INSTRUCTIONS FOR QUARTERLY POST CONFIRMATION REPORT

Post-confirmation status reports must be filed by the reorganized Debtor or successor entity on a quarterly basis until a final decree is entered or the case is dismissed or converted to another chapter. The reports are to be filed with the Office of the United States Trustee on the 20th day of the month following the end of the calendar quarter. For example, the report for the calendar quarter ending March 31st is due on or before April 20th.

Please use the official United States Trustee form. Failure to timely file and complete the report may be grounds to dismiss or convert the case.

Post-confirmation, the reorganized Debtor or successor entity must continue paying a quarterly fee to the United States Trustee every calendar quarter (including any fraction thereof), based upon all disbursements made until the date an order is entered for a final decree or dismissing or converting the case. 28 U.S.C. § 1930(a)(6). Cases that have been administratively consolidated must still pay a separate fee for each case; however, cases that have been substantively consolidated need pay only one quarterly fee, beginning the first full quarter after consolidation.

The amount of the quarterly fee owing depends on the amount of disbursements made during the calendar quarter and can be calculated using the chart below. **All disbursements made by the Reorganized Debtor during a quarter, whether under the plan or not, must be accounted for and reported on the post-confirmation status report for purposes of calculating quarterly fees.** The minimum fee is due each quarter, even if no disbursements are made.

$15,000 to $74,999.99	$650
