In re:	:	Chapter 11
MODIVCARE INC., *et al.*,	:	Case No. 25-90309 (ARP)
Debtors.[1]	:	(Jointly Administered)

MOTION OF DEBTORS FOR ENTRY OF AN ORDER ESTABLISHING PROCEDURES FOR INTERIM COMPENSATION AND REIMBURSEMENT OF EXPENSES OF PROFESSIONALS

If you object to the relief requested, you must respond in writing. Unless otherwise directed by the Court, you must file your response electronically at https://ecf.txsb.uscourts.gov/ within twenty-one days from the date this motion was filed. If you do not have electronic filing privileges, you must file a written objection that is actually received by the clerk within twenty-one days from the date this motion was filed. Otherwise, the Court may treat the pleading as unopposed and grant the relief requested.

ModivCare Inc. and its debtor affiliates in the above-captioned cases, as debtors and debtors in possession (collectively, the "***Debtors***"), respectfully state as follows in support of this motion (this "***Motion***"):

RELIEF REQUESTED

1. By this Motion, the Debtors hereby seek entry of an order, substantially in the form attached hereto (the "***Proposed Order***"), establishing procedures for providing (a) compensation and reimbursement of expenses to attorneys and other professionals whose retentions are approved

[1] A complete list of each of the Debtors in these chapter 11 cases (the "***Chapter 11 Cases***") and the last four digits of each Debtor's taxpayer identification number (if applicable) may be obtained on the website of the Debtors' claims and noticing agent at https://www.veritaglobal.net/ModivCare. Debtor ModivCare Inc.'s principal place of business and the Debtors' service address in these Chapter 11 Cases is 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237.

by this Court pursuant to sections 327 or 1103 of title 11 of the Bankruptcy Code (as defined below), and who will be required to file applications for allowance of compensation and reimbursement of expenses pursuant to sections 330 and 331 of the Bankruptcy Code; and (b) reimbursement of expenses to members of any official committees formed by the Office of the United States Trustee for the Southern District of Texas (the "***U.S. Trustee***") (excluding fees and expenses of any member's counsel).

JURISDICTION AND VENUE

2. The United States Bankruptcy Court for the Southern District of Texas (the "***Court***") has jurisdiction to consider this Motion under 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b) and the Court may enter a final order consistent with Article III of the United States Constitution. Venue is proper under 28 U.S.C. §§ 1408 and 1409.

3. The statutory and legal predicates for the relief requested herein are sections 105(a), 330, and 331 of title 11 of the United States Bankruptcy Code, 11 U.S.C. §§ 101-1532 (the "***Bankruptcy Code***"), rule 2016 of the Federal Rules of Bankruptcy Procedure (the "***Bankruptcy Rules***"), rule 2016-1 of the Bankruptcy Local Rules for the Southern District of Texas (the "***Bankruptcy Local Rules***"), and Procedures for Complex Cases in the Southern District of Texas.

BACKGROUND

4. On August 20, 2025 (the "***Petition Date***"), the Debtors each filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors in possession under sections 1107(a) and 1108 of the Bankruptcy Code. On September 5, 2025, the U.S. Trustee appointed an official committee of unsecured creditors [Docket No. 124] (the "***Committee***"). No request for the appointment of a trustee or an examiner has been made in the Chapter 11 Cases.

5. The Chapter 11 Cases are jointly administered for procedural purposes only pursuant to Rule 1015(b) of the Bankruptcy Rules and Rule 1015-1 of the Bankruptcy Local Rules.

6. The factual background regarding the Debtors, including their business, their capital structure, and the events leading to the commencement of the Chapter 11 Cases is set forth in the *Declaration of Chad J. Shandler in Support of Chapter 11 Petitions and First Day Relief* (the "***First Day Declaration***") [Docket No. 14].[2]

7. ModivCare is a technology-based healthcare services company that helps people (especially those in vulnerable situations) get the care and support they need. The Company works with government and private health insurance plans, as well as individuals, to provide: (a) transportation to and from medical appointments (non-emergency medical transportation totaling over 36 million rides per year); (b) in-home personal care (*e.g.*, helping with daily activities); (c) remote monitoring of patients' health from home; and (d) community health kiosks and wellness programs. ModivCare employs approximately 23,675 people and operates across 48 states and the District of Columbia, including Texas, with corporate offices in Denver, Colorado. ModivCare's goal is to make it easier for patients to get care, remove barriers that keep people from staying healthy, and improve overall health outcomes.

8. As described in the First Day Declaration, the Debtors are party to that certain Restructuring Support Agreement (the "***RSA***") with certain creditors who collectively hold approximately 90% of the First Lien Claims and approximately 70% of the Second Lien Claims. Pursuant to the RSA, the consenting creditors have agreed to provide $100 million in debtor-in-possession financing to fund the Chapter 11 Cases and support the comprehensive restructuring

[2] Capitalized terms used but not otherwise defined herein have the meaning assigned to them in the First Day Declaration.

transactions set forth in the term sheet attached to the RSA (the "***RSA Term Sheet***"). The RSA Term Sheet contemplates, among other things: (a) the equitization of approximately $871 million in First Lien Claims and approximately $316 million in Second Lien Claims; (b) the commitment of the consenting creditors to provide exit financing through the Exit Term Loan Facility; (c) the reorganized Debtors' entry into an exit revolving credit facility to support ongoing operations; and (d) the discharge of the Unsecured Notes Claims and General Unsecured Claims; with holders of such claims entitled to participate in an equity rights offering of up to $200 million, subject to the terms of the RSA. On September 4, 2025, the Debtors filed the *Joint Chapter 11 Plan of Reorganization of ModivCare Inc. and its Debtor Affiliates* [Docket No. 119] (the "***Plan***") and corresponding disclosure statement [Docket No. 120] reflecting the terms of the RSA and RSA Term Sheet. In total, the transactions contemplated by the Plan and RSA Term Sheet are expected to reduce the Debtors' funded debt obligations by approximately $1.1 billion.

9. The Debtors have filed or intend to file applications to employ and retain professionals in the Chapter 11 Cases, including, but not limited to: (a) Latham & Watkins LLP, as bankruptcy co-counsel; (b) Hunton Andrews Kurth LLP, as bankruptcy co-counsel; (c) FTI Consulting, Inc., as financial advisor; (d) Moelis & Company LLC, as investment banker; and (e) Ernst & Young LLP, to provide accounting advisory, tax compliance, tax provision, and tax consulting services. The Debtors may in the future seek authority to retain additional professionals pursuant to section 327 of the Bankruptcy Code during the course of the Chapter 11 Cases.[3] Each

[3] The Debtors also have filed or intend to file a motion seeking authority to employ and pay certain professionals used in the ordinary course of business (each, an "***Ordinary Course Professional***"), rather than file a formal retention application for each such Ordinary Course Professional. For the avoidance of doubt, the Compensation Procedures (as defined below) shall not apply to the payment of compensation and reimbursement of expenses of the Ordinary Course Professionals.

entity retained pursuant to section 327 or 1103 of the Bankruptcy Code is referred to herein as a "***Professional***" and collectively, as the "***Professionals***."

10. The Debtors believe that establishing orderly procedures to pay the Professionals will streamline the administration of the Chapter 11 Cases and otherwise promote efficiency for the Court, the U.S. Trustee, and all parties in interest.

PROPOSED COMPENSATION AND REIMBURSEMENT PROCEDURES

11. To streamline the compensation process and enable the Court and all other parties in interest to more effectively monitor the fees and expenses incurred by the various Professionals for the rendering of services to the Debtors from the Petition Date through the effective date of the Debtors' chapter 11 plan of reorganization (the "***Effective Date***"), the Debtors request that the Court implement the following procedures (the "***Compensation Procedures***"):

a. On or after the fifth day of each month following the month for which compensation is sought, each Professional seeking interim allowance of its fees and expenses who (i) has been, or is hereafter, retained pursuant to sections 327 or 1103 of the Bankruptcy Code and (ii) is not retained as an Ordinary Course Professional, shall send a reasonably detailed monthly statement indicating the nature of the services rendered and expenses incurred (each, a "***Monthly Fee Statement***"), by e-mail, to the following parties (collectively, the "***Notice Parties***"):

   i. the Debtors, ModivCare Inc., 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237, Attn: Faisal Khan (Faisal.Khan@modivcare.com);

   ii. proposed co-counsel to the Debtors, Latham & Watkins LLP, 1271 Avenue of the Americas, New York, New York 10020, Attn: Ray Schrock, Keith A. Simon, George Klidonas, and Jonathan Weichselbaum (ray.schrock@lw.com, keith.simon@lw.com, george.klidonas@lw.com, and jon.weichselbaum@lw.com);

   iii. proposed co-counsel to the Debtors, Hunton Andrews Kurth LLP, 600 Travis Street, Suite 4200, Houston, Texas 77002, Attn: Tad Davidson, and Brandon Bell (taddavidson@hunton.com, and bbell@hunton.com);

   iv. the Office of the U.S. Trustee for the Southern District of Texas, 515 Rusk Street, Suite 3516, Houston, Texas 77002, Attn: Jana

Whitworth, Andrew Jimenez, and Alina Samko-Yu (janawhitworth@usdoj.gov, andrew.jimenez@usdoj.gov, and alina.samko-yu@usdoj.com);

v. counsel to the First Lien Agent and the Consenting Creditors, Paul Hastings LLP, 71 S. Wacker Drive, Forty-Fifth Floor, Chicago, IL 60606 (Attn: Kris Hansen, Matt Warren, and Lindsey Henrikson (krishansen@paulhastings.com, mattwarren@paulhastings.com, and lindseyhenrikson@paulhastings.com); and

vi. counsel to the Committee.

Any Professional that fails to submit a Monthly Fee Statement for a particular month or months may subsequently submit a consolidated Monthly Fee Statement that includes a request for compensation earned or expenses incurred during such previous month(s). All Monthly Fee Statements shall comply with the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and applicable law. The first Monthly Fee Statement submitted by each Professional serving as of the Petition Date will cover the period from the Petition Date through and including September 30, 2025. Thereafter, each Monthly Fee Statement shall cover one calendar month (except to the extent that a Professional files a consolidated Monthly Fee Statement, as set forth above).

b. Each Notice Party will have until 4:00 p.m. (prevailing Central Time) on the day that is fourteen days after delivery of a Monthly Fee Statement (the "***Objection Deadline***") to object to the requested fees and expenses in accordance with the procedures described in subparagraph (c) below. Upon the expiration of the Objection Deadline, the Debtors shall promptly pay the applicable Professional an amount equal to 80% of the fees and 100% of the expenses requested in the applicable Monthly Fee Statement (the "***Actual Monthly Payment***") that are not subject to an objection pursuant to subparagraph (c) below.

c. If any Notice Party objects to a Professional's Monthly Fee Statement, such party must serve via e-mail on such Professional and each other Notice Party a written objection (an "***Objection***") so as to be received on or before the Objection Deadline. Any such Objection must identify with specificity the objectionable fees or expenses, including the amount of such objected-to fees or expenses and the basis for such Objection. Thereafter, the objecting party and the affected Professional may attempt to resolve the Objection on a consensual basis. If the parties are unable to reach a resolution within fourteen days after delivery of the Objection or such later date as both parties agree (the "***Resolution Period***"), the objecting party shall file its Objection with the Court within 3 business days of the expiration of the Resolution Period and serve such Objection on the affected Professional and each of the other Notice Parties. Thereafter, the affected Professional may either (i) file a response to the Objection with the Court or (ii) forego payment of the amount subject to Objection until the next Interim Fee Application or Final Fee Application hearing, at which time the affected Professional may request that the Court consider

the Objection. For the avoidance of doubt, the applicable Professional may receive payment of any of the Actual Monthly Payment that is not subject to an Objection after the expiration of the Objection Deadline.

d. Beginning with the period ending November 30, 2025, and at three month intervals thereafter (each, an "***Interim Fee Period***"), each Professional shall file with the Court and serve on the Notice Parties an interim fee application (an "***Interim Fee Application***") for allowance of compensation and reimbursement of expenses sought in the Monthly Fee Statements submitted during such Interim Fee Period and prepared in accordance with the Compensation Procedures. Interim Fee Applications may be filed after the close of each Interim Fee Period. Interim Fee Applications must comply with sections 330 and 331 of the Bankruptcy Code, applicable provisions of the Bankruptcy Rules, Bankruptcy Local Rules, and any other applicable procedures and orders of the Court. The Notice Parties will have twenty-one days after service of an Interim Fee Application to object thereto. The first Interim Fee Application shall cover the Interim Fee Period from the Petition Date through and including November 30, 2025. Notwithstanding anything to the contrary in the Compensation Procedures, a Professional may file a combined Interim Fee Application with its fee application for final allowance of compensation and reimbursement of expenses (a "***Final Fee Application***" and, together with the Interim Fee Applications, the "***Applications***").

e. The Court, in its discretion, may approve an uncontested Interim Fee Application or Final Fee Application without the need for a hearing, upon the Professional's filing of a certificate of no objection or certificate of counsel. Upon allowance by the Court of a Professional's Interim Fee Application or Final Fee Application, the Debtors shall be authorized to promptly pay such Professional all requested fees (including the 20% holdback) and expenses not previously paid.

f. The pendency of an Objection to payment of compensation or reimbursement of expenses shall not disqualify a Professional from the future payment of compensation or reimbursement of expenses not previously paid pursuant to the Compensation Procedures, unless otherwise ordered by the Court.

12. The Debtors further request that each member of any official committee formed by the U.S. Trustee be permitted to submit statements of out-of-pocket expenses (excluding the fees and expenses of any member's counsel) and supporting vouchers to counsel for any such committee, and that counsel for such committee be required to collect such statements and vouchers and submit a request for reimbursement of the documented expenses in accordance with the foregoing Compensation Procedures.

13. The Debtors further request that the Court limit service of the Applications to the Notice Parties, and that all other parties that have filed a notice of appearance with the Clerk of the Court and requested notice of pleadings in the Chapter 11 Cases be entitled to receive only notice of hearings on the Applications (the "***Hearing Notices***"). Serving the Monthly Fee Statements and the Hearing Notices in this manner will permit the parties most active in the Chapter 11 Cases to review and object to the Professionals' fees while saving unnecessary duplication and mailing expenses.

BASIS FOR RELIEF

14. The implementation of the proposed Compensation Procedures is justified in these proceedings because the Chapter 11 Cases present a number of complex issues that, together with the day-to-day administration of these cases, must be addressed by the Debtors' staff and resources. In addition, it is anticipated that several Professionals will be involved in the Chapter 11 Cases. Absent streamlined compensation procedures, the fee application and review process could be exceptionally burdensome on the Debtors, the Professionals, the Court, and other parties in interest. By contrast, under the proposed Compensation Procedures, the mechanism for payment of Professionals' fees will be simplified and will avoid unnecessary Court involvement.

15. The right of the Professionals to seek interim payments from the Debtors' estates is governed by section 331 of the Bankruptcy Code, which provides, in relevant part, as follows:

> A trustee, an examiner, a debtor's attorney, or any professional person employed under section 327 or 1103 of this title may apply to the court not more than once every 120 days after an order for relief in a case under this title, or more often if the court permits, for such compensation for services rendered before the date of such an application or reimbursement for expenses incurred before such date as is provided under section 330 of this title. After notice and a hearing, the court may allow and disburse to such applicant such compensation or reimbursement.

11 U.S.C. § 331. Absent an order of the court, section 331 of the Bankruptcy Code limits payment of fees and expenses to Professionals rendering services in the Chapter 11 Cases to only three times per year.

16. Congress's intent in enacting section 331 of the Bankruptcy Code is expressed unequivocally in the House and Senate Reports accompanying the enactment of the Bankruptcy Code:

> The court may permit more frequent applications if the circumstances warrant, such as in very large cases where the legal work is extensive and merits more frequent payments. The court is authorized to allow and order disbursement to the applicant of compensation and reimbursement that is otherwise allowable under section 330.

H.R. Rep. No. 595, 95th Cong., 1st Sess. 330 (1977); S. Rep. No. 989, 95th Cong., 2d Sess. 41-42 (1978).

17. Moreover, section 105(a) of the Bankruptcy Code provides, in relevant part, that "[t]he court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." 11 U.S.C. § 105(a). Thus, the Court has authority to enter an order authorizing procedures for interim payment of monthly compensation and reimbursement of expenses.

18. The proposed Compensation Procedures will enable the Debtors to closely monitor the costs of administering the Chapter 11 Cases, maintain a level cash flow, and implement efficient cash-management procedures. In addition, the Compensation Procedures will allow the Court and key parties in interest to ensure the reasonableness and necessity of the compensation and reimbursement sought pursuant to a streamlined and efficient process. The Debtors submit that more frequent payment applications than those prescribed in section 331 of the Bankruptcy

Code are merited in light of the size of the Chapter 11 Cases and the anticipated complexity of the Professionals' work in connection therewith.

19. In light of the foregoing, the Debtors submit that the relief requested herein is appropriate and in the best interest of the Debtors' estates, creditors, and all parties in interest and, therefore, should be granted.

NOTICE

20. Notice of this Motion will be given to the parties on the Debtors' Master Service List and all parties that have requested or that are required to receive notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, under the circumstances, no other or further notice is required.

21. A copy of this Motion is available on (a) the Court's website, at www.txs.uscourts.gov and (b) the website maintained by the Debtors' claims and noticing agent, Kurtzman Carson Consultants, LLC d/b/a Verita Global, at https://www.veritaglobal.net/ModivCare.

[*Remainder of page intentionally left blank.*]

WHEREFORE, the Debtors respectfully request that the Court enter the Proposed Order granting the relief requested in the Motion and such other and further relief as may be just and proper.

ORDERED, ADJUDGED, AND DECREED THAT:

1. All Professionals in the Chapter 11 Cases may seek compensation in accordance with the following procedures (collectively, the "***Compensation Procedures***"):

a. On or after the fifth day of each month following the month for which compensation is sought, each Professional seeking interim allowance of its fees and expenses who (i) has been, or is hereafter, retained pursuant to sections 327 or 1103 of the Bankruptcy Code and (ii) is not retained as an Ordinary Course Professional, shall send a reasonably detailed monthly statement indicating the nature of the services rendered and expenses incurred (each, a "***Monthly Fee Statement***"), by e-mail, to the following parties (collectively, the "***Notice Parties***"):

i. the Debtors, ModivCare Inc., 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237, Attn: Faisal Khan (Faisal.Khan@modivcare.com);

v. counsel to the First Lien Agent and the Consenting Creditors, Paul Hastings LLP, 71 S. Wacker Drive, Forty-Fifth Floor, Chicago, IL 60606 (Attn: Kris Hansen, Matt Warren, and Lindsey Henrikson

(krishansen@paulhastings.com, mattwarren@paulhastings.com, and lindseyhenrikson@paulhastings.com); and

vi. counsel to the Committee.

Any Professional that fails to submit a Monthly Fee Statement for a particular month or months may subsequently submit a consolidated Monthly Fee Statement that includes a request for compensation earned or expenses incurred during such previous month(s). All Monthly Fee Statements shall comply with the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and applicable law. The first Monthly Fee Statement submitted by each Professional serving as of the Petition Date will cover the period from the Petition Date through and including September 30, 2025. Thereafter, each Monthly Fee Statement shall cover one calendar month (except to the extent that a Professional files a consolidated Monthly Fee Statement, as set forth above).

b. Each Notice Party will have until 4:00 p.m. (prevailing Central Time) on the day that is fourteen days after delivery of a Monthly Fee Statement (the "***Objection Deadline***") to object to the requested fees and expenses in accordance with the procedures described in subparagraph (c) below. Upon the expiration of the Objection Deadline, the Debtors shall promptly pay the applicable Professional an amount equal to 80% of the fees and 100% of the expenses requested in the applicable Monthly Fee Statement (the "***Actual Monthly Payment***") that are not subject to an objection pursuant to subparagraph (c) below.

c. If any Notice Party objects to a Professional's Monthly Fee Statement, such party must serve via e-mail on such Professional and each other Notice Party a written objection (an "***Objection***") so as to be received on or before the Objection Deadline. Any such Objection must identify with specificity the objectionable fees or expenses, including the amount of such objected-to fees or expenses, and the basis for such Objection. Thereafter, the objecting party and the affected Professional may attempt to resolve the Objection on a consensual basis. If the parties are unable to reach a resolution within fourteen days after delivery of the Objection or such later date as both parties agree (the "***Resolution Period***"), the objecting party shall file its Objection with the Court within 3 business days of the expiration of the Resolution Period and serve such Objection on the affected Professional and each of the other Notice Parties. Thereafter, the affected Professional may either (i) file a response to the Objection with the Court or (ii) forego payment of the amount subject to Objection until the next Interim Fee Application or Final Fee Application hearing, at which time the affected Professional may request that the Court consider the Objection. For the avoidance of doubt, the applicable Professional may receive payment of any of the Actual Monthly Payment that is not subject to Objection after the expiration of the Objection Deadline.

d. Beginning with the period ending November 30, 2025, and at three month intervals thereafter (each, an "***Interim Fee Period***"), each Professional shall file with the Court and serve on the Notice Parties an interim fee application (an "***Interim Fee***

Application") for allowance of compensation and reimbursement of expenses sought in the Monthly Fee Statements submitted during such Interim Fee Period and prepared in accordance with the Compensation Procedures. Interim Fee Applications may be filed after the close of each Interim Fee Period. Interim Fee Applications must comply with sections 330 and 331 of the Bankruptcy Code, applicable provisions of the Bankruptcy Rules, Bankruptcy Local Rules, and any other applicable procedures and orders of the Court. The Notice Parties will have twenty-one days after service of an Interim Fee Application to object thereto. The first Interim Fee Application shall cover the Interim Fee Period from the Petition Date through and including November 30, 2025. Notwithstanding anything to the contrary in the Compensation Procedures, a Professional may file a combined Interim Fee Application with its fee application for final allowance of compensation and reimbursement of expenses (a "***Final Fee Application***" and, together with the Interim Fee Applications, the "***Applications***").

e. The Court, in its discretion, may approve an uncontested Interim Fee Application or Final Fee Application without the need for a hearing, upon the Professional's filing of a certificate of no objection or certificate of counsel. Upon allowance by the Court of a Professional's Interim Fee Application, the Debtors shall be authorized to promptly pay such Professional all requested fees (including the 20% holdback) and expenses not previously paid.

f. The pendency of an Objection to payment of compensation or reimbursement of expenses shall not disqualify a Professional from the future payment of compensation or reimbursement of expenses not previously paid pursuant to the Compensation Procedures, unless otherwise ordered by the Court.

2. Neither (a) the payment of or the failure to pay, in whole or in part, a Monthly Fee Statement under the Compensation Procedures nor (b) the filing of or failure to file an Objection with the Court will bind any party in interest or the Court with respect to the final allowance of applications for compensation and reimbursement of expenses of Professionals. All fees and expenses paid to Professionals under the Compensation Procedures are subject to challenge and disgorgement until final allowance by the Court.

3. Each member of any official committee formed by the U.S. Trustee is permitted to submit statements of expenses incurred in the performance of the duties of the committee (excluding third-party counsel expenses of individual committee members) and supporting vouchers to the respective committee's counsel, which counsel shall collect and file the committee

members' requests for reimbursement with this Court in accordance with the Compensation Procedures.

4. The Professionals shall serve the Monthly Fee Statements only on the Notice Parties and shall file Applications with the Court. The Professionals shall serve Hearing Notices concerning Applications on all other parties that have filed a notice of appearance with the Clerk of the Court and requested notice of pleadings in the Chapter 11 Cases.

5. A Professional shall not seek payment in a Final Fee Application for any amounts that such Professional previously sought in a Monthly Fee Statement or Interim Fee Application if (a) such Professional voluntarily waived or reduced such amounts to resolve formal or informal objections or (b) such amounts were disallowed by order of the Court.

6. All notices given in accordance with the Compensation Procedures shall be deemed sufficient and adequate notice and in full compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules.

7. Notice of the Motion as provided therein shall be deemed good and sufficient notice and the requirements of the Bankruptcy Rules and the Bankruptcy Local Rules are satisfied by such notice.

8. The terms and conditions of this Order are immediately effective and enforceable upon its entry.

9. The Debtors are authorized and empowered to take all actions necessary or appropriate to implement the relief granted in this Order.

10. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

All "Collateral" as defined in the Prepetition Second Lien Indenture granted or pledged by such Grantors pursuant to any Prepetition Second Lien Collateral Document or any other Prepetition Second Lien Loan Document shall collectively be referred to herein as the "Prepetition Second Lien Collateral." As of the Petition Date, (I) the Prepetition Second Liens (a) are legal, valid, binding, enforceable, and perfected Liens, (b) were granted to, or for the benefit of, the Prepetition

Second Lien Secured Parties for fair consideration and reasonably equivalent value, (c) are not subject to avoidance, recharacterization, or subordination pursuant to the Bankruptcy Code or applicable non-bankruptcy law (except for the priming contemplated herein), and (d) are subject and subordinate only to (A) the DIP Liens (as defined below), (B) the Prepetition First Liens, (C) the Carve-Out (as defined below), and (D) the Prepetition Prior Liens, and (II) (w) the Prepetition Second Lien Obligations constitute legal, valid, and binding obligations of the applicable Debtors, enforceable in accordance with the terms of the applicable Prepetition Second Lien Loan Documents (other than in respect of the stay of enforcement arising from section 362 of the Bankruptcy Code), (x) no setoffs, recoupments, offsets, defenses, or counterclaims to any of the Prepetition Second Lien Obligations exist, (y) no portion of the Prepetition Second Lien Obligations or any payments made to any or all of the Prepetition Second Lien Secured Parties are subject to avoidance, disallowance, disgorgement, recharacterization, recovery, subordination, attack, offset, counterclaim, defense, or "claim" (as defined in section 101(5) of the Bankruptcy Code) of any kind pursuant to the Bankruptcy Code or applicable non-bankruptcy law, and (z) each of the Subsidiary Guarantees (as defined in the Prepetition Second Lien Indenture) shall continue in full force and effect to unconditionally guaranty the Prepetition Second Lien Obligations notwithstanding any use of Cash Collateral permitted hereunder or any financing and financial accommodations extended by the DIP Secured Parties to the Debtors pursuant to the terms of this Final Order or the DIP Loan Documents.

(iii) Amounts Owed under Prepetition Second Lien Loan Documents. As of the Petition Date, the applicable Debtors owed the Prepetition Second Lien Secured Parties, pursuant to the Prepetition Second Lien Loan Documents, without defense, counterclaim, reduction or offset of any kind, in respect of loans made, letters of credit issued and other financial accommodations

made by the Prepetition Second Lien Secured Parties, an aggregate principal amount of not less than $316,233,250 with respect to the Notes Obligations (as defined in the Prepetition Second Lien Indenture), *plus* all accrued and hereafter accruing and unpaid interest thereon and any additional fees, expenses (including any reasonable attorneys', accountants', appraisers', and financial advisors' fees and expenses that are chargeable or reimbursable under the Prepetition Second Lien Loan Documents), and other amounts now or hereafter due under the Prepetition Second Lien Loan Documents.

F. Cash Collateral. The Prepetition First Lien Secured Parties and Prepetition Second Lien Secured Parties have asserted, and the Debtors, pending the conclusion of the Independent Investigation and notwithstanding anything in the Interim Order to the contrary, believe as of the date hereof that all of the Debtors' cash, including any cash in deposit accounts of the Debtors, wherever located, constitutes Cash Collateral of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties.

G. Intercreditor Agreement. The Intercreditor Agreement, dated as of March 7, 2025 (as amended, restated, supplemented, or otherwise modified in accordance with its terms, the "Intercreditor Agreement"), sets forth subordination and other provisions governing the relative priorities and rights of the Prepetition First Lien Secured Parties and their respective Prepetition First Lien Obligations and Prepetition First Liens, on the one hand, and the Prepetition Second Lien Secured Parties and their respective Prepetition Second Lien Obligations and Prepetition Second Liens, on the other hand. Pursuant to section 510 of the Bankruptcy Code, such Intercreditor Agreement and any other intercreditor agreement or subordination agreement between and/or among the Prepetition First Lien Agent, the Prepetition Second Lien Trustee, any Prepetition First Lien Lender, any Prepetition Second Lien Noteholder, any Debtor or affiliate

thereof, and any other applicable intercreditor or subordination provisions contained in any credit agreement, security agreement, indenture or related document, (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties (including the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims and superpriority administrative expense claims granted, or amounts payable, by the Debtors under this Final Order or otherwise and the modification of the automatic stay), and (iii) shall not be amended, altered or modified by the terms of this Final Order or the DIP Loan Documents, and for avoidance of doubt, any acts or omissions by any Prepetition Second Lien Secured Party in connection with any chapter 11 plan of reorganization or liquidation in these Chapter 11 Cases (whether confirmed under section 1129(a) or (b) of the Bankruptcy Code), and any distributions on account of, or other treatment of, any Prepetition Second Lien Obligations pursuant to any such plan, shall remain subject to the Intercreditor Agreement (including its turnover provisions) or any other applicable intercreditor or subordination provisions.

H. **Findings Regarding the DIP Facility**.

(i) Need for Postpetition Financing. The Debtors have an immediate need to obtain the DIP Facility and use Cash Collateral to, among other things, permit the orderly continuation of the operation of their businesses, to maintain business relationships with vendors, suppliers, and customers, to make payroll, to make capital expenditures, to satisfy other working capital and operational needs, and to otherwise preserve the value of the Debtors' estates. The Debtors' access to sufficient working capital and liquidity through the use of Cash Collateral and borrowing under the DIP Facility is vital to a successful reorganization and/or to otherwise

preserve the enterprise value of the Debtors' estates.

(ii) No Credit Available on More Favorable Terms. The Debtors have been and continue to be unable to obtain financing on more favorable terms from sources other than the DIP Secured Parties under the DIP Loan Documents and this Final Order. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense or secured credit allowable only under sections 364(c)(1), 364(c)(2), or 364(c)(3) of the Bankruptcy Code. The Debtors are unable to obtain secured credit under section 364(d)(1) of the Bankruptcy Code without (a) granting to the DIP Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the DIP Liens and the DIP Superpriority Claims (as defined below), (b) allowing the DIP Secured Parties to provide the loans, letters of credit, and other financial accommodations under the DIP Facility on the terms set forth herein and in the DIP Loan Documents, (c) granting to the Prepetition First Lien Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the Prepetition First Lien Adequate Protection, and (d) granting to the Prepetition Second Lien Secured Parties the rights, remedies, privileges, benefits, and protections provided herein and in the DIP Loan Documents, including the Prepetition Second Lien Adequate Protection (all of the foregoing described in clauses (a), (b), (c) and (d) above, collectively, the "DIP Protections").

I. **Reserved**.

J. **Adequate Protection for Prepetition Secured Parties**. The Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties have agreed to permit the Debtors to use the Prepetition First Lien Collateral and Prepetition Second Lien Collateral, respectively, including the Cash Collateral, subject to the terms and conditions set forth herein,

including the protections afforded a party acting in "good faith" under section 364(e) of the Bankruptcy Code. In addition, the DIP Facility contemplated hereby provides for a priming of the Prepetition First Liens and the Prepetition Second Liens pursuant to section 364(d) of the Bankruptcy Code. The Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties are entitled to the adequate protection as set forth herein pursuant to sections 361, 362, 363, and 364 of the Bankruptcy Code. Based on the DIP Motion and on the record presented to this Court at the Final Hearing, the terms of the proposed adequate protection arrangements, use of the Cash Collateral, and the DIP Facility contemplated hereby are fair and reasonable, reflect the Debtors' prudent exercise of business judgment consistent with their fiduciary duties, and constitute reasonably equivalent value and fair consideration for the consent of the Prepetition First Lien Secured Parties. Prepetition First Lien Lenders holding more than 50% of the aggregate principal balance of the Loans (as defined in the Prepetition First Lien Credit Agreement) (which Prepetition First Lien Lenders constitute "Required Lenders," as defined in the Prepetition First Lien Credit Agreement, the "Required Prepetition First Lien Lenders") have expressly consented to the entry of this Final Order and the relief provided herein and pursuant to the terms of the Prepetition First Lien Credit Agreement, the consents of such Prepetition First Lien Lenders are binding on all Prepetition First Lien Secured Parties. None of the remaining Prepetition First Lien Secured Parties has filed an objection to the entry of this Final Order or the relief provided herein, and in any event, the prepetition Liens and security interests of such parties are adequately protected pursuant to the terms of this Final Order. Notwithstanding anything to the contrary herein, the Prepetition First Lien Secured Parties' consent to the DIP Facility and to the priming of the Prepetition First Liens by the DIP Liens is expressly limited to the present DIP Facility and the DIP Liens securing same and shall not be applicable to any other debtor-in-possession credit

facility, even if it contains substantially the same economic terms as this DIP Facility. Pursuant to the terms of the Intercreditor Agreement, the Prepetition Second Lien Noteholders are deemed to have consented to the entry of this Final Order and the relief provided herein.

K. **Section 552**. In light of the subordination of their Liens and superpriority administrative claims to the Carve-Out and the DIP Liens, each of the Prepetition First Lien Secured Parties is entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code and the "equities of the case" exception shall not apply.

L. **Business Judgment and Good Faith Pursuant to Section 364(e)**.

(i) The DIP Secured Parties have indicated a willingness to provide postpetition secured financing via the DIP Facility to the Debtors in accordance with the DIP Loan Documents and this Final Order.

(ii) The terms and conditions of the DIP Facility and the DIP Backstop Commitment Letters (as defined in the Restructuring Support Agreement and as previously approved on a final basis in the Interim Order) as set forth in the DIP Loan Documents, and the DIP Backstop Commitment Letters and this Final Order, and the fees, expenses and other charges paid and to be paid thereunder or in connection therewith (including, without limitation, the Backstop Premium (as defined in the DIP Backstop Commitment Letters and as previously approved on a final basis in the Interim Order)), are fair, reasonable, and the best available under the circumstances, and the Debtors' agreement to the terms and conditions of the DIP Loan Documents and to the payment of such fees reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties. Such terms and conditions are supported by reasonably equivalent value and fair consideration.

(iii) The DIP Secured Parties, the Prepetition First Lien Secured Parties

and the Debtors, with the assistance and counsel of their respective advisors, have acted in good faith and at arms' length in, as applicable, negotiating, consenting to, and/or agreeing to, the DIP Facility, the Debtors' use of the DIP Collateral and the Prepetition First Lien Collateral (including Cash Collateral), the DIP Loan Documents and the DIP Protections (including the Prepetition First Lien Adequate Protection and the Prepetition Second Lien Adequate Protection). The DIP Obligations (including all advances that are made at any time to the Debtors under the DIP Loan Documents) and the Debtors' use of the DIP Collateral, the Prepetition First Lien Collateral and the Prepetition Second Lien Collateral (including Cash Collateral) shall be deemed to have been extended and/or consented to by the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties for valid business purposes and uses and in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express and good faith reliance upon the protections offered by section 364(e) of the Bankruptcy Code and this Final Order, and, accordingly, the DIP Liens, the DIP Superpriority Claims, the Prepetition First Lien Adequate Protection, the Prepetition Second Lien Adequate Protection and the other DIP Protections shall be entitled to the full protection of section 364(e) of the Bankruptcy Code and this Final Order in the event this Final Order or any other order or any provision hereof or thereof is vacated, reversed, amended, or modified, on appeal or otherwise.

M. **Relief Essential; Best Interest**. For the reasons stated above, the Debtors have requested immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), and the Bankruptcy Local Rules. Absent granting the relief set forth in this Final Order, the Debtors' estates, their businesses and properties and their ability to successfully reorganize or otherwise preserve the enterprise value of the Debtors' estates will be immediately and irreparably harmed. Consummation of the DIP Facility and authorization of the use of Cash

Collateral in accordance with this Final Order and the DIP Loan Documents is therefore in the best interests of the Debtors' estates and consistent with their fiduciary duties. Based on all of the foregoing, sufficient cause exists for immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2) and the applicable Local Rules.

NOW, THEREFORE, based on the DIP Motion and the record before this Court with respect to the DIP Motion, and with the consent of the Debtors, the Prepetition First Lien Agent and the requisite Prepetition First Lien Secured Parties (on behalf of all of the Prepetition First Lien Secured Parties), the Prepetition Second Lien Trustee (on behalf of all of the Prepetition Second Lien Secured Parties) and the DIP Agent (on behalf of all of the DIP Secured Parties) to the form and entry of this Final Order, and good and sufficient cause appearing therefor,

IT IS ORDERED that:

1. **Motion Granted**. The DIP Motion is hereby granted in accordance with the terms and conditions set forth in this Final Order and the DIP Loan Documents. Any objections to the DIP Motion with respect to the entry of this Final Order that have not been withdrawn, waived, or settled, and all reservations of rights included therein, are hereby denied and overruled.

2. **DIP Loan Documents and DIP Protections**.

(a) Approval of DIP Loan Documents. The Debtors are expressly and immediately authorized to establish the DIP Facility, to execute, deliver, and perform under the DIP Loan Documents and this Final Order, to incur the DIP Obligations (as defined below), in accordance with, and subject to, the terms of this Final Order and the DIP Loan Documents, and to execute, deliver, and perform under all other instruments, certificates, agreements, and documents that may be required or necessary for the performance by the applicable Debtors under the DIP Loan Documents and the creation and perfection of the DIP Liens described in, and provided for, by

this Final Order and the DIP Loan Documents. The Debtors are hereby authorized and empowered to do and perform all acts and pay the principal, interest, fees, expenses, and other amounts described in the DIP Loan Documents as such become due pursuant to the DIP Loan Documents and this Final Order, including all closing fees, administrative fees, commitment fees, and reasonable attorneys', financial advisors', and accountants' fees, and disbursements arising under the DIP Loan Documents and this Final Order, which amounts shall not be subject to further approval of this Court and shall be non-refundable and not subject to challenge in any respect; provided, however, that the payment of the fees and expenses of the Lender Professionals (as defined below) shall be subject to the provisions of Paragraph 20(b). Upon their execution and delivery, the DIP Loan Documents shall represent the legal, valid and binding obligations of the applicable Debtors enforceable against such Debtors in accordance with their terms. Each officer of a Debtor (including the Chief Transformation Officer) acting singly is hereby authorized to execute and deliver each of the DIP Loan Documents, such execution and delivery to be conclusive evidence of such officer's respective authority to act in the name of and on behalf of the Debtors.

(b) DIP Obligations. For purposes of this Final Order, the term "DIP Obligations" shall mean all amounts and other obligations and liabilities owing by the respective Debtors under the DIP Credit Agreement and other DIP Loan Documents (including all "Obligations" as defined in the DIP Credit Agreement) and shall include the principal of, interest on, and fees, costs, expenses, and other charges owing in respect of, such amounts (including any reasonable attorneys', accountants', financial advisors', and other fees, costs, and expenses that are chargeable or reimbursable under the DIP Loan Documents and/or this Final Order), and any obligations in respect of indemnity claims, whether contingent or otherwise.

(c) Authorization to Incur DIP Obligations and Use Cash Collateral. To enable the Debtors to continue to operate their businesses and preserve and maximize the value of their estates, during the period from the entry of this Final Order through and including the delivery of the Termination Declaration (as defined below), in each case unless extended by written agreement of the Required DIP Lenders and Required Prepetition First Lien Lenders, (I) the Borrower is hereby authorized to (a) incur DIP Obligations in an aggregate principal amount not to exceed $100 million in the aggregate ($37.5 million incremental from the amount approved in the Interim Order) under the DIP Facility and (b) use Cash Collateral and (II) any proposed use of the proceeds of DIP Loans or use of Cash Collateral shall be consistent with the terms and conditions of this Final Order and the DIP Loan Documents, including the Approved Budget and the Budget Covenants as defined and contained in Paragraph 2(e) and (f) below. All DIP Obligations shall be unconditionally guaranteed, on a joint and several basis, by the DIP Guarantors, as further provided in the DIP Loan Documents.

(d) DIP Account. The Debtors shall, immediately upon receipt of any proceeds of the DIP Facility, deposit such amounts into a segregated account (the "DIP Account") of the Borrower, which amounts may only be drawn in accordance with the Approved Budget (subject to Budget Covenants), the terms and conditions of this Final Order, and the DIP Credit Agreement, and with all funds held in the DIP Account deemed to be DIP Collateral. Once withdrawn from the DIP Account, the funds shall continue to be DIP Collateral until such funds are first used by the Debtors, and at all times the Debtors shall, notwithstanding any potential commingling, establish commercially reasonable internal cash management procedures to allow for the continued tracing of such funds. Funds in the DIP Account will become available to be drawn by and/or shall be

disbursed to the Debtors in accordance with the Approved Budget (subject to Budget Covenants), this Final Order, and the DIP Credit Agreement.

(e) Budget. Attached as Schedule 1 to the Interim Order is a rolling 13-week cash flow budget (the "Initial Approved Budget") that reflects on a line-item basis the Debtors' (i) weekly projected cash receipts (including from non-ordinary course assets sales), (ii) weekly projected disbursements (including ordinary course operating expenses, bankruptcy-related expenses under the Chapter 11 Cases, capital expenditures, and estimated fees and expenses of the DIP Agent (including counsel and financial advisors therefor) and any other fees and expenses relating to the DIP Facility), and (iii) the sum of weekly unrestricted cash on hand and cash in the segregated account (collectively, "Liquidity"). The Debtors shall prepare and deliver to the DIP Agent (for distribution to the DIP Lenders) and counsel to the Committee an updated "rolling" 13-week budget in accordance with Schedule 5.01(f) to the DIP Credit Agreement (or, at the option of the Borrower, more frequently) (the "Updated Budget"), which shall become the then "Approved Budget" upon approval by Required DIP Lenders in their sole discretion (and to the extent any Updated Budget is not approved by the Required DIP Lenders, the Approved Budget that is then in effect shall continue to constitute the Approved Budget for purposes of the DIP Facility); provided, however, that (i) the Updated Budget will be deemed approved unless the Required DIP Lenders provide written notice of their objection thereto (email being sufficient) within three (3) Business Days of the delivery of such Updated Budget, and during such period, the Initial Approved Budget or most recent Approved Budget, as applicable, shall remain in effect (the "Interim Approval Period"), (ii) following the Interim Approval Period, if no objection is received from the Required DIP Lenders pursuant to clause (i), the Updated Budget shall be deemed the "Approved Budget" (it being understood that the Approved Budget shall be the initial Approved

Budget until superseded by an approved Updated Budget), and (iii) the Required DIP Lenders shall not have any obligation to approve any Updated Budget. The Debtors shall file a copy of any Approved Budget in these Chapter 11 Cases within one (1) business day of approval. The Borrower shall provide to counsel to the DIP Agent and counsel to the Committee, on or prior to the Friday of each week, Approved Budget variance reports on a line-item basis and Liquidity reports, in each case, for the cumulative Reporting Period pursuant to Schedule 5.01(f) to the DIP Credit Agreement and a computation of Liquidity as of the preceding calendar week-end. Notwithstanding anything to the contrary in this Final Order, the professional fees, costs and expenses of the DIP Agent's advisors and the Prepetition First Lien Agent's advisors, respectively, shall be due, payable and paid in accordance with the terms of this Final Order notwithstanding any budgeted amounts for such fees, costs and expenses set forth in the Approved Budget, and the Debtors shall not be deemed to have breached the terms of the Approved Budget or the Budget Covenants (as defined in 2(f)) to the extent the actual amount of such fees, costs and expenses exceed the applicable budgeted amounts as set forth in the Approved Budget. For the avoidance of doubt, the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7.

(f) Budget Covenants. The Debtors shall only incur DIP Obligations in accordance with the DIP Loan Documents and this Final Order. It shall be an Event of Default under the DIP Loan Documents if the Debtors expend Cash Collateral and other DIP Collateral proceeds other than in accordance with the Approved Budget (and in the case of the fees, costs and expenses of the Required DIP Lenders, the Required Prepetition First Lien Lenders, in accordance with the DIP Loan Documents and this Final Order without being limited by the Approved Budget), subject to the following Permitted Variances (as defined below). As of the last date of each Test

Period, (1) the unfavorable variance (as compared to the Approved Budget) of the cumulative operating cash receipts of the Debtors shall not exceed 15% and (2) the unfavorable variance (as compared to the Approved Budget) of the cumulative operating disbursements (other than professional fees and expenses incurred by the Debtors, the DIP Agent, and the advisors to the Backstop Parties (as defined in the DIP Backstop Commitment Letters)) shall not exceed 15%, in each case, (collectively, the "Permitted Variances"). "Test Period" shall mean (i) initially, the period commencing on the Monday immediately prior to the Petition Date and ending on September 28, 2025, and (ii) thereafter, the four- or five-week period ending on the last Sunday of the month. For the avoidance of doubt, see Schedule 5.01(f) to the DIP Credit Agreement for Variance and Liquidity reporting. The foregoing budget-related covenants are collectively referred to herein as the "Budget Covenants." The foregoing shall not limit the timely payment of Allowed Professional Fees (regardless of whether such amounts are set forth in the Approved Budget) prior to the delivery of a Carve-Out Trigger Notice.

(g) Interest, Fees, Costs, Indemnities and Expenses. The DIP Obligations shall bear interest at the rates, and be due and payable (and paid), as set forth in, and in accordance with the terms and conditions of, this Final Order and the DIP Loan Documents, in each case without further notice, motion, or application to, order of, or hearing before, this Court. The Debtors shall pay on demand all fees, costs, indemnities, expenses (including, subject to Paragraph 20(b), reasonable out-of-pocket legal and other professional fees and expenses of the DIP Agent) and other charges payable under the terms of the DIP Loan Documents. All such fees, costs, indemnities, expenses and disbursements, whether incurred, paid or required to be paid prepetition or post-petition and whether or not budgeted in the Approved Budget, are hereby affirmed, ratified, authorized and payable (and any funds held by the DIP Agent and/or its

professionals as of the Petition Date for payment of such fees, costs, indemnities, expenses and disbursements may be applied for payment) as contemplated in this Final Order and the DIP Loan Documents, and, subject to the provisions of Paragraph 20(b) with respect to the fees and expenses of the Lender Professionals, shall be non-refundable and not subject to challenge in any respect.

(h) Use of DIP Facility and Proceeds of DIP Collateral. The Borrower shall use the proceeds of all DIP Collateral solely in accordance with this Final Order and the DIP Loan Documents; provided, that the foregoing shall not limit the timely payment of Allowed Professional Fees that benefit from the Carve-Out as set forth in Paragraph 7. Without limiting the foregoing, the Debtors shall not be permitted to make any payments from the DIP Collateral, the proceeds of DIP Loans or otherwise on account of any prepetition debt or obligation prior to the effective date of a confirmed chapter 11 plan or plans with respect to any of the Debtors, except (a) with respect to the Prepetition First Lien Obligations as set forth in the Interim Order and this Final Order; (b) as provided in the "first day" orders, which "first day" orders shall be in form and substance reasonably acceptable to the Required DIP Lenders and the Required Prepetition First Lien Lenders; (c) as expressly provided in other orders of this Court in form and substance reasonably acceptable to the Required DIP Lenders and the Required Prepetition First Lien Lenders; or (d) as otherwise expressly provided in the DIP Credit Agreement.

(i) Conditions Precedent. The DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties each have no obligation to extend credit under the DIP Facility or permit use of any DIP Collateral, Prepetition First Lien Collateral or Prepetition Second Lien Collateral or any proceeds thereof, including Cash Collateral, as applicable, unless and until all conditions precedent to the extension of credit and/or use of DIP

Collateral, Prepetition First Lien Collateral, Prepetition Second Lien Collateral or proceeds thereof under the DIP Loan Documents and this Final Order have been satisfied in full or waived by the Required DIP Lenders and the Required Prepetition First Lien Lenders in accordance with the DIP Loan Documents or Prepetition First Lien Credit Agreement or Intercreditor Agreement, as applicable, and this Final Order.

(j) DIP Liens. As security for the DIP Obligations, effective as of the Petition Date, the following security interests and Liens, which shall immediately and without any further action by any Person be valid, binding, permanent, perfected, continuing, enforceable, and non-avoidable upon the entry of this Final Order, are hereby granted by the Debtors to the DIP Agent, for itself and the other DIP Secured Parties (all such security interests and Liens granted to the DIP Agent for the benefit of all the DIP Secured Parties pursuant to this Final Order and the DIP Loan Documents, the "DIP Liens"), on all property of the Debtors, now existing or hereinafter acquired, including all cash and cash equivalents (whether maintained with the DIP Agent or otherwise), and any investment in such cash or cash equivalents, money, inventory, goods, accounts receivable, other rights to payment, intercompany loans and other investments, securities and other investment property, contracts, contract rights, properties, plants, equipment, machinery, general intangibles, payment intangibles, accounts, deposit accounts, documents, instruments, chattel paper, documents of title, letters of credit, letter of credit rights, supporting obligations, leases and other interests in leaseholds, real property, fixtures, patents, copyrights, trademarks, trade names, other intellectual property, intellectual property licenses, permits, franchise rights, capital stock and other equity interests of subsidiaries and in other entities, tax and other refunds, insurance proceeds, commercial tort claims, the proceeds of Avoidance Actions, and other causes of action, and proceeds relating thereto, proceeds arising under section 549 of the Bankruptcy Code (whether

received by judgment, settlement or otherwise), all other Collateral (as defined in the DIP Loan Documents), and all other "property of the estate" (as defined in section 541 of the Bankruptcy Code) of any kind or nature, real or personal, tangible, intangible, or mixed, now existing or hereafter acquired or created, and all rents, products, substitutions, accessions, profits, replacements, and cash and non-cash proceeds of all of the foregoing, in each case wherever located; provided, however, that the DIP Liens shall not include any "Excluded Assets" (as defined in the DIP Loan Documents) (all of the foregoing collateral collectively referred to as the "DIP Collateral"):

(I) pursuant to section 364(c)(2) of the Bankruptcy Code, a perfected, binding, continuing, enforceable, and non-avoidable first priority Lien (junior only to the Carve-Out) on all unencumbered DIP Collateral, including proceeds of the Debtors' claims and causes of action under sections 502(d), 544, 545, 547, 548, 550 and 553 of the Bankruptcy Code and any other avoidance or similar action under the Bankruptcy Code or similar state or municipal law and the proceeds of each of the foregoing (collectively, the "Avoidance Actions", which for avoidance of doubt, excludes proceeds arising from the Debtors' claims and causes of action under section 549 of the Bankruptcy Code or similar state or municipal law), whether received by judgment, settlement, or otherwise;

(II) pursuant to section 364(c)(3) of the Bankruptcy Code, a perfected, binding, continuing, enforceable, and non-avoidable Lien upon all DIP Collateral that is subject to the Prepetition Prior Liens, which DIP Lien shall be junior only to such Prepetition Prior Liens and the Carve-Out; and

(III) pursuant to section 364(d)(1) of the Bankruptcy Code, a perfected, binding, continuing, enforceable and non-avoidable first priority, senior priming Lien on all other DIP Collateral (including Cash Collateral), which DIP Lien (x) shall be senior to the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens and senior and priming to (A) the Prepetition First Liens, (B) the Prepetition Second Liens and (C) any other Liens that are junior to the Prepetition First Liens or the First Lien Adequate Protection Liens, after giving effect to any intercreditor or subordination agreements (the Liens referenced in clauses (A) and (B), collectively, the "Primed Liens") and shall be junior only to the Prepetition Prior Liens and the Carve-Out.

(k) DIP Lien Priority. Notwithstanding anything to the contrary contained in this Final Order or the DIP Loan Documents, for the avoidance of doubt, the DIP Liens granted to the DIP

Agent for the benefit of the DIP Secured Parties shall in each and every case be first priority senior Liens that (i) are subject only to the Prepetition Prior Liens and the Carve-Out, and (ii) except as provided in the immediately preceding sub-clause (i), are senior to all prepetition and postpetition Liens or other interests of any kind of any other person or entity (including the Primed Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens), whether created voluntarily or involuntarily (including by order of a court).

(l) Enforceable Obligations. The DIP Loan Documents shall constitute and evidence the valid and binding DIP Obligations of the Debtors, which DIP Obligations shall be enforceable against the Debtors, their estates and any successors thereto (including any trustee or other estate representative in any Successor Case (as defined below)), and their creditors and other parties-in-interest, in accordance with their terms. No obligation, payment, transfer, or grant of security under the DIP Credit Agreement, the other DIP Loan Documents, or this Final Order shall be stayed, restrained, voidable, avoidable, disallowable or recoverable under the Bankruptcy Code or under any applicable law (including under sections 502(d), 544, 547, 548, or 549 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, surcharge, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

(m) Superpriority Administrative Claim Status. In addition to the DIP Liens granted herein, effective immediately upon entry of this Final Order, all of the DIP Obligations shall constitute allowed superpriority administrative claims pursuant to section 364(c)(1) of the Bankruptcy Code, which shall have priority, subject only to the payment of the Carve-Out in full

in cash in accordance with this Final Order, over all administrative expense claims, adequate protection and other diminution claims (including the First Lien Adequate Protection Superpriority Claims and the Second Lien Adequate Protection Superpriority Claims (each as defined below)), priority and other unsecured claims, and all other claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses or other claims of the kinds specified in, or ordered pursuant to, sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546, 726, 1113, and 1114 or any other provision of the Bankruptcy Code or otherwise, whether or not such expenses or claims may become secured by a judgment Lien or other non-consensual Lien, levy, or attachment (the "DIP Superpriority Claims"). The DIP Superpriority Claims shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code, be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code, shall be against each Debtor on a joint and several basis, and shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof, excluding any Avoidance Actions but including proceeds of any Avoidance Actions. Other than as expressly provided in the DIP Credit Agreement and/or this Final Order with respect to the Carve-Out, no costs or expenses of administration, including professional fees allowed and payable under sections 328, 330, or 331 of the Bankruptcy Code, or otherwise, that have been or may be incurred in these proceedings, or in any Successor Cases, and no priority claims are, or will be, senior to, prior to, or on a parity with the DIP Superpriority Claims or the DIP Obligations, or with any other claims of the DIP Secured Parties arising under the DIP Loan Documents and/or this Final Order.

(n) Priority of DIP Liens and DIP Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the DIP Liens and the DIP Superpriority Claims:

(A) shall not be subject to sections 506, 510, 549, 550, or 551 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor's property, (C) shall be valid and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases, upon the conversion of any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code or in any other proceedings related to any of the foregoing (each, a "Successor Case"), and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any "first day" orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such "first day" orders.

3. **Adequate Protection for Prepetition First Lien Secured Parties**. In consideration for the use of the Prepetition First Lien Collateral (including Cash Collateral) and the priming of the Prepetition First Liens, the Prepetition First Lien Agent, for the benefit of the Prepetition First Lien Secured Parties, shall receive the following adequate protection (collectively referred to as the "Prepetition First Lien Adequate Protection"):

(i) First Lien Adequate Protection Liens. To the extent there is a diminution in value of the interests of the Prepetition First Lien Secured Parties in the Prepetition First Lien Collateral (including Cash Collateral) from and after the Petition Date, whether or not resulting from the use, sale, or lease by the Debtors of the applicable Prepetition First Lien Collateral (including Cash Collateral), the granting of the DIP Superpriority Claims, the granting of the DIP Liens, the subordination of the Prepetition First Liens thereto and to the Carve-Out, the imposition or enforcement of the automatic stay of section 362(a) of the Bankruptcy Code

("Diminution in Prepetition First Lien Collateral Value"), the Prepetition First Lien Agent, for the benefit of all the Prepetition First Lien Secured Parties, is hereby granted, subject to the terms and conditions set forth below, pursuant to sections 361 and 363(e) of the Bankruptcy Code, replacement Liens upon all of the DIP Collateral, including the proceeds of Avoidance Actions (such adequate protection replacement Liens, the "First Lien Adequate Protection Liens"), which First Lien Adequate Protection Liens on such DIP Collateral shall be subject and subordinate only to the DIP Liens, the Prepetition Prior Liens, and the Carve-Out.

(ii) First Lien Adequate Protection Superpriority Claims. To the extent of Diminution in Prepetition First Lien Collateral Value, the Prepetition First Lien Secured Parties are hereby further granted allowed superpriority administrative claims (such adequate protection superpriority claims, the "First Lien Adequate Protection Superpriority Claims"), pursuant to section 507(b) of the Bankruptcy Code, with priority over all administrative expense claims and priority and other unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses of the kind specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provision of the Bankruptcy Code or otherwise, junior only to the DIP Superpriority Claims and the Carve-Out, and payable from and having recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding any Avoidance Actions but including all proceeds of any Avoidance Actions); provided, however, that the Prepetition First Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the First Lien Adequate Protection Superpriority Claims unless and until all DIP Obligations have been Paid in Full (as defined below). Subject to the relative priorities set forth above, the First Lien Adequate Protection Superpriority Claims against each

Debtor shall be allowed and enforceable against each Debtor and its estate on a joint and several basis. For purposes of this Final Order, the terms "Paid in Full," "Repaid in Full," "Repay in Full," and "Payment in Full" shall mean, with respect to any referenced DIP Obligations, Prepetition First Lien Obligations and/or Prepetition Second Lien Obligations, (i) the indefeasible payment in full in cash of such obligations, (ii) the termination or cash collateralization, in accordance with the DIP Loan Documents, Prepetition First Lien Loan Documents or Prepetition Second Lien Loan Documents, as applicable, of all undrawn letters of credit outstanding thereunder, and (iii) the termination of all credit commitments under the DIP Loan Documents, Prepetition First Lien Loan Documents and/or Prepetition Second Lien Loan Documents, as applicable; provided, however, that the First Lien Adequate Protection Superpriority Claims granted to the Prepetition First Lien Secured Parties may be impaired pursuant to any chapter 11 plan of reorganization in the Chapter 11 Cases with the vote of the applicable class of the holders of such claims that satisfies the requirements of section 1126 of the Bankruptcy Code, in which case, Paid in Full (or any of the other variants of this phrase referenced above) would occur upon consummation of such plan.

(iii) Priority of First Lien Adequate Protection Liens and First Lien Adequate Protection Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the First Lien Adequate Protection Liens and the First Lien Adequate Protection Superpriority Claim (as defined below) (A) shall not be subject to sections 506(c), 510, 549, 550, or 551 of the Bankruptcy Code or the "equities of the case" exception of section 552 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor's property, (C) shall be valid, binding,

perfected and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases or any Successor Cases, and/or upon the dismissal of any of the Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any "first day" orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such "first day" orders.

(iv) Professional Fees and Interest. Without limiting any rights of the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties under section 506(b) of the Bankruptcy Code, which rights are hereby preserved, and in consideration, and as a requirement, for obtaining the consent of the Prepetition First Lien Secured Parties to the entry of this Final Order and the Debtors' consensual use of Cash Collateral as provided herein, the Debtors shall (i) pay or reimburse in cash the Prepetition First Lien Agent for any and all fees, costs, expenses, and charges (including, subject to Paragraph 20(b) below, the reasonable fees, costs, and expenses of counsel and financial advisors for the Prepetition First Lien Agent) to the extent, and at the times, payable under the Prepetition First Lien Loan Documents, including any unpaid fees, costs and expenses accrued prior to the Petition Date and (ii) to the extent the Prepetition First Lien Secured Parties are oversecured under section 506(b) of the Bankruptcy Code, pay to the applicable Prepetition First Lien Secured Parties interest on the Prepetition First Lien Obligations under the Prepetition First Lien Credit Agreement accruing at the applicable rate set forth in Section 2.13(d) of the Prepetition First Lien Credit Agreement, to be capitalized to the outstanding principal of the Loans on the last Business Day of each calendar month after the Petition Date whether or not budgeted in the Approved Budget, and without further notice (except as provided in Paragraph 20(b) below with respect to postpetition professional fees, costs, and expenses), motion, or application to, order of, or hearing before, this Court; *provided*, that, to the extent the

Prepetition First Lien Secured Parties are undersecured, no postpetition interest shall accrue or be payable to the Prepetition First Lien Secured Parties and any previously accrued or capitalized postpetition interest amounts shall be waived.

(v) First Lien Reporting. The Debtors shall deliver to the Prepetition First Lien Secured Parties all information, reports, documents and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Loan Documents.

(vi) Unless otherwise expressly set forth herein, any consent or approval rights or similar rights granted or referenced in this Final Order in favor of any or all of the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties may be exercised (or not exercised) in the sole discretion of such party.

(vii) Consent to Priming and Adequate Protection. The Prepetition First Lien Agent, on behalf of the Prepetition First Lien Secured Parties, consents to the Prepetition First Lien Adequate Protection and the priming provided for herein; provided, however, that such consent of the Prepetition First Lien Agent to the priming of the Prepetition First Liens and the use of Cash Collateral is expressly conditioned upon the entry of this Final Order, and such consent shall not be deemed to extend to any other Cash Collateral usage or other replacement financing or debtor-in-possession financing other than the DIP Facility provided under the DIP Loan Documents; and provided, further, that such consent shall be of no force and effect in the event this Final Order is not entered or is entered and subsequently reversed, modified, stayed, or amended (unless such reversal, modification, stay, or amendment is acceptable to the Prepetition First Lien Agent) or the DIP Loan Documents and DIP Facility as set forth herein are not approved.

(viii) Right to Seek Additional Adequate Protection. Under the circumstances and given that the above-described adequate protection is consistent with the

Bankruptcy Code, including section 506(b) thereof, this Court finds that the adequate protection provided herein is reasonable to protect the interests of the Prepetition First Lien Secured Parties. However, the Prepetition First Lien Agent, on behalf of the Prepetition First Lien Secured Parties, may request Court approval for additional or alternative adequate protection, without prejudice to any objection of the Debtors or any other party in interest to the grant of any additional or alternative adequate protection (except as provided in the Intercreditor Agreement); provided that any such additional or alternative adequate protection shall at all times be subordinate and junior to (i) the Carve-Out and (ii) the claims and Liens of the DIP Secured Parties granted under this Final Order and the DIP Loan Documents. The consent of the Prepetition First Lien Secured Parties to the priming of the Prepetition First Liens by the DIP Liens and the Debtors' use of Cash Collateral on the terms set forth herein does not constitute, and shall not be construed as constituting, an acknowledgment or stipulation by the Prepetition First Lien Secured Parties that their respective interests in the Prepetition First Lien Collateral are adequately protected pursuant to this Final Order or otherwise.

4. **Adequate Protection for Prepetition Second Lien Secured Parties**. In consideration for the use of the Prepetition Second Lien Collateral (including Cash Collateral) and the priming of the Prepetition Second Liens, the Prepetition Second Lien Trustee, for the benefit of the Prepetition Second Lien Secured Parties, shall receive the following adequate protection (collectively referred to as the "Prepetition Second Lien Adequate Protection"):

(i) Second Lien Adequate Protection Liens. To the extent there is a diminution in value of the interests of the Prepetition Second Lien Secured Parties in the Prepetition Second Lien Collateral (including Cash Collateral) from and after the Petition Date, whether or not resulting from the use, sale, or lease by the Debtors of the applicable Prepetition

Second Lien Collateral (including Cash Collateral), the granting of the DIP Superpriority Claims, the granting of the DIP Liens, the subordination of the Prepetition Second Liens thereto and to the Carve-Out, the imposition or enforcement of the automatic stay of section 362(a) of the Bankruptcy Code ("Diminution in Prepetition Second Lien Collateral Value"), the Prepetition Second Lien Trustee, for the benefit of all the Prepetition Second Lien Secured Parties, is hereby granted, subject to the terms and conditions set forth below, pursuant to sections 361 and 363(e) of the Bankruptcy Code, replacement Liens upon all of the DIP Collateral, including the proceeds of Avoidance Actions (such adequate protection replacement Liens, the "Second Lien Adequate Protection Liens"), which Second Lien Adequate Protection Liens on such DIP Collateral shall be subject and subordinate only to the DIP Liens, the Prepetition Prior Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens and the Carve-Out.

(ii) Second Lien Adequate Protection Superpriority Claims. To the extent of Diminution in Prepetition Second Lien Collateral Value, the Prepetition Second Lien Secured Parties are hereby further granted allowed superpriority administrative claims (such adequate protection superpriority claims, the "Second Lien Adequate Protection Superpriority Claims"), pursuant to section 507(b) of the Bankruptcy Code, with priority over all administrative expense claims and priority and other unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including administrative expenses of the kind specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provision of the Bankruptcy Code or otherwise, junior only to the DIP Superpriority Claims, the First Lien Adequate Protection Superpriority Claims and the Carve-Out, and payable from and having recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof (excluding any Avoidance

Actions but including all the proceeds of Avoidance Actions); provided, however, that the Prepetition Second Lien Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the Second Lien Adequate Protection Superpriority Claims unless and until all DIP Obligations and Prepetition First Lien Obligations have been Paid in Full; provided, further, that the Second Lien Adequate Protection Superpriority Claims granted to the Prepetition Second Lien Secured Parties may be impaired pursuant to any chapter 11 plan of reorganization in the Chapter 11 Cases with the vote of the applicable class of the holders of such claims that satisfies the requirements of section 1126 of the Bankruptcy Code, in which case, Paid in Full (or any of the other variants of this phrase referenced above) would occur upon consummation of such plan. Subject to the relative priorities set forth above, the Second Lien Adequate Protection Superpriority Claims against each Debtor shall be allowed and enforceable against each Debtor and its estate on a joint and several basis.

(iii) Priority of Second Lien Adequate Protection Liens and Second Lien Adequate Protection Superpriority Claims. Without affecting, modifying or limiting the scope or priority of the Carve-Out, the Second Lien Adequate Protection Liens and the Second Lien Adequate Protection Superpriority Claim (as defined below) (A) shall not be subject to sections 506(c), 510, 549, 550, or 551 of the Bankruptcy Code or the "equities of the case" exception of section 552 of the Bankruptcy Code, (B) shall not be subordinate to, or *pari passu* with, (x) any Lien that is avoided and preserved for the benefit of the Debtors and their estates under section 551 of the Bankruptcy Code or otherwise or (y) any Liens or claims of any Debtor or any direct or indirect subsidiary thereof against any Debtor or any of such Debtor's property, (C) shall be valid, binding, perfected and enforceable against any trustee or any other estate representative elected or appointed in the Chapter 11 Cases or any Successor Cases, and/or upon the dismissal of any of the

Chapter 11 Cases, and (D) notwithstanding anything to the contrary in any "first day" orders of this Court in any of the Chapter 11 Cases, shall be senior to any administrative claims arising under any such "first day" orders.

(iv) Second Lien Reporting. The Debtors shall deliver to the Prepetition Second Lien Secured Parties all information, reports, documents and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Loan Documents.

(v) Consent to Priming and Adequate Protection. The Prepetition Second Lien Trustee, on behalf of the Prepetition Second Lien Secured Parties, consents to the Prepetition Second Lien Adequate Protection and the priming provided for herein; provided, however, that such consent of the Prepetition Second Lien Trustee to the priming of the Prepetition Second Liens and the use of Cash Collateral is expressly conditioned upon the entry of this Final Order, and such consent shall not be deemed to extend to any other Cash Collateral usage or other replacement financing or debtor-in-possession financing other than the DIP Facility provided under the DIP Loan Documents; and provided, further, that such consent shall be of no force and effect in the event this Final Order is not entered or is entered and subsequently reversed, modified, stayed, or amended (unless such reversal, modification, stay, or amendment is acceptable to the Prepetition Second Lien Trustee) or the DIP Loan Documents and DIP Facility as set forth herein are not approved.

5. **Automatic Postpetition Lien Perfection.** This Final Order shall be sufficient and conclusive evidence of the validity, enforceability, perfection, and priority of the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens without the necessity of (a) filing or recording any financing statement, deed of trust, mortgage, or other instrument or document that may otherwise be required under the law of any jurisdiction, (b)

obtaining "control" (as defined in any applicable Uniform Commercial Code or other law) over any DIP Collateral (and the DIP Agent and, after Payment in Full of the DIP Facility, the Prepetition First Lien Agent and, after Payment in Full of the Prepetition First Lien Credit Agreement, the Prepetition Second Lien Trustee shall be deemed, without any further action, to have control over all the Debtors' deposit accounts, securities accounts and commodities accounts within the meaning of such Uniform Commercial Code and other law) or (c) taking any other action to validate or perfect the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens or to entitle the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agent, the Prepetition First Lien Agent (in the latter case, solely with respect to the First Lien Adequate Protection Liens) and the Prepetition Second Lien Trustee (in the latter case, solely with respect to the Second Lien Adequate Protection Liens) may, each in their sole discretion, enter into and file, as applicable, financing statements, mortgages, security agreements, notices of Liens, and other similar documents, and is hereby granted relief from the automatic stay of section 362 of the Bankruptcy Code in order to do so, and all such financing statements, mortgages, security agreements, notices, and other agreements or documents shall be deemed to have been entered into, filed or recorded as of the Petition Date. The applicable Debtors shall execute and deliver to the DIP Agent, the Prepetition First Lien Agent and/or the Prepetition Second Lien Trustee, as applicable, all such financing statements, mortgages, notices, and other documents as such parties may reasonably request to evidence and confirm the contemplated validity, perfection and priority of the DIP Liens, the First Lien Adequate Protection Liens and the Second Lien Adequate Protection Liens, as applicable, granted pursuant hereto. Without limiting the foregoing, each of the DIP Agent, the Prepetition First Lien

Agent and the Prepetition Second Lien Trustee may, in its discretion, file a photocopy of this Final Order as a financing statement with any recording officer designated to file financing statements or with any registry of deeds or similar office in any jurisdiction in which any Debtor has real or personal property, and in such event, the subject filing or recording officer shall be authorized to file or record such copy of this Final Order. Any provision of any lease, loan document, easement, use agreement, proffer, covenant, license, contract, organizational document, or other instrument or agreement that requires the payment of any fees or other monetary obligations to any governmental entity or non-governmental entity in order for the Debtors to pledge, grant, mortgage, sell, assign, or otherwise transfer any fee or leasehold interest or the proceeds thereof or other DIP Collateral is and shall be deemed to be inconsistent with the provisions of the Bankruptcy Code, and shall have no force or effect with respect to the Liens on such leasehold interests or other applicable DIP Collateral or the proceeds of any assignment and/or sale thereof by any Debtor, in favor of the DIP Secured Parties in accordance with the terms of the DIP Loan Documents and this Final Order or in favor of the Prepetition First Lien Secured Parties or the Prepetition Second Lien Secured Parties in accordance with this Final Order. To the extent that the Prepetition First Lien Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, financing statement, or account control agreements, listed as loss payee or additional insured under any of the Debtors' insurance policies, or is the secured party under any of the Prepetition First Lien Loan Documents, the DIP Agent shall also be deemed to be the secured party under such account control agreements, loss payee or additional insured under the Debtors' insurance policies, and the secured party under each such Prepetition First Lien Loan Document, shall have all rights and powers attendant to that position (including rights of enforcement), and shall act in that capacity and distribute any proceeds recovered or received first,

for the benefit of the DIP Secured Parties in accordance with the DIP Loan Documents and second, subsequent to Payment in Full of all DIP Obligations, for the benefit of the Prepetition First Lien Secured Parties and third, subsequent to the Payment in Full of all Prepetition First Lien Obligations, for the benefit of the Prepetition Second Lien Secured Parties. The Prepetition First Lien Agent shall serve as agent for the DIP Agent for purposes of perfecting the DIP Agent's Liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Final Order, is of a type such that perfection of a Lien therein may be accomplished only by possession or control by a secured party.

6. **Committee Challenge Rights**. Notwithstanding anything herein to the contrary, the Committee shall have the right to seek standing to assert claims and causes of action against any of the Prepetition First Lien Secured Parties and any of the Prepetition Second Lien Secured Parties (including derivative claims), including with respect to the stipulations set forth in Paragraphs D, E and F hereof; *provided*, that the Debtors and all other parties in interest expressly reserve all rights to object to, oppose, and contest any such request for standing.

7. **Carve-Out**.

(i) As used in this Final Order, the term "Carve-Out" means the sum of the following: (a) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in sub-paragraph (ii) below); (b) all reasonable fees, costs, and expenses up to $75,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in sub-paragraph (ii) below); (c) to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise, all unpaid fees, costs, and expenses (collectively, the "Allowed Debtor Professional Fees") earned, accrued or incurred by persons or

firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (collectively, the "Debtor Professionals") at any time before or on the first Business Day following delivery by the DIP Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice and without regard to whether such Allowed Debtor Professional Fees are provided for in the Approved Budget or when invoiced; (d) to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise, all unpaid fees, costs, and expenses (collectively, the "Allowed Committee Professional Fees" and, together with the Allowed Debtor Professional Fees, the "Allowed Professional Fees") earned, accrued or incurred by persons or firms retained by the Creditors Committee pursuant to section 328 or 1103 of the Bankruptcy Code (collectively, the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons") at any time before or on the first Business Day following delivery by the DIP Agent of a Carve-Out Trigger Notice and without regard to whether such Allowed Committee Professional Fees are provided for in the Approved Budget or when invoiced and subject to the investigation budget set forth in Paragraph 16 below (the aggregate amounts set forth in clauses (a) through (d) above, the "Pre-Carve-Out Trigger Notice Amount"); and (e) Allowed Debtor Professional Fees in an aggregate amount not to exceed $2,500,000 and Allowed Committee Professional Fees in an aggregate amount not to exceed $250,000, in each case earned, accrued or incurred after the first Business Day following the date of delivery by the DIP Agent of the Carve-Out Trigger Notice in accordance with sub-paragraph (ii) below (such date, the "Trigger Date"), to the extent allowed by the Court at any time, whether by interim or final compensation order, procedural order, or otherwise (the amounts set forth in this clause (e) being the "Post-Carve-Out

Trigger Notice Amount" and, together with the Pre-Carve-Out Trigger Notice Amount, the "Carve-Out Amount").

(ii) For purposes of the foregoing, "Carve-Out Trigger Notice" shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (at the direction of the Required DIP Lenders) to the Borrower, counsel to the Borrower (Latham & Watkins), the U.S. Trustee, and counsel to the Committee (White & Case), which notice (A) shall expressly state that the Post-Carve-Out Trigger Notice Amount has been invoked and (B) may be delivered only following the occurrence and during the continuation of Termination Event (as defined herein), the acceleration of the DIP Obligations under the DIP Loan Documents, and the termination of the Debtors' consensual use of Cash Collateral under this Final Order.

(iii) From and after the Petition Date, the Debtors shall utilize cash on hand, the proceeds from the DIP Facility, amounts held in the DIP Account, and/or any other available cash thereafter held by any Debtor to fund, on a weekly basis, the Pre-Carve-Out Trigger Notice Amount into the Escrow Account (as defined below) in an amount equal to the greatest of (A) the aggregate unpaid amount of estimated fees, costs, and expenses of Professional Persons included in all weekly estimates timely received by the Debtors in respect of the preceding week, (B) the aggregate unpaid amount of actual fees, costs, and expenses of Professional Persons earned, accrued or incurred at the applicable time, and (C) the aggregate amount of fees, costs, and expenses of Professional Persons provided for in the Approved Budget at the applicable time. As used herein, the term "Escrow Account" means a segregated account of the Borrower not subject to the control of any DIP Secured Party, Prepetition First Lien Secured Party, and/or Prepetition Second Lien Secured Party (collectively, the "Funded Debt Secured Parties").

(iv) Upon delivery of a Carve-Out Trigger Notice in accordance with sub-paragraph (ii) above, such Carve-Out Trigger Notice shall constitute a demand to, and approval for, the Debtors to utilize all cash on hand as of such date (including in the DIP Account) and any available cash thereafter generated by the Debtors to fund the Escrow Account in an amount equal to the Carve-Out Amount and to hold such amount in trust to pay the obligations benefitting from the Carve-Out.

(v) Upon delivery of a Carve-Out Trigger Notice in accordance with sub-paragraph (ii) above, and prior to the payment to any Funded Debt Secured Party on account of any claim or administrative expense held by such person or entity (whether postpetition, super priority, adequate protection, prepetition, or otherwise), the Debtors shall deposit into the Escrow Account cash available on the Trigger Date (or available thereafter) in an aggregate amount equal to the Carve-Out Amount. The funds in the Escrow Account shall be available only to satisfy the obligations benefitting from the Carve-Out in Paragraph 7(i) above, and the Funded Debt Secured Parties (A) shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of assets) of the Debtors unless and until the Escrow Account is funded in full in cash as provided above and (B) shall have a valid and perfected security interest upon any residual amount in the Escrow Account available following payment in full in cash of all obligations benefiting from the Carve-Out, subject to the lien and claim priorities set forth in this Final Order.

(vi) Notwithstanding anything to the contrary in this Final Order, the DIP Loan Documents, the Prepetition First Lien Loan Documents, and/or the Prepetition Second Lien Loan Documents (collectively, including this Final Order, the "Funded Debt Documents"), all claims and administrative expenses arising under, with respect to, or in connection with any Funded Debt Document (including the DIP Obligations, the DIP Superpriority Claims, the Prepetition First Lien

Obligations, the First Lien Adequate Protection Superpriority Claims, the Prepetition Second Lien Obligations, and the Second Lien Adequate Protection Superpriority Claims) and all security interests and liens securing such claims and administrative expenses (including the DIP Liens, the Prepetition First Liens, the First Lien Adequate Protection Liens, the Prepetition Second Liens and the Second Lien Adequate Protection Liens) shall, in each case, be subject and subordinate to the payment in full in cash of the Carve-Out.

(vii) Notwithstanding anything to the contrary in any Funded Debt Document, (a) the failure of the Escrow Account to satisfy in full the Allowed Professional Fees of the Professional Persons shall not affect, limit, or otherwise modify the scope or priority of the Carve-Out, (b) in no way shall any Approved Budget, the Carve-Out, the Carve-Out Amount, the Escrow Account, or any other budget or financial projection delivered in connection with any Funded Debt Document be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis), and (c) the Debtors' authority to use proceeds from the DIP Facility, the DIP Collateral, and/or Cash Collateral on account of, and to timely pay, the Allowed Professional Fees and the other obligations benefitting from the Carve-Out shall in no way be limited or deemed limited by any Approved Budget (other than as expressly set forth above as to the Allowed Professional Fees for the Committee Professionals).

(viii) Prior to the occurrence of the Termination Declaration Date (as defined below), the Debtors shall be permitted to pay Allowed Professional Fees (including on an interim basis), and such payments shall not reduce or be deemed to reduce the Carve-Out. Moreover, for the avoidance of doubt, any amounts paid prior to the Carve-Out Trigger Notice shall not reduce or be deemed to reduce the Post-Carve-Out Trigger Notice Amount.

(ix) Reserved.

(x) Without affecting, limiting, or otherwise modifying the scope or priority of the Carve-Out, neither the DIP Secured Parties nor the Prepetition First Lien Secured Parties shall be responsible for the direct payment or reimbursement of any fees or disbursements of any of the Debtor Professionals, Committee Professionals or Committee members incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Without affecting, limiting, or otherwise modifying the scope or priority of the Carve-Out, nothing in this Final Order or otherwise shall be construed (i) to obligate any DIP Secured Party or any Prepetition First Lien Secured Party in any way to pay compensation to, or to reimburse expenses of, any of the Debtor Professionals, the Committee Professionals or Committee members, or to guarantee that the Debtors or their estates have sufficient funds to pay such compensation or reimbursement or (ii) to increase the Carve-Out if actual allowed fees and expenses of any of the Debtor Professionals, Committee Professionals or Committee members are higher in fact than the Carve-Out Amount. Notwithstanding any provision in this Paragraph 7 to the contrary, no portion of the Carve-Out, Cash Collateral, Prepetition First Lien Collateral, DIP Collateral or proceeds of the DIP Facility shall be utilized for the payment of professional fees and disbursements to the extent restricted under Paragraph 16 hereof; provided that the foregoing shall not be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis). Nothing herein shall be construed as consent to the allowance of any professional fees or expenses of any of the Debtors, any Committee, any other official or unofficial committee in these Chapter 11 Cases or any Successor Cases, or of any other person or entity, or shall affect the right of any DIP Secured Party

or any Prepetition First Lien Secured Party to object to the allowance and payment of any such fees and expenses.

8. **Waiver of 506(c) Claims**. In the case of the DIP Secured Parties (and their DIP Liens and their other rights in respect of the DIP Collateral, the Prepetition First Lien Collateral and Cash Collateral), the Prepetition First Lien Secured Parties (and their Prepetition First Liens and their other rights in respect of the DIP Collateral, the Prepetition First Lien Collateral and Cash Collateral) and the Prepetition Second Lien Secured Parties (and their Prepetition Second Liens and their other rights in respect of the DIP Collateral, the Prepetition Second Lien Collateral and Cash Collateral), and as a further condition of (i) the DIP Facility and any obligation of the DIP Secured Parties to make credit extensions pursuant to the DIP Loan Documents (and the consent of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties to the payment of the Carve-Out to the extent provided herein) and (ii) the Debtors' use of Cash Collateral pursuant to this Final Order, (a) no costs or expenses of administration of the Chapter 11 Cases or any Successor Cases shall be charged against or recovered from or against any or all of the DIP Secured Parties and/or the Prepetition First Lien Secured Parties, the Prepetition Second Lien Secured Parties, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral, the DIP Collateral and the Cash Collateral, in each case pursuant to section 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the DIP Agent, the Prepetition First Lien Agent and the Prepetition Second Lien Trustee, and (b) no such consent shall be implied from any other action, inaction, or acquiescence of any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties, and (c) the exercise of any rights under section 506(c) of the Bankruptcy Code or otherwise to charge any costs or expense of administration of the Chapter 11 Cases or any

Successor Cases from or against the Prepetition First Lien Secured Parties or their Prepetition First Liens or the Prepetition Second Lien Secured Parties or their Prepetition Second Liens on or other interests in any or all of the DIP Collateral, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral and the Cash Collateral shall not impair and shall be subject to, and junior to, the DIP Liens on and the DIP Secured Parties' other interests in the DIP Collateral, the Prepetition First Lien Collateral, the Prepetition Second Lien Collateral and the Cash Collateral and the other DIP Protections accorded the DIP Secured Parties.

9. **After-Acquired Property**. Upon entry of this Final Order (but retroactive to the Petition Date), pursuant to section 552(a) of the Bankruptcy Code, all property acquired by the Debtors on or after the Petition Date is not, and shall not be, subject to any Lien of any person or entity resulting from any security agreement entered into by the Debtors prior to the Petition Date, except to the extent that such property constitutes proceeds of property of the Debtors that is subject to a valid, enforceable, perfected, and unavoidable Lien as of the Petition Date (or a valid, enforceable and unavoidable Lien that is perfected subsequent to the Petition Date solely to the extent permitted by section 546(b) of the Bankruptcy Code) that is not subject to subordination or avoidance under the Bankruptcy Code or other provisions or principles of applicable law.

10. **Protection of DIP Secured Parties' and Prepetition First Lien Secured Parties' Rights**.

(a) Unless the DIP Agent and the Prepetition First Lien Agent shall have provided their prior written consent or all DIP Obligations and First Lien Adequate Protection Superpriority Claims have been Paid in Full, there shall not be entered in any of these Chapter 11 Cases or any Successor Cases any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following: (i) the obtaining of credit or the

incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other Lien on all or any portion of the DIP Collateral or Prepetition First Lien Collateral and/or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition First Liens, the First Lien Adequate Protection Liens, the First Lien Adequate Protection Superpriority Claims, the Prepetition Second Liens, the Second Lien Adequate Protection Liens, the Second Lien Adequate Protection Superpriority Claims and/or the other DIP Protections; (ii) the use of Cash Collateral for any purpose other than Payment in Full of the DIP Obligations and the First Lien Adequate Protection Superpriority Claims or as otherwise permitted in the DIP Loan Documents and/or this Final Order; provided that the foregoing shall not affect, modify or limit the scope or priority of the Carve-Out, (iii) the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor or any creditor's taking any setoff against any of its prepetition indebtedness based upon any such return of goods pursuant to section 553 of the Bankruptcy Code or otherwise, or (iv) any modification of any of the DIP Secured Parties' or the Prepetition First Lien Secured Parties' rights under this Final Order, the DIP Loan Documents or the Prepetition First Lien Loan Documents with respect to any DIP Obligations.

(b) The Debtors shall, until all DIP Obligations, Prepetition First Lien Obligations and First Lien Adequate Protection Superpriority Claims have been Paid in Full, (i) maintain books, records, and accounts to the extent and as required by the DIP Loan Documents, (ii) reasonably cooperate with, consult with during normal business hours, and provide to the DIP Secured Parties and the Prepetition First Lien Secured Parties all such information and documents that any or all of the Debtors are obligated (including upon reasonable written request by any of

the DIP Secured Parties or the Prepetition First Lien Secured Parties) to provide under the DIP Loan Documents, the Prepetition Loan Documents (in the absence of the pendency of these Chapter 11 Cases) or the provisions of this Final Order, (iii) during normal business hours and upon reasonable written request, permit consultants, advisors and other representatives (including third party representatives) of each of the DIP Agent and the Prepetition First Lien Agent to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss, and provide advice with respect to, their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants and other professional advisors (other than legal counsel) as and to the extent required by the DIP Loan Documents and/or the Prepetition First Lien Loan Documents, (iv) during normal business hours and upon reasonable written request, permit the DIP Agent and the Prepetition First Lien Agent and their respective consultants, advisors and other representatives to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations and assets, and (v) during normal business hours and upon reasonable written request, permit the DIP Agent and the Prepetition First Lien Agent to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations and inventory appraisals at reasonable times in respect of any or all of the DIP Collateral and the Prepetition First Lien Collateral. Notwithstanding anything to the contrary contained herein, the Debtors do not waive any right to attorney-client, work product, or similar privilege, and the Debtors shall not be required to provide the DIP Agent, the Prepetition First Lien Agent, or their respective counsel and financial advisors with any information subject to attorney-client privilege or consisting of attorney work product. For avoidance of doubt, the Prepetition

First Lien Agent shall have the same access and cooperation rights as the DIP Agent for purposes of this subparagraph (b).

11. **Proceeds of Subsequent Financing**. Without limiting the provisions and protections of Paragraph 10 above, if at any time prior to the Payment in Full of all the DIP Obligations (including subsequent to the confirmation of any chapter 11 plan or plans with respect to any of the Debtors), the Debtors' estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d), or any other provision of the Bankruptcy Code in violation of this Final Order or the DIP Loan Documents, then, after payment or reservation in full in cash of the Carve-Out, all of the cash proceeds derived from such credit or debt and all Cash Collateral shall immediately be turned over to the DIP Agent for application to the DIP Obligations until Paid in Full.

12. **Cash Collection**. From and after the date of the entry of this Final Order, all collections and proceeds of any DIP Collateral or Prepetition First Lien Collateral or services provided by any Debtor and all Cash Collateral that shall at any time come into the possession, custody, or control of any Debtor, or to which any Debtor is now or shall become entitled at any time, shall be promptly deposited in the same lock-box and/or deposit accounts into which the collections and proceeds of the Prepetition First Lien Collateral were deposited under the Prepetition First Lien Loan Documents (or in such other accounts as are designated by the DIP Agent from time to time) (collectively, the "Cash Collection Accounts"), which accounts shall be subject to the liens of the DIP Agent and the Prepetition First Lien Agent (and the funds in such accounts may be used by the Debtors to the extent provided in this Final Order and the DIP Loan Documents), subject to the ability of Bankruptcy Court to determine that any such cash is

unencumbered. Upon the direction of the DIP Agent or, following Payment in Full of the DIP Obligations, the Prepetition First Lien Agent, at any time after the occurrence of a Termination Event and subject to the provisions of Paragraph 7 and Paragraph 15, all proceeds in the Cash Collection Accounts shall be remitted to the DIP Agent for application to the DIP Obligations until Payment in Full and then to the Prepetition First Lien Agent for application to the Prepetition First Lien Obligations until Payment in Full, and the DIP Agent and the Prepetition First Lien Agent shall be entitled to take all action that is necessary or appropriate to effectuate the foregoing. Unless otherwise agreed to in writing by the DIP Agent and the Prepetition First Lien Agent, the Debtors shall maintain no accounts except those identified in the *Interim Order (A) Authorizing Debtors to (I) Continue Existing Cash Management System, (II) Maintain Existing Business Forms, and (III) Continue Intercompany Transactions; and (B) Granting Related Relief* (the "Interim Cash Management Order") and the *Final Order (A) Authorizing Debtors to (I) Continue Existing Cash Management System, (II) Maintain Existing Business Forms, and (III) Continue Intercompany Transactions; and (B) Granting Related Relief* (the "Final Cash Management Order" together with the Interim Cash Management Order, the "Cash Management Orders").

13. **Disposition of DIP Collateral; Credit Bid**.

(a) Unless the DIP Obligations and the Prepetition First Lien Obligations are Paid in Full upon the closing of a sale or other disposition of the DIP Collateral or Prepetition First Lien Collateral, the Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral or any Prepetition First Lien Collateral (or enter into any binding agreement to do so) without the prior written consent of the DIP Agent and the Prepetition First Lien Agent (and no such consent shall be implied from any other action, inaction, or acquiescence by any DIP Secured Party or Prepetition First Lien Secured Party or any order of this Court), except in the

ordinary course of business or as otherwise permitted in the DIP Loan Documents and/or the Prepetition First Lien Loan Documents, as applicable, and this Final Order. Except to the extent otherwise expressly provided in the DIP Loan Documents and subject to Paragraph 7 of this Final Order, all proceeds from the sale, transfer, lease, encumbrance or other disposition of any DIP Collateral outside the ordinary course of business shall be remitted to the DIP Agent for application to the DIP Obligations, in each case, in accordance with the terms of this Final Order and the DIP Loan Documents or the Prepetition First Lien Loan Documents, as the case may be. In addition, the Debtors are authorized and empowered to enter into such blocked account agreements (with cash dominion, if the DIP Agent so elects) with the DIP Agent and such financial institutions as the DIP Agent may require, and, if it so elects, the DIP Agent shall be entitled to enjoy the benefit of all control agreements to which the Prepetition First Lien Agent is a party without the need to enter into new blocked account agreements.

(b) The DIP Agent (or one or more of its designees, affiliates or assignees) shall have the unqualified right to credit bid any or all of the DIP Obligations under or pursuant to (i) section 363 of the Bankruptcy Code, (ii) any plan of reorganization or plan of liquidation under section 1129 of the Bankruptcy Code, or (iii) section 725 of the Bankruptcy Code. If the DIP Agent or its respective designees, affiliates or assignees makes a credit bid in connection with any auction or other sale process relating to the sale or other disposition of any DIP Collateral, then for purposes of such auction or sale process or any applicable order of this Court, the DIP Agent shall be automatically deemed to be a qualified bidder and its bid shall be automatically deemed to constitute a qualified bid, regardless of whether the qualified bidder or qualified bid requirements are satisfied.

14. **Termination Events**. The following shall constitute a termination event under this Final Order and the DIP Loan Documents unless waived in writing by each of the DIP Agent and the Prepetition First Lien Agent (each, a "Termination Event"):

(a) The occurrence and continuation of an "Event of Default" under the DIP Credit Agreement, as set forth therein (a "DIP Default Termination Event"), including, for avoidance of doubt, the Debtors' failure to timely and strictly comply with any of the obligations and deadlines set forth on **Exhibit A** hereto thereto (the "Chapter 11 Milestones").

(b) Any material breach by the Debtors of their obligations under the Restructuring Support Agreement (subject to any applicable cure periods), and any termination of the Restructuring Support Agreement by the Debtors or the Required Consenting First Lien Lenders (as defined in the Restructuring Support Agreement).

(c) Any other material breach, default or other violation by any of the Debtors of the terms and provisions of this Final Order (subject to any applicable cure periods).

15. **Rights and Remedies Upon Termination Event**.

(a) Upon the occurrence and during the continuation of a Termination Event, that has not been waived at the direction of the Required DIP Lenders, following delivery by the DIP Agent (at the direction of the Required DIP Lenders) of written notice (a "Remedies Notice"), of not less than five (5) Business Days' (the "Remedies Notice Period"), to the Debtors and Debtors' counsel, the United States Trustee, and counsel to the Committee (the "Remedies Notice Parties"), unless prior to such time the Court orders otherwise, the DIP Agent is hereby granted relief from the automatic stay, without further notice, hearing, motion, order or other action of any kind, to the extent necessary to permit the DIP Secured Parties to exercise (i) immediately upon the occurrence and during the continuance of any Termination Event, all rights and remedies under

this Final Order, the DIP Loan Documents and/or applicable non-bankruptcy law (other than those rights and remedies against the DIP Collateral as provided in subparagraph 15(b) below), including the right to (1) declare all DIP Obligations to be immediately due and payable, (2) declare the termination, reduction or restriction of any further commitment to extend credit to the Debtors, to the extent any such commitment remains, and/or (3) terminate the DIP Facility and any other DIP Loan Documents as to any future liability or obligation of the DIP Agent and the other DIP Secured Parties, but without affecting any of the DIP Obligations or the DIP Liens securing the DIP Obligations; and/or (ii) declare a termination, reduction or restriction on the ability of the Debtors to use any Cash Collateral (any such declaration under any of clauses 15(a)(i)(1), (2) or (3) or (ii) shall be made to the respective lead counsel to the Debtors, the Committee and the U.S. Trustee, and shall be referred to herein as a "Termination Declaration" and the date that is the earliest to occur of any such Termination Declaration being herein referred to as the "Termination Declaration Date").

(b) During the continuation of a Termination Event, that has not been waived at the direction of the Required Lenders, and following the delivery of a Remedies Notice, but prior to exercising the remedies set forth in this paragraph, the DIP Agent, on behalf of the DIP Secured Parties shall be required to file a motion with the Court seeking emergency relief (a "Stay Relief Motion") on not less than five (5) business days' notice to the Remedies Notice Parties (which may run concurrently with the Remedies Notice Period) for a further order of the Court modifying the automatic stay to permit the DIP Agent, on behalf of the DIP Secured Parties, to foreclose on, or otherwise enforce and realize on, its DIP Liens on all or any portion of the DIP Collateral, including by collecting accounts receivable and applying the proceeds thereof to the DIP Obligations, subject to the payment or reservation in full in cash of the Carve-Out as set forth in

Paragraph 7. Prior to the expiration of the Remedies Notice Period, the Remedies Notice Parties shall be entitled to request an emergency hearing with the Court. If a request for such hearing is made prior to the end of the Remedies Notice Period, then the Remedies Notice Period shall be continued until the Court hears and rules with respect thereto. During such Remedies Notice Period, (i) the Debtors may use Cash Collateral or any amounts previously or thereafter advanced under the DIP Credit Facility (a) to fund operations in accordance with the DIP Facility and the Approved Budget and (b) the Carve-Out; and (ii) the Debtors and the DIP Lenders consent to a hearing on an expedited basis to consider whether a Termination Event has occurred, and if a hearing to consider the foregoing is requested to be heard before the end of the Remedies Notice Period but is scheduled for a later date by the Bankruptcy Court, the Remedies Notice Period shall be automatically extended to the date of such hearing.

(c) Reserved.

(d) All proceeds realized in connection with the exercise of the rights and remedies of the DIP Secured Parties or the Prepetition First Lien Secured Parties shall be turned over first to the Debtors to fund the Carve-Out in full in cash, then to the DIP Agent for application to the DIP Obligations under, and in accordance with the provisions of, the DIP Loan Documents and this Final Order until Payment in Full of all of the DIP Obligations and then shall be held in escrow by the Debtors pending further order of this Court.

(e) Notwithstanding anything contained herein to the contrary and without limiting any other rights or remedies of the DIP Agent or the other DIP Secured Parties contained in this Final Order or the DIP Loan Documents, or otherwise available at law or in equity, and subject to the terms of the DIP Loan Documents, upon five (5) Business Days' written notice to the Debtors, the Committee, and any landlord, lienholder, licensor, or other third party owner of

any leased or licensed premises or intellectual property that a Termination Event has occurred and is continuing, and, in the case of subparagraph (i), subject to entry of an order of the Bankruptcy Court, on notice to the Debtors, the Committee, and the applicable landlord or licensor, authorizing such entry and the exercise of remedies, the DIP Agent (i) may, unless otherwise provided in any separate agreement by and between the applicable landlord or licensor and the DIP Agent (the terms of which shall be reasonably acceptable to the parties thereto), enter upon any leased or licensed premises of the Debtors for the purpose of exercising any remedy with respect to any DIP Collateral located thereon and (ii) shall be entitled to all of the Debtors' rights and privileges as lessee or licensee under the applicable license and to use any and all trademarks, trade names, copyrights, licenses, patents, or any other similar assets of the Debtors that are owned by or subject to a Lien of any third party and that are used by Debtors in their businesses, in the case of either subparagraph (i) or (ii) of this Paragraph 15(e) without interference from lienholders or licensors thereunder, subject to such lienholders' or licensors' rights under applicable law; provided, however, that the DIP Agent, on behalf of the DIP Secured Parties, shall pay only rent and additional rent, fees, royalties, or other monetary obligations of the Debtors that first arise after the written notice referenced above from the DIP Agent and that accrue during the period of such occupancy or use by such DIP Agent calculated on a *per diem* basis. Nothing herein shall require the Debtors, the DIP Agent, or the other DIP Secured Parties to assume any lease, license or other contract under Bankruptcy Code section 365(a) as a precondition to the rights afforded to the DIP Agent and the other DIP Secured Parties in this Paragraph 15(e).

(f) Subject to Payment in Full of the DIP Obligations, notwithstanding anything contained herein to the contrary, and without limiting any other rights or remedies of the Prepetition First Lien Agent or the other Prepetition First Lien Secured Parties contained in this

Final Order or the Prepetition First Lien Loan Documents, or otherwise available at law or in equity, the Prepetition First Lien Agent shall succeed to, and be entitled to, all of the rights, remedies, benefits and protections accorded to the DIP Agent pursuant to Paragraph 15(e), as if all references therein to the "DIP Agent" and the " DIP Parties" are references to the "Prepetition First Lien Agent" and the "Prepetition First Lien Secured Parties."

(g) The automatic stay imposed under section 362(a) of the Bankruptcy Code is hereby modified pursuant to the terms of this Final Order and the DIP Loan Documents as necessary to (i) permit the Debtors to grant the First Lien Adequate Protection Liens, the Second Lien Adequate Protection Liens and the DIP Liens and to incur all liabilities and obligations to the DIP Secured Parties and the Prepetition First Lien Secured Parties under the DIP Loan Documents, the DIP Facility, and this Final Order, (ii) subject to Paragraph 7, authorize the DIP Secured Parties and the Prepetition First Lien Secured Parties to retain and apply payments made in accordance with the DIP Loan Documents, the Prepetition First Lien Loan Documents and/or this Final Order, (iii) to permit each of the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties to perform any act authorized under this Final Order and the DIP Loan Documents, and (iv) otherwise to the extent necessary to implement and effectuate the provisions of this Final Order and the DIP Loan Documents.

16. **Restriction on Use of Proceeds**. Notwithstanding anything herein to the contrary, but subject to the last sentence of this Paragraph 16, no loans and/or proceeds from the DIP Facility (including the DIP Account), DIP Collateral, Cash Collateral (including any retainer held by any professionals for the below-referenced parties), Prepetition First Lien Collateral, Prepetition Second Lien Collateral or any portion of the Carve-Out may be used by (a) any Debtor, Committee or trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases,

or any other person, party, or entity (including any of the Debtors' Professionals, the Committee's Professionals or the Committee members) to assert, join, commence, support, or prosecute any action for any claim, counter-claim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against the DIP Secured Parties (or to pay any professional fees and disbursements incurred in connection therewith) at any time; or (b) any Debtor, any Committee, or any trustee or other estate representative appointed in the Chapter 11 Cases or any Successor Cases, or any other person, party, or entity (including any of the Debtors' Professionals, the Committee's Professionals or the Committee members) to (or to pay any professional fees and disbursements incurred in connection therewith): (i) request authorization to obtain postpetition loans or other financial accommodations pursuant to section 364(c) or (d) of the Bankruptcy Code, or otherwise, other than from the DIP Secured Parties, or to seek any modification to this Final Order not approved by the DIP Agent and, to the extent such modification would affect the rights of any of the Prepetition First Lien Secured Parties, the Prepetition First Lien Agent and, to the extent such modification would affect the rights of any of the Prepetition Second Lien Secured Parties, the Prepetition Second Lien Trustee; (ii) assert, join, commence, support, or prosecute any action for any claim, counter-claim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against, any or all of the Prepetition First Lien Secured Parties, the Prepetition Second Lien Secured Parties, their respective affiliates, assigns or successors and the respective officers, directors, employees, agents, attorneys, representatives and other advisors of the foregoing, with respect to any transaction, occurrence, omission, action, or other matter (including formal or informal discovery proceedings in anticipation thereof), including (A) any Avoidance Actions or other actions arising under chapter 5 of the Bankruptcy

Code; (B) any action with respect to the validity, enforceability, priority, and extent of the DIP Obligations, the Prepetition First Lien Obligations, and/or the Prepetition Second Lien Obligations or the validity, extent, and priority of the DIP Liens, the Prepetition First Liens, the Prepetition Second Liens, the First Lien Adequate Protection Liens or the Second Lien Adequate Protection Liens; (C) any action seeking to invalidate, set aside, avoid, or subordinate, in whole or in part, the DIP Liens, the other DIP Protections, the Prepetition First Liens, the First Lien Adequate Protection Liens, the other Prepetition First Lien Adequate Protection, the Prepetition Second Liens, the Second Lien Adequate Protection Liens, or the other Prepetition Second Lien Adequate Protection; (D) any action preventing, hindering, or otherwise delaying any or all of the DIP Secured Parties', and, after the Payment in Full of the DIP Obligations, the Prepetition First Lien Secured Parties' and/or the Prepetition Second Lien Secured Parties', assertion, enforcement, or realization on the Cash Collateral, the DIP Collateral, the Prepetition First Lien Collateral or the Prepetition Second Lien Collateral in accordance with the DIP Loan Documents, the Prepetition First Lien Loan Documents or the Prepetition Second Lien Loan Documents, as applicable, or this Final Order; and/or (E) any action seeking to modify any of the rights, remedies, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties, the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties hereunder or under the DIP Loan Documents, the Prepetition First Lien Loan Documents or the Prepetition Second Lien Loan Documents, as applicable, or any payments made thereunder or in respect thereof; provided, however, the foregoing shall not apply to limit the investigation undertaken by the Debtors in connection with the Independent Investigation and, further, with respect to any investigation by the Committee up to $250,000 in the aggregate of the Carve-Out, any DIP Collateral, any Prepetition First Lien Collateral, any Prepetition Second Lien Collateral, any Cash Collateral and

proceeds of the DIP Facility may be used by the Committee (to the extent such Committee is appointed) to investigate (but not to prosecute) the claims and/or Liens of the Prepetition First Lien Agent and the other Prepetition First Lien Secured Parties under the Prepetition First Lien Loan Documents and/or the Liens of the Prepetition Second Lien Trustee and the other Prepetition Second Lien Secured Parties under the Prepetition Second Lien Loan Documents (but in any case not the claims and/or Liens of the DIP Agent and the other DIP Secured Parties); or (iii) use or seek to use Cash Collateral or sell or otherwise dispose of DIP Collateral or Prepetition First Lien Collateral, unless otherwise permitted hereby, without the prior written consent of the DIP Agent and the Prepetition First Lien Agent. For the avoidance of doubt, the foregoing limitations shall not (i) prevent or otherwise limit the Debtors and their professionals from being heard on whether a Termination Event has occurred and is continuing, (ii) be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors or that may be allowed by the Court at any time (including on an interim basis), or (iii) prohibit the Debtors' use of the DIP Collateral, Prepetition First Lien Collateral, DIP Loans, Cash Collateral, proceeds of any of the foregoing, any portion of the Carve-Out or any other funds to respond to investigations by the Committee.

17. **Proofs of Claim**. The Prepetition First Lien Secured Parties, and the Prepetition Second Lien Secured Parties will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim allowed herein. Paragraphs D and E shall be deemed to constitute a timely filed proof of claim for the Prepetition First Lien Secured Parties and the Prepetition Second Lien Secured Parties in respect of all Prepetition First Lien Obligations and Prepetition Second Lien Obligations, respectively. In addition, the Prepetition First Lien Secured Parties, the Prepetition Second Lien Secured Parties, and the DIP Secured Parties will not be

required to file any request for allowance and/or payment of any administrative expenses, and this Final Order shall be deemed to constitute a timely filed request for allowance and/or payment of any Prepetition First Lien Obligations or Prepetition Second Lien Obligations constituting administrative expenses or any DIP Obligations, as applicable. Notwithstanding any order entered by this Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or Successor Cases to the contrary, each of the Prepetition First Lien Agent, for the benefit of itself and the other Prepetition First Lien Secured Parties, the Prepetition Second Lien Trustee, for the benefit of itself and the other Prepetition Second Lien Secured Parties, and the DIP Agent, for the benefit of itself and the other DIP Secured Parties, is hereby authorized and entitled, in its sole discretion, but not required, to file (and amend and/or supplement, in its discretion) in each of the Chapter 11 Cases or Successor Cases (i) in the case of Prepetition First Lien Agent, a proof of claim and/or aggregate proofs of claim in respect of any Prepetition First Lien Obligations, (ii) in the case of the Prepetition Second Lien Trustee, a proof of claim and/or aggregate proofs of claim in respect of any Prepetition Second Lien Obligations, and (ii) in the case of each of the Prepetition First Lien Agent, Prepetition Second Lien Trustee, and the DIP Agent, a request or aggregate requests for allowance and/or payment of any portion of the Prepetition First Lien Obligations constituting administrative expenses or any DIP Obligations, as applicable.

18. **Preservation of Rights Granted Under the Final Order**.

(a) No Non-Consensual Modification or Extension of Final Order. The Debtors shall not seek any amendment, modification, or extension of this Final Order (including through any chapter 11 plan of reorganization) without the prior written consent of the DIP Agent and the Prepetition First Lien Agent, and no such consent shall be implied by any other action, inaction, or acquiescence of the DIP Secured Parties or any of the Prepetition First Lien Secured

Parties. In the event any or all of the provisions of this Final Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court, such modification, amendment, or vacatur shall not affect the validity, perfection, priority, allowability, enforceability, or non-avoidability of any advances, payments, or use of cash authorized or made hereby or pursuant to the DIP Loan Documents, or Lien, claim, priority or other DIP Protections authorized or created hereby or pursuant to the DIP Loan Documents, in each case incurred or arising prior to the actual receipt of written notice by the DIP Agent or the Prepetition First Lien Agent, as applicable, and in either case counsel thereto, of the effective date of such reversal, modification, vacatur, or stay. Based on the findings set forth in this Final Order and in accordance with section 364(e) of the Bankruptcy Code, which is applicable to the DIP Facility, in the event any or all of the provisions of this Final Order are hereafter reversed, modified, vacated, or stayed by a subsequent order of this Court or any other court, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall be entitled to the protections provided in section 364(e) of the Bankruptcy Code, and notwithstanding any such reversal, modification, vacatur, or stay, any use of Cash Collateral or any DIP Obligations or any DIP Protections (including the Prepetition First Lien Adequate Protection) incurred or granted by the Debtors prior to the actual receipt of written notice by the DIP Agent or the Prepetition First Lien Agent, as applicable, of the effective date of such reversal, modification, vacatur, or stay shall remain in full force and effect and be binding on all parties in interest and be governed in all respects by the original provisions of this Final Order (and shall maintain their respective priorities as provided by this Final Order), and the DIP Secured Parties and the Prepetition First Lien Secured Parties shall be entitled to all of the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens,

priorities, privileges, protections, and benefits granted pursuant to section 364(e) of the Bankruptcy Code, this Final Order, or the DIP Loan Documents.

(b) Dismissal. If any order dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered, then notwithstanding any such dismissal, (i) the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, shall remain in full force and effect and be binding on all parties in interest and be governed in all respects by the provisions of this Final Order (and shall maintain their respective priorities as provided by this Final Order) until all DIP Obligations and all Prepetition First Lien Obligations have been Paid in Full, and such order of dismissal shall so provide (in accordance with sections 105 and 349 of the Bankruptcy Code), and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing such DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively.

(d) Survival of Final Order. The provisions of this Final Order and the DIP Loan Documents, any actions taken pursuant hereto or thereto, and all of the DIP Protections (including the Prepetition First Lien Adequate Protection), and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, pursuant to this Final Order and the DIP Loan Documents shall survive, and shall not be modified, impaired, or discharged by, the entry of any order confirming any plan of reorganization in any Chapter 11 Case or Successor Case,

converting any Chapter 11 Case to a case under chapter 7, dismissing any of the Chapter 11 Cases, withdrawing of the reference of any of the Chapter 11 Cases or any Successor Cases or providing for abstention from handling or retaining of jurisdiction of any of the Chapter 11 Cases or any Successor Case in this Court, or terminating the joint administration of these Chapter 11 Cases or any Successor Case or by any other act or omission. The terms and provisions of this Final Order, including all of the DIP Protections (including the Prepetition First Lien Adequate Protection) and all other rights, remedies, Liens, priorities, privileges, protections, and benefits granted to any or all of the DIP Secured Parties and the Prepetition First Lien Secured Parties, respectively, pursuant to this Final Order and the DIP Loan Documents shall continue in full force and effect and be binding on all parties in interest notwithstanding the entry of any such order, and such DIP Protections (including the Prepetition First Lien Adequate Protection), and such other rights, remedies, Liens priorities, privileges, protections and benefits pursuant to this Final Order and the DIP Loan Documents, shall continue in full force and effect in these proceedings and in any Successor Cases and after dismissal of any thereof, and shall maintain their respective priorities as provided by this Final Order. Without the express written consent of the DIP Lenders, the DIP Obligations shall not be discharged by the entry of an order confirming any such chapter 11 plan, the Debtors having waived such discharge pursuant to section 1141(d)(4) of the Bankruptcy Code.

19. **Insurance Policies**. Upon entry of this Final Order, the DIP Agent, the other DIP Secured Parties, the Prepetition First Lien Agent (with respect to the Prepetition First Lien Adequate Protection) and the other Prepetition First Lien Secured Parties (with respect to the Prepetition First Lien Adequate Protection) shall be, and shall be deemed to be, without any further action or notice, named as additional insureds and loss payees, as applicable, on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral, and the Debtors

shall take such actions as are reasonably requested by the DIP Agent or the Prepetition First Lien Agent from time to time to evidence or effectuate the foregoing.

20. **Other Rights and Obligations**.

(a) Expenses. To the extent provided in the DIP Loan Documents (and without limiting the Debtors' respective obligations thereunder), the applicable Debtors shall pay all reasonable expenses incurred by the DIP Agent (including the reasonable fees and disbursements of all counsel for the DIP Agent and any internal or third-party appraisers, consultants, advisors and auditors engaged by or for the benefit of the DIP Agent and/or its counsel) in connection with the preparation, execution, delivery, and administration of the DIP Loan Documents, the Interim Order, this Final Order, and any other agreements, instruments, pleadings, or other documents prepared or reviewed in connection with any of the foregoing, whether or not any or all of the transactions contemplated hereby or by the DIP Loan Documents are consummated.

(b) Notice of Professional Fees. Professionals for the DIP Agent and the Prepetition First Lien Agent (including professionals engaged by counsel to the DIP Agent or Prepetition First Lien Agent, as applicable) (collectively, the "Lender Professionals") shall not be required to comply with the United States Trustee fee guidelines or submit invoices to this Court, United States Trustee, any Committee or any other party in interest. Copies of summary invoices submitted to the Debtors by such Lender Professionals shall be forwarded by the Debtors to the United States Trustee, counsel for any Committee, and such other parties as this Court may direct. If no objection to payment of the requested fees and expenses is made in writing (email being sufficient) by any of the Debtors, any Committee, or the United States Trustee within ten calendar days after delivery of such invoices, such invoices shall be promptly paid by the Debtors and, in any event, no later than three Business Days after expiration of such ten day period. The summary

invoices shall be sufficiently detailed to enable a determination as to the reasonableness of such fees and expenses; provided, however, that such summary invoices may be redacted to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such summary invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine or other applicable privilege. If the Debtors, United States Trustee or any Committee object to the reasonableness of the fees and expenses of any of the Lender Professionals and cannot resolve such objection within ten days of receipt of such invoices, then the Debtors, United States Trustee, or the Committee, as the case may be, shall file with this Court and serve on such Lender Professionals an objection (the "Fee Objection") limited to the issue of the reasonableness of such fees and expenses, and any failure by any such party to file a Fee Objection within such ten day period shall constitute a waiver of any right of such party to object to the applicable invoice. Notwithstanding any provision herein to the contrary, any objection to, and any hearing on an objection to, payment of any fees, costs, and expenses set forth in a professional fee invoice in respect of Lender Professionals shall be limited to the reasonableness of the particular items or categories of the fees, costs, and expenses that are the subject of such objection. The Debtors shall timely pay in accordance with the terms and conditions of this Final Order (a) the undisputed fees, costs, and expenses reflected on any invoice to which a Fee Objection has been timely filed and (b) all fees, costs and expenses on any invoice to which no Fee Objection has been timely filed. All such unpaid fees, costs, expenses, and charges of the DIP Agent that have not been disallowed by this Court on the basis of an objection filed by the Debtor, the United States Trustee or the Committee (or any subsequent trustee of the Debtors'

estates) in accordance with the terms hereof shall constitute DIP Obligations and shall be secured by the DIP Collateral as specified in this Final Order.

(c) Binding Effect. The provisions of this Final Order, including all findings herein, and the DIP Loan Documents shall be binding upon all parties in interest in these Chapter 11 Cases and any Successor Cases, including the DIP Secured Parties, the Prepetition First Lien Secured Parties, any Committee, and the Debtors and their respective estates, successors and assigns (including any chapter 7 or chapter 11 trustee hereinafter appointed or elected for the estate of any of the Debtors, an examiner appointed pursuant to section 1104 of the Bankruptcy Code, or any other fiduciary or responsible person appointed as a legal representative of any of the Debtors or with respect to the property of the estate of any of the Debtors), whether in any of the Chapter 11 Cases, in any Successor Cases, or upon dismissal of any such Case or Successor Case; provided, however, that except to the extent expressly provided in Paragraph 7, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall have no obligation to permit the use of Cash Collateral or to extend any financing to any chapter 7 or chapter 11 trustee or other responsible person appointed for the estates of the Debtors in any Chapter 11 Case or Successor Case.

(d) No Waiver. The failure of the Prepetition First Lien Secured Parties or the DIP Secured Parties to seek relief or otherwise exercise their rights and remedies under this Final Order, the Prepetition First Lien Loan Documents, the DIP Loan Documents or otherwise (or any delay in seeking or exercising same) shall not constitute a waiver of any of such parties' rights hereunder, thereunder, or otherwise. Nothing contained in this Final Order (including the authorization of the use of any Cash Collateral) shall impair or modify any rights, claims, or defenses available in law or equity to any Prepetition First Lien Secured Party or any DIP Secured Party, including rights of a party to a swap agreement, securities contract, commodity contract,

forward contract, or repurchase agreement with a Debtor to assert rights of setoff or other rights with respect thereto as permitted by law (or the right of the Debtors to contest or object to such assertion). Except as provided by this Final Order, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, or otherwise impair, any right or ability of the Prepetition First Lien Secured Parties or the DIP Secured Parties under the Bankruptcy Code or under non-bankruptcy law to (i) request conversion of the Chapter 11 Cases or any Successor Cases to cases under chapter 7, dismissal of the Chapter 11 Cases or any Successor Cases, or the appointment of a trustee or examiner in the Chapter 11 Cases or any Successor Cases, or to oppose the use of Cash Collateral in any Successor Case, (ii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, any chapter 11 plan or plans with respect to any of the Debtors or seek early termination of the Debtors' exclusive rights to propose a plan under the Bankruptcy Code, or (iii) exercise any of the rights, claims, or privileges (whether legal, equitable, or otherwise) of the DIP Secured Parties or the Prepetition First Lien Secured Parties, respectively, under the DIP Loan Documents or the Prepetition First Lien Loan Documents, the Bankruptcy Code or otherwise, in each case with the rights of the Debtors to contest or object thereto reserved. Except to the extent otherwise expressly provided in this Final Order or by law, neither the commencement of the Chapter 11 Cases nor the entry of this Final Order shall limit or otherwise modify the rights and remedies of the Prepetition First Lien Secured Parties under the Prepetition First Lien Loan Documents or with respect to any non-Debtor entities or their respective assets, whether such rights and remedies arise under the Prepetition First Lien Loan Documents, applicable law, or equity.

(e) No Third Party Rights. Except as explicitly provided for herein or in any DIP Loan Document, this Final Order does not create any rights for the benefit of any third party,

creditor, equity holder, or direct, indirect, or incidental beneficiary. In determining to make any loan (whether under the DIP Credit Agreement or otherwise) or to permit the use of Cash Collateral or in exercising any rights or remedies as and when permitted pursuant to this Final Order or the DIP Loan Documents, the DIP Secured Parties and the Prepetition First Lien Secured Parties shall not (i) be deemed to be in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, as amended, or any similar federal, state or local statute or regulation) or (ii) owe any fiduciary duty to the Debtors, their respective creditors, shareholders, or estates.

(f) No Marshaling. Neither the DIP Secured Parties nor the Prepetition First Lien Secured Parties shall be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition First Lien Collateral, as applicable; *provided*, that the proceeds of (i) Avoidance Actions and (ii) any other assets that do not constitute Prepetition First Lien Collateral may only be applied in satisfaction of the DIP Obligations or First Lien Adequate Protection Superpriority Claims after the DIP Secured Parties and Prepetition First Lien Secured Parties have used commercially reasonable efforts to seek payment from all other DIP Collateral and Prepetition First Lien Collateral.

(g) Amendments. The Debtors are authorized and empowered, without further notice and hearing or approval of this Court, to amend, modify, supplement, or waive any provision of the DIP Loan Documents in accordance with the provisions thereof, in each case unless such amendment, modification, supplement, or waiver is material; *provided*, that the Committee shall be given at least two (2) business days' prior written notice of any such amendment with an

opportunity to object and seek resolution by the Court of any such objection (which shall toll the effectiveness of such proposed amendment until resolved). No waiver, modification, or amendment of any of the provisions of the DIP Loan Documents shall be effective unless set forth in writing, signed by or on behalf of the Borrower and the DIP Agent (after having obtained the approval of the requisite DIP Secured Parties under the DIP Credit Agreement) and, except as provided herein, approved by this Court. Notwithstanding the foregoing, no waiver, modification or amendment of any of the provisions of this Final Order or the DIP Loan Documents that would directly and adversely affect the rights or interests of the Prepetition First Lien Secured Parties, as applicable, shall be effective unless also consented to in writing by the Prepetition First Lien Agent on behalf of the Prepetition First Lien Secured Parties (after obtaining the approval of the requisite Prepetition First Lien Secured Parties under the Prepetition First Lien Credit Agreement).

(h) Committee Reporting Obligations. The Debtors shall deliver to the Committee all information, reports, documents and other material that the Debtors provide to the DIP Secured Parties pursuant to the DIP Loan Documents.

(i) Inconsistency. In the event of any inconsistency between the terms and conditions of the DIP Loan Documents and of this Final Order, the provisions of this Final Order shall govern and control. In the event of any inconsistency between the terms or conditions of this Final Order and the terms or conditions of any other order entered by this Court in the nature of a "first day order", the provisions of this Final Order shall govern and control.

(j) Enforceability. This Final Order shall constitute findings of fact and conclusions of law pursuant to the Bankruptcy Rule 7052 and shall take effect and be fully enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062 or 9024 or any other

Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry, and there shall be no stay of execution or effectiveness of this Final Order.

(k) Reservation of Rights. Nothing in this Final Order shall be deemed to constitute the consent of the DIP Secured Parties or the Prepetition First Lien Secured Parties, and except as expressly provided in the DIP Loan Documents, each of the foregoing expressly reserve the right to object, to entry of any Order of the Bankruptcy Court that provides for the sale or other disposition of all or substantially all of the assets of the Debtors (or any other sale or other disposition of assets of any of the Debtors outside the ordinary course of business) to any party unless, in connection and concurrently with any such event, the proceeds of such sale are or will be sufficient to satisfy Payment in Full of the DIP Obligations and the Prepetition First Lien Obligations on the closing date of such sale.

(l) Headings. Paragraph headings used herein are for convenience only and are not to affect the construction of, or to be taken into consideration in, interpreting this Final Order.

21. **Necessary Action**. The Debtors are authorized to take any and all such actions as are necessary, required or appropriate to implement and effectuate the terms of this Final Order, the DIP Loan Documents and the transactions contemplated hereunder and thereunder.

22. **Retention of Jurisdiction**. This Court has and will retain jurisdiction to enforce this Final Order according to its terms.

23. **Specific Provisions.**

Nothing in the DIP Documents shall alter, limit, waive, and/or release any rights, liens, claims, and/or interests of the Debtors in respect of the Applied Bonds, the Applied Indemnity Agreements, and/or the Applied Collateral. For the avoidance of doubt, to the extent Applied has a Prepetition Prior Lien, Applied's rights and interests in the Applied Collateral shall not be a Primed Lien.

(c) Westchester Fire Insurance Company. In addition, nothing in the DIP Documents shall prime or affect: (x) current or future setoff and/or recoupment rights and/or the lien rights of the Surety or of any party to whose rights the Surety

has or may become subrogated; and/or (y) any existing or future subrogation or other common law rights of the Surety.

(d) Nothing herein is an admission by the Surety or the Debtors, or a determination by the Bankruptcy Court, regarding any claims against any bonds, and the rights, remedies, and defenses of the Surety and the Debtors (or any successors in interest to any of the Debtors), and any creditors in connection therewith, are expressly reserved and preserved. Notwithstanding anything in the DIP Documents to the contrary, and subject to the terms herein, the Debtors hereby agree that, during the pendency of these proceedings, the Debtors shall, in accordance with and subject to applicable law and any current or future indemnity, collateral trust, or related agreements, reimburse the Surety for reasonable and documented attorneys' fees and costs incurred and to be incurred by the Surety, without the Surety having to file a fee application, proof of claim and/or request for payment. The Surety's right to object to any proposed assignment of any bonds issued by the Surety or any indemnity agreement signed by the Surety and any of the Debtors is hereby fully preserved.

8. Since being selected, White & Case has worked closely with the Committee and its other professionals with respect to these Chapter 11 Cases. White & Case also has extensive expertise in other fields of law that are implicated by these Chapter 11 Cases, including, among others, corporate law, commercial litigation, banking and finance law, capital markets, and tax law. Given the firm's experience and knowledge in these fields, White & Case is well qualified and uniquely able to act on the Committee's behalf in connection with these Chapter 11 Cases.

SERVICES TO BE RENDERED

9. The Committee has selected White & Case to serve as counsel to the Committee to perform all of the services that are necessary and appropriate to discharge the Committee's responsibilities and further the interests of the Committee's constituents in these Chapter 11 Cases.

10. Subject to further order of this Bankruptcy Court, White & Case will provide the following services:

(k) perform such other legal services as required or otherwise deemed to be in the interests of the Committee in connection with these Chapter 11 Cases.

PROFESSIONAL COMPENSATION

11. White & Case has agreed to serve as counsel to the Committee and receive compensation and reimbursement in accordance with its standard billing practices for services rendered and expenses incurred on behalf of the Committee, in accordance with sections 328, 330, and 331 of the Bankruptcy Code, Bankruptcy Rule 2016, and as otherwise ordered by the Bankruptcy Court.

12. White & Case will charge its then current standard rate for the professional services that it has provided to date and will provide in the future. Currently, the hourly rates charged by White & Case in its U.S. offices range from $1,690 to $2,500 for partners, $1,630 for counsel, $870 to $1,580 for associates, and $355 to $700 for paraprofessionals. White & Case has advised the Committee that the hourly rates set forth above are subject to periodic review and adjustment in the normal course of the Firm's business, typically on January 1st of each year, and often due to the increased experience of a particular professional. Such adjustments were last made in January 2025. In the event that its billing rates increase, White & Case will provide notice of any rate increases in the fee statements in which such increased rates are in effect.

13. These hourly rates set forth above are White & Case's current standard rates and (as noted above) are subject to periodic adjustment in the ordinary course of business. These rates are set at a level designed to fairly compensate White & Case for the work of its attorneys and paraprofessionals and to cover fixed and routine overhead expenses. White & Case also charges its clients in all areas of practice for expenses incurred in connection with each client's case. The expenses charged to clients include, among other things, printing and photocopying, postage and package delivery charges, e-discovery expenses, court fees, transcript costs, travel expenses, expenses for overtime meals, and computer-aided research. White & Case will seek reimbursement, subject to the Court's approval, for all such expenses incurred by White & Case on the Committee's behalf. All requests for reimbursement of expenses will be consistent with any guidelines established by the Bankruptcy Court.

14. White & Case shall apply to this Court for allowance of compensation for professional services rendered and reimbursement of expenses in accordance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, the Local

Rules, any other applicable procedures and orders of the Court, for all professional services performed and expenses incurred in these Chapter 11 Cases.

15. Pursuant to Bankruptcy Rule 2016(b), White & Case has no agreement with any other entity to share any compensation received by White & Case, except as permitted under section 504(b)(1) of the Bankruptcy Code. White & Case has not received any promises as to payment or compensation in connection with these Chapter 11 Cases other than in accordance with the provisions of the Bankruptcy Code and as disclosed herein.

16. White & Case did not receive any payments from the Debtors within the ninety (90) day period prior to the Petition Date.

BASIS FOR RELIEF

17. The Committee seeks to retain White & Case as counsel pursuant to sections 1103 and 328(a) of the Bankruptcy Code, the latter of which provides that:

> [the C]ommittee . . . with the court's approval, may employ or authorize the employment of a professional person under section 327 or 1103 of this title, as the case may be, on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis.

18. It is necessary and essential that the Committee, as a fiduciary for all creditors holding unsecured claims, employs counsel to render the aforementioned professional services. The Committee selected White & Case to serve as its counsel because it believes that White & Case is well positioned to provide the legal services that the Committee will require during these Chapter 11 Cases. White & Case is one of the world's leading law firms, with extensive knowledge, experience, and expertise in representing stakeholders in chapter 11 cases, as set forth in the Pesce Declaration. White & Case also has extensive expertise in other fields of law that are implicated by these Chapter 11 Cases including, among others, corporate law, commercial litigation, banking and finance law, capital markets, and tax law.

19. White & Case is expected to render such legal services as the Committee may consider necessary to discharge the Committee's responsibilities and further the interests of its constituents in these Chapter 11 Cases. Based upon the foregoing, the Committee submits that the retention of White & Case is necessary, appropriate, and in the best interests of its constituents.

WHITE & CASE'S DISINTERESTEDNESS

20. Section 1103(b) of the Bankruptcy Code provides that an "attorney . . . employed to represent a committee appointed under section 1102 of this title may not, while employed by such committee, represent any other entity having an adverse interest in connection with the case." As set forth in the Pesce Declaration, White & Case does not hold or represent any interest in these Chapter 11 Cases that is adverse to the Debtors. Moreover, section 328(c) of the Bankruptcy Code may apply by incorporation the "disinterested person" standard to the Committee's advisors. To the best of the Committee's knowledge, (i) White & Case is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code; (ii) neither White & Case nor its professionals have any connection with the Debtors, the creditors, or any other party in interest except at stated in the Pesce Declaration; and (iii) White & Case does not hold or represent any interest adverse to the Committee in the matters for which it is to be retained.

21. Accordingly, the Committee believes that White & Case is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code and utilized in section 328(c) of the Bankruptcy Code.[3]

22. Additionally, ordering the Committee's retention of White & Case effective as of September 9, 2025 is appropriate. White & Case has been representing the Committee in

[3] White & Case notes that section 1103 of the Bankruptcy Code does not contain an express requirement that a professional retained by a committee be disinterested.

connection with these Chapter 11 Cases since the date the Committee voted to retain White & Case to act as its counsel. The Debtors believe that no party in interest will be prejudiced by the granting of the employment effective as of September 9, 2025, as provided in this Application, because White & Case has provided and continues to provide valuable services to the Committee and the Debtors' estates. *See also* Local Rule 2014-1(b)(1).

NOTICE

23. Notice of this Application has been provided to: (a) the Debtors; (b) the U.S. Trustee; (c) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (d) the United States Attorney's Office for the Southern District of Texas; (e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the state attorneys general for states in which the Debtors conduct business; and (h) any party that has requested notice pursuant to Bankruptcy Rule 2002 and Local Rule 9013-1(d). The Committee submits that, in light of the nature of the relief requested, no other or further notice need be given.

NO PRIOR REQUEST

24. No previous application for the relief sought herein has been made by the Debtors to this Court or any other court.

[Remainder of Page Left Intentionally Blank]

CONCLUSION

WHEREFORE, for the reasons set forth herein, the Committee respectfully requests that the Court grant the relief requested in this Application, the Order, and such other and further relief as is just and proper.

4. White & Case shall use its reasonable efforts to avoid any duplication of services provided by any of the Committee's other retained professionals in these Chapter 11 Cases.

5. White & Case will review its files periodically during the pendency of these Chapter 11 Cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, White & Case will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

6. The Debtors and the Committee are authorized and empowered to take all actions necessary to implement the relief granted in this Order.

7. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

DECLARATION OF GREGORY F. PESCE IN SUPPORT OF APPLICATION OF THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR ENTRY OF AN ORDER AUTHORIZING THE EMPLOYMENT AND RETENTION OF WHITE & CASE LLP AS COUNSEL EFFECTIVE AS OF SEPTEMBER 9, 2025

I, Gregory F. Pesce, pursuant to 28 U.S.C. § 1746, hereby declare that the following is true and correct to the best of my knowledge, information, and belief:

1. I am a partner of the firm of White & Case LLP ("**White & Case**" or the "**Firm**"), an international law firm, which maintains offices for the practice of law at, among other locations, 111 South Wacker Drive, Suite 5100, Chicago, IL 60606-4302, and 609 Main Street, Suite 2900, Houston, TX 77002. Among other admissions, I am a member in good standing of the Bar of the State of Illinois, and I have been admitted to practice *pro hac vice* in these Chapter 11 Cases [Docket No. 158]. There are no disciplinary proceedings pending against me in any jurisdiction.

[1] A complete list of each of the Debtors in the chapter 11 cases (the "**Chapter 11 Cases**") and the last four digits of each Debtor's taxpayer identification number (if applicable) may be obtained on the website of the Debtors' proposed claims and noticing agent at https://www.veritaglobal.net/ModivCare. Debtor ModivCare Inc.'s principal place of business and the Debtors' service address in the Chapter 11 Cases is 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237.

2. I submit this declaration (the "**Declaration**") pursuant to sections 328(a) and 1103 of title 11 of the United States Code (the "**Bankruptcy Code**"), rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**"), and rules 2014-1, 2016-1 and 9013-1 of the Local Rules for the United States Bankruptcy Court for the Southern District of Texas (the "**Local Rules**") in support of the *Application of the Official Committee of Unsecured Creditors for Entry of an Order Authorizing the Employment and Retention of White & Case LLP as Counsel Effective as of September 9, 2025* (the "**Application**"), filed contemporaneously herewith by the Committee.[2] To the extent that any information disclosed herein requires amendment or modification upon White & Case's completion of further analysis or as additional information becomes available to it, a supplemental declaration will be submitted to the Court reflecting the same. Except as otherwise noted, I have personal knowledge of the matters set forth herein.[3]

QUALIFICATIONS OF WHITE & CASE

3. On September 9, 2025, the Committee selected White & Case to serve as counsel to the Committee to perform all of the services that are necessary and appropriate to discharge the Committee's responsibilities and further the interests of the Committee's constituents in these Chapter 11 Cases, subject to approval by the Court.

4. Since that time, White & Case has worked closely with the Committee with respect to these Chapter 11 Cases. White & Case understands that the Committee selected White & Case to serve as its counsel based in part upon the Firm's extensive knowledge, experience, and

[2] Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Application.

[3] Certain of the disclosures herein relate to matters within the knowledge of attorneys or employees of White & Case and are based on information provided by them.

expertise in representing stakeholders in these Chapter 11 Cases, including in healthcare cases. White & Case also has extensive expertise in other fields of law that are implicated by these Chapter 11 Cases, including, among others, corporate law, commercial litigation, banking and finance law, capital markets, and tax law.

5. White & Case has advised the Committee through a highly qualified team of professionals. The White & Case team has extensive experience in restructuring, corporate law, commercial litigation, banking and finance law, capital markets, tax law, and other areas of expertise that the Committee will require in these Chapter 11 Cases.

6. Given the Firm's experience and knowledge in the fields of debtors', creditors', and equity security holders' rights, and business reorganizations under chapter 11 of the Bankruptcy Code, White & Case is well qualified and uniquely able to act on the Committee's behalf in connection with these Chapter 11 Cases.

SERVICES TO BE PROVIDED

7. The Committee has requested that White & Case render various services, including the following:

(a) advise the Committee regarding its rights, powers, and duties under the Bankruptcy Code and in connection with these Chapter 11 Cases;

(b) assist and advise the Committee in its consultations and negotiations with the Debtors concerning the administration of these Chapter 11 Cases;

(c) assist and advise the Committee in its examination, investigation, and analysis of the acts, conduct, assets, liabilities, and financial condition of the Debtors, including (without limitation) reviewing and investigating prepetition transactions, the operation of the Debtors' business, and the value of such business;

(d) assist the Committee in the review, analysis, and negotiation of any chapter 11 plan(s) that have been or may be filed and assist the Committee in the review, analysis, and negotiation of the disclosure statement accompanying any chapter 11 plan(s);

(e) take all necessary action to protect and preserve the interests of the Committee and creditors holding general unsecured claims against the Debtors' estates, including (i) the investigation and possible prosecution of actions enhancing the Debtors' estates including any potential challenges to the scopes of the prepetition security interests of the Company's first lien lenders, and (ii) review and analysis of claims filed against the Debtors' estates;

(f) review and analyze motions, applications, orders, statements of operations, and schedules filed with the Bankruptcy Court and advise the Committee as to their propriety;

(g) prepare on behalf of the Committee all necessary pleadings, applications, memoranda, orders, reports, and other papers in support of positions taken by the Committee;

(h) represent the Committee at all court hearings, statutory meetings of creditors, and other proceedings before this Court;

(i) assist the Committee in the review, analysis, and negotiation of financing agreements;

(j) assist and advise the Committee as to its communications with its constituents regarding significant matters in these Chapter 11 Cases, including but not limited to, communications required under section 1102(b)(3) of the Bankruptcy Code; and

(k) perform such other legal services as required or otherwise deemed to be in the interests of the Committee in connection with these Chapter 11 Cases.

8. Subject to the Court's approval of the Application, White & Case is willing to serve as the Committee's counsel in these Chapter 11 Cases and to perform the services described above.

COMPLIANCE OF WHITE & CASE WITH
SECTIONS 1103(b) AND 328(c) OF THE BANKRUPTCY CODE

9. I am not, nor is White & Case, an insider of the Debtors. To the best of my knowledge, White & Case (i) does not hold or represent any interest in these Chapter 11 Cases that is adverse to the Committee or the Debtors that would preclude the Firm from acting as counsel to the Committee on the matters for which it is to be engaged as required by section 1103(b) of the

Bankruptcy Code, and (ii) is a "disinterested person," as that term is defined in section 101(14) of the Bankruptcy Code and as may be incorporated by section 328(c) of the Bankruptcy Code.

I. Connections Search and Disclosure Process

10. In accordance with Bankruptcy Rule 2014(a), prior to filing the Application, White & Case conducted a disclosure review with respect to the Firm's connections to the Debtors and the most significant parties in interest in these Chapter 11 Cases based upon a list of interested parties supplied by counsel to the Debtors, a copy of which is annexed hereto as **Schedule 1** (the "**Potential Parties in Interest**").

11. To conduct this review, we caused the names of the Potential Parties in Interest to be run through White & Case's conflicts department to assist in determining whether White & Case has a connection to such parties and, if so, whether such connections relate in any way to the proposed representation of the Committee in these Chapter 11 Cases. Based on reports generated by White & Case's conflicts department, **Schedule 2** annexed hereto identifies those Potential Parties in Interest that White & Case either (i) currently represents, (ii) does not currently represent but has represented within the last two (2) years, or (iii) reasonably anticipates that it will represent in the near future, as a client in matters unrelated to the Debtors, these Chapter 11 Cases, or such entities' claims against and interests in the Debtors, except as may otherwise be disclosed in this Declaration.[4] Of the entities listed on Schedule 2, none represented more than 1% of White &

[4] The term "client" means an entity listed as a client or affiliate of a client in an active or closed matter in White & Case's conflicts search system. To the extent that a Potential Party in Interest falls under more than one category, such Potential Party in Interest may be disclosed below in only one category. Furthermore, the inclusion of a Potential Party in Interest within one or more categories in the Application, this Declaration, or otherwise is for convenience only and is not, and shall not be construed as, an acknowledgement or admission regarding any Potential Party in Interest, including with respect to any claims or relationships that such Potential Party in Interest may have with the Debtors. Finally, White & Case notes that the process has a limited capability to identify affiliates.

Case's revenue for the twelve-month period through August 31, 2025, except for Deutsche Bank AG New York Branch.

12. To the best of my knowledge and information, White & Case does not hold or represent any interest adverse to the Committee, the Debtors, or their estates and, except as disclosed herein or on Schedule 2, does not have any "connections" to the Debtors' creditors, affiliates, other parties in interest and potential parties in interest, the Office of the U.S. Trustee, or the United States Bankruptcy Judge assigned to these Chapter 11 Cases. I do not believe that any of the representations described on Schedule 2 or listed herein are materially adverse to the interests of the Committee, the Debtors, or their estates. In light of the possibility that certain creditors or other parties in interest may not have been identified on Schedule 1, White & Case may have represented, may currently represent, or may in the future represent such entities in matters wholly unrelated to these Chapter 11 Cases. The information listed on the attached schedules may have changed without our knowledge and may change during the pendency of these Chapter 11 Cases. To the extent that White & Case becomes aware of any such changes, White & Case will promptly conduct a disclosure review with respect to such changes and file a supplemental declaration, if necessary.

13. White & Case is a large global law firm. The Firm and its lawyers provide an extremely broad range of services to numerous clients throughout the world. Because of the Firm's extensive worldwide legal practice, including numerous representations and involvements in bankruptcy cases as counsel to debtor and others, White & Case represents or has in the past represented, in matters unrelated to the Debtors or these Chapter 11 Cases, clients that are adverse, or could be considered potentially adverse, to creditors of the Debtors and other parties in interest in these Chapter 11 Cases, in matters unrelated to these Chapter 11 Cases. However, I do not

believe that such representations would preclude the Firm's representation of the Committee on the matters for which it is to be engaged.

II. Disclosures as to Specific Parties in Interest

14. Beginning on August 14, 2025 and through approximately August 21, 2025, White & Case advised Coliseum Capital Management, LLC ("**Coliseum**") in its capacity as a second lien and unsecured noteholder and equityholder in connection with a potential restructuring of ModivCare. On or about August 21, 2025, Coliseum requested that White & Case cease all work on its representation. Prior to White & Case interviewing with the Committee for its role as Committee counsel, White & Case obtained Coliseum's consent to end this representation, and in turn, represent the Committee in connection with all matters in connection with the Debtors and these Chapter 11 Cases. White & Case internally closed the matter with Coliseum, waived all fees and expenses incurred, and did not collect any payment from Coliseum or appear on Coliseum's behalf in these Chapter 11 Cases in connection with this engagement. White & Case will not represent any other party, including Coliseum, in these Chapter 11 Cases. Accordingly, White & Case's prior representation of Coliseum does not preclude White & Case from satisfying the standard for retention of counsel under section 1103(b) of the Bankruptcy Code.

15. Based upon the information available to me, after following the procedures described herein, and as otherwise described on Schedule 2 hereto or herein, we believe White & Case holds no interest adverse to the Debtors with respect to the matters for which it is to be employed.

PROFESSIONAL COMPENSATION

16. White & Case has agreed to serve as counsel to the Committee and receive compensation and reimbursement in accordance with its standard billing practices for services

rendered and expenses incurred on behalf of the Committee, in accordance with sections 328, 330, and 331 of the Bankruptcy Code, Bankruptcy Rule 2016, or as otherwise ordered by the Bankruptcy Court.

17. White & Case will charge its then current standard rate for the professional services that the White & Case has provided to date and will provide in the future. Currently, the hourly rates charged by White & Case in its U.S. offices range from $1,690 to $2,500 for partners, $1,630 for counsel, $870 to $1,580 for associates, and $355 to $700 for paraprofessionals. White & Case has advised the Committee that the hourly rates set forth above are subject to periodic review and adjustment in the normal course of the Firm's business, typically on January 1st of each year, and often due to the increased experience of a particular professional. Such adjustments were last made in January 2025. In the event that its billing rates increase, White & Case will provide notice of any rate increases in the fee statements in which such increased rates are in effect.

18. These hourly rates set forth above are White & Case's current standard rates and (as noted above) are subject to periodic adjustment in the ordinary course of business. These rates are set at a level designed to fairly compensate White & Case for the work of its attorneys and paraprofessionals and to cover fixed and routine overhead expenses.

19. White & Case also charges its clients in all areas of practice for expenses incurred in connection with each client's case. The expenses charged to clients include, among other things, printing and photocopying, postage and package delivery charges, e-discovery expenses, court fees, transcript costs, travel expenses, expenses for overtime meals, and computer-aided research. White & Case will seek reimbursement, subject to the Court's approval, for all such expenses incurred by White & Case on the Committee's behalf. All requests for reimbursement of expenses will be consistent with any guidelines established by the Bankruptcy Court.

20. White & Case shall apply to this Court for allowance of compensation for professional services rendered and reimbursement of expenses in accordance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, the Local Rules, any other applicable procedures and orders of the Court, for all professional services performed and expenses incurred in these Chapter 11 Cases.

21. Pursuant to Bankruptcy Rule 2016(b), White & Case has no agreement with any other entity to share any compensation received by White & Case, except as permitted under section 504(b)(1) of the Bankruptcy Code. White & Case has not received any promises as to payment or compensation in connection with these Chapter 11 Cases other than in accordance with the provisions of the Bankruptcy Code and as disclosed herein.

22. White & Case did not receive any payments from the Debtors within the ninety (90) day period prior to the Petition Date.

23. Based upon the foregoing, I respectfully submit that the requirements for White & Case's retention as attorneys for the Committee have been met.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

Debtors.	(Jointly Administered)

DECLARATION OF DAVID ROWE IN SUPPORT OF APPLICATION OF THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR ENTRY OF AN ORDER AUTHORIZING THE EMPLOYMENT AND RETENTION OF WHITE & CASE LLP AS COUNSEL EFFECTIVE AS OF SEPTEMBER 9, 2025

Pursuant to 28 U.S.C. § 1746, I, David Rowe, as an authorized signatory of Jupiter Asset Management, chairperson of the Official Committee of Unsecured Creditors (the "**Committee**") hereby declare, as follows:

1. I am an authorized representative of Jupiter Asset Management. Jupiter Asset Management is an unsecured creditor of the Debtors and a member of the Committee appointed in the above-captioned chapter 11 cases. I submit this declaration (the "**Declaration**") in support of the *Application of the Official Committee of Unsecured Creditors for Entry of an Order Authorizing the Employment and Retention of White & Case LLP as Counsel Effective as of*

[1] A complete list of each of the Debtors in the chapter 11 cases (the "**Chapter 11 Cases**") and the last four digits of each Debtor's taxpayer identification number (if applicable) may be obtained on the website of the Debtors' proposed claims and noticing agent at https://www.veritaglobal.net/ModivCare. Debtor ModivCare Inc.'s principal place of business and the Debtors' service address in the Chapter 11 Cases is 6900 E. Layton Avenue, Suite 1100 & 1200, Denver, Colorado 80237.

September 9, 2025 (the "**Application**").[2] I have reviewed and am familiar with the Application. I am in all respects competent to make this Declaration in support of the Application. Except as otherwise noted, I have personal knowledge as to all the information set forth below.

IDENTITY OF DECLARANT

2. On August 20, 2025 (the "**Petition Date**"), the Debtors filed with the Court a voluntary petition for relief under the Bankruptcy Code. The Debtors continue to operate their businesses and manage their properties as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No trustee or examiner has been appointed in these Chapter 11 Cases.

3. On September 5, 2025, the Office of the United States Trustee for Region 7 (the "**U.S. Trustee**") appointed the Committee, pursuant to section 1102(a) of the Bankruptcy Code, to represent the interests of all creditors holding unsecured claims in these Chapter 11 Cases. [Docket No. 124]. As of the date hereof, the members of the Committee are: (i) Wilmington Savings Fund Society, FSB, as indenture trustee for the Unsecured Notes;[3] (ii) Madison Avenue International LP; (iii) Jupiter Asset Management; (iv) Uber Health, LLC; (v) MedEx Medical Transport Service, Inc.; (vi) Randstad North America; and (vii) Marquis Hines.

4. On September 9, 2025, the Committee voted to retain White & Case as its counsel, subject to Bankruptcy Court approval. As a representative of a member of the Committee, I was directly involved in the decision to retain White & Case as the Committee's counsel in these

Chapter 11 Cases and actively participated in negotiating the terms of White & Case's employment.

STEPS TAKEN TO ENSURE COMPARABILITY OF ENGAGEMENT TERMS AND RATE STRUCTURE

5. I have confirmed with White & Case that, while its billing rates vary among attorneys based on the attorney's seniority and position with the firm (e.g., partner, counsel, associate), years of experience, and the demand for services in the attorney's particular area of expertise, its billing rates do not vary as a function of whether the services performed relate to a bankruptcy engagement or a nonbankruptcy engagement.

6. White & Case has informed the Committee that its rates for bankruptcy representations are consistent with and comparable to the rates White & Case charges for nonbankruptcy representations. White & Case has informed the Committee that its current hourly rates apply to non-bankruptcy services, if any, provided by the Firm, unless an alternative fee arrangement (such as a contingent fee, mixed contingent fee, flat fee, or blended rate arrangement) is agreed upon. White & Case has informed the Committee that its attorneys will not charge a premium or in any way increase their hourly rates over the fees charged to nonbankruptcy clients.

7. The Committee is satisfied that White & Case has set its hourly rates for its attorneys and paraprofessionals at comparable levels to those charged by its competitor firms. Based on these representations and the Committee members' experience in both the bankruptcy field and in other fields in which the Debtors operate, I believe these rates are reasonable.

SELECTION OF WHITE & CASE AS COMMITTEE COUNSEL

8. On or about September 5, 2025, the Committee decided to retain counsel. After careful consideration, the Committee selected White & Case to serve as its counsel based upon White & Case's expertise in cases such as these Chapter 11 Cases. The Committee found that

White & Case is well suited to represent the Committee in these Chapter 11 Cases based on White & Case's extensive experience in chapter 11 matters, including its experience and knowledge in the areas of debtor's protections, creditors' rights, and business reorganizations under chapter 11 of the Bankruptcy Code.

OTHER CIRCUMSTANCES WARRANTING WHITE & CASE'S RETENTION

9. The Committee selected White & Case as counsel because of the firm's extensive restructuring experience and knowledge in the field of debtors' and creditors' rights and business reorganizations under chapter 11 of the Bankruptcy Code. White & Case also demonstrated its firm-wide connections to jurisdictions in which the Debtors operate globally and its firm-wide experience. White & Case's presentation made clear it is the best suited for providing legal services to the Committee for the duration of these Chapter 11 Cases.

PROCEDURES ESTABLISHED TO SUPERVISE FEES AND EXPENSES AND MANAGE COSTS

10. Throughout these Chapter 11 Cases, the Committee will supervise White & Case's incurred fees and expenses and review White & Case's monthly invoices and applications for payment of fees and reimbursement of expenses. The Committee understands and consents to the fact that White & Case historically increases its hourly billing rates for its professionals and paraprofessionals on a yearly basis.

11. White & Case has informed me that it will work closely with other professionals that may be retained by the Committee, taking whatever steps are necessary and appropriate to avoid any unnecessary duplication of effort with such other professionals.

12. The Committee understands that White & Case reserves all rights to contest any such objection raised to the allowance or payments of its requested fees and expenses, and the Committee reserves the right to retain conflicts counsel to prosecute any such fee objection.

13. Nothing contained herein is intended to limit White & Case's ability to request allowance and payment of fees and expenses pursuant to sections 330 and 331 of the Bankruptcy Code, to restrict White & Case's right to defend any objection raised to the allowance or payment of such fees, nor to restrict the Committee's right to retain conflicts counsel to prosecute any such fee objection to the extent it is not resolved informally by the parties or raised by another party in interest, such as the U.S. Trustee.

14. Based on the foregoing, I am of the opinion that it is necessary to employ White & Case and that such employment is in the best interest of the Committee.

15. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

Dated: October 8, 2025

Respectfully submitted,

Services to be Provided

12. AlixPartners has begun to provide assistance to the Committee in accordance with the terms and conditions set forth in the MacGreevey Declaration and in the Engagement Letter.

13. It is presently anticipated that AlixPartners will continue to provide advice to and assist the Committee in evaluating and implementing strategic and tactical options through the bankruptcy and restructuring process. A general list of tasks AlixPartners may perform is as follows:

- Review and evaluate the Debtors' current financial condition, business plans and cash and financial forecasts, and periodically report to the Committee regarding the same.
- Review the Debtors' cash management, tax sharing and intercompany accounting systems, practices and procedures.
- Evaluate any proposed sale process and related bids, and participate in any meetings with bidders or auction, as required.
- Review and investigate: (i) related party transactions, including those between the Debtors and non-debtor subsidiaries and affiliates (including, but not limited to, shared services expenses and tax allocations) and (ii) selected other prepetition transactions.
- Identify and/or review potential preference payments, fraudulent conveyances and other causes of action that the various Debtors' estates may hold against third parties, including each other.
- Analyze the Debtors' assets and claims and assess potential recoveries to the various creditor constituencies under different scenarios.
- Provide valuation and litigation support services in connection with the preparation of valuation analyses and/or expert reports, as well as related expert testimony.
- Assist in the development and/or review of the Debtors' restructuring support agreement, plan of reorganization and disclosure statement.
- Review and evaluate court motions filed or to be filed by the Committee, the Debtors, or any other parties-in-interest, as appropriate.

- Render expert testimony and litigation support services, as requested from time to time by the Committee and its counsel, regarding any of the matters to which AlixPartners is providing services.
- Attend Committee meetings and Bankruptcy Court hearings as may be required in the role of advisors to the Committee.
- Support eDiscovery obligations including in conjunction with document requests, subpoenas, or other discovery requirements, such as forensic data acquisition and analysis, data processing, monthly secure data hosting, review and analysis, and productions, and any other eDiscovery needs requested by the Committee.
- Assist with such other matters as may be requested that fall within AlixPartners' expertise and are mutually agreeable.

14. When necessary, the individuals working on this matter (the "***AlixPartners Personnel***") will be assisted by or replaced by various other AlixPartners professionals at various levels.

No Duplication of Services

15. AlixPartners will work closely with White & Case to ensure that there will be no duplication of efforts or unnecessary overlap in the services to be provided by AlixPartners and those that have been provided or will be provided by any of the Committee's other professionals.

Fee and Expense Structure

16. AlixPartners' decision to accept this engagement to advise and assist the Committee is conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment, compensated for its services, and reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices, as set forth in ***Schedule 1*** of the Engagement Letter (the "***Fee and Expense Structure***") as modified by the Proposed Order to comply with the practices and requirements of the Court.

17. AlixPartners' current standard hourly rates, subject to periodic adjustments, are as follows:

Title	Hourly Rate
Partner/ Partner & Managing Director	$1,225 – $1,540
Senior Vice President/ Director	$850 – $1,150
Vice President	$650 – $835
Analyst/ Consultant	$250 – $640

18. AlixPartners generally reviews and revises its billing rates semi-annually. Changes in applicable hourly rates will be noted on the invoices for the first time period in which the revised rates became effective.

19. To the extent the Committee requests services related to electronic discovery and data collection, certain fees will apply as further outlined by the Engagement Letter.

20. To the extent AlixPartners uses the services of independent contractors (the "***Contractors***") in these Chapter 11 Cases, AlixPartners shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that AlixPartners pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for AlixPartners; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

21. In addition to compensation for professional services rendered by AlixPartners Personnel, AlixPartners will seek reimbursement for reasonable and necessary expenses incurred in connection with these Chapter 11 Cases, including transportation costs, lodging, and meals.

22. AlixPartners intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these Chapter 11 Cases, subject to the Court's approval and in compliance with the *U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330* (Appendix A to

28 C.F.R. § 58) (collectively, the "***Fee Guidelines***"), applicable provisions of the Bankruptcy Code, including sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable orders of the Court, both in connection with this Application and the interim and final fee applications to be filed by AlixPartners in these Chapter 11 Cases.

23. AlixPartners will maintain records in support of any fees (in 1/10th of an hour increments), costs, and expenses incurred in connection with services rendered in these Chapter 11 Cases. Records will be arranged by category and nature of the services rendered and will include reasonably detailed descriptions of those services provided on behalf of the Committee. AlixPartners' applications for compensation of fees and reimbursement of expenses will be paid by the Debtors pursuant to the terms of the Engagement Letter and any procedures established by the Court, pursuant to an interim compensation order or otherwise.

24. AlixPartners does not seek a success fee in connection with these Chapter 11 Cases.

25. AlixPartners is not owed any amounts with respect to prepetition fees and expenses in connection with these Chapter 11 Cases.

26. Neither White & Case, the members of the Committee, nor any of their agents are or shall be responsible for the payment of AlixPartners' fees and costs arising out of the engagement described and referenced herein, regardless of whether or not AlixPartners is paid in full from the Debtors' estates.

27. The Fee and Expense Structure is consistent with and typical of compensation arrangements entered into by AlixPartners and other comparable firms that render similar services. The Committee believes that the Fee and Expense Structure is reasonable, market-based, and designed to compensate AlixPartners fairly for its work, and to cover fixed and routine expenses.

AlixPartners' Disinterestedness

28. To the best of the Committee's knowledge, and, except to the extent disclosed herein and in the MacGreevey Declaration, AlixPartners: (a) is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code; (b) has no connection to the Debtors, their creditors, or other parties in interest in these Chapter 11 Cases, or the attorneys or accountants of the foregoing, or the U.S. Trustee or any person employed in the Office of the U.S. Trustee; and (c) does not hold any interest adverse to the Debtors' estates.

29. As set forth in further detail in the MacGreevey Declaration, AlixPartners has certain connections with creditors, equity security holders, and other parties in interest in these Chapter 11 Cases. AlixPartners does not believe that any of these connections represent an interest materially adverse to the Debtors' estates or otherwise create a conflict of interest regarding the Debtors or these Chapter 11 Cases.

30. In the event that AlixPartners learns of additional connections not reflected in the MacGreevey Declaration, AlixPartners will use reasonable efforts to promptly file a supplemental declaration.

Indemnification Provisions

31. The Engagement Letter contains standard indemnification language with respect to AlixPartners' services including, without limitation, an agreement by the Committee to have the Debtors indemnify AlixPartners and its affiliates, partners, directors, officers, employees and agents (each, an "***AlixPartners Party***" and collectively, the "***AlixPartners Parties***") from and against all claims, liabilities, losses, expenses and damages arising out of or in connection with the engagement of AlixPartners that is the subject of the Engagement Letter, except to the extent caused by gross negligence, willful misconduct, or fraud of any AlixPartners Party.

32. The Committee and AlixPartners believe that the indemnification provisions contained in the Engagement Letter, as may be amended in the Proposed Order, are customary and reasonable for AlixPartners and comparable firms providing financial advisory services, and as would be modified pursuant to the foregoing limitations, reflect the qualifications and limitations on indemnification provisions that are customary in this district and others.

33. Moreover, the terms and conditions of the indemnification provisions were negotiated by AlixPartners at arm's length and in good faith. The provisions contained in the Engagement Letter, viewed in conjunction with the other terms of AlixPartners' proposed retention, are reasonable and in the best interest of the Debtors, their estates, and all parties in interest. Accordingly, as part of this Application, the Committee requests that the Court approve the indemnification provisions as set forth in the Engagement Letter, as may be amended by the Proposed Order.

Notice

34. Notice of this Application has been provided to: (a) the Debtors; (b) the Office of the U.S. Trustee; (c) the holders of the thirty (30) largest unsecured claims against the Debtors (on a consolidated basis); (d) the United States Attorney's Office for the Southern District of Texas; (e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the state attorneys general for states in which the Debtors conduct business; and (h) any party that has requested notice pursuant to Bankruptcy Rule 2002 and Local Rule 9013-1(d). The Committee submits that, in light of the nature of the relief requested, no other or further notice need be given.

WHEREFORE the Committee respectfully requests entry of the Proposed Order granting the relief requested herein and such other and further relief as the Court may deem just and proper.

of the Bankruptcy Code; and the Court having found the terms and conditions of AlixPartners' employment, including, but not limited to, the Fee and Expense Structure set forth in the Engagement Letter and Application, are reasonable under section 330 of the Bankruptcy Code; and the Court having jurisdiction to consider the Application pursuant to 28 U.S.C. §§ 157 and 1334; and it appearing that this matter is a core proceeding pursuant to 28 U.S.C. § 157(b); and it appearing that venue of this case and the Application in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and due and proper notice of the Application having been provided, and it appearing that no other or further notice need be provided; and the Court having reviewed the Application; and the Court having held a hearing on the Application; and the Court having determined that the legal and factual bases set forth in the Application establish just cause for the relief granted herein; and the Court having determined that the relief requested in the Application is in the best interest of the Debtors, their estates, and all parties in interest; and upon all of the proceedings had before the Court and after due deliberation, and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. The Application is approved as set forth in this Order.

2. Pursuant to sections 328(a) and 1103 of the Bankruptcy Code, the Committee is authorized to employ and retain AlixPartners as its financial advisor in connection with these Chapter 11 Cases effective as of September 10, 2025, and in accordance with the terms and conditions set forth in the Engagement Letter attached to the Application as **Exhibit B**.

3. The terms of the Engagement Letter, including, without limitation, the indemnification provisions, are reasonable, and the conditions of employment are approved in all respects, as modified by this Order.

4. AlixPartners may file monthly and interim requests for allowance of compensation and reimbursement of expenses and shall file final requests for allowance of compensation and reimbursement of expenses (collectively, the "***Fee Applications***"). AlixPartners' Fee Applications shall comply with the procedures set forth in sections 330 and 331 of the Bankruptcy Code, applicable Bankruptcy Rules and Local Rules, the Fee Guidelines and any other such procedures as may be fixed by order of the Court. AlixPartners shall keep its time in one-tenth (1/10) hour increments.

5. AlixPartners' compensation terms set forth in the Engagement Letter, including, without limitation, the Fee and Expense Structure, are approved, and the Debtors shall be bound by such terms. AlixPartners shall be compensated for the services identified in the Application, the MacGreevey Declaration and the Engagement Letter and reimbursed for out-of-pocket expenses incurred in connection with such services, pursuant to section 328(a) of the Bankruptcy Code in accordance with the terms of the Engagement Letter, subject to the procedures set forth in the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable orders of the Court.

6. To the extent AlixPartners uses the services of independent contractors (the "***Contractors***") in these Chapter 11 Cases, AlixPartners shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that AlixPartners pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for AlixPartners; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

7. The indemnification provisions included in the Engagement Letter are approved, subject to the following:

a. No AlixPartners Party (as that term is defined in the Engagement Letter) shall be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Letter for services, unless such services and the indemnification, contribution, or reimbursement therefore are approved by the Court.

b. The Debtors shall have no obligation to indemnify AlixPartners, or provide contribution or reimbursement to AlixPartners, for any claim or expense that is either: (i) judicially determined (the determination having become final and no longer subject to appeal) to have arisen from AlixPartners Party's gross negligence, bad faith, fraud, or willful misconduct; or (ii) settled prior to a judicial determination as to AlixPartners gross negligence, willful misconduct, breach of fiduciary duty, or bad faith or self-dealing but determined by the Court after notice and hearing to be a claim or expense for which the AlixPartners Party should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Letter, as modified by this Order.

c. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Chapter 11 Cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these Chapter 11 Cases, an AlixPartners Party believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Letter (as modified by this Order), including, without limitation, the advancement of defense costs, the AlixPartners Party must file an application therefor in the Court, and the Debtors may not pay any such amounts to the AlixPartners Party before the entry of an order by the Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by any AlixPartners Party for indemnification, contribution and/or reimbursement, and is not a provision limiting the duration of the Debtors' obligation to indemnify, or make contributions or reimbursements to, AlixPartners. All parties in interest shall retain the right to object to any demand by any AlixPartners Party for indemnification, contribution and/or reimbursement.

8. Any limitation of liability set forth in the Engagement Letter, or otherwise, is hereby eliminated for the duration of these Chapter 11 Cases.

9. The relief granted herein shall be binding upon any chapter 11 trustee appointed in these Chapter 11 Cases, or upon any chapter 7 trustee appointed in the event of a subsequent conversion of these Chapter 11 Cases to cases under chapter 7.

10. To the extent there is any inconsistency between this Order, the Engagement Letter and the Application, the terms of this Order shall govern.

11. AlixPartners shall use its reasonable efforts to avoid any duplication of services provided by any of the other retained professionals in these Chapter 11 Cases.

12. The Committee and AlixPartners are authorized and empowered to take all necessary actions to implement the relief granted in this Order.

13. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

AlixPartners, LLP
General Terms and Conditions

These General Terms and Conditions ("Terms") are incorporated into the Agreement to which these Terms are attached. In case of conflict between the wording in the letter and/or schedule(s) and these Terms, the wording of the letter and/or schedule(s) shall prevail.

Section 1. Committee Responsibilities

AlixPartners' performance of the services in accordance with the terms of the Agreement are dependent on the Committee's timely and effective completion of the following responsibilities to the extent they are reasonably necessary for such performance: (a) provide timely, reliable, accurate and detailed information, materials, documentation; and (b) make timely decisions, gain relevant approvals, and co-operate with AlixPartners as is necessary or desirable for the performance of the services.

Section 2. Nature of the Services of AlixPartners

AlixPartners is not an accounting firm or a law firm. AlixPartners is providing advisory and consulting services only and will not (i) unless expressly stated otherwise in the Agreement, make management decisions for the Committee, (ii) perform accounting audits, or (iii) provide legal services or advice. While AlixPartners may, from time-to-time, suggest options that may be available to the Committee, the ultimate decision as to such options rests with the Committee, and AlixPartners makes no promise or guarantee, nor gives any representations, about the outcome of the Committee's matters and/ or any decision it makes.

Section 3. Billing, Payments, and Taxes

Billing and Payments. All invoices for Fees and expenses are due as set forth on Schedule 1 (the "Due Date") via wire transfer to AlixPartners' bank account, as shown on the invoice. All amounts invoiced are based on services rendered and expenses incurred to date, and are not contingent upon future services or Work Product (as defined below), or the outcome of any case or matter.

There will be no administrative fees or costs charged to AlixPartners for the use of e-billing, procurement, factoring, or other similar services in connection with our invoicing (e.g. Ariba, SAP, Tymetrix, Brightflag, etc.) of this engagement. If the Company requests or requires AlixPartners to use the Company's or a third party's e-billing, procurement, factoring, or other similar services in connection with our invoicing and there are fees charged or discounts applied in connection with AlixPartners' use of such services, the Company agrees to reimburse AlixPartners for those fees or discounts as a reimbursable expense under the Agreement.

Taxes. AlixPartners' Fees are exclusive of taxes or similar charges, which shall be the responsibility of the Company (other than taxes imposed on AlixPartners' income generally). If AlixPartners' Fees are subject to any taxes, such as State sales tax or Value Added Tax, then AlixPartners will include such taxes on its invoices as separate line items.

Section 4. Use of Work Product

"Work Product" means all information, reports, materials, software and other work product that AlixPartners creates or develops specifically for the Committee in the performance and/or preparation of the services that constitutes, contains and/or comprises AlixPartners' advice, observations, assessments, evaluations, theories, formulas, methodologies, opinions, judgement, endorsements, recommendations and/ or proposals.

"Affiliate" means any entity that, directly or indirectly, controls, is controlled by or is under common control with the referenced entity, including the referenced entity's parent. In this definition, control means the power to direct the management and policies of an entity, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise.

Except as disclosure may be required by law, regulation or regulatory process, or as allowed below, the Committee agrees that the Work Product shall only be used by the Committee internally solely for its own benefit and use consistent with the purpose of the services under the Agreement. The Committee acknowledges and agrees that AlixPartners' only duty of care in respect of the services and the Work Product is to the Committee.

The Committee may distribute the Work Product on a strictly confidential and non-reliance basis to its auditors, accountants, legal advisors, controlled and controlling Affiliates ("Authorized Recipients") provided that the Committee understands and agrees that AlixPartners does not accept any liability to any of the Authorized Recipients and AlixPartners sole duty of care is to the Committee. The Committee shall be responsible for any damages resulting from a breach of the terms of the Agreement by its Authorized Recipients.

Except as described above and without AlixPartners' prior written approval (not to be unreasonably withheld or delayed), no part of AlixPartners' Work Product may be (i) disseminated, reproduced, quoted, or referenced with attribution to AlixPartners or an unnamed consultant or (ii) disseminated to third parties without AlixPartners' prior written consent and such third parties executing AlixPartners' Report Access Letter.

Section 5. Confidentiality

Nondisclosure of Confidential Information. Each Party shall keep confidential all confidential information, in whatever form, relating to a Party or its finances, accounts, business, technologies, products, customers or suppliers obtained from the other Party during the performance of AlixPartners' services hereunder (the "Confidential Information"), and neither Party will disclose any Confidential Information to any other person or entity, except as permitted below. Confidential Information includes the terms of the Agreement.

Disclosure of Confidential Information. The foregoing is not intended to prohibit, nor shall it be construed as prohibiting, either Party from making such disclosures of Confidential Information that either Party reasonably believes are required by law or any regulatory requirement or authority, including AlixPartners' disclosures to clear client conflicts and as may be required by FedRBank P2014 in unrelated bankruptcy matters.

Either Party may disclose Confidential Information to its Affiliates, and its and their directors, officers, employees, partners, subcontractors, auditors, accountants, agents and legal advisors (collectively, "Representatives"), but

only if such Representatives reasonably need to know the Confidential Information as it relates to the services being provided under the Agreement and such Representatives are bound by similar confidentiality obligations. Each Party is responsible for any breach of these confidentiality obligations by any of its Representatives. AlixPartners may use Confidential Information (i) for benchmarking and related activities, and (ii) to train, enhance or test AlixPartners' Artificial Intelligence (AI) technologies to augment or enhance its services. Any such use will only be conducted behind a secure firewall, and any output from such activities will only be used on an aggregated and anonymized basis. In all such activities, AlixPartners shall strictly comply with the terms of this Agreement (including its confidentiality and privacy obligations), applicable laws, and our professional obligations.

Exclusions. The confidentiality provisions of the Agreement will not apply to any information that (a) is or becomes generally available to the public through no action by either Party or its Representatives (as defined below), (b) are or become available to either Party on a non-confidential basis from a source that such Party reasonably believes is lawfully permitted to so provide, or (c) is independently developed by either Party without the use of the Confidential Information of the other Party.

Return or Destruction of Information. At the conclusion of the Agreement, the receiving Party and its Representatives may, and will if so requested in writing by the disclosing Party, promptly return to the disclosing Party all tangible Confidential Information provided to the receiving Party and its Representative and will destroy/delete all summaries, notes, studies, compilations or written or electronic copies and records that reflect any of the Confidential Information prepared by either Party or any of its Representatives. Such destruction/deletion (or return/delivery) will be confirmed in writing. The foregoing obligation to return or destroy documents shall not extend to (i) documents the receiving Party is obligated to retain pursuant to any applicable law, rule, regulation, policy or by a competent authority, or (ii) any computer files or documents created as a result of automatic archiving and backup procedures provided that any such retained documents shall remain subject to the Agreement.

Expiration. The obligations of the Parties under this section shall survive the end of any engagement between the Parties for a period of three (3) years.

Marketing. AlixPartners will have the right to disclose to any person that it provided services to the Committee and a general description of such services, but AlixPartners shall not provide any other information about its involvement with the Committee.

Section 6. Intellectual Property

"Intellectual Property" means patents, registered designs, registered trademarks and applications and the right to apply for any of the foregoing, copyright, design rights, topography rights, database rights, brands, trademarks, utility model rights, rights in the nature of copyright, rights in inventions and all other industrial, commercial and intellectual property rights and all other rights or forms of protection having equivalent or similar effect to any of the foregoing arising anywhere in the world.

"AlixPartners Intellectual Property" means any Intellectual Property that AlixPartners has created, acquired or developed prior to the date of and/or separately from the Agreement and any enhancements, developments and/or improvements to any of the foregoing by and/or on behalf of AlixPartners during the course of, and/or in performance of, the Agreement.

"Committee Intellectual Property" means any Intellectual Property that AlixPartners creates specifically for the Committee in the performance of the services that is not AlixPartners Intellectual Property.

As between the Parties, the Committee's Intellectual Property shall be owned by the Committee upon full payment of all Fees and expenses due to AlixPartners and to that effect, subject to the payment of such Fees and expenses, AlixPartners hereby assigns its rights and interests in and the Committee's Intellectual Property to the Committee.

As between the Parties, the AlixPartners Intellectual Property shall be owned by AlixPartners and except to the extent explicitly agreed hereunder the Committee shall not acquire any title or interest in and to the AlixPartners Intellectual Property. AlixPartners hereby grants to the Committee a non-exclusive, non-transferable, irrevocable, royalty-free, worldwide license to use the AlixPartners Intellectual Property only to the extent necessary to enable the Committee to use and benefit from the results of the services, including the Committee's Intellectual Property, subject to and in accordance with the terms of the Agreement.

Section 7. Limitation of Liability

THE ALIXPARTNERS PARTIES SHALL NOT BE LIABLE TO THE COMMITTEE, THE COMMITTEE MEMBERS, THE COMPANY, OR ANY PARTY ASSERTING CLAIMS ON BEHALF OF THE COMPANY, EXCEPT FOR DIRECT DAMAGES FOUND IN A FINAL DETERMINATION TO BE THE DIRECT RESULT OF THE GROSS NEGLIGENCE, BAD FAITH, SELF-DEALING OR INTENTIONAL MISCONDUCT OF ALIXPARTNERS. THE ALIXPARTNERS PARTIES SHALL NOT BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES, LOST PROFITS, LOST DATA, REPUTATIONAL DAMAGES, PUNITIVE DAMAGES OR ANY OTHER SIMILAR DAMAGES UNDER ANY CIRCUMSTANCES, EVEN IF THEY HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE ALIXPARTNERS PARTIES' AGGREGATE LIABILITY, WHETHER IN TORT, CONTRACT, OR OTHERWISE, IS LIMITED TO THE AMOUNT OF FEES PAID TO ALIXPARTNERS FOR SERVICES UNDER THE AGREEMENT (OR IF THE CLAIM ARISES FROM AN ADDENDUM TO THE AGREEMENT, UNDER THE APPLICABLE ADDENDUM) (THE "LIABILITY CAP").

Nothing in the Agreement, including the Liability Cap, shall be deemed to limit or exclude AlixPartners' liability for (a) death or personal injury caused by negligence, (b) gross negligence, fraud or willful misconduct, or (c) to the extent such claim cannot by capped or limited by applicable law.

AlixPartners is not responsible for any third-party products or services separately procured by the Committee. The Committee's sole and exclusive rights and remedies with respect to any such third-party products or services are against the third-party vendor and not against AlixPartners, whether or not AlixPartners is instrumental in procuring such third-party product or service.

Section 8. Indemnification

The Committee agrees to use its best efforts, through the application for the retention of AlixPartners, to have the Company provide an indemnification to the AlixPartners Parties (as defined below), whereby:

The Company shall indemnify, hold harmless and defend AlixPartners and its Affiliates and its and their partners, directors, officers and employees (collectively, the "AlixPartners Parties") from and against all claims (including without limitation claims from Authorized Recipients), liabilities, losses, expenses and damages ("Loss") incurred or suffered arising out of or as a result of the performance by AlixPartners of the services or its obligations hereunder, or any third party's use of or reliance on the services provided under the Agreement or Work Product. The indemnity herein shall not apply to the extent such Loss directly arises as a result of AlixPartners' Parties gross negligence or willful misconduct. The Company shall pay Losses as incurred, including reasonable legal fees and disbursements of counsel. If, in the opinion of counsel, representing both Parties in the matter covered by this indemnification creates a potential conflict of interest, the AlixPartners Parties may engage separate counsel to represent them at the Company's expense.

The Company's indemnification obligations in this Section shall be primary to, and without allocation against, any similar indemnification obligations that AlixPartners may offer to its personnel generally.

Section 9. Governing Law and Arbitration

The Agreement is governed by and shall be construed in accordance with the laws of the State of New York with respect to contracts made and to be performed entirely therein and without regard to choice of law or principles thereof.

Any controversy or claim arising out of or relating to the Agreement, or the breach thereof, shall be settled by arbitration. Each Party shall appoint one non-neutral arbitrator. The two party arbitrators shall select a third arbitrator. If within 30 days after their appointment the two party arbitrators do not select a third arbitrator, the third arbitrator shall be selected by the American Arbitration Association (AAA). The arbitration shall be conducted in New York, New York under the AAA's Commercial Arbitration Rules, and the arbitrators shall issue a reasoned award. The arbitrators may award costs and attorneys' fees to the prevailing Party. Judgment on the award rendered by the arbitrators may be entered in any court having jurisdiction thereof.

Notwithstanding the foregoing, any Party may proceed directly to a court of competent jurisdiction to enforce the terms of the Agreement for any claim in connection with (i) the non-payment of Fees or expenses due under the Agreement, or (ii) the non-performance of obligations under the Indemnification section of these Terms. For the purposes of this paragraph, the Parties expressly consent to the jurisdiction of all Federal and state courts located in New York, New York.

In any court proceeding arising out of the Agreement, the Parties hereby waive any right to trial by jury.

Equitable Remedies. Each Party acknowledges and agrees that money damages alone may not be an adequate remedy for a breach of the Agreement. Each Party agrees that the non-breaching Party shall have the right to seek a restraining order and/or an injunction for any breach of the Agreement.

Section 10. Termination and Survival

The Agreement may be terminated at any time by ten days' written notice by one Party to the other; provided, however, that notwithstanding such termination AlixPartners will be entitled to any Fees and expenses incurred through the termination date (for fixed fee engagements, fees will be pro rata based on the amount of time completed). Such payment obligation shall inure to the benefit of any successor or assignee of AlixPartners.

Additionally, unless the Agreement is terminated by the Committee due to AlixPartners' material breach (and such material breach continues after 30 days' written notice thereof and opportunity to cure) AlixPartners shall remain entitled to the success fee(s), if any, that otherwise would be payable during the 12 months after the date of termination of the Agreement.

Sections 3, 4, 5, 7, 8, 10, 11, 12, 13, and 14 of these Terms, the provisions of Schedule 1 and the obligation to pay accrued fees and expenses shall survive the expiration or termination of the Agreement.

Section 11. General

Force Majeure. "Force Majeure Event" means any action, omission, act, event or circumstance which is beyond the reasonable control of AlixPartners and which prevents AlixPartners from performing any of its obligations under the Agreement, including failure to meet any standard of performance.

If a Force Majeure Event occurs, AlixPartners will, as soon as reasonably practicable, notify the Committee of its occurrence, nature and the anticipated impact it will have on AlixPartners' ability to perform its obligations under the Agreement and AlixPartners will have no liability in respect of the non-performance of such obligations during the continuation of the Force Majeure Event and for such time after its ends as is reasonably necessary for AlixPartners to recommence its affected performance under the Agreement.

Anti-Money Laundering Compliance. AlixPartners is obliged to and shall comply with certain regulations pertaining to its activities, including client take-on and the services contemplated during this engagement (for example UK, US and European anti- money laundering regulations as well as economic sanctions regulations administered by OFAC and/ or the Department of State in the US). The Committee acknowledges and agrees that AlixPartners will conduct customer due diligence checks at the outset of the business relationship and periodically thereafter, which may involve verifying the identity of the Committee members, the beneficial owners of the Committee, or their associated persons and entities, as well as other persons and entities with which AlixPartners is dealing in connection with this engagement. In that context, AlixPartners may request such information and documentation as is required for these purposes and

AlixPartners shall retain all information and documentation provided in accordance with applicable laws and its document retention policy, as amended from time to time.

Anti-Bribery and Corruption. The Parties shall comply with all applicable laws, statutes, regulations, and codes relating to anti-bribery and anti-corruption (including but not limited to the Bribery Act 2010). Each Party shall notify the other immediately if it has reason to suspect that any breach of the foregoing has occurred, is occurring or is likely to occur in connection with the Agreement, its subject matter or the receipt or payment (as the case may be) of any moneys from or by or on behalf of the Company.

If either Party (the "Defaulting Party") breaches this section, the other Party (the "Non-Defaulting Party") may, notwithstanding any other terms of the Agreement terminate the Agreement and may recover from the Defaulting Party any loss or damage suffered by the Non-Defaulting Party resulting from such termination.

The rights and remedies under this section entitled 'Anti-Bribery and Corruption' shall survive acceptance and payment of any moneys and be without prejudice to any other right or remedy available to the Non-Defaulting Party.

Severability. If any provision(s) of the Agreement are, in any jurisdiction, found to be invalid or unenforceable, that provision or parts thereof (as the case may be) will to that extent and in that jurisdiction be deemed not to form part of the Agreement and the enforceability of the remainder will not be affected in such jurisdiction.

Entire Agreement. The Agreement, including the letter, the Terms and the schedule(s), contains the entire understanding of the Parties relating to the services and supersedes any and all prior proposals, communications, agreements, understandings, representations, or estimates among the Parties with respect to such services. Each Party agrees that in entering into the Agreement other than as expressly included in the Agreement it does not rely on any statement, representation, undertaking, agreement or understanding of any nature made by any person. The Agreement, including the letter, the Terms and the schedule(s), may not be amended or modified in any respect except in a writing signed by the Parties.

Related Matters. Upon the Company's request or if an AlixPartners Party is required by applicable law, legal process or government action to produce information or testimony as a witness with respect to the Agreement, the Company shall reimburse AlixPartners for any professional time and expenses (including reasonable external and internal legal costs and e-discovery costs) incurred to respond to the request, except in cases where an AlixPartners Party is a party to the proceeding or the subject of the investigation.

Joint and Several Liability. If more than one counterparty enters into the Agreement with AlixPartners, the liability of each such counterparty shall be joint and several, and AlixPartners may take action against, or release or compromise the liability of, any counterparty, without affecting the liability of any other counterparty.

Third-Party Beneficiaries. Except where expressly stated to be for the benefit of Affiliates of AlixPartners (and such Affiliates will acquire rights to enforce the relevant terms), a person who is not a party to the Agreement has no rights to enforce any terms of the Agreement.

Notices. All notices required or permitted to be delivered under the Agreement shall be sent, if to AlixPartners, to:

AlixPartners, LLP
2000 Town Center, Suite 2400
Southfield, MI 48075
Attention: Chief Legal Officer

and if to the Committee, to its retained counsel, or to such other name or address as may be given in writing to AlixPartners. All notices under the Agreement shall be sufficient only if delivered by overnight mail. Any notice shall be deemed to be given only upon actual receipt.

Section 12. Bankruptcy Related Matters

The Committee shall promptly apply to the Bankruptcy Court for approval of the Committee's retention of AlixPartners under the terms of the Agreement. The form of retention application and proposed order shall be reasonably acceptable to AlixPartners. AlixPartners shall have no obligation to provide any further services unless AlixPartners' retention under the terms of the Agreement is approved by a final order of the Bankruptcy Court reasonably acceptable to AlixPartners. The Committee shall assist, or cause its counsel to assist, with filing, serving and noticing of papers related to AlixPartners' fee and expense matters.

The Committee and AlixPartners agree that the Bankruptcy Court shall have exclusive jurisdiction over any and all matters arising under or in connection with the Agreement.

AlixPartners will have the right to obtain independent legal counsel to obtain advice with respect to its services under the Agreement. The Company will reimburse AlixPartners for the reasonable fees and expenses of such independent legal counsel, following approval by the Bankruptcy Court.

AlixPartners acknowledges that, during the pendency of any Bankruptcy Court approved retention, the indemnification provisions and Liability Cap set forth above may be subject to modification as stated within the Bankruptcy Court's retention order.

If AlixPartners finds it desirable to augment its consulting staff with independent contractors (an "I/C") in this case, (i) AlixPartners will file, and require the I/C to file, 2014 affidavits indicating that the I/C has reviewed the list of the interested parties in this case, disclosing the I/C's relationships, if any, with the interested parties and indicating that the I/C is disinterested; (ii) the I/C must remain disinterested during the time that AlixPartners is involved in providing services on behalf of the Committee; and (iii) the I/C must represent that he/she will not work for the Committee or other parties in interest in this case during the time AlixPartners is involved in providing services to the Committee. AlixPartners' standard practice is to charge for an I/C's services at the rate equal to the compensation provided by AlixPartners to such I/C.

Section 13. eDiscovery Related Matters

eDiscovery Data Under Management. When eDiscovery services are utilized APS charges a $18/GB monthly fee for data (as described in the paragraph below) within AlixPartners eDiscovery environment ("eDiscovery Data Under Management"). EDiscovery Data Under

Management volume is calculated based on the size of the data in AlixPartners' eDiscovery secure environment, including all source data, databases, indices, and log files.

As used in this Section only, "data" shall mean such data and Confidential Information collected, transferred, and stored within AlixPartners' eDiscovery environment. The monthly fee for any eDiscovery Data Under Management does not apply to any other data or Confidential Information that is transferred and stored outside of AlixPartners' eDiscovery environment, or which relates to other services being provided under the Agreement.

Engagement Closure and Final Data Disposition. An engagement is deemed closed for data disposition purposes and no longer open (x) upon notice to AlixPartners by the Committee that AlixPartners' services will no longer be needed, or (y) AlixPartners may deem the engagement closed (1) after ninety (90) days of inactivity (no billed services or data fees), (2) no response by the Committee to attempted contact by AlixPartners, or (3) failure of the Company to pay AlixPartners Fees and expenses hereunder after 90 days' notice thereof. After closure of the engagement, AlixPartners will follow any reasonable written instructions from the Committee to return, destroy or permanently delete all data and Confidential Information related to the Agreement from within AlixPartners' processing, hosting, and archive systems. Absent such written instructions from the Committee, AlixPartners may, following engagement closure and at AlixPartners' sole discretion, return, destroy or permanently delete all data and Confidential Information related to the Agreement supplied to AlixPartners by the Committee within AlixPartners' processing, hosting and archive systems. Notwithstanding anything contained herein to the contrary, AlixPartners' obligation to return, delete or destroy data and Confidential Information shall not apply to (i) any computer records or files containing data and Confidential Information which have been created pursuant to automatic archiving or back-up procedures that cannot be reasonably deleted provided that such copies will be deleted or overwritten in the due course of such automatic procedures, and (ii) any data and Confidential Information that needs to be retained in accordance with applicable laws or in accordance with AlixPartners' record retention policy. Any data and Confidential Information retained under (i) or (ii) above will remain subject to AlixPartners' confidentiality obligation set forth in the Confidentiality Section of these Terms (other than any term for the confidentiality obligation, which will not apply until data or Confidential Information has been returned, destroyed, or deleted). Fees and expenses associated with return, deletion, destruction or other disposition of data and Confidential Information Confidential will be billed as set forth in Schedule 1 to the Agreement, or if not specified at AlixPartners' standard hourly rates for such services. If the Committee asks AlixPartners to archive any data or Confidential Information after the engagement is closed, the Company agrees to pay AlixPartners its standard monthly rate for such archival services. AlixPartners may request reasonable assurances from the Company of its intention to make such payments before performing the services.

Data Security and Transfer via Email. AlixPartners does not consider email or any other unencrypted method a sufficiently secured process for transferring data and Confidential Information to and from the Committee. AlixPartners uses specialized equipment and protocols to help protect the security of data and Confidential Information during collection, transport, transmission, and storage. Prior to commencement of this engagement, the Parties will establish approved methods for securely transferring electronic data and Confidential Information via physical media delivery and electronic file transfer services such as:

1. Delivery on an encrypted hard disk or other physical media using a complex password; or

2. Online transfer using a secure file transfer site approved for use by the Committee and AlixPartners. The Committee can either make such a site available for AlixPartners to download from, or AlixPartners can make such a site available for the Committee or any third party to upload data to.

At no time shall the Committee send data or Confidential Information to AlixPartners via email or any other unencrypted method. Should the Committee or any third party insist upon sending or receiving data or Confidential Information to or from AlixPartners via email (or any other unencrypted method), the Parties acknowledge and agree that (1) AlixPartners cannot guarantee the security, control, or permanent deletion of any such data and Confidential Information, and (2) AlixPartners shall have no liability, howsoever arising, to the Committee or to any third party for the disposition of any data or Confidential Information transferred to or from AlixPartners via email or other unencrypted method.

Section 14. Data Protection

To the extent applicable, the Committee and AlixPartners shall comply with the terms of the AlixPartners Data Protection Addendum (located at: https://www.alixpartners.com/data-protection-addendum/), which form part of the Agreement. The Data Protection Schedule of the Agreement shall apply to the Data Protection Addendum.

4. AlixPartners was requested to and began immediately to provide assistance to the Committee as of September 10, 2025.

Services to be Provided

8. It is presently anticipated that AlixPartners will continue to provide advice to and assist the Committee in evaluating and implementing strategic and tactical options through the bankruptcy and restructuring process.

9. A general list of tasks AlixPartners may perform is as follows:

- Review and evaluate the Debtors' current financial condition, business plans and cash and financial forecasts, and periodically report to the Committee regarding the same.

- Review the Debtors' cash management, tax sharing and intercompany accounting systems, practices and procedures.
- Evaluate any proposed sale process and related bids, and participate in any meetings with bidders or auction, as required.
- Review and investigate: (i) related party transactions, including those between the Debtors and non-debtor subsidiaries and affiliates (including, but not limited to, shared services expenses and tax allocations) and (ii) selected other prepetition transactions.
- Identify and/or review potential preference payments, fraudulent conveyances and other causes of action that the various Debtors' estates may hold against third parties, including each other.
- Analyze the Debtors' assets and claims and assess potential recoveries to the various creditor constituencies under different scenarios.
- Provide valuation and litigation support services in connection with the preparation of valuation analyses and/or expert reports, as well as related expert testimony.
- Assist in the development and/or review of the Debtors' restructuring support agreement, plan of reorganization and disclosure statement.
- Review and evaluate court motions filed or to be filed by the Committee, the Debtors, or any other parties-in-interest, as appropriate.
- Render expert testimony and litigation support services, as requested from time to time by the Committee and its counsel, regarding any of the matters to which AlixPartners is providing services.
- Attend Committee meetings and Bankruptcy Court hearings as may be required in the role of advisors to the Committee.
- Support eDiscovery obligations including in conjunction with document requests, subpoenas, or other discovery requirements, such as forensic data acquisition and analysis, data processing, monthly secure data hosting, review and analysis, and productions, and any other eDiscovery needs requested by the Committee.
- Assist with such other matters as may be requested that fall within AlixPartners' expertise and are mutually agreeable.

10. When necessary, the individuals working on this matter (the "***AlixPartners Personnel***") will be assisted by or replaced by various AlixPartners professionals at various levels.

No Duplication of Services

11. AlixPartners will work closely with White & Case LLP ("***White & Case***"), proposed counsel to the Committee, to ensure that there will be no duplication of efforts or unnecessary overlap in the services to be provided by AlixPartners and those that have been provided or which will be provided by the Committee's other professionals.

Fee and Expense Structure

12. AlixPartners' decision to accept this engagement to advise and assist the Committee is conditioned upon its ability to be retained in accordance with its customary terms and conditions of employment, compensated for its services, and reimbursed for the out-of-pocket expenses it incurs in accordance with its customary billing practices, as set forth in Schedule 1 of the Engagement Letter (the "***Fee and Expense Structure***").

13. AlixPartners' current standard hourly rates, subject to periodic adjustments, are as follows:

Title	Hourly Rate
Partner/ Partner & Managing Director	$1,225 – $1,540
Senior Vice President/ Director	$850 – $1,150
Vice President	$650 – $835
Analyst/ Consultant	$250 – $640

14. AlixPartners generally reviews and revises its billing rates semi-annually. Changes in applicable hourly rates will be noted on the invoices for the first time period in which the revised rates became effective.

15. To the extent the Committee requests services related to electronic discovery and data collection, certain fees will apply as further outlined by the Engagement Letter.

16. To the extent AlixPartners uses the services of independent contractors (the "***Contractors***") in these Chapter 11 Cases, AlixPartners shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that AlixPartners pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for AlixPartners; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

17. In addition to compensation for professional services rendered by AlixPartners Personnel, AlixPartners will seek reimbursement for reasonable and necessary expenses incurred in connection with these Chapter 11 Cases, including transportation costs, lodging, and meals.

18. AlixPartners intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these Chapter 11 Cases, subject to the Court's approval and in compliance with the *U.S. Trustee Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330* (Appendix A to 28 C.F.R. § 58) (collectively, the "***Fee Guidelines***"), applicable provisions of the Bankruptcy Code, including sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable orders of the Court, both in connection with this Application and the interim and final fee applications to be filed by AlixPartners in these Chapter 11 Cases.

19. AlixPartners will maintain records in support of any fees (in 1/10th of an hour increments), costs, and expenses incurred in connection with services rendered in these Chapter 11 Cases. Records will be arranged by category and nature of the services rendered and will include reasonably detailed descriptions of those services provided on behalf of the Committee. AlixPartners' applications for compensation of fees and reimbursement of expenses will be paid by the Debtors pursuant to the terms of the Engagement Letter and any procedures established by the Court, pursuant to an interim compensation order or otherwise.

20. AlixPartners does not seek a success fee in connection with these Chapter 11 Cases.

21. AlixPartners is not owed any amounts with respect to prepetition fees and expenses in connection with these Chapter 11 Cases.

22. Neither White & Case, the members of the Committee, nor any of their agents are or shall be responsible for the payment of AlixPartners' fees and costs arising out of the engagement described and referenced herein, regardless of whether or not AlixPartners is paid in full from the Debtors' estates.

Indemnification Provisions

23. The Engagement Letter contains standard indemnification language with respect to AlixPartners' services including, without limitation, an agreement by the Committee to cause the Debtors to indemnify AlixPartners and its affiliates, partners, directors, officers, employees and agents (each, an "***AlixPartners Party***" and collectively, the "***AlixPartners Parties***") from and against all claims, liabilities, losses, expenses and damages arising out of or in connection with the engagement of AlixPartners that is the subject of the Engagement Letter, except to the extent caused by gross negligence, willful misconduct, or fraud of any AlixPartners Party.

24. AlixPartners believes that the indemnification provisions contained in the Engagement Letter, as may be amended in the Proposed Order, are customary and reasonable for AlixPartners and comparable firms providing financial advisory services, and as would be modified pursuant to the foregoing limitations, reflect the qualifications and limitations on indemnification provisions that are customary in this district and others.

25. Moreover, the terms and conditions of the indemnification provisions were negotiated by AlixPartners at arm's length and in good faith. The provisions contained in the Engagement Letter, viewed in conjunction with the other terms of AlixPartners' proposed

retention, are reasonable and in the best interest of the Debtors, their estates, and all parties in interest.

AlixPartners' Disinterestedness

26. In connection with its proposed retention by the Committee in these Chapter 11 Cases, AlixPartners undertook a complex process, the details of which are set forth in **Schedule 2**, to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors' estates. Specifically, AlixPartners obtained from the Committee's representatives a potential parties in interest list in these Chapter 11 Cases (each party a "***Party in Interest***", and collectively the "***Parties in Interest List***"). The Parties in Interest List is attached hereto as **Schedule 1.** A search was performed for connections to each Party in Interest as to AlixPartners Holdings, LLP, AlixPartners' parent company ("***Holdings***"), and each of Holdings' U.S. and non-U.S. subsidiaries ("***Holdings Enterprise***" and, collectively, "***AP***"). Results for connections to the Parties in Interest List are disclosed on **Schedule 2**.

27. Based on that review, AlixPartners represents that AlixPartners knows of no fact or situation that would represent a conflict of interest, cause it not to be disinterested or hold or represent an interest adverse to the Debtors' estates.

28. AlixPartners and its affiliates are advisors and crisis managers providing services and advice in many areas, including restructuring and distressed debt. As part of its diverse practice, AlixPartners appears in numerous cases, proceedings, and transactions involving many different law firms, accountants, investment bankers, and financial consultants, some of whom may represent claimants and parties in interest in these Chapter 11 Cases. Further, AlixPartners has in the past, and may in the future, be represented by various attorneys and law firms, some of whom may be involved in these Chapter 11 Cases. In addition, AlixPartners has been in the past,

and likely will be in the future, engaged in matters unrelated to the Debtors or these Chapter 11 Cases in which it works with or in opposition to other professionals involved in these Chapter 11 Cases. Moreover, AlixPartners might have referred work to other professionals retained in these Chapter 11 Cases. Likewise, professionals retained in these Chapter 11 Cases might have referred work to AlixPartners. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, none of these business relationships constitute interests adverse to the Debtors' estates.

29. From time to time, AlixPartners has provided services, and likely will continue to provide services, to certain creditors of the Debtors and various other parties adverse to the Debtors in matters wholly unrelated to these Chapter 11 Cases. As described herein, however, AlixPartners has undertaken a detailed search to determine, and to disclose, whether it is providing or has provided services to any significant creditor, equity security holder, insider, or other party in interest in such unrelated matters.

30. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, none of the AlixPartners Personnel (a) have any connection with the U.S. Trustee, or any employee in the Office of the U.S. Trustee; or (b) are related or connected to any United States Bankruptcy Judge for the Southern District of Texas, except as otherwise set forth on **Schedule 2**.

31. To the best of my knowledge, neither the AlixPartners Personnel nor AP is a direct holder of any of the Debtors' securities. It is possible that certain of AlixPartners' employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing, may own interests in the Debtors, mutual funds or other investment vehicles (including various types of private funds) that own the Debtors' or other parties in interest's debt or equity securities or other financial instruments, including bank loans and other obligations. Typically, the holders of

indirect interests have no control over investment decisions related to such investment funds or financial instruments. Per the procedures set forth in **Schedule 1,** AlixPartners makes certain inquiries regarding direct interests and, to the extent required, will file a supplemental declaration reflecting additional details. AlixPartners' policy prohibits its employees from personally trading in the Debtors' securities.

32. To the best of my knowledge, information and belief, insofar as I have been able to ascertain after reasonable inquiry, AlixPartners has not been retained to assist any entity or person other than the Committee on matters relating to, or in direct connection with, these Chapter 11 Cases. AlixPartners will continue to provide professional services to entities that may be creditors or equity security holders of the Debtors or other parties in interest in these Chapter 11 Cases, provided that such services do not relate to, or have any direct connection with, these Chapter 11 Cases.

33. Certain of AlixPartners' employees, managing directors, board members, equity holders, or an affiliate of any of the foregoing may have financial accounts or insurance relationships with a potential party in interest.

34. Despite the efforts described above to identify and disclose the connections that AP and its affiliates have with parties in interest in these Chapter 11 Cases, because the Debtors form a large enterprise with numerous creditors and other relationships, AlixPartners is unable to state with certainty that every client relationship or other connection has been identified and disclosed.

35. In accordance with section 504 of the Bankruptcy Code and Bankruptcy Rule 2016, neither I nor AlixPartners has entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in these Chapter 11 Cases, (a) for the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith, (b) for

payment of such compensation from the assets of the estates in excess of the compensation allowed by the Court pursuant to the applicable provisions of the Bankruptcy Code, or (c) for payment of compensation in connection with these Chapter 11 Cases other than in accordance with the applicable provisions of the Bankruptcy Code.

36. Accordingly, except as otherwise set forth herein, insofar as I have been able to determine, neither I, AlixPartners, nor any of the AlixPartners Personnel holds or represents any interest adverse to the Debtors or their estates, and AlixPartners is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, in that AlixPartners and the AlixPartners Personnel:

(a) are not creditors, equity security holders, or insiders of the Debtors;

(b) were not, within two years before the Petition Date, a director, officer or employee of the Debtors; and

(c) do not have an interest materially adverse to the interest of the Debtors' estate or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

37. If AlixPartners discovers additional information that requires disclosure, AlixPartners will promptly file a supplemental disclosure with the Court as required by Bankruptcy Rule 2014. AlixPartners reserves the right to supplement this Declaration in the event that AlixPartners discovers any facts bearing on matters described in this Declaration regarding AlixPartners' employment by the Committee.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

SCHEDULE 2

AlixPartners' Disinterestedness

- In connection with the proposed employment and retention of AlixPartners, LLP ("***AlixPartners***") by the Committee in this these Chapter 11 Cases, AlixPartners undertook a complex process, the details of which are set forth below, to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors' estates.

  AlixPartners Holdings, LLP, AlixPartners' parent company ("***Holdings***"), directly or indirectly owns Holdings' U.S. and non-U.S. subsidiaries (collectively, the "***Holdings Enterprise***"). The equity capital of Holdings is owned by the following investors:

  (i) Lakeview Capital Holdings, Inc., the Jay Alix Living Trust and other trusts established by Jay Alix (collectively the "***Lakeview Parties***");
  (ii) Caisse de dépôt et placement du Québec ("***CDPQ***");
  (iii) Investcorp Holdings B.S.C. ("***IVC***");
  (iv) Public Sector Pension Investment Board ("***PSP***"); and
  (v) Current Partners and Managing Directors and certain former Managing Directors of AP (as defined below) and their individual and family trusts, as well as certain other individuals, including current members of the Boards (as hereinafter defined) and employees of the Lakeview Parties, and their individual and family trusts.

  (Collectively, (i) – (v) above are hereinafter referred to as the "***Investors***", and the subset (ii) – (iv) above are hereinafter referred to as the "***Institutional Investors***").

  Holdings and AlixPartners, each have a board of directors (together, the "***Boards***"). No individual or entity controls either of the Boards. Designees of each of the Investors (i) – (iv) above serve as members of the Boards. The Holdings Enterprise does not invest in distressed assets of any class, nor does it have any investment affiliates.

  CDPQ is one of Canada's largest institutional investment managers. It manages investments on behalf of most of Quebec Canada's public and parapublic pension and insurance funds. CDPQ invests globally in numerous industries.

  IVC is a leading global provider and manager of alternative investment products.

  PSP is one of Canada's largest pension investment managers. It invests funds for the pension plans of the Public Service, the Canadian Armed Forces, the Royal Canadian Mounted Police and the Reserve Force. PSP manages a diversified global portfolio in numerous industries throughout the world.

  The Lakeview Parties and related entities are entities owned or controlled by Jay Alix that, among other things, make investments on behalf of Mr. Alix and his family.

  In addition to their investments in Holdings, the Institutional Investors have substantial investments unrelated to AlixPartners.

The Boards are not involved in the delivery of client services and their members do not have access to client files, except for a minority of members of the Boards that are AlixPartners employees. As a precautionary matter, AlixPartners maintains information barriers and guidelines designed to prevent certain confidential client information, including the names of clients likely to be involved in a not-yet-filed case under the Bankruptcy Code, from being shared with the Investors or their designees on the Boards.

To that end, no material nonpublic information about the Debtors (including, before the filing of these Chapter 11 Cases, the fact that AlixPartners was about to undertake an assignment involving the Debtors) has been or will be furnished by AlixPartners to the Investors or their Board designees, and AlixPartners will continue to abide by its confidentiality obligations to the Debtors. Each Investor is independent of each other Investor and is governed by its own board of directors or similar body and managed by its own management team. AlixPartners operates independently and does not share employees, officers or other management with any of the Investors. AlixPartners and each of the Investors have separate offices in separate buildings, use separate internet email addresses, and do not otherwise share IT systems.

AlixPartners formed and currently holds a majority and controlling ownership interest in GSS UK Holdings Limited ("***GSS***"). GSS and its subsidiaries developed a regulatory technology platform to provide global, centralized sanctions screening services to financial institutions. Various Investors, including certain AlixPartners Partners and Managing Directors and Board members, hold minority ownership interests in GSS. AlixPartners currently has a majority of the seats on the board of directors of GSS. GSS does not share office space or IT systems with AlixPartners, but does share certain employees and services such as finance systems. The names of GSS's investors and customers (but not its vendors and employees) are loaded into the database where AlixPartners' connections are stored and are disclosed as part of the disclosure process described herein.

AlixPartners has one database where connections are stored for all entities in the Holdings Enterprise. The process for the preparation of disclosures is as follows: upon receipt of a potential parties in interest list from the Debtors and/or their representatives (the "***Parties in Interest List***"), all such parties are input to the database by team members familiar with the database. A report of the "hits" is generated, and the team members review those "hits" for connections. Where there is a connection, a disclosure is drafted. After the team completes draft disclosures, the disclosures are reviewed by an in-house bankruptcy attorney. The attorney coordinates with the team to finalize the disclosures, which are then reviewed by the engagement's Partner and Managing Director. These initial disclosures (the "***Initial Disclosures***") are thereafter filed with the Bankruptcy Court as part of the retention pleadings.

Promptly thereafter, a bankruptcy paralegal in the firm uses the Initial Disclosures and the Parties in Interest List to draft a firmwide email for each bankruptcy filing, including the Debtors' cases. This email is sent to every firm employee as well as the members of the Boards and the Lakeview Parties. The firmwide email requests each recipient to review the attached file that includes the parties in interest and corresponding disclosures,

and asks that every recipient: (a) contact the legal department in the event that they have a connection or relationship with an interested party that is not included in our disclosures; (b) if they have a connection or relationship with an interested party that is included in our disclosures, confirm that it is accurately described; and (c) contact the legal department if they own securities of the Debtors. Members of the legal team review all email responses and draft any supplemental disclosures appropriate to reflect information received in response to the firmwide email. After the review process described in the immediately preceding paragraph, supplemental disclosures are thereafter filed with the Bankruptcy Court.

After the Initial Disclosures are filed with the Bankruptcy Court, AlixPartners also provides the names of the Debtors, their owners/investors, lenders and, on a case-by-case basis, other named entities (collectively, the "***Investor Search Parties***"), to the Institutional Investors, and requests that each Institutional Investor run a check of the Investor Search Parties across all investment portfolios including, upon reasonable investigation, (i) private and public funds, (ii) loan positions, and (iii) known positions across CLO holdings (all of the foregoing subject to the exceptions listed below, the "***Investor Connections Check***"). The exceptions to the Investor Connections Check are (i) investments over which the Institutional Investors do not possess actual investment authority and discretion ("direct control"), (ii) index replication position, (iii) investments owned in separate accounts managed by independent parties not affiliated with the Institutional Investors, and (iv) pooled investment vehicles in which the Institutional Investors do not exercise actual control or in which the Institutional Investors do not have visibility sufficient to ascertain such vehicle's investments. Members of the legal team review all responses received from the Institutional Investors and draft disclosures appropriate to reflect information received from the Institutional Investors that, following review, are filed with the Bankruptcy Court.

Upon receipt of the responses from the Institutional Investors to the Investor Connections Check, AlixPartners will file any supplemental disclosures which may be required.

To the extent AlixPartners learns of connections that are not included herein, AlixPartners will promptly file a supplemental disclosure.

Further, AlixPartners may have had, currently have or may in the future have business relationships with, among other entities, portfolio companies of the Institutional Investors and portfolio companies of private equity funds in which they are limited partners, in matters unrelated to the Debtors or their affiliates in these Chapter 11 Cases. Based on, among other things, the business separation between each of the Investors and AlixPartners, the contractual client confidentiality obligations of AlixPartners and the information barriers referred to above, AlixPartners believes that it does not hold or represent an interest adverse to the estate with respect to any such engagement.

Other than as specifically noted herein, AlixPartners has not undertaken to determine the existence, nature, and/or full scope of any business relationships or connections that the Investors may have with the Investor Search Parties, the Debtors and their affiliates, and other parties in interest in these Chapter 11 Cases.

Specifically, AlixPartners obtained from the Debtors and/or their representatives the Parties in Interest List, which is attached hereto as Schedule 1 and conducted a search for connections in accordance with the procedures set forth above.

AlixPartners represents that, to the best of its knowledge, it knows of no fact or situation that would represent a conflict of interest, cause it not to be disinterested or hold or represent an interest adverse to the Debtors' estates, and furthermore wishes to the disclose the following with respect to the Holdings Enterprise (collectively, "***AP***" unless otherwise noted):

- AP interacts with U.S. Bankruptcy Court judges and representatives of the U.S. Trustee Program regularly in its capacity as a professional consulting firm that offers turnaround and restructuring services.

- AP has issued debt in the form of a USD-denominated senior secured term loan, and a Euro-denominated senior secured term loan (collectively, the "***Term Loans***"), as well as revolving credit facility (the "***Revolving Credit Facility***").

  Bank of America, N.A. serves as the Administrative Agent for the Term Loans and the Revolving Credit Facility and as such manages all trading of the Term Loans and Revolving Credit Facility between investors. Many of the holders of the Term Loans are pools organized by banks, mutual fund management companies and other fund managers (collectively, "***Fund Managers***") who pool debt instruments issued by multiple / different borrowers and offer interests in the pools to investors. The identities of the investors in the pools cannot be ascertained by AP. The Term Loans are actively traded. Thus, the list of Fund Managers and other investors directly holding the Term Loans can become outdated quickly. On a monthly basis, AP reviews the list of investors in the Term Loans for the purpose of making relationship disclosures in chapter 11 cases. As of the last monthly report, no Fund Manager or other investor in the Term Loans held greater than 10% of the combined US-denominated and Euro-denominated Term Loans. In the event that any entity accumulates a 10% or greater interest in the combined US-denominated and Euro-denominated Term Loans, AP will disclose the name of such entity.

Any Professional that fails to submit a Monthly Fee Statement for a particular month or months may subsequently submit a consolidated Monthly Fee Statement that includes a request for compensation earned or expenses incurred during such previous month(s). All Monthly Fee Statements shall comply with the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and applicable law. The first Monthly Fee Statement submitted by each Professional serving as of the Petition Date will cover the period from the Petition Date through and including September 30, 2025. Thereafter, each Monthly Fee Statement shall cover one calendar month (except to the extent that a Professional files a consolidated Monthly Fee Statement, as set forth above).

b. Each Notice Party will have until 4:00 p.m. (prevailing Central Time) on the day that is fourteen days after delivery of a Monthly Fee Statement (the "***Objection Deadline***") to object to the requested fees and expenses in accordance with the procedures described in subparagraph (c) below. Upon the expiration of the Objection Deadline, the Debtors shall promptly pay the applicable Professional an amount equal to 80% of the fees and 100% of the expenses requested in the applicable Monthly Fee Statement (the "***Actual Monthly Payment***") that are not subject to an objection pursuant to subparagraph (c) below.

c. If any Notice Party objects to a Professional's Monthly Fee Statement, such party must serve via e-mail on such Professional and each other Notice Party a written objection (an "***Objection***") so as to be received on or before the Objection Deadline. Any such Objection must identify with specificity the objectionable fees or expenses, including the amount of such objected-to fees or expenses, and the basis for such Objection. Thereafter, the objecting party and the affected Professional may attempt to resolve the Objection on a consensual basis. If the parties are unable to reach a resolution within fourteen days after delivery of the Objection or such later date as both parties agree (the "***Resolution Period***"), the objecting party shall file its Objection with the Court within 3 business days of the expiration of the Resolution Period and serve such Objection on the affected Professional and each of the other Notice Parties. Thereafter, the affected Professional may either (i) file a response to the Objection with the Court or (ii) forego payment of the amount subject to Objection until the next Interim Fee Application or Final Fee Application hearing, at which time the affected Professional may request that the Court consider the Objection. For the avoidance of doubt, the applicable Professional may receive payment of any of the Actual Monthly Payment that is not subject to Objection after the expiration of the Objection Deadline.

d. Beginning with the period ending November 30, 2025, and at three month intervals thereafter (each, an "***Interim Fee Period***"), each Professional shall file with the Court and serve on the Notice Parties an interim fee application (an "***Interim Fee Application***") for allowance of compensation and reimbursement of expenses sought in the Monthly Fee Statements submitted during such Interim Fee Period and prepared in accordance with the Compensation Procedures. Interim Fee Applications may be filed after the close of each Interim Fee Period. Interim Fee Applications must comply with sections 330 and 331 of the Bankruptcy Code, applicable provisions of the Bankruptcy Rules, Bankruptcy Local Rules, and any other applicable procedures and orders of the Court. The Notice Parties will have twenty-one days after service of an Interim Fee Application to object thereto. The first Interim Fee Application shall cover the Interim Fee Period from the Petition Date through and including November 30, 2025. Notwithstanding anything to the contrary in the Compensation Procedures, a Professional may file a combined Interim Fee Application with its fee application for final allowance of compensation and reimbursement of expenses (a "***Final Fee Application***" and, together with the Interim Fee Applications, the "***Applications***").

e. The Court, in its discretion, may approve an uncontested Interim Fee Application or Final Fee Application without the need for a hearing, upon the Professional's filing of a certificate of no objection or certificate of counsel. Upon allowance by the Court of a Professional's Interim Fee Application, the Debtors shall be authorized to promptly pay such Professional all requested fees (including the 20% holdback) and expenses not previously paid.

f. The pendency of an Objection to payment of compensation or reimbursement of expenses shall not disqualify a Professional from the future payment of compensation or reimbursement of expenses not previously paid pursuant to the Compensation Procedures, unless otherwise ordered by the Court.

2. Neither (a) the payment of or the failure to pay, in whole or in part, a Monthly Fee Statement under the Compensation Procedures nor (b) the filing of or failure to file an Objection with the Court will bind any party in interest or the Court with respect to the final allowance of applications for compensation and reimbursement of expenses of Professionals. All fees and expenses paid to Professionals under the Compensation Procedures are subject to challenge and disgorgement until final allowance by the Court.

3. Each member of any official committee formed by the U.S. Trustee is permitted to submit statements of expenses incurred in the performance of the duties of the committee (excluding third-party counsel expenses of individual committee members) and supporting

vouchers to the respective committee's counsel, which counsel shall collect and file the committee members' requests for reimbursement with this Court in accordance with the Compensation Procedures.

4. The Professionals shall serve the Monthly Fee Statements only on the Notice Parties and shall file Applications with the Court. The Professionals shall serve Hearing Notices concerning Applications on all other parties that have filed a notice of appearance with the Clerk of the Court and requested notice of pleadings in the Chapter 11 Cases.

5. A Professional shall not seek payment in a Final Fee Application for any amounts that such Professional previously sought in a Monthly Fee Statement or Interim Fee Application if (a) such Professional voluntarily waived or reduced such amounts to resolve formal or informal objections or (b) such amounts were disallowed by order of the Court.

6. All notices given in accordance with the Compensation Procedures shall be deemed sufficient and adequate notice and in full compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules.

7. Notice of the Motion as provided therein shall be deemed good and sufficient notice and the requirements of the Bankruptcy Rules and the Bankruptcy Local Rules are satisfied by such notice.

8. The terms and conditions of this Order are immediately effective and enforceable upon its entry.

9. The Debtors are authorized and empowered to take all actions necessary or appropriate to implement the relief granted in this Order.

10. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, or enforcement of this Order.

No AlixPartners Party (as that term is defined in the Engagement Letter) shall be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Letter for services, unless such services and the indemnification, contribution, or reimbursement therefore are approved by the Court.

b. The Debtors shall have no obligation to indemnify AlixPartners, or provide contribution or reimbursement to AlixPartners, for any claim or expense that is either: (i) judicially determined (the determination having become final and no longer subject to appeal) to have arisen from AlixPartners Party's gross negligence, bad faith, fraud, or willful misconduct; or (ii) settled prior to a judicial determination as to AlixPartners gross negligence, willful misconduct, breach of fiduciary duty, or bad faith or self-dealing but determined by the Court after notice and hearing to be a claim or expense for which the AlixPartners Party should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Letter, as modified by this Order.

c. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Chapter 11 Cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these Chapter 11 Cases, an AlixPartners Party believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Letter (as modified by this Order), including, without limitation, the advancement of defense costs, the AlixPartners Party must file an application therefor in the Court, and the Debtors may not pay any such amounts to the AlixPartners Party before the entry of an order by the Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by any AlixPartners Party for indemnification, contribution and/or reimbursement, and is not a provision limiting the duration of the Debtors' obligation to indemnify, or make contributions or reimbursements to, AlixPartners. All parties in interest shall retain the right to object to any demand by any AlixPartners Party for indemnification, contribution and/or reimbursement.

8. Any limitation of liability set forth in the Engagement Letter, or otherwise, is hereby eliminated for the duration of these Chapter 11 Cases.

9. The relief granted herein shall be binding upon any chapter 11 trustee appointed in these Chapter 11 Cases, or upon any chapter 7 trustee appointed in the event of a subsequent conversion of these Chapter 11 Cases to cases under chapter 7.

10. To the extent there is any inconsistency between this Order, the Engagement Letter and the Application, the terms of this Order shall govern.

11. AlixPartners shall use its reasonable efforts to avoid any duplication of services provided by any of the other retained professionals in these Chapter 11 Cases.

12. The Committee and AlixPartners are authorized and empowered to take all necessary actions to implement the relief granted in this Order.

13. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

IT IS HEREBY ORDERED THAT:

1. The Application is approved as set forth in this Order.

2. Pursuant to sections 328(a) and 1103 of the Bankruptcy Code, the Committee is authorized to employ and retain AlixPartners as its financial advisor in connection with these Chapter 11 Cases effective as of September 10, 2025, and in accordance with the terms and conditions set forth in the Engagement Letter and the MacGreevey Declaration attached to the Application as **Exhibit B**, as modified by this Order.

3. The terms of the Engagement Letter, including, without limitation, the indemnification provisions, are reasonable, and the conditions of employment are approved in all respects, as modified by this Order.

4. AlixPartners may file monthly and interim requests for allowance of compensation and reimbursement of expenses and shall file final requests for allowance of compensation and reimbursement of expenses (collectively, the "***Fee Applications***"). AlixPartners shall keep its time in one-tenth (1/10) hour increments.

5. AlixPartners' compensation terms set forth in the Engagement Letter, including, without limitation, the Fee and Expense Structure, are approved, and the Debtors shall be bound by such terms. AlixPartners shall be compensated for the services identified in the Application, the MacGreevey Declaration and the Engagement Letter and reimbursed for out-of-pocket expenses incurred in connection with such services, pursuant to section 328(a) of the Bankruptcy Code in accordance with the terms of the Engagement Letter, subject to the procedures set forth in the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable orders of the Court; *provided,* in the event that, during the pendency of these Chapter 11 Cases, AlixPartners seeks reimbursement of any attorneys' fees and/or expenses, the invoices and supporting time records from such attorneys shall be included in AlixPartners' fee applications and such invoices and time records shall be in compliance with the Bankruptcy Local Rules and subject to approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code without regard to whether such professional has been retained under section 327 of the Bankruptcy Code; *provided further*, that AlixPartners shall not seek reimbursement from the Debtors' estates for any fees incurred in defending any of AlixPartners' fee applications in these Chapter 11 Cases.

6. To the extent AlixPartners uses the services of independent contractors (the "***Contractors***") in these Chapter 11 Cases, AlixPartners shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that AlixPartners pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for AlixPartners; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

7. The indemnification provisions included in the Engagement Letter are approved, subject to the following:

a. No AlixPartners Party (as that term is defined in the Engagement Letter) shall be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Letter for services, unless such services and the indemnification, contribution, or reimbursement therefore are approved by the Court.

b. The Debtors shall have no obligation to indemnify AlixPartners, or provide contribution or reimbursement to AlixPartners, for any claim or expense that is either: (i) judicially determined (the determination having become final and no longer subject to appeal) to have arisen from AlixPartners Party's fraud, gross negligence, bad faith, fraud, or willful misconduct; or (ii) settled prior to a judicial determination as to AlixPartners gross negligence, willful misconduct, breach of fiduciary duty, or bad faith or self-dealing but determined by the Court after notice and hearing to be a claim or expense for which the AlixPartners Party should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Letter, as modified by this Order.

c. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Chapter 11 Cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these Chapter 11 Cases, an AlixPartners Party believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Letter (as modified by this Order), including, without limitation, the advancement of defense costs, the AlixPartners Party must file an application therefor in the Court, and the Debtors may not pay any such amounts to the AlixPartners Party before the entry of an order

All parties in interest shall retain the right to object to any demand by any AlixPartners Party for indemnification, contribution and/or reimbursement.

8. To the extent the Committee wishes to materially expand the scope of AlixPartners' services beyond those services set forth in the Engagement Letters, the MacGreevey Declaration, or this Order, the Committee shall be required to seek further approval from this Court. The Committee shall file notice of any proposed additional services (the "***Proposed Additional Services***") and any underlying engagement agreement with the Court and serve such notice on the U.S. Trustee, any official committee appointed in these Chapter 11 Cases, and any party requesting notice under Bankruptcy Rule 2002. If no such party files an objection within 14 days of the Committee filing such notice, the Proposed Additional Services and any underlying engagement agreement may be approved by the Court by further order without further notice or hearing. To the extent any such party objects within 14 days of notice of such Proposed Additional Services being served, the Committee will promptly schedule a hearing before the Court on such matter. The Proposed Additional Services will not be effective unless and until they are approved by the Court. All additional services shall be subject to the provisions of this Order.

9. AlixPartners shall provide ten business-days' notice to the Debtors, the U.S. Trustee, and the Committee before any increases in the hourly rates set forth in the Application or the Engagement Letters are implemented. The U.S. Trustee retains all rights to object to any rate increase on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code.

2. Pursuant to sections 328(a) and 1103 of the Bankruptcy Code, the Committee is authorized to employ and retain AlixPartners as its financial advisor in connection with these Chapter 11 Cases effective as of September 10, 2025, and in accordance with the terms and conditions set forth in the Engagement Letter and the MacGreevey Declaration attached to the Application as **Exhibit B**, as modified by this Order.

3. The terms of the Engagement Letter, including, without limitation, the indemnification provisions, are reasonable, and the conditions of employment are approved in all respects, as modified by this Order.

4. AlixPartners may file monthly and interim requests for allowance of compensation and reimbursement of expenses and shall file final requests for allowance of compensation and reimbursement of expenses (collectively, the "***Fee Applications***"). AlixPartners' Fee Applications shall comply with the procedures set forth in sections 330 and 331 of the Bankruptcy Code, applicable Bankruptcy Rules and the Local Rules, the Fee Guidelines and any other such procedures as may be fixed by order of the Court. AlixPartners shall keep its time in one-tenth (1/10) hour increments.

5. AlixPartners' compensation terms set forth in the Engagement Letter, including, without limitation, the Fee and Expense Structure, are approved, and the Debtors shall be bound by such terms. AlixPartners shall be compensated for the services identified in the Application, the MacGreevey Declaration and the Engagement Letter and reimbursed for out-of-pocket expenses incurred in connection with such services, pursuant to section 328(a) of the Bankruptcy Code in accordance with the terms of the Engagement Letter, subject to the procedures set forth in the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable orders of the Court; *provided,* in the event that, during the pendency of these Chapter 11 Cases, AlixPartners seeks reimbursement of any attorneys' fees and/or expenses, the invoices and supporting time records from such attorneys shall be included in AlixPartners' fee applications and such invoices and time records shall be in compliance with the Bankruptcy Local Rules and subject to approval of the Court under the standards of sections 330 and 331 of the Bankruptcy Code without regard to whether such professional has been retained under section 327 of the Bankruptcy Code; *provided further*, that AlixPartners shall not seek reimbursement from the Debtors' estates for any fees incurred in defending any of AlixPartners' fee applications in these Chapter 11 Cases.

6. To the extent AlixPartners uses the services of independent contractors (the "***Contractors***") in these Chapter 11 Cases, AlixPartners shall: (a) pass through the cost of such Contractors to the Debtors at the same rate that AlixPartners pays the Contractors; (b) seek reimbursement for actual costs only; (c) ensure that the Contractors are subject to the same conflict checks as required for AlixPartners; and (d) file with the Court such disclosures required by Bankruptcy Rule 2014.

7. The indemnification provisions included in the Engagement Letter are approved, subject to the following:

a. No AlixPartners Party (as that term is defined in the Engagement Letter) shall be entitled to indemnification, contribution, or reimbursement pursuant to the Engagement Letter for services, unless such services and the indemnification, contribution, or reimbursement therefore are approved by the Court.

b. The Debtors shall have no obligation to indemnify AlixPartners, or provide contribution or reimbursement to AlixPartners, for any claim or expense that is either: (i) judicially determined (the determination having become final and no longer subject to appeal) to have arisen from AlixPartners Party's fraud, gross negligence, bad faith, fraud, or willful misconduct; or (ii) settled prior to a judicial determination as to AlixPartners gross negligence, willful misconduct, breach of fiduciary duty, or bad faith or self-dealing but determined by the Court after notice and hearing to be a claim or expense for which the AlixPartners Party should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Letter, as modified by this Order.

c. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Chapter 11 Cases (that order having become a final order no longer subject to appeal) and (ii) the entry of an order closing these Chapter 11 Cases, an AlixPartners Party believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Letter (as modified by this Order), including, without limitation, the advancement of defense costs, the AlixPartners Party must file an application therefor in the Court, and the Debtors may not pay any such amounts to the AlixPartners Party before the entry of an order

> by the Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by any AlixPartners Party for indemnification, contribution and/or reimbursement, and is not a provision limiting the duration of the Debtors' obligation to indemnify, or make contributions or reimbursements to, AlixPartners. All parties in interest shall retain the right to object to any demand by any AlixPartners Party for indemnification, contribution and/or reimbursement.

8. To the extent the Committee wishes to materially expand the scope of AlixPartners' services beyond those services set forth in the Engagement Letters, the MacGreevey Declaration, or this Order, the Committee shall be required to seek further approval from this Court. The Committee shall file notice of any proposed additional services (the "***Proposed Additional Services***") and any underlying engagement agreement with the Court and serve such notice on the U.S. Trustee, any official committee appointed in these Chapter 11 Cases, and any party requesting notice under Bankruptcy Rule 2002. If no such party files an objection within 14 days of the Committee filing such notice, the Proposed Additional Services and any underlying engagement agreement may be approved by the Court by further order without further notice or hearing. To the extent any such party objects within 14 days of notice of such Proposed Additional Services being served, the Committee will promptly schedule a hearing before the Court on such matter. The Proposed Additional Services will not be effective unless and until they are approved by the Court. All additional services shall be subject to the provisions of this Order.

9. AlixPartners shall provide ten business-days' notice to the Debtors, the U.S. Trustee, and the Committee before any increases in the hourly rates set forth in the Application or the Engagement Letters are implemented. The U.S. Trustee retains all rights to object to any rate increase on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code.

10. Any limitation of liability set forth in the Engagement Letter, or otherwise, is hereby eliminated for the duration of these Chapter 11 Cases.

11. The relief granted herein shall be binding upon any chapter 11 trustee appointed in these Chapter 11 Cases, or upon any chapter 7 trustee appointed in the event of a subsequent conversion of these Chapter 11 Cases to cases under chapter 7.

12. To the extent there is any inconsistency between this Order, the Engagement Letter and the Application, the terms of this Order shall govern.

13. AlixPartners shall use its reasonable efforts to avoid any duplication of services provided by any of the other retained professionals in these Chapter 11 Cases.

14. The Committee and AlixPartners are authorized and empowered to take all necessary actions to implement the relief granted in this Order.

15. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.
