E. Cash Collateral. For the purposes of this Final Order, the term "Cash Collateral" shall mean and include all "cash collateral," as defined in § 363 of the Bankruptcy Code, in or on which the DIP Lender or the Prepetition Secured Parties have a lien, security interest, or any other interest (including, without limitation, any Adequate Protection Liens or security interests), whether existing on the Petition Date, arising pursuant to this Final Order or otherwise, and shall include, without limitation: (i) all cash proceeds arising from the collection, sale, lease or other disposition, use or conversion of any real or personal property, in or on which the DIP Lender or the Prepetition Secured Parties have a lien or a replacement lien, whether as part of the DIP Collateral or the Prepetition Collateral, or pursuant to an order of the Court or applicable law or otherwise, and whether such property has been converted to cash, existed as of the commencement of the Chapter 11 Case, or arose or was generated thereafter; (ii) all of the respective deposits, refund claims, and rights in retainers of the Debtor on which the DIP Lender or the Prepetition Secured Parties hold a lien or replacement lien, whether as part of the DIP Collateral or Prepetition

Collateral or pursuant to an order of the Court or applicable law or otherwise; (iii) all cash and cash equivalents held in any depository or other accounts maintained by the Debtor, whether such cash and cash equivalents existed as of the commencement of the Chapter 11 Case, or arose or was generated thereafter; and (iv) the proceeds of any sale, transfer or other disposition of DIP Collateral or Prepetition Collateral. For the avoidance of doubt, and subject to this Final Order, the Debtor's authorization to use Cash Collateral shall automatically terminate, without further order of the Court, upon the earliest of: (a) the Maturity Date; (b) entry of any order by the Bankruptcy Court denying or terminating the Debtor's authority to use Cash Collateral; or (c) upon the occurrence or continuation of an Event of Default.

F. Findings Regarding the DIP Credit Facility.

a. *Need for the DIP Credit Facility and to Use Cash Collateral*. An immediate need exists for the Debtor to obtain funds pursuant to borrowings under the DIP Credit Facility and to use Cash Collateral in order to continue operations, fund payroll, and operating expenses, and administer and preserve the value of its estate. The ability of the Debtor to finance its operations through the DIP Credit Facility and use of Cash Collateral is vital to the preservation and maintenance of the going concern value of the Debtor's estate, to maximize the value of the Debtor's assets for the benefit of its creditors, and to avoid immediate and irreparable harm to the Debtor, its estate and its creditors.

b. *Priming of Any Prepetition Liens*. Upon the entry of this Final Order, the priming of any of the Primed Liens, is a condition to the Debtor's borrowings under the DIP Credit Facility, which borrowing is necessary for the Debtor to be able to continue to operate its business and administer the Chapter 11 Case for the benefit of its estate and creditors. The Prepetition Senior Lender has consented to the priming of its Prepetition Senior Liens. The terms of the adequate protection arrangements provided for herein are fair and reasonable and otherwise sufficient under the circumstances to adequately protect the Prepetition Secured Parties against any Diminution with respect to the Prepetition Collateral as provided for herein.

c. *No Credit Available on More Favorable Terms*. The Debtor has been unable to obtain (a) unsecured credit allowable under Bankruptcy Code § 503(b)(1) as an administrative expense, or (b) credit for money borrowed secured by a lien on property of the estate on more favorable terms and conditions than those provided in the Credit Agreement and this Final Order. The Debtor is unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections.

d. *Sections 506(c) and 552(b) Waivers*. In light of (i) the DIP Lender's agreement to subordinate its liens and superpriority claims to the Carve-Out, and in exchange for and as a material inducement to the DIP Lender to agree to provide the DIP Credit Facility and (ii) the Prepetition Secured Parties' agreement to subordinate its liens (and Landlord's consent) to the DIP Obligations, the Carve-Out, and the DIP Liens, and to permit the use of the Prepetition Collateral (including Cash Collateral for payments made in accordance with the Budget and the terms of this Final Order), each of the DIP Lender and the Prepetition Secured Parties are entitled to a waiver of the provisions of § 506(c), and the Prepetition Secured Parties are entitled to a waiver of the exceptions provided in §§ 552(b)(1) and (2) of the Bankruptcy Code, in each case as provided for herein.

e. *Use of Proceeds of the DIP Credit Facility*. Proceeds of the DIP Credit Facility (net of any amounts used to pay fees, costs, and expenses under the DIP Documents) shall be used in a manner consistent with the terms and conditions of the Credit Agreement and this Final Order and in accordance with the Budget.

G. Application of Proceeds of DIP Collateral. Subject solely to the Challenge Rights reserved in ¶ 21 of this Final Order, all net proceeds of any sale or other disposition of the DIP Collateral, if any, shall, subject to the Carve-Out, be applied first to repay the DIP Obligations in full.

H. Effect of Reversal; Good Faith. The DIP Lender has indicated a willingness to provide financing to the Debtor solely in accordance with the Credit Agreement and this Final Order, provided that the DIP Obligations, DIP Liens and other protections granted by this Final Order and the DIP Documents will not be affected by any subsequent reversal or modification of this Final Order to the extent provided in § 364(e) of the Bankruptcy Code. The DIP Lender has acted in good faith in agreeing to provide the DIP Credit Facility approved by this Final Order.

I. Roll Up. Subject to the provisions of Paragraph 21 of this Final Order and subject to the Carve-Out, as and when each draw of the New Money Term Loan is funded, one and half times (1.5x) of such amount funded of the outstanding Prepetition Loan Obligations, up to a total amount of $31,500,000.00 on a final basis, shall be rolled up and converted into DIP Obligations (the "Roll Up"). The Prepetition Senior Lender, who is also the DIP Lender, would not have

consented to extend DIP Loans or other financial accommodations to the Debtor without the inclusion of the Roll Up in the DIP Obligations. Thus, the Roll Up is consideration for, and solely on account of, the agreement of the DIP Lender to extend the DIP Loans and not on account of the Prepetition Loan Obligations.

J. Business Judgment and Good Faith Pursuant to Section 364(e). (i) The terms and conditions of the DIP Credit Facility and the DIP Documents as set forth in this Final Order or the Motion, and the terms and conditions thereunder are fair, reasonable, and the best reasonably available under the circumstances, reflect the Debtor's exercise of prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and consideration; (ii) the DIP Documents and use of Cash Collateral were negotiated in good faith and at arms' length between the Debtor and the DIP Lender and the Prepetition Secured Parties; and (iii) the DIP Credit Facility loan proceeds to be funded to the Debtor pursuant to the DIP Documents will be advanced in good faith, and for valid business purposes and uses, as a consequence of which the DIP Lender is entitled to the protection and benefits of § 364(e) of the Bankruptcy Code.

NOW, THEREFORE, based upon the foregoing findings, and upon consideration of the Motion and the record made before this Court with respect to the Motion, including the record created during the Final Hearing, all papers filed on the docket, and with the consent of the Debtor, the DIP Lender, and the Prepetition Secured Parties to the form and entry of this Final Order, and good and sufficient cause appearing therefor, and the Court being otherwise fully advised in the premises;

IT IS HEREBY ORDERED AND ADJUDGED THAT:

1. **Motion Granted**. The Motion is **GRANTED** in accordance with the terms and conditions set forth in this Final Order. Any objections to the Motion with respect to entry of this Final Order to the extent not withdrawn, waived, or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled on the merits.

2. **The DIP Documents**.

a) *Approval of Entry into the DIP Documents*. The Debtor is authorized to execute, deliver and perform in accordance with the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Final Order and the DIP Documents, and to execute and deliver all instruments and documents which may be required or necessary for the performance by the Debtor under the DIP Documents and the creation and perfection of the DIP Liens described in and provided for by this Final Order and the DIP Documents. Upon entry of this Final Order, and subject to the provisions of Paragraph 21 hereof and the Carve-Out, as and when New Money Term Loans are advanced under the DIP Facility, one and half times (1.5x) of such amount funded of outstanding Prepetition Senior Loan Obligations shall be deemed rolled up and converted into DIP Obligations, up to an aggregate principal amount of $31,500,000.00 under this Final Order (the "Roll-Up"). The Debtor is authorized to take such acts as shall be necessary or desirable to effect the Roll-up and conversion of the Prepetition Senior Loan Obligations to DIP Obligations. The Debtor is hereby authorized to use Cash Collateral subject to the terms of this Final Order. The Debtor is hereby authorized to do and perform all acts, pay the principal, interest, fees, expenses, and other amounts described in the Credit Agreement and all other DIP Documents as such become due; provided, however, for the avoidance of doubt, interest and fees, other than DIP Lender professional fees and expenses, may be paid in kind (monthly, in arrears).

b) *Authorization for DIP Financing*. To enable the Debtor to continue to preserve the value of its estate during the pendency of the Chapter 11 Case and subject to the terms and conditions of this Final Order, the Budget (a copy of which is attached hereto as **Exhibit B**), and the DIP Documents, upon the execution of the Credit Agreement, the Debtor is hereby authorized to borrow, pursuant to the DIP Credit Facility, the aggregate principal amount of (a) $21,000,000.00 in New Money Term Loans, plus (b) $31,500,000 of Roll Up.

c) *Conditions Precedent*. The DIP Lender shall have no obligation to make any loans under the Credit Agreement during the Chapter 11 Case unless the conditions precedent to making such loans under the Credit Agreement have been satisfied in full or waived by the DIP Lender in its sole discretion.

d) *Enforceable Obligations*. The DIP Documents shall constitute and evidence the valid and binding obligations of the Debtor, which obligations shall be enforceable against the Debtor, its estate and any successors thereto, and its creditors or representatives thereof, in accordance with their terms.

e) *Protection of the DIP Lender and Other Rights*. From and after the Petition Date, the Debtor shall use the proceeds of the DIP Credit Facility only for the purposes specifically set forth in the Credit Agreement, this Final Order, and, notwithstanding any other order of this Court authorizing disbursements by the Debtor, in strict compliance with the Budget (subject only to any variances thereto that may be permitted by the Credit Agreement or the Budget).

3. **The DIP Lien Priority**.

a) To secure the DIP Obligations, the DIP Lender is hereby granted pursuant to, and in accordance with, §§ 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, valid, enforceable and fully perfected liens (the "DIP Liens") in and on all of the DIP Collateral as

provided in the Credit Agreement and consisting of all of the Debtor's now owned or hereafter acquired right, title, and interest in and to all property of the Debtor other than the Excluded Assets, including cash, accounts, accounts receivable, goods, inventory, property, plant and equipment, intellectual property, contract rights, tax refunds, prepaid expenses, deposits, general intangibles, real estate, leaseholds, all intercompany claims, all claims, and causes of action of the Debtor or its estate (subject to the proviso below respecting Excluded Assets) (including, without limitation, all commercial tort claims of every kind and description, whether described in specificity in the DIP Documents or not) and any and all proceeds and property recovered therefrom, any and all proceeds arising from insurance policies (except to the extent included in the Excluded Assets), which for the avoidance of doubt, shall include, without limiting the generality of the foregoing, all assets of the Debtor that constitute Prepetition Collateral (other than the Excluded Assets), and all other property and assets including, without limitation, Cash Collateral, all cash and non-cash proceeds, rents, products, substitutions, accessions, offspring and profits of any of the collateral described above (other than the Excluded Assets) (collectively, the "DIP Collateral"), subject only to prior payment of the Carve-Out and any Prior Permitted Liens; provided, however, that upon entry of this Order, and in consideration of the sharing of proceeds from the Excluded Assets as set forth in the Asset Purchase Transaction Terms attached to the Credit Agreement as Exhibit C, DIP Lender shall release, and shall be deemed to have released, its DIP Liens on the Excluded Assets solely for the purpose of the Debtor holding such assets in trust for the exclusive purposes of monetizing the Excluded Assets and distributing the resulting proceeds to the Debtor's general unsecured creditors and the DIP Lender in accordance with the Asset Purchase Transaction Terms;

b) The DIP Liens shall be effective immediately upon the entry of this Final Order, and the DIP Liens shall not at any time be made subject or subordinated to, or made pari

passu with, any other lien, security interest or claim existing as of the Petition Date or created thereafter, including under §§ 363 or 364(d) of the Bankruptcy Code or otherwise, other than prior payment of the Carve-Out and the Prior Permitted Liens;

c) The DIP Liens shall be, and hereby are deemed, fully perfected liens and security interests, effective and perfected upon the date of this Final Order, without the necessity of execution by the Debtor of mortgages, security agreements, pledge agreements, financing agreements, financing statements, account control agreements or any other agreements, filings or instruments, such that no action whatsoever need be taken by the DIP Lender, the Debtor, or any other party (including, without limitation, any depository bank or securities intermediary) to perfect such interests.

d) For the avoidance of doubt, until indefeasible payment in full in cash of the DIP Obligations, and subject in all cases to the Carve-Out and the terms of this Final Order, the DIP Lender shall have the following priority claims and liens: (i) pursuant to § 364(c)(1) of the Bankruptcy Code, allowed superpriority administrative expense claims against the Debtor and its estate with priority over any and all administrative expenses and other claims of the kind specified in §§ 503(b) or 507(b) of the Bankruptcy Code, subject to, solely with respect to the Roll Up, the Challenge Rights reserved in Paragraph 21 of this Final Order; (ii) pursuant to § 364(c)(2) of the Bankruptcy Code, perfected first priority, senior liens on and security interests in all DIP Collateral that, as of the Petition Date, was not subject to any valid, perfected, and unavoidable lien, or was subject only to invalid, unperfected, or avoidable liens; (iii) pursuant to § 364(c)(3) of the Bankruptcy Code, perfected junior liens on, and security interests in, all DIP Collateral that, as of the Petition Date, was subject to a valid, perfected, and unavoidable lien in existence at the commencement of the Chapter 11 Case, other than the Primed Liens (such third-party senior liens,

"Prior Permitted Liens"); and (iv) pursuant to § 364(d)(1) of the Bankruptcy Code, and except with respect to any property subject to Prior Permitted Liens, perfected, first-priority senior priming liens on, and security interests, in all DIP Collateral that is subject to the existing liens in favor of the Prepetition Secured Parties (the "Primed Liens"), which Primed Liens shall be primed by and made subject and subordinate to the perfected first-priority senior priming DIP Liens granted to the DIP Lender hereunder; such priming DIP Liens shall also prime any liens granted after the Petition Date as adequate protection of any Primed Liens, all as provided in this Final Order; *provided* that notwithstanding the foregoing, upon the effectiveness of the Roll Up as provided herein, any prepetition liens and security interests securing the Prepetition Senior Loan Obligations are hereby deemed replaced by the DIP Liens securing the DIP Obligations (including the Roll Up), as provided in this Final Order, subject to the Challenge Rights reserved in Paragraph 21 of this Final Order.

4. **Superpriority Administrative Claim**. The DIP Lender is hereby granted an allowed superpriority administrative expense claim (the "DIP Superpriority Claim," together with the DIP Liens, the "DIP Protections") pursuant to § 364(c)(1) of the Bankruptcy Code in the Chapter 11 Case and in any Successor Case(s) for all DIP Obligations, including the Roll Up (subject to the Challenge Rights reserved in Paragraph 21 of this Final Order), having priority over any and all other claims against the Debtor, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kinds specified in or arising or ordered under §§ 105(a), 326, 328, 330, 331, 503(a), 503(b), 506(c) (with respect to the Roll Up), 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114 and any other provision of the Bankruptcy Code or otherwise, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed DIP Superpriority

Claim shall be payable from all pre- and post-petition property of the Debtor and all proceeds thereof. The DIP Superpriority Claim shall be subject and subordinate in priority of payment only to prior payment of the Carve-Out and shall not be recoverable from the Excluded Assets (other than pursuant to the allocation of the proceeds from Excluded Assets set forth in this Final Order, Credit Agreement, and Plan Term Sheet). The DIP Superpriority Claim shall be senior in all respects to any superpriority claims granted in the Chapter 11 Case.

5. **Authorization to Use Proceeds of the DIP Credit Facility and Cash Collateral**. Solely pursuant to the terms and conditions of this Final Order, the Credit Agreement and the other DIP Documents, and in accordance with the Budget and any variances thereto that may be permitted pursuant thereto or pursuant to the Credit Agreement, the Debtor is authorized to use the borrowings pursuant to the Credit Agreement and to use Cash Collateral during this Chapter 11 Case until the earliest to occur of the (a) the Maturity Date; (b) entry of any order by the Bankruptcy Court denying or terminating the Debtor's use of Cash Collateral; or (c) upon the occurrence or continuation of an Event of Default. Subject to the terms of the Credit Agreement, the Debtor and the DIP Lender may agree in writing to modify the Budget in the DIP Lender's sole discretion at any time that the DIP Credit Facility remains outstanding. Silence, inaction, course of dealing, or funding of any advance shall not constitute approval of any Budget modification or variance.

6. **Relief from the Automatic Stay**.

a. Upon the occurrence and during the continuance of an Event of Default, the DIP Lender shall have no obligation to make further advances or consent to further use of Cash Collateral. Upon five (5) Business Days' prior written notice to the Debtor (the "Remedies Notice Period"), counsel to the Official Committee of Unsecured Creditors (the "Committee"), the Prepetition Secured Parties, and the U.S. Trustee, the DIP Lender is hereby granted relief from any

stay of proceeding (including, without limitation, the automatic stay applicable under § 362 of the Bankruptcy Code to the holder or holders of any security interest) to permit the DIP Lender, upon the occurrence of and continuance of an Event of Default, to exercise any rights and remedies provided to the DIP Lender under the DIP Documents or at law or equity, including all remedies provided under the Bankruptcy Code. Furthermore, the DIP Lender is hereby granted immediate relief from the automatic stay to take steps to perfect the DIP Liens, as described below. The automatic stay of § 362(a) of the Bankruptcy Code, to the extent applicable, shall be deemed terminated without the necessity of any further action by the Court in the event that the Debtor, the Committee, the Prepetition Secured Parties, and/or the U.S. Trustee have not obtained an order providing otherwise (a "Stay Enforcement Order") from this Court prior to the expiration of the Remedies Notice Period; *provided* that the hearing on whether the automatic stay shall be terminated may be sought on an expedited basis.

b. Upon an Event of Default and subject to the expiration of the Remedies Notice Period without entry of a Stay Enforcement Order, and notwithstanding § 362, the Prepetition Senior Lender, solely in its capacity as party to any deposit account control agreement(s) or similar control agreements in effect as of the Petition Date with respect to any Debtor's deposit, securities, or other bank accounts (collectively, "DACAs"), shall be granted limited relief from the automatic stay to deliver any "notice of exclusive control," "activation notice," or similar instruction required under the DACAs to acknowledge and implement that the Prepetition Senior Lender has exclusive control over the applicable account(s) for the benefit of itself and the DIP Lender pursuant to this Final Order. Any bank, financial institution, depository, or securities intermediary subject to a DACA (each, a "Depository Institution") is authorized to comply with any such notice or instruction without further order of the Court, and shall have the protections of

§ 364(e) and any other applicable protections afforded by this Final Order for taking such actions in good faith. For the avoidance of doubt, any such exercise shall be limited to effectuating the Prepetition Senior Lender's and the DIP Lender's exclusive control consistent with the DIP Documents and this Final Order. Nothing in this paragraph requires the Prepetition Senior Lender or any Depository Institution to sweep, transfer, or apply funds in any account before the expiration of the Remedies Notice Period. All parties' rights with respect to cash management relief and orders remain reserved, and this Paragraph is intended to complement, and not conflict with, any cash management order entered in the Chapter 11 Case.

7. **Postpetition DIP Lien Perfection**.

a) This Final Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens without the necessity of filing or recording any financing statement, deed of trust, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect the DIP Liens or to entitle the DIP Liens to the priorities granted herein. Notwithstanding the foregoing, the DIP Lender may, at its sole discretion, file financing statements, without notice to the Debtor, with all appropriate jurisdictions to perfect or protect the DIP Lender's interest or rights hereunder, including a notice that any disposition of the DIP Collateral, by the Debtor or any other Person, shall be deemed to violate the rights of the DIP Lender under the Uniform Commercial Code. Such financing statements may indicate the DIP Collateral as "all assets of the Borrower" or words of similar effect, or as being of an equal or lesser scope, or with greater detail, all in the DIP Lender's discretion, and is hereby granted relief from the automatic stay of § 362 of the Bankruptcy Code in order to do so, and any and all of such financing statements, mortgages,

notices of lien and other documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Case.

b) The Debtor shall from time to time execute and deliver to the DIP Lender, at the written request of the DIP Lender, all negotiable collateral, all financing statements and other documents that the DIP Lender may reasonably request, in form satisfactory to the DIP Lender, to perfect and continue the perfection of the DIP Lender's security interests in the DIP Collateral and in order to fully consummate all of the transactions contemplated under the DIP Documents.

8. **Authorization and Direction for Payment of DIP Lender's Fees and Expenses**. The Debtor shall pay all reasonable and documented prepetition and postpetition out of pocket costs and expenses of DIP Lender in connection with the Chapter 11 Case and any Successor Case(s), including, without limitation, in connection with (a) the preparation, negotiation, execution and delivery of the DIP Documents, this Final Order, and the funding of all DIP Loans under the DIP Credit Facility, (b) the administration of the DIP Credit Facility and any amendment or waiver of any provision of the DIP Documents, this Final Order, (c) the administration of the Chapter 11 Case and any Successor Case(s), (d) the enforcement or protection of the DIP Lender's rights and remedies under the DIP Documents and this Final Order, and (e) as provided in Paragraph 12(d). Notwithstanding anything to the contrary herein, the payment of all such reasonable and documented fees, costs and expenses of the DIP Lender, whether incurred before or after the Petition Date, including, without limitation, all reasonable and documented fees referred to in the DIP Documents, all fees referred to in Paragraph 12(d) and all attorneys' fees and expenses, shall (i) be subject to Paragraph 21 of this Final Order, be deemed non-refundable and irrevocable, and (ii) not be subject to the Budget. None of DIP Lender's attorneys' fees or disbursements shall be subject to the approval (whether prior to payment or after) of this Court or

the guidelines of the Office of the U.S. Trustee, and no recipient of any such payment shall be required to file with respect thereto any interim or final fee application with this Court. Any such fees, costs and expenses shall be paid by the Debtor within fourteen (14) days after delivery of a summary invoice to the Debtor and without the need for application to or order of the Court. Such summary invoice may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any work product doctrine, privilege or protection, common interest doctrine privilege or protection, any other evidentiary privilege or protection recognized under applicable law, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege, work product doctrine, privilege or protection, common interest doctrine privilege or protection, or any other evidentiary privilege or protection recognized under applicable law. A copy of such summary invoice shall be provided by DIP Lender to the U.S. Trustee and counsel for the Committee contemporaneously with the Debtor's receipt of such summary invoice. Notwithstanding the foregoing, if (x) the Debtor, the U.S. Trustee or the Committee objects to the reasonableness of a summary invoice submitted by the DIP Lender and (y) the parties cannot resolve such objection, in each case within the fourteen (14) day period following receipt of such summary invoice, the Debtor, the U.S. Trustee or the Committee, as the case may be, shall file with the Court and serve on the DIP Lender submitting the fee request a fee objection (a "Fee Objection"), which Fee Objection shall be limited to the issue of the reasonableness of such fees and expenses.

9. **Carve-Out; Professional Fee Escrow**.

a) "Carve-Out" means (a) all fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the U.S. Trustee under 28 U.S.C. § 1930(a) (without regard to the notice set forth in (c) below) (the "U.S. Trustee Fees"); (b) to the extent allowed at any time,

whether by interim order, procedural order, or otherwise by the Court, solely to the extent provided for in the Budget, all unpaid fees (including, without limitation, transaction fees paid upon the closing of the respective transaction but excluding success fees) and expenses (collectively, the "Professional Fees") accrued or incurred by persons or firms retained by the Debtor pursuant to §§ 327, 328, or 363 of the Bankruptcy Code (the "Professionals") and professionals employed by the Committee (the "Committee Professionals" and, together with the Professionals, the "Professional Persons") at any time on or prior to delivery by or on behalf of the DIP Lender of a Carve-Out Trigger Notice, whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice; and (c) the Professional Fees in an aggregate amount not to exceed $200,000.00 for amounts incurred after the date of delivery of the Carve-Out Trigger Notice or after the occurrence of the Maturity Date, whichever is earlier, to the extent allowed at any time, whether by interim order, procedural order, or otherwise by the Court (the amounts set forth in this clause (c) being the "Post-Carve-Out Trigger Notice Cap"). "Carve-Out Trigger Notice" means either the occurrence of the Maturity Date or a written notice delivered by email (or other electronic means) to the Debtor and its counsel, the U.S. Trustee, and counsel to the Committee, and the Prepetition Secured Parties, which notice may be delivered following the occurrence and during the continuation of an Event of Default under the DIP Documents, stating (x) that the Post-Carve-Out Trigger Notice Cap has been invoked, (y) the DIP Loans have been accelerated, and (z) the DIP Lender does not intend to fund further advances under the DIP Loans or consent to further use of Cash Collateral. Except as otherwise provided herein, no portion of the Carve-Out or proceeds of the DIP Credit Facility may be used for the payment of the fees and expenses of any person incurred in challenging, or in relation to the Challenge of, (a) the liens and/or claims of the DIP Lender or the Prepetition Secured Parties, or the initiation or prosecution of any claim or action

against the DIP Lender or the Prepetition Secured Parties, including, without limitation, any causes of action arising under Chapter 5 of the Bankruptcy Code (including, without limitation, §§ 544, 545, 547, 548, 549, 550, and 553 thereof, and any similar or related claims, causes of action, or rights arising under applicable state or other non-bankruptcy law, "Avoidance Actions"), and any other federal, state or foreign law, in respect of the DIP Documents or (b) any claims or causes of actions against the DIP Lender or the Prepetition Secured Parties, their advisors, professionals, agents and sub-agents, including formal discovery proceedings in anticipation thereof.

b) The Debtor shall wire transfer funds, on a weekly basis, to an escrow account established by Verita, its claims agent, in an amount equal to, but not to exceed, the amounts set forth in the professional fee line items under the "Restructuring Disbursements" or "Bankruptcy Related Disbursements" subheading in the Budget for each such week (the "Professional Fee Escrow"). The Debtor shall use funds held in the Professional Fee Escrow exclusively to pay Professional Fees as they become allowed and payable pursuant to the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, in accordance with any interim or final orders of the Court; *provided, however*, that the Debtor's obligations to pay such allowed Professional Fees shall not be limited or be deemed limited to funds held in the Professional Fee Escrow. Upon delivery of a Carve-Out Trigger Notice, the Debtor may also fund the Professional Fee Escrow with the amount of the Post-Carve-Out Trigger Notice Cap. Except as provided in this Final Order, no funds of the Debtor shall be transferred or otherwise deposited into the Professional Fee Escrow. The amount transferred to the Professional Fee Escrow in any week shall not exceed the amount expressly scheduled for that week in the Budget (other than an initial catch up escrow to amounts accrued prior to the Initial Advance), and the aggregate pre-Trigger Notice amount shall not exceed the aggregate amount scheduled in the Budget. No transfer

to the Professional Fee Escrow may be made after delivery of a Carve-Out Trigger Notice other than the fixed Post-Carve-Out Trigger Notice Cap. The Professional Fee Escrow shall not be subject to the control of the DIP Lender, and the funds transferred to the Professional Fee Escrow shall not be subject to the DIP Liens, the Adequate Protection Liens or any other liens, nor constitute DIP Collateral, Prepetition Collateral or collateral for any other obligation; *provided, however*, that the DIP Liens shall automatically attach to any residual interest in the Professional Fee Escrow (which liens shall be deemed automatically perfected liens as of entry of this Final Order), and upon satisfaction of all amounts payable from the Professional Fee Escrow, any excess proceeds shall revert to the DIP Lender until the DIP Obligations have been satisfied in full and thereafter to the Debtor (including as reorganized pursuant to a chapter 11 plan).

c) The Debtor shall not sell, assign, factor, advance against, compromise, settle, transfer, or otherwise dispose of any HQAF receivable or any related proceeds without the DIP Lender's prior written consent in its sole discretion and, if required by applicable law, further order of this Court. Notwithstanding the foregoing or anything else herein to the contrary, in the event there is a Carve Out Trigger Notice or the Plan is not confirmed and the alternative private sale contemplated in the Plan Term Sheet (attached to the Interim Order as an exhibit to Exhibit A) does not occur, the DIP Lender and Prepetition Senior Lender hereby consent to the Debtor entering into one or more agreements for the advancement or sale of HQAF receivables with such amounts to be used for reasonable, necessary and documented costs (excluding legal fees) to safely close the Hospital, to be determined in consultation with the DIP Lender, with any excess amounts to be turned over to the DIP Lender.

10. For the avoidance of doubt, notwithstanding any (i) occurrence of any Event of Default, (ii) delivery of a Carve-Out Trigger Notice, or (iii) termination of the DIP Documents, the

Debtor shall be permitted to fund and make payments from the Professional Fee Escrow in accordance with the Budget and this Final Order; *provided, that*, for the further avoidance of doubt, nothing in this subparagraph is intended or shall be deemed to obligate the DIP Lender to make any further DIP Loans or advance any further funds under the DIP Facility upon the occurrence of any of the events identified at (i), (ii), and (iii) in this subparagraph.

11. **Payment of Compensation**. Nothing herein shall (i) limit or cap the amount of U.S. Trustee Fees or any professional fees of the Debtor or Committee that may ultimately be allowed or paid from sources other than the DIP Collateral or Prepetition Collateral, or (ii) be construed as consent to the allowance of any professional fees or expenses of the Debtor or Committee or affect the right of any party in interest to object to the allowance and payment of such fees and expenses.

12. **Adequate Protection for Prepetition Secured Parties**. As adequate protection in respect of, and as consideration for any Diminution resulting from any of the incurrence and payment of the DIP Obligations, the use of Cash Collateral, the use of other Prepetition Collateral, the granting of the DIP Liens and the DIP Superpriority Claim, the subordination of the Prepetition Secured Obligations to the DIP Obligations and the Carve-Out and the imposition of the automatic stay pursuant to § 362 of the Bankruptcy Code, the Prepetition Secured Parties are hereby granted (in each case subject only to the DIP Liens, the DIP Superpriority Claim, and prior payment of the Carve-Out) the following adequate protection:

a) *Adequate Protection Liens*. The Prepetition Secured Parties are hereby granted (effective and perfected by operation of law immediately upon entry of this Final Order and without the necessity of execution by the Debtor of mortgages, security agreements, pledge agreements, financing statements, account control agreements and other agreements, filings or

instruments) valid, perfected, postpetition security interests and liens (the "Adequate Protection Liens") in and on all of the same types of collateral constituting the Prepetition Collateral except to the extent of the Excluded Assets, with a priority subject and subordinate only to (i) the DIP Liens, (ii) DIP Superpriority Claim, (iii) the Carve-Out and (iv) any liens senior by operation of law or otherwise permitted under the Prepetition Loan Documents (solely to the extent that any such permitted liens were valid, properly perfected, non-avoidable and senior in priority to the Prepetition Liens as of the Petition Date, or valid, non-avoidable senior priority liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by § 546(b) of the Bankruptcy Code).

b) *Superpriority Claims*. Administrative superpriority expense claims in the Chapter 11 Case (the "Adequate Protection Superpriority Claims"), junior and subordinate only to the DIP Obligations, DIP Superpriority Claim and the Carve-Out, pursuant to section 507(b) having priority over any and all other claims against the Debtor, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kinds specified in or arising or ordered under §§ 105(a), 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114 and any other provision of the Bankruptcy Code or otherwise, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed Adequate Protection Superpriority Claim shall be payable from and have recourse to all pre- and post-petition property of the Debtor (except for the Excluded Assets) and all proceeds thereof. The DIP Superpriority Claim shall be subject and subordinate in priority of payment only to prior payment of the Carve-Out and shall not be payable from the Excluded Assets (other than pursuant to the allocation of the proceeds from Excluded Assets set forth in this Final Order, Credit Agreement, and Plan Term

Sheet). For the avoidance of doubt, the Adequate Protection Superpriority Claims are junior and subordinate in all respects to (i) the Carve-Out and (ii) the DIP Superpriority Claim and all other DIP Obligations.

c) *506(c) and 552(b) Waivers*. The Prepetition Senior Lender's consent to use of Cash Collateral and Prepetition Collateral under this Final Order and the Debtor's right to use Cash Collateral and Prepetition Collateral: (i) is in lieu of any § 506(c) claim, payment or priority for the costs or expenses of the administration of the Chapter 11 Case; and (ii) is granted as consideration for (among other things) the waiver of the exceptions provided in §§ 552(b)(1) and (2) of the Bankruptcy Code.

d) *Fees and Expenses*. The Debtor shall pay all postpetition reasonable and documented fees and expenses incurred by the DIP Lender, including, without limitation, the reasonable and documented fees and expenses of counsel to the Prepetition Senior Lender; including fees and expenses incurred in connection with negotiations in connection with the Credit Agreement and Plan Term Sheet and related documents; provided, however, that the DIP Lender shall not be entitled to reimbursement for any fees or expenses incurred in connection with (i) the acquisition of the Hospital or the transfer of operations at the Hospital (including in connection with regulatory approval, Interim Management Agreement or similar agreement with the Debtor (the "IMA"), or negotiation of a lease with the Landlord), or (ii) the negotiation, preparation, or documentation of any asset purchase agreement, or (iii) any other activities undertaken in furtherance of the DIP Lender's acquisition of the Debtor's assets. No provision of this Final Order shall impair the DIP Lender's right to reimbursement for reasonable expenses incurred to preserve, monitor, enforce, protect, or realize upon its rights and collateral, including in connection with a court-approved sale process or credit bid as DIP Lender.

13. **Credit Bid Rights**. In connection with any sale or disposition of all or any portion of the DIP Collateral, including in each case pursuant to §§ 9-610 or 9-620 of the Uniform Commercial Code, at any sale thereof conducted under the provisions of the Bankruptcy Code, including § 363 of the Bankruptcy Code or as part of restructuring plan subject to confirmation under § 1129 of the Bankruptcy Code, or at any sale or foreclosure conducted by the DIP Lender, by a chapter 7 trustee under § 725 of the Bankruptcy Code, or otherwise, in each case in accordance with applicable law and, with respect to any credit bid, § 363(k) of the Bankruptcy Code, the DIP Lender shall have the power and right to "credit bid" the full amount or any portion, but not less than $40 million, of all DIP Obligations (inclusive of the Roll Up, subject to the Challenge Rights in Paragraph 21 of this Final Order) in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the DIP Collateral and (b) subject to the terms of Paragraph 21 herein, the Prepetition Senior Lender shall have the right to credit bid the full amount (or any portion) of the Prepetition Senior Loan Obligations, in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the Prepetition Collateral. The Debtor, on behalf of itself and the estate, further hereby agrees not to challenge the rights granted to the DIP Lender and the Prepetition Senior Lender in this paragraph. The DIP Lender and each of its affiliates, designees, and acquisition vehicles may credit bid all or any portion of the full amount of the DIP Obligations, including principal, accrued interest, fees, expenses, protective advances, and other obligations under the DIP Documents, in any sale or disposition of DIP Collateral. No Challenge shall limit such credit-bid right absent a final, non-appealable order expressly determining the specific amount of DIP Obligations that may not be credit bid.

14. **Maturity Date**. All unfunded DIP commitments of the DIP Lender will terminate, and all DIP Obligations of the Debtor will be immediately due and payable in full in cash on the

earliest of: (a) December 8, 2026, unless a Confirmation Order is entered, in form and substance reasonably acceptable to DIP Lender, approving the Plan, Disclosure Statement and related sale of the Debtor's assets to the DIP Lender (or its designee), in which case such date shall be extended to the occurrence of the effective date of the Plan and closing of such sale (the "Maturity Date"); (b) the date upon which a Milestone is missed and not waived by the DIP Lender; (c) the date of consummation of any sale of all or substantially all of the assets of the Debtor pursuant to § 363 of the Bankruptcy Code; (d) the date of acceleration of the DIP Loans and the termination of the DIP commitments pursuant to the terms of the DIP Documents (e.g., occurrence of an Event of Default); (e) the effective date of a plan of reorganization in the Chapter 11 Case; (f) appointment of a chapter 11 trustee in the Chapter 11 Case; or (g) conversion of the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code or dismissal of the Chapter 11 Case.

15. **Events of Default**. The occurrence of an "Event of Default" by the Debtor pursuant to the Credit Agreement shall constitute an event of default under this Final Order, unless expressly waived by the DIP Lender in its sole discretion in writing in accordance with the DIP Documents (each, an "Event of Default"). The Debtor shall provide the DIP Lender immediate written notice of any Event of Default or event that, with notice, passage of time, or both, would become an Event of Default.

16. **Rights and Remedies Upon Event of Default**. Upon the occurrence and during the continuance of an Event of Default, the DIP Lender shall have the rights to which it is entitled under the Credit Agreement and this Final Order, subject to the rights and defenses of the Debtor under this Final Order.

17. **Proofs of Claim**. Neither the DIP Lender nor the Prepetition Secured Parties shall be required to file proofs of claim in the Chapter 11 Case or Successor Cases for any claim allowed herein.

18. **Other Rights and Obligations**.

a) *Good Faith Under Section 364(e) of the Bankruptcy Code*. The DIP Lender and the Prepetition Senior Lender have acted in good faith in connection with (i) negotiating the DIP Documents and the loans to be made pursuant thereto, (ii) consenting to the Debtor's use of Cash Collateral, and (iii) their reliance on this Final Order. Based on the findings set forth in this Final Order and the record made during the Final Hearing, and in accordance with § 364(e) of the Bankruptcy Code and Bankruptcy Rules 4001(b) and (c), in the event any or all of the provisions of this Final Order are hereafter reversed or modified by a subsequent order of this or any other Court, the DIP Lender and the Prepetition Senior Lender are entitled to all of the benefits and protections to the extent provided in § 364(e) of the Bankruptcy Code.

b) *Binding Effect*. The DIP Liens, DIP Superpriority Claim, and the Adequate Protection Liens and other rights and remedies granted under this Final Order to the DIP Lender and the Prepetition Secured Parties, as applicable, shall continue in the Chapter 11 Case and any Successor Case(s), and shall be valid and enforceable against any trustee appointed in the Debtor's Chapter 11 Case and upon the dismissal of the Debtor's Chapter 11 Case, or in any Successor Case(s), and such liens and security interests shall maintain their priority as provided in this Final Order until all the DIP Obligations or the Prepetition Obligations, as applicable, have been indefeasibly paid in full in accordance with the DIP Documents, the Prepetition Documents or this Final Order, as applicable; *provided*, for the avoidance of doubt, that the DIP Liens (to the extent of the Roll Up), DIP Superpriority Claim (to the extent of the Roll Up), and the Adequate

Protection Liens shall be subject to the Challenge Rights reserved in Paragraph 21 of this Final Order.

c) *DIP Lender's Liability for DIP Collateral*. So long as the DIP Lender complies with reasonable commercial lending practices, the DIP Lender shall not in any way or manner be liable or responsible for: (i) the safekeeping of the DIP Collateral; (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause; (iii) any diminution in the value thereof; or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other person whomsoever, provided that this paragraph shall not apply to CERCLA liability. All risk of loss, damage or destruction of the DIP Collateral shall be borne by the Debtor.

d) *Demand; Protest*. The Debtor waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees at any time held by the DIP Lender on which the Debtor may in any way be liable.

e) *No Other Financing.* Except as provided in the Credit Agreement, the Debtor shall not seek, solicit, entertain, negotiate, or support any alternative financing (including not entering into any future sale or financing transactions with L.A. Care, or any other person, regarding HQAF receivables or otherwise, and not using or pledging cash collateral other than as set forth in the Budget) or priming proposal without the DIP Lender's prior written consent unless such financing would indefeasibly repay all DIP Obligations in full in cash at or prior to consummation.

19. **Releases**. The release, discharge, waivers, settlements, compromises, and agreements set forth in this Paragraph 19 (the "Releases") and the Stipulations set forth in

Paragraph D of this Final Order shall be deemed effective upon entry of this Final Order, subject only to the rights set forth in Paragraph 21 below. The Debtor forever and irrevocably releases, discharges, and acquits (i) the DIP Lender, solely in its capacity as DIP Lender, under the DIP Documents; (ii) the DIP Lender's affiliates and predecessors in interest; and (iii) the DIP Lender's former, current or future officers, employees, directors, agents, representatives, owners, members, partners, advisors, legal advisors, shareholders, managers, consultants, accountants, and attorneys, solely in their capacity as such (collectively, the "DIP Lender Releasees"), of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every type at any time arising prior to the Petition Date, including without limitation, all Avoidance Actions, provided that no such parties will be released, discharged, and acquitted for any claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such parties' actual fraud, gross negligence, bad faith, self-dealing or willful misconduct. For the avoidance of doubt, nothing contained herein shall relieve the DIP Lender from fulfilling any of its commitments under this Final Order or the DIP Documents. Subject to the Challenge Rights set forth in Paragraph 21 of this Final Order and without prejudice to the rights of interested parties under Paragraph 21 of this Final Order, the Debtor forever and irrevocably releases, discharges, and acquits the Prepetition Senior Lender, solely in its capacity as such, under the Prepetition Senior Loan Documents, and their affiliates and predecessors in interest, and their respective former, current or future officers, employees, directors, agents, representatives, owners, members, partners, advisors, legal advisors, shareholders, managers, consultants, accountants, and attorneys, solely in their capacity as such (collectively, the "Prepetition Secured Party Releasees"), of and from any and all claims, demands,

liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every type at any time arising prior to the Petition Date, including without limitation, all Avoidance Actions, provided that no such parties will be released, discharged, and acquitted for any claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such parties' actual fraud, gross negligence, bad faith, self-dealing or willful misconduct. For the avoidance of doubt, the foregoing release applies only to conduct, acts and omissions that occurred on or prior to the entry of this Final Order, and the release does not apply to future conduct, acts or omissions or ongoing obligations of the Prepetition Senior Lender to the Debtor under the Prepetition Senior Loan Documents.

20. **Indemnification**. The DIP Lender has acted in good faith, and without negligence or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining the requisite approvals of the DIP Loans, including in respect of the granting of the DIP Liens, any challenges or objections to the DIP Credit Facility, and all documents related to any and all transactions contemplated by the foregoing. Accordingly, the DIP Lender shall be and hereby is indemnified and held harmless by the Debtor in respect of any claim or liability incurred in respect thereof or in any way related thereto, provided that no such party will be indemnified for any cost, expense, or liability to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such party's actual fraud, gross negligence, bad faith, or willful misconduct; *provided, further*, that, notwithstanding anything to the contrary herein or in the Credit Agreement or any other related document, no Debtor shall have any obligation to indemnify, contribute to, or reimburse the DIP Lender or any of its affiliates, agents, or

representatives for any losses, claims, damages, liabilities, or expenses to the extent arising from or relating to a successful Challenge (as defined in Paragraph 21 of this Final Order).

21. **Reservation of Certain Third-Party Rights and Bar of Challenges and Claims**. The Releases set forth in Paragraph 19 above and the Stipulations set forth in Paragraph D of this Final Order shall be binding upon the Debtor and any of its respective successors and assigns in all circumstances and for all purposes, and the Debtor is deemed to have irrevocably waived and relinquished all Challenges as of the Petition Date. In addition (i) the Committee's right to challenge the Stipulations and Releases set forth herein and (ii) the Committee's or Axios's right to file a Standing Motion (as defined in the L.A. Care Sale Order) seeking authority to challenge certain prepetition transactions between the Debtor and L.A. Care as and to the extent permitted by the L.A. Care Sale Order (collectively, the "Challenge Rights" and any assertion of such Challenge Rights, a "Challenge") shall be tolled through first to occur of the (i) closing of a Private Sale and (ii) the effective date of any chapter 11 plan filed and approved in this Chapter 11 Case (the "Challenge Expiry Date") and, upon the Challenge Expiry Date, shall be deemed waived and released in accordance with the terms and conditions of such plan or Private Sale consistent with the Plan Term Sheet; provided, however, that such tolling period shall expire in the event the Plan is not confirmed if the DIP Lender (i) fails to fund its obligations under the DIP Facility (it being understood that the Lender's declining to fund any advance as to which any condition precedent has not been satisfied, or following the occurrence of an Event of Default by the Debtor, shall not constitute a failure to fund), or (ii) fails to perform a material operational duty or material financial obligation under any IMA, in each case consistent with the terms thereof, and such failure continues for three (3) business days after counsel for the Prepetition Senior Lender receives written notice thereof from the Debtor or the Committee, with a copy to L.A. Care, and results in

a negative financial impact to the Hospital by an amount greater than $500,000, then the Committee (or Axios and Committee with respect to L.A. Care) shall have fourteen (14) days after counsel for the Prepetition Senior Lender receives written notice from the Debtors or the Committee (which notice shall be delivered contemporaneously to counsel for L.A. Care by the Debtors or the Committee) of the Prepetition Senior Lender's continuing breach to commence and pursue any Challenge Rights; provided however, the Prepetition Senior Lender agrees to escrow any recoveries on account of its collateral in excess of the New Money Term Loans and the Commitment Fee pending resolution of such Challenge or further court order, and in the event of a successful Challenge (i) first, Axios's $15 million allowed claim against the Liquidating Trust shall be reduced, in an amount determined by the Bankruptcy Court not to exceed the amount actually due and unfunded under the Budget or the IMA, to offset such harm to the holders of allowed general unsecured claims, and (ii) if the damages exceed Axios's $15 million allowed claim against the Litigation Trust, then the balance of the damages shall reduce any remaining Axios's claim against the Debtor's estate. If such 14-day period expires as to either the DIP Lender or L.A. Care without a Challenge, the Committee's or Axios's right to challenge as to such party will be terminated. No extension of the Challenge Period shall be effective without the prior written consent of, as applicable, the DIP Lender, the Prepetition Senior Lender or L.A. Care.

a. As to the Prepetition Senior Lender, the Committee shall have derivative standing to bring a challenge against the Prepetition Senior Lender or the Prepetition Senior Liens provided it satisfies the requirements set forth in, and consistent with, this paragraph. A timely Challenge as to the Prepetition Senior Lender must be commenced by a properly filed adversary complaint or contested matter that identifies with particularity each challenged lien, obligation, payment, or

transaction and the specific legal and factual basis for relief. A request for Rule 2004 examination, discovery request, motion to extend, objection, reservation of rights, or other preliminary proceeding shall not constitute a Challenge. Pending a final, non-appealable order sustaining a timely and properly commenced Challenge solely as to a specifically identified portion of the Roll-Up, the Roll-Up shall remain a valid and enforceable DIP Obligation entitled to all DIP Protections. No Challenge, investigation, discovery request, grant of standing, reservation of rights, or other proceeding shall affect the New Money Term Loans or their associated DIP Protections.

b. As to L.A. Care, the Committee and Axios must comply with the L.A. Care Sale Order in pursuing any Standing Motion or Challenge.

c. As to the Landlord, the Debtor, DIP Lender, and the Landlord have reached a non-binding agreement in principle (the "Lease Principle Agreement"), setting forth the parties' agreement in principle regarding lease terms in the event DIP Lender (or its designee) acquires Pacifica Hospital of the Valley (the "Hospital"). If Landlord has repudiated or otherwise abandoned the agreement in principle reflected in the Lease Principle Agreement (or an agreement is not reached by October 28, 2026 or such later date as may be agreed to by the DIP Lender and the Landlord), then the Committee and DIP Lender each shall be immediately deemed to have been granted standing to commence litigation against the Landlord to assert any and all claims and causes of action of the Debtor's estate against the Landlord, including, without limitation, seeking recharacterization of the Debtor's Master Lease with the Landlord and the restriction on use of DIP Credit Facility proceeds to prosecute

such litigation shall be deemed terminated. The Committee will discuss with DIP Lender and the Debtor pursuing such litigation against Landlord and DIP Lender may commence any such litigation and the Committee shall have 30 days after the commencement of such action to join or otherwise intervene, unless otherwise agreed by DIP Lender and the Committee. Upon the Plan Effective Date, if such dispute is not resolved, the litigation shall be handled by Newco (as defined in the Plan Term Sheet) or its designated counsel for the benefit of Newco. So long as the IMA is still in effect and DIP Lender has not closed on its purchase of the Hospital, any settlement, compromise, or release of any such claims or causes of action against the Landlord (whether commenced by the Committee, the Debtor, or DIP Lender) shall require the prior written consent of DIP Lender. For the avoidance of doubt, neither the absence of an agreement with the Landlord nor the pendency of any such litigation shall be a condition to, or shall excuse or delay the consummation of, the sale of the Debtor's assets to Lender pursuant to the Plan (as defined in the Plan Term Sheet) or a Private Sale; in such event the Master Lease shall be assumed and assigned to Newco pursuant to section 365 solely to the extent it constitutes a true lease and expressly without prejudice to, or waiver, release, or ratification of, any claim or cause of action of the estate against the Landlord (including recharacterization), all of which shall be preserved pursuant to section 1123(b)(3)(B) (or sold to DIP Lender under section 363) and vested in Newco.

22. **Restriction on Use of Funds**. Subject to the final sentence of this paragraph 22, but notwithstanding any other provision in this Final Order or the DIP Documents to the contrary, without the express written consent of the DIP Lender, no proceeds of the DIP Credit Facility, any

DIP Collateral or Prepetition Collateral (including, without limitation, Cash Collateral) or any portion of the Carve-Out may be used to pay any claims for services rendered by any professionals retained by the Debtor, any creditor or party in interest, the Committee, any trustee appointed under the Chapter 11 Case or any Successor Case(s), or any other party to (a) request authorization to obtain postpetition loans or other financial accommodations pursuant to § 364 of the Bankruptcy Code or otherwise, other than from the DIP Lender, unless the proceeds of such loans or accommodations are or will be sufficient, and will be first used, to indefeasibly pay in full in cash all DIP Obligations; (b) investigate (except as set forth in this paragraph below), assert, join, commence, support or prosecute any Challenge or other action or claim, counter-claim, proceeding, application, motion, objection, defense, or other adversary proceeding or contested matter seeking any order, judgment, determination or similar relief against, or adverse to the interests of the DIP Lender or any other DIP Lender Releasee or the Prepetition Senior Lender with respect to any transaction, occurrence, omission, or action including, without limitation, (i) any Avoidance Actions, (ii) any action relating to any act, omission or aspect of the relationship between or among any of the DIP Lender Releasees or the Prepetition Senior Lender Releases, on the one hand, and any of the Debtor, on the other, (iii) any action with respect to the validity and extent of the DIP Obligations, the Prepetition Senior Secured Obligations, or the validity, extent, and priority of the DIP Liens, the Prepetition Senior Liens or the Adequate Protection Liens, (iv) any action seeking to invalidate, set aside, avoid or subordinate, in whole or in part, the DIP Obligations, the DIP Liens, the Prepetition Senior Secured Obligations, the Prepetition Senior Liens, or the Adequate Protection Liens, or (v) any action that has the effect of preventing, hindering or delaying (whether directly or indirectly) DIP Lender in respect of the enforcement of the DIP Liens; (c) subject to authority provided to the Debtor pursuant to the DIP Documents, pay

any claim (as defined in the Bankruptcy Code) of a prepetition creditor (as defined in the Bankruptcy Code) if the Debtor has received a written objection to such payment from the DIP Lender; and/or (d) use or seek to use Cash Collateral or sell or otherwise dispose of DIP Collateral, unless otherwise permitted hereby or by the DIP Documents, without the express written consent of the DIP Lender. Notwithstanding the foregoing, up to $50,000 (the "Challenge Budget") in the aggregate of the DIP Credit Facility, DIP Collateral, Cash Collateral and Carve-Out may be used by the Committee to investigate Challenges against the Prepetition Secured Party Releasees and the legality, validity, priority, perfection, enforceability and extent of the Prepetition Senior Liens. The Challenge Budget is a hard aggregate cap and may be used solely for an initial investigation by Committee Professionals. It may not be used to seek or litigate an extension of the Challenge Period, prosecute an appeal, conduct discovery beyond that reasonably necessary for the investigation, challenge New Money Term Loans or related DIP Protections, or pursue claims against any person other than the Prepetition Senior Secured Party Releasees. No unused portion of the Challenge Budget may be reallocated for any other purpose without the DIP Lender's prior written consent.

23. **Limitation on Surcharge**. Without limiting the terms of the Carve-Out, no costs or expenses of administration which have been or may be incurred in the Chapter 11 Case or any Successor Case(s) at any time shall be surcharged against, and no person may seek to surcharge any costs or expenses of administration against the DIP Lender, the Prepetition Secured Parties, the Carve-Out (other than the Professional Persons that are the beneficiaries of the Carve-Out as provided for in the Budget), the DIP Collateral or the Prepetition Collateral, pursuant to §§ 105 or 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the DIP Lender and the Prepetition Secured Parties (and the Professional Persons that are the beneficiaries of the

Carve-Out as provided for in the Budget in the case of an asserted surcharge against the Carve-Out); *provided* that nothing herein shall alter the Challenge Budget. No action, inaction or acquiescence by the DIP Lender or the Prepetition Secured Parties shall be deemed to be or shall be considered evidence of any alleged consent to a surcharge against either DIP Lender, the DIP Collateral, the Prepetition Secured Parties or the Prepetition Collateral.

24. **No Marshaling**. The Prepetition Secured Parties and the DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral. Without limiting the generality of the immediately preceding sentence no party (other than the Prepetition Secured Parties and the DIP Lender) shall be entitled, directly or indirectly, to direct the exercise of remedies or seek (whether by order of this Court or otherwise) to marshal or otherwise control the disposition of the DIP Collateral or the Prepetition Collateral (as applicable) after an Event of Default under the DIP Documents.

25. **Allocation of Proceeds of Excluded Assets**. Notwithstanding anything to the contrary herein, the Excluded Assets (as defined in the Credit Agreement and Plan Term Sheet and incorporated herein by reference) shall be free and clear of and excluded from the liens, security interests, claims, encumbrances, or other interests of Axios or the Landlord arising under or in connection with any prepetition or postpetition financing or indebtedness (including any adequate protection liens and claims) for the benefit of holders of allowed general unsecured claims.

26. For the avoidance of doubt, the Excluded Assets shall not be included in any sale of the Debtor's assets pursuant to the Plan or otherwise. Upon the occurrence of the Plan Effective Date, the Excluded Assets shall be contributed to the Liquidating Trust in accordance with the

Plan Term Sheet. Axios shall not recover or receive by any means from the Debtor's estate or Liquidating Trust (as applicable) more than $15 million in the aggregate from the Excluded Assets as provided in the Plan Term Sheet waterfall set forth below. The Excluded Assets shall be deemed gifted to the Debtor's estate for the benefit of holders of allowed general unsecured claims. Notwithstanding anything to the contrary in this Final Order, the DIP Documents, or the Prepetition Loan Documents, the DIP Lender and the Prepetition Senior Lender agree that any credit bid of the DIP Lender or its affiliates shall not include the Excluded Assets (as defined in the Credit Agreement and Plan Term Sheet), including Avoidance Actions, and the proceeds thereof, after payment of all reasonable and documented costs and expenses incurred in prosecuting, settling, or otherwise realizing upon such Excluded Assets, shall be distributed as follows: (a) the first $1 million shall be retained by the Debtor's estate (or Liquidating Trust, as applicable) for distribution to holders of allowed General Unsecured Claims and/or payment of expenses for payment; (b) then, a 50%/50% sharing between the Prepetition Senior Lender and the holders of allowed General Unsecured Claims, until the Prepetition Senior Lender has received $4 million from net proceeds; and (c) then, 75% of subsequent net proceeds shall be distributed to holders of allowed General Unsecured Claims and 25% shall be distributed to the Prepetition Senior Lender, until the Prepetition Senior Lender is paid up to a total of $15 million (i.e., $4 million ((b) above) + $11 million), at which time all subsequent net proceeds shall be distributed to holders of allowed General Unsecured Claims. For the avoidance of doubt, the Excluded Assets and the allocation of the proceeds thereof set forth in this Final Order, Credit Agreement, and Plan Term Sheet shall not be subject to challenge, contest, or revision by any party, including any successors or assigns of the Debtor, including a chapter 7 or chapter 11 trustee.

27. **Survival of Final Order**. The provisions of this Final Order and any actions taken pursuant hereto shall survive entry of any order which may be entered (a) confirming any Plan in the Chapter 11 Case, (b) converting the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code or a Successor Case, (c) to the extent authorized by applicable law, dismissing the Chapter 11 Case, (d) withdrawing the reference of the Chapter 11 Case from this Court, or (e) providing for abstention from handling or retaining of jurisdiction of the Chapter 11 Case in this Court and this Final Order. The terms and provisions of this Final Order shall be binding upon the Debtor, including any chapter 7 or chapter 11 trustee or other estate representative, the DIP Lender, the Prepetition Secured Parties and each of their respective successors and assigns, and shall inure to the benefit of the Debtor and the DIP Lender, the Prepetition Secured Parties and each of their respective successors and assigns including, without limitation, any trustee, examiner with expanded powers, responsible officer, estate administrator or representative, or similar person appointed or elected in a case for the Debtor under any chapter of the Bankruptcy Code, including any Successor Case.

28. **Survival of L.A. Care Sale Order**. For the avoidance of doubt, nothing in this Final Order shall alter, modify, impair, or limit any rights, obligations, releases, stipulations, or other provisions by or in favor of the Debtor, L.A. Care, or any other party under the *Order Granting Debtor's Emergency Motion to (I) Sell HQAF Receivables to L.A. Care Pursuant to Section 363, (II) Stipulate to the Validity and Non-Avoidability of Prepetition Sales of HQAF Receivables to L.A. Care (III) Grant L.A. Care a Release of Any Estate Claims (IV) Grant Administrative Claims in Favor of L.A. Care, (V) to the Extent Necessary, Modify the Automatic Stay and (VI) Grant Related Relief* [Docket No. 115] (the "L.A. Care Sale Order"); *provided*, *however*, that, to the extent that the Prepetition Purchase Agreements (as defined in the L.A. Care

Sale Order) are, following a successful challenge in accordance with the terms of the L.A. Care Sale Order, finally determined to be secured loans and not true sales, L.A. Care shall receive adequate protection for any diminution in value of its security interest as a Prepetition Secured Party under this Final Order in exchange for L.A. Care being subordinated to (i) the Carve-out (ii) the priming of such security interest by the DIP Liens and (iii) the Adequate Protection Superpriority Claims, in each case to the extent and on the terms provided in this Final Order.

29. **Lender Information, Reporting, And Collateral-Preservation Covenants**. On each Monday, the Debtor shall deliver to the DIP Lender, the Committee, the Landlord and L.A. Care: (i) weekly thirteen-week Budget-to-actual reports, including explanations for all variances; (ii) weekly accounts receivable aging, reimbursement, payor, denial, recoupment, setoff, and HQAF reports; (iii) weekly reports regarding payroll, vendor obligations, patient census, licensure, provider agreements, and material regulatory matters; and (iv) immediate notice of any Event of Default, material litigation, material regulatory notice or proceeding, casualty, loss of material provider status, or threatened impairment of material reimbursement rights. The Debtor shall preserve all material licensure, provider agreements, reimbursement rights, and governmental-program participation, and shall not settle, compromise, sell, assign, factor, advance against, or otherwise dispose of any material receivable or reimbursement right without the DIP Lender's prior written consent.

30. **Notice of Entry and Service**. Within two (2) business days following entry of this Final Order, the Debtor shall serve notice of the entry of this Final Order, together with copies of this Final Order and the Motion, on: (i) the parties having been given notice of the Final Hearing; and (ii) any party which has filed prior to such date a request for notices with this Court.

31. **Inconsistency**. In the event of any inconsistency between the terms and conditions of the DIP Documents and of this Final Order, the provisions of this Final Order shall govern and control. In the event of any inconsistency between this Final Order and (i) the *First Interim Order (I) Authorizing the Debtor to (A) Use Cash Collateral and (B) Grant Liens and Superpriority Administrative Expense Claims; (II) Granting Adequate Protection to Prepetition Secured Parties (III) Scheduling a Final Hearing; and (IV) Granting Related Relief* [Dkt. No. 57], (ii) the *Second Interim Order (I) Authorizing the Debtor to (A) Use Cash Collateral and (B) Grant Liens and Superpriority Administrative Expense Claims; (II) Granting Adequate Protection to Prepetition Secured Parties (III) Scheduling a Final Hearing; and (IV) Granting Related Relief* [Dkt. No. 148], or (iii) the Interim Order, this Final Order shall control.

32. **Enforceability**. This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be fully enforceable effective as of the Petition Date immediately upon entry of this Final Order. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, 9024, or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

33. **Retention of Jurisdiction**. This Court shall retain jurisdiction to hear and determine all matters arising from or related to the implementation, interpretation, or enforcement of this Final Order, the DIP Documents, and all rights and remedies of the DIP Lender hereunder.

SENIOR SECURED SUPERPRIORITY

DEBTOR-IN-POSSESSION CREDIT AND SECURITY AGREEMENT

This SENIOR SECURED SUPERPRIORITY DEBTOR-IN-POSSESSION CREDIT AND SECURITY AGREEMENT is entered into as of [_____], 2026 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, this "**Agreement**"), between PACIFICA OF THE VALLEY CORPORATION, a Delaware corporation (the "**Borrower**" or "**Debtor**"), as borrower, and AXIOS CAPITAL SOLUTIONS, LLC, a Delaware limited liability company, as lender (together with any successors or assigns, the "**Lender**").

RECITALS

WHEREAS, on July 4, 2026 (the "**Petition Date**"), the Debtor commenced a case under chapter 11 of title 11 to the United States Code (the "**Bankruptcy Code**") in the United States Bankruptcy Court for the District of Delaware (the "**Bankruptcy Court**"), Case No. 26-11060 (TMH) (the "**Chapter 11 Case**") and has retained possession of its properties and is authorized under the Bankruptcy Code to continue the operation of its businesses as a debtor in possession;

Upon Debtor's receipt of QAF funds (excluding QAF Delta which is an Excluded Asset), Debtor shall apply such funds to prepay the Loans, except to the extent such QAF funds are QAF Program 8 or 9 funds identified in the Budget, in which event the Debtor may use such identified QAF Program 8 or 9 funds in accordance with the Budget.

(ii) Dispositions and Involuntary Dispositions. Upon the receipt by the Borrower of the Net Cash Proceeds of any Disposition or Involuntary Disposition consummated on or after the Petition Date, other than with respect to Excluded Assets, the Borrower shall, on or prior to the date which is three (3) Business Days after the date of the realization or receipt by the Borrower of such Net Cash Proceeds, prepay the Loans as hereafter provided in an aggregate amount equal to 100% of the Net Cash Proceeds of such Disposition or Involuntary Disposition; provided, however, that notwithstanding the foregoing, the Borrower may, at its option, elect to retain and apply all or any portion of the Net Cash Proceeds consisting of insurance proceeds received in connection with any casualty, loss or damage to property of the Borrower to repair, restore or replace the property subject to such casualty, loss or damage (including payment of costs and expenses reasonably related thereto), and any such Net Cash Proceeds so retained shall not be required to be applied to prepay the Loans; provided further, however, that any portion of such Net Cash Proceeds not so applied shall be applied to prepay the Loans in accordance with this Section 2.03.

(iii) Debt and Equity Issuances. Upon the receipt by the Borrower after the Petition Date of the Net Cash Proceeds (x) of any Debt Issuance not permitted under Section 7.03 or (y) from the sale or issuance by the Borrower of any of its Equity Interests, in each case the Borrower shall, on or prior to the date which is three (3) Business Days after the date of the realization or receipt by the Borrower of such Net Cash Proceeds, prepay the Loans as hereafter provided in an aggregate amount equal to 100% of such Net Cash Proceeds.

(iv) Notice of Prepayment. The Borrower shall notify the Lender in writing of any mandatory prepayment of Loans required to be made by the Borrower pursuant to clauses (ii) and (iii) of this Section 2.03(b) not later than 12:00 p.m. at least one Business Day prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the aggregate amount of such prepayment to be made by the Borrower.

(v) Application of Mandatory Prepayments or Payment Upon Maturity. All amounts to be paid pursuant to Section 2.03(a) or (b) or upon the Maturity Date shall be applied as follows:

(A) First, to payment of that portion of the DIP Obligations constituting fees, indemnities, expenses, and other amounts (including fees, charges and disbursements of counsel to the Lender and amounts payable under Article III) payable in accordance with the DIP Loan Documents to the Lender;

(B) Second, to payment of that portion of the DIP Obligations constituting accrued and unpaid interest on the Loans (other than PIK interest which has been added to the principal balance of the Loans); and

(C) Third, to payment of that portion of the DIP Obligations constituting unpaid principal payments.

Notwithstanding anything to the contrary in any DIP Loan Document, all prepayments under this Section 2.03(b) shall be accompanied by interest on the principal amount prepaid through the date of prepayment.

2.04 Repayment of Loans.

The Borrower shall repay to the Lender on the Maturity Date in cash the aggregate principal amount of all Loans outstanding on such date, together with all accrued and unpaid interest thereon, and any outstanding fees, in each case, payable in accordance with the DIP Loan Documents; and such amounts repaid shall be applied in the order set forth in section 2.03(b)(v).

2.05 Interest.

(a) Loans. Subject to the provisions of Section 2.05(b), the Loans shall bear interest on the outstanding principal amount thereof from the date such Loans are borrowed until repaid, accruing on a simple basis at a rate per annum equal to **12%** (the "**Base Interest Rate**").

(b) Default Interest.

(i) Upon the occurrence and during the continuance of an Event of Default, the Borrower shall pay interest on the outstanding DIP Obligations hereunder at an interest rate per annum at all times equal to the Default Rate, to the fullest extent permitted by applicable Laws.

(ii) After the Maturity Date, accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest Payment.

(i) Interest shall accrue and be paid to the Lender on each Interest Payment Date. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

(ii) Notwithstanding anything to the contrary, all interest accrued on the outstanding principal amount of the Loans during each Interest Period shall be payable in

kind ("**PIK Interest**") and, subject to the proviso in this clause below, not in cash. The amount of PIK Interest accruing on the Loans during each Interest Period shall be added to, and shall thereafter constitute part of, the outstanding principal amount of the Loans for all purposes under this Agreement, effective as of such Interest Payment Date (such increase, a "**PIK Capitalization**"); provided, however, that interest at the Default Rate shall likewise be payable in kind in accordance with this Section 2.05(c)(ii).

(iii) The Lender shall record each PIK Capitalization in the Register maintained pursuant to Section 10.06(c), and the outstanding principal amount of the Loans set forth in the Register shall be increased by the aggregate PIK Interest capitalized on the applicable Interest Payment Date. Any failure of the Lender to make such notation shall not affect the obligation of the Borrower to pay such amount in accordance with this Section 2.05. For the avoidance of doubt, following each PIK Capitalization, interest for subsequent Interest Periods shall accrue on the outstanding principal amount of the Loans as so increased, and PIK Interest shall accordingly compound on each Interest Payment Date.

(d) Computation of Interest and Fees. All computations of interest for the Loans shall be made on the basis of a 360-day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall bear interest for one day. Each determination by the Lender of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

2.06 Evidence of Debt.

The Loans made by Lender shall be evidenced by one or more accounts or records (including the Register maintained pursuant to Section 10.06(c)) maintained by Lender in the ordinary course of business. Such accounts or records maintained by the Lender shall be conclusive as to the amount of the Loans made by the Lender to the Borrower and the interest and payments thereon, absent manifest error. Any failure to so record or any error in the accounts or records shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount actually owing with respect to the DIP Obligations. For the avoidance of doubt, this Agreement is being executed as a "noteless" credit agreement. However, at the request of the Lender at any time, the Borrower agrees that it will prepare, execute and deliver to the Lender a promissory note, in form and substance satisfactory to the Lender and consistent with the terms of this Agreement, payable to the order of Lender and its registered assigns (a "**Note**"). Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after assignment permitted hereunder) be represented by one or more Notes in such form payable to the order of the payee named therein and its registered assigns.

2.07 Lender's Expenses.

All Lender's Expenses, in an amount not to exceed 20% of such amounts provided in the Budget, shall be paid in cash pursuant to Section 4.02(j) or within five Business Days after presentation of a payment request. Any amounts in excess of 20% of the Budget shall be added to the principal balance of the Loans.

2.08 Payments Generally.

All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment, or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Lender in Dollars and in immediately available funds not later than 2:00 p.m. on the date specified herein. All payments received by the Lender after 2:00 p.m. shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

2.09 Commitment Fee.

The Lender shall be entitled to receive a commitment fee (the "**Commitment Fee**") equal to ten percent (10%) of the aggregate amount of the New Money DIP Loans, payable on the Maturity Date. The Commitment Fee shall be paid by adding and capitalizing it to the outstanding principal balance amount of the Loans as of the Interim Order. The Commitment Fee was fully earned as of, and is non-refundable pursuant to, entry of the Interim Order.

2.10 Asset Purchase Transaction.

The Lender may, in its sole discretion, elect to consummate an Asset Purchase Transaction either pursuant to the Plan or a Private Sale Motion, in each case pursuant to the terms set forth in **Exhibit C** which are hereby incorporated herein.

ARTICLE III
TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) General. Any and all payments made by or on behalf of the Borrower under this Agreement or any other DIP Loan Document shall be made in full, free and clear of, and without deduction or withholding for, any Taxes, except as required by applicable Laws. If the Borrower or any applicable withholding agent is required by applicable Laws to deduct or withhold any Tax from or with respect of any such payment, then (i) the Borrower or such withholding agent shall make such deduction or withholding and pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Laws and (ii) if such Tax is an Indemnified Tax, the sum payable by the Borrower shall be increased as necessary so that, after all required deductions and withholdings have been made (including deductions and withholdings applicable to additional sums payable under this Section), the Lender receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) Other Taxes. In addition, without limiting the foregoing, the Borrower shall timely pay all Other Taxes to the relevant Governmental Authority in accordance with applicable Laws, or at the option of the Lender timely reimburse the Lender for the payment of any present or future Other Taxes, other than Excluded Taxes.

(c) Tax Indemnity. The Borrower hereby agrees to indemnify the Lender, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) paid or payable by the Lender and any penalties, interest, and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by Lender shall be conclusive absent manifest error.

(d) Payment of Taxes. Within thirty (30) days after the date required for payment of any Taxes or Other Taxes required to be deducted or withheld by the Borrower in respect of any payment or delivery to the Lender, the Borrower will furnish to the Lender a form of evidence of payment thereof acceptable to the Lender.

3.02 Increased Costs.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify, or deem applicable any reserve, special deposit, compulsory loan, insurance charge, or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, the Lender;

(ii) subject the Lender to any Taxes and Other Taxes payable by the Lender (other than Excluded Taxes) with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to the Lender in respect thereof; or

(iii) impose on the Lender any other condition, cost, or expense affecting this Agreement or loan made by the Lender;

and the result of any of the foregoing shall be to increase the cost to the Lender of making or maintaining the Loan, or to reduce the amount of any sum received or receivable by the Lender hereunder (whether of principal, interest, or any other amount) then, upon request of the Lender, the Borrower will pay to the Lender such additional amount or amounts as will compensate the Lender for such additional costs incurred or reduction suffered.

(b) Certificates for Reimbursement. A certificate of a Responsible Officer of the Lender setting forth the amount or amounts necessary to compensate the Lender as specified in paragraph (a) of this Section 3.02 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay the Lender the amount shown as due on any such certificate within five (5) Business Days after receipt thereof.

(c) Delay in Requests. Failure or delay on the part of the Lender to demand compensation pursuant to this Section 3.02 shall not constitute a waiver of the Lender's right to demand such compensation.

3.03 Survival.

All of the Borrower's obligations under this Article III shall survive repayment of all other

DIP Obligations hereunder, subject to the limitations contained in this Article III.

ARTICLE IV
CONDITIONS PRECEDENT

(e) DIP Order. Other than with respect to the Interim New Money DIP Loan, the Final Order, in a form satisfactory to Lender in its sole and absolute discretion, shall be in full force and effect, and shall not have been (x) stayed, vacated, reversed, or rescinded, and any appeal of such order shall not have been timely filed and a stay of such order pending appeal shall not be presently effective, or (y) without the prior written consent of the Lender, given in its sole and absolute discretion, revised, amended or modified.

(f) Material Adverse Effect. There shall have occurred no material adverse change in the Debtor's condition (financial, environmental or otherwise) operations, performance, or properties (other than, in each case, the continuation of the Chapter 11 Case) since the entry of the Interim Order that, in the reasonable judgment of the Lender, has had or could reasonably be expected to have a material adverse effect on the rights and remedies of the Lender or the ability of the Debtor to perform its obligations to them under the DIP Facility.

(g) Milestones. All Milestones set forth in Section 6.17 required to have been met as of the date of each applicable Borrowing shall have been met.

5.04 Binding Effect.

Upon entry of the Final Order, each DIP Loan Document will have been duly executed and delivered by the Borrower. Each DIP Loan Document constitutes a legal, valid and binding obligation of the Borrower, enforceable against the Borrower in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar Laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

5.08 Environmental Compliance.

(a) To the knowledge of the Borrower, after reasonable inquiry, the Borrower has not received any notice, report, or other information regarding any actual violation, alleged violation, non-compliance, liability or potential liability concerning or arising out of Environmental Laws or Hazardous Materials with regard to the Borrower or its Business or any of its past or present properties or facilities.

All such insurance coverage is in full force and effect and all premiums due in respect of all insurance maintained by the Borrower have been paid, to the extent due. As of the date hereof, to the knowledge of the Borrower, after reasonable inquiry, Borrower has not received notice of violation or cancellation of any such insurance coverage and there is no existing default or event which, with the giving of

notice or lapse of time or both, would constitute a default by any insured thereunder.

To the knowledge of the Borrower, after reasonable inquiry, no representation or warranty made by them in this Agreement or any other DIP Loan Document contains any untrue statement of a material fact or omits to state any material fact necessary to make the statements herein or therein, taken as a whole, in light of the circumstances when made, not misleading.

5.13 Creation and Perfection of Security Interests in the DIP Collateral.

To the Borrower's knowledge, upon the entry thereof and subject to its terms, the provisions of the DIP Order are effective to create in favor of the Lender a legal, valid and enforceable first-priority, priming Lien in all right, title and interest of the Borrower in each item of DIP Collateral, except, as set forth in the DIP Order, in the case of any Permitted Liens to the extent that any such Permitted Liens would have priority over the security interest in favor of the Lender pursuant to any applicable Law.

The Borrower shall give on a timely basis as specified in the Interim Order or the Final Order, as applicable, all notices required to be given to all parties specified in the Interim Order or the Final Order, as applicable.

(b) Upon the entry of the DIP Order and subject to its terms, the DIP Obligations will constitute allowed Superpriority Claims in the Chapter 11 Case having priority over all administrative expense claims and unsecured claims against the Borrower now existing or hereafter arising, of any kind whatsoever, including all administrative expense claims of the kind specified in sections 326, 330, 331, 503(b), 506(c), 507(a), 507(b), 726, or any other provision of the Bankruptcy Code or otherwise, as provided under section 364(c)(1) of the Bankruptcy Code, subject to the Carve-Out.

(c) Upon the entry of the DIP Order and subject to its terms, the DIP Obligations will be secured by a valid and perfected, first-priority priming Lien on all of the DIP Collateral, subject to the Carve-Out.

(f) Subject to and effective upon the entry of the DIP Order and subject to the terms of the DIP Order, except to the extent of the Carve-Out, no costs or expenses of administration of the Chapter 11 Case or any future proceeding under the Bankruptcy Code that may result therefrom, including a case under Chapter 7 of the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral pursuant to Section 105 or 506(c) of the Bankruptcy Code, the enhancement of collateral provisions of Section 552 of the Bankruptcy Code, or any other legal or equitable doctrine (including, without limitation, unjust enrichment) or any similar

principle of law, without the prior written consent of the Lender. Upon the entry of the DIP Order and subject to its terms, in no event shall the Lender be subject to (i) surcharge under Section 506(b), (ii) the "equities of the case" exception contained in Section 552(b) of the Bankruptcy Code, or (iii) the equitable doctrine of "marshaling" or any other similar doctrine with respect to Lender's collateral, including the DIP Collateral.

2026, the Bankruptcy Court shall have entered an order extending such time through a date not earlier than January 29, 2027.

(b) Private Sale Closing Milestone. If the Lender elects to consummate an Asset Purchase Transaction pursuant to a Private Sale Motion, the Asset Purchase Transaction shall be consummated on or before the thirtieth (30th) day following the date of such election (as such date may be extended by the mutual written agreement of the Borrower and the Lender, the "**Private Sale Motion Milestone Date**") and, if the IMA Transition Date has not already occurred, the Debtor and the Lender shall enter into an IMA after which the Lender shall pursue applicable regulatory approvals, and the Debtor and the Lender (or its designee) shall close thereafter.

(c) Plan Confirmation Milestone. If the Lender elects to consummate an Asset Purchase Transaction pursuant to the Plan, the Debtor shall have confirmed the Plan that is in all respects consistent with the Plan Term Sheet and otherwise in a form and substance reasonably acceptable to the Lender on or before December 8, 2026 (as such date may be extended by the mutual written agreement of the Borrower and the Lender, the "**Plan Confirmation Milestone Date**").

(d) Master Lease Milestone. If the Master Lease Landlord has repudiated or otherwise abandoned the agreement in principle reflected in the Lease Principle Agreement (or an agreement is not reached by October 28, 2026 or such later date as may be agreed to by the Lender and the Landlord), then the Committee and the Lender each shall be immediately deemed to have been granted standing to commence litigation against the Master Lease Landlord to assert any and all claims and causes of action of the Debtor's estate against the Master Lease Landlord, including seeking recharacterization of the Master Lease with the Master Lease Landlord and the restriction on use of DIP Facility proceeds to prosecute such litigation shall be deemed terminated. To the extent necessary, reference to the Master Lease Landlord shall include Taking the 5th LLC and Fifth/Arizona Investors, LLC for all purposes herein, including this grant of standing. The Committee will discuss with the Lender and the Debtor pursuing such litigation against Master Lease Landlord and the Lender may commence any such litigation, and the Committee shall have thirty (30) days after the commencement of such action to join or otherwise intervene, unless otherwise agreed by the Lender and the Committee. Upon the effective date of the Plan, if such dispute is not resolved, the litigation shall be handled by Newco or its designated counsel for the benefit of Newco. So long as the IMA is still in effect and the Lender has not consummated the purchase of the Hospital, any settlement, compromise, or release of any such claims or causes of action against the Master Lease Landlord (whether commenced by the Committee, the Debtor or the Lender) shall require the prior written consent of the Lender. For the avoidance of doubt, neither the absence of an agreement with the Master Lease Landlord nor the pendency of any such litigation shall be a condition to, or shall excuse or delay the consummation of, an Asset Purchase Transaction; in such event the Master Lease shall be assumed and assigned to Newco pursuant to Section 365 of the Bankruptcy Code solely to the extent it constitutes a true lease and expressly without prejudice to, or waiver, release, or ratification of, any claim or cause of action of the estate against the Master Lease Landlord (including recharacterization), all of which shall be preserved pursuant to Section 1123(b)(3)(B) of the Bankruptcy Code (or sold to the Lender or its designee under Section 363) and vested in Newco.

The Borrower and Lender acknowledge that certain of the milestones set forth above are

subject to the Court's availability. The Borrower and the Lender shall cooperate in good faith to effectuate each such milestone. To the extent that any such milestone is not satisfied due to the Bankruptcy Court not being available on the timing contemplated herein, such milestone shall be deemed extended (with corresponding extensions of subsequent milestones) as appropriate to resolve such conflict but in no event for more than three (3) Business Days.

6.18 Budget.

The Borrower shall comply with the Budget and shall cause each Budget to be subject to a permitted negative variance of (a) fifteen percent (15%) in the aggregate and (b) twenty percent (20%) for each line item in the Budget ("**Permitted Variances**"). Each variance shall be measured solely on a cumulative basis by comparing actual operating disbursements from the beginning of the applicable Budget period through the relevant testing date against budgeted operating disbursements for the same cumulative period, and not on a standalone weekly basis.

ARTICLE VIII

8.01 Events of Default.

Any of the following shall constitute an "**Event of Default**":

(c) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of the Borrower herein, in any other DIP Loan Document or in any document delivered in connection herewith or therewith shall be incorrect or misleading in any material respect when made or deemed made (other than those representations, warranties and certifications that are expressly qualified by Material Adverse Effect or other materiality, in which case such representations, warranties and certifications shall be incorrect or misleading in any respect when made or deemed made); or

(d) Cross-Default. The Borrower, except to the extent the payment obligation is stayed or otherwise not required by virtue of the Chapter 11 Case, and except to the extent constituting a good faith dispute, (i) fails to make any payment when due beyond the grace period, if any, provided therefor (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise) in respect of any Indebtedness or Guarantee (other than Indebtedness hereunder) having an aggregate principal amount (including undrawn committed or available amounts and including amounts owing to all creditors under any combined or syndicated credit

arrangement) of more than $50,000, or (ii) fails to observe or perform any other agreement or condition relating to any such Indebtedness or such Guarantee or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness or the beneficiary or beneficiaries of such Guarantee (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; or

(g) Milestones. Any Milestone under Section 6.17 is not met as of the date required to be met, unless extended or waived by the Lender; or

(h) Invalidity of DIP Loan Documents. Any DIP Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder or on account of satisfaction in full of all the DIP Obligations, ceases to be in full force and effect; or the Borrower contests in any manner the validity or enforceability of any DIP Loan Document; or purports to revoke, terminate or rescind any DIP Loan Document; or

(i) An order shall be entered by the Bankruptcy Court appointing, or the Borrower shall file an application for an order seeking the appointment of, (a) a trustee under Section 1104 of the Bankruptcy Code, or (b) an examiner or other responsible person or officer with enlarged powers relating to the operation of the business (powers beyond those set forth in Section 1106(a)(3) and (4) of the Bankruptcy Code) under Section 1106(b) of the Bankruptcy Code;

(ii) An order shall be entered by the Bankruptcy Court converting the Chapter 11 Case to a chapter 7 case;

(iii) An order shall be entered by the Bankruptcy Court confirming a plan of reorganization or liquidation which does not (A) contain a provision for termination of the commitments and indefeasible payment in full in cash of all DIP Obligations of the Borrower hereunder and under the other DIP Loan Documents on or before the effective date of such plan (or, in the case of the Plan, does not provide for treatment of the DIP Obligations consistent with the Plan Term Sheet and Exhibit C), (B) provide for the continuation of the Liens and security interests granted to the Lender hereunder until such plan effective date and (C) provide for the consummation of the Asset Purchase Transaction with Newco unless a prior order of the Bankruptcy Court was entered approving the Private Sale Motion and the IMA Transition Date has already occurred;

(vi) An order shall be entered by the Bankruptcy Court that is not stayed pending appeal granting relief from the automatic stay to any creditor of the Borrower with respect to any claim in an amount equal to or exceeding $100,000; or

(vii) An application for (a) an order impairing the DIP Collateral, the appointment of a trustee, conversion to Chapter 7 or dismissal of the Chapter 11 Case shall be made (i) by a Person other than the Borrower and such application is not contested by Debtor in good faith or (ii) by the Borrower, (b) an order for the use of cash collateral without the prior written consent of the Lender is made, or (c) an order for the use of DIP Collateral (or the obtaining of financing or loans, secured by liens that are senior, pari

passu, or junior to the Lender's Liens on DIP Collateral) without the prior written consent of the Lender is made.

8.02 Remedies Upon Event of Default.

If any Event of Default occurs and is continuing, the Lender may (subject to the terms hereof) take any or all of the following actions:

(a) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, premiums, fees and all other amounts owing or payable hereunder or under any other DIP Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(b) declare the New Money DIP Commitments terminated, whereupon the New Money DIP Commitments shall immediately be terminated, except as provided in Section 8.03;

(c) terminate this Agreement and the other DIP Loan Documents as to any future liability or obligation of the Lender, subject to the obligations in Section 8.03, but without affecting any of the Lender's Liens in the DIP Collateral and without affecting the DIP Obligations; and

(d) after providing five Business Days' notice to counsel to the Borrower, the UST, and counsel the Committee (if any), which notice may be by email, of the occurrence of the Event of Default, during which period (the "**Notice Period**") the Borrower may attempt to cure or remedy the event giving rise to such Event of Default if feasible, exercise all rights and remedies with respect to the DIP Collateral and all rights and remedies available to it under the DIP Loan Documents, or under applicable Law or equity.

Subject to entry of the Final Order, none of the DIP Collateral or the application of the proceeds of the DIP Collateral (in connection with any voluntary or mandatory prepayment, exercise of remedy or otherwise) shall be subject to the equitable doctrine of "marshaling" or any other similar doctrine. Upon termination of the Notice Period, if any then-existing Event of Default shall not have not been cured or remedied, and unless an order is entered by the Bankruptcy Court to the contrary prior to the expiration of the Notice Period, the automatic stay pursuant to Section 362 of the Bankruptcy Code shall be automatically terminated without further notice or order of the Bankruptcy Court, unless the Lender elects otherwise in a written notice to the Debtor, and the Lender shall be permitted to exercise all rights and remedies, including with respect to the DIP Collateral, set forth in the DIP Order and the DIP Loan Documents, and as otherwise available at law without further order or application or motion to the Bankruptcy Court, and without restriction or restraint by any stay under Bankruptcy Code Sections 362 or 105 or otherwise.

8.03 Carve Out Reserve Funding.

Upon the occurrence of an Event of Default, the Borrower may use the proceeds of the New Money DIP Loans or cash collateral to fund, subject to the Budget, the Carve-Out and the Professional Fee Escrow (as defined in the DIP Order).

8.04 Application of Funds.

After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable), any amounts received on account of the DIP Obligations shall be applied by the Lender in the following order:

First, to that portion of the DIP Obligations constituting Lender Expenses, fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Lender and amounts payable under Article III) payable to the Lender;

Second, to that portion of the DIP Obligations constituting accrued and unpaid interest on the Loans (other than PIK Interest which has been added to the principal amount of the Loans);

Third, to that portion of the DIP Obligations constituting unpaid principal of the Loans; and

Last, the balance, if any, after all of the DIP Obligations have been indefeasibly paid in full, to the Borrower, or as otherwise required by Law.

ARTICLE IX
COLLATERAL

9.01 Grant of Security Interest.

As collateral security for all DIP Obligations, the Borrower hereby collaterally assigns and grants to the Lender a continuing first priority (subject to the Carve-Out) security interest and Lien in and to all property, assets and rights of the Borrower, whether now owned or existing or hereafter acquired or arising, regardless of where located, whether now owned or hereafter acquired or arising, and all proceeds and products and supporting obligations (as defined in the Code) in respect thereof, including the following (each term used in this Section 9.01 shall have the meaning for all purposes of this Agreement given to such term in the UCC, unless otherwise defined in this Agreement), collectively being the "**DIP Collateral**"):

(i) all accounts;

(ii) all chattel paper;

(iii) all documents;

(iv) all instruments;

(v) all supporting obligations and letter-of-credit rights;

(vi) all general intangibles (including payment intangibles, intercompany accounts, intellectual property and software);

(vii) all deposit accounts, bank deposits, prepayments (including prepayments made to third party vendors), deferred assets, refunds, credits or overpayments, and similar cash items of the Borrower, including all tax credits and rights arising from any refunds due from federal, state, or local Government entities with respect to taxes paid by the Debtor for periods ending on or before the Petition Date, including any employee retention tax credits to which the Borrower may be entitled;

(viii) all inventory and other goods;

(ix) all motor vehicles, equipment and fixtures;

(x) all investment property, financial assets and all securities accounts;

(xi) all money, cash, cash equivalents, securities, and other property of any kind;

(xii) all promissory notes, and all documents of title;

(xiii) all books, records and other property related to or referring to any of the foregoing, including books, records, account ledgers, data processing records, computer software and other property, and general intangibles at any time evidencing or relating to any of the foregoing;

(xiv) unless and until entry of a Final Order, all commercial tort claims;

(xv) all of the Debtor's interests in and rights to the assets;

(xvi) all of the Debtor's interest in deposit accounts, money, cash, cash equivalents, securities, or other property interests serving as collateral or funding sources for any other obligation, including the Cash Collateral and Bank Accounts (as such terms are defined in the Debtor's motion for authorization to continue use of its existing cash management system) and all other accounts serving as collateral or payment source for any other obligation;

(xvii) all real property and rights therein;

(xviii) all other personal property of the Debtor, including proceeds from any Avoidance Actions (as defined in the DIP Order) and recoveries therefrom (but not the actions themselves) unless and until entry of a Final Order; and

(xix) all accessions to, substitutions for, and replacements, products and proceeds of any of the foregoing, including dividends or distributions on investment property, rents, profits, income and benefits, proceeds of any insurance policies, claims against third parties, and condemnation or requisition payments with respect to all or any of the foregoing;

provided, however, that notwithstanding the foregoing, upon entry of the Final Order, and in consideration of the sharing of proceeds from the Excluded Assets as set forth in the Asset Purchase Transaction Terms attached hereto as Exhibit C, Lender shall release its DIP Liens on

the Excluded Assets solely for the purpose of the Debtor holding such assets in trust for the purposes of monetizing the Excluded Assets and distributing the resulting proceeds to the general unsecured creditors and the Lender in accordance with the Asset Purchase Transaction Terms attached hereto as Exhibit C.

9.02 Perfection of Security Interest.

(a) Notwithstanding the perfection of any security interest or Lien granted hereunder pursuant to the order of the Bankruptcy Court under the applicable DIP Order, to the fullest extent permitted by applicable Laws, the Lender may, but is not required to, file or authorize the filing of one or more financing statements disclosing the Liens under this Agreement on the DIP Collateral.

(b) A certified copy of the DIP Order may, in the discretion of the Lender, be filed with or recorded in filing or recording offices in addition to or in lieu of such financing statements, mortgages, notices of lien or similar instruments, and all filing offices are hereby authorized to accept such certified copy of the DIP Order for filing and recording. Notwithstanding the date of any such filing, the date of such perfection shall be the date of the DIP Order.

9.03 Right to Cure.

Upon the occurrence and during the continuance of an Event of Default, the Lender shall have the right to (but not the obligation to) pay any amount or do any act required of the Borrower hereunder or under any other DIP Loan Document (other than in respect of principal, interest or fees on the Loans) in order to preserve, protect, maintain, or enforce the DIP Obligations, the DIP Collateral, or the Liens securing the DIP Obligations, and which the Borrower fails to pay or do, including payment of any judgment against the Borrower, any insurance premium, any warehouse charge, any finishing or processing charge, any landlord's or bailee's claim, and any other obligation secured by a Lien upon or with respect to the DIP Collateral. All payments that the Lender makes under this Section 9.03 and all documented out-of-pocket costs and expenses that the Lender pays or incurs in connection with the foregoing shall be considered part of the DIP Obligations. Any payment made or other action taken by the Lender under this Section 9.03 shall be without prejudice to any right to assert an Event of Default hereunder and to proceed thereafter as herein provided.

9.04 The Lender's Rights, Duties, and Liabilities.

To the extent permitted by applicable Laws, the Borrower assumes all responsibility and liability arising from or relating to the use, sale, or other disposition of the DIP Collateral. The DIP Obligations shall not be affected by any failure of the Lender to take any steps to perfect the Liens hereunder or to collect or realize upon the DIP Collateral, nor shall loss of or damage to the DIP Collateral, to the extent permitted by applicable Laws, release the Borrower from any of the DIP Obligations. Nothing in this Agreement shall be interpreted as giving the Lender responsibility for or any duty concerning the validity, perfection, priority or enforceability of the Liens granted hereunder or giving the Lender any obligation to take any action to procure or maintain such validity, perfection, priority or enforceability, including any duty to file any financing statements, amendments, continuation statements or other documents to perfect or maintain the perfection of

the security interest granted hereunder.

9.05 Remedies.

(a) The Borrower recognizes that the Lender may be unable to effect a public sale of any or all of the DIP Collateral that constitutes securities to be sold by reason of certain prohibitions contained in the laws of any jurisdiction outside the United States or in applicable federal, provincial, territorial or state securities laws but may be compelled to resort to one or more private sales thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such DIP Collateral to be sold for its own account for investment and not with a view to the distribution or resale thereof. The Borrower acknowledges and agrees that any such private sale may result in prices and other terms less favorable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall, to the extent permitted by applicable Laws, be deemed to have been made in a commercially reasonable manner. Unless required by applicable Laws, the Lender shall not be under any obligation to delay a sale of any of such DIP Collateral to be sold for the period of time necessary to permit the issuer of such securities to register such securities under the laws of any jurisdiction outside the United States or under any applicable federal, provincial, territorial or state securities laws, even if such issuer would agree to do so. The Borrower further agrees to do or cause to be done, to the extent that the Borrower may do so under applicable Laws, all such other acts and things as may be necessary to make such sales or resales of any portion or all of such DIP Collateral to be sold valid and binding and in compliance with any and all applicable Laws at the Borrower's expense. The Borrower further agrees that a breach of any of the covenants contained in this Section 9.05(a) will cause irreparable injury to the Lender for which there is no adequate remedy at law and, as a consequence, agrees that each covenant contained in this Section 9.05(a) shall be specifically enforceable against the Borrower, and the Borrower hereby waives and agrees, to the fullest extent permitted by law, not to assert as a defense against an action for specific performance of such covenants that (i) the Borrower's failure to perform such covenants will not cause irreparable injury to the Lender or (ii) the Lender has an adequate remedy at law in respect of such breach.

(b) Subject to the terms of the DIP Order and the terms hereof, including Section 8.02 above: If an Event of Default has occurred and is continuing, the Lender shall have, in addition to all other rights of the Lender, the rights and remedies of a secured party under the UCC, and without limiting the generality of the foregoing, the Lender shall be empowered and entitled to: (i) take possession of, foreclose on and/or request a receiver of the DIP Collateral and keep it on the Borrower's premises at any time, at no cost to the Lender, or remove any part of it to such other place or places as the Lender may desire, or the Borrower shall, upon the Lender's demand, at the Borrower's cost, assemble the DIP Collateral and make it available to the Lender at a place reasonably convenient to the Lender; (ii) exercise set-off rights on cash collateral or deposits (other than, for the avoidance of doubt, with respect to Excluded Accounts); (iii) sell and deliver any DIP Collateral at public or private sales, for cash, upon credit or otherwise, at such prices and upon such terms as the Lender deems advisable and may postpone or adjourn any sale of the DIP Collateral by an announcement at the time and place of sale or of such postponed or adjourned sale; (iv) hold, lease, develop, manage, operate, control and otherwise use the DIP Collateral upon such terms and conditions as may be reasonable under the circumstances (making

such repairs, alterations, additions and improvements and taking other actions, from time to time, as may be reasonably necessary or desirable), exercise all such rights and powers of the Borrower with respect to the DIP Collateral, whether in the name of the Borrower or otherwise, including the right to make, cancel, enforce or modify leases, obtain and evict tenants, and demand, sue for, collect and receive all rents, in each case, in accordance with the standards applicable to the Lender under the DIP Loan Documents; and (v) take any other actions, as may be reasonably necessary or desirable, in connection with the DIP Collateral (including preparing for the disposition thereof), and all reasonable and documented out-of-pocket fees and expenses incurred in connection therewith shall be borne by the Borrower. Promptly following written demand from the Lender, the Borrower shall direct the grantor or licensor of, or the contracting party to, any property agreement with respect to any property to recognize and accept the Lender as the party to such agreement for any and all purposes as fully as it would recognize and accept the Borrower and the performance of the Borrower thereunder and, in such event, without further notice or demand and at the Borrower's sole cost and expense, the Lender may exercise all rights of the Borrower arising under such agreements. Without in any way requiring notice to be given in the following manner, the Borrower agrees that any notice by the Lender of sale, disposition or other intended action hereunder or in connection herewith, whether required by the UCC or otherwise, shall constitute reasonable notice to the Borrower if such notice is delivered by registered or certified mail, return receipt requested, postage prepaid, or is delivered personally against receipt, at least five (5) Business Days prior to such action to the Borrower's addresses specified in Section 10.02. If any DIP Collateral is sold on terms other than payment in full at the time of sale, no credit shall be given against the DIP Obligations until the Lender receives payment, and if the buyer defaults in payment, the Lender may resell the DIP Collateral. In the event the Lender seeks to take possession of all or any portion of the DIP Collateral by judicial process, the Borrower irrevocably waives (to the extent permitted by applicable Laws): (A) the posting of any bond, surety or security with respect thereto which might otherwise be required; (B) any demand for possession prior to the commencement of any suit or action to recover the DIP Collateral; and (C) any requirement that the Lender retain possession and not dispose of any DIP Collateral until after trial or final judgment. The Borrower agrees that the Lender has no obligation to preserve rights to the DIP Collateral or marshal any DIP Collateral for the benefit of any Person. The Lender is hereby granted a license or other right to use, without charge, the Borrower's labels, patents, copyrights, name, trade secrets, trade names, trademarks and advertising matter, or any similar property, in completing production of, advertising or selling any DIP Collateral, and each the Borrower's rights under all licenses and all franchise agreements shall inure to the Lender's benefit for such purpose. The Lender will return any excess proceeds of the DIP Collateral to the Borrower and the Borrower shall remain liable for any deficiency. The proceeds of sale shall be applied as required pursuant to Section 2.03(b)(v) hereof.

(c) Notwithstanding anything herein to the contrary, the Lender shall not take any action under this Section 9.05 except after compliance with any applicable requirements under the DIP Order applicable thereto.

9.06 Concerning the DIP Collateral.

(a) Except for the custody of the DIP Collateral in its possession and the accounting for monies actually received by it hereunder, the Lender shall have no other duty as to

the DIP Collateral, whether or not the Lender has or is deemed to have knowledge of any matters, or as to the taking of any necessary steps to preserve rights against any parties or any other rights pertaining to the DIP Collateral. The Lender shall not be liable for any interest on any money received by it. The Lender shall be deemed to have exercised reasonable care in the custody and preservation of the DIP Collateral in its possession if such DIP Collateral is accorded treatment substantially equal to that which the Lender would accord similar assets held for the benefit of third parties.

(b) Notwithstanding anything to the contrary contained herein or in any other DIP Loan Document, in no event shall the Lender be obligated to execute or deliver any document evidencing any release or re-conveyance of DIP Collateral without receipt of a certificate executed by a duly authorized officer of the Borrower certifying that such release is permitted by this Agreement and the other DIP Loan Documents, and that all conditions precedent to such release or re-conveyance (if any) have been complied with.

(c) The Lender shall not be responsible for insuring the DIP Collateral or for the payment of Taxes (and shall not be responsible for any tax reporting in connection with this Agreement), charges, assessments or liens upon the DIP Collateral. The Lender shall be under no obligation independently to request or examine insurance coverage with respect to any DIP Collateral. The Lender shall not be responsible for the maintenance of the DIP Collateral, except as expressly provided in this Agreement.

(d) In connection with the exercise of any rights or remedies in respect of, or foreclosure or realization upon, any Equity Interest Collateral pursuant to this Agreement or any other DIP Loan Document, the Lender shall not be obligated to take title to or possession of such Equity Interests, as the case may be, in its own name, or otherwise in a form or manner that may, in its reasonable judgment, expose it to liability. In the event that the Lender deems that it may be considered an "owner or operator" under any Environmental Laws or otherwise cause the Lender to incur, or be exposed to, any Environmental Liability or any liability under any other federal, state or local law, the Lender reserves the right, instead of taking such action, to arrange for the transfer of the title or control of the asset to a court appointed receiver. The Lender will not be liable to any Person for any Environmental Liability or any environmental claims or contribution actions under any federal, state or local law, rule or regulation by reason of the Lender's actions and conduct as authorized, empowered and directed hereunder or relating to any kind of discharge or release or threatened discharge or release of any Hazardous Materials into the environment.

(e) The Lender shall not be liable for the acts or omissions of any bank, depositary bank, custodian or independent counsel of the Lender or the Borrower or any other party selected by the Lender with reasonable care or selected by any other party hereto that may hold or possess DIP Collateral or documents related to DIP Collateral, and such Agent shall not be required to monitor the performance of any such Persons holding DIP Collateral.

ARTICLE X

10.01 Amendments.

Unless otherwise provided in this Agreement (including, for the avoidance of doubt, provisions that permit or require the consent, approval, waiver, extension, satisfaction, determination, judgment, acceptance or similar action of the Lender), no amendment or waiver of any provision of this Agreement or any other DIP Loan Document, and no consent to any departure by the Borrower therefrom, shall be effective unless in writing signed by the Lender and the Borrower, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) Electronic Communications. The Borrower or the Lender may, in its discretion, agree to accept notices and other communications to them hereunder by electronic communications pursuant to procedures approved by them; *provided* that approval of such procedures may be limited to particular notices or communications. Notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) Change of Address, Etc. The Borrower and the Lender may change its address or electronic mail address for notices and other communications hereunder by notice to the other parties.

(d) Reliance by Lender. The Lender shall be entitled to rely and act upon any notices (including telephonic notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Lender and its Related Parties from all reasonable and documented out-of-pocket losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower, except for such losses caused by the Lender's or any of its Related Parties' gross negligence or willful misconduct. All telephonic notices to and other telephonic communications with the Lender may be recorded by the Lender, and each of the parties hereby consents to such recording.

10.03 No Waiver; Cumulative Remedies.

No failure by the Lender to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

10.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. Except as provided in the DIP Order, the Borrower shall pay in cash, whether accrued or incurred prior to, on or after the Petition Date: (i) all Lender's Expenses (and the documented out-of-pocket expenses incurred by the Lender of all persons not regularly in its employ incurred by the Lender) in connection with this Agreement, the transactions contemplated hereby, and the Chapter 11 Case, and (ii) all reasonable and documented out-of-pocket expenses (including, without limitation, fees, disbursements and other charges of counsel) of the Lender for enforcement costs and documentary taxes associated with this Agreement, the transactions contemplated hereby, and the Chapter 11 Case.

(b) Indemnification by the Borrower. The Borrower shall indemnify and defend the Lender and its Related Parties (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable and documented out-of-pocket fees, charges and disbursements of outside counsel for any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee arising out of, in connection with, or as a result of, (i) the execution or delivery of this Agreement or any other DIP Loan Document, the performance by the parties of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, or the administration of this Agreement and the other DIP Loan Documents; (ii) any Loan or the use or proposed use of the proceeds therefrom; (iii) any actual or alleged Release of Hazardous Materials at, on, under or from any property owned, leased or operated by Borrower,

or any Environmental Liability related in any way to Borrower or its facilities and/or properties; or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, and regardless of whether any Indemnitee is a party thereto, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative, contributory or sole negligence of the Indemnitee; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the actual fraud, gross negligence, bad faith or willful misconduct of such Indemnitee.

(c) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Laws, none of the Borrower or any of its Related Parties shall assert, and the Borrower hereby waives, any claim against the Lender or its Related Parties on any theory of liability for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other DIP Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. The Lender and its Related Parties shall not be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other DIP Loan Documents or the transactions contemplated hereby or thereby.

(d) Payments. Except as provided in Section 2.07 hereof, all amounts due under this Section 10.04 shall be payable not later than five (5) Business Days after demand therefor.

(e) Survival. The agreements in this Section 10.04 shall survive the resignation or replacement of the Lender and the repayment, satisfaction or discharge of all the DIP Obligations.

10.05 Payments Set Aside.

To the extent that any payment by or on behalf of the Borrower is made to the Lender, or the Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred.

10.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement and the other DIP Loan Documents shall be binding upon and inure to the benefit of the parties and thereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of their rights or obligations hereunder or thereunder without the prior written consent of the Lender, and the Lender may not assign or otherwise transfer any

of its rights or obligations hereunder except (i) in accordance with the provisions of Section 10.06(b) or (ii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.06(d) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lender. The Lender may at any time assign all of its rights and obligations under this Agreement and the other DIP Loan Documents (but not a portion thereof) to another Person that is treated as a U.S. Person. Subject to recording thereof by the Lender pursuant to clause (c) of this Section 10.06, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of the Lender under this Agreement to the extent of the interest assigned, and the Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, the Lender shall cease to be a party hereto and the assignee shall become the "Lender" hereunder) but shall continue to be entitled to the benefits of Article III and Section 10.04 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee. Any assignment or transfer by the Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by the Lender of a participation in such rights and obligations.

(c) Register. The Lender, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at its office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of any assignees and the New Money DIP Commitments of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error. The Register shall be available for inspection by the Borrower at any reasonable time and from time to time upon reasonable prior notice.

(d) Certain Pledges. The Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such as a party hereto.

(e) Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act and any state laws based on the Uniform Electronic Transactions Act.

10.07 Set-off.

If an Event of Default shall have occurred and be continuing, the Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by Lender or any such Affiliate to or for the credit or the account of the Borrower against any and all of the obligations of the Borrower now or hereafter existing under this Agreement or any other DIP Loan Document to the Lender, irrespective of whether or not the Lender shall have made any demand under this Agreement or any other DIP Loan Document and although such obligations of the Borrower may be contingent or unmatured. The rights of the Lender and its Affiliates under this Section 10.07 are in addition to other rights and remedies (including other rights of setoff) that the Lender or its Affiliates may have. The Lender agrees to notify the Borrower promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

10.08 Interest Rate Limitation.

Notwithstanding anything to the contrary contained in any DIP Loan Document, the interest paid or agreed to be paid under the DIP Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "Maximum Rate"). If the Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Lender exceeds the Maximum Rate, the Lender may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the DIP Obligations hereunder.

10.09 Credit Bid Limitation

The Lender agrees that any credit bid by the Lender in connection with any Asset Purchase Transaction, whether consummated pursuant to the Plan or a Private Sale Motion, shall be at least the amount of $40,000,000 of the DIP Obligations (including the Commitment Fee, the Roll Up DIP Loans and the Operating Advances), and no credit bid shall include the Excluded Assets. The Borrower expressly waives its right to object to the exercise and the amount of any credit bid by the Lender. The Borrower expressly waives right to object to the exercise and the amount of any credit bid by the Lender, and other parties in interest shall have no later than seven (7) days prior to the date set for the hearing regarding the proposed Sale Order or Plan, or as otherwise ordered by the Bankruptcy Court, to object to any credit bid by the Lender, failing which the Lender's credit bid shall be deemed valid and enforceable. As provided in the Plan Term Sheet, any amount of the DIP Facility not credit bid and any portion of the Prepetition Secured Debt not rolled up into the DIP Facility and not credit bid, shall not be waived, released, satisfied, or discharged by the credit bid, the sale, or the Plan; provided that (i) the Lender shall not assert against the Debtor's estate or for purposes of sharing in the proceeds of the Excluded Assets, more than $15,000,000 (with any remaining obligations under the DIP Facility to be satisfied first) and (ii) any aggregate

allowed claim amounts above $15,000,000 shall be assumed by Newco as senior secured indebtedness (the "**Assumed Axios Debt**"), in each case on the terms set forth in the Plan Term Sheet. For the avoidance of doubt, following the consummation of a sale either through a Plan or a Private Sale Motion, the Lender shall not recover or claw back any amounts paid during the Chapter 11 Case, or recover from the Debtor's estate or Liquidating Trust more than $15,000,000 in the aggregate.

10.10 Counterparts; Integration; Effectiveness.

This Agreement may be executed in counterparts (and by different parties in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other DIP Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof; *provided*, *however*, that nothing herein shall be deemed to alter, amend or supersede the terms of the Plan Term Sheet or the DIP Financing Term Sheet attached as Exhibit A to the Interim Order. Except as provided in Article IV, this Agreement shall become effective when it shall have been executed by the Lender and when the Lender shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties. Delivery of an executed counterpart of a signature page of this Agreement by email shall be effective as delivery of a manually executed counterpart of this Agreement.

10.11 Survival of Representations and Warranties.

All representations and warranties made hereunder and in any other DIP Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Lender, regardless of any investigation made by the Lender or on its behalf and notwithstanding that the Lender may have had notice or knowledge of any Default at the time of the making of any Loan, and shall continue in full force and effect as long as any Loan or any other DIP Obligation hereunder shall remain unpaid or unsatisfied.

10.12 Severability.

If any provision of this Agreement or the other DIP Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other DIP Loan Documents shall not be affected or impaired thereby, and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.13 GOVERNING LAW; JURISDICTION.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK, WITHOUT REGARD TO ANY CHOICE-OF-LAW PROVISIONS THAT WOULD REQUIRE THE APPLICATION OF LAW OF ANOTHER JURISDICTION AND, TO THE EXTENT APPLICABLE, THE BANKRUPTCY CODE.

(b) SUBMISSION TO JURISDICTION. EACH OF THE PARTIES IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO (I) THE NONEXCLUSIVE JURISDICTION OF THE BANKRUPTCY COURT AND, IN THE EVENT THAT THE BANKRUPTCY COURT DOES NOT HAVE, OR ABSTAINS FROM EXERCISING SUCH JURISDICTION, TO (II) THE NONEXCLUSIVE JURISDICTION OF THE FEDERAL AND STATE COURTS SITTING IN NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY BORROWER OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

10.14 WAIVER OF RIGHT TO TRIAL BY JURY.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER DIP LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

10.15 USA Patriot Act Notice.

The Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Patriot Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Lender to identify the Borrower in accordance with the Patriot Act.

10.16 No Advisory or Fiduciary Relationship.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other DIP Loan Document), the Borrower acknowledges and agrees that: (a)(i) the arranging and other services regarding this Agreement provided by the Lender are arm's-length commercial transactions between the Borrower, on the one hand, and the Lender, on the other hand, (ii) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (iii) the Borrower is capable of evaluating, and understand and accept, the terms, risks and conditions of the transactions contemplated hereby and by the other DIP Loan Documents; (b)(i) the Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not and will not be acting as an advisor, agent or fiduciary, for the Borrower and (ii) the Lender has no obligation to the Borrower with respect to the transactions contemplated hereby, except those obligations expressly set forth herein and in the other DIP Loan Documents to which it is a party; and (c) the Lender and its Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, and the Lender has no obligation to disclose any of such interests to the Borrower. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.17 Conflict.

In the event of a conflict between this Agreement and the DIP Order, the DIP Order shall govern.

10.18 Release.

Subject only to the Challenge Rights provided in the DIP Order, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Borrower hereby, for itself and its successors and assigns, fully and without reserve, releases acquits, and forever discharges Lender, its successors and assigns, officers, directors, employees, representatives, trustees, attorneys, agents and affiliates (collectively, the "**Released Parties**" and each individually a "**Released Party**") from any and all actions, claims, demands, causes of action, judgments, executions, suits, debs, liabilities, costs, damages, expenses or other obligations of any kind and nature whatsoever, direct and/or indirect, at law or in equity, whether now existing or hereafter asserted, whether absolute or contingent, whether due or to become due, whether disputed or undisputed, whether known or unknown, for or because of any matters or things occurring, existing or actions done, omitted to be done, or suffered to be done by any of the Released Parties, in each case, on or prior to the date hereof and are in any way directly or indirectly arising out of this Agreement, any other DIP Loan Document, the Prepetition Credit Agreement, the Prepetition Obligations, any other DIP Loan Document (as defined in the Prepetition Credit Agreement), the Chapter 11 Case, the DIP Order or any of the other orders, documents, or other matters related thereto, or any of the transactions contemplated hereby or thereby (collectively, the "**Released Claims**"). The Borrower agrees that it will not sue any Released Party on the basis of any Released Claim. The provisions of this Section 10.18 shall survive the termination of the DIP Loan Documents and the payment in full of the DIP Obligations.

EXHIBIT C
ASSET PURCHASE TRANSACTION TERMS

The Lender may elect, in its sole discretion, to consummate an Asset Purchase Transaction either pursuant to the Plan or a Private Sale Motion, all in accordance with the following terms and such other terms in the Lender's sole discretion.

(a) If Lender elects to consummate an Asset Purchase Transaction pursuant to the Plan, the Plan shall be confirmed on or before the Plan Confirmation Milestone Date.

(b) If Lender elects to consummate an Asset Purchase Transaction pursuant to a Private Sale Motion, the Borrower and the Lender shall enter into the IMA no later than the thirtieth (30th) day after the Lender makes such election. Upon the IMA Transition Date, the Lender shall be responsible for all operating costs of, and obtain all revenue from, the Hospital from and after the date of the IMA Transition Date except to the extent such revenues constitute Excluded Assets, pending receipt of applicable regulatory approvals, and upon the receipt of such approvals, the parties shall consummate the Asset Purchase Transaction.

(c) Regardless of whether the Lender has elected to consummate an Asset Purchase Transaction pursuant to the Plan or a Private Sale Motion, the Borrower and the Lender shall enter into a mutually acceptable IMA, in form and substance acceptable to the Lender in its sole discretion, on or before November 10, 2026 (or such later date as the Borrower and the Lender may agree in writing), pursuant to which, for the period commencing upon the entry into such agreement and ending upon the consummation of the Asset Purchase Transaction, the Lender shall retain all net operating profits derived from operations of the Hospital and shall fund operating shortfalls of the Hospital (a) during the period covered by the Budget, solely to the extent set forth therein, by means of advances under the DIP Facility, and (b) thereafter through such consummation, by additional advances that shall constitute DIP Obligations for all purposes hereunder (the "**Operating Advances**"); provided, however, that the Lender shall not assume, and nothing herein shall be construed to impose on the Lender, any liability of the Borrower arising or accruing prior to the IMA Transition Date for any professional liability, regulatory, seismic, tax, or similar liability of the Borrower or the Hospital, other than ordinary course payables accrued and unpaid as of the IMA Transition Date consistent with the Budget.

(d) In connection with any Asset Purchase Transaction, whether consummated pursuant to the Plan or a Private Sale Motion, the Lender shall credit bid not less than $40,000,000 of the obligations outstanding under the DIP Facility, including the Commitment Fee, Roll-Up and Operating Advances. Any amount of the DIP Facility not credit bid and any portion of the Prepetition Secured Debt not rolled up into the DIP Facility and not credit bid, shall not be waived, released, satisfied, or discharged by the credit bid, the sale, or the Plan; provided, however, that (i) the Lender shall not assert against the Debtor's estate or for purposes of sharing in the proceeds of the Excluded Assets, more than $15,000,000 (with any remaining obligations under the DIP Facility to be satisfied first) and (ii) any aggregate allowed claim amounts above $15,000,000 shall be assumed by Newco as senior secured indebtedness (the "**Assumed Axios Debt**"), in each case on the terms set forth in the Plan Term Sheet. For the avoidance of doubt, following the consummation of an Asset Purchase Transaction, the Lender shall not recover or claw back any

amounts paid during the Chapter 11 Case, or recover from the Debtor's estate or Liquidating Trust more than $15,000,000 in the aggregate from the Excluded Assets.

(e) For the avoidance of doubt, and notwithstanding anything to the contrary, in any scenario, whether or not a Plan or a Private Sale is consummated, the Lender shall not recover or receive by any means from the Debtor's estate or Liquidating Trust (as applicable) more than $15,000,000 in the aggregate from the Excluded Assets as provided in the Plan Term sheet waterfall set forth below:

(i) The first $1,000,000 of net proceeds shall be retained by the Liquidating Trust / estate for distribution to holders of allowed general unsecured claims and/or payments of expense;

(ii) Subsequent net recoveries will be split 50/50 between the Liquidating Trust / estate and the Lender, until a total of $8,000,000 of net proceeds is realized (i.e., until the Liquidating Trust / estate and the Lender each realize a total recovery of $4,000,000 from net proceeds);

(iii) After $8,000,000 in net proceeds is realized, 75% of subsequent net proceeds shall be retained by the Liquidating Trust / estate and 25% shall be transferred to the Lender, until the Lender's allowed claim (not to exceed $15,000,000) is paid in full.

(f) For the avoidance of doubt, the election by the Lender to pursue an Asset Purchase Transaction pursuant to a Private Sale Motion shall not preclude, restrict, or otherwise prevent the Debtor from concurrently pursuing, filing, or prosecuting a plan of liquidation consistent with the Plan Term Sheet.

(g) The Debtor shall prepare, file, solicit, prosecute, and seek confirmation of a combined disclosure statement and the Plan, together with all other Plan Documents.

(h) The Debtor shall use its commercially reasonable efforts to obtain entry of an order confirming the Plan as soon as reasonably practicable and, in any event, on or before December 8, 2026.

(i) The Plan and the other Plan Documents shall be in form and substance reasonably satisfactory to the Lender and the Committee (if the Committee has executed the Plan Term Sheet). The Debtor shall not file, support, consent to, or seek confirmation of any plan, or agree to any amendment, modification, or supplement to any Plan Document, that is inconsistent in any material respect with the Plan Term Sheet without the prior written consent of the Lender and the Committee (if it is a signatory to the Plan Term Sheet).

EXHIBIT D
PLAN TERM SHEET

PLAN TERM SHEET

On July 4, 2026 ("Petition Date"), Pacifica of the Valley Corporation ("Pacifica" or "Debtor") commenced a voluntary chapter 11[1] proceeding in the U.S. Bankruptcy Court for the District of Delaware (the "Bankruptcy Court"). The case is pending before Judge Thomas M. Horan, bearing Case No. 26-11060 (the "Case").

This term sheet ("Term Sheet") between Pacifica and Axios Capital Solutions, LLC ("Axios") describes the principal terms of a proposed plan of reorganization for the Debtor ("Plan") under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Plan is subject to, inter alia, definitive documentation satisfactory to the Debtor and Axios, and to compliance with statutory confirmation requirements and the occurrence of the effective date of the Plan (the "Effective Date") in accordance with the provisions of chapter 11 of the Bankruptcy Code.

This Term Sheet is not a solicitation of acceptances or rejections with respect to any chapter 11 plan. Any such solicitation will comply with the provisions of the Bankruptcy Code. However, the terms set forth herein are binding in connection with the parties obligations under the DIP Facility (defined below).

The distributions under, and other benefits provided in, the Plan constitute a resolution, compromise and settlement of claims and causes of action between the Parties, including addressing the Debtor's funding needs for the Case.

Plan Sponsor	Axios, or one or more of its designated affiliates, successors, or assigns ("Sponsor").
Restructuring Summary	The Plan will provide for the sale of all the Debtor's assets to Sponsor free and clear of all liens, claims and encumbrances, except for certain assets expressly excluded that will be transferred to a liquidating trust. To provide critical funding for the Case, and in conjunction with the restructuring, the Sponsor has agreed to provide a debtor-in-possession financing facility up to $21 million plus a 1.5X roll up of the Axios Prepetition Claim (defined below) for an aggregate principal amount of $52.5 million (such facility as more fully described in the DIP Credit Agreement, the "DIP Facility"), which shall be credit bid under the Plan in an amount not less than $40 million. Any and all estate claims against Axios shall be released and there shall be no challenge to the Axios Prepetition Claim and related liens except that solely the Committee will retain a right to a 14-day period to challenge the Axios Prepetition Claim and related liens as and to the extent set forth in the DIP Credit

[1] Unless specified otherwise, all chapter and section references are to the Bankruptcy Code, §§ 101 - 1532.

Agreement, which is incorporated herein.

Key Plan Terms

The Plan shall contain the following key terms:

i. Axios's prepetition secured claim is allowed in full as a secured claim with full credit bid rights as set forth in the DIP Credit Agreement ("Axios Prepetition Claim");

ii. Sponsor or its designee ("Newco") shall acquire all the assets of the Debtor, including, assuming the lease, as amended (or entering into an amended or new lease, in each case without novation of the 2013 Master Lease and without prejudice to the estate's claims against the Landlord as set forth in the DIP Credit Agreement) pursuant to that Lease Principle Agreement (as defined in the DIP Credit Agreement) between the Debtor, Axios, and the Landlord (as defined in the DIP Credit Agreement), which set forth the parties' agreement in principle regarding lease terms in the event Axios acquires Pacifica Hospital of the Valley (the "Hospital")) except for the Excluded Assets (defined below) which shall not be assets acquired by Sponsor under the applicable sale documents;

iii. A liquidating trust ("Liquidating Trust") shall be established, and the Excluded Assets will be transferred to the Liquidating Trust free and clear of all liens, claims and encumbrances and subject to the distribution waterfall set forth herein;

iv. Funding for the Plan shall be proceeds from the DIP Facility, excess cash from the Approved Budget as of the earliest of the IMA transition date and the Plan Effective Date (except any cash resulting from an extraordinary receipt not reflected in the Approved Budget) and the Excluded Assets in the Liquidating Trust; and

v. The claims treatment provided below.

Claims Treatment

The Plan shall provide for the following claim treatment:

i. Each holder of an allowed administrative claim, including claims of the type described in section 503(b)(9) (to the extent not already paid during the chapter 11 case), shall receive payment in full (in cash) of the unpaid portion of its allowed administrative claim on the Effective Date or as soon thereafter as

practicable (or, if payment is not then due, shall be paid in accordance with its terms) or pursuant to such other terms as may be agreed to by the holder of such claim and the Debtor;

ii. Holders of priority tax claims shall be treated in accordance with section 1129(a)(9)(C) or pursuant to such other terms as may be agreed to by the holder of such claim and the Debtor;

iii. Holders of a secured claim (other than Axios or the Landlord) shall receive the following treatment, at the option of the Debtor: (a) payment in full (in cash) on the Effective Date or as soon thereafter as practicable to the extent secured; (b) delivery of collateral securing any such claim and payment of any interest required under section 506(b); or (c) other treatment rendering such claim unimpaired. The Subordination Agreement between Axios and the Landlord shall be enforced.

iv. Axios shall have a secured claim in the aggregate amount of any remaining DIP Obligations and Axios Prepetition Claim after its credit bid; provided that it shall not assert against the Debtor's estate or for purposes of sharing in the proceeds of the Excluded Assets, more than $15 million (with any remaining obligations under the DIP Facility to be satisfied first) and shall receive an interest in the proceeds of the Liquidating Trust subject to the sharing percentages as set forth below. Newco will assume any remaining debt in excess of $15 million, including under the DIP Facility or the Axios Prepetition Claim (which is secured). Unless otherwise agreed, any indebtedness so assumed by Newco shall continue to constitute Senior Debt under the Subordination Agreement and shall not be deemed waived, released, satisfied or discharged by the credit bid, the sale or the Plan.

v. For the avoidance of doubt, and notwithstanding anything to the contrary, in any scenario, whether or not a Plan or a Private Sale is consummated, Axios shall not recover or receive by any means from the Liquidating Trust more than $15 million in the aggregate from Excluded Assets as provided in the waterfall set forth below:

(1) Holders of General Unsecured Claims shall

receive their *pro rata* share of the interest in the Liquidating Trust with the right to proceeds thereof subject to the sharing with Axios as set forth below.

(2) Equity holder(s) shall receive no recoveries under the Plan. The Plan shall not provide any release, exculpation, injunction or indemnity in favor of Paul R. Tuft or any of his affiliates, and the Colorado Litigation shall be treated as set forth in the DIP Credit Agreement.

Sale Toggle

In the event confirmation of the Plan does not or cannot occur, the Debtor shall promptly execute a private sale to Sponsor maintaining the same economic terms for Axios and the Excluded Assets waterfall as if the sale occurred under the Plan.

Under either sale process, Axios shall receive the assets free and clear of all liens, claims and encumbrances and assets shall be purchased in accordance with the DIP Credit Agreement. The DIP Credit Agreement contains terms relating to the Plan and Sale Toggle process and deadlines that are incorporated herein.

Excluded Assets

The following assets (collectively, with the proceeds thereof, the "Excluded Assets") shall not be acquired by Newco and shall vest in the Liquidating Trust:

i. The Debtor's interests in or related to Pacific Gardens Medical Center;

ii. Chapter 5 causes of action; provided that to the extent a consensual resolution with the Landlord is not reached, all claims and causes of action of the Estate against the Landlord (including recharacterization of the Master Lease, any claim affecting title to or the characterization of the Site, and chapter 5 claims against the Landlord) shall be specifically retained under section 1123(b)(3)(B) and post-Effective Date prosecuted by Newco (at its option) as the Estate's representative, with any net cash recovery on chapter 5 claims against the Landlord contributed to the Liquidating Trust waterfall and all other relief inuring to Newco;

iii. Other litigation causes of action, including claims against directors, officers and other affiliated or

related parties of the Debtor (subject to treatment of claims against the Landlord as noted in (ii) above);

iv. Director & Officer Insurance rights and claims;

v. Any excess QAF revenue generated by the Debtor from successfully reducing asserted setoffs or recoupment amounts in excess of the amount of QAF budgeted in the Approved Budget (the "QAF Delta"), provided that any such additional amounts will not negatively impact future QAF receipts (*i.e.*, QAF 9, 10, 11 etc. other than the QAF identified in the Approved Budget); and

vi. The Debtor's cash on hand as of the earlier of the IMA transition date and the Effective Date under ordinary course of business (*e.g.*, no discounts to accelerate payments) and excluding cash from any QAF funds that are not identified in the Approved Budget or from (v) hereof (collectively, (i)-(vi), the "Excluded Assets").

Liquidating Trust

The Liquidating Trust shall have a three-member oversight committee, with 2 members selected by the Committee and 1 member selected by Axios. The Liquidating Trustee will be selected by the Committee, in consultation with the Debtor and Axios.

Net recoveries (*i.e.*, after all costs and expenses of the Liquidating Trust) from the assets in the Liquidating Trust shall be distributed as follows:

i. The first $1 million shall be retained by the Liquidating Trust for distribution to holders of allowed General Unsecured Claims and/or payment of expenses for payment;

ii. Then, a 50%/50% sharing between Axios and the Liquidating Trust, until Axios has received $4 million from net proceeds; and

iii. Then, 75% of subsequent net proceeds shall be retained by the Liquidating Trust and 25% shall be distributed to Axios, until Axios' allowed claim of $15 million is paid in full, at which time all subsequent net proceeds shall be retained by the Liquidating Trust.

Other Litigation	*L.A. Care*. Except as set forth in the DIP Credit Agreement, neither Axios, the Committee, nor the Liquidating Trust will pursue a challenge against L.A. Care in respect of the $7.5 million in QAF receivables that are the subject of the 2026 prepetition agreements with L.A. Care. L.A. Care shall be a released party under the Plan and a Private Sale, and the release in favor of L.A. Care shall become effective on the first to occur of the effective date of a chapter 11 plan and the closing of a Private Sale. *Landlord*. The lease relating to Landlord (as defined in the DIP Credit Agreement) will be handled as set forth in the DIP Credit Agreement. Without limiting the foregoing, the Plan shall, except as otherwise agreed with the Landlord, specifically retain and vest in Newco, pursuant to section 1123(b)(3)(B), all claims and causes of action of the estate against the Landlord, including recharacterization of the Master Lease, avoidance claims against the Landlord, and claims under the Subordination Agreement, and the attorney-client privilege and work product of the Debtor relating to the Landlord and the Master Lease shall pass to Newco on the Effective Date. Any net cash recovery on chapter 5 claims against the Landlord shall be contributed to the Liquidating Trust waterfall.

Plan Consummation	documents such as an interim management agreement or management operations transfer agreement ("MOTA")); (ii) issuance to Newco of the general acute care hospital license for the Hospital by the California Department of Public Health, or the effectiveness of an interim arrangement, reasonably satisfactory to Sponsor, that permits Newco to operate the Hospital pending such issuance, which condition may be waived by Sponsor in its sole discretion; and (iii) No modification or stay of the Confirmation Order or entry of other court order prohibiting Plan transactions from being consummated.
Documentation	The agreed upon funding by Sponsor shall be pursuant to this Term Sheet, the Plan, the Confirmation Order, the "Asset Purchase Agreement," the MOTA, and any other document(s) and/or instrument(s) required to be executed by the Sponsor or Newco shall constitute the definitive Plan documents (the "Documentation"). The Asset Purchase Agreement shall provide, among other things, that all payments received by the Debtor on account of services rendered after entering into the MOTA, including Medicare, Medi-Cal and payor receipts paid to the Debtor's provider numbers or accounts pending completion of change-of-ownership processing, shall be remitted to Newco promptly upon receipt. The Documentation shall contain customary provisions, such as, among other things, representations and warranties, events of default, Documentation not in form reasonably satisfactory to Sponsor or Newco, etc. The Documentation shall conform to this Term Sheet and otherwise shall be in form and substance reasonably acceptable to the Sponsor. E. Cash Collateral. For the purposes of this ~~Interim~~Final Order, the term "Cash Collateral" shall mean and include all "cash collateral," as defined in § 363 of the Bankruptcy Code, in or on which the DIP Lender or the Prepetition Secured Parties have a lien, security interest, or any other interest (including, without limitation, any Adequate Protection Liens or security interests), whether existing on the Petition Date, arising pursuant to this ~~Interim~~Final Order or otherwise, and shall include, without limitation: (i) all cash proceeds arising from the collection, sale, lease or other disposition, use or conversion of any real or personal property, in or on which the DIP Lender or the Prepetition Secured Parties have a lien or a replacement lien, whether as part of the DIP Collateral or the Prepetition Collateral, or pursuant to an order of the Court or applicable law or otherwise, and whether such property has been converted to cash,

existed as of the commencement of the Chapter 11 Case, or arose or was generated thereafter; (ii) all of the respective deposits, refund claims, and rights in retainers of the Debtor on which the DIP Lender or the Prepetition Secured Parties hold a lien or replacement lien, whether as part of the DIP Collateral or Prepetition Collateral or pursuant to an order of the Court or applicable law or otherwise; (iii) all cash and cash equivalents held in any depository or other accounts maintained by the Debtor, whether such cash and cash equivalents existed as of the commencement of the Chapter 11 Case, or arose or was generated thereafter; and (iv) the proceeds of any sale, transfer or other disposition of DIP Collateral or Prepetition Collateral. For the avoidance of doubt, and subject to ~~the Interim Order and~~this Final Order, the Debtor's authorization to use Cash Collateral shall automatically terminate, without further order of the Court, upon the earliest of: (a) the Maturity Date; (b) entry of any order by the Bankruptcy Court denying or terminating the Debtor's authority to use Cash Collateral; or (c) upon the occurrence or continuation of an Event of Default.

F. Findings Regarding the DIP Credit Facility.

a. *Need for the DIP Credit Facility and to Use Cash Collateral*. An immediate need exists for the Debtor to obtain funds pursuant to borrowings under the ~~Interim~~ DIP Credit Facility and to use Cash Collateral in order to continue operations, fund payroll, and operating expenses, and administer and preserve the value of its estate~~ pending the Final Hearing~~. The ability of the Debtor to finance its operations through the ~~Interim~~ DIP Credit Facility and use of Cash Collateral is vital to the preservation and maintenance of the going concern value of the Debtor's estate, to maximize the value of the Debtor's assets for the benefit of its creditors, and to avoid immediate and irreparable harm to the Debtor, its estate and its creditors.

b. *Priming of Any Prepetition Liens*. Upon the entry of this ~~Interim~~Final Order, the priming of any of the Primed Liens, is a condition to the Debtor's borrowings under the DIP Credit Facility, which borrowing is necessary for the Debtor to be able to continue to operate its business and administer the Chapter 11 Case for the benefit of its estate and creditors. The Prepetition Senior Lender has consented to the priming of its Prepetition Senior Liens~~ and the Landlord is bound by the Subordination Agreement not to object to any financing, including a priming facility, supported by the Prepetition Senior Lender, and thus is deemed to have~~

~~consented to such treatment~~. The terms of the adequate protection arrangements provided for herein are fair and reasonable and otherwise sufficient under the circumstances to adequately protect the Prepetition Secured Parties against any Diminution with respect to the Prepetition Collateral as provided for herein.

c. *No Credit Available on More Favorable Terms*. The Debtor has been unable to obtain (a) unsecured credit allowable under Bankruptcy Code § 503(b)(1) as an administrative expense, or (b) credit for money borrowed secured by a lien on property of the estate on more favorable terms and conditions than those provided in the ~~DIP Term Sheet~~Credit Agreement and this ~~Interim~~Final Order. The Debtor is unable to obtain credit for borrowed money without granting to the DIP Lender the DIP Protections.

d. *Sections 506(c) and 552(b) Waivers*. In light of (i) the DIP Lender's agreement to subordinate its liens and superpriority claims to the Carve-Out, and in exchange for and as a material inducement to the DIP Lender to agree to provide the DIP Credit Facility and (ii) the Prepetition ~~Senior Lender's~~Secured Parties' agreement to subordinate its liens~~,~~ (and ~~the~~ Landlord's ~~deemed~~ consent ~~under the Subordination Agreement to subordinate its liens,~~) to the DIP Obligations, the Carve-Out, and the DIP Liens, and to permit the use of the Prepetition Collateral (including Cash Collateral for payments made in accordance with the Budget and the terms of this ~~Interim~~Final Order), each of the DIP Lender and~~, subject to entry of the Final Order,~~ the Prepetition Secured Parties are entitled to a waiver of the provisions of § 506(c), and~~, subject to entry of the Final Order,~~ the Prepetition Secured Parties are entitled to a waiver of the exceptions provided in §§ 552(b)(1) and (2) of the Bankruptcy Code, in each case as provided for herein.

e. *Use of Proceeds of the DIP Credit Facility*. Proceeds of the DIP Credit Facility (net of any amounts used to pay fees, costs, and expenses under the DIP Documents) shall be used in a manner consistent with the terms and conditions of the ~~DIP Term Sheet~~Credit Agreement and this ~~Interim~~Final Order and in accordance with the Budget.

G. Application of Proceeds of DIP Collateral. Subject solely to the Challenge Rights reserved in ¶ 21 of this ~~Interim~~Final Order, all net proceeds of any sale or other disposition of the DIP Collateral, if any, shall, subject to the Carve-Out, be applied first to repay the DIP Obligations in full.

H. Effect of Reversal; Good Faith. The DIP Lender has indicated a willingness to provide financing to the Debtor solely in accordance with the ~~DIP Term Sheet~~Credit Agreement and this ~~Interim~~Final Order, provided that the DIP Obligations, DIP Liens and other protections granted by this ~~Interim~~Final Order and the DIP Documents will not be affected by any

subsequent reversal or modification of this ~~Interim~~Final Order to the extent provided in § 364(e) of the Bankruptcy Code. The DIP Lender has acted in good faith in agreeing to provide the DIP Credit Facility approved by this ~~Interim~~Final Order.

I. Roll Up. Subject to the provisions of Paragraph 21 of this ~~Interim~~Final Order and subject to the Carve-Out, as and when each draw of the New Money Term Loan is funded, one and half times (1.5x) of such amount funded of the outstanding Prepetition Loan Obligations, up to a ~~principal amount of $10,500,000.00 on an interim basis and up to a total~~total amount of $31,500,000.00 on a final basis, shall be rolled up and converted into DIP Obligations (the "Roll Up"). The Prepetition Senior Lender, who is also the DIP Lender, would not have consented to extend DIP Loans or other financial accommodations to the Debtor without the inclusion of the Roll Up in the DIP Obligations. Thus, the Roll Up is consideration for, and solely on account of, the agreement of the DIP Lender to extend the DIP Loans and not on account of the Prepetition Loan Obligations.

J. Business Judgment and Good Faith Pursuant to Section 364(e). (i) The terms and conditions of the DIP Credit Facility and the DIP Documents as set forth in this ~~Interim~~Final Order or the Motion, and the terms and conditions thereunder are fair, reasonable, and the best reasonably available under the circumstances, reflect the Debtor's exercise of prudent business judgment consistent with its fiduciary duties, and are supported by reasonably equivalent value and consideration; (ii) the DIP Documents and use of Cash Collateral were negotiated in good faith and at arms' length between the Debtor and the DIP Lender and the Prepetition Secured Parties; and (iii) the DIP Credit Facility loan proceeds to be funded to the Debtor pursuant to the DIP Documents will be advanced in good faith, and for valid business purposes and uses, as a

consequence of which the DIP Lender is entitled to the protection and benefits of § 364(e) of the Bankruptcy Code.

~~K. Immediate Entry of Interim Order. The Debtor has requested immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(c)(2) and Local Rule 4001-2(b). The permission granted herein to enter into the DIP Documents, to obtain funds thereunder and to use the Prepetition Collateral (including the Cash Collateral) pursuant to this Interim Order is necessary to avoid immediate and irreparable harm to the Debtor and its estate. This Court concludes that entry of this Interim Order is in the best interests of the Debtor's estate and creditors as its implementation will, among other things, allow for access to the financing necessary to administer the Chapter 11 Case, to sustain the operation of the Debtor's existing business and to further enhance the Debtor's prospects for a successful reorganization.~~

NOW, THEREFORE, based upon the foregoing findings, and upon consideration of the Motion and the record made before this Court with respect to the Motion, including the record created during the ~~Interim~~Final Hearing, all papers filed on the docket, and with the consent of the Debtor, the DIP Lender, and the Prepetition Secured Parties to the form and entry of this ~~Interim~~Final Order, and good and sufficient cause appearing therefor, and the Court being otherwise fully advised in the premises;

IT IS HEREBY ORDERED AND ADJUDGED THAT:

1. **Motion Granted**. The Motion is **GRANTED** in accordance with the terms and conditions set forth in this ~~Interim~~Final Order. Any objections to the Motion with respect to entry of this ~~Interim~~Final Order to the extent not withdrawn, waived, or otherwise resolved, and all reservations of rights included therein, are hereby denied and overruled on the merits.

2. **The DIP Documents**.

a) *Approval of Entry into the DIP Documents*. The Debtor is authorized to execute, deliver and perform in accordance with the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this ~~Interim~~Final Order and the DIP Documents, and to execute and deliver all instruments and documents which may be required or necessary for the performance by the Debtor under the DIP Documents and the creation and perfection of the DIP Liens described in and provided for by this ~~Interim~~Final Order and the DIP Documents. Upon entry of this ~~Interim~~Final Order, and subject to the provisions of Paragraph 21 hereof and the Carve-Out, as and when New Money Term Loans are advanced under the DIP Facility, one and half times (1.5x) of such amount funded of outstanding Prepetition Senior Loan Obligations shall be deemed rolled up and converted into DIP Obligations, up to an aggregate principal amount of $~~10,500,000.00~~31,500,000.00 under this ~~Interim~~Final Order (the "Roll-Up"). The Debtor is authorized to take such acts as shall be necessary or desirable to effect the Roll-up and conversion of the Prepetition Senior Loan Obligations to DIP Obligations. The Debtor is hereby authorized to use Cash Collateral subject to the terms of this ~~Interim~~Final Order. The Debtor is hereby authorized to do and perform all acts, pay the principal, interest, fees, expenses, and other amounts described in the ~~DIP Term Sheet~~Credit Agreement and all other DIP Documents as such become due; provided, however, for the avoidance of doubt, interest and fees, other than DIP Lender professional fees and expenses, may be paid in kind (monthly, in arrears).

b) *Authorization for DIP Financing*. To enable the Debtor to continue to preserve the value of its estate during the ~~period prior to entry of the Final Order (the "Interim Period")~~pendency of the Chapter 11 Case and subject to the terms and conditions of this ~~Interim~~Final Order, the Budget (a copy of which is attached hereto as **Exhibit B**), and the DIP

Documents, upon the execution of the ~~DIP Term Sheet~~Credit Agreement, the Debtor is hereby authorized to borrow, pursuant to the ~~Interim~~ DIP Credit Facility, the aggregate principal amount of ~~up to~~ (a) $~~7,000,000.00~~21,000,000.00 in New Money Term Loans, plus (b) $~~10,500,000~~31,500,000 of Roll Up.

c) *Conditions Precedent*. The DIP Lender shall have no obligation to make any loans under the ~~DIP Term Sheet~~Credit Agreement during the ~~Interim Period~~Chapter 11 Case unless the conditions precedent to making such loans under the ~~DIP Term Sheet~~Credit Agreement have been satisfied in full or waived by the DIP Lender in its sole discretion.

d) *Enforceable Obligations*. The DIP Documents shall constitute and evidence the valid and binding obligations of the Debtor, which obligations shall be enforceable against the Debtor, its estate and any successors thereto, and its creditors or representatives thereof, in accordance with their terms.

e) *Protection of the DIP Lender and Other Rights*. From and after the Petition Date, the Debtor shall use the proceeds of the DIP Credit Facility only for the purposes specifically set forth in the ~~DIP Term Sheet~~Credit Agreement, this ~~Interim~~Final Order, and, notwithstanding any other order of this Court authorizing disbursements by the Debtor, in strict compliance with the Budget (subject only to any variances thereto that may be permitted by the ~~DIP Term Sheet~~Credit Agreement or the Budget).

3. **The DIP Lien Priority**.

a) To secure the DIP Obligations, the DIP Lender is hereby granted pursuant to, and in accordance with, §§ 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, valid, enforceable and fully perfected liens (the "DIP Liens") in and on all of the DIP Collateral~~, including, without limitation,~~ as provided in the Credit Agreement and consisting of all of the

Debtor's now owned or hereafter acquired right, title, and interest in and to all property of the Debtor other than the Excluded Assets, including cash, accounts, accounts receivable, goods, inventory, property, plant and equipment~~, commercial tort claims~~, intellectual property, contract rights, tax refunds, prepaid expenses, deposits, general intangibles, real estate, leaseholds, all intercompany claims, all claims, and causes of action of the Debtor or its estate (subject to the proviso below respecting Excluded Assets) (including, without limitation, all commercial tort claims of every kind and description, whether described in specificity in the DIP Documents or not) and any and all proceeds and property recovered therefrom, any and all proceeds arising from insurance policies~~, all intellectual property~~ (except to the extent included in the Excluded Assets), which for the avoidance of doubt, shall include, without limiting the generality of the foregoing, all assets of the Debtor that constitute Prepetition Collateral (other than the Excluded Assets), and all other property and assets including, without limitation, Cash Collateral, all cash and non-cash proceeds, rents, products, substitutions, accessions, offspring and profits of any of the collateral described above~~, and subject to entry of the Final Order, any and all proceeds or property recovered in connection with any and all claims, causes of action, rights, or remedies of the Debtor or its estate arising under chapter 5 of the Bankruptcy Code (including, without limitation, §§ 544, 545, 547, 548, 549, 550, and 553 thereof), and any similar or related claims, causes of action, or rights arising under applicable state or other non-bankruptcy law ("Avoidance Actions"), but, for the avoidance of doubt, excluding the Avoidance Actions themselves,~~ (other than the Excluded Assets) (collectively, the "DIP Collateral"), subject only to prior payment of the Carve-Out and any Prior Permitted Liens; provided, however, that upon entry of this Order, and in consideration of the sharing of proceeds from the Excluded Assets as set forth in the Asset Purchase Transaction Terms attached to the Credit Agreement as Exhibit C,

DIP Lender shall release, and shall be deemed to have released, its DIP Liens on the Excluded Assets solely for the purpose of the Debtor holding such assets in trust for the exclusive purposes of monetizing the Excluded Assets and distributing the resulting proceeds to the Debtor's general unsecured creditors and the DIP Lender in accordance with the Asset Purchase Transaction Terms;

b) The DIP Liens shall be effective immediately upon the entry of this ~~Interim Order other than the DIP Liens on the proceeds of Avoidance Actions, which shall be effective upon entry of the~~ Final Order, and the DIP Liens shall not at any time be made subject or subordinated to, or made pari passu with, any other lien, security interest or claim existing as of the Petition Date or created thereafter, including under §§ 363 or 364(d) of the Bankruptcy Code or otherwise, other than prior payment of the Carve-Out and the Prior Permitted Liens;

c) The DIP Liens shall be, and hereby are deemed, fully perfected liens and security interests, effective and perfected upon the date of this ~~Interim~~Final Order, without the necessity of execution by the Debtor of mortgages, security agreements, pledge agreements, financing agreements, financing statements, account control agreements or any other agreements, filings or instruments, such that no action whatsoever need be taken by the DIP Lender, the Debtor, or any other party (including, without limitation, any depository bank or securities intermediary) to perfect such interests.

d) For the avoidance of doubt, until indefeasible payment in full in cash of the DIP Obligations, and subject in all cases to the Carve-Out and the terms of ~~the Interim Order and~~this Final Order, the DIP Lender shall have the following priority claims and liens: (i) pursuant to § 364(c)(1) of the Bankruptcy Code, allowed superpriority administrative expense claims against the Debtor and its estate with priority over any and all administrative expenses

and other claims of the kind specified in §§ 503(b) or 507(b) of the Bankruptcy Code, subject to, solely with respect to the Roll Up, the Challenge Rights reserved in Paragraph 21 of this ~~Interim~~Final Order; (ii) pursuant to § 364(c)(2) of the Bankruptcy Code, perfected first priority, senior liens on and security interests in all DIP Collateral that, as of the Petition Date, was not subject to any valid, perfected, and unavoidable lien, or was subject only to invalid, unperfected, or avoidable liens; (iii) pursuant to § 364(c)(3) of the Bankruptcy Code, perfected junior liens on, and security interests in, all DIP Collateral that, as of the Petition Date, was subject to a valid, perfected, and unavoidable lien in existence at the commencement of the Chapter 11 Case, other than the Primed Liens (such third-party senior liens, "Prior Permitted Liens"); and (iv) pursuant to § 364(d)(1) of the Bankruptcy Code, and except with respect to any property subject to Prior Permitted Liens, perfected, first-priority senior priming liens on, and security interests, in all DIP Collateral that is subject to the existing liens in favor of the Prepetition Secured Parties (the "Primed Liens"), which Primed Liens shall be primed by and made subject and subordinate to the perfected first-priority senior priming DIP Liens granted to the DIP Lender hereunder; such priming DIP Liens shall also prime any liens granted after the Petition Date as adequate protection of any Primed Liens, all as provided in ~~the Interim Order and~~this Final Order; *provided* that notwithstanding the foregoing, upon the effectiveness of the Roll Up as provided herein, any prepetition liens and security interests securing the Prepetition Senior Loan Obligations are hereby deemed replaced by the DIP Liens securing the DIP Obligations (including the Roll Up), as provided in this ~~Interim Order and the~~ Final Order, subject to the Challenge Rights reserved in Paragraph 21 of this ~~Interim~~Final Order.

4. **Superpriority Administrative Claim**. The DIP Lender is hereby granted an allowed superpriority administrative expense claim (the "DIP Superpriority Claim," together

with the DIP Liens, the "DIP Protections") pursuant to § 364(c)(1) of the Bankruptcy Code in the Chapter 11 Case and in any Successor Case(s) for all DIP Obligations, including the Roll Up (subject to the Challenge Rights reserved in Paragraph 21 of this ~~Interim~~Final Order), having priority over any and all other claims against the Debtor, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kinds specified in or arising or ordered under §§ 105(a), 326, 328, 330, 331, 503(a), 503(b), 506(c) (with respect to the Roll Up~~, subject to entry of the Final Order~~), 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114 and any other provision of the Bankruptcy Code or otherwise, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed DIP Superpriority Claim shall be payable from all pre- and post-petition property of the Debtor and all proceeds thereof~~, including, without limitation, and after entry of a Final Order, proceeds or property recovered in connection with the pursuit of Avoidance Actions (but excluding the Avoidance Actions themselves)~~. The DIP Superpriority Claim shall be subject and subordinate in priority of payment only to prior payment of the Carve-Out and shall not be recoverable from the Excluded Assets (other than pursuant to the allocation of the proceeds from Excluded Assets set forth in this Final Order, Credit Agreement, and Plan Term Sheet). The DIP Superpriority Claim shall be senior in all respects to any superpriority claims granted in the Chapter 11 Case.

5. **Authorization to Use Proceeds of the DIP Credit Facility and Cash Collateral**. Solely pursuant to the terms and conditions of this ~~Interim~~Final Order, the ~~DIP Term Sheet~~Credit Agreement and the other DIP Documents, and in accordance with the Budget and any variances thereto that may be permitted pursuant thereto or pursuant to the ~~DIP Term Sheet~~Credit Agreement, the Debtor is authorized to use the borrowings pursuant to the ~~DIP Term~~

~~Sheet~~Credit Agreement and to use Cash Collateral during ~~the Interim Period~~this Chapter 11 Case until the earliest to occur of the (a) the Maturity Date; (b) entry of any order by the Bankruptcy Court denying or terminating the Debtor's use of Cash Collateral; or (c) upon the occurrence or continuation of an Event of Default. Subject to the terms of the ~~DIP Term Sheet~~Credit Agreement, the Debtor and the DIP Lender may agree in writing to modify the Budget in the DIP Lender's sole discretion at any time that the DIP Credit Facility remains outstanding. Silence, inaction, course of dealing, or funding of any advance shall not constitute approval of any Budget modification or variance.

6. **Relief from the Automatic Stay**.

a. Upon the occurrence and during the continuance of an Event of Default, the DIP Lender shall have no obligation to make further advances or consent to further use of Cash Collateral. Upon five (5) Business Days' prior written notice to the Debtor (the "Remedies Notice Period"), counsel to the Official Committee of Unsecured Creditors (the "Committee"), the Prepetition Secured Parties, and the U.S. Trustee, the DIP Lender is hereby granted relief from any stay of proceeding (including, without limitation, the automatic stay applicable under § 362 of the Bankruptcy Code to the holder or holders of any security interest) to permit the DIP Lender, upon the occurrence of and continuance of an Event of Default, to exercise any rights and remedies provided to the DIP Lender under the DIP Documents or at law or equity, including all remedies provided under the Bankruptcy Code. Furthermore, the DIP Lender is hereby granted immediate relief from the automatic stay to take steps to perfect the DIP Liens, as described below. The automatic stay of § 362(a) of the Bankruptcy Code, to the extent applicable, shall be deemed terminated without the necessity of any further action by the Court in the event that the Debtor, the Committee, the Prepetition Secured Parties, and/or the U.S. Trustee have not obtained

an order providing otherwise (a "Stay Enforcement Order") from this Court prior to the expiration of the Remedies Notice Period; *provided* that the hearing on whether the automatic stay shall be terminated may be sought on an expedited basis.

b. Upon an Event of Default and subject to the expiration of the Remedies Notice Period without entry of a Stay Enforcement Order, and notwithstanding § 362, the Prepetition Senior Lender, solely in its capacity as party to any deposit account control agreement(s) or similar control agreements in effect as of the Petition Date with respect to any Debtor's deposit, securities, or other bank accounts (collectively, "DACAs"), shall be granted limited relief from the automatic stay to deliver any "notice of exclusive control," "activation notice," or similar instruction required under the DACAs to acknowledge and implement that the Prepetition Senior Lender has exclusive control over the applicable account(s) for the benefit of itself and the DIP Lender pursuant to this ~~Interim~~Final Order. Any bank, financial institution, depository, or securities intermediary subject to a DACA (each, a "Depository Institution") is authorized to comply with any such notice or instruction without further order of the Court, and shall have the protections of § 364(e) and any other applicable protections afforded by this ~~Interim~~Final Order for taking such actions in good faith. For the avoidance of doubt, any such exercise shall be limited to effectuating the Prepetition Senior Lender's and the DIP Lender's exclusive control consistent with the DIP Documents and this ~~Interim~~Final Order. Nothing in this paragraph requires the Prepetition Senior Lender or any Depository Institution to sweep, transfer, or apply funds in any account before the expiration of the Remedies Notice Period. All parties' rights with respect to cash management relief and orders remain reserved, and this Paragraph is intended to complement, and not conflict with, any cash management order entered in the Chapter 11 Case.

7. **Postpetition DIP Lien Perfection**.

a) This ~~Interim~~Final Order shall be sufficient and conclusive evidence of the validity, perfection, and priority of the DIP Liens without the necessity of filing or recording any financing statement, deed of trust, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect the DIP Liens or to entitle the DIP Liens to the priorities granted herein. Notwithstanding the foregoing, the DIP Lender may, at its sole discretion, file financing statements, without notice to the Debtor, with all appropriate jurisdictions to perfect or protect the DIP Lender's interest or rights hereunder, including a notice that any disposition of the DIP Collateral, by the Debtor or any other Person, shall be deemed to violate the rights of the DIP Lender under the Uniform Commercial Code. Such financing statements may indicate the DIP Collateral as "all assets of the Borrower" or words of similar effect, or as being of an equal or lesser scope, or with greater detail, all in the DIP Lender's discretion, and is hereby granted relief from the automatic stay of § 362 of the Bankruptcy Code in order to do so, and any and all of such financing statements, mortgages, notices of lien and other documents shall be deemed to have been filed or recorded at the time and on the date of the commencement of the Chapter 11 Case.

b) The Debtor shall from time to time execute and deliver to the DIP Lender, at the written request of the DIP Lender, all negotiable collateral, all financing statements and other documents that the DIP Lender may reasonably request, in form satisfactory to the DIP Lender, to perfect and continue the perfection of the DIP Lender's security interests in the DIP

Collateral and in order to fully consummate all of the transactions contemplated under the DIP Documents.

8. **Authorization and Direction for Payment of DIP Lender's Fees and Expenses**. The Debtor shall pay all reasonable and documented prepetition and postpetition out of pocket costs and expenses of DIP Lender in connection with the Chapter 11 Case and any Successor Case(s), including, without limitation, in connection with (a) the preparation, negotiation, execution and delivery of the DIP Documents, this ~~Interim Order, and any~~ Final Order, and the funding of all DIP Loans under the DIP Credit Facility, (b) the administration of the DIP Credit Facility and any amendment or waiver of any provision of the DIP Documents, this ~~Interim Order, and any~~ Final Order, (c) the administration of the Chapter 11 Case and any Successor Case(s), (d) the enforcement or protection of the DIP Lender's rights and remedies under the DIP Documents~~,~~ and this ~~Interim Order, and any~~ Final Order, and (e) as provided in Paragraph 12(d). Notwithstanding anything to the contrary herein, the payment of all such reasonable and documented fees, costs and expenses of the DIP Lender, whether incurred before or after the Petition Date, including, without limitation, all reasonable and documented fees referred to in the DIP Documents, all fees referred to in Paragraph 12(d) and all attorneys' fees and expenses, shall (i) be subject to Paragraph 21 of this ~~Interim~~Final Order, be deemed non-refundable and irrevocable, and (ii) not be subject to the Budget. None of DIP Lender's attorneys' fees or disbursements shall be subject to the approval (whether prior to payment or after) of this Court or the guidelines of the Office of the U.S. Trustee, and no recipient of any such payment shall be required to file with respect thereto any interim or final fee application with this Court. Any such fees, costs and expenses shall be paid by the Debtor within fourteen (14) days after delivery of a summary invoice to the Debtor and without the need for application

to or order of the Court. Such summary invoice may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any work product doctrine, privilege or protection, common interest doctrine privilege or protection, any other evidentiary privilege or protection recognized under applicable law, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege, work product doctrine, privilege or protection, common interest doctrine privilege or protection, or any other evidentiary privilege or protection recognized under applicable law. A copy of such summary invoice shall be provided by DIP Lender~~, as applicable~~ to the U.S. Trustee and counsel for the Committee contemporaneously with the Debtor's receipt of such summary invoice. Notwithstanding the foregoing, if (x) the Debtor ~~or~~, the U.S. Trustee or the Committee objects to the reasonableness of a summary invoice submitted by the DIP Lender and (y) the parties cannot resolve such objection, in each case within the fourteen (14) day period following receipt of such summary invoice, the Debtor ~~or~~, the U.S. Trustee or the Committee, as the case may be, shall file with the Court and serve on the DIP Lender submitting the fee request a fee objection (a "Fee Objection"), which Fee Objection shall be limited to the issue of the reasonableness of such fees and expenses.

9. **Carve-Out; Professional Fee Escrow**.

a) "Carve-Out" means (a) all fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the U.S. Trustee under 28 U.S.C. § 1930(a) (without regard to the notice set forth in (c) below) (the "U.S. Trustee Fees"); (b) to the extent allowed at any time, whether by interim order, procedural order, or otherwise by the Court, solely to the extent provided for in the Budget, all unpaid fees (including, without limitation, transaction fees paid upon the closing of the respective transaction but excluding success fees) and expenses

(collectively, the "Professional Fees") accrued or incurred by persons or firms retained by the Debtor pursuant to §§ 327, 328, or 363 of the Bankruptcy Code (the "Professionals") and professionals employed by the Committee (the "Committee Professionals" and, together with the Professionals, the "Professional Persons") at any time on or prior to delivery by or on behalf of the DIP Lender of a Carve-Out Trigger Notice, whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice; and (c) the Professional Fees in an aggregate amount not to exceed $200,000.00 for amounts incurred after the date of delivery of the Carve-Out Trigger Notice or after the occurrence of the Maturity Date, whichever is earlier, to the extent allowed at any time, whether by interim order, procedural order, or otherwise by the Court (the amounts set forth in this clause (c) being the "Post-Carve-Out Trigger Notice Cap"). "Carve-Out Trigger Notice" means either the occurrence of the Maturity Date or a written notice delivered by email (or other electronic means) to the Debtor and its counsel, the U.S. Trustee, and counsel to the Committee, and the Prepetition Secured Parties, which notice may be delivered following the occurrence and during the continuation of an Event of Default under the DIP Documents, stating (x) that the Post-Carve-Out Trigger Notice Cap has been invoked, (y) the DIP Loans have been accelerated, and (z) the DIP Lender does not intend to fund further advances under the DIP Loans or consent to further use of Cash Collateral. Except as otherwise provided herein, no portion of the Carve-Out or proceeds of the DIP Credit Facility may be used for the payment of the fees and expenses of any person incurred in challenging, or in relation to the Challenge of, (a) the liens and/or claims of the DIP Lender or the Prepetition Secured Parties, or the initiation or prosecution of any claim or action against the DIP Lender or the Prepetition Secured Parties, including, without limitation, any causes of action arising under Chapter 5 of the Bankruptcy Code (including, without limitation, §§ 544, 545, 547, 548, 549, 550, and 553 thereof, and any

similar or related claims, causes of action, or rights arising under applicable state or other non-bankruptcy law, "Avoidance Actions"), and any other federal, state or foreign law, in respect of the DIP Documents or (b) any claims or causes of actions against the DIP Lender or the Prepetition Secured Parties, their advisors, professionals, agents and sub-agents, including formal discovery proceedings in anticipation thereof.

b) The Debtor shall wire transfer funds, on a weekly basis, to an escrow account established by Verita, its claims agent, in an amount equal to, but not to exceed, the amounts set forth in the professional fee line items under the "Restructuring Disbursements" or "Bankruptcy Related Disbursements" subheading in the Budget for each such week (the "Professional Fee Escrow"). The Debtor shall use funds held in the Professional Fee Escrow exclusively to pay Professional Fees as they become allowed and payable pursuant to the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, in accordance with any interim or final orders of the Court; *provided, however*, that the Debtor's obligations to pay such allowed Professional Fees shall not be limited or be deemed limited to funds held in the Professional Fee Escrow. Upon delivery of a Carve-Out Trigger Notice, the Debtor may also fund the Professional Fee Escrow with the amount of the Post-Carve-Out Trigger Notice Cap. Except as provided in this ~~Interim~~Final Order, no funds of the Debtor shall be transferred or otherwise deposited into the Professional Fee Escrow. The amount transferred to the Professional Fee Escrow in any week shall not exceed the amount expressly scheduled for that week in the ~~Approved~~ Budget (other than an initial catch up escrow to amounts accrued prior to the Initial Advance), and the aggregate pre-Trigger Notice amount shall not exceed the aggregate amount scheduled in the ~~Approved~~ Budget. No transfer to the Professional Fee Escrow may be made after delivery of a Carve-Out Trigger Notice other than the fixed Post-Carve-Out Trigger

Notice Cap. The Professional Fee Escrow shall not be subject to the control of the DIP Lender, and the funds transferred to the Professional Fee Escrow shall not be subject to the DIP Liens, the Adequate Protection Liens or any other liens, nor constitute DIP Collateral, Prepetition Collateral or collateral for any other obligation; *provided, however*, that the DIP Liens shall automatically attach to any residual interest in the Professional Fee Escrow (which liens shall be deemed automatically perfected liens as of entry of this ~~Interim~~Final Order), and upon satisfaction of all amounts payable from the Professional Fee Escrow, any excess proceeds shall revert to the DIP Lender until the DIP Obligations have been satisfied in full and thereafter to the Debtor (including as reorganized pursuant to a chapter 11 plan).

c) The Debtor shall not sell, assign, factor, advance against, compromise, settle, transfer, or otherwise dispose of any HQAF receivable or any related proceeds without the DIP Lender's prior written consent in its sole discretion and, if required by applicable law, further order of this Court. Notwithstanding the foregoing or anything else herein to the contrary, in the event there is a Carve Out Trigger Notice or the Plan is not confirmed and the alternative private sale contemplated in the Plan Term Sheet (attached to the Interim Order as an exhibit to Exhibit A) does not occur, the DIP Lender and Prepetition Senior Lender hereby consent to the Debtor entering into one or more agreements for the advancement or sale of HQAF receivables with such amounts to be used for reasonable, necessary and documented costs (excluding legal fees) to safely close the Hospital, to be determined in consultation with the DIP Lender, with any excess amounts to be turned over to the DIP Lender.

10. For the avoidance of doubt, notwithstanding any (i) occurrence of any Event of Default, (ii) delivery of a Carve-Out Trigger Notice, or (iii) termination of the DIP Documents, the Debtor shall be permitted to fund and make payments from the Professional Fee Escrow in

accordance with the Budget and this ~~Interim~~Final Order; *provided, that*, for the further avoidance of doubt, nothing in this subparagraph is intended or shall be deemed to obligate the DIP Lender to make any further DIP Loans or advance any further funds under the DIP Facility upon the occurrence of any of the events identified at (i), (ii), and (iii) in this subparagraph.

11. **Payment of Compensation**. Nothing herein shall (i) limit or cap the amount of U.S. Trustee Fees or any professional fees of the Debtor or Committee that may ultimately be allowed or paid from sources other than the DIP Collateral or Prepetition Collateral, or (ii) be construed as consent to the allowance of any professional fees or expenses of the Debtor or Committee or affect the right of any party in interest to object to the allowance and payment of such fees and expenses.

12. **Adequate Protection for Prepetition Secured Parties**. As adequate protection in respect of, and as consideration for any Diminution resulting from any of the incurrence and payment of the DIP Obligations, the use of Cash Collateral, the use of other Prepetition Collateral, the granting of the DIP Liens and the DIP Superpriority Claim, the subordination of the Prepetition Secured Obligations to the DIP Obligations and the Carve-Out and the imposition of the automatic stay pursuant to § 362 of the Bankruptcy Code, the Prepetition Secured Parties are hereby granted (in each case subject only to the DIP Liens, the DIP Superpriority Claim, and prior payment of the Carve-Out) the following adequate protection:

a) *Adequate Protection Liens*. The Prepetition Secured Parties are hereby granted (effective and perfected by operation of law immediately upon entry of this ~~Interim~~Final Order and without the necessity of execution by the Debtor of mortgages, security agreements, pledge agreements, financing statements, account control agreements and other agreements, filings or instruments) valid, perfected, postpetition security interests and liens (the "Adequate

Protection Liens") in and on all of the same types of collateral constituting the Prepetition Collateral except to the extent of the Excluded Assets, with a priority subject and subordinate only to (i) the DIP Liens, (ii) DIP Superpriority Claim, (iii) the Carve-Out and (iv) any liens senior by operation of law or otherwise permitted under the Prepetition Loan Documents (solely to the extent that any such permitted liens were valid, properly perfected, non-avoidable and senior in priority to the Prepetition Liens as of the Petition Date, or valid, non-avoidable senior priority liens in existence as of the Petition Date that are perfected after the Petition Date as permitted by § 546(b) of the Bankruptcy Code).

b) *Superpriority Claims*. Administrative superpriority expense claims in the Chapter 11 Case (the "Adequate Protection Superpriority Claims"), junior and subordinate only to the DIP Obligations, DIP Superpriority Claim and the Carve-Out, pursuant to section 507(b) having priority over any and all other claims against the Debtor, now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kinds specified in or arising or ordered under §§ 105(a), 326, 328, 330, 331, 503(a), 503(b), 506(c) ~~(subject to entry of a Final Order)~~, 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114 and any other provision of the Bankruptcy Code or otherwise, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment, which allowed Adequate Protection Superpriority Claim shall be payable from and have recourse to all pre- and post-petition property of the Debtor (except for the Excluded Assets) and all proceeds thereof ~~including, without limitation, and after entry of a Final Order, any proceeds or property recovered in connection with the pursuit of Avoidance Actions~~. The DIP Superpriority Claim shall be subject and subordinate in priority of payment only to prior payment of the Carve-Out and shall not be payable from the Excluded Assets (other than pursuant to the

allocation of the proceeds from Excluded Assets set forth in this Final Order, Credit Agreement, and Plan Term Sheet). For the avoidance of doubt, the Adequate Protection Superpriority Claims are junior and subordinate in all respects to (i) the Carve-Out and (ii) the DIP Superpriority Claim and all other DIP Obligations.

c) *506(c) and 552(b) Waivers*. ~~Upon the entry of the Final Order, the~~The Prepetition ~~Secured Parties'~~Senior Lender's consent to use of Cash Collateral and Prepetition Collateral under this ~~Interim Order and the~~ Final Order and the Debtor's right to use Cash Collateral and Prepetition Collateral: (i) is in lieu of any § 506(c) claim, payment or priority for the costs or expenses of the administration of the Chapter 11 Case; and (ii) is granted as consideration for (among other things) the waiver of the exceptions provided in §§ 552(b)(1) and (2) of the Bankruptcy Code.

d) *Fees and Expenses*. The Debtor shall pay all postpetition reasonable and documented fees and expenses incurred by the DIP Lender, including, without limitation, the reasonable and documented fees and expenses of counsel to the Prepetition Senior Lender; including fees and expenses incurred in connection with negotiations in connection with the ~~DIP Term Sheet~~Credit Agreement and Plan Term Sheet and related documents; provided, however, that the DIP Lender shall not be entitled to reimbursement for any fees or expenses incurred in connection with (i) the acquisition of the Hospital or the transfer of operations at the Hospital (including in connection with regulatory approval, ~~interim management agreement~~Interim Management Agreement or similar ~~arrangement, or~~ agreement with the Debtor (the "IMA"), or negotiation of a lease with the Landlord), or (ii) the negotiation, preparation, or documentation of any asset purchase agreement, or (iii) any other activities undertaken in furtherance of the DIP Lender's acquisition of the Debtor's assets. No provision of this ~~Interim~~Final Order shall impair

the DIP Lender's right to reimbursement for reasonable expenses incurred to preserve, monitor, enforce, protect, or realize upon its rights and collateral, including in connection with a court-approved sale process or credit bid as DIP Lender.

13. **Credit Bid Rights**. In connection with any sale or disposition of all or any portion of the DIP Collateral, including in each case pursuant to §§ 9-610 or 9-620 of the Uniform Commercial Code, at any sale thereof conducted under the provisions of the Bankruptcy Code, including § 363 of the Bankruptcy Code or as part of restructuring plan subject to confirmation under § 1129 of the Bankruptcy Code, or at any sale or foreclosure conducted by the DIP Lender, by a chapter 7 trustee under § 725 of the Bankruptcy Code, or otherwise, in each case in accordance with applicable law and, with respect to any credit bid, § 363(k) of the Bankruptcy Code, the DIP Lender shall have the power and right to "credit bid" the full amount ~~(~~or any portion~~)~~, but not less than $40 million, of all DIP Obligations (inclusive of the Roll Up, subject to the Challenge Rights in Paragraph 21 of this ~~Interim~~Final Order) in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the DIP Collateral and (b) subject to the terms of Paragraph 21 herein, the Prepetition Senior Lender shall have the right to credit bid the full amount (or any portion) of the Prepetition Senior Loan Obligations, in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the Prepetition Collateral. The Debtor, on behalf of itself and the estate, further hereby agrees not to challenge the rights granted to the DIP Lender and the Prepetition Senior Lender in this paragraph. The DIP Lender and each of its affiliates, designees, and acquisition vehicles may credit bid all or any portion of the full amount of the DIP Obligations, including principal, accrued interest, fees, expenses, protective advances, and other obligations under the DIP Documents, in any sale or disposition of DIP Collateral. No Challenge shall limit such credit-bid

right absent a final, non-appealable order expressly determining the specific amount of DIP Obligations that may not be credit bid.

14. **Maturity Date**. All unfunded DIP commitments of the DIP Lender will terminate, and all DIP Obligations of the Debtor will be immediately due and payable in full in cash on the earliest of: (a) December 8, 2026, unless a Confirmation Order is entered, in form and substance reasonably acceptable to DIP Lender, approving the Plan, Disclosure Statement and related sale of the Debtor's assets to the DIP Lender (or its designee), in which case such date shall be extended to the occurrence of the effective date of the Plan and closing of such sale (the "Maturity Date"); (b) the date upon which a Milestone is missed and not waived by the DIP Lender; (c) the date of consummation of any sale of all or substantially all of the assets of the Debtor pursuant to § 363 of the Bankruptcy Code; (d) the date of acceleration of the DIP Loans and the termination of the DIP commitments pursuant to the terms of the DIP Documents (e.g., occurrence of an Event of Default); (e) the effective date of a plan of reorganization in the Chapter 11 Case; (f) appointment of a chapter 11 trustee in the Chapter 11 Case; or (g) conversion of the Chapter 11 Case to a case under chapter 7 of the Bankruptcy Code or dismissal of the Chapter 11 Case.

15. **Events of Default**. The occurrence of an "Event of Default" by the Debtor pursuant to the ~~DIP Term Sheet~~Credit Agreement shall constitute an event of default under this ~~Interim~~Final Order, unless expressly waived by the DIP Lender in its sole discretion in writing in accordance with the DIP Documents (each, an "Event of Default"). The Debtor shall provide the DIP Lender immediate written notice of any Event of Default or event that, with notice, passage of time, or both, would become an Event of Default.

16. **Rights and Remedies Upon Event of Default**. Upon the occurrence and during the continuance of an Event of Default, the DIP Lender shall have the rights to which it is entitled under the ~~DIP Term Sheet~~Credit Agreement and this ~~Interim~~Final Order, subject to the rights and defenses of the Debtor under this ~~Interim~~Final Order.

17. **Proofs of Claim**. Neither the DIP Lender nor the Prepetition Secured Parties shall be required to file proofs of claim in the Chapter 11 Case or Successor Cases for any claim allowed herein.

18. **Other Rights and Obligations**.

a) *Good Faith Under Section 364(e) of the Bankruptcy Code*. The DIP Lender and the Prepetition ~~Secured Parties~~Senior Lender have acted in good faith in connection with (i) negotiating the DIP Documents and the loans to be made pursuant thereto, (ii) consenting to the Debtor's use of Cash Collateral, and (iii) their reliance on this ~~Interim~~Final Order. Based on the findings set forth in this ~~Interim~~Final Order and the record made during the ~~Interim~~Final Hearing, and in accordance with § 364(e) of the Bankruptcy Code and Bankruptcy Rules 4001(b) and (c), in the event any or all of the provisions of this ~~Interim~~Final Order are hereafter reversed or modified by a subsequent order of this or any other Court, the DIP Lender and the Prepetition ~~Secured Parties~~Senior Lender are entitled to all of the benefits and protections to the extent provided in § 364(e) of the Bankruptcy Code.

b) *Binding Effect*. The DIP Liens, DIP Superpriority Claim, and the Adequate Protection Liens and other rights and remedies granted under this ~~Interim~~Final Order to the DIP Lender and the Prepetition Secured Parties, as applicable, shall continue in the Chapter 11 Case and any Successor Case(s), and shall be valid and enforceable against any trustee appointed in the Debtor's Chapter 11 Case and upon the dismissal of the Debtor's Chapter 11 Case, or in any

Successor Case(s), and such liens and security interests shall maintain their priority as provided in this ~~Interim~~Final Order until all the DIP Obligations or the Prepetition Obligations, as applicable, have been indefeasibly paid in full in accordance with the DIP Documents, the Prepetition Documents or this ~~Interim~~Final Order, as applicable; *provided*, for the avoidance of doubt, that the DIP Liens (to the extent of the Roll Up), DIP Superpriority Claim (to the extent of the Roll Up), and the Adequate Protection Liens shall be subject to the Challenge Rights reserved in Paragraph 21 of this ~~Interim~~Final Order.

c) *DIP Lender's Liability for DIP Collateral*. So long as the DIP Lender complies with reasonable commercial lending practices, the DIP Lender shall not in any way or manner be liable or responsible for: (i) the safekeeping of the DIP Collateral; (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause; (iii) any diminution in the value thereof; or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other person whomsoever, provided that this paragraph shall not apply to CERCLA liability. All risk of loss, damage or destruction of the DIP Collateral shall be borne by the Debtor.

d) *Demand; Protest*. The Debtor waives demand, protest, notice of protest, notice of default or dishonor, notice of payment and nonpayment, notice of any default, nonpayment at maturity, release, compromise, settlement, extension, or renewal of accounts, documents, instruments, chattel paper, and guarantees at any time held by the DIP Lender on which the Debtor may in any way be liable.

e) *No Other Financing.* Except as provided in the ~~DIP Term Sheet~~Credit Agreement, the Debtor shall not seek, solicit, entertain, negotiate, or support any alternative financing (including not entering into any future sale or financing transactions with L.A. Care, or

any other person, regarding HQAF receivables or otherwise, and not using or pledging cash collateral other than as set forth in the ~~Approved~~ Budget) or priming proposal without the DIP Lender's prior written consent unless such financing would indefeasibly repay all DIP Obligations in full in cash at or prior to consummation.

19. **Releases**. The release, discharge, waivers, settlements, compromises, and agreements set forth in this Paragraph 19 (the "Releases") and the Stipulations set forth in Paragraph D of this ~~Interim~~Final Order shall be deemed effective upon entry of this ~~Interim~~Final Order, subject only to the rights set forth in Paragraph 21 below. The Debtor forever and irrevocably releases, discharges, and acquits (i) the DIP Lender, solely in its capacity as DIP Lender, under the DIP Documents; (ii) the DIP Lender's affiliates and predecessors in interest; and (iii) the DIP Lender's former, current or future officers, employees, directors, agents, representatives, owners, members, partners, advisors, legal advisors, shareholders, managers, consultants, accountants, and attorneys, solely in their capacity as such (collectively, the "DIP Lender Releasees"), of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every type at any time arising prior to the Petition Date, including without limitation, all Avoidance Actions, provided that no such parties will be released, discharged, and acquitted for any claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such parties' actual fraud, gross negligence, bad faith, self-dealing or willful misconduct. For the avoidance of doubt, nothing contained herein shall relieve the DIP Lender from fulfilling any of its commitments under this ~~Interim~~Final Order or the DIP Documents. Subject to ~~(i) entry of the Final Order and (ii)~~ the Challenge Rights set forth in Paragraph 21 of

this ~~Interim~~Final Order and without prejudice to the rights of interested parties under Paragraph 21 of this ~~Interim~~Final Order, the Debtor forever and irrevocably releases, discharges, and acquits the Prepetition Senior Lender, solely in its capacity as such, under the Prepetition Senior Loan Documents, and their affiliates and predecessors in interest, and their respective former, current or future officers, employees, directors, agents, representatives, owners, members, partners, advisors, legal advisors, shareholders, managers, consultants, accountants, and attorneys, solely in their capacity as such (collectively, the "Prepetition Secured Party Releasees"), of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every type at any time arising prior to the Petition Date, including without limitation, all Avoidance Actions, provided that no such parties will be released, discharged, and acquitted for any claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such parties' actual fraud, gross negligence, bad faith, self-dealing or willful misconduct. For the avoidance of doubt, the foregoing release applies only to conduct, acts and omissions that occurred on or prior to the entry of ~~the~~this Final Order, and the release does not apply to future conduct, acts or omissions or ongoing obligations of the Prepetition Senior Lender to the Debtor under the Prepetition Senior Loan Documents.

20. **Indemnification**. The DIP Lender has acted in good faith, and without negligence or violation of public policy or law, in respect of all actions taken by them in connection with or related in any way to negotiating, implementing, documenting, or obtaining the requisite approvals of the DIP Loans, including in respect of the granting of the DIP Liens, any challenges or objections to the DIP Credit Facility, and all documents related to any and all transactions

contemplated by the foregoing. Accordingly, the DIP Lender shall be and hereby is indemnified and held harmless by the Debtor in respect of any claim or liability incurred in respect thereof or in any way related thereto, provided that no such party will be indemnified for any cost, expense, or liability to the extent determined in a final, non-appealable judgment of a court of competent jurisdiction to have resulted from such party's actual fraud, gross negligence, bad faith, or willful misconduct; *provided, further*, that, notwithstanding anything to the contrary herein or in the ~~DIP Term Sheet~~Credit Agreement or any other related document, no Debtor shall have any obligation to indemnify, contribute to, or reimburse the DIP Lender or any of its affiliates, agents, or representatives for any losses, claims, damages, liabilities, or expenses to the extent arising from or relating to a successful Challenge (as defined in Paragraph 21 of this ~~Interim~~Final Order).

21. **Reservation of Certain Third-Party Rights and Bar of Challenges and Claims**. The Releases set forth in Paragraph 19 above and the Stipulations set forth in Paragraph D of this ~~Interim~~Final Order shall be binding upon the Debtor and any of its respective successors and assigns in all circumstances and for all purposes, and the Debtor is deemed to have irrevocably waived and relinquished all Challenges as of the Petition Date. In addition (i) the Committee's right to challenge the Stipulations and Releases set forth herein and (ii) the Committee's or Axios's right to file a Standing Motion (as defined in the L.A. Care Sale Order) seeking authority to challenge certain prepetition transactions between the Debtor and L.A. Care as and to the extent permitted by the L.A. Care Sale Order (collectively, the "Challenge Rights" and any assertion of such Challenge Rights, a "Challenge") shall be tolled through first to occur of the (i) closing of a Private Sale and (ii) the effective date of any chapter 11 plan filed and approved in this Chapter 11 Case (the "Challenge Expiry Date") and, upon the Challenge Expiry Date, shall be deemed waived and released in accordance with the terms and conditions of such

plan or Private Sale consistent with the Plan Term Sheet; provided, however, that such tolling period shall expire in the event the Plan is not confirmed if the DIP Lender (i) fails to fund its obligations under the DIP Facility (it being understood that the Lender's declining to fund any advance as to which any condition precedent has not been satisfied, or following the occurrence of an Event of Default by the Debtor, shall not constitute a failure to fund) ~~(a "DIP Funding Breach")~~, or (ii) fails to perform a material operational duty or material financial obligation under any ~~Interim Management Agreement or similar agreement with the Debtor (the "~~IMA~~")~~, in each case consistent with the terms thereof, and such failure continues for three (3) business days after counsel for the Prepetition Senior Lender receives written notice thereof from the Debtor or the Committee, with a copy to L.A. Care, and results in a negative financial impact to the Hospital by an amount greater than $500,000 ~~(an "IMA Breach")~~, then the Committee (or Axios and Committee with respect to ~~LA~~L.A. Care) shall have fourteen (14) days after counsel for the Prepetition Senior Lender~~,~~ receives written notice from the Debtors or the Committee (which notice shall be delivered contemporaneously to counsel for L.A. Care ~~receives written notice from~~by the Debtors or the Committee) of the Prepetition Senior Lender's continuing breach to commence and pursue any Challenge Rights; provided however, the Prepetition Senior Lender agrees to escrow any recoveries on account of its collateral in excess of the New Money Term Loans and the Commitment Fee pending resolution of such Challenge or further court order, and in the event of a successful Challenge (i) first, Axios's $15 million allowed claim against the Liquidating Trust shall be reduced, in an amount determined by the Bankruptcy Court not to exceed the amount actually due and unfunded under the ~~Approved~~ Budget or the IMA, to offset such harm to the holders of allowed general unsecured claims, and (~~iii~~ii) if the damages exceed ~~Axios'~~Axios's $15 million allowed claim against the Litigation Trust, then the balance of the

damages shall reduce any remaining ~~Axios'~~Axios's claim against the Debtor's estate. If such 14-day period expires as to either the DIP Lender or L.A. Care without a Challenge, the Committee's or Axios's right to challenge as to such party will be terminated. No extension of the Challenge Period shall be effective without the prior written consent of, as applicable, the DIP Lender, the Prepetition Senior Lender or L.A. Care.

a. As to the Prepetition Senior Lender, the Committee shall have derivative standing to bring a challenge against the Prepetition Senior Lender or the Prepetition Senior Liens provided it satisfies the requirements set forth in, and consistent with, this paragraph. A timely Challenge as to the Prepetition Senior Lender must be commenced by a properly filed adversary complaint or contested matter that identifies with particularity each challenged lien, obligation, payment, or transaction and the specific legal and factual basis for relief. A request for Rule 2004 examination, discovery request, motion to extend, objection, reservation of rights, or other preliminary proceeding shall not constitute a Challenge. Pending a final, non-appealable order sustaining a timely and properly commenced Challenge solely as to a specifically identified portion of the Roll-Up, the Roll-Up shall remain a valid and enforceable DIP Obligation entitled to all DIP Protections. No Challenge, investigation, discovery request, grant of standing, reservation of rights, or other proceeding shall affect the New Money Term Loans or their associated DIP Protections.

b. As to L.A. Care, the Committee and Axios must comply with the L.A. Care Sale Order in pursuing any Standing Motion or Challenge.

c. As to the Landlord, the Debtor, DIP Lender, and the Landlord have reached a non-binding agreement in principle (the "Lease Principle Agreement"), setting forth the parties' agreement in principle regarding lease terms in the event DIP Lender (or its designee) acquires Pacifica Hospital of the Valley (the "Hospital"). If Landlord has repudiated or otherwise abandoned the agreement in principle reflected in the Lease Principle Agreement (or an agreement is not reached by October 28, 2026 or such later date as may be agreed to by the DIP Lender and the Landlord), then the Committee and DIP Lender each shall be immediately deemed to have been granted standing to commence litigation against the Landlord to assert any and all claims and causes of action of the Debtor's estate against the Landlord, including, without limitation, seeking recharacterization of the Debtor's Master Lease with the Landlord and the restriction on use of DIP Credit Facility proceeds to prosecute such litigation shall be deemed terminated. The Committee will discuss with DIP Lender and the Debtor pursuing such litigation against Landlord and DIP Lender may commence any such litigation and the Committee shall have 30 days after the commencement of such action to join or otherwise intervene, unless otherwise agreed by DIP Lender and the Committee. Upon the Plan Effective Date, if such dispute is not resolved, the litigation shall be handled by Newco (as defined in the Plan Term Sheet) or its designated counsel for the benefit of Newco. So long as the IMA is still in effect and DIP Lender has not closed on its purchase of the Hospital, any settlement, compromise, or release of any such claims or causes of action against the Landlord (whether commenced by the Committee, the Debtor, or DIP Lender)

shall require the prior written consent of DIP Lender. For the avoidance of doubt, neither the absence of an agreement with the Landlord nor the pendency of any such litigation shall be a condition to, or shall excuse or delay the consummation of, the sale of the Debtor's assets to Lender pursuant to the Plan (as defined in the Plan Term Sheet) or a Private Sale; in such event the Master Lease shall be assumed and assigned to Newco pursuant to section 365 solely to the extent it constitutes a true lease and expressly without prejudice to, or waiver, release, or ratification of, any claim or cause of action of the estate against the Landlord (including recharacterization), all of which shall be preserved pursuant to section 1123(b)(3)(B) (or sold to DIP Lender under section 363) and vested in Newco.

22. **Restriction on Use of Funds**. Subject to the final sentence of this paragraph 22, but notwithstanding any other provision in this ~~Interim~~Final Order or the DIP Documents to the contrary, without the express written consent of the DIP Lender, no proceeds of the DIP Credit Facility, any DIP Collateral or Prepetition Collateral (including, without limitation, Cash Collateral) or any portion of the Carve-Out may be used to pay any claims for services rendered by any professionals retained by the Debtor, any creditor or party in interest, the Committee, any trustee appointed under the Chapter 11 Case or any Successor Case(s), or any other party to (a) request authorization to obtain postpetition loans or other financial accommodations pursuant to § 364 of the Bankruptcy Code or otherwise, other than from the DIP Lender, unless the proceeds of such loans or accommodations are or will be sufficient, and will be first used, to indefeasibly pay in full in cash all DIP Obligations; (b) investigate (except as set forth in this paragraph below), assert, join, commence, support or prosecute any Challenge or other action or claim, counter-claim, proceeding, application, motion, objection, defense, or other adversary

proceeding or contested matter seeking any order, judgment, determination or similar relief against, or adverse to the interests of the DIP Lender or any other DIP Lender Releasee or the Prepetition Senior Lender with respect to any transaction, occurrence, omission, or action including, without limitation, (i) any Avoidance Actions, (ii) any action relating to any act, omission or aspect of the relationship between or among any of the DIP Lender Releasees or the Prepetition Senior Lender Releases, on the one hand, and any of the Debtor, on the other, (iii) any action with respect to the validity and extent of the DIP Obligations, the Prepetition Senior Secured Obligations, or the validity, extent, and priority of the DIP Liens, the Prepetition Senior Liens or the Adequate Protection Liens, (iv) any action seeking to invalidate, set aside, avoid or subordinate, in whole or in part, the DIP Obligations, the DIP Liens, the Prepetition Senior Secured Obligations, the Prepetition Senior Liens, or the Adequate Protection Liens, or (v) any action that has the effect of preventing, hindering or delaying (whether directly or indirectly) DIP Lender in respect of the enforcement of the DIP Liens; (c) subject to authority provided to the Debtor pursuant to the DIP Documents, pay any claim (as defined in the Bankruptcy Code) of a prepetition creditor (as defined in the Bankruptcy Code) if the Debtor has received a written objection to such payment from the DIP Lender; and/or (d) use or seek to use Cash Collateral or sell or otherwise dispose of DIP Collateral, unless otherwise permitted hereby or by the DIP Documents, without the express written consent of the DIP Lender. Notwithstanding the foregoing, up to $~~25,000~~50,000 (the "Challenge Budget") in the aggregate of the DIP Credit Facility, DIP Collateral, Cash Collateral and Carve-Out may be used by the Committee to investigate Challenges against the Prepetition Secured Party Releasees and the legality, validity, priority, perfection, enforceability and extent of the Prepetition Senior Liens. The Challenge Budget is a hard aggregate cap and may be used solely for an initial investigation by Committee

Professionals. It may not be used to seek or litigate an extension of the Challenge Period, prosecute an appeal, conduct discovery beyond that reasonably necessary for the investigation, challenge New Money Term Loans or related DIP Protections, or pursue claims against any person other than the Prepetition Senior Secured Party Releasees. No unused portion of the Challenge Budget may be reallocated for any other purpose without the DIP Lender's prior written consent.

23. **Limitation on Surcharge**. Without limiting the terms of the Carve-Out ~~(and subject to the entry of the Final Order solely with respect to (i) the Prepetition Secured Parties and (ii) the Roll Up),~~, no costs or expenses of administration which have been or may be incurred in the Chapter 11 Case or any Successor Case(s) at any time shall be surcharged against, and no person may seek to surcharge any costs or expenses of administration against the DIP Lender, the Prepetition Secured Parties, the Carve-Out (other than the Professional Persons that are the beneficiaries of the Carve-Out as provided for in the Budget), the DIP Collateral or the Prepetition Collateral, pursuant to §§ 105 or 506(c) of the Bankruptcy Code or otherwise, without the prior written consent of the DIP Lender and the Prepetition Secured Parties (and the Professional Persons that are the beneficiaries of the Carve-Out as provided for in the Budget in the case of an asserted surcharge against the Carve-Out); *provided* that nothing herein shall alter the Challenge Budget. No action, inaction or acquiescence by the DIP Lender or the Prepetition Secured Parties shall be deemed to be or shall be considered evidence of any alleged consent to a surcharge against either DIP Lender, the DIP Collateral, the Prepetition Secured Parties or the Prepetition Collateral.

24. **No Marshaling**. ~~Subject to entry of the Final Order, the~~The Prepetition Secured Parties and the DIP Lender shall not be subject to the equitable doctrine of "marshaling" or any

other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral. Without limiting the generality of the immediately preceding sentence~~, and subject to entry of the Final Order,~~ no party (other than the Prepetition Secured Parties and the DIP Lender) shall be entitled, directly or indirectly, to direct the exercise of remedies or seek (whether by order of this Court or otherwise) to marshal or otherwise control the disposition of the DIP Collateral or the Prepetition Collateral (as applicable) after an Event of Default under the DIP Documents.

25. **Allocation of Proceeds of Excluded Assets**. Notwithstanding anything to the contrary herein, the Excluded Assets (as defined in the ~~DIP~~Credit Agreement and Plan Term Sheet and incorporated herein by reference)~~, upon entry of the Final DIP Order,~~ shall be free and clear of and excluded from the liens, security interests, claims, encumbrances, or other interests of Axios or the Landlord arising under or in connection with any prepetition or postpetition financing or indebtedness (including any adequate protection liens and claims) for the benefit of holders of allowed general unsecured claims~~ upon the entry of the Final DIP Order.~~ .

26. For the avoidance of doubt, the Excluded Assets shall not be included in any sale of the Debtor's assets pursuant to the Plan or otherwise. Upon the occurrence of the Plan Effective Date, the Excluded Assets shall be contributed to the Liquidating Trust in accordance with the Plan Term Sheet. Axios shall not recover or receive by any means from the Debtor's estate or Liquidating Trust (as applicable) more than $15 million in the aggregate from the Excluded Assets as provided in the Plan Term ~~sheet~~Sheet waterfall set forth below~~ and~~. The Excluded Assets shall be deemed gifted to the Debtor's estate for the benefit of holders of allowed general unsecured claims~~ upon the entry of the Final DIP Order. For the avoidance of doubt, the Excluded Assets shall not be included in any sale of the Debtor's assets pursuant to the Plan or otherwise~~. Notwithstanding anything to the contrary in this ~~Interim Order, the~~ Final
