notice of the Motion having been provided, and no other or further notice need be provided; and it appearing that the relief requested in the Motion is in the best interests of Holdings; and the Court having reviewed the Motion and held a hearing on the Motion on May 28, 2026 (the "Hearing"); and the Court having determined that the legal and factual bases set forth in the Motion and at the record of the Hearing establish just cause for the relief granted herein; and the Court having determined that the relief requested is in the best interests of Holdings, and upon all of the proceedings had before the Court and after due deliberation and sufficient cause appearing therefor;

ACCORDINGLY, IT IS HEREBY ORDERED, ADJUDGED AND DECREED THAT:

1. The Motion is GRANTED as set forth herein.

2. This Order shall supersede the Order to Show Cause, Dkt. No. 2031, to the extent the Order to Show Cause is inconsistent with the relief granted herein.

3. Verisign is authorized and directed to change the current registrar of record for the Domain from EuroDNS S.A. (IANA Registrar ID 1052), or such other registrar holding the Domain, to Porkbun, LLC (IANA Registrar ID 1861) ("Porkbun"), or to such other ICANN-accredited registrar domiciled in the United States as Holdings shall designate in writing (the "Gaining Registrar").

4. The Gaining Registrar is authorized, upon its appointment as current registrar for the Domain, to create or assign a registrant-level account for the Domain in the name of Holdings and/or its designee (and with respect to Porkbun, under the account associated with username MarkLichtenstein, company name Eletson Holdings Inc. and e-mail mark.lichtenstein@eletsonholdings.com), and to update all registrar-side contact and technical records as directed by Holdings and/or its designee.

5. Verisign and Holdings (or its Designee) are authorized to take all such actions as are necessary or appropriate to comply with and to implement the terms of this Order, including, without limitation, transmission of registry-registrar protocol messages effecting the registrar change.

6. Verisign's compliance with this Order constitutes a good-faith reliance on a court order for all purposes, including without limitation as a defense to any claim for damages or other relief that any third party (including EuroDNS) may assert against Verisign arising out of or relating to such compliance.

7. By no later than three (3) business days following the entry of this Order, Holdings shall serve a copy of this Order, by first class mail and e-mail, upon (i) Verisign, Inc., Attn: Office of the General Counsel, 12061 Bluemont Way, Reston, Virginia 20190; (ii) the Gaining Registrar; and (iii) EuroDNS S.A., 24 rue Léon Laval, L-3372 Leudelange, Grand Duchy of Luxembourg.

8. Nothing in this Order shall be construed to limit the right of Holdings to access, control, or transfer the Domain, or the authority of Verisign or the Gaining Registrar to provide such access, control, or transfer.

9. EuroDNS shall not take any action that would obstruct, delay, or interfere with Verisign's compliance with this Order, including, without limitation, by placing or maintaining any registrar lock or transfer-prohibited status code on the Domain inconsistent with the registrar change directed herein, or by initiating any reverse-transfer or dispute proceeding with respect to the Domain.

10. The terms and conditions of this Order shall be effective immediately and enforceable upon its entry.

11. This Court shall retain exclusive jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
