ADDENDUM TO PROOF OF CLAIM
OF ALAN PRICE

This claim is based on royalties payable under certain royalty agreements relating to "Explode the Code" and "ETC Online" concerning copyrighted publications detailed in Schedule B (pages 32 and 34) of the schedules for School Specialty, Inc. (the "Debtor"). Copies of the agreements will be provided upon request.

The proof of claim is asserted in the amount listed in Schedule F of the schedules for the Debtor. While the Claimant has no reason to believe that said amount is incorrect, it is based on data solely within the control of the Debtor. Claimant therefore reserves the right to amend this claim should it later determine that the amount in the schedules is incorrect.

The claim arises from obligations of the Debtor under executory contracts that have as yet neither been assumed nor rejected and under which royalties have accrued and continue to accrue in Claimant's favor since the filing of the Chapter 11 petition.

Claimant reserves the right to seek payment for any royalties that have accrued post-petition as well as any damages or other amounts that may come due as a result of the assumption or rejection of the royalty agreements, including the assertion of any claims relating to the ownership of the copyrights.
