STATUS REPORT FOR SEPTEMBER 24, 2013 STATUS CONFERENCE

Brian A. Bash, Trustee herein, submits the following summary of the status of the Trustee's administration of the estate:¹

Recent Recoveries For the Estate

Since the last status conference in August 2013, the Trustee has recovered an additional \$394,740.10 for the estate, including \$346,513.86 from six of the Defendants in the 77th Street Partners litigation, which the Trustee is holding in trust pending approval of the Trustee's *Motion to Compromise* that matter. In addition, the Trustee received \$35,993.57 from Duvera Billing Services and \$10,000 from the settlement of Bennett productions claims. As of September 18, 2013, the balance in the money market account maintained by the Trustee for the benefit of the Debtor's estate is \$6,523,308.06.

The Criminal Defendants Filed Their Appellants' Brief

On September 9, 2013, Timothy Durham, James Cochran, and Rick Snow filed their *Appellant's Brief* in support of their appeal to the Seventh Circuit.

The Trustee's Collection Efforts on Default Judgments

The Trustee filed a Creditor's Bill action to attach the interests of Timothy Durham and James Cochran in an insurance policy with National Union. Durham and Cochran have filed answers to the Creditor's Bill, and National Union has filed a motion to dismiss the Creditor's

¹ The Trustee and his professionals have addressed and resolved many of the administrative issues in this matter. This list is not exhaustive, but focuses on the issues most significant to ass

Bill. The Trustee filed a response and an amended response to National Union's motion to dismiss, and the matter is currently pending before this Court. A further pre-trial conference, if necessary, is scheduled for October 2, 2013, at 2PM.

On August 5, 2013, National Union filed a *Complaint* seeking to interplead the insurance proceeds with this Court. The Trustee and defendants Snow, Schaffter, Head, Durham, Cochran, and Laikin have filed answers; Laikin also filed a counterclaim for a declaratory judgment that he is entitled to payment of his defense costs.

The total amount of default judgments obtained by the Trustee and approved by the District Court is \$334,788,021.16, inclusive of \$286,421,487.42 in Group A default judgments and \$48,366,533.74 in Group B default judgments. A spreadsheet identifying the adversary proceeding number, judgment debtor(s), default judgment date, amount and summary of collection strategy for each judgment is attached as **Exhibit A** to this status update.

The Trustee has targeted twelve judgments for domestication. Each judgment has been domesticated in at least one jurisdiction, and several judgments – such as those against Mr. Durham and Durham Capital Corporation – have been domesticated in multiple jurisdictions. To date, the Trustee has domesticated judgments in at least 19 jurisdictions. One domestication is in process in Mississippi. The Trustee is focusing his collection efforts on the judgment debtors with the eight largest outstanding judgments. The total amount of these judgments is \$184,127,060.53. As indicated in prior status reports, the Trustee issued document subpoenas to all known banks for the six largest corporate judgment debtors to assist his evaluation of claims. While the Trustee has previously indicated that he plans to pursue bank garnishments against these judgment debtors, he is re-evaluating that plan in light of cost-benefit concerns arising from information received in response to the subpoenas.

The Trustee conducted asset searches on all “high value” cases. The Trustee has deferred pursuit of ten judgments that have been classified as “low value” judgments. These judgments

have been discussed in prior status reports. In addition, certain individuals have contacted the Trustee and expressed interest about purchasing certain assets belonging to Durham and/or the Estate. The Trustee is pursuing negotiations on the potential sale of those assets, assuming the ability to foreclose on those assets.

Based on information received, the Trustee believes there may be viable claims to bring against account debtors of the default judgment defendants. The Trustee is investigating to determine the viability of the claims and their likely benefit to the Estate. The investigation is initially focusing on the largest of the default judgments, but may broaden to encompass smaller judgments.

The Trustee has obtained one default judgment against individuals who are believed to be British nationals. The total amount of this judgment is \$205,997.77. Given the size of the judgment and the foreign site of assets, the Trustee has determined that an evaluation of collectability issues on this matter is not a priority item at this time.

Subsequent Transferee Litigation

To date, the Trustee has filed two subsequent transferee adversary proceedings seeking a total of \$1,442,872.57. Additional subsequent transferee cases may be brought in the future after further review of the bank documents and an analysis of the potential subsequent transferee defendant's ability to repay the transfers. The pending subsequent transferee litigation includes the following matters:

1. Litigation against Vitesse Corporation and Vitesse II, LLC (approximately \$1,275,872.57); and
2. Litigation against Old National Bank (approximately \$167,000.00).

The Trustee intends to file a default judgment motion in the *Vitesse* litigation, and has served discovery in the *Old National Bank* litigation.

Status of Litigation

The chart attached as **Exhibit B** includes a list of all pending litigation as of September 18, 2013, including those cases that have been settled or otherwise resolved by the Trustee, with information on the corresponding settlement amount or resolution. Additional descriptions are provided below.

Fortress Credit Corp. The parties have agreed to mediate the Fortress lawsuit on October 1 and 2, 2013. The parties have exchanged initial expert reports. The parties are to identify rebuttal experts by October 16, 2013, and exchange such expert reports by November 12, 2013. Motions for Summary Judgment are due by October 29, 2013, with Briefs in Opposition due by December 3, 2013, and Reply Briefs due by December 17, 2013.

The Remaining “Group A” Cases:

The following are the other active and pending Group A cases:

1. Litigation against the former legal advisor for Fair Finance, Ronald Kaffen (approximately \$180,000);
2. Litigation against John Head, a former officer of the Debtor (approximately \$2.5 million in claims);
3. Litigation against Ricky Snow, a former officer of the Debtor (approximately \$1.7 million in claims).

The discovery in the litigation against Ronald Kaffen and his law firm is being coordinated with the discovery taking place in the Fortress litigation, but fact discovery specific to the Kaffen case has been completed. The Trustee is preparing for potential expert discovery and Motions for Summary Judgment, for which no dates have been set.

The discovery in the litigation against John Head and Ricky Snow is being coordinated with the discovery taking place in the Fortress litigation. On August 21, 2013, the parties to the Head litigation filed joint stipulations of fact and each party’s statements of matters in dispute. In the litigation against Ricky Snow, the Trustee and counsel for Mr. Snow have agreed to settlement terms and documentation, which is pending signature by the incarcerated Mr. Snow

and will be presented to the Court for approval. It is the Trustee's understanding that the receipt of settlement documents has been hampered by counsel's involvement in other pending litigation and the difficulty of communicating with an incarcerated defendant.

“Group B” Cases:

The one hundred and twenty-seven (127) cases in the “Group B” category of cases include claims based on non-debtor transfers, loans or preferential transfers for which actions were filed after November 2011. These cases include the following:

1. **Fraudulent Transfer or Contract Claims:** This group of cases includes one hundred and six (106) lawsuits. Of those lawsuits, six (6) remain active and contested and an additional five (5) cases have been stayed, generally because of the defendant's bankruptcy. The Trustee has settled or otherwise resolved his claims in fifty-three (53) lawsuits. In addition, a number of defendants in these lawsuits have defaulted, including all of the defendants in forty-three (43) lawsuits and some of the defendants in six (6) lawsuits. The Trustee has obtained default judgments in most of these cases.
2. **Section 547 Claims Against Investors:** The Trustee filed twelve (12) preference complaints against investors. All of these complaints have been settled or otherwise resolved.
3. **Section 547 Claims Against Non-Investors:** The Trustee filed seven (7) complaints against non-investors receiving preferential payments from the Debtor. All of these complaints have been settled or otherwise resolved.

The chart attached as **Exhibit B** includes a list of all of the Group B cases status as of September 18, 2013, including those cases that have been settled or otherwise resolved by the Trustee with information regarding the corresponding settlement amount or other resolution. The Trustee is pursuing settlement of the remaining Group B cases and will continue to prepare those matters for trial, if necessary.

Other Litigation: The Trustee is pursuing recovery for the estate in several other lawsuits involving certain state-law claims, including loan claims and claims against certain insiders of the Debtor. This group of cases includes the only lawsuit filed by the Trustee outside

of this district (the *National Lampoon* litigation filed in the United States District Court for the Central District of California, Western Division). These cases include the following:

1. **The *Laikin* litigation (approximately \$25 million).** Trial is ongoing before this Court at the time this status report was prepared. Defendant Laikin has filed a *Motion for Leave to Appeal* this Court's sanctions order with the District Court and the Trustee has filed a reply to that *Motion*.
2. **National Lampoon (approximately \$9 million).** The Trustee has received access to a significant volume of discovery material which was in the possession of National Lampoon. Discovery is ongoing. The Trustee and counsel for National Lampoon cooperated with regards to the production, but are currently in discussions regarding National Lampoon's claims of confidentiality and privilege. The parties intend to explore alternatives for resolving the Trustee's claims. The District Court has set trial in this matter for June 3, 2014.
3. **The *McKibben* litigation against insiders of the Debtor and entities they controlled.** On August 30, 2013, National Union Fire Insurance Co. moved to withdraw its *Motion to Permit Advancement of Certain Defense Costs*. Defendants Cochran and Durham objected.

On August 15, 2013, Defendants Laikin, Head, Schaffter, Snow, Cochran and Durham moved the District Court to withdraw the reference in this matter. The Trustee filed a Response on August 29, 2013, asking that the District Court refer the adversary proceeding back to the Bankruptcy Court under General Order 2012-7. Judge Nugent is presently presiding over this matter.

The insurance carrier, National Union, filed an action to interplead insurance policy proceeds related to this case. Contingent upon National Union interpleading the policy proceeds, the Trustee has reached an agreement with defendants Eglen, Schaffter, and Snow to settle the *McKibben* litigation against them on the terms filed with the court on August 16, 2013.

Trustee's Focus in the Upcoming Weeks

Continuing Litigation: The Trustee's counsel will continue to focus efforts on the litigation of the cases that have been filed by the Trustee to date.
