Dear Landowner,

I am writing to inform you that on January 25, 2026, Shannon Wind voluntarily filed a petition for relief under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of Texas (Case No. 26-90124).

This filing was undertaken to facilitate a structured process to pursue a going-concern sale of the wind power project while continuing operations in the ordinary course. Throughout this process, Shannon Wind intends to preserve enterprise value and maintain relationships with key stakeholders, including vendors and landlords.

We are actively engaged with financial and legal advisors and optimistic that this process will result in a successful outcome that preserves the value of the wind power project and supports long-term continuity of operations for the benefit of all stakeholders.

Importantly, the wind power project continues to operate in the ordinary course. Power generation, grid interconnection, environmental and regulatory compliance, and operational and safety protocols remain unchanged. Our operations and asset management teams, together with key contractors, remain in place and focused on reliability, performance, safety, and stewardship of the project.

The company will continue performing its post-petition lease obligations as required under applicable law while it evaluates strategic alternatives as part of the sale process.

Please note that, pursuant to the Bankruptcy Code, the automatic stay prohibits efforts to collect any claims against Shannon Wind or otherwise enforce remedies under existing agreements without express Bankruptcy Court authorization. This protection supports an orderly restructuring and sale process and preserves value for all interested parties.

Additional information regarding the bankruptcy case, including important notices and court filings, is available at https://www.veritaglobal.net/shannon. We appreciate your cooperation as we work through this process.

If you have questions, please contact Catrina Brewer at shannon.ownerrelations@camstex.com or 713-380-4771, or consult with your own legal advisor regarding the bankruptcy process. For ease of reference, responses to certain anticipated questions are attached.

Thank you for your continued support.

Sincerely,
John Shepherd
Chief Restructuring Officer
Shannon Wind, LLC

Frequently Asked Questions

- **Can I terminate my lease with Shannon Wind, LLC?**
    - *No. The bankruptcy stay prohibits any effort to terminate a contract or lease with Shannon Wind unless you have prior authorization from the Bankruptcy Court.*
- **Will I continue to get paid my lease payments?**
    - *Yes. Shannon Wind will continue to pay all post-bankruptcy lease obligations in the ordinary course of business.*
- **When will I get paid?**
    - *Shannon Wind will continue to pay all post-bankruptcy lease obligations in the ordinary course of business. At this time, Shannon Wind anticipates that any pre-bankruptcy lease obligations will be satisfied at the time of closing a sale of the wind farm project.*
- **How will the sales process affect my lease?**
    - *Shannon Wind anticipates that any purchaser of the wind farm project will take an assignment of all leases necessary to operate the project and assume all liabilities under assigned leases. Landlords will receive further notices regarding the sale process and may want to consult with an attorney.*
- **What can I do to protect my interests in the bankruptcy process?**
    - *You should consult with an attorney if you have any questions regarding your rights in the Shannon Wind bankruptcy process. More information regarding the bankruptcy case is available at https://veritaglobal.net/shannon*
