GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY, AND DISCLAIMERS REGARDING THE DEBTOR'S SCHEDULES OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS

On June 16, 2026 (the "**Petition Date**"), Pacific Capital Funding Group, Inc., Pacific Private Money, Inc., Private Money Management Group LLC, Pacific Southwest Note Fund LLC, Pacific Private Money Partners LLC, Pacific Private Money Group LLC, Pacific Private Money Fund LLC, Pacific Opportunity Fund LLC, Pacific Note Fund Management Group LLC, Pacific Freedom Fund LLC, Arrival Home Loans, LLC, and Arrival Fund I, LLC, the debtors and debtors-in-possession (collectively the "**Debtors**") commenced the above-captioned chapter 11 case by filing a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the "**Bankruptcy Code**") with the United States Bankruptcy Court for the Northern District of California (the "**Bankruptcy Court**"). The Debtors are authorized to operate their business as debtors-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The Debtors have filed their Schedules of Assets and Liabilities (collectively, the "**Schedules**") and Statement of Financial Affairs (the "**Statement**" and, together with the Schedules, the "**Schedules and Statement**") with the Bankruptcy Court. The Debtors, with the assistance of their advisors, prepared the Schedules and Statement in accordance with section 521 of the Bankruptcy Code, rule 1007 of the Federal Rules of Bankruptcy Procedure, and rule 1007–1 of the *Local Rules of the United States Bankruptcy Court for the District of Delaware*.

Each Debtor's Schedules and Statement was prepared under the direction of the Debtors' Chief Restructuring Officer ("CRO") based upon the information contained in all the Debtors'

books and records. The CRO was not involved in preparing or maintaining the Debtors' books and records and therefore does not know whether the information contained therein is complete or accurate. Further, the Debtors ceased operations and terminated all their employees, including the accounting staff, in February 2026. Thus, the Debtors have relied upon an outsourced accounting to update the books and records. Subject to these limitations, the CRO has used his best efforts to gather the information in the Debtors' books and records and prepare the Schedules and Statement of Financial Affairs.

The Schedules and Statement are unaudited. While the Debtors' CRO and the Debtors' advisors have made a reasonable effort to ensure that the Schedules and Statement are accurate and complete based on information known to them at the time of preparation after reasonable inquiries, inadvertent errors or omissions may exist and/or the subsequent receipt of information may result in material changes in financial and other data contained in the Schedules and Statement. Further, the Debtors anticipate that additional reserves or write-downs in the value of their assets will be recorded as adjusting journal entries when the 2025 tax return preparation work is completed. Accordingly, the Debtors reserve the right to amend and/or supplement the Schedules and Statement from time to time as may be necessary or appropriate.

The Debtors and their agents and attorneys do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained therein. Except as required by the Bankruptcy Code, the Debtors and their attorneys expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided in the Schedules and Statement, or to notify any third party should the information be updated, modified, revised, or re-categorized. In no event shall the Debtors or their attorneys be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business or lost profits), whether foreseeable or not and however caused, even if the Debtors or

their agents and attorneys are advised of the possibility of such damages.

William Brinkman, the Debtors' CRO in these Chapter 11 Cases, has signed the Schedules and Statement. In reviewing and signing the Schedules and Statement, Mr. Brinkman has necessarily relied upon the information contained in the Debtors' books and records. Mr. Brinkman has not (and could not have) personally verified the accuracy of each such statement and representation contained in the Schedules and Statement, including statements and representations concerning amounts owed to creditors.

These *Global Notes and Statements of Limitations, Methodology and Disclaimers Regarding the Debtor's Schedules of Assets and Liabilities and Statement of Financial Affairs* (these "**Global Notes**") are incorporated by reference in, and comprise an integral part of, the Schedules and Statement. The Global Notes should be referred to and reviewed in connection with any review of the Schedules and Statement.

GLOBAL NOTES AND OVERVIEW OF METHODOLOGY

Reservation of Rights. The Debtors reserve the right to dispute, or to assert setoff or other defenses to, any claim reflected in the Schedules and Statement as to amount, liability, and classification. The Debtors also reserve all rights with respect to the values, amounts, and characterizations of the assets and liabilities listed in the Schedules and Statement.

Basis of Presentation. The Schedules and Statement do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("**GAAP**").

Date of Valuations. Except as otherwise noted in the Schedules and Statement, all liabilities, as well as cash, inventory and vendor debit balances, are valued as of the Petition Date. The Schedules and Statement reflect the Debtors' best effort to allocate the assets, liabilities, receipts, and expenses "as of" such date. In certain instances, the Debtors used estimates or pro-rated amounts where actual data as of the aforementioned dates was not available. The Debtors made a reasonable effort to allocate liabilities between the pre- and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statement. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and post-petition

periods and amend the Schedules and Statement accordingly.

Unless otherwise indicated herein or in the Schedules and Statement, all financial information for the Debtors in the Schedules and Statement and these Global Notes is provided as of the Petition Date or as close thereto as reasonably practicable under the circumstances.

Currency. All amounts are reflected in United States Dollars. For the sole purpose of the Schedules and Statement, foreign currency amounts have been converted to U.S. Dollars, generally as of the Petition Date, using published exchange rates.

***Book Value*.** Generally, each asset and liability of the Debtors is shown on the basis of net book value of the asset or liability in accordance with the Debtors' accounting books and records. In certain circumstances, such as the value of real estate owned properties, the values in the Schedules and Statement are based upon the fair market estimate of the current market values of the Debtors' assets, which may not correspond to book values. Note that it would be cost prohibitive and unduly burdensome to obtain current fair market valuations of all of the Debtors' property interests. As such, the detail may include error corrections and value adjustments (shown as negative values or multiple line items for an individual asset). The Debtors believe that certain of its assets may have been significantly impaired by, among other things, the events leading to, and the commencement of, the Debtors' chapter 11 case. The Debtors have not yet formally evaluated the appropriateness of the carrying values ascribed to its assets prior to the Petition Date.

***Re-characterizatio*n**. Notwithstanding the Debtors' reasonable efforts to properly characterize, classify, categorize or designate certain claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statement, the Debtors may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity of the Debtors' business and the large volume of documents and records. Accordingly, the Debtors reserve all of their rights to re-characterize, reclassify, re-categorize, re-designate, add or delete items reported in the Schedules and Statement at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and executory and unexpired post-petition.

Causes of Action. The Debtors have made their best efforts to set forth known causes of action against third parties as assets in its Schedules and Statement. The Debtors reserve all of their rights with respect to any and all causes of action or avoidance actions it may have, whether disclosed or not disclosed, and neither these Global Notes nor the Schedules and Statement shall be deemed a waiver of any such rights or claims.

Furthermore, a forensic investigation of the Debtors' affairs is underway. That investigation may reveal additional claims against officers, directors, and third parties.

Litigation. While the Debtors have made reasonable efforts to accurately record any known litigation actions (collectively, the "**Litigation Actions**") in the Schedules and Statement, the inclusion of any such action does not constitute the admission of liability by the Debtors, the validity of any claim, or the amount of any potential claim that may arise from such actions in the future. The Debtors reserve all rights to contest, defend, or otherwise object to the validity or amount of any claims resulting from any Litigation Actions currently pending or that may arise in the future.

Claims. The Schedules lists creditors and set forth the Debtors' estimate of the claims of creditors as of the Petition Date.

The Debtors intentionally have not included "non-cash" accruals (*i.e.*, accruals to recognize expense or liability over multiple periods where no specific obligation to perform is established), in the Schedules and Statement.

Any failure to designate a claim listed on the Debtors' Schedules as "disputed," "contingent," "or "unliquidated" does not constitute an admission by the Debtors that the claim is not "disputed," "contingent," or "unliquidated." The Debtors expressly reserve the right to (i) object to or otherwise dispute or assert setoff rights, crossclaims, counterclaims or defenses to, any claim reflected on the Schedules as to amount, liability or classification or (ii) otherwise to designate subsequently any claim as "disputed," "contingent" or "unliquidated."

The claims listed in the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or

the characterization of the structure of any such transaction or any document or instrument related to any creditor's claim.

The Debtors have excluded potential rejection damage claims of counterparties to executory contracts and unexpired nonresidential real property leases that may or may not be rejected, to the extent such damage claims exist.

Reporting Policies. The description of an amount as "unknown," "TBD" or "undetermined" is not intended to reflect upon the materiality of such amount. All totals that are included in the Schedules and Statement represent totals of all known amounts. To the extent that there are unknown or undetermined amounts, the actual total may be different than the listed total.

The Debtors note the following:

- In Schedule A/B, item 55 the Debtors acquired the properties listed via foreclosure actions or by assignment of properties from entities controlled by Mark Hanf. Thus, the cost basis is not listed. The current value represents the CRO's best estimate of fair market value for each property owned based on broker opinions and market research.
- In Schedule A/B, item 71, the Debtors list each note at the value that represents the total outstanding balance estimated as of the June 16, 2026 Petition Date.
- In Schedule A/B, item 77, the current value shown represents the amount recorded on each Debtor's books as related balances owed to each Debtor by the other Debtors.
- In Schedule D, the Debtors utilized their best efforts to estimate the current fair market value of the collateral securing a claim utilizing broker opinion of value reports, broker market feedback, and input from management.
- In Schedule E/F, the amount shown for an unsecured claim represents the Debtors' best estimate of each investor's capital account as of the Petition Date. The Debtors anticipate that additional impairment reserves will be recorded as of December 31, 2025 as part of the tax return preparation process, and as a result anticipate that the investor capital accounts will decrease in value.

- In Statement of Financial Affairs items 1 and 2, the Debtors anticipate that the 2025 and stub-period 2026 revenue amounts will change when the final 2025 adjusting journal entries are booked under the guidance of the accounting and tax professionals. Certain assumptions have been made during the 2026 reporting period as operations ceased in January/February.
