Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Commitments, or expiration, termination or cash collateralization of any Letter of Credit and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. All calculations of the Lenders' Commitment Percentages shall be made from time to time by the Administrative Agent, which calculations shall be conclusive absent manifest error.

(b) If the Borrowers fail to reimburse the applicable Issuing Lender on the due date as provided in Subsection 3.5, such Issuing Lender shall notify the Administrative Agent and the Administrative Agent shall notify each applicable Lender of the applicable L/C Disbursement, the payment then due from the applicable Borrowers in respect thereof and such Lender's Commitment Percentage thereof. Each Lender shall pay by wire transfer of immediately available funds to the Administrative Agent not later than 2:00 P.M., New York City time, on such date (or, if such Lender shall have received such notice later than 12:00 P.M., New York City time, on any day, not later than 11:00 A.M., New York City time, on the next succeeding Business Day), the amount equal to such Lender's Commitment Percentage of the Dollar Equivalent of the unreimbursed L/C Disbursement in the same manner as provided in Subsection 2.2 with respect to Loans made by such Lender, and the Administrative Agent will promptly pay to the applicable Issuing Lender the amounts so received by it from the Lenders; provided that, any such payment from Lender to the Administrative Agent shall not be made prior to the date that such amount due shall be converted into Dollars in accordance with Subsection 3.5(a). The Administrative Agent will promptly pay to the applicable Issuing Lender any amounts received by it from the applicable Borrowers pursuant to the above clause (a) prior to the time that any Lender makes any payment pursuant to the preceding sentence and any such amounts received by the Administrative Agent from the applicable Borrowers thereafter will be promptly remitted by the Administrative Agent to the Lender that shall have made such payments and to such Issuing Lender, as appropriate.

(c) If any Lender shall not have made its applicable Commitment Percentage of such L/C Disbursement available to the Administrative Agent as provided above, each of (w) such Lender, (x) in the case of U.S. Facility L/C Disbursements and Global Facility U.S. Borrower L/C Disbursements, each U.S. Borrower, (y) in the case of French Facility L/C Disbursements, each French Borrower and (z) in the case of Global Facility RoW Borrower L/C Disbursements, each RoW Borrower, severally agrees to pay interest on such amount (with interest based on the Dollar Equivalent of any amounts denominated in Designated Foreign Currencies), for each day from and including the date such amount is required to be paid in accordance with the foregoing to but excluding the date such amount is paid, to the

3.6 ~~3.6~~ Obligations Absolute. The Reimbursement Obligations of Borrowers as provided in Subsection 3.5 shall be absolute, unconditional and irrevocable, and shall be paid and performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein; (ii) any draft or other document presented under a Letter of Credit being proved to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; (iii) payment by any Issuing Lender under a Letter of Credit against presentation of a draft or other document that fails to comply with the terms of such Letter of Credit; (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 3, constitute a legal or equitable discharge of, or provide a right of setoff against, the obligations of any Borrower hereunder; (v) the fact that a Default shall have occurred and be continuing; or (vi) any material adverse change in the business, property, results of operations, prospects or condition, financial or otherwise, of the Parent Borrower and its Restricted Subsidiaries. None of the Agents, the Lenders, the Issuing Lenders or any of their affiliates shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Lenders; provided that the foregoing shall not be construed to excuse any Issuing Lender from liability to the Borrowers to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable Requirements of Law) suffered by the Borrowers that are caused by such Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the applicable Issuing Lender (as determined in a final non-appealable judgment of a court of competent jurisdiction), such Issuing Lender shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the

contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

3.7 ~~3.7~~ L/C Disbursements. The applicable Issuing Lender shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Lender shall promptly give written notice to the Administrative Agent and the Borrower Representative of such demand for payment and if such Issuing Lender has made or will make an L/C Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve (x) any U.S. Borrower of its Reimbursement Obligation to such Issuing Lender and the applicable Lenders with respect to any such U.S. Facility L/C Disbursement or Global Facility U.S. Borrower L/C Disbursement (in each case other than with respect to the timing of such Reimbursement Obligation set forth in Subsection 3.5), (y) ~~the~~any French Borrower of its Reimbursement Obligation to such Issuing Lender and the applicable Lenders with respect to any such French Facility L/C Disbursement (in each case other than with respect to the timing of such Reimbursement Obligation set forth in Subsection 3.5) or (z) any RoW Borrower of its Reimbursement Obligation to such Issuing Lender and the applicable Lenders with respect to any such Global Facility RoW Borrower L/C Disbursement (in each case other than with respect to the timing of such Reimbursement Obligation set forth in Subsection 3.5).

3.8 ~~3.8~~ L/C Request. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any L/C Request or other application or agreement submitted by any Borrower or any Subsidiary, to, or entered into by any Borrower or any Subsidiary with, any Issuing Lender relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

3.9 ~~3.9~~ Cash Collateralization.

(a) If the maturity of the Loans has been accelerated, the U.S. Borrowers shall then deposit on terms and in accounts satisfactory to the Administrative Agent, in the name of the Collateral Agent and for the benefit of the applicable Lenders, an amount in cash (in Dollars or in the applicable Designated Foreign Currency, as the case may be) equal to the sum of (x) the Global Facility L/C Obligations of the U.S. Borrowers as of such date and (y) the U.S. Facility L/C Obligations, plus in each case any accrued and unpaid interest thereon (with interest based on the Dollar Equivalent of any amounts denominated in Designated Foreign Currencies). Funds so deposited shall be applied by the Administrative Agent to reimburse the applicable Issuing Lender for L/C Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be applied to satisfy other Obligations of the U.S. Borrowers under this Agreement.

(b) If the maturity of the Loans has been accelerated, the French Borrowers shall then deposit on terms and in accounts satisfactory to the Administrative Agent, in the name of the Collateral Agent and for the benefit of the applicable Lenders, an amount in cash (in Euro) equal to the French Facility L/C Obligations of the French Borrowers as of such date plus any accrued and unpaid interest thereon. Funds so deposited shall be applied by the Administrative Agent to reimburse the applicable French Facility Issuing Lender for French Facility L/C

Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be applied to satisfy other Obligations of the French Borrowers under this Agreement.

(c) If the maturity of the Loans has been accelerated, the RoW Borrowers shall then deposit on terms and in accounts satisfactory to the Administrative Agent, in the name of the Collateral Agent and for the benefit of the applicable Lenders, an amount in cash (in Dollars or in the applicable Designated Foreign Currency, as the case may be) equal to the Global Facility L/C Obligations of the RoW Borrowers as of such date plus any accrued and unpaid interest thereon (with interest based on the Dollar Equivalent of any amounts denominated in Designated Foreign Currencies). Funds so deposited shall be applied by the Administrative Agent to reimburse the applicable Issuing Lender for L/C Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be applied to satisfy other Obligations of the RoW Borrowers under this Agreement.

3.10 ~~3.10~~ Additional Issuing Lenders. The Borrower Representative may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld, conditioned or delayed) and such Lender, designate one or more additional Lenders to act as an issuing lender under the terms of this Agreement. Any Lender designated as an issuing lender pursuant to this Subsection 3.10 shall (in addition to being a Lender) be deemed to be a "U.S. Facility Issuing Lender", a "French Facility Issuing Lender" and/or a "Global Facility Issuing Lender", as applicable, in respect of Letters of Credit issued or to be issued by such Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to the other U.S. Facility Issuing Lenders, French Facility Issuing Lenders and/or Global Facility Issuing Lenders and such Lender. The Administrative Agent shall notify the Lenders of any such additional Issuing Lender. If at any time there is more than one Issuing Lender hereunder, the Borrower Representative may, in its discretion, select which Issuing Lender is to issue any particular Letter of Credit.

3.11 ~~3.11~~ Resignation or Removal of the Issuing Lender. Any Issuing Lender may resign as Issuing Lender hereunder at any time upon at least 30 days' prior notice to the Lenders, the Administrative Agent and the Borrower Representative. Any Issuing Lender may be replaced at any time by written agreement among the Borrower Representative, each Agent, the replaced Issuing Lender and the successor Issuing Lender. The Administrative Agent shall notify the Lenders of any such resignation or replacement of an Issuing Lender. At the time any such resignation of an Issuing Lender shall become effective, the applicable Borrowers shall pay all unpaid fees accrued for the account of the retiring Issuing Lender pursuant to Subsection 3.3. From and after the effective date of any such resignation or replacement, (i) the successor Issuing Lender shall have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit to be issued by it thereafter and (ii) references herein to the term "Issuing Lender" shall be deemed to refer to such successor or to any previous Issuing Lender, or to such successor and all previous Issuing Lenders, as the context requires. After the resignation or replacement of an Issuing Lender, the retiring or replaced Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit.

SECTION 4~~SECTION 4~~

Each Daily Simple SOFR Rate Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Daily Simple SOFR Rate in effect for such day plus the Applicable Margin in effect for such day.

(b) Each ABR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Alternate Base Rate in effect for such day plus the Applicable Margin in effect for such day.

(c) Each Canadian Prime Rate Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Canadian Prime Rate in effect for such day plus the Applicable Margin in effect for such day.

(d) Each RFR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Daily Simple RFR in effect for such day plus the Applicable Margin in effect for such day.

(e) Each ESTR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Daily Simply ESTR in effect for such day plus the Applicable Margin in effect for such day.

(f) If all or a portion of (i) the principal amount of any Loan, (ii) any interest payable thereon or (iii) any commitment fee, letter of credit commission, letter of credit fee or other amount payable hereunder shall not be paid when due (whether at the Stated Maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto pursuant to the relevant foregoing provisions of this Subsection 4.1 plus 2.00%, (y) in the case of overdue interest, the rate that would otherwise be applicable to principal of the related Loan pursuant to the relevant foregoing provisions of this Subsection 4.1 (other than clause (x) above) plus 2.00% and (z) in the case of fees, commissions or other amounts, the rate described in clause (b) of this Subsection 4.1 for ABR Loans that are Revolving Credit Loans accruing interest at the Alternate

(g) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to clause (f) of this Subsection 4.1 shall be payable from time to time on demand exercised in accordance with Subsection 9.2.

(h) It is the intention of the parties hereto to comply strictly with applicable usury laws; accordingly, it is stipulated and agreed that the aggregate of all amounts which constitute interest under applicable usury laws, whether contracted for, charged, taken, reserved, or received, in connection with the indebtedness evidenced by this Agreement or any Notes, or any other document relating or referring hereto or thereto, now or hereafter existing, shall never exceed under any circumstance whatsoever the maximum amount of interest allowed by applicable usury laws.

(i) For the purposes of the Interest Act (Canada) and disclosure thereunder, whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360 day, 365 day or 366 day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360, 365 or 366, as applicable. The rates of interest under this Agreement are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

(j) If any provision of this Agreement or of any of the other Loan Documents would obligate any Canadian Loan Party to make any payment of interest or other amount payable to any Agent or any Lender in an amount or calculated at a rate which would be prohibited by applicable law or would result in a receipt by such Agent or such Lender of "interest" at a "criminal rate" (as such terms are construed under the *Criminal Code* (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by such Agent or such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to such Agent or such Lender hereunder; and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Agent or such Lender which would constitute "interest" for purposes of Section 347 of the *Criminal Code* (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if an Agent or Lender shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code* (Canada), the applicable Canadian Loan Party shall be entitled, by notice in writing to such Agent or such Lender, to obtain reimbursement from such Agent or such Lender in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by such Agent or such Lender to any Canadian Loan Party. Any amount or rate of interest referred to in this Subsection 4.1(j) shall be determined in accordance with GAAP as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the *Criminal Code* (Canada)) shall, if they relate to a

specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the maturity date of the applicable Tranche and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Administrative Agent shall be conclusive for the purposes of such determination.

(k) For the purpose of articles L.314-1 to L.314-5 of the French Consumer Code (*Code de la consommation*), article R.314-1 et seq. of the French Consumer Code (*Code de la consommation*) and article L.313- 4 of the French Monetary and Financial Code (*Code monétaire et financier*), the French Borrowers and the Lenders acknowledge that by virtue of certain characteristics of the French Facility (in particular the floating rates of interest and the adjustment of the Applicable Margin applicable to the Loans, Holdings' right to select the duration of each Interest Period and the uncertainty as to the amount to be effectively drawn from time to time under the French Facility), the *taux effectif global* (the "TEG") cannot be calculated at the date of this Agreement. Notwithstanding the foregoing, each French Borrower acknowledges that it received from the Administrative Agent a letter containing an indicative calculation of the TEG, based on figured examples calculated on assumptions as to the period rate (*taux de période*) and the period term (*durée de période*) set out in a letter and on the assumption that the interest rate and all other fees, costs or expenses payable by any French Borrower under this Agreement will be maintained at their original level throughout the term of this Agreement (each a "TEG Letter"). The French Borrowers and the Lenders acknowledge that the TEG Letters delivered in accordance with the provisions above form part of this Agreement.

(l) Default interest (if unpaid) arising on an overdue amount will be compounded with the overdue amount only if, within the meaning of article 1343-2 of the French Civil Code (Code civil), such interest is due by a French Loan Party for a period of at least one year, but will remain immediately due and payable.

Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. If any such notice is given, the amount specified in such notice shall (subject to Subsection 4.4(g)) be due and payable on the date specified therein, together with (if a Eurocurrency Loan is prepaid other than at the end of the Interest Period applicable thereto) any amounts payable pursuant to Subsection 4.12, the Revolving Credit Loans and the Reimbursement Obligations pursuant to this Subsection 4.4(a) and shall (unless the Borrower Representative otherwise directs) be applied, first, to payment of the Swingline Loans then outstanding, second, to payment of the Revolving Credit Loans then outstanding, third, to payment of any Reimbursement Obligations then outstanding, and last, to cash collateralize any outstanding L/C Obligation on terms reasonably satisfactory to the Administrative Agent; provided that any pro rata calculations required to be made pursuant to this Subsection 4.4(a) in respect of any Loan denominated in a Designated Foreign Currency shall be made on a Dollar Equivalent basis. (b) (i) Without duplication of any mandatory prepayment required, and after giving effect to any mandatory prepayment made, under clause (ii), (iii), (iv) or (v) of this Subsection 4.4(b), on any day (other than during an Agent Advance Period) on which the Aggregate U.S. Facility Lender Exposure exceeds (x) the limitations set forth in Subsection 2.1(a)(I)(v) or (y) the Total U.S. Facility Commitment as then in effect, the U.S. Borrowers shall prepay on such day the principal of outstanding U.S. Facility Revolving Credit Loans in an amount equal to such excess. If, after giving effect to the prepayment of all outstanding U.S. Facility Revolving Credit Loans, the aggregate amount of the U.S. Facility L/C Obligations exceeds the U.S. Borrowing Base at such time (based on the Borrowing Base Certificate last delivered), the U.S. Borrowers shall pay to the Administrative Agent on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to such U.S. Facility L/C Obligations at such time), such cash and/or Cash Equivalents to be held as security for all obligations of the U.S. Borrowers to the U.S. Facility Issuing Lenders and the U.S. Facility Revolving Credit Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent.

(ii) Without duplication of any mandatory prepayment required, and after giving effect to any mandatory prepayment made, under clause (i), (iii), (iv) or (v) of this Subsection 4.4(b), on any day (other than during an Agent Advance Period) on which (x) the Aggregate French Borrower Credit Extensions to a French Borrower exceeds the limitations set forth in Subsection 2.1(a)(II)(vi) or (y) the Aggregate French Facility Lender Exposure exceed the Total French Facility Commitment as then in effect, such French Borrower shall prepay on such day the principal of outstanding French Facility Revolving Credit Loans made to such French Borrower in an amount that is equal to such excess. If, after giving effect to the prepayment of all outstanding French Facility Revolving Credit Loans made to a French Borrower, the aggregate amount of the French Facility L/C Obligations in respect of French Facility Letters of Credit issued to, or for the account of, such French Borrower exceeds the difference of (1) the French Borrowing Base applicable to such French Borrower at such time (based on the Borrowing Base Certificate last delivered) minus (2) the unpaid balance of the Aggregate Borrower Facility Credit Extensions to such French Borrower, such French Borrower shall pay to the Administrative Agent on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to such French Facility L/C Obligations at such time), such cash and/or Cash Equivalents to be held as security for all obligations of such French Borrower to the French Facility Issuing Lenders and the French Facility Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent.

(iii) Without duplication of any mandatory prepayment required, and after giving effect to any mandatory prepayment made, in each case under clause (i), (ii), (iv) or (v) of this Subsection 4.4(b), on any day (other than during an Agent Advance Period) on which (x) the Aggregate U.S. Borrower Global Facility Credit Extensions exceed the limitations set forth in Subsection 2.1(a)(III)(v) or (y) the Aggregate Global Facility Lender Exposure exceeds the Total Global Facility Commitment as then in effect, the U.S. Borrowers shall prepay on such day the principal of outstanding Global Facility Revolving Credit Loans made to the U.S. Borrowers in an amount equal to such excess. If, after giving effect to the prepayment of all outstanding Global Facility Revolving Credit Loans made to the U.S. Borrowers, the aggregate amount of the Global Facility L/C Obligations in respect of Global Facility Letters of Credit issued to, or for the account of, the U.S. Borrowers exceeds the difference of (1) the U.S. Borrowing Base at such time (based on the Borrowing Base Certificate last delivered) minus (2) the unpaid balance of the Aggregate U.S. Borrower U.S. Facility Credit Extensions, the U.S. Borrowers shall pay to the Administrative Agent on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to such Global Facility L/C Obligations at such time), such cash and/or Cash Equivalents to be held as security for all obligations of the U.S. Borrowers to the Global Facility Issuing Lenders and the Global Facility Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent.

(iv) Without duplication of any mandatory prepayment required, and after giving effect to any mandatory prepayment made, under clause (i), (ii), (iii) or (v) of this Subsection 4.4(b), on any day (other than during an Agent Advance Period) on which (x) the Aggregate RoW Borrower Credit Extensions exceeds the limitations set forth in Subsection 2.1(a)(III)(vi) or (y) the Aggregate Global Facility Lender Exposure exceed the Total Global Facility Commitment as then in effect, the RoW Borrowers (other than the German Borrowers) shall prepay on such day the principal of outstanding Global Facility Revolving Credit Loans made to the Global Borrowers in an amount equal to such excess. If, after giving effect to the prepayment of all outstanding Global Facility Revolving Credit Loans made to the RoW Borrowers, the aggregate amount of the Global Facility L/C Obligations in respect of Global Facility Letters of Credit issued to, or for the account of, the RoW Borrowers (other than the German Borrowers) exceeds the difference of (1) the Borrowing Base at such time (based on the Borrowing Base Certificate last delivered) minus (2) the sum of (1) the unpaid balance of the Aggregate U.S. Borrower U.S. Facility Credit Extensions plus (2) the unpaid balance of the Aggregate U.S. Borrower Global Facility Credit Extensions, the RoW Borrowers (other than the German Borrowers) shall pay to the Administrative Agent on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to such Global Facility L/C Obligations at such time), such cash and/or Cash Equivalents to be held as security for all obligations of the RoW Borrowers (other than the German Borrowers) to the Global Facility Issuing Lenders and the Global Facility

Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent.

(v) Without duplication of any mandatory prepayment required, and after giving effect to any mandatory prepayment made, in each case under clause (i), (ii), (iii) or (iv) of this Subsection 4.4(b), on any day (other than during an Agent Advance Period) on which (x) the German Borrower Credit Extensions to a German Borrower exceed the limitations set forth in Subsection 2.1(a)(III)(vii) or (y) the Aggregate Global Facility Lender Exposure exceeds the Total Global Facility Commitment as then in effect, such German Borrower shall prepay on such day the principal of outstanding Global Facility Revolving Credit Loans made to such German Borrower in an amount equal to such excess. If, after giving effect to the prepayment of all outstanding Global Facility Revolving Credit Loans made to a German Borrower, the aggregate amount of the Global Facility L/C Obligations in respect of Global Facility Letters of Credit issued to, or for the account of, such German Borrower exceeds the difference of (1) the German Borrowing Base applicable to such German Borrower at such time (based on the Borrowing Base Certificate last delivered) minus (2) the unpaid balance of the German Borrower Credit Extensions to such German Borrower, such German Borrower shall pay to the Administrative Agent on such day an amount of cash and/or Cash Equivalents equal to the amount of such excess (up to a maximum amount equal to such Global Facility L/C Obligations at such time), such cash and/or Cash Equivalents to be held as security for all obligations of such German Borrower to the Global Facility Issuing Lenders and the Global Facility Lenders hereunder in a cash collateral account to be established by, and under the sole dominion and control of, the Administrative Agent.

(c) The U.S. Borrowers shall prepay all U.S. Facility Swingline Loans then outstanding simultaneously with each borrowing by them of U.S. Facility Revolving Credit Loans.

(d) The RoW Borrowers (other than the German Borrowers) shall prepay all Global Facility Swingline Loans then outstanding simultaneously with each borrowing by them of Global Facility Revolving Credit Loans.

(e) Each German Borrower shall prepay all Global Facility Swingline Loans made to such German Borrower then outstanding simultaneously with each borrowing by such German Borrower of Global Facility Revolving Credit Loans.

(f) For avoidance of doubt, the Commitments shall not be correspondingly reduced by the amount of any prepayments of Revolving Credit Loans, payments of Reimbursement Obligations and cash collateralizations of L/C Obligations, in each case, made under Subsection 4.4(b).

(g) Notwithstanding the foregoing provisions of this Subsection 4.4, if at any time any prepayment of the Loans pursuant to Subsection 4.4(a) or 4.4(b) would result, after giving effect to the procedures set forth in this Agreement, in any Borrower incurring breakage

costs under Subsection 4.12 as a result of Eurocurrency Loans being prepaid other than on the last day of an Interest Period with respect thereto, then, the relevant Borrower may, so long as no Default or Event of Default shall have occurred and be continuing, in its sole discretion, initially (i) deposit a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurocurrency Loans with the Administrative Agent (which deposit must be equal in amount to the amount of such Eurocurrency Loans not immediately prepaid), to be held as security for the obligations of such Borrowers to make such prepayment pursuant to a cash collateral agreement to be entered into on terms reasonably satisfactory to the Administrative Agent with such cash collateral to be directly applied upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurocurrency Loans (or such earlier date or dates as shall be requested by such Borrower) or (ii) make a prepayment of the Revolving Credit Loans in accordance with Subsection 4.4(a) with an amount equal to a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurocurrency Loans (which prepayment, together with any deposits pursuant to clause (i) above, must be equal in amount to the amount of such Eurocurrency Loans not immediately prepaid); provided that, notwithstanding anything in this Agreement to the contrary, none of the Borrowers may request any Extension of Credit under the Commitments that would reduce the aggregate amount of the Available Loan Commitments to an amount that is less than the amount of such prepayment until the related portion of such Eurocurrency Loans has been prepaid upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurocurrency Loans; provided further, in the case of either clause (i) or (ii) above, such unpaid Eurocurrency Loans shall continue to bear interest in accordance with Subsection 4.1 until such unpaid Eurocurrency Loans or the related portion of such Eurocurrency Loans, as the case may be, have or has been prepaid.

(h) If a notice of prepayment in connection with a repayment of all outstanding Loans is given in connection with a conditional notice of termination of Commitments as contemplated by Subsection 2.3, then such notice of prepayment may be revoked if such notice of termination is revoked in accordance with Subsection 2.3.

(i) Notwithstanding anything to the contrary herein, this Subsection 4.4 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Loans added pursuant to Subsections 2.6, 2.7 and 2.8, as applicable.

4.5 ~~4.5~~ Commitment Fees; Administrative Agent's Fee; Other Fees.

(a) (i) Each U.S. Borrower agrees to pay to the Administrative Agent, for the account of each U.S. Facility Lender, a commitment fee for the period from and including the first day of the Commitment Period to the Termination Date, computed at the Applicable Commitment Fee Rate on the average daily amount of the Available U.S. Facility Loan Commitment of such U.S. Facility Lender during the period for which payment is made, payable quarterly in arrears on the last Business Day of each Fiscal Quarter and on the Termination Date or such earlier date as the U.S. Facility Commitments shall terminate as provided herein, commencing on the first such date to occur after the Closing Date.

Each Borrower agrees to pay to the Administrative Agent the fees set forth in the last paragraph under the heading "ABL Facility Fees" of the Fee Letter on the payment dates set forth therein.

Any change in the interest rate on a Loan resulting from a change in the Alternate Base Rate, the Canadian Prime Rate or the Statutory Reserves shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower Representative and the affected Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on each of the Borrowers and the Lenders in the absence of manifest error. The Administrative Agent shall, at

the request of the Borrower Representative or any Lender, deliver to the Borrower Representative or such Lender a statement showing in reasonable detail the calculations used by the Administrative Agent in determining any interest rate pursuant to Subsection 4.1, excluding any Alternate Base Rate or any Canadian Prime Rate.

(a) If, prior to the first day of any Interest Period (and, in the case of an RFR Loan or a Daily Simple SOFR Rate Loan, during the period that such Loan is outstanding), the Administrative Agent shall have determined (which determination shall be conclusive and binding upon each of the Borrowers) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Adjusted EURIBOR Rate, Term CORRA Rate, Adjusted NZD Rate or Adjusted AUD Rate, as applicable, with respect to any Eurocurrency Loan (the "Affected Eurocurrency Rate"), or the Term SOFR Rate with respect to any Term SOFR Rate Loan for such Interest Period (the "Affected Term SOFR Rate"), or the Daily Simple SOFR Rate with respect to any Daily Simple SOFR Rate Loan (the "Affected Daily Simple SOFR Rate"), or the RFR with respect to any RFR Loan (the "Affected RFR"), the Administrative Agent shall give facsimile or telephonic notice thereof to the Borrower Representative and the Lenders as soon as practicable thereafter. If such notice is given, (a) any Term SOFR Rate Loans the rate of interest applicable to which is based on the Affected Term SOFR Rate requested to be made on the first day of such Interest Period shall be made as ABR Loans and any Daily Simple SOFR Rate Loans the rate of interest applicable to which is based on the Affected Daily Simple SOFR Rate shall be made as ABR Loans, (b) any Eurocurrency Loans to be made in Canadian Dollars the rate of interest applicable to which is based on the Affected Eurocurrency Rate requested to be made on the first day of such Interest Period shall be made as Canadian Prime Rate Loans, (c) any Eurocurrency Loans to be made in a Designated Foreign Currency (other than Canadian Dollars) the rate of interest applicable to which is based on the Affected Eurocurrency Rate requested to be made on the first day of such Interest Period shall be made as Central Bank Rate Loans in the applicable Designated Foreign Currency, (d) any RFR Loans the rate of interest applicable to which is based on the Affected RFR shall be made as Central Bank Rate Loans in Sterling, (e) any Loans that were to have been converted on the first day of such Interest Period to or continued as Term SOFR Rate Loans the rate of interest applicable to which is based upon the Affected Term SOFR Rate shall be converted to or continued as ABR Loans and any Loans that were to have been converted to Daily Simple SOFR Rate Loans the rate of interest applicable to which is based upon the Affected Daily Simple SOFR Rate shall be converted to ABR Loans, (f) any Loans that were to have been converted on the first day of such Interest Period to or continued as Eurocurrency Loans in Canadian Dollars the rate of interest applicable to which is based upon the Affected Eurocurrency Rate shall be converted to or continued as Canadian Prime Rate Loans, (g) any Eurocurrency Loans in a Designated Foreign Currency (other than Canadian Dollars) that were to have been continued as Eurocurrency Loans in a Designated Foreign Currency (other than Canadian Dollars) the rate of interest applicable to which is based upon the Affected Eurocurrency Rate shall be converted to or continued as Central Bank Rate Loans in the applicable Designated Foreign Currency and (h) any RFR Loans that were to have been continued as RFR Loans the rate of interest applicable to which is based upon the Affected RFR shall be converted to or continued as Central Bank Rate Loans in Sterling. Until such notice has been withdrawn by the Administrative Agent, no further Daily Simple SOFR Rate Loans, Term

SOFR Rate Loans, Eurocurrency Loans or RFR Loans the rate of interest applicable to which is based upon the Affected Daily Simple SOFR Rate, Affected Term SOFR Rate, Affected Eurocurrency Rate or Affected RFR shall be made or continued as such, nor shall the Borrower Representative have the right to convert ABR Loans or Canadian Prime Rate Loans to (A) Eurocurrency Loans, the rate of interest applicable to which is based upon the applicable Affected Eurocurrency Rate, (B) Term SOFR Rate Loans, the rate of interest applicable to which is based upon the applicable Affected Term SOFR Rate or (C) Daily Simple SOFR Rate Loans, the rate of interest applicable to which is based upon the applicable Affected Daily Simple SOFR Rate.

(b) In connection with the use, implementation or administration of Term SOFR Rate, Daily Simple SOFR Rate or SOFR, Term CORRA Rate or the Term CORRA Reference Rate, the Administrative Agent will have the right to make the Benchmark Replacement Conforming Changes from time to time with the consent of the Borrower Representative and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments adopting or implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower Representative and the Lenders of the effectiveness of any Benchmark Replacement Conforming Changes.

4.8 ~~4.8~~ Pro Rata Treatment and Payments.

(a) Except as expressly otherwise provided herein each borrowing of U.S. Facility Revolving Credit Loans (other than U.S. Facility Swingline Loans), French Facility Revolving Credit Loans or Global Facility Revolving Credit Loans (other than Global Facility Swingline Loans), as applicable, by any of the applicable Borrowers from the Lenders hereunder shall be made, each payment by any of the Borrowers on account of any commitment fee in respect of the U.S. Facility Commitments, the French Facility Commitments or the Global Facility Commitments, as applicable, hereunder shall be allocated by the Administrative Agent, and any reduction of the U.S. Facility Commitments, the French Facility Commitments or the Global Facility Commitments of the Lenders, as applicable, shall be allocated by the Administrative Agent, in each case pro rata according to the U.S. Facility Commitment Percentages, the French Facility Commitment Percentages or the Global Facility Commitment Percentages, as applicable, of the applicable Lenders. Except as expressly otherwise provided herein, each payment (including each prepayment (but excluding payments made pursuant to Subsection 2.6, 2.7, 2.8, 4.9, 4.10, 4.11, 4.12, 4.13(d), 4.15(c) or 11.1(g))) by any of the applicable Borrowers on account of principal of and interest on any U.S. Facility Revolving Credit Loans, French Facility Revolving Credit Loans or Global Facility Revolving Credit Loans, as applicable, shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Revolving Credit Loans then held by the relevant Revolving Credit Lenders, and each payment on account of principal of and interest on any loans made pursuant to any Tranche established after the date of this Agreement shall be allocated pro rata (or as may otherwise be provided for in the applicable amendment to this Agreement relating to such Tranche) among the Lenders with Incremental Revolving Commitments in respect thereof or with participations in such Tranche (in each case subject to any limitations on non-pro rata payments otherwise provided for in Subsection 2.6(b)(i)(E) or

2.6(b)(ii)). All payments (including prepayments) to be made by any of the Borrowers hereunder, whether on account of principal, interest, fees, Reimbursement Obligations or otherwise, shall be made without set-off or counterclaim and shall be made on or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 P.M., New York City time (or such later time as may be agreed by the Administrative Agent in its reasonable discretion)) on the due date thereof to the Administrative Agent for the account of the Lenders holding the relevant Loans, the Lenders, the Administrative Agent, or the Other Representatives, as the case may be, at the Administrative Agent's office specified in Subsection 11.2, in Dollars (or in the applicable Designated Foreign Currency, as the case may be) in immediately available funds. Payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. The Administrative Agent shall distribute such payments to such Lenders or Other Representatives, as the case may be, if any such payment is received prior to 2:00 P.M., New York City time, on a Business Day, in like funds as received prior to the end of such Business Day and otherwise the Administrative Agent shall distribute such payment to such Lenders or Other Representatives, as the case may be, on the next succeeding Business Day. If any payment hereunder (other than payments on Daily Simple SOFR Rate Loans, Term SOFR Rate Loans, Eurocurrency Loans or RFR Loans) becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Daily Simple SOFR Rate Loan, Term SOFR Rate Loan, Eurocurrency Loan or RFR Loan becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day (and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. Any pro rata calculations required to be made pursuant to this Subsection 4.8(a) in respect to any Revolving Credit Loan denominated in a Designated Foreign Currency shall be made on a Dollar Equivalent basis. This Subsection 4.8(a) may be amended in accordance with Subsection 11.1(d) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Subsections 2.6, 2.7 and 2.8, as applicable.

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the applicable Borrowers in respect of such borrowing a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon at a rate equal to (i) for amounts denominated in Dollars, the daily average Federal Funds Effective Rate, and (ii) for amounts denominated in a Designated Foreign Currency, the rate customary in such Designated Foreign Currency for settlement of similar interbank obligations as determined by the Administrative Agent, in each case for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Subsection 4.8(b) shall be

conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, (x) the Administrative Agent shall notify the Borrower Representative of the failure of such Lender to make such amount available to the Administrative Agent and the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to such Loans pursuant to Subsection 4.1 on demand from such Borrower and (y) then such Borrower may, without waiving or limiting any rights or remedies it may have against such Lender hereunder or under applicable law or otherwise, borrow a like amount on an unsecured basis from any commercial bank for a period ending on the date upon which such Lender does in fact make such borrowing available.

4.9 ~~4.9~~ Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof in each case occurring after the Closing Date (including any enactment, adoption, issuance or implementation of requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case, pursuant to Basel III or CRD IV (for the avoidance of doubt and without limitation, as amended by CRD V and CRD VI) regardless of the date enacted, adopted, issued or implemented) shall make it unlawful for any Lender to make or maintain any Daily Simple SOFR Rate Loans, Term SOFR Rate Loans, Eurocurrency Loans or RFR Loans as contemplated by this Agreement ("Affected Loans") or to make or maintain Loans to Borrowers organized in a particular jurisdiction ("Affected Borrowers"), (a) such Lender shall promptly give written notice of such circumstances to the Borrower Representative and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to (i) make Affected Loans, continue Affected Loans as such and convert an ABR Loan or a Canadian Prime Rate Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan or a Canadian Prime Rate Loan (or a Swingline Loan), as applicable, when an Affected Loan is requested and/or (ii) make Loans to the Affected Borrowers shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain Loans to such Affected Borrowers, such Lender shall then have a commitment only to make Loans to any applicable Borrower that is not an Affected Borrower, (c) such Lender's Loans then outstanding as Affected Loans, if any, (x) if denominated in Dollars, shall be converted automatically to ABR Loans, (y) if denominated in Canadian Dollars, shall be converted automatically to Canadian Prime Rate Loans and (z) if denominated in any other Designated Foreign Currency, shall, at the option of the Borrower Representative, (i) be prepaid with accrued interest thereon on the last day of the then current Interest Period with respect thereto (or such earlier date as may be required by any Requirement of Law) or (ii) bear interest at an alternate rate which reflects such Lender's cost of funding such Loans (which rate, if less than zero, shall be deemed zero for purposes of this Agreement), as reasonably determined by the Administrative Agent, plus the Applicable Margin hereunder and (d) in the case of such Lender's Loans then outstanding to an Affected Borrower shall, at the option of the Borrower Representative, (i) be prepaid with accrued interest thereon on the last day of the then current Interest Period with respect thereto or, if an ABR Loan, Daily Simple SOFR Rate Loan or Canadian Prime Rate Loan, prepaid with accrued interest thereon on the next Interest Payment Date (or, in each case, such earlier date as

If any such conversion or prepayment of an Affected Loan or Loan of an Affected Borrower (other than a Term SOFR Rate Loan) occurs on a day which is not the last day of the then current Interest Period with respect thereto, the applicable Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Subsection 4.12. To the extent that there is an Affected Borrower with respect to any Lender under any Tranche, such Affected Borrower shall no longer be permitted to request any Loans or Letters of Credit under such Tranche for so long as such Borrower remains an Affected Borrower with respect to any Lender under such Tranche.

4.10 ~~4.10~~ Requirements of Law.

(a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender or any Issuing Lender, or compliance by any Lender or any Issuing Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the Closing Date (or, if later, the date on which such Lender becomes a Lender or such Issuing Lender becomes an Issuing Lender):

(i) shall subject such Lender or such Issuing Lender to any Tax of any kind whatsoever with respect to any Letter of Credit, any L/C Request or any Term SOFR Rate Loans or Eurocurrency Loans made or maintained by it or its obligation to make or maintain Term SOFR Rate Loans or Eurocurrency Loans, or change the basis of taxation of payments to such Lender in respect thereof, in each case, except for (x) Non-Excluded Taxes~~, Taxes imposed by FATCA and Taxes measured by or imposed upon net income, or franchise Taxes, or Taxes measured by or imposed upon overall capital or net worth, or branch Taxes (in the case of such capital, net worth or branch Taxes, imposed in lieu of such net income Tax), of such Lender, such Issuing Lender or its applicable lending office, branch, or any affiliate thereof;~~ with respect to which a Borrower is required to indemnify the Lenders pursuant to Subsection 4.11(a) and (y) Excluded Taxes;

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the Adjusted EURIBOR Rate, Term CORRA Rate, Adjusted AUD Rate or Adjusted NZD Rate, as applicable, hereunder; or

(iii) shall impose on such Lender or such Issuing Lender any other condition (excluding any Tax of any kind whatsoever);

and the result of any of the foregoing is to increase the cost to such Lender or such Issuing Lender, by an amount which such Lender or such Issuing Lender deems to be material, of making, converting into, continuing or maintaining Term SOFR Rate Loans or Eurocurrency Loans, or issuing or participating in Letters of Credit or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Borrower Representative from such Lender, through the Administrative Agent in accordance herewith, the applicable Borrower shall promptly pay such Lender or such Issuing Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such Term SOFR Rate Loans or Eurocurrency Loans or Letters of Credit, provided that, in any such case, to the extent permitted by Subsection 4.2, such Borrower may elect to convert the Term SOFR Rate Loans made by such Lender hereunder to ABR Loans or Eurocurrency Loans made by such Lender hereunder to Canadian Prime Rate Loans (in the case of Eurocurrency Loans made in Canadian Dollars) by giving the Administrative Agent at least one Business Day's (or such shorter period as may be agreed by the Administrative Agent in its reasonable discretion) notice of such election, in which case such Borrower shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Subsection 4.10(a) and such amounts, if any, as may be required pursuant to Subsection 4.12. If any Lender becomes entitled to claim any additional amounts pursuant to this Subsection 4.10(a), it shall provide prompt notice thereof to the Borrower Representative, through the Administrative Agent, certifying (x) that one of the events described in this clause (a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any additional amounts payable pursuant to this Subsection 4.10(a) submitted by such Lender, through the Administrative Agent, to the Borrower Representative shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Subsection 4.10(a), the Borrowers shall not be required to compensate a Lender pursuant to this Subsection 4.10(a) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower Representative of such Lender's intention to claim compensation therefor (except that, if the change in law giving rise to such increased costs is retroactive, then the 180 day period referred to above shall be extended to include the period of retroactive effect thereof) or (ii) for any amounts, if such Lender is applying this provision to the Borrowers in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other credit agreements to similarly situated borrowers. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(b) If any Lender or any Issuing Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or such Issuing Lender or any corporation controlling such Lender or such Issuing Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the Closing Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's or such Issuing Lender's obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or

such Issuing Lender's or such corporation's policies with respect to capital adequacy) by an amount deemed by such Lender or such Issuing Lender to be material, then from time to time, within 10 Business Days after submission by such Lender to the Borrower Representative (through the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this clause (b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or such Issuing Lender or corporation and a reasonably detailed explanation of the calculation thereof, the applicable Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction. Such a certificate as to any additional amounts payable pursuant to this Subsection 4.10(b) submitted by such Lender, through the Administrative Agent, to the Borrower Representative shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Subsection 4.10(b), the Borrowers shall not be required to compensate a Lender pursuant to this Subsection 4.10(b) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower Representative of such Lender's intention to claim compensation therefor or (ii) for any amounts, if such Lender is applying this provision to the Borrowers in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other credit agreements to similarly situated borrowers. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(c) Notwithstanding anything herein to the contrary, the Dodd-Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, in each case shall be deemed to have been enacted, adopted or issued, as applicable, subsequent to the Closing Date for all purposes herein.

i. not a Belgian Qualifying Lender;

ii. a Belgian Qualifying Lender (other than a Belgian Treaty Lender);

iii. a Belgian Treaty Lender

If such a Lender fails to indicate its status in accordance with this Subsection 4.11(h), then such Lender shall be treated for the purposes of this Agreement as if it is not a Belgian Qualifying Lender until such time as it notifies the Agent which category applies (and the Agent, upon receipt of such notification, shall inform the relevant Belgian Borrower). For the avoidance of doubt, the documentation which a Lender executes on becoming a party as a Lender shall not be invalidated by any failure of a Lender to comply with this Subsection 4.11.

Such a Lender shall also specify, in the documentation which it executes on becoming a party as a Lender, that it is a Belgian Non-Cooperative Jurisdiction Lender.

(i) In respect of a Belgian Borrower, each Lender which is a Belgian Non-Cooperative Jurisdiction Lender shall within fifteen (15) Business Days following the receipt of a demand of the Belgian Borrower (which demand shall refer to this Subsection 4.11(i)) provide such Belgian Borrower information reasonably requested, to demonstrate that it cannot be considered as an artificial construction within the meaning of article 198, §1, 10° of the Belgian Income Tax Code ~~1992~~ (or successor provision).

(i) not a French Qualifying Lender;

(ii) a French Qualifying Lender (other than a French Treaty Lender); or

(iii) a French Treaty Lender.

If such a French Facility Lender fails to indicate its status in accordance with this paragraph, then that Lender shall be treated for the purposes of this Agreement as if it is not a French Qualifying Lender until such time as it notifies the Agent which category applies (and the Agent, upon receipt of such notification, shall inform the relevant French Borrower).

Such a Lender shall also specify, in the documentation which it executes on becoming a party as a Lender, whether it is incorporated or acting through an office situated in a French Non-Cooperative Jurisdiction.

For the avoidance of doubt, the documentation which a French Facility Lender executes on becoming a party as a Lender shall not be invalidated by any failure of a French Facility Lender to comply with this paragraph (k).

(l) Each Lender by executing this Agreement on the date hereof represents and warrants that it is an Irish Qualifying Lender (other than by virtue of being an Irish Treaty Lender or an Irish Treaty Lender's Tax-Transparent Entity) as of the date of this Agreement.

(m) Each Transferee which becomes a party to this Agreement after the date of this Agreement shall indicate, in the documentation which it executes on becoming a party to this Agreement as a Lender or otherwise entitled to interest payable under this Agreement (a copy of which shall be provided to the Borrower Representative and the Irish Borrowers), which of the following categories it falls in:

(i) not an Irish Qualifying Lender;

(ii) an Irish Qualifying Lender (other than an Irish Treaty Lender or an Irish Treaty Lender's Tax-Transparent Entity); or

(iii) an Irish Treaty Lender or an Irish Treaty Lender's Tax-Transparent Entity.

(n) If a Transferee fails to indicate its status in accordance with this Subsection 4.11 then such Transferee shall be treated for the purposes of this Agreement (including by the Irish Borrowers) as if it is not an Irish Qualifying Lender until such time as it notifies the Administrative Agent and the Irish Borrowers. For the avoidance of doubt, the documentation which a Transferee executes on becoming a party to this Agreement as a Lender shall not be invalidated by any failure of a Transferee to comply with this Subsection 4.11(w). For the avoidance of doubt, the failure of any Transferee to provide such details shall not constitute a breach of this Agreement by such Transferee.

(o) Any Lender and Transferee, following a written request from the Borrower Representative or an Irish Borrower shall (i) use commercially reasonable efforts to provide details of its name, address and country of tax residence to enable the relevant Irish Borrower to comply with its reporting obligation under section 891A TCA and (ii) use commercially reasonable efforts to confirm to the Irish Borrower if there has been any change in its status as an Irish Qualifying Lender since the date such Lender or Transferee became a party to this Agreement or otherwise entitled to interest payable under this Agreement. If a Lender or a Transferee fails to indicate its status in accordance with this Subsection 4.11 then such Lender or Transferee shall be treated for the purposes of this Agreement (including by the Irish Borrower) as if it is not an Irish Qualifying Lender until such time as it notifies the Administrative Agent, the Borrower Representative and the Irish Borrowers. For the avoidance of doubt, the failure of any Lender to provide such details shall not constitute a breach of this Agreement by such Lender.

(p) The Borrower Representative shall, promptly upon becoming aware that a UK Tax Loan Party must make a UK Tax Deduction (or that there is any change in the rate or

the basis of a UK Tax Deduction) notify the Administrative Agent accordingly. Similarly, a Lender shall notify the Administrative Agent on becoming so aware in respect of a payment payable to that Lender. If the Administrative Agent receives such notification from a Lender it shall notify the Borrower Representative.

(q) Each Lender which becomes a party to this Agreement after the date of this Agreement shall indicate, in the documentation which it executes on becoming a party to this Agreement as a Lender, and for the benefit of the Administrative Agent and without liability to any UK Tax Loan Party, which of the following categories it falls in: (i) not an UK Qualifying Lender, (ii) a UK Qualifying Lender (other than a UK Treaty Lender) or (iii) a UK Treaty Lender. If such a Lender fails to indicate its status in accordance with this Subsection 4.11(n) then such Lender shall be treated for the purposes of this Agreement (including by the UK Tax Borrowers) as if it is not a UK Qualifying Lender until such time as it notifies Administrative Agent which category applies (and the Administrative Agent, upon receipt of such notification, shall inform the Borrower Representative). For the avoidance of doubt, the documentation which a Lender executes on becoming a party to this Agreement as a Lender shall not be invalidated by any failure of that Lender to comply with this Subsection 4.11(n). Any Lender making an advance to a UK Tax Borrower shall promptly notify the UK Tax Borrowers if there has been any change in its status as a UK Qualifying Lender since the date such Lender became a party to this Agreement or otherwise entitled to interest payable under this Agreement.

(r) (i) Subject to clause (ii) of this Subsection 4.11(o) below, a UK Treaty Lender and each UK Tax Borrower which makes a payment to which that UK Treaty Lender is entitled, shall cooperate in completing any procedural formalities necessary for that UK Tax Borrower to obtain authorization to make that payment without a UK Tax Deduction, provided, that the relevant UK Treaty Lender first receives reasonable written notice from the UK Tax Borrowers giving reasonable details of the procedural formalities to be completed.

(ii) (A) A UK Treaty Lender which becomes a party to this Agreement as a Lender on the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and its jurisdiction of tax residence opposite its name at Schedule A (Commitments and Addresses); and (B) a UK Treaty Lender which becomes a party to this Agreement after the day on which this Agreement is entered into that holds a passport under the HMRC DT Treaty Passport scheme, and which wishes that scheme to apply to this Agreement, shall confirm its scheme reference number and its jurisdiction of tax residence in the documentation which it executes on becoming a party to this Agreement as a Lender. If a UK Treaty Lender confirms its scheme reference number and jurisdiction of tax residence in accordance with this clause (ii) of Subsection 4.11(o) it shall be under no further obligations under clause (i) of this Subsection 4.11(o).

(s) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with clause (ii) of Subsection 4.11(o) above and (i) a UK Tax Borrower making a payment to that Lender has not made a UK Tax Borrower DTTP Filing in respect of that Lender; or (ii) a UK Tax Borrower making a payment to that Lender has made a

UK Tax Borrower DTTP Filing in respect of that Lender but (1) that UK Tax Borrower DTTP Filing has been rejected by HM Revenue & Customs or (2) HM Revenue & Customs has not given the UK Tax Borrower authority to make payments to that Lender without a UK Tax Deduction within 60 days of the date of the UK Tax Borrower DTTP Filing; or (3) HM Revenue & Customs has given the UK Tax Borrower authority to make payments to that Lender without a UK Tax Deduction but such authority has subsequently been revoked or expired, and in each case the UK Tax Borrower has notified that Lender in writing, that Lender and the UK Tax Borrower shall cooperate in completing any additional procedural formalities necessary for that UK Tax Borrower to obtain authorization to make that payment without a UK Tax Deduction.

(t) If a Lender has not included an indication to the effect that it wishes the HMRC DT Treaty Passport scheme to apply to this Agreement in accordance with clause (ii) of Subsection 4.11(o) no UK Tax Borrower shall make a UK Tax Borrower DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's advance or its participation in any advance unless the Lender otherwise agrees.

(u) A UK Tax Borrower shall, promptly on making a UK Tax Borrower DTTP Filing, deliver a copy of that UK Tax Borrower DTTP Filing to the Administrative Agent for delivery to the relevant Lender.

(v) A UK Non-Bank Lender shall promptly notify the Borrower Representative and the Administrative Agent if there is any change in the position from that set out in the UK Tax Confirmation.

(w) All amounts expressed to be payable under a Loan Document by any RoW Loan Party to any Agent or Lender which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to Subsection 4.11(u) below, if VAT is or becomes chargeable on any supply made by any Agent or Lender to any RoW Loan Party under a Loan Document and such Agent or Lender is required to account to the relevant tax authority for the VAT, that RoW Loan Party must pay to such Agent or Lender (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Agent or Lender must promptly provide an appropriate VAT invoice to that RoW Loan Party).

(x) If VAT is or becomes chargeable on any supply made by any Agent or Lender (the "Supplier") to any other Agent or Lender (the "Supply Recipient") under a Loan Document, and any party other than the Supply Recipient (the "Relevant Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Supply Recipient in respect of that consideration):

(i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Supply Recipient must (where this Subsection 4.11(u)(i) applies) promptly pay to the Relevant Party an amount equal to any

credit or repayment the Supply Recipient receives from the relevant tax authority which the Supply Recipient reasonably determines relates to the VAT chargeable on that supply; and

(ii) (where the Supply Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Supply Recipient, pay to the Supply Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Supply Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(y) Where a Loan Document requires any party to reimburse or indemnify an Agent or Lender for any cost or expense, that party shall reimburse or indemnify (as the case may be) such Agent or Lender for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Agent or Lender reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(z) Any reference in Subsections 4.11(t) to 4.11(v) (inclusive) to any party shall, at any time when such party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term "representative member" to have the same meaning as in the Value Added Tax Act 1994, or its equivalent meaning in any other applicable value added tax legislation).

(aa) In relation to any supply made by an Agent or Lender to any party under a Loan Document, if reasonably requested by such Agent or Lender, that party must promptly provide such Agent or Lender with details of that party's VAT registration and such other information as is reasonably requested in connection with such Agent's or Lender's VAT reporting requirements in relation to such supply.

(bb) If at any time a New Zealand Lender derives resident passive income (as defined in section YA 1 of the New Zealand Tax Act but ignoring any exclusion from resident passive income for interest derived by a person that has RWT-exempt status as defined in section YA 1 of the New Zealand Tax Act) that consists of interest, the Lender:

(i) will notify the Borrower Representative that it derives resident passive income under this Agreement;

(ii) warrants that it is a person of the type listed in section 32E(2) of the Tax Administration Act 1994 (NZ) and has RWT-exempt status;

(iii) undertakes to maintain its RWT-exempt status; and

(iv) agrees to notify the Borrower Representative promptly upon becoming aware if it ceases (or will cease) to be entitled to have, RWT-exempt status.

(cc) In respect of any amounts payable by a New Zealand Borrower to a Lender that is not a New Zealand Lender, then provided that the New Zealand Borrower is lawfully able to do so, the New Zealand Borrower may, and shall if requested by the Lender:

(i) promptly register itself as an approved issuer (as defined in section YA 1 of the New Zealand Tax Act) (if not already so registered) and this Agreement as a registered security (under section 86G of the Stamp and Cheque Duties Act 1971 (NZ)); and

(ii) in respect of any payment of interest (including any payment deemed to be interest for the purposes of the NRWT Rules as defined in section YA 1 of the New Zealand Tax Act) to such Lender under this Agreement, make the relevant payment of approved issuer levy ("AIL") as defined in section 86F of the Stamp and Cheque Duties Act 1971 (NZ) in respect of that payment of interest in accordance with section 86K of the Stamp and Cheque Duties Act 1971 (NZ).

(~~ff~~dd) Where the New Zealand Borrower is registered as an approved issuer it shall:

(i) maintain the registrations referred to in Subsection 4.11(~~z~~cc)(i) during the term of this Agreement; and

(ii) notify the Lender promptly upon becoming aware that it has failed to maintain such registrations.

(~~dd~~ee) Amounts payable by the New Zealand Borrower for AIL are in addition to amounts payable to the Lender and shall not be deducted from payments of interest unless the AIL was paid following notification from a New Zealand Lender that it is eligible for and wishes to apply an exemption under a double tax agreement (as defined in section BH 1 of the New Zealand Tax Act) where that exemption is dependent on the payment of AIL in accordance with section 86K of the Stamp and Cheque Duties Act 1971 (NZ) (in which case, the New Zealand Borrower shall deduct the amount of such AIL from the relevant amount of interest).

(ff) Notwithstanding anything in this Agreement to the contrary, any Tax paid by a Borrower or a Participant in a Letter of Credit that is a New Zealand tax resident pursuant to section HD 16 of the New Zealand Tax Act that is deducted from an amount held for, or payable to, an Issuing Lender pursuant to section HD 5 of the New Zealand Tax Act shall be deemed to be an amount of Non-Excluded Tax paid by such Issuing Lender and clause (y) of Subsection 4.11(a) shall not apply to such Tax.

(gg) Each Lender authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Subsection 4.11.

(~~ee~~hh) For purposes of this Subsection 4.11 and for purposes of Subsection 4.13, the term "Lender" includes any Issuing Lender.

4.12 ~~4.12~~ Indemnity. Each U.S. Borrower agrees to indemnify each U.S. Facility Lender and each Global Facility Lender, as applicable, in respect of Extensions of Credit made, or requested to be made, to the U.S. Borrowers, each French Borrower agrees to indemnify each French Facility Lender in respect of Extensions of Credit made, or requested to be made, to the French Borrowers, and each RoW Borrower agrees to indemnify each French Facility Lender and each Global Facility Lender, as applicable, in respect of Extensions of Credit made, or requested to be made, to the RoW Borrowers, and, in each case, and to hold each such Lender harmless from any loss or expense which such Lender may sustain or incur (other than through such Lender's bad faith, gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable decision) as a consequence of (a) default by such Borrower in making a borrowing of, conversion into or continuation of Eurocurrency Loans after the Borrower Representative has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by such Borrower in making any prepayment or conversion of Eurocurrency Loans after the Borrower Representative has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a payment or prepayment of Eurocurrency Loans or the conversion of Eurocurrency Loans on a day which is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so prepaid, or converted, or not so borrowed, converted or continued, for the period from the date of such prepayment or conversion or of such failure to borrow, convert or continue to the last day of the applicable Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Eurocurrency Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank Eurocurrency market (as regards Eurocurrency Loans). If any Lender becomes entitled to claim any amounts under the indemnity contained in this Subsection 4.12, it shall provide prompt notice thereof to the Borrower Representative, through the Administrative Agent, certifying (x) that one of the events described in clause (a), (b) or (c) above has occurred and describing in reasonable detail the nature of such event, (y) as to the loss or expense sustained or incurred by such Lender as a consequence thereof and (z) as to the amount for which such Lender seeks indemnification hereunder and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any indemnification pursuant to this Subsection 4.12 submitted by such Lender, through the Administrative Agent, to the Borrower Representative shall be conclusive in the absence of manifest error. The Borrower Representative shall pay (or cause the relevant Borrower to pay) such Lender the amount shown as due on any such certificate within five Business Days after receipt thereof. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

4.13 ~~4.13~~ Certain Rules Relating to the Payment of Additional Amounts.

(a) Upon the request, and at the expense of the Borrower Representative, each Lender and Agent to which any Borrower is required to pay any additional amount pursuant to Subsection 4.10 or 4.11, and any Participant in respect of whose participation such payment is required, shall reasonably afford the Borrower Representative the opportunity to contest, and

reasonably cooperate with the Borrower Representative in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender or Agent shall not be required to afford the Borrower Representative the opportunity to so contest unless the Borrower Representative shall have confirmed in writing to such Lender or Agent such Borrower's obligation to pay such amounts pursuant to this Agreement and (ii) the Borrowers shall reimburse such Lender or Agent for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with the Borrower Representative in contesting the imposition of such Non-Excluded Tax; provided, however, that notwithstanding the foregoing no Lender or Agent shall be required to afford the Borrower Representative the opportunity to contest, or cooperate with the Borrower Representative in contesting, the imposition of any Non-Excluded Taxes, if such Lender or Agent in its sole discretion in good faith determines that to do so would have an adverse effect on it.

(b) If a Lender changes its applicable lending office (other than pursuant to clause (c) below) and the effect of such change, as of the date of such change, would be to cause any of the Borrowers to become obligated to pay any additional amount under Subsection 4.10 or 4.11, such Borrower shall not be obligated to pay such additional amount. No French Facility Lender may change its lending office for a lending office situated in a French Non-Cooperative Jurisdiction without the prior consent of the relevant French Borrower, which consent shall not be unreasonably withheld.

(c) If a condition or an event occurs which would, or would upon the passage of time or giving of notice, result in the payment of any additional amount to any Lender or Agent by any of the Borrowers pursuant to Subsection 4.10 or 4.11 or result in Affected Loans or commitments to make Affected Loans being automatically converted to ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest or commitments to make ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest, as the case may be, pursuant to Subsection 4.9, such Lender or Agent shall promptly notify the Borrower Representative and the Administrative Agent and shall take such steps as may reasonably be available to it to mitigate the effects of such condition or event (which shall include efforts to rebook the Loans held by such Lender at another lending office, or through another branch or an affiliate, of such Lender); provided that such Lender or Agent shall not be required to take any step that, in its reasonable judgment, would be materially disadvantageous to its business or operations or would require it to incur additional costs (unless the Borrowers agree to reimburse such Lender or Agent for the reasonable incremental out-of-pocket costs thereof).

(d) If (x) any of the Borrowers shall become obligated to pay additional amounts pursuant to Subsection 4.10 or 4.11 and any affected Lender shall not have promptly taken steps necessary to avoid the need for payments under Subsection 4.10 or 4.11 ~~or if~~, (y) Affected Loans or commitments to make Affected Loans are automatically converted to ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest or commitments to make ABR Loans, Canadian Prime Rate Loans or Loans bearing an alternate rate of interest, as the case may be, under Subsection 4.9 and any affected Lender shall not have promptly taken steps necessary to avoid the need for such conversion under Subsection 4.9 or (z) solely with respect the following clause (i) with respect to the purchase of affected Loans, if any Affected Borrower exists with respect to any Lender, the Borrower Representative shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent to seek

one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Borrower Representative to purchase the affected Loan, in whole or in part, at an aggregate price no less than such Loan's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) so long as no Event of Default under Subsection 9.1(a) or 9.1(f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent to prepay the affected Loan, in whole or in part, subject to Subsection 4.12, without premium or penalty and terminate the Commitments in respect of the Revolving Credit Facility of such Lender. In the case of the substitution of a Lender, then, the Borrower Representative, any other applicable Borrower, the Administrative Agent, the affected Lender, and any substitute Lender shall execute and deliver an appropriately completed Assignment and Acceptance pursuant to Subsection 11.6(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Subsection 11.6(b) in connection with such assignment shall be paid by the applicable Borrower or the substitute Lender. In the case of a prepayment of an affected Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Loan, the applicable Borrower shall first pay the affected Lender any additional amounts owing under Subsections 4.10 and 4.11 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Subsection 4.13) prior to such substitution or prepayment. In the case of the substitution of a Lender pursuant to this Subsection 4.13(d) or Subsection 4.15(c)(i), if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrowers owing to such replaced Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender and/or the Borrower Representative to such Lender being replaced, then the Lender being replaced shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the applicable Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(e) If any Agent or any Lender receives a refund directly attributable to Taxes for which any of the Borrowers has made additional payments pursuant to Subsection 4.10(a) or 4.11(a), such Agent or such Lender, as the case may be, shall promptly pay such refund (but only to the extent of indemnity payments made under Subsection 4.10(a) or 4.11(a) with respect to the Taxes giving rise to such refund) (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable cost incurred in connection therewith) to such Borrower; provided, however, that such Borrower agrees promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will any Agent or any Lender be required to pay any amount to any Borrower pursuant to this paragraph (e) the payment of which would place such Agent or such Lender in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such

refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Borrower or any other Person.

(f) If a French Subsidiary Guarantor makes a payment under this Agreement on behalf of a Borrower, such French Subsidiary Guarantor shall only be obligated to pay an additional amount under Subsection 4.10 or 4.11 to the extent that the Borrower on behalf of which it is making a payment would have been required to pay such additional amount, subject always to the applicable guarantee limitations under French law and provided in the Guarantee Agreement and in the French Security Agreements to the extent relevant.

(g) The obligations of any Agent, Lender or Participant under this Subsection 4.13 shall survive the termination of this Agreement and the payment of the Loans and all amounts payable hereunder.

4.14 ~~4.14~~ Controls on Prepayment if Aggregate Lender Exposure Exceeds Aggregate Commitments.

(a) In addition to the provisions set forth in Subsection 4.4(b), the Borrower Representative will implement and maintain internal controls to monitor the borrowings and repayments of Loans by the Borrowers and the issuance of and drawings under Letters of Credit, with the objective of preventing any request for an Extension of Credit that would result in (i) the sum of the Aggregate U.S. Facility Lender Exposure, the Aggregate French Facility Lender Exposure and the Aggregate Global Facility Lender Exposure with respect to all of the Revolving Credit Lenders (including the Swingline Lender) being in excess of the aggregate Commitments then in effect or (ii) any other circumstance under which an Extension of Credit would not be permitted pursuant to Subsection 2.1(a).

(b) The Administrative Agent will calculate each Individual U.S. Facility Lender Exposure, each Individual French Facility Lender Exposure and each Individual Global Facility Lender Exposure, in each case, from time to time, and in any event not less frequently than once during each calendar week. In making such calculations, the Administrative Agent will rely on the information most recently received by it from the Swingline Lenders in respect of outstanding Swingline Loans and from the Issuing Lenders in respect of outstanding L/C Obligations.

4.15 ~~4.15~~ Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Revolving Credit Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Revolving Credit Lender is a Defaulting Lender:

(a) no commitment fee shall accrue for the account of a Defaulting Lender so long as such Lender shall be a Defaulting Lender (except to the extent it is payable to the Issuing Lender pursuant to clause (d)(v) below);

(b) in determining the Required Lenders, Required Majority in Interest Lenders or Supermajority Lenders, any Lender that at the time is a Defaulting Lender

(and the Revolving Credit Loans and/or Commitment of such Defaulting Lender) shall be excluded and disregarded;

(c) the Borrower Representative shall have the right, at its sole expense and effort (i) to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Borrower Representative to each become a substitute Revolving Credit Lender and assume all or part of the Commitment of any Defaulting Lender and the Borrower Representative, the Administrative Agent and any such substitute Revolving Credit Lender shall execute and deliver, and such Defaulting Lender shall thereupon be deemed to have executed and delivered, an appropriately completed Assignment and Acceptance to effect such substitution or (ii) so long as no Event of Default under Subsection 9.1(a) or 9.1(f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent, to prepay the Loans and, at the Borrower Representative's option, terminate the Commitments of such Defaulting Lender, in whole or in part, without premium or penalty;

(d) if any Swingline Exposure exists or any L/C Obligations exist at the time a Revolving Credit Lender becomes a Defaulting Lender then:

(i) all or any part of such Swingline Exposure and L/C Obligations shall be re-allocated among the Non-Defaulting Lenders in accordance with their respective Commitment Percentages but only to the extent the sum of all Non-Defaulting Lenders' Revolving Exposures plus such Defaulting Lender's Swingline Exposure and L/C Obligations does not exceed the total of all Non-Defaulting Lenders' Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, (A) the U.S. Borrowers shall within one Business Day following notice by the Administrative Agent (x) first, prepay such Defaulting Lender's Swingline Exposure and (y) second, cash collateralize such Defaulting Lender's U.S. Facility L/C Obligations and Global Facility L/C Obligations in respect of Global Facility Letters of Credit issued to, or for the account of, the U.S. Borrowers (after giving effect to any partial reallocation pursuant to clause (i) above) on terms reasonably satisfactory to the Administrative Agent for so long as such L/C Obligations are outstanding, (B) the French Borrowers shall within one Business Day following notice by the Administrative Agent cash collateralize such Defaulting Lender's French Facility L/C Obligations in respect of French Facility Letters of Credit issued to, or for the account of, the French Borrowers (after giving effect to any partial reallocation pursuant to clause (i) above) on terms reasonably satisfactory to the Administrative Agent for so long as such L/C Obligations are outstanding and (C) the RoW Borrowers shall within one Business Day following notice by the Administrative Agent cash collateralize such Defaulting Lender's Global Facility L/C Obligations in respect of Global Facility Letters of Credit issued to, or for the account of, the RoW Borrowers (after giving effect to any partial reallocation pursuant to clause (i) above) on

terms reasonably satisfactory to the Administrative Agent for so long as such L/C Obligations are outstanding;

(iii) if any portion of such Defaulting Lender's L/C Obligations is cash collateralized pursuant to clause (ii) above, the Borrowers shall not be required to pay the L/C Fee for participation with respect to such portion of such Defaulting Lender's Individual U.S. Facility L/C Exposure, Individual French Facility L/C Exposure or Individual Global Facility L/C Exposure so long as it is cash collateralized;

(iv) if any portion of such Defaulting Lender's L/C Obligations is reallocated to the Non-Defaulting Lenders pursuant to clause (i) above, then the letter of credit commission with respect to such portion shall be allocated among the Non-Defaulting Lenders in accordance with their Commitment Percentages; or

(v) if any portion of such Defaulting Lender's L/C Obligations is neither cash collateralized nor reallocated pursuant to this Subsection 4.15(d), then, without prejudice to any rights or remedies of the Issuing Lender or any Revolving Credit Lender hereunder, the commitment fee that otherwise would have been payable to such Defaulting Lender (with respect to the portion of such Defaulting Lender's Commitment that was utilized by such L/C Obligations) and the letter of credit commission payable with respect to such Defaulting Lender's L/C Obligations shall be payable to the Issuing Lender until such L/C Obligations are cash collateralized and/or reallocated;

(e) so long as (i) any U.S. Facility Lender is a Defaulting Lender, the U.S. Facility Swingline Lender shall not be required to fund any U.S. Facility Swingline Loan and the U.S. Facility Issuing Lenders shall not be required to issue, amend or increase any U.S. Facility Letter of Credit, unless they are respectively satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateralized on terms reasonably satisfactory to the Administrative Agent, and participations in any such newly issued or increased U.S. Facility Letter of Credit or newly made Swingline Loan shall be allocated among Non-Defaulting Lenders in accordance with their respective Commitment Percentages (and Defaulting Lenders shall not participate therein), (ii) any French Facility Lender is a Defaulting Lender, the French Facility Issuing Lenders shall not be required to issue, amend or increase any French Facility Letter of Credit, unless they are respectively satisfied that the related exposure will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateralized on terms reasonably satisfactory to the Administrative Agent, and participations in any such newly issued or increased French Facility Letter of Credit shall be allocated among Non-Defaulting Lenders in accordance with their respective Commitment Percentages (and Defaulting Lenders shall not participate therein) and (iii) any Global Facility Lender is a Defaulting Lender, the Global Facility Swingline Lender shall not be required to fund any Global Facility Swingline Loan and the Global Facility Issuing Lenders shall not be required to issue, amend or increase any Global Facility Letter of Credit, unless they are respectively satisfied that the related exposure

will be 100% covered by the Commitments of the Non-Defaulting Lenders and/or cash collateralized on terms reasonably satisfactory to the Administrative Agent, and participations in any such newly issued or increased Global Facility Letter of Credit shall be allocated among Non-Defaulting Lenders in accordance with their respective Commitment Percentages (and Defaulting Lenders shall not participate therein);

(f) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to Subsection 11.7) may, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated non-interest bearing account and, subject to any applicable Requirements of Law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing by such Defaulting Lender to the Issuing Lender or Swingline Lender hereunder, (iii) third, to the funding of any Loan or the funding or cash collateralization of any participation in any Swingline Loan or Letter of Credit in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (iv) fourth, if so determined by the Administrative Agent and the Borrower Representative, held in such account as cash collateral for future funding obligations of such Defaulting Lender under this Agreement, (v) fifth, pro rata, to the payment of any amounts owing to the Borrowers or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by a Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and (vi) sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that, if such payment is (x) a prepayment of the principal amount of any Loans or Reimbursement Obligations in respect of L/C Disbursements in respect of which a Defaulting Lender has funded its participation obligations and (y) made at a time when the conditions set forth in Subsection 6.2 are satisfied, such payment shall be applied solely to prepay the Loans of, and Reimbursement Obligations owed to, all Non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loans, or Reimbursement Obligations owed to, any Defaulting Lender; and

(g) In the event that the Administrative Agent, the Borrower Representative, each applicable Issuing Lender or the Swingline Lender, as the case may be, each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swingline Exposure and L/C Obligations of the Lenders shall be readjusted to reflect the inclusion of such Lender's Commitment and on such date such Lender shall purchase at par (together with any break funding incurred by the Lenders as a result of such purchase) such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Commitment Percentage. The rights and remedies against a Defaulting Lender under this Subsection 4.15 are in addition to other rights and remedies that the Borrowers, the Administrative Agent, the Issuing Lenders, the Swingline Lender and the Non-Defaulting Lenders may have against such Defaulting Lender. The arrangements permitted or required by this Subsection 4.15 shall be

permitted under this Agreement, notwithstanding any limitation on Liens or the pro rata sharing provisions or otherwise.

(e) If, at any time after the occurrence and during the continuance of a Dominion Event as to which the Administrative Agent has notified the Borrower Representative, any cash, Cash Equivalents or Temporary Cash Investments owned by any Qualified Loan Party (other than (i) de minimis cash, Cash Equivalents and/or Temporary Cash Investments from time to time inadvertently misapplied by any Qualified Loan Party, (ii) cash, Cash Equivalents or Temporary Cash Investments deposited or to be deposited in an Excluded Account in accordance with this Subsection 4.16~~,~~ and (iii) cash, Cash Equivalents or Temporary Cash Investments that are (or are in any bank account that is) excluded from the Collateral pursuant to any Security Document, including Excluded ~~Assets [and (iv) cash, Cash Equivalents or Temporary Cash Investments in the Asset Sale Proceeds Account (as defined in the ABL/Cash Flow Intercreditor Agreement) if any]~~[31] Asset) are deposited to any bank account, or held or invested in any manner, otherwise than in a Blocked Account subject to a Blocked Account Agreement (or a DDA which is swept daily to such Blocked Account), the Administrative Agent shall be entitled to require the applicable Qualified Loan Party to close such bank account and have all funds therein transferred to a Blocked Account, and to cause all future deposits that were previously made or required to be made to such bank account to be made to a Blocked Account.

(f) The Qualified Loan Parties respectively may close DDAs or Concentration Accounts and/or open new DDAs or new Concentration Accounts, subject to, in the case of any new Concentration Account, (i) the contemporaneous execution and delivery to the Administrative Agent of a Blocked Account Agreement consistent with the provisions of this Subsection 4.16 with respect to each such new Cash Pool Collection Account and new Concentration Account or (ii) other arrangements reasonably satisfactory to the Administrative Agent; provided that as part of the Compliance Certificate to be delivered concurrently with the delivery of financial statements and reports referred to in Subsections 7.1(a) and 7.1(b) the Borrower Representative will provide a list to the Administrative Agent of any newly opened or acquired DDAs or Concentration Accounts during the preceding Fiscal Quarter.

~~[31] NTD: to conform to ICA.~~

(g) In the event that a Qualified Loan Party acquires new demand deposit accounts or new concentration accounts in connection with an acquisition, the Borrower Representative will procure that such Qualified Loan Party shall within 120 days of the date of such acquisition (or such longer period as may be agreed by the Administrative Agent) cause such new demand deposit accounts or new concentration accounts so acquired to comply with the applicable requirements of Subsection 4.16(b) (including, with respect to any new Cash Pool Collection Account or Concentration Account, by entering into a Blocked Account Agreement) or shall enter into other arrangements consistent with the provisions of this Subsection 4.16 and otherwise reasonably satisfactory to the Administrative Agent with respect to any new Concentration Account or DDA that, in either case, is to become a Blocked Account.

(h) The Core Concentration Accounts shall at all times be under the sole dominion and control of the Administrative Agent. The Borrower Representative, on behalf of each Qualified Loan Party, hereby acknowledges and agrees that, except to the extent otherwise provided in the U.S. Collateral Agreement, any Non-U.S. Security Document, the ABL/Cash Flow Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement, as applicable, (x) such Qualified Loan Party has no right of withdrawal from the Core Concentration Accounts, (y) (1) the funds on deposit in the U.S. Core Concentration Account shall at all times continue to be collateral security for all of the Obligations of the Qualified Loan Parties hereunder and under the other Loan Documents and all other obligations of the Qualified Loan Parties secured hereunder and under the other Loan Documents, (2) the funds on deposit in the French Core Concentration Account shall at all times continue to be collateral security for all of the Obligations of the French Qualified Loan Parties hereunder and under the other Loan Documents and all other obligations of the French Qualified Loan Parties secured hereunder and under the other Loan Documents and (3) the funds on deposit in the Non-U.S. Core Concentration Accounts shall at all times continue to be collateral security for all of the Obligations of the French Qualified Loan Parties and the Non-U.S. Qualified Loan Parties hereunder and under the other Loan Documents and all other obligations of the French Qualified Loan Parties and the Non-U.S. Qualified Loan Parties secured hereunder and under the other Loan Documents, and (z) the funds on deposit in the Core Concentration Accounts shall be applied as provided in this Agreement and the ABL/Cash Flow Intercreditor Agreement (and any other applicable intercreditor agreement). In the event that, notwithstanding the provisions of this Subsection 4.16, any Qualified Loan Party receives or otherwise has dominion and control of any proceeds or collections required to be transferred to any Core Concentration Account pursuant to Subsection 4.16(c), such proceeds and collections shall be held in trust by such Qualified Loan Party for the Administrative Agent, shall not be commingled with any of such Qualified Loan Party's other funds or deposited in any bank account of such Qualified Loan Party (other than any bank account by which such Qualified Loan Party received or acquired dominion or control over such proceeds and collections or with any funds in such bank account) and shall promptly be deposited into the applicable Core Concentration Account or dealt with in such other fashion as such Qualified Loan Party may be instructed by the Administrative Agent.

(i) So long as no Dominion Event has occurred and is continuing and except as otherwise expressly provided in this Agreement or any other Security Document, the Qualified Loan Parties may direct, and shall have sole control over, the manner of disposition of funds in the Blocked Accounts. Following the occurrence and during the continuance of a

Dominion Event, at the request of the Administrative Agent, (x) each of the Australian Qualified Loan Parties shall deliver duly executed control agreements over each of such Australian Qualified Loan Party's Collection Accounts and (y) each of the Irish Qualified Loan Parties, the UK Qualified Loan Parties and the Scottish Qualified Loan Parties shall deliver a duly executed fixed charge (together with any duly executed notices, intimation and/or other documentation required to be delivered thereunder) in favor of the Administrative Agent or the Collateral Agent over (A) each of such Qualified Loan Party's Collection Accounts and (B) all Accounts of such Qualified Loan Party, and thereafter the Collection Accounts of the Australian Qualified Loan Parties, the Irish Qualified Loan Parties, the UK Qualified Loan Parties and the Scottish Qualified Loan Parties shall remain under the full dominion and control of the Administrative Agent or the Collateral Agent (as applicable). Additionally, upon the occurrence and during the continuance of an Event of Default and subject to any requirements of the applicable Security Documents,[32] the Collateral Agent may, in accordance with the terms of the applicable Security Documents, exercise any applicable rights and remedies under the Security Documents (including delivering any applicable notice of exclusive control or other similar notice) over any Blocked Accounts, Collection Accounts, DDAs or other accounts subject to a control agreement or other similar agreement.

(j) Any amounts held or received in the Core Concentration Accounts (including all interest and other earnings with respect hereto, if any) at any time (x) when all of the monetary obligations due and owing hereunder and under the other Loan Documents have been satisfied or (y) all Dominion Events have been cured or waived, shall (subject in the case of clause (x) to the provisions of the applicable intercreditor agreement), be remitted to the operating bank account of the applicable Qualified Loan Party.

(k) Notwithstanding the foregoing, it is expressly acknowledged that it may be impractical for a Non-U.S. Qualified Loan Party to obtain a Blocked Account Agreement from the bank or depositary that maintains its DDAs or Concentration Accounts or it may take longer than agreed to obtain a Blocked Account Agreement in which event the Administrative Agent will act reasonably in extending the time for obtaining such Blocked Account Agreement if the Administrative Agent is satisfied that such time extension is likely to result in the delivery of the relevant Blocked Account Agreement; provided that in each case, such Non-U.S. Qualified Loan Party has exercised commercially reasonable efforts in providing such Blocked Account Agreement; provided, further, that in connection with any failure to obtain any Blocked Account Agreement with respect to a Cash Pool Collection Account or a Concentration Account notwithstanding such exercise of commercially reasonable efforts, the Administrative Agent may require that the relevant Non-U.S. Qualified Loan Party move its Cash Pool Collection Account or Concentration Account to the Administrative Agent or another bank that will enter into the required form of Blocked Account Agreement (or the equivalent) within a further 120 days (or such longer period as the Administrative Agent may agree in its reasonable discretion) following the Borrower Representative's receipt of a written request from the Administrative Agent to do so. It is expressly acknowledged that the failure to obtain such Blocked Account Agreement shall not constitute a Default or Event of Default.

[32] Note to Cahill: We want to make sure that this doesn't override any local law requirements that are set out in the Security Documents.

(l) Notwithstanding anything herein to the contrary, the Loan Parties shall be deemed to be in compliance with the requirements set forth in this Subsection 4.16 during the initial 90-day period commencing on the Closing Date to the extent that the arrangements described above are established and effective not later than the date that is 90 days following the Closing Date or such later date as the Administrative Agent, in its sole discretion, may agree.

(m) It is expressly acknowledged and understood that, at any time after the date of this Agreement, in the event any of the Polish Subsidiary Guarantors opens and maintains a new DDA or Concentration Account (other than Excluded Accounts), it shall further comply with the requirements set forth in the Polish Account Pledge Agreement with respect to such DDA or Concentration Account.

(n) The Parent Borrower and its Subsidiaries shall ensure that no Collection Account of a Qualified Loan Party is included in the Cash Pool on or after the Closing Date; provided that Collection Accounts that direct proceeds into the Cash Pool shall be deemed not included in the Cash Pool.

(o) Unless otherwise waived within five (5) Business Days of the applicable Mexican Mandate Agreement Trigger Date by the Administrative Agent in its sole discretion (it being understood that the Administrative Agent may revoke any such waiver at any time), in the event that Excess Availability falls below 12.5% of Availability at any time (the "Mexican Mandate Agreement Trigger Date"), Parent Borrower shall cause each of the Mexican Qualified Loan Parties to, within sixty (60) days (or such later date agreed to by the Administrative Agent in its sole discretion) of the Mexican Mandate Agreement Trigger Date, execute Mexican Account Mandate Agreements with respect to its Concentration Accounts and Cash Pool Collection Accounts in Mexico, in each case, with a Mexican Trustee. All reasonable fees and costs associated with the execution of the Mexican Account Mandate Agreements shall be borne by the Parent Borrower or the applicable Mexican Qualified Loan Parties. The Mexican Account Mandate Agreements shall be executed on terms reasonably acceptable to the Administrative Agent and shall provide that after the occurrence and during the continuance of a Dominion Event, the Administrative Agent shall have the right to instruct the Mexican Trustee, to transfer to a Non-U.S. Core Concentration Account, on a daily basis (or with any other periodicity acceptable to the relevant Mexican Trustee based on its internal policies), all balances in the respective Concentration Accounts and Cash Pool Collection Accounts subject to the Mandate Agreements, net of such minimum balance (not to exceed the Dollar Equivalent of $500,000 per account or the Dollar Equivalent of $2,000,000 in the aggregate), if any, required by the applicable bank.

(p) Notwithstanding the foregoing, Parent Borrower shall deliver, or shall cause the Loan Parties to deliver, control agreements in favor of and for the benefit of the Collateral Agent on behalf of the Secured Parties with respect to any bank accounts holding proceeds of Indebtedness Incurred pursuant to clause (x) of the definition of "Permitted Intercompany Indebtedness" and received in the form of cash or Cash Equivalents within ninety (90) days after the proceeds are received by such Loan Party or by such later date as the Collateral Agent may reasonably agree; *provided* that this Subsection 4.16(p) shall not apply to

the extent substantially all of such proceeds received by such Loan Party are promptly utilized by such Loan Party for a bona fide business purpose.

(d) At its own expense, execute, acknowledge and deliver, or cause the execution, acknowledgement and delivery of, and thereafter register, file or record in an appropriate governmental office, any document or instrument reasonably deemed by the Collateral Agent to be necessary or desirable for the creation, perfection and priority and the continuation of the validity, perfection and priority of the foregoing Liens or any other Liens created pursuant to the Security Documents (to the extent the Collateral Agent determines, in its reasonable discretion, that such action is required to ensure the perfection or the enforceability as against third parties of its security interest in such Collateral) in each case in accordance with, and to the extent required by, the U.S. Collateral Agreement or any Non-U.S. Security Agreement, as applicable.

(e) Notwithstanding anything to the contrary in this Agreement, (A) the foregoing requirements shall be subject to the terms of the ABL/Cash Flow Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement and, in the event of any conflict with such terms, the terms of the ABL/Cash Flow Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement, as applicable, shall control, (B) no security interest or lien is or will be granted pursuant to any Loan Document or otherwise in any right, title or interest of any of Holdings, the Parent Borrower or any of its Subsidiaries in, and "Collateral" shall not include, any Excluded Asset (it being understood that no assets (including any assets that would otherwise constitute Excluded Assets) shall be excluded from any featherweight security granted by an Australian Subsidiary Guarantor under any Australian Security Agreement), (C) except in the case of any assets of or Capital Stock in any Foreign Subsidiary that is a Loan Party, no Loan Party or any Affiliate thereof (other than any Subsidiary pursuant to the last sentence of Subsection 7.9(b)) shall be required to take any action in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction in order to create any security interests in assets located or titled outside of the U.S. or to perfect any security interests (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction (other than in the

(f) Notwithstanding any provision of this Subsection 7.9 or Subsection 7.12 to the contrary, prior to the Discharge of Cash Flow Obligations (as defined in the ABL/Cash Flow Intercreditor Agreement or the equivalent term in any Other Intercreditor Agreement), the requirements of this Subsection 7.9 and of Subsection 7.12(a) to deliver any Cash Flow Priority Collateral to the Agent shall be deemed satisfied by the delivery of such Cash Flow Priority Collateral to the Cash Flow Agent (as defined in the ABL/Cash Flow Intercreditor Agreement or the equivalent term in any Other Intercreditor Agreement).

(g) Commencing with the Fiscal Quarter ending ~~[~~June 30, 2026~~]~~, in the event that all Foreign ~~Test Jurisdiction~~ Subsidiaries in any individual Foreign Test Jurisdiction either (I) contributed greater than 5.0% of Four Quarter Consolidated EBITDA or (II) had consolidated assets greater than 5.0% of Consolidated ~~Tangible~~Total Assets, in each case as of the end of such Fiscal Quarter, the Parent Borrower shall, prior to the date falling ~~[~~120~~]~~ days after (and excluding) the final date for delivery of consolidated financial statements referred to in Subsections 7.1(a) and (b) for such Fiscal Quarter, cause each Foreign Subsidiary (other than an Excluded Subsidiary) in such Foreign Test Jurisdiction to be designated as an "Other Designated Primary Jurisdiction Subsidiary" pursuant to clauses (x) and (y) of the definition thereof, unless the guarantee or grant of security thereof would result in adverse tax or regulatory consequences (other than de minimis consequences) to Topco or any of its Subsidiaries, in each case as reasonably determined by the Parent Borrower in good faith; provided, for the avoidance of doubt, that if such Foreign Subsidiaries cannot provide security but can provide an unsecured guarantee without causing adverse tax or regulatory consequences (other than de minimis consequences), the Parent Borrower shall cause such Foreign Subsidiaries to provide an unsecured guarantee in favor of and for the benefit of the Collateral Agent on behalf of the applicable secured Parties in lieu of a secured guarantee.

(h) As used in this Subsection 7.9, the following terms have the following meanings:

(i) "Foreign Test Jurisdiction": any non-U.S. jurisdiction other than a Primary Jurisdiction.

~~(ii) "Foreign Test Jurisdiction Subsidiaries": Foreign Subsidiaries that are Excluded Subsidiaries solely by operation of clauses (d), (e) or (h) of the definition thereof.~~

(i) Notwithstanding the foregoing, it is expressly acknowledged that it may be impractical for any Foreign Subsidiary to be promptly designated as an "Other Designated Primary Jurisdiction Subsidiary" or it may take longer than agreed to so designate such Foreign Subsidiaries, in which event the Administrative Agent will act reasonably in extending the time for obtaining such designation if the Administrative Agent is satisfied that such time extension is likely to result in the designation of such Foreign Subsidiaries as an "Other Designated Primary Jurisdiction Subsidiary"; provided that in each case, the Parent Borrower has exercised commercially reasonable efforts in effectuating such designation. It is expressly acknowledged that the failure to complete such designation shall not constitute a Default or Event of Default so long as the Administrative Agent reasonably agrees that such designation is impractical.

(j) Notwithstanding anything to the contrary contained in this Agreement (including this Section 7.09) or any other Loan Document, subject to the ABL/Cash Flow Intercreditor Agreement and the priority contemplated thereunder, the Administrative Agent and the Collateral Agent shall be permitted, and (unless waived in writing by the Administrative Agent) the Loan Parties shall be required, to execute and deliver any documents, make any filings and take any actions in form and substance required under applicable law to create, perfect or support the priority of the security interests in favor of the Obligations and the Designated Cash Management Agreements and the Designated Hedging Agreements, in each case, to the extent corresponding documents, filings and actions are taken or required in connection with the any Cash Flow Priority Obligations (including the Cash Flow Facility Obligations or the Senior Secured Notes) or any permitted refinancing of the foregoing.

7.11 ~~7.11~~ Accounting Changes. The Parent Borrower will, for financial reporting purposes, cause the Parent Borrower's and each of its Subsidiaries' Fiscal Years to end on December 31st of each calendar year; provided that the Borrower Representative may, upon written notice to the Administrative Agent, change the financial reporting convention specified above to any other financial reporting convention reasonably acceptable to the Administrative Agent, in which case the Borrower Representative and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement and the other Loan Documents that are necessary in order to reflect such change in financial reporting.

7.12 ~~7.12~~ Post-Closing Obligations.

(a) The Borrower Representative agrees to deliver or cause to be delivered such documents and instruments, take or cause to be taken such other actions and to satisfy such other conditions within the applicable time periods set forth on Schedule 7.12, as such time periods may be extended by the Administrative Agent.

(b) The Borrower Representative agrees to deliver customary field examinations and appraisals within ~~[~~120~~]~~[41] days after the Closing Date, or such later date as may be agreed by the Administrative Agent and the Parent Borrower, in their sole discretion.

(d) Within the date that is 40 days following the Closing Date (or such later date as may be agreed by the Administrative Agent and the Parent Borrower, in their sole discretion), the Administrative Agent shall have received in form and substance reasonably satisfactory to it each of the documents in each case duly executed by the parties thereto as set forth as conditions to the Polish Activation Date.

(i) any defect in or failure of the title (if any) which any person may have to any assets over which security is intended to be created by a Security Document;

(ii) any loss resulting from the investment or deposit at any bank of moneys which it invests or deposits in a manner permitted by a Security Document;

(iii) the exercise of, or the failure to exercise, any right, power or discretion given to it by or in connection with any Loan Document or any other

(q) The Collateral Agent shall not be obligated to:

(i) obtain any authorization or environmental permit in respect of any of the Charged Property or a Security Document;

(ii) hold in its own possession a Security Document, title deed or other document relating to the Charged Property or a Security Document;

(iv) require any further assurances in relation to a Security Document.

(r) In respect of any Security Document, the Collateral Agent shall not be obligated to: (i) insure, or require any other person to insure, the Charged Property; or (ii) make any enquiry or conduct any investigation into the legality, validity, effectiveness, adequacy or enforceability of any insurance existing over such Charged Property.

(s) In respect of any Security Documents, the Collateral Agent shall not have any obligation or duty to any person for any loss suffered as a result of: (i) the lack or inadequacy of any insurance; or (ii) the failure of the Collateral Agent to notify the insurers of any material fact relating to the risk assumed by them, or of any other information of any kind, unless Required Lenders have requested it to do so in writing and the Collateral Agent has failed to do so within 14 days after receipt of that request.

(t) Every appointment of a successor Collateral Agent under a Security Document shall be by deed or in respect of any Scottish Security Document, in a probative manner.

(b) Any waiver and any amendment, supplement or modification pursuant to this Subsection 11.1 shall apply to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, each of the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

(c) Notwithstanding any provision herein to the contrary, (x) no Defaulting Lender shall have any right to approve or disapprove any amendment, supplement, waiver or consent hereunder or under any of the Loan Documents, except to the extent the consent of such Lender would be required under clause (i) in the further proviso to the second sentence of Subsection 11.1(a) and (y) no Disqualified Lender shall have any right to approve or disapprove any amendment, supplement, modification, waiver or consent hereunder or under any of the Loan Documents.

(d) Notwithstanding any provision herein to the contrary, this Agreement and the other Loan Documents may be amended, supplemented, waived or otherwise modified (i) to cure any ambiguity, mistake, omission, defect or inconsistency, with the consent of the Borrower Representative and the Administrative Agent, (ii) in accordance with Subsection 2.6, to incorporate the terms of any Incremental Facility with the written consent of the Borrower Representative and the Lenders providing such Incremental Facility, (iii) by a Refinancing Amendment in accordance with Subsection 2.7, with the written consent of the Borrower Representative and the Lenders providing such Credit Agreement Refinancing Indebtedness, (iv) in accordance with Subsection 2.8, to effectuate an Extension with the written consent of the Borrower Representative and the Extending Lenders, (v) to amend any Lender's U.S. Facility L/C Commitment, French Facility L/C Commitment or Global Facility L/C Commitment, with the written consent of the Borrower Representative and such Lender and notified in writing to the Administrative Agent, (vi) in accordance with Subsection 7.11, to change the financial reporting convention, (vii) to waive, amend or modify this Agreement or any other Loan Document in a manner that by its terms affects the rights or duties under this Agreement or any other Loan Document of Lenders holding Loans or Commitments of a particular Tranche, or

Without limiting the generality of the foregoing, any provision of this Agreement and the other Loan Documents, including Subsection 4.4, 4.8, 4.16 or 10.15, may be amended, supplemented, waived or otherwise modified as set forth in the immediately preceding sentence to provide for non-pro rata borrowings or less than pro rata payments of any amounts hereunder with respect to any tranche of Extended ABL Term Loans, Extended Revolving Commitments or Incremental Revolving Commitments and any other tranche pursuant to Subsection 2.6, 2.7 or 2.8 then being established, as compared to the Initial Revolving Commitments or any other then-existing tranche, or to provide for the inclusion, as appropriate, of the Lenders of any tranche of Extended ABL Term Loans, Extended Revolving Commitments or Incremental Revolving Commitments or of any other tranche created pursuant to Subsection 2.6, 2.7 or 2.8 in any required vote or action of the Required Lenders, the Required Majority in Interest Lenders, the Supermajority Lenders or the Lenders of each Tranche hereunder. The Administrative Agent hereby agrees (if requested by the Borrower Representative) to execute any amendment, supplement, waiver or other modification referred to in this clause (d) or an acknowledgement thereof. Notwithstanding the foregoing, the U.S. Facility L/C Commitment, French Facility L/C Commitment or Global Facility L/C Commitment of any Issuing Lender listed on Schedule 1.1(j) hereto may be modified with the consent of the Borrower Representative, such Issuing Lender and the Administrative Agent (and without the consent of any Lender).

(e) Notwithstanding any provision herein to the contrary, this Agreement may be amended (or deemed amended) or amended and restated with the written consent of the Required Lenders, the Administrative Agent and the Borrower Representative (x) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the existing Facilities and the accrued interest and fees in respect thereof, (y) to include, as appropriate, the Lenders holding such credit facilities in any required vote or action of the Required Lenders or of the Lenders of each Facility hereunder and (z) to provide class protection for any additional credit facilities.

(f) Notwithstanding any provision herein to the contrary, any Security Document may be amended (or amended and restated), restated, waived, supplemented or

modified as contemplated by Subsection 11.17 as in effect on the date hereof with the written consent of the Agent party thereto and the Loan Party party thereto.

(g) If, in connection with any proposed change, waiver, discharge or termination of or to any of the provisions of this Agreement and/or any other Loan Document as contemplated by Subsection 11.1(a), the consent of Supermajority Lenders, each Lender or each affected Lender, as applicable, is required and the consent of the Required Lenders or the Required Majority in Interest Lenders, as applicable, at such time is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained (each such other Lender, a "Non-Consenting Lender") then the Borrower Representative may, on notice to the Administrative Agent and any relevant Non-Consenting Lender, (A) replace such Non-Consenting Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Subsection 11.6 (with the assignment fee and any other costs and expenses to be paid by the applicable Borrowers in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower Representative to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to the applicable change, waiver, discharge or termination of this Agreement and/or the other Loan Documents; and provided, further, that all obligations of the Borrowers owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender (or, at its option, by a Borrower) to such Non-Consenting Lender concurrently with such Assignment and Acceptance or (B) so long as no Event of Default under Subsection 9.1(a) or 9.1(f) then exists or will exist immediately after giving effect to the respective prepayment, prepay the Loans and, at the Borrower Representative's option, terminate the Commitments of such Non-Consenting Lender, in whole or in part, subject to Subsection 4.12, without premium or penalty. In connection with any such replacement under this Subsection 11.1(g), if the Non-Consenting Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrowers owing to the Non-Consenting Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender to such Non-Consenting Lender, then such Non-Consenting Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the applicable Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Non-Consenting Lender, and the Administrative Agent shall record such assignment in the Register.

(h) Upon the execution by the Parent Borrower and delivery to the Administrative Agent of a Borrower Termination with respect to any Subsidiary Borrower, such Subsidiary Borrower shall cease to be a Borrower; provided that the Borrower Termination shall not be effective (other than to terminate its right to borrow additional Revolving Credit Loans under this Agreement) unless (x)(A) if such Subsidiary Borrower is a U.S. Borrower, another U.S. Borrower shall remain liable for the principal of and interest on any Loan to such Subsidiary Borrower, (B) if such Subsidiary Borrower is a French Borrower, a French Borrower shall remain liable for the principal of and interest on any Loan to such Subsidiary Borrower, and (C) if such Subsidiary Borrower is a RoW Borrower, a RoW Borrower shall remain liable for the

principal of and interest on any Loan to such Subsidiary Borrower and (y)(A) if such Subsidiary Borrower is a U.S. Borrower, if such U.S. Borrower owned any assets included in the Borrowing Base, it shall upon such Borrower Termination become a U.S. Subsidiary Guarantor, (B) if such Subsidiary Borrower is a French Borrower, such French Borrower shall become a French Subsidiary Guarantor, and (C) if such Subsidiary Borrower is a RoW Borrower, such RoW Borrower shall become a RoW Subsidiary Guarantor, in each case on terms and conditions reasonably satisfactory to the Administrative Agent. In the event that a Subsidiary Borrower shall cease to be a Subsidiary of the Parent Borrower, the Parent Borrower shall promptly execute and deliver to the Administrative Agent a Subsidiary Borrower Termination terminating its status as a Borrower, subject to the proviso in the immediately preceding sentence.

(7) each Assignee shall expressly waive any priority of ranking they may have in connection with the Loan Documents pursuant to article 4 of the Belgian Mobilisation Law.

Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Lender, except to the extent the Borrower Representative and, if applicable, the Sponsor, has consented to such assignment in writing and any such assignment and Disqualified Lender shall be subject to the provisions of Subsection 11.6(j), except to the extent the Borrower Representative and, if applicable, the Sponsor, has otherwise expressly consented in writing.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(iv) below, from and after the effective date specified in each Assignment and Acceptance the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and bound by any related obligations under) Subsections 4.10, 4.11, 4.12, 4.13, 4.15 and 11.5, and bound by its continuing obligations under Subsection 11.16). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with Subsection 4.13(d), Subsection 4.15(c), Subsection 11.1(g) and this Subsection 11.6 shall, to the extent it would comply with Subsection 11.6(c), be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Subsection 11.6 (and any attempted assignment, transfer or participation which does not comply with this Subsection 11.6 shall be null and void).

(iv) The Borrowers hereby collectively designate the Administrative Agent, and the Administrative Agent agrees, to serve as the Borrowers' agent, solely for purposes of this Subsection 11.6, to maintain at one of its offices in New York, New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and interest and principal amounts of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrowers, the Administrative Agent, the Issuing Lender and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Issuing Lender and, solely with respect to entries applicable to such Lender, any Lender, at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding the foregoing, in no event

shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of ABL Term Loans or Incremental ABL Term Loans held by Affiliated Lenders. Upon request by the Administrative Agent, the Borrower Representative shall use commercially reasonable efforts to (i) promptly (and in any case, not less than five Business Days (or such shorter period as agreed to by the Administrative Agent) prior to the proposed effective date of any amendment, consent or waiver pursuant to Subsection 11.1) provide to the Administrative Agent, a list of, to the Borrower Representative's knowledge, all Affiliated Lenders holding ABL Term Loans or Incremental ABL Term Loans at the time of such notice and (ii) not less than five Business Days (or shorter period as agreed to by the Administrative Agent) prior to the proposed effective date of any amendment, consent or waiver pursuant to Subsection 11.1, provide to the Administrative Agent, a list of, to the Borrower Representative's knowledge, all Affiliated Debt Funds holding ABL Term Loans or Incremental ABL Term Loans at the time of such notice.

(v) Each Lender that sells a participation shall, acting for itself and, solely for this purpose, as non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans, Commitments or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary (x) to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or (y) for any Borrower to enforce its rights hereunder. The entries in the Participant Register shall be conclusive absent manifest error, and a Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(vi) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender (unless such assignment is being made in accordance with Subsection 4.13(d), Subsection 4.15(c), or Subsection 11.1(g), in which case the effectiveness of such Assignment and Acceptance shall not require execution by the assigning Lender) and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in this Subsection 11.6(b) and any written consent to such assignment required by this Subsection 11.6(b), the Administrative Agent shall accept such Assignment and Acceptance, record the information contained therein in the Register and give prompt notice of such assignment and recordation to the Borrower Representative. No assignment

shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (vi).

(vii) On or prior to the effective date of any assignment pursuant to this Subsection 11.6(b), the assigning Lender shall surrender to the Administrative Agent any outstanding Notes held by it evidencing Loans or Commitments, as applicable, which are being assigned. Any Notes surrendered by the assigning Lender shall be returned by the Administrative Agent to the Borrower Representative marked "cancelled".

Notwithstanding the foregoing provisions of this Subsection 11.6(b) or any other provision of this Agreement, if the Borrower Representative shall have consented thereto in writing in its sole discretion, the Administrative Agent shall have the right, but not the obligation, to effectuate assignments of Loans and Commitments via an electronic settlement system acceptable to the Administrative Agent and the Borrower Representative as designated in writing from time to time to the Lenders by the Administrative Agent (the "Settlement Service"). At any time when the Administrative Agent elects, in its sole discretion, to implement such Settlement Service, each such assignment shall be effected by the assigning Lender and proposed Assignee pursuant to the procedures then in effect under the Settlement Service, which procedures shall be subject to the prior written approval of the Borrower Representative and shall be consistent with the other provisions of this Subsection 11.6(b). Each assigning Lender and proposed Assignee shall comply with the requirements of the Settlement Service in connection with effecting any assignment of Loans and Commitments pursuant to the Settlement Service. Assignments and assumptions of the Loans and Commitments shall be effected by the provisions otherwise set forth herein until the Administrative Agent notifies the Lenders of the Settlement Service as set forth herein. The Borrower Representative may withdraw its consent to the use of the Settlement Service at any time upon notice to the Administrative Agent, and thereafter assignments and assumptions of the Loans and Commitments shall be effected by the provisions otherwise set forth herein.

Furthermore, no Assignee, which as of the date of any assignment to it pursuant to this Subsection 11.6(b) would be entitled to receive any greater payment under Subsection 4.10, 4.11, 4.12 or 11.5 than the assigning Lender would have been entitled to receive as of such date under such Subsections with respect to the rights assigned, shall, notwithstanding anything to the contrary in this Agreement, be entitled to receive such greater payments unless the assignment was made after an Event of Default under Subsection 9.1(a) or 9.1(f) has occurred and is continuing or the Borrower Representative has expressly consented in writing to waive the benefit of this provision at the time of such assignment.

(c) (i) Any Lender other than a Conduit Lender may, in the ordinary course of its business and in accordance with applicable law, without the consent of the Borrower Representative or the Administrative Agent, sell participations (other than to any Disqualified Lender, or a natural person or the Parent Borrower or any of the Parent Borrower's Affiliates or its Subsidiaries (other than Permitted Affiliated Assignees)) to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged,

(B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Loan for all purposes under this Agreement and the other Loan Documents, (D) the Borrowers, the Borrower Representative, the Administrative Agent, the Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, (E) prior to selling any participation, such Lender shall have provided the Borrower Representative and the Sponsor (so long as (1) the CD&R Investors, (2) CD&R and (3) any investment fund or vehicle managed, sponsored or advised by CD&R, or any Affiliate thereof, and any Affiliate of or successor to any such investment fund or vehicle collectively have beneficial ownership, directly or indirectly, of more than 50.0% of the total voting power of the Voting Stock of the Parent Borrower, determined as of the date of the sale of such participation) (it being understood that the Sponsor shall be an express third-party beneficiary of the provisions in this Subsection 11.6(c)(i)(E)) with not less than five Business Days' advance notice of such sale, (F) from time to time upon the reasonable request of the Borrower Representative, each Lender shall provide the Borrower Representative a list all of outstanding participations that such Lender has sold and (G) in the case of any participation to a Permitted Affiliated Assignee, such participation shall be governed by the provisions of Subsection 11.6(h) (other than subclauses (i) and (iii) thereof) to the same extent as if each reference therein to an assignment of a Loan were to a participation of a Loan and the references to Affiliated Lender were to such Permitted Affiliated Assignee in its capacity as a participant. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, supplement, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, supplement, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to clause (i) or (iii) of the second proviso to the second sentence of Subsection 11.1(a) and (2) directly affects such Participant. Subject to Subsection 11.6(c)(ii), each Borrower agrees that each Participant shall be entitled to the benefits of (and shall have the related obligations under) Subsections 4.10, 4.11, 4.12, 4.13, 4.15 and 11.5 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Subsection 11.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Subsection 11.7(b) as though it were a Lender, provided that such Participant shall be subject to Subsection 11.7(a) as though it were a Lender. Notwithstanding the foregoing, no Lender shall be permitted to sell or maintain a participation under this Agreement to or with any Disqualified Lender and any participation to a Person that is or at any time becomes a Disqualified Lender shall be null and void, except to the extent the Borrower Representative and the Sponsor have expressly consented to such participation in writing; provided that if any such participation by a Lender is subject to a sub-participation by such Disqualified Lender to a Person that is not a Disqualified Lender or natural person, and such sub-participation if made as a participation directly by such Lender would comply with Subsection 11.6, such sub-participant shall have the right to assume all of the rights and obligations of such Disqualified Lender under such participation and thereby become a Participant hereunder in substitution for such Disqualified Lender (it being understood that such sub-participant shall, prior to the effectiveness of such assumption, provide to such Lender that sold or maintained such participation all documentation and information as is reasonably required by such Lender pursuant to "know your customer" and anti-money laundering rules and regulations and execute and deliver an

appropriate assumption agreement to effect such substitution on terms and conditions mutually agreed between such sub-participant and such Lender, and such Disqualified Lender shall thereupon be deemed to have executed and delivered such assumption agreement). Any such participation and Disqualified Lender not permitted prior to the foregoing sentence shall be subject to the provisions of Subsection 11.6(j), except to the extent the Borrower Representative and, if applicable, the Sponsor has otherwise expressly consented in writing. Any attempted participation which does not comply with Subsection 11.6 shall be null and void.

(ii) No Loan Party shall be obligated to make any greater payment under Subsection 4.10, 4.11, 4.12 or 11.5 than it would have been obligated to make in the absence of any participation, unless the sale of such participation is made with the prior written consent of the Borrower Representative and the Borrower Representative expressly waives the benefit of this provision at the time of such participation. Any Participant that is not incorporated under the laws of the United States of America or a state thereof shall not be entitled to the benefits of Subsection 4.11 unless such Participant complies with Subsection 4.11(b) and provides the forms and certificates referenced therein to the Lender that granted such participation.

(d) Any Lender, without the consent of the Borrower Representative or the Administrative Agent, may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or central bank of a member state of the European Union, and this Subsection 11.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute (by foreclosure or otherwise) any such pledgee or Assignee for such Lender as a party hereto.

(e) No assignment or participation made or purported to be made to any Assignee or Participant shall be effective without the prior written consent of the Borrower Representative if it would require any Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction, and the Borrower Representative shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee or Participant to determine whether any such filing or qualification is required or whether any assignment or participation is otherwise in accordance with applicable law.

(f) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower Representative or the Administrative Agent and without regard to the limitations set forth in Subsection 11.6(b). Each Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any domestic or foreign bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state, federal or provincial bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for

any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance. Each such indemnifying Lender shall pay in full any claim received from each such Borrower pursuant to this Subsection 11.6(f) within 30 Business Days of receipt of a certificate from a Responsible Officer of the Borrower Representative specifying in reasonable detail the cause and amount of the loss, cost, damage or expense in respect of which the claim is being asserted, which certificate shall be conclusive absent manifest error. Without limiting the indemnification obligations of any indemnifying Lender pursuant to this Subsection 11.6(f), in the event that the indemnifying Lender fails timely to compensate each such Borrower for such claim, any Loans held by the relevant Conduit Lender shall, if requested by the Borrower Representative, be assigned promptly to the Lender that administers the Conduit Lender and the designation of such Conduit Lender shall be void.

(g) If the Borrower Representative wishes to replace the Loans or Commitments under any Facility with ones having different terms, it shall have the option, with the consent of the Administrative Agent and subject to at least three Business Days' (or such shorter period as agreed to by the Administrative Agent in its reasonable discretion) advance notice to the Lenders under such Facility, instead of prepaying the Loans or reducing or terminating the Commitments to be replaced, to (i) require the Lenders under such Facility to assign such Loans or Commitments to the Administrative Agent or its designees and (ii) amend the terms thereof in accordance with Subsection 11.1. Pursuant to any such assignment, (x) all Loans to be replaced shall be purchased at par (allocated among the Lenders under such Facility in the same manner as would be required if such Loans were being optionally prepaid), accompanied by payment of any accrued interest and fees thereon and any amounts owing pursuant to Subsection 4.12 and (y) all Commitments to be replaced shall be allocated among the Lenders under such Facility in the same manner as would be required if such Commitments were being optionally reduced or terminated by the Borrowers, accompanied by payment of any accrued fees thereon and any amounts owing pursuant to Subsection 4.12. By receiving such purchase price (including accrued interest, fees and indemnity payments), the Lenders under such Facility shall automatically be deemed to have assigned the Loans or Commitments under such Facility pursuant to the terms of the form of the Assignment and Acceptance, the Administrative Agent shall record such assignment in the Register and accordingly no other action by such Lenders shall be required in connection therewith. The provisions of this clause (g) are intended to facilitate the maintenance of the perfection and priority of existing security interests in the Collateral during any such replacement.

(h) (i) Notwithstanding anything to the contrary in this Agreement, with respect to any assignment to or by an Affiliated Lender that is not an Affiliated Debt Fund:

(1) such Affiliated Lender and such other Lender shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit Q hereto (an "Affiliated Lender Assignment and Assumption") and the Administrative Agent shall record such assignment in the Register;

(2) at the time of such assignment after giving effect to such assignment, (x) the aggregate principal amount of all ABL Term Loans held (or participated in) by Affiliated Lenders that are not Affiliated Debt

Funds shall not exceed 15.0% of the aggregate principal amount of all ABL Term Loans outstanding under this Agreement and (y) the aggregate amount of all Commitments held by Affiliated Lenders that are not Affiliated Debt Funds shall not exceed 15.0% of the aggregate amount of all Commitments (such applicable threshold in clause (x) or (y), the "Affiliated Lender Cap") outstanding under this Agreement; provided that to the extent any assignment to an Affiliated Lender would result in the aggregate amount of all Commitments or ABL Term Loans, as applicable, held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*;

(3) any such ABL Term Loans acquired by (x) Holdings, the Parent Borrower or a Restricted Subsidiary shall be retired or cancelled promptly upon the acquisition thereof and (y) an Affiliated Lender may, with the consent of the Borrower Representative, be contributed to the Parent Borrower, whether through a Parent Entity or otherwise, and exchanged for debt or equity securities of the Parent Borrower or such Parent Entity that are otherwise permitted to be issued at such time pursuant to the terms of this Agreement, so long as any ABL Term Loans so acquired by the Parent Borrower shall be retired and cancelled promptly upon the acquisition thereof;

(4) [reserved]; and

(5) each Lender making such assignment to, or taking such assignment from, such Affiliated Lender acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender and/or its Affiliates then may have, and later may come into possession of information regarding the Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to enter into such assignment ("Excluded Information"), (2) such Lender has independently and, without reliance on the Affiliated Lender, Holdings, the Parent Borrower or any of its Subsidiaries, the Administrative Agent or any other Lender or any of their respective Affiliates, has made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Affiliated Lender, Holdings, the Parent Borrower and its Subsidiaries, the Administrative Agent, the other Lenders or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against the Affiliated Lender, Holdings, the Parent Borrower or its Subsidiaries, the Administrative Agent, the other Lenders and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment

further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender.

(ii) Notwithstanding anything to the contrary in this Agreement, no Affiliated Lender that is not an Affiliated Debt Fund shall have any right to (A) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Loan Parties are not invited, (B) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders, except to the extent such information or materials have been made available to the Borrower Representative or its representatives or (C) receive advice of counsel to the Administrative Agent, the Collateral Agent or any other Lender or challenge their attorney client privilege.

(iii) Notwithstanding anything in Subsection 11.1 or the definitions of "Required Lenders", "Required Majority in Interest Lenders" and "Supermajority Lenders" to the contrary, for purposes of determining whether the Required Lenders, the Required Majority in Interest Lenders, Supermajority Lenders, all affected Lenders or all Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, an Affiliated Lender that is not an Affiliated Debt Fund shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not such Affiliated Lenders; provided that, (I) to the extent Lenders are being compensated by the Borrowers for consenting to an amendment, modification, waiver or any other action, each Affiliated Lender who has been deemed to have voted its Loans in accordance with this Subsection 11.6(h)(iii) shall be entitled to be compensated on the same basis as each consenting Lender as if it had voted all of its Loans in favor of the applicable amendment, modification, waiver or other action; (II) no amendment, modification, waiver, consent or other action with respect to any Loan Document shall deprive such Affiliated Lender of its ratable share of any payments of Loans of any class or ABL Term Loans to which such Affiliated Lender is entitled under the Loan Documents without such Affiliated Lender providing its consent; and (III) such Affiliated Lender shall have the right to approve any amendment, modification, waiver or consent that (x) disproportionately and adversely affects such Affiliated Lender in its capacity as a Lender or affects such Affiliated Lender differently in its capacity as a Lender

than other Lenders or (y) is of the type described in Subsections 11.1(a)(i) through (x) (other than subclauses (v) and (vi)); and in furtherance of the foregoing, (x) the Affiliated Lender agrees to execute and deliver to the Administrative Agent any instrument reasonably requested by the Administrative Agent to evidence the voting of its interest as a Lender in accordance with the provisions of this Subsection 11.6(h)(iii); provided that if the Affiliated Lender fails to promptly execute such instrument such failure shall in no way prejudice any of the Administrative Agent's rights under this Subsection 11.6(h)(iii) and (y) the Administrative Agent is hereby appointed (such appointment being coupled with an interest) by such Affiliated Lender as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender, from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Subsection 11.6(h)(iii).

(iv) Each Affiliated Lender that is not an Affiliated Debt Fund, solely in its capacity as a Lender, hereby agrees, and each Affiliated Lender Assignment and Assumption agreement shall provide a confirmation that, if any of Holdings, the Parent Borrower or any Restricted Subsidiary shall be subject to any voluntary or involuntary bankruptcy, reorganization, insolvency or liquidation proceeding (each, a "Bankruptcy Proceeding"), (i) such Affiliated Lender shall not take any step or action in such Bankruptcy Proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that is supported by the Administrative Agent) in relation to such Affiliated Lender's claim with respect to its ABL Term Loans ("Claim") (including objecting to any debtor in possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise, or plan of reorganization) so long as such Affiliated Lender in its capacity as a Lender is treated in connection with such exercise or action on the same or better terms as the other Lenders and (ii) with respect to any matter requiring the vote of Lenders during the pendency of a Bankruptcy Proceeding (including voting on any plan of reorganization), the ABL Term Loans held by such Affiliated Lender (and any Claim with respect thereto) shall be deemed to be voted in accordance with Subsection 11.6(h)(iii) above, so long as such Affiliated Lender in its capacity as a Lender is treated in connection with the exercise of such right or taking of such action on the same or better terms as the other Lenders. For the avoidance of doubt, the Lenders and each Affiliated Lender that is not an Affiliated Debt Fund agree and acknowledge that the provisions set forth in this Subsection 11.6(h)(iv) and the related provisions set forth in each Affiliated Lender Assignment and Assumption constitute a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the United States Bankruptcy Code, and, as such, it is their intention that this Subsection 11.6(h)(iv) would be enforceable for all purposes in any case where Holdings, the Parent Borrower or any Restricted Subsidiary has filed for protection under any law relating to bankruptcy, insolvency or reorganization or relief of debtors applicable to Holdings, the Parent Borrower or such Restricted Subsidiary, as applicable.

Each Affiliated Lender that is not an Affiliated Debt Fund hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Affiliated Lender's attorney-in-fact, with full authority in the place and stead of such Affiliated Lender and in the name of such Affiliated Lender (solely in respect of Loans, Commitments, ABL Term Loans and participations therein and not in respect of any other claim or status such Affiliated Lender may otherwise have), from time to time in the Administrative Agent's discretion to take any action and to execute any instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this Subsection 11.6(h)(iv).

(v) Each Lender making an assignment to, or taking an assignment from, an Affiliated Lender acknowledges and agrees that in connection with such assignment, (1) such Affiliated Lender then may have, and later may come into possession of Excluded Information, (2) such Lender has independently and, without reliance on the Affiliated Lender, Holdings, the Parent Borrower, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to enter into such assignment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of Holdings, the Parent Borrower, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against Holdings, the Parent Borrower, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender entering into such an assignment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the other Lenders.

(i) Notwithstanding anything to the contrary in this Agreement, Subsection 11.1 or the definitions of "Required Lenders", "Required Majority in Interest Lenders" and "Supermajority Lenders" (x) with respect to any assignment or participation to or by an Affiliated Debt Fund, such assignment or participation shall be made pursuant to an open market or other privately negotiated purchase and (y) for purposes of determining whether the Required Lenders, the Required Majority in Interest Lenders or the Supermajority Lenders have (i) consented (or not consented) to any amendment, supplement, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, all ABL Term Loans held by Affiliated Debt Funds may not account for more than 49.9% of the ABL Term Loans of consenting Lenders included in determining whether the Required Lenders or Required Majority in Interest Lenders have consented to any action pursuant to Subsection 11.1.

(j) (i) Notwithstanding anything contained in this Agreement or any other Loan Document to the contrary, if any Lender or Participant at any time is or becomes a

Disqualified Lender, then for so long as such Lender or Participant shall be a Disqualified Lender, the provisions of this Subsection 11.6(j) shall apply with respect to such Disqualified Lender unless the Borrower Representative shall have otherwise expressly consented in writing in its sole discretion (and regardless of whether the Borrower Representative shall have consented to any assignment or participation to such Lender or Participant).

(ii) Any Disqualified Lender shall be bound by the provisions of, but shall not have any rights or remedies or be a beneficiary (whether as a Lender, a Participant or otherwise) under or with respect to, this Agreement or any other Loan Document. Without limiting the foregoing, a Disqualified Lender (1) shall not be entitled to and shall have no right to receive any payment in respect of principal (other than with respect to payments of principal on the maturity date for the applicable Tranche), interest, fees, costs, expenses or any other amount under or in respect of any Loan Document, including but not limited to pursuant to Subsection 2.6, 2.7, 2.8, 4.4, 4.5(b), 4.9, 4.10, 4.11, 4.12, 4.13(d), 11.1(g) or 11.6 of this Agreement, Subsection 9.4 of the U.S. Collateral Agreement, or any similar provision of any other Loan Document, and (2) shall be deemed not to be (w) a Secured Party (as defined in the U.S. Collateral Agreement, any Non-U.S. Security Document or any other applicable Security Document) under or in respect of any Loan Document, (x) a Fixed Asset Claimholder (as defined in the ABL/Cash Flow Intercreditor Agreement) under or in respect of the ABL/Cash Flow Intercreditor Agreement, (y) an Original Senior Lien Creditor (as defined in any Junior Lien Intercreditor Agreement) under or in respect of such Junior Lien Intercreditor Agreement or (z) the analogous party under or in respect of any Other Intercreditor Agreement. No fees or interest shall accrue for the account of a Disqualified Lender (except solely for interest payable to a permitted assignee thereof following an assignment to such assignee (1) pursuant to and as expressly provided in Subsection 11.6(b) and (2) pursuant to and as expressly provided in Subsection 11.6(j)(iv) below).

(iii) No Disqualified Lender shall have any right to approve, disapprove or consent to any amendment, supplement, waiver or modification of this Agreement or any other Loan Document or any term hereof or thereof. In determining whether the requisite Lender or Lenders have consented to any such amendment, supplement, waiver or modification, and in determining the Required Lenders, the Required Majority in Interest Lenders or the Supermajority Lenders for any purpose under or in respect of any Loan Document, any Lender that is a Disqualified Lender (and the Loans and/or Commitments of such Disqualified Lender) shall be excluded and disregarded. Each such amendment, supplement, waiver or modification shall be binding and effective as to each Disqualified Lender.

(iv) The Borrower Representative shall have the right (A) at the sole expense of any Lender that is a Disqualified Lender and/or the Person that assigned its Commitments and/or Loans to such Disqualified Lender, to seek to replace or terminate such Disqualified Lender as a Lender by causing such Lender to (and such Lender shall be obligated to) assign any or all of its Commitments

and/or Loans and its rights and obligations under this Agreement to one or more assignees (which may, at the Parent Borrower's sole option, be or include any Parent Entity, the Parent Borrower or any Subsidiary); provided that (1) the Administrative Agent shall not have any obligation to the Borrower Representative to find such a replacement Lender, (2) the Borrower Representative shall not have any obligation to such Disqualified Lender or any other Person to find such a replacement Lender or accept or consent to any such assignment to itself or any other Person and (3) the assignee (or, at its option, the Borrower Representative) shall pay to such Disqualified Lender concurrently with such assignment an amount (which payment shall be deemed payment in full) equal to the lesser of (x) the face principal amount of the Loans so assigned, (y) the amount that such Disqualified Lender paid to acquire such Commitments and/or Loans, and (z) the most recently available quoted price for such Commitments and/or Loans (as determined by the Parent Borrower in good faith, which determination shall be conclusive, the "Trading Price"), in each case without interest thereon (it being understood that if the effective date of such assignment is not an Interest Payment Date, such assignee shall be entitled to receive on the next succeeding Interest Payment Date interest on the principal amount of the Loans so assigned that has accrued and is unpaid from the Interest Payment Date last preceding such effective date (except as may be otherwise agreed between such assignee and the Borrower Representative)), or (B) to prepay any Loans held by such Disqualified Lender, in whole or in part, by paying an amount (which payment shall be deemed payment in full) equal to the lesser of (x) the face principal amount of the Loans so prepaid, (y) the amount that such Disqualified Lender paid to acquire such Loans, and (z) the Trading Price for such Loans (in each case without interest thereon), and if applicable, terminate the Commitments of such Disqualified Lender, in whole or in part. In connection with any such replacement, (1) if the Disqualified Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary or appropriate (in the good faith determination of the Administrative Agent or the Borrower Representative, which determination shall be conclusive) to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which the Disqualified Lender shall be paid by the assignee Lender (or, at its option, the Borrower Representative) the amount required pursuant to Subsection 11.6(j)(iv)(B), then such Disqualified Lender shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower Representative shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Disqualified Lender, and the Administrative Agent shall record such assignment in the Register, (2) each Lender (whether or not then a party hereto) agrees to disclose to the Borrower Representative the amount that the applicable Disqualified Lender paid to acquire Commitments and/or Loans from such Lender and (3) each Lender that is a

Any Disqualified Lender shall not solicit or seek to obtain any such information or material. If at any time any Disqualified Lender receives or possesses any such information or material, such Disqualified Lender shall (1) notify the Borrower Representative as soon as possible that such information or material has become known to it or came into its possession, (2) immediately return to the Borrower Representative or, at the option of the Borrower Representative, destroy (and confirm to the Borrower Representative such destruction) such information or material, together with any notes, analyses, compilations, forecasts, studies or other documents related thereto which it or its advisors prepared and (3) keep such information or material confidential and shall not utilize such information or material for any purpose. Each Lender (whether or not then a party hereto) agrees to notify the Borrower Representative as soon as possible if it becomes aware that (x) it made an assignment to or has a participation with a Disqualified Lender or (y) any such Disqualified Lender has received any such information of materials.

(vi) The rights and remedies of the Borrower Representative provided herein are cumulative and are not exclusive of any other rights and remedies provided to the Borrower Representative at law or in equity, and the Borrower Representative shall be entitled to pursue any remedy available to it against any Lender that has (or has purported to have) made an assignment or sold or maintained a participation to or with a Disqualified Lender or against any Disqualified Lender. or willful misconduct of the Administrative Agent (as determined by a court of competent jurisdiction in a final and non-appealable decision).

(vii) Notwithstanding any other provision of this Agreement, any other Loan Document, any Assignment and Acceptance or any other document, the provisions of this Subsection 11.6(j) shall apply and survive with respect to each Lender, Participant and Disqualified Lender notwithstanding that any such Person may have ceased to be a Lender or Participant (or any purported participation to any such Disqualified Lender shall be void) hereunder or this Agreement may have been terminated.

(k) Notwithstanding anything to the contrary in this Agreement, no assignment, participation or subcontracting in relation to a French Facility may be made to an assignee, participant or subcontractor incorporated, domiciled, established or acting through an office situated in a French Non-Cooperative Jurisdiction without the prior consent of the Borrower Representative, which consent shall not be unreasonably withheld.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower Representative, any such notice being expressly waived by the Borrower Representative to the extent permitted by applicable law, upon the occurrence of an Event of Default under Subsection 9.1(a) to set-off and appropriate and apply against any amount then due and payable under Subsection 9.1(a) by such Borrower any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of such Borrower. Any amount due from any Loan Party under this Subsection 11.8(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Loan Documents.

Each Loan Party shall provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Secured Party, or any prospective assign or participant of a Secured Party, in order to comply with any applicable Canadian Anti-Terrorism Laws, whether now or hereafter in existence.

11.19 ~~11.19~~ Electronic Execution of Documents. The words "execution", "signed", "signature" and words of like import in any Assignment and Acceptance, Affiliated Lender Assignment and Assumption or other Loan Document or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

11.20 ~~11.20~~ Reinstatement. This Agreement shall remain in full force and effect and continue to be effective should any petition or other proceeding be filed by or against any Loan Party for liquidation or reorganization, should any Loan Party become insolvent or make an assignment for the benefit of any creditor or creditors or should an interim receiver, receiver, receiver and manager or trustee be appointed for all or any significant part of any Loan

Party's assets, and shall continue to be effective or to be reinstated, as the case may be, if at any time payment and performance of the obligations of the Borrowers under the Loan Documents, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the obligations, whether as a fraudulent preference, reviewable transaction or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the obligations of the Borrowers hereunder shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

11.21 ~~11.21~~ Joint and Several Liability; Postponement of Subrogation.

(a) The obligations of the Borrowers hereunder and under the other Loan Documents and all other Obligations shall be joint and several and, as such, each Borrower shall be liable for all of such obligations of the other Borrowers under this Agreement and the other Loan Documents or otherwise in respect of the Obligations. To the fullest extent permitted by law the liability of each Borrower for the obligations under this Agreement and the other Loan Documents and all other Obligations of the other applicable Borrowers with whom it has joint and several liability shall be absolute, unconditional and irrevocable, without regard to (i) the validity or enforceability of this Agreement or any other Loan Document, any of the obligations hereunder or thereunder or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by any applicable Secured Party, (ii) any defense, set-off or counterclaim (other than a defense of payment or performance hereunder; provided that no Borrower hereby waives any suit for breach of a contractual provision of any of the Loan Documents) which may at any time be available to or be asserted by such other applicable Borrower or any other Person against any Secured Party or (iii) any other circumstance whatsoever (with or without notice to or knowledge of such other applicable Borrower or such Borrower) which constitutes, or might be construed to constitute, an equitable or legal discharge of such other applicable Borrower for the obligations hereunder or under any other Loan Document, or of such Borrower under this Subsection 11.21, in bankruptcy or in any other instance.

(b) Each Borrower agrees that it will not exercise any rights which it may acquire by way of rights of subrogation under this Agreement, by any payments made hereunder or otherwise, until the prior payment in full in cash of all of the obligations hereunder and under any other Loan Document, the termination or expiration of all Letters of Credit and the permanent termination of all Commitments. Any amount paid to any Borrower on account of any such subrogation rights prior to the payment in full in cash of all of the obligations hereunder and under any other Loan Document and all other Obligations, the termination or expiration of all Letters of Credit and the permanent termination of all Commitments shall be held in trust for the benefit of the applicable Secured Parties and shall immediately be paid to the Administrative Agent for the benefit of the applicable Secured Parties and credited and applied against the obligations of the applicable Borrowers, whether matured or unmatured, in such order as the Administrative Agent shall elect. In furtherance of the foregoing, for so long as any obligations of the Borrowers hereunder, any Letters of Credit or any Commitments remain outstanding, each Borrower shall refrain from taking any action or commencing any proceeding against any other Borrower (or any of its successors or assigns, whether in connection with a bankruptcy proceeding or otherwise) to recover any amounts in respect of payments made in respect of the

obligations hereunder or under any other Loan Document of such other Borrower to any Secured Party. Notwithstanding any other provision contained in this Agreement or any other Loan Document, if a "secured creditor" (as that term is defined under the *Bankruptcy and Insolvency Act* (Canada)) is determined by a court of competent jurisdiction not to include a Person to whom obligations are owed on a joint or joint and several basis, then the Borrowers' Obligations (and the obligations of their Subsidiaries), to the extent such obligations are secured, only shall be several obligations and not joint or joint and several obligations.

(c) Notwithstanding anything to the contrary contained herein, the parties acknowledge and agree that (i) the French Borrowers shall not be jointly or jointly and severally liable with the U.S. Borrowers or the RoW Borrowers for any liabilities or obligations of the U.S. Borrowers or the RoW Borrowers hereunder and (ii) no French Borrower shall be jointly or jointly and severally liable with any other French Borrower for any liabilities or obligations of any French Borrower hereunder.

11.22 ~~11.22~~ Designated Cash Management Agreements and Designated Hedging Agreements. The Borrower Representative may from time to time elect by notice in writing to the Administrative Agent (with a copy to the Cash Management Party or Hedging Party, as applicable, party to the Cash Management Arrangement, Hedging Agreement or other Permitted Hedging Arrangement, as applicable, to which the notice relates) that (x)(i) a Cash Management Arrangement with any Cash Management Party is to be a "Designated Cash Management Agreement" having monetary obligations that are subject to the waterfall provisions set forth in Subsection 10.15 and (ii) the Administrative Agent shall establish a Designated Cash Management Reserve with respect to any such Designated Cash Management Agreement in an amount (which amount shall be specified in such notice) equal to the anticipated monetary obligations of the Loan Parties under such Designated Cash Management Agreement owing to any Cash Management Party, so long as, immediately after giving effect thereto, Excess Availability would be not less than zero, or (y)(i) a Hedging Agreement or other Permitted Hedging Arrangement with any Hedging Party is to be a "Designated Hedging Agreement" having monetary obligations that are subject to the waterfall provisions set forth in Subsection 10.15 and (ii) the Administrative Agent shall establish a Designated Hedging Reserve with respect to any such Designated Hedging Agreement in an amount (which amount shall be specified in such notice) equal to the anticipated monetary obligations of the Loan Parties under such Designated Hedging Agreement owing to any Hedging Party, so long as, immediately after giving effect thereto, Excess Availability would be not less than zero, provided that (i) no Designated Cash Management Agreement or Designated Hedging Agreement can be secured at the same time on a first lien basis by the Cash Flow Priority Collateral (and any request under this Subsection 11.22 will be deemed to be a representation by the Borrower Representative to such effect), and (ii) no monetary obligations under any Designated Cash Management Agreement or Designated Hedging Agreement shall receive any benefit of the designation under this Subsection 11.22 after the Discharge of ABL Obligations (as defined in the ABL/Cash Flow Intercreditor Agreement), provided, further, that no Cash Management Arrangement shall be designated as a "Designated Cash Management Agreement" and no Hedging Agreement or other Permitted Hedging Arrangement shall be designated as a "Designated Hedging Agreement" if, at the time of such designation, the establishment of a Designated Cash Management Reserve or Designated Hedging Reserve in connection with such Designated Cash Management Agreement or Designated Hedging Agreement, as applicable,

would result in Excess Availability being less than zero. The Borrower Representative may from time to time instruct the Administrative Agent to (i) reduce or eliminate the amount of any Designated Cash Management Reserve or Designated Hedging Reserve by delivering to the Administrative Agent (with a copy to the Cash Management Party or Hedging Party, as applicable, party to the Designated Cash Management Agreement or Designated Hedging Agreement to which the Designated Cash Management Reserve or Designated Hedging Reserve relates) a notice of such reduction or elimination or (ii) increase the amount of any Designated Cash Management Reserve or Designated Hedging Reserve by notice in writing to the Administrative Agent (with a copy to the Cash Management Party or Hedging Party, as applicable, party to the Designated Cash Management Agreement or Designated Hedging Agreement to which the Designated Cash Management Reserve or Designated Hedging Reserve relates) so long as in the case of this clause (ii), immediately after giving effect to such increase, Excess Availability would be not less than zero.

11.23 ~~11.23~~ Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary herein or in any other Loan Document, each Borrower, each Lender and the Administrative Agent (each, an "Acknowledging Party") acknowledges that any liability of any Lender that is an Affected Financial Institution arising hereunder or under any other Loan Document, to the extent such liability is unsecured and solely relates to the Loans and not to any other Person, including any other party hereto or any other Loan Document (and not to any other obligations), to such Acknowledging Party (all such liabilities, other than any Excluded Liability, the "Covered Liabilities") may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers to any Covered Liability arising hereunder or under any other Loan Document which may be payable to it by any Lender party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such Covered Liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such Covered Liability;

(ii) a conversion of all, or a portion of, such Covered Liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such Covered Liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such Covered Liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Notwithstanding anything to the contrary herein, nothing contained in this Subsection 11.23 shall modify or otherwise alter the rights or obligations under this Agreement or any other Loan Document of any Person party hereto (other than an Acknowledging Party to the extent set forth in this Subsection 11.23) or with respect to any liability that is not a Covered Liability.~~s~~

11.24 ~~11.24~~ Acknowledgment Regarding any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Subsection 11.24, the term "QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

11.25 ~~11.25~~ Subsidiary Borrowers. The Parent Borrower may cause any Domestic Subsidiary or Specified Non-U.S. Subsidiary (other than an Australian Subsidiary ~~or~~, a Mexican Subsidiary, a Brazilian Subsidiary or a Polish Subsidiary) that is a Wholly Owned Subsidiary to become a U.S. Subsidiary Borrower or a Non-U.S. Borrower, as applicable, in each case, after five Business Days' written notice to the Administrative Agent (or such shorter period

as may be agreed to by the Administrative Agent in its reasonable discretion) pursuant to a Borrower Joinder (which Borrower Joinder shall be accompanied by all documentation and other information about such Subsidiary Borrower as shall be mutually agreed to be required by applicable regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations (including the Patriot Act and the CDD Rule) that has been requested by the Administrative Agent or any applicable Lender). Upon receipt thereof the Administrative Agent shall promptly transmit each such notice to each of the Lenders; provided that any failure to do so by the Administrative Agent shall not in any way affect the status of any such Subsidiary as a U.S. Subsidiary Borrower or Non-U.S. Borrower, as applicable, hereunder. For the avoidance of doubt, the right of the Parent Borrower to designate a Subsidiary as a U.S. Subsidiary Borrower or Non-U.S. Borrower under this Subsection 11.25 or otherwise shall be considered to come within the provisions of Article 21(c)5 of Directive 2013/36/EU. Further and in addition, compliance with the conditions as set out in this Subsection 11.25 or otherwise contained therein shall be considered a solicitation by the Parent Borrower on behalf of such U.S. Subsidiary Borrower or Non-U.S. Borrower and shall not be considered as solicitation by the Lender, as at the operative date or in advance thereof, of any such U.S. Subsidiary Borrower or Non-U.S. Borrower. As such, any exercise of such a right to designate a U.S. Subsidiary Borrower or Non-U.S. Borrower shall not be considered contrary to Article 21(c)(1) of Directive 2013/36/EU.

Section 2.2 The Direct Investment, Subscription Rights and New Debt Cash-Out Commitments.

(a) Direct Investment Commitments. On and subject to the terms and conditions hereof, each Direct Investment Investor hereby agrees, severally and not jointly, to purchase (or cause any of its Related Purchasers to purchase), and the Company hereby agrees to sell to such Direct Investment Investor (or such Direct Investment Investor's Related Purchaser), on the Closing Date, New Preferred Equity Interests pursuant to the Direct Investment Preferred Equity Raise in an amount equal to such Direct Investment Investor's Direct Investment Commitment Amount divided by the Per Preferred Interest Purchase Price (such New Preferred Equity Interests, the "Direct Investment Preferred Interests"), at the Per Preferred Interest Purchase Price, thereby satisfying such Direct Investment Investor's Direct Investment Commitment. The Direct Investment Preferred Interests shall be issued on the same economic terms and with the same rights and preferences as the New Preferred Equity Interests issued pursuant to the Subscription Rights Offering and the New Preferred Equity Interests issued on account of the New Preferred Equity Financing Commitment Premium; provided that any Defaulting Direct Investment Investor shall be liable to each Direct Investment Investor that is not a Defaulting Direct Investment Investor, and to the Company, as a result of any breach of its obligations hereunder.

(b) Subscription Rights Backstop Commitments. Backstop Party's Backstop Amount divided by the Per Preferred Interest Purchase Price; in each case, in satisfaction of such Backstop Party's Subscription Rights Backstop Commitment; provided that any Defaulting Backstop Party shall be liable to each Backstop Party that is not a Defaulting Backstop Party, and to the Company, as a result of any breach of its obligations hereunder.

(c) New Debt Cash-Out Commitments. On and subject to the terms and conditions hereof, each New Debt Cash-Out Lender, severally and not jointly, hereby agrees to provide and fund to the Debtors, on the Closing Date, an amount of cash equal to such New Debt Cash-Out Lender's New Debt Cash-Out Percentage of 80% of the aggregate principal amount of Cash-Out Election New Debt, in exchange for New Debt with an aggregate principal amount equal to such New Debt Cash-Out Lender's New Debt Cash-Out Percentage of the aggregate principal amount to Cash-Out Election New Debt; in each case, in satisfaction of such New Debt Cash-Out Lender's New Debt Cash-Out Commitment; provided that any Defaulting New Debt Cash-Out Lender shall be liable to each New Debt Cash-Out Lender that is not a Defaulting New Debt Cash-Out Lender, and to the Company (or other applicable Debtor), as a result of any breach of its obligations hereunder.

No later than five (5) Business Days prior to the Closing, each Backstop Party shall deliver written notice to the Company identifying any Allowed First Lien Secured Claims acquired by such Backstop Party after the date of this Agreement. Any such after-acquired Allowed First Lien Secured Claims shall be included solely for purposes (under this Agreement) of determining such Backstop Party's Subscription Rights Offering Subscription Amount and its *pro rata* allocation of Subscription Rights in the Subscription Rights pursuant to the Subscription Rights Procedures; provided, that such after-acquired Allowed First Lien Secured Claims shall not entitle such Backstop Party to any Financing Commitment Premiums, Expense Reimbursement, or any other consideration or economics under this Agreement with respect thereto.

Section 2.3 Financing Party Default.

(a) With respect to the Subscription Rights Offering, upon the occurrence of a Backstop Party Default, the Backstop Parties and their respective Related Purchasers (other than any Defaulting Backstop Party) shall have the right and opportunity (but not the obligation), within five (5) Business Days (which period may be extended by the Company in its sole discretion one time for a period of up to five (5) additional Business Days) after receipt of written notice from the Company to all Backstop Parties of such Backstop Party Default, which notice shall be given promptly following the occurrence of such Backstop Party Default (and no later than two (2) Business Days thereafter) and to all Backstop Parties substantially concurrently (such five (5) Business Day period, the "Backstop Party Replacement Period"), to make arrangements for one or more of the Backstop Parties and their respective Related Purchasers (other than the Defaulting Backstop Party) to purchase all or any portion of the Available Preferred Interests (such purchase, a "Backstop Party Replacement") on the terms and subject to the conditions set forth in this Agreement and in such amounts as may be agreed upon by all of the Backstop Parties electing to purchase all or any portion of the Available Preferred Interests (such Backstop Parties, the "Replacing Backstop Parties") or, if no such agreement is reached by the Replacing Backstop Parties, shall be *pro rata* based upon the relative applicable Backstop Percentages of the Replacing Backstop Parties and their respective Related Purchasers (other than any Defaulting Backstop Party). Any Available Preferred Interests purchased by a Replacing Backstop Party (and any commitment and applicable aggregate Per Preferred Interest Purchase Price associated therewith) shall be included, among other things, in the determination of

(x) the Unsubscribed Preferred Equity Interests of such Replacing Backstop Party for all purposes hereunder, (y) the Backstop Percentage of such Replacing Backstop Party for purposes of Section 2.3(e), Section 2.4(b), Section 3.1 and Section 3.2 and (z) the Subscription Rights Backstop Commitment of such Replacing Backstop Party for purposes of the definition of "Requisite Financing Parties." If a Backstop Party Default occurs, the Outside Date shall be delayed only to the extent necessary to allow for the Backstop Party Replacement to be completed within the Backstop Party Replacement Period. Each Backstop Party shall support an extension of the milestones under the Restructuring Support Agreement to the extent necessary to allow for the Backstop Party Replacement to be completed within the Backstop Party Replacement Period. For the avoidance of doubt, nothing in the foregoing shall be interpreted to obligate or require any Backstop Party to purchase any Available Preferred Interests in the event of a Backstop Party Default. Any allocation of Available Preferred Interests among Replacing Backstop Parties shall occur solely to the extent such Parties have voluntarily agreed to assume such interests.

(b) With respect to the Direct Investment Preferred Equity Raise, upon the occurrence of a Direct Investment Investor Default, the Direct Investment Investors and their respective Related Purchasers (other than any Defaulting Direct Investment Investor) shall have the right and opportunity (but not the obligation), within five (5) Business Days (which period may be extended by the Company in its sole discretion one time for a period of up to five (5) additional Business Days) after receipt of written notice from the Company to all Direct Investment Investors of such Direct Investment Investor Default, which notice shall be given promptly following the occurrence of such Direct Investment Investor Default (and no later than two (2) Business Days thereafter) and to all Direct Investment Investors substantially concurrently (such five (5) Business Day period, the "Direct Investment Investor Replacement Period"), to make arrangements for one or more of the Direct Investment Investors and their respective Related Purchasers (other than the Defaulting Direct Investment Investor) to purchase all or any portion of the Available Preferred Interests (such purchase, a "Direct Investment Investor Replacement") on the terms and subject to the conditions set forth in this Agreement and in such amounts as may be agreed upon by all of the Direct Investment Investors electing to purchase all or any portion of the Available Preferred Interests (such Direct Investment Investors, the "Replacing Direct Investment Investors") or, if no such agreement is reached by the Replacing Direct Investment Investors, shall be *pro rata* based upon the relative applicable Backstop Percentages of the Replacing Direct Investment Investors and their respective Related Purchasers (other than any Defaulting Direct Investment Investor). Any Available Preferred Interests purchased by a Replacing Direct Investment Investor (and any commitment and applicable aggregate Per Preferred Interest Purchase Price associated therewith) shall be included, among other things, in the determination of the Backstop Percentage of such Replacing Direct Investment Investor for purposes of this Agreement. If a Direct Investment Investor Default occurs, the Outside Date shall be delayed only to the extent necessary to allow for the Direct Investment Investor Replacement to be completed within the Direct Investment Investor Replacement Period. Each Backstop Party shall support an extension of the milestones under the Restructuring Support Agreement to the extent necessary to allow for the Direct Investment Investor Replacement to be completed within the Direct Investment Investor Replacement Period. For the avoidance of doubt, nothing in the foregoing shall be interpreted to obligate or require any Direct Investment Investor to purchase any Available Preferred Interests in the event of a Direct Investment Investor Default.

(c) With respect to the New Debt Cash-Out Election, upon the occurrence of a New Debt Cash-Out Lender Default, the New Debt Cash-Out Lenders and their respective Related Purchasers (other than any Defaulting New Debt Cash-Out Lender) shall have the right and opportunity (but not the obligation), within five (5) Business Days (which period may be extended by the Company in its sole discretion one time for a period of up to five (5) additional Business Days) after receipt of written notice from the Company to all New Debt Cash-Out Lenders of such New Debt Cash-Out Lender Default, which notice shall be given promptly following the occurrence of such New Debt Cash-Out Lender Default (and no later than two (2) Business Days thereafter) and to all New Debt Cash-Out Lenders substantially concurrently (such five (5) Business Day period, the "New Debt Cash-Out Lender Replacement Period"),

to make arrangements for one or more of the New Debt Cash-Out Lenders and their respective Related Purchasers (other than the Defaulting New Debt Cash-Out Lender) to acquire from the Debtors all or any portion of the Available Debt (such purchase, a "New Debt Cash-Out Lender Replacement") at a price equal to 80% of the aggregate principal amount of such Available Debt, on the other terms and subject to the conditions set forth in this Agreement, and in such amounts as may be agreed upon by all of the New Debt Cash-Out Lenders electing to acquire all or any portion of the Available Debt (such New Debt Cash-Out Lenders, the "Replacing New Debt Cash-Out Lenders") or, if no such agreement is reached by the Replacing New Debt Cash-Out Lenders, shall be *pro rata* based upon the relative applicable New Debt Cash-Out Percentages of the Replacing New Debt Cash-Out Lenders and their respective Related Purchasers (other than any Defaulting New Debt Cash-Out Lender). Any Available Debt acquired by a Replacing New Debt Cash-Out Lender shall be included, among other things, in the determination of the New Debt Cash-Out Percentage of such Replacing New Debt Cash-Out Lender for purposes of this Agreement. If a New Debt Cash-Out Lender Default occurs, the Outside Date shall be delayed only to the extent necessary to allow for the New Debt Cash-Out Lender Replacement to be completed within the New Debt Cash-Out Lender Replacement Period. Each Backstop Party shall support an extension of the milestones under the Restructuring Support Agreement to the extent necessary to allow for the New Debt Cash-Out Lender Replacement to be completed within the New Debt Cash-Out Lender Replacement Period. For the avoidance of doubt, nothing in the foregoing shall be interpreted to obligate or require any New Debt Cash-Out Lender to acquire any Available Debt in the event of a New Debt Cash-Out Lender Default.

(d) Notwithstanding anything in this Agreement to the contrary, if a Financing Party is a Defaulting Backstop Party, a Defaulting Direct Investment Investor or a Defaulting New Debt Cash-Out Lender, as applicable, it shall not be entitled to any of the Financing Commitment Premiums or Expense Reimbursement applicable to such Defaulting Backstop Party, Defaulting Direct Investment Investor or Defaulting New Debt Cash-Out Lender, as applicable (including the Expense Reimbursement), or indemnification provided, or to be provided, under or in connection with this Agreement.

(e) Nothing in this Agreement shall be deemed to require a Financing Party to purchase more than the New Preferred Equity Interests issuable pursuant to its Subscription Rights Offering Subscription Amount and the Backstop Amount, require a Direct Investment Investor to purchase more than the New Preferred Equity Interests issuable pursuant to its Direct Investment Commitment Amount or require a New Debt Cash-Out Lender to fund to the Debtors more than such New Debt Cash-Out Lender's Cash-Out Election Commitment Amount pursuant to the New Debt Cash-Out Commitment.

(f) For the avoidance of doubt, notwithstanding anything to the contrary set forth in Section 9.5(a) but subject to Section 10.10, no provision of this Agreement shall relieve any Defaulting Backstop Party, Defaulting Direct Investment Investor or Defaulting New Debt Cash-Out Lender from liability hereunder, or limit the availability of the remedies set forth in Section 10.9, in connection with such Defaulting Backstop Party's Backstop Party Default, such Defaulting Direct Investment Investor's Direct Investment Investor Default or such Defaulting New Debt Cash-Out Lender's New Debt Cash-Out Default, as applicable.

FINANCING COMMITMENT PREMIUMS AND EXPENSE REIMBURSEMENT

Section 3.1 Premiums Payable by the Company.

(a) Subject to Section 3.2, in consideration for the Subscription Rights Backstop Commitments, Direct Investment Commitments and the other agreements of the Financing Parties in this Agreement, each Financing Party shall be entitled to, and the Company shall pay or cause to be paid to each Financing Party (or their designees) (including any Replacing Backstop Party and Replacing Direct Investment Investor, but excluding any Defaulting Backstop Party or Defaulting Direct Investment Investor), its ratable share of a nonrefundable aggregate premium in an amount equal to 10.0% of the aggregate of the New Preferred Equity Aggregate Commitment Amount, which amount shall be payable in kind in additional New Preferred Equity Interests (the "New Preferred Equity Financing Commitment Premium") as set forth in Schedule 3 hereto.

(b) Subject to Section 3.2, in consideration for the New Debt Cash-Out Commitments and the other agreements of the Financing Parties in this Agreement, each New Debt Cash-Out Lender shall be entitled to, and the Company shall pay or cause to be paid to each Financing Party (or their designees) (including any Replacing Backstop Party, but excluding any Defaulting Backstop Party), its ratable share of a nonrefundable aggregate premium in an amount equal to 8.0% of the First Lien New Debt Allocation, which amount shall be payable in kind in additional New Debt (the "New Debt Cash-Out Commitment Premium," and together with the New Preferred Equity Financing Commitment Premium, the "Financing Commitment Premiums") as set forth on Schedule 4 hereto.

(c) The provisions for the payment of the Financing Commitment Premiums and Expense Reimbursement, and the indemnification provided herein, are an integral part of the transactions contemplated by this Agreement and without these provisions the Financing Parties would not have entered into this Agreement.

Section 3.2 Payment of Financing Commitment Premium. The Financing Commitment Premiums shall be fully earned, nonrefundable and non-avoidable as of the date of this Agreement and shall be paid or caused to be paid by the Company (including by any other applicable Debtor), free and clear of any withholding or deduction for any applicable Taxes (except for any Taxes arising as a result of Person's failure to provide a reasonably requested Tax form establishing complete exemption from withholding; provided that such Person was legally entitled to provide such Tax form), on the Closing Date as set forth above. For the avoidance of doubt, to the extent payable in accordance with the terms of this Agreement, the Financing Commitment Premiums will be payable regardless of the amount of Unsubscribed Preferred Equity Interests or Cash-Out Election New Debt (if any) actually purchased. The Company shall satisfy its obligation to pay or caused to be paid the Financing Commitment Premiums on the Closing Date, in lieu of any cash payment, by issuing or transferring (or causing to be issued or transferred (as applicable)) to each Financing Party its New Preferred Equity Financing Commitment Premium Preferred Interests and New Debt Cash-Out Commitment Premium Debt; provided that if the Closing does not occur, the Financing Commitment Premiums shall be payable in cash and only to the extent provided in (and in accordance with) Section 9.5. The Financing Commitment Premiums shall, pursuant to the BCA Approval Order, constitute allowed administrative expenses of the Debtors' estates under sections 503(b) and 507 of the Bankruptcy Code. In addition and as a result thereof, the proposed Confirmation Order and the Plan filed by the Company shall provide that the New Preferred Equity Financing Commitment Premium is issuable under section 1145 of the Bankruptcy Code; provided that the Bankruptcy Court's failure to approve the Financing Commitment Premiums as an allowed administrative expense, and as a result be issuable under section 1145 of the Bankruptcy Code, shall not

constitute a breach by the Company of any covenant in this Agreement and the Company shall provide that the Financing Commitment Premium is issued without registration pursuant to another applicable exemption from the registration requirements of the Securities Act.

Section 3.3 Expense Reimbursement.

(a) In accordance with and subject to the BCA Approval Order, the Company will, or cause the Debtors to, agree to pay or reimburse, in accordance with Section 3.3(b) below, (i) all reasonable and documented out-of-pocket fees and expenses (including travel costs and expenses) of the Financing Parties, including all of the attorneys, accountants, other professionals, advisors and consultants incurred on behalf of the Financing Parties, or their Affiliates, in connection with the Chapter 11 Cases and/or the Restructuring Transactions (whether incurred before or after the Petition Date), including the fees and expenses of the Secured Ad Hoc Group Advisors and (ii) any applicable filing or other similar fees required to be paid in all applicable jurisdictions (such payment obligations in clauses (i) and (ii), the "Expense Reimbursement"). The Expense Reimbursement shall, pursuant to the BCA Approval Order, constitute allowed administrative expenses against each of the Debtors' estates under sections 503(b) and 507 of the Bankruptcy Code. For the avoidance of doubt, the amount payable pursuant to this Section 3.3 shall be determined without duplication of recovery under the Restructuring Support Agreement.

(b) The Expense Reimbursement accrued through the date on which the BCA Approval Order is entered shall be paid in accordance with the BCA Approval Order as promptly as reasonably practicable after the date of the entry of the BCA Approval Order. The Expense Reimbursement shall thereafter be payable by the Debtors within three (3) Business Days from receipt of the applicable invoice in accordance with the BCA Approval Order; provided that the Debtors' final payment shall be made contemporaneously with the Closing or the termination of this Agreement pursuant to Article IX.

Section 3.4 Tax Treatment of Financing Commitment Premiums. The Backstop Parties and the Company intend to treat, for U.S. federal income tax purposes, the (a) New Preferred Equity Financing Commitment Premium as the sale price for a put option or as additional New Preferred Equity Interests purchased by the Backstop Parties and (b) the New Debt Cash-Out Commitment Premium as the sale price for a put option relating to an amount of New Debt equal to 80% of the First Lien New Debt Allocation. The Backstop Parties and the Debtors shall not take any position or action inconsistent with such treatment and/or characterization, except as otherwise required by a "determination" within the meaning of section 1313 of the Internal Revenue Code.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE DEBTORS

Except as set forth in corresponding section of the Company Disclosure Schedules, each of the Debtors, jointly and severally, hereby represent and warrant to each of the Financing Parties (unless otherwise set forth herein, as of the date of this Agreement and as of the Closing Date) as set forth below.

Section 4.1 Organization and Qualification. Each Debtor is duly organized, validly existing and in good standing under the Laws of the state of its respective organization, is duly qualified to do business and is in good standing in each jurisdiction in which its respective ownership or lease of property or the conduct of its respective businesses requires such qualification and has all power and authority necessary to own or hold its respective properties and to conduct the businesses in which it is engaged, except where the failure to be so qualified, in good standing or have such power or authority would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.2 Corporate Power and Authority.

(a) The Company has the requisite corporate power and authority (i) subject to entry of the BCA Approval Order, to enter into, execute and deliver this Agreement and (ii) subject to entry of the BCA Approval Order, the Disclosure Statement Order and the Confirmation Order, to consummate the transactions contemplated herein, the Transaction Agreements and the Plan, and to perform its obligations under each of the Transaction Agreements (other than this Agreement). Subject to the receipt of the foregoing Orders, as applicable, the execution and delivery of this Agreement and each of the other Transaction Agreements and the consummation of the transactions contemplated hereby and thereby have been or will be duly authorized by all requisite corporate action on behalf of the Company, and no other corporate proceedings on the part of the Company are or will be necessary to authorize this Agreement or any of the other Transaction Agreements or to consummate the transactions contemplated hereby or thereby.

(b) Subject to entry of the BCA Approval Order and the Confirmation Order, each of the other Debtors has the requisite power and authority (corporate or otherwise) to enter into, execute and deliver each Transaction Agreement to which such other Debtor is a party and to perform its obligations thereunder. Subject to the receipt of the foregoing Orders, as applicable, the execution and delivery of this Agreement and each of the other Transaction Agreements and the consummation of the transactions contemplated hereby and thereby have been or will be duly authorized by all requisite action (corporate or otherwise) on behalf of each other Debtor party thereto, and no other proceedings (corporate or otherwise) on the part of any other Debtor party thereto are or will be necessary to authorize this Agreement or any of the other Transaction Agreements or to consummate the transactions contemplated hereby or thereby.

(c) Subject to entry of the BCA Approval Order and the Confirmation Order, each of the Company and the other Debtors has the requisite power and authority (corporate or otherwise) to perform its obligations under the Plan, and has taken or shall take all necessary actions (corporate or otherwise) required for the due consummation of the Plan in accordance with its terms.

Section 4.3 Capitalization. All the outstanding shares of capital stock or other equity interests of each direct or indirect subsidiary of the Company have been duly and validly authorized and issued, are fully paid and non-assessable and (except, in the case of any foreign subsidiary, for directors' qualifying shares) are owned directly or indirectly by the Company, free and clear of any Lien, charge, encumbrance, security interest, restriction on voting or transfer or any other claim of any third party, except for (a) Liens permitted under the DIP Documents (including Permitted Liens (as defined in the DIP Documents)); (b) Liens permitted under the ABL Facility (including Permitted Liens (as defined in the ABL Facility Documents)); and (c) Liens that, pursuant to the Confirmation Order, will not survive beyond the Effective Date.

Section 4.4 Issuance. Subject to the entry of the BCA Approval Order and the Confirmation Order, the New Preferred Equity Interests to be issued pursuant to the Plan, including the New Preferred Equity Interests to be issued in connection with the Subscription Rights and the Direct Investment Preferred Equity Raise, will, when issued and delivered on the Closing Date in accordance with terms of the Plan and the Subscription Rights Procedures and against any required payment, be duly authorized, validly issued and delivered and shall be fully paid and non-assessable, and free and clear of all Taxes (except for any Taxes arising as a result of a Person's failure to provide a reasonably requested Tax form establishing complete exemption from withholding, provided that such Person was legally entitled to provide such Tax form), Liens, encumbrances, preemptive rights, subscription and similar rights (other than as may arise under the Company Organizational Documents and any applicable securities Laws).

Section 4.5 Authorized Shares. As of the Closing Date and subject to the entry of the Confirmation Order, the Company has all consents, approvals and authorizations necessary for the issuance of the New Preferred Equity Interests to be issued pursuant to the Plan, and the Company has full right, power and authority to sell, assign, transfer and deliver the shares of New Preferred Equity Interests to the Financing Parties.

Section 4.6 No Conflict. Assuming the consents described in Section 4.7 are obtained, the execution and delivery by the Company and, if applicable, any other Debtor, of this Agreement, the Plan and the other Transaction Agreements, the compliance by the Company and, if applicable, any other Debtor, with the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein will not (a) conflict with, or result in a breach, modification or violation of, any of the terms or provisions of, or constitute a default under (with or without notice or lapse of time, or both), or result, except to the extent specified in the Plan, in the acceleration of, or the creation of any Lien under, or cause any payment or consent to be required under any Contract to which any Debtor will be bound as of the Closing Date after giving effect to the Plan or to which any of the property or assets of any Debtor will be subject as of the Closing Date after giving effect to the Plan, (b) result in any violation of the provisions of any of the Debtors' organizational documents (other than, for the avoidance of doubt, a breach or default that would be triggered as a result of the Chapter 11 Cases or the Company's or any Debtor's undertaking to implement the Restructuring Transactions through the Chapter 11 Cases) or (c) result in any violation of any Law or Order applicable to any Debtor or any of their properties, except in each of the cases described in clause (a) or (c) for any conflict, breach, modification, violation, default, acceleration or Lien which would not reasonably be expected to be, individually or in the aggregate, a Material Adverse Effect.

Section 4.7 Consents and Approvals. No consent, approval, authorization, Order, registration or qualification of or with any Governmental Entity having jurisdiction over any of the Debtors or any of their properties (each, an "Applicable Consent") is required for the execution and delivery by the Company and, to the extent relevant, the other Debtors, of this Agreement, the Plan and the other Transaction Agreements, the compliance by the Company and, to the extent relevant, the other Debtors, with the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein, except for (a) the entry of the BCA Approval Order authorizing the Company to execute and deliver this Agreement, (b) the entry by the Bankruptcy Court, or any other court of competent jurisdiction, of Orders as may be necessary to implement the transactions contemplated by this Agreement, (c) the entry of the Confirmation Order, (d) filings, notifications, authorizations, approvals, consents, clearances or termination or expiration of all applicable waiting periods under any Antitrust Laws in connection with the transactions contemplated by this Agreement, (e) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or "Blue Sky" Laws in connection with the purchase of the Direct Investment Preferred Interests by the Direct Investment Investors, the Unsubscribed Preferred Equity Interests by the Backstop Parties, the issuance of the Subscription Rights, the issuance of the New Preferred Equity Interests pursuant to the exercise of the Subscription Rights, the issuance of the New Preferred Equity Financing Commitment Premium Preferred Interests, the issuance of the New Preferred Equity Participation Premium, (f) any Applicable Consents that, if not made or obtained, would not reasonably be expected to be, individually or in the aggregate, material and adverse to the Debtors and (g) any Applicable Consents that if not made or obtained, would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 4.8 Arm's Length. The Company acknowledges and agrees that (a) each of the Financing Parties is acting solely in the capacity of an arm's-length contractual counterparty to the Company with respect to the transactions contemplated hereby (including in connection with determining the terms of the Subscription Rights Offering) and not as a financial advisor or a fiduciary to, or an agent

of, the Company or any other Debtor and (b) no Backstop Party is advising the Company or any other Debtor as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction.

Section 4.9 Financial Statements.

(a) The consolidated balance sheets of LABL as of September 30, 2025 and the related consolidated statements of operations and of cash flows for the fiscal year then ended (the "Financial Statements") present fairly in all material respects the financial position, results of operations and cash flows of LABL and its consolidated Subsidiaries, taken as a whole, as of the dates indicated and for the periods specified. All such Financial Statements, which shall not be required to include schedules or notes thereto, have been prepared, in all material respects, in accordance with GAAP applied consistently throughout the periods involved (except as disclosed therein).

Section 4.10 Absence of Certain Changes. Since September 30, 2025, to the date of this Agreement, no Event has occurred or exists that has had or would be reasonably expected to have, individually or in the aggregate, a Material Adverse Effect, except for (a) LABL's failure to make the interest payment due on January 15, 2026 under the 2027 Unsecured Notes Indenture, as described in the Disclosure Statement; and (b) the downgrades to (i) LABL's issuer credit rating from "CCC+" to "SD;" and (ii) the 2027 Unsecured Notes' issue-level credit rating from "CCC" to "D," in each case issued by S&P Global on or around January 21, 2026.

Section 4.11 No Violation; Compliance with Laws. Neither the Company nor any other Debtor is: (a) in violation of its charter or by-laws or similar organizational documents; (b) in default, and no Event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of the other Debtors is a party or by which the Company or any of the other Debtors is bound or to which any of the property or assets of the Company or any other Debtor is subject or (c) since January 1, 2023, in violation of any Law or statute or any judgment, Order, rule or regulation of any court or arbitrator or governmental or regulatory authority, except, in the case of clauses (b) and (c) above, for (x) LABL's failure to make the interest payment due on January 15, 2026 under the 2027 Unsecured Notes Indenture, as described in the Disclosure Statement; and (y) any such default or violation that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or was caused by the commencement of the Chapter 11 Cases.

Section 4.12 Legal Proceedings. Other than the Chapter 11 Cases and any adversary proceedings or contested motions commenced in connection therewith, (a) there are no legal, governmental, administrative, judicial or regulatory investigations, audits, actions, suits, claims, arbitrations, demands, demand letters, claims, notices of noncompliance or violations, or proceedings ("Legal Proceedings") pending or, to the Knowledge of the Company, threatened to which any of the Debtors is a party or to which any property of any of the Debtors is the subject and (b) to the Knowledge of the Company, no Event has occurred or circumstances exist that may give rise to, or serve as the basis for, any such Legal Proceeding, in each case of clause (a) and (b), that in any manner draws into question the validity or enforceability of this Agreement, the Plan or the other Transaction Agreements or that would reasonably be expected to be, individually or in the aggregate, a Material Adverse Effect.

Section 4.13 Intellectual Property. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (a) each of the Debtors owns, or possesses the right to use, all of the patents, patent rights, trademarks, service marks, trade names, copyrights, mask works, domain names, trade dress, trade secrets, rights in Software and any and all applications or registrations for any of the foregoing (collectively, "Intellectual Property Rights") that are reasonably

necessary for the operation of their respective businesses, (b) to the Knowledge of the Company, none of the Debtors is interfering with, infringing upon, misappropriating or otherwise violating in any material respect any valid Intellectual Property Rights of any Person, and (c) no claim or litigation regarding any of the foregoing is pending or to the Knowledge of the Company, threatened.

Section 4.14 Title to Real and Personal Property.

(a) Real Property. Each of the Debtors has valid fee simple title to, or valid leasehold interest in, or easements or other limited property interests in, all of its Real Properties and has valid title to its tangible personal properties and assets, in each case, except for defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their currently intended purposes, and except where the failure (or failures) to have such title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; provided, however, that the enforceability of such leased Real Properties may be limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditor's rights generally or general principles of equity, including the Chapter 11 Cases.

(b) Leased Real Property. Each of the Debtors is in compliance with all obligations under all leases to which it is a party that have not been rejected in the Chapter 11 Cases, except where the failure to comply would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and none of the Debtors has received written notice of any good faith claim asserting that such leases are not in full force and effect, except leases in respect of which the failure to be in full force and effect would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each of the Debtors enjoys peaceful and undisturbed possession under all such leases, other than leases in respect of which the failure to enjoy peaceful and undisturbed possession would not reasonably be expected to materially interfere with its ability to conduct its business as currently conducted or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.15 No Undisclosed Relationships. Other than (a) Contracts or other direct or indirect relationships between or among any of the Debtors, (b) executive employment or retention agreements and customary director and officer indemnity agreements, (c) Contracts or other direct or indirect relationships with the Sponsor that have been previously disclosed to the Financing Parties, and (d) transactions, contracts, and direct or indirect relationships in the ordinary course of the Company's and its Subsidiaries' business, there are no Contracts or transactions or other direct or indirect relationships existing as of the date hereof between or among any of the Debtors, on the one hand, and any director, officer or greater than five percent (5%) stockholder of any of the Debtors, on the other hand, except for the transactions contemplated by the Transaction Agreements.

Section 4.16 Licenses and Permits. The Debtors have all material governmental permits, licenses, certificates, registrations, approvals, exemptions, clearances, billings and authorizations ("Permits") necessary for the conduct of their business as presently conducted, and each of the Permits is valid, subsisting and in full force and effect, except where the failure to have or maintain such Permit, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (i) the operation of the business of the Debtors as currently conducted is not, and has not been in material violation of, nor the Debtors in material default or violation under, any Permit (excluding any past violation or default that has been remedied and imposes no material continuing obligations or costs on the Debtors) and (ii) no Event has occurred which, with notice or the lapse of time or both, would constitute a material default or violation of any term, condition or provision of any Permit. There are no Actions pending or threatened, that seek the revocation, suspension, cancellation or modification of any Permit, except where such revocation, suspension, cancellation or modification,

individually or in the aggregate, has not had and would not reasonably be expected to have, a Material Adverse Effect. No Debtor has received written notice of any charge, claim or assertion alleging any violations of or noncompliance with any Permit nor has any charge, claim or assertion been threatened, except where such notice, charge, claim or assertion, individually or in the aggregate, has not had and would not reasonably be expected to have, a Material Adverse Effect.

Section 4.17 Environmental. (a) Except as to matters that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, no written notice, claim, demand, request for information, Order, complaint or penalty has been received by any of the Debtors, and there are no Legal Proceedings pending or threatened which allege a violation of or liability under any Environmental Laws (including with respect to exposure to Hazardous Materials), in each case relating to any of the Debtors, (b) except as to matters that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, each Debtor has received (including timely application for renewal of the same), and maintained in full force and effect, all environmental Permits, licenses and other approvals, and has maintained all financial assurances, in each case to the extent necessary for its operations to comply with all applicable Environmental Laws and is, and has been, in compliance with the terms of such Permits, licenses and other approvals and with all applicable Environmental Laws, (c) no Hazardous Material is located at, on or under any property currently or formerly owned, operated or leased by any of the Debtors that would reasonably be expected to give rise to any cost, liability or obligation of any of the Debtors under any Environmental Laws, other than costs, liabilities or obligations related to asset retirement obligations incurred or anticipated to be incurred pursuant to Environmental Laws or costs, liabilities or obligations that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and (d) no Hazardous Material has been Released, generated, owned, treated, stored or handled by any of the Debtors, and no Hazardous Material has been transported to or Released at any location in a manner that would reasonably be expected to give rise to any cost, liability or obligation of any of the Debtors under any Environmental Laws, other than costs, liabilities or obligations related to asset retirement obligations incurred or anticipated to be incurred pursuant to Environmental Laws or costs, liabilities or obligations that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Notwithstanding the generality of any other representations and warranties in this Agreement, the representations and warranties in this Section 4.17 constitute the sole and exclusive representations and warranties in this Agreement with respect to any environmental, health or safety matters, including any arising under or relating to Environmental Laws.

Section 4.18 Labor Matters. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, no Debtor has any outstanding liability relating to or arising out of non-compliance with any applicable labor or employment-related Laws. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, there are no pending or threatened claims, sanctions, legal actions or lawsuits against the Debtors before any Governmental Entity relating to the Debtors' actual or alleged non-compliance with labor or employment-related Laws.

Section 4.19 Tax Matters. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect:

(a) Each of the Debtors and their Subsidiaries has filed or caused to be filed all U.S. federal, state, local and non-U.S. income and other Tax Returns required to have been filed by it (taking into account extensions) and each such Tax Return is true and correct in all respects;

(b) Each of the Debtors and their Subsidiaries has timely paid or caused to be timely paid all Taxes shown to be due and payable by it on the Tax Returns referred to in clause (a) and all other Taxes or assessments that are due and owing (or made adequate provision (in accordance with GAAP) for

the payment of all such Taxes due) with respect to all periods or portions thereof ending on or before the date hereof other than Taxes the nonpayment of which are permitted or required by the Bankruptcy Code.

(c) As of the date hereof, with respect to the Debtors and their Subsidiaries, other than in connection with the Chapter 11 Cases (including, for the avoidance of doubt, the filing of any proof of claims with respect to Taxes) and other than Taxes or assessments that are being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP, (i) no claims have been asserted in writing with respect to any Taxes that have not been resolved, (ii) no presently effective waivers or extensions of statutes of limitation with respect to Taxes have been given or requested (other than any automatic customary waivers or extensions obtained by the business) and (iii) no Tax Returns are being examined or audited by (of which the Debtors have received written notice), and no written notification of intention to examine or audit any such Tax Returns has been received from, the IRS or any other Governmental Entity.

(d) The Debtors and each of their Subsidiaries have complied with all applicable laws, rules and regulations relating to the payment and withholding of Taxes, and have, within the time and in the manner prescribed by Law, withheld and timely paid over to the proper Governmental Entity all required amounts from amounts paid or owing to any employee, independent contractor, creditor, stockholder or other third party.

(e) There are no Liens for Taxes on any asset of any of the Debtors other than for (i) Taxes that are being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP or (ii) Taxes the nonpayment of which are permitted or required by the Bankruptcy Code.

(f) None of the Debtors or any of their Subsidiaries has any liability for any material amount of Taxes of any other Person, either by operation of Law, by Contract (other than an agreement entered into in the ordinary course of business consistent with past practice the principal purpose of which is not the sharing, assumption or indemnification of Tax or an agreement solely among the Debtors or an agreement solely among the Debtors) or as a transferee or successor, other than any liability resulting solely from being part of a "consolidated," "unitary" or "combined" Tax return with respect to a group of which the Debtors and their current or past Subsidiaries (or any subset of the foregoing) are or were the only members.

(g) None of the Debtors or any of their Subsidiaries is a party to any Tax allocation or Tax sharing agreement with any third party (other than an agreement entered into in the ordinary course of business consistent with past practice (such as a lease or a license) or the principal purpose of which is not the sharing, assumption or indemnification of Tax).

(h) None of the Debtors or any of their Subsidiaries has been included in any "consolidated," "unitary" or "combined" Tax return provided for under any Law with respect to income Taxes for any taxable period for which the statute of limitations has not expired (other than a group of which the Debtors and their current or past Subsidiaries (or any subset of the foregoing) are or were the only members).

(i) Section 4.19 shall constitute the sole and exclusive representations and warranties with respect to Tax matters. No representation or warranty is provided with respect to any Tax position taken for any Tax period following the consummation of the Plan or with respect to the availability of any Tax attribute in such period.

Section 4.20 Employee Benefit Plans. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, none of the Debtors sponsor, maintain, contribute to, or have an obligation to contribute to, or have or could reasonably be expected to have any liability (including an account of an ERISA Affiliate) with respect to, any Multiemployer Plan or a plan that is subject to Title IV of ERISA. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, no condition exists that would reasonably be expected to result in any liability to the Debtors (including on account of an ERISA Affiliate) under Title IV of ERISA.

Section 4.21 No Unlawful Payments. In the past five (5) years, none of the Debtors nor any of their respective directors, officers or, to the Knowledge of the Company, employees has in any material respect: (a) used any funds of any of the Debtors for any unlawful contribution, gift, entertainment or other unlawful expense, in each case for the purpose of corruptly influencing any foreign governmental official; (b) made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; (c) violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977, as amended, the UK Bribery Act 2010 or any other laws, rules or regulations concerning or relating to the prevention or prohibition of bribery or corruption (collectively, "Anti-Corruption Laws"), in each case, to the extent applicable; or (d) made any bribe, rebate, payoff, influence payment, kickback or other similar unlawful payment to any foreign government official or any private party, in each case, in violation of applicable Anti-Corruption Laws.

Section 4.22 Compliance with Money Laundering and Sanctions Laws.

(a) The operations of the Debtors are and in the past five (5) years have been at all times, conducted in compliance in all material respects with applicable financial recordkeeping and reporting requirements of the U.S. Currency and Foreign Transactions Reporting Act of 1970, as amended, and all applicable Money Laundering Laws and no material Legal Proceeding by or before any Governmental Entity or any arbitrator involving any of the Debtors with respect to Money Laundering Laws is pending or, to the Knowledge of the Company, threatened.

(b) Neither the Company nor any of its subsidiaries nor any director or officer or, to the Knowledge of the Company, employee, agent or Affiliate acting on behalf of the Company or any of its subsidiaries is currently the subject or the target of any sanctions administered or enforced by the U.S. government (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury and the U.S. Department of State), the United Nations Security Council, the European Union or any of its member states or His Majesty's Treasury of the United Kingdom (collectively, "Sanctions"), nor is the Company or any of its subsidiaries domiciled, organized or resident in a country or territory that is the subject or target of comprehensive Sanctions broadly prohibiting dealings involving such country or territory, including, without limitation, Cuba, Iran, North Korea, the Crimea region of Ukraine, the so-called Donetsk People's Republic, the so-called Luhansk People's Republic, and the non-government controlled areas of the Zaporizhzhia and Kherson regions of Ukraine, (each, a "Sanctioned Country"); and the Company will not directly or indirectly use the proceeds of the Subscription Rights Offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) to fund or facilitate any activities of or business or dealings with any Person that, at the time of such funding or facilitation, is the subject or target of Sanctions, (ii) to fund or facilitate any activities or dealings of, or business in, any Sanctioned Country, (iii) in any other manner that would constitute or give rise to a violation by any Person (including any Person participating in the transaction, whether as underwriter, advisor, investor or otherwise) of Sanctions or (iv) in any manner in violation of applicable Anti-Corruption Laws. Since April 24, 2019, the Company and its subsidiaries have not knowingly engaged in and are not now knowingly engaged in any dealings or transactions (i) with any Person that at the time of the dealing or transaction is or was the subject or the target of Sanctions or (ii) with or in any Sanctioned Country.

Section 4.23 No Broker's Fees. None of the Debtors is a party to any Contract with any Person (other than this Agreement) that would give rise to a valid claim against the Financing Parties for a brokerage commission, finder's fee or like payment in connection with the Subscription Rights Offering or the sale of the Unsubscribed Preferred Equity Interests.

Section 4.24 Investment Company Act. None of the Debtors is an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 4.25 Insurance. ARTICLE V

REPRESENTATIONS AND WARRANTIES OF THE FINANCING PARTIES

Each Financing Party, severally and not jointly, hereby represents and warrants as to itself only (unless otherwise set forth herein, as of the date of this Agreement and as of the Closing Date) as set forth below.

Section 5.1 Organization. Such Financing Party is a legal entity duly organized, validly existing and, if applicable, in good standing (or the equivalent thereof) under the Laws of its jurisdiction of incorporation or organization.

Section 5.2 Organizational Power and Authority. Upon entry of the BCA Approval Order and the Confirmation Order, such Financing Party has the requisite power and authority (corporate or otherwise) to enter into, execute and deliver this Agreement and each other Transaction Agreement to which such Financing Party is a party and to perform its obligations hereunder and thereunder and has taken all necessary action (corporate or otherwise) required for the due authorization, execution, delivery and performance by it of this Agreement and the other Transaction Agreements.

Section 5.3 Execution and Delivery; Enforceability. This Agreement and each other Transaction Agreement to which such Financing Party is a party (a) has been, or prior to its execution and delivery will be, duly and validly executed and delivered by such Financing Party and (b) upon entry of the

BCA Approval Order and the Confirmation Order and assuming due and valid execution and delivery hereof and thereof by the Company and the other Debtors (as applicable), will constitute valid and legally binding obligations of such Financing Party, enforceable against such Financing Party in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other similar Laws limiting creditors' rights generally or by equitable principles relating to enforceability.

Section 5.4 No Conflict. Assuming that the consents referred to in clauses (a) and (b) of Section 5.5 are obtained, the execution and delivery by such Financing Party of this Agreement and each other Transaction Agreement to which such Financing Party is a party, the compliance by such Financing Party with all of the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein (a) will not conflict with, or result in breach, modification, termination or violation of, any of the terms or provisions of, or constitute a default under (with or without notice or lapse of time or both), or result in the acceleration of, or the creation of any Lien under, any Contract to which such Financing Party is party or is bound or to which any of the property or assets or such Financing Party are subject, (b) will not result in any violation of the provisions of the certificate of incorporation or bylaws (or comparable constituent documents) of such Financing Party and (c) will not result in any material violation of any Law or Order applicable to such Financing Party or any of its properties, except in each of the cases described in clauses (a) or (c), for any conflict, breach, modification, termination, violation, default, acceleration or Lien which would not reasonably be expected, individually or in the aggregate, to prohibit or materially and adversely impact such Financing Party's performance of its obligations under this Agreement.

Section 5.5 Consents and Approvals. No consent, approval, authorization, Order, registration or qualification of or with any Governmental Entity having jurisdiction over such Financing Party or any of its properties is required for the execution and delivery by such Financing Party of this Agreement and each other Transaction Agreement to which such Financing Party is a party, the compliance by such Financing Party with the provisions hereof and thereof and the consummation of the transactions (including the purchase by such Financing Party of the New Preferred Equity Interests) contemplated herein and therein, except (a) any consent, approval, authorization, Order, registration or qualification which, if not made or obtained, would not reasonably be expected, individually or in the aggregate, to prohibit or materially and adversely impact such Financing Party's performance of its obligations under this Agreement and each other Transaction Agreement to which such Financing Party is a party and (b) filings, notifications, authorizations, approvals, consents, clearances or termination or expiration of all applicable waiting periods under any Antitrust Laws in connection with the transactions contemplated by this Agreement.

Section 5.6 No Registration. Such Financing Party, to the extent receiving any New Preferred Equity Interests, understands that (a) the New Preferred Equity Interests, the New Preferred Equity Participation Premium and the New Notes have not been registered under the Securities Act by reason of a specific exemption from the registration provisions of the Securities Act, the availability of which depends on, among other things, the bona fide nature of the investment intent and the accuracy of such Financing Party's representations as expressed herein or otherwise made pursuant hereto and (b) the Unsubscribed Preferred Equity Interests, any New Preferred Equity Interests issued to such Financing Party (if such Financing Party is a Backstop Party) in satisfaction of the Financing Commitment Premium, any New Preferred Equity Interests issued to such Financing Party (if such Financing Party is a Backstop Party) as part of the Subscription Rights Offering following a transfer or assignment thereof (either directly or through transfer or assignment of the related Subscription Rights) pursuant to Section 2.8 and the Direct Investment Preferred Interests, the New Preferred Equity Participation Premium, and the New Notes, as applicable, issued to such Financing Party cannot be sold unless subsequently registered under the Securities Act or an exemption from registration is available.

Section 5.7 Purchasing Intent. With respect to the Subscription Rights Offering, each Backstop Party is acquiring the Unsubscribed Preferred Equity Interests and any New Preferred Equity Interests issued to such Backstop Party in satisfaction of the Financing Commitment Premium, and, with respect to the Direct Investment Preferred Equity Raise, each Direct Investment Investor is acquiring the Direct Investment Preferred Interests, in each case with any New Preferred Equity Participation Premium issued on account of such New Preferred Equity Interests, for its own account or accounts or funds over which it holds voting or investment discretion, not otherwise as a nominee or agent, and not otherwise with the view to, or for resale in connection with, any distribution thereof in violation of applicable securities Laws, and such Financing Party has no present intention of selling, granting any other participation in, or otherwise distributing the same in violation of applicable securities Laws. With respect to the any New Notes issued to any New Debt Cash-Out Lender in satisfaction of such New Debt Cash-Out Lender's New Debt Cash-Out Commitment and/or in satisfaction of the Company's obligation to pay the New Debt Cash-Out Commitment Premium, each New Debt Cash-Out Lender is acquiring such New Notes, for its own account or accounts or funds over which it holds voting discretion, not otherwise as a nominee or agent, and not otherwise with the view to, or for resale in connection with, any distribution thereof in violation of applicable securities Laws, and such Financing Party has no present intention of selling, granting any other participation in, or otherwise distributing the same in violation of applicable securities Laws.

Section 5.8 Sophistication; Investigation. Such Financing Party has such knowledge, skill and experience in financial, business and investment matters such that it is capable of evaluating the merits, risks and consequences of its investment in the New Preferred Equity Interests, New Preferred Equity Participation Premium, and/or New Debt, as applicable, issued to such Financing Party. Such Financing Party is either (x) a "qualified institutional buyer" within the meaning of Rule 144A of the Securities Act ("Rule 144A") or an institutional "accredited investor" within the meaning of Rule 501(a) (1), (2), (3), (7), (8), (9), (12), or (13) of the Securities Act, in each case, having (or is a direct or indirect, wholly-owned subsidiary of any entity having) total assets in excess of $10 million, or (y) not a "U.S. Person" as such term is defined in Regulation S under the Securities Act ("Regulation S") and is not acquiring the New Preferred Equity Interests, New Preferred Equity Participation Premium and/or New Debt, as applicable, for the account or benefit of a U.S. person (as defined in Regulations S). Such Financing Party understands and is able to bear any economic risks associated with such investment (including the necessity of holding such New Preferred Equity Interests, New Preferred Equity Participation Premium, and/or New Debt, as applicable, for an indefinite period of time or complete loss of such investment). Such Financing Party further represents that it fully understands the limitations on transfer and restrictions on sales and other dispositions set forth in this Agreement. Such Financing Party acknowledges that it (a) has been furnished with, or has had access to, such information that it considers necessary or appropriate to make an informed investment decision with respect to the New Preferred Equity Interests, New Preferred Equity Participation Premium, and/or New Debt, as applicable, issued to such Financing Party and (b) has had an opportunity to ask questions of and receive answers from management of the Company regarding the intended business and financial affairs of the Company.

Section 5.9 No Broker's Fees. Such Financing Party is not a party to any Contract with any Person (other than the Transaction Agreements, the Moelis Engagement Letter, and any Contract giving rise to the Expense Reimbursement hereunder) that would give rise to a valid claim against any of the Debtors for a brokerage commission, finder's fee or like payment in connection with the Subscription Rights Offering, the Direct Investment Preferred Equity Raise or the sale of the Restricted Securities.

Section 5.10 Sufficient Funds. Such Financing Party has and shall have at Closing sufficient immediately available assets and the financial capacity to perform all of its obligations under this Agreement, including the ability to fully exercise all Subscription Rights that are issued to it pursuant to the Subscription Rights Offering, and fund such Financing Party's Subscription Rights Backstop Commitment, Direct Investment Commitment and New Debt Cash-Out Commitment, as applicable. For

the avoidance of doubt, such Financing Party acknowledges that its obligations under this Agreement and the other agreements contemplated hereunder are not conditioned in any manner upon its obtaining financing.

Section 5.11 Additional Securities Law Matters.

(a) Such Financing Party has been advised by the Company that the Unsubscribed Preferred Equity Interests, any New Preferred Equity Interests issued to such Backstop Party in satisfaction of the Financing Commitment Premium, any New Preferred Equity Interests issued to a Backstop Party as part of the Subscription Rights Offering following a transfer or assignment thereof (either directly or through transfer or assignment of the related Subscription Rights) pursuant to Section 2.9 and the Direct Investment Preferred Interests to be issued pursuant to the Direct Investment Preferred Equity Raise, the New Preferred Equity Participation Premium issued on account of such New Preferred Equity Interests, New Notes (and any other securities issued to the Financing Parties, to the extent that section 1145 of the Bankruptcy Code is not available) (collectively, the "Restricted Securities") are characterized as "restricted securities" under the Securities Act inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that such Financing Party must continue to bear the economic risk of the investment in such Restricted Securities unless the offer and sale of such Restricted Securities is subsequently registered under the Securities Act and all applicable state or foreign securities or "blue sky" Laws or an exemption from such registration is available.

(b) If such Financing Party is being issued the Restricted Securities pursuant to Regulation S, such Financing Party has been advised and acknowledges that: (i) in issuing and selling such securities to such person who is not a "U.S. person" (as defined in Regulation S) (a "Non-U.S. person") pursuant hereto, the Debtors are relying upon the "safe harbor" provided by Regulation S; (ii) it is a condition to the availability of the Regulation S "safe harbor" that the Restricted Securities not be offered or sold in the United States (as defined in Regulation S) or to a U.S. person until the expiration of the applicable "distribution compliance period" following the Closing Date and (iii) notwithstanding the foregoing, prior to the expiration of the applicable "distribution compliance period" after the Closing (the "Restricted Period"), the Restricted Securities may be offered and sold by the holder thereof only if such offer and sale is made in compliance with the terms of this Agreement and either: (X) if the offer or sale is within the United States or to or for the account of a U.S. person, the securities are offered and sold pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act; or (Y) the offer and sale is outside the United States and to other than a U.S. person. Such Financing Party agrees that with respect to the Restricted Securities, until the expiration of the Restricted Period: (i) such Non-U.S. person, its agents or its Representatives have not and will not solicit offers to buy, offer for sale or sell any of the Restricted Securities, or any beneficial interest therein in the United States or to or for the account of a U.S. person and (ii) such Non-U.S. person shall not engage in hedging transactions with regard to such securities unless in compliance with the Securities Act. The restrictions in this Agreement applicable to such Financing Parties are binding upon subsequent transferees of the applicable Restricted Securities, except for transferees pursuant to an effective registration statement. Each such Financing Party agrees that after the Restricted Period, the Restricted Securities may be offered or sold within the United States or to or for the account of a U.S. person only pursuant to applicable securities Laws. Each such Financing Party acknowledges that at the time of the offering to such Financing Party and at the time of such Financing Party's execution of this Agreement, such Financing Party or persons acting on such Financing Party's behalf in connection therewith were located outside the United States.

(c) No such Financing Party, its Affiliates or any person acting on its or any of their behalf has engaged, or will engage, in any form of general solicitation or general advertising (within the

meaning of Rule 502(c) of the Securities Act) or directed selling efforts (within the meaning of Regulations S) in connection with the offering of the Restricted Securities.

(d) To such Financing Party's knowledge, such Financing Party is not purchasing the Restricted Securities as a result of any advertisement, article, notice or other communication regarding the Restricted Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement or directed selling efforts.

Section 5.12 Legal Proceedings. There are no Legal Proceedings pending or, to the knowledge of such Financing Party, threatened, to which the Financing Party or any of its subsidiaries is a party or to which any property of the Financing Party or any of its subsidiaries is the subject, in each case that will (or would be reasonably likely to) prohibit or materially impede such Financing Party's performance of its obligations under this Agreement or the other agreements contemplated hereunder.

Section 5.13 Beneficial Ownership. As of the date hereof, such Financing Party and its Affiliates were, collectively, the beneficial owner (or investment advisor or manager for the beneficial owner) of the aggregate principal amount of the Allowed First Lien Secured Claims set forth opposite its name on its signature page hereto, has full power to vote and dispose thereof, and has not entered into any agreement to transfer the foregoing where such transfer would prohibit such Financing Party from complying with its obligations hereunder or under the Plan or the Restructuring Support Agreement.

Section 5.14 No Other Representations or Warranties. Except for the representations and warranties contained in Article IV (including the Schedules and Exhibits to this Agreement), each Financing Party acknowledges that none of the Debtors nor any of their respective agents, Affiliates, officers, directors, employees, managers, operators, agents, Representatives, nor any other Person, makes or shall be deemed to make any representation or warranty to such Financing Party, express or implied, at law or in equity, on behalf of any Debtor or any Affiliate of any Debtor, and each Debtor and each of their respective Affiliates by this Agreement disclaim any such representation or warranty, whether by a Debtor, or any of their respective agents, Affiliates, officers, directors, employees, or Representatives or any other Person, notwithstanding the delivery or disclosure to such Financing Party, or any of its officers, directors, employees, agents or Representatives or any other Person of any documentation or other information by any Debtor or any of their respective agents, Affiliates, officers, directors, employees, agents or Representatives or any other Person with respect to any one or more of the foregoing.

ARTICLE VIII

INDEMNIFICATION AND CONTRIBUTION

Section 8.1 Indemnification Obligations. Following the entry of the BCA Approval Order, the Debtors (the "Indemnifying Parties" and each, an "Indemnifying Party") shall, jointly and severally, indemnify and hold harmless each Financing Party and its Affiliates, equity holders, members, partners, general partners, managers and its and their respective Representatives and controlling persons (each, an "Indemnified Person") from and against any and all losses, claims, damages, liabilities and costs and expenses (other than Taxes imposed on or measured by net income and franchise or similar Taxes imposed in lieu of net income Taxes) (collectively, "Losses") that any such Indemnified Person may incur or to which any such Indemnified Person may become subject arising out of or in connection with this Agreement, including the Subscription Rights Backstop Commitment, the Subscription Rights Offering, the Direct Investment Preferred Equity Raise, the New Debt Cash-Out Election, the New Debt Cash-Out Commitment, the payment of the Financing Commitment Premium, the Termination Payment, or the use of the proceeds of the Subscription Rights Offering and/or Direct Investment Preferred Equity Raise, or any claim, challenge, litigation, investigation or proceeding relating to any of the foregoing, regardless of whether any Indemnified Person is a party thereto, whether or not such proceedings are brought by the Debtors, their respective equity holders, Affiliates, creditors or any other Person, and reimburse each

Indemnified Person upon demand for reasonable documented out-of-pocket (with such documentation subject to redaction to preserve attorney client and work product privileges) legal or other third-party expenses incurred in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect to, any lawsuit, investigation, claim or other proceeding relating to any of the foregoing (including in connection with the enforcement of the indemnification obligations set forth herein), irrespective of whether or not the transactions contemplated by this Agreement or the Plan are consummated or whether or not this Agreement is terminated; provided that the foregoing indemnity will not, as to any Indemnified Person, apply to Losses (a) as to a Defaulting Financing Party, its Related Parties or any Indemnified Person related thereto, to the extent caused by a Financing Party Default by such Financing Party or any breach of this Agreement by such Financing Party or (b) to the extent they are found by a final, non-appealable judgment of a court of competent jurisdiction to arise from the fraud, bad faith, willful misconduct, or gross negligence of such Indemnified Person.

Section 8.2 Indemnification Procedure. Promptly after receipt by an Indemnified Person of notice of the commencement of any claim, challenge, litigation, investigation or proceeding (an "Indemnified Claim"), such Indemnified Person will, if a claim is to be made hereunder against the Indemnifying Party in respect thereof, notify the Indemnifying Party in writing of the commencement thereof; provided that (a) the omission to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability that it may have hereunder except to the extent it has been materially prejudiced by such failure and (b) the omission to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability that it may have to such Indemnified Person otherwise than on account of this Article VIII. In case any such Indemnified Claims are brought against any Indemnified Person and such Indemnified Person notifies the Indemnifying Party of the commencement thereof, the Indemnifying Party will be entitled to participate therein, and, at its election by providing written notice to such Indemnified Person, the Indemnifying Party will be entitled to assume the defense thereof, with counsel reasonably acceptable to such Indemnified Person; provided that if the parties (including any impleaded parties) to any such Indemnified Claims include both such Indemnified Person and the Indemnifying Party and based on advice of such Indemnified Person's counsel there are legal defenses available to such Indemnified Person that are different from or additional to those available to the Indemnifying Party, such Indemnified Person shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such Indemnified Claims. Upon receipt of notice from the Indemnifying Party to such Indemnified Person of its election to so assume the defense of such Indemnified Claims with counsel reasonably acceptable to the Indemnified Person, the Indemnifying Party shall not be liable to such Indemnified Person for expenses incurred by such Indemnified Person in connection with the defense thereof or participation therein (other than reasonable documented out-of-pocket costs of investigation) unless (i) such Indemnified Person shall have employed separate counsel (in addition to any local counsel) in connection with the assertion of legal defenses in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the Indemnifying Party shall not be liable for the expenses of more than one separate counsel representing the Indemnified Persons who are parties to such Indemnified Claims (in addition to one local counsel in each jurisdiction in which local counsel is required)), (ii) the Indemnifying Party shall not have employed counsel reasonably acceptable to such Indemnified Person to represent such Indemnified Person within a reasonable time after the Indemnifying Party has received notice of commencement of the Indemnified Claims from, or delivered on behalf of, the Indemnified Person, (iii) after the Indemnifying Party assumes the defense of the Indemnified Claims, the Indemnified Person determines in good faith that the Indemnifying Party has failed or is failing to defend such claim and provides written notice of such determination and the basis for such determination, and such failure is not reasonably cured within ten (10) Business Days of receipt of such notice by the Indemnifying Party or (iv) the Indemnifying Party shall have authorized in writing the employment of counsel for such Indemnified Person.

Section 8.3 Settlement of Indemnified Claims. In connection with any Indemnified Claim for which an Indemnified Person is assuming the defense in accordance with this Article VIII, the Indemnifying Party shall not be liable for any settlement of any Indemnified Claims effected by such Indemnified Person without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld, conditioned or delayed). If any settlement of any Indemnified Claims is consummated with the written consent of the Indemnifying Party or if there is a final judgment for the plaintiff in any such Indemnified Claims, the Indemnifying Party agrees to indemnify and hold harmless each Indemnified Person from and against any and all Losses by reason of such settlement or judgment to the extent such Losses are otherwise subject to indemnification by the Indemnifying Party hereunder in accordance with, and subject to the limitations of, this Article VIII. Notwithstanding anything in this Article VIII to the contrary, if at any time an Indemnified Person shall have requested the Indemnifying Party to reimburse such Indemnified Person for legal or other expenses in connection with investigating, responding to or defending any Indemnified Claims as contemplated by this Article VIII, the Indemnifying Party shall be liable for any settlement of any Indemnified Claims effected without its written consent if (i) such settlement is entered into more than sixty (60) days after receipt by the Indemnifying Party of such request for reimbursement and (ii) the Indemnifying Party shall not have reimbursed such Indemnified Person in accordance with such request prior to the date of such settlement. The Indemnifying Party shall not, without the prior written consent of an Indemnified Person (which consent shall be granted or withheld, conditioned or delayed in the Indemnified Person's sole discretion), effect any settlement of any pending or threatened Indemnified Claims in respect of which indemnity or contribution has been sought hereunder by such Indemnified Person unless (i) such settlement includes an unconditional release of such Indemnified Person in form and substance reasonably satisfactory to such Indemnified Person from all liability on the claims that are the subject matter of such Indemnified Claims and (ii) such settlement does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

Section 8.4 Contribution. If for any reason the foregoing indemnification is unavailable to any Indemnified Person or insufficient to hold it harmless from Losses that are subject to indemnification pursuant to Section 8.1, then the Indemnifying Party shall contribute to the amount paid or payable by such Indemnified Person as a result of such Loss in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnifying Party, on the one hand, and such Indemnified Person, on the other hand, but also the relative fault of the Indemnifying Party, on the one hand, and such Indemnified Person, on the other hand, as well as any relevant equitable considerations. It is hereby agreed that the relative benefits to the Indemnifying Party, on the one hand, and all Indemnified Persons, on the other hand, shall be deemed to be in the same proportion as (a) the total value received or proposed to be received by the Company pursuant to the issuance and sale of the Unsubscribed Preferred Equity Interests in the Subscription Rights contemplated by this Agreement and the Plan bears to (b) the Financing Commitment Premium paid or proposed to be paid to the Financing Parties. The Indemnifying Parties also agree that no Indemnified Person shall have any liability based on their comparative or contributory negligence or otherwise to the Indemnifying Parties, any Person asserting claims on behalf of or in right of any of the Indemnifying Parties, or any other Person in connection with an Indemnified Claim.

Section 8.5 Treatment of Indemnification Payments. All amounts paid by an Indemnifying Party to an Indemnified Person under this Article VIII shall, to the extent permitted by applicable Law, be treated as adjustments to the Per Preferred Interest Purchase Price for all Tax purposes. The provisions of this Article VIII are an integral part of the transactions contemplated by this Agreement and without these provisions the Financing Parties would not have entered into this Agreement. The BCA Approval Order shall provide that the obligations of the Company under this Article VIII shall constitute allowed administrative expenses of the Debtors' estates under sections 503(b) and 507 of the Bankruptcy Code and are payable without further Order of the Bankruptcy Court, and that the Company may comply with the requirements of this Article VIII without further Order of the Bankruptcy Court.

Section 8.6 No Survival. All representations, warranties, covenants and agreements made in this Agreement shall not survive the Closing Date, such that no claim for breach thereof or detrimental reliance thereon or any other right or remedy may be brought with respect thereto, except for covenants and agreements that by their terms are to be satisfied after the Closing Date, which covenants and agreements shall survive until satisfied in accordance with their terms. Notwithstanding the foregoing, the indemnification and other obligations of the Debtors pursuant to this Article VIII and the other obligations set forth in Section 3.4 and Section 2.8 shall survive the Closing Date until the latest date permitted by applicable Law and, if applicable, be assumed by the Reorganized Debtors and their Subsidiaries.

ARTICLE IX

TERMINATION

Section 9.1 Consensual Termination. This Agreement may be terminated and the transactions contemplated hereby may be abandoned at any time prior to the Closing Date by mutual written consent of the Company and the Requisite Financing Parties.

Section 9.2 Automatic Termination. Except as otherwise provided in this Article IX, this Agreement shall terminate automatically without further action or notice by any Party if any of the following occurs:

(a) (i) any of the Chapter 11 Cases shall have been dismissed or converted to a chapter 7 case or (ii) a chapter 11 trustee with expanded powers or an examiner with enlarged powers relating to the operation of the businesses of the Debtors beyond those set forth in section 1106(a)(3) and (4) of the Bankruptcy Code shall have been appointed in any of the Chapter 11 Cases or any of the Debtors shall file a motion or other request for such relief;

(b) both (i) the Company or any of the Debtors have entered into a definitive written agreement contemplating entry into an Alternative Restructuring Proposal and (ii) the Cooperation Period has (as defined in the Restructuring Support Agreement) expired in accordance with the terms of the Restructuring Support Agreement; or

(c) the Restructuring Support Agreement is terminated (i) with respect to the Consenting First Lien Lenders or (ii) as to all parties thereto, in each case, in accordance with its terms (including, for the avoidance of doubt, Section 5.01(c) thereof).

Section 9.3 Termination by the Requisite Financing Parties. Subject to Section 9.5(d), this Agreement may be terminated by the Requisite Financing Parties upon written notice to the Company if any of the following occurs:

(a) (i) the Bankruptcy Court has not entered or denies entry of the BCA Approval Order or (ii) the Bankruptcy Court has not entered the Confirmation Order, for each, on or prior to the applicable milestone agreed to in the Restructuring Support Agreement (as may be waived or extended under the terms thereof);

(b) any Law or final and non-appealable Order shall have been enacted, adopted or issued by any Governmental Entity that prohibits the implementation of the Plan or the Subscription Rights or the transactions contemplated by this Agreement or the other Transaction Agreements, in a way that cannot be remedied by the Debtors in a manner reasonably acceptable to the Requisite Financing Parties (and such action has not been reversed or vacated within twenty (20) calendar days after its issuance);

(c) the Closing Date has not occurred on or prior to the earlier of (i) the Maturity Date (as defined in the DIP Documents) and (ii) the applicable milestone agreed to in the Restructuring Support Agreement (as may be waived or extended under the terms thereof) (such date, the "Outside Date");

(d) upon the occurrence of each of (A) the Company or any of the other Debtors shall have breached any representation, warranty, covenant or other agreement made by the Company or the other Debtors in this Agreement or any such representation or warranty shall have become inaccurate and such breach or inaccuracy would, individually or in the aggregate, cause a condition set forth in Section 7.1(l) (*Representations and Warranties*), Section 7.1(m) (*Covenants*) or Section 7.1(n) (*Material Adverse Effect*) not to be satisfied, (B) the Requisite Financing Parties shall have delivered written notice of such breach or inaccuracy to the Company, (C) such breach or inaccuracy is not cured by the Company or the other Debtors by the tenth (10th) Business Day after receipt of such notice and (D) as a result of such failure to cure, any condition set forth in Section 7.1(l) (*Representations and Warranties*), Section 7.1(m) (*Covenants*) or Section 7.1(n) (*Material Adverse Effect*) is not capable of being satisfied; provided that this Agreement may not be terminated on account of a Termination Event under this Section 9.3(d) if any of the Financing Parties constituting the Requisite Financing Parties are then in willful or intentional breach of this Agreement;

(e) any of the following occurs: (i) any Debtor enters into, or seeks authority from the Bankruptcy Court to enter into, any Contract providing for an Alternative Restructuring Proposal, or files any motion or application seeking authority to propose, join in, or participate in the formation of any actual or proposed Alternative Restructuring Proposal; (ii) the Bankruptcy Court approves or authorizes any Alternative Restructuring Proposal; or (iii) any Debtor (A) amends or modifies, or seeks authority to amend or modify, any Definitive Documents in a manner materially inconsistent with the Restructuring Support Agreement; or (B) suspends or revokes any Transaction Agreement;

(f) the BCA Approval Order or the Confirmation Order is terminated, reversed, stayed, dismissed, vacated or reconsidered, or any such Order is modified or amended after entry without the prior written consent (not to be unreasonably withheld, conditioned or delayed) of the Requisite Financing Parties in a manner that prevents or prohibits the consummation of the transactions contemplated by this Agreement or the other Transaction Agreements in a way that cannot be remedied by the Debtors in a manner reasonably acceptable to the Requisite Financing Parties (and such action has not been reversed or vacated within ten (10) calendar days after its issuance); or

(g) any of the Orders approving this Agreement, the Subscription Rights Procedures, the Plan or the Disclosure Statement or the Confirmation Order are reversed, stayed, dismissed, vacated or reconsidered or modified or amended without the acquiescence or written consent (not to be unreasonably withheld, conditioned or delayed) of the Requisite Financing Parties (and such action has not been reversed or vacated within ten (10) calendar days after its issuance) in a manner that prevents or prohibits the consummation of the Restructuring Transactions contemplated in this Agreement or any of the Definitive Documents in a way that cannot be remedied by the Debtors subject to the reasonable satisfaction of the Requisite Financing Parties.

Section 9.4 Termination by the Company. This Agreement may be terminated by the Company on behalf of the Debtors upon written notice to each Financing Party if:

(a) any Law or final and non-appealable Order shall have been enacted, adopted or issued by any Governmental Entity that prohibits the implementation of the Plan or the Subscription Rights or the transactions contemplated by this Agreement or the other Transaction Agreements in a way that cannot be remedied by the Debtors in a manner reasonably acceptable to the Requisite Financing Parties;

(b) subject to the right of the Financing Parties to arrange a Backstop Party Replacement or Direct Investment Investor Replacement, as applicable, in accordance with Section 2.3(a) (which will be deemed to cure any breach by the replaced Financing Party pursuant to this subsection (b)), as to an applicable Financing Party, (i) such Financing Party shall have materially breached any representation, warranty, covenant or other agreement made by such Financing Party in this Agreement or any such representation or warranty shall have become inaccurate and such breach or inaccuracy would, individually or in the aggregate, cause a condition set forth in Section 7.3(g) (*Representations and Warranties*) or Section 7.3(h) (*Covenants*) not to be satisfied, (ii) the Company shall have delivered written notice of such breach or inaccuracy to such Financing Party, (iii) such breach or inaccuracy is not cured by such Financing Party by the tenth (10^{th}) Business Day after receipt of such notice and (iv) as a result of such failure to cure, any condition set forth in Section 7.3(g) (*Representations and Warranties*) or Section 7.3(h) (*Covenants*) is not capable of being satisfied; provided that this Agreement may not be terminated on account of a Termination Event under this Section 9.4(b) if the Company is then in willful or intentional breach of this Agreement;

(c) the Company determines, after receiving advice from outside counsel, that proceeding with the Restructuring Transactions (including the Plan or solicitation of the Plan) would be inconsistent with the exercise of the fiduciary duties of the board of directors or analogous governing body of the Company; provided that, concurrently with such termination, the Company pays the Termination Payment in cash if payable pursuant to Section 3.2;

(d) the BCA Approval Order or the Confirmation Order is terminated, reversed, stayed, dismissed, vacated or reconsidered, or any such Order is modified or amended after entry without the prior acquiescence or written consent (not to be unreasonably withheld, conditioned or delayed) of the Company in a manner that prevents or prohibits the consummation of the Restructuring Transactions contemplated in this Agreement or any of the Definitive Documents in a way that cannot be remedied by the Financing Parties subject to the reasonable satisfaction of the Debtors (and such action has not been reversed or vacated within ten (10) calendar days after its issuance); or

(e) any of the Orders approving the Restructuring Support Agreement, this Agreement, the Subscription Rights Procedures, the Plan or the Disclosure Statement or the Confirmation Order are reversed, stayed, dismissed, vacated or reconsidered or modified or amended without the acquiescence or consent (not to be unreasonably withheld, conditioned or delayed) of the Company (and such action has not been reversed or vacated within ten (10) calendar days after its issuance) in a manner that prevents or prohibits the consummation of the Restructuring Transactions contemplated in this Agreement or any of the Definitive Documents in a way that cannot be remedied by the Financing Parties subject to the reasonable satisfaction of the Debtors;

provided that it is acknowledged and agreed that any termination of this Agreement pursuant to this Section 9.4 shall not limit nor be deemed to limit the Cooperation Period as among the Consenting Stakeholders (as defined in the Restructuring Support Agreement), which Cooperation Period shall remain in full force and effect.

Section 9.5 Effect of Termination; Qualifying Consenting Stakeholder Termination Events.

(a) Upon termination of this Agreement pursuant to this Article IX, this Agreement shall forthwith become void and of no force or effect and there shall be no further obligations or liabilities on the part of the Parties; provided that (i) the obligations of the Debtors to pay the Expense Reimbursement pursuant to Article III, to satisfy their indemnification obligations pursuant to Article VIII and to pay the Termination Payment if payable pursuant to (and in accordance with) Section 9.5(b) shall survive the

termination of this Agreement and shall remain in full force and effect, in each case, until such obligations have been satisfied, (ii) the provisions set forth in Article VIII, this Section 9.5 and Article X shall survive the termination of this Agreement in accordance with their terms and (iii) subject to Section 10.10 (*Damages*), nothing in this Section 9.5 shall relieve any Party from liability for its gross negligence or any willful or intentional breach of this Agreement. For purposes of this Agreement, "willful or intentional breach" means a breach of this Agreement that is a consequence of an act undertaken by the breaching Party with the knowledge that the taking of such act would, or would reasonably be expected to, cause a breach of this Agreement.

(b) If (i) this Agreement shall be terminated for any reason other than (A) pursuant to Section 9.4(b) or (B) as a result of a termination of the Restructuring Support Agreement pursuant to Section 12.05 thereof following the consummation of the Closing of the transactions contemplated hereby or (ii) the emergence of the Debtors from the Chapter 11 Cases occurs prior to the consummation of the Closing of the transactions contemplated herein, the Company shall, promptly following the date of such termination, pay the Termination Payment entirely in cash, free and clear of any withholding or deduction for any applicable Taxes (except for any Taxes arising as a result of a Backstop Party's failure to provide a reasonably requested Tax form establishing complete exemption from the withholding, provided that such Person was legally entitled to provide such tax form), to the Financing Parties or their designees *pro rata* based on each Financing Party's relative portion of the total Subscription Rights Backstop Commitments and Direct Investment Commitments, calculated in a manner consistent with the allocation of the Financing Commitment Premium. If this Agreement is terminated pursuant to Section 9.4(b), then the Termination Payment will become payable on the date of termination to the non-breaching Financing Parties or their designees as set forth in this Section 9.5(b). For the avoidance of doubt, the Financing Commitment Premium shall be deemed fully earned upon the effectiveness of this Agreement and shall be payable in cash upon the earliest to occur of: (A) the termination of the Subscription Rights Backstop Commitments, (B) the termination of this Agreement (except as otherwise set forth in this Section 9.5(b)) or (C) the emergence of the Debtors from the Chapter 11 Cases, in each case, if such event occurs prior to the consummation of the Closing of the transactions contemplated herein (including, without limitation, the issuance of the New Preferred Equity Interests). The Financing Commitment Premium shall, pursuant to the BCA Approval Order, constitute allowed administrative expenses of the Company's estate under sections 503(b) and 507 of the Bankruptcy Code.

(c) For the avoidance of doubt, if this Agreement is terminated prior to the consummation of the Closing, each Financing Party shall be deemed to have automatically revoked and withdrawn any exercise of its Subscription Rights, without any further action, and any such exercise shall be null and void *ab initio*. In such event, the Company shall not accept or give effect to any such exercises and shall take all actions reasonably necessary to ensure that any corresponding subscriptions are disregarded or unwound in accordance with the Subscription Rights Procedures.

(d) Notwithstanding anything to the contrary in this Agreement, each of the Parties expressly acknowledges, covenants, and agrees that (i) the Financing Parties shall not be entitled to terminate this Agreement on account of a Termination Event that is a Qualifying Consenting Stakeholder Termination Event unless the Restructuring Support Agreement has been terminated by the "Required First Lien Consenting Lenders" under the Restructuring Support Agreement in accordance with its terms (including, for the avoidance of doubt, Section 5.01(c) thereof) and (ii) the Financing Parties shall not be entitled, and shall not take any action, to terminate the Restructuring Support Agreement on account of a termination of this Agreement by the Company or the other Debtors, unless such Financing Parties are otherwise permitted to terminate this Agreement and the Restructuring Support Agreement in accordance with its terms (including, for the avoidance of doubt, Section 5.01(c) thereof); provided, further, that during the pendency of any Cooperation Period (as defined in the Restructuring Support Agreement), the occurrence and continued existence of any Termination Event shall suspend the obligations of each

Financing Party to consummate the transactions contemplated by this Agreement unless (x) otherwise agreed by the Requisite Financing Parties or (y) the applicable default giving rise to such Cooperation Period shall have been cured.

Section 10.2 Assignment; Third-Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any Party (whether by operation of Law or otherwise) without the prior written consent of the Company and the Requisite Financing Parties, other than an assignment by a Financing Party expressly permitted by Section 2.3, Section 2.7 or Section 2.8 and any purported assignment in violation of this Section 10.2 shall be void *ab initio.* Except as provided in Article VIII with respect to the Indemnified Persons, this Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any Person any rights or remedies under this Agreement other than the Parties.

Section 10.3 Prior Negotiations; Entire Agreement.

(a) This Agreement (including the agreements attached as Exhibits to and the documents and instruments referred to in this Agreement) and the Restructuring Support Agreement constitute the entire agreement of the Parties and supersede all prior agreements, arrangements or understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement, except that the Parties hereto acknowledge that any confidentiality agreements heretofore executed among the Parties will each continue in full force and effect.

(b) Notwithstanding anything to the contrary in the Plan (including any amendments, supplements or modifications thereto) or the Confirmation Order (and any amendments, supplements or modifications thereto) or an affirmative vote to accept the Plan submitted by any Financing Party, nothing contained in the Plan (including any amendments, supplements or modifications thereto) or Confirmation

Order (including any amendments, supplements or modifications thereto) shall alter, amend or modify the rights of the Financing Parties under this Agreement unless such alteration, amendment or modification has been made in accordance with Section 10.7.

Section 10.4 Governing Law; Venue. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO SUCH STATE'S CHOICE OF LAW PROVISIONS WHICH WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION. BY ITS EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY AGREES FOR ITSELF THAT ANY LEGAL ACTION, SUIT, OR PROCEEDING AGAINST IT WITH RESPECT TO ANY MATTER ARISING UNDER, ARISING OUT OF, OR IN CONNECTION WITH THIS AGREEMENT OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT RENDERED IN ANY SUCH ACTION, SUIT, OR PROCEEDING, SHALL BE BROUGHT IN THE BANKRUPTCY COURT, OR IF THE BANKRUPTCY COURT DOES NOT HAVE JURISDICTION TO HEAR SUCH ACTION, SUIT OR PROCEEDING, ANY STATE OR FEDERAL COURT LOCATED IN NEW YORK COUNTY, NEW YORK, AND BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH OF THE PARTIES IRREVOCABLY ACCEPTS AND SUBMITS ITSELF TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, GENERALLY AND UNCONDITIONALLY, WITH RESPECT TO ANY SUCH ACTION, SUIT OR PROCEEDING. THE PARTIES HEREBY AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH ANY SUCH ACTION OF PROCEEDING TO AN ADDRESS PROVIDED IN WRITING BY THE RECIPIENT OF SUCH MAILING, OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY LAW, SHALL BE VALID AND SUFFICIENT SERVICE THEREOF AND HEREBY WAIVE ANY OBJECTIONS TO SERVICE ACCOMPLISHED IN THE MANNER HEREIN PROVIDED.

Section 10.5 Waiver of Jury Trial. EACH PARTY HEREBY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY JURISDICTION IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE AMONG THE PARTIES UNDER THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE.

Section 10.6 Counterparts. This Agreement may be executed in any number of counterparts, all of which will be considered one and the same agreement and will become effective when counterparts have been signed by each of the Parties and delivered to each other Party (including via facsimile or other electronic transmission), it being understood that each Party need not sign the same counterpart.

Section 10.7 Waivers and Amendments; Rights Cumulative; Consent. This Agreement may be amended, restated, modified or changed only by a written instrument signed by the Debtors and the Requisite Financing Parties (other than a Defaulting Financing Party); provided that, (i) any change, modification or amendment to this Agreement, the Restructuring Support Agreement or the Plan that alters on an economic basis the terms provided in this Agreement or the Plan shall require the written consent of all of the Parties; (ii) any change, modification or amendment to this Agreement, the Restructuring Support Agreement or the Plan that treats or affects any Financing Parties' New Preferred Equity Interests in a manner that is materially and adversely disproportionate, on an economic or non-economic basis, to the manner in which any of the other Financing Party's New Preferred Equity Interests are treated shall require the written consent of such materially adversely and disproportionately affected Financing Party and (iii) any change, modification or amendment to this Agreement that has the effect of (v) increasing or modifying the form of the Subscription Rights Backstop Commitment, the commitment to provide the Direct Investment Commitments or any other commitment of any Financing Party set forth herein; (w) reducing, removing, modifying the form of or otherwise impairing the Financing Commitment Premium as

set forth herein (unless such modification has also been agreed to by the "Required Consenting Stakeholders" under the Restructuring Support Agreement); (x) extending the term of the Subscription Rights Backstop Commitment, the commitment to provide the Direct Investment Commitments, the New Debt Cash-Out Commitment and any other commitment set forth herein beyond one (1) year of the date hereof; (y) modifying the definition of "Requisite Financing Parties," reducing or modifying the consent, amendment or waiver rights of any Financing Party under this Agreement, or abrogating the consent rights of the "Required Consenting Stakeholders" under the Restructuring Support Agreement or (z) imposing any new or additional payment obligations on any Financing Party shall, in each case, also require the consent of each affected Financing Party, provided, further, that a written instrument signed by the Debtors and the Requisite Financing Parties (other than a Defaulting Backstop Party) shall be required to amend, restate, modify or change any provision that gives the Requisite Financing Parties consent rights with respect to any matter. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel. The terms and conditions of this Agreement may be waived (i) by the Debtors only by a written instrument executed by the Debtors and (ii) by the Financing Parties only by a written instrument executed by the Requisite Financing Parties (provided that each Financing Party's prior written consent shall be required for any waiver having the effects referred to in the first proviso of this Section 10.7). Notwithstanding the foregoing, Schedule 1 and Schedule 2 shall be revised as necessary without requiring a written instrument signed by the Debtors and the Requisite Financing Parties to reflect changes in the composition of the Financing Parties and their respective Backstop Percentage or New Debt Cash-Out Percentage as a result of Transfers permitted in accordance with the terms and conditions of this Agreement. No delay on the part of any Party in exercising any right, power or privilege pursuant to this Agreement will operate as a waiver thereof, nor will any waiver on the part of any Party of any right, power or privilege pursuant to this Agreement, nor will any single or partial exercise of any right, power or privilege pursuant to this Agreement, preclude any other or further exercise thereof or the exercise of any other right, power or privilege pursuant to this Agreement. Except as otherwise provided in this Agreement, the rights and remedies provided pursuant to this Agreement are cumulative and are not exclusive of any rights or remedies which any Party otherwise may have at law or in equity. For the avoidance of doubt, nothing in this Agreement shall affect or otherwise impair the rights, including consent rights, of the Financing Parties under the Restructuring Support Agreement or any other Definitive Document.

Section 10.8 Headings. The headings in this Agreement are for reference purposes only and will not in any way affect the meaning or interpretation of this Agreement.

Section 10.9 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the Parties shall be entitled to an injunction or injunctions without the necessity of posting a bond to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Unless otherwise expressly stated in this Agreement, no right or remedy described or provided in this Agreement is intended to be exclusive or to preclude a Party from pursuing other rights and remedies to the extent available under this Agreement, at law or in equity.

Section 10.10 Damages. Notwithstanding anything to the contrary in this Agreement, none of the Parties will be liable for, and none of the Parties shall claim or seek to recover, any punitive, special, indirect or consequential damages or damages for lost profits.

Section 10.11 No Reliance. No Financing Party or any of its Related Parties shall have any duties or obligations to the other Financing Parties in respect of this Agreement, the Plan or the transactions contemplated hereby or thereby, except those expressly set forth herein. Without limiting the generality of the foregoing, (a) no Financing Party or any of its Related Parties shall be subject to any fiduciary or other implied duties to the other Financing Parties, (b) no Financing Party or any of its Related Parties shall have any duty to take any discretionary action or exercise any discretionary powers on behalf of any other Financing Party, (c) no Financing Party or any of its Related Parties shall have any duty to the other Financing Parties to obtain, through the exercise of diligence or otherwise, to investigate, confirm or disclose to the other Financing Parties any information relating to the Company or any other Debtor that may have been communicated to or obtained by such Financing Party or any of its Affiliates in any capacity, (d) no Financing Party may rely, and each Financing Party confirms that it has not relied, on any due diligence investigation that any other Financing Party or any Person acting on behalf of such other Financing Party may have conducted with respect to the Company or any of its Affiliates or any of their respective securities and (e) each Financing Party acknowledges that no other Financing Party is acting as a placement agent, initial purchaser, underwriter, broker or finder with respect to any New Preferred Equity Interests. Each Financing Party hereto acknowledges that this Agreement does not constitute an agreement, arrangement or understanding with respect to acting together for the purpose of acquiring, holding, voting or disposing of any equity securities of the Debtors and the Financing Parties do not constitute a "group" within the meaning of Rule 13d-5 under the Exchange Act. Nothing contained herein or any Definitive Documents and no action taken by any Financing Party pursuant to this Agreement shall be deemed to constitute or create a presumption by any parties that the Financing Parties are in any way acting in concert or as a "group" within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended. Each Financing Party confirms that it has independently participated in the negotiation of the transactions contemplated under this Agreement and the Definitive Documents with the advice of its counsel and advisors.

Section 10.12 Publicity. At all times prior to the Closing Date or the earlier termination of this Agreement in accordance with its terms, the Company and the Financing Parties shall consult with each other prior to issuing any press releases (and provide each other a reasonable opportunity to review and comment upon such release) or otherwise making public announcements with respect to the transactions contemplated by this Agreement, it being understood that nothing in this Section 10.12 shall prohibit any Party from filing any motions or other pleadings or documents with the Bankruptcy Court in connection with the Chapter 11 Cases. Except as required by applicable Law or as ordered by the Bankruptcy Court or other court of competent jurisdiction, no Party or its advisors shall disclose to any Person (including, for the avoidance of doubt, any other Party) any Financing Party's individual holdings without such Financing Party's prior written consent.

Section 10.13 Settlement Discussions. This Agreement and the transactions contemplated herein are part of a proposed settlement of a dispute between the Parties. Nothing herein shall be deemed an admission of any kind. Pursuant to section 408 of the U.S. Federal Rules of Evidence and any applicable state rules of evidence, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any Legal Proceeding, except to the extent filed with, or disclosed to, the Bankruptcy Court in connection with the Chapter 11 Cases (other than a Legal Proceeding to approve or enforce the terms of this Agreement).

Section 10.14 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, and notwithstanding the fact that certain of the Parties may be partnerships or limited liability companies, each Party covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any Party's Affiliates, or any of such Party's Affiliates' or respective Related Parties in each case other than the Parties to this Agreement and each of their respective successors and permitted assignees under this

Agreement, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Parties, as such, for any obligation or liability of any Party under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; provided, however, that nothing in this Section 10.14 shall relieve or otherwise limit the liability of any Party hereto, any Related Purchaser or any of their respective successors or permitted assigns for any breach or violation of its obligations under this Agreement or such other documents or instruments. For the avoidance of doubt, prior to the Effective Date, none of the Parties will have any recourse, be entitled to commence any proceeding or make any claim under this Agreement or in connection with the transactions contemplated hereby except against any of the Parties or their respective successors and permitted assigns, as applicable.

Section 10.15 Tax Forms. If the Company (or its agent) determines in its reasonable discretion that it is necessary or appropriate to request Internal Revenue Service tax forms (including but not limited to Form W-9, W-8BEN, W-8BEN-E, W-8ECI, W-8IMY (and attachments thereto), or any successors thereto) ("Tax Forms") to determine its tax reporting and withholding obligations, if any, the Parties shall promptly provide upon prior written notice, solely to the extent legally entitled to do so, such duly complete Tax Forms to the Company (or its agent), and the Company (or its agent) shall be entitled to rely on such forms in determining its tax reporting and withholding obligations, if any.

Section 10.16 General Execution. The Parties understand that the Financing Parties are engaged in a wide range of financial services and businesses. In furtherance of the foregoing, the Parties acknowledge and agree that, to the extent a Financing Party expressly indicates on its signature page hereto that it is executing this Agreement on behalf of specific trading desk(s) and/or business group(s) of such Financing Party, the obligations set forth in this Agreement, other than with respect to such Financing Party's funding obligations hereunder, shall only apply to such trading desk(s) and/or business group(s) and shall not apply to any other trading desk or business group of such Financing Party so long as they are not acting at the direction or for the benefit of such Financing Party or such Financing Party's investment in the Company; provided, that the foregoing shall not diminish or otherwise affect the obligations and liability therefor of any legal entity that (a) executes this Agreement or (b) on whose behalf this Agreement is executed by a Financing Party.

(b) With respect to the Direct Investment Preferred Equity Raise, upon the occurrence of a Direct Investment Investor Default, the Direct Investment Investors and their respective Related Purchasers (other than any Defaulting Direct Investment Investor) shall have the right and opportunity (but not the obligation), within five (5) Business Days (which period may be extended by the Company in its sole discretion one time for a period of up to five (5) additional Business Days) after receipt of written notice from the Company to all Direct Investment Investors of such Direct Investment Investor Default, which notice shall be given promptly following the occurrence of such Direct Investment Investor Default (and no later than two (2) Business Days thereafter) and to all Direct Investment Investors substantially concurrently (such five (5) Business Day period, the "Direct Investment Investor Replacement Period"), to make arrangements for one or more of the Direct Investment Investors and their respective Related Purchasers (other than the Defaulting Direct Investment Investor) to purchase all or any portion of the Available Preferred Interests (such purchase, a "Direct Investment Investor Replacement") on the terms and subject to the conditions set forth in this

Any Available Preferred Interests purchased by a Replacing Direct Investment Investor (and any commitment and applicable aggregate Per Preferred Interest Purchase Price associated therewith) shall be included, among other things, in the determination of the Backstop Percentage of such Replacing Direct Investment Investor for purposes of this Agreement. If a Direct Investment Investor Default occurs, the Outside Date shall be delayed only to the extent necessary to allow for the Direct Investment Investor Replacement to be completed within the Direct Investment Investor Replacement Period. Each Backstop Party shall support an extension of the milestones under the Restructuring Support Agreement to the extent necessary to allow for the Direct Investment Investor Replacement to be completed within the Direct Investment Investor Replacement Period. For the avoidance of doubt, nothing in the foregoing shall be interpreted to obligate or require any Direct Investment Investor to purchase any Available Preferred Interests in the event of a Direct Investment Investor Default.

(c) With respect to the New Debt Cash-Out Election, upon the occurrence of a New Debt Cash-Out Lender Default, the New Debt Cash-Out Lenders and their respective Related Purchasers (other than any Defaulting New Debt Cash-Out Lender) shall have the right and opportunity (but not the obligation), within five (5) Business Days (which period may be extended by the Company in its sole discretion one time for a period of up to five (5) additional Business Days) after receipt of written notice from the Company to all New Debt Cash-Out Lenders of such New Debt Cash-Out Lender Default, which notice shall be given promptly following the occurrence of such New Debt Cash-Out Lender Default (and no later than two (2) Business Days thereafter) and to all New Debt Cash-Out Lenders substantially concurrently (such five (5) Business Day period, the "New Debt Cash-Out Lender Replacement Period"), to make arrangements for one or more of the New Debt Cash-Out Lenders and their respective Related Purchasers (other than the Defaulting New Debt Cash-Out Lender) to acquire from the Debtors all or any portion of the Available Debt (such purchase, a "New Debt Cash-Out Lender Replacement") at a price equal to 80% of the aggregate principal amount of such Available Debt, on the other terms and subject to the conditions set forth in this Agreement, and in such amounts as may be agreed upon by all of the New Debt Cash-Out Lenders electing to acquire all or any portion of the Available Debt (such New Debt Cash-Out Lenders, the "Replacing New Debt Cash-Out Lenders") or, if no such agreement is reached by the Replacing New Debt Cash-Out Lenders, shall be *pro rata* based upon the relative applicable New Debt Cash-Out Percentages of the Replacing New Debt Cash-Out Lenders and their respective Related Purchasers (other than any Defaulting New Debt Cash-Out Lender). Any Available Debt acquired by a Replacing New Debt Cash-Out Lender shall be included, among other things, in the determination of the New Debt Cash-Out Percentage of such Replacing New Debt Cash-Out Lender for purposes of this Agreement. If a New Debt Cash-Out Lender Default occurs, the Outside Date shall be delayed only to the extent necessary to allow for the New Debt Cash-Out Lender Replacement to be completed within the New Debt Cash-Out Lender Replacement Period. Each Backstop Party shall support an extension of the milestones under the Restructuring Support Agreement to the extent necessary to allow for the New Debt Cash-Out Lender Replacement to be completed within the New Debt Cash-Out Lender Replacement Period. (d) Notwithstanding anything in this Agreement to the contrary, if a Financing Party is a Defaulting Backstop Party, a Defaulting Direct Investment Investor or a Defaulting New Debt Cash-Out Lender, as applicable, it shall not be entitled to any of the Financing Commitment Premiums

or Expense Reimbursement applicable to such Defaulting Backstop Party, Defaulting Direct Investment Investor or Defaulting New Debt Cash-Out Lender, as applicable (including the Expense Reimbursement), or indemnification provided, or to be provided, under or in connection with this Agreement.

(e) Nothing in this Agreement shall be deemed to require a Financing Party to purchase more than the New Preferred Equity Interests issuable pursuant to its Subscription Rights Offering Subscription Amount and the Backstop Amount, require a Direct Investment Investor to purchase more than the New Preferred Equity Interests issuable pursuant to its Direct Investment Commitment Amount or require a New Debt Cash-Out Lender to fund to the Debtors more than such New Debt Cash-Out Lender's Cash-Out Election Commitment Amount pursuant to the New Debt Cash-Out Commitment.

(f) For the avoidance of doubt, notwithstanding anything to the contrary set forth in Section 9.5(a) but subject to Section 10.10, no provision of this Agreement shall relieve any Defaulting Backstop Party, Defaulting Direct Investment Investor or Defaulting New Debt Cash-Out Lender from liability hereunder, or limit the availability of the remedies set forth in Section 10.9, in connection with such Defaulting Backstop Party's Backstop Party Default, such Defaulting Direct Investment Investor's Direct Investment Investor Default or such Defaulting New Debt Cash-Out Lender's New Debt Cash-Out Default, as applicable.

(a) Each Financing Party shall have the right to designate, by written notice to the Company and Subscription Rights Offering Subscription Agent (which may be included in a rights offering subscription form or delivered via email) no later than two (2) Business Days prior to the Closing Date, that all or any portion of the (i) New Preferred Equity Interests issuable in respect of its (A) Subscription Rights, (B) Subscription Rights Backstop Commitment, (C) Direct Investment Commitment or (D) New Preferred Equity Financing Commitment Premium, as applicable, and (ii) the New Debt issuable in respect of its (A) New Debt Cash-Out Commitment and (B) New Debt Cash-Out Commitment Premium, in each case, be issued in the name of, and delivered to, one or more of its Related Purchasers upon receipt by the Company (or other applicable Debtor) of payment or funding therefor, as applicable, in accordance with the terms of this Agreement, which notice of designation shall, to the extent applicable to such designation in the case of clauses (i) and (ii), (v) specify the number of New Preferred Equity Interests to be delivered to or issued in the name of each such Related Purchaser, (w) specify the number of New Preferred Equity Interests, in each case, in respect of the New Preferred Equity Financing Commitment Premium pursuant to Section 3.2, to be delivered to or issued in the name of each such Related Purchaser, (x) specify the amount of New Debt to be issued in the name of such Related Purchaser in respect of the New Debt Cash-Out Commitment and New Debt Cash-Out Commitment Premium, (y) contain a confirmation by each such Related Purchaser of the accuracy of the representations made by each Financing Party, under this Agreement as applied to such Related Purchaser and (z) be accompanied by such KYC information, tax forms and questionnaires as required pursuant to the Subscription Rights Procedures; provided that no such designation shall relieve such Financing Party from any of its obligations under this Agreement.

Section 2.8 Transfer of Subscription Rights Backstop Commitments and Direct Investment Commitments.

(a) Each Backstop Party shall have the right to Transfer all or any portion of its Subscription Rights Backstop Commitment, including its Subscription Rights (for the avoidance of doubt, coupled with the associated First Lien Secured Claims), to such Backstop Party's Related Purchaser or any other Backstop Party (including such Backstop Party's Related Purchaser) (each, an "Existing Backstop Party Purchaser"), each Direct Investment Investor shall have the right to Transfer all or any portion of its Direct Investment Commitment to such Direct Investment Investor's Related Purchaser or any other Direct Investment Investor (including such Direct Investment Investor's Related Purchaser) (each, an "Existing Direct Investment Investor Purchaser") and each New Debt Cash-Out Lender shall have the right to Transfer all or any portion of its New Debt Cash-Out Commitment to such New Debt Cash-Out Lender's Related Purchaser or any other New Debt Cash-Out Lender (including such New Debt Cash-Out Lender's Related Purchaser) (each, an "Existing New Debt Cash-Out Lender"); provided that (i) such Existing Backstop Party Purchaser, Existing Direct Investment Investor Purchaser or Existing New Debt Cash-Out Lender, as applicable, shall have been a Backstop Party, Direct Investment Investor or New Debt Cash-Out Lender, as applicable, or a Related Purchaser as of immediately prior to such Transfer, (ii) prior to and in connection with the Transfer, the transferring Backstop Party, Direct Investment Investor, New Debt Cash-Out Lender or Related Purchaser, as the case may be, and the Existing Backstop Party Purchaser, Existing Direct Investment Investor Purchaser or Existing New Debt Cash-Out Lender, as applicable, shall have delivered to the Company written notice of such Transfer and (iii) if the Transfer is to a Backstop Party's Related Purchaser, Direct Investment Investor's Related Purchaser or New Debt Cash-Out Lender Related Purchaser, prior to and in connection with such Transfer, such Related Purchaser shall deliver to the Company (x) a joinder to this Agreement, in a form reasonably acceptable to the Company and Requisite Financing Parties, that contains a confirmation of the accuracy of representations made by each Financing Party under this

Agreement as applied to such Person and (y) such KYC information, tax forms, and questionnaires as required pursuant to the Subscription Rights Procedures.

(b) Other than as expressly set forth in this Section 2.8, no Financing Party shall be permitted to Transfer all or any portion of its Subscription Rights, Subscription Rights Backstop Commitment, Direct Investment Commitment or New Debt Cash-Out Commitment, as applicable. Any Transfer made (or attempted to be made) in violation of this Agreement shall be deemed null and void *ab initio* and of no force or effect, regardless of any prior notice provided to the Company or any Financing Party, and shall not create (or be deemed to create) any obligation or liability of any other Financing Party or any Debtor to the purported transferee or limit, alter or impair any agreements, covenants or obligations of the proposed transferor under this Agreement. After the Closing Date, nothing in this Agreement shall limit or restrict in any way the ability of any Financing Party (or any permitted transferee thereof) to Transfer any of the New Preferred Equity Interests, New Debt or any interest therein, as applicable.

Section 2.9 Securities Laws Matters. The New Preferred Equity Interests issued as part of the Subscription Rights and the New Preferred Equity Financing Commitment Premium shall be issued in reliance upon section 1145 of the Bankruptcy Code, except with respect to the Unsubscribed Preferred Equity Interests or any New Preferred Equity Interests issued to a Backstop Party as part of the Subscription Rights following a transfer or assignment thereof (either directly or through transfer or assignment of the related Subscription Rights) pursuant to Section 2.8, if any, which shall be issued in reliance upon the exemption from registration under the Securities Act provided in section 4(a)(2) or Regulation S under the Securities Act or another available exemption from registration under the Securities Act, and, in all material respects, in accordance with the BCA Approval Order, the Subscription Rights Procedures and this Agreement. The New Preferred Equity Interests to be issued and sold to each Direct Investment Investor pursuant to the Direct Investment Preferred Equity Raise shall be issued in reliance upon the exemption from registration under the Securities Act provided in section 4(a)(2) or Regulation S under the Securities Act or another available exemption from registration under the Securities Act.

Section 2.10 Issuer Replacement. Following consultation with the Financing Parties and with the consent of the Requisite Financing Parties, which consent shall be in the sole discretion of such parties, the Company may cause the issuer of the New Preferred Equity Interests to be (a) a current or future non-debtor parent entity of the Company or (ii) any other current or future non-debtor entity that, in each case (i) and (ii), will upon the consummation of the Restructuring Transactions, directly or indirectly own all of the assets of the Company (the "Issuer Replacement"); provided, however, that such change shall not have any adverse effect on the value of the New Preferred Equity Interests. The Debtors shall cause the Issuer Replacement to do or cause to be done all things reasonably necessary, proper or advisable in order to effectuate the transactions contemplated by this Agreement, including entering into and becoming party to this Agreement and becoming fully bound by the agreements and obligations of the Debtors hereunder and making the representations and warranties made by the Debtors hereunder.

ARTICLE III

FINANCING COMMITMENT PREMIUMS AND EXPENSE REIMBURSEMENT

Section 3.1 Premiums Payable by the Company.

(a) Subject to Section 3.2, in consideration for the Subscription Rights Backstop Commitments, Direct Investment Commitments and the other agreements of the Financing Parties in this Agreement, each Financing Party shall be entitled to, and the Company shall pay or cause to be paid to

each Financing Party (or their designees) (including any Replacing Backstop Party and Replacing Direct Investment Investor, but excluding any Defaulting Backstop Party or Defaulting Direct Investment Investor), its ratable share of a nonrefundable aggregate premium in an amount equal to 10.0% of the aggregate of the New Preferred Equity Aggregate Commitment Amount, which amount shall be payable in kind in additional New Preferred Equity Interests (the "New Preferred Equity Financing Commitment Premium") as set forth in Schedule 3 hereto.

(b) Subject to Section 3.2, in consideration for the New Debt Cash-Out Commitments and the other agreements of the Financing Parties in this Agreement, each New Debt Cash-Out Lender shall be entitled to, and the Company shall pay or cause to be paid to each Financing Party (or their designees) (including any Replacing Backstop Party, but excluding any Defaulting Backstop Party), its ratable share of a nonrefundable aggregate premium in an amount equal to 8.0% of the First Lien New Debt Allocation, which amount shall be payable in kind in additional New Debt (the "New Debt Cash-Out Commitment Premium," and together with the New Preferred Equity Financing Commitment Premium, the "Financing Commitment Premiums") as set forth on Schedule 4 hereto.

(c) The provisions for the payment of the Financing Commitment Premiums and Expense Reimbursement, and the indemnification provided herein, are an integral part of the transactions contemplated by this Agreement and without these provisions the Financing Parties would not have entered into this Agreement.

Section 3.2 Payment of Financing Commitment Premium. The Financing Commitment Premiums shall be fully earned, nonrefundable and non-avoidable as of the date of this Agreement and shall be paid or caused to be paid by the Company (including by any other applicable Debtor), free and clear of any withholding or deduction for any applicable Taxes (except for any Taxes arising as a result of Person's failure to provide a reasonably requested Tax form establishing complete exemption from withholding; provided that such Person was legally entitled to provide such Tax form), on the Closing Date as set forth above. For the avoidance of doubt, to the extent payable in accordance with the terms of this Agreement, the Financing Commitment Premiums will be payable regardless of the amount of Unsubscribed Preferred Equity Interests or Cash-Out Election New Debt (if any) actually purchased. The Company shall satisfy its obligation to pay or caused to be paid the Financing Commitment Premiums on the Closing Date, in lieu of any cash payment, by issuing or transferring (or causing to be issued or transferred (as applicable)) to each Financing Party its New Preferred Equity Financing Commitment Premium Preferred Interests and New Debt Cash-Out Commitment Premium Debt; provided that if the Closing does not occur, the Financing Commitment Premiums shall be payable in cash and only to the extent provided in (and in accordance with) Section 9.5. The Financing Commitment Premiums shall, pursuant to the BCA Approval Order, constitute allowed administrative expenses of the Debtors' estates under sections 503(b) and 507 of the Bankruptcy Code. In addition and as a result thereof, the proposed Confirmation Order and the Plan filed by the Company shall provide that the New Preferred Equity Financing Commitment Premium is issuable under section 1145 of the Bankruptcy Code; provided that the Bankruptcy Court's failure to approve the Financing Commitment Premiums as an allowed administrative expense, and as a result be issuable under section 1145 of the Bankruptcy Code, shall not constitute a breach by the Company of any covenant in this Agreement and the Company shall provide that the Financing Commitment Premium is issued without registration pursuant to another applicable exemption from the registration requirements of the Securities Act.

Section 3.3 Expense Reimbursement.

(a) In accordance with and subject to the BCA Approval Order, the Company will, or cause the Debtors to, agree to pay or reimburse, in accordance with Section 3.3(b) below, (i) all reasonable and documented out-of-pocket fees and expenses (including travel costs and expenses) of the

Financing Parties, including all of the attorneys, accountants, other professionals, advisors and consultants incurred on behalf of the Financing Parties, or their Affiliates, in connection with the Chapter 11 Cases and/or the Restructuring Transactions (whether incurred before or after the Petition Date), including the fees and expenses of the Secured Ad Hoc Group Advisors and (ii) any applicable filing or other similar fees required to be paid in all applicable jurisdictions (such payment obligations in clauses (i) and (ii), the "Expense Reimbursement"). The Expense Reimbursement shall, pursuant to the BCA Approval Order, constitute allowed administrative expenses against each of the Debtors' estates under sections 503(b) and 507 of the Bankruptcy Code. For the avoidance of doubt, the amount payable pursuant to this Section 3.3 shall be determined without duplication of recovery under the Restructuring Support Agreement.

(b) The Expense Reimbursement accrued through the date on which the BCA Approval Order is entered shall be paid in accordance with the BCA Approval Order as promptly as reasonably practicable after the date of the entry of the BCA Approval Order. The Expense Reimbursement shall thereafter be payable by the Debtors within three (3) Business Days from receipt of the applicable invoice in accordance with the BCA Approval Order; provided that the Debtors' final payment shall be made contemporaneously with the Closing or the termination of this Agreement pursuant to Article IX.

Section 3.4 Tax Treatment of Financing Commitment Premiums. The Backstop Parties and the Company intend to treat, for U.S. federal income tax purposes, the (a) New Preferred Equity Financing Commitment Premium as the sale price for a put option or as additional New Preferred Equity Interests purchased by the Backstop Parties and (b) the New Debt Cash-Out Commitment Premium as the sale price for a put option relating to an amount of New Debt equal to 80% of the First Lien New Debt Allocation. The Backstop Parties and the Debtors shall not take any position or action inconsistent with such treatment and/or characterization, except as otherwise required by a "determination" within the meaning of section 1313 of the Internal Revenue Code.

ARTICLE IV

REPRESENTATIONS AND WARRANTIES OF THE DEBTORS

Except as set forth in corresponding section of the Company Disclosure Schedules, each of the Debtors, jointly and severally, hereby represent and warrant to each of the Financing Parties (unless otherwise set forth herein, as of the date of this Agreement and as of the Closing Date) as set forth below.

Section 4.1 Organization and Qualification. Each Debtor is duly organized, validly existing and in good standing under the Laws of the state of its respective organization, is duly qualified to do business and is in good standing in each jurisdiction in which its respective ownership or lease of property or the conduct of its respective businesses requires such qualification and has all power and authority necessary to own or hold its respective properties and to conduct the businesses in which it is engaged, except where the failure to be so qualified, in good standing or have such power or authority would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.2 Corporate Power and Authority.

(a) The Company has the requisite corporate power and authority (i) subject to entry of the BCA Approval Order, to enter into, execute and deliver this Agreement and (ii) subject to entry of the BCA Approval Order, the Disclosure Statement Order and the Confirmation Order, to consummate the transactions contemplated herein, the Transaction Agreements and the Plan, and to perform its

obligations under each of the Transaction Agreements (other than this Agreement). Subject to the receipt of the foregoing Orders, as applicable, the execution and delivery of this Agreement and each of the other Transaction Agreements and the consummation of the transactions contemplated hereby and thereby have been or will be duly authorized by all requisite corporate action on behalf of the Company, and no other corporate proceedings on the part of the Company are or will be necessary to authorize this Agreement or any of the other Transaction Agreements or to consummate the transactions contemplated hereby or thereby.

(b) Subject to entry of the BCA Approval Order and the Confirmation Order, each of the other Debtors has the requisite power and authority (corporate or otherwise) to enter into, execute and deliver each Transaction Agreement to which such other Debtor is a party and to perform its obligations thereunder. Subject to the receipt of the foregoing Orders, as applicable, the execution and delivery of this Agreement and each of the other Transaction Agreements and the consummation of the transactions contemplated hereby and thereby have been or will be duly authorized by all requisite action (corporate or otherwise) on behalf of each other Debtor party thereto, and no other proceedings (corporate or otherwise) on the part of any other Debtor party thereto are or will be necessary to authorize this Agreement or any of the other Transaction Agreements or to consummate the transactions contemplated hereby or thereby.

(c) Subject to entry of the BCA Approval Order and the Confirmation Order, each of the Company and the other Debtors has the requisite power and authority (corporate or otherwise) to perform its obligations under the Plan, and has taken or shall take all necessary actions (corporate or otherwise) required for the due consummation of the Plan in accordance with its terms.

Section 4.3 Capitalization. All the outstanding shares of capital stock or other equity interests of each direct or indirect subsidiary of the Company have been duly and validly authorized and issued, are fully paid and non-assessable and (except, in the case of any foreign subsidiary, for directors' qualifying shares) are owned directly or indirectly by the Company, free and clear of any Lien, charge, encumbrance, security interest, restriction on voting or transfer or any other claim of any third party, except for (a) Liens permitted under the DIP Documents (including Permitted Liens (as defined in the DIP Documents)); (b) Liens permitted under the ABL Facility (including Permitted Liens (as defined in the ABL Facility Documents)); and (c) Liens that, pursuant to the Confirmation Order, will not survive beyond the Effective Date.

Section 4.4 Issuance. Subject to the entry of the BCA Approval Order and the Confirmation Order, the New Preferred Equity Interests to be issued pursuant to the Plan, including the New Preferred Equity Interests to be issued in connection with the Subscription Rights and the Direct Investment Preferred Equity Raise, will, when issued and delivered on the Closing Date in accordance with terms of the Plan and the Subscription Rights Procedures and against any required payment, be duly authorized, validly issued and delivered and shall be fully paid and non-assessable, and free and clear of all Taxes (except for any Taxes arising as a result of a Person's failure to provide a reasonably requested Tax form establishing complete exemption from withholding, provided that such Person was legally entitled to provide such Tax form), Liens, encumbrances, preemptive rights, subscription and similar rights (other than as may arise under the Company Organizational Documents and any applicable securities Laws).

Section 4.5 Authorized Shares. As of the Closing Date and subject to the entry of the Confirmation Order, the Company has all consents, approvals and authorizations necessary for the issuance of the New Preferred Equity Interests to be issued pursuant to the Plan, and the Company has

full right, power and authority to sell, assign, transfer and deliver the shares of New Preferred Equity Interests to the Financing Parties.

Section 4.6 No Conflict. Assuming the consents described in Section 4.7 are obtained, the execution and delivery by the Company and, if applicable, any other Debtor, of this Agreement, the Plan and the other Transaction Agreements, the compliance by the Company and, if applicable, any other Debtor, with the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein will not (a) conflict with, or result in a breach, modification or violation of, any of the terms or provisions of, or constitute a default under (with or without notice or lapse of time, or both), or result, except to the extent specified in the Plan, in the acceleration of, or the creation of any Lien under, or cause any payment or consent to be required under any Contract to which any Debtor will be bound as of the Closing Date after giving effect to the Plan or to which any of the property or assets of any Debtor will be subject as of the Closing Date after giving effect to the Plan, (b) result in any violation of the provisions of any of the Debtors' organizational documents (other than, for the avoidance of doubt, a breach or default that would be triggered as a result of the Chapter 11 Cases or the Company's or any Debtor's undertaking to implement the Restructuring Transactions through the Chapter 11 Cases) or (c) result in any violation of any Law or Order applicable to any Debtor or any of their properties, except in each of the cases described in clause (a) or (c) for any conflict, breach, modification, violation, default, acceleration or Lien which would not reasonably be expected to be, individually or in the aggregate, a Material Adverse Effect.

Section 4.7 Consents and Approvals. No consent, approval, authorization, Order, registration or qualification of or with any Governmental Entity having jurisdiction over any of the Debtors or any of their properties (each, an "Applicable Consent") is required for the execution and delivery by the Company and, to the extent relevant, the other Debtors, of this Agreement, the Plan and the other Transaction Agreements, the compliance by the Company and, to the extent relevant, the other Debtors, with the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein, except for (a) the entry of the BCA Approval Order authorizing the Company to execute and deliver this Agreement, (b) the entry by the Bankruptcy Court, or any other court of competent jurisdiction, of Orders as may be necessary to implement the transactions contemplated by this Agreement, (c) the entry of the Confirmation Order, (d) filings, notifications, authorizations, approvals, consents, clearances or termination or expiration of all applicable waiting periods under any Antitrust Laws in connection with the transactions contemplated by this Agreement, (e) such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or "Blue Sky" Laws in connection with the purchase of the Direct Investment Preferred Interests by the Direct Investment Investors, the Unsubscribed Preferred Equity Interests by the Backstop Parties, the issuance of the Subscription Rights, the issuance of the New Preferred Equity Interests pursuant to the exercise of the Subscription Rights, the issuance of the New Preferred Equity Financing Commitment Premium Preferred Interests, the issuance of the New Preferred Equity Participation Premium, (f) any Applicable Consents that, if not made or obtained, would not reasonably be expected to be, individually or in the aggregate, material and adverse to the Debtors and (g) any Applicable Consents that if not made or obtained, would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 4.8 Arm's Length. The Company acknowledges and agrees that (a) each of the Financing Parties is acting solely in the capacity of an arm's-length contractual counterparty to the Company with respect to the transactions contemplated hereby (including in connection with determining the terms of the Subscription Rights Offering) and not as a financial advisor or a fiduciary to, or an agent of, the Company or any other Debtor and (b) no Backstop Party is advising the Company or any other Debtor as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction.

Section 4.9 Financial Statements.

(a) The consolidated balance sheets of LABL as of September 30, 2025 and the related consolidated statements of operations and of cash flows for the fiscal year then ended (the "Financial Statements") present fairly in all material respects the financial position, results of operations and cash flows of LABL and its consolidated Subsidiaries, taken as a whole, as of the dates indicated and for the periods specified. All such Financial Statements, which shall not be required to include schedules or notes thereto, have been prepared, in all material respects, in accordance with GAAP applied consistently throughout the periods involved (except as disclosed therein).

Section 4.10 Absence of Certain Changes. Since September 30, 2025, to the date of this Agreement, no Event has occurred or exists that has had or would be reasonably expected to have, individually or in the aggregate, a Material Adverse Effect, except for (a) LABL's failure to make the interest payment due on January 15, 2026 under the 2027 Unsecured Notes Indenture, as described in the Disclosure Statement; and (b) the downgrades to (i) LABL's issuer credit rating from "CCC+" to "SD;" and (ii) the 2027 Unsecured Notes' issue-level credit rating from "CCC" to "D," in each case issued by S&P Global on or around January 21, 2026.

Section 4.11 No Violation; Compliance with Laws. Neither the Company nor any other Debtor is: (a) in violation of its charter or by-laws or similar organizational documents; (b) in default, and no Event has occurred that, with notice or lapse of time or both, would constitute such a default, in the due performance or observance of any term, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of the other Debtors is a party or by which the Company or any of the other Debtors is bound or to which any of the property or assets of the Company or any other Debtor is subject or (c) since January 1, 2023, in violation of any Law or statute or any judgment, Order, rule or regulation of any court or arbitrator or governmental or regulatory authority, except, in the case of clauses (b) and (c) above, for (x) LABL's failure to make the interest payment due on January 15, 2026 under the 2027 Unsecured Notes Indenture, as described in the Disclosure Statement; and (y) any such default or violation that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect or was caused by the commencement of the Chapter 11 Cases.

Section 4.12 Legal Proceedings. Other than the Chapter 11 Cases and any adversary proceedings or contested motions commenced in connection therewith, (a) there are no legal, governmental, administrative, judicial or regulatory investigations, audits, actions, suits, claims, arbitrations, demands, demand letters, claims, notices of noncompliance or violations, or proceedings ("Legal Proceedings") pending or, to the Knowledge of the Company, threatened to which any of the Debtors is a party or to which any property of any of the Debtors is the subject and (b) to the Knowledge of the Company, no Event has occurred or circumstances exist that may give rise to, or serve as the basis for, any such Legal Proceeding, in each case of clause (a) and (b), that in any manner draws into question the validity or enforceability of this Agreement, the Plan or the other Transaction Agreements or that would reasonably be expected to be, individually or in the aggregate, a Material Adverse Effect.

Section 4.13 Intellectual Property. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (a) each of the Debtors owns, or possesses the right to use, all of the patents, patent rights, trademarks, service marks, trade names, copyrights, mask works, domain names, trade dress, trade secrets, rights in Software and any and all applications or registrations for any of the foregoing (collectively, "Intellectual Property Rights") that are reasonably necessary for the operation of their respective businesses, (b) to the Knowledge of the Company, none of the Debtors is interfering with, infringing upon, misappropriating or otherwise violating in any material respect any valid Intellectual Property Rights of any Person, and (c) no claim or litigation regarding any of the foregoing is pending or to the Knowledge of the Company, threatened.

Section 4.14 Title to Real and Personal Property.

(a) Real Property. Each of the Debtors has valid fee simple title to, or valid leasehold interest in, or easements or other limited property interests in, all of its Real Properties and has valid title to its tangible personal properties and assets, in each case, except for defects in title that do not materially interfere with its ability to conduct its business as currently conducted or to utilize such properties and assets for their currently intended purposes, and except where the failure (or failures) to have such title would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; provided, however, that the enforceability of such leased Real Properties may be limited by applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditor's rights generally or general principles of equity, including the Chapter 11 Cases.

(b) Leased Real Property. Each of the Debtors is in compliance with all obligations under all leases to which it is a party that have not been rejected in the Chapter 11 Cases, except where the failure to comply would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, and none of the Debtors has received written notice of any good faith claim asserting that such leases are not in full force and effect, except leases in respect of which the failure to be in full force and effect would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each of the Debtors enjoys peaceful and undisturbed possession under all such leases, other than leases in respect of which the failure to enjoy peaceful and undisturbed possession would not reasonably be expected to materially interfere with its ability to conduct its business as currently conducted or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

Section 4.15 No Undisclosed Relationships. Other than (a) Contracts or other direct or indirect relationships between or among any of the Debtors, (b) executive employment or retention agreements and customary director and officer indemnity agreements, (c) Contracts or other direct or indirect relationships with the Sponsor that have been previously disclosed to the Financing Parties, and (d) transactions, contracts, and direct or indirect relationships in the ordinary course of the Company's and its Subsidiaries' business, there are no Contracts or transactions or other direct or indirect relationships existing as of the date hereof between or among any of the Debtors, on the one hand, and any director, officer or greater than five percent (5%) stockholder of any of the Debtors, on the other hand, except for the transactions contemplated by the Transaction Agreements.

Section 4.16 Licenses and Permits. The Debtors have all material governmental permits, licenses, certificates, registrations, approvals, exemptions, clearances, billings and authorizations ("Permits") necessary for the conduct of their business as presently conducted, and each of the Permits is valid, subsisting and in full force and effect, except where the failure to have or maintain such Permit, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, (i) the operation of the business of the Debtors as currently

conducted is not, and has not been in material violation of, nor the Debtors in material default or violation under, any Permit (excluding any past violation or default that has been remedied and imposes no material continuing obligations or costs on the Debtors) and (ii) no Event has occurred which, with notice or the lapse of time or both, would constitute a material default or violation of any term, condition or provision of any Permit. There are no Actions pending or threatened, that seek the revocation, suspension, cancellation or modification of any Permit, except where such revocation, suspension, cancellation or modification, individually or in the aggregate, has not had and would not reasonably be expected to have, a Material Adverse Effect. No Debtor has received written notice of any charge, claim or assertion alleging any violations of or noncompliance with any Permit nor has any charge, claim or assertion been threatened, except where such notice, charge, claim or assertion, individually or in the aggregate, has not had and would not reasonably be expected to have, a Material Adverse Effect.

Section 4.17 Environmental. (a) Except as to matters that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, no written notice, claim, demand, request for information, Order, complaint or penalty has been received by any of the Debtors, and there are no Legal Proceedings pending or threatened which allege a violation of or liability under any Environmental Laws (including with respect to exposure to Hazardous Materials), in each case relating to any of the Debtors, (b) except as to matters that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, each Debtor has received (including timely application for renewal of the same), and maintained in full force and effect, all environmental Permits, licenses and other approvals, and has maintained all financial assurances, in each case to the extent necessary for its operations to comply with all applicable Environmental Laws and is, and has been, in compliance with the terms of such Permits, licenses and other approvals and with all applicable Environmental Laws, (c) no Hazardous Material is located at, on or under any property currently or formerly owned, operated or leased by any of the Debtors that would reasonably be expected to give rise to any cost, liability or obligation of any of the Debtors under any Environmental Laws, other than costs, liabilities or obligations related to asset retirement obligations incurred or anticipated to be incurred pursuant to Environmental Laws or costs, liabilities or obligations that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and (d) no Hazardous Material has been Released, generated, owned, treated, stored or handled by any of the Debtors, and no Hazardous Material has been transported to or Released at any location in a manner that would reasonably be expected to give rise to any cost, liability or obligation of any of the Debtors under any Environmental Laws, other than costs, liabilities or obligations related to asset retirement obligations incurred or anticipated to be incurred pursuant to Environmental Laws or costs, liabilities or obligations that would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Notwithstanding the generality of any other representations and warranties in this Agreement, the representations and warranties in this Section 4.17 constitute the sole and exclusive representations and warranties in this Agreement with respect to any environmental, health or safety matters, including any arising under or relating to Environmental Laws.

Section 4.18 Labor Matters. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, no Debtor has any outstanding liability relating to or arising out of non-compliance with any applicable labor or employment-related Laws. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, there are no pending or threatened claims, sanctions, legal actions or lawsuits against the Debtors before any Governmental Entity relating to the Debtors' actual or alleged non-compliance with labor or employment-related Laws.

Section 4.19 Tax Matters. Except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect:

(a) Each of the Debtors and their Subsidiaries has filed or caused to be filed all U.S. federal, state, local and non-U.S. income and other Tax Returns required to have been filed by it (taking into account extensions) and each such Tax Return is true and correct in all respects;

(b) Each of the Debtors and their Subsidiaries has timely paid or caused to be timely paid all Taxes shown to be due and payable by it on the Tax Returns referred to in clause (a) and all other Taxes or assessments that are due and owing (or made adequate provision (in accordance with GAAP) for the payment of all such Taxes due) with respect to all periods or portions thereof ending on or before the date hereof other than Taxes the nonpayment of which are permitted or required by the Bankruptcy Code.

(c) As of the date hereof, with respect to the Debtors and their Subsidiaries, other than in connection with the Chapter 11 Cases (including, for the avoidance of doubt, the filing of any proof of claims with respect to Taxes) and other than Taxes or assessments that are being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP, (i) no claims have been asserted in writing with respect to any Taxes that have not been resolved, (ii) no presently effective waivers or extensions of statutes of limitation with respect to Taxes have been given or requested (other than any automatic customary waivers or extensions obtained by the business) and (iii) no Tax Returns are being examined or audited by (of which the Debtors have received written notice), and no written notification of intention to examine or audit any such Tax Returns has been received from, the IRS or any other Governmental Entity.

(d) The Debtors and each of their Subsidiaries have complied with all applicable laws, rules and regulations relating to the payment and withholding of Taxes, and have, within the time and in the manner prescribed by Law, withheld and timely paid over to the proper Governmental Entity all required amounts from amounts paid or owing to any employee, independent contractor, creditor, stockholder or other third party.

(e) There are no Liens for Taxes on any asset of any of the Debtors other than for (i) Taxes that are being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP or (ii) Taxes the nonpayment of which are permitted or required by the Bankruptcy Code.

This Agreement and each other Transaction Agreement to which such Financing Party is a party (a) has been, or prior to its execution and delivery will be, duly and validly executed and delivered by such Financing Party and (b) upon entry of the BCA Approval Order and the Confirmation Order and assuming due and valid execution and delivery hereof and thereof by the Company and the other Debtors (as applicable), will constitute valid and legally binding obligations of such Financing Party, enforceable against such Financing Party in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization or other similar Laws limiting creditors' rights generally or by equitable principles relating to enforceability.

Section 5.4 No Conflict. Assuming that the consents referred to in clauses (a) and (b) of Section 5.5 are obtained, the execution and delivery by such Financing Party of this Agreement and each other Transaction Agreement to which such Financing Party is a party, the compliance by such Financing Party with all of the provisions hereof and thereof and the consummation of the transactions contemplated herein and therein (a) will not conflict with, or result in breach, modification, termination or violation of, any of the terms or provisions of, or constitute a default under (with or without notice or lapse of time or both), or result in the acceleration of, or the creation of any Lien under, any Contract to which such Financing Party is party or is bound or to which any of the property or assets or such Financing Party are subject, (b) will not result in any violation of the provisions of the certificate of incorporation or bylaws (or comparable constituent documents) of such Financing Party and (c) will not result in any material violation of any Law or Order applicable to such Financing Party or any of its properties, except in each of the cases described in clauses (a) or (c), for any conflict, breach, modification, termination, violation, default, acceleration or Lien which would not reasonably be expected, individually or in the aggregate, to prohibit or materially and adversely impact such Financing Party's performance of its obligations under this Agreement.

Section 5.6 No Registration. Such Financing Party, to the extent receiving any New Preferred Equity Interests, understands that (a) the New Preferred Equity Interests, the New Preferred Equity Participation Premium and the New Notes have not been registered under the Securities Act by reason of a specific exemption from the registration provisions of the Securities Act, the availability of which depends on, among other things, the bona fide nature of the investment intent and the accuracy of such Financing Party's representations as expressed herein or otherwise made pursuant hereto and (b) the Unsubscribed Preferred Equity Interests, any New Preferred Equity Interests issued to such Financing Party (if such Financing Party is a Backstop Party) in satisfaction of the Financing Commitment Premium, any New Preferred Equity Interests issued to such Financing Party (if such Financing Party is a Backstop Party) as part of the Subscription Rights Offering following a transfer or assignment thereof (either directly or through transfer or assignment of the related Subscription Rights) pursuant to Section 2.8 and the Direct Investment Preferred Interests, the New Preferred Equity Participation Premium, and the New Notes, as applicable, issued to such Financing Party cannot be sold unless subsequently registered under the Securities Act or an exemption from registration is available.

With respect to the any New Notes issued to any New Debt Cash-Out Lender in satisfaction of such New Debt Cash-Out Lender's New Debt Cash-Out Commitment and/or in satisfaction of the Company's obligation to pay the New Debt Cash-Out Commitment Premium, each New Debt Cash-Out Lender is acquiring such New Notes, for its own account or accounts or funds over which it holds voting discretion, not otherwise as a nominee or agent, and not otherwise with the view to, or for resale in connection with, any distribution thereof in violation of applicable securities Laws, and such Financing Party has no present intention of selling, granting any other participation in, or otherwise distributing the same in violation of applicable securities Laws.

Section 5.8 Sophistication; Investigation. Such Financing Party further represents that it fully understands the limitations on transfer and restrictions on sales and other dispositions set forth in this Agreement. Such Financing Party acknowledges that it (a) has been furnished with, or has had access to, such information that it considers necessary or appropriate to make an informed investment decision with respect to the New Preferred Equity Interests, New Preferred Equity Participation Premium, and/or New Debt, as applicable, issued to such Financing Party and (b) has had an opportunity to ask questions of and receive answers from management of the Company regarding the intended business and financial affairs of the Company.

Section 5.9 No Broker's Fees. Such Financing Party is not a party to any Contract with any Person (other than the Transaction Agreements, the Moelis Engagement Letter, and any Contract giving rise to the Expense Reimbursement hereunder) that would give rise to a valid claim against any of the Debtors for a brokerage commission, finder's fee or like payment in connection with the Subscription Rights Offering, the Direct Investment Preferred Equity Raise or the sale of the Restricted Securities.

Section 5.10 Sufficient Funds. Such Financing Party has and shall have at Closing sufficient immediately available assets and the financial capacity to perform all of its obligations under this Agreement, including the ability to fully exercise all Subscription Rights that are issued to it pursuant to the Subscription Rights Offering, and fund such Financing Party's Subscription Rights Backstop Commitment, Direct Investment Commitment and New Debt Cash-Out Commitment, as applicable. For the avoidance of doubt, such Financing Party acknowledges that its obligations under this Agreement and the other agreements contemplated hereunder are not conditioned in any manner upon its obtaining financing.

Section 5.11 Additional Securities Law Matters.

(a) Such Financing Party has been advised by the Company that the Unsubscribed Preferred Equity Interests, any New Preferred Equity Interests issued to such Backstop Party in satisfaction of the Financing Commitment Premium, any New Preferred Equity Interests issued to a Backstop Party as part of the Subscription Rights Offering following a transfer or assignment thereof (either directly or through transfer or assignment of the related Subscription Rights) pursuant to Section 2.9 and the Direct Investment Preferred Interests to be issued pursuant to the Direct Investment Preferred Equity Raise, the New Preferred Equity Participation Premium issued on account of such New Preferred Equity Interests, New Notes (and any other securities issued to the Financing Parties, to the extent that section 1145 of the Bankruptcy Code is not available) (collectively, the "Restricted Securities") are characterized as "restricted securities" under the Securities Act inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that such Financing Party must continue to bear the economic risk of the investment in such Restricted Securities unless the offer and sale of such Restricted Securities is subsequently registered under the Securities Act and all applicable state or foreign securities or "blue sky" Laws or an exemption from such registration is available.

(b) If such Financing Party is being issued the Restricted Securities pursuant to Regulation S, such Financing Party has been advised and acknowledges that: (i) in issuing and selling such securities to such person who is not a "U.S. person" (as defined in Regulation S) (a "Non-U.S. person") pursuant hereto, the Debtors are relying upon the "safe harbor" provided by Regulation S; (ii) it is a condition to the availability of the Regulation S "safe harbor" that the Restricted Securities not be

offered or sold in the United States (as defined in Regulation S) or to a U.S. person until the expiration of the applicable "distribution compliance period" following the Closing Date and (iii) notwithstanding the foregoing, prior to the expiration of the applicable "distribution compliance period" after the Closing (the "Restricted Period"), the Restricted Securities may be offered and sold by the holder thereof only if such offer and sale is made in compliance with the terms of this Agreement and either: (X) if the offer or sale is within the United States or to or for the account of a U.S. person, the securities are offered and sold pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act; or (Y) the offer and sale is outside the United States and to other than a U.S. person. Such Financing Party agrees that with respect to the Restricted Securities, until the expiration of the Restricted Period: (i) such Non-U.S. person, its agents or its Representatives have not and will not solicit offers to buy, offer for sale or sell any of the Restricted Securities, or any beneficial interest therein in the United States or to or for the account of a U.S. person and (ii) such Non-U.S. person shall not engage in hedging transactions with regard to such securities unless in compliance with the Securities Act. The restrictions in this Agreement applicable to such Financing Parties are binding upon subsequent transferees of the applicable Restricted Securities, except for transferees pursuant to an effective registration statement. Each such Financing Party agrees that after the Restricted Period, the Restricted Securities may be offered or sold within the United States or to or for the account of a U.S. person only pursuant to applicable securities Laws. Each such Financing Party acknowledges that at the time of the offering to such Financing Party and at the time of such Financing Party's execution of this Agreement, such Financing Party or persons acting on such Financing Party's behalf in connection therewith were located outside the United States.

(c) No such Financing Party, its Affiliates or any person acting on its or any of their behalf has engaged, or will engage, in any form of general solicitation or general advertising (within the meaning of Rule 502(c) of the Securities Act) or directed selling efforts (within the meaning of Regulations S) in connection with the offering of the Restricted Securities.

(d) To such Financing Party's knowledge, such Financing Party is not purchasing the Restricted Securities as a result of any advertisement, article, notice or other communication regarding the Restricted Securities published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement or directed selling efforts.

Section 5.12 Legal Proceedings. There are no Legal Proceedings pending or, to the knowledge of such Financing Party, threatened, to which the Financing Party or any of its subsidiaries is a party or to which any property of the Financing Party or any of its subsidiaries is the subject, in each case that will (or would be reasonably likely to) prohibit or materially impede such Financing Party's performance of its obligations under this Agreement or the other agreements contemplated hereunder.

Section 5.13 Beneficial Ownership. As of the date hereof, such Financing Party and its Affiliates were, collectively, the beneficial owner (or investment advisor or manager for the beneficial owner) of the aggregate principal amount of the Allowed First Lien Secured Claims set forth opposite its name on its signature page hereto, has full power to vote and dispose thereof, and has not entered into any agreement to transfer the foregoing where such transfer would prohibit such Financing Party from complying with its obligations hereunder or under the Plan or the Restructuring Support Agreement.

Section 5.14 No Other Representations or Warranties. Except for the representations and warranties contained in Article IV (including the Schedules and Exhibits to this Agreement), each Financing Party acknowledges that none of the Debtors nor any of their respective agents, Affiliates, officers, directors, employees, managers, operators, agents, Representatives, nor any other Person, makes or shall be deemed to make any representation or warranty to such Financing Party, express or implied, at

law or in equity, on behalf of any Debtor or any Affiliate of any Debtor, and each Debtor and each of their respective Affiliates by this Agreement disclaim any such representation or warranty, whether by a Debtor, or any of their respective agents, Affiliates, officers, directors, employees, or Representatives or any other Person, notwithstanding the delivery or disclosure to such Financing Party, or any of its officers, directors, employees, agents or Representatives or any other Person of any documentation or other information by any Debtor or any of their respective agents, Affiliates, officers, directors, employees, agents or Representatives or any other Person with respect to any one or more of the foregoing.

Section 6.9 No Integration; No General Solicitation. Neither the Company nor any of its Affiliates will, directly or through any agent, sell, offer for sale, solicit offers to buy or otherwise negotiate in respect of, any security (as defined in the Securities Act) that is or will be integrated with the sale of the New Preferred Equity Interests in a manner that would require registration of the New Preferred Equity Interests to be issued by the Company on the Effective Date under the Securities Act. None of the Debtors or any of their Affiliates or any other Person acting on its or their behalf will solicit offers for, or offer or sell, any New Preferred Equity Interests by means of any form of general solicitation or general advertising within the meaning of Rule 502(c) of Regulation D promulgated under the Securities Act or in any manner involving a public offering within the meaning of section 4(a)(2) of the Securities Act.

Section 6.12 Legend. Each certificate evidencing Restricted Securities (and any other New Preferred Equity Interests, to the extent that section 1145 of the Bankruptcy Code is not available) shall be stamped or otherwise imprinted with a legend (the "Legend") in substantially the following form:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ORIGINALLY ISSUED ON [DATE OF ISSUANCE], HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), OR ANY OTHER APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM REGISTRATION THEREUNDER."

Such Restricted Securities may also bear additional legends as may be required under Regulation S or other applicable Law and pursuant to the New Governance Documents.

In the event that any such Restricted Securities are uncertificated, such Restricted Securities shall be subject to a restrictive notation substantially similar to the Legend in the share ledger or other appropriate records maintained by the Company or agent and the term "Legend" shall include such restrictive notation. The Company shall remove the Legend (or restrictive notation, as applicable) set forth above from the certificates evidencing any such shares (or the stock ledger or other appropriate Company records, in the case of uncertified shares) as soon as practicable after the restrictions described in such Legend cease to be applicable, including, as applicable, when such shares may be sold under Rule 144 of the Securities Act without volume or manner of sale restrictions.

The Company and each Filing Party shall, to the extent permitted by applicable Law and reasonably practicable: (i) promptly notify each other of, and if in writing, furnish each other with copies of (or, in the case of material oral communications, advise each other orally) of any material communications from or with an Antitrust Authority; (ii) not participate in any meeting with an Antitrust Authority unless it consults with each other Filing Party and the Company,

The communications contemplated by this Section 6.13 may be made by the Company or a Filing Party on an outside counsel-only basis or subject to other agreed upon confidentiality safeguards. ARTICLE VIII

INDEMNIFICATION AND CONTRIBUTION

Section 8.1 Indemnification Obligations. Following the entry of the BCA Approval Order, the Debtors (the "Indemnifying Parties" and each, an "Indemnifying Party") shall, jointly and severally, indemnify and hold harmless each Financing Party and its Affiliates, equity holders, members, partners, general partners, managers and its and their respective Representatives and controlling persons (each, an "Indemnified Person") from and against any and all losses, claims, damages, liabilities and costs and expenses (other than Taxes imposed on or measured by net income and franchise or similar Taxes imposed in lieu of net income Taxes) (collectively, "Losses") that any such Indemnified Person may incur or to which any such Indemnified Person may become subject arising out of or in connection with this Agreement, including the Subscription Rights Backstop Commitment, the Subscription Rights Offering, the Direct Investment Preferred Equity Raise, the New Debt Cash-Out Election, the New Debt Cash-Out Commitment, the payment of the Financing Commitment Premium, the Termination Payment, or the use of the proceeds of the Subscription Rights Offering and/or Direct Investment Preferred Equity Raise, or any claim, challenge, litigation, investigation or proceeding relating to any of the foregoing, regardless of whether any Indemnified Person is a party thereto, whether or not such proceedings are brought by the Debtors, their respective equity holders, Affiliates, creditors or any other Person, and reimburse each Indemnified Person upon demand for reasonable documented out-of-pocket (with such documentation subject to redaction to preserve attorney client and work product privileges) legal or other third-party expenses incurred in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect to, any lawsuit, investigation, claim or other proceeding relating to any of the foregoing (including in connection with the enforcement of the indemnification obligations set forth herein), irrespective of whether or not the transactions contemplated by this Agreement or the Plan are consummated or whether or not this Agreement is terminated; provided that the foregoing indemnity will not, as to any Indemnified Person, apply to Losses (a) as to a Defaulting Financing Party, its Related Parties or any Indemnified Person related thereto, to the extent caused by a Financing Party Default by such Financing Party or any breach of this Agreement by such Financing Party or (b) to the extent they are found by a final, non-appealable judgment of a court of competent jurisdiction to arise from the fraud, bad faith, willful misconduct, or gross negligence of such Indemnified Person.

Section 8.2 Indemnification Procedure. Promptly after receipt by an Indemnified Person of notice of the commencement of any claim, challenge, litigation, investigation or proceeding (an "Indemnified Claim"), such Indemnified Person will, if a claim is to be made hereunder against the Indemnifying Party in respect thereof, notify the Indemnifying Party in writing of the commencement

thereof; provided that (a) the omission to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability that it may have hereunder except to the extent it has been materially prejudiced by such failure and (b) the omission to so notify the Indemnifying Party will not relieve the Indemnifying Party from any liability that it may have to such Indemnified Person otherwise than on account of this Article VIII. In case any such Indemnified Claims are brought against any Indemnified Person and such Indemnified Person notifies the Indemnifying Party of the commencement thereof, the Indemnifying Party will be entitled to participate therein, and, at its election by providing written notice to such Indemnified Person, the Indemnifying Party will be entitled to assume the defense thereof, with counsel reasonably acceptable to such Indemnified Person; provided that if the parties (including any impleaded parties) to any such Indemnified Claims include both such Indemnified Person and the Indemnifying Party and based on advice of such Indemnified Person's counsel there are legal defenses available to such Indemnified Person that are different from or additional to those available to the Indemnifying Party, such Indemnified Person shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such Indemnified Claims. Upon receipt of notice from the Indemnifying Party to such Indemnified Person of its election to so assume the defense of such Indemnified Claims with counsel reasonably acceptable to the Indemnified Person, the Indemnifying Party shall not be liable to such Indemnified Person for expenses incurred by such Indemnified Person in connection with the defense thereof or participation therein (other than reasonable documented out-of-pocket costs of investigation) unless (i) such Indemnified Person shall have employed separate counsel (in addition to any local counsel) in connection with the assertion of legal defenses in accordance with the proviso to the immediately preceding sentence (it being understood, however, that the Indemnifying Party shall not be liable for the expenses of more than one separate counsel representing the Indemnified Persons who are parties to such Indemnified Claims (in addition to one local counsel in each jurisdiction in which local counsel is required)), (ii) the Indemnifying Party shall not have employed counsel reasonably acceptable to such Indemnified Person to represent such Indemnified Person within a reasonable time after the Indemnifying Party has received notice of commencement of the Indemnified Claims from, or delivered on behalf of, the Indemnified Person, (iii) after the Indemnifying Party assumes the defense of the Indemnified Claims, the Indemnified Person determines in good faith that the Indemnifying Party has failed or is failing to defend such claim and provides written notice of such determination and the basis for such determination, and such failure is not reasonably cured within ten (10) Business Days of receipt of such notice by the Indemnifying Party or (iv) the Indemnifying Party shall have authorized in writing the employment of counsel for such Indemnified Person.

Section 8.3 Settlement of Indemnified Claims. In connection with any Indemnified Claim for which an Indemnified Person is assuming the defense in accordance with this Article VIII, the Indemnifying Party shall not be liable for any settlement of any Indemnified Claims effected by such Indemnified Person without the written consent of the Indemnifying Party (which consent shall not be unreasonably withheld, conditioned or delayed). If any settlement of any Indemnified Claims is consummated with the written consent of the Indemnifying Party or if there is a final judgment for the plaintiff in any such Indemnified Claims, the Indemnifying Party agrees to indemnify and hold harmless each Indemnified Person from and against any and all Losses by reason of such settlement or judgment to the extent such Losses are otherwise subject to indemnification by the Indemnifying Party hereunder in accordance with, and subject to the limitations of, this Article VIII. Notwithstanding anything in this Article VIII to the contrary, if at any time an Indemnified Person shall have requested the Indemnifying Party to reimburse such Indemnified Person for legal or other expenses in connection with investigating, responding to or defending any Indemnified Claims as contemplated by this Article VIII, the Indemnifying Party shall be liable for any settlement of any Indemnified Claims effected without its written consent if (i) such settlement is entered into more than sixty (60) days after receipt by the Indemnifying Party of such request for reimbursement and (ii) the Indemnifying Party shall not have reimbursed such Indemnified Person in accordance with such request prior to the date of such settlement.

The Indemnifying Party shall not, without the prior written consent of an Indemnified Person (which consent shall be granted or withheld, conditioned or delayed in the Indemnified Person's sole discretion), effect any settlement of any pending or threatened Indemnified Claims in respect of which indemnity or contribution has been sought hereunder by such Indemnified Person unless (i) such settlement includes an unconditional release of such Indemnified Person in form and substance reasonably satisfactory to such Indemnified Person from all liability on the claims that are the subject matter of such Indemnified Claims and (ii) such settlement does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

Section 8.4 Contribution. If for any reason the foregoing indemnification is unavailable to any Indemnified Person or insufficient to hold it harmless from Losses that are subject to indemnification pursuant to Section 8.1, then the Indemnifying Party shall contribute to the amount paid or payable by such Indemnified Person as a result of such Loss in such proportion as is appropriate to reflect not only the relative benefits received by the Indemnifying Party, on the one hand, and such Indemnified Person, on the other hand, but also the relative fault of the Indemnifying Party, on the one hand, and such Indemnified Person, on the other hand, as well as any relevant equitable considerations. It is hereby agreed that the relative benefits to the Indemnifying Party, on the one hand, and all Indemnified Persons, on the other hand, shall be deemed to be in the same proportion as (a) the total value received or proposed to be received by the Company pursuant to the issuance and sale of the Unsubscribed Preferred Equity Interests in the Subscription Rights contemplated by this Agreement and the Plan bears to (b) the Financing Commitment Premium paid or proposed to be paid to the Financing Parties. The Indemnifying Parties also agree that no Indemnified Person shall have any liability based on their comparative or contributory negligence or otherwise to the Indemnifying Parties, any Person asserting claims on behalf of or in right of any of the Indemnifying Parties, or any other Person in connection with an Indemnified Claim.

Section 8.5 Treatment of Indemnification Payments. All amounts paid by an Indemnifying Party to an Indemnified Person under this Article VIII shall, to the extent permitted by applicable Law, be treated as adjustments to the Per Preferred Interest Purchase Price for all Tax purposes. The provisions of this Article VIII are an integral part of the transactions contemplated by this Agreement and without these provisions the Financing Parties would not have entered into this Agreement. The BCA Approval Order shall provide that the obligations of the Company under this Article VIII shall constitute allowed administrative expenses of the Debtors' estates under sections 503(b) and 507 of the Bankruptcy Code and are payable without further Order of the Bankruptcy Court, and that the Company may comply with the requirements of this Article VIII without further Order of the Bankruptcy Court.

Section 8.6 No Survival. All representations, warranties, covenants and agreements made in this Agreement shall not survive the Closing Date, such that no claim for breach thereof or detrimental reliance thereon or any other right or remedy may be brought with respect thereto, except for covenants and agreements that by their terms are to be satisfied after the Closing Date, which covenants and agreements shall survive until satisfied in accordance with their terms. Notwithstanding the foregoing, the indemnification and other obligations of the Debtors pursuant to this Article VIII and the other obligations set forth in Section 3.4 and Section 2.8 shall survive the Closing Date until the latest date permitted by applicable Law and, if applicable, be assumed by the Reorganized Debtors and their Subsidiaries.

ARTICLE IX

(b) any Law or final and non-appealable Order shall have been enacted, adopted or issued by any Governmental Entity that prohibits the implementation of the Plan or the Subscription Rights or the transactions contemplated by this Agreement or the other Transaction Agreements, in a way that cannot be remedied by the Debtors in a manner reasonably acceptable to the Requisite Financing Parties (and such action has not been reversed or vacated within twenty (20) calendar days after its issuance);

(c) the Closing Date has not occurred on or prior to the earlier of (i) the Maturity Date (as defined in the DIP Documents) and (ii) the applicable milestone agreed to in the Restructuring Support Agreement (as may be waived or extended under the terms thereof) (such date, the "Outside Date");

(d) upon the occurrence of each of (A) the Company or any of the other Debtors shall have breached any representation, warranty, covenant or other agreement made by the Company or the other Debtors in this Agreement or any such representation or warranty shall have become inaccurate

and such breach or inaccuracy would, individually or in the aggregate, cause a condition set forth in Section 7.1(l) (*Representations and Warranties*), Section 7.1(m) (*Covenants*) or Section 7.1(n) (*Material Adverse Effect*) not to be satisfied, (B) the Requisite Financing Parties shall have delivered written notice of such breach or inaccuracy to the Company, (C) such breach or inaccuracy is not cured by the Company or the other Debtors by the tenth (10th) Business Day after receipt of such notice and (D) as a result of such failure to cure, any condition set forth in Section 7.1(l) (*Representations and Warranties*), Section 7.1(m) (*Covenants*) or Section 7.1(n) (*Material Adverse Effect*) is not capable of being satisfied; provided that this Agreement may not be terminated on account of a Termination Event under this Section 9.3(d) if any of the Financing Parties constituting the Requisite Financing Parties are then in willful or intentional breach of this Agreement;

(e) any of the following occurs: (i) any Debtor enters into, or seeks authority from the Bankruptcy Court to enter into, any Contract providing for an Alternative Restructuring Proposal, or files any motion or application seeking authority to propose, join in, or participate in the formation of any actual or proposed Alternative Restructuring Proposal; (ii) the Bankruptcy Court approves or authorizes any Alternative Restructuring Proposal; or (iii) any Debtor (A) amends or modifies, or seeks authority to amend or modify, any Definitive Documents in a manner materially inconsistent with the Restructuring Support Agreement; or (B) suspends or revokes any Transaction Agreement;

(f) the BCA Approval Order or the Confirmation Order is terminated, reversed, stayed, dismissed, vacated or reconsidered, or any such Order is modified or amended after entry without the prior written consent (not to be unreasonably withheld, conditioned or delayed) of the Requisite Financing Parties in a manner that prevents or prohibits the consummation of the transactions contemplated by this Agreement or the other Transaction Agreements in a way that cannot be remedied by the Debtors in a manner reasonably acceptable to the Requisite Financing Parties (and such action has not been reversed or vacated within ten (10) calendar days after its issuance); or

(g) any of the Orders approving this Agreement, the Subscription Rights Procedures, the Plan or the Disclosure Statement or the Confirmation Order are reversed, stayed, dismissed, vacated or reconsidered or modified or amended without the acquiescence or written consent (not to be unreasonably withheld, conditioned or delayed) of the Requisite Financing Parties (and such action has not been reversed or vacated within ten (10) calendar days after its issuance) in a manner that prevents or prohibits the consummation of the Restructuring Transactions contemplated in this Agreement or any of the Definitive Documents in a way that cannot be remedied by the Debtors subject to the reasonable satisfaction of the Requisite Financing Parties.

Section 9.4 Termination by the Company. This Agreement may be terminated by the Company on behalf of the Debtors upon written notice to each Financing Party if:

(a) any Law or final and non-appealable Order shall have been enacted, adopted or issued by any Governmental Entity that prohibits the implementation of the Plan or the Subscription Rights or the transactions contemplated by this Agreement or the other Transaction Agreements in a way that cannot be remedied by the Debtors in a manner reasonably acceptable to the Requisite Financing Parties;

(b) subject to the right of the Financing Parties to arrange a Backstop Party Replacement or Direct Investment Investor Replacement, as applicable, in accordance with Section 2.3(a) (which will be deemed to cure any breach by the replaced Financing Party pursuant to this subsection (b)), as to an applicable Financing Party, (i) such Financing Party shall have materially breached any representation, warranty, covenant or other agreement made by such Financing Party in this Agreement or any such representation or warranty shall have become inaccurate and such breach or inaccuracy

would, individually or in the aggregate, cause a condition set forth in Section 7.3(g) (*Representations and Warranties*) or Section 7.3(h) (*Covenants*) not to be satisfied, (ii) the Company shall have delivered written notice of such breach or inaccuracy to such Financing Party, (iii) such breach or inaccuracy is not cured by such Financing Party by the tenth (10th) Business Day after receipt of such notice and (iv) as a result of such failure to cure, any condition set forth in Section 7.3(g) (*Representations and Warranties*) or Section 7.3(h) (*Covenants*) is not capable of being satisfied; provided that this Agreement may not be terminated on account of a Termination Event under this Section 9.4(b) if the Company is then in willful or intentional breach of this Agreement;

(c) the Company determines, after receiving advice from outside counsel, that proceeding with the Restructuring Transactions (including the Plan or solicitation of the Plan) would be inconsistent with the exercise of the fiduciary duties of the board of directors or analogous governing body of the Company; provided that, concurrently with such termination, the Company pays the Termination Payment in cash if payable pursuant to Section 3.2;

(d) the BCA Approval Order or the Confirmation Order is terminated, reversed, stayed, dismissed, vacated or reconsidered, or any such Order is modified or amended after entry without the prior acquiescence or written consent (not to be unreasonably withheld, conditioned or delayed) of the Company in a manner that prevents or prohibits the consummation of the Restructuring Transactions contemplated in this Agreement or any of the Definitive Documents in a way that cannot be remedied by the Financing Parties subject to the reasonable satisfaction of the Debtors (and such action has not been reversed or vacated within ten (10) calendar days after its issuance); or

(e) any of the Orders approving the Restructuring Support Agreement, this Agreement, the Subscription Rights Procedures, the Plan or the Disclosure Statement or the Confirmation Order are reversed, stayed, dismissed, vacated or reconsidered or modified or amended without the acquiescence or consent (not to be unreasonably withheld, conditioned or delayed) of the Company (and such action has not been reversed or vacated within ten (10) calendar days after its issuance) in a manner that prevents or prohibits the consummation of the Restructuring Transactions contemplated in this Agreement or any of the Definitive Documents in a way that cannot be remedied by the Financing Parties subject to the reasonable satisfaction of the Debtors;

provided that it is acknowledged and agreed that any termination of this Agreement pursuant to this Section 9.4 shall not limit nor be deemed to limit the Cooperation Period as among the Consenting Stakeholders (as defined in the Restructuring Support Agreement), which Cooperation Period shall remain in full force and effect.

Section 9.5 Effect of Termination; Qualifying Consenting Stakeholder Termination Events.

(a) Upon termination of this Agreement pursuant to this Article IX, this Agreement shall forthwith become void and of no force or effect and there shall be no further obligations or liabilities on the part of the Parties; provided that (i) the obligations of the Debtors to pay the Expense Reimbursement pursuant to Article III, to satisfy their indemnification obligations pursuant to Article VIII and to pay the Termination Payment if payable pursuant to (and in accordance with) Section 9.5(b) shall survive the termination of this Agreement and shall remain in full force and effect, in each case, until such obligations have been satisfied, (ii) the provisions set forth in Article VIII, this Section 9.5 and Article X shall survive the termination of this Agreement in accordance with their terms and (iii) subject to Section 10.10 (*Damages*), nothing in this Section 9.5 shall relieve any Party from liability for its gross negligence or any willful or intentional breach of this Agreement. For purposes of this Agreement, "willful or intentional breach" means a breach of this Agreement that is a consequence of an act

undertaken by the breaching Party with the knowledge that the taking of such act would, or would reasonably be expected to, cause a breach of this Agreement.

(b) If (i) this Agreement shall be terminated for any reason other than (A) pursuant to Section 9.4(b) or (B) as a result of a termination of the Restructuring Support Agreement pursuant to Section 12.05 thereof following the consummation of the Closing of the transactions contemplated hereby or (ii) the emergence of the Debtors from the Chapter 11 Cases occurs prior to the consummation of the Closing of the transactions contemplated herein, the Company shall, promptly following the date of such termination, pay the Termination Payment entirely in cash, free and clear of any withholding or deduction for any applicable Taxes (except for any Taxes arising as a result of a Backstop Party's failure to provide a reasonably requested Tax form establishing complete exemption from the withholding, provided that such Person was legally entitled to provide such tax form), to the Financing Parties or their designees *pro rata* based on each Financing Party's relative portion of the total Subscription Rights Backstop Commitments and Direct Investment Commitments, calculated in a manner consistent with the allocation of the Financing Commitment Premium. If this Agreement is terminated pursuant to Section 9.4(b), then the Termination Payment will become payable on the date of termination to the non-breaching Financing Parties or their designees as set forth in this Section 9.5(b). For the avoidance of doubt, the Financing Commitment Premium shall be deemed fully earned upon the effectiveness of this Agreement and shall be payable in cash upon the earliest to occur of: (A) the termination of the Subscription Rights Backstop Commitments, (B) the termination of this Agreement (except as otherwise set forth in this Section 9.5(b)) or (C) the emergence of the Debtors from the Chapter 11 Cases, in each case, if such event occurs prior to the consummation of the Closing of the transactions contemplated herein (including, without limitation, the issuance of the New Preferred Equity Interests). The Financing Commitment Premium shall, pursuant to the BCA Approval Order, constitute allowed administrative expenses of the Company's estate under sections 503(b) and 507 of the Bankruptcy Code.

(c) For the avoidance of doubt, if this Agreement is terminated prior to the consummation of the Closing, each Financing Party shall be deemed to have automatically revoked and withdrawn any exercise of its Subscription Rights, without any further action, and any such exercise shall be null and void *ab initio*. In such event, the Company shall not accept or give effect to any such exercises and shall take all actions reasonably necessary to ensure that any corresponding subscriptions are disregarded or unwound in accordance with the Subscription Rights Procedures.

(d) Notwithstanding anything to the contrary in this Agreement, each of the Parties expressly acknowledges, covenants, and agrees that (i) the Financing Parties shall not be entitled to terminate this Agreement on account of a Termination Event that is a Qualifying Consenting Stakeholder Termination Event unless the Restructuring Support Agreement has been terminated by the "Required First Lien Consenting Lenders" under the Restructuring Support Agreement in accordance with its terms (including, for the avoidance of doubt, Section 5.01(c) thereof) and (ii) the Financing Parties shall not be entitled, and shall not take any action, to terminate the Restructuring Support Agreement on account of a termination of this Agreement by the Company or the other Debtors, unless such Financing Parties are otherwise permitted to terminate this Agreement and the Restructuring Support Agreement in accordance with its terms (including, for the avoidance of doubt, Section 5.01(c) thereof); provided, further, that during the pendency of any Cooperation Period (as defined in the Restructuring Support Agreement), the occurrence and continued existence of any Termination Event shall suspend the obligations of each Financing Party to consummate the transactions contemplated by this Agreement unless (x) otherwise agreed by the Requisite Financing Parties or (y) the applicable default giving rise to such Cooperation Period shall have been cured.

Section 10.2 Assignment; Third-Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any Party (whether by operation of Law or otherwise) without the prior written consent of the Company and the Requisite Financing Parties, other than an assignment by a Financing Party expressly permitted by Section 2.3, Section 2.7 or Section 2.8 and any purported assignment in violation of this Section 10.2 shall be void *ab initio.* Except as provided in Article VIII with respect to the Indemnified Persons, this Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any Person any rights or remedies under this Agreement other than the Parties.

Section 10.3 Prior Negotiations; Entire Agreement.

(a) This Agreement (including the agreements attached as Exhibits to and the documents and instruments referred to in this Agreement) and the Restructuring Support Agreement constitute the entire agreement of the Parties and supersede all prior agreements, arrangements or understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement, except that the Parties hereto acknowledge that any confidentiality agreements heretofore executed among the Parties will each continue in full force and effect.

(b) Notwithstanding anything to the contrary in the Plan (including any amendments, supplements or modifications thereto) or the Confirmation Order (and any amendments, supplements or modifications thereto) or an affirmative vote to accept the Plan submitted by any Financing Party, nothing contained in the Plan (including any amendments, supplements or modifications

thereto) or Confirmation Order (including any amendments, supplements or modifications thereto) shall alter, amend or modify the rights of the Financing Parties under this Agreement unless such alteration, amendment or modification has been made in accordance with Section 10.7.

Section 10.4 Governing Law; Venue. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO SUCH STATE'S CHOICE OF LAW PROVISIONS WHICH WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAW OF ANY OTHER JURISDICTION. BY ITS EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY AGREES FOR ITSELF THAT ANY LEGAL ACTION, SUIT, OR PROCEEDING AGAINST IT WITH RESPECT TO ANY MATTER ARISING UNDER, ARISING OUT OF, OR IN CONNECTION WITH THIS AGREEMENT OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT RENDERED IN ANY SUCH ACTION, SUIT, OR PROCEEDING, SHALL BE BROUGHT IN THE BANKRUPTCY COURT, OR IF THE BANKRUPTCY COURT DOES NOT HAVE JURISDICTION TO HEAR SUCH ACTION, SUIT OR PROCEEDING, ANY STATE OR FEDERAL COURT LOCATED IN NEW YORK COUNTY, NEW YORK, AND BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH OF THE PARTIES IRREVOCABLY ACCEPTS AND SUBMITS ITSELF TO THE EXCLUSIVE JURISDICTION OF SUCH COURT, GENERALLY AND UNCONDITIONALLY, WITH RESPECT TO ANY SUCH ACTION, SUIT OR PROCEEDING. THE PARTIES HEREBY AGREE THAT MAILING OF PROCESS OR OTHER PAPERS IN CONNECTION WITH ANY SUCH ACTION OF PROCEEDING TO AN ADDRESS PROVIDED IN WRITING BY THE RECIPIENT OF SUCH MAILING, OR IN SUCH OTHER MANNER AS MAY BE PERMITTED BY LAW, SHALL BE VALID AND SUFFICIENT SERVICE THEREOF AND HEREBY WAIVE ANY OBJECTIONS TO SERVICE ACCOMPLISHED IN THE MANNER HEREIN PROVIDED.

Section 10.5 Waiver of Jury Trial. EACH PARTY HEREBY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY JURISDICTION IN ANY ACTION, SUIT OR PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE AMONG THE PARTIES UNDER THIS AGREEMENT, WHETHER IN CONTRACT, TORT OR OTHERWISE.

Section 10.6 Counterparts. This Agreement may be executed in any number of counterparts, all of which will be considered one and the same agreement and will become effective when counterparts have been signed by each of the Parties and delivered to each other Party (including via facsimile or other electronic transmission), it being understood that each Party need not sign the same counterpart.

Section 10.7 Waivers and Amendments; Rights Cumulative; Consent. This Agreement may be amended, restated, modified or changed only by a written instrument signed by the Debtors and the Requisite Financing Parties (other than a Defaulting Financing Party); provided that, (i) any change, modification or amendment to this Agreement, the Restructuring Support Agreement or the Plan that alters on an economic basis the terms provided in this Agreement or the Plan shall require the written consent of all of the Parties; (ii) any change, modification or amendment to this Agreement, the Restructuring Support Agreement or the Plan that treats or affects any Financing Parties' New Preferred Equity Interests in a manner that is materially and adversely disproportionate, on an economic or non-economic basis, to the manner in which any of the other Financing Party's New Preferred Equity Interests are treated shall require the written consent of such materially adversely and disproportionately affected Financing Party and (iii) any change, modification or amendment to this Agreement that has the effect of (v) increasing or modifying the form of the Subscription Rights Backstop Commitment, the commitment to provide the Direct Investment Commitments or any other commitment of any Financing Party set forth herein; (w) reducing, removing, modifying the form of or otherwise impairing the

Financing Commitment Premium as set forth herein (unless such modification has also been agreed to by the "Required Consenting Stakeholders" under the Restructuring Support Agreement); (x) extending the term of the Subscription Rights Backstop Commitment, the commitment to provide the Direct Investment Commitments, the New Debt Cash-Out Commitment and any other commitment set forth herein beyond one (1) year of the date hereof; (y) modifying the definition of "Requisite Financing Parties," reducing or modifying the consent, amendment or waiver rights of any Financing Party under this Agreement, or abrogating the consent rights of the "Required Consenting Stakeholders" under the Restructuring Support Agreement or (z) imposing any new or additional payment obligations on any Financing Party shall, in each case, also require the consent of each affected Financing Party, provided, further, that a written instrument signed by the Debtors and the Requisite Financing Parties (other than a Defaulting Backstop Party) shall be required to amend, restate, modify or change any provision that gives the Requisite Financing Parties consent rights with respect to any matter. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel. The terms and conditions of this Agreement may be waived (i) by the Debtors only by a written instrument executed by the Debtors and (ii) by the Financing Parties only by a written instrument executed by the Requisite Financing Parties (provided that each Financing Party's prior written consent shall be required for any waiver having the effects referred to in the first proviso of this Section 10.7). Notwithstanding the foregoing, Schedule 1 and Schedule 2 shall be revised as necessary without requiring a written instrument signed by the Debtors and the Requisite Financing Parties to reflect changes in the composition of the Financing Parties and their respective Backstop Percentage or New Debt Cash-Out Percentage as a result of Transfers permitted in accordance with the terms and conditions of this Agreement. No delay on the part of any Party in exercising any right, power or privilege pursuant to this Agreement will operate as a waiver thereof, nor will any waiver on the part of any Party of any right, power or privilege pursuant to this Agreement, nor will any single or partial exercise of any right, power or privilege pursuant to this Agreement, preclude any other or further exercise thereof or the exercise of any other right, power or privilege pursuant to this Agreement. Except as otherwise provided in this Agreement, the rights and remedies provided pursuant to this Agreement are cumulative and are not exclusive of any rights or remedies which any Party otherwise may have at law or in equity. For the avoidance of doubt, nothing in this Agreement shall affect or otherwise impair the rights, including consent rights, of the Financing Parties under the Restructuring Support Agreement or any other Definitive Document.

Section 10.8 Headings. The headings in this Agreement are for reference purposes only and will not in any way affect the meaning or interpretation of this Agreement.

Section 10.9 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and that the Parties shall be entitled to an injunction or injunctions without the necessity of posting a bond to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof, in addition to any other remedy to which they are entitled at law or in equity. Unless otherwise expressly stated in this Agreement, no right or remedy described or provided in this Agreement is intended to be exclusive or to preclude a Party from pursuing other rights and remedies to the extent available under this Agreement, at law or in equity.

Section 10.10 Damages. Notwithstanding anything to the contrary in this Agreement, none of the Parties will be liable for, and none of the Parties shall claim or seek to recover, any punitive, special, indirect or consequential damages or damages for lost profits.

Section 10.11 No Reliance. No Financing Party or any of its Related Parties shall have any duties or obligations to the other Financing Parties in respect of this Agreement, the Plan or the transactions contemplated hereby or thereby, except those expressly set forth herein. Without limiting the generality of the foregoing, (a) no Financing Party or any of its Related Parties shall be subject to any fiduciary or other implied duties to the other Financing Parties, (b) no Financing Party or any of its Related Parties shall have any duty to take any discretionary action or exercise any discretionary powers on behalf of any other Financing Party, (c) no Financing Party or any of its Related Parties shall have any duty to the other Financing Parties to obtain, through the exercise of diligence or otherwise, to investigate, confirm or disclose to the other Financing Parties any information relating to the Company or any other Debtor that may have been communicated to or obtained by such Financing Party or any of its Affiliates in any capacity, (d) no Financing Party may rely, and each Financing Party confirms that it has not relied, on any due diligence investigation that any other Financing Party or any Person acting on behalf of such other Financing Party may have conducted with respect to the Company or any of its Affiliates or any of their respective securities and (e) each Financing Party acknowledges that no other Financing Party is acting as a placement agent, initial purchaser, underwriter, broker or finder with respect to any New Preferred Equity Interests. Each Financing Party hereto acknowledges that this Agreement does not constitute an agreement, arrangement or understanding with respect to acting together for the purpose of acquiring, holding, voting or disposing of any equity securities of the Debtors and the Financing Parties do not constitute a "group" within the meaning of Rule 13d-5 under the Exchange Act. Nothing contained herein or any Definitive Documents and no action taken by any Financing Party pursuant to this Agreement shall be deemed to constitute or create a presumption by any parties that the Financing Parties are in any way acting in concert or as a "group" within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended. Each Financing Party confirms that it has independently participated in the negotiation of the transactions contemplated under this Agreement and the Definitive Documents with the advice of its counsel and advisors.

Section 10.12 Publicity. At all times prior to the Closing Date or the earlier termination of this Agreement in accordance with its terms, the Company and the Financing Parties shall consult with each other prior to issuing any press releases (and provide each other a reasonable opportunity to review and comment upon such release) or otherwise making public announcements with respect to the transactions contemplated by this Agreement, it being understood that nothing in this Section 10.12 shall prohibit any Party from filing any motions or other pleadings or documents with the Bankruptcy Court in connection with the Chapter 11 Cases. Except as required by applicable Law or as ordered by the Bankruptcy Court or other court of competent jurisdiction, no Party or its advisors shall disclose to any Person (including, for the avoidance of doubt, any other Party) any Financing Party's individual holdings without such Financing Party's prior written consent.

Section 10.13 Settlement Discussions. This Agreement and the transactions contemplated herein are part of a proposed settlement of a dispute between the Parties. Nothing herein shall be deemed an admission of any kind. Pursuant to section 408 of the U.S. Federal Rules of Evidence and any applicable state rules of evidence, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any Legal Proceeding, except to the extent filed with, or disclosed to, the Bankruptcy Court in connection with the Chapter 11 Cases (other than a Legal Proceeding to approve or enforce the terms of this Agreement).

Section 10.14 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, and notwithstanding the fact that certain of the Parties may be partnerships or limited liability companies, each Party covenants, agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any Party's Affiliates, or any of such Party's Affiliates' or respective Related Parties in each case other than the Parties to this Agreement and each of their respective successors and permitted assignees

under this Agreement, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any applicable Law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Parties, as such, for any obligation or liability of any Party under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; provided, however, that nothing in this Section 10.14 shall relieve or otherwise limit the liability of any Party hereto, any Related Purchaser or any of their respective successors or permitted assigns for any breach or violation of its obligations under this Agreement or such other documents or instruments. For the avoidance of doubt, prior to the Effective Date, none of the Parties will have any recourse, be entitled to commence any proceeding or make any claim under this Agreement or in connection with the transactions contemplated hereby except against any of the Parties or their respective successors and permitted assigns, as applicable.

Section 10.15 Tax Forms. If the Company (or its agent) determines in its reasonable discretion that it is necessary or appropriate to request Internal Revenue Service tax forms (including but not limited to Form W-9, W-8BEN, W-8BEN-E, W-8ECI, W-8IMY (and attachments thereto), or any successors thereto) ("Tax Forms") to determine its tax reporting and withholding obligations, if any, the Parties shall promptly provide upon prior written notice, solely to the extent legally entitled to do so, such duly complete Tax Forms to the Company (or its agent), and the Company (or its agent) shall be entitled to rely on such forms in determining its tax reporting and withholding obligations, if any.

Section 10.16 General Execution. The Parties understand that the Financing Parties are engaged in a wide range of financial services and businesses. In furtherance of the foregoing, the Parties acknowledge and agree that, to the extent a Financing Party expressly indicates on its signature page hereto that it is executing this Agreement on behalf of specific trading desk(s) and/or business group(s) of such Financing Party, the obligations set forth in this Agreement, other than with respect to such Financing Party's funding obligations hereunder, shall only apply to such trading desk(s) and/or business group(s) and shall not apply to any other trading desk or business group of such Financing Party so long as they are not acting at the direction or for the benefit of such Financing Party or such Financing Party's investment in the Company; provided, that the foregoing shall not diminish or otherwise affect the obligations and liability therefor of any legal entity that (a) executes this Agreement or (b) on whose behalf this Agreement is executed by a Financing Party.

ARTICLE 4
REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Company as of the date hereof, as follows:

4.1 Organization; Capacity. The Purchaser is duly organized, validly existing and in good standing under the Laws of its jurisdiction of organization with full power and authority to conduct its business as it is presently being conducted, and to own and lease its properties and assets.

4.4 Securities Law Representations.

(a) The Purchaser is acquiring the Purchased Units to be acquired by it hereunder for its own account or accounts or funds over which it holds voting or investment discretion, not otherwise as a nominee or agent, and not otherwise with the view to, or for resale in connection with, any distribution thereof in violation of applicable securities Laws, and the Purchaser has no present intention of selling, granting any other participation in, or otherwise distributing the same in violation of applicable securities Laws. The Purchaser has a pre-existing business relationship with the Company, its affiliates or agents.

(b) The Purchaser has such knowledge, skill and experience in financial, business and investment matters such that it is capable of evaluating the merits, risks and consequences of its investment in the Purchased Units. The Purchaser is either (i) a "qualified institutional buyer" within the meaning of Rule 144A of the Securities Act ("Rule 144A") or (ii) an institutional "accredited investor" within the meaning of Rule 501(a) (1), (2), (3), (7), (8), (9), (12), or (13) of the Securities Act, in each case, having (or is a direct or indirect, wholly-owned subsidiary of any entity having) total assets in excess of $10 million. The Purchaser understands and is able to bear any economic risks associated with such investment (including the necessity of holding such Purchased Units for an indefinite period of time or complete loss of such investment). The Purchaser further represents that it fully understands the limitations on transfer and restrictions on sales and other dispositions set forth in this Agreement. The Purchaser acknowledges that it (i) has been furnished with, or has had access to, such information that it considers necessary or appropriate to make an informed investment decision with respect to the Purchased Units and (ii) has had an opportunity to ask questions of and receive answers from management of the Company regarding the intended business and financial affairs of the Company.

(c) The Purchaser understands that (i) the Purchased Units have not been registered under the Securities Act by reason of a specific exemption from the registration provisions of the Securities Act, the availability of which depends on, among other things, the bona fide nature of the investment intent and the accuracy of the Purchaser's representations as expressed herein or otherwise made pursuant hereto and (ii) the Purchased Units cannot be sold unless subsequently registered under the Securities Act or an

exemption from registration is available. The Purchaser also understands that transfers of the Purchased Units are further restricted by the provisions of the A&R LLC Agreement. The Purchaser's overall investment in the Company and other investments that are not readily marketable are not disproportionate to the Purchaser's net worth and the Purchaser has no need for immediate liquidity in the Purchaser's investment in the Purchased Units.

(d) The Purchaser has been advised by the Company that the Purchased Units are characterized as "restricted securities" under the Securities Act inasmuch as they are being acquired from the Company in a transaction not involving a public offering and that the Purchaser must continue to bear the economic risk of the investment in the Purchased Units unless the offer and sale of the Purchased Units is subsequently registered under the Securities Act and all applicable state or foreign securities or "blue sky" Laws or an exemption from such registration is available.

(e) None of the Purchaser, its Affiliates or any person acting on its or any of their behalf has engaged, or will engage, in any form of general solicitation or general advertising (within the meaning of Rule 502(c) of the Securities Act) in connection with the offering of the Purchased Units.

(f) To the Purchaser's knowledge, the Purchaser is not purchasing the Purchased Units as a result of any advertisement, article, notice or other communication regarding the Purchased Units published in any newspaper, magazine or similar media or broadcast over television or radio or presented at any seminar or any other general solicitation or general advertisement or directed selling efforts.

(g) The Purchaser has been advised that and consents to the placement of a restrictive legend in the following form on any certificates representing the Purchased Units:

> "THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ORIGINALLY ISSUED ON [ ], HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), OR ANY OTHER APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE SOLD OR TRANSFERRED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE ACT OR AN AVAILABLE EXEMPTION FROM REGISTRATION THEREUNDER. THE SECURITIES ARE ALSO SUBJECT TO THE PROVISIONS OF THE THIRD AMENDED AND RESTATED LIMITED LIABILITY COMPANY AGREEMENT OF LABELS BUYER, LLC (THE "COMPANY"), DATED AS OF [ ] ("AGREEMENT"), INCLUDING RESTRICTIONS ON TRANSFER. THE SECURITIES ARE TRANSFERABLE ONLY IN ACCORDANCE WITH THE PROVISIONS OF THE AGREEMENT, AND ALL HOLDERS OF SECURITIES OF THE COMPANY (WHETHER ACQUIRED UPON ISSUANCE OR TRANSFER) SHALL BE, AND BE DEEMED TO BE, A PARTY TO AND BOUND BY SUCH AGREEMENT. A COPY OF THE AGREEMENT WILL BE FURNISHED WITHOUT CHARGE BY THE COMPANY TO THE HOLDER HEREOF UPON WRITTEN REQUEST."

(h) The Purchaser has consulted, to the extent deemed appropriate by the Purchaser, with the Purchaser's own advisors as to the financial, tax, legal, regulatory and related matters concerning an investment in the Purchased Units and on that basis (i) understands the financial, legal, tax, regulatory and related consequences of an investment in the Purchased Units, and believes that an investment in the Purchased Units is suitable and appropriate for the Purchaser and (ii) has made its own investment decision with respect to an investment in the Purchased Units.

(i) The Purchaser acknowledges that the securities Laws of the United States prohibit any Person that has material, non-public information concerning the Company or a possible transaction involving the Company from purchasing or selling securities in reliance upon such information or from communicating such information to any other Person under circumstances in which it is reasonably foreseeable that such Person is likely to purchase or sell such securities in reliance upon such information. The Purchaser will not purchase, sell or vote any securities of the Company in violation of United States or any other securities Laws.

4.5 Broker's, Finder's or Similar Fees. There are no brokerage commissions, finder's fees or similar fees or commissions payable in connection with the transactions contemplated hereby based on any agreement, arrangement or understanding with the Purchaser (other than the Moelis Engagement Letter) or any action taken by the Purchaser.

4.6 Governmental Authorization; Third Party Consent. No approval, consent, compliance, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person, and no lapse of a waiting period under any Requirements of Law in effect on the date hereof, is required in connection with the execution, delivery or performance by the Purchaser of this Agreement.

ARTICLE 5
MISCELLANEOUS

5.1 Representations and Warranties. Except as contained in Article 3 hereof, the Company has not made any representations or warranties to the Purchaser concerning the Company and its Subsidiaries, the business and prospects of the Company and its Subsidiaries, or the merits of any investment in the Company and its Subsidiaries in connection with the transactions contemplated hereby.

5.2 Tax Forms; Compliance. Upon request, the Purchaser shall deliver to the Company a properly completed and executed IRS Form W-9 or W-8BEN-E, as applicable.

(ii) no Lender will be required to provide any such Incremental Commitment unless it so agrees; (iii) [reserved]; (iv) the maturity date and the weighted average life to maturity of any Incremental Term Loan Commitments shall be no earlier than or shorter than, as the case may be, the Initial Term Loan Maturity Date or the remaining weighted average life to maturity of the Initial Term Loans, as applicable (other than an earlier maturity date and/or shorter weighted average life to maturity (1) for customary bridge financings, which, subject to customary conditions (as determined by Intermediate Holdings in good faith, which determination shall be conclusive), would either be automatically converted into or required to be exchanged for permanent financing which does not provide for an earlier maturity date or a shorter weighted average life to maturity than the Initial Term Loan Maturity Date or the remaining weighted average life to maturity of the Initial Term Loans, as applicable or (2) pursuant to an escrow or similar arrangement with respect to the proceeds of such Incremental Term Loans)); (v) the interest rate margins and (subject to clause (iv) above) amortization schedule applicable to the loans made pursuant to the Incremental Commitments shall be determined by the Borrower Representative and the applicable Incremental Lenders; provided that in the event that the Effective Yield for (I) Incremental Commitments Incurred by any Borrower to finance or refinance, or otherwise in connection with, any acquisition of assets (including Capital Stock), business or Person, or any merger or consolidation of any Person with or into Intermediate Holdings or any Restricted Subsidiary, or any other Investment Incurred by any Borrower on or prior to the 12-month anniversary of the Closing Date and the principal amount of which exceeds the Acquisition Indebtedness Threshold Amount or (II) Incremental Commitments Incurred by any Borrower on or prior to the 12-month anniversary of the Closing Date and the principal amount of which exceeds the MFN Threshold Amount, in each case that are *pari passu* in right of payment or secured on a *pari passu* basis by the Collateral securing the Cash Flow Facilities Obligations, are higher than the Effective Yield for the Initial Euro Term Loans (in the case of Incremental Commitments denominated in Euro) or the Initial Dollar Term Loans (in the case of all other Incremental Commitments) by more than 50 basis points, then the effective interest rate margin for the applicable Initial Term Loans at the time such Incremental Commitments become effective (the "Existing Interest Rate") shall be increased to the extent necessary so that the Existing Interest Rate is equal to the applicable interest rate margins for such Incremental Commitment minus 50 basis points (the "Adjusted Interest Rate", and the number of basis points by which the Existing Interest Rate is increased, the "Increased Amount"); provided, further that "Effective Yield" means, as to any Indebtedness, the effective yield applicable thereto calculated by Intermediate Holdings in good faith in a manner consistent with generally accepted financial principles, and in determining the Effective Yield for the applicable Initial Term Loans and Incremental Commitments, (A) original issue discount ("OID") or upfront fees payable generally to all participating Lenders in lieu of OID (which shall be deemed to constitute like amounts of OID) payable by the applicable Borrower or Borrowers to the Lenders under such Initial Term Loans or any Incremental Commitments, as applicable, in any initial primary syndication thereof shall be included (with OID and upfront fees being equated to interest rate based on an assumed four-year life to maturity) (provided that, if such Initial Term Loans are issued in a manner such that all such Initial Term Loans were not issued with a uniform amount of OID or upfront fees within the applicable Tranche of Initial Term Loans, the amount of OID and upfront fees attributable to the entire Tranche of Initial Term Loans shall be determined on a weighted average basis); (B) any arrangement or structuring fees payable in connection with the Incremental Commitments or any other fees payable in connection with the Incremental Commitments (other than, in the case of syndicated Incremental Commitments, and only if such fees are shared with all Additional Incremental Lenders providing such syndicated Incremental Commitments) shall, in each case, be excluded; (C) any amendments to the Applicable Margin or effective interest rate margin on the applicable Initial Term Loans that became effective subsequent to the Closing Date but prior

to the effective time of such Incremental Commitments shall also be included in such calculations, (D) if the Incremental Commitments include an interest rate floor greater than the interest rate floor applicable to the applicable Initial Term Loans, such increased amount shall be equated to the applicable interest rate margin for purposes of determining whether an increase to the Applicable Margin for such Initial Term Loans shall be required, to the extent an increase in the interest rate floor for such Initial Term Loans would cause an increase in the interest rate then in effect thereunder, and in such case the interest rate floor (but not the Applicable Margin) applicable to such Initial Term Loans shall be increased by such amount to the extent necessary to adjust the applicable Existing Interest Rate to be equal to the applicable Adjusted Interest Rate, (E) if the incremental Indebtedness includes an interest rate floor lower than the interest rate floor applicable to the applicable Tranche of Initial Term Loans or do not include any interest rate floor, to the extent a reduction in the interest rate floor for such Initial Term Loans would cause a reduction in the interest rate then in effect thereunder, an amount equal to the difference between the interest rate floor applicable to the Initial Term Loans and the interest rate floor applicable to such Incremental Commitments (which shall be deemed to equal 0% for any Incremental Commitments without any interest rate floor), but which in any event shall not exceed the maximum amount by which a reduction in the interest rate floor applicable to the Initial Term Loans would cause a reduction in the interest rate then in effect thereunder, shall reduce the applicable interest rate margin of the applicable Incremental Commitments for purposes of determining whether an increase in the Existing Interest Rate shall be required and (F) if the applicable Tranche of Initial Term Loans includes a pricing grid the interest rate margins in such pricing grid which are not in effect at the time the applicable Incremental Commitments become effective shall also each be increased by an amount equal to the Increased Amount; (vi) such Incremental Commitment Amendment may provide (1) for the inclusion, as appropriate, of Additional Incremental Lenders in any required vote or action of the Required Lenders, Required Majority in Interest Lenders, Required Supermajority Lenders, Required Pooled Supermajority Lenders or of the Lenders of each Tranche hereunder, (2) class voting and other class protections for any additional credit facilities, (3) for the amendment of the definitions of "Additional Obligations", "Disqualified Stock", "Junior Capital" and "Refinancing Indebtedness" and Subsection 8.8(b), in each case only to extend the maturity date and the weighted average life to maturity requirements, from the Initial Term Loan Maturity Date and remaining weighted average life to maturity of the Initial Term Loans to the extended maturity date and the remaining weighted average life to maturity of such Incremental Term Loans, as applicable, (4) in the case of an Incremental Revolving Commitment, provide for amendments and modifications necessary or desirable to account for the Incremental Revolving Commitments to be included in this Agreement, in each case on terms agreed by Intermediate Holdings and the Lenders providing such Commitments (including any swingline lender or issuing lender) and with the consent of the Administrative Agent (acting at the Direction of the Required Lenders) and (5) for the amendment of clause (iii) of the definition of "Additional Obligations" to provide for the applicable mandatory prepayment protections to apply to such Incremental Term Loans; and (vii) the other terms and documentation in respect thereof, to the extent not consistent with this Agreement as in effect prior to giving effect to the Incremental Commitment Amendment, shall otherwise be reasonably satisfactory to the Borrower Representative; provided that to the extent such terms and documentation are not consistent with the terms and documentation governing the Initial Term Loans (except to the extent permitted by clauses (iii), (iv), (v) or (vi) above), they shall be reasonably satisfactory to the Borrower Representative and the Administrative Agent (acting at the Direction of the Required Lenders); provided, further, that notwithstanding anything to the contrary in this clause (d), (I) any additional Loans or Commitments, or any refinancing indebtedness, incurred in connection with or for the purpose of influencing, the provision of requisite consents of Lenders for any modification, amendment, release or waiver under this Agreement shall be disregarded in the calculation of the Required Lenders, Required Majority in Interest Lenders, Required Supermajority Lenders, Required Pooled Supermajority Lenders or of the Lenders of each Tranche hereunder for such modification, amendment, release or waiver and (II) this clause (d) and any amendment permitted by this Section 2.8 is subject to the Affected Tranche Requirement.

SECTION 4

General Provisions Applicable to Loans

4.1 Interest Rates and Payment Dates. (a) Each Term SOFR Rate Loan or Eurocurrency Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to (i) in the case of Eurocurrency Loans denominated in Euro, the Eurocurrency Rate determined for such day plus the Applicable Margin in effect for such day and (ii) in the case of Term SOFR Rate Loans, the Term SOFR Rate determined for such day plus the Applicable Margin in effect for such day.

(b) Each ABR Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Alternate Base Rate in effect for such day plus the Applicable Margin in effect for such day.

(c) Each Daily Simple SOFR Rate Loan shall bear interest for each day that it is outstanding at a rate per annum equal to the Daily Simple SOFR Rate in effect for such day plus the Applicable Margin in effect for such day.

(d) [Reserved].

(e) [Reserved].

(f) If all or a portion of (i) the principal amount of any Loan, (ii) any interest payable thereon or (iii) any other amount payable hereunder shall not be paid when due (whether at the Stated Maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum which is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto pursuant to the relevant foregoing provisions of this Subsection 4.1, plus 2.00% (y) in the case of overdue interest, the rate that would otherwise be applicable to principal of the related Loan pursuant to the relevant foregoing provisions of this Subsection 4.1, plus 2.00% and (z) in the case of other amounts, the rate described in clause (b) of this Subsection 4.1 for ABR Loans accruing interest at the Alternate Base Rate plus 2.00%, in each case from the date of such nonpayment until such amount is paid in full (after as well as before judgment); provided that (1) no amount shall be payable pursuant to this Subsection 4.1(f) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender and (2) no amounts shall accrue pursuant to this Subsection 4.1(f) on any overdue amount or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(g) Interest shall be payable in arrears on each Interest Payment Date, provided that interest accruing pursuant to clause (f) of this Subsection 4.1 shall be payable from time to time on demand exercised in accordance with Subsection 9.2. Interest shall be paid (i) partially by increasing the outstanding principal amount of the Loans on the relevant Interest Payment Date by the amount of accrued but unpaid interest described in the definition of Applicable Margin ("PIK Interest") and (ii) the remainder in cash as described herein and in the definition of Applicable Margin; provided that (x) all interest accrued pursuant to paragraph (f) of this Subsection 4.1 shall be payable in cash on demand (and may not be paid as PIK Interest), (y) in the event of any repayment or prepayment of any Loan, accrued interest (that has not been

capitalized pursuant to this clause (g)) on the principal amount repaid or prepaid shall be payable in cash on the date of such repayment or prepayment and (z) in the event of any conversion of any Term SOFR Rate Loans prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion. Once PIK Interest is capitalized and added to the principal amount of the Loans, such PIK Interest shall thenceforth be considered principal for all purposes hereunder (and shall bear interest in accordance with this Subsection 4.1) from the date on which such PIK Interest has been so added.

(h) It is the intention of the parties hereto to comply strictly with applicable usury laws; accordingly, it is stipulated and agreed that the aggregate of all amounts which constitute interest under applicable usury laws, whether contracted for, charged, taken, reserved, or received, in connection with the indebtedness evidenced by this Agreement or any Notes, or any other document relating or referring hereto or thereto, now or hereafter existing, shall never exceed under any circumstance whatsoever the maximum amount of interest allowed by applicable usury laws.

(i) For the purposes of the Interest Act (Canada) and disclosure thereunder, whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360 day, 365 day or 366 day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360, 365 or 366, as applicable. The rates of interest under this Agreement are nominal rates, and not effective rates or yields. The principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

(j) If any provision of this Agreement or of any of the other Loan Documents would obligate any Canadian Loan Party to make any payment of interest or other amount payable to any Agent or any Lender in an amount or calculated at a rate which would be prohibited by applicable law or would result in a receipt by such Agent or such Lender of "interest" at a "criminal rate" (as such terms are construed under the *Criminal Code* (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by such Agent or such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to such Agent or such Lender hereunder; and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Agent or such Lender which would constitute "interest" for purposes of Section 347 of the *Criminal Code* (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if an Agent or Lender shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code* (Canada), the applicable Canadian Loan Party shall be entitled, by notice in writing to such Agent or such Lender, to obtain reimbursement from such Agent or such Lender in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by such Agent or such Lender to any Canadian Loan Party. Any amount or rate of interest referred to in this Subsection 4.1(j) shall be determined in accordance with GAAP as an effective annual rate of interest over the term that the applicable Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the *Criminal Code* (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the maturity date of the applicable Tranche and, in the event of a dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) shall be conclusive for the purposes of such determination.

4.2 Conversion and Continuation Options. (a) Subject to its obligations pursuant to Subsection 4.12(c), the Borrower Representative may elect from time to time to convert outstanding Loans of a given Tranche denominated in Dollars from Daily Simple SOFR Rate Loans or Term SOFR Rate Loans to ABR Loans, in each case by giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time, two Business Days prior to such election. The Borrower Representative may elect from time to time to convert outstanding Loans of a given Tranche from ABR Loans to Daily Simple SOFR Rate Loans or Term SOFR Rate Loans denominated in Dollars, in each case by giving the Administrative Agent irrevocable notice of such election prior to 1:00 P.M., New York City time, at least three Business Days prior to such election. Any such notice of conversion to Term SOFR Rate Loans or Eurocurrency Loans shall specify the length of the initial Interest Period or Interest Periods therefor. Upon receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. All or any part of outstanding Daily Simple SOFR Rate Loans, Term SOFR Rate Loans or ABR Loans may be converted as provided herein, provided that (i) (unless the Required Lenders as a Loan-Only Majority otherwise consent) no Loan may be converted into a Daily Simple SOFR Rate Loan, Term SOFR Rate Loan or Eurocurrency Loan when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Subsection 9.1(f)), the Administrative Agent has given notice to the Borrower Representative that no such conversions may be made and (ii) no Loan may be converted into a Daily Simple SOFR Rate Loan, Term SOFR Rate Loan or Eurocurrency Loan after the date that is one month prior to the applicable Maturity Date.

(b) Any Term SOFR Rate Loan or Eurocurrency Loan may be continued as such upon the expiration of the then current Interest Period with respect thereto by the Borrower Representative giving notice to the Administrative Agent of the length of the next Interest Period to be applicable to such Term SOFR Rate Loan or Eurocurrency Loan, determined in accordance with the applicable provisions of the term "Interest Period" set forth in Subsection 1.1, provided that no Term SOFR Rate Loan may be continued as such (i) (unless the Required Lenders as a Loan-Only Majority otherwise consent) when any Default or Event of Default has occurred and is continuing and, in the case of any Default (other than a Default under Subsection 9.1(f)), the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) has given notice to the Borrower Representative that no such continuations may be made or (ii) after the date that is one month prior to the applicable Maturity Date, and provided, further, that (i) with respect to Loans denominated in Dollars, if the Borrower Representative shall fail to give any required notice as described above in this clause (b) or if such continuation is not permitted pursuant to the preceding proviso, such Term SOFR Rate Loans shall be automatically converted to ABR Loans, as applicable, on the last day of such then expiring Interest Period and (ii) with respect to Eurocurrency Loans denominated in any Designated Foreign Currency if the Borrower Representative shall fail to give any required notice as described above in this clause (b), such Eurocurrency Loans shall be automatically continued as Eurocurrency Loans with an Interest Period of one month. Upon receipt of any such notice of continuation pursuant to this Subsection 4.2(b), the Administrative Agent shall promptly notify each affected Lender thereof.

4.3 Minimum Amounts; Maximum Sets. All borrowings, conversions and continuations of Loans hereunder and all selections of Interest Periods hereunder shall be in such amounts and be made pursuant to such elections so that, after giving effect thereto, the aggregate principal amount of the Term SOFR Rate Loans outstanding in Dollars comprising each Set shall be equal to $5,000,000 or a whole multiple of $1,000,000 in excess thereof, the aggregate principal amount of the Eurocurrency Loans outstanding in Euro comprising each Set shall be equal to €5,000,000 or a whole multiple of €1,000,000 in excess thereof or Eurocurrency Loans outstanding in any other Designated Foreign Currency comprising each Set shall be equal to $5,000,000 or a whole multiple of $1,000,000 in excess thereof (provided that, notwithstanding the foregoing (x) any Loan may be borrowed in an amount equal to the aggregate amount

of the Commitments in respect of such Loan and (y) any Loan may be converted or continued in its entirety), and so that there shall not be more than 20 Sets at any one time outstanding.

4.4 Optional and Mandatory Prepayments. (a) Optional Prepayment of Term Loans. The Borrowers may at any time and from time to time prepay the Term Loans, in whole or in part, subject to Subsection 4.12, without premium or penalty (except as provided in Subsection 4.5(b)), upon notice by the Borrower Representative to the Administrative Agent prior to 1:00 P.M., New York City time, at least three Business Days prior to the date of prepayment (in the case of Term SOFR Rate Loans or Eurocurrency Loans), or prior to 12:00 P.M., New York City time, on the date of prepayment (in the case of ABR Loans); provided that the Borrowers shall cause any such optional prepayment to be pro rata with the Senior Secured Notes in accordance with the Pari Passu Intercreditor Agreement (except as provided in Subsection 4.4(h)). Such notice shall specify, in the case of any prepayment of Term Loans, the applicable Tranche being repaid, and if a combination thereof, the principal amount allocable to each, the date and amount of prepayment, the currency of the Term Loans to be prepaid and whether the prepayment is of Term SOFR Rate Loans, Eurocurrency Loans, ABR Loans or a combination thereof, and, in each case if a combination thereof, the principal amount allocable to each. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked or extended by the Borrower Representative (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied or waived. Upon the receipt of any such notice the Administrative Agent shall promptly notify each affected Lender thereof. If any such notice is given and not revoked, the amount specified in such notice shall be due and payable on the date specified therein, together with (if a Term SOFR Rate Loan or Eurocurrency Loan is prepaid other than at the end of the Interest Period applicable thereto) any amounts payable pursuant to Subsection 4.12. Partial prepayments pursuant to this Subsection 4.4(a) shall be in multiples of $1,000,000, in the case of Term Loans denominated in Dollars and €1,000,000, in the case of Term Loans denominated in Euro; provided that, notwithstanding the foregoing, any Term Loan may be prepaid in its entirety. Each prepayment of Initial Term Loans pursuant to this Subsection 4.4(a) made prior to the 36-month anniversary of the Closing Date shall be accompanied by the payment of the fee required by Subsection 4.5(b).

(b) [Reserved].

(c) [Reserved].

(d) [Reserved].

(e) Mandatory Prepayment of Term Loans. (i) The Borrowers shall, in accordance with Subsection 4.4(g), prepay the Term Loans to the extent required by Subsection 8.4(b) (subject to Subsection 8.4(c)), (ii) if on or after the Closing Date, Intermediate Holdings or any of its Restricted Subsidiaries shall Incur Indebtedness for borrowed money (excluding Indebtedness permitted pursuant to Subsection 8.1), the Borrowers shall, in accordance with Subsection 4.4(g), prepay (or, exchange for Rollover Indebtedness) the Term Loans in an amount equal to 100.0% of the Net Cash Proceeds thereof (plus any portion of such Indebtedness which represents Rollover Indebtedness) minus the portion of such Net Cash Proceeds applied or offered (to the extent Intermediate Holdings or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on a no more than pro rata basis with the Term Loans, in each case with such prepayment to be made on or before the fifth Business Day following notice given to each Lender of the Prepayment Date, as contemplated by Subsection 4.4(h), and (iii) the Borrowers shall, in accordance with Subsection 4.4(g), prepay the Term Loans within five Business Days following the day on which financial statements in respect of the immediately preceding fiscal year are delivered pursuant to Subsection 7.1(a) (commencing with the fiscal year ending on or about December 31, 2026) (or, if later, the date on which such financial statements are required to be delivered) (each, an "ECF

Payment Date"), in an amount equal to (A) (1) 50.0% (as may be adjusted pursuant to the last proviso of this clause (iii)) of Intermediate Holdings' Excess Cash Flow for such fiscal year (such amount, the "Applicable ECF Amount"), if and to the extent that the Applicable ECF Amount exceeds the greater of $60.0 million and 15% of Four Quarter Consolidated EBITDA, minus (2) the sum of (q) the aggregate principal amount of Term Loans (including Incremental Term Loans) repaid or prepaid pursuant to Subsection 4.4(a), Pari Passu Indebtedness (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, repaid, redeemed, repurchased or retired and any prepayment of Term Loans (including Incremental Term Loans) pursuant to Subsection 4.4(l) or Subsection 11.6(h) (by Intermediate Holdings or its Restricted Subsidiaries) (provided that such deduction for prepayments pursuant to Subsection 4.4(l) or Subsection 11.6(h), as applicable, (by Intermediate Holdings or its Restricted Subsidiaries) shall be limited to the actual cash amount of such prepayment), in each case during such fiscal year (which, in any event, shall not include any designated prepayment pursuant to clause (u), (x) or (y) below), (r) the aggregate principal amount of Term Loans (including Incremental Term Loans) repaid pursuant to Subsection 2.2 and Pari Passu Indebtedness repaid pursuant to any amortization schedule provided for in such facility, in each case during such fiscal year, (s) the aggregate amount of cash consideration (including any expenses, charges and losses in the form of earn-out obligations and contingent consideration obligations (including to the extent accounted for as performance and retention bonuses, compensation or otherwise) and adjustments thereof and purchase price adjustments) paid by Intermediate Holdings and the Restricted Subsidiaries (on a consolidated basis) in connection with Investments (including acquisitions) made during such fiscal year constituting "Permitted Investments" (other than Permitted Investments of the type described in clause (iii) of the definition thereof and intercompany Investments by and among Intermediate Holdings and its Restricted Subsidiaries) or made pursuant to Subsection 8.2 (which, in any event, shall not include any Contract Consideration previously deducted pursuant to clause (z) below), (t) the amount of Capital Expenditures either made in cash or accrued during such fiscal year (provided that, whether any such Capital Expenditures shall be deducted for the fiscal year in which cash payments for such Capital Expenditures have been paid or the fiscal year in which such Capital Expenditures have been accrued shall be at Intermediate Holdings' election; provided, further that, in no case shall any accrual of a Capital Expenditure which has previously been deducted under this clause (t) give rise to a subsequent deduction upon the making of such Capital Expenditure in cash in the same or any subsequent fiscal year) (which, in any event, shall not include any Capital Expenditures previously deducted pursuant to clause (z) below), (u) the aggregate principal amount of Term Loans (including Incremental Term Loans) repaid or prepaid pursuant to Subsection 4.4(a), Pari Passu Indebtedness (in the case of revolving loans, to the extent accompanied by a corresponding permanent commitment reduction) voluntarily prepaid, repaid (including pursuant to any amortization schedule), redeemed, repurchased or retired, and any prepayment of Term Loans (including Incremental Term Loans) pursuant to Subsection 4.4(l) or Subsection 11.6(h), as applicable, (by Intermediate Holdings or its Restricted Subsidiaries) (provided that such deduction for prepayments pursuant to Subsection 4.4(l) or Subsection 11.6(h), as applicable, (by Intermediate Holdings or its Restricted Subsidiaries) shall be limited to the actual cash amount of such prepayment), in each case during the period beginning with the day following the last day of such fiscal year and ending on the ECF Payment Date and stated by the Borrower Representative as prepaid pursuant to this Subsection 4.4(e)(iii) (which, in any event, shall not include any designated prepayment pursuant to clause (x) or (y) below), (v) any ABL Facility Loans prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Senior ABL Facility during such fiscal year (which, in any event, shall not include any designated prepayment pursuant to clause (w), (x) or (y) below), (w) the aggregate principal amount of ABL Facility Loans prepaid to the extent accompanied by a corresponding permanent commitment reduction under the Senior ABL Facility during the period beginning with the day following the last day of such fiscal year and ending on the ECF Payment Date and stated by the Borrower Representative as prepaid pursuant to this Subsection 4.4(e)(iii) (which, in any event, shall not include any designated prepayment pursuant to clause (x) or (y) below), (x) the aggregate principal amount of ABL Facility Loans prepaid, in each case during such fiscal year, to the

extent such amounts were drawn to fund any "flex" OID or additional upfront fees in respect of the Initial Term Loans or any Incremental Term Loans (but, in each case, exclusive of any arrangement or structuring fees payable in connection therewith or any other fees payable in connection therewith that are not shared with all Lenders providing the such Initial Term Loans or such Incremental Term Loans, as applicable) and stated by the Borrower Representative as prepaid pursuant to this Subsection 4.4(e)(iii) (which, in any event, shall not include any designated prepayment pursuant to clause (y) below), (y) the aggregate principal amount of ABL Facility Loans prepaid, in each case during the period beginning with the day following the last day of such fiscal year and ending on the ECF Payment Date, to the extent such amounts were drawn to fund any "flex" OID or additional upfront fees in respect of the Initial Term Loans or any Incremental Term Loans (but, in each case, exclusive of any arrangement or structuring fees payable in connection therewith or any other fees payable in connection therewith that are not shared with all Lenders providing the such Initial Term Loans or such Incremental Term Loans, as applicable) and stated by the Borrower Representative as prepaid pursuant to this Subsection 4.4(e)(iii) and (z) at Intermediate Holdings' election, without duplication of amounts deducted from Excess Cash Flow pursuant to this Subsection 4.4(e)(iii)(A)(2) in respect of prior fiscal years, (I) the aggregate consideration required to be paid in cash by Intermediate Holdings or any of the Restricted Subsidiaries pursuant to binding contracts (the "Contract Consideration") entered into prior to or during such fiscal year and (II) planned cash expenditures by Intermediate Holdings or any of the Restricted Subsidiaries, relating to Investments constituting "Permitted Investments" (other than Permitted Investments of the type described in clause (iii) of the definition thereof and intercompany Investments by and among Intermediate Holdings and its Restricted Subsidiaries) or made pursuant to Subsection 8.2 or Capital Expenditures or acquisitions of Intellectual Property or assets to be consummated or made during the period of four consecutive Fiscal Quarters of Intermediate Holdings following the end of such fiscal year, provided that to the extent the aggregate amount of cash actually utilized to finance such Investments and Capital Expenditures or acquisitions of Intellectual Property or other assets during such period of four consecutive Fiscal Quarters is less than the Contract Consideration, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive Fiscal Quarters (provided that, except as otherwise specified herein, no prepayments made pursuant to the other clauses of this Subsection 4.4(e) shall be included in Subsection 4.4(e)(iii)(A)(2)(q), (r), (s), (t), (u), (v), (w), (x), (y) or (z)), in each case, excluding prepayments funded with proceeds from the Incurrence of long-term Indebtedness (unless, in the case of clause (s) or (t), such Indebtedness has been repaid) or the issuance of Capital Stock or other equity interests (the amount described in this clause (A), the "ECF Prepayment Amount") minus (B) the portion of such ECF Prepayment Amount applied or offered (to the extent Intermediate Holdings or any of its Subsidiaries is required by the terms thereof) to prepay, repay or purchase Pari Passu Indebtedness on no more than a pro rata basis with the Term Loans; provided that such percentage in clause (1) above shall be reduced to (I) 25.0% if the Consolidated Secured Leverage Ratio as of the last day of the immediately preceding fiscal year was less than 4.30:1.00 and (II) 0.00% if the Consolidated Secured Leverage Ratio as of the last day of the immediately preceding fiscal year was less than 3.80:1.00, in each case after giving pro forma effect to the applicable prepayment with the Applicable ECF Amount pursuant to this Subsection 4.4(e)(iii); provided, further that, with respect to any portion of the Applicable ECF Amount in excess of the portion required to achieve, on a pro forma basis, any applicable Consolidated Secured Leverage Ratio threshold specified in the immediately foregoing proviso, such reduced percentage shall apply. Each prepayment of Initial Term Loans pursuant to this Subsection 4.4(e)(ii), but not any other prepayment of Initial Term Loans pursuant to Subsection 4.4(e) made prior to the thirty-six month anniversary of the Closing Date shall be accompanied by the payment of the fee required by Subsection 4.5(b). Nothing in this Subsection 4.4(e) shall limit the rights of the Agents and the Lenders set forth in Section 9.

(f) [reserved]

(g) Subject to the last sentence of Subsection 4.4(h) and Subsection 4.4(k), each prepayment of Term Loans pursuant to Subsection 4.4(e) shall be allocated pro rata among the Initial Dollar Term Loans, the Initial Euro Term Loans and the Incremental Term Loans; provided, that at the request of the Borrower Representative, in lieu of such application on a pro rata basis among all Tranches of Term Loans, such prepayment may be applied to any Tranche of Term Loans so long as the maturity date of such Tranche of Term Loans precedes the maturity date of each other Tranche of Term Loans then outstanding or, in the event more than one Tranche of Term Loans shall have an identical maturity date that precedes the maturity date of each other Tranche of Term Loans then outstanding, to such Tranches on a pro rata basis. Each prepayment of Term Loans pursuant to Subsection 4.4(a) shall be applied within each applicable Tranche of Term Loans to the respective installments of principal thereof in the manner directed by the Borrower Representative (or, if no such direction is given, in direct order of maturity). Each prepayment of Term Loans pursuant to Subsection 4.4(e) shall be applied within each applicable Tranche of Term Loans, first, to the accrued interest on the principal amount of Term Loans being prepaid and, second, to the respective installments of principal thereof in the manner directed by the Borrower Representative (or, if no such direction is given in direct order of maturity). Notwithstanding any other provision of this Subsection 4.4, a Lender may, at its option, and if agreed by the Borrower Representative, in connection with any prepayment of Term Loans pursuant to Subsection 4.4(a) or Subsection 4.4(e), exchange such Lender's portion of the Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment (and any such Term Loans so exchanged shall be deemed repaid for all purposes under the Loan Documents).

(h) The Borrower Representative shall give notice to the Administrative Agent of any mandatory prepayment of the Term Loans (x) pursuant to Subsection 4.4(e)(iii), three Business Days prior to the date on which such payment is due and (y) pursuant to any other provision of Subsection 4.4(e), promptly (and in any event within five Business Days) upon becoming obligated to make such prepayment. Such notice shall state that the Borrowers are offering to make or will make such mandatory prepayment (i) in the case of mandatory prepayments pursuant to Subsection 4.4(e)(i), on or before the date specified in Subsection 8.4(b) and (ii) in the case of mandatory prepayments pursuant to any other clause of Subsection 4.4(e), on or before the date specified in such clause, as the case may be (each, a "Prepayment Date"). Subject to the following sentence, once given, such notice shall be irrevocable and all amounts subject to such notice shall be due and payable on the Prepayment Date (except as otherwise provided in the last sentence of this Subsection 4.4(h)). Any such notice of prepayment pursuant to Subsection 4.4(e) may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked or extended by the Borrower Representative (by written notice to the Administrative Agent, on or prior to the specified effective date) if such condition is not satisfied or waived. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately give notice to each Lender of the prepayment and the Prepayment Date. The Borrower Representative (in its sole discretion) may give each Lender the option (in its sole discretion) to elect to decline any such prepayment (other than a prepayment pursuant to Subsection 4.4(e)(ii), except as otherwise provided for in the last sentence of Subsection 4.4(g)) by giving notice of such election in writing to the Administrative Agent by 11:00 A.M., New York City time, on the date that is three Business Days prior to the Prepayment Date. Upon receipt by the Administrative Agent of such notice, the Administrative Agent shall immediately notify the Borrower Representative of such election. Any amount so declined by any Lender (the "Term Loan Declined Amount") may, at the option of the Borrower Representative, be applied to the payment or prepayment of Indebtedness, including any Junior Debt, or otherwise be retained by Intermediate Holdings and its Restricted Subsidiaries and/or applied by Intermediate Holdings or any of its Restricted Subsidiaries in any manner not inconsistent with this Agreement (including, for the avoidance of doubt, to prepay the Senior Secured Notes on a non-pro rata basis with the Loans).

(i) Without limitation of Subsections 2.8 and 8.1(b)(i), amounts prepaid on account of Term Loans pursuant to Subsection 4.4(a), (e) or (l) may not be reborrowed.

(j) Notwithstanding the foregoing provisions of this Subsection 4.4, if at any time any prepayment of Loans pursuant to Subsection 4.4(a) or Subsection 4.4 (e) would result, after giving effect to the procedures set forth in this Agreement, in the Borrowers incurring breakage costs under Subsection 4.12 as a result of Eurocurrency Loans being prepaid other than on the last day of an Interest Period with respect thereto, then the Borrowers may, so long as no Default or Event of Default shall have occurred and be continuing, in their sole discretion, initially (i) deposit a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurocurrency Loans with the Administrative Agent (which deposit must be equal in amount to the amount of such Eurocurrency Loans not immediately prepaid), to be held as security for the obligations of the Borrowers to make such prepayment pursuant to a cash collateral agreement to be entered into on terms reasonably satisfactory to the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) with such cash collateral to be directly applied upon the first occurrence thereafter of the last day of an Interest Period with respect to such Eurocurrency Loans (or such earlier date or dates as shall be requested by the Borrower Representative) or (ii) make a prepayment of Loans in accordance with Subsection 4.4(a) with an amount equal to a portion (up to 100.0%) of the amounts that otherwise would have been paid in respect of such Eurocurrency Loans (which prepayment, together with any deposits pursuant to clause (i) above, must be equal in amount to the amount of such Eurocurrency Loans not immediately prepaid); provided that, in the case of either clause (i) or (ii) above, such unpaid Eurocurrency Loans shall continue to bear interest in accordance with Subsection 4.1 until such unpaid Eurocurrency Loans or the related portion of such Eurocurrency Loans, as the case may be, have or has been prepaid. In addition, if the Borrower Representative determines in good faith that repatriating any amounts attributable to Foreign Subsidiaries that are required to be applied to prepay Term Loans pursuant to Subsection 4.4(e)(i) or 4.4(e)(iii) (x) would result in material adverse tax consequences to Topco or any of its Subsidiaries (or at the election of Intermediate Holdings in connection with an initial public offering or other restructuring of Intermediate Holdings, any Parent Entity or IPO Vehicle, Intermediate Holdings or any of its Subsidiaries) or (y) (1) could reasonably be expected to be prohibited or delayed by or violate or conflict with applicable local law, (2) is restricted by applicable organizational documents or any agreement, (3) is subject to other organizational or administrative impediments from being repatriated to the United States or (4) conflicts with the fiduciary duties of the applicable directors, or results in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any applicable officer, director or manager, then, in each case the Borrowers shall not be required to prepay such amounts as required thereunder, and such amounts may be retained by the applicable Foreign Subsidiary; provided that, in the case of this clause (y), the Borrowers shall take commercially reasonable actions to cause the applicable Foreign Subsidiary to take all actions reasonably required by the applicable local law, the applicable organizational documents or agreements, the applicable organizational impediments or other impediment to permit repatriation of the proceeds subject to such prepayments.

(k) Subject to the Affected Tranche Requirement and the last proviso of the definition of "Required Lenders", this Subsection 4.4 may be amended (and the Lenders hereby irrevocably authorize the Administrative Agent to enter into any such amendments) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new classes or tranches of Term Loans added pursuant to Subsections 2.8 or 11.1(h), as applicable, or pursuant to any other credit facility added pursuant to Subsection 2.8 or 11.1(e).

(l) Notwithstanding anything in any Loan Document to the contrary, so long as no Event of Default under Subsection 9.1(a) or Subsection 9.1 (f) has occurred and is continuing, the Borrowers may prepay the outstanding Term Loans on the following basis:

(i) The Borrowers shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, a Borrower Solicitation of Discount Range Prepayment Offers, or a Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Subsection 4.4(l); provided that the Borrowers shall cause any such optional prepayment to be pro rata with the Senior Secured Notes in accordance with the Pari Passu Intercreditor Agreement (except as provided in Subsection 4.4(h)); provided, further the Borrower Representative shall not initiate any action under this Subsection 4.4(l) in order to make a Discounted Term Loan Prepayment unless (1) at least ten Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment as a result of a prepayment made by any Borrower on the applicable Discounted Prepayment Effective Date or (2) at least three Business Days shall have passed since the date the Borrower Representative was notified that no Lender was willing to accept any prepayment of any Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower Representative's election not to accept any Solicited Discounted Prepayment Offers made by a Lender. Each Lender participating in any Discounted Term Loan Prepayment acknowledges and agrees that in connection with such Discounted Term Loan Prepayment, (1) the Borrowers then may have, and later may come into possession of, information regarding the Term Loans or the Loan Parties hereunder that is not known to such Lender and that may be material to a decision by such Lender to participate in such Discounted Term Loan Prepayment ("Excluded Information"), (2) such Lender has independently and, without reliance on any Parent Entity, Intermediate Holdings, any of its Subsidiaries, the Administrative Agent or any of their respective Affiliates, has made its own analysis and determination to participate in such Discounted Term Loan Prepayment notwithstanding such Lender's lack of knowledge of the Excluded Information and (3) none of the Parent Entities, Intermediate Holdings, its Subsidiaries, the Administrative Agent, or any of their respective Affiliates shall have any liability to such Lender, and such Lender hereby waives and releases, to the extent permitted by law, any claims such Lender may have against any Parent Entity, Intermediate Holdings, its Subsidiaries, the Administrative Agent, and their respective Affiliates, under applicable laws or otherwise, with respect to the nondisclosure of the Excluded Information. Each Lender participating in any Discounted Term Loan Prepayment further acknowledges that the Excluded Information may not be available to the Administrative Agent or the Lenders. Any Term Loans prepaid pursuant to this Subsection 4.4(l) shall be immediately and automatically cancelled.

(ii) Borrower Offer of Specified Discount Prepayment. (1) The Borrower Representative may from time to time offer to make a Discounted Term Loan Prepayment by providing the Administrative Agent with three Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower Representative, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such offer shall specify the aggregate Outstanding Amount offered to be prepaid (the "Specified Discount Prepayment Amount"), the Tranches of Term Loans subject to such offer and the specific percentage discount to par value (the "Specified Discount") of the Outstanding Amount of such Term Loans to be prepaid, (III) the Specified Discount Prepayment Amount shall be in an aggregate principal amount not less than $5,000,000 and whole increments of $500,000 in excess thereof, or, in the case of Loans denominated in Euro, €5,000,000 and whole increments of €500,000 in excess thereof, and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Administrative Agent (or its delegate) will promptly provide each relevant Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Lenders (the "Specified Discount Prepayment Response Date").

(2) Each relevant Lender receiving such offer shall notify the Administrative Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Lender, a "Discount Prepayment Accepting Lender"), the amount of such Lender's Outstanding Amount and Tranches of Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Lender whose Specified Discount Prepayment Response is not received by the Administrative Agent (or its delegate) by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept such Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrowers will make prepayment of outstanding Term Loans pursuant to this Subsection 4.4(l)(ii) to each Discount Prepayment Accepting Lender in accordance with the respective Outstanding Amount and Tranches of Term Loans specified in such Lender's Specified Discount Prepayment Response given pursuant to the foregoing clause (2); provided that, if the aggregate Outstanding Amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro rata among the Discount Prepayment Accepting Lenders in accordance with the respective Outstanding Amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Administrative Agent (or its delegate) (in consultation with the Borrower Representative and subject to rounding requirements of the Administrative Agent (or its delegate) made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Administrative Agent (or its delegate) shall promptly, and in any case within three Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower Representative of the respective Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (II) each Lender of the Discounted Prepayment Effective Date, and the aggregate Outstanding Amount and the Tranches of all Term Loans to be prepaid at the Specified Discount on such date, and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the Outstanding Amount, Tranche and Type of Term Loans of such Lender to be prepaid at the Specified Discount on such date. Each determination by the Administrative Agent (or its delegate) of the amounts stated in the foregoing notices to the Borrower Representative and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower Representative shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with Subsection 4.4(l)(vi) below (subject to Subsection 4.4(l)(x) below).

(iii) Borrower Solicitation of Discount Range Prepayment Offers. (1) The Borrower Representative may from time to time solicit Discount Range Prepayment Offers by providing the Administrative Agent (or its delegate) with three Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower Representative, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the relevant Term Loans that the Borrowers are willing to prepay at a discount (the "Discount Range Prepayment Amount"), the Tranches of Term Loans subject to such offer and the maximum and minimum

percentage discounts to par (the "Discount Range") of the Outstanding Amount of such Term Loans willing to be prepaid by the Borrowers, (III) the Discount Range Prepayment Amount shall be in an aggregate principal amount not less than $5,000,000 and whole increments of $500,000 in excess thereof, or, in the case of Loans denominated in Euro, €5,000,000 and whole increments of €500,000 in excess thereof, and (IV) each such solicitation by the Borrower Representative shall remain outstanding through the Discount Range Prepayment Response Date. The Administrative Agent (or its delegate) will promptly provide each relevant Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Lenders(the "Discount Range Prepayment Response Date"). Each relevant Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Lender is willing to allow prepayment of any or all of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans such Lender is willing to have prepaid at the Submitted Discount (the "Submitted Amount"). Any Lender whose Discount Range Prepayment Offer is not received by the Administrative Agent (or its delegate) by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Administrative Agent (or its delegate) shall review all Discount Range Prepayment Offers received by it by the Discount Range Prepayment Response Date and will determine (in consultation with the Borrower Representative and subject to rounding requirements of the Administrative Agent (or its delegate) made in its reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this Subsection 4.4(l)(iii). The Borrowers agree to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by the Administrative Agent (or its delegate) by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par being referred to as the "Applicable Discount") which yields a Discounted Term Loan Prepayment in an aggregate Outstanding Amount equal to the lesser of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following Subsection 4.4(l)(iii)(3)) at the Applicable Discount (each such Lender, a "Participating Lender").

(3) If there is at least one Participating Lender, the Borrowers will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the Outstanding Amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the "Identified Participating Lenders") shall be made pro rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and

the Administrative Agent (or its delegate) (in consultation with the Borrower Representative and subject to rounding requirements of the Administrative Agent (or its delegate) made in its reasonable discretion) will calculate such proration (the "Discount Range Proration"). The Administrative Agent (or its delegate) shall promptly, and in any case within three Business Days following the Discount Range Prepayment Response Date, notify (w) the Borrower Representative of the respective Lenders' responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount of the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate Outstanding Amount and Tranches of all Term Loans to be prepaid at the Applicable Discount on such date, (y) each Participating Lender of the aggregate Outstanding Amount and Tranches of such Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Administrative Agent (or its delegate) of the amounts stated in the foregoing notices to the Borrower Representative and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower Representative shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with Subsection 4.4(l)(vi) below (subject to Subsection 4.4(l)(x) below).

(iv) Borrower Solicitation of Discounted Prepayment Offers. (1) The Borrower Representative may from time to time solicit Solicited Discounted Prepayment Offers by providing the Administrative Agent (or its delegate) with three Business Days' notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower Representative, to each Lender or to each Lender with respect to any Tranche on an individual Tranche basis, (II) any such notice shall specify the maximum aggregate Outstanding Amount of the Term Loans and the Tranches of Term Loans the Borrowers are willing to prepay at a discount (the "Solicited Discounted Prepayment Amount"), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate principal amount not less than $5,000,000 and whole increments of $500,000 in excess thereof, or, in the case of Loans denominated in Euro, €5,000,000 and whole increments of €500,000 in excess thereof, and (IV) each such solicitation by the Borrower Representative shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Administrative Agent (or its delegate) will promptly provide each relevant Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Lender to the Administrative Agent (or its delegate) by no later than 5:00 P.M., New York City time on the third Business Day after the date of delivery of such notice to the relevant Lenders (the "Solicited Discounted Prepayment Response Date"). Each Lender's Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain outstanding until the Acceptance Date and (z) specify both a discount to par (the "Offered Discount") at which such Lender is willing to allow prepayment of its then outstanding Term Loans and the maximum aggregate Outstanding Amount and Tranches of such Term Loans (the "Offered Amount") such Lender is willing to have prepaid at the Offered Discount. Any Lender whose Solicited Discounted Prepayment Offer is not received by the Administrative Agent (or its delegate) by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount to their par value.

(2) The Administrative Agent (or its delegate) shall promptly provide the Borrower Representative with a copy of all Solicited Discounted Prepayment Offers received by it by the Solicited Discounted Prepayment Response Date. The Borrower Representative shall review all such Solicited Discounted Prepayment Offers and select, at

its sole discretion, the smallest of the Offered Discounts specified by the relevant responding Lenders in the Solicited Discounted Prepayment Offers that the Borrowers are willing to accept (the "Acceptable Discount"), if any; provided that the Acceptable Discount shall not be an Offered Discount that is larger than the smallest Offered Discount for which the sum of all Offered Amounts affiliated with Offered Discounts that are larger than or equal to such smallest Offered Discount would, if purchased at such smallest Offered Discount, yield an amount at least equal to the Solicited Discounted Prepayment Amount. If the Borrower Representative elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower Representative from the Administrative Agent (or its delegate) of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this clause (2) (the "Acceptance Date"), the Borrower Representative shall submit an Acceptance and Prepayment Notice to the Administrative Agent (or its delegate) setting forth the Acceptable Discount. If the Administrative Agent (or its delegate) shall fail to receive an Acceptance and Prepayment Notice from the Borrower Representative by the Acceptance Date, the Borrower Representative shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by the Administrative Agent (or its delegate) by the Solicited Discounted Prepayment Response Date, within three Business Days after receipt of an Acceptance and Prepayment Notice (the "Discounted Prepayment Determination Date"), the Administrative Agent (or its delegate) will determine (in consultation with the Borrower Representative and subject to rounding requirements of the Administrative Agent (or its delegate) made in its reasonable discretion) the aggregate Outstanding Amount and the Tranches of Term Loans (the "Acceptable Prepayment Amount") to be prepaid by the Borrowers at the Acceptable Discount in accordance with this Subsection 4.4(l)(iv). If the Borrower Representative elects to accept any Acceptable Discount, then the Borrowers agree to accept all Solicited Discounted Prepayment Offers received by the Administrative Agent (or its delegate) by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Lender that has submitted a Solicited Discounted Prepayment Offer to accept prepayment at an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required proration pursuant to the following sentence) at the Acceptable Discount (each such Lender, a "Qualifying Lender"). The Borrowers shall prepay outstanding Term Loans pursuant to this Subsection 4.4(l)(iv) to each Qualifying Lender in the aggregate Outstanding Amount and of the Tranches specified in such Lender's Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the Outstanding Amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the "Identified Qualifying Lenders") shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Administrative Agent (or its delegate) (in consultation with the Borrower Representative and subject to rounding requirements of the Administrative Agent (or its delegate) made in its reasonable discretion) will calculate such proration (the "Solicited Discount Proration"). On or prior

to the Discounted Prepayment Determination Date, the Administrative Agent (or its delegate) shall promptly notify (w) the Borrower Representative of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Tranches to be prepaid, (x) each Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Tranches to be prepaid at the Applicable Discount on such date, (y) each Qualifying Lender of the aggregate Outstanding Amount and the Tranches of such Lender to be prepaid at the Acceptable Discount on such date, and (z) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Administrative Agent (or its delegate) of the amounts stated in the foregoing notices to the Borrower Representative and Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower Representative shall be due and payable by the Borrowers on the Discounted Prepayment Effective Date in accordance with Subsection 4.4(l)(vi) below (subject to Subsection 4.4(l)(x) below).

(v) Expenses. In connection with any Discounted Term Loan Prepayment, the Borrowers and the Lenders acknowledge and agree that the Administrative Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of reasonable out-of-pocket costs and expenses from the Borrowers in connection therewith.

(vi) Payment. If any Term Loan is prepaid in accordance with Subsections 4.4(l)(ii) through (iv) above, the Borrowers shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrowers shall make such prepayment to the Administrative Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's office specified in Subsection 11.2 in immediately available funds not later than 11:00 A.M., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the Term Loans in inverse order of maturity. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Subsection 4.4(l) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate Outstanding Amount of the Tranches of the Term Loans outstanding shall be deemed reduced by the full par value of the aggregate Outstanding Amount of the Tranches of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment. The Lenders hereby agree that, in connection with a prepayment of Term Loans pursuant to this Subsection 4.4(l) and notwithstanding anything to the contrary contained in this Agreement, (i) interest in respect of the Term Loans may be made on a non-pro rata basis among the Lenders holding such Term Loans to reflect the payment of accrued interest to certain Lenders as provided in this Subsection 4.4(l)(vi) and (ii) all subsequent prepayments and repayments of the Term Loans (except as otherwise contemplated by this Agreement) shall be made on a pro rata basis among the respective Lenders based upon the then outstanding principal amounts of the Term Loans then held by the respective Lenders after giving effect to any prepayment pursuant to this Subsection 4.4(l) as if made at par. It is also understood and agreed that prepayments pursuant to this Subsection 4.4(l) shall not be subject to Subsection 4.4(a), or, for the avoidance of doubt, Subsection 11.7(a) or the pro rata allocation requirements of Subsection 4.8(a).

(vii) Other Procedures. To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Subsection 4.4(l), established by the Administrative Agent acting in its reasonable discretion and as reasonably agreed by the Borrower Representative.

(viii) Notice. Notwithstanding anything in any Loan Document to the contrary, for purposes of this Subsection 4.4(l), each notice or other communication required to be delivered or otherwise provided to the Administrative Agent (or its delegate) shall be deemed to have been given upon the Administrative Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(ix) Actions of Administrative Agent. Each of the Borrowers and the Lenders acknowledges and agrees that the Administrative Agent may perform any and all of its duties under this Subsection 4.4(l) by itself or through any Affiliate or other delegate of the Administrative Agent and expressly consents to any such delegation of duties by the Administrative Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions in this Agreement shall apply to each Affiliate or other delegate of the Administrative Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Subsection 4.4(l) as well as to activities of the Administrative Agent in connection with any Discounted Term Loan Prepayment provided for in this Subsection 4.4(l).

(x) Revocation. The Borrower Representative shall have the right, by written notice to the Administrative Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is so revoked, any failure by the Borrowers to make any prepayment to a Lender pursuant to this Subsection 4.4(l) shall not constitute a Default or Event of Default under Subsection 9.1 or otherwise).

(xi) No Obligation. This Subsection 4.4(l) shall not (i) require the Borrowers to undertake any prepayment pursuant to this Subsection 4.4(l) or (ii) limit or restrict the Borrowers from making voluntary prepayments of the Term Loans in accordance with the other provisions of this Agreement.

4.5 Administrative Agent's Fee; Other Fees. (a) The Borrowers agree to pay to the Administrative Agent the fees set forth in the Administrative Agent Fee Letter.

(b) If prior to the thirty six-month anniversary of the Closing Date any Borrower makes an optional prepayment or mandatory prepayment (including as a result of an acceleration pursuant to Subsection 9.2(a)) of all or a portion of the Initial Term Loans, the Borrowers shall pay to the Administrative Agent, for the ratable account of each Lender, a prepayment premium equal to the Applicable Premium then in effect multiplied by the aggregate principal amount of Initial Term Loans being prepaid; provided the Borrower shall not be required to pay any prepayment premium for a prepayment of all of the Initial Term Loans made on or before the date that is thirty days following the Closing Date to the extent such prepayment is made with the proceeds of Indebtedness that is Incurred to refinance the Initial Term Loans. If the Loans are accelerated or otherwise become due prior to their maturity date, in each case, as a result of an Event of Default (including upon the occurrence of an Event of Default pursuant to Section 9.1(f)) and/or any acceleration of claims by operation of law), the amount of principal of and premium on the Loans that becomes due and payable shall equal 100% of the principal amount of the Loans then outstanding plus the Applicable Premium in effect on the date of such acceleration or such other prior due date, as if such acceleration or other occurrence were a voluntary prepayment of the Loans accelerated or otherwise becoming due.

(c) Any Applicable Premium payable in accordance with this Subsection 4.5 shall be presumed to be equal to the liquidated damages sustained by the Lenders as the result of the occurrence of

the optional prepayment or mandatory prepayment of all or a portion of the Initial Term Loans and the Loan Parties agree that it is reasonable under the circumstances currently existing. Without limiting the generality of the foregoing, it is understood and agreed that if the Loans are accelerated or otherwise become due prior to their maturity date, in each case, in respect of any Event of Default (including upon the occurrence of an Event of Default pursuant to Subsection 9.1(f)) and/or the acceleration of claims by operation of law), the Applicable Premium applicable with respect to a voluntary prepayment of the Loans will also be due and payable on the date of such acceleration or such other prior due date as though the Loans were voluntarily prepaid as of such date and shall constitute part of the Cash Flow Facilities Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each Lender's loss as a result thereof. Any premium payable above shall be presumed to be the liquidated damages sustained by each Lender and Intermediate Holdings agrees that it is reasonable under the circumstances currently existing. THE LOAN PARTIES EXPRESSLY WAIVE (TO THE FULLEST EXTENT THEY MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING APPLICABLE PREMIUM IN CONNECTION WITH ANY ACCELERATION.

(d) The Loan Parties expressly agree that:

(i) the Applicable Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel;

(ii) the Applicable Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made;

(iii) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Applicable Premium;

(iv) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph;

(v) their agreement to pay the Applicable Premium is a material inducement to Lenders to provide the Commitments and make the Loans,

(vi) the Applicable Premium represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Agents and the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Agents and the Lenders or profits lost by the Agents and the Lenders as a result of any occurrence requiring payment of the Applicable Premium in accordance with this Subsection 4.5;

(vii) the Applicable Premium shall also become due and payable under this Agreement in the event the Cash Flow Facilities Obligations (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding, deed in lieu of foreclosure or by any other means) or the Cash Flow Facilities Obligations are reinstated pursuant to any Debtor Relief Laws, including Section 1124 or any other provision of the Bankruptcy Code; and

(viii) in the event the Applicable Premium is determined not to be due and payable by the Loan Parties by order of any court of competent jurisdiction, including by operation of the Bankruptcy Code, the Applicable Premium shall nonetheless constitute Cash Flow Facilities Obligations under this Agreement for all other purposes hereunder.

4.6 Computation of Interest and Fees. (a) Interest (other than interest based on the Prime Rate) shall be calculated on the basis of a 360-day year for the actual days elapsed; and interest based on the Prime Rate shall be calculated on the basis of a 365-day year (or 366-day year, as the case may be) for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower Representative and the affected Lenders of each determination of a Term SOFR Rate and a Eurocurrency Rate. Any change in the interest rate on a Loan resulting from a change in the Alternate Base Rate shall become effective as of the opening of business on the day on which such change becomes effective. The Administrative Agent shall as soon as practicable notify the Borrower Representative and the affected Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be conclusive and binding on each of the Borrowers and the Lenders in the absence of manifest error. The Administrative Agent shall, at the request of the Borrower Representative or any Lender, deliver to the Borrower Representative or such Lender a statement showing in reasonable detail the calculations used by the Administrative Agent in determining any interest rate pursuant to Subsection 4.1, excluding any ABR Loan which is based upon the Alternate Base Rate.

4.7 Inability to Determine Interest Rate.

(a) If, prior to the first day of any Interest Period (and, in the case of a Daily Simple SOFR Rate Loan, during the period that such Loan is outstanding), the Administrative Agent shall have determined (acting at the Direction of the Required Lenders as a Loan-Only Majority) (which determination shall be conclusive and binding upon each of the Borrowers) that, by reason of circumstances affecting the relevant market, adequate and reasonable means do not exist for ascertaining the Eurocurrency Rate with respect to any Eurocurrency Loan (the "Affected Eurocurrency Rate, the Term SOFR Rate with respect to any Term SOFR Rate Loan for such interest period (the "Affected Term SOFR Rate") or the Daily Simple SOFR Rate with respect to any Daily Simple SOFR Rate Loan for such interest period (the "Affected Daily Simple SOFR Rate"), the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) shall give facsimile or telephonic notice thereof to the Borrower Representative and the Lenders as soon as practicable thereafter. If such notice is given, (a) any Term SOFR Rate Loans the rate of interest applicable to which is based on the Affected Term SOFR Rate requested to be made on the first day of such Interest Period shall be made as ABR Loans and any Daily Simple SOFR Rate Loans the rate of interest applicable to which is based on the Affected Daily Simple SOFR Rate shall be made as ABR Loans, (b) [reserved], (c) any Eurocurrency Loans to be made in a Designated Foreign Currency the rate of interest applicable to which is based on the Affected Eurocurrency Rate requested to be made on the first day of such Interest Period shall be made as Central Bank Rate Loans in the applicable Designated Foreign Currency, (d) [reserved], (e) any Loans that were to have been converted on the first day of such Interest Period to or continued as Term SOFR Rate Loans the rate of interest applicable to which is based upon the Affected Term SOFR Rate shall be converted to or continued as ABR Loans and any Loans that were to have been converted to Daily Simple SOFR Rate Loans the rate of interest applicable to which is based upon the Affected Daily Simple SOFR Rate shall be converted to ABR Loans, (f) [reserved], (g) any Eurocurrency Loans in a Designated Foreign Currency that were to have been continued as Eurocurrency Loans in a Designated Foreign Currency the rate of interest applicable to which is based upon the Affected Eurocurrency Rate shall be converted to or continued as Central Bank Loans in the applicable Designated Foreign Currency and (h) [reserved]. Until such notice has been withdrawn by the Administrative Agent, no further Daily Simple SOFR Rate Loans, Term SOFR Rate Loans or Eurocurrency Loans the rate of interest applicable to which is based upon the Affected Daily Simple SOFR Rate, Affected Term SOFR Rate or Affected Eurocurrency Rate shall be made or continued as such, nor shall the Borrower Representative have the right to convert ABR Loans to Daily Simple SOFR Rate Loans, Term SOFR Rate

Loans or Eurocurrency Loans, the rate of interest applicable to which is based upon the applicable Affected Daily Simple SOFR Rate, Affected Term SOFR Rate or Affected Eurocurrency Rate.

(b) In connection with the use, implementation or administration of Term SOFR Rate or SOFR, the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) will have the right to make the Benchmark Replacement Conforming Changes from time to time with the consent of the Borrower Representative and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments adopting or implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower Representative and the Lenders of the effectiveness of any Benchmark Replacement Conforming Changes.

4.8 Pro Rata Treatment and Payments.

(a) Except as expressly otherwise provided herein, each payment (including each prepayment, but excluding payments made pursuant to Subsection 2.8, 4.5(b), 4.9, 4.10, 4.11, 4.12, 4.13(d), 4.14, 11.1(g) or 11.6) by a Borrower on account of principal of and interest on account of any Loans of a given Tranche (other than (v) payments in respect of any difference in the Applicable Margin, Term SOFR Rate, Eurocurrency Rate or Alternate Base Rate in respect of any Tranche, (w) any payments pursuant to Subsection 4.4(e) to the extent declined by any Lender in accordance with Subsection 4.4(h), (x) any payments pursuant to Subsection 4.4(l) which shall be allocated as set forth in Subsection 4.4(l), (y) any prepayments pursuant to Subsection 11.6(h)(i)(2) and (z) any payment in the form of a Post-Closing Exchange) shall be allocated by the Administrative Agent pro rata according to the respective outstanding principal amounts of such Loans of such Tranche then held by the respective Lenders; provided that a Lender may, at its option, and if agreed by the Borrower Representative, exchange such Lender's portion of a Term Loan to be prepaid for Rollover Indebtedness, in lieu of such Lender's pro rata portion of such prepayment, pursuant to the last sentence of Subsection 4.4(g). All payments (including prepayments) to be made by a Borrower hereunder, whether on account of principal, interest, fees or otherwise, shall be made without set-off or counterclaim and shall be made on or prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 P.M., New York City time), on the due date thereof to the Administrative Agent for the account of the Lenders holding the relevant Loans, the Lenders, the Administrative Agent, as the case may be, at the Administrative Agent's office specified in Subsection 11.2, in Dollars or, in the case of Loans outstanding in any Designated Foreign Currency, such Designated Foreign Currency and, whether in Dollars or any Designated Foreign Currency, in immediately available funds. Payments received by the Administrative Agent after such time shall be deemed to have been received on the next Business Day. The Administrative Agent shall distribute such payments to such Lenders, as the case may be, if any such payment is received (i) in the case of payments received in Dollars, prior to 2:00 P.M., New York City time, on a Business Day, and (ii) in the case of payments received in any Designated Foreign Currency, prior to 7:00 A.M., New York City time, on a Business Day, in each case, in like funds as received prior to the end of such Business Day and otherwise the Administrative Agent shall distribute such payment to such Lenders, as the case may be, on the next succeeding Business Day. If any payment hereunder (other than payments on the Daily Simple SOFR Rate Loans, Term SOFR Rate Loans or Eurocurrency Loans) becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day, and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension. If any payment on a Daily Simple SOFR Rate Loan, Term SOFR Rate Loan or Eurocurrency Loan becomes due and payable on a day other than a Business Day, the maturity of such payment shall be extended to the next succeeding Business Day (and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension) unless the result of such extension would be to extend such payment into another calendar month, in which event such

payment shall be made on the immediately preceding Business Day. This Subsection 4.8(a) may be amended in accordance with Subsection 11.1(d) to the extent necessary to reflect differing amounts payable, and priorities of payments, to Lenders participating in any new Tranches added pursuant to Subsections 2.8 and 11.1(h), as applicable, or pursuant to any other credit or letter of credit facility added pursuant to Subsection 2.8 or 11.1(e).

(b) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may (but is under no obligation to), in reliance upon such assumption, make available to the applicable Borrower in respect of such borrowing a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon at a rate equal to (i) for amounts denominated in Dollars, the daily average Federal Funds Effective Rate, and (ii) for amounts denominated in a Designated Foreign Currency, the rate customary in such Designated Foreign Currency for settlement of similar interbank obligations as determined by the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority), in each case for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Subsection 4.8(b) shall be conclusive in the absence of manifest error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days of such Borrowing Date, (x) the Administrative Agent shall notify the Borrower Representative of the failure of such Lender to make such amount available to the Administrative Agent and the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to ABR Loans hereunder on demand from the Borrowers; provided that the foregoing notice and recovery provisions shall not apply to the funding of Initial Term Loans on the Closing Date and (y) then any Borrower may, without waiving or limiting any rights or remedies it may have against such Lender hereunder or under applicable law or otherwise, borrow a like amount on an unsecured basis from any commercial bank for a period ending on the date upon which such Lender does in fact make such borrowing available.

4.9 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof in each case occurring after the Closing Date shall make it unlawful for any Lender to make or maintain any Daily Simple SOFR Rate Loans, Term SOFR Rate Loans or Eurocurrency Loans as contemplated by this Agreement ("Affected Loans"), (a) such Lender shall promptly give written notice of such circumstances to the Borrower Representative and the Administrative Agent (which notice shall be withdrawn whenever such circumstances no longer exist), (b) the commitment of such Lender hereunder to make Affected Loans, continue Affected Loans as such and convert an ABR Loan to an Affected Loan shall forthwith be cancelled and, until such time as it shall no longer be unlawful for such Lender to make or maintain such Affected Loans, such Lender shall then have a commitment only to make an ABR Loan, as applicable, when an Affected Loan is requested, (c) such Lender's Loans then outstanding as Affected Loans, if any, shall be converted automatically to ABR Loans, as applicable, on the respective last days of the then current Interest Periods with respect to such Affected Loans or within such earlier period as required by law and (d) such Lender's then outstanding Affected Loans, if any, not converted to ABR Loans pursuant to clause (c) of this Subsection 4.9 shall, at the option of the Borrower Representative (i) be prepaid with accrued interest thereon on the last day of the then current Interest Period with respect thereto (or such earlier date as may be required by any such Requirement of Law) or (ii) bear interest at an alternate rate which reflects such Lender's cost of funding such Loans (which rate, if less than zero, shall be deemed zero for purposes of this Agreement), as reasonably determined by the Administrative Agent (acting at the Direction of the Required

Lenders as a Loan-Only Majority), plus the Applicable Margin hereunder. If any such conversion or prepayment of an Affected Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrowers shall pay to such Lender such amounts, if any, as may be required pursuant to Subsection 4.12.

4.10 Requirements of Law. (a) If the adoption of or any change in any Requirement of Law or in the interpretation or application thereof applicable to any Lender, or compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority, in each case made subsequent to the Closing Date (or, if later, the date on which such Lender becomes a Lender):

(i) shall subject such Lender to any Tax of any kind whatsoever with respect to any Term SOFR Rate Loans or Eurocurrency Loans made or maintained by it or its obligation to make or maintain Term SOFR Rate Loans or Eurocurrency Loans, or change the basis of taxation of payments to such Lender in respect thereof, in each case, except for Non-Excluded Taxes and Excluded Taxes;

(ii) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by, any office of such Lender which is not otherwise included in the determination of the applicable Eurocurrency Rate, hereunder; or

(iii) shall impose on such Lender any other condition (excluding any Tax of any kind whatsoever);

and the result of any of the foregoing is to increase the cost to such Lender, by an amount which such Lender deems to be material, of making, converting into, continuing or maintaining Term SOFR Rate Loans or Eurocurrency Loans or to reduce any amount receivable hereunder in respect thereof, then, in any such case, upon notice to the Borrower Representative from such Lender, through the Administrative Agent in accordance herewith, the Borrowers shall promptly pay such Lender, upon its demand, any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable with respect to such Term SOFR Rate Loans or Eurocurrency Loans; provided that, in any such case, the Borrower Representative may elect to convert the Term SOFR Rate Loans made by such Lender hereunder to ABR Loans, as applicable, by giving the Administrative Agent at least one Business Day's notice of such election, in which case the Borrowers shall promptly pay to such Lender, upon demand, without duplication, amounts theretofore required to be paid to such Lender pursuant to this Subsection 4.10(a) and such amounts, if any, as may be required pursuant to Subsection 4.12. If any Lender becomes entitled to claim any additional amounts pursuant to this Subsection 4.10(a), it shall provide prompt notice thereof to the Borrower Representative, through the Administrative Agent, certifying (x) that one of the events described in this clause (a) has occurred and describing in reasonable detail the nature of such event, (y) as to the increased cost or reduced amount resulting from such event and (z) as to the additional amount demanded by such Lender and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any additional amounts payable pursuant to this Subsection 4.10(a) submitted by such Lender, through the Administrative Agent, to the Borrower Representative shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Subsection 4.10(a), the Borrowers shall not be required to compensate a Lender pursuant to this Subsection 4.10(a) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower Representative of such Lender's intention to claim compensation therefor or (ii) for any amounts, if such Lender is applying this provision to the Borrowers in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other syndicated credit agreements to similarly situated borrowers. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(b) If any Lender shall have determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital adequacy or liquidity (whether or not having the force of law) from any Governmental Authority, in each case, made subsequent to the Closing Date, does or shall have the effect of reducing the rate of return on such Lender's or such corporation's capital as a consequence of such Lender's obligations hereunder to a level below that which such Lender or such corporation could have achieved but for such change or compliance (taking into consideration such Lender's or such corporation's policies with respect to capital adequacy or liquidity) by an amount deemed by such Lender to be material, then from time to time, within ten Business Days after submission by such Lender to the Borrower Representative (through the Administrative Agent) of a written request therefor certifying (x) that one of the events described in this clause (b) has occurred and describing in reasonable detail the nature of such event, (y) as to the reduction of the rate of return on capital resulting from such event and (z) as to the additional amount or amounts demanded by such Lender or corporation and a reasonably detailed explanation of the calculation thereof, the Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or corporation for such reduction. Such a certificate as to any additional amounts payable pursuant to this Subsection 4.10(b) submitted by such Lender, through the Administrative Agent, to the Borrower Representative shall be conclusive in the absence of manifest error. Notwithstanding anything to the contrary in this Subsection 4.10(b), the Borrowers shall not be required to compensate a Lender pursuant to this Subsection 4.10(b) (i) for any amounts incurred more than six months prior to the date that such Lender notifies the Borrower Representative of such Lender's intention to claim compensation therefor or (ii) for any amounts, if such Lender is applying this provision to the Borrowers in a manner that is inconsistent with its application of "increased cost" or other similar provisions under other syndicated credit agreements to similarly situated borrowers. This covenant shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(c) Notwithstanding anything herein to the contrary, the Dodd-Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith, and all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, in each case shall be deemed to have been enacted, adopted or issued, as applicable, subsequent to the Closing Date for all purposes herein.

4.11 Taxes. (a) Except as provided below in this Subsection 4.11 or as required by law (which for purposes of this Subsection 4.11 shall include FATCA), all payments made by the Borrowers or the Agents under this Agreement and any Notes shall be made free and clear of, and without deduction or withholding for or on account of any Taxes; provided that if any Non-Excluded Taxes are required to be withheld from any amounts payable by any Borrower to any Agent or any Lender hereunder or under any Notes, the amounts so payable by such Borrower shall be increased to the extent necessary to yield to such Agent or such Lender (after payment of all Non-Excluded Taxes) interest or any such other amounts payable hereunder equal to the sum it would have received had no such deduction or withholding for Non-Excluded Taxes been made; provided, however, that the Borrowers shall be entitled to deduct and withhold, and the Borrowers shall not be required to indemnify for, any Non-Excluded Taxes, and any such amounts payable by any Borrower to or for the account of any Agent or Lender shall not be increased (x) if such Agent or Lender fails to comply with the requirements of clause (b), (c), (d) or (e) of this Subsection 4.11, or (y) with respect to any Non-Excluded Taxes imposed in connection with the payment of any fees paid under this Agreement unless such Non-Excluded Taxes are imposed as a result of a Change in Law, or (z) with respect to any Non-Excluded Taxes imposed by the United States, unless such Non-Excluded Taxes are imposed as a result of a change in treaty, law or regulation that occurred after such Agent became an Agent hereunder

or such Lender became a Lender hereunder (any such change, at such time, a "Change in Law"). Whenever any Non-Excluded Taxes are payable by any Borrower, as promptly as possible thereafter the Borrower Representative shall send to the Administrative Agent for its own account or for the account of the respective Lender or Agent, as the case may be, a certified copy of an original official receipt received by such Borrower showing payment thereof. If any Borrower fails to pay any Non-Excluded Taxes when due to the appropriate Governmental Authority in accordance with applicable law or the Borrower Representative fails to remit to the Administrative Agent the required receipts or other required documentary evidence, such Borrower or the Borrower Representative, as applicable, shall indemnify the Administrative Agent, the Lenders and the Agents for any incremental Taxes, interest or penalties that may become payable by the Administrative Agent or any Lender as a result of any such failure. The agreements in this Subsection 4.11 shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

(b) Each Agent and each Lender that is not a United States Person shall to the extent legally entitled to do so:

(i) (1) on or before the date of any payment by any Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower Representative and the Administrative Agent (A) two accurate and complete copies of signed Internal Revenue Service Forms W-8BEN-E or W-8BEN (certifying that it is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country) or Forms W-8ECI, or successor applicable form, as the case may be, in each case certifying that it is entitled to receive all payments under this Agreement and any Notes without or at a reduced rate of deduction or withholding of any U.S. federal income taxes, and (B) such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from or reduction of United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower Representative and the Administrative Agent two further accurate and complete copies of signed forms or certifications provided in Subsection 4.11(b)(i)(1) on or before the date that any such form or certification expires or becomes obsolete and after the occurrence of any event requiring a change in the most recent form or certificate previously delivered by it to the Borrower Representative or promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to do so;

(3) [reserved]; and

(4) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower Representative, to the Borrower Representative and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Agent or such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (4), such Lender shall be entitled to consider the cost (to the extent unreimbursed by any Loan Party) which would be imposed on such Lender of complying with such request; or

(ii) in the case of any such Lender that is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code and is claiming the so-called "portfolio interest exemption",

(1) represent to the Borrowers and the Administrative Agent that it is not (A) a bank within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent

shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code;

(2) on or before the date of any payment by any Borrower under this Agreement or any Notes to, or for the account of, such Lender, deliver to the Borrower Representative and the Administrative Agent, (A) two certificates substantially in the form of Exhibit D-1 or D-2 hereto, as applicable (any such certificate a "U.S. Tax Compliance Certificate") and (B) two accurate and complete copies of signed Internal Revenue Service Forms W-8BEN-E or W-8BEN, or successor applicable form, certifying to such Lender's legal entitlement at the date of such form to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes and (C) such other forms, documentation or certifications, as the case may be certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes (and shall also deliver to the Borrower Representative and the Administrative Agent two further accurate and complete copies of signed forms or certificates on or before the date it expires or becomes obsolete and after the occurrence of any event requiring a change in the most recently provided form or certificate or promptly notify the Borrower Representative and the Administrative Agent in writing of its legal inability to do so); and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower Representative, to the Borrower Representative and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Lender to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that, in determining the reasonableness of a request under this clause (3), such Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrowers) which would be imposed on such Lender of complying with such request; or

(iii) in the case of any such Agent or Lender that is a non-U.S. intermediary or flow-through entity for U.S. federal income tax purposes,

(1) on or before the date of any payment by any Borrower under this Agreement or any Notes to, or for the account of, such Agent or Lender, deliver to the Borrower Representative and the Administrative Agent two accurate and complete copies of signed Internal Revenue Service Forms W-8IMY, or successor applicable form, and

(A) with respect to each beneficiary or member of such Agent or Lender that is not claiming the so-called "portfolio interest exemption", also deliver to the Borrower Representative and the Administrative Agent (I) two accurate and complete copies of signed Internal Revenue Service Forms W-8BEN-E or W-8BEN (certifying that such beneficiary or member is a resident of the applicable country within the meaning of the income tax treaty between the United States and that country), Forms W-8ECI, Forms W8-IMY and/or Forms W-9, or successor applicable form, as the case may be, in each case so that each such beneficiary or member is entitled to receive all payments under this Agreement and any Notes without deduction or withholding of any U.S. federal income taxes and (II) such other forms, documentation or certifications, as the case may be, certifying that each such beneficiary or member is entitled to an exemption from United States backup withholding tax with respect to all payments under this Agreement and any Notes; and

(B) with respect to each beneficiary or member of such Lender that is claiming the so-called "portfolio interest exemption", (I) represent to the Borrowers and the Administrative Agent that such beneficiary or member is not (1) a bank within the meaning of Section 881(c)(3)(A) of the Code, (2) a "10 percent shareholder" of any Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (3) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and (II) also deliver to the Borrower Representative and the Administrative Agent two U.S. Tax Compliance Certificates from each beneficiary or member and two accurate and complete copies of signed Internal Revenue Service Forms W-8BEN-E or W-8BEN, or successor applicable form, certifying to such beneficiary's or member's legal entitlement at the date of such certificate to an exemption from U.S. withholding tax under the provisions of Section 871(h) or Section 881(c) of the Code with respect to payments to be made under this Agreement and any Notes, and (III) also deliver to the Borrower Representative and the Administrative Agent such other forms, documentation or certifications, as the case may be, certifying that it is entitled to an exemption from United States backup withholding tax with respect to payments under this Agreement and any Notes;

(2) deliver to the Borrower Representative and the Administrative Agent two further accurate and complete copies of signed forms, certificates or certifications referred to above on or before the date any such form, certificate or certification expires or becomes obsolete, or any beneficiary or member changes, and after the occurrence of any event requiring a change in the most recently provided form, certificate or certification or promptly notify the Borrower Representative or the Administrative Agent in writing of its legal inability to do so; and

(3) deliver, to the extent legally entitled to do so, upon reasonable request by the Borrower Representative, to the Borrower Representative and the Administrative Agent such other forms as may be reasonably required in order to establish the legal entitlement of such Agent or Lender (or beneficiary or member) to an exemption from, or reduction of, withholding with respect to payments under this Agreement and any Notes, provided that in determining the reasonableness of a request under this clause (3) such Agent or Lender shall be entitled to consider the cost (to the extent unreimbursed by the Borrowers) which would be imposed on such Agent or Lender (or beneficiary or member) of complying with such request;

unless, in any such case (other than with respect to United States backup withholding tax), there has been a Change in Law which renders all such forms inapplicable or which would prevent such Agent or such Lender (or such beneficiary or member) from duly completing and delivering any such form with respect to it and such Agent or such Lender so advises the Borrower Representative and the Administrative Agent.

(c) Each Lender and each Agent, in each case that is a United States Person, shall, on or before the date of any payment by any Borrower under this Agreement or any Notes to such Lender or Agent, deliver to the Borrower Representative and the Administrative Agent two accurate and complete original signed Internal Revenue Service Forms W-9, or successor applicable form, certifying that such Lender or Agent is a United States Person and that such Lender or Agent is entitled to complete exemption from United States backup withholding tax.

(d) Notwithstanding the foregoing, if the Administrative Agent is not a United States Person, on or before the date of any payment by any Borrower under this Agreement or any Notes to the Administrative Agent, the Administrative Agent shall:

(i) deliver to the Borrower Representative (A) two accurate and complete copies of signed Internal Revenue Service Forms W-8ECI, or successor applicable form, with respect to any amounts payable to the Administrative Agent for its own account, (B) two accurate and complete copies of signed Internal Revenue Service Forms W-8IMY, or successor applicable form, with respect to any amounts payable to the Administrative Agent for the account of others, certifying that it is a "U.S. branch" and that the payments it receives for the account of others are not effectively connected with the conduct of its trade or business in the United States and that it is using such form as evidence of its agreement with the Borrowers to be treated as a U.S. person with respect to such payments (and the Borrowers and the Administrative Agent agree to so treat the Administrative Agent as a U.S. person with respect to such payments as contemplated by U.S. Treasury Regulation § 1.1441-1(b)(2)(iv)) or a qualified intermediary that has agreed to assume primary withholding obligations for Chapter 3 and Chapter 4 of the Code, as applicable and (C) such other forms or certifications as may be sufficient under applicable law to establish that the Administrative Agent is entitled to receive any payment by any Borrower under this Agreement or any Notes (whether for its own account or for the account of others) without deduction or withholding of any U.S. federal income taxes;

(ii) [reserved]; and

(iii) [reserved];

unless in any such case (other than with respect to United States backup withholding tax) there has been a Change in Law which renders all such forms inapplicable or which would prevent the Administrative Agent from duly completing and delivering any such form with respect to it and the Administrative Agent so advises the Borrower Representative.

(e) If a payment made to an Agent or a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Agent or such Lender were to fail to comply with the applicable reporting requirements of FATCA, such Agent or such Lender shall deliver to the Administrative Agent and the Borrower Representative, at the time or times prescribed by law and at such time or times reasonably requested by the Administrative Agent or the Borrower Representative, such documentation prescribed by applicable law and such additional documentation reasonably requested by the Administrative Agent or the Borrower Representative as may be necessary for the Administrative Agent and the Borrowers to comply with their respective obligations (including any applicable reporting requirements) under FATCA, to determine whether such Agent or such Lender has complied with such Agent's or such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. For the avoidance of doubt, the Borrowers and the Administrative Agent shall be permitted to withhold any Taxes imposed by FATCA.

4.12 Indemnity. The Borrowers agree, jointly and severally, to indemnify each Lender in respect of Extensions of Credit made, or requested to be made, to the Borrowers, and to hold each such Lender harmless from any loss or expense which such Lender may sustain or incur (other than through such Lender's bad faith, gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and nonappealable decision) as a consequence of (a) default by the Borrowers in making a borrowing of, conversion into or continuation of Term SOFR Rate Loans or Eurocurrency Loans after the Borrower Representative has given a notice requesting the same in accordance with the provisions of this Agreement, (b) default by the Borrowers in making any prepayment or conversion of Term SOFR Rate Loans or Eurocurrency Loans after the Borrower Representative has given a notice thereof in

accordance with the provisions of this Agreement or (c) the making of a payment or prepayment of Term SOFR Rate Loans or Eurocurrency Loans or the conversion of Term SOFR Rate Loans or Eurocurrency Loans on a day which is not the last day of an Interest Period with respect thereto. Such indemnification may include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so prepaid, or converted, or not so borrowed, converted or continued, for the period from the date of such prepayment or conversion or of such failure to borrow, convert or continue to the last day of the applicable Interest Period (or, in the case of a failure to borrow, convert or continue, the Interest Period that would have commenced on the date of such failure) in each case at the applicable rate of interest for such Term SOFR Rate Loans or Eurocurrency Loans provided for herein (excluding, however, the Applicable Margin included therein, if any) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the interbank eurodollar market. If any Lender becomes entitled to claim any amounts under the indemnity contained in this Subsection 4.12, it shall provide prompt notice thereof to the Borrower Representative, through the Administrative Agent, certifying (x) that one of the events described in clause (a), (b) or (c) above has occurred and describing in reasonable detail the nature of such event, (y) as to the loss or expense sustained or incurred by such Lender as a consequence thereof and (z) as to the amount for which such Lender seeks indemnification hereunder and a reasonably detailed explanation of the calculation thereof. Such a certificate as to any indemnification pursuant to this Subsection 4.12 submitted by such Lender, through the Administrative Agent, to the Borrower Representative shall be conclusive in the absence of manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within five Business Days after receipt thereof. This covenant shall survive the termination of this Agreement and the payment of the Term Loans and all other amounts payable hereunder.

4.13 Certain Rules Relating to the Payment of Additional Amounts. (a) Upon the request, and at the expense of each applicable Borrower, each Lender and Agent to which any Borrower is required to pay any additional amount pursuant to Subsection 4.10 or 4.11, and any Participant in respect of whose participation such payment is required, shall reasonably afford any Borrower the opportunity to contest, and reasonably cooperate with such Borrower in contesting, the imposition of any Non-Excluded Tax giving rise to such payment; provided that (i) such Lender or Agent shall not be required to afford any Borrower the opportunity to so contest unless such Borrower shall have confirmed in writing to such Lender or Agent its obligation to pay such amounts pursuant to this Agreement and (ii) the Borrowers shall reimburse such Lender or Agent for its reasonable attorneys' and accountants' fees and disbursements incurred in so cooperating with any Borrower in contesting the imposition of such Non-Excluded Tax; provided, however, that notwithstanding the foregoing no Lender or Agent shall be required to afford any Borrower the opportunity to contest, or cooperate with any Borrower in contesting, the imposition of any Non-Excluded Taxes, if such Lender or Agent in its reasonable discretion in good faith determines that to do so would have an adverse effect on it.

(b) If a Lender changes its applicable lending office (other than pursuant to clause (c) below) and the effect of such change, as of the date of such change, would be to cause any Borrower to become obligated to pay any additional amount under Subsection 4.10 or 4.11, such Borrower shall not be obligated to pay such additional amount.

(c) If a condition or an event occurs which would, or would upon the passage of time or giving of notice, result in the payment of any additional amount to any Lender or Agent by any Borrower pursuant to Subsection 4.10 or 4.11 or result in Affected Loans or commitments to make Affected Loans being automatically converted to ABR Loans or Loans bearing an alternate rate of interest or commitments to make ABR Loans or Loans bearing an alternate rate of interest, as the case may be, pursuant to Subsection 4.9, such Lender or Agent shall promptly notify the Borrower Representative and the Administrative Agent

and shall take such steps as may reasonably be available to it to mitigate the effects of such condition or event (which shall include efforts to rebook the Loans and Commitments held by such Lender at another lending office, or through another branch or an affiliate, of such Lender); provided that such Lender or Agent shall not be required to take any step that, in its reasonable judgment, would be materially disadvantageous to its business or operations or would require it to incur additional costs (unless the Borrowers agree to reimburse such Lender or Agent for the reasonable incremental out-of-pocket costs thereof).

(d) If any Borrower shall become obligated to pay additional amounts pursuant to Subsection 4.10 or 4.11 and any affected Lender shall not have promptly taken steps necessary to avoid the need for payments under Subsection 4.10 or 4.11 or if Affected Loans or commitments to make Affected Loans are automatically converted to ABR Loans or Loans bearing an alternate rate of interest or commitments to make ABR Loans or Loans bearing an alternate rate of interest, as the case may be, under Subsection 4.9 and any affected Lender shall not have promptly taken steps necessary to avoid the need for such conversion under Subsection 4.9, the Borrower Representative shall have the right, for so long as such obligation remains, (i) with the assistance of the Administrative Agent to seek one or more substitute Lenders reasonably satisfactory to the Administrative Agent and the Borrower Representative, to purchase the affected Loan or Commitment, in whole or in part, at an aggregate price no less than such Loan's or Commitment's principal amount plus accrued interest, and assume the affected obligations under this Agreement, or (ii) so long as no Event of Default under Subsection 9.1(a) or (f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent to prepay the affected Loan, in whole or in part, subject to Subsection 4.12, without premium or penalty. In the case of the substitution of a Lender, then, the Borrower Representative, the Administrative Agent, the affected Lender, and any substitute Lender shall execute and deliver an appropriately completed Assignment and Acceptance pursuant to Subsection 11.6(b) to effect the assignment of rights to, and the assumption of obligations by, the substitute Lender; provided that any fees required to be paid by Subsection 11.6(b) in connection with such assignment shall be paid by the Borrowers or the substitute Lender. In the case of a prepayment of an affected Loan, the amount specified in the notice shall be due and payable on the date specified therein, together with any accrued interest to such date on the amount prepaid. In the case of each of the substitution of a Lender and of the prepayment of an affected Loan, the Borrowers shall first pay the affected Lender any additional amounts owing under Subsections 4.10 and 4.11 (as well as any commitment fees and other amounts then due and owing to such Lender, including any amounts under this Subsection 4.13) prior to such substitution or prepayment. In the case of the substitution of a Lender pursuant to this Subsection 4.13(d), if the Lender being replaced does not execute and deliver to the Administrative Agent a duly completed Assignment and Acceptance and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the assignee Lender executes and delivers such Assignment and Acceptance and/or such other documentation and (b) the date as of which all obligations of the Borrowers owing to such replaced Lender relating to the Loans and participations so assigned shall be paid in full by the assignee Lender and/or the Borrowers to such Lender being replaced, then the Lender being replaced shall be deemed to have executed and delivered such Assignment and Acceptance and/or such other documentation as of such date and the Borrower Representative shall be entitled (but not obligated) to execute and deliver such Assignment and Acceptance and/or such other documentation on behalf of such Lender.

(e) If any Agent or any Lender receives a refund directly attributable to Taxes for which any Borrower has made additional payments pursuant to Subsection 4.10(a) or 4.11(a), such Agent or such Lender, as the case may be, shall promptly pay such refund (but only to the extent of indemnity payments made under Subsection 4.10(a) or 4.11(a) with respect to the Taxes giving rise to such refund) (together with any interest with respect thereto received from the relevant taxing authority, but net of any reasonable cost incurred in connection therewith) to such Borrower; provided, however, that such Borrower agrees

promptly to return such refund (together with any interest with respect thereto due to the relevant taxing authority) (free of all Non-Excluded Taxes) to such Agent or the applicable Lender, as the case may be, upon receipt of a notice that such refund is required to be repaid to the relevant taxing authority. Notwithstanding anything to the contrary in this paragraph (e), in no event will any Agent or any Lender be required to pay any amount to any Borrower pursuant to this paragraph (e) the payment of which would place such Agent or such Lender in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Borrower or any other Person.

(f) The obligations of any Agent, Lender or Participant under this Subsection 4.13 shall survive the termination of this Agreement and the payment of the Term Loans and all amounts payable hereunder.

4.14 Defaulting Lenders. Notwithstanding anything contained in this Agreement to the contrary, if any Revolving Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Revolving Lender is a Defaulting Lender:

(a) [reserved];

(b) in determining the Required Lenders, Required Majority in Interest Lenders or Required Revolving Lenders, Required Supermajority Lenders or Required Pooled Supermajority Lenders, any Lender that at the time is a Defaulting Lender (and the Loans and/or Revolving Commitment of such Defaulting Lender) shall be excluded and disregarded;

(c) the Borrower Representative shall have the right, at its sole expense and effort (i) to seek one or more Persons reasonably satisfactory to the Administrative Agent and the Borrower Representative to each become a substitute Revolving Lender and assume all or part of the Commitment of any Defaulting Lender and the Borrower Representative, the Administrative Agent and any such substitute Revolving Lender shall execute and deliver, and such Defaulting Lender shall thereupon be deemed to have executed and delivered, an appropriately completed Assignment and Acceptance to effect such substitution or (ii) so long as no Event of Default under Subsection 9.1(a) or 9.1(f) then exists or will exist immediately after giving effect to the respective prepayment, upon notice to the Administrative Agent, to prepay the Loans and, at the Borrower Representative's option, terminate the Commitments of such Defaulting Lender, in whole or in part, without premium or penalty;

(d) [Reserved];

(e) [Reserved];

(f) [Reserved]; and

(g) The rights and remedies against a Defaulting Lender under this Subsection 4.14 are in addition to other rights and remedies that the Borrower Representative, any Borrower, the Administrative Agent and the Non-Defaulting Lenders may have against such Defaulting Lender. The arrangements permitted or required by this Subsection 4.14 shall be permitted under this Agreement, notwithstanding any limitation on Liens or the pro rata sharing provisions or otherwise.

4.15 Post-Closing Exchange. Notwithstanding anything to the contrary set forth in this Agreement:

(a) Any Eligible Exchange Lender may elect to exchange all outstanding Loans held by such Lender in a par for par exchange (rounded down to nearest dollar) into Senior Secured Notes (the "Emergence Exchange Notes") issued under the Senior Secured Notes Indenture in full and complete satisfaction of the Obligations owed in respect of such Loans (a "Post-Closing Exchange") by giving the Borrower Representative written notice (a "Post-Closing Exchange Notice") of such election on or prior to the date that is one (1) Business Day after the Closing Date. Such Emergence Exchange Notes shall be "Emergence Exchange Notes" under and as defined in the Senior Secured Notes Indenture and shall for all purposes under this Agreement be deemed Senior Secured Notes issued on the Closing Date. Interest on the Emergence Exchange Notes shall accrued from the Closing Date and no cash interest or other payment shall be made on account of any accrued and unpaid interest on any Loans exchanged pursuant to this provision. For the avoidance of doubt, the issuance of the Emergence Exchange Notes and effectuation of the Post-Closing Exchange shall not be deemed to implicate any restrictions under this Agreement on refinancing, payment, prepayment or repayment of the Loans cancelled thereby.

(b) Each Eligible Exchange Lender that delivers a Post-Closing Exchange Notice shall be deemed to represent and warrant to the Borrower Representative as of the date of such Post-Closing Exchange Notice and as of the date of the Post-Closing Exchange that: (i) such Lender is (A) a "qualified institutional buyer" as defined in Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), or (B) a person other than a "U.S. person" as defined in Rule 902 under the Securities Act (a "Non-U.S. Person") that is acquiring the Senior Secured Notes in an offshore transaction in compliance with Regulation S under the Securities Act; (ii) such Lender is acquiring the Senior Secured Notes for its own account and not with a view to any distribution thereof in violation of the Securities Act or any applicable state securities laws; (iii) such Lender has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its investment in the Senior Secured Notes and is able to bear the economic risk of such investment; and (iv) such Lender understands that the Senior Secured Notes have not been registered under the Securities Act or any state securities laws and may not be offered or sold except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Borrower Representative may request from any Eligible Exchange Lender that has delivered a Post-Closing Exchange Notice any reasonably required documentation to facilitate the Post-Closing Exchange and to comply with any applicable United States federal and state securities laws. Subject to receipt of such documentation, the Borrower Representative must give effect to the Post-Closing Exchange within five (5) Business Days of its receipt of a Post-Closing Exchange Notice.

(c) If applicable, all notional amounts of Loans in other currencies shall be converted to the dollar equivalent thereof for Senior Secured Notes in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination.

(d) Upon the effectiveness of any Post-Closing Exchange, this Agreement (including Schedule A) shall be deemed modified, without further action, to the extent necessary to reflect such Post-Closing Exchange.

5.5 No Legal Bar. The execution, delivery and performance of the Loan Documents by any of the Loan Parties, the Extensions of Credit hereunder and the use of the proceeds thereof (a) will not violate any Requirement of Law or Contractual Obligation of such Loan Party in any respect that would reasonably be expected to have a Material Adverse Effect, (b) will not result in, or require the creation or imposition of any Lien (other than Liens securing the Cash Flow Facilities Obligations or otherwise permitted hereby) on any of its properties or revenues pursuant to any such Requirement of Law or Contractual Obligation and (c) will not violate any provision of the Organizational Documents of such Loan Party or any of the Restricted Subsidiaries, except (other than with respect to the Borrowers) as would not reasonably be expected to have a Material Adverse Effect.

(c) (x) With respect to any Foreign Subsidiary created or acquired subsequent to the Closing Date by Intermediate Holdings, any of its Domestic Subsidiaries (in each case, other than any Excluded Subsidiary) or any Foreign Subsidiary that is a Loan Party, the Capital Stock of which is owned directly by Intermediate Holdings, a Domestic Subsidiary (other than an Excluded Subsidiary) or any Foreign Subsidiary that is a Loan Party, promptly notify the Administrative Agent of such occurrence and promptly (i) cause such Subsidiary to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected first priority security interest (as and to the extent provided in the U.S. Collateral Agreement or any other applicable Security Document) in the Capital Stock of such new Subsidiary that is directly owned by Intermediate Holdings, any Domestic Subsidiary (other than an Excluded Subsidiary) or any Foreign Subsidiary that is a Guarantor to execute and deliver a Supplemental Agreement (as defined in the U.S. Collateral Agreement) pursuant to Subsection 9.15 of the U.S. Collateral Agreement or, with respect to Capital Stock of a Foreign Subsidiary that is owned directly by any Foreign Subsidiary that is a Guarantor, such supplemental agreement(s) as may be required pursuant to any applicable Security Document; provided that, with respect to Capital Stock of a Foreign Subsidiary that is owned directly by any Foreign Subsidiary that is a Loan Party, such supplemental agreement(s) shall only be required to be delivered to the extent such newly created or acquired Subsidiary is organized or incorporated in the same jurisdiction as such Foreign Subsidiary that is a Loan Party, (ii) deliver to the Collateral Agent a Subsidiary Guaranty with respect to such Subsidiary (which Subsidiary Guaranty shall be accompanied by all documentation and other information about such Subsidiary as shall be reasonably agreed to be required by applicable regulatory authorities under applicable "know your customer" and anti-money laundering rules and regulations, including the Patriot Act and the CDD Rule); and (iii) to the extent reasonably deemed advisable by the Collateral Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority), deliver to the Collateral Agent, the applicable Collateral Representative or any Additional Agent, in accordance with the applicable ABL/Cash Flow Intercreditor Agreement, Pari Passu Intercreditor Agreement, Junior Lien Intercreditor Agreement or Other Intercreditor Agreement, the certificates, if any, representing such Capital Stock, together with undated stock powers, executed and delivered in blank by a duly authorized officer of the relevant parent of such new Subsidiary (or in respect of (a) any New Zealand Subsidiary Guarantor, blank share transfer forms and a copy of the relevant Subsidiary's share register noting the Collateral Agent's security interest (for the benefit of the Secured Parties) and (b) any Brazilian Subsidiary, a copy of the relevant share registry book or articles of association, as applicable, noting the Collateral Agent's security interest (for the benefit of the Secured Parties) and take such other action as may be reasonably deemed by the Collateral Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) to be necessary or desirable to perfect the Collateral Agent's security interest therein (in each case as and to the extent required by the U.S. Collateral Agreement or any other applicable Security Document); and (y) with respect to any Primary Jurisdiction Subsidiary (other than an Excluded Subsidiary) (i) created or acquired subsequent to the Closing Date by any Primary Jurisdiction. Subsidiaries (other than an Excluded Subsidiary), (ii) [reserved], (iii) ceasing to be an Immaterial Subsidiary or other Excluded Subsidiary as provided in the applicable definition thereof after the expiry of any applicable period referred to in such definition or (iv) that becomes a Primary Jurisdiction Subsidiary as a result of a transaction pursuant to, and permitted by, Subsection 8.2 or 8.4 (other than an Excluded Subsidiary), promptly notify the Administrative Agent of such occurrence and, if the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) or the Required Lenders so request, subject to the Agreed Security Principles, promptly cause such new Primary Jurisdiction Subsidiary (A) to become a party to the Guarantee Agreement and the applicable Security Documents and (B) to take all actions reasonably deemed by the Collateral Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) to be necessary or advisable to cause the Lien created by the applicable Security Documents in such new Primary Jurisdiction Subsidiary's Collateral to be duly perfected in accordance with all applicable Requirements of Law (as and to the extent provided in the applicable Security Documents), including the filing of financing statements in such jurisdictions as may be reasonably requested by the Collateral Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority).

(d) At its own expense, execute, acknowledge and deliver, or cause the execution, acknowledgement and delivery of, and thereafter register, file or record in an appropriate governmental office, any document or instrument reasonably deemed by the Collateral Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) to be necessary or desirable for the creation, perfection and priority and the continuation of the validity, perfection and priority of the foregoing Liens or any other Liens created pursuant to the Security Documents (to the extent the Collateral Agent determines (acting at the Direction of the Required Lenders as a Loan-Only Majority) that such action is required to ensure the perfection or the enforceability as against third parties of its security interest in such Collateral) in each case in accordance with, and to the extent required by, the U.S. Collateral Agreement or any Non-U.S. Security Agreement, as applicable.

(e) Notwithstanding anything to the contrary in this Agreement, (A) the foregoing requirements shall be subject to the terms of the ABL/Cash Flow Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement and, in the event of any conflict with such terms, the terms of the ABL/Cash Flow Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any Other Intercreditor Agreement, as applicable, shall control, (B) no security interest or lien is or will be granted pursuant to any Loan Document or otherwise in any right, title or interest of any of Holdings, Intermediate Holdings or any of its Subsidiaries in, and "Collateral" shall not include, any Excluded Asset, (C) except in the case of any assets of, or Capital Stock in, any Foreign Subsidiary that is a Guarantor, no Loan Party or any Affiliate thereof shall be required to take any action in any non-U.S. jurisdiction or required by the laws of any non-U.S. jurisdiction in order to create any security interests in assets located or titled outside of the U.S. or to perfect any security interests (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any non-U.S. jurisdiction (other than in the event any Foreign Subsidiary becomes a Loan Party pursuant to the last sentence of Subsection 7.9(b)) in each case other than Australia, Belgium, Brazil, Canada, France, Germany, Ireland, Mexico, New Zealand, Poland, Scotland, the United Kingdom and any Other Designated Primary Jurisdiction as and to the extent provided herein and in the other Loan Documents, (D) to the extent not automatically perfected by filings under the Uniform Commercial Code in the jurisdiction of incorporation or organization, no Loan Party shall be required to take any actions in order to perfect any security interests granted with respect to any assets specifically requiring perfection through control (including cash, cash equivalents, deposit accounts, securities accounts, but excluding Capital Stock required to be delivered pursuant to Subsections 7.9(b) and (c) above), and (E) nothing in this Subsection 7.9 shall require that Holdings, Intermediate Holdings or any Subsidiary grant a Lien with respect to any property or assets in which such Person acquires ownership rights to the extent that the Borrower Representative and the Administrative Agent (acting at the Direction of the Required Lenders) reasonably determine that the costs or other consequences to Topco or any of its Subsidiaries (or at the election of Intermediate Holdings in connection with an initial public offering or other restructuring of Intermediate Holdings, any Parent Entity or IPO Vehicle, Intermediate Holdings or any of its Subsidiaries) of the granting of such a Lien is excessive in view of the benefits that would be obtained by the Secured Parties.

(f) Notwithstanding any provision of this Subsection 7.9 or Subsection 7.13 to the contrary, prior to the Discharge of ABL Collateral Obligations, (i) the requirements of this Subsection 7.9 and of Subsection 7.13 to deliver any ABL Priority Collateral to the Agent shall be deemed satisfied by the delivery of such ABL Priority Collateral to the ABL Agent or the Collateral Representative in respect of the ABL Priority Collateral, (ii) Intermediate Holdings shall, and shall cause each Restricted Subsidiary to, comply with the requirements of this Subsection 7.9 and Subsection 7.13 with respect to the Obligations hereunder as they relate to any ABL Priority Collateral only to the same extent that Intermediate Holdings and such Restricted Subsidiaries are required to comply with provisions analogous to this Subsection 7.9 or Subsection 7.13 under the Senior ABL Agreement or the documentation governing any other ABL Collateral Obligation and (iii) the ABL Agent or the Collateral Representative in respect of the ABL Priority

Collateral shall have sole discretion (in consultation with Intermediate Holdings, if applicable) with respect to any determination concerning ABL Priority Collateral as to which the Agent would have authority to exercise under this Subsection 7.9 or Subsection 7.13.

(g) Commencing with the Fiscal Quarter ending June 30, 2026, in the event that all Foreign Subsidiaries in any individual Foreign Test Jurisdiction (I) contributed greater than 5.0% of Four Quarter Consolidated EBITDA or (II) had consolidated assets 5.0% of Consolidated Total Assets, in each case as of the end of any Fiscal Quarter, Intermediate Holdings shall, by the date falling 120 days after (and excluding) the final date for delivery of consolidated financial statements referred to in Subsections 7.1(a) and (b) for such Fiscal Quarter, cause each Foreign Subsidiary (other than an Excluded Subsidiary) in such Foreign Test Jurisdiction to be designated as an "Other Designated Primary Jurisdiction Subsidiary" pursuant to clauses (x) and (y) of the definition thereof, unless the guarantee or grant of security thereof would result in adverse tax or regulatory consequences (other than de minimis consequences) to Topco or any of its Subsidiaries, in each case, as reasonably determined by Intermediate Holdings in good faith; provided, for the avoidance of doubt, if such Other Designated Primary Jurisdiction Subsidiaries cannot provide security but can provide an unsecured guarantee without causing adverse tax or regulatory consequences (other than de minimis consequences), Intermediate Holdings shall cause such Other Designated Primary Jurisdiction Subsidiaries to provide an unsecured guarantee in favor of and for the benefit of the Collateral Agent on behalf of the applicable Secured Parties in lieu of a secured guarantee.

(h) As used in this Subsection 7.9, the following terms have the following meanings:

(i) "Foreign Test Jurisdiction": any non-U.S. jurisdiction other than a Primary Jurisdiction.

(i) Notwithstanding the foregoing, it is expressly acknowledged that it may be impractical for any Foreign Subsidiary to be promptly designated as an "Other Designated Primary Jurisdiction Subsidiary" or it may take longer than agreed to so designate such Foreign Subsidiaries, in which event the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) will act reasonably in extending the time for obtaining such designation if the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority) is satisfied that such time extension is likely to result in the designation of such Foreign Subsidiaries as an "Other Designated Primary Jurisdiction Subsidiary"; provided that in each case, Intermediate Holdings has exercised commercially reasonable efforts in effectuating such designation. It is expressly acknowledged that the failure to complete such designation shall not constitute a Default or Event of Default so long as the Administrative Agent (acting at the Direction of the Required Lenders) reasonably agrees that such designation is impractical.

(j) With respect to any U.S. Material Real Property located in the United States of America in which Intermediate Holdings or any of its Subsidiaries acquires ownership rights at any time after the Closing Date (or owned by any Subsidiary that becomes a Subsidiary of Intermediate Holdings after the Closing Date) (or otherwise constitutes U.S. Material Real Property owned by Intermediate Holdings or any of its Subsidiaries), such Loan Party shall promptly but in no event later than 120 days following the closing of such acquisition or the Valuation Date (unless otherwise agreed by the Administrative Agent (acting at the Direction of the Required Lenders)), grant to the Collateral Agent for the benefit of the Secured Parties, a Lien of record on all such U.S. Material Real Property pursuant to a U.S. Mortgage, execute and deliver or cause to be executed and delivered to the Collateral Agent all the instruments, and satisfy or cause to be satisfied, all the requirements, in each case as set forth in the defined term, "U.S. Real Estate Documents"; provided that testing or valuation of fee owned Real Property that has appreciated in fair market value or Real Property with material improvements constructed thereon after the Closing Date (which may be conducted by management of Intermediate Holdings in good faith) for purposes of determining whether such Real Property constitutes U.S. Material Real Property shall, in each

case, only occur once per year (the "Valuation Date"), in connection with the delivery of the Compliance Certificate pursuant to Subsection 7.2; provided that (i) nothing in this Subsection 7.9 shall defer or impair the attachment or perfection of any security interest in any Collateral covered by any of the Security Documents which would attach or be perfected pursuant to the terms thereof without action by Intermediate Holdings, any of its Restricted Subsidiaries or any other Person and (ii) no such Lien shall be required to be granted as contemplated by this Subsection 7.9 on any Real Property acquired after the Closing Date, the acquisition of which is, or is to be, financed or refinanced, in whole or in part through the incurrence of Indebtedness (other than Indebtedness provided pursuant to this Agreement) if the amount of such Indebtedness incurred to finance or refinance the acquisition of Real Property constitutes all or substantially all of the purchase price of the Real Property, until such Indebtedness is repaid in full (and not refinanced).

(k) With respect to any fee owned Real Property located within and/or outside of the United States of America in which Intermediate Holdings or any of its Subsidiaries acquires ownership rights at any time after the Closing Date (or owned by any Subsidiary that becomes a Loan Party or Subsidiary of Intermediate Holdings after the Closing Date) (or upon which material improvements have been built after the Closing Date) (x) with a fair market value (as determined in good faith by the Borrower Representative) determined (A) with respect to fee owned Real Property acquired after the Closing Date, as of the date of acquisition, (B) with respect to any Subsidiary that becomes a Loan Party after the Closing Date and owns in fee Real Property, as of the date it becomes a Loan Party, (C) with respect to fee owned Real Property upon which material improvements are built, as of the Valuation Date or (D) with respect to any other fee owned Real Property which does not fall into any of the preceding categories (x)(A) through (x)(C), which, following such acquisition or material improvement or other appreciation of value, will cause the aggregate fair market value (as determined in good faith by the Borrower Representative) of all Real Property owned by Intermediate Holdings or any of its Subsidiaries that is not subject to a Mortgage to exceed $100.0 million, *provided* that, at the time of its acquisition after the Closing Date, the purchase price of such Real Property shall be deemed to be its fair market value for purposes of the foregoing clause (x)(A) and (y) which with respect to Real Property located within the United States of America, does not contain any improvements located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a "special flood hazard area", such Loan Party shall promptly but in no event later than 120 days following the closing of such acquisition (in the case of preceding clauses (x)(A) and (x)(B)) or the Valuation Date (in the case of preceding clauses (x)(C) and (x)(D)) (unless otherwise agreed by the Administrative Agent (acting at the Direction of the Required Lenders as a Loan-Only Majority)), grant to the Collateral Agent for the benefit of the Secured Parties, a Lien of record on such or any other Real Property pursuant to a Mortgage, execute and deliver or cause to be executed and delivered to the Collateral Agent all the instruments, and satisfy or cause to be satisfied, all the requirements, in each case as set forth in the defined term the "Real Estate Documents", until such time as the aggregate fair market value (as determined in good faith by the Borrower Representative) of all Real Property owned by Intermediate Holdings or any of its Subsidiaries that is not subject to a Mortgage is less than $100.0 million; provided that testing or valuation of fee owned Real Property that has appreciated in fair market value or Real Property with material improvements constructed thereon after the Closing Date (which may be conducted by management of Intermediate Holdings in good faith) for purposes of determining whether the aggregate fair market value (as determined in good faith by the Borrower Representative) of all Real Property owned by Intermediate Holdings or any of its Subsidiaries that is not subject to a Mortgage exceeds $100.0 million shall, in each case, only occur on the Valuation Date; provided, further, that (i) nothing in this Subsection 7.9 shall defer or impair the attachment or perfection of any security interest in any Collateral covered by any of the Security Documents which would attach or be perfected pursuant to the terms thereof without action by Intermediate Holdings, any of its Restricted Subsidiaries or any other Person, (ii) no such Lien shall be required to be granted as contemplated by this Subsection 7.9 on any Real Property acquired after the Closing Date, the acquisition of which is, or is to be, financed or refinanced, in whole or in part through the incurrence of Indebtedness (other than Indebtedness provided pursuant to this Agreement) if the amount

of such Indebtedness incurred to finance or refinance the acquisition of Real Property constitutes all or substantially all of the purchase price of the Real Property, until such Indebtedness is repaid in full (and not refinanced), (iii) with respect to any Real Property that is located outside the United States, (a) any grant to the Collateral Agent for the benefit of the Secured Parties of a Lien of record on such Real Property pursuant to a Mortgage and (b) the requirement to deliver "Real Estate Documents" with respect to such Real Property shall, in each case, be in accordance with the Agreed Security Principles and (iv) the Borrower Representative shall determine (with the consent of the Administrative Agent acting at the Direction of the Required Lenders (such consent not to be unreasonably withheld, conditioned or delayed)) which parcels or interests of Real Property to grant a Lien on for the benefit of the Secured Parties to comply with this Agreement.

7.10 Use of Proceeds. Use the proceeds of Loans only for the purposes set forth in Subsection 5.16.

7.11 Commercially Reasonable Efforts to Maintain Ratings. Within 60 days of the Closing Date and at all times, Intermediate Holdings shall use commercially reasonable efforts to maintain ratings (but not any particular rating) of the Initial Term Loans and a corporate rating (but not any particular rating) and corporate family rating (but not any particular rating), as applicable, for Intermediate Holdings by each of S&P and Moody's.

7.12 Accounting Changes. Intermediate Holdings will, for financial reporting purposes, cause Intermediate Holdings' and each of its Subsidiaries' fiscal years to end on December 31st of each calendar year; provided that the Borrower Representative may, upon written notice to the Administrative Agent, change the financial reporting convention specified above to any other financial reporting convention reasonably acceptable to the Administrative Agent, in which case the Borrower Representative and the Administrative Agent (acting at the Direction of the Required Lenders) will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement and the other Loan Documents that are necessary in order to reflect such change in financial reporting.

7.13 Post-Closing Security Perfection. The Borrower Representative agrees to deliver or cause to be delivered such documents and instruments, and take or cause to be taken such other actions as may be reasonably necessary to provide the perfected security interests and Liens described in the provisos to Subsection 6.1(a), Subsection 6.1(h) and Subsection 6.1(i) that are not so provided on the Closing Date, and in any event to provide such perfected security interests and Lien and to satisfy such other conditions within the applicable time periods set forth on Schedule 7.13, as such time periods may be extended by the Administrative Agent (acting at the Direction of the Required Lenders; provided that to the extent any proposed extension is within six months of the original delivery date required by Schedule 7.13 (as of the Closing Date), then such Direction of the Required Lenders may be as a Loan-Only Majority)). Notwithstanding any other provision of this Subsection 7.13 or Subsection 7.9, of Schedule 7.13 or of any Security Document the Borrower Representative shall not be obligated to take, or cause to be taken, any action that is dependent on an action that Required Lenders (either as a Pooled Majority or a Loan-Only Majority) have failed to take, for so long as such Required Lenders have failed to take such action.

7.14 Lender Calls. Beginning with the fiscal period ending June 30, 2026, no later than 10 Business Days following delivery of the annual financial statements pursuant to Subsection 7.1(a) or any quarterly financial statement pursuant to Subsection 7.1(b), Intermediate Holdings shall hold an update call (which call shall take place on a Business Day selected by Intermediate Holdings) with a Responsible Officer of Intermediate Holdings or the Parent Borrower and the Lenders to discuss the financial position, financial performance and cash flows of Intermediate Holdings and its Restricted Subsidiaries for the period covered by the applicable financial statements, as well as the related management's discussion and analysis which shall include a questions and answers session of reasonable duration to answer questions related to

the foregoing (such call, the "Lender Call"); provided, however, that if Intermediate Holdings is holding a conference call open to the public to discuss such results, Intermediate Holdings will not be required to hold a separate Lender Call for the Lenders; and provided, further, that, not more than once per Fiscal Year and upon notice to the Administrative Agent, Intermediate Holdings may postpone a Lender Call for a period of time not to exceed 60 days, if the Board of Directors or senior management reasonably determine that there is a valid business purpose for the postponement.

7.15 Anti-Money Laundering, Anti-Corruption and Sanctions Laws. Comply with applicable Anti-Money Laundering Laws, Anti-Corruption Laws and Sanctions in all material respects, and continue to maintain policies and procedures designed to promote and achieve compliance with applicable Anti-Money Laundering Laws, Anti-Corruption Laws and Sanctions.

option, (A) the Closing Date, (B) any date on which any of the respective commitments under this Agreement or the applicable Senior ABL Facility shall be reallocated between or among facilities or subfacilities hereunder or thereunder, or on which such rate is otherwise calculated for any purpose thereunder, (C) the date of such Incurrence or (D) the date on which such Indebtedness is allocated or priced, as applicable. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

(e) The accrual of interest, the accretion of accreted value and the payment of interest on Indebtedness permitted pursuant to Subsection 8.1 in the form of additional Indebtedness shall not be deemed to be an Incurrence of Indebtedness for purposes of this Subsection 8.1.
