# GLOBAL NOTES TO THE POST-CONFIRMATION REPORT

*For the Quarter Ended June 30, 2026 (Q2 2026)*

---

These Global Notes describe the methodology used to prepare the Post-Confirmation Report (the **"PCR"**) of Multi-Color Corporation and its affiliated reorganized debtors (collectively, the **"Debtors"**) for the quarter ended June 30, 2026, and form an integral part of the PCR. The PCR is unaudited and derived from the Debtors' books and records, and the Debtors reserve all rights to amend it.

## Part 1 — Summary of Post-Confirmation Transfers

Disbursements were prepared using the same methodology as the Debtors' Monthly Operating Reports, rolling up weekly cash activity by legal entity into monthly totals for the reporting period. Consistent with the accommodation granted by the U.S. Trustee, the full month of May 2026 is included in the PCR (covering both the pre- and post-Effective Date periods) in lieu of a separate Monthly Operating Report for the partial month. For all Debtor entities other than Multi-Color Corporation – Norwood, June 2026 disbursements reflect activity through June 24, 2026, the date those Chapter 11 cases were closed, consistent with 28 U.S.C. § 1930(a)(6). Multi-Color Corporation – Norwood remains open and is reported on a full-month basis.

## Part 2 — Preconfirmation Professional Fees and Expenses

Only fees and expenses of retained professionals are reportable in Part 2, and such professionals must obtain Bankruptcy Court approval of their fee applications before payment. All retained professionals filed their fee applications in late June 2026, with a hearing scheduled for July 20, 2026, after the close of the reporting period. Accordingly, no pre-confirmation professional fees were paid during May or June 2026, and none are reported for this quarter.

## Part 3 — Recoveries of the Holders of Claims and Interests Under Confirmed Plan

The amounts reported in Part 3 reflect payments made during the reporting period on account of filed claims only and are therefore lower than the total payments made to vendors and other counterparties during the quarter, as reported in Part 1. Using the claims register as the starting point, the Debtors included only payments that (i) were made on account of a claim filed on the register and (ii) were paid during May or June 2026. The amount attributed to each claim was based on the nature of the claim as asserted.

General unsecured claims are unimpaired under the Plan and have been satisfied in the ordinary course of business, and many such payments were made to counterparties that did not file a claim. As a result, the majority of vendors and general unsecured disbursements are captured in Part 1 rather than Part 3, concentrated primarily at the Multi-Color Corporation entity.
