DEFENDANTS' MOTION TO COMPEL PRODUCTION BY PLAINTIFF AND BRIEF IN SUPPORT

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are Northwest Senior Housing Corporation (1278) and Senior Quality Lifestyles Corporation (2669). The Debtors' mailing address is 8523 Thackery Street, Dallas, Texas 75225.

2306592310170000000000001

Adversary Defendants Intercity Investment Properties, Inc. ("ICI") and Kong Capital LLC ("Kong" and, with ICI, the "Defendants") hereby file their *Motion to Compel Production by Plaintiff* (this "Motion") pursuant to Fed. R. Civ. P. 37 and 45. In support of this Motion, the Defendants respectfully state as follows:

I. INTRODUCTION

1. This Motion seeks the Court's intervention to compel Northwest Senior Housing Corporation d/b/a Edgemere ("Plaintiff" or "Edgemere")[2] to produce three (3) categories of documents in response to the Defendants' discovery requests: (a) complete interrogatory responses, (b) subpoenaed non-privileged documents held by Sidley Austin LLP ("Sidley") and/or an updated privilege log, and (c) subpoenaed non-privileged documents held by Plaintiff that Plaintiff improperly withheld for privilege.

II. FACTUAL BACKGROUND

2. The Defendants issued their discovery requests to the Plaintiff on July 1, 2022. On August 5, 2022, Plaintiff produced its first set of documents in response to Defendants' discovery requests, and further acknowledged additional documents would need to be produced. On September 16, 2022, Plaintiff provided a privilege log and redaction log (the "Privilege Log" and the "Redaction Log," respectively), both of which were amended on September 26, 2022 (the "Amended Privilege Log" and the "Amended Redaction Log"), and Plaintiff produced a Second Amended Privilege Log on October 26, 2022 (the "Second Amended Privilege Log").[3] On

[2] At the time the underlying discovery was served, Edgemere was the Plaintiff. Leif M. Clark, in his capacity as Trustee of the Edgemere Litigation Trust, later was substituted for Edgemere as Plaintiff. Where relevant, references here to "Plaintiff" include Mr. Clark in his capacity as Trustee.

[3] The Second Amended Privilege Log and the Amended Redaction Log are attached hereto as Exhibits A and B, respectively.

November 16, 2022, Plaintiff produced a Supplemental Privilege Log (the "Supplemental Privilege Log") and on November 18, 2022, Plaintiff produced a Supplemental Redaction Log (the "Supplemental Redaction Log"),[4] on December 22, 2022, Plaintiff produced another Supplemental Privilege Log and Supplemental Redaction Log (the "Second Supplemental Privilege Log" and the "Second Supplemental Redaction Log,"[5] and, together with the Privilege Log, the Redaction Log, the Amended Privilege Log, the Amended Redaction Log, the Second Amended Privilege Log, the Supplemental Privilege Log, and the Supplemental Redaction Log, the "Privilege/Redaction Logs").

3. On June 28, 2022, the Defendants issued their Subpoena to Produce Documents, Information, or Objects and to Provide Deposition Testimony to Sidley Austin LLP (the "Sidley Subpoena"), to which Sidley responded on July 18, 2022. Sidley produced documents on July 21, 2022, produced a Privilege Log and Redaction Log on December 14, 2022, and then produced additional documents, with no supplemental privilege log, on August 22, 2023. Upon information and belief, Sidley withheld certain responsive documents pending Plaintiff's counsel's privilege review.

4. On December 29, 2022, the Court entered the *Order Granting in Part Defendants' Motion to Compel Plaintiff's Production of Documents* [Dkt. 262] (the "December 2022 Order"), which, among other things, ordered the Plaintiff to produce communications with Padic, Inc., the Debtor's private investigator.[6] On February 6, 2023, the Court entered the *Order Regarding*

[4] The Supplemental Privilege Log and the Supplemental Redaction Log are attached hereto as Exhibits C and D, respectively.

[5] The Second Supplemental Privilege Log and the Second Supplemental Redaction Log are attached hereto as Exhibits E and F, respectively.

[6] *See* December 2022 Order ("With respect to Defendants' request for withheld communications with Padic, Inc., Defendants' Motion is GRANTED and it is therefore ORDERED that Plaintiff produce the withheld

Court's in Camera *Review of Certain Documents in Connection with Plaintiff and Defendants' Motions to Compel Production* [Dkt. 303] (the "February 2023 Order"), which, among other things, ruled that communications between UMB Bank, N.A. ("UMB") and Plaintiff were not privileged and ordered the production of such communications.[7]

5. Pursuant to Rule 37(a)(1), Defendants' counsel ("LP") and Plaintiff's counsel ("Diamond McCarthy") have engaged in multiple meet-and-confer communications regarding the issues addressed herein (the "Meet and Confer Communications").[8] The parties remain at an impasse.

III. ARGUMENT

6. The relief sought here is governed by Fed. R. Civ. P. 37 and 45, made applicable to this proceeding by Fed. R. Bankr. P. 7037 and 9016. Pursuant to Rule 37(a)(3)(B), a party seeking discovery may move for an order compelling production against another party when the latter has failed to produce documents requested under Fed. R. Civ. P. 34. *See* Fed. R. Civ. P. 37(a)(3)(B)(iv). For purposes of Rule 37(a), "an evasive or incomplete disclosure, answer, or response must be treated as a failure to disclose, answer, or respond." Fed. R. Civ. P. 37(A)(4). Additionally, Fed. R. Civ. P. 37(a)(5)(A) provides that, if a motion to compel discovery is granted, the Court must, after allowing an opportunity to be heard, require the party whose conduct necessitated the motion,

---

communications with Padic, Inc. subject to necessary redactions to preserve independently privileged communications.) (emphasis in original).

7 *See* February 2023 Order ("the Court finds no privilege applies to communications between UMB and Plaintiff or UMB and Lifespace and orders production.")

8 The specific Meet and Confer Communications are as follows: Email dated September 14, 2023, from LP to Diamond McCarthy, attached hereto as Exhibit G; Email dated October 4, 2023, from LP to Diamond McCarthy, attached hereto as Exhibit H; Email dated October 6, 2023, from LP to Diamond McCarthy, *see* Exhibit G; Email dated October 10, 2023 from Diamond McCarthy, *see id.*; Email dated October 11, 2023, from LP to Diamond McCarthy, *see id.*; and Email dated October 13, 2023, from Diamond McCarthy to LP, *see id.*.

or the party or attorney advising that conduct, or both to pay the movant's reasonable expenses incurred in bringing the motion. If the motion is granted the Court may, after allowing an opportunity to be heard, apportion the reasonable expenses for the motion. *Id.*

7. Fed. R. Civ. P. 45 permits the issuance of subpoenas compelling the production of documents. It further provides that objections must be served before the earlier of the time specified for compliance or fourteen days after the subpoena is served. Finally, to withhold documents based on claims of privilege or work product protection, the subpoenaed person must expressly make the claim and "describe the nature of the withheld documents . . . in a manner that, without revealing information itself privileged or protected, will enable the parties to assess the claim." Fed. R. Civ. P. 45(e)(2)(A).

A. Plaintiff's Interrogatory Responses are Insufficient.

8. Plaintiff's interrogatory responses, attached as Exhibit L (the "Answers to Interrogatories"), repeatedly direct attention to the Plaintiff's document production comprising over 60,000 pages without specifying which of those documents contain the responsive information on which Plaintiff relies.[9] While Fed. R. Civ. P. 33(d) permits reference to business records as part of an interrogatory response, doing so is permissible only when the response "specif[ies] the records that must be reviewed, in sufficient detail to enable the interrogating party to locate and identify them as readily as the responding party could." Fed. R. Civ. P. 33(d).

9. Plaintiff's failure on this score is wildly prejudicial to Defendants. For instance, Interrogatory 5 asks Plaintiff to identify what Confidential Information Plaintiff contends Defendants disclosed in violation of the NDA—the central allegation of Plaintiff's purported claim for breach of contract. In response, Plaintiff offers a generalized assertion that Defendants

[9] *See, in particular*, Answers to Interrogatories #4, 5, 6, 8, 9, 10, 11, 12, 13, 14, 15 and 16.

disclosed "forward-looking financial projections and related information" and refers the reader to his entire document production. Similarly, Interrogatories 8 and 9 sought disclosure of existing and prospective contracts with which Defendants allegedly interfered tortiously, but Plaintiff fails to identify a single one. Rather, Plaintiff has stood on the position that the present "response is pretty specific" and that Plaintiff is "going through all of the documents needed to support our new pleading presently, and will amend once that process is complete."[10]

10. Defendants, therefore, request entry of an order compelling Plaintiff to supplement his interrogatory responses so that the responses referring to business records identify the referenced records by bates range.

B. Plaintiff Should Authorize Sidley to Produce the Non-Privileged Sidley Documents.

11. On June 28, 2022, Sidley was served with the Sidley Subpoena attached as Exhibit M. While Sidley has produced documents, it also has withheld documents on privilege and work-product grounds. As discussed herein, on February 6, 2023, the Court ordered as part of the February 2023 Order that the Plaintiff holds no common interest with UMB. On July 17, 2023, the stay of this adversary proceeding was lifted, and on July 25, 2023, Defendants contacted to Sidley to advise of the need for a supplemental production given the Court's February 2023 Order.[11] On August 21, 2023, Sidley produced certain documents.[12] On August 24, 2023, Defendants asked whether Sidley's production would be a rolling production as originally represented, and Sidley responded and said it would not be a rolling production because Diamond McCarthy instructed

[10] *See* Exhibit G hereto.

[11] *See* Exhibit I hereto.

[12] *See* Exhibit J hereto.

Sidley not to send the remaining documents pending privilege review.[13] Defendants asked Diamond McCarthy for an update on the privilege review and informed Sidley that if Sidley did not produce additional documents, Defendants would be moving to compel.[14] Defendants' counsel attempted to resolve the impasse with Sidley Austin, but Sidley Austin directed Defendants to "direct all further communications and motions to compel to Diamond McCarthy, as they are handling the privilege designation of withheld documents."[15] Defendants requested that Plaintiff issue such direction.[16]

12. On October 13, 2023, Diamond McCarthy informed Defendants that all documents have been produced, and Diamond McCarthy adopts the privilege log that has not been updated since entry of the February 2023 Order.[17]

13. By this Motion, Defendants seek entry of an order compelling Plaintiff to produce a complete copy of Sidley's files regarding Sidley's representation of the Debtor, and, if Plaintiff intends to withhold any documents under claim of privilege or protection, to produce a privilege log furnishing the bases for same.

C. Plaintiff Must Produce the Withheld Non-Privileged Documents.

14. The Plaintiff's Privilege/Redaction Logs indicate that certain non-privileged documents have been withheld for privilege. For example, numerous communications on the Privilege/Redaction Logs either (a) do not include counsel, (b) include individuals from

---

13 *Id.*

14 *See* Exhibit K hereto.

15 *See* Email dated September 18, 2023, from Sidley to LP, attached hereto as Exhibit N.

16 *See* Exhibit J hereto; *see also* note 8, *supra* and exhibits cited therein.

17 *See* Exhibit G hereto.

GrayRobinson PA (assumed to be counsel to the independent directors of the Debtor), (c) include individuals from The Point Group (Debtor's communications consultant), or (d) include other third parties. While it is possible that some communications that do not include counsel involve a discussion of privileged legal advice, it strains credulity that approximately six hundred and sixty (660) communications without counsel identified on the Privilege/Redaction Logs involve discussions of privileged legal advice. The remaining documents include third parties who are not counsel, and with whom the Debtor does not have a common legal interest, which constitutes a waiver of the attorney-client or work product privilege. Accordingly, the Defendants respectfully request that the Court order the Plaintiff to produce all non-privileged communications where counsel was not included, produce all communications with third parties, and furnish supplemental privilege and redaction logs.[18]

15. The Defendants also request that the Court order the Plaintiff to either (a) confirm in writing that the Plaintiff has produced all communications with Padic, Inc. and/or UMB pursuant to the December 2022 Order and the February 2023 Order, or (b) produce all such communications promptly.

* * *

For the foregoing reasons, Defendants respectfully request that the Court enter orders compelling the supplemental discovery set forth above.

[18] Defendants reserve their right to seek production of additional withheld or redacted documents, particularly in light of the Court's pending *in camera* review of documents to assess the applicability of the "related companies" exception to privilege waiver on which Plaintiff relies to withhold or redact many responsive documents.

WHEREFORE, Defendants Intercity Investments, Inc. and Kong Capital LLC respectfully request that the Court enter an order compelling compliance with discovery obligations as further set forth above, and that the Court enter such other or additional relief as it may deem just and appropriate in the circumstances.
