Summary of Any Objections to Monthly Fee Statements:

On August 10, 2026, the Debtor filed the *Debtor's Limited Objection and Reservation of Rights to the June 2026 Monthly Fee Statement of Lowenstein Sandler LLP* [Dkt. No. 3422] (the "**Limited Objection**"). In the Limited Objection, the Debtor objected to the amount of fees incurred by the Committee's lead attorneys in June 2026, seemingly because the amount incurred was more than counsel to the Debtor. But the Debtor did not oppose payment of the June Fee Statement: "[T]he Debtor will pay the Lowenstein June Fee Statement under a reservation of rights and will assert its objections thereto in greater detail at a later date in response to Lowenstein's fee application." Limited Objection 1:21-22.

On August 17, 2026, Applicant filed *Lowenstein Sandler LLP's Response to Debtor's Limited Objection and Reservation of Rights to the June 2026 Monthly Fee Statement of Lowenstein Sandler LLP* [Dkt. No. 3445] (the "**Response to Limited Objection**"). Through the Response to Limited Objection, Applicant explained why its fees, reflecting the tireless work required to oppose the Debtor's plan of reorganization over a contested confirmation trial held from June 22, 2026 through June 29, 2026, were reasonable, necessary and beneficial.

Cal.) and Rule 5011-1(a) of the Local Rules. This is a core proceeding under 28 U.S.C. § 157(b)(2). Venue of this proceeding and this Application in this Court is proper under 28 U.S.C. §§ 1408 and 1409.

III.

BACKGROUND

3. On May 8, 2023, the Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor continues to operate as a debtor in possession under sections 1107(a) and 1108 of the Bankruptcy Code.

4. On May 23, 2023, the UST, under section 1102(a)(1) of the Bankruptcy Code, appointed nine survivors of sexual abuse ("**Survivors**") holding claims against the Debtor to serve on the Committee. The Committee is charged with representing the interests of all Survivors in this Chapter 11 Case.

5. On May 30, 2023, the Committee selected Lowenstein as its lead counsel. The Committee then selected Keller Benvenutti Kim LLP as local counsel. On July 14, 2023, the Committee selected Burns Bair LLP to serve as special insurance counsel.

6. On July 8, 2023, the Court entered the *Order Authorizing Retention of Lowenstein Sandler LLP as Lead Counsel to the Official Committee of Unsecured Creditors of the Roman Catholic Bishop of Oakland Effective as of May 30, 2023* [Dkt. No. 205] (the "**Retention Order**").

7. The Retention Order authorizes the Debtor to compensate and reimburse Lowenstein in accordance with the Bankruptcy Code, the Bankruptcy Rules, the UST Guidelines, and the Interim Fee Order.

8. Under the Retention Order, the services to be provided by Lowenstein to the Committee include:

(i) advising the Committee with respect to its rights, duties, and powers in this Chapter 11 Case;

(ii) assisting and advising the Committee in its consultations and communications with the Debtor concerning administration of this Chapter 11 Case;

(iii) advising the Committee with respect to the claims of the Debtor's creditors, including negotiating and mediating issues relating to the value and payment of claims held by the Committee's constituency, which consists of Survivors;

(iv) assisting the Committee in analyzing the Debtor's capital structure;

(v) assisting the Committee in its investigation of the acts, conduct, assets, liabilities, and financial condition of the Debtor and of the operation of the Debtor;

(vi) assisting the Committee in its investigation of the liens and claims of the holders of the Debtor's prepetition debt and the prosecution of any claims or causes of action revealed by such investigation;

(vii) assisting the Committee in its analysis of, and negotiations with, the Debtor or any third party concerning matters related to, among other things, the assumption or rejection of certain leases of nonresidential real property and executory contracts, asset dispositions, financing of other transactions and the terms of any chapter 11 plans for the Debtor and accompanying disclosure statements and related plan documents;

(viii) assisting the Committee in its analysis of insurance policies procured by the Debtor and negotiations with the underlying insurers concerning all matters related to same;

(ix) assisting and advising the Committee as to its communications with Survivors regarding significant matters in this Chapter 11 Case;

(x) representing the Committee at hearings and other proceedings;

(xi) reviewing and analyzing applications, orders, statements of operations, and schedules filed with this Court and advising the Committee with respect to same;

(xii) assisting the Committee in preparing pleadings and applications as may be necessary in furtherance of the Committee's interests and objectives;

(xiii) preparing, on behalf of the Committee, any pleadings, including, without limitation, motions, memoranda, complaints, adversary complaints, objections, or comments in connection with any of the foregoing as may be necessary in furtherance of the Committee's interests and objectives in this Chapter 11 Case,

including, without limitation, the preparation of retention applications and fee applications for the Committee's professionals, including Lowenstein; and

(xiv) performing such other legal services as may be required or are otherwise deemed to be in the interests of the Committee in accordance with the Committee's powers and duties under the Bankruptcy Code, Bankruptcy Rules, or other applicable law.

IV.

SUMMARY OF PROFESSIONAL COMPENSATION AND REIMBURSEMENT OF EXPENSES REQUESTED

9. During the Compensation Period, Lowenstein's professionals and paraprofessionals billed 6,321.90 hours providing necessary services to the Committee. Lowenstein was able to efficiently provide services by using the expertise of professionals and paraprofessionals within relevant practice groups to effectively advise the Committee regarding discrete issues and ensure that the level of seniority was commensurate with the work being performed. In connection with services rendered on behalf of the Committee, Lowenstein requests allowance of reasonable compensation in the total amount of $6,568,247.50, and reimbursement of actual and necessary expenses incurred in the amount of $298,708.50, for a total of $6,866,956.00 for the Compensation Period.

10. There is no agreement or understanding between Lowenstein and any other person, other than members of the firm, for the sharing of compensation to be received for services rendered in this Chapter 11 Case. Except as set forth below with respect to payments Lowenstein may receive under the Interim Fee Order, during the Compensation Period, Lowenstein received no payment and no promises of payment from any source for services rendered or to be rendered in any capacity in connection with the matters covered by this Application.

11. Lowenstein agreed to reduce its hourly rates for the benefit of the Committee's constituency (holders of sexual abuse claims against the Debtor). To ensure that any price reduction inures solely to the benefit of the Committee's constituency, Lowenstein is holding 10% of all fees received in this Chapter 11 Case in a trust account to benefit Survivors. The funds will be held until a trust is established through a Plan of Reorganization, or if no such trust

is created, the funds will be donated to a child advocacy organization to be selected by the Committee at the end of the Chapter 11 Case.

12. Other than the foregoing discount: (i) the fees charged by Lowenstein in this Chapter 11 Case were billed in accordance with its existing billing rates and procedures in effect during the Compensation Period and (ii) these rates are the same rates Lowenstein charges for services rendered by its attorneys and paraprofessionals in comparable matters and are reasonable given the compensation charged by comparably skilled practitioners in similar matters in both the California and national markets.

13. Lowenstein maintains computerized time records, which have been filed on the docket with its monthly fee statements and furnished to the Debtor and the UST in the format specified by the Interim Fee Order. As discussed above, detailed time records for the Compensation Period are attached as **Exhibit H**.

14. The Committee has reviewed this Application and approved the fees and expenses requested.

V.

SUMMARY OF SERVICES PERFORMED BY LOWENSTEIN DURING THE COMPENSATION PERIOD

15. During the Compensation Period, Lowenstein rendered professional services to the Committee solely in connection with this Chapter 11 Case and, on behalf of the Committee, in accordance with Lowenstein's professional responsibilities. The services performed were necessary to the administration of this Chapter 11 Case and were beneficial at the time at which the services were rendered. All services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed. A recitation of every professional service performed during the Compensation Period would be unduly burdensome. Accordingly, the following summary highlights the material issues to which Lowenstein devoted time and attention during the Compensation Period. This summary is organized in accordance with Lowenstein's internal system of project categories.

A. Claims Administration and Objections (47.50 hours; $55,632.50).

16. This category includes time spent by Lowenstein focusing on the omnibus claims objections filed by the Debtor and the Committee, including, but not limited to: (i) drafting the Committee's First Omnibus Objection to Claims; (ii) working with the Committee's financial advisor, Berkeley Research Group ("**BRG**") to analyze the claims to be included in the First Omnibus Objection; (iii) communicating with Survivors and their state court counsel about the Debtor's objection to their claims; (iv) reviewing responses to the Debtor's and Committee's omnibus objections and (v) reviewing and analyzing LMI's claims objections and drafting an emergency motion to stay the LMI claims objections.

B. Court Hearings (298.60 hours; $338,790.00).

17. Time billed to this category is for attorney time spent preparing for and attending numerous court hearings and the lengthy confirmation trial in the Chapter 11 Case. Lowenstein attended at least 20 hearings, including seven days of trial in June 2026. The vast majority of time in this category is on account of the confirmation trial but time in this category includes attendance at hearings on lift stay matters, DIP financing, omnibus claims objections, discovery disputes, motions in limine, insurance premium financing and late claims motion, in addition to the hearing on Applicant's prior interim fee application. Time in this category also includes drafting and revising several status conference reports.

C. Financing/Cash Collateral (45.00 hours; $70,116.00).

18. The time spent by Applicant in this category was focused on the Debtor's request to obtain DIP financing. Time spent in this category includes, but is not limited to: (i) analyzing the terms of the proposed financing; (ii) conferring with the DIP Lender and Debtor to discuss same; (iii) commenting on the Term Sheet underlying the financing; (iv) drafting a limited objection to the financing; (v) reviewing responses from the Debtor and DIP Lender to the Committee's objection; and (vi) reviewing, analyzing and revising the DIP credit agreement and final order authorizing and approving same.

D. Fee/Employment Applications (25.30 hours; $20,952.50).

19. During the Compensation Period, Applicant prepared four Monthly Fee Statements for May through August, 2026 [Dkts. 3317, 3395, 3468, and 3533] and its Ninth Interim Fee Application [Dkt. 3260].

E. Meetings of and Communication with Creditors (52.60 hours; $70,745.00).

20. Lowenstein spent time communicating with Committee members and their state court counsel to discuss all issues germane to this case, including, but not limited to, the following: (i) preparing for and participating in bi-weekly conference calls with the Committee to provide updates on case progress; (ii) conferring with individual Committee members and counsel for Committee members regarding case status; (iii) conferring with Survivors and counsel for Survivors regarding case status and (iv) drafting emails to the Committee to provide updates on case progress.

F. Other Contested Matters (excluding assumption/rejection motions) (94.20 hours; $104,593.50).

21. Lowenstein spent time in this category conducting legal research, developing a strategy and drafting the Committee's Motion to Dismiss the Chapter 11 Case, including but not limited to, collecting supporting citations, analyzing continuing-losses asserted by the Debtor, and revising the motion to respond to points in the *Debtor's Memorandum of Law in Support of Confirmation of Debtor's Modified Fourth Amended Plan of Reorganization [Dkt. No. 3100].*

G. Plan and Disclosure Statement (5,725.40 hours; $5,871,195.00).

22. By far, the bulk of Lowenstein's time during this Compensation Period was devoted to a single task of overwhelming importance to the Committee's constituency: opposing the Debtor's attempt to cram its Fourth Amended Plan over Survivors' overwhelming no vote.

23. The detailed time entries attached as Exhibit H show that Lowenstein's work during the Application Period followed the arc of the contested confirmation process: (i) in May 2026, preparing and filing the Committee's plan objection and brief, finalizing and defending the reports of the Committee's experts, pursuing supplemental discovery and motions to compel, and taking and defending depositions; (ii) in early June 2026, briefing and arguing motions in limine, preparing objections to the Debtor's trial declarations and deposition designations, and

assembling exhibit lists and witness binders; (iii) from June 15 through the close of evidence, trying the case (billed to B430A); and (iv) in July and August 2026, reviewing and reconciling trial transcripts, drafting the Committee's opening post-trial brief, which included marshaling the evidentiary record developed at trial with respect to each confirmation requirement the Debtor was obligated to satisfy, drafting a reply to the Debtor's post-trial brief and preparing for closing argument.

VI.

ACTUAL AND NECESSARY EXPENSES

24. Lowenstein incurred reasonable and necessary out-of-pocket expenses in the sum of $298,708.50 in connection with rendering legal services to the Committee during the Compensation Period. A description of the expenses and disbursements is set forth in **Exhibit E**. These expenses and disbursements were necessary to effectively render legal services in this Chapter 11 Case.

25. During this Chapter 11 Case, Lowenstein has incurred and paid its actual and necessary disbursements and expenses.

VII.

THE REQUESTED COMPENSATION SHOULD BE ALLOWED

26. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code "reasonable compensation for actual necessary services rendered … and reimbursement for actual, necessary expenses." 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement:

27. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, considering all relevant factors, including—

(i) the time spent on such services;

(ii) the rates charged for such services;

(iii) Whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

(iv) Whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;

(v) With respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and

(vi) Whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

28. In accordance with the factors enumerated in section 330 of the Bankruptcy Code, the amount requested is fair and reasonable given (a) the complexity of this Chapter 11 Case, (b) the time expended, (c) the nature and extent of the services rendered, (d) the value of such services, and (e) the cost of comparable services other than in a case under chapter 11.

29. In sum, the services rendered by Lowenstein were necessary and beneficial to the Debtor's estate. Accordingly, approval of the compensation for professional services and reimbursement of expenses sought in this Application is warranted.

VIII.

NOTICE

30. Notice of the Application has been provided to parties in interest in accordance with the procedures set forth in the Interim Fee Order. Lowenstein submits that, in view of the facts and circumstances of this Chapter 11 Case, such notice is sufficient, and no other or further notice need be provided.

WHEREFORE, Lowenstein requests that the Court enter an order: (i) allowing Lowenstein, on an interim basis, (a) compensation for professional services rendered as counsel for the Committee during the Compensation Period in the amount of $6,568,247.50; and (b) reimbursement of reasonable and necessary expenses incurred in the amount of $298,708.50, for a total award of $6,866,956.00; (ii) directing the Debtor to pay Lowenstein, within 7 days of

entry of an order approving this Application, all allowed amounts not previously paid, including the holdback due under this Interim Application in the amount of $1,313,649.50 and the holdback due under the Ninth Interim Application in the amount of $551,325.34; and (iii) granting any other relief that the Court deems just and proper.

All Timekeepers Aggregated	**$899.07**	**$1,038.97**

Lowenstein Sandler's hourly rates for bankruptcy services are comparable to the hourly rates charged in complex chapter 11 cases by comparably skilled bankruptcy attorneys. The "Blended Hourly Rate – Billed Preceding Year, Excluding Bankruptcy" (the "**BHREB**") noted above reflects the firm's blended hourly rate billed for calendar year 2025 excluding bankruptcy related work, but including all alternative fee arrangements other than contingency fee cases. In calendar year 2025, the firm increased its billing rates on January 1st in accordance with its normal practice. The BHREB also represents the billed rate across a larger, more expansive population of the firm's attorneys with a multitude of rates that are impacted by a number of factors, including level of experience, complexity of the work and office location. For example, approximately 32% of Lowenstein Sandler's attorneys are based in New York, while approximately 57% are based in NJ, approximately 7% are based in California and Utah, and 4% are based in Washington DC. Thus, the "Blended Hourly Rate – Billed This Fee Application" is a function of, among other things, the experience and location of the subset of attorneys delivering the services and the sophistication and complexity of the specific matter.

Counsel for the Official Committee of Unsecured Creditors

UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF CALIFORNIA
OAKLAND DIVISION

In re: THE ROMAN CATHOLIC BISHOP OF OAKLAND, a California corporation sole, Debtor.	Case No. 23-40523 WJL Chapter 11 **DECLARATION OF JEFFREY D. PROL IN SUPPORT OF TENTH INTERIM FEE APPLICATION OF LOWENSTEIN SANDLER LLP AS COUNSEL TO THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS FOR ALLOWANCE AND PAYMENT OF COMPENSATION AND REIMBURSEMENT OF EXPENSES FOR THE PERIOD FROM MAY 1, 2026 THROUGH AND INCLUDING AUGUST 31, 2026**

I, Jeffrey D. Prol, hereby declare, pursuant to 28 U.S.C. § 1746 as follows:

1. I am a partner in the law firm of Lowenstein Sandler LLP ("**Lowenstein**"), lead counsel to the Official Committee of Unsecured Creditors ("the "**Committee**") of the Roman Catholic Bishop of Oakland (the "**Debtor**") in connection with the above-referenced chapter 11 case (the "**Chapter 11 Case**"). I am familiar with the *Order Authorizing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Dkt. 170], as modified by the *Agreed Order Amending Procedures for Interim Compensation and Reimbursement of Expenses of Professionals* [Dkt. 2101] (together, the "**Interim Fee Order**"), the *United States Trustee Appendix B Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013 (the "**U.S. Trustee Guidelines**") and the *Guidelines for Compensation and Expense Reimbursement of Professionals and Trustees for the Northern District of California*, dated February 19, 2014 (the "**Local Guidelines**").

2. This Declaration is submitted in support of the *Tenth Interim Fee Application of Lowenstein Sandler LLP as Counsel to the Official Committee of Unsecured Creditors for Allowance and Payment of Compensation and Reimbursement of Expenses for the Period From May 1, 2026 Through and Including August 31, 2026* (the "**Application**").[1]

3. Pursuant to the Local Guidelines, Lowenstein states as follows:

a. I have read the Application;

b. To the best of my knowledge, information and belief formed after reasonable inquiry, except as set forth in the Application, the fees and disbursements sought fall within the Local Guidelines; and

c. The fees and disbursements sought are billed at rates in accordance with those generally charged by Lowenstein and generally accepted by Lowenstein's clients.

4. The Debtor, the Debtor's professionals and the U.S. Trustee are each being provided with a copy of the Application in accordance with the Interim Fee Order.

[1] All capitalized terms not defined herein have the meaning given to them in the Application.

5. As required by the Interim Fee Order, Lowenstein served monthly billing statements on the Debtor during the Compensation Period.

6. Lowenstein responds to the questions identified in the U.S. Trustee Guidelines as follows:

(a) Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: Yes. Lowenstein agreed to reduce its hourly rates for the benefit of the Committee's constituency (i.e., holders of sexual abuse claims against the Debtor). In order to assure that any price reduction inures solely to the benefit of the Committee's constituency, Lowenstein will hold ten percent of all fees received in this Chapter 11 Case in a trust account to benefit sexual abuse claimants. The funds will be contributed to the trust established for the benefit of Survivors through a plan of reorganization in this Chapter 11 Case. If no such trust is created, the funds will be donated to a child advocacy organization to be selected by the Committee at the conclusion of the Chapter 11 Case. Additionally, Lowenstein has agreed not to charge the Committee for its travel time to and from the San Francisco Bay area.

(b) Question: If the fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are higher by 10% or more, did you discuss the reasons for the variation with the client?

Response: The fees sought in this fee application as compared to the fees budgeted for the time period covered by this fee application are not higher by 10% or more.

(c) Question: Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: Lowenstein's professionals included in this engagement have not varied their rate based on the geographic location of the Chapter 11 Case.

(d) Question: Does the fee application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application). If so, please quantity by hours and fees.

Response: No.

(e) Question: Does the fee application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantity by hours and fees.

Response: No.

(f) Question: If the fee application includes any rate increases since retention: i. Did your client review and approve those rates in advance? ii. Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms

Case: 23-40523 Doc# 3589-7 Filed: 10/30/26 Entered: 10/30/26 13:28:51 Page 4 of 8

in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Response: Yes to both questions i. and ii. Lowenstein Sandler increased its rates effective January 1, 2025 and January 1, 2026.

8. Attached as **Exhibit A** is a true and correct copy of an email transmitting the Application to the Chairperson of the Committee and advising the Committee of the right to review and object to the compensation and expense reimbursement sought therein.

Pursuant to 28 U.S.C. § 1746, I hereby declare under the penalty of perjury that the foregoing statements made by me are true and correct to the best of my knowledge. Executed this 30th day of October, 2026 in Roseland, New Jersey.
