On December 8, 2020, the Court entered an order (Docket No. 88) (the "**Bar Date Order**") establishing certain deadlines for the filing of proofs of claim in the Debtors' Chapter 11 Cases.

Unless excepted by the Bar Date Order, pursuant thereto each person or entity (including, without limitation, each individual, partnership, joint venture, corporation, estate, and trust) that holds or seeks to assert a claim (as defined in section 101(5) of the Bankruptcy Code) against Superior Energy Services, Inc. On December 8, 2020, the Court entered an order [Docket No. 88] (the "**Bar Date Order**") establishing certain deadlines for the filing of proofs of claim in the Debtors' Chapter 11 Cases.

Unless excepted by the Bar Date Order, pursuant thereto each person or entity (including, without limitation, each individual, partnership, joint venture, corporation, estate, and trust) that holds or seeks to assert a claim (as defined in section 101(5) of the Bankruptcy Code) against Superior Energy Services, Inc. ("**Parent**") that arose, or is deemed to have arisen, prior to the Petition Date (including, without limitation, claims entitled to administrative priority status under section 503(b)(9) of the Bankruptcy Code), no matter how remote or contingent such right to payment or equitable remedy may be, **MUST FILE A PROOF OF CLAIM** on or before 5:00 p.m. (**Prevailing Central Time**), on January 7, 2021 (the "**Parent Bar Date**"), by sending an original proof of claim form to Kurtzman Carson Consultants LLC ("**KCC**"), or by completing the online proof of claim form available at www.kccllc.net/superior, so that it is **actually received** on or before the Parent Bar Date; provided that, solely with respect to governmental units (as defined in section 101(27) of the Bankruptcy Code), the deadline for such governmental units to file a proof of claim against the Debtors is June 7, 2021 at 5:00 p.m. (Prevailing Central Time) (the "**Governmental Bar Date**"). Proofs of claim must be sent by overnight mail, courier service, hand delivery, regular mail, or in person, or completed electronically through KCC's website. Proofs of claim sent by facsimile, telecopy, or electronic mail will **not** be accepted and will **not** be considered properly or timely filed for any purpose in these Chapter 11 Cases.

The Parent Bar Date applies only to claims asserted directly against Parent. Holders of claims only against any of the other Debtors should not file proofs of claim at this time.

ANY PERSON OR ENTITY THAT IS REQUIRED TO FILE A PROOF OF CLAIM IN THESE CHAPTER 11 CASES WITH RESPECT TO A PARTICULAR CLAIM AGAINST PARENT, BUT THAT FAILS TO DO SO PROPERLY BY THE APPLICABLE BAR DATE, SHALL NOT BE TREATED AS A CREDITOR WITH RESPECT TO SUCH CLAIM FOR PURPOSES OF VOTING AND DISTRIBUTION.

A copy of the Bar Date Order and proof of claim form may be obtained by contacting the Debtors' claims agent, in writing, at KCC, Superior Claim Processing, c/o KCC, 222 N. NON-VOTING STATUS OF HOLDERS OF CERTAIN CLAIMS AND EQUITY INTERESTS

9. As set forth above, certain Holders of Claims and Equity Interests are **not** entitled to vote on the Plan. As a result, such parties did not receive any ballots and other related solicitation materials to vote on the Plan. The Holders of Claims in Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), Class 3 (Secured Tax Claims), Class 4 (Prepetition Credit Agreement Claims), Class 8 (General Unsecured Claims Against Affiliate Debtors), Class 9 (Intercompany Claims), and Class 11 (Intercompany Equity Interests) are Unimpaired. Notwithstanding the foregoing, the Holders of Claims and Equity Interests in Classes 1-4 and 8 will receive a Notice of Non-Voting Status to affirmatively opt-out of the Third Party Releases.

10. Finally, while Class 10 – Old Parent Interests and Class 12 – 510(b) Equity Claims are Impaired, Claims and Equity Interests in Class 10 and Class 12 will not receive or retain any property under the Plan. Accordingly, under section 1126(g) of the Bankruptcy Code, Holders of Class 10 – Old Parent Interests and Class 12 - 510(b) Equity Claims are deemed to reject the Plan and such Holders are **not** entitled to vote. Notwithstanding the foregoing, the Holders of Equity Interests in Class 10 and Claims in Class 12 will receive a Notice of Non-Voting Status to affirmatively opt-out of the Third Party Releases.

11. All Classes that are not Affiliates of the Debtors will be provided with this Combined Notice. As explained above, the Voting and Claims Agent will provide you, free of charge, with copies of the Plan, the Disclosure Statement, and the Combined Hearing Notice.

SUMMARY OF THE PLAN[4]

8. Solicitation of votes on the Plan commenced prior to the Petition Date. The following chart summarizes the treatment provided by the Plan to each class of Claims and Equity Interests:

► Class 1 - Other Priority Claims

(a) *Classification*: Class 1 consists of the Other Priority Claims.

(b) *Treatment*: Subject to Article VIII of the Plan, on the Effective Date or as soon as reasonably practicable thereafter, each Holder of an Allowed Class 1 Claim shall receive in full and final satisfaction, settlement, discharge and release of, and in exchange for, such Allowed Class 1 Claim, at the election of the Debtors or Reorganized Debtors, as applicable (with the consent of the Required Consenting Noteholders): (A) Cash equal to the amount of such Allowed Class 1 Claim; (B) such other less favorable treatment as to which the Debtors or Reorganized Debtors, as applicable, and the Holder of such Allowed Class 1 Claim shall have agreed upon in writing; or (C) such other treatment such that it shall not be impaired pursuant to section 1124 of the Bankruptcy Code; provided, however, that Class 1 Claims incurred by any Debtor in the ordinary course of business may be paid in the ordinary course of business following the occurrence of the Effective Date by the applicable Reorganized Debtor in accordance with the terms and conditions of any agreements relating thereto without further notice to or order of the Bankruptcy Court.

(c) *Voting*: Class 1 is an Unimpaired Class, and the Holders of Claims in Class 1 are conclusively presumed to have accepted the Plan pursuant to section 1126(f) of the Bankruptcy Code. Notwithstanding anything to the contrary herein, the Cash Payout is contingent upon the consummation of the Equity Rights Offering, and in the event that the Equity Rights Offering is not consummated, no Cash Payout will be distributed to any Holder of an Allowed Prepetition Notes Claim and each Holder of Allowed Prepetition Notes Claims shall receive the distribution set forth in subsection (ii) above, regardless of whether such Holder timely and validly elected to be a Cash Opt-Out Noteholder.

Russia roils markets with push to curb food prices

By Anatoly Medetsky and Megan Durisin
BLOOMBERG

Russia is rattling agriculture markets once again with the threat of government intervention as President Vladimir Putin and his prime minister rail about food-price inflation in one of the world's biggest exporters of wheat and sunflower oil.

This week, Putin expressed surprise at sharp price increases for staples like bread and sunflower oil and told the government to develop a plan for curbing them. Prime Minister Mikhail Mishustin jumped in Thursday, saying food producers, exporters and retailers should stop taking advantage of consumers. Officials are already considering helping propel prices to two-year highs.

It wasn't clear immediately how the wheat export tax would affect shipments. The earlier proposal for a grain quota this season was loose enough for normal trade. Russia already is stepping in a wheat export tax in addition to the earlier proposal to set a grain shipment quota for a few months next year, according to an export lobby group.

"Don't profit off of the people," Mishustin said during televised comments at a cabinet meeting. "It's unacceptable in this difficult situation. It's necessary to take drastic measures and set straight the way prices are formed."

He didn't elaborate, but Russia has a history of disrupting the wheat market by implementing restrictions or duties. The country imposed an export tax in 2007 to combat rising food costs – helping push global wheat prices to a record – and a ban in 2010 after a poor crop, curbing supplies and

on oilseed markets, with Mishustin setting export taxes from January on commodities including sunflower seeds, used to make sunflower oil. Draft regulations to contain food prices are due for submission Monday.

Food inflation in Russia accelerated to 5.8 percent in November, the highest year-over-year gain since mid-2019. A United Nations global price gauge is at a six-year high as robust grain demand in China and tightening supply stoke prices. The U.S. Department of Agriculture cut its outlook for global wheat stockpiles on Thursday.

Benchmark futures for wheat – where Russia leads global exports – rallied in the wake of Putin's comments, although the government hasn't indicated any sales limits. Domestic prices are near a record high, and local bakers and meat producers asked the government for an export tax last month.

The agriculture ministry has proposed a quota from mid-February, with volumes high enough to keep trade flowing. A weak ruble helped accelerate wheat exports this year, making Russian supplies more competitive.

"The comments from Putin create a bit of uncertainty around the subject," Matt Ammermann, a commodity risk manager at StoneX, said by email. "The market is sensitive to the potential 'what ifs' right now."

Russia reaped a near-record wheat harvest, and the proposed quota is relatively relaxed, giving little immediate concern for supply, said Carlos Mera, a senior analyst at Rabobank International. Still, the fact that Putin and Mishustin are talking about this means the potential for intervention can't be discounted.

NON-VOTING STATUS OF HOLDERS OF CERTAIN CLAIMS AND EQUITY INTERESTS

9. As set forth above, certain Holders of Claims and Equity Interests are **not** entitled to vote on the Plan. As a result, such parties did not receive any ballots and other related solicitation materials to vote on the Plan. The Holders of Claims in Class 1 (Other Priority Claims), Class 2 (Other Secured Claims), Class 3 (Secured Tax Claims), Class 4 (Prepetition Credit Agreement Claims), Class 8 (General Unsecured Claims Against Affiliate Debtors), Class 9 (Intercompany Claims), and Class 11 (Intercompany Equity Interests) are Unimpaired. NOTICE REGARDING CERTAIN RELEASE, EXCULPATION AND INJUNCTION PROVISIONS IN THE PLAN. PLEASE BE ADVISED THAT THE PLAN CONTAINS CERTAIN RELEASE, EXCULPATION, AND INJUNCTION PROVISIONS, INCLUDING:

A. Article X.B – Release of Claims and Causes of Action

1. ***Release by the Debtors and their Estates*. Pursuant to section 1123(b) and any other applicable provisions of the Bankruptcy Code, and except as otherwise expressly provided in this Plan, effective as of the Effective Date, for good and valuable consideration provided by each of the Released Parties, the adequacy and sufficiency of which is hereby confirmed, the Debtors and the Reorganized Debtors, in their respective individual capacities and as debtors-in-possession, and on behalf of themselves and their respective Estates, including, without limitation, any successor to the Debtors or any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code (collectively, the "Debtor Releasing Parties"), shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever provided a full discharge, waiver and release to each of the Released Parties (and each such Released Party so released shall be deemed forever released, waived and discharged by the Debtor Releasing Parties) and their respective assets and properties (the "Debtor Release") from any and all Claims, interests, Causes of Action, and any other debts, obligations, rights, suits, damages, actions, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, whether directly or derivatively held, existing as of the Effective Date or thereafter arising, in law, at equity or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstances existing or taking place prior to or on the Effective Date arising from or related in any way in whole or in part to any of the Debtors (including the management, ownership or operation thereof) or their Affiliates, including, without limitation, (i) the Chapter 11 Cases, the Disclosure Statement, this Plan, the Plan Supplement, the Restructuring Support Agreement, the Restructuring Documents, the Prepetition Debt Documents, and the DIP Documents, (ii) the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in this Plan, (iii) the business or contractual arrangements between any Debtor and any Released Parties, (iv) the negotiation, formulation, preparation dissemination, entry into, or filing of the Restructuring Support Agreement, this Plan, the Disclosure Statement, the Plan Supplement, the Restructuring Documents, the Prepetition Debt Documents, the DIP Documents, or related agreements, instruments or other documents, (v) the restructuring of Claims or Equity Interests prior to or during the Chapter 11 Cases, (vi) the purchase, sale, or rescission of the purchase or sale of any Equity Interest of the Debtors or the Reorganized Debtors, and/or (vii) the Confirmation or Consummation of this Plan, the solicitation of votes on this Plan or the issuance or distribution of Plan Securities pursuant to this Plan that such Debtor Releasing Party would have been legally entitled to assert (whether individually or collectively) or that any Holder of a Claim or Equity Interest or other Person or Entity would have been legally entitled to assert for, or on behalf or in the name of, any Debtor, its respective Estate or any Reorganized Debtor (whether directly or derivatively) against any of the Released Parties; *provided*, *however*, that the foregoing provisions of this Debtor Release shall not operate to waive or release (i) the rights of such Debtor Releasing Party to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements or documents delivered under or in connection with this Plan (including, without limitation, the Exit Facility Loan Documents) or assumed or assumed and assigned, as applicable, pursuant to this Plan or pursuant to a Final Order of the Bankruptcy Court, (ii) any Causes of Action arising from willful misconduct, fraud, or gross negligence, in each case as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction, and (iii) any claims against the Excluded Parties. The foregoing release shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any Person or Entity and the Confirmation Order shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Debtor Release. Notwithstanding the foregoing, nothing in this Article X.B shall or shall be deemed to (i) prohibit the Debtors or the Reorganized Debtors from asserting and enforcing any claims, obligations, suits, judgments, demands, debts, rights, Causes of Action or liabilities they may have against any Person or Entity that is based upon an alleged breach of a confidentiality or non-compete obligation owed to the Debtors or the Reorganized Debtors and/or (ii) operate as a release or waiver of any Intercompany Claims, in each case unless otherwise expressly provided for in this Plan.**

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained herein, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interest of the Debtors and their Estates; (iv) fair, equitable and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any claim or Cause of Action released pursuant to the Debtor Release.

2. ***Release By Third Parties*. The foregoing release shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any Person or Entity and the Confirmation Order shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the Third Party Release.**

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third Party Release, which includes by reference each of the related provisions and definitions contained herein, and further, shall constitute the Bankruptcy Court's finding that the Third Party Release is: (i) consensual; (ii) essential to the confirmation of this Plan; (iii) in exchange for the good and valuable consideration provided by the Released Parties; (iv) a good faith settlement and compromise of the Claims released by the Third Party Release; (v) in the best interest of the Debtors and all Holders of Claims and Equity Interests; (vi) fair, equitable and reasonable; (vii) given and made after due notice and opportunity for hearing; and (viii) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third Party Release.

B. Article X.E – Exculpation. Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any claims or Causes of Action arising prior to or on the Effective Date for any act taken or omitted to be taken in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or Consummation of this Pl

NOTICE REGARDING CERTAIN RELEASE, EXCULPATION AND INJUNCTION PROVISIONS IN THE PLAN. PLEASE BE ADVISED THAT THE PLAN CONTAINS CERTAIN RELEASE, EXCULPATION, AND INJUNCTION PROVISIONS, INCLUDING:

A. Article X.B – Release of Claims and Causes of Action

1. ***Release by the Debtors and their Estates*. Pursuant to section 1123(b) and any other applicable provisions of the Bankruptcy Code, and except as otherwise expressly provided in this Plan, effective as of the Effective Date, for good and valuable consideration provided by each of the Released Parties, the adequacy and sufficiency of which is hereby confirmed, the Debtors and the Reorganized Debtors, in their respective individual capacities and as debtors-in-possession, and on behalf of themselves and their respective Estates, including, without limitation, any successor to the Debtors or any Estate representative appointed or selected pursuant to section 1123(b)(3) of the Bankruptcy Code (collectively, the "Debtor Releasing Parties"), shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever provided a full discharge, waiver and release to each of the Released Parties (and each such Released Party so released shall be deemed forever released, waived and discharged by the Debtor Releasing Parties) and their respective assets and properties (the "Debtor Release") from any and all Claims, interests, Causes of Action, and any other debts, obligations, rights, suits, damages, actions, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, whether directly or derivatively held, existing as of the Effective Date or thereafter arising, in law, at equity or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstances existing or taking place prior to or on the Effective Date arising from or related in any way in whole or in part to any of the Debtors (including the management, ownership or operation thereof) or their Affiliates, including, without limitation, (i) the Chapter 11 Cases, the Disclosure Statement, this Plan, the Plan Supplement, the Restructuring Support Agreement, the Restructuring Documents, the Prepetition Debt Documents, and the DIP Documents, (ii) the subject matter of, or the transactions or events giving rise to, any Claim or Equity Interest that is treated in this Plan, (iii) the business or contractual arrangements between any Debtor and any Released Parties, (iv) the negotiation, formulation, preparation dissemination, entry into, or filing of the Restructuring Support Agreement, this Plan, the Disclosure Statement, the Plan Supplement, the Restructuring Documents, the Prepetition Debt Documents, the DIP Documents, or related agreements, instruments or other documents, (v) the restructuring of Claims or Equity Interests prior to or during the Chapter 11 Cases, (vi) the purchase, sale, or rescission of the purchase or sale of any Equity Interest of the Debtors or the Reorganized Debtors, and/or (vii) the Confirmation or Consummation of this Plan, the solicitation of votes on this Plan or the issuance or distribution of Plan Securities pursuant to this Plan that such Debtor Releasing Party would have been legally entitled to assert (whether individually or collectively) or that any Holder of a Claim or Equity Interest or other Person or Entity would have been legally entitled to assert for, or on behalf or in the name of, any Debtor, its respective Estate or any Reorganized Debtor (whether directly or derivatively) against any of the Released Parties; *provided*, *however*, that the foregoing provisions of this Debtor Release shall not operate to waive or release (i) the rights of such Debtor Releasing Party to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements or documents delivered under or in connection with this Plan (including, without limitation, the Exit Facility Loan Documents) or assumed or assumed and assigned, as applicable, pursuant to this Plan or pursuant to a Final Order of the Bankruptcy Court, (ii) any Causes of Action arising from willful misconduct, fraud, or gross negligence, in each case as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction, and (iii) any claims against the Excluded Parties. The foregoing release shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any Person or Entity and the Confirmation Order shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to this Debtor Release. Notwithstanding the foregoing, nothing in this Article X.B shall or shall be deemed to (i) prohibit the Debtors or the Reorganized Debtors from asserting and enforcing any claims, obligations, suits, judgments, demands, debts, rights, Causes of Action or liabilities they may have against any Person or Entity that is based upon an alleged breach of a confidentiality or non-compete obligation owed to the Debtors or the Reorganized Debtors and/or (ii) operate as a release or waiver of any Intercompany Claims, in each case unless otherwise expressly provided for in this Plan.**

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained herein, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (i) in exchange for the good and valuable consideration provided by the Released Parties; (ii) a good faith settlement and compromise of the Claims released by the Debtor Release; (iii) in the best interest of the Debtors and their Estates; (iv) fair, equitable and reasonable; (v) given and made after due notice and opportunity for hearing; and (vi) a bar to any of the Debtors, the Reorganized Debtors, or the Debtors' Estates asserting any claim or Cause of Action released pursuant to the Debtor Release.

2. ***Release By Third Parties*. Except as otherwise expressly provided in this Plan, effective as of the Effective Date, to the fullest extent permitted by applicable law, for good and valuable consideration provided by each of the Released Parties, the adequacy and sufficiency of which is hereby confirmed, and without limiting or otherwise modifying the scope of the Debtor Release provided by the Debtor Releasing Parties above, each Non-Debtor Releasing Party (together with the Debtor Releasing Parties, the "Releasing Parties") shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever provided a full discharge, waiver and release to each of the Released Parties (and each such Released Party so released shall be deemed forever released, waived and discharged by the Non-Debtor Releasing Parties) and their respective assets and properties (the "Third Party Release") from any and all Claims, interests, Causes of Action, and any other debts, obligations, rights, suits, damages, actions, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, liquidated or unliquidated, whether directly or derivatively held, existing as of the Effective Date or thereafter arising, in law, at equity or otherwise, whether for tort, contract, violations of federal or state securities laws, or otherwise, based in whole or in part upon any act or omission, transaction, or other occurrence or circumstances existing or taking place prior to or on the Effective Date arising from or related in any way in whole or in part to any of the Debtors (including the management, ownership or operation thereof) or their Affiliates, including, without limitation, (i) the Chapter 11 Cases, the Disclosure Statement, this Plan, the Plan Supplement, the Restructuring Support Agreement, the Restructuring Documents, the Prepetition Debt Documents, the DIP Documents, or related agreements, instruments or other documents, (v) the restructuring of Claims or Equity Interests prior to or during the Chapter 11 Cases, (vi) the purchase, sale or rescission of the purchase or sale of any Equity Interest of the Debtors or the Reorganized Debtors, and/or (vii) the Confirmation or Consummation of this Plan, the solicitation of votes on this Plan or the issuance or distribution of Plan Securities pursuant to this Plan that such Non-Debtor Releasing Party would have been legally entitled to assert (whether individually or collectively) against any of the Released Parties; *provided*, *however*, that the foregoing provisions of this Third Party Release shall not operate to waive or release (i) the rights of such Non-Debtor Releasing Party to enforce this Plan and the contracts, instruments, releases, indentures, and other agreements or documents delivered under or in connection with this Plan (including, without limitation, the Exit Facility Loan Documents) or assumed or assumed and assigned, as applicable, pursuant to this Plan or pursuant to a Final Order of the Bankruptcy Court or (ii) any Causes of Action arising from willful misconduct, fraud, or gross negligence, in each case as determined by Final Order of the Bankruptcy Court or any other court of competent jurisdiction. The foregoing release shall be effective as of the Effective Date without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order, or rule or the vote, consent, authorization or approval of any Person or Entity and the Confirmation Order shall permanently enjoin the commencement or prosecution by any Person or Entity, whether directly, derivatively or otherwise, of any claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, or liabilities released pursuant to the Third Party Release.**

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third Party Release, which includes by reference each of the related provisions and definitions contained herein, and further, shall constitute the Bankruptcy Court's finding that the Third Party Release is: (i) consensual; (ii) essential to the confirmation of this Plan; (iii) in exchange for the good and valuable consideration provided by the Released Parties; (iv) a good faith settlement and compromise of the Claims released by the Third Party Release; (v) in the best interest of the Debtors and all Holders of Claims and Equity Interests; (vi) fair, equitable and reasonable; (vii) given and made after due notice and opportunity for hearing; and (viii) a bar to any of the Releasing Parties asserting any claim or Cause of Action released pursuant to the Third Party Release.

B. Article X.E – Exculpation. Effective as of the Effective Date, to the fullest extent permitted by law, the Exculpated Parties shall neither have nor incur any liability to any Person or Entity for any claims or Causes of Action arising prior to or on the Effective Date for any act taken or omitted to be taken in connection with, or related to, formulating, negotiating, preparing, disseminating, implementing, administering, confirming or effecting the Confirmation or Consummation of this Plan, the

this time. If you hold a claim against a Debtor other than the Parent, you do not need to file a Proof of Claim.

For your convenience, enclosed with this Notice is a proof of claim form (the "**Proof of Claim Form**").

Please take further notice that the Bar Date Order and the procedures set forth therein and herein for the filing of Proofs of Claim apply solely to claims against Parent that arose, or are deemed to have arisen, prior to the Petition Date, regardless of their character or nature, whether secured or unsecured, priority or non-priority, liquidated or unliquidated, fixed or contingent, including, without limitation, claims entitled to administrative priority status under section 503(b)(9) of the Bankruptcy Code, no matter how remote or contingent (such claims the "**Parent Claims**" and the holder of any such Parent Claims , a "**Claimant**").

As used in this Notice, the term "**claim**" or "**Claim**" has the meaning given to it in section 101(5) of the Bankruptcy Code, and includes as to or against Parent: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU MAY HAVE OR YOU MAY ASSERT A PARENT CLAIM IN THE ABOVE-CAPTIONED CHAPTER 11 CASES. THEREFORE, YOU SHOULD READ THIS NOTICE CAREFULLY AND *DISCUSS* IT WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE.

General Information about the Debtors' Cases. The Debtors' cases are being jointly administered under case number 20-35812. The Debtors' mailing address is 1001 Louisiana Street, Suite 2900, Houston, Texas 77002.

A CLAIMANT SHOULD CONSULT AN ATTORNEY IF THE CLAIMANT HAS ANY QUESTIONS, INCLUDING WHETHER SUCH CLAIMANT SHOULD FILE A PROOF OF CLAIM.

1. PERSONS OR ENTITIES WHO MUST FILE A PROOF OF CLAIM.

Any person or entity, except for the Prepetition Notes Indenture Trustee with respect to the Prepetition Notes Indentures and Prepetition Notes, that has or seeks to assert a Parent Claim which arose, or is deemed to have arisen, prior to the Petition Date, including, without limitation, a claim under section 503(b)(9) of the Bankruptcy Code, **MUST FILE A PROOF OF CLAIM ON OR BEFORE THE APPLICABLE BAR DATE** to potentially share in any distribution from Parent's estate.

Under the Bar Date Order, the filing of a Proof of Claim Form shall be deemed to satisfy the procedural requirements for the assertion of administrative priority claims under section

503(b)(9) of the Bankruptcy Code. All other administrative claims under section 503(b) of the Bankruptcy Code must be made by separate requests for payment in accordance with section 503(a) of the Bankruptcy Code and shall not be deemed proper if made by proof of claim. No deadline has yet been established for the filing of administrative claims other than claims under section 503(b)(9) of the Bankruptcy Code. **Claims under section 503(b)(9) of the Bankruptcy Code must be filed by the Bar Date**.

THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A PARENT CLAIM OR THAT THE DEBTORS BELIEVE THAT YOU HAVE A PARENT CLAIM. A CLAIMANT SHOULD CONSULT AN ATTORNEY IF THE CLAIMANT HAS ANY QUESTIONS, INCLUDING WHETHER SUCH CLAIMANT SHOULD FILE A PROOF OF CLAIM.

A. No Bar Date for Proof of Interest

Any person or entity holding an equity security (as defined in section 101(16) of the Bankruptcy Code and including, without limitation, common stock, preferred stock, warrants, or stock options) or other ownership interest in Parent (an "**Interest Holder**") is not required to file a proof of interest on or before the applicable Bar Date; provided, however, that an Interest Holder that wishes to assert claims against Parent that arise out of or relate to the ownership or purchase of an equity security or other ownership interest, including, but not limited to, a claim for damages or rescission based on the purchase or sale of such equity security or other ownership interest, must file a Proof of Claim on or before the applicable Bar Date. The Debtors have reserved the right to establish at a later time a bar date requiring Interest Holders to file proofs of interest. If such a bar date is established, Interest Holders will be notified in writing of the bar date for filing of proofs of interest at the appropriate time.

B. Amendment to Parent's Schedules.

If the Debtors amend Parent's Schedules, then the deadline to submit a Proof of Claim for those creditors affected by any such amendment shall be the later of (i) the applicable Bar Date or (ii) 5:00 p.m. (Prevailing Central Time) on the date that is twenty-one (21) days from the date that the Debtors provide written notice to the affected creditor that Parent's Schedules have been amended.

2. WHEN AND WHERE TO FILE.

All Claimants must submit (by overnight mail, courier service, hand delivery, regular mail, or in person) an original, written Proof of Claim that substantially conforms to the Proof of Claim Form so as to be **actually received** by KCC, the Debtors' claims and notice agent, by no later than 5:00 p.m. (Prevailing Central Time) on or before the applicable Bar Date at the following address:

Superior Claim Processing
c/o KCC
222 N. Pacific Coast Highway, Suite 300

El Segundo, CA 90245

Alternatively, Claimants may submit a Proof of Claim electronically by completing the Proof of Claim Form that can be accessed at KCC's website, www.kccllc.net/superior.

Proofs of Claim will be deemed timely filed only if **actually received** by KCC on or before the applicable Bar Date. Proofs of Claim may **not** be delivered by facsimile, telecopy, or electronic mail transmission. Any facsimile, telecopy, or electronic mail submissions will not be accepted and will not be deemed filed until a Proof of Claim is submitted to KCC by overnight mail, courier service, hand delivery, regular mail, in person, or through KCC's website listed above.

Claimants wishing to receive acknowledgment that their Proofs of Claim were received by KCC must submit (i) a copy of the Proof of Claim and (ii) a self-addressed, stamped envelope (in addition to the original Proof of Claim sent to KCC).

3. CONTENTS OF A PROOF OF CLAIM.

As noted above, the Debtors are enclosing a Proof of Claim Form for use in these Chapter 11 Cases, or you may use another Proof of Claim form that substantially conforms to Official Bankruptcy Form No. 410. The Proof of Claim Form is available free of charge on KCC's website, www.kccllc.net/superior.

To be valid, your Proof of Claim **MUST** (i) be signed by the Claimant; (ii) be written in the English language; (iii) be denominated in lawful currency of the United States; (iv) conform substantially to the Proof of Claim Form or Official Form 410; (v) set forth with specificity the legal and factual basis for the alleged claim; and (vi) include supporting documentation or an explanation as to why such documentation is not available.

If you are filing a Claim under section 503(b)(9) of the Bankruptcy Code, you must indicate in the Proof of Claim Form the amount of the Claim that arises under section 503(b)(9) of the Bankruptcy Code. For each Claim under section 503(b)(9) of the Bankruptcy Code, you must attach to the Proof of Claim Form a supplemental statement setting forth with specificity: (i) the date of shipment of the goods you contend Parent received in the twenty (20) days before the Petition Date; (ii) the date, place, and method (including carrier name) of delivery of the goods you contend Parent received in the twenty (20) days before the Petition Date; (iii) the value of the goods you contend Parent received in the twenty (20) days before the Petition Date; and (iv) whether you timely made a demand to reclaim such goods under section 546(c) of the Bankruptcy Code, and, if so, include any documentation identifying such demand.

4. CONSEQUENCES OF FAILURE TO FILE PROOF OF CLAIM BY THE BAR DATE.

Any Claimant that is required to file a Proof of Claim under the Bar Date Order with respect to a Parent Claim, but that fails to do so properly by the applicable Bar Date, shall not be treated as a creditor with respect to such claim for purposes of voting and distribution.

5. CONTINGENT CLAIMS.

Acts or omissions of or by Parent that occurred, or that are deemed to have occurred, prior to the Petition Date, including, without limitation, acts or omissions related to any indemnity agreement, guarantee, services provided to or rendered by Parent, or goods provided to or by Parent, may give rise to claims against Parent notwithstanding the fact that such claims (or any injuries on which they may be based) may be contingent or may not have matured or become fixed or liquidated prior to the Petition Date. Therefore, any person or entity that holds a Parent Claim, no matter how remote, contingent, or unliquidated, **MUST** file a Proof of Claim on or before the applicable Bar Date.

6. PARENT'S SCHEDULES.

You may be listed as the holder of a claim against Parent in Parent's Schedules. Parent's Schedules will be available free of charge on KCC's website at www.kccllc.net/superior. If you rely on Parent's Schedules, it is your responsibility to determine that your claim is accurately listed in Parent's Schedules. If (i) you agree with the nature, amount and status of your claim as listed in Parent's Schedules **and** (ii) your claim is **NOT** described as "disputed," "contingent," or "unliquidated," then you are not required to file a Proof of Claim in these Chapter 11 Cases with respect to such claim. Otherwise, or if you decide to file a Proof of Claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice and the Bar Date Order.

7. RESERVATION OF RIGHTS.

Nothing contained in this Notice or the Bar Date Order is intended or should be construed as: (a) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any claim or lien on any grounds; (c) a promise to pay any claim; (d) an implication or admission that any particular claim would constitute an allowed claim; (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; (f) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to the proposed Order once entered; or (g) a waiver of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law.

8. ADDITIONAL INFORMATION.

Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing that bankruptcy estate.
11 U.S.C. § 503

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity to who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. §101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Do not file these instructions with your form.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

this time. If you hold a claim against a Debtor other than the Parent, you do not need to file a Proof of Claim.

For your convenience, enclosed with this Notice is a proof of claim form (the "**Proof of Claim Form**").

Please take further notice that the Bar Date Order and the procedures set forth therein and herein for the filing of Proofs of Claim apply solely to claims against Parent that arose, or are deemed to have arisen, prior to the Petition Date, regardless of their character or nature, whether secured or unsecured, priority or non-priority, liquidated or unliquidated, fixed or contingent, including, without limitation, claims entitled to administrative priority status under section 503(b)(9) of the Bankruptcy Code, no matter how remote or contingent (such claims the "**Parent Claims**" and the holder of any such Parent Claims , a "**Claimant**").

As used in this Notice, the term "**claim**" or "**Claim**" has the meaning given to it in section 101(5) of the Bankruptcy Code, and includes as to or against Parent: (a) any right to payment, whether or not such right is reduced to judgment, liquidated, unliquidated, fixed, contingent, matured, unmatured, disputed, undisputed, legal, equitable, secured, or unsecured; or (b) any right to an equitable remedy for breach of performance if such breach gives rise to a right to payment, whether or not such right to an equitable remedy is reduced to judgment, fixed, contingent, matured, unmatured, disputed, undisputed, secured, or unsecured.

YOU ARE RECEIVING THIS NOTICE BECAUSE YOU MAY HAVE OR YOU MAY ASSERT A PARENT CLAIM IN THE ABOVE-CAPTIONED CHAPTER 11 CASES. THEREFORE, YOU SHOULD READ THIS NOTICE CAREFULLY AND *DISCUSS* IT WITH YOUR ATTORNEY. IF YOU DO NOT HAVE AN ATTORNEY, YOU MAY WISH TO CONSULT ONE.

General Information about the Debtors' Cases. The Debtors' cases are being jointly administered under case number 20-35812. The Debtors' mailing address is 1001 Louisiana Street, Suite 2900, Houston, Texas 77002.

A CLAIMANT SHOULD CONSULT AN ATTORNEY IF THE CLAIMANT HAS ANY QUESTIONS, INCLUDING WHETHER SUCH CLAIMANT SHOULD FILE A PROOF OF CLAIM.

1. PERSONS OR ENTITIES WHO MUST FILE A PROOF OF CLAIM.

Any person or entity, except for the Prepetition Notes Indenture Trustee with respect to the Prepetition Notes Indentures and Prepetition Notes, that has or seeks to assert a Parent Claim which arose, or is deemed to have arisen, prior to the Petition Date, including, without limitation, a claim under section 503(b)(9) of the Bankruptcy Code, **MUST FILE A PROOF OF CLAIM ON OR BEFORE THE APPLICABLE BAR DATE** to potentially share in any distribution from Parent's estate.

Under the Bar Date Order, the filing of a Proof of Claim Form shall be deemed to satisfy the procedural requirements for the assertion of administrative priority claims under section

503(b)(9) of the Bankruptcy Code. All other administrative claims under section 503(b) of the Bankruptcy Code must be made by separate requests for payment in accordance with section 503(a) of the Bankruptcy Code and shall not be deemed proper if made by proof of claim. No deadline has yet been established for the filing of administrative claims other than claims under section 503(b)(9) of the Bankruptcy Code. **Claims under section 503(b)(9) of the Bankruptcy Code must be filed by the Bar Date**.

THE FACT THAT YOU HAVE RECEIVED THIS NOTICE DOES NOT MEAN THAT YOU HAVE A PARENT CLAIM OR THAT THE DEBTORS BELIEVE THAT YOU HAVE A PARENT CLAIM. A CLAIMANT SHOULD CONSULT AN ATTORNEY IF THE CLAIMANT HAS ANY QUESTIONS, INCLUDING WHETHER SUCH CLAIMANT SHOULD FILE A PROOF OF CLAIM.

A. No Bar Date for Proof of Interest

Any person or entity holding an equity security (as defined in section 101(16) of the Bankruptcy Code and including, without limitation, common stock, preferred stock, warrants, or stock options) or other ownership interest in Parent (an "**Interest Holder**") is not required to file a proof of interest on or before the applicable Bar Date; provided, however, that an Interest Holder that wishes to assert claims against Parent that arise out of or relate to the ownership or purchase of an equity security or other ownership interest, including, but not limited to, a claim for damages or rescission based on the purchase or sale of such equity security or other ownership interest, must file a Proof of Claim on or before the applicable Bar Date. The Debtors have reserved the right to establish at a later time a bar date requiring Interest Holders to file proofs of interest. If such a bar date is established, Interest Holders will be notified in writing of the bar date for filing of proofs of interest at the appropriate time.

B. Amendment to Parent's Schedules.

If the Debtors amend Parent's Schedules, then the deadline to submit a Proof of Claim for those creditors affected by any such amendment shall be the later of (i) the applicable Bar Date or (ii) 5:00 p.m. (Prevailing Central Time) on the date that is twenty-one (21) days from the date that the Debtors provide written notice to the affected creditor that Parent's Schedules have been amended.

2. WHEN AND WHERE TO FILE.

All Claimants must submit (by overnight mail, courier service, hand delivery, regular mail, or in person) an original, written Proof of Claim that substantially conforms to the Proof of Claim Form so as to be **actually received** by KCC, the Debtors' claims and notice agent, by no later than 5:00 p.m. (Prevailing Central Time) on or before the applicable Bar Date at the following address:

Superior Claim Processing
c/o KCC
222 N. Pacific Coast Highway, Suite 300

El Segundo, CA 90245

Alternatively, Claimants may submit a Proof of Claim electronically by completing the Proof of Claim Form that can be accessed at KCC's website, www.kccllc.net/superior.

Proofs of Claim will be deemed timely filed only if **actually received** by KCC on or before the applicable Bar Date. Proofs of Claim may **not** be delivered by facsimile, telecopy, or electronic mail transmission. Any facsimile, telecopy, or electronic mail submissions will not be accepted and will not be deemed filed until a Proof of Claim is submitted to KCC by overnight mail, courier service, hand delivery, regular mail, in person, or through KCC's website listed above.

Claimants wishing to receive acknowledgment that their Proofs of Claim were received by KCC must submit (i) a copy of the Proof of Claim and (ii) a self-addressed, stamped envelope (in addition to the original Proof of Claim sent to KCC).

3. CONTENTS OF A PROOF OF CLAIM.

As noted above, the Debtors are enclosing a Proof of Claim Form for use in these Chapter 11 Cases, or you may use another Proof of Claim form that substantially conforms to Official Bankruptcy Form No. 410. The Proof of Claim Form is available free of charge on KCC's website, www.kccllc.net/superior.

To be valid, your Proof of Claim **MUST** (i) be signed by the Claimant; (ii) be written in the English language; (iii) be denominated in lawful currency of the United States; (iv) conform substantially to the Proof of Claim Form or Official Form 410; (v) set forth with specificity the legal and factual basis for the alleged claim; and (vi) include supporting documentation or an explanation as to why such documentation is not available.

If you are filing a Claim under section 503(b)(9) of the Bankruptcy Code, you must indicate in the Proof of Claim Form the amount of the Claim that arises under section 503(b)(9) of the Bankruptcy Code. For each Claim under section 503(b)(9) of the Bankruptcy Code, you must attach to the Proof of Claim Form a supplemental statement setting forth with specificity: (i) the date of shipment of the goods you contend Parent received in the twenty (20) days before the Petition Date; (ii) the date, place, and method (including carrier name) of delivery of the goods you contend Parent received in the twenty (20) days before the Petition Date; (iii) the value of the goods you contend Parent received in the twenty (20) days before the Petition Date; and (iv) whether you timely made a demand to reclaim such goods under section 546(c) of the Bankruptcy Code, and, if so, include any documentation identifying such demand.

4. CONSEQUENCES OF FAILURE TO FILE PROOF OF CLAIM BY THE BAR DATE.

Any Claimant that is required to file a Proof of Claim under the Bar Date Order with respect to a Parent Claim, but that fails to do so properly by the applicable Bar Date, shall not be treated as a creditor with respect to such claim for purposes of voting and distribution.

5. CONTINGENT CLAIMS.

Acts or omissions of or by Parent that occurred, or that are deemed to have occurred, prior to the Petition Date, including, without limitation, acts or omissions related to any indemnity agreement, guarantee, services provided to or rendered by Parent, or goods provided to or by Parent, may give rise to claims against Parent notwithstanding the fact that such claims (or any injuries on which they may be based) may be contingent or may not have matured or become fixed or liquidated prior to the Petition Date. Therefore, any person or entity that holds a Parent Claim, no matter how remote, contingent, or unliquidated, **MUST** file a Proof of Claim on or before the applicable Bar Date.

6. PARENT'S SCHEDULES.

You may be listed as the holder of a claim against Parent in Parent's Schedules. Parent's Schedules will be available free of charge on KCC's website at www.kccllc.net/superior. If you rely on Parent's Schedules, it is your responsibility to determine that your claim is accurately listed in Parent's Schedules. If (i) you agree with the nature, amount and status of your claim as listed in Parent's Schedules **and** (ii) your claim is **NOT** described as "disputed," "contingent," or "unliquidated," then you are not required to file a Proof of Claim in these Chapter 11 Cases with respect to such claim. Otherwise, or if you decide to file a Proof of Claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice and the Bar Date Order.

7. RESERVATION OF RIGHTS.

Nothing contained in this Notice or the Bar Date Order is intended or should be construed as: (a) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any claim or lien on any grounds; (c) a promise to pay any claim; (d) an implication or admission that any particular claim would constitute an allowed claim; (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; (f) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to the proposed Order once entered; or (g) a waiver of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law.

8. ADDITIONAL INFORMATION.

Parent's Schedules, the Proof of Claim Form, the Motion and the Bar Date Order are available free of charge on KCC's website www.kccllc.net/superior. 11 U.S.C. § 503

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity to who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. §101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Do not file these instructions with your form.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

A. No Bar Date for Proof of Interest

Any person or entity holding an equity security (as defined in section 101(16) of the Bankruptcy Code and including, without limitation, common stock, preferred stock, warrants, or stock options) or other ownership interest in Parent (an "**Interest Holder**") is not required to file a proof of interest on or before the applicable Bar Date; provided, however, that an Interest Holder that wishes to assert claims against Parent that arise out of or relate to the ownership or purchase of an equity security or other ownership interest, including, but not limited to, a claim for damages or rescission based on the purchase or sale of such equity security or other ownership interest, must file a Proof of Claim on or before the applicable Bar Date. The Debtors have reserved the right to establish at a later time a bar date requiring Interest Holders to file proofs of interest. If such a bar date is established, Interest Holders will be notified in writing of the bar date for filing of proofs of interest at the appropriate time.

Proofs of Claim will be deemed timely filed only if **actually received** by KCC on or before the applicable Bar Date. Proofs of Claim may **not** be delivered by facsimile, telecopy, or electronic mail transmission. Any facsimile, telecopy, or electronic mail submissions will not be accepted and will not be deemed filed until a Proof of Claim is submitted to KCC by overnight mail, courier service, hand delivery, regular mail, in person, or through KCC's website listed above.

Claimants wishing to receive acknowledgment that their Proofs of Claim were received by KCC must submit (i) a copy of the Proof of Claim and (ii) a self-addressed, stamped envelope (in addition to the original Proof of Claim sent to KCC).

3. CONTENTS OF A PROOF OF CLAIM.

As noted above, the Debtors are enclosing a Proof of Claim Form for use in these Chapter 11 Cases, or you may use another Proof of Claim form that substantially conforms to Official Bankruptcy Form No. 410. The Proof of Claim Form is available free of charge on KCC's website, www.kccllc.net/superior.

To be valid, your Proof of Claim **MUST** (i) be signed by the Claimant; (ii) be written in the English language; (iii) be denominated in lawful currency of the United States; (iv) conform substantially to the Proof of Claim Form or Official Form 410; (v) set forth with specificity the legal and factual basis for the alleged claim; and (vi) include supporting documentation or an explanation as to why such documentation is not available.

If you are filing a Claim under section 503(b)(9) of the Bankruptcy Code, you must indicate in the Proof of Claim Form the amount of the Claim that arises under section 503(b)(9) of the Bankruptcy Code. For each Claim under section 503(b)(9) of the Bankruptcy Code, you must attach to the Proof of Claim Form a supplemental statement setting forth with specificity: (i) the date of shipment of the goods you contend Parent received in the twenty (20) days before the Petition Date; (ii) the date, place, and method (including carrier name) of delivery of the goods you contend Parent received in the twenty (20) days before the Petition Date; (iii) the value of the goods you contend Parent received in the twenty (20) days before the Petition Date; and (iv) whether you timely made a demand to reclaim such goods under section 546(c) of the Bankruptcy Code, and, if so, include any documentation identifying such demand.

4. CONSEQUENCES OF FAILURE TO FILE PROOF OF CLAIM BY THE BAR DATE.

Any Claimant that is required to file a Proof of Claim under the Bar Date Order with respect to a Parent Claim, but that fails to do so properly by the applicable Bar Date, shall not be treated as a creditor with respect to such claim for purposes of voting and distribution.

5. CONTINGENT CLAIMS.

Acts or omissions of or by Parent that occurred, or that are deemed to have occurred, prior to the Petition Date, including, without limitation, acts or omissions related to any indemnity agreement, guarantee, services provided to or rendered by Parent, or goods provided to or by Parent, may give rise to claims against Parent notwithstanding the fact that such claims (or any injuries on which they may be based) may be contingent or may not have matured or become fixed or liquidated prior to the Petition Date. Therefore, any person or entity that holds a Parent Claim, no matter how remote, contingent, or unliquidated, **MUST** file a Proof of Claim on or before the applicable Bar Date.

6. PARENT'S SCHEDULES.

You may be listed as the holder of a claim against Parent in Parent's Schedules. Parent's Schedules will be available free of charge on KCC's website at www.kccllc.net/superior. If you rely on Parent's Schedules, it is your responsibility to determine that your claim is accurately listed in Parent's Schedules. If (i) you agree with the nature, amount and status of your claim as listed in Parent's Schedules **and** (ii) your claim is **NOT** described as "disputed," "contingent," or "unliquidated," then you are not required to file a Proof of Claim in these Chapter 11 Cases with respect to such claim. Otherwise, or if you decide to file a Proof of Claim, you must do so before the applicable Bar Date in accordance with the procedures set forth in this Notice and the Bar Date Order.

7. RESERVATION OF RIGHTS.

Nothing contained in this Notice or the Bar Date Order is intended or should be construed as: (a) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (b) a waiver of the Debtors' or any other party in interest's rights to dispute any claim or lien on any grounds; (c) a promise to pay any claim; (d) an implication or admission that any particular claim would constitute an allowed claim; (e) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; (f) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to the proposed Order once entered; or (g) a waiver of the Debtors' or any other party in interest's rights under the Bankruptcy Code or any other applicable law.

8. ADDITIONAL INFORMATION.

Parent's Schedules, the Proof of Claim Form, the Motion and the Bar Date Order are available free of charge on KCC's website www.kccllc.net/superior. Understand the terms used in this form

Administrative expense: Generally, an expense that arises after a bankruptcy case is filed in connection with operating, liquidating, or distributing that bankruptcy estate.
11 U.S.C. § 503

Claim: A creditor's right to receive payment for a debt that the debtor owed on the date the debtor filed for bankruptcy. 11 U.S.C. §101 (5). A claim may be secured or unsecured.

Claim Pursuant to 11 U.S.C. §503(b)(9): A claim arising from the value of any goods received by the Debtor within 20 days before the date of commencement of the above case, in which the goods have been sold to the Debtor in the ordinary course of the Debtor's business. Attach documentation supporting such claim.

Creditor: A person, corporation, or other entity to whom a debtor owes a debt that was incurred on or before the date the debtor filed for bankruptcy. 11 U.S.C. §101 (10).

Debtor: A person, corporation, or other entity to who is in bankruptcy. Use the debtor's name and case number as shown in the bankruptcy notice you received. 11 U.S.C. §101 (13).

Evidence of perfection: Evidence of perfection of a security interest may include documents showing that a security interest has been filed or recorded, such as a mortgage, lien, certificate of title, or financing statement.

Information that is entitled to privacy: A *Proof of Claim* form and any attached documents must show only the last 4 digits of any social security number, an individual's tax identification number, or a financial account number, only the initials of a minor's name, and only the year of any person's date of birth. If a claim is based on delivering health care goods or services, limit the disclosure of the goods or services to avoid embarrassment or disclosure of confidential health care information. You may later be required to give more information if the trustee or someone else in interest objects to the claim.

Priority claim: A claim within a category of unsecured claims that is entitled to priority under 11 U.S.C. §507(a). These claims are paid from the available money or property in a bankruptcy case before other unsecured claims are paid. Common priority unsecured claims include alimony, child support, taxes, and certain unpaid wages.

Proof of claim: A form that shows the amount of debt the debtor owed to a creditor on the date of the bankruptcy filing. The form must be filed in the district where the case is pending.

Redaction of information: Masking, editing out, or deleting certain information to protect privacy. Filers must redact or leave out information entitled to **privacy** on the *Proof of Claim* form and any attached documents.

Do not file these instructions with your form.

Secured claim under 11 U.S.C. §506(a): A claim backed by a lien on particular property of the debtor. A claim is secured to the extent that a creditor has the right to be paid from the property before other creditors are paid. The amount of a secured claim usually cannot be more than the value of the particular property on which the creditor has a lien. Any amount owed to a creditor that is more than the value of the property normally may be an unsecured claim. But exceptions exist; for example, see 11 U.S.C. § 1322(b) and the final sentence of 1325(a).

Examples of liens on property include a mortgage on real estate a security interest in a car. A lien may be voluntarily granted by a debtor or may be obtained through a court proceeding. In states, a court judgment may be a lien.

Setoff: Occurs when a creditor pays itself with money belonging to the debtor that it is holding, or by canceling a debt it owes to the debtor.

Uniform claim identifier: An optional 24-character identifier that some creditors use to facilitate electronic payment.

Unsecured claim: A claim that does not meet the requirements of a secured claim. A claim may be unsecured in part to the extent that the amount of the claim is more than the value of the property on which a creditor has a lien.

Offers to purchase a claim

Certain entities purchase claims for an amount that is less than the face value of the claims. These entities may contact creditors offering to purchase their claims. Some written communications from these entities may easily be confused with official court documentation or communications from the debtor. These entities do not represent the bankruptcy court, the bankruptcy trustee, or the debtor. A creditor has no obligation to sell its claim. However, if a creditor decides to sell its claim, any transfer of that claim is subject to Bankruptcy Rule 3001(e), any provisions of the Bankruptcy Code (11 U.S.C. § 101 et seq.) that apply, and any orders of the bankruptcy court that apply.

Schedule of Rejected Executory Contracts[4]

PLEASE TAKE FURTHER NOTICE that certain documents, or portions thereof, contained in this Exhibit A and the Plan Supplement remain subject to continuing negotiations among the Debtors and interested parties with respect thereto. The Debtors reserve all rights, subject to the terms and conditions set forth in the Plan and the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

[4] The Debtors have previously filed a Schedule of Rejected Executory Contracts as Exhibit A to the First Plan Supplement [Docket No. 150] and this schedule is meant to supplement, not replace, the previously filed schedule.

You have been identified as a party to one or more of the potential Executory Contracts listed in this rejection schedule. For each such potential Executory Contract listed in this rejection schedule, the Debtors hereby provide notice that each such potential Executory Contract is hereby rejected pursuant to Section 365 of the Bankruptcy Code, effective as of the Petition Date (December 7, 2020).

The Debtors are hereby filing this notice of rejection in an abundance of caution. The inclusion of the guarantees, parent guarantees, performance guarantees, or any other related guarantees in this rejection schedule is not an admission by the Debtors that any of the foregoing are, in fact, executory contracts under Section 365 of the Bankruptcy Code or are in full force and effect or legally binding, and nothing herein shall prejudice the Debtors' rights, and the Debtors expressly reserve their right to assert that any of the guarantees are not executory or otherwise no longer in full force and effect or legally binding.

Any Person or Entity that is required to file a proof of Claim arising from the rejection of a potential Executory Contract listed in this rejection schedule that fails to timely do so shall be forever barred, estopped and enjoined from asserting such Claim, and such Claim shall not be enforceable, against the Debtors, the Reorganized Debtors or the Estates, and the Debtors, the Reorganized Debtors and their Estates and their respective assets and property shall be forever discharged from any and all indebtedness and liability with respect to such Claim unless otherwise ordered by the Bankruptcy Court or as otherwise provided herein. All such Claims shall, as of the Effective Date, be subject to the permanent injunction set forth in Article X.G in the Plan.

Exhibit B

Schedule of Retained Litigation Claims

PLEASE TAKE FURTHER NOTICE that certain documents, or portions thereof, contained in this Exhibit B and the Plan Supplement remain subject to continuing negotiations among the Debtors and interested parties with respect thereto. The Debtors reserve all rights, subject to the terms and conditions set forth in the Plan and the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

Retained Litigation Claims

Pursuant to the Debtors' *Joint Prepackaged Plan Of Reorganization For Superior Energy Services, Inc. And Its Affiliate Debtors Under Chapter 11 Of The Bankruptcy Code* [Docket No. 11] (as may be amended, modified, or supplemented from time to time, the "**Plan**")[5] filed with the United States Bankruptcy Court for the Southern District of Texas (the "**Court**"), the Debtors previously disclosed their intention to retain the Retained Litigation Claims in Article X.F of the Plan, as set forth below:

1. Maintenance of Causes of Action

   Except as otherwise provided in Article X of the Plan (including, without limitation, and for the avoidance of doubt, the Releases contained in Article X.B and Exculpation contained in Article X.E of the Plan) or elsewhere in the Plan or the Confirmation Order, after the Effective Date, the Reorganized Debtors shall retain all rights to commence, prosecute, pursue, litigate or settle, as appropriate, any and all Retained Litigation Claims (including those not identified in the Plan Supplement), whether existing as of the Petition Date or thereafter arising, in any court or other tribunal including, without limitation, in an adversary proceeding Filed in the Chapter 11 Cases. The Reorganized Debtors, as the successors-in-interest to the Debtors and the Estates, may, and shall have the exclusive right to, enforce, sue on, settle, compromise, transfer or assign (or decline to do any of the foregoing) any or all of such Retained Litigation Claims without notice to or approval from the Bankruptcy Court.

2. Preservation of All Causes of Action Not Expressly Settled or Released

   Except as otherwise expressly provided in the Plan, the Debtors expressly reserve all Causes of Action and Retained Litigation Claims for later adjudication by the Debtors or the Reorganized Debtors (including, without limitation, Causes of Action and Retained Litigation Claims not specifically identified or of which the Debtors may presently be unaware or which may arise or exist by reason of additional facts or circumstances unknown to the Debtors at this time or facts or circumstances that may change or be different from those the Debtors now believe to exist) and, therefore, no preclusion doctrine, including, without limitation, the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, waiver, estoppel (judicial, equitable or otherwise) or laches shall apply to such Causes of Action or Retained Litigation Claims upon or after the Confirmation or Consummation of the Plan based on the Disclosure Statement, the Plan or the Confirmation Order, except in each case where such Causes of Action or Retained Litigation Claims have been expressly waived, relinquished, released, compromised or settled in the Plan (including, without limitation, and for the avoidance of doubt, the Releases contained in Article X.B of the Plan and Exculpation contained in Article X.E of the Plan) or any other Final Order (including, without limitation, the Confirmation Order). In addition, the Debtors

[5] Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Plan.

and the Reorganized Debtors expressly reserve the right to pursue or adopt any claims alleged in any lawsuit in which any of the Debtors are a plaintiff, defendant or an interested party, against any Person or Entity, including, without limitation, the plaintiffs or co-defendants in such lawsuits.

No Person or Entity may rely on the absence of a specific reference in the Plan, this Plan Supplement, or the Disclosure Statement to any Cause of Action or Retained Litigation Claim against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action or Retained Litigation Claim against them. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Causes of Action and Retained Litigation Claim against any Person or Entity, except as otherwise expressly provided in the Plan or the Confirmation Order (including, without limitation, and for the avoidance of doubt, the Releases contained in Article X.B and Exculpation contained in Article X.E of the Plan).

Notwithstanding and without limiting the generality of Article X.F of the Plan, the specific types of Causes of Action detailed below are expressly preserved by the Debtors or the Reorganized Debtors.

In addition, the Debtors prepared and filed with the Court a Creditor Matrix [Docket No. 107]. In addition to the below, to the extent not released pursuant to the Plan, the Debtors expressly retain all claims and Causes of Action against any entity listed in the Creditor Matrix, regardless of whether such entity is set forth below, to the extent such entity or entities owe or may in the future owe money to the Debtors or the Reorganized Debtors.

The below includes entities that are party to or that the Debtors believe may become party to litigation, arbitration or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial. Unless otherwise released by the Plan (including, without limitation, Articles X.B and X.E of the Plan), the Debtors expressly reserve all Causes of Action against or related to all entities that are party to or that may in the future become party to litigation, arbitration, or any other type of adversarial proceeding or dispute resolution proceeding, whether formal or informal, judicial or non-judicial, including, without limitation, dealers, creditors, customers, employees, utilities, suppliers, vendors, insurers, sureties, factors, lenders, bondholders, lessors, royalty or other mineral interest owners, or any other parties, regardless of whether such entity is included below, including the following:

2.1 Loans.

2.1.1 Making the Loans. Subject to the terms and conditions hereof and during the Commitment Period, each Lender severally agrees, on the terms and conditions set forth in this Agreement, to make Loans in U.S. Dollars to the Borrower from time to time in an aggregate principal amount that will not result in (a) such Lender's Credit Exposure exceeding the lesser of (i) such Lender's Commitments and (ii) such Lender's Pro Rata Share of the Borrowing Base or (b) the Aggregate Exposure exceeding the lesser of (i) the Aggregate Commitment and (ii) the Borrowing Base. Subject to the terms of this Agreement, the Borrower may borrow, repay and reborrow Loans at any time prior to the Termination Date. The Commitments of the Lenders shall expire on the Termination Date. The Advances must be either Floating Rate Advances or Eurodollar Advances, or a combination thereof, selected by the Borrower or otherwise outstanding in accordance with Sections 2.7 and 2.8.

2.1.2 Protective Advances.

(a) Subject to the limitations set forth below, the Borrower and the Lenders authorize the Administrative Agent to make Loans to the Borrower, on behalf of all Lenders, which the Administrative Agent, in its Permitted Discretion, deems necessary or desirable (i) to preserve or protect the Collateral or any portion thereof, (ii) to enhance the likelihood of, or maximize the amount of, repayment of the Loans and other Obligations, or (iii) to pay any other amount chargeable to or required to be paid by the Borrower or any of its Subsidiaries pursuant to the terms of this Agreement, including payments of reimbursable expenses (including costs, fees, and expenses as described in Section 9.6) and other sums payable under the Loan Documents (any of such Loans are herein referred to as "Protective Advances"); provided that, the aggregate principal amount of Protective Advances outstanding at any time shall not exceed $12,000,000; provided further that, the Aggregate Exposures after giving effect to the Protective Advances being made shall not exceed the Aggregate Commitment. The Administrative Agent's authorization to make Protective Advances may be revoked at any time by the Required Lenders. Any such revocation must be in writing and shall become effective prospectively upon the Administrative Agent's

receipt thereof. To the extent not reimbursed by the Borrower following a demand for reimbursement, each Lender agrees to fund a Loan in the amount equal to its Pro Rata Share of each Protective Advance to reimburse the Administrative Agent for such Protective Advance regardless of whether (x) the conditions precedent set forth in Section 4.2 have been satisfied and (y) such Loan would cause such Lender's Exposure to exceed its *pro rata* share of the Borrowing Base or the Aggregate Exposure to exceed the Borrowing Base.

(b) Upon the making of a Protective Advance by the Administrative Agent, each Lender shall be deemed, without further action by any party hereto, to have unconditionally and irrevocably purchased from the Administrative Agent, without recourse or warranty, an undivided interest and participation in such Protective Advance in proportion to its Pro Rata Share. From and after the date, if any, on which any Lender is required to fund its participation in any Protective Advance purchased hereunder, the Administrative Agent shall promptly distribute to such Lender, such Lender's Pro Rata Share of all payments of principal and interest and all proceeds of Collateral received by the Administrative Agent in respect of such Protective Advance.

Without limiting the foregoing (i) each such Existing Letter of Credit shall be included in the calculation of the L/C Exposure, (ii) all liabilities of the Borrower and the other Loan Parties with respect to such Existing Letters of Credit shall constitute Obligations and (iii) each Lender shall have reimbursement obligations with respect to such Existing Letters of Credit as provided in Section 2.2.4.

(b) Each Letter of Credit shall (i) be denominated in U.S. Dollars or, if agreed by the Issuing Lender, any Alternate Currency and (ii) expire no later than the date that is seven (7) Business Days prior to the Scheduled Termination Date (the "L/C Expiration Date"). Notwithstanding the foregoing, any Letter of Credit issued or deemed issued pursuant to Section 2.2.1(a) hereunder (including Existing Letters of Credit) may, in the sole discretion of the Issuing Lender, expire after the L/C Expiration Date, provided that the Borrower shall (i) provide cash collateral in an amount equal to 105% of the L/C Obligations (or, as applicable, the U.S. Dollar Equivalent of such L/C Obligations with respect to Letters of Credit issued in Alternate Currencies) in respect of any such outstanding Letter of Credit to the Issuing Lender at least thirty (30) days prior to the L/C Expiration Date and enter into a reimbursement agreement on terms

acceptable to the applicable Issuing Lender, which such amount shall be (A) deposited by the Borrower in an account with and in the name of the Issuing Lender and (B) held by such Issuing Lender for the satisfaction of the Borrower's reimbursement obligations in respect of such Letter of Credit until the expiration of such Letter of Credit or (ii) otherwise backstop, cash collateralize or enter into arrangements reasonably satisfactory to the Borrower and the applicable Issuing Lender with respect to such Letter of Credit. With respect to any Letter of Credit that is issued with an expiration date beyond the L/C Expiration Date, if such Letter of Credit is so backstopped, cash collateralized, or such other acceptable arrangements with respect thereto are entered into, to the extent of any undrawn amount remaining thereunder on the Scheduled Termination Date, such Letter of Credit shall cease to be a "Letter of Credit" outstanding for all purposes under this Agreement.

(c) The Issuing Lender shall not at any time be obligated to issue any Letter of Credit if such issuance would conflict with, or cause the Issuing Lender or any L/C Participant to exceed any limits imposed by, any applicable requirement of law.

2.2.2 Procedure for Issuance of Letter of Credit. The Borrower may from time to time request that the Issuing Lender issue a Letter of Credit by delivering to the Issuing Lender at its address for notices specified herein an Application therefor, completed to the satisfaction of the Issuing Lender, and such other certificates, documents and other papers and information as the Issuing Lender may request. Upon receipt of any Application, the Issuing Lender will process such Application and the certificates, documents and other papers and information delivered to it in connection therewith in accordance with its customary procedures and shall promptly issue the Letter of Credit requested thereby (but in no event shall the Issuing Lender be required to issue any Letter of Credit earlier than three (3) Business Days after its receipt of the Application therefor and all such other certificates, documents and other papers and information relating thereto) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed to by the Issuing Lender and the Borrower. The Issuing Lender shall furnish a copy of such Letter of Credit to the Borrower promptly following the issuance thereof. The Issuing Lender shall promptly furnish to the Administrative Agent, which shall in turn promptly furnish to the Lenders, notice of the issuance of each Letter of Credit (including the amount thereof). Following receipt of such notice and prior to the issuance of a requested Letter of Credit, the Administrative Agent shall calculate the U.S. Dollar Equivalent of such Letter of Credit if it is to be denominated in an Alternate Currency and shall notify the Borrower and the Issuing Lender of the Aggregate Exposure after giving effect to (i) the issuance of such Letter of Credit, (ii) the issuance or expiration of any other Letter of Credit that is to be issued or will expire prior to the requested date of issuance of such Letter of Credit and (iii) the borrowing or repayment of any Loans that (based upon notices delivered to the Administrative Agent by the Borrower) are expected to be borrowed or repaid prior to the requested date of issuance of such Letter of Credit. A Letter of Credit shall be issued only if (and upon delivery of an Application therefor and the issuance thereof the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension (i) the L/C Obligations shall not exceed $120,000,000, (ii) 105% of the U.S. Dollar Equivalent of the L/C Obligations applicable to Letters of Credit denominated in Alternate Currencies shall not exceed the lesser of (A) $40,000,000 and (B) the Availability and (iii) the Aggregate Exposure shall not exceed the lesser of (A) the Aggregate Commitment and (B) the Borrowing Base.

2.2.3 Letter of Credit Fees.

(a) The Borrower agrees to pay the Issuing Lender a fronting fee in U.S. Dollars in an amount agreed between the Borrower and the Issuing Lender (but not less than 0.25% per annum on the U.S. Dollar Equivalent of the face amount of the Letter of Credit), payable quarterly in arrears on each Payment Date, for the term of the Letter of Credit, together with the Issuing Lender's customary letter of

credit issuance and processing fees. The fronting fee and customary letter of credit issuance and processing fees shall be retained by the Issuing Lender, which fee shall not be shared with the other Lenders.

(b) In addition, the Borrower agrees to pay the Administrative Agent a fee in U.S. Dollars equal to the Applicable Letter of Credit Fee Rate (on a per annum basis) shown on the Pricing Schedule times the U.S. Dollar Equivalent of the aggregate face amount of all outstanding Letters of Credit (as reduced from time to time), payable quarterly in arrears on each Payment Date, for the term of the Letter of Credit and shall be shared by the Issuing Lender and the other Lenders on the basis of each Lender's Pro Rata Share.

2.2.4 L/C Participations.

(a) The Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce the Issuing Lender to issue Letters of Credit, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from the Issuing Lender, on the terms and conditions set forth below, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Pro Rata Share in the Issuing Lender's obligations and rights under and in respect of each Letter of Credit and the amount of each draft paid by the Issuing Lender thereunder. Each L/C Participant agrees with the Issuing Lender that, if a draft is paid under any Letter of Credit for which the Issuing Lender is not reimbursed in full by the Borrower in accordance with the terms of this Agreement (or in the event that any reimbursement received by the Issuing Lender shall be required to be returned by it at any time), such L/C Participant shall pay in U.S. Dollars to the Issuing Lender upon demand at the Issuing Lender's address for notices specified herein an amount equal to such L/C Participant's Pro Rata Share of the U.S. Dollar Equivalent of the amount that is not so reimbursed (or is so returned). Each L/C Participant's obligation to pay such amount shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such L/C Participant may have against the Issuing Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Article IV, (iii) any adverse change in the condition (financial or otherwise) of the Borrower, (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other L/C Participant or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(b) If any amount required to be paid by any L/C Participant to the Issuing Lender pursuant to Section 2.2.4(a) in respect of any unreimbursed portion of any payment made by the Issuing Lender under any Letter of Credit is paid to the Issuing Lender within three (3) Business Days after the date such payment is due, such L/C Participant shall pay to the Issuing Lender on demand an amount equal to the product of (i) such amount, times (ii) the daily average Federal Funds Effective Rate during the period from and including the date such payment is required to the date on which such payment is immediately available to the Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360. If any such amount required to be paid by any L/C Participant pursuant to Section 2.2.4(a) is not made available to the Issuing Lender by such L/C Participant within three (3) Business Days after the date such payment is due, the Issuing Lender shall be entitled to recover from such L/C Participant, on demand, such amount with interest thereon calculated from such due date at the rate *per annum* applicable to Loans that are Floating Rate Advances. A certificate of the Issuing Lender submitted to any L/C Participant with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error.

(c) Whenever, at any time after the Issuing Lender has made payment under any Letter of Credit and has received from any L/C Participant its Pro Rata Share of such payment in accordance with Section 2.2.4(a) or (b), the Issuing Lender receives any payment related to such Letter of Credit (whether

directly from the Borrower or otherwise, including proceeds of collateral applied thereto by the Issuing Lender), or any payment of interest on account thereof, the Issuing Lender will distribute to such L/C Participant its Pro Rata Share thereof; provided, however, that in the event that any such payment received by the Issuing Lender shall be required to be returned by the Issuing Lender, such L/C Participant shall return to the Issuing Lender the portion thereof previously distributed by the Issuing Lender to it.

2.2.5 Reimbursement Obligation of the Borrower. If any draft is paid under any Letter of Credit, the Borrower shall reimburse the Issuing Lender for the amount of (a) the draft so paid in the currency in which such Letter of Credit was issued and (b) any taxes, fees, charges or other costs or expenses incurred by the Issuing Lender in connection with such payment, not later than 11:00 a.m., Chicago time, on (i) the Business Day that the Borrower receives notice of such draft, if such notice is received on such day prior to 10:00 a.m., Chicago time if such Letter of Credit is denominated in U.S. Dollars or Canadian dollars, or (ii) if clause (i) above does not apply, the Business Day immediately following the day that the Borrower receives such notice. Each such payment shall be made to the Issuing Lender at its address for notices referred to herein in the currency in which such draft is payable (except that, in the case of any Letter of Credit denominated in any currency other than U.S. Dollars, upon notice by the Issuing Lender to the Borrower, such payment shall be made in U.S. Dollars from and after the date on which the amount of such payment shall have been converted into U.S. Dollars at the Spot Exchange Rate on such date of conversion, which date of conversion shall be selected by the Issuing Lender and may be any Business Day after the date on which such payment is due) and in immediately available funds. Interest shall be payable on any such amounts from the date on which the relevant draft is paid until payment in full at (x) until the Business Day next succeeding the date of the relevant notice, the Floating Rate and (y) thereafter, the rate set forth in Section 2.10; provided, that if any such amount is denominated in a currency other than U.S. Dollars for any period, such interest shall be payable for such period at the Alternate Currency Overnight Rate. If, as a result of fluctuations in the exchange rate between the U.S. Dollar and any Alternate Currency, the amount of the L/C Obligations exceeds 105% of the L/C Commitment, then the Borrower shall deposit within three (3) Business Days of demand by the Administrative Agent as cash collateral, an amount in U.S. Dollars equal to such excess. The obligation to deposit amounts shall be absolute and unconditional, without regard to whether any beneficiary of any such Letter of Credit has attempted to draw down all or a portion of such amount under the under the terms of a Letter of Credit. If (1) the Borrower was required to provide an amount of cash collateral hereunder as a result of the L/C Obligations exceeding the L/C Commitment due to fluctuations in the exchange rate between the U.S. Dollar and any applicable Alternate Currency (2) the L/C Obligations no longer exceed the L/C Commitment and (3) the Borrower is not otherwise required to post cash collateral in respect of the Letters of Credit hereunder which has not been posted, then the amount of such excess shall be returned to such Borrower within five (5) Business Days upon request of the Borrower.

2.2.6 Obligations Absolute. The Borrower's obligations under this Section 2.2 shall be absolute, unconditional and irrevocable under any and all circumstances and irrespective of any setoff, counterclaim or defense to payment that the Borrower may have or have had against the Issuing Lender, any beneficiary of a Letter of Credit or any other Person. The Borrower also agrees with the Issuing Lender that the Issuing Lender shall not be responsible for, and the Borrower's reimbursement obligations under Section 2.2.5 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. The Issuing Lender shall not be liable for any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with any

Letter of Credit, except for errors or omissions found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of the Issuing Lender. The Borrower agrees that any action taken or omitted by the Issuing Lender under or in connection with any Letter of Credit or the related drafts or documents, if done in the absence of gross negligence or willful misconduct, shall be binding on the Borrower and shall not result in any liability of the Issuing Lender to the Borrower.

2.2.7 Letter of Credit Payments. The Issuing Lender shall, within the period stipulated by terms and conditions of the applicable Letter of Credit following its receipt thereof, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. After such examination, the Issuing Lender shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by facsimile) of such demand for payment and whether the Issuing Lender has made or will make an L/C Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Lender and the Lenders with respect to any such L/C Disbursement. The responsibility of the Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment are substantially in conformity with such Letter of Credit.

2.2.8 Applications.

(a) To the extent that any provision of any Application related to any Letter of Credit is inconsistent with the provisions of this Section 2.2, the provisions of this Section 2.2 shall apply.

(b) If the Borrower so requests in any Application related to any Letter of Credit, the applicable Issuing Lender may, in its sole and absolute discretion, agree to issue a Letter of Credit that has automatic extension provisions (each, an "Auto-Extension Letter of Credit"); provided that any such Auto-Extension Letter of Credit must permit such Issuing Lender to prevent any such extension at least once in each 12-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Non-Extension Notice Date") in each such 12-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable Issuing Lender, the Borrower shall not be required to make a specific request to such Issuing Lender for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the applicable Issuing Lender to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Expiration Date (unless otherwise agreed by the applicable Issuing Lender in its sole discretion, and subject to the conditions set forth in Section 2.2.1(b) with respect to such Letters of Credit); provided, however, that such Issuing Lender shall not permit any such extension if (i) such Issuing Lender has determined that it would not be permitted, or would have no obligation, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of clause (b) of Section 2.2.1 or otherwise), or (ii) it has received notice (which may be by telephone or in writing) on or before the day that is five (5) Business Days before the Non-Extension Notice Date from the Administrative Agent that one or more of the applicable conditions specified in Section 4 are not then satisfied, and in each such case directing such Issuing Lender not to permit such extension.

2.2.9 Cash Collateralization. If any Event of Default shall occur and be continuing or as otherwise required under this Agreement, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Lenders with L/C Exposure representing greater than 50% of the aggregate L/C Exposure) demanding the deposit of cash collateral pursuant to this paragraph, the Borrower shall (a) deposit in an

account with the Administrative Agent, which may be a L/C Collateral Account under the Existing Credit Agreement, in the name of the Administrative Agent and for the benefit of the Lenders (the "L/C Collateral Account"), an amount in cash equal to (i) 105% of the amount of the L/C Exposure as of such date plus accrued and unpaid interest thereon and (b) execute any documents and agreements, including the Administrative Agent's standard form assignment of deposit accounts, that the Administrative Agent requests in connection therewith to establish the L/C Collateral Account and grant the Administrative Agent a security interest in such account and the funds therein; provided that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 7.1(g) or Section 7.1(h). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the Obligations. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over the L/C Collateral Account and the Borrower hereby grants the Administrative Agent a security interest in the L/C Collateral Account and all money or other assets on deposit therein or credited thereto. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in the L/C Collateral Account. Moneys in the L/C Collateral Account shall be applied by the Administrative Agent to reimburse the Issuing Lender for L/C Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the L/C Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Lenders with L/C Exposure representing greater than 50% of the aggregate L/C Exposure), be applied to satisfy other Obligations. If the Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all such Events of Defaults have been waived as confirmed in writing by the Administrative Agent. The Administrative Agent shall exercise reasonable care in the custody and preservation of any funds held in the L/C Collateral Account and shall be deemed to have exercised such care if such funds are accorded treatment substantially equivalent to that which the Administrative Agent accords its own property, it being understood that the Administrative Agent shall not have any responsibility for taking any necessary steps to preserve rights against any parties with respect to any such funds.

2.2.10 Replacement of an Issuing Lender.

(a) An Issuing Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Issuing Lender and the successor Issuing Lender. The Administrative Agent shall notify the Lenders of any such replacement of an Issuing Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Lender pursuant to Section 2.2.3. From and after the effective date of any such replacement, (i) the successor Issuing Lender shall have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit to be issued by such Issuing Lender thereafter and (ii) references herein to the term "Issuing Lender" shall be deemed to refer to such successor or to any previous Issuing Lender, or to such successor and all previous Issuing Lenders, as the context shall require. After the replacement of an Issuing Lender hereunder, the replaced Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Lender under this Agreement with respect to Letters of Credit then outstanding and issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit.

(b) Subject to the appointment and acceptance of a successor Issuing Lender, the Issuing Lender may resign as an Issuing Lender at any time upon thirty (30) calendar days' prior written notice to the Administrative Agent, the Borrower and the Lenders, in which case, such Issuing Lender shall be replaced in accordance with Section 2.2.10(a) above.

2.2.11 Eligible Cash Account. Notwithstanding the foregoing or anything to the contrary contained herein, so long as (a) no Default or Event of Default has occurred and is continuing and (b) either (i) Availability exceeds $25,000,000 for the immediately preceding twenty-eight (28) consecutive days or (ii) all of the outstanding Letters of Credit are cash collateralized in an amount equal to 105% of the L/C Exposure for such Letters of Credit (or, as applicable, the U.S. Dollar Equivalent of such L/C Exposure with respect to Letters of Credit issued in Alternate Currencies), then subject to Borrower's delivery of a pro forma Borrowing Base Certificate, Borrower may request that (x) in the case of clause (b)(i) above Eligible Cash in an amount equal to the lowest amount by which Availability exceeded $25,000,000 in the immediately preceding twenty-eight (28) consecutive days and (y) in the case of clause (b)(ii) above, all Eligible Cash, be transferred to another Controlled Account of the Loan Parties that is not fully-blocked, it being understood that upon such transfer, Eligible Cash shall be reduced by the amount of such transferred cash. Upon such request, the Administrative Agent shall promptly transfer such cash as directed by the Borrower.

2.3 Mandatory Repayments.

(a) The Borrower hereby unconditionally promises to (i)(A) pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan and (B) with respect to each outstanding Letter of Credit that has not been cash collateralized or otherwise addressed pursuant to Section 2.2.1(b), either (x) cash collateralize such Letter of Credit in an amount equal to 105% of the aggregate L/C Exposure in respect thereof (or, as applicable, the U.S. Dollar Equivalent of such L/C Exposure with respect to Letters of Credit issued in Alternate Currencies) and subject to documentation reasonably satisfactory to the applicable Issuing Lender or (y) otherwise backstop, cash collateralize or enter into arrangements reasonably satisfactory to the Borrower and the applicable Issuing Lender with respect to such Letter of Credit, in each case, on the Termination Date and (ii) pay to the Administrative Agent the then unpaid amount of each Protective Advance on the earlier of the Termination Date and, if Protective Advances cannot be refinanced by a Loan, upon demand by the Administrative Agent.

(b) In the event and on such occasion that the Aggregate Exposure exceeds the lesser of (i) the Aggregate Commitment and (ii) the Borrowing Base, the Borrower shall immediately (A) first, pay any outstanding reimbursement obligations in respect of any L/C Disbursement, (B) second, prepay the Loans and (C) third, cash collateralize the L/C Exposure pursuant to Section 2.2.9, as applicable, in an aggregate amount equal to such excess.

(c) At all times during any Cash Dominion Trigger Period, on each Business Day, the Administrative Agent shall apply all funds credited to the Concentration Account on such Business Day or the immediately preceding Business Day (at the discretion of the Administrative Agent, whether or not immediately available), (i) first to prepay any Protective Advances that may be outstanding and (ii) second to pay any outstanding reimbursement obligations in respect of any L/C Disbursement, (iii) third to prepay the Loans and (iv) fourth to cash collateralize the L/C Exposure pursuant to Section 2.2.9, as applicable. Notwithstanding the foregoing, to the extent any funds credited to the Concentration Account constitute Net Available Cash, the application of such Net Available Cash shall be subject to Section 2.3(d).

(d) If any Borrowing Base Party receives any Net Available Cash in respect of any Prepayment Event, then the Borrower shall, within one (1) Business Day following its receipt of such Net Available Cash, apply an amount equal to the lesser of (x) 100% of such Net Available Cash and (y) the outstanding principal balance of the Loans (A) first, to prepay any Protective Advances, (B) second, to pay any outstanding reimbursement obligations in respect of any L/C Disbursement, (C) third to prepay the Loans without a corresponding reduction in the Aggregate Commitments and (D) fourth, at all times during a Cash Dominion Trigger Period, to cash collateralize the L/C Exposure in accordance with Section 2.2.9. If any Prepayment Event or disposition, or series of related dispositions, permitted pursuant to Section

6.13(a)(iv) (solely with respect to a transfer of property to a Subsidiary that is not a Loan Party) or Section 6.13(a)(v) occurs with respect to assets or property included in Borrowing Base with an aggregate value of greater than $1,000,000, deliver an updated Borrowing Base Certificate giving *pro forma* effect to such Prepayment Event or disposition (including, with respect to any disposition permitted pursuant to Section 6.13(a)(v), the replacement of such disposed assets with assets of a similar type and value, or otherwise useful in the business of the Borrower or one of the Subsidiaries).

(e) If, as of the end of any Wednesday, the Parent and its Domestic Subsidiaries have Domestic Excess Cash as of the end of such day, then on the next Business Day, the Borrower shall prepay Loans in an amount equal to the lesser of (i) 100% of such Domestic Excess Cash as of the end of such immediately preceding Business Day and (ii) the aggregate principal amount of Loans then outstanding.

(f) If, as of the end of any Wednesday, the Parent and its Wholly-Owned Subsidiaries have Global Excess Cash as of the end of such day, then on the next Business Day, the Borrower shall prepay Loans in an amount equal to the lesser of (i) 100% of such Global Excess Cash as of the end of such immediately preceding Business Day and (ii) the aggregate principal amount of Loans then outstanding.

(g) Amounts to be applied in connection with prepayments made pursuant to this Section 2.3 shall be applied to the repayment of the Loans in accordance with Section 2.11. Each repayment of the Loans under this Section 2.3 shall be accompanied by accrued interest to the date of such repayment on the amount prepaid and any amounts owing pursuant to Section 3.3.

2.4 Commitment Fee; Reductions in Aggregate Commitment; Other Fees.

(a) The Borrower agrees to pay to the Administrative Agent, to be shared by the Lenders on the basis of each Lender's Pro Rata Share, a commitment fee at a *per annum* rate equal to 0.50% on the daily unused portion of the Aggregate Commitment during the Commitment Period, payable quarterly in arrears on each Payment Date and on the Termination Date. For the purposes hereof, "unused portion" means the Aggregate Commitment, minus the aggregate principal amount outstanding on all Loans, minus the aggregate face amount of all outstanding Letters of Credit.

(b) The Borrower may permanently reduce the Aggregate Commitment in whole or in part ratably among the Lenders in integral multiples of $1,000,000, upon at least five (5) Business Days' written notice to the Administrative Agent, which notice shall specify the amount of any such reduction, provided, however, that the amount of the Aggregate Commitment may not be reduced below the aggregate principal amount of the outstanding Loans and the aggregate face amount of all outstanding Letters of Credit.

(c) The Borrower agrees to pay to the Administrative Agent the fees in the amounts and on the dates as set forth in any fee agreements with the Administrative Agent and to perform any other obligations contained therein.

2.5 Minimum Amount of Each Loan Advance. Each Eurodollar Advance shall be in the minimum amount of $1,000,000 (and in multiples of $100,000 if in excess thereof), and each Floating Rate Advance shall be in the minimum amount of $200,000 (and in multiples of $100,000 if in excess thereof), provided, however, that any Floating Rate Advance may be in the amount of the unused Aggregate Commitment.

2.6 Optional Repayments. The Borrower may from time to time pay, without penalty or premium, in a minimum aggregate amount of $1,000,000 or any integral multiple of $100,000 in excess thereof, any portion of the outstanding Floating Rate Advances (or the full outstanding balance of all Floating Rate Advances, if less than such minimum), upon one (1) Business Days' prior notice to the Administrative Agent. The Borrower may from time to time pay, subject to the payment of any funding indemnification amounts required by Section 3.3 but otherwise without penalty or premium, in a minimum aggregate amount of $1,000,000 or any integral multiple of $100,000 in excess thereof, any portion (or the full outstanding balance of all Eurodollar Advances, if less than such minimum) of the outstanding Eurodollar Advances upon three (3) Business Days' prior notice to the Administrative Agent. Repayments pursuant to this Section 2.6 shall be applied as provided in Section 2.11.

2.7 Method of Selecting Types and Eurodollar Interest Periods. The Borrower shall select the Type of Advance and, in the case of each Eurodollar Advance, the Eurodollar Interest Period applicable thereto from time to time. The Borrower shall give the Administrative Agent irrevocable notice in the manner set forth in Section 2.13 (a "Borrowing Notice") not later than 11:00 a.m., Chicago time, on the Borrowing Date of each Floating Rate Advance and three (3) Business Days before the Borrowing Date for each Eurodollar Advance, specifying:

(a) the Borrowing Date, which shall be a Business Day, of such Advance;

(b) the aggregate amount of such Advance;

(c) the Type of Advance selected;

(d) in the case of each Eurodollar Advance, the Eurodollar Interest Period applicable thereto; and

(e) the amount of the then effective Borrowing Base, the current Aggregate Exposure (without regard to the requested Advance) and the pro forma Aggregate Exposure (giving effect to the requested Advance).

If no election as to the Type of Advance is specified, then the Borrower shall be deemed to have requested a Floating Rate Advance. If no Eurodollar Interest Period is selected with respect to any requested Eurodollar Advance, then the Borrower shall be deemed to have requested a Eurodollar Interest Period of one month's duration.

Not later than 1:00 p.m., Chicago time, on each Borrowing Date, each Lender shall make available its Loan or Loans in funds immediately available in Chicago to the Administrative Agent at the Funding Office in an amount equal to such Lender's Pro Rata Share. The Administrative Agent will make the funds so received from the Lenders available to the Borrower by promptly crediting the amounts so received, in like funds, to a Deposit Account of the Borrower that is a Controlled Account and designated by the Borrower in the applicable Borrowing Notice; provided that Floating Rate Advances made to finance the reimbursement of (i) an L/C Disbursement as provided in Section 2.2.4 shall be remitted by the Administrative Agent to the Issuing Lender and (ii) a Protective Advance shall be retained by the Administrative Agent. The Borrower shall not be entitled to more than six Eurodollar Rate tranches and one Floating Rate tranche (excluding any Protective Advances) at any one time on the Loans.

2.8 Conversion and Continuation of Outstanding Advances. Floating Rate Advances shall continue as Floating Rate Advances unless and until such Floating Rate Advances are converted into Eurodollar Advances pursuant to this Section 2.8 or are repaid. Each Eurodollar Advance shall continue as a Eurodollar Advance until the end of the then applicable Eurodollar Interest Period therefor, at which

time such Eurodollar Advance shall be automatically converted into a Floating Rate Advance unless (x) such Eurodollar Advance is or was repaid in accordance with Section 2.6 or (y) the Borrower shall have given the Administrative Agent a Conversion/Continuation Notice (as defined below) requesting that, at the end of such Eurodollar Interest Period, such Eurodollar Advance continue as a Eurodollar Advance for the same or another Eurodollar Interest Period. Subject to the terms of Section 2.5 and this Section 2.8, the Borrower may elect from time to time to convert all or any part of a Floating Rate Advance into a Eurodollar Advance, provided that no Floating Rate Advance may be converted into a Eurodollar Advance when any Event of Default has occurred and is continuing and the Administrative Agent or the Required Lenders have determined in its or their reasonable discretion not to permit such conversions. This Section 2.8 shall not apply to Protective Advances, which may not be converted or continued. The Borrower shall give the Administrative Agent irrevocable notice in the manner set forth in Section 2.13 (a "Conversion/Continuation Notice") of each conversion of a Floating Rate Advance into a Eurodollar Advance or continuation of a Eurodollar Advance not later than 11:00 a.m., Chicago time, at least three (3) Business Days prior to the date of the requested conversion or continuation, specifying:

(a) the requested date, which shall be a Business Day, of such conversion or continuation,

(b) the aggregate amount and Type of the Advance which is to be converted or continued, and

(c) the amount of such Advance which is to be converted into or continued as a Eurodollar Advance and the duration of the Eurodollar Interest Period applicable thereto.

2.9 Changes in Interest Rate, etc. Each Floating Rate Advance shall bear interest on the outstanding principal amount thereof, for each day from and including the date such Advance is made or is automatically converted from a Eurodollar Advance into a Floating Rate Advance pursuant to Section 2.8, to but excluding the date it is paid or is converted into a Eurodollar Advance pursuant to Section 2.8 hereof, at a rate *per annum* equal to the Floating Rate for such day. Changes in the rate of interest on that portion of any Advance maintained as a Floating Rate Advance will take effect simultaneously with each change in the Alternate Base Rate. Each Eurodollar Advance shall bear interest on the outstanding principal amount thereof from and including the first day of the Eurodollar Interest Period applicable thereto to (but not including) the last day of such Eurodollar Interest Period at the interest rate determined by the Administrative Agent as applicable to such Eurodollar Advance based upon the Borrower's selections under Sections 2.7 and 2.8 and otherwise in accordance with the terms hereof. No Eurodollar Interest Period with respect to any Loan may end after the Termination Date. The Borrower shall use commercially reasonable efforts to select Eurodollar Interest Periods so that it is not necessary to repay any portion of a Eurodollar Advance prior to the last day of the applicable Eurodollar Interest Period in order to make a repayment required by this Agreement.

2.10 Rates Applicable After Default. Notwithstanding anything to the contrary contained in Section 2.7 or 2.8, during the continuance of an Event of Default the Required Lenders may, at their option, by notice to the Borrower (which notice may be revoked at the option of the Required Lenders notwithstanding any provision of Section 9.11 requiring unanimous consent of the Lenders to changes in interest rates), declare that no Advance may be made as, converted into or continued as a Eurodollar Advance. During the continuance of an Event of Default under Section 7.1(b), 7.1(g) or 7.1(h), (a) each Eurodollar Advance (in the case of an Event of Default under Section 7.1(b), with respect to which such Event of Default shall exist) shall bear interest for the remainder of the applicable Eurodollar Interest Period at the rate otherwise applicable to such Eurodollar Interest Period plus 2% *per annum*, (b) each Floating Rate Advance (in the case of an Event of Default under Section 7.1(b), with respect to which such Event of Default shall exist) shall bear interest at a rate *per annum* equal to the Floating Rate in effect from time to

time plus 2% *per annum*, (c) each outstanding Letter of Credit (in the case of an Event of Default under Section 7.1(b), with respect to which such Event of Default shall exist) shall bear interest at a rate *per annum* equal to the Applicable Letter of Credit Fee Rate in effect from time to time plus 2% *per annum*, and (d) all interest, fees (other than fees referred to in clause (c) hereof) and other amounts outstanding hereunder shall bear interest at a rate *per annum* equal to the Floating Rate in effect from time to time plus 2% *per annum*.

2.11 Method of Payment.

(a) Each borrowing by the Borrower from the Lenders hereunder, each payment by the Borrower on account of any fees (except as set forth in any agreement governing the payment thereof) and any reduction of the Commitments of the Lenders shall be made *pro rata* according to the respective Pro Rata Shares of the Lenders.

(b) Each payment (including each prepayment) by the Borrower on account of principal of and interest on the Loans shall be made *pro rata* according to the respective outstanding principal amounts of the Loans then held by the Lenders.

(c) All payments of the Obligations (other than with respect to Rate Management Obligations and Specified Cash Management Obligations) hereunder shall be made, without setoff, deduction, or counterclaim, in immediately available funds to the Administrative Agent at the Administrative Agent's address specified pursuant to Article XIII, or at any other Lending Installation of the Administrative Agent specified in writing by the Administrative Agent to the Borrower, by 12:00 p.m., Chicago time, on the date when due. Each payment delivered to the Administrative Agent for the account of any Lender shall be delivered promptly by the Administrative Agent to such Lender in the same type of funds that the Administrative Agent received at the Funding Office or at any Lending Installation specified in a notice received by the Administrative Agent from such Lender. The Administrative Agent is hereby authorized to charge the account of the Borrower maintained with the Administrative Agent for each payment of principal, interest and bank fees as they become due hereunder; all other fees due hereunder shall be paid by Borrower upon the receipt of an invoice at Borrower's address.

(d) The application of any repayment pursuant to this Section 2.11 shall be made, first, to Floating Rate Advances and, second, to Eurodollar Advances.

2.12 Noteless Agreement; Evidence of Obligations.

(a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Obligations of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(b) The Administrative Agent shall also maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Type thereof and the Eurodollar Interest Period with respect thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(c) The entries maintained in the accounts maintained pursuant to paragraphs (a) and (b) above shall be prima facie evidence of the existence and amounts of the Obligations therein recorded; provided, however, that the failure of the Administrative Agent or any Lender to maintain such accounts or

any error therein shall not in any manner affect the obligation of the Borrower to repay the Obligations in accordance with their terms.

(d) Any Lender may request that its Loans be evidenced by a Note. In such event, the Borrower shall execute and deliver to such Lender a Note for such Loans payable to such Lender in a form supplied by the Administrative Agent and acceptable to such Lender. Thereafter, the Loans evidenced by such Note and interest thereon shall at all times (including after any assignment pursuant to Section 12.3) be represented by one or more Notes payable to the payee named therein or any assignee pursuant to Section 12.3, except to the extent that any such Lender or assignee subsequently returns any such Note for cancellation and requests that such Loans once again be evidenced as described in paragraphs (a) and (b) above.

2.13 Borrowing Notices. The Borrower hereby authorizes the Lenders and the Administrative Agent to extend, convert or continue Advances, effect selections of Types of Advances and to transfer funds based on email, facsimile or telephonic notices made by any person or persons the Administrative Agent in good faith believes to be acting on behalf of the Borrower, it being understood that the foregoing authorization is specifically intended to allow Borrowing Notices and Conversion/Continuation Notices to be given in such manner. If the Borrower elects to provide telephonic notice as set forth herein, the Borrower agrees to deliver promptly to the Administrative Agent a written confirmation, if such confirmation is requested by the Administrative Agent, of each telephonic notice signed by an Authorized Officer. If the written confirmation of the telephonic notice differs in any material respect from the action taken by the Administrative Agent and the Lenders, the records of the Administrative Agent shall govern absent manifest error.

2.14 Interest Payment Dates; Interest and Fee Basis. Interest accrued on each Floating Rate Advance shall be payable on each Payment Date, commencing with the first such date to occur after the Closing Date and at maturity. Interest at the Floating Rate shall be calculated for actual days elapsed on the basis of a 365-day (366-day in leap year) basis. Interest accrued on each Eurodollar Advance shall be payable on the first Business Day following the last day of its applicable Eurodollar Interest Period (or if the applicable Eurodollar Interest Period is greater than three months, on the first Business Day following the last day of the third month of such Eurodollar Interest Period), on any date on which the Eurodollar Advance is prepaid, whether by acceleration or otherwise, and at maturity. Interest at the Eurodollar Rate and fees shall be calculated for actual days elapsed on the basis of a 360 day year. Interest shall be payable for the day an Advance is made but not for the day of any payment on the amount paid if payment is received prior to 12:00 p.m. Chicago time. If any payment of principal of or interest on an Advance shall become due on a day which is not a Business Day, such payment shall be made on the next succeeding Business Day and, in the case of a principal payment, such extension of time shall be included in computing interest in connection with such payment.

2.15 Notification of Advances, Interest Rates, Prepayments and Commitment Reductions. Promptly after receipt thereof, the Administrative Agent will notify each Lender of the contents of each Aggregate Commitment reduction notice, Borrowing Notice, Conversion/Continuation Notice, and repayment notice received by it hereunder. The Administrative Agent will notify each Lender of the interest rate and Eurodollar Interest Period applicable to each Eurodollar Advance promptly upon determination of such interest rate and will give each Lender prompt notice of each change in the Alternate Base Rate.

2.16 Lending Installations. Each Lender may book its Loans and each Issuing Lender may issue Letters of Credit at any Lending Installation of its choosing and may change its Lending Installation from time to time. All terms of this Agreement shall apply to any such Lending Installation and the Loans, Letters of Credit and any Notes issued hereunder shall be deemed held by each Lender or Issuing Lender, as applicable, for the benefit of any such Lending Installation. Each Lender and Issuing Lender may, by

written notice to the Administrative Agent and the Borrower in accordance with Article XIII, designate replacement or additional Lending Installations through which Loans or Letters of Credit will be made by it and for whose account payments are to be made.

2.17 Non Receipt of Funds by the Administrative Agent. Unless the Borrower or a Lender, as the case may be, notifies the Administrative Agent prior to the date on which it is scheduled to make payment to the Administrative Agent of (a) in the case of a Lender, the proceeds of a Loan or (b) in the case of the Borrower, a payment of principal or interest to the Administrative Agent for the account of the Lenders, that it does not intend to make such payment, the Administrative Agent may assume that such payment has been made. The Administrative Agent may, but shall not be obligated to, make the amount of such payment available to the intended recipient in reliance upon such assumption. If such Lender or the Borrower, as the case may be, has not in fact made such payment to the Administrative Agent, the recipient of such payment shall, on demand by the Administrative Agent, repay to the Administrative Agent the amount so made available together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate *per annum* equal to (i) in the case of payment by a Lender, the Federal Funds Effective Rate for such day for the first three (3) calendar days and, thereafter, the interest rate applicable to the relevant Loan or (ii) in the case of payment by the Borrower, the interest rate applicable to the relevant Loan.

2.18 Collateral and Guarantees.

(a) The Obligations shall be secured by the following:

(i) first priority perfected security interests in all of the Borrowing Base Parties' (A) inventory, accounts, equipment, instruments, chattel paper, documents and general intangibles and (B) Deposit Accounts, Securities Accounts and Commodity Accounts (other than any Uncontrolled Account for so long as it is an Uncontrolled Account) subject to Control Agreements delivered pursuant to Section 2.18(e), in each case, together with all products and proceeds thereof;

(ii) first priority perfected security interests in all outstanding shares of stock or partnership or membership interests, as the case may be, of each Subsidiary Guarantor;

(iii) first priority perfected security interests in 66% of the outstanding Equity Interests of each first tier Foreign Subsidiary owned directly by the Borrower or a Subsidiary Guarantor as of the Closing Date (or if the Borrower or such Subsidiary Guarantor shall own less than 66% of the outstanding Equity Interests, then all of the Equity Interests owned by them);

(iv) a first priority perfected security interest in the Parent's entire membership interest of the Borrower; and

(v) joint and several guaranties by the Parent and each Subsidiary Guarantor.

(b) [Reserved].

(c) On any date, in the case of any Domestic Subsidiary that is not previously subject to the collateral requirements set forth in Section 2.18(a) but which has a total Adjusted Book Value exceeding $5,000,000 at the end of any fiscal quarter after the Closing Date, the Borrower covenants and agrees to cause such Subsidiary to become a Subsidiary Guarantor and to execute or cause to be executed, within thirty (30) calendar days (or such later date as may be reasonably agreed to by the Administrative Agent) after the end of such fiscal quarter, Collateral Documents reasonably required by the Administrative

Agent in order to subject such Domestic Subsidiary to the collateral requirements set forth in Section 2.18(a). In addition, if any Domestic Subsidiary incurs or otherwise becomes liable for any Funded Indebtedness or Guarantee Obligation, such Subsidiary shall contemporaneously become a Guarantor pursuant to documentation reasonably satisfactory to the Administrative Agent. The Borrower shall also, if requested by the Administrative Agent, deliver to the Administrative Agent certificates and legal opinions relating to the matters described above, which opinions shall be in form and substance, and from counsel, reasonably satisfactory to the Administrative Agent. Once a Domestic Subsidiary has executed Collateral Documents, the Collateral Documents for that Domestic Subsidiary shall remain in effect irrespective of its total Adjusted Book Value. Notwithstanding the foregoing, the aggregate Adjusted Book Value of all Domestic Subsidiaries not subject to the guaranty and collateral requirements of this Section 2.18 shall at no time exceed $20,000,000.

(d) The Parent, the Borrower and its Domestic Subsidiaries shall be subject to cash dominion at all times from the Closing Date through the Termination Date. All Deposit Accounts, Securities Accounts and Commodity Accounts (other than any Uncontrolled Account for so long as it is an Uncontrolled Account) of the Parent, the Borrower and its Domestic Subsidiaries shall be Controlled Accounts; provided that all proceeds of any Loan shall be deposited into a Deposit Account that is a Controlled Account and maintained with the Administrative Agent. The Parent and the Borrower will, and will cause each of the Borrower's Domestic Subsidiaries to, in connection with any Deposit Account, Securities Account or Commodity Account (other than any Uncontrolled Account for so long as it is an Uncontrolled Account), enter into and deliver to the Administrative Agent a Control Agreement, in form and substance reasonably satisfactory to the Administrative Agent, on or prior to the following dates (or, in each case, such later date as the Administrative Agent may agree in its sole discretion): (i) the Closing Date or (ii) with respect to Deposit Accounts, Securities Accounts and Commodity Accounts of the Borrower and its Domestic Subsidiaries (other than any Uncontrolled Account for so long as it is an Uncontrolled Account) established on or after the Closing Date, on or prior to the date on which such Deposit Account, Securities Account or Commodity Account ceases to be an Uncontrolled Account. During a Cash Dominion Trigger Period (defined below), cash on hand and collections which are received into any Controlled Account shall be swept on a daily basis and to the extent necessarily any securities held in any Securities Account shall be liquidated and the cash proceeds swept into a blocked account maintained with the Administrative Agent (the "Concentration Account") and used to prepay Loans and reimbursement obligations in respect of any L/C Disbursement and to cash collateralize L/C Exposure outstanding under this Agreement in accordance with Section 2.3(c). As used herein, a "Cash Dominion Trigger Period" shall mean a period which commences immediately upon (a) the occurrence of any Event of Default, (b) any date when Availability is less than the greater of (i) $20,000,000 and (ii) 15% of the lesser of (A) the Aggregate Commitment and (B) the Borrowing Base or (c) on any date when Loans are outstanding. Once triggered, a Cash Dominion Trigger Period shall remain in effect at all times thereafter until (x) any period triggered under clause (a) of the foregoing sentence shall cease when such Event of Default has been waived in accordance with the Loan Documents, (y) any period triggered under clause (b) of the foregoing sentence shall cease on the date Availability exceeds the threshold set forth therein for at least thirty (30) consecutive calendar days and (z) any period triggered under clause (c) of the foregoing sentence shall cease on the date no Loans are outstanding.

(e) The Parent and the Borrower will, and will cause each of the Borrower's Domestic Subsidiaries to notify the Administrative Agent of any Deposit Account, Securities Account or Commodity Account (other than any Uncontrolled Account for so long as such account remains an Uncontrolled Account) that is established, held or maintained such Person that is not otherwise listed on Schedule 4. Notice under this Section 2.18(e) shall be delivered to the Administrative Agent promptly but, in any event, not more than five (5) Business Days (or such later date as may be reasonably agreed to by the Administrative Agent) following the establishment of any such account.

(f) Each Loan Party will, and will cause each of its subsidiaries that is a Loan Party (and, in the case of Control Agreements, each Domestic Subsidiary) to, execute and deliver, or cause to be executed or delivered, to the Administrative Agent such documents, agreements and instruments, and will take or cause to be taken such further actions (including the filing and recording of financing statements and other documents and such other actions or deliveries of the type required by Section 4.1(c), as applicable), which may be required by any requirement of law or which the Administrative Agent may, from time to time, reasonably request to carry out the terms and conditions of this Agreement and the other Loan Documents and to ensure perfection and priority of the Liens created or intended to be created by the Collateral Documents, all in form and substance reasonably satisfactory to the Administrative Agent and all at the expense of the Loan Parties.

(g) In no event shall (i) perfection (except to the extent perfected through the filing of Uniform Commercial Code financing statements or analogous filings in the jurisdiction of formation of the applicable Guarantor) be required with respect to letter of credit rights, commercial tort claims, motor vehicles or any other assets subject to certificates of title, (ii) any mortgages be required to be delivered with respect to any real property interests or (iii) Collateral Documents governed by the laws of a jurisdiction other than the United States or any state thereof be required.

2.19 Defaulting Lender. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Fees shall cease to accrue on the unfunded portion of the Commitment of such Defaulting Lender.

(b) The Commitment amounts outstanding on the Loans of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.11); provided that this clause (b) shall not apply to the vote of a Defaulting Lender in the case of any waiver, amendment or modification (i) requiring the consent of all Lenders or (ii) described in clause (i) or (ii) of the first proviso in Section 9.11.

(c) If any L/C Exposure exists at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the L/C Exposure of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent such reallocation does not, as to any non-Defaulting Lender, cause such non-Defaulting Lenders' Credit Exposure to exceed such non-Defaulting Lenders' Commitment. Subject to Section 16.1, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within one (1) Business Day following notice by the Administrative Agent, cash collateralize for the benefit of the Issuing Lender only the Borrower's obligations corresponding to such Defaulting Lender's L/C Exposure (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in 2.2.9 for so long as such L/C Exposure is outstanding;

(iii) if the Borrower cash collateralizes any portion of such Defaulting Lender's L/C Exposure pursuant to clause (ii) above, the Borrower shall not be required to pay any fees to such Defaulting Lender with respect to such Defaulting Lender's L/C Exposure during the period such Defaulting Lender's L/C Exposure is cash collateralized;

(iv) if the L/C Exposure of the non-Defaulting Lenders is reallocated pursuant to clause (i) above, then the fees payable to the Lenders shall be adjusted in accordance with such non-Defaulting Lenders' Pro Rata Shares; and

(v) if all or any portion of such Defaulting Lender's L/C Exposure is neither reallocated nor cash collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the Issuing Lender or any other Lender hereunder, all fees payable under Section 2.2.3(b) with respect to such Defaulting Lender's L/C Exposure shall be payable to the Issuing Lender until and to the extent that such L/C Exposure is reallocated and/or cash collateralized.

(d) So long as any Lender is a Defaulting Lender, no Issuing Lender shall be required to issue, amend or increase any Letter of Credit, unless it is satisfied that the related and L/C Exposure related to any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.19(c)(i) (and such Defaulting Lender shall not participate therein) and/or cash collateral will be provided by the Borrower in accordance with Section 2.19(c)(ii).

(e) Any amount payable to such Defaulting Lender under this Agreement (whether on account of principal, interest, fees or otherwise and including any amount that would otherwise be payable to such Defaulting Lender pursuant to this Agreement, shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, to the payment of any amounts owing by such Defaulting Lender to any Issuing Lender hereunder, (iii) third, to the cash collateralization of any participating interest in any Letter of Credit (in which case any cash collateral posted by the Borrower pursuant to this Section 2.19 shall be released to the Borrower in an equal amount), (iv) fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent, (v) fifth, if so determined by the Administrative Agent, held in such account as cash collateral and released *pro rata* in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) cash collateralization of the Issuing Lenders' future L/C Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, (vi) sixth, to the payment of any amounts owing to the Lenders or the Issuing Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the Issuing Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, (vii) seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement, and (viii) eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or Letters of Credit in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 4.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and participating interests in any Letter of Credit owed to, all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or participating interests in any Letter of Credit owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in any Letter of Credit are held by the

Lenders *pro rata* in accordance with the Commitments hereunder without giving effect to Section 2.19(c). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post as cash collateral pursuant to this Section 2.19(e) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(f) In the event that the Administrative Agent, the Borrower and the Issuing Lender each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the L/C Exposure of the Lenders shall be readjusted to reflect the inclusion of such Lender's Pro Rata Share and on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Pro Rata Share; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(g) The Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require that the Defaulting Lender assign without recourse (in accordance with and subject to the restrictions set forth in Article XII of this Agreement in the case of voluntary assignments by a Lender) all of its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender); provided, that (i) such assignee shall have received the prior written approval of the Borrower and the Administrative Agent, which consent shall not be unreasonably withheld, and (ii) such Defaulting Lender shall have received payment of an amount equal to the outstanding principal amount of all Obligations owed to it, accrued interest thereon, accrued fees and all other amounts payable to it hereunder, from the assignee (in the case of such outstanding principal and accrued interest) and from the Borrower (in the case of all other amounts).

(h) If (i) a Bankruptcy Event with respect to a Lender Parent of any Lender shall occur following the Closing Date and for so long as such event shall continue or (ii) the Issuing Lender has a good faith belief that any Lender has defaulted in fulfilling its obligations under one or more other agreements in which such Lender commits to extend credit, the Issuing Lender shall not be required to issue, amend or increase any Letter of Credit, unless the Issuing Lender shall have entered into arrangements with the Borrower or such Lender, satisfactory to the Issuing Lender to defease any risk to it in respect of such Lender hereunder.

2.20 Currency Indemnity. The Borrower shall, and shall cause the other Loan Parties to, make payment relative to any Obligation (including with respect to Letters of Credit) in the currency in which such Obligation was effected (the "Agreed Currency"). If any payment is received on account of any Obligation in any currency other than the Agreed Currency (the "Other Currency") (whether voluntarily or pursuant to an order or judgment or the enforcement thereof or the realization of any collateral under the Collateral Documents or the liquidation of a Loan Party or otherwise), such payment shall constitute a discharge of the liability of the Loan Parties hereunder and under the other Loan Documents in respect of such obligation only to the extent of the amount of the Agreed Currency which the relevant Lender or Agent, as the case may be, is able to purchase with the amount of the Other Currency received by it on the Business Day next following such receipt in accordance with its normal banking procedures in the relevant jurisdiction and applicable law after deducting any costs of exchange. To the fullest extent permitted by applicable law, if the amount of the Other Currency received is insufficient to satisfy the obligation in the Agreed Currency in full, then the Borrower shall on demand indemnify the Issuing Lenders, Lenders and the Administrative Agent from and against any loss or cost arising out of or in connection with such deficiency; provided that if the amount of the Agreed Currency so purchased is greater than the amount of

the Agreed Currency due in respect of such liability immediately prior to such judgment or order, voluntary prepayment, realization of collateral, liquidation of a Loan Party or otherwise, then the Agents or the Lenders, as the case may be, agree to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law). To the fullest extent permitted by applicable law, the foregoing indemnity and agreement by each party shall constitute an obligation separate and independent from all other obligations contained in this Agreement and shall give rise to a separate and independent cause of action.

2.21 Increase of Aggregate Commitment.

(a) Subject to the conditions set forth in Section 2.21(b), the Borrower may, on one or more occasions, increase the Aggregate Commitment then in effect (any such increase an "Incremental Increase") by increasing the Commitment of a Lender or by causing a Person that at such time is not a Lender to become a Lender and have a Commitment (an "Additional Lender").

(b) Any increase in the Aggregate Commitment shall be subject to the following additional conditions:

(i) such increase shall not be less than $10,000,000 (and increments of $10,000,000 above that minimum) unless the Administrative Agent otherwise consents; provided that the aggregate amount of Incremental Increases shall not exceed $50,000,000;

(ii) as of the effective date of such Incremental Increase, no Default or Event of Default shall have occurred and be continuing immediately after giving effect to such increase and the representations and warranties of the Borrower and the Guarantors set forth in this Agreement and in the other Loan Documents shall be true and correct in all material respects on and as of the date of such effective date, except to the extent any such representations and warranties are expressly limited to an earlier date, in which case, on and as of the date of such increase such representations and warranties shall be true and correct in all material respects as of such specified earlier date;

(iii) no Lender's Commitment may be increased without the consent of such Lender;

(iv) the Administrative Agent and each Issuing Lender must consent to the addition of any Additional Lender, in each case, such consent not to be unreasonably withheld or delayed;

(v) the increase shall be on the exact same terms and pursuant to the exact same documentation applicable to this Agreement;

(vi) receipt by the Administrative Agent of (A) board resolutions and officers' certificates consistent with those delivered on the Closing Date and (B) reaffirmation agreements and/or such amendments to the Collateral Documents, in each case, as may be reasonably requested by the Administrative Agent in order to ensure that such incremental indebtedness is provided with the benefit of the applicable Loan Documents; and

(vii) on the effective date of such increase, no Eurodollar Advances shall be outstanding or if any Eurodollar Advances are outstanding, then the effective date of such increase shall be the last day of the Eurodollar Interest Period in respect of such Eurodollar Advance unless the Borrower pays compensation required pursuant to Section 3.3.

(c) With the consent of the Lenders providing an Incremental Increase, the Borrower, and to the extent applicable, the Administrative Agent and the Issuing Lender(s) (and without the consent of any other Lenders), the Loan Documents may be amended or supplemented in a writing (which may be executed and delivered by the Borrower and the Administrative Agent) substantially in the form of Exhibit E to reflect any changes necessary to give effect to such Incremental Increase (including, for the avoidance of doubt, amendments to Schedule I to reflect such Incremental Increase) and make any Additional Lender a party to this Agreement.

2.22 Banking Services and Rate Management Transactions. Each Lender or Affiliate thereof (other than any Lender who is also the Administrative Agent or is an Affiliate of the Administrative Agent who shall have been deemed to have provided such notice) providing Banking Services for, or having Rate Management Transactions with, any Loan Party or any Subsidiary of a Loan Party shall deliver to the Administrative Agent, promptly after entering into such Banking Services arrangements or Rate Management Transactions, written notice setting forth the aggregate amount of all Specified Cash Management Obligations and Rate Management Obligations of such Loan Party or Subsidiary or thereof to such Lender or Affiliate (whether matured or unmatured, absolute or contingent). In addition, each such Lender or Affiliate thereof (other than any Lender who is also the Administrative Agent or is an Affiliate of the Administrative Agent who shall have been deemed to have provided such notice) shall deliver to the Administrative Agent, from time to time after a significant change therein or upon a request therefor, a summary of the amounts due or to become due in respect of such Specified Cash Management Obligations and Rate Management Obligations. The most recent information provided to the Administrative Agent shall be used in determining the amounts to be applied in respect of such Specified Cash Management Obligations and/or Rate Management Obligations pursuant to Section 8.3(f). It is understood and agreed that Lenders who were also (a) "Lenders" under and as defined in the Existing Credit Agreement or (b) "Lenders" under and as defined in the Prepetition Credit Agreement, and that in each case, provided notices to the Existing Agent or the administrative agent under the Prepetition Credit Agreement, as applicable, in respect of Banking Services for, or Rate Management Transactions with, any Loan Party or any Subsidiary of a Loan Party prior to the Closing Date shall have been deemed to have provided such notices under this Agreement.

ARTICLE III
YIELD PROTECTION; TAXES

3.1 Yield Protection; Changes in Capital Adequacy and Liquidity Regulations.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement reflected in the Eurodollar Rate) or any Issuing Lender;

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or any Issuing Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender or such other Recipient of making, converting to, continuing or maintaining any Loan or of maintaining its obligation to make any such Loan, or to increase the cost to such Lender, such Issuing Lender or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, Issuing Lender or other Recipient hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, Issuing Lender or other Recipient, the Borrower will pay to such Lender, Issuing Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, Issuing Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender or Issuing Lender determines that any Change in Law affecting such Lender or Issuing Lender or any Lending Installation of such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or Issuing Lender's capital or on the capital of such Lender's or Issuing Lender's holding company, if any, as a consequence of this Agreement, the Commitments of such Lender or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by any Issuing Lender, to a level below that which such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Lender's policies and the policies of such Lender's or Issuing Lender's holding company with respect to capital adequacy), then from time to time the Borrower will pay to such Lender or Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Lender or such Lender's or Issuing Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender or Issuing Lender setting forth the amount or amounts necessary to compensate such Lender or Issuing Lender or its holding company, as the case may be, as specified in Section 3.1(a) or (b) and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuing Lender, as the case may be, the amount shown as due on any such certificate within ten (10) calendar days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender or Issuing Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or Issuing Lender pursuant to this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or Issuing Lender, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or Issuing Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

3.2 Alternate Rate of Interest; Illegality.

(a) Subject to clauses (b), (c), (d), (e), (f) and (g) of this Section 3.2, if prior to the commencement of any Eurodollar Interest Period for a Eurodollar Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Eurodollar Base Rate or the Eurodollar Rate, as applicable (including because the LIBO Screen Rate is not available or published on a current basis), for such Eurodollar Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the Eurodollar Base Rate or the Eurodollar Rate, as applicable, for such Eurodollar Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Eurodollar Interest Period;

then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone, telecopy or electronic mail as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Conversion/Continuation Notice that requests the conversion of any Advance to, or continuation of any Advance as, a Eurodollar Advance shall be ineffective and (B) if any Borrowing Notice requests a Eurodollar Advance, such Borrowing shall be made as an Floating Rate Advance.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document (and any Rate Management Transaction shall be deemed not to be a "Loan Document" for purposes of this Section 3.2), if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (i) if a Benchmark Replacement is determined in accordance with clause (a) or (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (ii) if a Benchmark Replacement is determined in accordance with clause (c) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; provided that, this clause (c) shall not be effective unless the Administrative Agent has delivered to the Lenders and the Borrower a Term SOFR Notice.

(d) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(e) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or

election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.2, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.2.

(f) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or Eurodollar Base Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Eurodollar Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Eurodollar Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(g) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Eurodollar Advance of, conversion to or continuation of Eurodollar Advances to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Floating Rate Advances. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Floating Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Floating Rate.

3.3 Funding Indemnification. If any payment of a Eurodollar Advance occurs on a date which is not the last day of the applicable Eurodollar Interest Period, whether because of acceleration, prepayment or otherwise (but excluding a mandatory prepayment under Section 2.3), or a Eurodollar Advance is not made on the date specified by the Borrower for any reason other than default by the Lenders, the Borrower will indemnify each Lender for any loss or cost incurred by it resulting therefrom, including, without limitation, any loss or cost in liquidating or employing deposits acquired to fund or maintain such Eurodollar Advance.

3.4 Taxes.

(a) Defined Terms. For purposes of this Section 3.4, the term "Lender" includes any Issuing Lender and the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant governmental authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable

by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant governmental authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. The Loan Parties shall jointly and severally indemnify each Recipient, within ten (10) calendar days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant governmental authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within ten (10) calendar days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 12.2(b) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant governmental authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a governmental authority pursuant to this Section 3.4, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such governmental authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders. (i) Any Lender that is entitled to an exemption from or reduction of withholding tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section

3.4(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. Federal backup withholding tax;

(B) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Non-U.S. Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. Federal withholding tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of EXHIBIT D-1 to the effect that such Non-U.S. Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Non-U.S. Lender is not the beneficial owner of the Loans, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of EXHIBIT D-2 or EXHIBIT D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Non-U.S. Lender is a partnership and one or more direct or indirect partners of such Non-U.S. Lender are claiming the portfolio interest exemption, such Non-U.S. Lender may provide a U.S. Tax Compliance Certificate substantially in the form of EXHIBIT D-4 on behalf of each such direct and indirect partner;

(C) any Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Non-U.S. Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a

basis for claiming exemption from or a reduction in U.S. Federal withholding tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. Federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the Closing Date.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 3.4 (including by the payment of additional amounts pursuant to this Section 3.4), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant governmental authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant governmental authority) in the event that such indemnified party is required to repay such refund to such governmental authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 3.4 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Loan Documents.

3.5 Lender Statements; Survival of Indemnity. To the extent reasonably possible, each Lender shall designate an alternate Lending Installation with respect to its Eurodollar Advances to reduce any liability of the Borrower to such Lender under Sections 3.1, 3.2 and 3.4 or to avoid the unavailability of Eurodollar Advances under Section 3.3, so long as such designation is not, in the judgment of such Lender,

disadvantageous to such Lender. Each Lender shall deliver a written statement of such Lender to the Borrower (with a copy to the Administrative Agent) as to the amount due, if any, under Section 3.1, 3.2 or 3.4. Such written statement shall set forth in reasonable detail the calculations upon which such Lender determined such amount and shall be final, conclusive and binding on the Borrower in the absence of manifest error. Determination of amounts payable under such Sections in connection with a Eurodollar Advance shall be calculated as though each Lender funded its Eurodollar Advance through the purchase of a deposit of the type and maturity corresponding to the deposit used as a reference in determining the Eurodollar Rate applicable to such Loan, whether in fact that is the case or not. Unless otherwise provided herein, the amount specified in the written statement of any Lender shall be payable on demand after receipt by the Borrower of such written statement. The obligations of the Borrower under Sections 3.1, 3.2 and 3.4 shall survive payment of the Obligations and termination of this Agreement.

3.6 Replacement of Lender. If (a) the Borrower is required pursuant to Section 3.1, 3.2 or 3.4 to make any additional payment to any Lender, (b) any Lender's obligation to make or continue, or to convert Floating Rate Advances into, Eurodollar Advances shall be suspended pursuant to Section 3.2(b), (c) any Lender becomes a Defaulting Lender, or (d) any Lender does not consent to any proposed amendment, supplement, modification, consent or waiver of any provision of this Agreement or any other Loan Document that requires the consent of all of the Lenders or each of the Lenders affected thereby (so long as the consent of the Required Lenders has been obtained), then the Borrower may elect upon notice to such Lender and the Administrative Agent, to replace such Lender (the "Affected Lender") as a Lender party to this Agreement, provided that no Event of Default or Default shall have occurred and be continuing at the time of such replacement, and provided further that, concurrently with such replacement, (i) another bank or other entity which is reasonably satisfactory to the Borrower and the Administrative Agent shall agree, as of such date, to purchase for cash the Loans and other Obligations due to the Affected Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Affected Lender to be terminated as of such date and to comply with the requirements of Section 12.2 applicable to assignments, and (ii) the Borrower shall pay to such Affected Lender in same day funds on the day of such replacement (A) all interest, fees and other amounts then accrued but unpaid to such Affected Lender by the Borrower hereunder to and including the date of termination, including without limitation payments due to such Affected Lender under Sections 3.1, 3.2 and 3.4, and (B) an amount, if any, equal to the payment which would have been due to such Lender on the day of such replacement under Section 3.3 had the Loans of such Affected Lender been prepaid on such date rather than sold to the replacement Lender. Any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

ARTICLE IV
CONDITIONS PRECEDENT

4.1 Effectiveness; Conditions Precedent to Advances. The effectiveness of this Agreement and the agreement of each Lender to make the initial extension of credit requested to be made by it (or deemed to be made on the Closing Date) subject to the satisfaction, prior to or concurrently with the making of such extension of credit on the Closing Date, of the following conditions precedent:

(n) USA Patriot Act. The Administrative Agent and the Lenders shall have received all documentation and other information that is required by bank regulatory authorities under applicable "know your customer" and anti-money-laundering rules and regulations, including, without limitation, the PATRIOT ACT, for each Loan Party, in each case no later than five (5) calendar days prior to the Closing Date to the extent reasonably requested by the Lenders at least ten (10) calendar days in advance of the Closing Date. ARTICLE V
REPRESENTATIONS AND WARRANTIES

The Parent and Borrower represent and warrant to the Lenders that:

5.1 Existence and Standing. The Parent is a corporation, the Borrower is a limited liability company, and each of the Borrower's Subsidiaries is a corporation, partnership or limited liability company duly and properly incorporated or organized, as the case may be, validly existing and (to the extent such concept applies to such entity) in good standing under the laws of its jurisdiction of incorporation or organization and has all requisite authority to conduct its business in each jurisdiction in which its business is conducted, except where such failure could not reasonably be expected to have a Material Adverse Effect.

5.2 Authorization and Validity. After giving effect to the Approved Plan and the Confirmation Order, each of the Parent, the Borrower and the Borrower's Subsidiaries has the power and authority and legal right to execute and deliver the Loan Documents to which it is a party and to perform its obligations thereunder. After giving effect to the Approved Plan and the Confirmation Order, the execution and delivery by the Parent, the Borrower, and the Borrower's Subsidiaries of the Loan Documents to which it is a party and the performance of its obligations thereunder have been duly authorized by proper corporate or company proceedings, and the Loan Documents to which the Parent, the Borrower, and the Borrower's Subsidiaries is a party constitute legal, valid and binding obligations of the Parent, the Borrower, and the Borrower's Subsidiaries enforceable against the Parent, the Borrower, and the Borrower's Subsidiaries in accordance with their terms, except as enforceability may be limited by bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally.

5.3 No Conflict; Government Consent. After giving effect to the Approved Plan and the Confirmation Order, neither the execution and delivery by the Parent, the Borrower, and the Borrower's Subsidiaries of the Loan Documents to which it is a party, nor the consummation of the transactions therein contemplated (including any Advances made to the Borrower on the date this representation is made), nor compliance with the provisions thereof will violate (a) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on the Parent, the Borrower, or any of the Borrower's Subsidiaries or (b) the Parent's, the Borrower's, or any Subsidiary's articles or certificate of incorporation, partnership agreement, certificate of partnership, articles or certificate of organization, by laws, or operating or other management agreement, as the case may be, or (c) the provisions of any indenture, instrument or agreement to which the Parent, the Borrower, or any of the Borrower's Subsidiaries is a party or is subject, or by which it, or its Property, is bound, or conflict with or constitute a default thereunder, or result in, or require, the creation or imposition of any Lien in, of or on the Property of the Parent, the Borrower, or the Borrower's Subsidiaries pursuant to the terms of any such indenture, instrument or agreement, except where such failure

could not reasonably be expected to have a Material Adverse Effect. After giving effect to the Approved Plan and the Confirmation Order, no order, consent, adjudication, approval, license, authorization, or validation of, or filing, recording or registration with, or exemption by, or other action in respect of any governmental or public body or authority, or any subdivision thereof, which has not been obtained by the Parent, the Borrower, or any of the Borrower's Subsidiaries, is required to be obtained by the Parent, the Borrower, or any of the Borrower's Subsidiaries in connection with the execution and delivery of the Loan Documents, the Advances under this Agreement, the payment and performance by the Borrower of the Obligations or the legality, validity, binding effect or enforceability of any of the Loan Documents.

5.4 Financial Statements. The audited [December 31, 2019] and the unaudited [March 31, 2020]. [June 30, 2020] and [September 30, 2020] consolidated financial statements of the Parent and its consolidated subsidiaries heretofore delivered to the Lenders fairly present, in all material respects, the consolidated financial condition and consolidated results operations of the Parent and its consolidated subsidiaries as of such dates and for such periods in accordance with GAAP, subject to year-end adjustments and the absence of footnotes in the case of the unaudited statements.

5.5 Material Adverse Change. Since the Closing Date there has been no change in the business, Property, condition (financial or otherwise) or results of operations of the Parent, the Borrower and its Subsidiaries, taken as a whole, which could reasonably be expected to have a Material Adverse Effect.

5.6 Taxes. The Parent, the Borrower, and the Borrower's Subsidiaries have filed or caused to be filed all United States federal tax returns or extensions relating thereto and all other tax returns which are required to be filed and have paid all taxes due pursuant to said returns or pursuant to any assessment received by the Parent, the Borrower, or any of the Borrower's Subsidiaries, except (a) such taxes, if any, as are being contested in good faith and as to which adequate reserves have been provided in accordance with GAAP, or (b) to the extent that the failure to do so could not reasonably be expected to result in a Material Adverse Effect. Adequate charges, accruals and reserves in respect of any taxes or other governmental charges have been provided on the books of the Parent, the Borrower and the Borrower's Subsidiaries in accordance with GAAP.

5.7 Litigation and Contingent Obligations. After giving effect to the Approved Plan and the Confirmation Order, there is no litigation, arbitration, governmental investigation, proceeding or inquiry pending or, to the knowledge of any of the officers of the Parent or Borrower, threatened against or affecting the Parent, the Borrower or the Borrower's Subsidiaries which could reasonably be expected to have a Material Adverse Effect or which seeks to prevent, enjoin or delay the making of any Loans. Other than any liability incident to any litigation, arbitration or proceeding which could not reasonably be expected to have a Material Adverse Effect, none of the Parent, the Borrower or the Borrower's Subsidiaries has any material contingent obligations not provided for or disclosed in the financial statements referred to in Section 5.4.

5.8 Subsidiaries. The Borrower is the sole Subsidiary of the Parent, and the Parent owns all of the membership interest of the Borrower. Schedule 3 contains an accurate list of all Subsidiaries of the Parent and the Borrower (as of the Closing Date), setting forth their respective jurisdictions of organization and the percentage of their respective capital stock or other ownership interests owned by the Borrower or other Subsidiaries. All of the issued and outstanding shares of capital stock or other ownership interests of such Subsidiaries have been (to the extent such concepts are relevant with respect to such ownership interests) duly authorized and issued and are fully paid and non-assessable.

5.9 ERISA. Each Plan complies in all material respects with all applicable requirements of law and regulations, each Plan is, and has been, established and maintained in material compliance with its terms, ERISA and, if applicable, the Code, no Reportable Event has occurred with respect to any Plan,

Neither the Parent nor the Borrower is an entity deemed to hold "plan assets" within the meaning of the Plan Asset Regulations of a Benefit Plan, and neither the execution of this Agreement nor the making of Loans hereunder gives rise to a prohibited transaction within the meaning of Section 406 of ERISA or Section 4975 of the Code. No Plan is in at-risk, endangered, or critical status (within the meaning of Sections 303 or 305 of ERISA) or insolvent (within the meaning of Section 4245 of ERISA). Neither the Borrower nor any ERISA Affiliate has failed to pay when due (after expiration of any applicable grace period) any installment with respect to any Withdrawal Liability.

5.10 Accuracy of Information. All written or formally presented information, other than the Projections and information of a general economic or industry specific nature (the "Information"), that has been or will be made available to the Lenders by the Parent or the Borrower or any of their respective representatives in connection with the transactions contemplated hereby, when taken as a whole, does not or will not, when furnished to the Lenders and taken as a whole, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made (giving effect to all supplements and updates thereto). The financial projections and other forward-looking information (the "Initial Projections") and the Projections that have been or will be made available to the Lenders by the Parent or the Borrower or any of their respective representatives in connection with the transactions contemplated hereby have been or will be prepared in good faith based upon assumptions believed by the Parent and the Borrower to be reasonable at the time furnished (it being recognized by the Lenders that such Initial Projections and Projections are not to be viewed as facts and that actual results during the period or periods covered by any such Initial Projections and Projections may differ from the projected results, and such differences may be material and such Initial Projections and Projections should not be regarded as a representation that the projected results will be achieved). The Loan Parties have disclosed to the Lenders all agreements, instruments and corporate or other restrictions to which the Parent, the Borrower or any of its Subsidiaries is subject, and all other matters known to it, that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. As of the date, if any, that the Beneficial Ownership Certification was most recently provided to Lenders, the information included in such Beneficial Ownership Certification was true and correct in all respects.

5.11 Material Agreements. None of the Parent, the Borrower or any of the Borrower's Subsidiaries is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in (a) any agreement to which it is a party, which default could reasonably be expected to have a Material Adverse Effect or (b) any agreement or instrument evidencing or governing Material Indebtedness.

Each Loan Party's and each of the Borrower's Subsidiaries' rights thereto are not subject to any licensing agreement or similar arrangement (other than, for the avoidance of doubt, non-exclusive licensing agreements with respect to commercially available software) and each such registration and application is subsisting and, to the knowledge of the Parent and the Borrower, valid and enforceable. The Parent, the Borrower and the Borrower's Subsidiaries have taken commercially reasonable actions to protect and maintain the security, integrity and continuous operation of their (i) material trade secrets and (ii) material software and systems (and the data stored therein or processed thereby), and there has been no breach, violation or unauthorized access to same, other than incidents that were resolved without material cost, liability or the duty to notify any Person.

5.14 Environmental Matters.

(b) Except as, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect, none of the Parent, the Borrower or any of the Borrower Subsidiaries (i) has received any written notice to the effect that its operations are not in compliance with any of the requirements of Environmental Laws or are the subject of any federal or state investigation evaluating whether any remedial action is needed to respond to a Release or threatened Release of any Hazardous Materials or (ii) is otherwise subject to any Environmental Liability.

(c) In the ordinary course of its business, the officers of the Borrower consider the effect of Environmental Laws on the business of the Parent, the Borrower and the Borrower's Subsidiaries, in the course of which they identify and evaluate potential risks and liabilities accruing due to Environmental Laws, and have concluded that they are aware of no basis for any Environmental Liability that could reasonably be expected to result in a Material Adverse Effect.

5.15 Investment Company Act. None of the Parent, the Borrower or any of the Borrower's Subsidiaries is an "investment company" or a company "controlled" by an "investment company", within the meaning of the Investment Company Act of 1940, as amended.

The Borrower does not intend to, or to permit any of its Subsidiaries, to, and does not believe that it or any of its Subsidiaries, will, incur debts beyond its ability to pay such debts as they mature, taking into account the timing of and amounts of cash to be received by it or any such Subsidiary, and the timing of the amounts of cash to be payable on or in respect of its Funded Indebtedness or the indebtedness of any such Subsidiary.

Once triggered, the foregoing covenant shall remain in effect at all times thereafter until (x) with respect to any period triggered under the foregoing clause (a), such Event of Default has been waived in accordance with the Loan Documents or (y) with respect to any period triggered under the foregoing clause (b), Availability remains in excess of the threshold set forth above for thirty (30) consecutive calendar days.

6.18 Investments. Except for Permitted Investments, the Parent will not, and will not permit the Borrower or any of its Subsidiaries to, make any Investments. The Parent will not directly make any Acquisition of any Person.

6.19 Optional Payments and Modifications of Junior Debt. The Parent and the Borrower will not, and will not permit any of its Subsidiaries to (a) make or offer to make any Junior Debt Repayment in respect of any Junior Debt, the aggregate outstanding principal amount of which is in excess of $15,000,000, unless the Payment Conditions have been met as of the date such Junior Debt Repayment (or if an offer is made in respect of a Junior Debt Repayment, as of the date of such offer) and the Administrative Agent has received a certificate from an Authorized Officer of the Borrower that the Payment Conditions have been satisfied on such date or (b) amend, modify, waive or otherwise change, or consent or agree to any amendment, modification, waiver or other change to, any of the terms of any Junior Debt if the effect of such amendment, modification, waiver or other change would be to (i) shorten the scheduled maturity date of such Junior Debt, (ii) increase the frequency or amount of any amortization payment thereunder, (iii) impose a financial maintenance covenant, (iv) impose any other restriction or event of default thereunder which is not also being offered to the Lenders concurrently or (v) otherwise cause such Junior Debt to not satisfy the requirements of the definition of "Permitted Refinancing Indebtedness", determined at such time as if such Junior Debt was "New Debt" for purposes thereof.

6.20 Negative Pledge Agreements. The Parent and the Borrower will not, and will not permit any Loan Party to, directly or indirectly, enter into, incur or permit to exist any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of such Person to create, incur or permit to exist any Lien upon any of its Property, or (b) the ability of such Person to make Restricted Payments with respect to any of its Equity Interests or to make or repay loans or advances to the Borrower or any other Subsidiary or to guarantee indebtedness of the Borrower or any other Subsidiary; provided that the foregoing shall not apply to (i) restrictions and conditions imposed by any requirement of law or by any Loan Document, (ii) restrictions and conditions existing on the Closing Date identified on Schedule 6.20 (but shall apply to any extension or renewal of, or any amendment or modification expanding the scope of, any such restriction or condition), (iii) customary restrictions and conditions contained in agreements relating to the sale of a Subsidiary pending such sale, provided that such restrictions and conditions apply only to the Subsidiary that is to be sold and such sale is permitted hereunder, (iv) restrictions or conditions imposed by any agreement relating to secured indebtedness permitted by this Agreement if such restrictions or conditions apply only to the Property securing such indebtedness, (v) customary provisions in leases and other contracts restricting the assignment thereof, (vi) limitations set forth in any agreement in effect at the time any Subsidiary becomes a Subsidiary, so long as such agreement was not entered into solely in contemplation of such Person becoming a Subsidiary and any renewal or permitted amendment thereof, (vii) customary provisions in joint venture agreements or other similar agreements applicable to joint

ventures and applicable solely to such joint venture or (viii) customary provisions restricting assignment, transfer or sub-letting of any agreement.

6.21 Sale and Leaseback Transactions. The Borrower and the Parent will not, and will not permit any of the Borrower's Subsidiaries to, enter into any arrangement, directly or indirectly, whereby it shall sell or transfer any property, real or personal, used or useful in its business, whether now owned or hereafter acquired, and thereafter rent or lease such property or other property that it intends to use for substantially the same purpose or purposes as the property sold or transferred (a "Sale and Leaseback Transaction").

6.22 Amendment to Organizational Documents. No Loan Party will amend, modify or waive any of its rights under its charter, articles or certificate of incorporation or organization, by-laws,

operating, management or partnership agreement or other organizational or governing documents, to the extent any such amendment, modification or waiver would be materially adverse to the Lenders.

6.23 Parent Restrictions. Parent will not engage in any business or activity other than the ownership of all the outstanding Equity Interests of the Borrower and activities incidental thereto and other business and activities of the type performed by Parent as of the Closing Date. Parent will not own or acquire any assets (other than Equity Interests of the Borrower and the cash proceeds of any Restricted Payments permitted by Section 6.10) or incur any obligations of funded debt (other than obligations of funded debt under the Loan Documents and obligations of funded debt expressly permitted by the Loan Documents).

6.24 Negative Pledge on Real Property. No Loan Party shall create, incur or permit to exist any Lien in, of or on any real property of such Loan Party, other than Permitted Liens that do not secure Funded Indebtedness.

6.25 Post-Closing Covenants. [The Borrower will reduce the aggregate balance of any Fourth Amendment Credit Support Cash Collateral Accounts to $0.00 within [__] Business Days after the Closing Date.][7]

ARTICLE VIII
ACCELERATION AND REMEDIES

8.1 Acceleration. If any Event of Default described in Section 7.1(g) or 7.1(h) occurs with respect to the Parent or the Borrower, the obligations of the Lenders to make Loans hereunder shall automatically terminate and the Obligations (including, but not limited to, the cash collateral for the L/C Exposure, together with the accrued interest thereon and all fees) shall immediately become due and payable without any election or action on the part of the Administrative Agent or any Lender, in each case without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower. If any other Event of Default occurs, the Required Lenders (or the Administrative Agent with the consent

of the Required Lenders) may terminate or suspend the obligations of the Lenders to make Loans hereunder, or declare the Obligations (including, but not limited to, the cash collateral for the L/C Exposure, together with the accrued interest thereon and all fees) to be due and payable, or both, whereupon the Obligations shall become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which the Borrower hereby expressly waives.

8.2 Preservation of Rights. No delay or omission of the Lenders or the Administrative Agent to exercise any right or power under the Loan Documents shall impair such right or power or be construed to be a waiver thereof, and the making of a Loan notwithstanding the existence of an Event of Default or the inability of the Borrower to satisfy the conditions precedent to such Loan shall not constitute any waiver or acquiescence. Any single or partial exercise of any such right or power shall not preclude other or further exercise thereof or the exercise of any other right or power, and no waiver, amendment or other variation of the terms, conditions or provisions of the Loan Documents whatsoever shall be valid unless in writing signed by the Lenders required pursuant to Section 9.11, and then only to the extent in such writing specifically set forth. The rights and remedies of the Administrative Agent, the Issuing Lender and the Lenders hereunder or contained in any other Loan Document or by law afforded shall be cumulative, and not exclusive of any rights that they would otherwise have, and all shall be available to the Administrative Agent, the Issuing Lender and the Lenders until the Obligations have been paid in full.

8.3 Application of Proceeds. Except as otherwise provided in Section 2.19, all proceeds realized from the liquidation or other disposition of collateral or otherwise received after maturity of the Loans, whether by acceleration or otherwise, shall be applied ratably:

(a) first, to pay any fees, indemnities, or expense reimbursements then due to the Administrative Agent and the Issuing Lender from the Borrower (other than in connection with Specified Cash Management Obligations or Rate Management Obligations);

(b) second, to pay any fees, indemnities, or expense reimbursements then due to the Lenders from the Borrower (other than in connection with Specified Cash Management Obligations or Rate Management Obligations);

(c) third, to pay principal and interest due in respect of the Protective Advances;

(d) fourth, to prepay principal and interest on the Loans (other than the Protective Advances) and unreimbursed L/C Disbursements, ratably;

(e) fifth, to pay an amount to the Administrative Agent equal to one hundred five percent (105%) of the aggregate L/C Exposure, to be held as cash collateral for such Obligations;

(f) sixth, to pay any amounts owing in respect of Specified Cash Management Obligations and Rate Management Obligations up to and including the amount most recently provided to the Administrative Agent pursuant to this Section 8.3; and

(g) seventh, to the payment of any other Obligation due to the Administrative Agent or any Lender by the Borrower or any other Loan Party.

Notwithstanding the foregoing, (x) amounts received from any Loan Party shall not be applied to any Excluded Swap Obligation of such Loan Party and (y) Obligations arising under Specified Cash Management Obligations and Rate Management Obligations shall be excluded from the application described above in clause (f) if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may reasonably request, from the

applicable Lender or Affiliate thereof (other than JPMorgan Chase Bank, N.A. or any of its Affiliates who shall have been deemed to have provided such notice), as the case may be. Each Affiliate of a Lender not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article VIII hereof for itself and its Affiliates as if a "Lender" party hereto. It is understood and agreed that Lenders who were also (a) "Lenders" under and as defined in the Existing Credit Agreement or (b) "Lenders" under and as defined in the Prepetition Credit Agreement, and that in each case, provided notices to the Existing Agent or the administrative agent under the Prepetition Credit Agreement, as applicable, in respect of Banking Services for, or Rate Management Transactions with, any Loan Party or any Subsidiary of a Loan Party prior to the Closing Date shall have been deemed to have provided such notices under this Agreement.

ARTICLE IX
GENERAL PROVISIONS

9.1 Survival of Representations. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Issuing Lender or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Aggregate Commitment has not expired or terminated. The provisions of Sections 3.1, 3.3, 3.4, 9.6 and Article X shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Aggregate Commitment or the termination of this Agreement or any other Loan Document or any provision hereof or thereof

9.2 Governmental Regulation. Anything contained in this Agreement to the contrary notwithstanding, no Lender shall be obligated to extend credit to the Borrower in violation of any limitation or prohibition provided by any applicable statute or regulation.

9.3 Headings. Section headings in the Loan Documents are for convenience of reference only, and shall not govern the interpretation of any of the provisions of the Loan Documents.

9.4 Entire Agreement. This Agreement and the other Loan Documents represent the entire agreement of the Parent, the Borrower, the Administrative Agent and the Lenders with respect to the subject matter hereof and thereof, and there are no promises, undertakings, representations or warranties by the Administrative Agent or any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents.

9.5 Several Obligations; Benefits of this Agreement. The respective obligations of the Lenders hereunder are several and not joint and no Lender shall be the partner or agent of any other (except to the extent to which the Administrative Agent is authorized to act as an agent). The failure of any Lender to perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder. This Agreement shall not be construed so as to confer any right or benefit upon any Person other than the parties to this Agreement and their respective successors and assigns, provided, however, that the parties hereto expressly agree that the Arrangers shall enjoy the benefits of the provisions of

Sections 9.6, 9.10 and 10.7 to the extent specifically set forth therein and each such Arranger shall have the right to enforce such provisions on its own behalf and in its own name to the same extent as if it were a party to this Agreement.

9.6 Expenses; Indemnification.

(a) The Loan Parties shall, jointly and severally, reimburse the Administrative Agent and the Arrangers for any reasonable costs and out of pocket expenses (including reasonable and documented out-of-pocket attorneys' fees and charges of one primary counsel for the Administrative Agent, which attorneys may be employees of the Administrative Agent) paid or incurred by the Administrative Agent or the Arrangers in connection with the preparation, negotiation, execution, delivery, syndication, review, amendment, modification, and administration of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated). The Loan Parties shall, jointly and severally, reimburse the Lenders for any reasonable costs and out of pocket expenses (including reasonable and documented out-of-pocket attorneys' fees and charges of one primary counsel for the Lenders, which attorneys may be employees of the Lenders) paid or incurred by the Lenders in connection with the preparation, negotiation, execution, delivery, syndication, review, amendment, modification, and administration of the Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated). The Loan Parties also agree, jointly and severally, to reimburse the Administrative Agent, the Arrangers, the Lenders and any Issuing Lender for any costs and out of pocket expenses (including attorneys' fees and charges of attorneys for the Administrative Agent, the Arrangers, the Lenders and any Issuing Lender, which attorneys may be employees of the Administrative Agent, the Arrangers, the Lenders or any Issuing Lender) paid or incurred by the Administrative Agent, the Arrangers, any Lender or any Issuing Lender in connection with the protection, collection or enforcement of the rights of any of the foregoing in connection with the Loan Documents, including all such out of pocket expenses incurred during any workout, restructuring or negotiations related to such workout or restructuring in respect of such Loan Documents. Without limitation of the foregoing, the Loan Parties shall reimburse the Administrative Agent for the fees, costs and expenses incurred in connection with (i) any field exams, audits, appraisals or other reviews permitted under Section 6.9 to the extent provided therein or (ii) collecting checks and other items of payment while a Cash Dominion Trigger Period is in effect. Without prejudice to the survival of any other agreement of the Loan Parties hereunder, the agreements and obligations of the Loan Parties contained in this Section 9.6(a) shall survive the termination of this Agreement, the termination of all Commitments, and the payment of amounts payable under this Agreement.

(b) The Borrower shall indemnify the Administrative Agent, the Arrangers, each Issuing Lender and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims (including intraparty claims), demands, damages or liabilities of any kind (collectively "Liabilities") and related expenses, including the reasonable and documented fees and expenses of one firm of counsel for all Indemnitees, taken as a whole, and, if reasonably necessary, one specialist counsel in each area of specialty reasonably necessary and one firm of local counsel in each appropriate jurisdiction, and, in the case of an actual or perceived conflict of interest (as reasonably determined by an Indemnitee), one additional firm of counsel in each relevant jurisdiction for the affected Indemnitees similarly situated, taken as a whole, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the Transactions or any other transactions contemplated hereby, (ii) any Letter of Credit, participations in Letters of Credit or the use of the proceeds therefrom (including any refusal by an Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any Environmental Liability related in any way to the Borrower or any of its Subsidiaries,

or (iv) any actual or prospective Proceedings relating to any of the foregoing, whether or not such Proceeding is brought by the Parent, the Borrower or any other Loan Party or their respective equity holders, Affiliates, creditors or any other third Person and whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such Liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted primarily from the gross negligence or willful misconduct of such Indemnitee. This Section 9.6(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim. The obligations of the Borrower under this Section 9.6(b) shall survive the termination of this Agreement.

(c) To the extent that any Loan Party fails to pay any amount required to be paid by it to the Administrative Agent (or any sub-agent thereof) or the Issuing Lender (or any Indemnitee of any of the foregoing) under Section 9.6(a) or (b), each Lender severally agrees to pay to the Administrative Agent or the Issuing Lender (or any Indemnitee of any of the foregoing), as the case may be, such Lender's Pro Rata Share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount (it being understood that any such payment by the Lenders shall not relieve any Loan Party of any default in the payment thereof); provided that the unreimbursed expense or indemnified loss, claim, damage, penalty, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Issuing Lender in its capacity as such.

(d) To the extent permitted by applicable law, (i) no Loan Party shall assert, and each Loan Party hereby waives, any claim against any Indemnitee, for any damages arising from the use by others of information or other materials (including, without limitation, any personal data) obtained through telecommunications, electronic or other information transmission systems (including the Internet), or (ii) no party hereto shall assert, and each party hereto hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document, or any agreement or instrument contemplated hereby or thereby any Loan or Letter of Credit or the use of the proceeds thereof; provided that, nothing in this paragraph (d) shall relieve any Loan Party of any obligation it may have to indemnify an Indemnitee against any special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section shall be payable not later than ten (10) calendar days after written demand therefor.

9.7 Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged hereunder, including all charges or fees in connection therewith deemed in the nature of interest under applicable law, shall not exceed the Highest Lawful Rate (as such term is defined below). It is the intention of the Lenders and the Borrower to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Borrower. As used in this paragraph, the term "Highest Lawful Rate" means the maximum lawful interest rate, if any, that at any time or from time to time may be contracted for, charged, or received under the laws applicable to such Lender which are presently in effect or, to the extent allowed by law, under such applicable laws which may hereafter be in effect and which allow a higher maximum nonusurious interest rate than applicable laws now allow.

9.8 Severability of Provisions. Any provision in any Loan Document that is held to be inoperative, unenforceable, or invalid in any jurisdiction shall, as to that jurisdiction, be inoperative, unenforceable, or invalid without affecting the remaining provisions in that jurisdiction or the operation,

enforceability, or validity of that provision in any other jurisdiction, and to this end the provisions of all Loan Documents are declared to be severable.

9.9 Acknowledgements. Each of the Parent and the Borrower hereby acknowledges that: (a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents; (b) neither the Administrative Agent nor any Lender has any fiduciary relationship with or duty to the Parent or the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between Administrative Agent and Lenders, on one hand, and the Parent and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and (c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Parent, the Borrower and the Lenders.

9.10 Confidentiality. Each of the Administrative Agent, each Issuing Lender and each Lender agrees to keep confidential all Information (as defined below); provided that nothing herein shall prevent the Administrative Agent, any Issuing Lender or any Lender from disclosing any such information (a) to the Administrative Agent, any Issuing Lender any other Lender or any affiliate thereof, (b) subject to an agreement to comply with the provisions of this Section 9.10, to any actual or prospective Transferee or any direct or indirect counterparty to any Rate Management Obligation, Specified Cash Management Obligation or other swap agreement (or any professional advisor to such counterparty), (c) to its employees, directors, agents, attorneys, accountants and other professional advisors or those of any of its affiliates who need to know such information, (d) upon the request or demand of any governmental authority or quasi-governmental authority, (e) in response to any order of any court or other governmental authority or quasi-governmental authority or as may otherwise be required pursuant to any requirement of law, (f) if requested or required to do so in connection with any litigation or similar proceeding, (g) that has been publicly disclosed, (h) to the National Association of Insurance Commissioners or any similar organization or any nationally recognized rating agency that requires access to information about a Lender's investment portfolio in connection with ratings issued with respect to such Lender, or (i) in connection with the exercise of any remedy hereunder or under any other Loan Document, or (j) if agreed by the Borrower in its sole discretion, to any other Person. "Information" means all information received from a Loan Party relating to the Loan Parties, any of its Subsidiaries or their respective businesses, other than any such information that is available to the Administrative Agent, any Issuing Lender or any Lender on a non-confidential basis prior to disclosure by a Loan Party and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that in the case of information received from a Loan Party after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section 9.10 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that information furnished to it pursuant to this Agreement or the other Loan Documents may include material non-public information concerning the Borrower and its Affiliates and their related parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

All information, including requests for waivers and amendments, furnished by the Borrower or the Administrative Agent pursuant to, or in the course of administering, this Agreement or the other Loan Documents will be syndicate-level information, which may contain material non-public information about the Borrower and its Affiliates and their related parties or their respective securities. Accordingly, each Lender represents to the Borrower and the Administrative Agent that it has identified in its administrative

questionnaire a credit contact who may receive information that may contain material non-public information in accordance with its compliance procedures and applicable law, including Federal and state securities laws.

9.11 Amendments and Waivers. Subject to Section 3.2(c), none of this Agreement, any other Loan Document, or any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 9.11. The Required Lenders and each Loan Party party to the relevant Loan Document may, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications hereto and to the other Loan Documents for the purpose of adding any provisions to this Agreement or the other Loan Documents or changing in any manner the rights of the Lenders or of the Loan Parties hereunder or thereunder or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) forgive the principal amount or extend the final scheduled date of maturity of any Loan, reduce the stated rate of any interest or fee payable hereunder (except (x) in connection with the waiver of applicability of any post-default increase in interest rates and (y) that any amendment or modification of defined terms used in the financial covenants in this Agreement shall not constitute a reduction in the rate of interest or fees for purposes of this clause (i)) or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the written consent of each Lender directly affected thereby; (ii) eliminate or reduce the voting rights of any Lender under this Section 9.11 without the written consent of such Lender; (iii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents without the consent of all Lenders; (iv) release all or any portion of the Collateral, or agree to subordinate any Lien in such Collateral to any other creditor, or release any Subsidiary Guarantor from its guaranty, in each case without the written consent of all Lenders; provided, however, that without the consent of any Lender, the Administrative Agent may release any Collateral or Guarantor in order to give effect to, or otherwise in connection with, any sale, transfer or other disposition of such Collateral or Guarantor permitted by this Agreement; (v) amend, modify or waive any provision of Section 2.11, Section 8.3 or Section 11.2 or any other provision with respect to the application of payments without the written consent of all of the Lenders; (vi) reduce the percentage specified in the definition of "Required Lenders" or amend the definition of "Pro Rata Share" without the written consent of all Lenders; (vii) amend, modify or waive any provision of Article X or any other provision of any Loan Document that affects the Administrative Agent without the written consent of the Administrative Agent; (viii) amend, modify or waive any provision of Section 2.2 without the written consent of all of the Issuing Lenders; (ix) increase the advance rates set forth in the definition of "Borrowing Base" or add new categories of eligible assets, without the written consent of all of the Lenders; or (x) increase the aggregate principal amount of Protective Advances permitted to be outstanding at any time without the written consent of all of the Lenders; provided, further, however that with the consent of Required Lenders, this Agreement may be amended in order to provide that Loans be advanced to the Borrower in one or more foreign currencies. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Event of Default, or impair any right consequent thereon. Notwithstanding anything to the contrary contained in the Loan Documents, the Administrative Agent and the Borrower, may amend, modify or supplement any Loan Document without the consent of any Lender in order to (x) correct, amend, cure or resolve any minor ambiguity, omission, defect, typographical error, inconsistency or other manifest error therein, (y) add a guarantor or collateral or otherwise enhance the

rights and benefits of the Lenders or (z) make minor administrative or operational changes not adverse to any Lender.

9.12 The PATRIOT Act. Each Lender hereby notifies the Parent, Borrower and Subsidiaries that pursuant to the requirements of the Uniting and Strengthening by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (Title III of P.L. No. 107-56) (known as the "PATRIOT Act"), each Lender is required to obtain, verify and record information that identifies the Parent, Borrower and Subsidiaries, which information includes the name and address of the Parent, Borrower and Subsidiaries and other information that will allow such Lender to identify the Parent, Borrower and Subsidiaries in accordance with the PATRIOT Act.

Promptly following any request therefor, the Borrower shall provide information and documentation reasonably requested by the Administrative Agent or any Lender for purposes of compliance with applicable "know your customer" and anti-money-laundering rules and regulations, including, without limitation, the PATRIOT Act and the Beneficial Ownership Regulation.

9.13 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support "QFC Credit Support" and each such QFC a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

9.14 Flood Diligence Restrictions. No real property shall be taken as Collateral unless Lenders receive forty-five (45) calendar days' advance notice and each Lender confirms to the Administrative Agent that it has completed all flood due diligence, received copies of all flood insurance documentation and confirmed flood insurance compliance as required by the Flood Laws or as otherwise satisfactory to such Lender. At any time that any real property constitutes Collateral, no modification of a Loan Document shall add, increase, renew or extend any loan, commitment or credit line hereunder until the completion of

flood due diligence, documentation and coverage as required by the Flood Laws or as otherwise satisfactory to all Lenders.

ARTICLE X
THE ADMINISTRATIVE AGENT

10.1 Appointment. Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent.

10.2 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement and the other Loan Documents by or through agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agents or attorneys-in fact selected by it with reasonable care.

10.3 Exculpatory Provisions. None of the Administrative Agent, the Syndication Agent or any of their respective officers, directors, employees, agents, advisors, attorneys in fact or affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or (b) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent or the Syndication Agent under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder. The Administrative Agent and the Syndication Agent shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party.

10.4 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy or email message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Parent or the Borrower), independent accountants and other experts selected by the Administrative Agent. The Administrative Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so

specified by this Agreement, all Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans.

10.5 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Administrative Agent has received notice from a Lender, the Parent or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default". In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give notice thereof to the Lenders. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders); provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

10.6 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that none of the Administrative Agent and the Syndication Agent nor any of their respective officers, directors, employees, agents, advisors, attorneys in fact or affiliates have made any representations or warranties to it and that no act by the Administrative Agent or the Syndication Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Syndication Agent to any Lender. Each Lender represents to the Administrative Agent and the Syndication Agent that it has, independently and without reliance upon the Administrative Agent, the Syndication Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Syndication Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of the Administrative Agent or any of its officers, directors, employees, agents, advisors, attorneys in fact or affiliates.

10.7 Indemnification. The Lenders agree to indemnify the Administrative Agent, the Syndication Agent, each Arranger, each Issuing Lender and each of their respective officers, directors, employees, affiliates, agents, advisors and Controlling Persons (each, an "Agent Indemnitee") (to the extent not reimbursed by the Parent or the Borrower and without limiting the obligation of the Parent or the Borrower to do so), ratably according to their respective Pro Rata Share in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Pro Rata Share immediately prior to such date), from and against any and all liabilities, obligations,

losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee's gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

10.8 Rights as a Lender. The Administrative Agent, the Syndication Agent, each Arranger and each of their respective affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Administrative Agent, Syndication Agent or Arranger were not an agent hereunder. With respect to its Loans made or renewed by it and with respect to any Letter of Credit issued or participated in by it, the Administrative Agent, the Syndication Agent and each Arranger shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Administrative Agent, Syndication Agent or Arranger, as applicable, and the terms "Lender" and "Lenders" shall include the Administrative Agent, each Syndication Agent and each Arranger in its individual capacity.

10.9 Successor Administrative Agent. The Administrative Agent may resign as Administrative Agent upon thirty (30) calendar days' notice to the Lenders and the Borrower. If the Administrative Agent shall resign as Administrative Agent under this Agreement and the other Loan Documents, then the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which successor agent shall (unless an Event of Default under Section 7.1(b), (g) or (h) with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of the Administrative Agent, and the term "Administrative Agent" means such successor agent effective upon such appointment and approval, and the former Administrative Agent's rights, powers and duties as Administrative Agent shall be terminated, without any other or further act or deed on the part of such former Administrative Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has accepted appointment as Administrative Agent by the date that is ten (10) calendar days following a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above. After any retiring Administrative Agent's resignation as Administrative Agent, the provisions of this Article X and of Section 9.6 shall continue to inure to its benefit.

10.10 Arrangers and Syndication Agent. None of the Arrangers or the Syndication Agent shall have any duties or responsibilities hereunder in their capacities as such.

10.11 Releases of Guarantees and Liens.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the Administrative Agent is hereby irrevocably authorized by each Lender (without requirement of notice to or consent of any Lender except as expressly required by Section 9.11) to take any action requested by the Borrower having the effect of releasing any Collateral or guarantee obligations (i) to the extent necessary to permit consummation of any transaction not prohibited by any Loan Document or that

has been consented to in accordance with Section 9.11 or (ii) under the circumstances described in paragraph (b) below (and, in the case of clause (i) above, if requested by the Administrative Agent, the Borrower shall deliver to the Administrative Agent a certificate of an Authorized Officer on or prior to the date such transaction is consummated certifying that such transaction is not prohibited by any Loan Document and the Administrative Agent may rely conclusively on such certificate without further inquiry).

(b) At such time as the Loans and the other obligations under the Loan Documents shall have been paid in full, the Commitments have been terminated and no Letters of Credit shall be outstanding, the Collateral shall be released from the Liens created by the Collateral Documents, and the Collateral Documents and all obligations (other than those expressly stated to survive such termination) of the Administrative Agent and each Loan Party under the Collateral Documents shall terminate, all without delivery of any instrument or performance of any act by any Person.

(c) Anything contained in any of the Loan Documents to the contrary notwithstanding, the Parent, the Borrower, the Administrative Agent, and each Lender hereby agree that no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Collateral Documents, it being understood and agreed that all powers, rights and remedies under any of the Collateral Documents may be exercised solely by the Administrative Agent for the benefit of the Secured Parties in accordance with the terms thereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Administrative Agent for the benefit of the Secured Parties in accordance with the terms thereof.

(d) The benefit of the provisions of the Loan Documents directly relating to the Collateral or any Lien granted thereunder shall extend to and be available to any Secured Party that is not an Administrative Agent, Lender or Issuing Lender as long as, by accepting such benefits, such Secured Party agrees, as among the Administrative Agent and all other Secured Parties, that such Secured Party is bound by (and, if requested by the Administrative Agent, shall confirm such agreement in a writing in form and substance acceptable to the Administrative Agent) this Article X and the decisions and actions of the Administrative Agent and the Required Lenders (or, where expressly required by the terms of this Agreement, a greater proportion of the Lenders or other parties hereto as required herein) to the same extent a Lender is bound; provided, however, that, notwithstanding the foregoing, (a) such Secured Party shall be bound by Section 10.7 only to the extent of liabilities, costs and expenses with respect to or otherwise relating to the Collateral, (b) each of the Administrative Agent and Lenders shall be entitled to act without regard to the interest of such Secured Party, regardless of whether any Obligation to such Secured Party thereafter remains outstanding, is deprived of the benefit of the Collateral, becomes unsecured or is otherwise affected or put in jeopardy thereby, and without any duty or liability to such Secured Party or any such Obligation and (c) except as otherwise set forth herein, such Secured Party shall not have any right to be notified of, consent to, direct, require or be heard with respect to, any action taken or omitted in respect of the Collateral or under any Loan Document.

10.12 Credit Bidding. The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including by accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar laws in any other jurisdictions to which a Loan Party is subject, or (b) at any other sale, foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid by the Administrative Agent at the direction of the Required

Lenders on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that shall vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) for the asset or assets so purchased (or for the equity interests or debt instruments of the acquisition vehicle or vehicles that are issued in connection with such purchase). In connection with any such bid, (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles and to assign any successful credit bid to such acquisition vehicle or vehicles, (ii) each of the Secured Parties' ratable interests in the Obligations which were credit bid shall be deemed without any further action under this Agreement to be assigned to such vehicle or vehicles for the purpose of closing such sale, (iii) the Administrative Agent shall be authorized to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or equity interests thereof, shall be governed, directly or indirectly, by, and the governing documents shall provide for, control by the vote of the Required Lenders or their permitted assignees under the terms of this Agreement or the governing documents of the applicable acquisition vehicle or vehicles, as the case may be, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in Section 9.11), (iv) the Administrative Agent on behalf of such acquisition vehicle or vehicles shall be authorized to issue to each of the Secured Parties, ratably on account of the relevant Obligations which were credit bid, interests, whether as equity, partnership interests, limited partnership interests or membership interests, in any such acquisition vehicle and/or debt instruments issued by such acquisition vehicle, all without the need for any Secured Party or acquisition vehicle to take any further action, and (v) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of Obligations credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Secured Parties pro rata with their original interest in such Obligations and the equity interests and/or debt instruments issued by any acquisition vehicle on account of such Obligations shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action. Notwithstanding that the ratable portion of the Obligations of each Secured Party are deemed assigned to the acquisition vehicle or vehicles as set forth in clause (ii) above, each Secured Party shall execute such documents and provide such information regarding the Secured Party (and/or any designee of the Secured Party which will receive interests in or debt instruments issued by such acquisition vehicle) as the Administrative Agent may reasonably request in connection with the formation of any acquisition vehicle, the formulation or submission of any credit bid or the consummation of the transactions contemplated by such credit bid.

10.13 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, the Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of the Plan Asset Regulations) of one or more Benefit Plans in connection with the Loans, the Letters of Credit or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled

separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless Section 10.13(a)(i) is true with respect to a Lender or such Lender has provided another representation, warranty and covenant as provided in Section 10.13(a)(iv), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that none of the Administrative Agent, or any Arranger or any of their respective Affiliates is a fiduciary with respect to the Collateral or the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related to hereto or thereto).

(c) The Administrative Agent, and each Arranger, hereby informs the Lenders that each such Person is not undertaking to provide investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (i) may receive interest or other payments with respect to the Loans, the Letters of Credit, the Commitments, this Agreement and any other Loan Documents, (ii) may recognize a gain if it extended the Loans, the Letters of Credit or the Commitments for an amount less than the amount being paid for an interest in the Loans, the Letters of Credit or the Commitments by such Lender or (iii) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

ARTICLE XI
SETOFF; RATABLE PAYMENTS

11.1 Setoff.

(a) Except to the extent that this Agreement or a court order expressly provides for payments to be allocated to a particular Lender, if any Lender (a "Benefitted Lender") shall receive any payment of all or part of the Obligations owing to it (other than in connection with an assignment made

pursuant to Section 12.1), or receive any Collateral in respect thereof (whether voluntarily or involuntarily, by set off, pursuant to events or proceedings of the nature referred to in Section 7.1(g), Section 7.1(h), or otherwise), in a greater proportion than any such payment to or Collateral received by any other Lender, if any, in respect of the Obligations owing to such other Lender, such Benefitted Lender shall purchase for cash from the other Lenders a participating interest in such portion of the Obligations owing to each such other Lender, or shall provide such other Lenders with the benefits of any such Collateral, as shall be necessary to cause such Benefitted Lender to share the excess payment or benefits of such Collateral ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefitted Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any Obligations becoming due and payable by the Borrower (whether at the stated maturity, by acceleration or otherwise), to apply to the payment of such Obligations, by setoff or otherwise, any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender, any Affiliate thereof or any of their respective branches or agencies to or for the credit or the account of the Borrower; provided that if any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of this Agreement and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Lender and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the obligations owing to such Defaulting Lender as to which it exercised such right of set off. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such application made by such Lender, provided that the failure to give such notice shall not affect the validity of such application.

11.2 Ratable Payments. If any Lender, whether by setoff or otherwise, has payment made to it upon its Loans (other than payments received pursuant to Section 3.1, 3.2 or 3.4) in a greater proportion than that received by any other Lender, such Lender agrees, promptly upon demand, to purchase a portion of the Loans held by the other Lenders so that after such purchase each Lender will hold its Pro Rata Share. If any Lender, whether in connection with setoff or amounts which might be subject to setoff or otherwise, receives Collateral or other protection for its Obligations or such amounts which may be subject to setoff, such Lender agrees, promptly upon demand, to take such action necessary such that all Lenders share in the benefits of such Collateral ratably in proportion to their respective Pro Rata Share, as applicable. In case any such payment is disturbed by legal process, or otherwise, appropriate further adjustments shall be made.

If an amount to be set off is to be applied to permitted Funded Indebtedness of the Borrower to a Lender other than Obligations under this Agreement, such amount shall be applied ratably to such other Funded Indebtedness and to the Obligations.

ARTICLE XII
BENEFIT OF AGREEMENT; ASSIGNMENTS; PARTICIPATIONS

12.1 Successors and Assigns. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any affiliate of the Issuing Lender that issues any Letter of Credit), except that (a) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of

each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (b) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Article XII.

12.2 Permitted Assignments and Participations.

(a) (i) Subject to the conditions set forth in paragraph (a)(ii) below, any Lender may assign to one or more assignees (each, an "Assignee") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent of:

(A) the Borrower (such consent not to be unreasonably withheld or delayed), provided that no consent of the Borrower shall be required for an assignment to a Lender, an affiliate of a Lender, an Approved Fund (as defined below) or, if an Event of Default under Section 7.1(b), Section 7.1(g) or Section 7.1(h) has occurred and is continuing, any Person; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after an Authorized Officer of the Borrower has received notice thereof;

(B) the Administrative Agent (such consent not to be unreasonably withheld or delayed), provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Loan to an existing Lender, an affiliate of an existing Lender or an Approved Fund; and

(C) each Issuing Lender, in the case of any assignment of any Lender's Commitment.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under the Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that (1) no such consent of the Borrower shall be required if an Event of Default has occurred and is continuing; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after an Authorized Officer of the Borrower has received notice thereof and (2) such amounts shall be aggregated in respect of each Lender and its affiliates or Approved Funds, if any;

(B) (1) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 and (2) the assigning Lender shall have paid in full any amounts owing by it to the Administrative Agent;

(C) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in which the Assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower and its Affiliates and their related parties or their respective

securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws;

(D) no such assignment shall be made to (1) the Parent or any of the Parent's Subsidiaries or Affiliates, (2) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a Subsidiary thereof, or (3) a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person); and

(E) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, each Issuing Lender and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full Pro Rata Share of all Loans and participations in Letters of Credit. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

For the purposes of this Section 12.2, "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course of its business and that is administered or managed by (a) a Lender, (b) an affiliate of a Lender or (c) an entity or an affiliate of an entity that administers or manages a Lender.

(iii) Subject to acceptance and recording thereof pursuant to Section 12.2(a)(iv), from and after the effective date specified in each Assignment and Assumption, the Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.1, 3.2, 3.4 and 9.6) with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.2 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.2(b).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount (and stated interest) of the Loans and L/C Obligations owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive,

absent manifest error, and the Borrower, the Agent, the Issuing Lender and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee, the Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 12.2(a) and any written consent to such assignment required by Section 12.2(a), the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(b) (i) Any Lender may, without the consent of the Borrower or the Agent, sell participations to any Person (other than a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Parent or any of the Parent's Affiliates or Subsidiaries) (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Agent, the Issuing Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 10.07 with respect to any payments made by such Lender to its Participant(s). Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly affected thereby pursuant to the proviso to the second sentence of Section 8.2 and (2) directly affects such Participant. Subject to Section 12.2(b)(ii), the Borrower agrees that each Participant shall be entitled to the benefits of, and subject to the limitations of, Sections 3.1, 3.2 and 3.4 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.2(a). To the extent permitted by law, each Participant also shall be entitled to the benefits of Sections 11.1 and 11.2 as though it were a Lender, provided such Participant shall be subject to Section 11.2 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, Letters of Credit or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) A Participant shall not be entitled to receive any greater payment under Section 3.1, 3.2 or 3.4 than the applicable Lender would have been entitled to receive with respect to the

participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent. No Participant shall be entitled to the benefits of Section 3.4 unless such Participant complies with Section 3.4(e) as if it were a Lender.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(d) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described in Section 12.2(c).

(e) Notwithstanding the foregoing, any Conduit Lender may assign any or all of the Loans it may have funded hereunder to its designating Lender without the consent of the Borrower or the Administrative Agent and without regard to the limitations set forth in Section 12.2(a). Each of the Parent, the Borrower, each Lender and the Administrative Agent hereby confirms that it will not institute against a Conduit Lender or join any other Person in instituting against a Conduit Lender any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding under any state bankruptcy or similar law, for one year and one day after the payment in full of the latest maturing commercial paper note issued by such Conduit Lender; provided, however, that each Lender designating any Conduit Lender hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such Conduit Lender during such period of forbearance.

12.3 Dissemination of Information. The Borrower authorizes each Lender to disclose to any Assignee, any Participant or any other Person acquiring an interest in the Loan Documents by operation of law (each a "Transferee") and any prospective Transferee any and all information in such Lender's possession concerning the creditworthiness of the Parent, Borrower and Borrower's Subsidiaries; provided that each Transferee and prospective Transferee agrees to be bound by Section 9.10 of this Agreement.

12.4 Tax Treatment. If any interest in any Loan Document is transferred to any Transferee which is organized under the laws of any jurisdiction other than the United States or any State thereof, the transferor Lender shall cause such Transferee, concurrently with the effectiveness of such transfer, to comply with the provisions of Section 3.4.

Category	Fixed Charge Coverage Ratio	Applicable Margin for Eurodollar Loans	Applicable Margin for Alternate Base Rate Loans	Letter of Credit Fee Rate
1	$\geq$ 2.0x	3.00%	2.00%	3.00%
2	$\geq$ 1.5x and < to 2.0x	3.25%	2.25%	3.25%
3	< 1.5x	3.50%	2.50%	3.50%

The applicable margins and fees shall be determined in accordance with the foregoing table based on the most recent annual or quarterly financial statements of the Borrower delivered pursuant to the Credit Agreement. Adjustments, if any, to the applicable margins and fees shall be effective on the date that the Administrative Agent has received the applicable Financials. If the Borrower fails to deliver the Financials to the Administrative Agent at the time required pursuant to the Credit Agreement, then the applicable margins and fees shall be the highest applicable margins and fees set forth in the foregoing table until the date that such Financials are so delivered.

If, as a result of any restatement of or other adjustment to the Financials or for any other reason, the Borrower or the Required Lenders determine that (i) the Fixed Charge Coverage Ratio as calculated by the Borrower as of any applicable date was inaccurate and (ii) a proper calculation of the Fixed Charge Coverage Ratio would have resulted in higher pricing for such period, the Borrower shall immediately and retroactively be obligated to pay to the Administrative Agent for the account of the applicable Lenders, promptly on demand by the Administrative Agent (or, after the occurrence of an actual or deemed entry of an order for relief with respect to the Borrower under the Bankruptcy Code, automatically and without further action by the Administrative Agent or any Lender), an amount equal to the excess of the amount of interest and fees that should have been paid for such period (determined after taking into account any corresponding reduction in the amount of interest and fees for such period), if any, over the amount of interest and fees actually paid for such period. This paragraph shall not limit the rights of the Administrative Agent or any Lender, as the case may be, under the Loan Documents and the Borrower's obligations under this paragraph shall survive the termination of the Facility and the other Loan Documents and the repayment of all other obligations thereunder (but in no event shall any claim be made under this paragraph after two (2) years after the termination of the facility and the other Loan Documents and the payment of all other obligations thereunder).

under Section 1123(a)(6) of the Bankruptcy Code, (ii) shall have such force and effect, if any, only for so long as such Section 1123(a)(6) is in effect and applicable to the Corporation, (iii) shall not be deemed to restrict any voluntary suspension of voting rights pursuant to this Amended and Restated Certificate of Incorporation and (iv) may be amended or eliminated in accordance with applicable law as from time to time in effect.

(B) Voting Rights

(1) Each share of Common Stock shall entitle the record holder thereof to one vote on all matters on which stockholders generally are entitled to vote.

(2) Except as otherwise required in this Amended and Restated Certificate of Incorporation, the Stockholders Agreement or by applicable law, the holders of Common Stock shall vote together as a single class on all matters (or, if any holders of Preferred Stock are entitled to vote together with the holders of Common Stock, as a single class with such holders of Preferred Stock). As used herein, "**Stockholders Agreement**" means that certain Stockholders Agreement, as may be amended, modified, supplemented or amended and restated from time to time, by and among the Corporation and the other parties thereto entered into in connection with the Plan.

(3) Except as otherwise required by law or the Stockholders Agreement, holders of Common Stock, as such, shall not be entitled to vote on any amendment to this Amended and Restated Certificate of Incorporation (including any certificate of designations relating to the Preferred Stock) that relates solely to the terms of the Preferred Stock if the holders of the Preferred Stock are entitled to vote thereon pursuant to this Amended and Restated Certificate of Incorporation (including any certificate of designations relating to the Preferred Stock) or pursuant to Delaware Law as currently in effect or as the same may hereafter be amended; *provided*, that any such amendment that would be adverse to the holders of Common Stock shall also require the approval of holders of at least a majority of the outstanding shares of Common Stock.

(C) Dividends

Subject to applicable law and the rights of the holders of the Preferred Stock (if applicable), dividends may be declared and paid on the Common Stock out of the assets of the Corporation that are by law available therefor, at such times and in such amounts as the Board of Directors in its discretion shall determine. Any dividends declared by the

Board of Directors to the holders of the then-outstanding Common Stock shall be paid to the holders thereof *pro rata* in accordance with the number of shares of Common Stock held by each such holder as of the record date of such dividend.

(D) Dissolution, Distributions Upon Liquidation or Winding Up

Subject to applicable law, in the event of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Corporation, after payment or provision for payment of the debts and other liabilities of the Corporation and of the preferential and other amounts, if any, to which the holders of the Preferred Stock shall be entitled, the holders of all outstanding shares of Common Stock shall be entitled to receive the remaining assets of the Corporation available for distribution ratably in proportion to the number of shares held by each such stockholder. A consolidation, reorganization or merger of the Corporation with any other person or persons, or a sale of all or substantially all of the assets of the Corporation, shall not be considered to be a dissolution, liquidation or winding up of the Corporation within the meaning of this Article 4(D).

ARTICLE 5.
BYLAWS

The Board of Directors shall have the power to adopt, amend or repeal the bylaws of the Corporation (the "**Bylaws**").

The stockholders may, without the approval of the Board of Directors, adopt, amend or repeal the Bylaws with the affirmative vote of the holders of not less than a majority of the voting power of all outstanding securities of the Corporation generally entitled to vote in the election of directors, voting together as a single class.

ARTICLE 6.
BOARD OF DIRECTORS

(A) Power of the Board of Directors. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

(B) Number of Directors. Subject to the terms of the Stockholders Agreement, the number of directors which shall constitute the Board of Directors shall, as of the date this Amended and Restated Certificate of Incorporation becomes effective, be [•] and, thereafter, shall be fixed exclusively by one or more resolutions adopted from time to time solely by the affirmative vote of a majority of the Board of Directors. A majority of the Board of Directors shall constitute a quorum for the transaction of business at any meeting of the Board of Directors and, except as otherwise expressly required by law, by the Stockholders Agreement or by this Amended and Restated Certificate of Incorporation, the act of a majority of the directors present at any meeting at which a quorum is present shall be the act of the Board of Directors.

(C) Election of Directors.

(1) Each director shall serve for a term ending on the date of the next annual meeting of stockholders. Notwithstanding the foregoing, each director shall hold office until such director's successor shall have been duly elected and qualified or until such director's earlier death, retirement, resignation, disqualification or removal. In no event will a decrease in the number of directors shorten the term of any incumbent director.

(2) There shall be no cumulative voting in the election of directors. Election of directors need not be by written ballot unless the Bylaws so provide.

(D) Vacancies. Subject to the terms of the Stockholders Agreement, vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director. If there are no directors in office, then an election of directors may be held in accordance with Delaware Law. Subject to the terms of the Stockholders Agreement, when one or more directors shall resign from the Board of Directors effective as of a future date, a majority of the directors then in office shall have the power to fill such vacancy or vacancies, the vote thereon to take effect when such resignation or resignations shall become effective, and each director so chosen shall hold office as provided in the filling of other vacancies. Notwithstanding the foregoing, but subject to the terms of the Stockholders Agreement, vacancies on the Board of Directors resulting from removal of any director by the stockholders shall be filled by the stockholders, acting at the same special meeting at which such director is removed (or, in the event the removal occurs by written consent, acting by written consent at the same time such director is removed).

(E) Chairman of the Board of Directors. Subject to the terms of the Stockholders Agreement, the Board of Directors (acting by majority vote of all directors, excluding the director under consideration for Chairman of the Board) shall elect one of its members as chairman (the "**Chairman of the Board**").

ARTICLE 7.
MEETINGS OF STOCKHOLDERS

(A) Annual Meetings. Unless directors are elected by written consent in lieu of an annual meeting as permitted by Delaware Law, an annual meeting of stockholders shall be held for the election of directors and to transact such other business as may properly be brought before the meeting.

(B) Special Meetings. Special meetings of stockholders may be called by the Board of Directors or the Chairman of the Board and shall be called by the Secretary at the request in writing of holders of record of at least 10% of the voting power of the outstanding capital stock of the Corporation entitled to vote on the matter or matters to be brought before the proposed special meeting. Such request shall state the purpose or purposes of the proposed meeting.

ARTICLE 8.
STOCKHOLDER ACTION BY WRITTEN CONSENT

Subject to the rights of the holders of any Preferred Stock then outstanding as may be provided in any certificate of designations relating to such Preferred Stock, any action required or permitted to be taken at any annual or special meeting of stockholders of the Corporation may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall be signed by the holders of shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted and shall be delivered to the Corporation in accordance with Section 228 of Delaware Law.

Every written consent shall bear the date of signature of each stockholder who signs the consent, and no written consent shall be effective to take the corporate action referred to therein unless, within 60 days of the earliest dated consent delivered in the manner required by this section and Delaware Law to the Corporation, written consents signed by a sufficient number of holders to take action are delivered to the Corporation by delivery to its registered office in Delaware, its principal place of business or an officer or agent of the Corporation having custody of the book in which proceedings of meetings of stockholders are recorded. Delivery made to the Corporation's registered office shall be by hand or by certified or registered mail, return receipt requested.

Prompt notice of the taking of the corporate action without a meeting by less than unanimous written consent shall be given to those stockholders who have not consented in writing and who, if the action had been taken at a meeting, would have been entitled to notice of the meeting if the record date for such meeting had been the date that written consents signed by a sufficient number of stockholders to take the action were delivered to the Corporation.

ARTICLE 9.
LIMITATION OF LIABILITY; INDEMNIFICATION

(A) Limited Liability. A director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director to the fullest extent permitted by Delaware Law. Any repeal or amendment or modification of this Article 9(A), or the adoption of any provision of this Amended and Restated Certificate of Incorporation inconsistent with this Article 9(A), will, to the extent permitted by applicable law, be prospective only (except to the extent such amendment or change in applicable law permits the Corporation to provide a broader limitation on a retroactive basis than permitted prior thereto), and will not adversely affect any limitation on the personal liability of any director of the Corporation at the time of such repeal or amendment or modification or adoption of such inconsistent provision to the extent relating to prior acts or omissions.

(B) Right to Indemnification.

(1) Each person (and the heirs, executors or administrators of such person) who was or is a party or is threatened to be made a party to, or is involved in any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, investigative or otherwise, by reason of the fact that such person is or was a director or officer of the Corporation or is or was serving at the request of the Corporation as a director or officer of another corporation, limited liability company, partnership, joint venture, trust or other enterprise (an "**Indemnitee**"), shall be indemnified and held harmless by the Corporation to the fullest extent permitted by Delaware Law. The right to indemnification conferred in this Article 9 shall also include the right to be paid by the Corporation the expenses and costs (including attorneys' fees) actually and reasonably incurred by any Indemnitee in defending or otherwise participating in any such proceeding and any appeal therefrom to the fullest extent authorized by Delaware Law; *provided, however*, if required by Delaware Law, such payment of expenses and costs in advance of the final disposition of the proceeding shall be made only upon receipt by the Corporation of an undertaking by or on behalf of such Indemnitee to repay all amounts advanced if it should be ultimately determined by final judicial decision from which there is no further right to appeal that such Indemnitee is not entitled to be indemnified for such expenses under this Article 9 or otherwise.

(2) The right to indemnification conferred in this Article 9 shall be a contract right between the Corporation and each Indemnitee and such rights shall continue as to an Indemnitee who has ceased to be a director, officer, employee or agent, or if the relevant provisions of Delaware Law or other applicable law cease to be in effect. Such contract right shall vest for each Indemnitee who is a director, officer, employee or agent at the time such person is elected or appointed to such position, and no repeal or modification of this Article 9 or any such law shall affect any such vested rights or obligations then existing with respect to any state of facts or proceeding arising after such election or appointment and prior to such repeal or modification.

(3) The Corporation may, by action of its Board of Directors, provide indemnification to such of the employees and agents of the Corporation to such extent and to such effect as the Board of Directors shall determine to be appropriate and authorized by Delaware Law.

(C) Insurance. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, limited liability company, partnership, joint venture, trust or other enterprise against any expense, liability or loss incurred by such person in any such capacity or arising out of such person's status as such, whether or not the Corporation would have the power to indemnify such person against such liability under Delaware Law or this Article 9.

(D) Nonexclusivity of Rights. The rights and authority conferred in this Article 9 shall not be exclusive of any other right that any person may otherwise have or hereafter acquire. The Corporation is specifically authorized to enter into individual contracts with any or all of its directors or officers respecting indemnification and

advances, to the fullest extent not prohibited by Delaware Law or by any other applicable law.

(E) Preservation of Rights. Neither the amendment nor repeal of this Article 9, nor the adoption of any provision of this Amended and Restated Certificate of Incorporation or the Bylaws, nor, to the fullest extent permitted by Delaware Law, any modification of law, shall adversely affect any right or protection of any person granted pursuant hereto existing at, or arising out of or related to any event, act or omission that occurred prior to, the time of such amendment, repeal, adoption or modification (regardless of when any proceeding (or part thereof) relating to such event, act or omission arises or is first threatened, commenced or completed).

(F) Jointly Indemnifiable Claims. Given that certain Jointly Indemnifiable Claims (as defined below) may arise due to the service of an Indemnitee as a director and/or officer of the Corporation at the request of an Indemnitee-Related Entity (as defined below), the Corporation shall be fully and primarily responsible for the payment to the Indemnitee in respect of indemnification or advancement of expenses in connection with any such Jointly Indemnifiable Claims, pursuant to and in accordance with the terms of this Article 9, irrespective of any right of recovery an Indemnitee may have from any Indemnitee-Related Entity. Under no circumstance shall the Corporation be entitled to any right of subrogation against or contribution by an Indemnitee-Related Entity and no right of advancement, indemnification or recovery an Indemnitee may have from any Indemnitee-Related Entity shall reduce or otherwise alter the rights of an Indemnitee or the obligations of the Corporation under this Article 9. In the event that an Indemnitee-Related Entity shall make any payment to the Indemnitee in respect of indemnification or advancement of expenses with respect to any Jointly Indemnifiable Claim, such Indemnitee-Related Entity making such payment shall be subrogated to the extent of such payment to all of the rights of recovery of the Indemnitee against the Corporation, and the Indemnitee shall execute all documents and instruments reasonably required and shall do all things that may be reasonably necessary to secure such rights, including the execution of such documents and instruments as may be necessary to enable such Indemnitee-Related Entity effectively to bring suit to enforce such rights. Each of the Indemnitee-Related Entities shall be third-party beneficiaries with respect to this Article 9(F) and entitled to enforce this Article 9(F).

The term "**Indemnitee-Related Entity**" means any corporation, limited liability company, partnership, joint venture, trust or other enterprise (other than the Corporation or any other corporation, partnership, joint venture, trust or other enterprise for which the Indemnitee has agreed, on behalf of the Corporation or at the Corporation's request, to serve as a director, officer, employee or agent and which service is covered by the indemnity described herein) from whom an Indemnitee may be entitled to indemnification or advancement of expenses in respect of a matter with respect to which, in whole or in part, the Corporation may also have an indemnification or advancement obligation.

The term "**Jointly Indemnifiable Claims**" shall be broadly construed and shall include, without limitation, any action, suit or proceeding for which an Indemnitee shall

be entitled to indemnification or advancement of expenses from both an Indemnitee-Related Entity and the Corporation pursuant to applicable law or any agreement, certificate of incorporation, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or comparable organizational documents of the Corporation or an Indemnitee-Related Entity, as applicable.

ARTICLE 10.
CORPORATE OPPORTUNITIES

(A) General. To the fullest extent permitted by law and except as expressly agreed to by a Dual Role Person (as defined below) in a separate instrument signed by a Dual Role Person with the Corporation or any of its Subsidiaries (as defined below) or any of their respective predecessors:

(1) To the extent provided in this Article 10, the Corporation and its Subsidiaries renounce any interest or expectancy of the Corporation or any of its Subsidiaries or the Corporation's stockholders in, or in being offered an opportunity to participate in, any Corporate Opportunity (as defined below) about which a Dual Role Person acquires knowledge. To the fullest extent permitted by Delaware Law and subject to Article 10(A)(3), no Dual Role Person or any of such Person's respective Representatives (as defined below) shall owe any fiduciary duty to, nor shall any Dual Role Person or any of such Person's respective Representatives be liable for breach of fiduciary duty to, the Corporation or any of its Subsidiaries or any of the Corporation's stockholders in connection with a Corporate Opportunity (as defined below), and no Dual Role Person or any of such Person's respective Representatives shall violate a duty or obligation to the Corporation or any of its Subsidiaries merely because such person's conduct furthers such person's own interest, except as specifically set forth in Article 10(A)(3). Any Dual Role Person or any of such Dual Role Person's respective Representatives may lend money to, and transact other business with, the Corporation and its Subsidiaries. The rights and obligations of any such person who lends money to, contracts with, borrows from or transacts business with the Corporation or any of its Subsidiaries are the same as those of a person who is not involved with the Corporation or any of its Subsidiaries. No transaction between any Dual Role Person or any of such Person's respective Representatives, on the one hand, and the Corporation or any of its Subsidiaries, on the other hand, shall be voidable solely because any Dual Role Person or any of such Person's respective Representatives has a direct or indirect interest in the transaction. Except as specifically set forth in Article 10(A)(3), nothing herein contained shall prevent any Dual Role Person or any of such Person's respective Representatives from conducting or investing in, independently or with others, any other business, including serving as an officer, director, employee, stockholder, partner or equityholder of any corporation, partnership or limited liability company, a trustee of any trust, an executor or administrator of any estate, or an administrative official of any other business or not-for-profit entity, or from receiving any compensation in connection therewith.

(2) Except as specifically set forth in Article 10(A)(3), none of any Dual Role Person or any of such Person's respective Representatives shall owe any duty to refrain from (i) directly or indirectly engaging or investing in, independently or with

others, any business activity of any type or description, including those that might be the same or similar activities or lines of business as the Corporation or any of its Subsidiaries or that may compete with the Corporation or any of its Subsidiaries or (ii) doing business with any of the Corporation's or any of its Subsidiaries' clients, customers, suppliers or others doing business with it or them. In the event that any Dual Role Person or any of such Person's respective Representatives acquires knowledge of a potential transaction or matter that may be a Corporate Opportunity for any Dual Role Person or any of such Person's respective Representatives, on the one hand, and the Corporation or any of its Subsidiaries, on the other hand, such Dual Role Person or Representatives, as the case may be, shall have no duty to communicate or offer such Corporate Opportunity to the Corporation or any of its Subsidiaries, subject to Article 10(A)(3). Dual Role Persons shall have the right to hold any transaction or matter for their own account or to recommend such transaction or matter to persons or entities other than the Corporation or any of its Subsidiaries, subject to Article 10(A)(3). No Dual Role Person or any of such Person's respective Representatives shall be liable to the Corporation or any of its Subsidiaries or any of the Corporation's stockholders for breach of any fiduciary duty by reason of the fact that any Dual Role Person or any of such Person's respective Representatives pursues or acquires such Corporate Opportunity for itself, directs such Corporate Opportunity to another person or does not present such Corporate Opportunity to the Corporation or any of its Subsidiaries, subject to Article 10(A)(3).

(3) If a third party presents an Included Corporate Opportunity (as defined below) to a person who is both a director (or its equivalent) of the Corporation or a Subsidiary of the Corporation and a Dual Role Person, expressly and solely in such person's capacity as a director (or its equivalent) of the Corporation or Subsidiary of the Corporation, and such person acts in good faith in a manner consistent with the policy that such Included Corporate Opportunity belongs to the Corporation and its Subsidiaries, including disclosing such Included Corporate Opportunity to the Corporation, then such person (i) shall be deemed to have fully satisfied and fulfilled any fiduciary duty that such person has to the Corporation and/or Subsidiary as a director (or its equivalent) of the Corporation or Subsidiary of the Corporation with respect to such Included Corporate Opportunity, (ii) shall not be liable to the Corporation or any of its Subsidiaries or any of the Corporation's stockholders for breach of fiduciary duty by reason of such person's action or inaction with respect to such Included Corporate Opportunity, (iii) shall be deemed to have acted in good faith and in a manner that such person reasonably believed to be in, and not opposed to, the Corporation's or any of its Subsidiaries' best interests, and (iv) shall be deemed not to have breached such person's duty of loyalty to the Corporation or any of its Subsidiaries and the Corporation's stockholders and not to have derived an improper personal benefit therefrom; *provided* that, in all events, a Dual Role Person may pursue such Included Corporate Opportunity to the extent the Corporation shall decide not to pursue or to cause a Subsidiary to pursue, such Included Corporate Opportunity.

(4) For purposes of this Article 10:

(i) "**Corporate Opportunity**" means any business opportunities related to the business of the Corporation or its Subsidiaries or any business opportunities in which the Corporation or its Subsidiaries may otherwise have an interest.

(ii) "**Dual Role Person**" means any of the following, individually or collectively, other than any person who is an employee of the Corporation or any of its Subsidiaries or any person that is an affiliate of such employee: (A) any stockholder of the Corporation or (B) any person elected, appointed or otherwise serving as a director (or its equivalent) of the Corporation or any of its Subsidiaries, and, in each case of clauses (A) and (B), any of such entity's or person's affiliates (other than, if applicable, the Corporation and its Subsidiaries).

(iii) "**Included Corporate Opportunity**" means any business opportunity that the Corporation or any of its Subsidiaries is financially and legally able to undertake that is, from its nature, in the Corporation's or any of its Subsidiaries' lines of business, is of practical advantage to the Corporation or any of its Subsidiaries and is one in which the Corporation or any of its Subsidiaries has an interest or a reasonable expectancy, and in which, by embracing such opportunity, the self-interest of any Dual Role Person or their respective Representatives will be brought into conflict with the Corporation's or any of its Subsidiaries' self-interest.

(iv) "**Representatives**" means, with respect to any entity or person, the directors, officers, employees, affiliates, general partners and managing member of such person.

(v) "**Subsidiary**" means, with respect to any person, any corporation, limited liability company, partnership, association or business entity of which (a) if a corporation, a majority of the total voting power of shares of stock entitled (without regard to the occurrence of any contingency) to vote in the election of directors, managers or trustees thereof is at the time owned or controlled, directly or indirectly, by that person or one or more of the other Subsidiaries of that person or a combination thereof, or (b) if a limited liability company, partnership, association or other business entity (other than a corporation), a majority of the voting interests thereof are at the time owned or controlled, directly or indirectly, by any person or one or more Subsidiaries of that person or a combination thereof; *provided* that in the case of this clause (b), if a person has the right to serve as the "manager" (or comparable role) of a limited liability company, partnership, association or other business entity (other than a corporation), such limited liability company, partnership, association or other business entity (other than a corporation) and each of its Subsidiaries shall be deemed to be a Subsidiary of such person.

(B) Preservation of Rights. Neither the amendment nor repeal of this Article 10, nor the adoption of any provision of this Amended and Restated Certificate of Incorporation or the Bylaws, nor, to the fullest extent permitted by Delaware Law, any modification of law, shall adversely affect any right or protection of any person granted pursuant hereto existing at, or arising out of or related to any event, act or omission that occurred prior to, the time of such amendment, repeal, adoption or modification

(regardless of when any proceeding (or part thereof) relating to such event, act or omission arises or is first threatened, commenced or completed).

(C) Notice of Article. To the fullest extent permitted by law, any entity or person purchasing or otherwise acquiring or holding any interest in any shares of capital stock of the Corporation (including, without limitation, Common Stock) shall be deemed to have notice of and to have consented to the provisions of this Article 10.

ARTICLE 11.
STOCKHOLDERS AGREEMENT

For so long as the Stockholders Agreement is in effect, any person who hereafter acquires (whether pursuant to an issuance by the Corporation, a transfer by a stockholder or otherwise) shares of Common Stock or any other equity securities of the Corporation who is not already a party to the Stockholders Agreement shall be required to deliver a properly executed Joinder (as defined in the Stockholders Agreement) to the Corporation as a condition to the effectiveness of such acquisition, and any acquisition in which the acquirer of Common Stock or other equity securities of the Corporation does not deliver such a joinder (if applicable) shall be void *ab initio*. For so long as the Stockholders Agreement is in effect, the provisions of the Stockholders Agreement shall be incorporated by reference into the relevant provisions hereof, and such provisions shall be interpreted and applied in a manner consistent with the terms of the Stockholders Agreement.

ARTICLE 12.
AMENDMENTS

Subject to such limitations as may be from time to time imposed by other provisions of this Amended and Restated Certificate of Incorporation, the Stockholders Agreement and subject to the rights of any holders of Preferred Stock as may be provided in any certificate of designations relating to such Preferred Stock, the Corporation reserves the right to amend this Amended and Restated Certificate of Incorporation in any manner permitted by Delaware Law and except as otherwise specifically provided herein or by Delaware Law, all rights and powers conferred upon stockholders, directors and officers herein are granted subject to this reservation.

ARTICLE 13.
EXCLUSIVE FORUM

(A) Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (or, if and only if the Court of Chancery does not have subject matter jurisdiction, another state court sitting in the State of Delaware or, if and only if neither the Court of Chancery nor any state court sitting in the State of Delaware has subject matter jurisdiction, then the federal district court for the District of Delaware) shall, to the fullest extent permitted by law, be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the

Corporation, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or other employee of the Corporation to the Corporation or the Corporation's stockholders, creditors or other constituents, or a claim of aiding and abetting any such breach of fiduciary duty, (iii) any action asserting a claim against the Corporation, its directors, officers or employees arising pursuant to any provision of Delaware Law or this Amended and Restated Certificate of Incorporation or the Bylaws (in each case, as they may be amended from time to time), (iv) any action to interpret, apply, enforce or determine the validity of this Amended and Restated Certificate of Incorporation or the Bylaws, (v) any action asserting a claim governed by the internal affairs doctrine or (vi) any action asserting an "internal corporate claim" as that term is defined in Section 115 of Delaware Law. The choice of forum provision set forth in this Section (A) of this Article 13 does not apply to any actions arising under the Securities Act of 1933, as amended (the "**Securities Act**") or the Securities Exchange Act of 1934, as amended.

(B) Unless the Corporation consents in writing to the selection of an alternative forum, the federal district court for the District of Delaware shall be the sole and exclusive forum for the resolution of any complaint asserting a cause of action arising under the Securities Act against the Corporation or any director or officer of the Corporation.

(C) Any person or entity purchasing or otherwise acquiring any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article 13.

ARTICLE 14.
MISCELLANEOUS AND SEVERABILITY

The Corporation expressly elects not to be governed by Section 203 of Delaware Law.

If any provision or provisions of this Amended and Restated Certificate of Incorporation shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (A) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Amended and Restated Certificate of Incorporation (including, without limitation, each portion of any paragraph of this Amended and Restated Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not, to the fullest extent permitted by applicable law, in any way be affected or impaired thereby and (B) to the fullest extent permitted by applicable law, the provisions of this Amended and Restated Certificate of Incorporation (including, without limitation, each such portion of any paragraph of this Amended and Restated Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Corporation to protect its directors, officers, employees and agents from personal liability in respect of their good faith service to or for the benefit of the Corporation to the fullest extent permitted by law.

Exhibit G

Reorganization Steps Overview

PLEASE TAKE FURTHER NOTICE that certain documents, or portions thereof, contained in this Exhibit G and the Plan Supplement remain subject to continuing negotiations among the Debtors and interested parties with respect thereto. The Debtors reserve all rights, subject to the terms and conditions set forth in the Plan and the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, at any time before the Effective Date of the Plan, or any such other date as may be provided for by the Plan or by order of the Bankruptcy Court.

REORGANIZATION STEPS OVERVIEW

The Debtors currently anticipate that the Restructuring Transactions will occur pursuant to the following steps in the following order, which may be subject to further change, on the Effective Date (unless otherwise indicated below). Except as otherwise specified, capitalized terms used but not defined in this Reorganization Steps Overview shall have the meaning ascribed to such terms in the Plan.

1. Before the Effective Date, the Debtors commence the Equity Rights Offering, with Accredited Cash Opt-Out Noteholders who timely and validly elect to participate in the Equity Rights Offering receiving the Subscription Rights.

2. Before the Effective Date, (i) Parent forms [Superior NewCo, Inc.], a Delaware corporation and a wholly-owned subsidiary of Parent ("**Reorganized Parent**"), and receives Reorganized Parent common stock ("**New Common Stock**"), (ii) Reorganized Parent forms [Superior MidCo, Inc.], a Delaware corporation and a wholly-owned subsidiary of Reorganized Parent ("**MidCo**") and receives MidCo common stock, and (iii) MidCo forms [Superior BottomCo, Inc.], a Delaware corporation and a wholly-owned subsidiary of MidCo ("**BottomCo**") and receives BottomCo common stock. Each of Reorganized Parent, MidCo and BottomCo will be treated as a corporation for U.S. federal income tax purposes.

3. The Holders of Prepetition Notes (the "**Contributing Noteholders**") contribute their Allowed Prepetition Notes Claims against Affiliate Debtors to Reorganized Parent in exchange for New Common Stock.

4. BottomCo merges into Parent with Parent surviving (the "**Merger**"), MidCo's BottomCo common stock converts into Parent common stock and both the Reorganized Parent common stock received in Step 2 and the Old Parent Interests, which are held by Parent's existing shareholders, are cancelled for no consideration. As a result of the Merger, the Contributing Noteholders will own 100% of the New Common Stock.

5. Holders of Allowed General Unsecured Claims against Parent receive their Pro Rata share of the Parent GUC Recovery Cash Pool, and Holders of Prepetition Notes Claims against Parent will waive any distribution with respect to such Claims from the Parent GUC Recovery Cash Pool.

6. In the event any Holders of Subscription Rights elect to exercise their Subscription Rights, such Holders will purchase their Pro Rata share of the New Common Stock constituting Equity Rights Offering Shares for Cash from the Contributing Noteholders that are Cash Payout Noteholders.

7. Parent and SESI, L.L.C. enter into the Exit Facility Credit Agreement.

8. Within 120 days following the Effective Date, as part of an integrated transaction, and pursuant to the Plan and the Confirmation Order, Reorganized Parent issues shares of New MIP Equity, which shall include a non-de minimis amount of shares of a class of common stock separate from the New Common Stock, to certain members of management and/or directors of Reorganized Parent determined by the New Board pursuant to the New Management Incentive Plan.

The foregoing list of steps is not necessarily comprehensive and may be subject to further refinement or change.
