In re	)	Chapter 11
LAVIE CARE CENTERS, LLC, *et al.*[1]	)	Case No. 24-55507-PMB
Debtors.	)	(Jointly Administered)

DECLARATION OF TORI L. REMINGTON IN SUPPORT OF GUC TRUSTEE'S OMNIBUS (I) OBJECTION TO CLAIM OF DOMINIQUE LATHAM, AND (II) MOTION TO (A) ENFORCE PLAN INJUNCTION AND UNLIQUIDATED CLAIM PROCEDURES INJUNCTION, AND (B) BAR MS. LATHAM FROM CONTACTING THE GUC TRUSTEE OR ITS PROFESSIONALS

I, Tori L. Remington, hereby declare under penalty of perjury, pursuant to 28 U.S.C. § 1746, as follows:

1. I am an attorney with the law firm of Troutman Pepper Locke LLP ("Troutman"), resident in its Wilmington, Delaware office located at Hercules Plaza, 1313 N. Market Street, Suite 1000, Wilmington, Delaware 19801. Troutman serves as counsel to Ryniker Consultants, LLC, in its capacity as the trustee (the "GUC Trustee") for the trust (the "GUC Trust") established on behalf of the above-captioned debtors and debtors-in-possession (the "Debtors") pursuant to the *Debtors' Modified Second Amended Combined Disclosure Statement and Joint Chapter 11 Plan of Reorganization* [D.I. 730-1] (the "Plan"). I have been admitted *pro hac vice* to appear before this Court in these Chapter 11 Cases.

[1] The last four digits of LaVie Care Centers, LLC's federal tax identification number are 5592. There are 282 Debtors in these chapter 11 cases, which are being jointly administered for procedural purposes only. A complete list of the Debtors and the last four digits of their federal tax identification numbers are not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at https://www.kccllc.net/LaVie. The location of LaVie Care Centers, LLC's corporate headquarters and the Debtors' service address is 1040 Crown Pointe Parkway, Suite 600, Atlanta, GA 30338.

2. I submit this declaration (this "Declaration") in support of the *GUC Trustee's Omnibus (I) Objection to Claim of Dominique Latham, and (II) Motion to (A) Enforce Plan Injunction and Unliquidated Claim Procedures Injunction, and (B) Bar Ms. Latham from Contacting the GUC Trustee or its Professionals* (the "Objection" and "Motion," as applicable), filed contemporaneously herewith.[2]

3. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge, including my own communications with Dominique Latham ("Ms. Latham"), my review of correspondence that Ms. Latham sent to me and to other attorneys at Troutman, my review of the Latham Claim (as defined below) and of relevant pleadings filed on the docket of these Chapter 11 Cases, and information provided to me by the GUC Trustee and its professionals. I am authorized to submit this Declaration on behalf of the GUC Trustee. If called upon to testify, I could and would testify competently to the facts set forth herein.

A. The Latham Claim

4. Ms. Latham filed the Latham Claim asserting one unsecured personal injury claim against LaVie Care Centers, LLC, in the amount of $500,000,000.00. A true and correct copy of the Latham Claim is attached hereto as **Exhibit A**.

5. I have reviewed the Latham Claim. The Latham Claim was filed without any documentation or backup support for the amount asserted. It does not identify the nature of any injury, when or where any injury occurred, which of the Debtors' facilities (if any) was involved, any act or omission by any Debtor, or any legal theory under which any Debtor could be liable. The Latham Claim attaches no medical records, incident reports, pleadings, demand letters, or other documentation of any kind, and it offers no explanation for the absence of such

[2] Capitalized terms not defined herein are defined in the Objection, Motion or the Plan, as applicable.

documentation. The Latham Claim also does not include any itemization, calculation, or explanation of the $500,000,000.00 asserted.

6. Based on my communications with the GUC Trustee and its professionals, I understand that, using the information provided by Ms. Latham in the Latham Claim, the GUC Trustee reviewed available books and records of the Debtors and nothing therein indicates that Ms. Latham has a valid claim of any kind in these cases.

B. The Latham Claim

7. Following the filing of the Latham Claim, in March 2026, Ms. Latham reached out to me by email for a general status update. I responded and noted that any distribution on account of Class 6B claims would likely be six to twelve months away. A true and correct copy of this correspondence is attached hereto as **Exhibit B**.

8. In May 2026, the emails from Ms. Latham continued, including her emailing telling me to "direct deposit that h**." I further responded to a few of Ms. Latham's emails. Those emails sought immediate payment of $500,000,000.00 and then $700,000,000.00, and some referenced a sealing order on the docket of these Chapter 11 Cases that Ms. Latham believed entitled her to a distribution. In my responses, I explained either that the sealing order did not grant Ms. Latham entitlement to any distribution, noted that the GUC Trustee was still reviewing claims, or requested that Ms. Latham include adequate information in any future email so that the GUC Trustee could appropriately respond to her inquiries. A true and correct copy of two examples of this correspondence is attached hereto as **Exhibit C**.

9. Ms. Latham has never provided meaningful information that would allow the GUC Trustee to analyze the Latham Claim. None of Ms. Latham's correspondence is particularly coherent, though one of her many emails did state that she was injured in 2023, potentially at one

of the Debtors' facilities. Instead, most of her correspondence consists of demands for payment, insults, and threats, as described below.

C. Ms. Latham's Pattern of Harassment

10. Since these initial exchanges, Ms. Latham engaged in a pattern of harassment directed at the GUC Trustee and me that continues as of the date of this Declaration. Ms. Latham has sent over 110 emails to me, as well as additional emails to the GUC Trustee and to its other counsel at Troutman, including Mrs. Kovsky-Apap and Mr. Brooks. Ms. Latham has sent these emails at all hours of the day and night and from at least two different email accounts.

11. Most of Ms. Latham's emails either demand an immediate deposit of at least $500 million—and sometimes as much as $2 billion—into her bank account. When Ms. Latham did not immediately receive a direct deposit of at least $500 million from the GUC Trustee, her email correspondence turned aggressive, hostile, and threatening. True and correct copies of certain email extracts received from Ms. Latham to date are attached hereto as **Exhibit D**. For ease of reference, these email communications from Ms. Latham include the following:

- On July 9, 2026, Ms. Latham emailed me a screenshot of the public docket in these Chapter 11 Cases showing a certificate of service and an interim sealing order with respect to the GUC Trustee's D&O action, saying "Tory look because i can read and see disrespectful a** h**."
- On July 23 and July 24, 2026, Ms. Latham sent numerous emails to Mr. Brooks and me telling us to "Close the case and send me my money stop harassing the owner with ya'll disrespectful a****," and "Tell the investors to pull out i don't want them in my ALF HR got they money contact their lawyer not the owner it's one account and this is slander so I'm keeping most of that f*** them. ."
- On July 25, 2026, Ms. Latham emailed Mr. Brooks, and me telling us to "Just place all the remaining amount in the same Vystar account I'm the new owner. They injured me. And pay the other bills close it."
- On July 28, 2026, Ms. Latham emailed me saying "b**** hurry up with my deposit send everything left and your fired sorry a** lawyer go back

to school." That same day, Ms. Latham emailed Mr. Brooks and me "f*** each other and send me my money.";

- On July 31, 2026, Ms. Latham emailed Mr. Brooks, and me saying "No other person Latham only my name is on my business them not my parents I'm a hostage and forced adoption I'm from London"

- On August 3, 2026, Ms. Latham emailed me and several third parties, including individuals with Vystar and JPM Chase, stating the following: "don't ever think you took my position I've worked them all i own the all these businesses don't you ever try me in no life I'll hide you about me i don't want them positions your doing my work it's called delegation y'all slow and fired . The Global entrapranure resilience officer y'all are intraprrenure y'all work in my businesses. Im putting the position on Indeed nem. I need a loyal team i graduated from Harvard Business and some of y'all lied you would know this. I don't care who you are I'm your boss you don't like it clock out and hit the block stop playing on my clock."

- On October 15, 2026, Ms. Latham emailed me and asserted the Latham Claim in the amount of $1.2 billion dollars, stating "1.2 billion dollars now tell these people something again about me and I'm waiting for my money. I'll ask for the whole 15 billion stop playing with me like I'm slow I own the bank my house messed up I don't want it in not fixing it now lie again and you'll be jobless."

- On October 24, 2026, Ms. Latham emailed me and certain third parties stating "When this is over I want y'all to work from home and get tf off of my job I'm not giving a employee anything extra after this disrespectful and playing with my intelligence I want y'all to loose everything because I'm going to show you were you had me fucked up, fuck you and your family.." The subject line of this email was "Fuck your family and eat my dick." That same evening, Ms. Latham again emailed me, saying "That goes for any employees at any job you don't like me I don't give af you don't like your pay find a new job now house that hoe I hate y'all maggot asses.. hurry up get off of my clock and die.. and y'all fired stupid bastards.. I'm not your family and I don't need y'all you need me find a new family get out of my family shit since y'all better than us.." The subject line remained the same.

- The next morning, at 2:08 a.m. (ET) on October 25, 2026, with the same subject line of "Fuck your family eat my dick," Ms. Latham stated the following: "Ain't no more bonus or raise unless it's required by law I hate y'all dumb stupid ass employees I'll never claim y'all broke ass again hurry up and die off of my clock. I want to spit in your face and shit in your caskets.. and go to hell I don't want y'all in my heaven.." At 2:15 a.m. (ET) that same morning, Ms. Latham further emailed me to

say "Now go find y'all own family you maggots.. I hate y'all work slaves my new word for y'all fucking peasants.."

12. Ms. Latham has also directly threatened me, warning me that "im going to teach you about playing with me and my money." A true and correct copy of this threat is attached hereto as **Exhibit E**. Ms. Latham's threats were serious enough that my employer initiated certain security protocols in the offices in which Mr. Brooks and I work in order to protect us.

13. Ms. Latham's hostile and threatening remarks extend beyond my colleague or me—including to this Court. For example, as set forth in the email attached hereto as **Exhibit F**, Ms. Latham emailed me the following:

- On August 4, 2026, with a subject line "F*** you," stating "Tell the judge on this case hurry up and suck a d*** because he's fired after this all y'all get the fuck away from my shit for insabornation [*sic*] since you can't read." That same day, Ms. Latham further emailed Mr. Brooks and me, with the same subject line, saying "long as it took y'all to send me my check f*** him the fake ones been off get out of my court house and this all y'all last case y'all slow if you work there and think i like you I hate y'all dumb a**** got me waiting for my money i hope he die."

14. In her correspondence, Ms. Latham has asserted ownership interests over various companies, including the Debtors, Chanel, and even Troutman Pepper Locke—my employer. True and correct copies of certain email extracts from Ms. Latham are attached hereto as **Exhibit G**. For ease of reference, these email communications from Ms. Latham include the following:

- On July 15, 2026, Ms. Latham asserted that she owned "the nursing home" and told me I was fired.

- On July 16, 2026, Ms. Latham asserted she owned Shiftmed, a company who held a prepetition claim against the Debtors. Later in July, Ms. Latham also told Mr. Brooks and me to "Pay shift med they don't need proof I own the company."

- On July 29, 2026, Ms. Latham asserted she owned "Rescare and Suwannee Corrections," and proceeded to tell me and the other individuals on the email chain "your fired f*** y'all dumd a**."

- On August 1, 2026, Ms. Latham demanded I send her money in an email with the subject title "I'm not bankrupt i own Chanel Inc."
- On August 19, 2026, Ms. Latham stated that she was "Pepper" and "the owner of the law firm." Ms. Latham also stated that I worked for her.
- On August 22, 2026, Ms. Latham sent me an email that just stated "I'm Tory Burch fashion designer."
- In September 2026, Ms. Latham wanted me to change the Debtors' account name to "Birkina Beauty."

15. I am not aware of any information in the record of these Chapter 11 Cases, or in any information provided to me by the GUC Trustee, suggesting that Ms. Latham holds any ownership or management interest in any Debtor.

D. Ms. Latham's Communications with Third Parties

16. Ms. Latham also appears to have represented to certain third parties that I either (i) represent Ms. Latham or (ii) have agreed to provide her money. By way of example, I received an email from Ms. Latham on August 22, 2026, stating that she "asked for a loan on my money it'll help my credit." That same day, I received an email from Green Light Advance, a cash advance company, requesting that I provide them with information regarding my "client" and a request for an "advance from her case." I responded appropriately, noting that I do not represent Ms. Latham, and later, that I didn't represent Ms. Latham or any nursing home. Following that correspondence, Ms. Latham emailed Green Light Advance and me several times, stating that she was the owner of the nursing home and requesting that approval of the loan be made. Ms. Latham's last communications with respect to the request for a loan was to insult me by emailing "Get tf off of my case you broke b**** dumb a** f*** you stupid h**." A true and correct copy of this email exchange is attached hereto as **Exhibit H**. Later in September, she also sent me an email, with the subject line "b****," saying "Your lying a** could've gave me my loans I hate your dumb a**

hurry up off of my case h**.” A true and correct copy of this email is attached hereto as **Exhibit I.**

E. Impact of Ms. Latham’s Conduct

17. Ms. Latham’s communications have escalated over time. Apart from the limited responses described above or general responses confirming that the GUC Trustee is still reviewing and reconciling claims, neither I nor, to my knowledge, any other attorney at Troutman has responded to Ms. Latham’s continued correspondence, both because doing so would consume GUC Trust resources otherwise available to holders of general unsecured claims and out of concern for our own safety.

18. Nevertheless, fees are still incurred by the GUC Trustee as I receive and review Ms. Latham’s correspondence. Our firm has also incurred fees in filing the Objection and Motion.

19. Based on the history of Ms. Latham’s communications and conduct, I believe that, absent an order of this Court, Ms. Latham’s harassment will continue. I also believe the GUC Trustee has met the standard, under both 11 U.S.C. § 105(a) and the traditional injunction standard, to warrant the relief the GUC Trustee requests in the Objection and Motion.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Dominique,

The GUC Trustee has not begun its reconciliation of Class 6B claims. The recovery for Class 6B is dependent on litigation recoveries, which is why the GUC Trustee has not started reviewing Class 6B claims. Any distribution on account of Class 6B claims is likely 6-12 months from now.

Dominique,

You misunderstand the scope of the order or pleading you reference. As I've stated before, the liquidating trustee is not in a position to make any distributions at this time. The Court-approved plan does not require us to make a distribution at this time. Please also note the liquidating trustee is still reviewing your asserted claim, and it reserves all rights to object to your claim in accordance with the Court-approved plan.

To the extent you make another inquiry moving forward, please provide appropriate context for your request or inquiry. I will not respond to any further emails without sufficient context, as I do not want to mislead or misstate anything with respect to the ongoing bankruptcy cases.

Thank you.
