RE: Claimant: Darren Johnson
Token # CJYN3QJY

Dear Tehum Personal Injury Settlement Trust Claims Administrator,

This is an objection of tier designation. Today July 15, 2026 I received a notice dated April 10, 2026. This is the first I seen of this document. My recent objection I requested a certain amount because I have not been notified until now which is in violation of my due process right. The same time I wrote you and sent my objection I notified the Texas Court before June 3, 2026.

Why would you date the date April 10, 2026, but send me this notice July 9, 2026 which got to

this pacility July 15, 2026 which Copy of the Postage date that was sent from there is marked.

OBJECTION TO TIER 4

I submitted the completed form with my medical documents in support. The medical documents showed that I was in severe chest pain and had a heart attack and was sent to the hospital. See Case 23-90086 Document 1815-2 Page 163 of 270 of Tier 3 (Infections and Immunological Issues (e.g., failure to Treat Resulting in fibrosis, Meningitis, or other), Cardiac and Vascular Problems (e.g., Heart Attack, Heart Disease), Extreme Pain and Suffering (e.g., Untreated Bowel Incontinence, Untreated Withdrawal. medical evidence shows a Heart attack and extreme pain and suffering, which the base Matrix Value is $266,200 which I fall clearly under. Also I sent documentation of Significant Loss of Mobility of my Penis, which falls in Tier 2 base Matrix Value $600,000 (Maximum Value $798,600.

I am Immediately requesting that the tier designation be Immediately changed to either tier 2 or 3 with the full amount of the Maximum. So I can pay my medical expenses and accomodations, treatment, therapy after the thyroid Cancer surgery, and allergic reaction. I have been waiting since 2020 to finally pay for the treatment and

therapy I need. This is a treatment and therapy that is Needed for the rest of my life. I have been respectfully and Patiently Waiting. So Please Immediately re-designate me to either 2 or 3 tier which is supported by medical documents.

Thank-you for your time and Consideration In this Urgent Important matter.

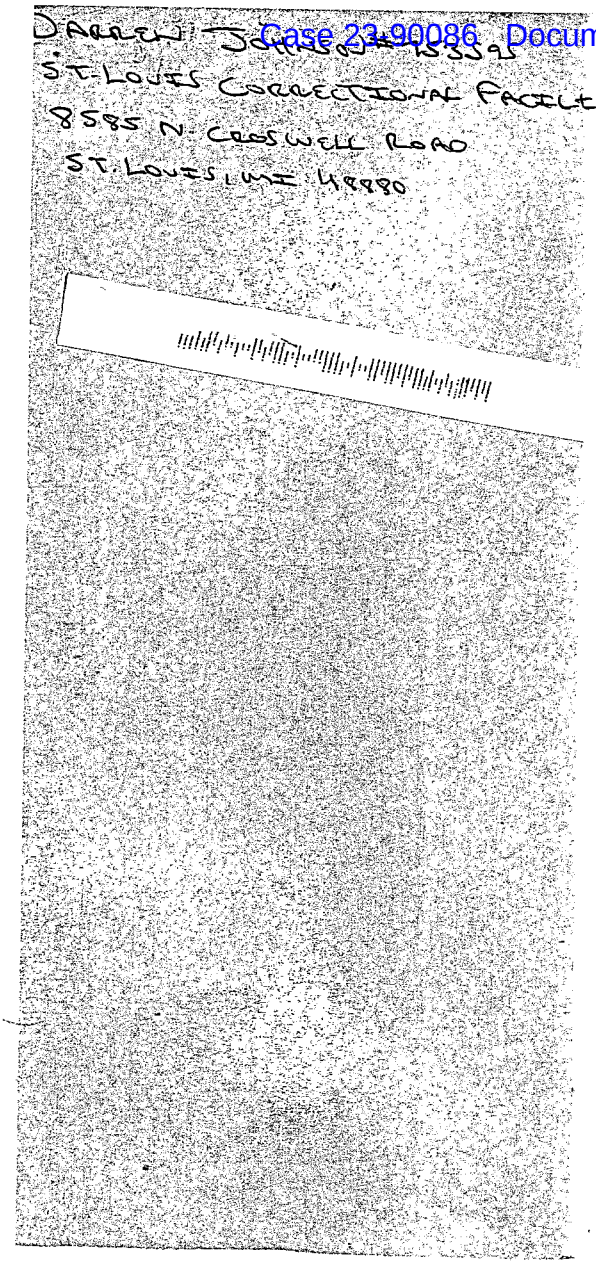

DECLARATION

I, Drew Johnson declarant, claimant, declares under the Penalty of Perjury that the foregoing is true and correct, to the best of Information, knowledge and belief. This is made a Personal knowledge and I am Competent to testify on the matters. 28 U.S.C § 1746.
