GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMER REGARDING SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS OF GROEB FARMS. INC.

The Schedules of Assets and Liabilities (collectively, the "Schedules") and the Statement of Financial Affairs (the "Statement" and, together with the Schedules the "Schedules and Statements") filed by Groeb Farms, Inc. (the "Debtor") in the United States Bankruptcy Court for the Eastern District of Michigan (the "Bankruptcy Court") have been prepared pursuant to 11 U.S.C. § 521 and Rule 1007 of the Federal Rules of Bankruptcy Procedure by management of the Debtor with the assistance of its advisors. The Schedules and Statements have been prepared by the Debtor's management exercising best efforts to ensure accuracy and completeness by legal entity based on information that was available at the time of preparation. The Schedules and Statements are unaudited and were prepared with data as near as possible to October 1, 2013 (the "Petition Date").

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding the Debtor's Schedules and Statements (the "Global Notes") are incorporated by reference in, and comprise an integral part of, the Schedules and Statements, and should be referred to and reviewed in connection with any review of the Schedules and Statements. The Schedules and Statements have been signed by Jack Irvin, Jr. in his capacity as an officer and/or authorized signatory of each of the Debtor. In reviewing and signing the Schedules and Statements, Mr. Irvin has necessarily relied upon the efforts, statements, and representations of other personnel of the Debtor and the Debtor's advisors. Mr. Irvin has not (and could not have) personally verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors and their addresses.

I. Amendment and Reservation of Rights.

(1) While the Debtor's management has exercised best efforts to ensure that the Schedules and Statements are accurate and complete based on information that was available at the time of preparation, inadvertent errors or omissions may exist. The Debtor reserves the right to amend the Schedules and Statements from time to time as may be necessary or appropriate.

(2) Without limiting anything else expressly reserved herein, the Debtor reserves the right to dispute, or to assert offset or defenses to, any claim reflected on the Schedules and/or Statements as to amount, liability, and/or classification. The Debtor also reserves all rights with respect to the values, amounts, and characterizations of the assets and liabilities listed in its Schedules and Statements.

II. General Assumptions

The Debtor adopted the following conventions in the preparation of the Schedules and Statements:

1. Reporting Date. Unless otherwise indicated, all asset and liability information is listed as of the Petition Date.

2. Unaudited. The books and records and the financial statements of the Debtor utilized to complete the information contained in the Schedules and Statements are unaudited.

3. Book Value.

   a. Assets and liabilities of each Debtor are shown on the basis of the net book value of the asset or liability in the Debtor's accounting books and records, unless otherwise noted, rather than the current market values of such interests in property and/or liabilities.

   b. Amounts shown for total liabilities exclude items identified as "unknown" or "undetermined" and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements.

   c. Book values may not equate to their current market values.

4. Currency. All amounts are reflected in U.S. dollars unless otherwise specified.

5. Estimates. The books and records of the Debtor as of the Petition Date include estimates and assumptions made by management in the ordinary course that may affect the reported amounts of assets and liabilities.

6. Causes of Action. Despite its reasonable efforts to identify all known assets, the Debtor may not have set forth all of its causes of action or potential causes of action against third parties as assets in its Schedules and Statements. The Debtor reserves all of its rights with respect to any claims, causes of action, and avoidance actions they may have and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any such claim, causes of action, or avoidance action or in any way prejudice or impair the assertion of such claims.

7. Property and Equipment – Leased. In the ordinary course of its business, the Debtor leases property and equipment from certain third-party lessors for use in its daily operation and otherwise hold property owned by third-parties pursuant to contracts with such parties. Any such leases or contracts are set forth in Schedule G based on the Debtor's best

efforts. The property subject to any of such leases or contracts is not reflected in either Schedule A or Schedule B as either owned property or assets of the Debtor nor is such property reflected in the Debtor's Statements as property or assets of third-parties within the control of the Debtor. Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including, but not limited to, whether any lease is a true lease or a financing arrangement) or contract (including, but not limited to, whether the contract is, in fact, an executory contract), and the Debtor reserves all rights with respect to any of such issues.

8. Trade Accounts Receivable and Accounts Payable. Trade Accounts Receivable are presented as gross balances, but without consideration for any liabilities related to mutual counterparty accounts payable, open or terminated contract liabilities, liquidated damages, setoff rights, or collateral held by the Debtor, unless otherwise stated. Likewise, Accounts Payable are shown without consideration for accounts receivable, open or terminated contracts, liquidated damages, setoff rights, or collateral that has been posted on behalf of the counterparty.

9. Fully Depreciated Assets. Fully depreciated assets have been included in the Schedules of the Debtor.

10. Claims Description. Any failure to designate a claim listed on the Debtor's Schedules as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent," or "unliquidated." The Debtor reserves the right to dispute, or to assert setoff rights, counterclaims, or defenses with respect to, any claim reflected on its Schedules as to amount, liability, or classification, or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated."

11. Court Orders. By separate orders entered by the Bankruptcy Court, the Debtor was authorized (but not directed) to pay, among other things, certain prepetition obligations of (i) customers, (ii) lienholders, (iii) employees and employee benefits, and (iv) certain taxing authorities. Consequently, certain prepetition fixed, liquidated, and undisputed priority, secured, and general unsecured claims have been or may be paid under this authority. To the extent possible, amounts are not listed in the Schedules and Statements if they have been paid, or have been listed as "contingent" or "unliquidated" based on the Debtor's best efforts to the extent payment is pending.

12. Excluded Assets and Liabilities. As noted above, certain liabilities expected to be paid pursuant to Bankruptcy Court orders (e.g., accrued salaries and employee benefit accruals) also were excluded from the Schedules and Statements. Additionally, other immaterial assets also may have been excluded.

13. Addresses of Current Employees. To protect the privacy of the Debtor's current employees, the Debtor has redacted their addresses in the Schedules and Statements.

14. Recharacterization. Notwithstanding the Debtor's reasonable best efforts to properly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtor may nevertheless have improperly characterized, classified, categorized, designated, or omitted certain items. Accordingly, the Debtor reserves all of its rights to recharacterize, reclassify,

recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary and appropriate, as additional information becomes available, including whether contracts listed herein were deemed executory as of the Petition Date and remain executory postpetition.

15. Liabilities. The Debtor allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change. Accordingly, the Debtor reserves all of its rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate.

In addition, the liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtor reserves all of its rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

16. Insiders. For purposes of the Schedules, the Debtor, in consultation with its advisors, have engaged in an analysis of its senior management personnel to determine which of the Debtor's employees may be considered an "insider" as defined in section 101(31)(B) of the Bankruptcy Code. Regardless of an employee's title, the Debtor and its advisors considered (a) whether a particular employee sits on the board of directors; (b) whether a particular employee is elected or appointed by the board of directors to manage daily operations (e.g., a CEO, president, secretary, or treasurer), or (c) for those employees not serving on or elected by the board of directors, whether a particular employee has a controlling interest in the Debtor or exercises sufficient authority of the Debtor so as to dictate corporate policy and the disposition of corporate assets. Based on this analysis, the Debtor, in consultation with its advisors, have determined which individuals would likely be considered "insiders" under the Bankruptcy Code, including, without limitation: (a) directors; (b) officers; (c) shareholders holding in excess of 5% of the voting shares of the Debtor (whether directly or indirectly); and (d) relatives of directors, officers or shareholders of the Debtor (to the extent known by the Debtor. Persons listed as "insiders" have been included for informational purposes only.

The Debtor does not take any position with respect to: (a) such person's influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

17. Intellectual Property Rights. Exclusion of certain intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.

18. Classifications. Listing a claim on (a) Schedule D as "secured," (b) Schedule E as "priority," (c) Schedule F as "unsecured," or (d) listing a contract on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant or a waiver of the Debtor's rights to recharacterize or reclassify such claims or contracts or to setoff of such claims.

19. Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

20. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

III. Specific Schedules of Assets and Liabilities Disclosures.

1. Schedule B(1) and B(2): Cash on Hand; Checking and Savings Accounts. All petty cash balances are reported as book balances on Schedule B(1); the remainder of the cash balances presented on Schedule B(2) are bank balances as of September 30, 2013.

2. Schedule B(16): Accounts Receivable. Accounts Receivable are reported at gross book value as of the Petition Date.

3. Schedule B(18): Liquidated Debts and Tax Refunds. Tax refund amounts are based on estimates provided by the Debtor.

4. Schedule D: Creditors Holding Secured Claims.

   a. The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable loan agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such agreements.

   b. Except as otherwise agreed pursuant to a stipulation or agreed order or any other order entered by the Bankruptcy Court, the Debtor reserves its rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D of any Debtor. Moreover, although the Debtor has scheduled claims of various creditors as secured claims, the Debtor reserves all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction, or any document or instrument related to such creditor's claim.

5. Schedule E: Creditors Holding Unsecured Priority Claims.

a. Certain of the claims listed on the Debtor's Schedule E are claims owing to various taxing and other governmental authorities to which the Debtor may potentially be liable. However, certain of such claims may be subject to audits and the Debtor is otherwise unable to determine with certainty the amount of many, if not all, of the claims listed on Schedule E. Therefore, the Debtor has listed such claims as unknown in amount, pending final resolution of ongoing audits or other outstanding issues. The Debtor reserves its rights to dispute or challenge whether such claims are entitled to priority.

b. As stated above, the Bankruptcy Court has approved payment by the Debtor of certain employee- and employee tax-related claims, and as a result, such claims have not been included in the Debtor's Schedules.

c. The listing of any claim on Schedule E does not constitute an admission by the Debtor that such claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtor reserves the right to take the position that any claim listed on Schedule E is not entitled to priority.

d. As stated above, the Debtor has redacted the addresses of its current employees to protect their privacy.

6. Schedule F: Creditors Holding Unsecured Non-Priority Claims.

a. Schedule F does not include certain deferred charges, deferred liabilities, or general accounting reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date.

b. Many of the claims listed in Schedule F arose or were incurred on various dates. In certain instances, the date on which a claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each claim, determination of each date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each claim listed on Schedule F.

c. Schedule F contains information regarding potential, pending, and closed litigation involving the Debtor. Scheduling the litigation against the Debtor is not and shall not be construed as an admission that the counterparty has a claim against the Debtor. The Debtor expressly incorporates by reference into Schedule F all parties to pending and potential litigation listed in the Debtor's Statements and Schedules as "contingent," "unliquidated" and "disputed" claims to the extent not already listed on Schedule F.

d. The dollar amounts listed may be exclusive of contingent and unliquidated amounts. All parties to executory contracts, including those listed on

Schedule G, are holders of "contingent" and "unliquidated" unsecured claims arising from (i) obligations under those executory contracts, and/or (ii) rejection damages in the event that such executory contract is rejected. Not all such claims are duplicated on Schedule F.

7. Schedule G: Executory Contracts.

a. Although reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors, omissions or over-inclusion may have occurred. The Debtor reserves its rights to dispute the validity, status or enforceability of any contract or other agreement set forth in Schedule G that may have expired or may have been modified, amended and supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments and agreements which may not be listed therein. It is possible that some of the contracts or agreements listed on Schedule G have expired or otherwise terminated pursuant to their terms since the Petition Date. The presence of a contract or agreement on Schedule G does not constitute an admission by the Debtor that such contract or agreement is an executory contract or unexpired lease.

b. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, options to purchase, rights of first refusal, and other miscellaneous rights that are embedded in the Debtor's agreements. Such rights, powers, duties, and obligations are generally not set forth on Schedule G. Certain of the executory agreements may not have been memorialized and could be subject to dispute. To the best of the Debtor's knowledge, executory agreements that are oral in nature have not been scheduled.

c. Schedule G does not include stand-alone purchase orders for goods or equipment agreements. Additionally, the Debtor may be party to various other agreements concerning real property, such as easements, rights of way, subordination, non-disturbance, and attornment agreements, supplemental agreements, amendments/letter agreements, title documents, consents, site plans, maps, and other miscellaneous agreements. Such documents are generally not set forth in Schedule G.

d. The Debtor reserves its rights, claims, and causes of action with respect to the contracts and agreements listed on Schedule G, including the right to dispute or challenge the characterization or the structure of any transaction, or any document or instrument related to a creditor's claim.

e. Omission of a contract or agreement from this Schedule does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtor's rights under the Bankruptcy Code with respect to any such omitted contracts or agreements

are not impaired by their omission. This Schedule may be amended at any time to add any omitted contract or agreement.

IV. Specific Statements of Financial Affairs Disclosures.

1. Question 3c: As stated above, the Debtor has redacted the addresses of its current employees to protect their privacy.

2. Question 9. The Debtor's response to question 9 includes payments to the Debtor's advisors engaged for debt counseling and bankruptcy. Some of the amounts listed also may include payments that are not directly related to debt counseling or bankruptcy.

3. Question 13. The Debtor and its vendors may set-off mutual obligations in the ordinary course of business and pursuant to trade terms agreed upon by the parties which include, but are not limited to, vendor rebate deductions, customer rebates, and credit memos. The Debtor has not included any set-off made by its creditors that was made in the ordinary course of business and pursuant to the trade terms between the Debtor and such creditor.

4. Question 15. Prior addresses have been listed to the extent the location is no longer occupied by the Debtor.
