I. Customary Billing Disclosures

16. Accordion charged customary monthly and hourly rates for the CRO and financial advisory services provided to Shannon Wind, LLC in conjunction with the Chapter 11 case and as disclosed in the Retention Application. Moreover, Accordion's rate structure is appropriate and not significantly different from the rates that Accordion charges for non-bankruptcy engagements or the rates that other comparable financial advisors would charge to perform substantially similar services.

17. Accordion has received no payment or promises of payment from any source other than the Debtor for services rendered in the Chapter 11 Case.[3] There is no agreement or
