Notice OF Appeal

Nathan Ochsner, Clerk OF Court

Pursuant to your instruction of date of your notice September 9, 2026, following the rules in accordance with Fed. R. Bank R. P. 8006, 8007, 8008 and 8009(e)

Two(2) Designations are in the Court file with exhibits attached.

Brief Summary Of The Case

I am a vision impacted citizen under Americans with a disability act (ADA) and have been an ongoing suit against Tehum Care Services, Inc. et al, I recieved a letter from Attorney Michael Zimmerman stating that

he was the Attorney distributing the funds for the suit. Mr. Zimmerman hired a company to chart all injuries incured but when it was time to pay out the funds, Mr. Zimmerman sent out very low ball offers of $2,000.00 which is total disrespect and stated "that the Trust defaulted on the payments. Mr. Zimmerman started personally handling all the secretarial work after default was declared.

I am suffering and still are from multiple injuries exacerbated by shoddy health care that is well known in America's prisons. I had "4" major operations on my stomach, "3" blood transfusions from a burst blood vessel from exacerbated untreated hemmorhoids, caught pneumonia and cataracs in both eyes! (all of this is in the Court file)

I am in opposition to any offer lower than the injury chart permits and the lower expedited offer was $5,000.00 so Attorney Zimmerman can - (over)

no longer be trusted.

Conclusion And Relief

Wherefore, based on the meritorious claim of this case because the Trust, Tehum Care Services, Inc. etal and etc. have been ordered to settle. The Court thereupon should issue and necessarily render all other facts immaterial as a matter of law. Also, appellant avers the following:

(A.) Review the pending case in Court file and order the debtor to pay each person the Court has documented in the Court file.

(B.) Continue this Motion as adding Attorney Mike W. Zimmerman to the complaint for "Fraud".

(C.) I further request for a "Lean" to be placed on all debtor's and new deptor's that interfere with the creditors settling their dept, like Michael Zimmerman.

(D.) Grant the creditor any other and further relief as he may be entitled to including them and requiring the debtor to pay all court cost and report back to the Court. *Appellant paid court fees*

(E.) Have a mutual party distribute the funds cause everyone has been paid except the PI/Wrongful death individuals.

Wherefore, It is respectfully prayed that the Court grant any and all relief Appellant should be entitled to.
