this time. If you hold a claim against a Debtor other than the Parent, you do not need to file a Proof of Claim.

For your convenience, enclosed with this Notice is a proof of claim form (the "**Proof of Claim Form**").

Please take further notice that the Bar Date Order and the procedures set forth therein and herein for the filing of Proofs of Claim apply solely to claims against Parent that arose, or are deemed to have arisen, prior to the Petition Date, regardless of their character or nature, whether secured or unsecured, priority or non-priority, liquidated or unliquidated, fixed or contingent, including, without limitation, claims entitled to administrative priority status under section 503(b)(9) of the Bankruptcy Code, no matter how remote or contingent (such claims the "**Parent Claims**" and the holder of any such Parent Claims , a "**Claimant**").

As used in this Notice, the term "**claim**" or "**Claim**" has the meaning given to it in section 101(5) of the Bankruptcy Code, and includes as to or against Parent: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU MAY HAVE OR YOU MAY ASSERT A PARENT CLAIM IN THE ABOVE-CAPTIONED CHAPTER 11 CASES. THEREFORE, YOU SHOULD READ THIS NOTICE CAREFULLY AND *DISCUSS* IT WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE.

General Information about the Debtors' Cases. The Debtors' cases are being jointly administered under case number 20-35812. The Debtors' mailing address is 1001 Louisiana Street, Suite 2900, Houston, Texas 77002.

A CLAIMANT SHOULD CONSULT AN ATTORNEY IF THE CLAIMANT HAS ANY QUESTIONS, INCLUDING WHETHER SUCH CLAIMANT SHOULD FILE A PROOF OF CLAIM.

1. PERSONS OR ENTITIES WHO MUST FILE A PROOF OF CLAIM.

Any person or entity, except for the Prepetition Notes Indenture Trustee with respect to the Prepetition Notes Indentures and Prepetition Notes, that has or seeks to assert a Parent Claim which arose, or is deemed to have arisen, prior to the Petition Date, including, without limitation, a claim under section 503(b)(9) of the Bankruptcy Code, **MUST FILE A PROOF OF CLAIM ON OR BEFORE THE APPLICABLE BAR DATE** to potentially share in any distribution from Parent's estate.

Under the Bar Date Order, the filing of a Proof of Claim Form shall be deemed to satisfy the procedural requirements for the assertion of administrative priority claims under section

503(b)(9) of the Bankruptcy Code. All other administrative claims under section 503(b) of the Bankruptcy Code must be made by separate requests for payment in accordance with section 503(a) of the Bankruptcy Code and shall not be deemed proper if made by proof of claim. No deadline has yet been established for the filing of administrative claims other than claims under section 503(b)(9) of the Bankruptcy Code. **Claims under section 503(b)(9) of the Bankruptcy Code must be filed by the Bar Date**.

THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A PARENT CLAIM OR THAT THE DEBTORS BELIEVE THAT YOU HAVE A PARENT CLAIM. A CLAIMANT SHOULD CONSULT AN ATTORNEY IF THE CLAIMANT HAS ANY QUESTIONS, INCLUDING WHETHER SUCH CLAIMANT SHOULD FILE A PROOF OF CLAIM.

A. No Bar Date for Proof of Interest

Any person or entity holding an equity security (as defined in section 101(16) of the Bankruptcy Code and including, without limitation, common stock, preferred stock, warrants, or stock options) or other ownership interest in Parent (an "**Interest Holder**") is not required to file a proof of interest on or before the applicable Bar Date; provided, however, that an Interest Holder that wishes to assert claims against Parent that arise out of or relate to the ownership or purchase of an equity security or other ownership interest, including, but not limited to, a claim for damages or rescission based on the purchase or sale of such equity security or other ownership interest, must file a Proof of Claim on or before the applicable Bar Date. The Debtors have reserved the right to establish at a later time a bar date requiring Interest Holders to file proofs of interest. If such a bar date is established, Interest Holders will be notified in writing of the bar date for filing of proofs of interest at the appropriate time.

B. Amendment to Parent's Schedules.

If the Debtors amend Parent's Schedules, then the deadline to submit a Proof of Claim for those creditors affected by any such amendment shall be the later of (i) the applicable Bar Date or (ii) 5:00 p.m. (Prevailing Central Time) on the date that is twenty-one (21) days from the date that the Debtors provide written notice to the affected creditor that Parent's Schedules have been amended.

2. WHEN AND WHERE TO FILE.

All Claimants must submit (by overnight mail, courier service, hand delivery, regular mail, or in person) an original, written Proof of Claim that substantially conforms to the Proof of Claim Form so as to be **actually received** by KCC, the Debtors' claims and notice agent, by no later than 5:00 p.m. (Prevailing Central Time) on or before the applicable Bar Date at the following address:

Superior Claim Processing
c/o KCC
222 N. Pacific Coast Highway, Suite 300

El Segundo, CA 90245

Alternatively, Claimants may submit a Proof of Claim electronically by completing the Proof of Claim Form that can be accessed at KCC's website, www.kccllc.net/superior.

Proofs of Claim will be deemed timely filed only if **actually received** by KCC on or before the applicable Bar Date. Proofs of Claim may **not** be delivered by facsimile, telecopy, or electronic mail transmission. Any facsimile, telecopy, or electronic mail submissions will not be accepted and will not be deemed filed until a Proof of Claim is submitted to KCC by overnight mail, courier service, hand delivery, regular mail, in person, or through KCC's website listed above.

Claimants wishing to receive acknowledgment that their Proofs of Claim were received by KCC must submit (i) a copy of the Proof of Claim and (ii) a self-addressed, stamped envelope (in addition to the original Proof of Claim sent to KCC).

3. CONTENTS OF A PROOF OF CLAIM.

As noted above, the Debtors are enclosing a Proof of Claim Form for use in these Chapter 11 Cases, or you may use another Proof of Claim form that substantially conforms to Official Bankruptcy Form No. 410. The Proof of Claim Form is available free of charge on KCC's website, www.kccllc.net/superior.

To be valid, your Proof of Claim **MUST** (i) be signed by the Claimant; (ii) be written in the English language; (iii) be denominated in lawful currency of the United States; (iv) conform substantially to the Proof of Claim Form or Official Form 410; (v) set forth with specificity the legal and factual basis for the alleged claim; and (vi) include supporting documentation or an explanation as to why such documentation is not available.

If you are filing a Claim under section 503(b)(9) of the Bankruptcy Code, you must indicate in the Proof of Claim Form the amount of the Claim that arises under section 503(b)(9) of the Bankruptcy Code. For each Claim under section 503(b)(9) of the Bankruptcy Code, you must attach to the Proof of Claim Form a supplemental statement setting forth with specificity: (i) the date of shipment of the goods you contend Parent received in the twenty (20) days before the Petition Date; (ii) the date, place, and method (including carrier name) of delivery of the goods you contend Parent received in the twenty (20) days before the Petition Date; (iii) the value of the goods you contend Parent received in the twenty (20) days before the Petition Date; and (iv) whether you timely made a demand to reclaim such goods under section 546(c) of the Bankruptcy Code, and, if so, include any documentation identifying such demand.

4. CONSEQUENCES OF FAILURE TO FILE PROOF OF CLAIM BY THE BAR DATE.

Any Claimant that is required to file a Proof of Claim under the Bar Date Order with respect to a Parent Claim, but that fails to do so properly by the applicable Bar Date, shall not be treated as a creditor with respect to such claim for purposes of voting and distribution.

5. CONTINGENT CLAIMS.

Acts or omissions of or by Parent that occurred, or that are deemed to have occurred, prior to the Petition Date, including, without limitation, acts or omissions related to any indemnity agreement, guarantee, services provided to or rendered by Parent, or goods provided to or by Parent, may give rise to claims against Parent notwithstanding the fact that such claims (or any injuries on which they may be based) may be contingent or may not have matured or become fixed or liquidated prior to the Petition Date. Therefore, any person or entity that holds a Parent Claim, no matter how remote, contingent, or unliquidated, **MUST** file a Proof of Claim on or before the applicable Bar Date.

6. PARENT'S SCHEDULES.

You may be listed as the holder of a claim against Parent in Parent's Schedules. Parent's Schedules will be available free of charge on KCC's website at www.kccllc.net/superior. If you rely on Parent's Schedules, it is your responsibility to determine that your claim is accurately listed in Parent's Schedules. If (i) you agree with the nature, amount and status of your claim as listed in Parent's Schedules **and** (ii) your claim is **NOT** described as "disputed," "contingent," or "unliquidated," then you are not required to file a Proof of Claim in these Chapter 11 Cases with respect to such claim. Otherwise, or if you decide to file a Proof of Claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice and the Bar Date Order.

7. RESERVATION OF RIGHTS.

Nothing contained in this Notice or the Bar Date Order is intended or should be construed as: (a) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any claim or lien on any grounds; (c) a promise to pay any claim; (d) an implication or admission that any particular claim would constitute an allowed claim; (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; (f) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to the proposed Order once entered; or (g) a waiver of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law.

8. ADDITIONAL INFORMATION.

Parent's Schedules, the Proof of Claim Form, the Motion and the Bar Date Order are available free of charge on KCC's website www.kccllc.net/superior. Alternatively, your claim can be filed electronically on KCC's website at https://epoc.kccllc.net/Superior.

- **A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, individual's tax identification number, or financial account number, and only the year of any person's date of birth.** See Bankruptcy Rule 9037.
- **For a minor child, fill in only the child's initials and the full name and address of the child's parent or guardian.** For example, write *A.B., a minor child (John Doe, parent, 123 Main St., City, State).* See Bankruptcy Rule 9037.

Confirmation that the claim has been filed

To receive confirmation that the claim has been filed, either enclose a stamped self-addressed envelope and a copy of this form or you may view a list of filed claims in this case by visiting the Claims and Noticing and Agent's website at http://www.kccllc.net/Superior.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing that bankruptcy estate.
11 U.S.C. § 503

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity to who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received.
11 U.S.C. §101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Do not file these instructions with your form.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.
