Plan, assert Tronox's true enterprise value, and pursue alternatives for greater recovery to the holders of Equity interests. HOWEVER, IF HOLDERS OF EQUITY INTERESTS VOTE TO REJECT THE DEBTORS' PLAN AND THE EQUITY COMMITTEE IS UNSUCCESSFUL IN ITS OBJECTION TO CONFIRMATION OF THE DEBTORS' PLAN, THERE MAY BE NO RECOVERY TO HOLDERS OF EQUITY INTERESTS.

The outcome of contested litigation proceedings cannot be predicted with certainty, if the Court adopts the valuation of Tronox in the Debtors' Plan and/or rejects the Equity Committee's analyses concerning valuation, the Debtors will proceed with confirmation of the Debtors' Plan. In that event, according to the Debtors' current valuation and projections, the holders of Equity Interests would not receive any recovery in these cases. Additionally, if the Court does not confirm the Debtors' Plan, there is no assurance that any alternative plan or resolution will provide any recovery to holders of equity interests. In that case, holders of equity interests may receive no distribution.

L. **What is the Rights Offering and who will be eligible to participate in the Rights Offering?**

Under the Equity Committee Plan, (i) Holders of Allowed General Unsecured Claims in excess of \$250, (ii) Holders of Indirect Environmental Claims in excess of \$500, (c) Holders of Equity Stock Interests that are "accredited investors" as such term is defined in Rule 501 of Regulation D of the rules and regulations promulgated under the Securities Act of 1933, as amended, and (d) all other Holders of Equity Stock Interests to the extent such participation is compatible with the exemptions to registration set forth in section 1145 of the Bankruptcy Code (the "Eligible Holders") will have the opportunity to participate in a \$185 million rights offering (the "Rights Offering") that will be backstopped by certain parties who have agreed to backstop the Rights Offering (the "Plan Equity

Sponsors”).⁴ Participants in the Rights Offering would receive 46% of the equity in Reorganized Tronox subject to dilution from new warrants, the Plan Equity Sponsor Commitment Premium and shares issued pursuant to the Management Equity ~~Incentive~~ Plan.

The determination of which Holders of Equity Stock Interests will be “Eligible Holders” entitled to participate in the Rights Offering will depend, in part, upon the Court-determined valuation of Reorganized Tronox and the application of certain securities laws. The Equity Committee will endeavor to conduct the broadest possible offering permissible under law to shareholders of Tronox Inc., without requiring registration for such offering pursuant to the Securities Act of 1933. Specifically, to the extent that the all Holders of Equity Stock Interests may participate in the Equity Committee’s Rights Offering under the exemption to registration provided for by section 1145 of the Bankruptcy Code, the Plan provides that all Holders of Equity Stock Interests shall be eligible to participate in the Rights Offering. The application of section 1145 involves, among other things, a valuation of the Interests and Rights associated with the Equity Committee’s Rights Offering to Holders of Equity Stock Interests. The Plan provides that only those Holders of Equity Stock Interests that are “accredited investors” as such term is defined in Rule 501 of Regulation D of the rules and regulations promulgated under the Securities Act of 1933, as amended, can participate in the Rights Offering. If you are a Holder of an Equity Stock Interest, you should confer with your own legal advisors to help determine whether or not you may be an Eligible Holder entitled to participate in the Rights Offering.

M. ~~L.~~ Will Reorganized Tronox file reports with the SEC?

Reorganized Tronox expects to be filing reports with the SEC after the consummation of the Equity Committee Plan as it expects to be subject to the public reporting requirements of the United States Securities Exchange Act of 1934, as amended, and the regulations promulgated thereunder, and it expects to be a reporting issuer in the United States after the consummation of the Equity Committee Plan.

Tronox will use commercially reasonable efforts to list the shares of New Common Stock on the New York Stock Exchange or the NASDAQ Stock Market as soon as reasonably practical after the Effective Date. It is anticipated that if listed on the New York Stock Exchange or the NASDAQ Stock Market, the shares of New Common Stock will be freely tradable by the holders thereof.

N. ~~M.~~ What rights will Tronox’s new stockholders have?

Each Holder of New Common Stock issued under the Equity Committee Plan will be entitled to one vote per share of New Common Stock on all matters subject to a vote of holders of common stock under applicable law and will be entitled to a pro rata share of any dividends that are declared by the board of directors of Reorganized Tronox. The New Common Stock shall be the sole class of voting stock of Reorganized Tronox.

O. ~~N.~~ Where will Reorganized Tronox be organized?

Reorganized Tronox likely will be organized in the United States under the Delaware General Corporation Law. The decision will depend in part upon further discussion with certain of our creditors. Final resolution on this point is expected to be disclosed in the Plan Supplement.

P. ~~O.~~ How do I vote for or against the Equity Committee Plan?

The Equity Committee is distributing this Disclosure Statement, accompanied by a ballot or ballots to be used for voting on the Equity Committee Plan, to the Holders of Claims and Holders of Equity Interests entitled to

Similarly, the Equity Committee is not soliciting votes from Holders of Other Equity Interests in Class 9 because such Holders are conclusively presumed or are otherwise deemed to have rejected the Plan.

If you believe that your Claim against Tronox has been placed in the wrong Class or misclassified as a non-voting Claim, then you must file with the Bankruptcy Court and serve on the Equity Committee's counsel with a motion for an order, pursuant to Bankruptcy Rule 3018(a), temporarily allowing your Claim in a different Class for purposes of voting to accept or reject the Plan, on or before [], 2010 at 5:00 p.m. (PT), or within ten days after service of an objection to your Claim if an objection is filed on or after October 5, 2010. Classes 3, 4, 5, 6, 7 and 8 are Impaired under the Plan and are entitled to vote to accept or reject the Plan.

(ii) *Presumed Acceptance of the Plan.*

Classes 1 and 2 are Unimpaired under the Plan. The Holders of Claims in such Classes are deemed to have accepted the Plan and are not entitled to vote to accept or reject the Plan.

(iii) *Presumed Rejection of Plan.*

Class 9 is Impaired and shall receive no Distribution under the Plan. The Holders of Other Equity Interests in such Class are deemed to have rejected the Plan and are not entitled to vote to accept or reject the Plan.

G. Confirmation Pursuant to Sections 1129(a)(10) and 1129(b) of the Bankruptcy Code.

Section 1129(a)(10) of the Bankruptcy Code shall be satisfied for purposes of Confirmation by acceptance of the Plan by any one of Classes 3, 4, 5, 6, 7 or 8. Tronox shall seek Confirmation of the Plan pursuant to section 1129(b) of the Bankruptcy Code with respect to any rejecting Class of Claims or Equity Interests.

IX. ~~VIII.~~ CERTAIN MEANS FOR IMPLEMENTATION OF THE PLAN

A. Please see Article IV.E of the Debtors' Disclosure Statement for further information with respect to the following:

- (i) general settlement of claims pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019
- (ii) deemed substantive consolidation of the Plan;
- (iii) the Environmental Claims Settlement Agreement;
- (iv) the Creation and Funding of Environmental Response Trusts
- (v) the Lease of Henderson, Nevada Plant; and
- (vi) the Creation of the Tort Claims Trust.

B. Exit Financing/Incurrence of New Indebtedness and Existing Letters of Credit

On the Effective Date, Reorganized Tronox will enter into the Exit Credit Agreement and complete the Exit Credit Facility (on terms and conditions reasonably satisfactory to the Equity Committee, the Creditors' Committee, and the Required Plan Equity Sponsors) to fund distributions under the Plan, ongoing business operations and working capital needs. The Confirmation Order shall constitute an order of the Bankruptcy Court approving the Exit Credit Agreement (including the transactions contemplated thereby) and authorization for Tronox or Reorganized Tronox, as the case may be, to execute and deliver all documents necessary or appropriate to obtain the Exit Credit Facility.

On the Effective Date, all Existing Letters of Credit shall be replaced or cash collateralized (with Cash in an amount equal to 105% of the face amount of such Existing Letters of Credit), in accordance with the terms of the Exit Credit Facility.

C. Option to Sell Tiwest Joint Venture Interests of Tronox

As part of the Plan, the Equity Committee, ~~the Required Plan Equity Sponsors and Tronox Management will have~~ has procured an option that may be exercised prior to the Effective Date, to ~~agree to the sale of~~ sell Tronox's interests in the Tiwest Joint Venture (the "Tiwest Sale Option"). On February 18, 2010, the Equity Committee entered into a Memorandum of Understanding (the "MOU") with the potential buyer of Tiwest (the "Potential Buyer")⁵ for the purchase of the Tiwest Joint Venture Interests for \$260 million (the "Tiwest Sale"). The ~~potential buyer~~ Potential Buyer understands that ~~they, in addition to the \$260 million, it will also~~ be obligated to pay an additional payment of approximately \$50 million that Tronox will ~~have paid~~ otherwise be required to pay in order to maintain its 50% interest in Tiwest, with the total of approximately \$310 million to be paid in cash upon closing of the Tiwest Sale. ~~The~~ If the Equity Committee Plan is approved, the Equity Committee and the Required Plan

⁵ Pursuant to the MOU, the identity of the Potential Buyer shall remain confidential unless and until the Tiwest Option is exercised.

Equity Sponsors, together with Tronox management and its Board of Directors, may decide to exercise the Tiwest Option and to proceed with the Tiwest Sale. If the Tiwest Option is exercised, the Equity Committee believes that the potential for a pre Effective Date sale of Tiwest may be in the best interests of these estates with regard to valuation and liquidity and submits that maintaining such option is important for preserving the value of these estates. Executing the sale pre Effective Date may have significant tax benefits with regard to the net proceeds to the estate. Any proposed sale of the interests in the Tiwest Joint Venture any such sale should occur prior to the Effective Date would be subject to approval of so that the estate can take advantage of certain significant tax benefits which will inure to the benefit of the estates. Pursuant to the MOU, the Equity Committee and the Potential Buyer understand and have agreed that any potential Tiwest Sale cannot be consummated unless approved by the Bankruptcy Court after an appropriate motion and hearing.

If the option is exercised, Reorganized Tronox will have the right to use such proceeds from the Tiwest Sale and any amounts that would have otherwise been used for capital expenditures related to the Tiwest Joint Venture, to repurchase or redeem shares of New Common Stock issued to Holders of Claims at Equity Plan Value. In addition, the proceeds can be used to establish a bonus program for the management of Tronox or Reorganized Tronox, as the case may be, in addition to the Management Equity Plan.

The Equity Committee's advisors have considered the merits of a sale of Tiwest as well as the impact of selling Tiwest on an operational, financial and trading basis. Incremental cash proceeds generated by such a sale (which the Equity Committee believes can be effected on a tax-efficient basis) will be used to fund the Equity Committee Plan and directly reduce the funds which would otherwise be funded through the issuance of new indebtedness. In addition, the Potential Buyer has indicated its willingness to fund Tronox's share of the expansion at the Kwinana facility in Western Australia. As set forth more fully in Section II(A)(B)(i) of the Debtors' Disclosure Statement, the Tiwest Joint Venture includes a titanium dioxide plant in Kwinana, Western Australia, a mining venture in Cooljarloo, Western Australia, and a mineral separation plant and a synthetic rutile processing facility in Chandala, Western Australia. Tronox, through its subsidiary Tronox Western Australia Pty. Ltd. ("TWA"), has a 50% undivided interest in the assets of the Tiwest Joint Venture with Exxaro Australia Sands Pty Ltd. ("Exxaro"), a subsidiary of Exxaro Resources Limited. Under separate marketing agreements, Tronox has the right to market 100% of the titanium dioxide produced at the Kwinana facility. As disclosed by the Debtors in the Debtors' Disclosure Statement (see Debtors' Disclosure Statement at Section II Section II(B)(i)), Tronox currently is implementing an expansion project at the Kwinana plant that will increase the plant's capacity to 150,000 metric tons. Because the Potential Buyer has stated its willingness to assume Tronox's obligations under this expansion project, the Equity Committee believes that a sale of Tiwest could further reduce pro forma leverage, resulting in a post-emergence Tronox entity with a significantly stronger credit and cash flow profile than in the absence of such a sale. Taking into account the proceeds from the sale, substantially reduced pro forma indebtedness of Tronox and the financial and operational impact of the sale of the 50% share in the Tiwest Joint Venture, the Equity Committee believes the sale to be neutral to accretive on a net basis.

The agreements governing the Tiwest Joint Venture contain a right of first refusal for Exxaro (pursuant to which Exxaro would have certain rights to purchase the assets owned by Tronox in the Tiwest Joint Venture) that is triggered by certain events. The consummation of the Tiwest Sale pursuant to the Plan may trigger such right of first refusal or any other similar right. Exxaro may assert that it has such rights. In the event that the Tiwest Sale is pursued and Exxaro asserts such rights, there may be litigation with Exxaro regarding Exxaro's ability to assert such rights. To the extent Exxaro were to prevail in such litigation, Tronox could be required to sell its interest in the Tiwest Joint Venture for fair value as determined by an appraisal process set forth in the joint venture agreements, rather than pursuant to the MOU with the Potential Buyer.

D. Cash Consideration to Fund Plan Distributions

Tronox shall fund Distributions under the Plan in part with Cash on hand, including Cash from operations, the proceeds of the Exit Credit Facility, the Rights Offering, and the proceeds from the Tiwest Sale, if applicable.

Tronox and Reorganized Tronox will be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable Reorganized Tronox to satisfy its obligations under the Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers will be

accounted for and settled in accordance with Tronox's historical intercompany account settlement practices and will not violate the terms of the Plan.

From and after the Effective Date, Reorganized Tronox, subject to any applicable limitations set forth in any post-Effective Date financing, shall have the right and authority without further order of the Bankruptcy Court to raise additional or replacement capital and obtain additional or replacement financing as the boards of directors of the applicable Reorganized Tronox Debtor deem appropriate.

E. Cancellation of Existing Agreements, Unsecured Notes and Equity Interests

On the Effective Date, except as otherwise specifically provided for in the Plan: (1) the obligations of the Tronox Debtors under the Indenture, and any other Certificate, Equity Security, share, note, bond, indenture, purchase right, option, warrant or other instrument or document directly or indirectly evidencing or creating any indebtedness or obligation of or ownership interest in the Tronox Debtors or giving rise to any Claim or Equity Interest (except such Certificates, notes or other instruments or documents evidencing indebtedness or obligation of or ownership interest in the Tronox Debtors that are Reinstated pursuant to the Plan), shall be cancelled solely as to the Tronox Debtors and their affiliates, and Reorganized Tronox shall not have any continuing obligations thereunder, except that, to the extent provided in the Exit Credit Agreement, the guarantees of and Liens securing obligations under the Replacement DIP Agreement shall not be cancelled and shall guarantee or secure obligations under the Exit Credit Facility, and only such obligations; and (2) the obligations of the Tronox Debtors and their affiliates pursuant, relating or pertaining to any agreements, indentures, certificates of designation, bylaws or certificate or articles of incorporation or similar documents governing the shares, Certificates, notes, bonds, indentures, purchase rights, options, warrants or other instruments or documents evidencing or creating any indebtedness or obligation of or ownership interest in the Tronox Debtors (except such agreements, Certificates, notes, or other instruments evidencing indebtedness or obligation of or ownership interest in the Tronox Debtors that are specifically Reinstated pursuant to the Plan) shall be released and discharged; provided, however, that notwithstanding Confirmation or Consummation, any such indenture or agreement that governs the rights of the Holder of a Claim, including the Indenture, shall continue in effect solely for purposes of allowing Holders to receive Distributions under the Plan; and, to the extent that the Indenture Trustee Fee Claim is not paid in full by Reorganized Tronox, of allowing the Indenture Trustee to exercise its Indenture Charging Lien, provided, further, however, that the preceding provision shall not affect the discharge of Claims or Equity Interests pursuant to the Bankruptcy Code, the Confirmation Order, or the Plan, or result in any expense or liability to Reorganized Tronox; provided, further, however, that the foregoing shall not effect the cancellation of shares issued pursuant to the Plan nor any other shares held by one Tronox Debtor in the capital of another Tronox Debtor; and provided, further, however, that to the extent provided in the Exit Credit Agreement, the guarantees of and Liens securing obligations under the Replacement DIP Agreement shall not be cancelled and shall guarantee or secure obligations under the Exit Credit Agreement, as applicable, and only such obligations.

F. Restructuring Transactions

On the Effective Date, or as soon as reasonably practicable thereafter, the corporate structure of Reorganized Tronox will be simplified and rationalized by eliminating certain entities that are deemed no longer essential to Reorganized Tronox and may take all actions as may be necessary or appropriate to effect such transactions, including any transaction described in, approved by, contemplated by or necessary to effectuate the Plan, including: (1) the execution and delivery of appropriate agreements or other documents of merger, consolidation, restructuring, conversion, disposition, transfer, dissolution or liquidation containing terms that are consistent with the terms of the Plan and that satisfy the applicable requirements of applicable law and any other terms to which the applicable Entities may agree; (2) the execution and delivery of appropriate instruments of transfer, assignment, assumption or delegation of any asset, property, right, liability, debt or obligation on terms consistent with the terms of the Plan and having other terms for which the applicable parties agree; (3) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, conversion or dissolution pursuant to applicable state law; and (4) all other actions that the applicable Entities determine to be necessary or appropriate, including making filings or recordings that may be required by applicable law. To the extent deemed helpful or appropriate to Reorganized Tronox, the elimination of certain of these entities may be effected pursuant to Sections 368 and 381 of the Internal Revenue Code of 1986, as amended (the "IRC"), to preserve for Reorganized

Tronox the tax attributes of such entities. Prior to the Effective Date, Tronox will consult with the Equity Committee with respect to the restructuring transactions.

G. Corporate Existence

Subject to any restructuring transactions permitted under Article IV of the Plan or as otherwise expressly provided herein or in the Plan Supplement, each of the Tronox Debtors, as Reorganized, shall continue to exist after the Effective Date as a separate corporate entity, limited liability company, partnership or other form, as the case may be, with all the powers of a corporation, limited liability company, partnership or other form, as the case may be, pursuant to applicable law in the jurisdiction in which each applicable Tronox Debtor is incorporated or formed.

H. Organizational Documents

The certificates of incorporation and bylaws (or other formation documents relating to limited liability companies) of the Tronox Debtors shall be amended as may be required to be consistent with the provisions of the Plan and the Bankruptcy Code, in a form reasonably acceptable to the Equity Committee and the Required Plan Equity Sponsors. On or as soon as reasonably practicable after the Effective Date, any of the Tronox Debtors that is Reorganized shall file new certificates of incorporation with the secretary of state (or equivalent state officer or entity) of the state under which each such Tronox Debtor is or is to be incorporated, which, as required by section 1123(a)(6) of the Bankruptcy Code, shall prohibit the issuance of non-voting securities. The Certificate of Incorporation of Reorganized Tronox Incorporated shall include appropriate super-majority provisions with respect to certain material actions (subject to customary carve-outs and limitations), such as issuance and redemption of equity securities and options, amendments to the charter documents, changes to the number of directors, sales or transfers of all or substantially all assets of Reorganized Tronox, recapitalizations and reorganizations, and affiliate transactions. Such super-majority provisions shall cease to be effective on the date Reorganized Tronox Incorporated becomes a public reporting company. After the Effective Date, each such Tronox Debtor may file a new, or amend and restate its existing, certificate of incorporation, charter and other constituent documents as permitted by the relevant state corporate law.

To protect Reorganized Tronox's ability to continue to utilize its NOLs (and any built-in losses) in the future, Reorganized Tronox Incorporated intends to include in its Certificate of Incorporation certain provisions designed to permit the New Board to adopt trading restrictions with respect to the New Common Stock. The terms of such restrictions would generally provide that the New Board could adopt such restrictions in the future only if events had occurred that placed Reorganized Tronox's ability to utilize its NOLs at risk because of a possible ownership change with respect to such stock. The terms of the provisions to be included in the Certificate of Incorporation remain subject to negotiation with the Equity Committee and the Required Plan Equity Sponsors, as well as court approval.

As of the Effective Date, each Tronox Debtor's bylaws shall provide for the indemnification, defense, reimbursement, exculpation and/or limitation of liability of, and advancement of fees and expenses to, directors, officers, employees or agents who were directors, officers, employees or agents of such Tronox Debtor as of September 2, 2010, at least to the same extent as the bylaws of each of the respective Tronox Debtors on the Petition Date, against any claims or Causes of Action whether direct or derivative, liquidated or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, and none of Reorganized Tronox shall amend and/or restate its certificate of incorporation or bylaws before or after the Effective Date to terminate or materially adversely affect any of Reorganized Tronox's obligations or such directors', officers', employees' or agents' rights; provided, however, that for the avoidance of doubt, nothing in the Plan, the Plan Supplement or any document related thereto shall in any way indemnify or release any individuals who were former directors or officers of the Tronox Debtors or their subsidiaries and also were or currently are directors or officers of Kerr-McGee Corporation and/or Anadarko Petroleum Corporation.

I. Effectuating Documents; Further Transactions

On and after the Effective Date, Reorganized Tronox, and any officers, members or directors thereof, are authorized to and may issue, execute, deliver, file or record such contracts, Securities, instruments, releases and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement,

and further evidence the terms and conditions of the Plan and the Securities issued pursuant to the Plan in the name of and on behalf of Reorganized Tronox, without the need for any approvals, authorization or consents except for those expressly required pursuant to the Plan.

J. Section 1146 Exemption from Certain Transfer Taxes and Recording Fees

Pursuant and to the fullest extent permitted by section 1146 of the Bankruptcy Code, any transfers of property pursuant hereto shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, sales or use tax, mortgage recording tax or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forgo the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee or governmental assessment.

K. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, but subject to Article VIII of the Plan and the terms of the Environmental Claims Settlement Agreement, Reorganized Tronox shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Plan Supplement (but excluding the Anadarko Litigation, which will be transferred to the Anadarko Litigation Trust), and Reorganized Tronox's rights to commence, prosecute or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. Reorganized Tronox may pursue such Causes of Action, as appropriate, in accordance with the best interests of Reorganized Tronox. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement or the Equity Committee Disclosure Statement to any Cause of Action against them as any indication that Reorganized Tronox will not pursue any and all available Causes of Action against them. Reorganized Tronox expressly reserves all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised or settled in the Plan or a Bankruptcy Court order, Reorganized Tronox expressly reserves all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable or otherwise) or laches shall apply to such Causes of Action upon, after or as a consequence of the Confirmation or Consummation.

Reorganized Tronox reserves and shall retain the Causes of Action (except for the Anadarko Litigation) notwithstanding the rejection or repudiation of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Tronox Debtor may hold against any Entity shall vest in Reorganized Tronox. Reorganized Tronox, through its authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. Reorganized Tronox shall have the exclusive right, authority and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order or approval of the Bankruptcy Court.

L. Vesting of the Retained Assets in Reorganized Tronox

Except as otherwise provided herein or in any agreement, instrument or other document relating thereto, on or after the Effective Date, the Retained Assets and all Causes of Action (excluding the Anadarko Litigation) shall vest in Reorganized Tronox, free and clear of all liens, Claims, charges, or other encumbrances or interests (except for Liens securing the Exit Credit Facility). On and after the Effective Date, except as otherwise provided in the Plan, Reorganized Tronox may operate its business and may use, acquire or dispose of property and compromise or settle any Claims or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

X. ~~IX.~~ CAPITAL STRUCTURE OF REORGANIZED TRONOX UPON CONSUMMATION

A. *The Exit Financing*

The Equity Committee's financial advisors have held discussions with a number of major, established, global investment banks relating to the financing of an Equity Committee plan of reorganization. Each of these investment banks has significant asset-based lending, syndicated loan and high yield financing capabilities. Pursuant to the execution of confidentiality agreements with the Debtors, these investment banks have been provided access to certain confidential information relating to, among other things, the Debtors' financial results and projections. The Equity Committee expects to have fully committed exit financing (the "Exit Financing") prior to Confirmation. The Equity Committee will file with the Bankruptcy Court any and all commitment letter(s) after such letter(s) have been finalized and will seek approval of the proposed Exit Financing Facility in connection with the Confirmation Hearing. However, there can be no guaranty that the Equity Committee will be able to secure such Exit Financing on terms and conditions acceptable to the Equity Committee and Required Plan Equity Sponsors. ~~In that event, there would be insufficient financing to fund the Equity Committee Plan.~~

B. *Intercompany Account Settlement*

Tronox and Reorganized Tronox will be entitled to transfer funds between and among themselves as they determine to be necessary or appropriate to enable Reorganized Tronox to satisfy its obligations under the Equity Committee Plan. Except as set forth herein, any changes in intercompany account balances resulting from such transfers will be accounted for and settled in accordance with Tronox's historical intercompany account settlement practices and will not violate the terms of the Equity Committee Plan.

C. *Issuance of New Common Stock*

The issuance of the New Common Stock by Reorganized Tronox Incorporated, including pursuant to the Rights Offering and options, restricted stock or other equity awards reserved for the Management Equity ~~Incentive~~ Plan, is authorized without the need for any further corporate action or without any further action by the Holders of Claims. No less than 75,000,000 common shares shall be authorized under the New Certificate of Incorporation. On the Effective Date, 18,500,000 shares of New Common Stock shall be issued pursuant to the Rights Offering and 23,454,783 shares of New Common Stock shall be issued to the GUC Pool for Distribution as described in Article III.B of the Plan. A total of 1,480,000 shares will be issued pursuant to the Plan Equity Sponsor Commitment Premium. Additional New Common Stock may be issued pursuant to the Management Equity ~~Incentive~~ Plan.

All of the shares of New Common Stock issued pursuant to the Plan shall be duly authorized, validly issued, fully paid and non-assessable. Each Distribution and issuance referred to in Article VI of the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such Distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such Distribution or issuance, which terms and conditions shall bind each Entity receiving such Distribution or issuance.

Tronox will use commercially reasonable efforts to list the shares of New Common Stock on the New York Stock Exchange or the NASDAQ Stock Market as soon as reasonably practical after the Effective Date. It is anticipated that if listed on the New York Stock Exchange or the NASDAQ Stock Market, the shares of New Common Stock will be freely tradable by the holders thereof.

D. *Issuance of New Warrants*

On the Effective Date, Reorganized Tronox Incorporated will issue the New Warrants Pro Rata to Holders of Equity Interests in Tronox Incorporated. The form of agreement governing the New Warrants will be included in the Plan Supplement.

E. Registration Rights Agreements

The Plan Equity Sponsors and Holders of 10% or more of the New Common Stock outstanding on the Effective Date shall be entitled to registration rights pursuant to the Registration Rights Agreement, which shall be included in the Plan Supplement and shall be reasonably acceptable to the Required Plan Equity Sponsors and the Equity Committee. On the Effective Date, the Registration Rights Agreement shall constitute valid and binding obligations of Reorganized Tronox with respect to each holder of New Common Stock intended to benefit therefrom, in each case without the need for execution by any party thereto other than Reorganized Tronox.

F. Exemption from Registration

The issuance of the New Common Stock (including pursuant to the Rights Offering) and the distribution of New Warrants pursuant to the Plan shall be exempt from registration under the Securities Act under section 1145 of the Bankruptcy Code as of the Effective Date without further act or action by any person, unless required by provision of applicable law, regulation, order or rule; provided, however, that any securities issued to the Plan Equity Sponsors as a fee for their commitment to backstop the Rights Offering will be issued without registration in reliance upon the exemption set forth in Section 4(2) of the Securities Act and will be “restricted securities.”

Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a plan of reorganization from registration under Section 5 of the Securities Act and state laws when such securities are to be exchanged for Claims or principally in exchange for Claims and partly for cash. In general, securities issued under section 1145 may be resold without registration unless the recipient is an “underwriter” with respect to those securities. Section 1145(b)(1) of the Bankruptcy Code defines an “underwriter” as any person who:

- purchases a claim against, an interest in, or a claim for an administrative expense against the debtor, if that purchase is with a view to distributing any security received in exchange for such a claim or interest;
- offers to sell securities offered under a plan of reorganization for the holders of those securities;
- offers to buy those securities from the holders of the securities, if the offer to buy is (i) with a view to distributing those securities; and (ii) under an agreement made in connection with the plan of reorganization, the completion of the plan of reorganization, or with the offer or sale of securities under the plan of reorganization; or
- is an issuer with respect to the securities, as the term “issuer” is defined in Section 2(a)(11) of the Securities Act.

To the extent that persons who receive New Common Stock, or New Warrants are deemed to be “underwriters,” resales by those persons would not be exempted from registration under the Securities Act or other applicable law by section 1145 of the Bankruptcy Code. Those persons would, however, be permitted to sell New Common Stock or other securities without registration if they are able to comply with the provisions of Rule 144 under the Securities Act, as described further below.

You should confer with your own legal advisors to help determine whether or not you are an “underwriter.”

The Equity Committee's Valuation Analysis is attached hereto as Exhibit C.

The Tronox Debtors' financial Projections are attached to the Debtors' Disclosure Statement as Exhibit C. The Equity Committee has relied on such Projections to complete its Valuation Analysis discussed herein in Article XVI. XIX. ~~XVIII.~~ CONFIRMATION OF THE EQUITY COMMITTEE PLAN

A. The Confirmation Hearing

The Bankruptcy Court has scheduled the Confirmation Hearing for [_____], 2010 at [_____] a.m./p.m., prevailing Eastern time, before the Honorable Allan L. The Confirmation Hearing may be adjourned from time to time without further notice except for an announcement of the adjourned date made at the Confirmation Hearing or any adjournment thereof.

B. Requirements For Confirmation of the Equity Committee Plan

Among the requirements for the Confirmation of the Equity Committee Plan are that the Equity Committee Plan (1) is accepted by all impaired Classes of Claims and Equity Interests, or if rejected by an impaired Class, that

the Equity Committee Plan “does not discriminate unfairly” and is “fair and equitable” as to such Class, (2) is feasible, and (3) is in the “best interests” of Holders of Claims and Equity Interests that are impaired under the Equity Committee Plan.

(i) Requirements of Section 1129(a) of the Bankruptcy Code

The following requirements must be satisfied pursuant to section 1129(a) of the Bankruptcy Code before the Bankruptcy Court may confirm a plan of reorganization:

- The plan complies with the applicable provisions of the Bankruptcy Code.
- The proponents of the plan comply with the applicable provisions of the Bankruptcy Code.
- The plan has been proposed in good faith and not by any means forbidden by law.
- Any payment made or to be made by the proponent, by the debtor or by a person issuing securities or acquiring property under a plan, for services or for costs and expenses in or in connection with the case, in connection with the plan and incident to the case, has been approved by, or is subject to the approval of, the Bankruptcy Court as reasonable.
- The proponent of the plan has disclosed the identity and affiliations of any individual proposed to serve, after confirmation of the plan, as a director, officer or voting trustee of the debtor, an affiliate of the debtor participating in a joint plan with the debtor or a successor to the debtor under the plan, and the appointment to, or continuance in, such office of such individual, is consistent with the interests of creditors and equity security holders and with public policies.
- The proponent of the plan has disclosed the identity of any insider (as defined in section 101(31) of the Bankruptcy Code) that will be employed or retained by Reorganized Tronox and the nature of any compensation for such insider.
- With respect to each Holder within an impaired class of claims or equity interests, each such Holder (a) has accepted the plan or (b) will receive or retain under the plan on account of such claim or interest property of a value, as of the effective date of the plan, that is not less than the amount that such Holder would so receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code on such date.
- With respect to each class of claims or equity interests, such class (a) has accepted the plan or (b) is not impaired under the plan (subject to the “cramdown” provisions discussed below).
- Except to the extent that the Holder of a particular claim has agreed to a different treatment of such claim, the plan provides that:
 - with respect to a claim of a kind specified in sections 507(a)(1) or 507(a)(2) of the Bankruptcy Code, on the effective date of the plan, the Holder of the claim will receive on account of such claim cash equal to the allowed amount of such claim, unless otherwise agreed;
 - **with respect to a class of claim of the kind specified in sections 507(a)(3), 507(a)(4), 507(a)(5), 507(a)(6) or 507(3)(7) of the Bankruptcy Code, each Holder of a claim of such class will receive (a) if such class has accepted the plan, deferred cash payments of a value, on the effective date of the plan, equal to the allowed amount of such claim; or (b) if such class has not accepted the plan, cash on the effective date of the plan equal to the allowed amount of such claim; and**

- **with respect to a priority tax claim of a kind specified in section 507(a)(8) of the Bankruptcy Code, the Holder of such claim will receive on account of such claim deferred cash payments, over a period not exceeding six years after the date of assessment of such claim, of a value, as of the effective date of the plan, equal to the allowed amount of such claim.**
- If a class of claims is impaired under the plan, at least one class of claims that is impaired under the plan has accepted the plan, determined without including any acceptance of the plan by any “insider,” as defined in section 101(31) of the Bankruptcy Code.
- Confirmation of the plan is not likely to be followed by the liquidation, or the need for further financial reorganization, of the debtor or any successor to the debtor under the plan, unless such liquidation or reorganization is proposed in the plan.
- All fees payable under 28 U.S.C. §1930, as determined by the Bankruptcy Court at the hearing on confirmation of the plan, have been paid or the plan provides for the payment of all such fees on the effective date of the plan.
- The plan provides for the continuation after its effective date of payment of all retiree benefits, as that term is defined in section 1114 of the Bankruptcy Code, at the level established pursuant to subsection (e)(i)(B) or (g) of section 1114 of the Bankruptcy Code, at any time prior to confirmation of the plan, for the duration of the period the debtor has obligated itself to provide such benefits.

(ii) Best Interests of Creditors

Notwithstanding acceptance of the Equity Committee Plan by each impaired class, to confirm the Equity Committee Plan, the Bankruptcy Court must determine that it is in the best interests of each Holder of a claim or interest in any such impaired class that has not voted to accept the Equity Committee Plan. Accordingly, if an impaired class does not unanimously accept the Equity Committee Plan, the “best interests” test requires that the Bankruptcy Court find that the Equity Committee Plan provides to each member of such impaired class a recovery on account of the member’s claim or equity interest that has a value, as of the effective date of the Equity Committee Plan, at least equal to the value of the distribution that each such member would receive if Tronox were liquidated under chapter 7 of the Bankruptcy Code on such date. To make these findings, a bankruptcy court must: (i) estimate the cash liquidation proceeds that a chapter 7 trustee would generate if each of the debtor’s chapter 11 cases were converted to a chapter 7 case and the assets of such debtor’s estate were liquidated; (ii) determine the liquidation distribution that each non-accepting holder of a claim or an interest would receive from such liquidation proceeds under the priority scheme dictated in chapter 7; and (iii) compare the holder’s liquidation distribution to the distribution under the plan that the holder would receive if the plan were confirmed and consummated.

To satisfy the requirements of section 1129(a)(7) of the Bankruptcy Code, the Tronox Debtors, together with their retained advisors, prepared the liquidation analysis attached to the Debtors’ Disclosure Statement as Exhibit E (the “Liquidation Analysis”). Neither the Equity Committee nor its advisors (nor the Plan Equity Sponsors) have independently verified the accuracy of the Liquidation Analysis. Based upon on the Liquidation Analysis, however, the Equity Committee believes that holders of Claims and Interests will receive equal or greater value as of the Effective Date than such holders would receive in a chapter 7 liquidation and that the Equity Committee Plan will therefore meet the “best interests” test provided in section 1129(a)(7) of the Bankruptcy Code.

(iii) Acceptance by Impaired Classes

Section 1126(c) of the Bankruptcy Code provides that a class of claims has accepted a plan of reorganization if such plan has been accepted by creditors that hold at least two-thirds in amount and more than one-half in number of the allowed claims of such class. Section 1126(d) of the Bankruptcy Code provides that a class of interests has accepted a plan of reorganization if such plan has been accepted by interest holders that hold at least two-thirds in amount of the allowed interest of such class.

(iv) Feasibility

Section 1129(a)(11) of the Bankruptcy Code requires that confirmation of the plan of reorganization is not likely to be followed by the liquidation, or the need for further financial reorganization of the debtors, or any successor to the debtors (unless such liquidation or reorganization is proposed in the plan of reorganization).

To determine whether the Equity Committee Plan meets this feasibility requirement, the Equity Committee has analyzed the Tronox Debtors' ability to meet their respective obligations under the Equity Committee Plan. As part of this analysis, the Equity Committee has reviewed the financial Projections prepared by the Tronox Debtors. The Tronox Debtors' financial projections are set forth on Exhibit C to the Debtors' Disclosure Statement. Based upon the Projections, and considering the capital structure contemplated by the Equity Committee Plan, the Equity Committee believes that Reorganized Tronox will be a viable operation following the Chapter 11 Cases, and that the Equity Committee Plan will meet the feasibility requirements of the Bankruptcy Code.

(v) Requirements of Section 1129(b) of the Bankruptcy Code

The Bankruptcy Code permits confirmation of a plan of reorganization even if it is not accepted by each impaired class so long as (a) the plan of reorganization otherwise satisfies the requirements for confirmation, (b) at least one impaired class of claims has accepted the plan of reorganization without taking into consideration the votes of any insiders in such class and (c) the plan of reorganization is "fair and equitable" and does not "discriminate unfairly" as to any impaired class that has not accepted such plan. These so-called "cramdown" provisions are set forth in section 1129(b) of the Bankruptcy Code.

(vi) "Fair and Equitable"

The Bankruptcy Code establishes different "cramdown" tests for determining whether a plan is "fair and equitable" to dissenting impaired classes unsecured creditors and equity interest holders as follows:

(a) *Unsecured Creditors*

A plan of reorganization is fair and equitable as to an impaired class of unsecured claims that rejects the plan if the plan provides that: (i) each Holder of a claim included in the rejecting class receives or retains under the plan property of a value, as of the effective date of the plan of reorganization, equal to the amount of its allowed claim; or (ii) the holders of claims and equity interests that are junior to the claims of the rejecting class will not receive or retain any property under the plan of reorganization on account of such junior claims or interests.

(b) *Holders of Equity Interests in Tronox Incorporated*

A plan of reorganization is fair and equitable as to an impaired class of equity interests that rejects the plan if the plan provides that: (i) each Holder of an equity interest included in the rejecting class receives or retains under the plan property of a value, as of the effective date of the plan of reorganization, equal to the greatest of the allowed amount of (A) any fixed liquidation preference to which such Holder is entitled, (B) the fixed redemption price to which such Holder is entitled, or (C) the value of the equity interest; or (ii) the Holder of any equity interest that is junior to the equity interests of the rejecting class will not receive or retain any property under the plan of reorganization on account of such junior interest.

The Equity Committee believes the Equity Committee Plan is fair and equitable as to Holders of Claims or Equity Interests in Classes that vote to reject the Equity Committee Plan, or that are deemed to reject the Equity Committee Plan, because it provides that such holders' Allowed Claims or Equity Interests will be either Unimpaired, or they will receive their "absolute priority" entitlements under the Bankruptcy Code. The Equity Committee believes the Equity Committee Plan is fair and equitable as to Holders of General Unsecured Claims and Equity Interests because Holders of Claims will be satisfied in full before the holders of Equity Stock Interests will receive any recovery.

(vii) No “Unfair Discrimination”

This test applies to classes of claims or interests that are of equal priority and are receiving different treatment under a proposed plan. The test does not require that the treatment be the same or equivalent, but that the treatment be “fair.” In general, bankruptcy courts consider whether a plan discriminates unfairly in its treatment of classes of claims of equal rank (e.g., classes of the same legal character). Bankruptcy courts will take into account a number of factors in determining whether a plan discriminates unfairly. A proposed plan could treat two classes of unsecured creditors differently without unfairly discriminating against either class.

A plan of reorganization does not “discriminate unfairly” if a dissenting class is treated substantially equally to other classes similarly situated and no such class receives more than it is legally entitled to receive for its claims or equity interests.

The Equity Committee does not believe that the Equity Committee Plan discriminates unfairly against any impaired Class of Claims or Equity Interests. Tronox believes that the Equity Committee Plan and the treatment of all Classes of Claims and Equity Interests under the Equity Committee Plan satisfy the foregoing requirements for nonconsensual Confirmation of the Equity Committee Plan.

(viii) Valuation of Tronox

In conjunction with formulating the Equity Committee Plan, the Equity Committee determined that it was necessary to estimate the post-Confirmation going concern value of Tronox. Accordingly, such valuation is set forth in the “Valuation Analysis” attached hereto as Exhibit C.

XX. ~~XIX.~~ EFFECT OF CONFIRMATION OF THE EQUITY COMMITTEE PLAN

A. Discharge of Claims and Termination of Equity Interests.

Pursuant to, and to the fullest extent permitted by, section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the Distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by Reorganized Tronox, Equity Interests, and causes of action of any nature whatsoever, including any interest accrued on Claims or Equity Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Equity Interests in, the Tronox Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Equity Interests, including demands, liabilities, and causes of action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Equity Interests relate to services performed by employees of Tronox prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim or Equity Interest based upon such debt, right, or Equity Interest is filed or deemed filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Equity Interest based upon such debt, right, or Equity Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Equity Interest has accepted the Plan. Any default by the Tronox or its Affiliates with respect to any Claim or Equity Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Equity Interests subject to the Effective Date occurring.

Notwithstanding anything to the contrary in the Plan, Reorganized Tronox may be subject to liabilities under applicable laws to the Government Environmental Entities as the owner or operator of the Retained Assets After the Effective Date.

B. Release of Liens.

Except as otherwise provided in the Plan or in any contract, instrument, release or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable Distributions made pursuant to the Plan and, in the case of a Secured Claim, satisfaction in full of the portion of the Secured Claim that is Allowed as of the Effective Date, all mortgages, deeds of trust, Liens, pledges or other security interests against any property of the Estates shall be fully released and discharged, and all of the right, title and interest of any Holder of such mortgages, deeds of trust, Liens, pledges or other security interests shall revert to Reorganized Tronox and its successors and assigns.

C. Releases by Tronox.

Pursuant to section 1123(b) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, for good and valuable consideration, including the service of the Released Parties to facilitate the expeditious reorganization of Tronox and the implementation of the restructuring contemplated by the Plan, on and after the Effective Date, the Released Parties are deemed released and discharged by Tronox, Reorganized Tronox and the Estates from any and all Claims, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative Claims asserted or assertable on behalf of the Tronox Debtors, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity or otherwise, that Tronox, Reorganized Tronox, the Estates or their Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim or Equity Interest or other Entity, based on or relating to, or in any manner arising from, in whole or in part, Tronox, the Chapter 11 Cases, Tronox's restructuring, the purchase, sale or rescission of the purchase or sale of any Security of Tronox or Reorganized Tronox, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, the business or contractual arrangements between Tronox and any Released Party, the restructuring of Claims and Equity Interests prior to or in the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan, the Plan Supplement, the Equity Committee Disclosure Statement or related agreements, instruments or other documents, upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Confirmation Date, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes willful misconduct, gross negligence, breach of fiduciary duty or a criminal act to the extent such act or omission is determined by a Final Order to have constituted willful misconduct, gross negligence, breach of fiduciary duty or a criminal act.

The foregoing release shall not apply to any express contractual or financial obligations or any right or obligations arising under or that is part of the Plan or any agreements entered into pursuant to, in connection with or contemplated by the Plan.

D. Releases by Holders of Claims and Equity Interests.

As of the Effective Date, each Holder of a Claim or an Equity Interest (including, for the avoidance of doubt, all shareholders of Tronox Incorporated) shall be deemed to have conclusively, absolutely, unconditionally, irrevocably and forever released and discharged Tronox, Reorganized Tronox and the Released Parties from any and all Claims, Equity Interests, obligations, rights, suits, damages, causes of action, remedies and liabilities whatsoever, including any derivative Claims asserted on behalf of a debtor, whether known or unknown, foreseen or unforeseen, existing or hereafter arising, in law, equity or otherwise, that such entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, Tronox, Tronox's restructuring, the Chapter 11 Cases, the purchase, sale or rescission of the purchase or sale of any Security of Tronox or Reorganized Tronox, the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in the Plan, the business or contractual arrangements between Tronox and any Released Party, the restructuring of Claims and Equity Interests prior to or during the Chapter 11 Cases, the negotiation, formulation or preparation of the Plan, the Equity Committee Disclosure Statement, the Plan Supplement or related agreements, instruments or other documents, upon any other act or omission, transaction, agreement, event or other occurrence taking place on or before the Confirmation Date, other than Claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes willful misconduct, gross

negligence, breach of fiduciary duty or a criminal act to the extent such act or omission is determined by a Final Order to have constituted willful misconduct, gross negligence, breach of fiduciary duty or a criminal act.

Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release any post-Effective Date obligations of any party under the Plan or any document, instrument or agreement (including those set forth in the Plan Supplement) executed to implement the Plan. No Person shall be discharged, released or relieved from any liability with respect to the Pension Plan as a result of the Chapter 11 Cases or the Plan, nor shall the PBGC, the Pension Plan or any other Person be enjoined or precluded from enforcing any liability with respect to the Pension Plan as a result of the Chapter 11 Cases, the Plan's provisions or the Plan's Confirmation. Notwithstanding anything to the contrary in the foregoing, the release set forth above does not release the personal liability of any of the aforementioned Released Parties in this Article VIII for any statutory violation of applicable tax laws or bar any right of action asserted by a governmental taxing authority against the aforementioned Released Parties for any statutory violation of applicable tax laws.

E. Injunction.

Except as otherwise expressly provided in the Plan or for obligations issued pursuant to the Plan, all Entities who have held, hold or may hold Claims or Equity Interests that have been released pursuant to Article VIII.C or Article VIII.D of the Plan, discharged pursuant to Article VIII.A of the Plan or exculpated pursuant to Article VIII.F of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, Tronox, Reorganized Tronox or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of, in connection with or with respect to any such Claims or Equity Interests; (2) enforcing, attaching, collecting or recovering by any manner or means any judgment, award, decree or order against Tronox, Reorganized Tronox or the Released Parties on account of or in connection with or with respect to any such Claims or Equity Interests; (3) creating, perfecting or enforcing any encumbrance of any kind against Tronox, Reorganized Tronox or the Released Parties or the property or estates of Tronox, Reorganized Tronox or the Released Parties on account of or in connection with or with respect to any such Claims or Equity Interests; (4) asserting any right of setoff, subrogation or recoupment of any kind against any obligation due from Tronox, Reorganized Tronox or the Released Parties or against the property or Estates of Tronox, Reorganized Tronox or the Released Parties on account of or in connection with or with respect to any such Claims or Equity Interests unless such Holder has filed a motion requesting the right to perform such setoff on or before the Confirmation Date, and notwithstanding an indication in a Proof of Claim or Equity Interest or otherwise that such Holder asserts, has or intends to preserve any right of setoff pursuant to section 553 of the Bankruptcy Code or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of, in connection with or with respect to any such Claims or Equity Interests released or settled pursuant to the Plan.

F. Exculpation.

Upon and effective as of the Effective Date, the Equity Committee and Tronox and its directors, officers, employees, attorneys, investment bankers, financial advisors, restructuring consultants and other professional advisors and agents, together with the Exculpated Parties will all be deemed to have solicited acceptances of this Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code, including section 1125(e) of the Bankruptcy Code.

Except with respect to any acts or omissions expressly set forth in and preserved by the Plan, the Plan Supplement or related documents, the Exculpated Parties shall neither have nor incur any liability to any Entity for any prepetition or postpetition act taken or omitted to be taken in connection with, or arising from or relating in any way to, the Chapter 11 Cases, including the operation of Tronox's businesses during the pendency of the Chapter 11 Cases; formulating, negotiating, preparing, disseminating, implementing and/or effecting the Plan Equity Sponsor Agreement, the Replacement DIP Agreement, the Exit Credit Facility, the Equity Committee Disclosure Statement, the Rights Offering, the Rights Offering Procedures, and the Plan (including the Plan Supplement and any related contract, instrument, release or other

agreement or document created or entered into in connection therewith); the solicitation of votes for the Plan and the pursuit of Confirmation and Consummation of the Plan; the administration of the Plan and/or the property to be distributed under the Plan; the offer and issuance of any securities under the Plan; and any other prepetition or postpetition act taken or omitted to be taken in connection with or in contemplation of the restructuring of Tronox. In all respects, each Exculpated Party shall be entitled to rely upon the advice of counsel concerning his, her or its respective duties under, pursuant to or in connection with the Plan.

Notwithstanding anything herein to the contrary, nothing in the foregoing “Exculpation” shall (1) exculpate any Person or Entity from any liability resulting from any act or omission constituting fraud, willful misconduct, gross negligence, criminal conduct, malpractice, misuse of confidential information that causes damages or ultra vires act as determined by a Final Order or (2) limit the liability of the professionals of the Exculpated Parties to their respective clients pursuant to N.Y. Comp. Codes R. & Regs. tit. 22 § 1200.8 Rule 1.8(h)(1) (2009).

G. Standards Applicable to Releases.

Articles VIII.C and VIII.D of the Plan provide for release of certain claims against non-debtors in consideration of services provided to the Estates and the settlements, compromises and/or investments made by the non-debtor Released Parties. The non-debtor Released Parties are (a) Reorganized Tronox (b) the current directors and officers of the Tronox Debtors in place immediately before the Effective Date; (c) all current and former members of the Creditors’ Committee; (d) the Plan Equity Sponsors; (e) the agents and lenders under each of the Prepetition Facilities, the Original DIP Facility and the Replacement DIP Facility solely in connection with such facilities; (f) the Environmental Response Trustee; (g) all current and former members of the Equity Committee; (h) with respect to each of the foregoing Entities in clauses (a) through (g), such Entities’ subsidiaries, affiliates, members, officers, directors, managing directors, managers, controlling persons, agents, financial advisors, accountants, investment bankers, consultants, attorneys, employees, partners, affiliates and representatives, in each case, only in their capacity as such; (h) the Nevada Parties; and (i) the United States and its agents, attorneys and financial advisors. The releases are given by (x) Tronox; (y) all Holders of Claims and Equity Interests against Tronox who vote to accept the Plan (or who are deemed to have accepted the Plan); and (z) to the greatest extent permitted under applicable law, a Holder of a Claim or Equity Interest against Tronox who does not vote to accept the Plan. The released claims are any and all claims or causes of action, including those in connection with, related to or arising out of the Chapter 11 Cases.

The United States Court of Appeals for the Second Circuit has determined that releases of non-debtors may be approved as part of a chapter 11 plan of reorganization if there are “unusual circumstances” that render the release terms important to the success of the plan. Deutsche Bank AG v. Metromedia Fiber Network Inc. (In re Metromedia Fiber Network, Inc.), 416 F.3d 136, 143 (2d Cir. 2005). Courts have approved releases of non-debtors when, for example, (a) the estate received substantial consideration; (b) the enjoined claims were channeled to a settlement fund rather than extinguished; (c) the enjoined claims would indirectly impact the reorganization by way of indemnity or contribution; (d) the plan otherwise provided for the full payment of the enjoined claims; and (e) the affected creditors consented to the release. Id. at 142.

Before a determination can be made as to whether releases are appropriate as warranted by “unusual circumstances,” the United States Court of Appeals for the Second Circuit has concluded that there is a threshold jurisdictional inquiry as to whether the Bankruptcy Court has subject matter jurisdiction to grant such releases. In re Johns-Manville Corp., 517 F.3d 52, 65 (2d Cir. 2008); see also In re Dreier LLP, 429 B.R. 112, 132 (Bankr. S.D.N.Y. 2010) (finding no jurisdiction to approve releases of claims that did not affect the estate); In re Metcalf & Mansfield Alternative Investments, 421 B.R. 685, 695 (Bankr. S.D.N.Y. 2010) (discussing and approving releases in a case under chapter 15 of the Bankruptcy Code). Courts have jurisdiction over a third party cause of action or claim if it will “directly and adversely impact the reorganization.” Dreier, 429 B.R. at 132. Conversely, the court may lack jurisdiction if the releases claim is one that would “not affect the property of the estate or the administration of the estate.” Id. at 133. Here, all of the released claims would “directly and adversely impact the reorganization” of Tronox’s estates. Each of the entities and individuals granted a release under the Plan would have a potential claim for indemnification and/or contribution against Tronox for any liabilities incurred on such claims, as well as any expenses incurred to defend against such claims. Satisfying such claims would reduce the equity value of Reorganized Tronox and thus would reduce recoveries for Holders of Claims and Equity Interests.

Tronox's estates therefore would be directly and adversely impacted if the released claims were pursued, and the Bankruptcy Court has jurisdiction to approve them as part of the Plan.

The circumstances of Tronox's chapter 11 cases are unique and satisfy the Metromedia requirements. Tronox's Chapter 11 Cases are notable for their complexity and for the number of stakeholders with divergent interests involved. In addition, the Plan includes one of the largest environmental settlements in history. In short, the standalone reorganization embodied by the Plan is a result far better than predicted or anticipated when Tronox commenced the Chapter 11 Cases. The non-debtors receiving the releases have provided substantial consideration to the Estates the inclusion of the non-debtor releases in the Plan is an important element of the consideration provided by these parties. The recipients of the releases would have potential claims for indemnification and/or contribution against Tronox. Because the Plan provides a substantial recovery for Holders of Claims and a potential recovery for Holders of Interests, the releases are appropriate under the Metromedia decision and other case law.

H. Rights of Internal Revenue Service.

Notwithstanding any provision to the contrary in the Plan, the Confirmation Order or the implementing Plan documents: (1) the rights of the Internal Revenue Service to setoff and recoupment shall be preserved; and (2) nothing in Article VIII.D shall constitute a release of the Internal Revenue Service's claims, if any, against the Released Parties and nothing shall affect the ability of the Internal Revenue Service to pursue, to the extent allowed by non-bankruptcy law, any non-debtors for any liabilities that may be related to any federal tax liabilities owed by Tronox and Reorganized Tronox.

I. Retention of Jurisdiction by the Bankruptcy Court.

After the Effective Date, the Bankruptcy Court will retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Equity Committee Plan (except as otherwise set forth in any related agreements, documents, instruments, or contracts executed or entered into in connection with the Equity Committee Plan in which case the governing law of such agreement shall control). In particular, the Bankruptcy Court will keep exclusive jurisdiction to:

- Determine any disputes regarding any claim or interest against Tronox;
- Resolve any matters related to any executory contract or unexpired lease to which Tronox is party;
- Ensure that distributions to holders of allowed Claims and Equity Interests are accomplished pursuant to the provisions of the Equity Committee Plan;
- Adjudicate, decide, or resolve any contested or litigated matters, and any other matters, and grant or deny any applications involving Tronox that may be pending on the Effective Date;
- Adjudicate, decide, or resolve any and all matters related to any causes of action, including those based in whole or in part on events occurring before or after Tronox filed for bankruptcy;
- Enter and implement such orders as may be necessary or appropriate to consummate the Equity Committee Plan and all documents created in connection with the Equity Committee Plan or this Equity Committee Disclosure Statement;
- Enter an order or final decree concluding or closing the Chapter 11 Cases; and
- Adjudicate any and all disputes arising from or relating to distributions under the Equity Committee Plan.

This list of matters over which the Bankruptcy Court will retain exclusive jurisdiction following the Confirmation is not exhaustive. For a full list of the matters over which the Bankruptcy Court retains jurisdiction after the Confirmation Hearing, please see Article XI of the Equity Committee Plan annexed hereto as Exhibit A.

J. *Miscellaneous Provisions.*

After the Effective Date, Tronox has authority to send a notice to Entities providing that to continue to receive documents pursuant to Bankruptcy Rule 2002, such Entity must file a renewed request to receive documents pursuant to Bankruptcy Rule 2002. After the Effective Date, Tronox is authorized to limit the list of Entities receiving documents pursuant to Bankruptcy Rule 2002 to those Entities who have filed such renewed requests.

(viii) *Term of Injunctions or Stays.*

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

(ix) *Entire Agreement.*

Except as otherwise indicated, the Plan, the Plan Supplement and all exhibits thereto supersede all previous and contemporaneous negotiations, promises, covenants, agreements, understandings and representations on such subjects, all of which have become merged and integrated into the Plan and the Plan Supplement.

(x) *Exhibits.*

All exhibits and documents included in the Plan Supplement are incorporated into and are a part of the Plan as if set forth in full in the Plan. After the exhibits and documents are filed, copies of such exhibits and documents shall be available upon written request to Tronox's counsel at the address above or by downloading such exhibits and documents from the website of Tronox's notice and claims agent at <http://www.kccllc.net/tronox> or the Bankruptcy Court's website at www.nysb.uscourts.gov. To the extent any exhibit or document is inconsistent with the terms of the Plan, unless otherwise ordered by the Bankruptcy Court, the non-exhibit or non-document portion of the Plan shall control.

(xi) Nonseverability of Plan Provisions.

If, prior to Confirmation, any term or provision of the Plan is held by the Bankruptcy Court to be invalid, void or unenforceable, the Bankruptcy Court shall have the power to alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan will remain in full force and effect and will in no way be affected, impaired, or invalidated by such holding, alteration, or interpretation. The Confirmation Order shall constitute a judicial determination and shall provide that each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is: (1) valid and enforceable pursuant to its terms; (2) integral to the Plan and may not be deleted or modified without the Equity Committee's consent; and (3) nonseverable and mutually dependent.

(xii) Votes Solicited in Good Faith.

Upon entry of the Confirmation Order, the Equity Committee will be deemed to have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code, and pursuant to section 1125(e) of the Bankruptcy Code, Tronox and each of its Affiliates, agents, representatives, members, principals, shareholders, officers, directors, employees, advisors and attorneys will be deemed to have participated in good faith and in compliance with the Bankruptcy Code in the offer and issuance of Securities Distributed under the Plan and any previous plan, and, therefore, such parties, individuals and Reorganized Tronox will not have any liability for the violation of any applicable law, rule or regulation governing the solicitation of votes on the Plan or the offer and issuance of the Securities offered and Distributed under the Plan and any previous plan.

(xiii) Waiver or Estoppel.

Each Holder of a Claim or an Equity Interest shall be deemed to have waived any right to assert any argument, including the right to argue that its Claim or Equity Interest should be Allowed in a certain amount, in a certain priority, Secured or not subordinated by virtue of an agreement made with Tronox, its counsel or any other Entity, if such agreement was not disclosed in the Plan, the Disclosure Statement or papers filed with the Bankruptcy Court prior to the Confirmation Date.

(xiv) Conflicts.

Except as set forth in the Plan, to the extent that any provision of the Equity Disclosure Statement, the Plan Supplement or any other order (other than the Confirmation Order) referenced in the Plan (or any exhibits, schedules, appendices, supplements or amendments to any of the foregoing), conflict with or are in any way inconsistent with any provision of the Plan, the Plan shall govern and control.

XXI ~~XX~~ RISK FACTORS

Holders of Claims should read and consider carefully the risk factors set forth below, as well as the other information set forth in this Disclosure Statement, the Debtors' Disclosure Statement and the documents delivered together herewith, referred to or incorporated by reference herein, prior to voting to accept or reject the Equity Committee Plan. Although these risk factors are many, these factors should not be regarded as constituting the only risks present in connection with Tronox' businesses or the Equity Committee Plan and its implementation.

A. *Classes 3, 4, 5, 6, 7 and 8 may vote to reject the Equity Committee Plan.*

Pursuant to section 1126(c) of the Bankruptcy Code, section 1129(a)(7)(A)(i) of the Bankruptcy Code will be satisfied with respect to Classes 3, 4, 5, 6 and 7 if at least two-thirds in amount and more than one-half in number of the Allowed Claims that vote in such Class, vote to accept the Equity Committee Plan. Pursuant to section 1126(d) of the Bankruptcy Code, section 1129(a)(7)(A)(i) of the Bankruptcy Code will be satisfied with respect to Class 8 if at least two-thirds in amount of the Allowed Equity Stock Interests that vote in Class 8, vote to accept the Equity Committee Plan. There is no guarantee that the Equity Committee will receive the necessary acceptances

from Holders of Claims in Classes 3, 4, 5, 6, ~~7~~ or ~~8~~. If all of Classes 3, 4, 5, 6, ~~7~~ and ~~8~~ vote to reject the Equity Committee Plan, the Equity Committee may elect to amend the Equity Committee Plan with the reasonable consent of the Exit Facility Lender, and Plan Equity Sponsors, and seek Confirmation regardless of the rejection.

The Equity Committee reserves the right to challenge allowance and amount of any Claims, including the Environmental Claims or Tort Claims, and to alter their treatment under the Plan, in order to demonstrate that such Claims are unimpaired or otherwise are being treated fairly and equitably under the Plan. The settlements proposed herein, including the contribution of interests in the Anadarko Litigation Trust, Cash or other assets to the respective Classes may be removed or otherwise altered to be consistent with such revised treatment. While proofs of claim have been filed, and some objected to, many of the Holders of Environmental Claims and Tort Claims have not been required to substantiate the amount of their Claims, and the Equity Committee believes that there are legal challenges to the allowance of such Claims. Additionally, there have been no specific estimates made with respect to the value of the consideration being provided the Holders of Environmental Claims under the Debtors' Plan or the Equity Committee Plan. The Equity Committee submits that there is significant value being provided to such claimants through the distribution of interests in the Anadarko Litigation Trust pursuant to the Equity Committee Plan. The value of such interests may need to be determined or estimated as part of any litigation with respect to the treatment of the Environmental or Tort Claims should any Class vote to reject the Plan. However, the Equity Committee believes settlement of the Environmental and Tort Claims as contemplated in the Equity Committee Plan is fair and equitable and reasonable in light of risks of litigation with respect to such Claims.

B. ***There is a risk that the Equity Committee will not be able to confirm the Plan over the objection of Classes 3, 4, 5, 6, or 7.***

If any of Classes 3, 4, 5, 6, or 7 vote to reject the Equity Committee Plan, the Equity Committee Plan can be confirmed only if it satisfies the “cramdown” requirements of the Bankruptcy Code. In order to satisfy this requirement, the Equity Committee must establish that the dissenting class of creditors has received payment in full before the holders of Equity Stock Interests in Class 8 may receive a recovery under the Plan. The Equity Committee believes the Equity Committee Plan satisfies all of the requirements of the Bankruptcy Code. As part of the confirmation process, however, it is likely that the Debtors, the Equity Committee and other parties, including the Ad Hoc Bondholders, will enter into litigation as to whether the Equity Committee Plan satisfies the cramdown requirements of the Bankruptcy Code. There is a risk that the Bankruptcy Court will that the Equity Committee Plan does not satisfy such requirements, which would impair the Equity Committee’s ability to confirm the Equity Committee Plan.

C. ***There is a risk that the Equity Committee will not be able to secure sufficient Exit Financing to fund the Equity Committee Plan.***

The Equity Committee’s financial advisors have held discussions with a number of major, established, global investment banks relating to the financing of an Equity Committee plan of reorganization. Each of these investment banks has significant asset-based lending, syndicated loan and high yield financing capabilities. Pursuant to the execution of confidentiality agreements with the Debtors, these investment banks have been provided access to certain confidential information relating to, among other things, the Debtors’ financial results and projections. The Equity Committee expects to have fully committed exit financing (the “Exit Financing”) prior to Confirmation. However, there can be no guaranty that the Equity Committee will be able to secure such Exit Financing on terms and conditions acceptable to the Equity Committee and Required Plan Equity Sponsors. In that event, there would be insufficient financing to fund the Equity Committee Plan and the Plan may not be confirmable.

D. ***There is a risk that one or more of the Plan Equity Sponsors may not fund the Plan Equity Sponsor Agreement.***

The Plan Equity Sponsor Agreement is subject to certain terms and conditions including the entry by the Bankruptcy Court of the Approval Order. There can be no guaranty that the Equity Committee will be able to satisfy such terms and conditions such that the Plan Equity Sponsors shall not be obligated to provide the commitment or funds contemplated by the Plan Equity Sponsor Agreement. The Plan Equity Sponsor Agreement, while executed by each of the Plan Equity Sponsors, has not been executed by the Debtors. Any or all of the Plan

Equity Sponsors may seek to rescind the Plan Equity Sponsor Agreement with respect to their signature. Additionally, if the Approval Order is not entered prior to solicitation of either the Debtors' plan of reorganization or this Plan, the Plan Equity Sponsors shall not be obligated to backstop the Rights Offering. If this occurs, and the Equity Committee is unable to replace the amount of such commitment, then the Equity Committee may not be in a position to proceed with a fully backstopped Rights Offering. Accordingly, there may be no guaranty that the entire amount contemplated by the Rights Offering will be raised or that all of the cash necessary to fund the Equity Committee Plan will be available.

E. ~~**D.**~~ *The conditions precedent to the Confirmation and Consummation of the Equity Committee Plan may not occur.*

As more fully set forth in Article IX of the Equity Committee Plan, the occurrence of Confirmation of the Equity Committee Plan and the Effective Date are each subject to a number of conditions precedent. If the conditions precedent to Confirmation are not satisfied or waived, then the Equity Committee Plan will not be confirmed; and if the conditions precedent to the Effective Date are not satisfied or waived, the Effective Date will not take place. In the event that the Equity Committee Plan is not confirmed or is not consummated, Tronox may amend the Equity Committee Plan and seek confirmation of the amended Equity Committee Plan.

However, if Tronox does not secure sufficient working capital to continue its operations or if the revised Equity Committee Plan is not confirmed, Tronox may be forced to go out of business and proceed with a liquidation of its assets. While the Liquidation Analysis indicates that some Holders of Claims would receive a partial recovery, it also demonstrates that Holders of Claims and Equity Interests would receive no recovery in a hypothetical chapter 7 liquidation. For a more detailed description of the consequences of a liquidation scenario, see the Liquidation Analysis attached to the Debtors' Disclosure Statement as Exhibit E.

F. ~~**E.**~~ *The aggregate amount of Allowed General Unsecured claims (excluding the Unsecured Notes claim) and Allowed Indirect Environmental Claims could exceed certain limits.*

Please refer to Article VII.A.(iii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

G. ~~**F.**~~ *Tronox may be unable to meet certain minimum liquidity requirements.*

Please refer to Article VII.A.(iv) of the Debtors' Disclosure Statement for further information regarding this risk factor.

H. ~~**G.**~~ *Tronox may be unable to transfer certain of the Nevada Assets.*

Please refer to Article VII.A.(v) of the Debtors' Disclosure Statement for further information regarding this risk factor.

I. ~~**H.**~~ *Tronox may seek to accomplish an alternative chapter 11 plan.*

Please refer to Article VII.A.(vi) of the Debtors' Disclosure Statement for further information regarding this risk factor.

J. ~~**I.**~~ *Tronox will be seeking confirmation of the Debtors' Plan.*

Even if votes are received in number and amount sufficient to enable the Bankruptcy Court to confirm the Equity Committee Plan, Tronox intends to seek confirmation of the Debtors' Plan at confirmation. At the Confirmation Hearing, the Bankruptcy Court will be asked to consider both plans and make a determination after hearing evidence on the appropriate enterprise valuation for the Debtors. If the Bankruptcy Court does not find the enterprise value to be in the range advocated by the Equity Committee, the Equity Committee Plan may not be confirmable unless the Equity Committee can demonstrate that the senior classes of creditors have all had their claims satisfied in full. In the event that sufficient votes are not received, the Equity Committee may seek to

accomplish an alternative chapter 11 plan and may challenge certain claims. There can be no assurance the Equity Committee will be successful in confirming its Chapter 11 Plan. If the Equity Plan is not confirmed, the holders of Equity Stock Interests may not receive any recovery and holders of Allowed General Unsecured Claims may receive a substantially reduced recovery. For risks relating to the Debtors' ability to confirm the Debtors' Plan, please see the risk factors enumerated in the Debtors' Disclosure Statement at Article VII.A.

K. ~~J.~~ *Nonconsensual confirmation of the Equity Committee Plan may be necessary.*

In the event that any impaired class of claims or equity interests does not accept a chapter 11 plan, a bankruptcy court may nevertheless confirm such a plan at the proponents' request if at least one impaired class has accepted the plan (with such acceptance being determined without including the vote of any "insider" in such class), and, as to each impaired class that has not accepted the plan, the bankruptcy court determines that the plan "does not discriminate unfairly" and is "fair and equitable" with respect to the dissenting impaired classes. The Equity Committee believes that the Equity Committee Plan satisfies these requirements, and the Equity Committee may request such nonconsensual confirmation in accordance with subsection 1129(b) of the Bankruptcy Code. Nevertheless, there can be no assurance that the Bankruptcy Court will reach this conclusion.

L. ~~K.~~ *The Bankruptcy Court may reject the Equity Committee's valuation of Reorganized Tronox.*

As discussed herein, the Equity Committee supports a total enterprise value of Reorganized Tronox as of the Effective Date in the range of \$1.2 to \$1.3 billion, with a mid-point valuation of \$1.25 billion. As part of the confirmation process, it is likely that the Debtors, the Equity Committee and other parties, including the Ad Hoc Bondholders, will enter into litigation as to the appropriate valuation of Reorganized Tronox, the outcome of which is uncertain. There is a risk that the Bankruptcy Court will conclude that the value of Reorganized Tronox is less than \$1.15 billion, which would impair the Equity Committee's ability to confirm the Equity Committee Plan and may result in little or no recovery to Holders of Equity Stock Interests.

M. ~~L.~~ *Tronox may object to the amount or classification of a claim.*

Please refer to Article VII.A.(viii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

N. ~~M.~~ *Tronox may not be able to achieve its projected financial results.*

Please refer to Article VII.B.(i) of the Debtors' Disclosure Statement for further information regarding this risk factor.

O. ~~N.~~ *A liquid trading market for the New Common Stock is unlikely to develop.*

A liquid trading market for the New Common Stock is unlikely to develop. As of the Effective Date, the New Common Stock will not be listed for trading on any stock exchange or trading system. Consequently, the trading liquidity of the New Common Stock will be limited. The future liquidity of the trading market for the New Common Stock will depend, among other things, upon the number of Holders of New Common Stock, and whether the stock is listed for trading on an exchange.

The Plan Equity Sponsor Agreement contains a covenant for Tronox to use commercially reasonable efforts to seek registration of the New Common Stock. If Tronox is found to fail to comply with this covenant, it may not meet the conditions required for the Plan Equity Sponsors to backstop the Rights Offering.

P. ~~O.~~ *No distributions may be made from the Anadarko Litigation Trust if Tronox is not successful in the Anadarko Litigation.*

Please refer to Article VII.B.(iii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

Q. ~~P.~~ *The Rights Offering may not be fully funded.*

The Equity Committee is relying on the \$185 million in proceeds received from the Rights Offering to fund Tronox's obligations under the Equity Committee Plan. As such, a condition precedent to the Effective Date of the Equity Committee Plan is that the Rights Offering is consummated and fully funded. The Plan Equity Sponsors have entered into the Plan Equity Sponsor Agreement (described in Article V above) in which the Plan Equity Sponsors agreed to backstop the Rights Offering. However there are certain conditions precedent in the Plan Equity Sponsor Agreement that must be met, including that the Approval Order be entered prior to solicitation of either the Debtors' plan of reorganization or this Plan. If the Tronox Debtors and the Equity Committee are not able to meet these conditions, the Plan Equity Sponsors shall not be obligated to backstop the Rights Offering and may decide not to backstop the Rights Offering and the Equity Committee and the Debtors will not be able to effectuate the Equity Committee Plan.

R. ~~Q.~~ *The labor and employment laws in many jurisdictions in which Tronox operates are more restrictive than in the United States. Tronox's relationship with its employees could deteriorate, which could adversely affect their operations.*

Please refer to Article VII.C.(i) of the Debtors' Disclosure Statement for further information regarding this risk factor.

S. ~~R.~~ *Interruptions of operations at Tronox's facilities may result in liabilities or lower operating results.*

Please refer to Article VII.C.(ii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

T. ~~S.~~ *Violations or noncompliance with the extensive environmental, health and safety laws and regulations to which Tronox is subject could result in unanticipated loss or liability.*

Please refer to Article VII.C.(iii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

U. ~~T.~~ *Tronox may need additional capital in the future and may not be able to obtain it on favorable terms, if at all.*

Please refer to Article VII.C.(iv) of the Debtors' Disclosure Statement for further information regarding this risk factor.

V. ~~U.~~ *Market conditions and cyclical factors that adversely affect the demand for the end-use products that contain the Tronox's titanium dioxide could adversely affect Tronox's results.*

Please refer to Article VII.C.(v) of the Debtors' Disclosure Statement for further information regarding this risk factor.

W. ~~V.~~ *The business, financial condition and results of operations of Tronox could be adversely affected by global and regional economic downturns and other conditions.*

Please refer to Article VII.C.(vi) of the Debtors' Disclosure Statement for further information regarding this risk factor.

X. ~~W.~~ *The results of Tronox's operations may be adversely affected by fluctuations in currency exchange rates.*

Please refer to Article VII.C.(vii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

Y. ~~X.~~ Tronox's industry and the end-use markets in which they compete are highly competitive. This competition may adversely affect the Tronox Debtors' results of operations and operating cash flows.

Please refer to Article VII.C.(viii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

Z. ~~Y.~~ Fluctuations in costs of Tronox's raw materials or its access to supplies of its raw materials could have an adverse effect on its results of operations.

Please refer to Article VII.C.(ix) of the Debtors' Disclosure Statement for further information regarding this risk factor.

AA. ~~Z.~~ Third parties may develop new intellectual property rights for new processes and/or products that Tronox would want to use, but would be unable to do so; or, third parties may claim that the products Tronox makes or the processes Tronox uses infringe their intellectual property rights, which may cause Tronox to pay unexpected litigation costs or damages or prevent the Tronox Debtors from making, using or selling the products the Tronox Debtors make or require the Tronox Debtors to alter the processes they use.

Please refer to Article VII.C.(x) of the Debtors' Disclosure Statement for further information regarding this risk factor.

BB. ~~AA.~~ If the Tronox Debtors are not able to continue their technological innovation and successful commercial introduction of new products, their profitability could be adversely affected.

Please refer to Article VII.C.(xi) of the Debtors' Disclosure Statement for further information regarding this risk factor.

CC. ~~BB.~~ If the Tronox Debtors' intellectual property were compromised or copied by competitors, or if competitors were to develop similar intellectual property independently, their results of operations could be negatively affected.

Please refer to Article VII.C.(xii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

DD. ~~CC.~~ Shared control of the Tronox Debtors' joint venture may delay decisions or actions important for operations.

Please refer to Article VII.C.(xiii) of the Debtors' Disclosure Statement for further information regarding this risk factor.

EE. ~~DD.~~ Exxaro may assert a right of first refusal over the assets owned by Tronox in the joint venture.

Please refer to Article VII.C.(xiv) of the Debtors' Disclosure Statement for further information regarding this risk factor.

EE. ~~EE.~~ If the Tronox Debtors do not invest in the joint venture, certain negative implications may result.

Please refer to Article VII.C.(xv) of the Debtors' Disclosure Statement for further information regarding this risk factor.

GG. ~~FF.~~ *The Tronox Debtors' business will suffer if certain key officers or employees discontinue employment with them.*

Please refer to Article VII.C.(xvi) of the Debtors' Disclosure Statement for further information regarding this risk factor.

XXII. ~~XXI.~~ **IMPORTANT SECURITIES LAWS DISCLOSURE**

Under the Plan, shares of New Common Stock will be distributed to Holders of Claims in Classes 3 and 6, and New Warrants (together with the New Common Stock, the "Plan Securities") will be issued to the Holders of Equity Interests in Class 8.

Reorganized Tronox and Tronox will rely on section 1145 of the Bankruptcy Code to exempt from the registration requirements of the Securities Act the offer and distribution of the Plan Securities and any New Common Stock issued pursuant to the terms thereof, other than the New Common Stock issued pursuant to the Plan Equity Sponsor Agreement. Section 1145(a)(1) of the Bankruptcy Code exempts the offer and sale of securities under a plan of reorganization from registration under Section 5 of the Securities Act and state laws when such securities are to be exchanged for claims or principally in exchange for claims and partly for cash. In general, securities issued under section 1145 of the Bankruptcy Code may be resold without registration unless the recipient is an "underwriter" with respect to those securities. Section 1145(b)(1) of the Bankruptcy Code defines an "underwriter" as any person who:

- purchases a claim against, an interest in or a claim for an administrative expense against the debtor, if that purchase is with a view to distributing any security received in exchange for such a claim or interest;
- offers to sell securities offered under a plan of reorganization for the holders of those securities;
- offers to buy those securities from the holders of the securities, if the offer to buy is (i) with a view to distributing those securities; and (ii) under an agreement made in connection with the plan of reorganization, the completion of the plan of reorganization or with the offer or sale of securities under the plan of reorganization; or
- is an issuer with respect to the securities, as the term "issuer" is defined in Section 2(a)(11) of the Securities Act.

To the extent that persons who receive the Plan Securities are deemed to be "underwriters," resales by those persons would not be exempted from registration under the Securities Act or other applicable law by section 1145 of the Bankruptcy Code. Those persons would, however, be permitted to sell New Common Stock or other securities without registration if they are able to comply with the provisions of Rule 144 under the Securities Act, as described further below.

You should confer with your own legal advisors to help determine whether or not you are an "underwriter."

Under certain circumstances, Holders of New Common Stock deemed to be "underwriters" may be entitled to resell their securities pursuant to the limited safe harbor resale provisions of Rule 144 of the Securities Act, to the extent available and in compliance with applicable state securities laws. Generally, Rule 144 of the Securities Act provides that persons who are affiliates of an issuer who resell securities will not be deemed to be underwriters if certain conditions are met. These conditions include the requirement that current public information with respect to the issuer be available, a limitation as to the amount of securities that may be sold, the requirement that the securities be sold in a "brokers' transaction" or in a transaction directly with a "market maker" and that notice of the resale be filed with the SEC.

Recipients of Plan Securities issued pursuant to Section 4(2) of the Securities Act of 1933, as amended, may be able to resell their securities freely within six months from the issuance thereof.

XXIII. ~~XXII.~~ CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN

The following discussion summarizes certain federal income tax consequences of the Plan to Tronox, the Tort Claims Trust, the Anadarko Litigation Trust, and the Holders of Claims and Equity Interests, based upon the Internal Revenue Code of 1986, as amended (the “IRC”), Treasury regulations promulgated thereunder, judicial authorities and current administrative rulings and practices now in effect, all of which are subject to change at any time by legislative, judicial or administrative action. Any such change could be retroactively applied in a manner that could adversely affect Tronox, the Tort Claims Trust, the Anadarko Litigation Trust, and Holders of Claims and Equity Interests. In particular, some of the consequences discussed herein are based on Treasury regulations or IRS Notices that have been proposed but not finalized, which regulations are particularly susceptible to change at any time.

The tax consequences of certain aspects of the Plan are uncertain due to the lack of applicable legal authority and may be subject to administrative or judicial interpretations that differ from the discussion below. Tronox has not requested, nor does it intend to request, a tax ruling from the Internal Revenue Service (the “IRS”). Consequently, there can be no assurance that the treatment set forth in the following discussion will be accepted by the IRS. Further, the federal income tax consequences to Tronox, the Tort Claims Trust the Anadarko Litigation Trust, and Holders of Claims and Equity Interests is uncertain and may be affected by matters not discussed below. For example, the following discussion does not address state, local or foreign tax considerations that may be applicable and the discussion does not address the tax consequences of the Plan to certain types of Holders of Claims, creditors and stockholders (including foreign persons, financial institutions, life insurance companies, tax-exempt organizations and taxpayers who may be subject to the alternative minimum tax) who may be subject to special rules not addressed herein.

THE DISCUSSION SET FORTH BELOW IS INCLUDED FOR GENERAL INFORMATION ONLY. THE PLAN PROPONENTS AND THEIR COUNSEL AND FINANCIAL ADVISORS ARE NOT MAKING ANY REPRESENTATIONS REGARDING THE PARTICULAR TAX CONSEQUENCES OF CONFIRMATION AND CONSUMMATION OF THE PLAN, NOR ARE THEY RENDERING ANY FORM OF LEGAL OPINION OR TAX ADVICE ON SUCH TAX CONSEQUENCES. THE TAX LAWS APPLICABLE TO CORPORATIONS IN BANKRUPTCY ARE EXTREMELY COMPLEX, AND THE FOLLOWING SUMMARY IS NOT EXHAUSTIVE. HOLDERS OF CLAIMS ARE STRONGLY URGED TO CONSULT THEIR TAX ADVISORS REGARDING TAX CONSEQUENCES OF THE PLAN, INCLUDING U.S. FEDERAL, STATE AND LOCAL AND FOREIGN TAX CONSEQUENCES.

INTERNAL REVENUE SERVICE CIRCULAR 230 DISCLOSURE: TO ENSURE COMPLIANCE WITH REQUIREMENTS IMPOSED BY THE INTERNAL REVENUE SERVICE, ANY TAX ADVICE CONTAINED IN THIS DISCLOSURE STATEMENT (INCLUDING ANY ATTACHMENTS) IS NOT INTENDED OR WRITTEN TO BE USED, AND CANNOT BE USED, BY ANY TAXPAYER FOR THE PURPOSE OF AVOIDING TAX-RELATED PENALTIES UNDER THE INTERNAL REVENUE CODE. TAX ADVICE CONTAINED IN THIS DISCLOSURE STATEMENT (INCLUDING ANY ATTACHMENTS) IS WRITTEN TO SUPPORT THE PROMOTION AND MARKETING OF THE TRANSACTIONS OR MATTERS ADDRESSED BY THIS DISCLOSURE STATEMENT. EACH TAXPAYER SHOULD SEEK ADVICE BASED ON THE TAXPAYER’S PARTICULAR CIRCUMSTANCES FROM AN INDEPENDENT TAX ADVISOR.

(vi) Consequences to Holders of Class 8-Equity Stock Interests in Tronox Incorporated

Holders of Equity Stock Interests in Tronox Incorporated will receive New Warrants and, in the case of Eligible Holders, the right to participate in the Rights Offering (the “Stock Rights”). Holders of such Equity Interests will therefore not recognize any gain or loss with respect to such exchange, but will instead be treated as having exchanged their stock for warrants and, in the case of Eligible Holders, stock rights in a tax-free reorganization. A Holder’s tax basis in its New Warrants and any Stock Rights will be the same tax basis that such Holder had in its Tronox Incorporated Equity Stock Interest, and the Holder will have a holding period in such New Warrants and any such Stock Rights that includes the period that such Holder held such Equity Stock Interest.

(vii) Consequences to Holders of Class 9-Other Equity Interests

Holders of Other Equity Interests in Tronox Incorporated shall receive no consideration under the Plan. In that case, such Holders would recognize a loss with respect to such Other Equity Interests in an amount equal to their tax basis in such Other Equity Interests. This loss would be a capital loss to the extent that such Holder held such Other Equity Interests as a capital loss, and would be a long-term capital loss if such Holder has held such Other Equity Interests for more than one year.

(viii) Treatment of the Environmental Response Trusts, the Tort Claims Trust and the Anadarko Litigation Trust

Please refer to Article IX.O.(vii) of the Debtors’ Disclosure Statement for further information regarding this aspect of the U.S. federal income tax consequences of the Plan.

(ix) Accrued but Untaxed Interest

Please refer to Article IX.O.(viii) of the Debtors’ Disclosure Statement for further information regarding this aspect of the U.S. federal income tax consequences of the Plan.

HOLDERS SHOULD CONSULT THEIR OWN TAX ADVISORS CONCERNING THE ALLOCATION OF CONSIDERATION RECEIVED IN SATISFACTION OF THEIR CLAIMS AND THE FEDERAL INCOME TAX TREATMENT OF ACCRUED BUT UNPAID INTEREST.

(x) Market Discount

Please refer to Article IX.O.(ix) of the Debtors’ Disclosure Statement for further information regarding this aspect of the U.S. federal income tax consequences of the Plan.

In addition, if (i) debt acquired with market discount is surrendered in a transaction in which gain or loss is not recognized, (ii) the Holder has not included the market discount in income as it accrued, and (iii) the property received in exchange has a tax basis determined in whole or in part by reference to the basis of the surrendered debt, then gain subsequently realized with respect to such property received will be ordinary income to the extent of any such accrued market discount on the surrendered debt.

B. Information Reporting and Backup Withholding

Please refer to Article IX.P of the Debtors’ Disclosure Statement for further information regarding this aspect of the U.S. federal income tax consequences of the Plan. The backup withholding rate is scheduled under current law to revert to 31% on January 1, 2011.

XXIV. ~~XXIII.~~ RECOMMENDATION

In the opinion of the Equity Committee, the Plan is preferable to the alternatives described in the Debtors' Disclosure Statement with respect to the Debtors' Plan because it provides for a larger distribution to Tronox's creditors and other stakeholders than would otherwise result from the Debtors' Plan or in a liquidation under chapter 7 of the Bankruptcy Code. Accordingly, the Equity Committee recommends that Holders of Claims and Equity Interests entitled to vote on the Equity Committee Plan support Confirmation of the Equity Committee Plan and vote to accept the Equity Committee Plan.

VALUATION ANALYSIS

Young & Partners LLC (“Young”), financial advisor to the Equity Committee, has performed an analysis of the estimated value of Reorganized Tronox on a going-concern basis.

In preparing its analysis, Young has, among other things: (i) reviewed certain recent publicly available financial results of Tronox; (ii) discussed with certain senior executives the current operations and prospects of Tronox; (iii) reviewed certain operating and financial forecasts prepared by Tronox, including the business projections provided by the senior executives of Tronox (the “Projections”); (iv) discussed with certain senior executives of Tronox key assumptions related to the Projections; (v) considered the market value of certain publicly-traded companies in businesses reasonably comparable to the operating businesses of Tronox; (vi) considered the value assigned to certain precedent transactions for businesses reasonably similar to Tronox; (vii) considered the reasonableness of conducting a discounted cash flow analysis based on the Projections, given the limited nature of the forecast period incorporated by the Projections; and (viii) conducted such other analyses as Young deemed necessary under the circumstances.

Young assumed, without independent verification, the accuracy, completeness and fairness of all of the financial and other information available to it from public sources or as provided by Tronox or its representatives. For the purposes of its valuation analysis, Young relied upon the Projections prepared by senior executives of Tronox, and assumed the Projections have been reasonably prepared on a basis reflecting Tronox’s best estimates and judgment as to future operating and financial performance. Young believes, however, that a number of the estimates provided in the Projections to be unduly conservative. Young did not make any independent evaluation of Tronox’s assets, nor did Young verify any of the information it reviewed. To the extent the valuation is dependent upon Reorganized Tronox’s achievement of the Projections, the valuation must be considered speculative. Young does not make any representation or warranty as to the fairness of the terms of the Plan.

In addition to the foregoing, Young relied upon the following assumptions with respect to the valuation of Tronox:

- Reorganized Tronox is successfully reorganized with an assumed emergence date of September 30, 2010;
- Reorganized Tronox is reorganized excluding its legacy environmental and tort liabilities;
- Excess cash accumulated prior to exit is used to fund Environmental Response Trusts and Tort Claims Trusts;
- Nevada Assets are contributed to the Environmental Response Trusts;
- Reorganized Tronox is able to recapitalize with adequate liquidity upon emergence from bankruptcy;
- Tronox funds an acquisition of an additional ownership stake at its Australian joint venture at exit;
- No significant disruption of operations (*e.g.*, no unanticipated customer losses or plant shutdowns); and
- Capital markets consistent with those that existed as of August 2010.

As a result of such analyses, review, discussions, considerations and assumptions, Young estimates the total enterprise value (“TEV”) of Reorganized Tronox at approximately **\$1,200 million to \$1,300 million, with a midpoint of \$1,250 million.**

The implied reorganized equity value ascribed in this analysis does not purport to be an estimate of the post-reorganization market trading value. Such trading value may be materially different from the implied reorganized equity value ranges associated with Young’s valuation analysis. Young’s estimate is based on economic, market, financial and other conditions as they exist, and on the information made available as of, the date of this Disclosure Statement. It should be understood that, although subsequent developments, before or after the

Confirmation Hearing, may affect Young's conclusions, Young does not have any obligation to update, revise or reaffirm its estimate. The summary set forth above does not purport to be a complete description of the analyses performed by Young. The preparation of an estimate involves various determinations as to the most appropriate and relevant methods of financial analysis and the application of these methods in the particular circumstances. The value of an operating business is subject to uncertainties and contingencies that are difficult to predict and will fluctuate with changes in factors affecting the financial conditions and prospects of such a business. As a result, the estimate of implied reorganized value set forth herein is not necessarily indicative of actual outcomes, which may be significantly more or less favorable than those set forth herein. In addition, estimates of implied reorganized value do not purport to be appraisals, nor do they necessarily reflect the values that might be realized if assets were sold. The estimates prepared by Young assume that Reorganized Tronox will continue as the owner and operator of its businesses and assets and that such assets are operated in accordance with Tronox's business plan. Depending on the results of Tronox's operations or changes in the financial markets, Young's valuation analysis as of the Effective Date may differ from that disclosed herein.

In addition, the valuation of newly issued securities, such as the New Common Stock, is subject to additional uncertainties and contingencies, all of which are difficult to predict. Actual market prices of such securities at issuance will depend upon, among other things, prevailing interest rates, conditions in the financial markets and other factors that generally influence the prices of securities. Actual market prices of such securities also may be affected by other factors not possible to predict. Accordingly, the implied reorganized equity value estimated by Young does not necessarily reflect, and should not be construed as reflecting, values that will be attained in the public or private markets.

THE FOREGOING VALUATION IS BASED UPON A NUMBER OF ESTIMATES AND ASSUMPTIONS THAT ARE INHERENTLY SUBJECT TO SIGNIFICANT UNCERTAINTIES AND CONTINGENCIES BEYOND THE CONTROL OF TRONOX OR REORGANIZED TRONOX. ACCORDINGLY, THERE CAN BE NO ASSURANCE THAT THE RANGES REFLECTED IN THE VALUATION WOULD BE REALIZED IF THE PLAN WERE TO BECOME EFFECTIVE, AND ACTUAL RESULTS COULD VARY MATERIALLY FROM THOSE SHOWN HERE.

THE ESTIMATED CALCULATION OF ENTERPRISE VALUE IS HIGHLY DEPENDENT UPON ACHIEVING THE FUTURE FINANCIAL RESULTS AS SET FORTH IN THE TRONOX'S PROJECTIONS, AS WELL AS THE REALIZATION OF CERTAIN OTHER ASSUMPTIONS, NONE OF WHICH ARE GUARANTEED AND MANY OF WHICH ARE OUTSIDE OF TRONOX'S CONTROL, AS FURTHER DISCUSSED IN ARTICLE XX, RISK FACTORS.

THE CALCULATIONS OF VALUE SET FORTH HEREIN REPRESENT ESTIMATED REORGANIZATION VALUES AND DO NOT NECESSARILY REFLECT VALUES THAT COULD BE ATTAINABLE IN PUBLIC OR PRIVATE MARKETS. THE ENTERPRISE VALUES STATED HEREIN DO NOT PURPORT TO BE AN ESTIMATE OF THE POST-REORGANIZATION ENTERPRISE VALUE. NO RESPONSIBILITY IS TAKEN BY YOUNG FOR CHANGES IN MARKET CONDITIONS AND NO OBLIGATIONS ARE ASSUMED TO REVISE THIS CALCULATION OF REORGANIZED TRONOX'S VALUE TO REFLECT EVENTS OR CONDITIONS THAT SUBSEQUENTLY OCCUR. THE CALCULATIONS OF VALUE DO NOT CONFORM TO THE UNIFORM STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE OF THE APPRAISAL FOUNDATION.
