I wish to object to Omnibus Objection for the case Modivcare Inc, etal,
Re ganized debtors
Case No. 25-90309 (ARP)

I am filing a response to the objection of my claim that I am owed $500.00 to compensate my expense for driving John Ferris Thabet for treatment including medical tests, chemotherapy, doctors appointments for the year 2025. I believe Modivcare was hired by either The state of West Virginia or The health plan to help with the travel expenses depending of miles driven. Each medical establishment which he used, Marietta Memorial and/or Camden Clark, Parkersburg, WV

2590309261016000000000001

participated in the practice of collecting my information, signed & faxed the required information to Medicare and I often received a check from Medicare at Delia Rapp, P.O. Box 675, Mason, W.V. 25260

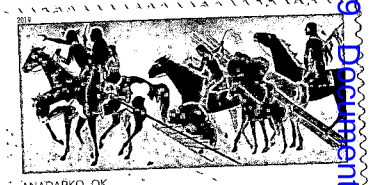

I have no documentation to support my claim because I trusted the offices of the medical facilities mentioned to send the request. Then sometime 2025 Medicare declared bankruptcy.

I believe I am owed approximently $550.00. I will be happy to to receive compensation for the expense of driving John Ferris Thabet, a resident of West Virginia
