STATEMENT FOR PROOF OF CLAIM

This is a claim for unpaid amounts owed or to be owed to the claimant by Debtors Superior Services, Inc., (and by co-Debtors SESI, L.L.C., and Stabil Drill Specialties, L.L.C.) as of the date of filing of the Chapter 11 cases (the "Petition Date"). The claim arises from a Contingent Fee Services Agreement by and between the claimant and Debtors Superior Services, Inc., SESI, L.L.C., and Stabil Drill Specialties, L.L.C. Under this agreement, claimant provided pre-petition legal services to Debtors Superior Services, Inc., SESI, L.L.C., and Stabil Drill Specialties, L.L.C. in connection with the Russo Litigation (as defined in the proof of claim), resulting in the entry of a Final Judgment after a jury trial in favor of Debtor Stabil Drill Specialties, L.L.C. (currently on appeal) in the amount of $77,196,417.19, including post-judgment interest as of the Petition Date that continues to accrue at the rate of 5.25% per annum.

For purposes of the proof of claim, claimant's 12.5% interest in the final judgment as of the Petition Date is **$9,649,552.15,** plus 12.5% of the interest that accrues on the Judgment until paid. A copy of the Contingent Fee Services Agreement is attached to this proof of claim, along with a copy of the Final Judgment and a spreadsheet showing the calculation of post-judgment interest through the Petition Date.

The proof of claim is filed as an unsecured claim against Superior Energy Services, Inc., without prejudice to claimant's position that under Texas law it holds a fully secured claim against Debtor Stabil Drill Specialties, LLC, that attaches to the proceeds of the Judgment or any settlement payment in respect of the claims asserted in the Russo Litigation.

The claimant reserves the right to amend, supplement, modify or withdraw this proof of claim.

Any questions regarding this proof of claim may be directed to the claimant, orclaimant's counsel:

("SESI") (Superior, Stabil Drill and SESI collectively "Clients") and the law firms of Baker & Hostetler LLP ("BH") and Baker & McKenzie LLP ("BM") (with both firms collectively referred to as "Attorneys").

WHEREAS, Clients originally retained BH in connection with the prosecution of claims against Christopher J. Russo, Martin A. LeBlanc, and the other Defendants named or that are later named in the Lawsuit styled *Superior Energy Services, Inc., et al. v. Christopher J. WHEREAS, Clients also desire to retain the services of C. Thomas Kruse, in the Litigation, who has departed BH and is now a Partner at BM and to utilize the services of other attorneys at BM;

WHEREAS, Clients agree to retain the Attorneys at BM and BH jointly to represent Clients in the Litigation, in accordance with the designation of responsibilities set forth in correspondence from Blaine D. Edwards dated August 8, 2017 (the "Responsibility Designation"), a copy of which is attached hereto as Exhibit 1;

WHEREAS, Clients and Attorneys acknowledge that Clients paid BH $1,648,448.09 by check of June 30, 2017 (the "Prior Payment") as compensation paid for part of BH's prior work in the Litigation, for which BH acknowledges receipt and payment by Clients to BH;

WHEREAS, Clients and Attorneys enter into this Amended Agreement to memorialize their understandings related to fees and costs and expenses for the duration of the Litigation and any appeals, including the division of attorneys' fees earned between BH and BM in the Litigation;

WHEREAS, the Clients and Attorneys anticipate a potential settlement being finalized with Defendants Renegade Performance Properties, LLC, Renegade Oil Tools, LLC, Renegade Performance Coatings, LLC, and Renegade Exploration, LLC, for $1 million, according to the preliminary terms of the Letter Agreement of July 19, 2017, attached hereto as Exhibit 2, as amended by Email of August 8, 2017, Exhibit 3, which is still being negotiated and finalized (the "Tentative ROT Settlement"); and

WHEREAS, Clients and Attorneys acknowledge and enter into this Amended Agreement to amend and replace, as applicable, the Attorney Contingent Fee Services Agreement of April 14, 2016, previously entered into between Clients and BH (the "Prior Agreement").

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Clients and the Attorneys agree as follows:

1. BH shall continue to represent Clients in connection with the Litigation. BM is hereby also retained to represent Clients in connection with the Litigation. Attorneys shall represent Clients in the Litigation and shall divide responsibilities in accordance with the Responsibility Designation. This Amended Agreement relates solely to the representation of Clients in the Litigation and does not relate to other matters in which Attorneys may represent Clients, including, without limitation, related securities or criminal issues arising from the activities alleged in the Petition.

2. Clients, individually and collectively, agree to pay Attorneys the following fees for all work performed and conducted by Attorneys pursuing and prosecuting the claims and causes of action raised in the Litigation with a split of future fees to be paid by Clients to Attorneys as set forth below in Paragraph 3. Clients, individually and collectively, hereby agree to pay to Attorneys on a contingent fee basis as follows:

a. 50% (fifty percent) of the first $4 million in Net Proceeds (as defined herein) recovered in or as a result of the Litigation;

b. 25% (twenty-five percent) of all Net Proceeds recovered in or as a result of the Litigation that are in excess of the first $4 million in Net Proceeds recovered in or as a result of the Litigation.

c. Clients, individually and collectively, and Attorneys agree that BH shall retain the Prior Payment.

3. In furtherance of the foregoing Paragraph 2, the Clients shall pay attorneys' fees from Net Proceeds pursuant to the division of attorneys' fees between BH and BM set forth in this Paragraph below. Clients and Attorneys acknowledge and approve this division of attorneys' fees to be paid under the following methodology:

a. Clients shall pay the first $301,551.91 of the 50% of Net Proceeds recovered or otherwise received in the Litigation pursuant to subsection 2(a) above to BH;

b. After paying $301,551.91 pursuant to subsection 3(a) above, Clients then shall pay the next $50,000 of the 50% of Net Proceeds recovered or otherwise received in the Litigation to BM pursuant to subsection 2(a) above;

c. Clients and Attorneys acknowledge and agree that, upon tendering the payments set forth in subsections 3(a) and 3(b) above, the Clients will have completed payment of the $2 million in payments due to Attorneys under the 50% contingency fee amounts pursuant to subsection 2(a) above, as Client will have paid a total of $2 million to the Attorneys. Clients are thereafter obligated to pay 25% of any Net Proceeds recovered in or otherwise received as a result of the Litigation pursuant to subsection 2(b) above; and

d. In thereafter paying 25% of all Net Proceeds recovered in or otherwise received as a result of the Litigation pursuant to subsection 2(b) above, Clients shall pay Net Proceeds to Attorneys under the 25% contingency fee in equal one-half shares concurrently to BH (50%) and to BM (50%) as Net Proceeds are received from time to time by Clients, in compensation to Attorneys for all work in the Litigation, as Clients and Attorneys acknowledge and agree to this division of attorneys' fees as full compensation for their work.

Attorneys agree to discuss with each other incurring expenses of a material amount prior to incurring such expenses. Clients agree that they are responsible for any Costs and Expenses incurred under the Prior Agreement that were advanced by BH but which have not yet been reimbursed by Clients.

SECOND AMENDED FINAL JUDGMENT

The Court previously signed a Final Judgment in this case on April 9, 2019. The Court vacated the Final Judgment on June 21, 2019, and entered its Amended Final Judgment. The Court vacated the Amended Final Judgment on September 3, 2019. The Court hereby enters this Second Amended Final Judgment as follows:

On October 22, 2018, the Court commenced trial in this case. Plaintiffs Superior Energy Services, Inc., Stabil Drill Specialties, LLC ("Stabil Drill"), and SESI, LLC (collectively, "Plaintiffs") and Defendants Christopher J. Russo ("Russo"); Triple RRR Investments, L.L.C.; Gulf Coast Wireline, L.L.C.; Longhorn Bits, L.L.C.; Prime 337, L.L.C.; Russo Energy, L.L.C.; Russo Exploration, L.L.C.; Cole Joseph Russo Trust; Martin A. LeBlanc ("LeBlanc"); Shorty's Outdoor Adventures, L.L.C.; LeBlanc Real Estate Investments, L.L.C.; Perry McGraw appeared in person and/or by attorney of record and announced ready for trial. A jury consisting of twelve qualified jurors, having previously been demanded, was duly impaneled and sworn in by the Court. The case proceeded to trial and the jury heard the evidence and arguments of counsel. On December 5, 2018, the jury returned a unanimous verdict in favor of Stabil Drill on all questions submitted to them.

RECORDER'S MEMORIANDUM

The Court previously found that Russo and LeBlanc owed fiduciary duties to Stabil Drill as a matter of law. Having reviewed the verdict, the pleadings, the record, and the evidence at trial, the Court further finds that Russo's and LeBlanc's breaches of fiduciary duty were clear and serious and that disgorgement of net profits is fair, equitable, and just in this case in the amounts found by the jury at trial.

The jury found in its unanimous verdict that Russo and LeBlanc failed to comply with the fiduciary duty that each owed to Stabil Drill, and the jury further found that Stabil Drill incurred damages as a result of their failure to comply with the fiduciary duty that each owed. The jury further found that Russo received net profits of $27,728,000 and that LeBlanc received net profits of $3,470,586 from the transactions for which the jury found they failed to comply with the fiduciary duty each owed. The jury also found that Russo and LeBlanc committed fraud against Stabil Drill by making material misrepresentations and/or by failing to disclose material information when they had a duty to make such disclosure. The jury further found that Stabil Drill suffered injury as a result of such fraud. The jury further found that Russo and LeBlanc conspired to commit fraud against Stabil Drill. The jury also found that Russo was the alter ego of and responsible for the conduct of Triple RRR Investments, L.L.C.; Longhorn Bits, L.L.C.; Gulf Coast Wireline, L.L.C.; Prime 337, L.L.C.; Russo Energy, L.L.C.; and Russo Exploration, L.L.C. The jury further found that LeBlanc was the alter ego of and responsible for the conduct of Shorty's Outdoor, L.L.C. and LeBlanc Real Estate Investments, L.L.C. The jury also found that Russo and LeBlanc misappropriated Stabil Drill's trade secret in the design of the drill string vibrator and further found that such misappropriation caused damages to Stabil Drill. The jury found damages for each of these causes of action in amounts set forth in their verdict.

Certified Document Number: 88299759 - Page 2 of 66

The Court received, accepted, filed, and entered of record the jury's unanimous verdict attached hereto as Attachment A. The jury verdict, and all findings therein, is incorporated by reference into this final judgment for all purposes.

The Court has also received the Confession of Judgment of Defendant Perry McGraw filed on December 13, 2018. Having reviewed the Confession of Judgment, the Court finds that it is duly executed in accordance with Texas Rule of Civil Procedure 314 and, therefore, accepts such Confession of Judgment and incorporates the Confession of Judgment herein for all purposes.

The Court has also concluded that there has been no finding of liability against Triple RRR Investments, L.L.C.; Gulf Coast Wireline, L.L.C.; Longhorn Bits, L.L.C.; Prime 337, L.L.C.; Russo Energy, L.L.C.; and Russo Exploration, L.L.C.; and therefore, ORDERS that Stabil Drill take nothing against Triple RRR Investments, L.L.C.; Gulf Coast Wireline, L.L.C.; Longhorn Bits, L.L.C.; Prime 337, L.L.C.; Russo Energy, L.L.C.; and Russo Exploration, L.L.C.

The Court has also concluded that there has been no finding of liability against Shorty's Outdoor Adventures, L.L.C. and LeBlanc Real Estate Investments, L.L.C, and therefore, ORDERS, that Stabil Drill take nothing against Shorty's Outdoor Adventures, L.L.C. and LeBlanc Real Estate Investments, L.L.C.

The Court also previously granted a directed verdict in favor of Defendant Cole Joseph Russo Trust and, therefore, ORDERS that Stabil Drill take nothing against the Cole Joseph Russo Trust.

The Court further RENDERS judgment in favor of Stabil Drill. The Court, therefore, ORDERS, ADJUDGES, DECREES, and DECLARES that Stabil Drill recover as follows:

SUPERIOR ENERGY SERVICES, INC., STABIL DRILL SPECIALTIES, L.L.C., and SESI, L.L.C Plaintiffs,	§	IN THE DISTRICT COURT OF
v.	§	HARRIS COUNTY, TEXAS
CHRISTOPHER J. RUSSO, MARTIN A. LEBLANC, ET AL., Defendants.	§	295TH JUDICIAL DISTRICT

THE CHARGE OF THE COURT TO THE JURY

LADIES AND GENTLEMEN OF THE JURY:

After the closing arguments, you will go to the jury room to decide the case, answer the questions that are attached, and reach a verdict. You may discuss the case with other jurors only when you are all together in the jury room.

Remember my previous instructions: Do not discuss the case with anyone else, either in person or by any other means. Do not do any independent investigation about the case or conduct any research. Do not look up any words in dictionaries or on the Internet. Do not post information about the case on the Internet. Do not share any special knowledge or experiences with the other jurors. Do not use your phone or any other electronic device during your deliberations for any reason. I will give you a number where others may contact you in case of an emergency.

Any notes you have taken are for your own personal use. You may take your notes back into the jury room and consult them during deliberations, but do not show or read your notes to your fellow jurors during your deliberations. Your notes are not evidence. Each of you should rely on your independent recollection of the evidence and not be influenced by the fact that another juror has or has not taken notes.

You must leave your notes with the bailiff when you are not deliberating. The bailiff will give your notes to me promptly after collecting them from you. I will make sure your notes are kept in a safe, secure location and not disclosed to anyone.

After you complete your deliberations, the bailiff will collect your notes. When you are released from jury duty, the bailiff will promptly destroy your notes so that nobody can read what you wrote.

Here are the instructions for answering the questions:

1. Do not let bias, prejudice, or sympathy play any part in your decision.

2. Base your answers only on the evidence admitted in court and on the law that is in these instructions and questions. Do not consider or discuss any evidence that was not admitted in the courtroom.

3. You are to make up your own minds about the facts. You are the sole judges of the credibility of the witnesses and the weight to give their testimony. That is, you may believe all, any part, or none of the testimony of any witnesses you have heard in this case. But on matters of law, you must follow all of my instructions.

4. If my instructions use a word in a way that is different from its ordinary meaning, use the meaning I give you, which will be a proper legal definition.

5. All the questions and answers are important. No one should say that any question or answer is not important.

6. Answer "yes" or "no" to all questions unless you are told otherwise. A "yes" answer must be based on a preponderance of the evidence unless you are told otherwise. Whenever a question requires an answer other than "yes" or "no," your answer must be based on a preponderance of the evidence unless you are told otherwise.

   The term "preponderance of the evidence" means the greater weight of credible evidence presented in this case. If you do not find that a preponderance of the evidence supports a "yes" answer, then answer "no." A preponderance of the evidence is not measured by the number of witnesses or by the number of documents admitted in evidence. For a fact to be proved by a preponderance of the evidence, you must find that the fact is more likely true than not true.

   A fact may be established by direct evidence or by circumstantial evidence or both. A fact is established by direct evidence when proved by documentary

Certified Document Number: 88299759 - Page 8 of 66
Certified Document Number: 84777629 - Page 7 of 64

evidence or by witnesses who saw the act done or heard the words spoken. A fact is established by circumstantial evidence when it may be fairly and reasonably inferred from other facts proved.

7. Do not decide who you think should win before you answer the questions and then just answer the questions to match your decision. Answer each question carefully without considering who will win. Do not discuss or consider the effect your answers will have.

8. Do not answer questions by drawing straws or by any method of chance.

9. Some questions might ask you for a dollar amount. Do not agree in advance to decide on a dollar amount by adding up each juror's amount and then figuring the average.

10. Do not trade your answers. For example, do not say, "I will answer this question your way if you answer another question my way."

11. Unless otherwise instructed, the answers to the questions must be based on the decision of at least 10 of the 12 jurors. The same 10 jurors must agree on every answer. Do not agree to be bound by a vote of anything less than 10 jurors, even if it would be a majority.

As I have said before, if you do not follow these instructions, you will be guilty of juror misconduct, and I might have to order a new trial and start this process over again. This would waste your time and the parties' money, and would require the taxpayers of this county to pay for another trial. If a juror breaks any of these rules, tell that person to stop and report it to me immediately.

ADDITIONAL INSTRUCTIONS:

1. Defendant Chris Russo refused to answer certain questions on the grounds that it may tend to incriminate him. A person has a constitutional right to decline to answer on grounds that it may tend to incriminate him. You may, but are not required to, infer by such refusal that the answers would have been adverse to Chris Russo's interests.

2. You are instructed that Plaintiffs are not seeking recovery from Martin LeBlanc of damages, if any, sustained by Plaintiffs in connection with foreign and domestic steel transactions.

3. You are instructed that Plaintiffs are not seeking recovery from Martin LeBlanc of damages, if any, sustained by Plaintiffs in connection with the Chevron settlement payment.

4. You are instructed that knowledge held by corporate officers or directors may be imputed to the corporation itself. A corporate entity acts through its agents, representatives, and employees acting within the scope of the agency or employment. For purposes of this case, Chris Russo's and Martin LeBlanc's knowledge and acts may not be imputed to Plaintiffs.

5. "Proximate cause" means a cause that was a substantial factor in bringing about an event, and without which cause such event would not have occurred. In order to be a proximate cause, the act or omission complained of must be such that a person using the degree of care required of him would have foreseen that the event, or some similar event, might reasonably result therefrom. There may be more than one proximate cause of an event.

QUESTION 45

What amount of damages, if any, from the amount you awarded in Question 24, if any, do you find were proximately caused by the conspiracy?

In answering questions about damages, answer each question separately. Do not increase or reduce the amount in one answer because of your answer to any other question about damages. Do not include in your answer any amount that you find that Stabil Drill could have avoided by the exercise of reasonable care.

Presiding Juror:

1. When you go into the jury room to answer the questions, the first thing you will need to do is choose a presiding juror.

2. The presiding juror has these duties:

   a. have the complete charge read aloud if it will be helpful to your deliberations;

   b. preside over your deliberations, meaning manage the discussions, and see that you follow these instructions;

   c. give written questions or comments to the bailiff who will give them to the judge;

   d. write down the answers you agree on;

   e. get the signatures for the verdict certificate; and

   f. notify the bailiff that you have reached a verdict.

Instructions for Signing the Verdict Certificate:

1. Unless otherwise instructed, you may answer the questions on a vote of ten jurors. The same ten jurors must agree on every answer in the charge. This means you may not have one group of ten jurors agree on one answer and a different group of ten jurors agree on another answer.

2. If ten jurors agree on every answer, those ten jurors sign the verdict. If eleven jurors agree on every answer, those eleven jurors sign the verdict. If all twelve of you agree on every answer, you are unanimous and only the presiding juror signs the verdict.

3. All jurors should deliberate on every question. You may end up with all twelve of you agreeing on some answers, while only ten or eleven of you agree on other answers. But when you sign the verdict, only those ten who agree on every answer will sign the verdict.

Do you understand these instructions? If you do not, please tell me now.
