No. 80] (the “**Final DIP Order**”), as amended by that certain *Final Order (A) Extending Maturity Date of DIP Facility; and (B) Increasing Borrowing Authority Thereunder* dated May 11, 2022 [Dkt. No. 146] (the “**Amended Final DIP Order**”), together with those certain Priming Secured DIP Promissory Notes dated as of October 18, 2021 previously approved by the Court in the Final DIP Order (the “**DIP Notes**”) from Ecofin Direct Municipal Opportunities Fund, LP and Ecofin Tax-Advantaged Social Impact Fund, Inc. (collectively, the “**DIP Lender**”), and the continued use of cash collateral. In support of this Motion (the “**DIP Motion**”), the Debtors respectfully represent as follows:

**Background**

1.

On August 26, 2021 (the “**Petition Date**”), the Debtors each filed a voluntary petition for relief under Chapter 11 of Title 11 of the United States Code (the “**Bankruptcy Code**”) with the United States Bankruptcy Court for the Northern District of Georgia, Rome Division (the “**Court**”). The Debtors are authorized to operate their businesses as debtors-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

2.

No committee, trustee or examiner has been requested or appointed in this Case.

3.

On or about October 7, 2021, the Debtors each filed their Statement of Financial Affairs and Schedules of Assets and Liabilities (collectively, the “**Schedules**”) with the Court.

4.

On October 15, 2021, the Court entered the Final DIP Order, authorizing the Debtors to borrow up to \$2,350,000 from the DIP Lender, with an original maturity date of January 15, 2022, which date has been extended by stipulation between the DIP Lender and the Debtors to May 14, 2022.

5.

On May 11, 2022, the Court entered the Amended Final DIP Order, authorizing the Debtors to borrow up to \$3,150,000 from the DIP Lender, with an original maturity date of July 2, 2022.

6.

On July 1, 2022, pursuant to the terms of the Amended Final DIP Order, the DIP Lender and the Debtors filed a *Stipulation (I) Extending Maturity Date for Secured Postpetition Financing, (II) Increasing Borrowing Authority and (III) Authorizing Continued Use of Cash Collateral* [Dkt. No. 163], which extended the maturity date of the DIP Facility to August 6, 2022 and increased the borrowing limit by \$320,000.

### **Jurisdiction**

7.

This Court has jurisdiction of this Motion pursuant to 28 U.S.C. § 1334. Venue of this proceeding is proper pursuant to 28 U.S.C. § 1409. This is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). The statutory predicates for the relief requested are Bankruptcy Code Sections 105, 361, 362, 363, 364 and 507 and Bankruptcy Rules 2002, 4001 and 9014.

**Relief Requested**

8.

By this DIP Motion, the Debtors seek the authority (i) to extend the DIP Facility until October 1, 2022, (ii) to increase the borrowing limits thereunder to \$3,820,000 on an interim basis, and \$4,170,000 on a final basis, and (iii) to allow the Debtors and the DIP Lender to extend the maturity date thereof by stipulation between the Debtors and the DIP Lenders which will be filed with the Court, all under the terms set forth in the proposed Interim Order granting this DIP Motion attached hereto as Exhibit A, and subject to the budget attached hereto as Exhibit B. The terms of the Interim Order, and a final order, when entered, shall control in the event of any inconsistency between the terms of the Interim Order or final order and this DIP Motion.

**Basis for Relief**

9.

The Debtors submit that the extension of the DIP Facility, and the increase in the borrowing limit, are necessary under the circumstances of this case. As the Court is aware, the Debtors have been marketing their assets for sale, and have sought approval from this Court to sell substantially all of their assets. However, the sale process has taken longer than expected to result in an acceptable offer, and therefore the Debtors need additional time to further market their assets.

10.

The Debtors require an order of this Court authorizing an extension of the DIP Facility, and authorizing the continued use of cash collateral beyond August 6, 2022, and an increase in the borrowing limit by \$700,000<sup>2</sup> so as to enable the Debtors to obtain further post-petition financing

---

<sup>2</sup> To be clear, the Debtors and the DIP Lender could agree to extend the maturity date beyond August 6, 2022 by stipulation, but extension of the maturity date without a corresponding increase in the borrowing limit would do the Debtors little good.

to pay their normal and ordinary operating expenses (such as payroll, utilities and payments to suppliers) as they come due in the ordinary course of the Debtors' business and to make those purchases necessary to preserve the going concern value of their businesses, assets pending any sale or reorganization efforts. On an interim basis, the Debtors need an increase in the borrowing limit by \$350,000 in order to meet short-term expenses.

11.

Pursuant to Bankruptcy Code Sections 364(c) and (d), the Debtors request authority to extend the DIP Facility to October 1, 2022, and to increase the borrowing limit thereunder to \$3,820,000 on an interim basis and \$4,170,000 on a final basis (subject to the Debtors' ability to further extend the maturity by stipulation with the DIP Lender), and thereby incur post-petition financing allowable as an administrative expense, having priority over other administrative expenses and secured by a senior lien on substantially all of the property of the Debtors' estates, on otherwise substantially the same terms and conditions as the previously approved by the Court by the Final DIP Order and the Amended Final DIP Order. As noted previously, the Debtors need cash to meet ongoing obligations necessary to operate their businesses, administer their Chapter 11 estates and maintain the going concern value of their businesses as they conclude an asset sale or reorganize so as to achieve the highest values possible for their creditors. The Debtors need to use their cash receipts and the proceeds of the DIP Facility to pay insurance, payroll, payroll expenses, utility charges, professionals and general overhead, to purchase necessary materials, and otherwise continue their businesses and operations. The Debtors believe that the DIP Facility will provide funds sufficient to permit them to operate their businesses pending the sales and reorganization efforts.

12.

For all the reasons set forth in the original motion seeking approval of the DIP Facility, and based on the entire record of this case, the Debtors believe that the relief requested in this DIP Motion is appropriate.

WHEREFORE, the Debtors respectfully request that this Court amend the Final DIP Order and the Amended Final DIP Order as set forth in the proposed order attached hereto as Exhibit A, and grant the Debtors such other and further relief as may be just and proper.

This 29th day of July, 2022.
